# BIG SPORT CARD ARRANGED FOR VARSITY'S TRIP TO CAPITAL

Rowing, Swimming, Basketball, Badminton and Grass Hockey Will Lead Up to Grand Finale in Shape of McKechnie Cup Game With Victoria Rep Team

Varsity students are looking forward with a great deal of enthusiasm to the annual pilgrimage to the Capital, to take place this year on Friday and Saturday, January 6 and 7. This annual competition with Victoria athletes always arouses a great deal of interest and should prove especially so this year, as Varsity will have a chance to lock horns for the first time with her sister institution, Victoria College. The games and competitions this year have been placed in the hands of the James Bay Athletic Association and Victoria College, who will work together in the arrangement of the two-day programme.

The following list of events has been practically decided upon by the University Men's Athletic Association: Friday, the 6th, at 4 p.m., rowing. It was intended to have two events a lapstreak four and a shell double, but owing to the inconvenience of taking over a shell to Victoria, the latter will probably have to be abandoned in favor of another lapstreak four event of different weight from the first.

Friday, at 5 p.m., swimming: For the men there will be a 50 and a 100

yard dash, four fancy diving contests, a four-man relay race, a backstroke race and plunging for distance. For the ladies there will be a 50 and a 200 yard race, fancy diving, and a relay race for a team of four.

Friday, at 7 p.m., basketball and badminton: There will be two basketball games, a senior men's and a senior ladies' match, and two badminton doubles matches. First on the programme will be the ladies' basketball, followed by badminton and the men's basketball.

Saturday, at 10 a.m., soccer; 11 a.m., ladies' grass hockey; 2 p.m., half-mile relay, four-man teams; 2:15 p.m., rugby, J.B.A.A. vs. Varsity; 3:30 p.m., McKechnie Cup game, Varsity vs. Victoria. The times of Saturday's events have, as yet, not been definitely settled, but the above represents the approximate order of procedure.

### Burman Beats Gould.

MONTREAL, Nov. 12.—Joe Burman, Chicago, easily won a match here last night with Benny Gould, a local boxer, although the latter man managed to stay 10 rounds. Gould was given the worst beating of his career, but his game effort was loudly applauded.

# VARSIY'S TRIP TO SOUTH IS OFF

Stanford Authorities Unable to Guarantee Expenses—Victoria Rep Team Will Be at Brockton Point on Saturday to Meet Vancouver Team—Stanford Dates Arranged

The arranging of a game between Centrals, intermediate winners in the Vancouver rugby series, with a team to be picked from Victoria seniors who are not on the Capital's rep. aggregation, and the cancellation of the proposed trip of the Varsity team to Palo Alto were the chief items of business put through at last evening's meeting of the Vancouver Rugby Union.

In connection with the projected trip to California by the students, President Bell-Irving received a wire from the Stanford University's athletic authorities, stating that they could not guarantee expenses. Interest in the English code is at a low ebb in California at the present time, all the colleges but Stanford having gone in altogether for the American game. The Palo Alto institution is endeavoring to keep the English game alive in the coast states, but for the meantime is forced to look to the north for competition. It is felt that the degree of interest that a game in California would arouse would not be sufficient to justify the B. C. rugby boys in making the trip.

### Stanford Team's Visit

With regard to the coming visit of the Stanford boys to Vancouver, the college authorities have decided to grant members of the team the right to wear the college letter, formerly granted to those taking part in the annual fixture with University of California.

nual fixture with University of California.

## VARSIY ADVANCES IN IROQUOIS CUP

The Varsity soccer team crossed the dope on Saturday afternoon, when they rushed the Elks off their feet in a second round Iroquois cup tie and qualified for the finals by defeating the favorites by three goals to nil.

The Brothers Bill appeared to be unable to get their combination working properly and were at a loss before the speed and precision displayed by the students, who seem to have hit their stride and are no wflavored to get the length of the finals at least.

## Xmas Concert At University Well Received

The annual Christmas concert given by the Musical Society of the University of British Columbia in the auditorium on Saturday evening was greeted with much enthusiasm by the many who attended. It was a decided success. The programme was varied and much credit is due Miss Ida Morris, L.R.A.M., who conducted the musicale, having acted as musical instructor for the Society during the 1921 session. Miss Morris was presented with a beautiful bouquet of white chrysanthemums during the course of the evening. Following the concert, tea was served by the Faculty Women's Club. Among those assisting were Mrs. James Henderson, Miss Isabel McInnis, Mrs. Hartley, Mrs. Thompson, Mrs. Gillies, Mrs. Clement, Mrs. Paul Boving, Mrs. A. F. B. Clark, Mrs. Stanley Mathews and Mrs. Fraser.

