

Handy

NOTE

BOOK

1911

Large leaved tree seen freq. in
gardens or by sides of roads
leaf like poplar, flr. like
Aesculus.

= *Catalpa speciosa*
(~~Bignoniaceae~~)

Lewis Anderson - the Sweds
on Laway Island

Thomas 24th to 26th 10/6/11

Stellaria granatica 2 fol. repens
Oteris aquilina *Rumex acetosella*
Carduus sp. *Saxifraga* *Sium macro-*
Alnus *Alnus* (young pl.) *Rubus* (*crispus*) *ursinus*
Claytonia sibirica *Rubus* (*spectabilis*)
Echinopanax horridum *Luzula parviflora*

26th to 25th

1 part of *Decentia formosa*
Alnus sp. *Acer* (young plant) *Pteris* *aciphe*
Veronica *carphylloides* *Sium macrophyllum*
Ranunculus (*acris*?) *Carduus* sp. *Epilobium*
Luzula congesta? *Rubus* (*ursinus*)
Sambucus

25th to 24

small track a few young acers & willows
Polypodium sp.

24th Avenue Thomas - Jas (Right Side)

Alnus, *Spiraea*, *acris* (with red & white fls)
Cypripedium like tree (young) *Somaria* (*spicant*?) tall *Somaria*
like fern, white fls *Rubus* (habit of red), nr foot, polytrich
Common *Dactylis glomerata* *Adiantum*
Anthoxanthum odoratum
In the right hollow, *Prunella vulgaris*
Polypodium commune? *Veronica* *Scutellaria*
Plantago major *Veronica americana*
Saxifraga like tall *claytonia* *Claytonia sibirica*

Hollow cont

Umbellifer (like Celery)

Dalix with peculiar stipules

Gerum macrophyllum

Berula canadensis

Gaultheria Shallon (on fallen log)

Vaccinium (2 kinds)

✓ Menziesia glabella one fine by plant
behind log, beside alnus & conifer, also a
nice small plant on log N of its east side
(near remains of Shack - apt. Baker)

Small white Saxifrage *

Fern like paraly fern

1 specimen of Ecclinopaulus

Another menziesia under alnus W x NW of small one above

2 small Prunus sp? trees (like padus) near
W corner of lot

Linnaea borealis, Streptopus amplexifolius

Many cordate monocot leaves some like Unifolium (no 10)

In cleared portion to West of lot

abundance of bayonet like umbellifer

1 plant Streptopus amplexifolius Baker toward 24

Myrica Caespitosa several prunus (portable)

+ sp. Unifolium, willows 2 or 3 sp?

Ecclinopaulus on roadside (R) N-S corner

of Shack lot 18 paces SW on road side a little

further SW Prunus fair size portable tree,

Red fl. rubus small cypresses growing among logs

Umbellifer in ditch on left Berastium trees ca 13

or left side Lycopodium Kamtschatcense

Betula & Windor

Ranunculus repens Dalix sp?
or left side Ran. acris (glaucom)

~~Bel Jas & M~~ Windsor & Martha St
24th Avenue Bel Jas & ~~Martha St~~ ^{Windsor} ~~Martha St~~ ^(City rd)

Tupulum dubium on dry bank on P. Corner
~~affili~~ *Hypericum*, *anagalloides* } (like small)
* 2 sepals large than other 3 } *Hypericum*

Menziesia glabella + *Echinosiparia*
just off road to R. at edge of scrub.
Mostly bracken, a few young *Prunus* pads?
tracers

Yorobium (large garden) a few acres
+ 1 or 2 *Dambucus*.

Martha St between 24th & 23rd ^{avenue} ^{papers}

Mostly cleared only *Pteris*, clover & one or
2 maples.

between 23rd + 22nd cleared 0.

22nd + 21st *Spiraeas*, *Pteris*, white *C.*
- *Rubus*, *Carex rostrata*? *Potentilla anserina*

21st to Westminster Rd
