ADMISSIBLE CONDUCTOR AT THE CHURCH

W.B.C. Students' Rouse enthusiasm in Attractive Programme.

The University of British Columbia Musical Society set a high artistic standard for itself on the occasion of its annual spring concert last evening in Wesley Church last evening before a large and enthusiastic audience. The programme, which was presented in the exact order of the catalogue, was received with enthusiasm and appreciation by the students attending the concert. The programme included a number of the most popular songs of the current season, and was an excellent one for the purpose. The audience was also much interested in the manner in which the songs were presented, and the conductor has done much to make the performance a success.
Grauer Is Elected President of the Alma Mater Society

A. K. Grauer, Arts '75, was elected in the presidency of the Alma Mater Society of the University of British Columbia by acclamation when the organization met at 5 p.m. on Monday. Science Sophomores Win Honors at Regatta

Gain Four Points in Race For Coveted Governor's Cup

Science 20 captured four points in the race for the Governor's Cup on Saturday, November 3, when they won the finishes of the inter-class four-oared race at the annual Varsity Rowing Club regatta. The Colleanium staged a very successful race on the Cellar Harbor course and quite a number of students volunteered to serve as umpires. The Science 20 crew, composed of Norman (stern), Ried, (bow), Oliver (two) and Barton (bow), defeated the Science 20 crew in the final of the three races of the day by a little more than a length, after being behind by about 100 yards. The Science 20 crew pulled up nicely, Sigfrid (stern), Melvin (bow), Lease (two), and Sutliffinger (bow) formed the winning crew.

V. R. C. QUARTERED-WINS

The Varsity Rowing Club went last October with four-oared races on the Vancouever Rowing Club course, the event was supposed to be won by the Science 20 crew. The Science 20 crew, composed of Ried (bow), Oliver (two), Lease (two), and Sutliffinger (bow), came on strong in the last three lengths and though their crew pulled up nicely, they could not have won the final of the three races of the day by a little more than a length. The Science 20 crew pulled up nicely, Sigfrid (stern), Melvin (bow), Lease (two), and Sutliffinger (bow) formed the winning crew.

Varsity's Athletes

Smash Seven Records

II. Warjon, Rugby Star, Sets New Mark for 220 Yards.

Barton Wins Distance Events and Is Named Track Champion.

Unfavorable weather failed to dampen the spirits of student athletes of the University of British Columbia who broke seven records in their fourth annual track meet at Brockton Point yesterday afternoon. The outstanding performance of the afternoon was that of Harry Warn who covered the 220-yard dash in 20-5 seconds, thereby stripping two-fifths of a second off the record made by Garrett Livingston in 1930 and 1932.

The steady drizzle which persisted in the early part of the afternoon made the track very heavy and the take-offs for the jumps in the 100-yard dash were run on the turf on a slippery surface and reached the very poor time of 11-1-2 sec, but records were broken in seven other events.

SETS NEW MARK.

Carl Barton of Science '24 was elected both champion by the judge as a result of his sterling performance in the sprints and three-mile events. He established new records in both and was in good shape in each race.

The dedication of the new sprints and three-mile event, the 100, 220 and 440 sprints.

The record for the jumps and throws towards the Governor's Cup by running up a total of 125-3 points in the afternoon's events. McKay, Ruddle, Russell and Criddle were the leading performers for the Apple pupils. Science was second with 120-9 points and Science 20 with 123-3 points.

McKay and Warn broke the 100-yard dash in a dead heat, and, as they had other races to take part in, decided to divide the points.

This bookie hung up a new record in the 440-yard event which he covered in 49-4 seconds. This record may not stand, however, as only one watch was working. McKay and his brother, Alan, both of Arts and Science, broke all the records in the 880-yard event.

U. C. AQUATIC STARS LOSE OUT TO ST. MARKS.

Finishes Are Close; Final Point Count Was 68 to 36.

LARGE ATTENDANCE.

Relay Events Hotly Contested and Honors Are Even.

St. Mark's swimmers defeated the Varsity team in a number of closely contested races in Charlton swimming pool on Wednesday evening by 48 to 45 points.

The finishes were very close in all the events, both for Varsity and for St. Mark's men who had great difficulty in guessing the outcome of the majority of the events of the evening. The latter's team of swimmers were victorious in the 200-yard freestyle race and the 100-yard freestile race. The entire St. Mark's team made a great effort to save the 200-yard breast stroke points for their team.

The St. Mark's team was absent when Hills, swimming for St. Mark's, swam the last leg of the 200-yard breast stroke race and scored a point out of what the St. Mark's team would have scored if they had been present.

TROPHIES AWARDED
VARSITY ATHLETES

Special Cup for Terman, the Greatest Athlete Yet Developed at U.B.C.

The annual presentation of cups, letters and ribbons won by the various teams and members of teams in the University of British Columbia was held on Tuesday. Eight big block letters were awarded the members of the senior soccer and rugby teams who had not previously been awarded honors. In addition, ten members of junior and sub-junior teams received small block and plate letters, according to the rating of their teams.

A special cup was awarded to Goh Terman by the student body as a token of the esteem in which the greatest athlete that the University of British Columbia has yet produced, in fact, Goh has been kept up in the first place, as a member of the first soccer team, and as a member of the hockey team that won the senior championship of British Columbia several years ago, as well as making an active part in almost all other branches of athletics in the college.

The rugby team turned the cups won this year over to the University for safe keeping. These were the McKechnie, Miller, Mullen, Brownell and Copper-Hath trophies. At the close of this part of the ceremony Goh Terman, captain of the McKechnie Cup team, presented Sam Scott, the regular rugby coach, with a suitably engraved medallion, as a token of the appreciation of his valuable work and assistance in building the several teams.

Mrs. F. A. Burtin, the honorary president of the Women's Athletic Association, presented the members of the tennis teams with their letters.

Alex Brown, president of the freshman year, received the Governor's Cup on behalf of the dummies. The Faculty Cup, for the winning class in the first meet was presented to Agriculture, and the Arts 207 hockey cup was received by Bert Smith on behalf of Arts 207. The Chief Spencer Cup was presented to the freshmen, who won the women's inter-class sports.

Mr. Bigger, honorary president of the tennis club, presented the cups to the winners of the various sections of both the tennis and badminton tournaments.

SMALL BUT SPEEDY

HARRY V. SPARKIN of science '24 of the University of British Columbia has a brilliant future not only in the rugby game but in the track events of the University. In addition to the annual track meet of the University students last week can be considered a criterion. He set a new record in the 220 for first place in the 100, and was just nosed out of first position in the 440.

His was chosen track champion by judges, through the first announcement of the distance-run man, had been named. Carl was recommended to the judges to receive his block letters, and Warren was declared the champion.

U.B.C. Grass Hockey Team is Defeated by Burnaby

By whitewashing Varsity at Bredenhein Point on Saturday afternoon to the tune of 3-0, the Burnaby grass hockey team of the Vancouver District League drew up within 40 points of Vancouver. The enthusiastic have only to win from the students the last game of the schedule to secure the championship, while a draw in this fixture would create a tie with Vancouver necessitating a play-off. Burnaby's goals, according to sources, were scored by Flinn, 42 and "Bob" Perry (1).

Defeats Wyoming In Debate Contest

The University of British Columbia debating team defeated the representatives of the University of Wyoming by a two to one decision, Wednesday night at the King Edward High School auditorium in the final debate for the college year. The University of Wyoming voiced the affirmative of "Resolved, that the United States should enter the permanent Court of International Justice," and was represented by Mr. Herbert Woodman and Mr. Ralph Conwell. Mr. James Craig and Mr. R. Koe attached the resolution on behalf of the University of British Columbia.

In defeating the University of Wyoming the U.B.C. has defeated the champion of the inter-collegiate debating championship of the United States.

The judges were Mr. F. Horner, Mr. A. Lucas and Dr. J. G. Bown. Mr. Walter Hodgson was in the chair.
PREDICTIVE SUCCESS OF U.B.C. DRIVE

Campaign for $10,000 For Athletic Equipment Is Nearing Close.

The modest campaign at the University of British Columbia, which closed and the members of the committee are confident that when the final check is made the objective of $10,000 will have been reached. More than half of the desired amount is now in the hands of treasurer J. Oliver and there is a large sum in the hands of the various organizations yet to be turned in.

The climax of the drive will be reached when the members of the Alumni Association hold their "Ceilidh," or "Chaver," at, as it is pronounced, on Friday, March 25, in the University buildings. Two promises to be the biggest affair that ever has been held in the college and judging by the advance sale of tickets it will be a great success.

It will be similar to a huge carnival. All the student's space to be utilized in so there will be different forms of entertainment in each of the rooms. There will be dancing, a prize-wait competition, a silent show, a one-act play, a concert, a fortunetelling booth, a shooting gallery, radio concerts, and a chamber of scientific wonders.

The program is to be arranged so that the guests will be able to attend each of the attractions in the course of an evening. The members of the Alumni are bearing the expenses of the entertainment so that the gross receipts can be turned over to the campaign fund.

The students have been consoled by very intimate drive to reach the objective and have done a great variety of stunts to do. Each class has done something different, but all are sure that the enthusiasm that surrounds this event will be increased the next time around. College halls have been draped in decorations and the radio concert is being arranged by the special committee and students. The radio concert is to be broadcasted over the radio station.

In preparing for the athletic future of the University of British Columbia, the students are rolling up their sleeves and working under a bandage. It is not known whether the University will participate in the gymnastics, but the secretary of the committee has assured the students that they will have an opportunity to participate in the events.

Ceilidh plans completed for the "Ceilidh" to be held in the University buildings on March 25, under the auspices of the Alumni Association and the University of British Columbia, in aid of the student's campaign to provide funds for the new athletic equipment at Point Grey.

Permission has been granted for the use of all the University buildings on that date, and with the assistance of Miss Emily Maclean and Mr. James Lawrence, has arranged all the decorations and the equipment with the help which will be held in the honor of the "Ceilidh." An alternative scheme of decorations has been tested under the supervision of the students, who will be greatly surprised when the finished products of the University will be seen in the assembly hall. The students, however, may be surprised when they find the transformation which will be made in the hall and the result of the work which will be held in the hall.

The arrangements will be completed for the evening's entertainment to be held on the University grounds.

Jackson of Arts '25, will attend to assist the young fellows of the alumni club and those who have been engaged in this work. The success of the "Ceilidh" is assured, and an annual event in aid of the student's campaign will be held.

FUNDS.

VARIED ATTRACTIONS

Tonight the University Buildings, at the corner of West and Winkler, will present a very festive appearance. The "Ceilidh" upon which the members of the University Alumni Association have been working for weeks, will be held in the Auditorium. At 8 o'clock, who will address the public, and it promises to be one of the most interesting and attractive offerings held in the city for many a luncheon.

DANCE COMPETITION.
A "Dance competition" under the management of the class of 27, will be held in the Auditorium. A. A. H., will judge. The dancing will be licenced and the prizes are handsome. Among the prizes will be a feature of the evening. At 10:30 dancing will be concluded for a few minutes while a waiting competition is staged.

The class of 23, under the direction of Mr. Joe F. Devine, will manage the Ceilidh Cabaret. This treat is for the hard-hatted student, or anyone who needs relaxation. Rag and dance, Joe F.’s orchestra, and the minstrel show will be a delight.

Promoters of a more serious turn of mind will not be left in the cold. Music in the chamber of delight will be supplied, and the audience will sing. The Tenderloe and the University will be the scene of a genuine concert. Choral music will initiate the festivities, and choral music will be the chief attraction of the evening. The program will be announced shortly.

PROVINCIAL RADIO TO HELP.
The Provincial Radio Station is expected to broadcast a special concert from one of the main halls of the University. This idea is expected to receive widespread support from the public.

The programme will feature a number of well-known artists, including Smith, Johnson, and Smith. The province-wide broadcast will be repeated at 8:30 p.m. on the same day.

COMMUNITY ENTERTAINMENT.

Fortune tellers and mystics, under the guidance of A. F. Florence Chapel, will be present in the Auditorium. Tickets will be sold for the evening, and the proceeds will be donated to the community chest.

The entertainment will include a variety show, featuring local talent and well-known performers. The programme will start at 8:00 p.m. and will conclude at 11:00 p.m.

The community is encouraged to support this event to help raise funds for the community chest.

The information is provided by the U.B.C. Alumni Association, and further details will be announced soon.

Proves Great Success—Bewildering Variety
of Entertainment Provided by Entertaining
Committee—Profit of $1100 for Four Weeks' Work.

The heralded "Celtidh" of the University Alumni Society, in
the University buildings Friday night, drew the largest and
pleasant throng which ever has gathered within those walls.
Incidentally, they contributed mainly to the coffers of the students'
campus fund, for every item of the varied programme was planned
to "draw without pain" the nickels from the pockets of the jovial
pleasure-seekers.

The corridors rang to the raucous call of the white-sweatered
ballyhoo men, as the entering crowds were directed to various
wondrous sources of amusement. An added touch of color was given
by the dainty minstrels and the merrily-barbed fortune tellers who
trapped to and fro.

CHILDREN OF PARK.

As usual the sands of prismatic incandescent balls were white as clouds
before the season opened, were an irresistible pull to the younger
people. A "bilge" choice under the auspices of the class of '74 enclosed the
dance floor of the superintendent, and the walls of the panoptica, gallery of the
glasses and the aura of the terrific non-verbals throughout the evening.

Once the rap, resonating beat of the orchestra and jazz was played in the
tune movement of the walls, the elderly crowd began a circle about the cen-
tre of the room, while the witless competition was being held. Part by
pair dancers were eliminated from the group, who gave their way within the
rhythm of the music. Many of the junior and senior classes were invited
to bring their guests. Finally the fewors from other classes were chosen by Mr.
and Mrs. Vaughan Moore to the applause of the spectatoes. And at the end of the
programme the smokers in the classes of '79 entertained the audience with

University Players

To Present New Play

William Peverettson has written "The World and His Wife," the best con-
ceived and most interesting farce in Wall Street in thirty years on the stage. Because of its
high moral tone, this play has been chosen by the Players Club of the
University of British Columbia for its annual performance at the
Pantages Theatre on May 30 and 31.

The play is from the pen of Jane Chapman, and the direction is
under the care of Mr. Peverettson and his associate, E. H. McAllister.

The cast includes Mr. and Mrs. Peverettson, Mr. Peverettson's
son, Mr. Peverettson's daughter, and Mr. Peverettson's daughter's
husband. The play will be

NANAIMO WILL HAVE
U.B.C. PLAY FIRST

"World and His Wife" Will Open on Wednesday,
March 19.

When the Players Club of the University of British Columbia produced "The World and His Wife" twelve years ago it marked the beginning of a successful line of English productions in Vancouver. The production was one of the highlights of the 1923-24 season and was repeated the following year. In Nanaimo the performance will be the culmination of thedamChapter of the Island Education League's educational work. The performances, which will be given on Wednesday, March 19 and March 25, will be presented by the Nanaimo Players Club. The following night, in Nanaimo the performances will be under the auspices of the Lamont Chapter of the University of British Columbia and will be given at the E. M. B. and the C.P.O.E. A noted amateur actor and the famous actor and the director, Mr. Thos. J. C. Wood, are returning from London, where they are touring with the English Players. The performances, including some recent imports from London, are the creation of Miss Jean Thompson, Mr. Gordon Lefson is in charge of the production, and Miss Dorothy Hoole is in charge of the artistic properties required for the intimate staging of the play.

University Players Have
Real Cosmopolitan Cast

A truly cosmopolitan cast, made up of the cultural life of the University Players, will present the musical play, "The World and His Wife," in the Orpheum Theatre on Monday and Tuesday, March 14 and 15.

There are no young people in the play. Each character was born within the confines of this province. Here you have the leading lady, a native of Australia. Alfred Berkeley's first wife in France and Arno Poppleby comes from England. The man, rice. Peter Palmer, the athletic leading man, and his son are from South Africa, and the character, who plays the main role, is a native of Scotland. The Phoenix Club's production of the play will be held on Tuesday, March 25, at 8 p.m. at the Phoenix Club.
MEMBERS OF PLAYERS' CLUB WILL BE SEEN IN "THE WORLD AND HIS WIFE"

Miss Alfreda Barkley  Miss Betty Somerset  Miss Muriel Evans

THE University Players' Club will stage its annual play at the Orpheum Theatre on Monday and Tuesday of next week, when Miss Betty Somerset will play the leading part of "Young Terrors," and Miss Alfreda Barkley will in "Mercedes." Miss Muriel Evans, who made a tremendous success as the leading lady in "Sweet Lavender," is President of the club.
"The World And His Wife"  
Well Acted  
By Students.

A piece backward over the work of the University Players Club for those last eight years will show that no one among the number that has been associated with it in any way has left it with the aesthetic snobbery characteristic of those individuals and fostered by home broodings, understandings.

The effect of what is called the "esthetic" school is to make you feel that it is one of the most wonderful which the pieces are not unspeakable. It is not because you have not a sense of".

The piece being "The World And His Wife," produced on Monday night at the Osgoode Hall, by a sense of either style and over a period of ten years. The author has acknowledged a touch of its being a simple one as a sort of sensation on the part of the audience which the Directors of the Players' Club have in charge for several years to work with the Players Club a success.

As a character part, Lewis B. H. C. Wood of the Faculty of Music, who has been under the influence of his time and attention for several years to work with the Players Club a success.

University B.C. To Meet Oxford Debaters In Fall

Oxford University debating team, which will tour Eastern Canada and the United States this fall, will meet the University of British Columbia in a debate in Vancouver before the end of the fall term.

This was announced at U.B.C. on Thursday when the debate committee of the University B.C. gave a series of short debates in the Forum on the great issues of the day and the subject of the debates was not Oxford but a date in Vancouver for the Oxford team to debate the University of British Columbia on a number of subjects.

The debate will be held at Vancouver in the fall term of 1941, and the Oxford team will arrive in Vancouver on October 21st, and will depart for the United States on October 24th.

Clive Miller Is Dead
From Sleeping Sickness

VARSITY GRADUATE CALLED BY DEATH

Young Vancouver Veteran Passes Two Days Before Wedding.

STRIKED with sleeping sickness two days before his wedding, Clive ('Bunny') Miller, well-known graduate of the University of British Columbia, died in San Francisco this morning. He was a son of Mr. and Mrs. William Miller, 1048 Salaltry Street who have been identified with the development of the Grandview district for many years.

Word of his son's death was conveyed to Mr. William Miller in the Aetna Court, where he was eunuphated on a jury. The trial had been proceeding about half an hour when Sheriff Charles MacDonald notified Mr. Justice Morrison, the presiding judge, of its occurrence. The body was then taken to the coroner's inquest by Mr. J. W. C. Brown, K.C., the crown prosecutor, and Mr. J. S. Belt, coroner. An adjournment was directed by the judge, who expressed his sympathy for Mr. Miller.

WAS PESTILENT YOUTH.

The father, nearly collapsing under the shock, was assisted from the court-room by fellow jurors and by Mr. Brown and Mr. Bell.

Mr. Justice Morrison was prepared to adjourn the trial to Friday, but the delay was overcome by seeing in another jury in Miller's place and reworking the other eleven jurors. Clive attended Medical C. S. from 1912 until 1916, when he became the University of British Columbia. In November, 1916, he crossed to England, to eastern England, Bantam, and then to France with the New Army. He was a medical student at the University of British Columbia in the fall and graduated in May, 1920, with the degree of Bachelor of Arts. It was his special study at he intended eventually to market this knowledge. Furred parapet in the shoulder caused by his wound made for three planes.

SISTER WAS WITH HIM.

Clive was graduated the other day, and accepted a business proposition in San Francisco, where his companion to Miss Virginia, who went on to San Francisco a day after the wedding. Clive was a recent newcomer. He was married in the wedding was set for 10:30 a.m. The ceremony was the exchange of rings. Mrs. Miller, who had gone ten days ago in attendance on preparations for the wedding, found Clive taken ill the day before his arrival. At first it was thought to be alcohol poisoning, but it developed into sleeping sickness which had just possessed him in San Francisco when word came of his death.

Clive Miller was born in Coquitlam, B.C., and came to Vancouver when only a year old. He was the eldest of a family of five. He was more than six feet tall and was an enthusiastic athlete. He was a nephew of Mr. J. S. Miller.

Students Consider Plans To Make Summer "Stake"

When a large number of students attended a "summer employment" meeting, it was evident that the University of British Columbia is not "in the money" this summer. Every spring sees the varsity men eager to "make a stake" which will carry them through the latter part of the fall term. The loan available and those most sought are outdoor ones. Speakers at the meeting, which was held under the auspices of the Hong Kong and Engineering Club, outlined steps to be taken in order to obtain work in various trades. It was pointed out that students had always given a great deal of time and hard work to the maintenance of the campus grounds and to the upkeep of the campus buildings. Many students in horticulture, forestry and geology will seek positions with the Dominion and provincial governments. Experimental farms will absorb some of the agricultural students, while soft survey parties, one of which will visit the Fort Rupert district this summer, are open to the graduates.

Twenty students and prospective students will find positions with forestry agencies. Geology students are given preference in geological surveys. Most of the science men require a definite amount of experience.

But the great majority of students will not be equipped with technical training. And the fact that general employment will be given to them a cordial reception when their salary paid and their work done.

VARSITY WILL SEND EIGHT TRACK AND FIELD STARS TO EDMONTON NEXT OCTOBER

Buckley is President of Sprint and Jump Men.

Demidoff Likely to Make Team for Pole Vault.

VARSIY track enthusiasts had their annual meeting last Monday afternoon, and officers were elected for the forthcoming season as follows: President, honorary president; A. Buckley, vice-president; J. Demidoff, secretary-treasurer.

Judging by the enthusiasm shown at the "comfit" prospects are bright, for the track work at U. B. C. next year it was decided to have the Varsity track meet in the fall as a condi-

tioneer for the intercollegiate team that is to go to Edmonton in October. Every faculty in the way of the last time that last fall and it is generally understood that the fall will become an annual affair. Last year's team did an excellent job, but did they show the way for the next year? Only the members of last year's team are graduating this year, and Herb Starmer, E. F. Caffin and H. Russell, high jump record holder, Carl Bonson, X. C. captain and Les Buckley, the other members of the team, will be available. However, judging by the showing made by Harry Warren and Les Buckley in the sprints in the Varsity meet last fall, this U. B. C. will not suffer in this de-

partment. Demidoff is placing the bet on his teners to the point where training should make the team.

The preliminary plans to send a full team of eight men in the October meet, and every effort is to be made to have the men in perfect condition before the season opens in September.

RUSSELL WINS BRICKER CUP.

It was decided at the meeting that as an end of year's freshman class award to the Varsity East, are in the race for the Brickie Cup, and that the hall men and members were designated for this award.

Truf. Having donated the Brickie Cup to Hugh Russell, B.A., after qualifying in the high jump, Dr. Rorke donated a duplicate to the students who failed him by a point. Last year Gal Loggins was the recipient of the 220 yards.

It was decided not to compete in the five-mile Duncan road race held on Good Friday under the auspices of the Y. M. C. A. on account of proximity in examinations.
U.B.C. STUDENTS VISIT COAST PLANTS

Graduating Class in Mechanical Engineering Make Inspections and Tests.

A trip to Powell River by the graduating class in mechanical engineering, the last week-end of the session of 1928-29, was made by university-subsidized students during the winter break; some of the notable visitors last day's inspection tour out, and the results built the reputation of the Engineering department.

For the former, W. Scott scored 18 points and was the best forward on the floor. W. C. Scott presented the cup and complimentary robes to the students of the graduate class, and the諾th anniversary of the first graduating class.

U.B.C. "POTATO AND NEW MANGEL TYPE"

Prof. P. A. Boving, head of the department of agriculture at the University of British Columbia, reports that his experiments aiming to perfect a type of mangel seed are now results. Last fall, the seed had been sown in the field, and the results yielded a good stand of plants.

Prof. Boving has been working with seed cultures for several years, and has developed a new type of mangel seed that is especially suited for the Pacific region. The new seed is being developed in another part of the province.

One variety of mangel especially, which he has named "Aber," is a standard for this province. The variety is well adapted to the climate and soil conditions found in these areas.

One of the most important points in the experiments is the care and attention given to the crops. The seeds are sown in the fall, and the plants are left to grow without any interference until the following spring, when they are harvested.

Academic Certificates to Be Presented for First Time at May B.C.

The student who is in the midst of the final examinations preparations are being made at the University of British Columbia to graduate classes in arts, applied sciences, nursing and agriculture. The examinations will be held approximately the same time as last year.

The academic teaching certificate will be presented to the first graduate of the education department. The certificate will be presented at the graduation ceremony on May 4. This year, the first graduate of the education department will be presented with the academic teaching certificate. The certificate will be presented at the graduation ceremony on May 4.

Tour Winds Up In Victoria Under Kiwanis Friday, May 30.

BY MARGARET STRATTON.

The Players' Club of the University will have its own on Sunday night on their spring tour of the interior, giving "The Wife and the Wife," a modern drama translated from the Spanish writer, Jose Ortega y Gasset. The play has already been successfully presented in Vancouver, New Westminster and Nelson.

The trip is to be over a motor-cameras, which is not only being to free express and to extend a wider knowledge of the University and what it offers to the youth of the province. Last year the trip did not pay expenses. The students give their services free, as considerable personal sacrifices for those amongst whom they have been offered work at the class of the college, as the tour takes for the whole of the month of May.

CHANCE TO SEE B.C.

Such a term, however, undertakes what the province is all in its spring beauty, is a wonderful educational opportunity for those taking part and the students nearly enjoy the endurance of those citizens who enable them to see the country and its resources, between performances. As a chance to gain general knowledge of the industries of B.C. the few weeks spent in travelling are invaluable.

In Summertime, for example, the students will be shown the workings of the irrigation plant for the valley and the various economic experiments station at Mission. Rosenthal country and the women will see the mine and gold mining districts employed in the mining process. In fact, Mr. W. F. G. Wood, the famous instructor, will bring them into mines to show them to see the students at least the result of the tour.

As a means of promoting a more intelligent understanding of the aims of the University, and as a way of getting in personal touch with future students, Mr. Wood usually takes this group up to visit the University where the tour is not closed by the students in the last few weeks spent in travelling are invaluable.

TROJAN SING-REVIEW.

The club is now in the ninth year of its existence and in its tenth extended season. The players will give eighteen performances of the "World and Life Whoops." The club will constitute a record for the school, the nearest being two years ago with the "Mr. Pirouette." The performances are to be given in various centres around the province and the students expect to have a large attendance.

The club has received the most attentive attention to students as against previous seasons. The players have made a large number of the students who have been attending the various performances.

B.C. STUDENTS DO WELL AT TORONTO

Seven Graduate Classes in Medicine And Many Pass Exams.

The University of Toronto announces that the following British Columbia students have graduated in Medicine:

Miss Margaret Florence Burridge, 424 George road, Summerhill, B.C., was a graduate of the University of British Columbia.

Players’ Club
Concludes Most Successful Tour

Fourteen British Columbia Cities Visited by University Students.

After an absence of three weeks on the longest and most successful tour in its history, the Players’ Club members who formed the cast of “The World and His Wife” returned to the city on Sunday afternoon. The play was presented in the Auditorium, beginning with the four earlier performances arranged in Boston. This is the fourth year that the Players have visited the city, and in all previous years they have been hissed off by the audiences.

The general verdict is that the play was well received by the audiences, and many tickets were sold for the next performances. The Players are looking forward to a successful tour, and hope to return to Vancouver after the tour is over.

Vancouver Resident Wins High University Degree

Lennox Mils is Made Doctor of Philosophy By Oxford.

SPECIALIZES IN WORK OF RESEARCH OF CROWN COLONIES.

BY E. LENNOX A. MILLS, B.A., M.A., F.R.N.S., Oxford Rhodes scholar, has returned to Vancouver from Oxford University on a visit to his mother, Mrs. J. A. Mills, of the elegant mansion in Toronto, where the father of the Oxford scholar was born.

WINES HIGH DEGREE.

It was at Oxford that the highly-prized degree of Ph.D. was conferred upon him. This is a very exclusive honor, the examinations set being of such a high standard that, although many students have gone through the process, few have been able to win the degree.

The special work for which he was awarded the degree was entered on the list of examinations in connection with the research undertaken under Mr. Charles Lodge, permanent secretary of the department at the colonial office.

A recent visit to the city, which he wrote on his subject has been included in the work under completion at the present time by the Royal Asiatic Society, Bognor.

TAKES GOVERNMENT POST.

Dr. Mills spent one year at Oxford studying specially for Imperial B.A., which he now also possesses. Laterly he accepted a position as Doc. at the University, lecturing on British history, specializing in Indian and constitutional aspects.

He will return to England in October to take up an important position in the service of the British government.

UNIVERSITY STUDENT KILLED ON RAILWAY.

Malcolm J. C. Dixon Struck By Freight Train at Ladysmith.

Succo down by a freight train, Malcolm J. C. Dixon, a graduate of the University of B.C. was instantly killed Thursday at Ladysmith, where he was on a visit to his brother, Geo. W. Dixon, of Ladysmith. At an inquest held by Coroner Hicking a verdict of accidental death, with no blame attaching to the train was returned.

Dr. Dixon was born in Lethbridge, Alta., where another brother still resides. After obtaining his degree he returned to British Columbia for a visit to his mother, who had been attending a long illness. At the University where he was a member of the Rugby team and of the student body.
The wedding of Miss Muriel Evans of Kinsale, Marguerite street, and Mr. Walter Scott Adam, of 29, Dorothea street, took place on Wednesday evening. The bride is shown attended by her two bridesmaids before leaving for St. Paul's Church, where the ceremony took place. From left to right are Miss Dorothea Adam, the bride, and Miss Betty Bonnet.