# KITSIES HOLD SAINTS TO DRAW

Soccer League Leaders Lucky to Get One Point in Game—

### Varsity Surprise Elks

	Pyd.	Won	Lost	Dn.	Pts.
St. Andrews	9	6	0	3	15
N. V. Callies	9	6	2	1	13
South Hill	9	3	2	4	10
Veterans	9	4	4	1	9
W'ster United	8	2	3	3	7
Kits'ino United	8	2	5	2	6
Sapperton	8	1	4	3	6
Cedar Cottage	9	1	5	3	5

Saturday afternoon proved to be delightful for all outdoor field games, and soccer came into its own again after the disappointment of the previous week. A full programme of matches was arranged and carried out with one solitary exception, the Westminster United and Sapperton game in the V. & D. League, First Div., being called off.

The surprise of the First Division games was the excellent result obtained by Kitsilano, who gave the champions the fright of their lives, and the Saints were the lucky team to save one point out of the fray. The Kitsies have now got together a strong, well balanced eleven, and should go far in the Cup Ties, if the team keeps free from injuries.

### Hill Men in Form Again.

South Hill have recovered their form and were too good for the Veterans, whom they defeated by 3 goals to 1. Next Saturday's game between the Hill and St. Andrews in the replay of the Imperial Cup game at Athletic Park, will be a humdinger.

Cedar Cottage were unable to prevent the North Shore Caledonians from taking both points and advance a step nearer St. Andrews in the race for championship honors.

### Iroquois Cup.

The defeat of the Elks, with all their ex-first division stars, by the Varsity, in Round 2 of the Iroquois Cup, was the biggest surprise of the afternoon. The fast-moving students are just the sort of team that can be looked on for an occasional surprise, and may make some more of the fancied clubs look up before the season ends.

To defeat the Brother Bills by three clear goals in a cup tie is a feather in the caps of the Varsity boys, who are now looked upon as favorites for the cup.

### Division II.

In the Second Division, Mount Pleasant had an excellent win over Marpole. Manager Willoughby's boys have always been near the top without actually landing there, but his ambition may be realized at the end of this season. Kerrisdale proved too strong for Army and Navy, but only succeeded in taking the points by the odd goal in three. Royal Bank dropped a bit in the league ladder by allowing the C.N.R. to lower their colors, the Railroaders claiming three of the four goals scored. West Vancouver suffered their usual defeat, this time at the hands—or, rather, feet—of the Province, 4 goals to 3 being the result.

### Brunswick Cup.

The first round of the Brunswick Cup was decided on Saturday. River-view had the biggest win of the day, accounting for Victoria Road by 6 goals to 1, while the Fraser Valley, Collingwood, Wilson Rangers and Smith, Davidson & Wright all claimed victories over Shamrocks, Postals, Chinese Students and Royal Bank, and so all pass on to the second round.

Results of games in the Vancouver and District League on Saturday were:

### Division 1.

St. Andrews 2, Kitsilano 2.  
South Hill 3, Veterans 1.  
North Van. 1, Cedar Cottage 0.

### Division 2.

Kerrisdale 2, Army and Navy 1.  
West Van. 2, Province 4.  
Mt. Pleasant 3, Marpole 1.  
C. N. R. 3, Royal Bank 1.  
Iroquois Cup, Round 2—  
Varsity 3, Elks 0.

### Division 3.

Brunswick Cup, Round 1—  
Riverside 6, Victoria Road 1.  
Collingwood 3, Postals 0.  
Fraser Valley 1, Shamrocks 0.  
Wilson Rangers 4, Chinese 1.  
S. D. & Wright 3, Royal Bank 1.

# INTERMEDIATE TEAMS ARE FAST

Four Teams Lined Up for Hockey Weeks—Towers, Nationals, Many Promising Players

Which Opens in Two Weeks—Bluebirds Have

The Intermediate Division of the Amateur Hockey Association will witness four strong teams battling it out for the Birks trophy, which goes to the victors. The class of play in this league is naturally not quite as fast as that which will be served up by their senior brothers, but for hard and earnest competition these outfits are going to offer some grand and glorious battles for the pleasure of their followers, for all the teams shape up as being very evenly balanced as regards to playing strength.

