Fonds Description

Department of Animal Husbandry fonds. – 1918-1967.

48.5 cm of textual records and other materials.

Administrative History

The Department of Animal Husbandry was established in the Faculty of Agriculture in 1917 and continued until superseded by the Department of Animal Science in the early 1950s. The function of the department was "to afford education and training in all matters pertaining to live stock to all those living in the province and seeking and applying for such education."

Scope and Content

Fonds consists of correspondence, inventories, budgets, articles, clippings, printed material, awards, ownership papers, photographs, and an album pertaining to the administration of the Department of Animal Husbandry and judging competitions. Fonds includes materials regarding the livestock breed by the department and the much-acclaimed cattle herds.

Notes

Fonds consists of institutional records – access requests must be reviewed by the University's FOIPOP Coordinator.

Includes: 126 photographs, 1 architectural drawing, 1 album.

Most of the material came from the files of H.M. King who became department head in the early 1920s and continued in this capacity until 1952.

Photographs are included in UBC Archives' [Historical Photograph Database](#) under [UBC 13.1](#).

File list available.

Series Descriptions

Administration series. - 1918-1967.

44.5 cm of textual records and other materials.

Series consists of correspondence, inventories, budgets, articles, clippings, printed material, awards, and ownership papers pertaining to the administration of the Department of Animal Husbandry.