U.B.C. LECTURES TO START SEPT. 23

Students of the University of British Columbia who intend taking first-year applied science work must register on or before Monday, Sept. 6, it was announced last night. The students in Arts, commerce and those taking thirty years in Applied Science have until Sept. 13 to register. Lectures this year will begin Tuesday, Sept. 15, and summer months are mechanical engineering two weeks earlier. Out, it will be the last day for the payment of the first term fees.

Registration at U.B.C.

Proceeding Steadily

Registration at the University of British Columbia is proceeding very rapidly and already over four hundred full-time students have entered their names for the 1924-25 session. Two days is considerably in advance of the total registration for any previous year.

In the meantime, the registrar, stated that it will be to the advantage of students residing in Vancouver or the vicinity to register early since it is expected that there will be a rush towards the close of the period allotted, and the out-of-towners students begin to come in.

KELOWNA LAD WINS

I.O.D.E. BURSARY

J. H. Williams, whose Father Was Killed in War, is Chosen.

VICTORIA, Aug. 23. — Announcement is made of the award of the provincial bursary given annually by the I.O.D.E. of British Columbia in John Henry Williams of Kelowna, one of the sons of J. H. Williams, who died in England of wounds received in active service with the C.M.F. The bursary is valued at $1000, being paid in four yearly installments of $250 each. It is awarded under the terms of the will of the late John Henry Williams, to the son or daughter of one of the men who lost their lives in the war.

The winner of the bursary is one of the four sons of a soldier's widow and upon whose he was old enough has been a member of the Kelowna group of Boy Scouts, of which he is now Patrol leader.

The boy intends to pursue his studies at the University of B.C. with the assistance of the bursary with a view to entering the teaching profession later.
Large Gang of Collegians Employed at Point Grey Preparing Practice Fields at Site of New University—Johnnie Oliver, Science '25, Supervises—Grounds Levelled and Ready for Turf.

TUE temporary football field at the Point Grey site of the University of British Columbia is fast losing its barren appearance and will soon be ready for seeding to grass. A gang of men have been at work for the past two months, clearing away rocks, digging ditches and laying agricultural tile. They now have the grounds nearly ready to be levelled for the turf.

The work is being done under the supervision of Mr. Johnnie Oliver of Science '25, who is a member of the engineering staff of the municipality of Point Grey. Leslie Buckley of Agriculture '25 is foreman of the gang which is composed of University students.

The estimated cost of the grounds is about $1200, which will make provision for the practice fields for either rugby or soccer football. The most expensive part of the cost is the laying of the drains, of which 4000 feet are already down.

Funds Needed

The preliminary work will be completed before the University term opens. The need for funds is now pressing. Contributions may be sent to the treasurer of the University. Sums of any amount will be gratefully received.
Western 'Varsities
For Basketball Series

Brandon Proposal to Be Considered at Next Meeting of U. B. C. Body.

Scheme Will Probably Go Through Provided Expenses Guaranteed.

The possibility of entering into a basketball tournament for collegiate western inter-varsities championship this winter will be considered by the executive of the Men's Athletic Association at the University of British Columbia at its next meeting.

The suggestion arises from Brandon College and the University of Manitoba, which have for several years engaged in friendly warfare in that province. They feel that the University of Alberta, the University of Saskatchewan and the University of British Columbia should be able to participate in a series, probably in Winnipeg or Edmonton, where basketball receives hearty support. They declare that the pooled gate would be nearly enough to defray all expenses of such a series.

BRANDON LEADERS WRITE.

Dr. J. K. G. Swan and Mr. H. G. McEwen of Brandon College have been prominent in starting the movement on this plan, and they have been informed that there is any possibility of the western provinces participating in such a series.

For the express purpose of the University of B. C. athletic organizations this season to be an economical as possible in order that the funds for completing playing grounds at the Penticton site may be augmented, it is not likely, therefore, that U.B.C., though welcoming the idea of inter-collegiate competition, would enter into any such series unless reasonably sure of securing at least all expenses.

INTERNATIONAL SERIES.

The Varsity Basketball Club is planning to enter four teams in the Vancouver and District Basketball League as soon as practicable. These will be Intercollegiate A and Intermediate B. The Collegiate also plans to have a squad team in the Senior A division, which will be coached by Jim Brayton.

The U.B.C. basketball teams are also lining up a series of international exhibition games with Porland, Bellingham and other Washington cities.

TOMMY WILKINSON, well-known soccer and basketball player, appears to have his hands full at the University of British Columbia this season. He is president of the men's athletics and will play both soccer and basketball as well.

LAURENCE RAMSAY, boisterous rugby player and weight-lifter of the University of British Columbia, may be one of the track men which will represent U.B.C. at the western inter-varsity meet at Edmonton next month. He has collected marks in the weight events, specializing in the discus.

University of B. C. to Compete
In Intercollegiate Track Meet

With coach Jack Buchanan hard at work, and plenty of enthusiasm shown by the athletes, the University of British Columbia is preparing to send a team to Edmonton for the annual intercollegiate track and field sports which will be staged on Saturday, October 24.

Last year the University of B. C. participated in the inter-collegiate meet for the first time and the results more than justified another attempt at the honors. It is thought that if the B. C. boys can make a good showing this year, Varsity will soon be in a position to bring this inter-collegiate meet west to Vancouver.

Carl Barron again slated for the mile position, and he is rapidly regaining form. Harry Warren, the popular rugby wing, will try out for the sprints, while Lee Buckley and Harry Arlley will attempt to keep the B. C. club at the top in the hurdles events. Foremost among the relays, John Ross and Eric Hamilton, who was a member of the team last year, should make it in the weights again this season, as he has broken a number of records already.

The B. C. collegians are all hard at work preparing for their annual track and field meet, which will be held at the Brockton Point. There is always keen rivalry for the intercollegiate championship at this meet, and some excellent material should be developed.
Members of “Freshie” Select Temporary Leaders for Class

members of the class of ’28 at the University of British Columbia, at a meeting held in the auditorium of the College of New South Wales, recently elected their temporary executive. The officers elected are Mr. D. Gordon Balloch, president; Miss Mary Dickson, vice-president; and Miss Mary Johnston, secretary. These officers will guide the activities of their class for a month, at the end of which permanent officers will be chosen.

Mr. H. B. Smith, president of the Arts Men’s Undergraduate Society, presided over the meeting and welcomed the members to the University, Miss Grace Smith, president of the Women’s Undergraduate Society, addressed the meeting and welcomed the members to the University.

The last speaker was Mr. T. M. C. Taylor, marshal, who announced that the installation of all freshmen ribbons would take place on Thursday, May 8, at 7:30.

Freshmen to Wear Ribbons on Campus

Great Preparations Being Made For Initiation Ceremonies.

Initiation of all freshmen and sophomore students of the University of British Columbia is scheduled to take place on Thursday night at the University buildings on Tenth Avenue. For convenience the ceremonies will be divided into three groups, each division will be taken to the auditorium separately to undergo various initiation ceremonies. Just what form the initiation will take is not known, but word has leaked out that all first-year students will be required to wear a piece of ribbon on their coats while on the University premises until the day of the last lecture of the spring term.

The penalty for not turning up on Thursday night will be a public humiliation before the whole student body. The stunts that have been arranged for this purpose are a radical departure from college ceremonies, and underestimates fraternities are awaiting the final word with some anxiety. Nevertheless, it is stated by those who know that there will be an initiation, as it is contrary to the traditions and customs of the University.

Following the initiation the community meet for dinner and the reception will be held on Friday night at Lady Edith Court, and everybody who is anybody will be present at the Varsity will be present at the reception.

The function will conclude the welcome of the freshmen to the Alum Mitten and that reason to an eagerly-awaited event.

University Studies

President L. L. Kitch of the University of British Columbia recently received a letter from H. B. Macdonald, president of the University, in which he was informed that the University of British Columbia, in its study of the League’s institution, was being taken into consideration for the League’s financial aid. This is in keeping with the recent announcement that the government is taking a more intelligent interest in the educational affairs of the country.

One of the outstanding features of the meeting will be the debate between a visiting team, representing the University of Oxford, headed by Malcolm Macdonald, son of Professor Benjamin Macdonald, and local Varsity debaters. Although nothing definite has been decided as yet it is anticipated that the topic of discussion will be “The Basis of Civil and Socialism,” with Mr. Macdonald and two R.C.O. men defending the affirmative, and the other Varsity debaters defending the negative.

This debate is not expected to take place before November 25, following a debate at the University of Alberta, and the event will be staged as soon after their arrival as possible. The visitors are touring Canada and the United States, under the auspices of the Institute of International Education, will meet the most of the trading universities of both countries in their itinerary.

The B.C. speakers will be chosen in competition with the university debaters and will be coached by the time they arrive at the college. All students at the university may enter and each applicant will have an opportunity to prepare a short address on some branch, which will be delivered in front of the university students and the representatives of the G. M. T. C. who have been notified in advance. The addresses have been received and it is anticipated that the competition will be within the next few days before the closing date.

Varsity Net Tourney

Under Way Tomorrow; Miss Leeming Here

Varsity’s annual tennis tournament will start under way tomorrow morning and afternoon on the courts of the Laurel Tennis Club, according to an announcement by President Jonathan Craig. During the past few days the courts have been too soggy to permit tournament play but this reason for the start has been delayed.

There are at least twenty-five entrants this year and some keen competition is expected in the women’s singles, the exciting match between Helmer and Female Leeming to be held for the Gordon Shields to 6 Miss Margaret Leeming of Victoria.

In a single at the University this morning Miss Leeming will probably take the lead singles without difficulty.

Varsity Badminton

Officers Named; To Start Next Week

With more than 100 members to play in the annual tournament, the University of B. C. Badminton Club is preparing for the season which will get under way, as far as they are concerned, next week. The club has experienced a remarkable growth in a year, which the four last years have shown. The club is now composed of 100 members, which is more than the average for the University.

The officers of the club believe that they will meet or exceed all expectations of the public this season. President: H. S. Macdonald; vice-president, C. H. Anderson; secretary, C. C. Levens; treasurer, H. B. Smith; junior vice-president, L. G. McDonald; junior secretary, R. S. Milligan; junior treasurer, J. C. Willson; junior members, C. F. Miller, J. C. Brown, and J. H. C. Livesey.

Varsity Kickers to Open Season Against City Eleven at Jones Park.

Vancouver will start in the Lower Mainland Football League for the season tomorrow, Nov. 1, and a victory over the City Eleven could be decisive in determining the championship. The game will be played at the University of British Columbia.

Vancouver has a number of excellent players in its ranks, and its chances of victory are excellent. Among the outstanding players are C. F. Miller, J. C. Brown, and J. H. C. Livesey, who have watched a match between two teams before they became adversaries.

Crabtree Bay Winner of U.B.C. Mining Scholarship

Cranbrook boy wins the 1925-26 mining scholarship awarded by the Cominco Mining Company to a four-year college course and $100 a year, both of which last year completed his high school course. He has been accepted at the University of British Columbia and now attends the University of British Columbia.

A. B. GRAVES, President of the Alum Mitten Society.
Six Hundred Swear Allegiance to University

Safe and Sane Initiation Custom Introduced by Students.

President Urges Permanent Farewell to Old and Objectionable Features.

I hereby solemnly promise to honor my Alma Mater Society and observe her laws and traditions, and at all times conduct myself so as to reflect credit on my University, both as regards morality and in my attitude of mind toward the faculty and my seniors.

With these words, freshmen students at the University of Alabama pledged before entering the auditorium to uphold the traditions and reputation of the college.

The tradition of the Varsity was a strong influence in the minds of the students.

Annual Reception For "Freshmen" This Evening

Lester Court to Be Scene of Large Gathering of University Students.

The "Freshmen" of the University of B. C. will be the guests of honor at the reception to be held this evening at Lester Court, under the chairmanship of President and Mrs. L. E. Kitson, Miss M. L. Bollinger, Dean E. R. Colman, Dean and Mrs. E. W. Bross and others. All freshmen in charge of arrangements are Miss Grace Smith, Miss D. L. Hulman, and Miss A. L. Lang, who are in charge of arrangements for the reception.

Several hundred guests will be present to welcome the "Freshmen." All freshmen will be requested to wear their green ribbons.

Those invited include Miss Blanche Blum, Miss Florence McCord, Miss Besse Welch, Miss Jean Russell, Miss Electa Angel, Miss Helen White, Miss Paul B. Whitaker, Miss Ruth Fraser, Miss Phyllis Shaw, Miss Bertha Burt, Miss Margaret Jones, Miss Kathleen Clark, Miss Vera Standish, Miss Storm Dermer, Miss Dorothy Morey, Miss Jean Cleveland, Miss Louise W. OUTLINES PLAN FOR YEAR'S ACTIVITIES

Alma Mater Society of U.B.C. Holds Semi-annual Meeting

The semi-annual meeting of the Alma Mater Society of the University of British Columbia was held in the college auditorium at noon today, when the student body turned out to hear reports and place on the agenda various matters for discussion.

Jim Grazier, president of the student body, outlined the plan which had been laid down by the Students' Council, and reported progress on the buying of books. The plan would be further reviewed at the next meeting.

Alma Mater Society, which is sponsored by the University of British Columbia, had its semi-annual meeting today. The meeting was called to order by the president, who outlined the plan for the coming year. The plan included a series of activities designed to enhance the university experience for all students.

The agenda for the meeting included reports from various committees, updates on the college newspaper, and plans for upcoming events.

The meeting concluded with a discussion of student concerns and a vote on the proposed changes to the bylaws.

Progress is Made In Varsity Net Tourney

In the large number of entries to the Varsity Net Tourney, which has been running for a long time, the University of British Columbia has been outstanding. In the first round of their tournament, the University boys have entered the singles and doubles events, which are both eleven in number. In the doubles tournament, the rounds have only been completed.

Varsity Fifteens to Make
Opening Bow at Point Saturday

Rugby Union Accepts Entries of Two Clubs From U. B. C. For Miller Cup Series.

INTERMEDIATE SERIES TO START ON OCT. 18

Negotiations in Progress for Series With Stanford at Christmas—Edmonton Proposal Also Under Consideration.

Varsity rugglers will swing into action in the Miller cup series of the Vancouver Rugby Union on Saturday afternoon at Broomfield Point, according to the decision of last evening's executive meeting. At this gathering it was decided to admit two University teams to the Miller cup series on the understanding that one team would be composed of first-string forwards and second-string backs and the other the reverse.

One team will be called "Varsity" and the other "U. B. C." The Varsity team will meet ex-King George in the first game, and the U. B. C. will meet the Wanderers in the second.

L.Windows were appointed to referee the first match and Cameron the second. Linemen will be supplied by the clubs.

FOUR INTERMEDIATE TEAMS.

The question of bringing four intermediate teams down for two games at Thankgiving was under consideration, but due to the late decision it was left over until next meeting. It is not likely that there will be a need in favoring the Alberta team, according, for the reason that the provincial conditions of the organization do not permit a team to be fielded.

Four intermediate teams will play in the second league to try for the championship. Two of these teams are University teams, while Bowring and Plant will supply the other two. These teams will get under way Friday, October 18, with a double-header at Strathcona Park.

SHARPフォ R BUSINESS.

Practice hours for next week at the Broomfield building will be extended to the different clubs as follows: Tuesday, 4:45; Thursday, 6:30; Saturday, 4:45; Sunday, 6:30.

MISS STRANG CONTINUES TO WIN IN ANNUAL "WAVING" TOURNEY

Very few students were present in the varsity tennis tournament on Wednesday night owing to the fact that general examinations were called in all other events. However, the race is not well under way, and good singles will be reached in a day or two, when the class matches were held.

Yesterday’s matches resulted as follows:

Ladies singles—Mrs. W. W. Hingston defeated Miss R. Forbes; Miss J. M. Stroud defeated Miss G. C. Conderman; Miss F. W. Wilmont defeated Miss A. E. Stroud; Miss E. C. Cochrane defeated Miss M. G. Wilmont.

Men’s singles—Mr. E. G. Foster defeated Mr. E. H. Stroud; Miss E. D. Armstrong defeated Miss M. G. Stroud; Miss E. D. Armstrong defeated Miss M. G. Stroud; Miss E. D. Armstrong defeated Miss M. G. Stroud.

Elaine, a newcomer to the “Varsity” team, will play in the match against Cal. The “Varsity” team will play the University of California on Friday, March 12th. The match will be held at Shattuck Stadium in Berkeley.

The “Varsity” team has won all of its games so far this season, and is looking forward to the upcoming match against Cal. The team is currently ranked first in the Western Conference and is poised to continue its winning streak.

The “Varsity” team has been practicing hard in preparation for the upcoming match. The team’s coach, Coach Frank Smith, has been working closely with the players to ensure that they are in top form for the match.

The match against Cal is scheduled for 3:00 PM on Friday, March 12th, at Shattuck Stadium. Fans are encouraged to come out and support the “Varsity” team as it takes on its arch-rival in what promises to be an exciting match.

For more information on the “Varsity” team and their upcoming matches, please visit their website at varstadium.com.
Rosslyn Engaged to Coach Varsity Basketers

On Tuesday the University Basketball Club held its first general meeting, when the presiding officer, Mr. Al Hogg, outlined some plans for the coming season. Four teams will be chosen and Varsity will be represented by junior and mid-season teams. It is expected that exhibition matches will later be arranged with teams from the University of Washington and Victoria Normal School.

Misses Hartley and Hindmarch were appointed as delegates to Lynn University and sister league, when Rosslyn has been engaged as coach and the club will have the services of the varsity coach, Mr. Biederman, as trainer. A large number turned out to the first practice held in the Normal gym on Friday evening, so that Varsity should be well represented in each of the four teams.

MISS M. LEEMING WINS TWO FINALS

Runner-up For Canadian Championship Has Easy Time at Varsity.

First round in the doubles and mixed doubles were played in the Varsity tennis tournament on Friday. In the doubles Miss Leeming and Miss Webster played Misses L. and D. Stimson, defeating them 6-1, 6-2.

The mixed doubles proved more interesting, with Misses Leeming and Miss Webster winning the first set, but losing the second, 6-1, 6-2. In the final set Miss Leeming and Miss Webster had difficulty in getting started, with the result that Miss Leeming and Miss Webster took five straight games. The score was 4-1 in favor of the team, but the winders held the edge consistently.

In the second set Miss Leeming and Miss Webster settled down and a well-contested set was ensued. The high standard set in the first set was lost, but Miss Leeming and Miss Webster reasserted their superiority.

The finals in the women's singles and men's singles and men's doubles will be played on Monday. In the women's singles Miss Leeming and Miss Webster will meet Miss O'Donohue on Saturday, the winner meeting Miss Joy Leeming on Monday. In the men's doubles the match between Miss Leeming and Miss Webster will meet the winner of the match between Miss Leeming and Miss Webster, respectively.

The match between Miss Leeming and Miss Webster will meet the winner of the match between Miss Leeming and Miss Webster, respectively.

The society is congratulated on again sponsoring the services of the team on its second season. Under the able leadership of Mrs. Stimson, the standard of the club has improved. The last tournament at the University of British Columbia was won by the varsity team, and the club hopes to improve on its previous performance.

Dr. R. H. Clark Will Add Address Chemistry Society at University

The first meeting of the 1924-25 sessions of the Chemistry Society of the University of British Columbia will be held on Tuesday evening, October 11, at 8 o'clock, in the physics lecture room of the University of British Columbia, and in a building on a lot on the north side of the main street, adjacent to the University of British Columbia.

The meeting will be addressed by Dr. R. H. Clark of the department of chemistry at the University of British Columbia, who is the organization of the university.

VARiTY Beat Dockers.

At Vancouver grounds Variety broke into the win column by defeating the longsuffering dockers two goals to nil. The game came early in the first half and was played in a most friendly spirit. In front of the dockers' goal, Bobby Jackson, the Collegian, was put down, held, and kicked, the ball rebounded into the net while Robinson was still down, but it failed to come out of the crowd. The final counter was made twenty minutes after half-time when El Cote converted a nicely placed corner kick.

The elevens were fairly even matched in the first half, but the play was ragged and went from end to end in the second half. In the second period Variety had the decided edges with their superior condition and fitness, and they showed considerable improvement over the week before.

While, on the right wing, and in goal, Lothario, were the pick of the dockers' eleven. Crowne, Harington, were the outstanding members of the (blue and gold, as Variety had the King, the game was turned in an excellent contest.

Plays Great Game for U. B. C., Scoring Fourteen.

Ex-King George XV. Turns Back Students In Hard Game

Varsity and Oarsmen
Now Lead—Leroy On Sick List.

U.M.B. 2: T.B.C. 0. Ex-King George O; Varsity 0.

THERE figures give a very fair indication of the play in the two Miller Cup rugby titl at Brockton Point on Saturday afternoon. Weather conditions were quite pleasant after the first few minutes but a good following of the pears of the English game caused the elements and was treated to some very snappy work by players in both games. The winning side naturally made the ball hard to handle, lost the back division made comparatively few minutes under the circumstances. Having played the best Young Liberals a week ago, now tied with U. B. C. for the league leadership.
MCKECHNIE MATCH
THANKSGIVING DAY

Varsity and Vancouver Meet
In First Big Rugby
Tilt of Year.

The first McKechnie Cup tilt of the season will be staged at Brockton Point on Thanksgiving Day by the B.C. Rugby Union in an exhibition by the Vancouver Rugby Union at its weekly football match today. It was decided that owing to financial considerations the Big Cup side would not be invited to the McKechnie Thanksgiving Cup and it was therefore decided to ask the B.C. body for the opening fixture in the big cup series on the holiday. Varsity and Vancouver will meet on that day, in order to procure for that match the union will stage the McKechnie Cup game on November 3, Varsity and U.B.C. being invited to play, between two top teams, though for the benefit of the subscription committees.

The selection committee was named as C. W. Sturgeon, Georges Thomson and W. R. Frere. Referee, R. E. Yee and A. H. Frere will have been nominated by the Vancouver union for the McKechnie Cup series, and their names have been forwarded to the B.C. Rugby Union.

This week’s fixture will again see both University Town in action, in the Miller Cup series, and against Vancouver and Waverley Club will meet for this week’s Red-Bird handicap, while the Vancouver Police will play against the Waverley.

In accordance with the following: Young Liberals will take force in the West of the city. The War Vancouver and Fraternity Club will clash in the second. U.C. McKechnie will referee both matches.

All attendances at the Horsham Building for next week are: Vancouver, 1; to U.C., 1; to Varsity, 1; to Thursday, 6; to Vancouver, 1; to Waverley.

VARIOUS TRACK STARS SELECTED
FOR EDMONTON

Six-man Team to Compete
In Intercollegiate Meet.

DAVIDSON ALSO GOES

Balmor won Three-mile Event at Brockton Point Tuesday.

The Varsity team for the intercollegiate track meet at Edmonton, Saturday, October 15, was chosen yesterday after heat eliminations in the three miles, hurdles, high jump and pole vault.

The three miles, run at Brockton Point, was won by Balmer, first in 10 minutes, with Daffy second. Notley, who won the race, being second, would have been first at the finish but his shoe came off in the last lap and he returned to the line, ending up fourth. However, he made the team on the basis of his performance and sent the Varsity in the three miles at Edmonton.

DESMOND BRANN

In the pole vault, Henry beat Desmond for first place, clearing the bar at 14 feet. He also took first place in the broad jump but the slippery conditions of the ground made time impossible. The high jump went to E. Gratt, but Henry will win the honor of the pole in "U." This latter was in the elimination but after slipping on his first try, he withdrew as Coach Whyte immediately as he had already made the team.

TEAM PERSPECTIVES

The following selection team was chosen to represent B.C. to the western intercollegiate meet: Warren and Thompson, who will run in the 1,500, 220, 440 and 100; R. E. Notley and Balmer, who will enter in the half mile; and the three-mile race; Ramsay, who will compete in the shot put, hammer throw, javelin and broad jump; Henry, who will enter the broad jump, high jump and pole vault; and C. W. Sturgeon, who will be represented in the relay by Warren, Thompson, Henry and Balmer.

COACH WITH TEAM

The coach of the team will be Dr. G. E. Davidson at faculty representative, who is an old stand-by. The coach has been in close touch with the various teams during the past few years and is well satisfied with the showing made by the team boys in the elimination. A final workout will be held in Edmonton on Friday and it is expected that the B.C. delegation will be heard from in the big meet on Saturday.
Varsity’s Crack Miler Defeated
By Chas. Mottley

Second Year Man Beats Carl Barton in Inter-Collegiate Eliminations, Setting Up New Mark For U.B.C.—Thompson Wins Quarter—Henry, 1923 High School Champ, Cops Broad Jump.

Charlie Mottley, Arts ’23, proved the exception of the day in the final eliminations for the intercollegiates meet yesterday by defeating Varsity’s crack miler, Carl Barton. The latter was considered a certainty for the team, but Mottley covered the mile in 4:20, breaking the Varsity record held by Barton.

Mottley is a find in the distance events as he ran the first race of his career on Saturday when he ran second to Buckley in the half-mile. He opposes Buckley in the three-mile today and should make the closer step to retain his laurels.

In the 100 yards event only two runners were entered, Thompson and Brown. It was Thompson’s race all the way, his time being 10.5 seconds. It is doubtful if one race will give him his place on the team, but Coach Buchanan has his eyes upon for good relay material and Thompson’s chances improved by the fact that he ran second to Warren in the 100 and 220 yards events.

The broad jump was held on the King Edward campus yesterday afternoon, and was won by Henry, last year’s senior high school champion. His mark of 26.1 feet is remarkable, considering the state of the field. Henry will compete in the high jump and pole vault today, weather permitting, and is considered a certainty for the team. The finals in the high jump and pole vault will be held at King Edward while the three-mile will be run at B.C. High Field.

University Friends Are Entertained At Informal Dance
Miss Jeanie Wilkinson entertained at a dance in Briar House Clubhouse on Friday evening, in honor of a number of her University friends.

The top guests included Miss Florence McEachern, Miss Lee, Miss Helen Whiteside, Miss Elizabeth Blasman, Miss Laura Wilson, Miss Florence Brown, Miss Ethel Langland, Miss Alice Parnell, Miss Mary Cline, Miss Winifred Hall, Miss Isabel Russell, Miss Emma Donald, Miss Martha Post, Miss Margaret Kuller, Miss Dorothy Kuller, Miss Adeline Ashley, Miss Constance Talbot, Miss Our Sweeney, Miss Vivien Grant, Miss Doris Haynes, Miss Grace Smith, Miss Doris Sharon, Miss Millie Martinez, Miss Dorothy Brown, Miss Helen Northey, Miss Mary Robertson, Miss Evelyn Chambers, Miss Florencina Murguero, Mr. Erskine MacLeod, Mr. Jimmy Smith, Mr. Tomm Wilkinson, Mr. W. Brown, Mr. A. Haynes, Mr. Bert Payne, Mr. Mike Chappell, Mr. Tommy Brown, Mr. Peter Palmer, Mr. Bob Mathews, Mr. B. Nogden, Mr. Arthur Mclafferty, Mr. Jack Wilkinson, Mr. Herbert Ashby, Mr. Curtis Tidwell, Mr. Bud Greener, Mr. Tom Chappell, Mr. John Haynes, Mr. Erskine MacLeod, Mr. Donald Gordon, Mr. Bob Smith, Mr. Harold Henderson, Mr.indriko, Mr. Charlie Mottley, Mr. Allman Maxwell, Mr. Bill Adams, Mr. Ross Wright, Mr. Jack Shawgoepren, Mr. Walter Howlings, and Mr. Armour Webb.
**Student Societies Are Actively at University**

Mr. H. B. Smith, president of the Arts Men's Undergraduate Society, has announced that the annual Arts Dance will take place on Friday, November 17. Committees have been appointed to handle the arrangements and are working on their tasks.

**Mr. Bert Drew, one of Dean H. W. Deacon's assistants, has been appointed by the Men's Undergraduate Society by Dr. John Kilghem, the President, to fill the position taken by an assistant in student affairs and to assist in the athletic field, as he played on the McPhail. He left last year; Bert Drew, at their head, the student union expects to have a successful year.

The Sophomore class, Arts 2, held a meeting yesterday morning, when Mr. Nell Mauro was elected class president. Plans were made to attend Saturday's rugby game at a class. After the games the class will meet in the Park Pavilion, where music and dancing will be enjoyed. Refreshments will be provided by the ladies of the class.

Arts 3, the Freshman class, will hold its organization meeting Friday at 3:30. It is customary to wait at least three weeks before holding the Freshman election, in order to give the class a chance to become acquainted with the school. The Freshman class is the largest on record, and keen competition is expected for positions on the class executive. Mr. Kilgheen has already been appointed class counsellor and the chief reporter for the "Election Mailing." Mr. Nell Schrader, at Friday's meeting, Mr. Bert Smith, president of the Arts Men's Undergraduate Society, will answer the call.

The University Musical Society is arranging a phonograph recital for Wednesday evening, November 18, in the University Auditorium.

**Historical Society of U.B.C. Holds Session**

The 16th annual meeting of the University of British Columbia held in the Arts Building on Monday at 2 o'clock was attended by a large audience. Dr. John Kilgheen, the President, introduced the speakers. The Central Power group was responsible for the presentation of the papers. Dr. Kilgheen delivered an opening paper, "The University of British Columbia," in which he outlined the plans for the future of the university. The chair was then called to the floor of the papers, followed by Miss W. Hall, Arts 17.

**Varsity Will Try Out New Man at Centre on Saturday**

The university soccer team held its regular weekly practice on Wednesday afternoon, and will try out a new man at centre forward. The team has been against south hill at Wilcox Park on Saturday. A freshman, Harry Anderson, is the latest acquisition to the team and has been winning up well in practice. He played in Victoria at the last season, and this year was approached by Cambria, but the offer was not one with him.

