

MELVA DWYER has compiled this index covering volume 31 of *BC Historical News* for the year 1998. The index will henceforth be published on a yearly rather than a five-yearly basis. To catch up a year lost somewhere in the past we plan to publish the 1999 index (volume 32) in the coming summer edition. The index for the year 2000 (volume 33) is scheduled for the first issue for 2002, next winter. Thank you, Melva Dwyer, for your continuing dedication and hard work for *BC Historical News* and the Federation.

INDEX

Volume 31:1, Winter 1997–1998 - 31:4, Fall 1998

The general index is arranged in three separate alphabetical sections for authors, titles and subjects. Book reviews appear after the general index and are listed alphabetically by the author of the book. There are some “see” references included to lead from subjects not used to those that are. No attempts have been made to identify numerous illustrations. If the article has illustrations, there is an asterisk * at the end of the citation. Illustrations having appeared on covers are listed under the subject ILLUSTRATIONS, COVER.

The information included in each entry is as follows: 31:4 (1998): 15-16.* This may be interpreted as meaning volume 31, issue number 4, year 1998, pages 15-16, an article with illustrations.
