

WILDERNESS ADVISORY COMMITTEE

An inventory of their records

in

The Library of the University of British Columbia.

Special Collections Division,

Prepared by:

Chris Hives, August, 1987.

Wilderness Advisory Committee.

Formed in October 1985 by the Honorable Austin Pelton, the Wilderness Advisory Committee received briefs regarding selected wilderness areas throughout the province. The records consist of copies of correspondence and briefs received by the committee most of which are dated December 1985.