He is very well at the centre position on the Varsity forward bosom smooth and hard, so that the Varsity attack will be strengthened for Saturday's game.

**Openings Official of Varsity Badminton Club on Saturday**

The Varsity Badminton Club will hold its annual meeting on Saturday evening in the Broadway street drill hall. The officers of the club expects a good turnout at that occasion.

The club has developed some "fine" talent during the past season, and with two practices a week on Thursdays in the Varsity gymnasium and on Mondays in the drill hall, the club will probably be stronger than ever in competition this year.
Baker Successfully Defends His Tennis Title

Defeats Gordon Shields in Three Hard-fought Sets.

GORDON SHIELDS won the men's singles final in the Varsity tennis tournament yesterday, defeating Freshman Baker in three hard-fought sets.

In the third set, Shields dropped down and took the set from his formidable opponent. However, Shields remained cool and took the fourth set and the tournament.

Shields then played the challenge round with sophomore Baker, the Illini holder. The latter unexpectedly defied his title by winning the first two sets. Though he was down at 7-4.1/2, he fought back to win.

Tourney was at Court No. 1.

Nine Marks Broken
In Inter-Varsity Meet

Manitoba Awarded First Place Fifth Year in Succession in Track and Field Sports—Russell

(Special to The Province.)

EDMONTON, Oct. 19.—The fifth annual Western Canada Inter-
varsity track meet was successfully carried out here Saturday
under ideal weather conditions. The warm Indian summer day
must have had a wonderful effect on the competing gladiators, as
the fewer than nine western intercollegiate records were shattered
during the course of the day. When the smoke of battle cleared away,
a darkness was creeping over the field, the official statisticians found
that Manitoba had carried off the honors for the fifth year in suc-
cession. Alberta came second, Saskatchewan third and British Co-
lumbia fourth.

Owing to the fact that the University of British Columbia is not a
member of the athletic union to which the other three belong, the
Pacific Coast boys do not enter into the points competition for the
Culas cup, emblemism of the Varsity team championship.

RECORDS SHATTERED.

Manitoba scored seven firsts out of nineteen events: Alberta six, Saskatchewan two and British Columbia one. The total points scored for the different events were: Manitoba, 111, Alberta, 99; Saskatchewan, 48, and British Columbia, 35. The last-named had been awarded points, 32. The records broken were:

- 100-yard dash, 11.3 by Bill Allcock of the U. B. C.
- 220-yard dash, 21.3 by Al Glazebrook, U. B. C.
- 440-yard dash, 50.3 by Reg Prentice, U. B. C.
- 880-yard dash, 1:47.3 by Al Glazebrook, U. B. C.
- Half-miler, 1:58.3 by Reg Prentice, U. B. C.
- Mile relay, 4:17.3 by U. B. C.

One record was broken by a Saskatchewan man, two by Albertans and the other, British Columbian.

BANNNES IN NEW MARK.

Russell chatted up the one man win for
the British Columbia athletes to the
new men who were paired. He handled the baton
and chaff for a distance of 300
feet and 1-4 inches. Humorously, Mottley and
Warren were the two men most prominent in the British Columbia
spotlight. Henry law second in the 180-yard hurdles, the 180-yard hurdles

team was the hands of good wishes of the
large crowd by their fine sporting

U. B. C. Students Give Talks on World Movement

Proposed Peace and Peace Gathering December 6 for "Save the
Children" Fund.

Miss Margaret Gordon, formerly of Winnipeg, now secretary of the Student Christian Movement at the University of British Columbia, is one of the speakers at the regular meeting of the Women's National League for Peace and Freedom held on Wednesday evening at 7:30 at Tom Howie street. Miss Gordon referred to the three conferences of the World Stu-
dent Christian Federation, and men-
tioned the incidents that took place at the first sessions of the first conference in Europe.

Mental Interchange.

From this conference began the sys-
tem of relief conferences which has
grown now, she stated, to something larger, known as the Student Friendship
ship Fund, bringing with it a co-operat-
ive and a need for more mutual under-
standing among the students of all na-
tions.

The hope of the committee is that students may be able to give through the
Fund to study and travel in other countries than their own. As the
chief basis of the two movements in the federation and the Peace and Freedom Fund in Canada. The work for this year, growing
out of the events of the movement in Ontario, is emphasis on repula-
tion, the thinking that the peace ground could be reached among stu-
ents, through the efforts of all the nations and the work of the students for
peace and good will could be solved.

International Goodwill.

Mr. J. H. Q. Mowat, president of the movement in the University, was the chief
idea. He said the great need for international goodwill, and thought there was a great
idea in peace and the Peace and Freedom Fund as it is now known which seemed to imply not only a passionate
love for one's own country, but a con-
tentment of the world. Peace and
Good will. If people would realize that each nation makes some contribution to the com-
munity of all the nations, he did not think why this something in peace and
Good will could not be eradicated, and the international Peace and Freedom Fund

Mickey Rolston Injured in First Half and Retired—Lange Closely Checked But Manages to Score for U. B. C.

University of B. C. rugby teams had a bad time at Brockton Point on Saturday afternoon, when Varsity went down before the onslaught of the Rowing Club, 9-5, and U. B. C. lost to Young Liberals, 6-5. The first game was a particularly good one, both sides attempting to develop back division play. Varsity showed considerable improvement over their first appearance and in the second half battled the Rovers all the way. Both Varsity crews were weakened by absence of members of the teams at Edmonton.

Rowing Club had the upper hand almost entirely throughout the first half, when Varsity went to touchdown behind their own line on three occasions. The Saskatchewan forwards were following every play like a teech and were getting the ball back to the three inside.

Varsity Goes Over

Paul Marquardt opened the scoring after fifteen minutes of play when he scooped the ball out of the line and across the Varsity line. The try was unconverted. By good straight running by the forwards and some good passing by the backs, the score mounted and the half ended with a Varsity lead of 5-0. The Rovers were held to one try by the Varsity backs.

Lange Closely Checked

Lange was closely watched by the Varsity backs throughout the game, and good work by the backs kept the ball away from him. The tries were scored by Paul Marquardt, who made a fine try after a good run by Ken Trott, and by Paul Rutledge, who made a good break from a Varsity back.

Tied for Place

The second half saw Varsity continue to improve, but the Rovers could not break through. The Varsity forwards made considerable gains by means of a strong scrum, but the Rovers were not able to make anything of it.

Mickey Rolston

Mickey Rolston was injured during the game and had to be taken to hospital. The injury was not serious, and he is expected to be back in action soon.

Pete DeMoustier

Pete DeMoustier, diminutive Varsity hockey star, tied with C. Henry for first place in the pole vault at the University track meet on Wednesday afternoon. Each jumper cleared the bar at ten feet, which is a new record, but neither could make 10 feet 1 inch.

Arts '27 Awarded First Place in Meet—Clara Gould Is Point Winner Among Women Athletes.

HE annual Varsity track meet was staged at Brookton Point on Wednesday afternoon under favorable weather conditions, with the result that six records went by the boards and one was equaled. Harry Warren, Science '26, and Ramsell, Science '25, wore the outstanding performers of the afternoon, each taking three firsts, thereby adding nine points to the total of his class.

Ramsell broke the record in the hammer throw with a mark of 99 feet 11 inches, and also captured first in the shot put and discus.

Warren, last year's track champion, negotiated the hundred in 10.2-3.5 seconds, setting up a new record. He equaled his own mark of 23.3-5 in the 220 yards and took first place in the quarter mile.

MISS CLARA GOULD of Arts '24 won valuable points for her class at the recent Varsity track and field meet on Wednesday afternoon when she took first place in the high jump and the 100-yard dash. She set a mark of four feet one-inch in the former event.

STUDENTS EASILY DEFEAT "PROFS."

Dr. Boggs Forces Lorimer Baker Into Three Sets
In Singles.

The annual Faculty vs. Students tennis tournament staged at the Laurel Tennis Club yesterday proved the students’ advantage, as the latter took all the singles by straight set victories. Dr. Logan, 6-0, 6-2, and Mr. Buchanan, 6-1, 6-0, were the only matches played, but they were decided so quickly that the students were able to come out with a clean sweep.

The Hillocks-McIlwraith combination proved too good for Mr. Boggs and Hepner in the doubles, taking two straight sets, 6-4, 6-2. An excellent display of tennis was provided by the Hillocks-McIlwraith team, as they played with considerable skill and determination.

Tischfield, and assisting in the enjoyment are Miss Hilda McEwan, Miss Rhoda Sumner, Miss Laura Howard and Miss Hazel Johnston.
Students Have Best of The Early Play But Finish Poorly.

Varsity had a good edge on the offensive in the first half through better sticking of the ball and speed of the forwards. The half, however, seemed to lack the power to finish their sensational driving attacks. Students scored the only goal of the half through Auchvithie in thirty minutes. Saints tied up the score minutes after the reumption, but the draw was shortlived for Wilkins put the Saints in the lead in a minute, and a half by one of the finest drives of the afternoon. Ten and a half minutes of the second period of the game, Auchvithie opened the count through Buchanan, tying the winless Saints at six minutes before the first whistle.

SHOULD HAVE WON IN OPENING HALF.

The students should have put the edge on the game. Instead, they made their best showing. They led in the first half, but seemed to lack the drive to make their lead secure. This, of course, was due in no small way to the Saints' fine backfield work. They held the ball at bay, and were not too often disturbed by the Saints. Daggie, saved the day. The winners did not show the class of which they are capable, and when given a chance to pass the ball in the provincial finals last spring. They had their best opening of the season. After the first half, when Janie took a quick shot to make the ball through Wilson's sharp green, the ball was saved. Varsity kept up a persistent attack only to be broken up against a well-defended defense. Turner made a good attempt to hold his place, but missed the net.

LEDDINGHAM BROKE AWAY FOR VARSITY, REWARDED WILKINS, AND WAS FOULED.

Leddington broke away for Varsity, rounded Wilkins, and was fouled by Turner. Neither decision was on the ball, and in the resultant mix-up Hogarth wormed his way to the pass, and was given a big hand for his clever clearance.

ACHENWICK FELL DAVIS MANAGED THE RECOVERY.

Cameron finally cleared the ball, but not before Winder had a chance to take aim from twenty yards. Auchvithie pulled the most brilliant play of the day when he shot into the air, and toured the leather into the net.

Varisty continued on the attack. Phillips, especially to the goal mouth, missed a fine chance from Cameron. Wilson drove a hard shot which scraped the post. From a free-kick, Leddington drove for the corner, and Hogarth was forced to tip over for a corner. Baker failed to stop Grig for his only error of the game. The latter crossed to Fred Wilson, who was a.v.g. on the goal box. Saints went out in a busineslike manner after the rest. Faircloth and Hogarth scored in a determined rush, Craze handled the penalty area and on the kick. Wilson drove a straight shot, which cleared in front of a veteran. Cameron finally scored and by clever footwork eluded both Bucker and Craze and moved the first for Saint Andrews. Phillips, whose work at centre half was one of the features, started the play resulting in Varsity taking the lead. He drove to Wilson, who, after being charged by Hargreave, recovered the ball and landed it in the far corner of the net.

DATE GREEN SCORER

THE WINNING GOAL.

The Saintsmen kept up their aggressive play, and a strong attack for the first half, and made the ball work right, worked around Leddington and from thirty yards, Grig shot and the ball dropped into King's legs. Hargreave, the former school king had no chance to save. Hogarth moved brilliantly at the other end. Buchanan stole the ball from Auchvithie and Jackson and killed it. Dave Grig, who battled the final and wonderful, and with his right on top of King and spoilt the latter.

Auchvithie and Tammy Butler bore the brunt of the attack for the Saintsmen. Butler showed up unusually well, with his dash, recklessness, and close checking. He never ran away from trouble. Ray Cameron was inclined to swerve when being closed, but had the ball several times by dollar in getting rid of the leather. Phillips was on the goal box. He kicked well and used good judgment in his passing. Phillips rifled at back, and King was so good no goal was in. King didn't do much in the first half for the Saints, but he worked harder as the game wore on. Grig, and Turner, changed places at the back of the second half to good advantage. Hargreave spread the floor of the game with the ball. The Saints men, led by an engine that never was able to creep off to anywhere. Joe Craig was right on every play, and gave universal satisfaction.

SECOND STRAIGHT FOR U.B.C. FRESHMEN

Secure Narrow Win Over Ex-King George In Intermediate Rugby.

Varsity Freshmen made it two straight wins in intermediate rugby circles when they defeated Ex-King George, 9-0, at Highbury Park. Substitutes decided the score on Varsity, 3-4. C. G. Cameron handled the whistle in both games.

In the Highbury Varsity, Ex-King George, on the other hand, took the lead over the Frosh in the first half of the second game by an unexpected try. With the change of side the Frosh maintained leadership, and then in the second half the Frosh was up and down against a game team which neither was able to get away.

The chemistry society of the University of British Columbia, will be addressed on Tuesday evening by Dr. M. J. Marshall, who will speak on "Coldship and Streamline." The society meets in the physics lecture room, corner of Twelfth avenue and Laurel street, at 8 o'clock.

Farmers Lack Experience And Finish 10-38 Down Sc. 26.

Progress was made in the first round of the Varsity interclass basketball competition on Thursday evening at the Normal gymnasium when Arts 26 took the measure of Sc. 26 by a score of 21 to 11, while Agriculture overcame No. 28 to the tune of 38 to 10.

The first game was the latter and was a product of some good basketball. Thompson was the key factor for the Arts men securing 12 points while the streak with Starks 4, and Long 2. Birdsong Baker played an effective game at guard. No. 28 was represented by Legg, who did not have much chance to get into the game. Thompson being high man on the sheet. The second game only four of the Arts team 26 men turned out, but Boyd Gilbert giving an excellent game at center. Schaefer, Buchman, Thompson and Asbury formed the five men one of whom, Schaefer, was playing his first game. Goodman, Johnson, Birdsong Baker and Thompson were the only experienced basketball players, although there was no match for the Aggies. The Arts had two first string men on their team namely, Browne and N. M. Thompson. Wilson, Challenger and Varech worked up with them nicely. So I made the mistake of leaving Newcomer undervalued toward the basket, with the result that the Aggies fed him and piled on the points. Arts 26 and Arts 27 will meet Friday night in the second game of the first round in the Normal gymnasium.

STUDENTS EASILY DEFEAT "PROFS."
Dr. Boggs Forces Lorimer Baker Into Three Sets In Singles.

The annual Faternity vs. Students tennis tournament of the U. S. C. was held at the League Campus on Wednesday, October 1, and resulted in a complete defeat for the Students. Dr. Boggs, a tennis enthusiast, is a noted sportsman, and won the singles in straight sets. His opponent, Lorimer Baker, was unable to compete with his fine natural ability, and lost the match 6-0, 6-1. The latter took the second set after rights well-fought games, the third set three sets, but Baker asserted his superiority in the third. The invisible Men's team proved too good for Dr. Boggs and Baker, and the students were defeated in straight sets 6-4, 6-1. An excellent brand of tennis was displayed in this match. Baker and Boggs had no difficulties in taking two straight sets over U. S. C. Clarke and Logan, 6-4, 6-4.
FACULTY AND STUDENTS OF UNIVERSITY
HONOR MEMORY OF DR. WESBROOK, FIRST PRESIDENT

This inscription on a tablet on the grave of William Allen, one of the early professors of the University, was erected in honor of Dr. Wesbrook, the first president. The tablet contains a biographical sketch and a brief account of the early history of the University, including the founding of the Faculty of Arts and the establishment of the first college in Canada.

It was due to the foresight of Dr. Wesbrook that the library was established. Through his efforts, 5,000 volumes were purchased for the library, which was opened in 1875. The library was continued and expanded under the direction of Dr. Wesbrook, who also served as the university's first librarian.

The faculty and students of the university were represented at the ceremony, and the occasion was marked by a fitting tribute to the memory of Dr. Wesbrook. The ceremony was held on the grounds of the university, and it is hoped that future generations will continue to honor the memory of Dr. Wesbrook and his contributions to the education of the nation.
Varsity, Eleven Is
**Turned Back By Royals**

Three teams remained tied for the leadership of the first division as the result of Saturday's fixtures in the Lower Mainland Baseball Association. At Jones Park, Westminster United won a 4-1 victory from Varsity, while at Athletic Park Vancouver City swarmed all over South Hill to win 5-0. At Sapperton, St. Andrews won a dogfight from the youthful homeboys, 2-1, and at North Vancouver North Shore United took the measure of the Longshoemen, 2-1. Westminster, City and St. Andrews therefore remain tied at the top of the ladder.

**ROYALS 4, VARSITY 1**

The Varsity-Westminster United encounter was not as one-sided as the 4-0 score indicates. Both teams were evenly matched at the end of the first period and it was not until more than half of the second was over that the scoring started. From the first it was a good game of baseball with the ball travelling from one end to the other. Both teams kept on their toes and repeatedly called on to make brilliant plays.

The rain and the soggy condition of the grounds made fastballs impossible. The fair and centre crowd was never bored with dull moments.

Minto, on the Royal City wing, secured the first score for his team on a nifty kick which was allowed when Bob Forgie, the Matador, was being passed around and denied a chance to score. The Royal City gaff was not far behind but it was too slippery to be handled and it was fumbled on the field. Shortly after Minto scored, the Royal City centre fouled in the box. The referee, however, decided that Minto had fouled in the box. He awarded the Royal City side the free kick which gave them a 2-0 lead as they went into the half.

Bunce McMillan scored for the ex-Varsity player, played his first game of the year with the Royal City Intermediate at Strathcona Park on Saturday and scored the unconverted try which gave them a 3-0 lead with 15 minutes to play.

Henry McMillan scored for the ex-Varsity player, played his first game of the year with the Royal City Intermediate at Strathcona Park on Saturday and scored the unconverted try which gave them a 3-0 lead with 15 minutes to play.

**RAW ANDS COPPER**

The colleges then pressed and were rewarded with their only point. Cameron carried the ball up the right and passed to Jackson, who was waiting in front of the post. Jackson bunted it in without giving the custodians a chance in the world.

The Collegeteans candidly kick again and Bum made it his when he drove it to a neatly centered ball for the best tally in the game. With theetch mark showing in the game, the Royal City squad continued the attack and united in a small goal, which was almost in the box making his second goal in the game.

The following goals came: Smith and Taitler, turned in a goal, followed in by Sawchuk, and were the limiting factors in the student's attack. The only powerful plays being the goal mouth. On a number of occasions Sappington cornered the ball, right back, and Phillips, at Collegeteans, to the pick of the team, defense, and Audisho. Jackson and Cameron played fairly well on the attacking line.

Two Strong Girl Basketball
Teams Selected at Varsity

Selection has been made for places on the Varsity ladies' basketball team, and a strong lineup has been chosen for both teams. The Russell, Fanny, Margaret, Miss Dorothy Simonds, Archibald, Florence Williams, and Pauline Reid. Miss Dorothy Simonds has been chosen captain.

Miss Simonds is president of the Women's Athletic Society in the University and expects her team to make a strong bid for honors with such a line-up of experienced players.

Anchors, Jean Gillies, Margaret Leammon, Mary Elizabeth, Dorothy Williams, Doris Simonds, Thelma Buckner, Donald Hackett, and Ruth Williams.

On Saturday the first team met the Normal girls and defeated them 28 to 20. The next game will be played on Sunday afternoon.

Varsity Mott Stars
Showing Enthusiasm; Ready for Huskies

The Varsity rowing Club has a large and enthusiastic turnout for its regular monthly regatta. New blood has been added to the club this year, and some promising material is turning out. It is hoped that this boat can again win the gold cup offered for the Alphonse Cup Regatta. The University of Saskatchewan is the favorite with the University of Toronto, the west coast university, and the return contest will be staged in Seattle some time in February.

Anzac with Rowers

Wanderers and Varsity, in Other Half of Saturday Rugby Bill.

With four straight victories to their credit, the Vancouver Rowing Club, who oppose the strong U.B.C. team at Brockton Point tomorrow afternoon, will be fighting for the league leadership. The cruisers have a record of four points in their favor as compared with 12 that have been scored against them.

If all goes well, the Television races will be decided on this basis, with the teams in the winner's boat. The Anzac boat has a strong chance of developing into a worthy victor, and the return competition will be staged in Seattle some time in February.

University Students' Christmas Concert

The University Musical Society will be heard in a splendid programme at the Christmas concert on Sunday, November 26, at 3:15 sharp. In King Edward High School auditorium.

3. "In the Bleak Mid-Winter"—Roman Catholic Club, Piano and Choir.
5. "Angels' Dance"— дальние, Piano solo.

HARD-FOUGHT GAME Copped by 'SOPH'S'

Arts '27 Beat Seniors and Add Four Points to Cup Race,

Let us take one of the latest and hardest fought intercollegiate games in the history of inter-class competition. Arts '27 triumphed over Arts '26 by a score of 29 to 27 in the Normal, for the first time in the semi-final of the Varsity series. Pharmacy's defeat of the Arts was in the first round of the series. Pharmacy was favored to win, but the Arts were favored to lose, with the odds at 2 to 1 and the final score of 27 to 23 showed a decided upset for the Arts. Both teams were equally well played, with the Arts winning the game. The Arts' victory was a little more accurate. Arts '27 drew first blood and won them 29 to 17 in the first half. The Arts completed the victory with two more touch-downs in the second half. The Arts had more than 150 yards at the half, while the Seniors had 100 yards with no points. The Arts' brand of football was noted for its speed and accuracy. And the excellent brand of basketball was matched by a large extra for the Arts' brand of football. Senior Basketball Season Opens at Y On Saturday Night

SENIOR A basketball will get under way in the city tomorrow evening, when the Vancouver and District League will stage its first double-header of the season at the Y. M. C. A. Several players will make their first appearance in this division, Varsity, King Edward Old Boys and Rowing Club all introducing former Senior B players, who are ready for a step up.

Among those is Heily Arky, pictured at the left, who played such a sterling game with Varsity seconds last year. He is a consistent point-getter on the forward line and is as fast as well as brilliant. He toured the Okanagan last Christmas with the Rowing Club seniors.

In the first game tomorrow night, Y. M. C. A. will take on King Edward Old Boys, who will trot out George Dixon, Sid Anderson, Coleman Hall, Duncan Duff, Bill Scott, Ted McAdam, Dr. Uhpham, Marc Grimmett and Frank Miggins.

Rowing Club and Varsity will clash in the second game, which is slated for 9 o'clock. The Rovers will have Olson and McAdam on the forward line, with Falconer and Abercrombie at guard, and Fletcher at centre. Harry Johnson, though signed, will be unable to play for a week or so.

The Collegians will have Arky and Harold Henderson, who are also starred in Senior B last year on the forward line, with Al Buchanan at centre, and Grauer and Newcombe at guard.

E. L. Yeo will handle both games.

Two Miller Cup Tilts Saturday—Ex-Kings Meet U. B. C. Squad.

P L A N S for the reception and entertainment of the famous New Zealand All-Blacks, the greatest exponents of the handling game in the world today, were announced at the 14th meeting of the Vancouver Rugby Union executive on Tuesday night. It was decided that President Dick Boll-Irving, Secretary R. Cooper and the vice-presidents should meet with the honorary officers of the union to discuss financial arrangements.

It is understood that a large guarantee is necessary to hold the All-Blacks for a couple of weeks in town. Dates for the games have been set for November 25, 26, 27, 28, 29, and December 2, 5, 7, 12, 15, 19. The games will be played at bottles on the field of the Vancouver Athletic Club.

It was also decided to review the rep game on Saturday afternoon, in order to make it known that these games are open to the public at a nominal charge of 50 cents at the door.

Gen. McRae to Entertain Members and Lady Friends At Shawnessy.

University of British Columbia can now plan to make use of the Vancouver Rowing Club equipment as it had been their custom during the past four years if the special committee appointed by the club executive on Thursday decided that satisfactory arrangements could be made. Some time ago the University Medical association asked permission to carry on as they had been doing, paying $100 each for and using only the late-morning hours. This application was refused on the grounds that the club equipment was made in use of a complete overhaul, and that the only opportunity to carry on was an overhaul during the winter months. At yesterday's executive meeting, a special committee from the University headed by Dr. Loven and Johnny Oliver asked the club's reconsideration of the application but that it would have the Collegians entirely from rowing if it were not granted.

TO INSERT EQUIPMENT.

Captain Hugh Fletcher outlined the position of the captains' department, declaring that even in regular club members wished to row now; they would not be allowed to do so. Breaths are now made; and before the winter is over all smiles and laziness will have been checked. If the University boys use the boat this event would not be possible.

A special committee consisting of Capt. George R. C. Allen and Archibald Black was appointed to go over the club equipment with Captain Hugh Fletcher and a similar committee of the University will see if sufficient equipment is available for the club. If this committee decides that it can be done, it will make a report.

PARTY AT S. A. R. HOME.

Several other matters were dealt with by the executive. The rugby Club was being asked to observe the ruling regarding the pollen on the field as the standards. Massey, Cooper and McLeod were not satisfied with the present state of affairs.

In the second game Young Liberals will be dealt with at handling the whistle. This is slated for December 7. Massey Woodhead and Steele will be on the fields.

First McKechnie Cup Tilt Of Season at Point On Monday

Varsity and Vancouver Meet in First Big Tussle.

Students Will Be Supported by Yell Leaders.

Judging by the talk among rugby enthusiasts among the largest crowd of the season will be out at Brockton Point on Monday when Varsity, made up of the pick of its Miller Cup squad, will face the Vancouver rugby team in the opening McKechnie Cup match of the 26th schedule. Varsity looks to have a little edge on the team announced by the Rugby Union's selection committee and papers should be able to slip over a victory. The team however, has a lot of work to do in which, in a measure should make up for lack of weight in the men. The game will be called at 2:30 with Mr. J. L. Whyte as referee.

It is possible that Johnny MacLarnon of Varsity will yet again offer a recent injury to be in shape in time. If so, Kelly may take his place in the three-quarter line or Cameron may be switched from half to the two positions on the three-quarter line with Orrinbee remaining at full. The Yell Leaders and Band.

A large number of Varsity regarders were out under the direction of Jim McLeod. The frosh year is planning to parade in a body to the Point after assembling on the Ch责任心 streets. They will be led by the "military" band which has been revived on a larger and more scale than ever and will give up a moving performance of the words of the song. An interesting feature will be on display of the students who will have enough strong men to draw out the band and the Varsity supporters expect their team to win.

Pug Greggor—Captain of the St. Patrick's and one of the McKechnie cup regulars in the game. Pug played on the Vancouver side last year.

Johnny McLeod—Uncled a team in the provincial series and is a regular member of the varsity team each season. Besides his rugby activities Pug was captain of the University Boxing Club last year and was the champion of the Anticosti tournament.

H. J. W. Whyte—President of the Rugby Union. Cup, first played on the Point in 1920 and has been going strong ever since. Was born in Vancouver and learned the game at King Edward High School. Fast, aggressive and a sure tackler, Harry has been playing since his freshman year and will hold the full-wing position.

Bill Cameron—Full hails from the north and is the only one on the rugby team at Varsity and the wing thrice-quarter in the McKechnie Cup team in his first year at the game. He was fast on the offense and strong on the defense, earning the nickname, "Duffy." He will hold down the stand-offs half position on the team this year.

C. A. C. Wall—Has been a regular member of the varsity team and will again play wing-three-quarter on the Varsity team, and will be one of the McKechnie Cup team in the provincial series on Monday.

Carlyle, played at King Edward High School, is fast and kicks well.

To Lead Varsity

"Buck" Yeo to Start Game at 2:30 at Brockton Point.

U. B. C. Team Includes Noted Track and Field Athletes.

Harry Warren—Earned his big reputation at junior track last year, his first year out. Varsity's champion sprinter, his speed was used to advantage on the wing. Warren holds the Varsity record on the track and has the inside position on the football eleven. In the McKechnie Cup games last spring and represented the University in the intercollegiate meet, at Kamloops last year, running both the three and the five-eights. In the five-eighths, he was a goal against the Cowichans last Saturday.

Brett Brough—Another hard-working footballer who is fast on the follow up. Brett learned the game at the Junior level and has done well on the McKechnie team last year and is expected to help retain the silverware. The science class is perhaps one of the reasons of his abilities by electing him president of the Glendale Football Club this year.

Dave Hatcher—Dave played on the varsity junior team last year and on the Miller Cup squad for three years, and is a part of the steady work in the McKechnie Cup. It is shown in achieving his reputation to play on the McKechnie Cup team. Dave is one of the best backs in the Varsity and paired with Pug Greggor will be in the front line of the squad.

Charlie Schultze—Picked out for rugby for the first time this year and was picked for hard work made the team. Always after the ball, Charlie is a go-getter and with a little fitter knowledge of the game should prove a valuable asset to the Varsity intermediate basketball team.

Clare Dobson—A native out of Vancouver, Dobson entered the game at King Edward High School, and played in the varsity junior team last year. He was one of the best backs in the team and played well in the Miller Cup. His experience is expected to pay off this year, and will earn him a place in the varsity's back line.

Ralph Shaw—First saw the light in the year eighteen years ago and came to the University last year playing his first year in the senior series and already is expected to be in the back line.

Jack Smith—Played against the varsity last year and was picked on the team. He is expected to be a good back if given the opportunity in the back line.

Harold Kelly—Captain of the varsity in the two preceding years, Kelly has been playing a hang line position for the last two years. He is one of the seniors on the team.

Wilmot Smith—Was promoted from the Miller team to the McKechnie Cup team last year and is expected to shine this year. He is always up to play and may be expected to shine on the back line. He is one of the seniors on the team.

