

May 31st.1943.

Mr.C.C.Robinson,
P.O.Box 635,
Steveston, B.C.

Re.file No.4587.

Dear Sir,

I have given Mr.S.Shigematsu a summary of your letter of 13th.April, and I have received a reply in which he hopes we will have his butterfly specimens transferred from Steveston to my home at 2119 West 42nd.Avenue, Kerrisdale, just across from the former Pt.Grey Municipal Hall.

Have you some one in Steveston, a carrier or transfer man who could attend to this? I will pay the cost of transferring them. I think one of your local men could handle this easier than sending a stranger out to Steveston.

Thanking you in anticipation of your cooperation,

I remain,
Yours faithfully,

Associate Professor of Botany.
