

VANCOUVER NATURAL HISTORY SOCIETY.

Feb. 12th. 1929.

TO MEMBERS OF GARIBALDI CAMP PARTY.

Dear Fellow Member,

You may recall that before our party went into Camp last summer Mr. J. F. Malkin offered a prize of \$25 to the person who made the best collection of pressed plants during the Camp. It is desirable, therefore, that we should respond to this offer, and have the matter closed. I will be glad to know if you made a collection for this competition. A reply by return mail will enable me to get the collections together and to re-open the matter with Mr. Malkin in order to arrive at a decision.

Yours faithfully,

John Davidson,

President.