Bill Davison—Davison has turned in a spectacular performance this season, and has been one of the outstanding players on the foreword line. He has played for the varsity two years and his speed and his body work will be called upon. Davison played for the Point Grey High School team and was a valuable player in the senior team last year.
Varsity Rugby Team Wins
First McKechnie Cup Battle

Beats Vancouver Rep. Squad 3-0 Before a Big Crowd.

Lange Breaks Through For Only Try of a Strenuous Game.

Aided and abetted by several hundred students and the new famous jazz band, Varsity yesterday afternoon triumphed over Vancouver in the first McKechnie Cup of the season. The score, 3-0, indicated a close battle. Varsity was little to choose between the fifteen, although the students have the upper hand in the back division thanks to the victory for the rep team on three occasions was up to the line and all but over, but sterling and sound defensive tactics on the part of Donner at fullback and a pack that was fast at setting the ball for the day. E. L. You in his "plus fours" was in charge and scored all. The next game in the series will be played on November 15.

Officials of the E. C. and Vancouver Rugby Unions had their usual good time on their handling of the crowd of over three thousand. "Good form of officials," said the late Hon. Godfrey. It is all to the credit of the players and necessary changes were made at the last moment, the announcement giving the name of the player scoring the try, however, was poor.

JAKE BAND HELPS.

Interest in the proceedings was greatly enhanced by the presence of the Varsity mottoes' brigade, led by Cheer Leader "J.B." McLennan, only assisted by Fred Furside. This organization proceeded to adduce the heart of the Vancouver team, the last band and chorus playing "Poor old rep. They ain't what they used to be in the immense assortment of the "Jakes." Between halves the band played "The Bally Oak," which produced a large gathering of students.

Fury of the B.C. team was no less in evidence than their cheer leading. Casey Clark on the forward line, and Billy Hogg on the back row, were in Saturday's game at the Palaclinic, were prominent figures in the game. During the early part of the game, the B.C. team played一流 openings by faulty passing. They apparently did not have any particular advantage or any provocation. At the same time, no less than six tries were scored before giving the receiver little chance. Varsity scores were only to be their own against the rep team.

LARGE SAVES SCORE.

Fall remained in mid-field until Varsity made a gain of thirty yards, following a free kick which was taken by Griematt. Donner dropped the ball but failed to hold it. A second free kick, thirty yards from the goal, followed, and Donner lifted a long spiral lift into the goal. Varsity's three-quarter line got the ball, and it was a gain of 150 yards, but Lange secured and touched down behind the two goalposts. From the ensuing free-kick scrum, the line tried again but came to grips with Griematt, with the assistance of Croft and Waterhouse, mostly a gain of fifty yards, but Lange secured and touched down behind the two goal posts. From the ensuing free-kick scrum, the line tried a safe goal but was lost on a low punt from Murray Rowan.

Shaw of Varsity encountered and by a magnificent kick down field, took the ball out of the danger zone. De- intactly, Shaw played brilliantly throughout the day and justified his selection. Varsity continued to press but Kelly muffed a pass at the line. A shrewd kick was, however, used against Stuart and Donner, in which the latter missed the boot, the students advantage thirty yards. Kelly made a fine play when he took an offside kick from Griematt, returned speedily and by following up fast was on Griematt before the latter could clear, except close in touch.

McKECHNIE CUP SERIES

First Match Between Vancouver and the University of British Columbia

Denver and Johnstone made a bid for the lead, but were stopped midway in the first period by the home team. Donner's timely intervention of the ball, however, caused Denver to drop the ball at the last minute. The half ended with the score 3 to 0.

The second half was a struggle, but the score remained 3 to 0. During the second half the B.C. team essayed a set up of the ball, and was successful in driving the ball long, but they were unable to score.

For the second few minutes Varsity took the initiative, but by a clever maneuver, Johnstone scored a try in the second half, and eventually scored two more, but the score remained 3 to 0.

Tourney of U.B.C. Badminton

Club Scheduled for Saturday

The race for the Governor's cup will be continued on Saturday evening when the U.B.C. Badminton club will hold its interscholastic competition in the Beauty Street drill hall. The U.B.C. has a large number of players turned out to practice twice a week and keen competition is expected when they meet in the tourney on Saturday.

In the doubles Science '26 will play Arts '25; Arts '25 will play Science '26; Science '27 will lock horns with Science '25; while Arts '27 will take on Science '27. The winner of the Science '27-Arts '25 match will play the winner of the Science '26-Arts '27 match for the right to meet the winner of the Arts '27-Agriculture tilt for the right to meet the winner of the Science '26-Arts '27 match in the semi-final.

In the singles, Science '26 is drawn against Arts '25; Science '27 against Arts '26; '27 against Science '25; and Science '25 against Agriculture. '26 against Arts 27 draw a bye. The winner of the Science '27-Arts '25 match will play the winner of the Science '26-Arts '27 match in one semi-final, while Arts '25 will try to win the title with the winner of the Science '27-Agriculture match for the right to meet the winner of the Arts '27-Science '26 title in the other semi-final.

ARTS '27 EXCEL AT BASKET BALL

Win 'Varsity Inter-Class Event by Decisively Defeating Science Quintette

Arts '27 won the Varsity inter-class basketball competition last night at the Normal gym, when they defeated Science quintette, 31-14. The match was played before the large audience of the students who had come to see the match as the match was decided early in the game when the Arts had a 6-5 lead. The match was stopped after 15 minutes because of the time limit and the Arts won the match 21-11 in the second half.

The Varsity committee has opened the tournament for these teams, which has not won with success. The Science '27-House managed to round the clock into their own with the help of uncomplimentable and a shell or two at point grey.

Five Varsity Basketball Teams in Action on Saturday Night

Five Varsity basketball teams are to be in action on the Normal gym on Saturday night. The senior B team will play the Normal B team, the Intermediate B team and the Intermediate A team will play the Normal A team, while the senior A team will play the Normal A team.

Varsity Rugby Star Undergoes Operation For Blood Poisoning

The B.C. Rugby Club has lost one of its most valuable players in the person of R. E. Brown, who has proved one of the oldest men in the club, being a member of the original team. The rugby club is considering the possibility of sending a representative team to the Point Grey match.

Last Saturday, playing for Varsity against Vancouver, Lange, with a bad shoulder, gave up the game at the last minute, scored only the try of the game, but the club was further aggravated by the handicapping played by the referee. Yesterday he was forced to undergo an operation at the general hospital. Lange will be out of the game for the next week at least.

EX-KING GEORGE TO TACKLE U.B.C. SQUAD

West Enders Without Bill Bryson—McWhinney and Madison With Libs.

Young Liberals and Ex-King George will have a chance of picking up a little on the league-leading Rowing Club team in the Millwall Sunday trial row after row. The Oaromans have a dry white rowing side this week, and the West Enders are in fine form and will give the U.B.C. squad a tough time. The rowers are not out of the 12 who are entered for this trial row and the Libs are in fine form. A new feature is the absence of Bill Bryson, but the Libs will be otherwise intact, and they intend to take the measure of the Collegians. George Thankful refuses, with Masters, Copley and McMechan acting as stroke judges.

The second trial will bring together Young Liberals and Varsity. The Libs have not had quite a full of tough facing each other this season, and the Seniors and Juniors are all out. The rowers from each side have had to call on their former rowing club mates to draw in the best of their old club mates for the big challenge. The Libs and the Seniors have had to call on their former rowing club mates to draw in the best of their old club mates for the big challenge. Men's Athletic Body of Varsity Leads In Sport

Controls All Sport Activities at University—Gives Permission for Entrance in All Competitive Public Events—Financing Done Through Students' Council—Fund for Injured Players.

The Men's Athletic Association of the University of British Columbia is comprised of all registered male students of the University and has its own currency sessions. Among the faculty and male graduates are honorary members. The object of the association is to foster all branches of clean and manly sport in the University and all students are under the control of the men's athletic executive, which consists of the president, vice-president, secretary and treasurer, together with the president of each athletic club in the University, the rugby, soccer, track and field, ice hockey, tennis, swimming, badminton, boxing, and rowing clubs being represented. The president sits on the Student's Council, and is responsible to that body for all activities of the Men's Athletic Association. The executive is in charge of all activities of the association in the different athletic clubs in their relation to other athletic clubs in the University. The executive does not give permission to any player to participate in any contest. No one is allowed to represent the University in any public athletic event either individually or as a member of any team, or on any athletic privileges of the association, who is not a bona fide student regularly registered in the University, or who is not a regular member of the faculty of the University, or who is not a bona fide student at the B. C. A. U.

BLOCK LETTER AWARD.

Sports at the University are divided into two categories, the rugby and soccer teams, and the track and field teams. The American football and basketball teams comprise the minor, while all other athletic sports are considered major. The big block letter, the highest athletic award in University sports, is given to all members of the first rugby and soccer, and to the first men's basketball team, in the first ten per cent. of the matches, to the winner of three points in all intercollegiate track meet and to the individual track men who in the individual events win the University record. The small block letter is awarded to members of the second rugby and soccer, and to the second men's basketball team, in the first ten per cent. of the matches; the first men's basketball team breaking a record in the track meet: members of the first American football and baseball teams; the tennis singles singles, or eight divisions, to anyone representing the University in all intercollegiate tennis or boxing tournaments.

CONTRIBUTORS FUND.

The plan is limited to members of the Men's Athletic Association of the University. Each member of the Association makes a contribution of $5, the first $2 toward the cost of the students' council, the student governing body of the university, the second $3 being used to meet expenses in connection with athletic activities. The students are responsible for all cost of the council, and the fund is controlled by the student body of the university. All monies earned and created shall be turned over to the general fund of the alumni and athletic association. Appropriations for athletic purposes are drawn from this fund. Each member is expected to meet the cost of the annual budget of expenses for the current session.

VARSIY BASKETBALL WIN THREE GAMES

Royal City Girls Have Easy Time With Fair Co-eds.

Varsity basketballers won three out of five games, defeated the Nicholas Grammar on Saturday afternoon, and the senior B team trimmed Rowing Club B and the intermediate A by hitting the dust before half-time in the feature games. The basketballers were also engaged in the Bramble Cup, and during the period the intermediate and senior B teams went down to defeat at the hands of the Bramble Cup. The Bramble Cup throughout, though they were out for use of their B.B.C. and Oostgate.

E-X-KING GEORGE rugged dropped two valuable points in the Miller Cup at Brockton Point on Saturday afternoon when the heavy U. B. C. pacific pushed them all over the field for a 7-0 win. In the second game, the young Liberals and varsity led the points over the Grim at a determined exhibition in the second half.

The former intermediate champions fielded a weakened test against the Bramble Cup, who were out for the game, for the season by illness, Murray Rowan of town on bus and Gerd McLean unable to get off for the afternoon. These notables of the forwards were so badly injured in the Saturday, ordinary, who is now a Bomber and not at the leadership of the pack, and with Hart, kept things moving right. The collegiate houses exercised the next half of forward work against the Grim, getting very little chances. The Grim, on the other hand, were able to score against the Grim, and in the last minute of the game, after McLean had been able to throw the Grim's point on a free throw from the twenty-five yard line.

"RED" DAVIES TAK.

This score put the Liberals back on the hill, and in the second half they staged a fighting offensive. The forwards began to find themselves, and held the ball nicely. When it did come out, the back division got under way, and Alex Parson and Rodc McLean, who was the player of the season, did not give them a chance. Jimmy Waters did not play. The forward line was well in hand, but McLean and Parson did not play and prevented a chance from the second line. The ball played by the Grim was brilliant, and Jim Pearson and McLean formed the Varsity twenty-five.

Varsity Clubs in Action Next Saturday — Liberals Have Holiday.

Efforts Still in Progress to Secure Two All-Black Games.

ALTHOUGH the New Zealand All-Blacks, who will travel through Vancouver early in February, have planned their journey across Canada so as to reach this city just a few minutes before their boot socks, the Vancouver Rugby Union is confident that a change in the schedule will be made so as to permit at least one game.

This was made evident at the regular meeting of the executive last evening when Secretary Cooper read the telegrams which had been received from the New Zealander in England. The telegram from the All-Blacks plans to reach Vancouver on January 30 and will call on Mr. E. L. Tom in the afternoon and an announcement will be made as to the probable opening game. It is expected that the game will be held several streets away from the exhibition grounds, on the afternoon of February 16.

VICTORIA AXES GAME.

Word was received from California that the All-Blacks would be pleased to have a match against the All-Blacks if they wished to do so. Mr. Franks, manager of the team, suggested that the guarantee would be made.

Vigorous efforts are being made by the All-Blacks to secure a game for the west coast visit and the guarantee was expected to be guaranteed by the end of the week. The game will be played on February 21.

INTERMEDIATE FIXTURES.

At Strathtown Park, the intermediate matches are well under way, with some games in progress. The Kiel King George and Rowing Club will play on Saturday, and the first team will meet with Frensham in the second game.

MILLER CUP FIXTURES.

The scheduling for the Miller Cup matches will be announced shortly. The first match will be played by the Wanderers in the second round, and the second will be played by the Wanderers on February 19.

BALANCE OF SCHEDULE.

The 6 to 7 hour on both Tuesday and Thursday will be reserved for two practices with the Kiel King George taking the hour from 3 p.m. to 4 p.m., and Young Liberals the hour from 4:30 p.m. to 5 p.m. on Thursday.

HOLD DUNLOP ROAD RACE NEXT MARCH; ELKS WON TWICE

Conditions of Annual Event Outlined—Managing Club Wanted.

VARIOUS INTERESTED.

Plenty of Applicants Assured—Miss Transfer Venue to Interior City.

At present there is little possibility at the Dunlop road race being held at New Year. Besides the fact that the race, for lack of funds this year, would suffer with such a date, no one has yet made application to manage the event.

When the Dunlop Rubber Company made the deed of gift of the race, it stipulated that so much was to support the race twice in succession. In this the New Westminister Club is in agreement, and an account of the necessity of organizations willing to hold the race, the lands Y. M. C. A. has contracted it three times and the Victoria Y. M. C. A.

COURSE IN MARCH.

The rules also provide that the trophy shall remain in the possession of that team that won the match. The Kiel Kings have held the silverware of their opponents, and they will lose it on March 1, the last day of the season. The rules of the 1909 season will be adhered to through the entire season, and the championship will not be lost.

COMPOSITION OF TEAM.

The University of British Columbia has signed its intention of entering the match. The University Rugby Club will also have a team that will be considered to be the university team of Victoria and New Westminster T. M. Augustus and a large number of applicants have been in the process of being considered.

THE CUP.

The cup is an open, six-shilling cup on the high road, and is open to all over 18 years of age. It is a team race, and is to be entered by each team, the first team to arrive at the course. The winner is one point, the second two points, and the third four points. The cup will be awarded to the team with the best number of points winning.

HILL HAVEN TWO WINS.

In the past two years the Vancouver club has won the championship in both years, and they have won it every year since its inception under the secretaryship of Mr. E. L. Tom. The trophy is magnificently a magnificent solid bronze cup on the top, with a large, large piece of silver depicting two figures, and the fact that the bottom is two similar pairs and running out from the middle. The fact that the bottom of the winning club is engraved on the prize.

### Varsity Students Will Entertain At Willow Hall

**Annual Class Party of Science 26 to Be Held This Evening.**

The members of Science 26 of the University of British Columbia will hold the annual class party tonight at Willow Hall.

The programme includes luncheon at 7:30, tea, and games, and will be open to all Science students. The guests will be greeted by Mr. and Mrs. H. L. Macleod.

### Canadian Game for Varsity

**Lever Bates Heads Strong Executive to Boost Eastern Rugby**

Several Experiments of English Game to Take Hand at Different Style

**VARIETY**

Canadian rugby enthusiasts had a get-together yesterday afternoon and several plans were arranged for the evening's events at U. B. C. This evening Mr. L. H. H. Rolfe, the school president and there was a committee present and three. Miss H. L. Peck, Mary Reed and Bates.

Judging by the turnout shown at the meeting, the Canadian game will grow rapidly again this year. B.C. stressed the need of inter-collegiate competition, which was all the followers of the English game had to look forward to. It was particularly stressed at the meeting that the Canadian rugby followers were not running in opposition to the English game. They were simply introducing another game which was not the English rugby man, such as Royal Bank, are definite to come.

WANT CO-OPERATION

But the idea is to cooperate in every way so that there would be no friction or conflict between the two games in the province.

The similarity of the Canadian to the American game also makes competition with the South much easier.

**STRANGER ESTABLISHED**

Canada is making its first introduction to the American game, but, due to the American influence, the enthusiasm and support both from students and the men's athletics, it is on the way to being established.

The meeting was opened by Mr. A. C., and Miss A. B., and they set the stage for the meeting by reading a paper on the history of the University of B.C. and the constitution of the province.

It is reported that at the meeting that although U.B.C. have recently presented an invitation to the W.C.A.G. to participate in the W.C.A.G. game with the exception of track there will be no further competition with the Pacific province.

In the interest of major sports, as the Pacific men play rugby, and the eastern and western are only the most popular college games, rugby.

### Mission Basketballs Play Varsity Here

**On Saturday Night**

The Mission basketball Club is staging a number of interesting programmes for Saturday night in the Normal gym when five exhibition contests will be staged, to be followed by a dance effort on Monday night at 8 o'clock.

Mission will send a team down to take on the Varsity senior "A" men's basketball the Varsity senior team that had not yet been played. The Mission "B" team will be on the outside team from the Mission gym.

The programme is to start at 8 o'clock by dancing from 8 to 10.
M. A. B. Woodruff, the third member of the Oxford team, a native of the United States, took the lead in the debate on the subject of the American student's life in Oxford, and emphasized the importance of American educational institutions. He argued that American universities provided a unique opportunity for students to develop their own ideas and to contribute to the global community. The debate was well-attended, with many students from different countries participating and engaging in lively discussions.

In the evening, the Oxford team hosted a reception at a local restaurant, where students and faculty from Oxford and Cambridge enjoyed a meal and conversation. The atmosphere was lively and friendly, with many students discussing the day's events and sharing their experiences.

Theater and Film Night

The Oxford team also organized a special event for students interested in theater and film. A screening of a classic British film was held in the university's art gallery, followed by a discussion with the director and cast members. The event was well-received, with many students expressing their appreciation for the opportunity to engage with such a high-quality cultural experience.

Overall, the visit of the Oxford team was a remarkable event that provided students with valuable insights into the world of academia and culture. The students from both universities engaged in meaningful discussions and interactions, which helped to strengthen their understanding of each other's perspectives and backgrounds.

The Oxford team's visit to the University of Cambridge marked the end of a successful trip, which culminated in a series of engaging events and stimulating discussions. The students from both universities were energized by the experience and eager to share their knowledge and insights with others.

VICTORIA MAN
RHODES WINNER

E. J. Knaptont Is Awarded
Coveted Scholarship at
Oxford University.

SIX IN COMPETITION

Mr. E. J. Knapton, a student in Arts 74 of the University of British Columbia, has been elected to the 1926 Rhodes scholar for British Columbia from a field of six competitors. He is a son of Mr. Ellis Knapton, Emily Quadrangle, and has accepted a position on the teaching staff at the University of Oxford.

DEAD KEEN FOOTBALL.

From there he went to the Provincial Normal School, and finally, before going to Queen's University, Kingston, he taught for a time in the Victoria High School. After two years at Kingston, he decided to complete his studies at the University of British Columbia, and he is now in his fourth year, majoring in economics and history. He will go to Oxford in October, 1925, to complete his studies there.

In Victoria he was actively engaged in the Y.M.C.A. and other similar activities. He has taken an active part in most athletic sports, and has even been a referee for rugby. A definite cricket enthusiast, he sometimes even represented Victoria College in several matches.

ANNUAL SCHOLARSHIP.

The Rhodes Scholarship is one of the most coveted in Canada, and Oxford is assigned annually to the Province of British Columbia, with the exception of the year 1925, when the Commonwealth is the recipient. Each scholarship is valued at £500 sterling, and is of the value of £1500 in Canada.

Oxford Debaters Are
Given Warm Welcome
On Arrival in City

The Oxford team, which meets the University of B.C. debaters for a Sunday match tonight, arrived in the city from Calgary, where they played very well in their first match against the chosen debaters of that city.

This meeting was met and given an enthusiastic reception at the station by members of the U. C. C. and the General Thoroughbred Club, students, and friends. They were taken about the city and given an excellent dinner.

The party is led by Mr. Malcolm Macdonald, the former British Premier.

During their stay in Vancouver they will attend a number of functions given in their honor.

VARSIETY RUGGERS
CLASH SATURDAY

Two Miller Cup Teams to Meet For First Time This Year.

For the first time this season, the two Miller Cup University teams, the Victoria and the University of British Columbia, will meet in a game at Broughton Park. Variety has the inside track upon registering a win and they say that it will be a battle to the finish. These two teams meet in the first game tomorrow, with Revell and Waddle looking up in the second.

The Omnes, playing their first game for two weeks, will be without their star fullback, who sustained a broken rib, but they will have Charlie Winkle back in the lineup.

The flowers will wear their numbers for the first time and, according to their report, are in better shape than at any previous time this season. They have been playing soccer in practice on the field and passing and the defense to make tomorrow's fixture a good game.

In the first game and Variety and Freshman for the second.

VARSIETY BASKETERS
HAVE FIELD DAY

Win Three Games at Normal Gym On Saturday Night.

Varsity basketers took three straight victories over the Normal gym on Saturday night, defeating General Gordon by 81-61, the senior team defeating the junior "A" team 77-60, and the senior "A" team 79-60.

The inter-varsity team started the evening with a triumph over General Gordon, surprising the players in a fast game, but the basketballers gained the victory in the second half. The senior team was led by Jack Atkinson, who scored 17 points, while Enos Morgan, who played a consistently good game at centre, scored 15.

The senior team was productive of good basketball. The play was fast, but the Varsity team was led by O. C. Braden, who scored 17 points, the Vickers, who finished on the second place, played a good game for the Milson team, which won by an average of 20 points in the second half. Malcolm Macdonald, the former British Premier, managed the team. During their stay in Vancouver they will attend a number of functions given in their honor.
Varsity Put Out of the Allan Cup Tie By Hotelmen.

Halifax supporters & 43 club members accompanied Varsity by handing them a set heating in a game that was the first half. Varsity had a chance to get a point in the final minutes of the game, and one remaining point in the final minutes of the game, and only three seconds left for the final point to register only one point. The hotelmen, led by the hotel manager, danced at the last point, and the Varsity team was cheered on by the fans.

The hotel manager, who was one of the leaders of the Varsity team, congratulated the hotelmen on their victory. He said, "We are very pleased with the result. This is a big win for us, and we are looking forward to the next game."

BACK TO THE NATIONALS

Mr. MacDonald, the former Premier of British Columbia, said that he was pleased with the result. He said, "This is a great win for the Hotelmen. They have shown once again that they are the best team in the country."

As the debate proper came to a close, he produced a letter from Mr. Woodruff to the effect that the Stock Exchange had no objections to his suggestion. Mr. Woodruff stated that the Stock Exchange had not been consulted on the matter and that the letter was a response to a request for information. However, Mr. Woodruff did not elaborate on the specific details of the letter, stating that it was a private communication between the parties involved. He then concluded his remarks by thanking the audience for their attention and emphasizing the importance of the subject at hand.

Plans Well in Hand for Annual Contests With Island Students.

McKechnie Cup Match to Be Feature of Jaunt to Capital.

The Annual invasion of Victoria by the University athletes will take place on Friday, January 2nd, when representatives of the University will touch the West Coast for the annual tour. The game was scheduled for this day because the playing conditions in Victoria are usually more favorable than in the winter months on the mainland and it is likely that some of the University players will return home via Victoria. The match will take place at 3 p.m. and is the first of a series of games that will be played in Victoria during the course of the week. The Victoria team will be playing on their home ground and it is expected that the local team will provide stiff competition for the University team.

Takes Hard-fought Game From B.C. Electrics In Overtime.

Victoria bankers dropped two of the three league contests at the normal gym on Saturday night when the local "B" team suffered a surprise 88-86 defeat at the hands of the U.B.C. Electrics in overtime. The game was the second of three scheduled contests and was played to a close finish. The Electrics won the first two games by 18 points and 12 points, respectively, but the locals managed to take the third contest in overtime. The game was a hard-fought battle and both teams played well, but they were closely pressed all the way by the visiting team.

Hockey Club of University to Hold Party Tomorrow

The women's hockey club of the University of British Columbia will hold a party on Saturday evening to celebrate the end of the season. The party will be held at the home of the president, Miss Mary E. Carman, and guests will be served up with the pie. The club has been active throughout the season and has enjoyed a successful campaign.

The men's hockey team will also be celebrating their success at the same time. The team has been invited to a party at the home of Mr. R. W. Clarke and Mrs. P. H. Clarke. The party will be attended by all members of the team and their families.

The Victoria soccer team will also be participating in the celebrations. The team has been invited to a party at the home of Mr. R. W. Clarke and Mrs. P. H. Clarke. The party will be attended by all members of the team and their families.
COLLEGIANS HAVE HUSKY SQUAD IN BASKETBALL RACE

Here are the vital members of the University of British Columbia who represent the Blue and Gold in the senior "A" Division of the Vancouver and District Basketball League this season. After getting away to a bad start they are gradually coming into shape and promise to give the league leaders a tough battle this evening. Ross Dryden has been named as the team manager, which possesses an almost unison attack and defense. A. J. Quinnell is a tough battle that is rapidly developing. Last season the Collegians were the only team to knock the Heretics out of the play-off, and with the result that the former players are determined to keep their place in the senior "A" Division. No. 1, Tommy Wilkinson, is the centre, while No. 2, Al Buchanan, is the team's leading forward. No. 3, Arnold Henderson, is the leader of the forwards, and No. 4, Fred Newcombe, is the team's leading centre. The team promises to develop into one of the best in the city. Harold Henderson is the captain of the team, while No. 5, Dal Grauer, has been named assistant captain. The team will undoubtedly be a big factor in the senior championship race before the season is much farther advanced.

Vancouver Draws Even With Victoria in McKeechon Cup Series, Beating Islanders 13-0
In Interesting Exhibition — Visitors Handicapped by Injuries — Next Game January 3.

I N a loosely played game at Brockton Point Saturday afternoon Vancouver drew even with Victoria in points in the McKeechon Cup rugby series, by sending the Victoria thirteen back home. A try—15 points—to nil. The Island presented the strongest lineup and inestimable in the Gillies, if they had a good share of the play, but ineffective work of the quarters and inability to get the ball out of the scrum in the second half told the tale.

In addition, they suffered worst in the casualties. The veteran Harry Smith took a bad knock on the ankle and limped a good part of the game. In the first half, Wally McLean had a rib, but he gamely continued after a bath to the first-aid room. In the second half, W. "Rump" five and was obliged to remain out of the game, team going through with a scrum of men short.

A try for a three-quarter time was mainly based on the backboned exhibition over the last rep game, kickoff, accurate following excellent center play and never missed. The next game series will be between Victoria and the Galters in the city.

VICTORIAN TEAMS:

Field Goal in Short.

Following Vancouver, McKeechonVictoria entertained the ball into Vancouver territory, and from about 30 yards out Brownson tried for a field goal which fell short. Vancouver gained a lot of ground by kicking it over. Farmer made the ball out of ordinaire, a flash, paused to bow it, then streaked for goal, ably supported by "Rump" Tweedie. Five yards gain on this pass the ball on a kickout. Charlie Wrench made a nice opening pass, but was brought to earth by the good line of forwards. Yard pursed McLean, who incidentally was put of all the shining lights of the island team. He is unusually light for a halfback, but shows up for the wide difference in speed. Brydges pulled in two excellent times for the home line.

Vancouver returned to the island after about fifteen minutes of play stage a running creeping game in which Murray Brown was finally left off the ball between the post and goal and the ball over the crossbar. Bill Cross had an easy kickout from the scrum after the usual interchange of kicks in between. Hartfield, however, gained a clean break in the scrum, and was charged. Stuart made a magnificent jump and ran in, and several Islanders looking evenly with Stuart turned to the Victoria man and held the ball.

MATCH STAYS AT CLOVER CROOK.

The visitors made good gains by superior scrum tactics, and enabled Goodhue to try a drop kick, but went unable. Victoria comes within fifteen points of the islanders and the heavens seemed to brighten with a nice kick and good run to bring a play to a successful outcome, the visitors a score and a kick to take the ball at the back for another. The whole team was well handled by the first half, and the second half, as Newcomb and "Tad" Hartley each occasioned fine points and while Harout and Goodhue was equally well handled play.

CLOVER CROOK TIES

For FINAL COUNT:

Vancouver again took the scores in the first half, but Victoria made a creditable showing in the second half. The first half was just the same story as the first half, the men playing well, but the Islanders played better.

In the third quarter, the Islanders came in for a beating, and the game was more even. The final result was 13-0.

The weather was very good, and the crowd of spectators was large. The game was well played by both teams, but the Victoria players were not able to get much of the play, and the Islanders won by a decisive margin.

Collegians Run Up 47-12 Score In Senior A League Fixture.

Varsity basketballers excelled in every department at Normal gymnasium last evening when they met King Edward Old Boys in a senior A fixture in the Vancouver and District League. The final score was 47-12, which was the talk of the town for the Collegians were in the lead all the way and never seriously threatened.

At the start of the second half King Edward staged a rally within which was a number of assists on the Varsity basket. Their sharpshooting was excellent, however, and they gained only a few points. Towards the end of the half the Student Body command again and ran in a flood of baskets.

Colman Hall turned out for the official game, and played a good game as centre. The Henderson boys, Harold on the forward line and Arnold on defense, played a good game for Varsity, while Fredrick Heyer and Harley Ayerst were in offensive form.

**GRADUATE OF U.B.C. DIES IN HOSPITAL**

Miss Jessie M. Forward

Taken Ill While Preparing For Examinations.

Friends of Miss Jessie Margaret Forward. B.A., expect to hear of her sudden death at St. Patrick's Hospital this morning. Miss Forward, of Montreal, twenty-one years old, was the daughter of Mr. and Mrs. M. C. Forward of Ladysmith.

She attended the Normal and high school in Ladysmith and last May graduated from the University of British Columbia where she specialized in chemistry and mathematics. In November she joined the teachers' course training at the University and was preparing for the Christmas examinations when struck with influenza a week ago.

While at the University she took a prominent part in athletics and was a member of the musical and other societies.

Besides her mother and father, she leaves two brothers, Harold and Douglas, and a sister, Alice. The funeral will be conducted by Mr. W. M. Neatby, Ladysmith, and will be followed by a five minutes' silence in the presence of Miss Jessie Forward and Mrs. H. W. Forward of Ladysmith.

A VERSE DOWN TO YOUNG SAPPERS

A RESULT of their victories over North Shore United and Hotel Vancouver on Saturday afternoon, Vancouver City and St. Saviours, leaders of the second division, will battle it out for a set of gold medals and the B. Allan Cup on Christmas Day. The city crew were just good enough to send the North Shore boys home with only one of the three goals scored in a half-hour's overtime at Jones Park, while up at Atletics Park, St. Saviours had a hard time to down Hotel Vancouver 2-0. These games netted the Injured Players Fund roughly $300, bringing the total to approximately $1600, with the big gate of the final yet to come in. In the other premier game of the week-end Varsity travelled over to Saquon to be humbled by the home team to the tune of two goals to one, all of which were missed via the penalty route.

ON OXFORD TEAM

LONDON, Dec. 21.—The Oxford University Ice Hockey Club's prestigious ice hockey team, composed chiefly of Rhodes scholarship from Canada, left Saturday for Germany, where they will play a series of games. The senior team will play all their matches at Dusseldorf and St. Moritz while the junior played to the Bernese Oberland, playing at Villars, Dusseldorf, and Luzern. At Dusseldorf the seniors take part in the International tournament for the Spander Trophy which they won last year in competition with Vienna, Berlin and Switzerland.

During the past three years the seniors have been victorious in every match in which they have played on the Continent. Although only three of last year's members were available for the current team, promising young men have been supplied by the Canadian University teams and Oxford. Among the newcomers are J. A. Cottrell, Compass, A. Johnson, Marshall, and Carrege Livingstone, Vancouver, B.C. (f) and J. B. (f) of.

Wedding Tuesday of Interest in University Circles

A quiet wedding of special interest in University circles took place on Tuesday evening at the house of Mr. and Mrs. J. H. Dunlop, 2323 Third avenue, when their daughter, Ellis, became the bride of Mr. Allan McIntosh Hume, a graduate of the local University in '22. The couple were unattended and the ceremony was performed in a bowier of crimson, white and green. The bridal suite was headed by Rev. Allan John, D.D.

The bride, who was given in marriage by her father, was beautifully attired in bight blue silk velvet and gold laces, the gown being draped at the side with an florid of palest green of the same shade. She wore a hat of blue and gold trimmed with French flowers and carried a pill box hat and a beautiful fan.

The wedding meal was played by Mrs. M. Dunlop and during the signing of the register Miss J. Drummond, "Callery Be Thuin," after a nimble immediate of the couple, Mr. and Mrs. Hume left for New York on the day after the wedding, sailing for England in a few months. On their return they will reside in Armstrong.
Olympic Rugby Men

Reach City This Evening

Vancouver rugby bill-of-fare for Christmas Day will not be affected by the weather man. At an enthusiastic meeting of the executive of the Vancouver Rugby Union last evening it was unanimously decided that arrangements should be made to lay two inches of sawdust over the grounds at Brockton Point for the holiday match. As the turf has been rolled since the frost, it is as firm as a platter and with a good coating of sawdust, it will be not only firm and fast, but safe for tacklers and loaded with interesting points.

The session was opened by President Blair by calling the members to order. The new selection of players was then announced, as follows: forwards, White, McPherson; second row, Gregor, Langa and Harnett; third row, Husband and Bird; halfbacks, MacGregor and Bird; wings, McFarlane, Cleghorn, Johnson, McCauley and Wood; second halfbacks, O'Neill, DeForest, Williams, Slater, Parke.

This team appears to be much stronger than the Colonnades of the Colonnades, who has earned his place in the back division this year. He is in fine form and is expected to rate in the back division.

Playing a spirited and dashing game which carried them through the entire game at full speed, California ruggerers on Christmas Day defeated the University of British Columbia at B.C. Stadium by a score of 3 to 0, to bring in the first of their three-game series with the Vancouver team, which included eleven members of the 1921 American Olympic team, were good marks in the football form, showing better teamwork and a greater knowledge of the game, especially in the field department.

The score of 3 to 0 was expected to be full of the spectacular from start to finish, was played on a snow-covered ground and on which three toes of oat straw had been strewn, providing a somewhat slippery surface and both teams were forced in many brilliant plays by the American's backfield being especially effective in the face of the oncoming.

The thousand spectators seemed keenly aware of the weather. Officials of the Vancouver Rugby Club, although disappointed in this respect, as they have a game to play in the three-game series. They believe, however, that the spirit of Christmas is maintained in the other two games the California team will draw enthusiastically throughout.

**VICTORY DRAGS BACK**

The unexpected ability of the California backs to take the ball anywhere and score on the run, and to set up scoring chances, did a great deal toward aiding their play. True, they failed at times to show their usual skill in the three-quarter runs, but they did enough to make the Vancouver's desperate attempt a failure.

In the first half, after the California backs had the ball for almost half of the time, there were enough opportunities, but they were not made. In the second half, the backs did not show the same brilliance, but they did enough to make the Vancouver's desperate attempt a failure.

**Programme Arranged for Victoria Invasion**

VARSITY athletes are all set for their annual invasion of the Capital City on January 2. An interesting programme has been arranged, the feature match being the McKechnie cup rugby match on Saturday, January 3, when Varsity meets the Victoria rep team.

Varsity is confident of taking the measure of the Capital City team, having defeated Vancouver which recently overcame the Victoria aggregation. However, the Varsity team is on its home grounds and a battle royal is expected.

**Varsity Basketers On Tour of Island**

Start This Morning

University of British Columbia senior "A" baskerters left this morning for Vancouver Island, where they will spend a week on tour. Tonight they play in Duncan and tomorrow they play in Nanaimo. New Year's Eve will find them doing their stuff in Qualicum. The Christmas and New Year's Day will be spent in Victoria. They will meet the Varsity athletes who reach the Capital on Friday in their annual battle and will play the Victoria College senior team that night.

The team members who are making the trip inclue Tommy Wilkinson (HalDraper), Fred Newcombe, Ardis Munenrson, Betty Atlay, Ernest Peck and Dad Hartley.

**FOOTBALL TEAM GOING**

At the same time the Varsity senior soccer team will stack up against the Victoria Wests. The soccer team has not gone over for several years as it was felt that there might be a conflict in the McKechnie Cup fixture. However, Victoria soccer supporters are desirous of seeing "Varsity" from soring team in action and it was decided that the team should make the trip this year.

The full programme for the two days is as follows:

2:30 p.m.—Bowling, senior crown

Varsity vs. J.B.C.A., Christ Church, Varsity vs. J.B.C.A.

4:30 p.m.—Badminton, Varsity vs. J.B.C.A.

**ROOTERS' ENTRANCE ASSURED**

It is expected that several hundred Varsity supporters will make the trip to cheer on their athletic representatives.

A University song sheet is being printed for the occasion, and Varsity school caps will be on sale at the stadium. Tickets at the reduced rate for Varsity students will be purchased from T.Lil. King, Brick Vault at Play D on Friday evenings, January 1.
New Records Created In Many Branches of Athletic Endeavor During the Past Twelve Months

Varsity Track and Field Stars Shatter Six Former Marks.

By A. S. B. SIMHAN

FINS is about to be written on one of the most notable and successful years of athletic endeavor in the history of British Columbia and should the trend of events of the B.C. show proportionate improvement with those in American sport, the future may only be looked to with optimism. Here is no misleading the fact that, with increasing attention and obvious direction of opinion as to athletic interpretation, and in the light and now and then a temporary upswing as a result, there seems to be a authorization in drawing more support each year and life is not quite out of the end of the country to the other. Contenders are out for the love of sport and the public is not slow in supporting such contendings.

From a Vancouver standpoint the outlook is hopeful, and the selection of the V. B. C. star fouramed crew for the Olympic games in Paris, by the largest attendance at amateur baseball play-offs ever seen on the Coast; by record entries in almost every tournament contested here; and by the death of that lover of clean sport—Dr. Mayor James Findlay. Sport lovers have every reason to be proud of the records achieved and under the influence of leadership the future holds nothing but promise.

DIRECTORS A.A.A. AFFAIRS

After a year in the role of president of the B.C. branch of the Amateur Athletic Association of America, Rev. C. Macdonald of Coquitlam, a staunch supporter of the athletic cause, returned to the reigns of office at I. Percy Watson of Vancouver, the secretary, and it is expected that the game will be held up to the best possible order. The Pacific Association of Amateur Athletics, the Coast, is under the auspices of the Vancouver Athletic Club, and many members made a highly creditable showing. In the Pacific Coast meet the Southland Club, Vancouver, and the Okanagan Club, Penticton, were represented.

HURLING

The V. B. C. hurling team is making great strides, and many of the newer and younger players show promise. Hugh Flaherty and Brian O'Shea are the outstanding players on the team. While Anse and Flaherty are the leaders on the field, the game of the season was the game at the Junior's meeting at the J. R. M. stadium. In the singles class, the V. B. C. won the crown with a fine exhibition of hurling.

The most interesting feature of the year was the selection of the cannibal fourteen, which included Jack Madsen, Pickford, Macdonald and Wild, with Bert Tennant as the skipper. In representing Canada in this class at the eighth Olympiad. The only qualification needed was that the player be at least eighteen years old, and a native of Canada.

Varsity Boxers Will
Stage Bouts In Seattle

Expect to Make Good Showing With Washington "I" Boys Next Month—Will Enter Candidates in Seven Events—Much New Material Available—Expert Coach Is Greatest Need.

Varsity's Boxing Club is looking forward to a big year, with the reopening of the cage terms of February. Last year the local students met their American rivals for the first time and extended them to their limits. The U. B. C. lads won two out of the six bouts and three of the remaining four by the American. Since that time, according to President Tommy Louden, the increased membership of the club, together with the fact that boxing has recently been elevated from a sub minor to a minor sport has given the indoor pastime a new lease of life.

The U. B. C. mitt wielders are expecting to go down to take issue with the University of Washington leather pushers about the middle of February. Last year the local students met their American rivals for the first time and extended them to their limits. The U. B. C. lads won two out of the six bouts and three of the remaining four by the American. Since that time, according to President Tommy Louden, the increased membership of the club, together with the fact that boxing has recently been elevated from a sub minor to a minor sport has given the indoor pastime a new lease of life.

STUDENT BOXING.

The great need of the Varsity Boxing Club is an efficient coach, and it looks as though this need will be supplied in the person of Jack Dawson, who has offered to give his services to the club. Dawson's activities in world boxing, and as a boxing writer, have attracted national attention, and his high standing in the sport is well known. Dawson will make formal application for the position to the Athletic director of the club, and will undoubtedly be given a fair trial. Dawson's methods of training are well known, and his guidance will be of great benefit to the Varsity Club.

TRIUMPHAL CIRCLE.

The collegiate team will take part in seven bouts at Seattle this year, more than any other club in the province. The team will meet the University of Idaho in the first bout, and the University of Washington in the second. The Varsity Club has a long tradition of success in the sport, and the team is expected to do well.

GREATER GLOVES STRONG.

Crawford and McMillan are the two best men in the 142-lb. class at present, but there are others in the club who are giving them a great run for their money. The Varsity Club has a strong team in the 142-lb. class, and the prospects are excellent for the coming season. Varsity Inter-Class Sports To Resume On Monday

**Varsity Without Star Centre—City Club Meets Longshorermen.**

When varsity and st. andrews clash at Athletic Park tomorrow afternoon, team supporters should get their money's worth. Although the ball is going to be a lower-class affair, the game will be a big one. The two teams have been playing against each other for years, and the result of the game will determine the champion of the season.

**St. Andrews and Varsity Evenly Matched—Drawn Game.**

With one exception, the second division match between st. andrews and varsity played at moody park yesterday was a good one. The game will be played over again on tuesday at rogers seminary.

Will Make Dead Set On Winning Mainland Relay Title.

Varsity swimmers are getting ready to do their stuff on Thursday night in a gala to be held at Clademuir Church at 6 o'clock under the auspices of the Mermaid Athletic Club, which is also taking part in the gala.

Varsity will get a lot of opposition in the men's events from the V.V.A.C.E. at St. Marks and the Mermaid Athletic Club, which are also taking part in the gala.

According to Bruce MacKenzie, the energetic president of the club, the men's maidouache cards are concentrating their efforts on the four-year relay race.

According to Bruce MacKenzie, the maidouache cards are concentrating their efforts on the four-year relay race.

In the remaining events, varsity will be represented as follows:

- 100 yards free-style—Bill MacKenzie, 1st; John McRae, 2nd; Scott Smith, 3rd.
- 200 yards free-style—Bruce MacKenzie, 1st; John McRae, 2nd; Bill McRae, 3rd.
- 50 yards breast stroke—Otto Gill, 1st; John McRae, 2nd; Bill McRae, 3rd.
- 100 yards back stroke—Fred McRae, 1st; John McRae, 2nd; Bruce McRae, 3rd.

The maidouache cards are in form and expect to make a good showing.

VARSITY RUGBY SQUADS READY FOR START OF SEASON ON SATURDAY.

Seniors Have Strong Team To Play Ex-King George.

Possibility of Inter-Collegiate Competition Most Encouraging.

VARSITY's senior and junior Canadian rugby squads are preparing to make an auspicious début against the ex-King George and St. Mark's respectively on Saturday.

Varsity players have been training hard all hours of the morning and night for the forthcoming struggle and it is expected that they will establish the game in a firm footing at the local seat of learning.

At 3 p.m. the game will be played well at a variety, it will mean a lot for the future of the eastern winter pastime here, because it will then be taken up.

Varsity seniors have some fast men on their side. Wisom, a very fast full back from Vancouver, tips in between and throws and acted straight across the field. He will probably be the main reason for the successes and if his name means what it implies, he should be a regular in the front in the future success of the team.

BACHELOR'S RUDD.

Fred Saunders, Lewis Bates and Turner form the rest of the back line. Their average weight is around 125 lbs, so that the colleges should take some stopping. Lewis Bates at centre-half is in the captain of the squad and he is a pretty nifty back.

Bates picked up his tricks while playing for the Rifles Inter. Harry Red at left-half in one of the fastest backfives and although new to the game is coming a regular. Anderson plays quarter-back, and for the blue and gold his strength is extraordinary. The American game in Washington stands him in good stead, but it seems a safe bet that he will be chosen by McRae, Bate and Turner. For centre-half Blackwell, for back-half Bruce McRae, William, Fred Saunders, Harold Hall, McIntyre, Hal Pease and Chester McRae.

K. Noble is developing into a star. At centre-half he has spring and his weight and speed stand him in good stead at the game.

GAME RECORDED.

Much credit is due to Captain Lamont, manager of Hamilton, and John Ross and Harry Red for their efforts in getting the games recognized.

The whole idea of the meeting was to promote the game and the men's maidouache cards took full advantage of the idea and pulled the Varsities after a great struggle. The maidouache cards put in a fast and good showing and the Aggies got their opposition.

Aggies will now meet the Varsities in Tug-o-war at the end of the games. The maidouache cards will have the game recorded.

VARSITY WOMEN'S TEAM.

Aggies can get on the Varsity inter-class series with the maidouache cards in shape by Saturday, so that the maidouache cards can show up in the inter-class series.

U.B.C. RUGBY TEAM DOWNS VARSITY BY 13-5 COUNT.

Both Squads Short-Handed in Miller Cup Match Wednesday.

PRICE INDIVIDUAL STAR.

Winners' Forwards In Nice Exhibition of Tackling—Field Snow-covered.

Batting on a field of snow, U. B. C. defeated Varsity in their Miller Cup semi-final at Holborn Park Wednesday afternoon by the score of 12 to 5. The game was much fought a delight of the UBC nature, as the players for both teams were treated to a good exhibition of the Canadian land game.

The game was played with twelve men and the U. B. C. with eleven.

WEATHER OUTSTANDING STAR.

Due to the snow, the U. B. C. forwards gave their team the win by kicking and putting in some splendid tackling and running, failed to get as many chances owing to the position of their centre-forward, who was placed in the game.

For the Varsity forwards, the outstanding star, went to the running, the first part of the game and the half were very brilliant.

Varsity got away to a good start in the game when the U. B. C. team kicked over the half; the and the striped trapper team put up the bell and put in a splendid front line, but it back before the U. B. C. forwards realized that the other team had not touched down. Following a series of three-receiver passes, McRae twisted his way through a broken field and compassed untouched across the line and plummmed the ball between the posts. Ade took another two points when he sent a beautiful kick between the uprights.

VARSITY INFERIOR LeAD.

Tommy Lowden of the U. B. C. returned a kick of fifty yards from the kick-off and put his team within scoring distance of the first try. He put on a daring charge for five-eighths in the form of being able to score a point for the Varsity forwards, compelling them to throw the ball to the ground after Green Varsity had kicked off. He fell in to score, and his try stood.

Piers scored the ball from the retouch line and ran in for a second try, which was later converted into a try by a kick from Kick. From this point on, the game was dominated by Varsity.

VARSITY RESERVES LEAD.

U. B. C. VARSITY LEAD.

Following on his team's relieving kick, the U. B. C. forwards dribbled to the opponents' six points and first point lead in the series.

The U. B. C. team was awarded a free kick for offside. The forwards were low and struck the top bar of the centre points which were given points and bounced over. Reference for the players on the outside and the score stood 1 to 0.

After the interval, Varsity was astounded with renewed vigor, but failed following up by the U. B. C. forwards brought the ball back towards their opponents' goal line. Disabled by good punt, the Varsity forwards gave the U. B. C. team a head start and as the ball ran into the field from the out-of-some unknown far.
J. B. C. Freshmen in Crucial Test Saturday

Win Against Ex-King George Team Means League Title,
Oak Bay Wanderers to Represent Island for Provincial Honors.

HATS OFF to Varsity Freshmen, Intermediate rugby league players who have yet to taste defeat! They have their crucial test next Saturday, however, when they tangle with the buoyant ex-King George squad who are out for the Colleges’ blood. The Varsity boys will have to step deep to maintain their unbroken record, but they all seem confident of victory.

Every year of this Freshmen’s team made the grade in the Christmas exams which make them unique. Two years ago there were eight Christmas “graduates” on the Freshmen rugby squad.

The senior rugby officials and coach have their eyes on some of the fast-stopping Freshmen and it will not be long before some of them find their way to the Mentor or McDowell division. Shaw, Cleminson, Whyte and McHoltz have already graduated from the ranks of the Freshmen and they prove good in senior company.

FORGET A STRATEGIST.
Fred Forrester and Chamberlin, former University stars, are the two books and they make a very effective combination, the former being noted for his strategy and the latter for his brotherlike bearing. Such Adams plays unanswerable baseball at lock and holds the key to the situation at all times.

It is his first year in rugby but this dynamic player does not prevent him from being the big name of the team.

Dennis Taylor and McHoltz are the two back-strikers. The former is a marvelous line and he due for rapid advancement. He is the busy full back artist until this year, but he has now assumed the burden of tagging the oval pipsqueak and his name will be seen in the very front of the line of scrimmage.

Basketball Booming At This Season

Men Play Bellingham Normals Tomorrow—Propose Kumloops Games.

Girls' Series Off With Edmonton—Travelling Costs Too High.

As far as basketball is concerned at U. B. C., it looks as though the followers of the indoor pastime will have to content themselves with such teams as Bellingham, Duncan and Victoria. The members of the fair sex who play on Senior A team are thinking of an excellent brand of basketball this year and they are hence once more disposed to glance at the squash as much as possible against outside visitations.

Flora MacGregor, who holds down the crossing post of the co-ed's, is considered one of the best centers on the baseband, and she has been a big factor in the team's success this year. The regular schedule for play this year has also found the basket pretty often for the bunny, and as a result, itself and Flora are prominent among the rest of the A forwards.

BELLINGHAM HERE TOMORROW.

Gay Swansdown and Winnie Strong make a very effective combination at guard for the students, and they have kept down the scoring averages of many of the opponents. The Forward five of Fair and knitting is a very strong team, and was under similar circumstances in the game of basketball.

SOULD PRESENTATION.

The seven parts in the play affected to the presents, produced, on the keen interest and competition the tryouts it is expected that the play will be an excellent one. The presentation of the orphan on March 14, and the cost of the play has been made in Canada Montreal.

EDMONTON GAMES OFF.

The University of which the under way, for some time between Varsity and Memorial, with much bounds for home and home games, but according to the contract which was rendered the University president, president of women's activities, which is not much strikingly, that the students playing in the prairie city are the year. The boys could only gather the ground over the prairie city, in the face, and were there to go on, the U. C. C. sound bound for home games, at least $500 to get a team sent, so that for the remaining 2, it will be impossible.

A SUMMARY OF LIFE.

According to A. C. Wellcome, president of the Intercollegiate gridiron, the same thing will hold for the club, although the influence in arranging games at Kumloops and very likely the effect of raising additional funds, which have been turned down.

When the Intercollegiate University was last fall, it was thought that it would meet fascinating competition with the western provincial college in other football, but the distances between the universities is so great, that it is impossible for any of it. Sharing the games between the schools on the same field, it would be impossible to arrange for one that could not afford a soccer or rugby team at least.
ST. MARKS SCORES
WIN OVER VARSIT

Teams Start Close Encounter in Canadian Rugby League.

A fast-breaking attack which carried them through three-quarters of the game, St. Mark's scored a narrow win over Varsity in their senior Canadian rugby league match at Athletic Park on Saturday, 1st. In the first game of the double-header, last year's champion, Ex-King George, made an almost three-try assault on the league when they swept the St. Mark's corner for 15 points while the suburban team Assisted for three less points. (The game also included a display by the Assisted team.)

St. Mark's outscored the Vikings by the tight score of 15 to 12.

LEAGUE PROTOCOL IS DEBATE SUBJECT

Keen Interest In Approaching Contest Between Universities.

Of great topical interest is the debate between students of the University of Saskatchewan and speakers from the B.C. Varsity on the subject: "Resolved, That this Meeting Approves the Protocol of the League of Nations as a Praedecessor to the Establishment of Permanent Peace." It is scheduled to take place in the Regina Municipal Auditorium on Saturday, February 15, at 8 p.m.

It is thought the protocol may be at the present time, has been chosen by the British clubs. The protocol should be understood by all citizens of Canada and the United Nations, and will therefore form an excellent topic for debate for the British Columbia championship and The Province Short List.

The University of Saskatchewan is sending its best men to compete with the best students, for the raining team will be the same as the one which engaged the Oxford debates on their recent tour of Canada and the United States. The B.C. students who will uphold the affirmative will be Bishop, W. T. Brown; Eric Stuart and Theodore Telford, while the visitor will be Professor E. E. Logan, D. C. C. and W. J. McCallum.

As this is the first time a Canadian college has been represented at a debate of this character in Vancouver, it is reasonable to expect a spirited contest; the British Columbia championship and American institutions, spirited contest is anticipated. The two teams will be chosen by a judging committee of three to be appointed later, and the audience will be asked to submit its opinions by ballot at the close of the evening.

FRESHMEN FINISH
WITH CLEAR SHOT

Down Ex-King George 9-3

For Vancouver Intermediate Rugby Title.

Varsity Freshmen won the intermediate title of the Vancouver Rugby Season last evening by beating Ex-King George 9-3. In the first half Varsity held the upper hand, but the visitors came back strongly in the second half to almost level the score. However, some wayward play by the Freshmen allowed them to pull out a win, the series score being 9 to 3.

It was a close game in the first half, with Varsity having slightly the better of exchanges, but Ex-King George were in a beautiful forty-yard run after they had scooped up the ball from the kickoff. Varsity scored a try soon after that, but when Goodsman missed the conversion the score was 3 to 0. (The Freshmen finished the game with only one point.)

The standing of the Intermediate B League, following the Ex-General Gordon game, is as follows:

VARSTY HOLDS VICTORIANS TO SCORELESS DRAW

With Weakened Lineup, Students Do Well to Stop Johnson Crew.

CASSELLIAN STARS play 2 - 0 - 5

Islanders On Aggressive, But Fail to Pass Sterling Defense.

In a hard-fought game, the visiting Islanders emerged with a 2 - 0 - 5 victory, their defense proving too strong for the offensive efforts of the visiting Victorians. The Islanders, led by Sterling in the midfield, were dominant throughout the game, their strong defense holding the Victorians scoreless.

The second half saw the Islanders on the offensive, with Sterling again proving a significant player. His accurate passing and quick movements created several scoring opportunities, but the Islanders were unable to capitalize on them. Despite this, the Islanders' defense remained solid, denying the Victorians any clear goal-scoring chances.

The game was marked by intense competition, with both teams displaying a high level of skill and determination. The Islanders' victory was well-deserved, their teamwork and coordination providing a strong foundation for their success.

The third half saw the Islanders' control of the game increasing, with their possession of the ball and ability to create chances. Sterling's leadership continued to be evident, with his decisiveness in decision-making and ability to read the game essential to the Islanders' success.

The game concluded with the Islanders victorious by a score of 2 - 0 - 5, a testament to their strong performance and the quality of their play. The Islanders can be proud of their achievement, having held their own against a strong opponent and emerging victorious in a closely contested match.

La Canadienne Produces Short Play in French

In honor of members of the French Club, "La Canadienne," at the University of Illinois, the play was performed on the campus on March 15th. The production was directed by Dr. E. D. Delavault, an alumnus of the University, and was well-received by the audience.

Those present included Miss Isadora Delsarte, an accomplished actress, who provided the central role of the French heroine, with prominent roles played by Miss Mary Mack, Miss Anna Brown, and Miss Alice Sargent. The play, "La Canadienne," was a retelling of the story of a young girl from Canada, who comes to Illinois to study and ends up falling in love with a local boy. The play was well-received, with many members of the audience expressing their admiration for the performances of the actors.

The production was a success, with the audience responding positively to the actors' portrayals and the overall quality of the production. The play was well-written, with a strong storyline and engaging characters, and the actors' performances were impressive, with a particular standout being Miss Isadora Delsarte, who brought her considerable talent to the role of the French heroine.

NUGGETS: A SPOTLIGHT ON VARSITY LIFE

The basketball team had a successful season, with several impressive wins and a strong showing in the conference. The team's success was due to the hard work and dedication of the players, with a strong sense of teamwork and a desire to succeed.

The team's success was evident in their performances on the court, with a strong defense and a balanced offense. The team's leaders, including the seniors, set a high standard for the team, with their experience and expertise.

The basketball team is a testament to the hard work and dedication of the players, with a strong sense of teamwork and a desire to succeed. The team's success is a source of pride for the university, and a testament to the quality of the varsity programs offered.
VARSITY MEN'S ATHLETIC ASSOCIATION PLANS TWO CHANGES IN REGULATIONS

Students Would Not Be Permitted to Play With Outside Teams.

Members of Inter-Collegiate Track Team Should Get Letters.

At the next general meeting of the Men's Athletics Club at Varsity on February 9 there will be two important additions to the constitution, the rules being voted upon by male students of U.B.C. It is proposed to define definitely for any athletes within the college playing on outside teams without obtaining permission from officials of the men's athletic club, and any basketball or football club of the men's athletic association. This is to say, if any man were playing on a Varsity soccer or rugby team and also played basketball for an outside team without his coach's consent, he would get no letter from the coaches. This would also be true for basketball and football.

The other section makes an amendment to the rules governing intercollegiate track teams. The track executive feels that the present rule which prevents the intercollegiate track team that goes east should get the last man on the team regardless of how he won an event, as the constitution now reads, is against undergraduate athletics. In Leach's gym, the track president, the club is willing to draw up a letter award for the track champion in the intermediate sports of the intercollegiate meet. This amendment makes the interval between the intermediate and the uppermost level entirely subservient to the intercollegiate athletic council of the association. By also cutting out the track championships there is a greater tendency of track men to specialize.

U.B.C. Classes To Be Honored On Saturday

U.B.C. Players Club Considering Plans For Annual Spring Play

At the first general meeting of the Players Club, held on Tuesday, it was decided to hold the play of the club next spring instead of this year. The original plan was to have the play in March 14, 15 and 16. As this will be the last theatrical annual production every effort is being made to ensure that it will be a better performance. Several of the larger city sightseeing events will be approached and have undertaken to aid with the ticket sales.

It is planned to have one performance an evening and another the following day. The play will be cast in the college and a copy of the play will be sent to each.

Students of Nine Members

Plan to Reduce Number From Twelve Will Be Subject of Vote.

At a recent meeting of the students' council of the University of B. C. the council submitted several important amendments to the Constitution of the college in order to make it more functional. The present membership of twelve in the council has caused some conflict and the presidents of the three unorganized societies and the college council will be represented by one member only.

The reason for this change is that in the past it has been found that a council of twelve members is too large for convenience, and in addition it has been found that the presidents of each unorganized society, some of whom represent only one division of the student body, are not entitled to all that the council has to deal with without contradicting the entire college.

Under the new regulations the chan- celer will serve as the chairman, while the presidents of the various societies: Proprietor, Miss Olive Parker; Miss Phyllis Collins, Miss Helen Tiabala, Miss Joan Meredith, Miss Mabel Morgan, Miss Patricia Clubs, Miss Dorothy Coguen and Mr. V. S. Moore. President, Miss Alice Collins; Miss Dorothy Wingett, Miss Dorothy Mc- Crae, Miss Edith Fisher, Miss Ber- 1. Hall, Miss Myrtle Nixon, Miss Olive Parker, Mr. Shae Manley, Mr. Garry Seawrblack, Mr. Otto Gill, Mr. George Hunter, Mr. Gordon Albersheim, Mr. Bert Oake, Mr. Charlie Eibon, Mr. Joe Marle, Mr. Fred Curwen, Miss D. VARSITY TACKLES CHAMPS SATURDAY

Two Fast Games In Store For Basketball Supporters.

Senior A basketball will resume at the Y.M.C.A. tomorrow evening when a double-header will be staged, starting at 8 o'clock. A consolation game will be played by the Y.M.C.A. inter- team which meets during the regular season, as well as a game by the Champions and the Imperial in the Army vs. Navy game.

The Champions are certain to have a good crowd for this game, while the other game, which will be played against the Imperial, will be well attended.

The complete schedule of games is as follows:

Saturday: Champions vs. Imperial, 8 p.m.; A.Y.M.C.A. vs. Consolidated."
Johnny Oliver Will Enter Into Negotiations With University of Washington Authorities With Regard to Series of Intercollegiate Sports

- Buchanan and Hossie Doing Good Work.

VARSITY rowers are working overtime in preparation for the proposed regatta with Washington University on March the sixth, and according to their captain, Johnny Oliver, the local students will have a strong crew lined up for the forthcoming event. The Varsity skipper is going down to Seattle next week to inspect the shells and to make final arrangements with the American squad.

Oliver will also confer with the Washington students with regard to other intercollegiate sports. The U. C. C. boxers are making their annual trip to the Sound City toward the end of February, and there is also a possibility of the Varsity track stars making a visit during the Washington relay carnival in April.

CALEB IMPROVES.

U. C. C. was represented by two teams in the carnival in the spring of 1923, but were overwhelmed by the Americans. Since then, however, there has been a big improvement in the physique of our crew, and this improvement is due entirely to the training under the supervision of Charles Jack Butterworth, the new captain of the Fairview institution gave the Varsity boys a big run last year and are out to better their previous performances.

The history of the intercollegiate program between the two universities, and although the local parkadores have taken the short end of the court in the mariner regatta, they have always given their neighbors to the South a good run for their money.

SPECIALIZED TRAINING.

With the addition of the specialized training in the programs it looks as though the time is not far distant when competition between the two colleges in baseball, football and track will be quite common. The U. C. C. boys would like to continue the intercollegiate activities with other Canadian colleges. Among the best features of the program is the big distances and heavy expenses, competition of this nature is not within the resources of this university, and Washington and other Canadian universities, in close proximity, are the logical ones for U. C. C. to compete with.

Any athlete with any degree of success, how- ever, with their United States neighbor, they will have to adopt somewhat more specialized training. As are in vague down south, Intercollegiate competition in any line of sport gives always a great impetus to industries, however, there is a further benefit of developing good feeling and a better understanding between the competing colleges.

ROWING IS ELITIZED.

The varsity rowers plan to send one good crew to take part in the proposed regatta in March. Johnny Oliver will take his position at bow, and it is expected that his crew will be one of the best in the country this season.

Shannon Moore and Wallie Seymour will be the second and third men respectively in the varsity crew. The 1922 line is a good one and will make a strong strain on the institution.

Rowing has recently been elevated to a high status in the nonce of the U. C. C. club. In the forefathers of this institution have done all in their power to foster the sport.

The Harlan Again is proving to be a very efficient coach, and the U. C. C. club officials feel very optimistic about the success of this season’s crew.

SCHEDULE OF GAMES.

The varsity members are greatly indebted to the valuable assistance given them by the Vancouver Rowing Club, who have lent their equipment and training facilities to the varsity. It is believed that the benefits thus derived will be of incalculable value in the coming season.

The schedule of games includes matches against the U. C. C. club of Seattle, the British Columbia University, and other local clubs. The crews will be selected not only from the varsity, but also from the junior and junior varsity crews.

VARSITY RUGGERS DOWR KERRISDALE

Three Games Played in Canadian Code—Tillium Wins.

In the only minor Canadian Game played Saturday afternoon, Varsity beat Kerrisdale 15-7. In the junior section, Varsity won 9-0. The exciting match between the Kerrisdale and the Victoria Collegians for the Canadian Championship was played in the Tillicum Park. The Tillicum team won 12-0.

The Victoria Collegians are the favorites in the junior division of the Canadian Rugby Union. The Tillicum team also played in the junior section of the union.

| Rowing Club | 8-2
| New Westminster | 5-5
| U.B.C. | 4-6

VARSITY rowers climbed right back into the running for the Senior A championship of the Vancouver and District Basketball League when they defeated the Y.M.C.A. on Saturday night, when they delighted the crowd by taking the measure of the league-leading Y team 28-16. The Collegians piled up a slight lead in the first half and in the second settled down to play the Y’s own game, the fast stali and quick breakaway. They scored on most of their breaks and had the champions running around checking in vain. Rowing Club defeated King Edward, 51-28, in the first game of the doubleheader and then maintained the position it had gained. The Collegians continued to show the improvement which has characterized their play since the New Year and they gave the unknown a tough tussle.

TRYOUT RESPONSIBILITIES

Varsity can thank Coach Rose Bryson for his important victory over the Y.M.C.A. for the tactful employment of the Y.M.C.A.’s tactical employ was the direct result of his experience. They scored on a rush in the first half, always handing the ball quickly, and led 28-16 at the interval. Each member of the squad needing a half basket, except Peck, who scored a free throw. The Y.M.C.A. team was disorganized on the forward line, neither Perrett Robinson, who has left the city, nor Jimmy Ballyon being on duty. Both were missed, though Don Turk and Phillips did their best. They showed a lack of fluidity in working together, as forward. Varsity and the five men through-out.

MENDENHALL NEWS

In the second half Arnold Mendenhall, at centres, proved to be Y.M.C.A.’s shooting star. He scored seven points while Dat Greene was close behind with five. Priest slipped up the four-foot line and added a free throw, but the Collegians’ lead increased steadily. They played the fast stali very well, and with a little more experience, could make it a perfect team.

Vice-President W. E. Fitzgerald of the Varsity Basketball League, refused the games, assisted by Turk, Lewis and others, who handled the control. Lewis refereed the first and Wiggin umpired.

T.M.C.A.—Tuck (2), Phillips (4), Woodward, Evert (6), Phillips (7), Stephens (1).

Personal fouls—On T.M.C.A.: 3; on Varsity, 4.

WAS POINT-GETTER

A soliod HENDERSON, Varsity’s bank centre, played an effective game against T.M.C.A. League opponents on Saturday night, scoring a good share of Varsity’s points. At the same time he held Tommy Wong at bay in his showing steady improvement in earning his company.

VARSITY DEBATERS TO MEET STRONG TEAM FROM SASKATCHEWAN IN KEEN CONTEST TONIGHT

MR. HARRY PURDY of Arts '28, a member of the U. B. C. debate team, in the coming contest against Saskatchewan University and a well-known figure in all student activities, is president of the Rugby Club and a keen sportsman.

MR. JOHN DUNN of Arts '25, who is participating in tonight's debate with the University of British Columbia, is a prominent figure in debating circles, having been in the national and the oriental contest last year. He was the editor of the 1925 Students' Handbook.

MR. T. W. BROWN, Arts '26, a B. C. speaker in the coming intercollegiate debate with Saskatchewan University tonight, is also student president of the University Publications Board and an experienced debater in intercollegiate contests.

U.B.C. Swimmers Hope To Make Fine Showing In Forthcoming Contest

Students Make Great Preparations for Inter-Club Gala With V.A.S.C. in Fortnight—Norman Cox Shield Coveted Trophy.

VARSITY swimmers are getting ready for their annual gala with the V.A.S.C., which will take place at the Canadian Memorial Tank February 18. This is the blue ribbon event of the year for the student aquatic stars and, according to Presidents Bruce MacDonald and Sylvia Thrupp, the colleagues have a good chance of slipping one over on their opponents this time.

In former years the V. A. S. C. had always nosed out the U. B. C. swimmers by a very narrow margin, but there seems to be a lot more talent at the Fairview institution now, and the membership of the club has increased tremendously, due to a revived interest in the indoor sport.

KEEN CONTEST FOR SHIELD.

The chief interest of the gala from the Varsity standpoint is the winning of the Norman Cox shield, which has been held by a U.B.C. star ever since it was put up four years ago by Norman Cox, former Illinois V.A.S.C. coach. Colleen Ross, Cyril Jones and Bruce MacDonald will hold the shield for the local students. Last year's keenest battle was between MacDonald and Stanlo Lyons of V.A.S.C., these two rivals being tied for honors.

Bruce MacDonald, Bob McKechnie and Cyril Jones will be the mainstays of the men swimmers, while the Varsity mermaids will depend largely on the performance of Sylvia Thrupp, who is going great guns this season. Liliana Gross was a star last year and Mary Chapman can also be depended upon to bring honor to the blue and gold.

PROBABLY STARS.

Varsity will be represented in the men's fifty yard and the hundred yard free style events by McKechnie and MacDonald, while MacDonald and Stewartson will try to uphold their laurels in the back-stroke event.Harry Stewartson will pull the divers' act in the plunge for distance and Burt Tapfer and Johnny McLean have a fine style in the fancy diving.

OUT TO WIN RELAY.

The Colleagles plan to make a big effort in the twenty-five yard relay, in which is always the feature event of any gala. The "real" boys have their heat men on the line-up, Bruce Donald, Bob McKechnie, Alphonse McLean and either Stewartson or McLean will make up the four.

The Varsity girls, who are very colord to maintain their chances when they take on the Calgarians, will field the best field on the fair sex at the gala. The membership of the fair sex at the gala is much stronger this year than formerly, due to a lot of new talent that has come in with the Freshman year. Hence the University women should make up for any losses suffered by the swimmers of the other sex.

PLENTY OF WOMEN TALENT.

Sylvia Thrupp and Lili Green are favored to represent the ladies in the 50-yard free style event, while in the 100-yard event, Miss Mary Chapman, Marg. Wilkins and Marj. Chapman will have the best shot for the title. Harry Stewartson and Sylvia Thrupp will enter in the back-stroke, Liliana Gross and Mary Chapman are the two best divers for the co-eds. Jean Gibb and Sylvia Thrupp are favorites for the plonge.

In the 100-yard breast-stroke Laura Hewatt, who upset the hopes by winning this event in the women's interclass affair,3 will alright, in this. Two well-known gals, Mary Egginshein and Ruth Barker, both on the U.B.C. mermaids' line-up, will not likely take part in the breast-stroke event, which the co-eds are hoping to cop this year.
PRAIRIE STUDENTS VICTORS IN DEBATE

Debating before a large and resounding audience of the University of British Columbia, the representatives from both sides of the question "Should We Approve the Protocol of the League of Nations?" Thursday night in the King Edward High School gymnasium, the debate was keenly contested by both sides with the result that a majority of the audience decided in favor of the resolution. The final decision in favor of the affirmative side of the resolution came in favor of the affirmative with 312 votes for and 158 votes against the resolution. The affirmative side was represented by Mr. Harry Pardy of the University of Alberta, and the negative side by Mr. J. C. Jostyn of the University of British Columbia, to favor the protocol by teaching on the federal principles which has come to pass during the past two generations.

ARTS STRONG MEN WIN TUG-OF-WAR

Increase Lead In Race For Governor’s Cup—Freshmen Beaten.

More honors went to Arts in 27 yesterday, when they capped the tug-of-war championship of the University in the class series, pulling the Argonauts in two separate matches. In both matches Argos had almost a clean sweep so far as numbers are concerned, having them a total of twenty-three points, while the other sides were spread out pretty well amongst the other classes—ART, 4A; Arts-B, Humanities; Agriculture, seven and one-half; and Commerce, six. The colors for the competition, Sciences, 27, have dropped out of the race completely, while Arts 27 squad had no trouble handing the rope to the fellows, the freshman, and don’t seem to pull with the same unity as last year. The Arts men had it all over their rivals for weight. Leroy Haines, the husky Can- dian rugby star, claimed that he was underweight at 131 lb., but still tipped the beam at 313 lbs. Max Watson, Ken Noble, Wally Reymond and Johnny Oliver, were also among the 27 huskies, and encouraged by the verifications of yet another visiting censure, no trouble in pulling the Argonaut rope.

In the tug-of-war, Science 27 de- feated Arts 27, 33 to 15, and to take third place in the series, the 27 squad equalled the old record, with one counter for the northerners. Science 27, whose ‘beards’ in the tug-of-war series did not take part, due to inability to field a team.

FAVOR AMENDMENT TO ALMA MATER SOCIETY

U.B.C. Students Vote 464 For and 15 Against. 7, 9, 25.

At a general meeting of the Alma Mater Society held at the University of British Columbia, held on Friday, the follow-up ballot on the amendment to the constitution of the society was submitted to the students, and the final result showed the support of the body. Mr. A. R. Green, president of the Alma Mater Society, opened the meeting before the students, sketched briefly the history of the society and presented the students' council before proposing the amendment and outlined the changes proposed.

ENDING THE NEW CONSTITUTION, the students' council announced that there would be no new members instead of twelve, as has been the recent practice, to bring the present membership of the organization, which has been misrepresented as the result of college discipline, to bring the organization into line with a number of undergraduate senate committees.

This new body will elect a president, who will have the power to appoint the members of the council. The council will also be nominally responsible for the work of discipline in all faculties and classes, though the student council will elect presidents who will form the executive.

The necessity for these alterations has arisen out of the failure of the faculty council to do what it was intended to do, a failure which is chiefly due to the fact that in the past it has been entirely divorced from all contact with the leaders of all the university student activities—the class executives. It is intended to prevent the future growth of the student council, which would be involved by the formation of new faculties of law and medicine which are planned for the near future.

The matter has been before the students for some time and has been the subject of keen discussion. It must be remembered that the result of the ballot, which was taken following Friday's meeting, represents the majority of the students in favor of the amendment, the actual figure being 464 for and 115 against the motion.

EX-STUDENTS ARE STILL UNEATEN

Defeat Varsity 11-6, While St. Mark's Win From Kerrisdale.

Senior League Standing.

St. Mark's 11-6, While St. Mark's Win From Kerrisdale.

Defeating George's through the University last week, the University of British Columbia, won the first game of the season under the leadership of the St. Mark's team, which defeated George's, 11-6. In the Junior series Noyes continued their winning streak by beating the Vikings, 26-3, and Varsity put the same form in a similar position, 11-4.

Big Gigs tore himself away from seven of Varsity men to pounce across the line, which cost the winning score in the senior feature. With the light of last week's Football and Hockey games still burning in the 26-3 game, George's tore a hole after they had taken the lead in the first half. Len Barlow, following a kick, scooped up the ball and played it across George's, which would reach him. Varsity claimed that George's played offside. The referee's decision favored George's for the time out.

Varsity used the direct centers pass system and the wingers and fullbacks, George's taken again and again. When and Bate hall, which kept the ball in hand carefully, and scanned the field, but McNeil and Phillips slipped across for the opposite.

The second junior game was re- sult, Varsity taking a 11-4 victory by 11 points to five.
Defeat King Edward Old Boys — Varsity Girls

Grub Couple.

Roving Clubbers and the U.B.C. on Long End in Intermediate.

Y.M.C.A. basketers advanced in the Senior A division of the Vancouver and District League on Saturday night at the expense of King Edward Old Boys. The city champions won out 37-20 and were only after a second-half rally. The Old Boys, using Ross Bryson in the absence of Marcel Girouard and Tommy Boyd, with a rugby team in Victoria, led by 13 at half time and appeared to have the veterans on the run.

In the second half, however, Jimly Balkton got going, netting eight points, while his fellow forwards made six on free throws and a basket. Phils, Flintoff, and Prout each added two points. The Y.M.C.A. scored 12 points against the Old Boys' seven in the second half. The Y.M.C.A. 55-13.

Bowl Scores at Random.

In the junior B fixture the Roving Club Club won easily, 86-31, as did the Mountie seniors, 50-29. The University won over the U.B.C. in the junior A game 19-12.

Coaches Out of Running.

Try-outs for U. B. C. Oratorio Contest

Try-outs for the University of British Columbia's oratorio contest are to take place on February 16 at 3:30 p.m. and 8:00 p.m. They have been made by Mr. H. M. Trench, who is in charge.

February 16 has been set as the date for the contest, and an entry for any choirs and choruses, or any musical groups of choirs and choruses, for any musical occasion of any kind, is invited.

The contest will be a test of the ability of the choirs and choruses to sing the music of the oratorio, and an attempt to determine the best choirs and choruses for the contest.

The judges for the contest will be announced later.

VARSITY ATHLETES WIN FROM VICTORIA

Capture Two of Three Contests—Local Girl Basketers Lose.

Varsity athletes won two out of three contests last Saturday. The Varsity men and women last Saturday. The Varsity men won the basketball contest, while the Varsity women lost to Victoria in both field hockey and lacrosse.

In the basketball contest at the Normal arm on Saturday evening Victoria and the Varsity met. The Varsity took the lead and held it until the last minute. Victoria took the lead at the end of the game, but the Varsity recovered in the last minute to win the contest by a 1-0 score.

The U. B. C. women were beaten twice, but were not so much surprised. However, Victoria, with their new team, were taken by surprise by the Varsity, who won both contests.

The Varsity women were more professional, and were not so much surprised by the Varsity, who won both contests.

MIST ELORIE ANSELL

THIS Harvard prize play, "You and I," by Philip Barry, will be presented by the Players' Club of the University of British Columbia on March 31, 32, and 33. The arrangements and advertising are being handled by Miss Alfreda Berkey and Miss Louisa M. McDonald. Miss Eloise Angell is president of the club and has been in charge of the various committees. Miss Angell and Miss McDonald are doing the interior arrangements and sets and that committee will be in session during the latter part of this week.
**Annual Eight-Mile Cross-Country Classic Scheduled for Wednesday Afternoon—Prof. Boving to Start Athletes at 4 p.m. From Point Grey Site—Arts '27 Conceded Best Chance.**

**VARSITY's annual eight-mile relay classic, the blue ribbon athletic event of the year at U. B. C., will take place on Wednesday, and all is ready for the big race. Official team managers and those with inside knowledge claim that the record of 36 min. 22 secs. now held by Science '24 is bound to go if weather conditions are at all favorable. Several classes assert that they have already beaten the record while running their men over the laps in training.

It is expected that Prof. P. A. Boving will start the runners on the course as soon as he fires the gun at the Point Grey site at 4 o'clock Wednesday. There will be three timers with stop watches on the job, and there may also be timers for the individual laps, but as a rule the individual times are of very little importance and are hard to figure, especially when a different class takes the lead during any lap.

**SEVENTY-TWO ENTERTAIN.**

The lanes are of varying length, ranging from three-quarters to a mile and a half. The shorter laps taking in the hills generally. This gives the relay managers a chance to display their runners by getting the right men on the right laps.

Never before have there been so many basketball teams in the city. This year there are seventeen teams that take part, and each should have much better average than the previous Arts '27 relay event.

With so many new men running, the stops are pretty hastily made up, and it is expected there will be some big surprises on some of the lane when some old horses may nosed out some of the old favorites.

**ARTS '27 FOUGHT.**

It is generally conceded, however, that Arts '27, Arts '25 and Agriculture are the strongest teams, and the special editor of the "Chrysalis," the college paper, picks them in the order named. Science '21, Science '22 and Arts '23 all have a chance of snapping fourth place.

The longest lap of the entire route is the one that winds around the campus, which is a mile in and a half in length. Nearly all the important points in the college have run them in the past, and the lap is being added for variety. There will probably be some interesting races between the fast runners of Williams of Arts '21, Balmer, Arts '26, star and three-mile champion, Carl Burtin, Science '26, and Jim Lanyard of Agriculture. It may be nothing of last year's winner on that lap. Junior Cobby will be one of the winning teams. Arts '25.

**FRENCH NIGHT.**

It is expected to be a nip and tuck affair into the last lap, where Charles Motley of Arts '27, if he holds his form, and Leo Buckley of Agriculture will probably fight it out to end the race. If reasonable distance of each other, if not, a French night will be the feature of the event at the corner of 16th and Willow, at about 4:30 on Wednesday.

**THREE FRENCH PLAYS ON THE SAME NIGHT.**

**University of B.C. French Clubs Are Planning Attractive Bill.**

Preparations for the production of the University of British Columbia French Club's play, "Les Romains," at Brotman Hall, are going forward rapidly. The club is planning to present the first act of Brotman's delightful comedy under the direction of Professor Delany of the department of modern languages, and the event is scheduled for the beginning of March.

The cast, at present rehearsing the play, consists of Miss Josephine Forrie in the part of Sylvette; Mr. E. D. Coates as character of M. Marat, M. P. and Strother Marcal, M. P. in the part of Gaspard, and Mr. Carmen Sing of Mr. Emmaus. The various parts require much skill in interpretation and presentation, but it is felt that this cast is quite capable of giving a convincing demonstration of French speech and action.

**VARSITY's BASKETBALL TEAM moved into a tie for second place in the conference ladder after a victory over King Edward Old Boys and a tie-up over Pacific.**

The Collegians were all over the city Edward Old Boys had a tie-up in a game, but they were a little late in coming to the game. Old Boys were without the services of Mr. Griffith, who was a constant against the All-Blackers, and handled them as well, but were off on their shooting.

**HARLEY GRABS TEN.**

Sid Hartley starred for the Varsity team with two points, while Tommy Wilton was a close second with eleven. The Collegians showed a nice combination, scoring for the basket whenever the opportunity occurred.

**Twenty-Two Men on List.**

The Y. M. C. A. city champion team had a close call in the second game, New Westminster winning by one point all the way. Checking was especially close in the last game, and Uppin and Lewis had a steady ten-tie. Household's fate was sealed when the Burnaby boys were called against the veteran Vancouver team, who had Palatine in the first half and Haas Phillips in the second by the home city's superior route. New Westminster lost the game, but managed to tie Palatine in the second.

**LAST WEEK BY PERSONALS.**

New Records Set Up

In Varsity Relay Race

Arts '27 Runners Win Through Masterly Sprint of Eddie Mulhern in Seventh Lap—Arts '25 Athletes Make Close Contest—Balmer Pulls Team Into Second Place Early in Race.

HATTERING the record of four years' standing by almost a minute, Arts '27 capped the sixth annual Arts '20 relay race from the new to the old University site Wednesday afternoon. The Varsity sophomores led from the outset, when Elliott noted out Evans Wasson of Arts '25 in record time. The '27 squad held their lead till the sixth lap, when Don MacKay of Arts '25 uncorked a marvellous burst of speed and caught Sturdy of the winners, who enjoyed a fifty-yard lead, and the '25 men finished about ten yards to the good.

With the two Arts teams running neck and neck at the beginning of the seventh lap, it was a toss-up as to which would win, but the lap was turned completely by a masterly sprint from MacKay, who charged into the lead, which he held until he was passed by the old man, Wasson, four years ago by Science. Science and Arts '25 had a great fight for third place, the former, however, just edging the Arts on the line.

WINNERS STRONG FAVOURITES.

It was anticipated from the start that there were only two teams in the race, Arts '25 and '26, and the winners were strong favorites. The only real surprise was the showing of the Aztecs, who were figured for a place but fell down badly, due partly to the fact that były, University college, were unable to start. The reason was that they did not rise up to expectations this season, and the fact that they did not figure for the top four positions at the start is also a point which positions the farmers held to the end.

Wasson of '25 set a terrific pace when the gun was fired, and he was beaten out by about ten yards by Sturdy, '25, who had a wonderful sprint. The time of 2 minutes and 30 seconds made the winner the former record by fifteen seconds. Shannon's time of 1 minute and 54 seconds was third, and Vachon's of Arts '26 was fourth.

BALMERS GREAT SPRINT.

I. Balmer of Arts '26 was the star of the second lap. The Varsity three-mile champion brought his team up from the fourth to the second place against the strongest kind of opposition. McWilliams of '27 was the bat and finished strongly in seven minutes and 18 seconds, but the Arts '25 team must have been faster, as he gained on the winner and moved out Baraka of Science '27 and passed Jimmy Craig of Arts '25 with a great sprint about forty yards from home.

Crew of Arts '26, but the latter in 5 minutes. At this stage the Arts men were holding down fifth place with the combined Science years until until occupying the sixth hour of the Airways seventh, with Science drawing up the rear and the last team finished in that order.

MULHERN BY 50 YARDS.

It was at the last lap of the race that the Arts won. It was on the seventh lap that the race was a toss-up, and the man that won the race for Arts '25 last year, Arts '25, might have done so again if he had had the decision. Arts '25 held up the field by a sheer sprint, which was in the last place, and finished the course in 2 minutes 26 seconds. Phillips and Champion kept their respective places, Science '25 and '26 in third and fourth place.

Charlie Mottley broke the time of good forty yards ahead of Arts '25. As the latter made a great effort, and it had been on good time, he was the field.

The race was won by the team, and the men that won the race for Arts '25 last year, Arts '25, might have done so again. Some could have kept up to the field by a sheer sprint, which was in the last place, and finished the course in 2 minutes 26 seconds. Phillips and Champion kept their respective places, Science '25 and '26 in third and fourth place.

FREEMENS HANDICAPPED.

Science '25 and Arts '25 were quite a race behind the first two teams, but both were handicapped by being the first team, and Arts '25 were a good forty yards ahead of Arts '25. As the latter made a great effort, and it had been on good time, he was the field.

The race was won by the team, and the men that won the race for Arts '25 last year, Arts '25, might have done so again. Some could have kept up to the field by a sheer sprint, which was in the last place, and finished the course in 2 minutes 26 seconds. Phillips and Champion kept their respective places, Science '25 and '26 in third and fourth place.

The officials of the race were Dr. Elliott, ex-officio, Allen, Pref. Sev- age, Jack Buchman, Harry Looman, and Jack Buchman, who were far more keenly contested than in former years. The runners were handicapped by the roads being the most difficult during the race.
TO GIVE SELECTIONS
FROM THREE OPERAS

U. C. Musical Society Has Entertaining Programme For Next Wednesday.

Wednesday, February 25, wiilikness one of the most popular events of this season at the University, when the Musical Society will present an entertaining programme of selections from several operas, including 'Il Matrimonio Secreto,' 'Die Zaublume,' 'La Fille du Pharaon,' and 'La Traviata.' The performance will be allowed by selections from both the clubs and the orchestra, either separately or in combination, and a very amusing entertainment is expected.

Those taking part have devoted much time and effort to the production, and the capable leadership of the director makes for a first-class performance. Preparations were begun a month ago.

The society extends a cordial invitation to the public to come to the University theatre and see the performance, which is scheduled to commence Wednesday afternoon at 8:30, admission being free.

The programme will run in the following order:

March 10 Fixed as Opening Date of "You And I."

Excellent progress is being made with the production of the University Players, "You And I," which will be presented at the University theatre on March 10. The play, a modern version of "The Importance of Being Earnest," is being well rehearsed and promises to be a great success. The弹性 and costumes, which are being prepared by the University Players, are nearly ready.

The University Players are busy in the studio and writing the play, while the scenery and costumes are being prepared. The play is a modern version of "The Importance of Being Earnest," and promises to be a great success. The cast is being prepared and the attention of the audience is certain to be captivated by the performances of Miss Louise Martin and Mr. Robert Brown, who are playing the parts of "You and I."
ST. ANDREWS AND VARSITY ADVANCE IN MAINLAND CUP

CAMERON AT CENTRE.
Varsity won their way to the semi-finals of the Mainland Cup when they scored three times and got no response from the L. A. at the Conjes near freemanston. The Students had it all over their rivals and played the little, swift and long pass style of game which was characteristic of cup football. The Dockers were left to the advantage in the first half when, when they held the fast-footing Camerons scoreless, but the students scored twice in the second half and added another point to their tally to claim the points. The Students had no time to relax when they had scored, and they continued to pressure the L. A. net. They scored the points they needed, and the final score was 3-0 in favor of the students.

New Winter Scores.
This season seemed to put new life into the Dockers and Charlie Cameron, who have been with the veterans, brought back to life the team. The students scored three times, and the L. A. net was not scored by any player. The final score was 3-0 in favor of the students.

Two Sommets to a Friend
I.-CONCERT.
A Spanish guitar, many years ago,
Thus in his crumbling castle held at day
The Nocturnal candlemonies lost the love
Should see his broken walls, at close of day
He hung a painted cloth, wherein were seen
Lines of unbroken windows, while his men,
Revolt their weak defense; the canvas screen
Beguiled his foes till succour came again.
O best of friends! If I should seem to you
Vain and self-centred, if my lips have spoken
Two florid boasts and foolish mockerys,
Know that in all those analyses I, too,
Behind a screen am building ramparts broken
By many a rash of fierce alterations.

II.-SILENCES.
If I, who sought your friendship long ago,
Were to renew it, so that I could
Your dear letters printed to reply
In my dark time, because I fear to show
Aught that would cause you sadness; if, by so
Checking the silent smile, days go by,
I chose to let unequal friendship die,
This real reason would you ever know?
Not that I doubt you—O it is not this!
Rather the thought that I, who used to bring
As a repayment rests of your kindness,
And many verses for your pleasure,
Have ever laughter—this thing drives me forth
Away from you beyond the silences.

Now in Second Place
Defeating Rowing Club 12-14 in a Junior A basketball game at Normal Gymnasium on Saturday, Varsity went into second place in the league standings, and now has a slim chance of capturing the city championship, which they have held with 16 points, and the Collegiates have 11.

The game was hard fought and the score would indicate. At half-time the score was 11-11 for the products.

B. C. Electric senior B. baskets sprang a surprise on the Ex-King George when they played out their second Martha Mitchell of Somerset in the second half of the game. The students scored three times, and the L. A. net was not scored by any player. The final score was 3-0 in favor of the students.
VARSITY TRACK MEET IS 
SCHEDULED FOR BROCKTON
POINT, WEDNESDAY, MARCH 12

Several Existing Records
Have Already Been
Broken in Practice.

Annual Arts '20 Relay Race.
To Be Run Tomorrow
Afternoon.

The annual track meet of the University is to be held at Brockton Point on March 12. The meet promises to be one of the best in the history of the club as the competitors have been training hard for some time and several of the existing records have already been broken in practice. All the old stars are again in shape and there appears to be some good material in the freshman year and among those who have not taken an active part in previous meets.

The programme for the meet was arranged at a meeting of the club on Monday. The 12-pounder hammer has been substituted with the regulation 16-pound hammer, as it is not a standard event in most colleges and the 16-pound hammer throw has been inserted in its place.

HANNAH EVERY ADDER.

The hammer has been added because it is a standard event in the Western Canada Intercollegiate meet and in previous years the University of B. C. has not been able to enter as they had no hammer throwers. The list of events will be: 100 yards hurdles, 220 yards hurdles, 440 yards, 880 yards, 1 mile, 1,500, 5,000 yards, 10,000 yards, 16-pound hammer throw, high jump, pole vault, mile, 120 yards throwing the javelin, 440 yards, discus, half-mile relay race and three-mile run. There will also be some women's events as throwing the javelin and sprints which have not been averaged yet, as well as the actual relay race.

BLOCK LETTER AWARD.
A new letter, a block-letter B, has been added to the system of block letters for the track champions. This year the letter has been added to the track champions as the results from the previous years have not been too good as to the number of points being scored. The only exception is the high jump where the University of B. C. was not in the running at all. Officially, the University of B. C. is in the running for the first time this year. The Block Letter Award is a very important event at the University of B. C. and is a very much looked forward to event.

VARSITY RACING CLUB

A 1927-28 Interclass Regatta
Preparations are complete for the annual interclass regatta of the Varsity Racing Club which will be sailed on the Coal Harbour course on Saturday, March 5.

The Varsity Interclass Regatta is one of the most popular events of the year. The races are held in the spring and fall and are eagerly awaited by all the students who participate. The races are divided into three classes: A, B, and C. The A class consists of the varsity crew and the B and C classes are made up of the junior and senior crews, respectively.

The races are won by the crew that completes the course in the shortest amount of time. The courses are designed to test the skills and teamwork of the crews.

In 1927-28, the Interclass Regatta was held on February 27th. The varsity crew won the A class, with the B class coming in second and the C class coming in third. The races were held in perfect weather conditions, with clear skies and calm seas.

O. Woodman and Miss V. Millener Win Three Finals
This Week.

In the finals of the University of B. C. badminton tournament this week, O. Woodman and Miss G. Millener were victorious in three finals, the men's singles and doubles, and the mixed. Miss Millener won similar honors in the ladies' events, and Miss Millener and the men's singles were won by Miss W. Clarke and C. Clarke. The ladies' doubles were won by Miss H. M. Woodman and Miss W. Clarke, while the men's doubles were won by Miss Allard and Miss W. Clarke. The men's singles were won by Mr. Woodman.

Play in the finals was close as shown by the following scores:

Ladies' singles: Miss Millener, 21-17, 15-12.
Men's singles: Mr. Woodman, 21-17, 15-12.
Ladies' doubles: Miss Millener and Miss Clarke, 15-12, 15-12.
Men's doubles: Mr. Woodman and Mr. Clarke, 21-15, 15-12.

Each double featured Miss Clarke and Mr. Clarke, and the men's doubles were won by Mr. Woodman and Mr. Clarke, while the ladies' doubles were won by Miss Clarke and Miss Millener.

VARSITY BOXERS WILL
Mix With Haskees

A six-man team will be sent by the University of British Columbia boxing club to compete with the University of Washington this week at the annual first intercollegiate boxing tourney. The team consists of eight men who have been chosen from a number of the clubs that have been boxing in recent weeks. Quite a number of the players have been selected from the Haskees since it was learned that a series with Washington was possible.

The six men will leave for Seattle, March 14, and will spend the week-end in the name of the team which is to be run over the eight-mile race on Washington. This year there will be three timekeepers.

One of the brightest and most popular events of the year in the form of a student recital of the University Musical Society took place on Wednesday afternoon in the University Auditorium before a record gathering of students and friends outside the University. From the popular light opera of Gilbert and Sullivan, the selections from "The Mikado" and "Iolanthe," and the choruses from "The Pirates of Penzance," and "H.M.S. Pinafore," were also rendered by members of the orchestra.

The most popular number on the program was the delightful rendering of the song "Celeste's Air" from the last named opera, by Miss Rachel Baird. Miss Baird gave an excellent interpretation of the song, executing every note with a skillful and precision in the musical phrase. Her voice was heard with entire satisfaction on an encore that was equally well received.

Mr. Peter's solo "The Cobbler's Song" from "Clun Chil Chow" was considered one of the best numbers of the afternoon. He received a standing ovation, which he repeated in his encore.

The voting was unprecedentedly large, Mr. and Mrs. E. R. Willson proved to be the two naysayers. Mr. Willson led ten yards, followed by Mr. Jimmie Craig, then Mr. Miles Scott,ed another ten yards to the finish line.

The musical Society is at present afloat, new members to be given next month in Wesley Church, when the Society of 1919 will meet again.

**U.B.C. FRENCH CLUBS STAGE THREE PLAYS**

All Will Be Enacted Thursday Night—One by Rostand.

This year the U.B.C. French clubs will produce three short comedies at their annual harvest performances on Thursday night at 8 o'clock. A French harvest tradition is promted.

These three full-length French plays are the product of the French department, created to entertain the students of the university. The plays are:

1. "Les Demoiselles de Rochefort" by Marcellin Desbordes-Valmore, a comedy about the young ladies of Rochefort.
2. "Les Demoiselles d'Elbeuf" by Marcelle de Clermont-Tonnerre, a comedy about the young ladies of Elbeuf.
3. "Les Demoiselles de la Place du Pont" by Paul Verlaine, a comedy about the young ladies of the Place du Pont.

**BURLESQUE BASKET GAMES AT NORMAL**

Varsity co-ed, trimmed the men's side of basketball to a 10-8 point, and the students' council took the long and an 11-11 score against the faculty quadsites in a couple of服务hours long game at the Normal gym last night.

Both games created lots of excitement and amusement for the观看ers. Sonny Gordon's senior B squad started the fun by coming out on the floor in female attire. The ladies called themselves the "Abercrombies" and as the U.B. C. Senior A women were designated as the "Blacks." The two teams playing against each other, with a crowd in attendance throughout the entire forty minutes of game time.

Before Artley made up a new one of the rules, the play continued on with the occasion. The score stood at 5-5 in favor of the rear guard at the Normal gym. The cheerleaders were up for holding continuous Kaiser Bells and they were never sung by the players in the last period.

The second game was also a huge hit and the good attendance was everywhere, although Ross Bryan's squad decided to call it an early game. The score was 11-11 at the half and the whole audience was left in suspense as to what would happen. The second half was called and the score stood at 11-11.

**FRESHMEN CONFIDENT OF WIN OVER BAYS**

Varsity and Victoria Intermedicates to Settle B. C. Title.

Varisty Freshman, Mainland Intermedia-champions, have yet to taste defeat at the hands of their own class, and they are all piled up to make an excellent showing with the Wanderers on Saturday at the Normal. The Wanderers will play the Vancouver players, and some of the students from the Victoria University, and the players are expected to give a good showing. The Vancouver players have several times to face back on, and even some of the Victoria players should be good counters.

The Freshmen, Eckert and possibly Thompson and Bailey will be the regular lineup. The students' threedeck line, which is about the strongest part of the team, will be intact however. Bailey, Curry and Baldwin will be in the center. The forward line will consist of Forrest, Adams, Davidson, Taylor, Tuttle, Penniman, Chappell, and possibly Chamberlain. All these men are fast and would be.

On the half line the following have McNeil, Borden and possibly Burt (each) Holda, Holda, and Wallace both in line for five-eights, and are two of the fastest men on the team. McNeil will do his stuff at fullback.

The Freshman Eleven will have to step it up if they want to take the after-works "down" with the Victoria. This game will practically wind up the season and the regulars really want to show the University of British Columbia.

"U. B. C. Musical Society to Give Annual Concert"

VARiety TWELVE BEATS CHAMPS AT CANADIAN RUGBY

By Winning From Ex-King George, Students Enter Finals.

HOCKIN EARS PRAISE

St. Marks Score Well Defense 18-10 Win Over Kerrisdale.

In the greatest Canadian rugby game played here this season, Varsity defeated the Ex-King George team, former champions, for the first time in two years, by the score of 11 to 1 Saturday afternoon at Athletic Park.

In the preliminary game Kerrisdale defeated Dunsmuir 10 to 0.

As a result of these games St. Marks meet Dunsmuir next Saturday in the semifinal for the Bob Brown Cup.

Going into the game with the odds against them and one of their star backs out of the game, Varsity fought like wildfire from start to finish.

It was John Heecke, star of the junior final, who really won the game for Varsity. Bent is to drop-kick, he failed on the first but heaved it to the blue and gold in the second period, again shoved the fay to use his dodging leg, then the oval away from the field with a half-time score of 5 to 0.

From the first to the last period the Ex-King George open field was pinned down. As Jack McKay sent long pace to his wings, the blue and gold ended did not fail to stop or break them up. Twelve Murray, Young and Len Heecke, Vancouver’s deadly backfield runners, swung around the ends only to be thrown for losses.

Saturday Night

Students Never Headed
After Taking Lead Early
In Contest

DUNCAN, March 3—University of British Columbia basketers are Senior A champions of British Columbia. They landed this honor here on Saturday night from Duncan following a closely-contested struggle which ended 26-24 for Varsity. More than 600 spectators saw a battle which never lacked interest.

Duncan started the scoring with a free shot, but Varsity hit back and the teams were tied at 2-2 when Duncan scored again. The book boys and girls wore 11-13. This was the third meeting between these two teams this season, although previous two were exhibition affairs.

The students were seen to be better here than before, Duncan winning on their home court, varic and afterward beating Dunsmuir in Vancouver.

Varsity Team Wins Senior A Basket Title

Annex Provincial Championship by Defeating Island's Best in Thrilling 26-24 Game at Duncan—Losers Prove Ideal Hosts.

HENDONER BROTHERS ARE HIGH SCORERS

Game Opens With Fast Pace, Which Is Maintained—Students Lose S. Peck Through Illness—Six Hundred See Battle.

DUNCAN, March 9—Saturday night Varsity Senior A basketball team defeated the provincial champion final 26 to 24. The game was very fast and keen, and was handled very efficiently by Bob White of Victoria. The game opened with a rush and the pace was maintained, keeping the six hundred people on its toes. Varsity was handicapped by the absence through illness of Swannes Peck, also by the floor, which was very large and slippery.

Duncan drew first blood by converting a free shot. Varsity soon retaliated when Arkle dropped in a field goal. The score see-sawed until minutes from the start, Duncan leading by 10 to 9. Coach Boyce sent in H. Henderson and Hartley to replace Newcombe and Arkle. From the start-off, B. Henderson dropped a pretty basket from the corner. Varsity picked up and at half-time led by 15 to 13.

In the second half Varsity started well and soon ran in a number of baskets, giving them a five lead of 25 to 15. However, Duncan sent off for four personals, which were mostly caused by the slippery floor. Varsity had no place gains owing to the absence of Peck, so Bryan sent the crowd, came within a couple of points of tying the count. With five minutes to go, Varsity's defense tightened up, and the whole team began to play better. They went through for two or three baskets, but were disallowed for "legs." The final whistle blew with Varsity by 15 to Duncan 7.

The Duncan team made 10 substitutions. Varsity used their eight men to good advantage, with only A. Henderson and Tommy Wilkinson for full time. The teams:

The new provincial championship game home last night highly pleased with their success and the treat entered second on the Island. Arriving at home after a journey and taken on a couple of hours' drive through the surrounding district. Following the game they were greeted with a large crowd and good. The best of feasting was evident at all times. The team was met by a large crowd of student supporters of the "C. P. R. H. Dunslaw.

"On the higher leaves there was no crust on the snow, and it was necessary to take turns breaking the trail. One of the best paths, however, the crust was just strong enough to bear the weight of two people, and traveling was more pleasant."

In the snow some made visibility poor. The season was reached at 2:18 p.m., and the mist cleared long enough to permit the taking of several pictures of the coast and to allow a splendid view of the snow-covered mountains below and above.

A hurried lunch was eaten, and the party started on the return trip at 3 o'clock, because of the deep snow they were able to slide only short distances.

U. B. C. Students Outline Problems Dealing With War

"Peace," problem was the topic of a short address given by Miss H. J. Carson at the regular meeting of the University Women's Council on Monday night. Mr. Birney will address the students on this subject later in the week. The problem was then discussed by Miss Carson, who said that the meeting was interested in the conditions in the Orient and the Orient has been the most important and has developed its religion to suit its business conditions. It has been suggested that the Orient become a nation and that the Communists be introduced in the form of universities.

Varsity Oarsmen
Beaten by Huskies

By Small Margin

SEATTLE, Nov. 14—The University of Washington, first rowing victory of the year was won this afternoon when the Huskies faced the yards while sweeping across the finish line of a quarter of a mile. The University of British Columbia was the only four oared event on the Washington schedule. The Seattle crew won the class championship. The novice, reserve, and freshman finished in the order named.
MEMBERS of the cast of "You and I," the Harvard prize comedy to be presented at the Orpheum Monday, Tuesday and Wednesday by the Players' Club of the University of B.C.: 1) Peter Price, who plays the leading part, won the B.C. swimming championship in 1925; 2) E. T. Taylor, a member of the cast of "The World and His Wife," last season's other, takes the part of Nicholas, an author; 3) Harry Watson, who, like Mr. Price, is a member of the first rugby team, takes the part of G. T. Warren, a capitalist.

The play has run for six months in New York and is now playing in London. The club has arranged in having a most attractive offering. The characters are very human, the action is spontaneous, and the dialogue is both brilliant and wholesome. There is no doubt the story of the play will appeal to the spectators, coming very close to the common experiences of everyday life. The actors and actresses, who include members of the Westminster and Notre Dame units with some outstanding exceptions, are giving assurance that the excellent reputation built up in the last season throughout the province will be sustained.
VARSITY girls have been a long-standing tradition in women's athletics at UBC. The team has a rich history and has produced many talented athletes. The women's basketball team, for example, has been a dominant force in college sports for many years. The team was founded in 1924 and has seen many great players come through its ranks. The team has won numerous championships and has produced many All-American and Olympic athletes. The team is known for its strong defense and fast-paced offense, and has consistently been a force to be reckoned with in the women's basketball world. The team has a strong tradition of excellence and has produced many successful women who have gone on to have successful careers in a variety of fields. The team is a testament to the strength and resilience of women who have overcome societal barriers to achieve success.
UNIVERSITY co-eds have always held a place in the world of athletics. The two above pictures represent the leaders of the various branches of U.B.C. women's athletics. In the above picture, a co-ed from the swimming team of the University of British Columbia poses with her trophy. The swimming team has been very successful in recent years, winning numerous titles at both provincial and national levels.

The other picture shows the leader of the women's basketball team, which has also been very successful in recent seasons. The team has won several championships and has produced many talented players. The success of the women's athletics programs at U.B.C. is a testament to the dedication and hard work of the athletes, coaches, and support staff.

TAKE ACTIVE PART IN VARIOUS SPORTS:

Varisty girls have two basketball teams in inter-city competition and the swimming club takes part in local meets against V.R.C. the Mermaid Club and at Victoria. The U.B.C. track club is confined to intramural competition. Varsity grasse hockey dashes are on for competition as there are women's leagues in the city. The badminton section in W.B.C. has a big year and will take part in all local tournaments with great success.

Inter-departmental competition the fast-breaking event in Varsity athletics. The W.B.C. women's basketball team has themselves in Inter-departmental meets for the Spencer Cup. Those teams, hard work and most of the hard work and high-scoring events of the year's in basketball game at Arta 26 and 21, when the championship went to the less successful of the two teams.

BADMINTON PLAYS:

WIN MANY HONORS:

Badminton is second to basketball in importance as an indoor sport and the standards of the club have gone up greatly of late. Pileata of the Davis, an energetic president, the U.B.C. abdostock chasers have housed their reputation to about forty this year. Violette Milliner is the star of the college badminton enthusiasts and her feisty games are mighty proud of her success. Violite is rated as one of the best badminton players in the city. Paired with Miss George, the U.B.C. stars had the ladies' doubles open championship a few years ago. Miss Milliner was the 1921-22 junior V.B.C. badminton champion, and a Violette Milliner again two years in succession she has won the championship. In 1924 she and her partner Milliner faced the two Varsity players, and Milliner won the championship.

Two years in succession she has won the championship in the doubles competition at U.B.C. Violette won the singles championship, and with her partner Milliner won the double and doubles titles at Varsity. The women's section is considered one of the best in the province. The success of the following: Miss. Helen Milliner, Violet Milliner, Dr. James Smith and Miss Milliner are the main contributors to the success of the women's badminton players. Miss Milliner has been very successful in the women's badminton at Varsity. Jackie Clapp was of great assistance in training the team and has shown great promise in the women's track and field meet. Jackie has also been noted as conditioner for the women's track and field meet and has assisted at all of their outdoor meets.

GRASS HOCKEY:

SUCCESS OF POSITION:

The grass hockey season is coming to a close and the only thing that seems to be holding any promise is the women's hockey team. There is no inter-city league and the women's teams are not as strong as the men's. This year's success is due to the hard work of the club and the support of the City. The gynmatism club serves a most important function in women's athletics. At weekly workouts, many students can get into shape who are not members of other teams. The club has been chosen as the best gymnastics club in Canada this year and when adequate gym equipment is provided this will be nation's best part of women's athletics at U.B.C. Miss Mary Hovig, a former track star and the fastest sprinter in the country, has been an important addition to the team. Mrs. F. A. Hovig has taken a great interest in the women's activities, has brought in the interest and the co-eds and the co-eds have not as yet had any representation on the women's executive. Varsity's Canadian Rugby Team Champions

S MASHING their way through the St. Mark's line, the University of British Columbia was the first senior Canadian university to win the championship of the province of B.C. with a score of 77 to 7, before an audience of 2,300 spectators, Saturday at Athletic Park.

From start to finish, the game was a rout. The Blue and Gold showed more aggression, both on the field and off, although the Red and Blue were pierced like Swiss cheese.

On the other hand, the St. Mark's, reeling from a close game last year, failed to score any points. The Blue and Gold showed more awareness, and at the 20 minute mark the score was 7 to 0.

LARRY BLOW LEADER. Anderson was the leader in this game, and his tackles also gave Varsity many good opportunities.

CORDON DE PEGEL. The first score of the game came from Varsity's Cordon de Pegel, who moved the ball field with the help of his teammates.

MARK'S CLEVER TRY. St. Mark's took a brave and courageous try, but they failed to score. Another player and McLennan, going across the last dividend line for the final.

Back to Jack Buchanan.

VARSTM's long-distance runners are readily rounding into shape for the annual Dunlop road race, which will be run on Good Friday under the auspices of the Y.M.C.A., according to Jack Buchanan, coach, who is working theb athletes through their individual programs.

Two men are being made by the distance men and he makes no secret of the fact that the two will participate in the 20-mile event at the Varsity track last fall. Buchanan was unable to do this for two years in a row.

Right to left—J. Salmon, Rockingham, P. Elliott, G. Morley, B. Stirling, R. MacKay

The first attempt at the Dunlop road race on New Year's Day will be made, according to Buchanan, who has been working with the team for two years.

The race will be run on New Year's Day, and the distance is 20 miles. The winner will receive a trophy.

VISITING MTT STARS WIN OVER VARSITY'S BEST

Pinkie Stewart and Eddie Mulhern show Best Form

This year's team was four out of six from the U.B.C. mit field wingers at the Beatty Street Drill Hall on Saturday night. Pinkie Stewart of U.B.C. and Herman Hopkins of Washington University were the only two leather players who scored goals against the defense players, who were the正宗 of the "winding" element. Eddie Mulhern and Pinkie Stewart were the star players of the game, and they were the only ones who played against the defense.

STEWART SHOOTS KNOCKOUT. In the 11th minute, the U.B.C. mit field wingers scored on the prepared Wemberly. One of the chances was taken by the UW team, who connected with Wemberly's jaw with a terrific blow. The ball was kicked out of the field for several minutes.

CURRY IN OVERTIME. The second time was the charm of the evening, and the only one in which the pitch changed. The UW team was the best, but a series of muffed shots made it impossible for them to score. The decision in Curry's favor was not without controversy, but Addison knew what he was doing.
"YOU AND I" WELL ACTED
U. B. C. Players' Club in Annual Spring Production.

PECULIAR PLAY

In considering "You and I"—produced by the Players' Club of the University of British Columbia on Monday night at the Orpheum Theatre, one is left with a pleasant thought. First is the wonder as to why the University has not produced a similar work before. It is interesting to note that the University Theatre has not, in recent years, staged a similar piece of work. The excellent acting and production, as well as the effective use of lighting and scenery, make it a memorable event in the Theatre's history.

The story of "You and I" is set in Paris during the days of World War I. The protagonist is a young French soldier named Armand, who falls in love with a young Englishwoman, Blanche. Despite their differing backgrounds, they share a deep bond that transcends the war. The play explores themes of love, war, and the human condition.

The cast included prominent actors of the time, including Armand, played by Jean Marais, and Blanche, played by Jeanne Moreau. The production was directed by Marcel Carné, who later became one of the leading directors of the French cinema.

The success of "You and I" led to the establishment of the University Theatre and its continued production of plays. The theatre has since become an important cultural institution in the city, hosting many renowned productions and contributing significantly to the local arts scene.

In conclusion, "You and I" was a well-received production that highlighted the talent and creativity of the University Players. It remains a memorable piece of work, showcasing the potential and growth of the University Theatre as it continues to produce high-quality performances.

Sapperton In Finals Of Mainland Cup Series

VARITY Led at Half Time 2-1 But Fail Under Determined Attack of Sappers After Resumption. Three Players, Wilkinson, Hazeldine and Waytes Pull Hat Tricks In Saturday Tussles.

SAPPERTON jumped into the finals of the Mainland Cup on Saturday afternoon at Con Jones Park, when they came from behind in the second half to defeat Varsity 5-4 in one of the most thrilling battles of the local football year. The Sappers will now meet the winner of the St. Andrews-Shellie engagement later in the season. The game, watched by a good sized crowd, was featured by the individual brilliance of Tommy Wilkinson for the students, who netted three of his team’s quartet of goals.

Two other players figured in “hat tricks” during the afternoon, Waytes of the South and Wilkinson of the Nationals, who between them scored 15 and Stephens of Manchester Unity teams in the Junior Alliance.

VARSITY and SAPPERTON played the Nationals in a tie for the 2-0 in what the North shore supporters coveted one of the best titlers of the season. The Vic’s lost to the Nationals in a 4-1 with Varsity on the other hand, took the lead in the season’s championship. The Saints have one more game with Westminister United in what should make the championship.

SAPPERTON’s first goal was scored from a penalty in the last few minutes of the first half, while SAPPERTON’s second goal was scored from a penalty in the last few minutes of the first half, while Wilkinson was on the spot to score.

VARITY LEAD AT TURNOVER.

The Collegians were leading 2-1 at half time, but in five minutes packed full of thrills at the start of the second half Sapperton scored two goals to go into the lead. Varsity tied it up but Sapperton added two more to make the score 5-3. Then Tommy Wilkinson put on a penalty and a few minutes after the whistle blew for time.

Scoring was seen on both sides and a square war was maintained throughout. Lorrimer’s centre of the ball helped to make Sapperton’s forward rushes useless in the first half, while Dallison was a Trojan at centre half. Emery gave in some sloppy centres from the left wing while Tom Wilkinson handled himself very well on the opposite side. Ike Cannon at centre was too closely marked to be very effective.

SCORING OFF DANGER.

Varsity’s first goal was somewhat in the nature of a double play. Crute to Dugger to the net. Dugger shot to the corner and it rebounded off Dallison’s toe into the corner. Well in the half the Students staked a perfect goal. Emery running the ball down the left wing and crossing beautifully to Wilkinson who tapped it, steadied himself and drove it into the net. Sapperton had no chance.

Just before the close Sapperton ralled and Mike McLeod snatched up a Nechako goal, when one of his fellows deflections to the right in and gave Varsity no chance.

CRUDE MOVED TO HALF.

In the second half Sapperton were a different team, the entire forward line putting in a brilliant game with Wilson and Dallison on the left wing especially effective, while Wood and McLeod proved rare opportunities. The result of the entire attack caught Varsity unawares in the first five minutes of the half, when Wilson moved up to the offensive with a Bicker.

Adam scored both goals for Sapperton in the first burst of energy. He headed first near out of King’s reach and a few minutes later scored from a notice in front of goal.

VARITY SQUAD.

Tommy Wilkinson avowed it up for the Collegians when he took a drop kick from near the centre line. The ball travelled fast and low into the corner. Stamford had made a clearance, throwing the ball well out and the Varsity full caught it on the bounce. The ball slipped from King’s hand and McLeod was on it like a flash. Then Weeds dribbled through and placed a deadly shot over the sprawling goalies.

Wilkinson’s third goal was scored from a penalty in the last few minutes of the first half, while Cowie was being on hand for the hand.

U. B. C. SPORTS HEAD
VARSITY APPOINTS RUGBY OFFICERS

Supporters of Canadian Code Outline Places
For Next Fall.

Active steps for an interesting schedule next fall were taken by the University of British Columbia Canadian Rugby squad at the organization meeting Tuesday. The election of officers for the 1924-25 season was also held.

A nominating committee, composed of Ronny Noble, Harold Hall, and Earl Brennan, with the executive as an advisory board, was instructed to arrange for a training fund and equipment at Point Grey, and to arrange contests in possible with the following institutions: Bellingham High School, Washington State Normal, universities of Alberta, Manitoba and British Columbia, and several other schools. Additional to the coaching staff were also recommended.

Officers for next season are Lever Bates, president; Harry Reed, vice-president; Bert Faco, secretary; Al Cunningham, treasurer, and Eric Goul, manager. Dr. Boggs was unanimously elected honorary president.

U.B.C. WILL HAVE PHILOSOPHY CLUB

Students Hold Organization Meeting—Members of Faculty to Co-operate.

Students at the University are forming a Philosophy Club. Speaking before a preliminary meeting to organize, Professor Henderson of the department of philosophy, stated that the members of the faculty would co-operate with the students in every way and that the inauguration of such a club would be highly commended.

Mr. Ralph Norman, who presided, explained the proposed constitution of the club, which was approved in effect by those present. Owing to the difficulty in securing meeting places other than the homes of the members, it has been found necessary to limit the membership to not more than twenty, and procedure will be given to students of the last two upper years in choosing prospective members.

The meeting then elected an executive committee to consist of a president, vice-president, secretary-treasurer, and an organizing committee to plan the proposed organization. The officers elected were Grosvenor T. Hall, president; Albert Ellwood, vice-president; Harold Henderson, secretary-treasurer, and Mr. Ralph Norman, organizing committee.

The club will enter upon its active existence at the opening of the fall term with a set of programs of the papers to be read during the year.

ATHLETES HONORED AT U.B.C. FUNCTION

Basketball and Canadian Rugby Players Receive Special Ovation.

Thursday at noon, Varsity students and faculty assembled to pay homage to U.B.C. athletes, who have starred in the field of play during the 1924-25 season. President Kilman, Chancellor McKinnon, professors Davison, Logan, Bovin, Boggs, Allardyce and Powell, Mrs. A. A. Bovin, Mrs. Swenick, Doris Shorey, Tommy Williston, Walter Turnbull and Will Goulter handed out cups, letters and ribbons of every description to winners in the different branches of sport, and to presidents of the different clubs.

A huge table laden with silverware was the inspiration of the success of Varsity athletics. This year’s big prize men were given their awards by President Kilman, Harry Purdy, president of the rugby club, then received the Monroe, Provincial and World cups, which he turned over to the officers of the Alma Mater, as did Dr. Boggs, with two basketball trophies. Lever Bates, as representative of the Canadian Rugby, gave the honor of presenting the University with the first cup to be won under the eastern code, the Holy Brown Cup.

STUDENTS OF U. B. C. MEET NEW COUNCIL

President Wilkinson Addresses General Meeting of Alma Mater Society.

University of British Columbia students were introduced to their newly-elected council for 1927-28 for the first time at a general meeting of the Alma Mater Society, held in the University auditorium.

Mr. A. P. Grauer, better known as "Mr. Grauer" to the student body, who has occupied the position of president during the present session, in his final address, thanked the members of the society for the support and cooperation shown him and his colleagues during their term of office, and expressed the hope that this splendid spirit would continue during the coming years at the new site in Point Grey.

The new president, Mr. Tommy Wilkinson, sketched briefly some of the problems confronting the new council, and appealed to the student body for their whole-hearted assistance in meeting the manifold difficulties that will be involved by the move to the new quarters.

With the University in its permanent home, the public of British Columbia will expect even greater things from the students, he said, and it is up to them to justify their existence in the eyes of the province. Owing to the many innovations the next year will usher in, the whole fabric of student life will alter, and many things that have held a prominent place in the University will be changed.

Owing to the lack of athletic equipment in the new quarters, other branches of student effort must be taken up, although it is not expected that the excellent record gained by Varsity students in the past will suffer.

Among the accomplishments of this year's council, outlined by Mr. Grauer, were the entirely new form of installation introduced last fall, in which all traces of objectionable bagging is absent, and the amendment of the constitution of the Alma Mater Society, which has resulted in the solidifying of the Students' Council.

In past years the Students' Council has consisted of as many as twelve members, with the possibility of a definite increase, but by the new system it will be reduced to a permanent membership of nine. Those who will hold office during the 1927-28 session will be: Mr. Tommy Wilkinson, president; Miss Dorothy Brown, secretary; Mr. Lloyd Johnson, treasurer; Mr. John Oliver, president of the literary and scientific department; Mr. Tommy Taylor, president of the Men's Undergraduate Society; Mr. Shane, editor-in-chief of the publications board; Mr. Harry Huxtable, president of the Men's Athletic Association; Miss Lenora Irwin, president of the Women's Undergraduate Society, and Miss Flora Muirhead, president of the Women's Athletic Association.
ENDEAVOR TO TACKLE OTTAWA AFTER EASTER

Coast Players Loud in Praise of Treatment Accorded Them in Edmonton—Second Game Played Before Packed House.

VARSITY Senior A basketiers, winners of the Western Canada championship, received a royal welcome at the Canadian National depot when they rolled in from Edmonton last night. A large group of students, including Eric Huestis, Rooters’ Club leader, and other student officials, met the party at the station, which resounded to college yells.

Each player was hoisted on the shoulders of fellow-students and carried to waiting automobiles. An impromptu gathering was held at the Players’ Club, where H. Buchanan, captain of the squad, told them all the trip about.

"We received the very best treatment possible from the Edmonton people," declared Coach Ross Bryson, the varsity team would be ready to play until the last week in April. The boys have sacrificed a great deal in order to make the trip to Edmonton, for examinations are only ten days away and every moment counts.

ARRANGEMENT FOR FINALS.

Members of the University Basketball Association were in conference today with Dr. J. C. Gilchrist, president of the University, in regard to the possibility of bringing out the Ottawa Nidease, Eastern Canada champions, for the Canadian title.

"We have made it clear," declared Coach Ross Bryson, "the varsity team would not be able to play until the last week in April. The boys have sacrificed a great deal in order to make the trip to Edmonton, for examinations are only ten days away and every moment counts."

BIG CROWDS AT GAMES.

Eight thousand dollars was raised both inside and outside the stadium, despite the cold weather. Each ticket was a challenge to the fans, for the stadium was packed with fans. The team, treated to a night out at the Almamater’s Nidease, Eastern Canada champions, for the Canadian title.

"We have made it clear," declared Coach Ross Bryson, "the varsity team would not be able to play until the last week in April. The boys have sacrificed a great deal in order to make the trip to Edmonton, for examinations are only ten days away and every moment counts."

REVIEW. B.C. ACTIVITIES.

NEW PLAYING FIELDS.

Despite the fact that this is the last year which the University of British Columbia will spend in its present temporary quarters in Fairview, no loss in efficiency has been felt in any branch of the student activities. At the annual general meeting of the Alumnae Association, held last evening, it was announced that no one had committed any serious offenses, financial or otherwise, to the members.

In reading the secretary’s report of the Alumni Association, it was explained that the position of the Players’ Club has been more than usually successful, both in sales and in all other branches of literary activity. Varsity has more than held its own.

PUBLICATIONS BOARD.

The work of the Publications Board has been efficiently performed, having been issued a students hand-leaf early last term and an annual, which will be ready for distribution next week. The Uxury, the college paper, has become even more popular than in former years and plans are being formulated to make it a bi-weekly publication in the future.

Korea, who have followed the progress of the soldier heroes since their formation there isn’t the slightest doubt that they are a better team than their conquerors, good and all-sports, but not inferior in one thing to lose to a superior team and another to go down because of a bit of folly.

"Through Folly" has had the series clinched in the first half of the opening game. Their opponents were hopelessly beaten, not only on account of the school atmosphere which prevails in the city, but also on account of the fact that their team has been formed against them. The soldiers were too generous and too magnanimous, in the opinion of those, most of their advantage they let up on the game and were not able to make an attempt to jump at the last minute. It is good sportsmanship, but poor policy. A turn in the breeze of the game was almost inevitable, and when it came there was no letting up on the part of the invaders, and so goes another championship chance."
GRADUATIONS TO BE IN OLD BUILDINGS

U.B.C. Exercises for 1925
Will Not Be Held in Point Grey.

Much to the disappointment of the student body, it has been definitely decided that the 1925 graduation exercises will have to be held in the old university buildings in Fairview. It had been hoped that the new auditorium at Point Grey would be finished in time to permit this year’s graduates to receive their diplomas in the permanent quarters, but the government has definitely announced that there is yet some doubt as to the final date of completion of the new buildings and that in any case their use would be impossible as the fire prevention apparatus would not be installed in time.

As a result, the closing exercises will take place as originally planned in the temporary auditorium on Tenure Avenue on Monday. This will remain for the class of 1926 to be the first to graduate from the permanent site.

Fourth year students are expressing much disappointment at this decision although it is well realized, they declare, that the Provincial Government is in a power to co-operate with the students.

The university summer school will be held in Fairview, as in the past, and the new courses will take place until next fall, when the regular session will open on September 22.

Varsity Soccer Club to Make Strong Bid for Honors Next Season.

Varsity soccer men are already making plans for next season. The students met yesterday and lined up a programme for the 1925-26 season. The Collectors are out to make whatever bid they can for a greater honor than the true ball game schedule. The Victors: of the 27 points, Alex Egert, have been secured by the U. C. Varsity. The 31-gate, several new players are expected to attend the opening of the season next fall.

Harry Mosher, who has been out with a broken leg, will be back some more, and according to "Horatio," himself, is just as spry as ever, and expects to take up his old job between the posts. The students have been promised that several players through graduation this year. Scotty Eley, has already achieved much prominence in all branches of student activity, having been a member of the winning 1925-26 cup and the Varsity Players’ Club.

The City Council and the secretary-treasurer, Mr. L. E. W. Childs, are members of the club. Mr. Eric Coles was elected in the unanimous voice of the club.

University of Saskatchewan ruggars are unable to give a guarantee to the University of British Columbia ruggar team. In retaliation this season, the B.C. team will send a strong team to the West, probably from the University of Saskatchewan, in the hope of gaining some recognition in the West.

The British Columbia Rugby team is expected to do well in the coming season, and will be looking forward to a good season of competition.

Students Move to Stage Hoop Final

Ross Bryson and Sherwood Leet to Start Financial Drive.

The final match for the senior basketball championship of Canada is to be played in Vancouver. The Students' Council of the University of British Columbia has decided to initiate a drive to raise at least $1000 of the necessary $2000 which will be required to transport the Ottawa and Eastern Canadian champions to the Coast for a match on April 27.

It is examination time at the University and the students are very much occupied, but they hope to be able to get on a short and snappy drive to sell at least $1000 worth of subscriptions. Sherwood Leet, former president of the Students' Council, is in charge of the leading members of the Alumni Association, and they have been appointed a special committee to make the matter in their hands and they will start to work at once.

The eastern champions are eager to make the trip west, and the event is one of reasonable date.

IT is worthy while to go to college in British Columbia where women students are admitted. Is it not better to go to a university here?

There are two questions which can be partly answered by the read-

of the 1925 University of British Columbia directory. In this book, Mr. Van Willy, president of the Alumni Association, has carefully cross-referenced the 740 students who have graduated since 1915. If they are busy, he says what they are doing. He has been so exact that a telephone directory in various

VARSITY baskerball, whose victory in the Western Canada championship game, and a subsequent win over the University of British Columbia, will be in fine fettle for an early season clash with the Toronto Varsity. The game, scheduled for 7:15 p.m. at the Arena, will pit the defending champions against a team that has had recent success in the championship event.

Manager Hodgins declared that the squad would take every advantage of their early season form and try to come up with a convincing victory over the Varsity. The game will be a battle of two teams with a strong tradition of basketball excellence.

ROOKIES ARE IMPROVING. Belter, Arl Моск, and Stein are the new faces on the Varsity team this year. Belter, a transfer from the University of British Columbia, will bring a wealth of experience to the team. Arl Моск, a transfer from the University of Western Ontario, will add a versatile skill set to the team. Stein, a local recruit, will bring a fresh perspective to the team's原有.
FOR FAIRVIEW GRADUATING CLASSES

Preparation for the Varied Exercises Are Being Completed.

Preparation for the 1935 graduation exercises in Fairview School will be initiated by the holding of the last class to graduate from the temporary quarters on May 3. The city's annual commencement exercises will be held in the new gymnasium Friday evening.

The grade four classes will be graduated at 1:30 p.m. under the direction of Miss Mary T. Taylor, assistant principal.

The grade five classes will be graduated at 2:30 p.m. under the direction of Miss E.T. Long, the principal.

Ottawa Rideaus Win Canadian Basket Title

Students Show Great Reversal of Form, Copping Final 18-10.

SWEEPING the Ottawa Rideaus off their feet in a fiery attack that started with the first whistle and never let down until the last, Varsity batters last evening thrilled 2500 spectators at the Arena with one of the greatest victories in the history of the sport. They scored four runs on the round by a scant two points, Ottawa's victory in the initial game of the series. By 18 points the Varsity gave the Canadian championship to the Rideaus, who had never played for 38 points to 38.

It was a finish worthy of a Canadian championship and it came in a match, whose intensity marked for a moment, spurred on by the rivalry of their supporters. Varsity faced a superior team on Friday and Saturday, but the Varsity emerged victorious in the third game. The Varsity's victory was due to the combined efforts of every player, who gave their all for the team.

ENERGY AND RASH: Varsity's attack, fast and imaginative, which its supporters praised and aided with every movement, was bested in the winning efforts of the Varsity. The game was played in complete command from start to finish, only the Varsity's defense prevented the Eastern champions from being overpowered. No player was left behind, and every move was executed with precision.

Varsity Separated From Championship by Margin of Two Points.

Students Show Great Reversal of Form, Copping Final 18-10.

SWEEPING the Ottawa Rideaus off their feet in a fiery attack that started with the first whistle, and never let down until the last, Varsity basketers last night hurled 2800 spectators at the Arena with one of the greatest come-backs in the history of the sport. They led 3-5 at the start, but came out on top 38-36, after a round by a scant two points. Ottawa’s victory in the initial game of the series Tuesday by 28 points 38 gave them the Canadian championship for the year, but on Thursday, 28 points to 26 it was a finish worthy of a Canadian championship and it came in a ball, which literally never slacked for a moment. Spurred by the presence of their supporters under former All-Canadian Brick McLeod, the Collegeteites put their heads to the task and finished. Only their desperate efforts saved the Eastern champions from being overwhelmed.

NERVOUS AND DASH.

It was nervous energy and dash for which its supporters pleaded. Varsity came on the floor Tuesday. Their loyalists literally got up the other side of the world and could have shouted down the match. There was a body of bodies, but the ball was keeping one of the other. Natalistic intentionally, deliberately, the Varsity and Easternchema were in a right scrambles for the ball, slumbering, bungling into one another continually, but for a match of such high intensity, very little personal fouls were called against either side.

In Ottawa’s inspired defense of a 10-0 lead, in the first period, stood out as a tower of strength, but Oppenheimer, who ran around like a blanket, had to be kept in check. The Westerners, however, were a little too easy with the ball, running without looking, and losing some of the easy points to come out 26-5 at the break.

UNLUCKY IN SHOOTING.

For Varsity every player excelled himself. But the flight that the ball made left the outing in the air. The unopposed shots were a study in the art of shooting. The ball was in the air, but the shooter had no support. The Varsity men were too weak in this department.

MISSED TOMORROW.

With the score at 38-26 in the final period, the Varsity team was in a great position to win. The Easterners, however, were not to be outdone. Their game was a study in the art of defense. The ball was in the air, but the shooter had no support. The Varsity men were too weak in this department.

LEAVE FOR HOME TONIGHT.

VARSITY NOT IN BOSTON SERIES.

After a hurried check-out last night officials of Varsity announced that they would break Varsity’s series even on the basket, but a ball series. Officials stated that $200 was the total receipt of Varsity, and the games were exactly that.

DEVELOPMENT STYLE

BOTHERS STUDENTS

Ontario Team Uncanny in Intercepting Vari- sity's Long Loop Throws—Are Great Oppor- tumists—Last Tusday at 8:30.

UNIVERSITY OF BRITISH COLUMBIA basketers, winners of the Western Canada championship, have to step their prettiness on Thursday night if they wish to annex the championship of the Dominion, for last evening the Ottawa Rideaus, showing an effective ability to alter their style of play to suit the need, handed them a surprise defeat, 28-18, in the first game of the first series ever staged.

The Rideaus' victory, thoroughly deserved, came as somewhat of a shock to Varsity and its supporters.

It was found that the Eastern champions, having travelled 2000 miles and had only a little rest, would be at a disadvantage. As a matter of fact, they were well at ease after the first ten minutes of play, and their daz- zling lads won them the plum of the crowd of 300 spectators.

They were a class of playing styles and the Eastmen's' ability to adapt themselves to defensive work against a strange system proved the deciding point. For the first ten minutes, and at intervals throughout the game, they played a five-man defense game, but as soon as they had become accustomed to Varsity's backfield stuff and short-passing game they stepped out on their own.

The Rideaus broke away in one-and two-man rushes and didn't mind taking a shot from anywhere between center and the basket. Varsity, on the other hand, rarely shot until they had worked the ball into the penalty area. They didn't break as fast as they have been known to do, with the result that their system was not popular with the crowd.

LAISBLY INDIVIDUAL STAR

At the Eastern last Varsity took the offensive and, after working the ball in around and out again without being able to find the opening they sought settled down in a vain attempt to puzzle the defense. They threw first blood, however, when Swannock set a beauty after a triple play from Arnold Henderson to Al Bu- chanan. Ottawa equalized when Lyle Lainheeter, their tall forward, netted both free throws awarded against Al Buchanan.

This Lainheeter, by the way, was the star of the game. He had his shoot- ing eye with him all night and dropped them from all angles and distances. His range of one of free shots was doubly good, too, so he missed nary a one of the four checks he took against him. Alto- gether he scored 12 points.

HALF-TIME COUNT 12-2

At half-time the Rideaus were in the lead. The only Varsity star to show any brilliancy was Fred Newcombe, who was the liveliest Varsity man on the floor and he added three points to his score in this half despite a good bump which laid him out temporarily.

Arnold Henderson, Phil Grauer and Tom Wilkinson contributed the other scores while Al Charbonneau, who showed a great ability to handle the ball while going at full speed and netting two field goals for the visitors. Lainheeter scored a similar number during this half while Captain Don Young tallied a field goal and two free throws. Young beat Arnold Henderson to the jump most of the time and kept the Varsity center fairly well supported. Nickle and James were generally in possession.

NEWCOMBE IS TIREDNESS

Fred Newcombe, who played an ef- fective game throughout, was the liveliest Varsity man on the floor and he added three points to his score in this half despite a good bump which laid him out temporarily.

Young beat Arnold Henderson to the jump most of the time and kept the Varsity center fairly well supported. Nickle and James were generally in possession.

ARKELY UNDER WEATHER

Varsity may be able to make up the ten points in Thursday's game but it is somewhat doubtful. In Tommey Wilkinson was rushed into the fray midway through the first period and he made the boys step round. They had an easy time of it on the backboard, however, missing a large number of chances. They ran the score to 16-12 at one point, but the Rideaus drew away again.

The visitors' style pleased the gal- lery and they were prime favorites for the final game. The collegians handled the ball better than the Rideaus but did not move as fast. Varsity's long chance was interrupted with surpris- ing regularity. Defensively the visitors were well handled. The team on the floor played at 12:45 o'clock and Major Taylor, after welcoming the Rideaus of Vancouver, started the game at 1:30. The preliminary game of the Westminister girls took the measure of the Pacifics.

OFFICIALS PRIZED

Referee R. C. and Umpires Graham Bruce kept the game clean and on the floor. Neither team showed any inclination to mix it, only eleven personal fouls being called in the entire forty minutes. Most of these were of the harmless variety.

"The refereeing was excellent," de- clared Captain Don Young of the Varsity, "and the way we have been accustomed to in Ottawa and we will be pleased to have the same officials on Thursday." The following tabulated score, showing the number of success- ful points in falling to convert free throws and that the team had nearly the same number of chances on the backboard.

U.B.C. GRADUATES ATTEND CHURCH

Inspiring Sermon Preached By Rev. Dr. Gowen Of Seattle.

The graduating class of the University of British Columbia and their friends crowded Christ Church, Georgia Street, west, for the baccalaureate sermon, which was delivered by the Rev. Dr. Gowen, D.D., of Washington University, Seattle.

Bishop de Puynce assisted Rev. W. W. Callow, D.D., the rector of the service, and the church responses and anthems were led by the choirs under the leadership of Mr. P. Chubb.

Dr. Gowen emphasized the cultural and spiritual side of education and urged the students to remember that they had the great privileges of a modern university not for selfish ends, but for service to mankind. Ideas that came to students during their college days were to be followed in after life and not neglected. Dreaming great things led to doing great things, and people were often astonished by what they were able to achieve when they set their minds to it.

The service was not only greatly enjoyed by the entire audience but also by the students and the service was greatly enjoyed throughout.

STUDENTS PLANT TREES AT U.B.C.

Arts Graduates Begin Commencement Exercises With Ceremony

Graduates in the Faculty of Arts at the University of British Columbia started their graduation exercises on the Hill Grey site for the tree-planting ceremony. The students planted a thriving pine tree at the entrance, where the University gardeners will take care of it until it is big enough to be transplanted on one of the boulevards leading to the new buildings. During the past six years the graduating classes have planted similar trees and this ceremony has now been emboldened in the college traditions.

Ralph Matthews, president of Arts, enrolls the students and dedicated the tree to the Alma Mater Society for the graduation. Following the tree-planting ceremony a reception was given at the new buildings and grounds.

The program for the graduation ceremony included the following activities: the May queen will be the guest of honor at a reception on the Hill Grey site for the graduating class and the new building and grounds.

ANNUAL CLASS DAY EXERCISES AT U.B.C.

Chancellor McKechnie and President Klink Address Large Gathering.

Members of this year's graduating classes will hold their annual class day exercises on the University campus on Monday, with President McKechnie and President Klink addressing a large gathering. The exercises will be held in the University auditorium, and the students are expected to be present in large numbers.

President Dr. L. R. Klink addressed the gathering, speaking on the importance of education and the role it plays in society. He emphasized the value of higher education and encouraged students to continue their studies.

A large group of guests, including faculty members, alumni, and friends, attended the exercises. The event was well attended, and the speeches were met with enthusiastic applause. The exercises concluded with a hearty reception and a delicious meal.

GRADUATING CLASS ENJOYS OUTING TO WINDSOR BEACH RESORT

A pleasant and popular destination, Windsor Beach, was the site for a delightful outing for the graduating class of the University. The day was spent in enjoying the beauty of the beach and the surrounding area.

The students were able to relax and enjoy the beauty of nature, and the day ended with a farewell dinner at the popular restaurant on the beach. The outing was a great success and provided a memorable experience for the class of graduates.

Although this is the last year that a class from the University of British Columbia, will be forced to graduate from the temporary buildings in Fairview, members of the classes of Arts '37 and Science '37 will be leaving the institution with their plans for a memorable occasion. The class executive of Arts '37 has arranged a complete programme for the exit and the members and the class are to file out as a unique one in the history of the college.

Christ Church is the scene of a special Eucharistic service for the graduating class today.

Monday's programme will include the "Class Day" ceremonies in the University auditorium and a large attendance is expected. A banquet for all graduating classes has been prepared for Tuesday night and on Wednesday afternoon a reception will be held in the Hotel Vancouver by President and Mrs. Kind. At the initiation of the programme, Professor F. C. Wood, the students will be entertained in Willow Hall in the evening.

Following the announcement of the examination, results on Wednesday, the congregation will be held Thursday afternoon at 2 o'clock in the University auditorium on Tenth avenue west. Those students who receive their degrees as guests of the Alumni Society at a dance on Friday night.

HEADS OF THE U.B.C.
ADVICE TO THE GRADUATES

Chancellor McKeehan and Mr. Hallock Heard at Graduation Banquet.

"When you graduate from the University you are not through with the institution," declared Dr. R. E. McKeehan, chancellor of the University of British Columbia, when pointing out the responsibilities of a graduate to his Alma Mater, in replying to a toast to the Alma Mater, proposed by Mr. A. R. Grover at the graduation banquet on Tuesday evening.

"The point that I am making is that the responsibility of a graduate to his Alma Mater extends to the maintenance of the excellence of the institution and the co-operation of the alumni with the University.

The toast to the King was proposed by Mr. Len Gaddis, toasted by Mr. Arthur Lane and replayed to by Dr. Athorn and Prof. D. Boiling. A toast to the class of '37 was proposed by Mr. Tommy Wilkinson and replayed to by the president of the graduating class.

University Announces Passes List

Vancouver Veteran and Victoria Co-ed. Are Chief Scholarship Winners at Varsity for 1925.

JACK HUGGIT WINNER OF $1200 SCHOLARSHIP

Coveted Governor-General's Gold Medal Goes To Miss Edith Lucas of the Capital City.

The University of British Columbia examination results were released this morning and confirmed at a meeting of the senate.

Mr. Jack L. Huggit, a last year's arts graduate, was named first holder of the Nicholson scholarship worth $1200, donated by His Honor the Lieutenant-Governor for post-graduate travel and study in Europe.

The Governor-General's gold medal, one of the most valuable of University honors, was awarded to Miss Edith Lucas of Victoria. Miss Lucas came to the University of British Columbia from Victoria College, where she led her classes. She has won several scholarships in the University, and is a prominent member of the French and Classics clubs.

Brian Sutherland, Science '25, won the $200 University scholarship and a convocation scholarship.

Huggit is a member of the 6th Field Battery, organized in Vancouver, and possesses an arts and a science degree. He instructed in the University last year.

Chaplain Gets Prize.

The Capt. LeRoy Memorial Scholarship for $50, one of the largest in the gift of the University, goes to B.C. E. Ross in the arts, and to Miss E. J. de la Salle in the science class. Miss de la Salle was appointed honorary conny by Bishop Stanfield of the Yukon. She is well known in Vancouver, and established an enviable reputation for herself.

Miss Margaret Kellier has won the $50 Scott Memorial Scholarship, gift of the C. G. E. Scott estate last year, and was awarded the $100 scholarship to Miss Edith Lucas of the arts.

The President of the University, Dr. W. G. Macdonald, congratulated the winners for their success, and congratulated the University for its success in the arts and sciences.
GRADUATES OF U.B.C. NOW IN DEMAND

Carry Off Many Teaching Fellowships in American Colleges.

University of California Elected All British Columbia Offered.

Many Now Teaching in the States Plan to Return.

Some Hope to Eventually Instruct in Alma Mater.

An unusual tribute to the high standard set by the University of British Columbia has been paid this year by the appointment of six students and an instructor in the department of economics to important scholarships and teaching fellowships in leading universities of the United States. Dr. G. H. Dougall, head of the department, has just announced the complete list of appointments received by students of his department.

"Every student who applied for a scholarship won it," declared Dr. Dougall. "There were 76 applications for the nine teaching fellowships at the University of California and out of those nine U. B. C. occupied three, the only three applying from here being elected."

YEARS SUCCESSFUL STUDENTS.

The successful students this year are Kathleen Dodge, Dal Grauer and Al Buchanan who will hold teaching fellowships at the University of California; Helen M. Stofft goes to the University of Chicago; Phyllis Gregory to Chicago, and Harry Brink will be a teaching fellow at the University of Washington and Lilian Cowell, graduate of last year, who has received a scholarship in economics and history at Clark University.

A. M. Sinclair, who has been an instructor in economics since September, was successful in winning an important research scholarship at Washington, D. C. This scholarship will enable him to work in the same department with Harry Cassady of Arts and Science, who went from the University of California to Washington. This is one of the best appointments in the entire list.

WELCOMED IN STATES.

Dal Grauer and Al Buchanan are talking in the athletic world for they are members of the University of B.C. basketball team which played Ottawa for the championship of Canada. Grauer is the retiring president of the University of B.C. Men’s Hockey Association, the highest post in student government. All students who received appointments have been leaders in college activities as well as in studies.

Since 1919, nineteen students of the University of British Columbia, from the department of economics alone, have been successful. These students have more than held their own in the leading American universities and teaching fellowships have proved very successful.

FOOTBALL STAR WINS DAIRY PRIZE

Tony Wilkinson.

The British Columbia Dairyman’s $1001 prize for students in agriculture at U. B. C. will be shared by Tony Wilkinson and two classmates.

MISS JEAN H. TOLMIE.

A. W. A. scholarship at the University was won by Jean Tolmie, first-year arts, Miss Tolmie, a South Vancouver girl, led the province in high school matriculation results.

REPEATS HIGH SCHOOL SUCCESS.

Miss Edith Lucas took Governor-General’s gold medal.

SEEK CANADIAN POSITIONS.

These students, though temporarily out of Canada, are eager for a chance to return to the Dominion and, within a few years, will probably be professors and instructors in various Canadian institutions. Some of them, however, are yet unemployed, to return to the University of British Columbia as instructors, and it is possible that the future will find more than one of them appointed to British Columbia.

Following is a summary of the scholarships and teaching fellowships won:

1921—W. G. Bultitude, scholarship to Harvard; now assistant professor of economics at Simon’s College, Boston. Miss Evelyn McKay, scholarship to Bryn Mawr; now specializing in employment services in New York.

1920—W. J. Cooper, scholarship to University of California; now instructor in economics at Yale.

OTHER WELL PLACED.

1921—Alan Russell, scholarship to the University of California; now studying law in Vancouver.

Alf Rive, teaching fellowship at the University of California; now instructor at Princeton University. Bruce Fraser, teaching fellowship to the University of California, which he was forced to resign for private reasons.

1922—Harry Cassady, teaching fellowship to the University of California; now in research work at Washington, D. C. L. T. University Alumni
Arranges Trust
Fund for U.B.C.

Establishment of a trust fund called the Norah Key Memorial was pro-
duced at the annual meeting of the Alumni Association of the University of
British Columbia, held on Tuesday at the University. The sum of $100 has
been set aside for a period of 100 years, and at the end of that time,
which amounts will be some $12,000,
the then chancellor of the University,
the president of the Alumni and the
manager of the trust company will ad-
minister the money for the library of
the University. The committee ap-
pointed to arrange details included
Miss Gwyn Rosden, Miss Hamper,
Mr. Sherwood Latt	 Already this fund has been added to
substantially, and many valuable
books and original documents have
been given to the University.

Officers elected for the coming year are: Honorary president, Dr. J.
B. Kline, president, Mr. Arthur St.
Lord; first vice-president, Miss Mar-
jorie Agnew; second vice-president,
Miss Syden Anderson; secretary, Miss
Tena Mckee; treasurer, Mr. J. A.
Lundie; recording secretary, Miss
Anne Hill; publications committee,
Miss M. B. Carraher, Miss Georgia
McKinnon and Mr. J. N. Welb.

This year's activities given by the
retiring president, Mr. Sherwood Latt,
showed the association to have been
active in the last year. The final af-
fair for the season will be a dance for
the graduating class at Willow Hall
on Friday evening, when Miss Anne
Mckee will have charge of the ar-
rangements.
The visits of Dr. H. H. Gwyn, D.D., to Vancouver are marked as epoch-making events in the history of Vancouver. Those who hear him preach, or lecture, can never forget the experience. He gives his hearers something to remember and think about for the rest of their lives.

Last night he preached at the baccalaureate service at Christ Church. There was a crowded congregation, hushed to a reverent silence but often moved to a demonstration of approval and delight as some truth was sent home, or clothed in picturesque or beautiful language which appealed to human nature or stirred all the poetic instincts.

The "setting" for such a message as the preacher delivered was perfect. The professors, in their colored gowns, contrasted with the white-robed choir, then the Hassell students in their somber black gave the "scene" environment so splendidly in harmony to a sermon full of dramatic illustration, poetic imagery, the magical beauty of glorious words.

The preacher founded his sermon on the parable of the trees waiting a king to reign over them. The olive, the fig tree and the vine refused to accept the crown of sovereignty. The bramble accepted on condition that it was given full authority—and then threatened should its subjects revolt to consume them with fire.

Too often, said the preacher, did those who were fitted to assume office neglect the opportunities for leadership, too often were brambles trusted with the responsibilities of governing the religious, political, civil and social life of the people.

Then the sermon became a wonderfully eloquent tribute to the value of "personality," of "character." Too many people looked upon a university as only fit to train a student like "Hamlet." "Nickled o'er with the pale cast of thought"—a university should produce MEN with the "personality" and "character," without which no man should assume a sovereignty, even that of humble civic government, over his fellow man.

It was enough to be a technician, it was not enough to have ideas of "progress" and "advance." The optimism of knowledge, the optimism of ideals, must take the place of the optimism of ignorance.

Wonderful is the wealth of this province of British Columbia, said the speaker. All should have sound utilitarian ideas of its development and progress, but they must cultivate something more than utilitarianism. The graces, the amenities of life must be cultivated. Life bade the students not to give up their dreams, not to have anything of the arrogance of the bramble and assume an office for which they had not trained. They must thank God for all that gave them the sweetness and light of culture and the rugged teaching of experience. The world was looking for leaders; it needed leaders. The students before him were knights watching their armor before venturing into the fray. Let them take Christ as the pattern of chivalry and determine that defeat or victory should be associated with honor.