The Towers and Varsity squads have been hard at work whipping their combinations into strong playing form and are producing splendid results and will open the season with teams that will prove dangerous contenders at all stages of the race. The class of hockey that they will stage is going to prove a pleasant surprise to the followers of amateur hockey in Vancouver. Allan Fellowes and Mr. Pennock have given their Intermediate Towers some valuable coaching and the boys are showing the benefits of it in their improved play. Jack McPherson and P. D. J. Honeyman have driven their student charges many stiff workouts and announce that Varsity will have a good bunch of boys to uphold the university's honor on the ice.

### Cory Hesse Busy.

Cory Hesse has been hard at work at the difficult task of lining up a championship contender to sport the national colors this year, and there is no doubt but what he will be found on deck with a crack team that will make the other boys work overtime. This is the fourth year that the National Athletic Club has been represented on the ice, and their record is surely an impressive one. They copied the championship of the Intermediate Division in 1918, their first year, and repeated in 1919.

Then in 1920 the all-conquering Bluebirds stepped up from Junior company into the Intermediates and after a thrilling race throughout the entire schedule these two outfits found themselves deadlocked and the championship cup was not given to either of them although they both put in strenuous claims for its possession.

Hesse has been saying very little this year, but he has had a big turnout at his workouts, some 18 or

### Bluebirds Are Fast

The Bluebirds have not been behind the other league members in their efforts towards getting together a dependable hockey machine. Gordon Mould, their manager, is well pleased with his hopefuls as they shape up right now. From goal outwards they are speedy and it will be on this, along with combination and condition that they will base their hopes of landing on top. The Nats and Bluebirds will no doubt take up the trail just where they left off last year and the fans will surely reap the benefit of this extreme rivalry when the two clubs clash.

The wearers of the Bluebirds' togs for the coming season are as follows. Tom Wood in goal. He is a product of the Winnipeg Deaf and Dumb team and is a sparkling prospect. Jeff Bolt, Gordon Messenger and Donny McDonald will hold down the defence and they size up nicely. The forward line has Chet Dowman, Roy Davis, Johnny Owen, Barkwell and Gage as members and they form a nice line of sharp shooters.

# LEADERS WIN IN RUGBY TUSSLES

Centrals Lucky to Get Victory Over Bank of Commerce—Protest Possible—Rowing Club Too Strong for Varsity—Play-Off for Miller Cup If Centrals Beat the Students

### MILLER CUP STANDING.

Team	Won.	Lost.	Drawn.	Pts.
Rowing Club	5	1	0	10
Centrals	4	1	0	8
Varsity	0	3	2	2
Bank of Commerce	0	4	2	2

The race for the Miller Cup in the senior rugby series is drawing very close and the Rowing Club fifteen, with five wins and one loss, are leading the league, closely followed by the Centrals, who have only played five games in all and still have to meet the Varsity squad in their second game, which was postponed early in the season. Much depends on this game. Should the college team prove the stronger, the Cardinals will be out of the running and the Rowing Club will cop the silverware, but should the Centrals win, then a play-off will be held between them and the league leaders for first place. The first time the Centrals went down to defeat, but the second match they came back with flying colors. There is another factor which enters into the situation, and that is the Rugby Union have given the Varsity permission to play the team they had picked earlier in the season, containing some of the men who are now members of the Varsity McKechnie Cup team.

On Saturday at Brockton Point, the league leaders on their games, but the Centrals had the closest call of their lives from the Bank of Commerce men, who played the best game this year. As it is the Commerce team will, it is reported, protest the match at Tuesday night's rugby meeting on the point that a try scored by Ross in the second half was a perfectly good one and that the pass called by the referee as forward was quite legal.

The date of the postponed game between the Varsity and Centrals has not been set yet and it is not likely that it will be played till after the New Year.

### Oarsmen Beat Students.

The Varsity team held the Rowing Club men well in check during the first half of their game and only allowed them one unconverted try, but they slacked off in the second half

and while they managed to get over the line once, they were not strong enough in the back division to prevent the Rowers from garnering three more tries.

Both teams had plenty of speed and at times the game was fairly well open with the forwards kicking into the loose and following up. The club pressed hard at the outset and carried the play into the Varsity two-bit area but could not score. The collegians reversed the play right after this by making big gains in kicking to touch. An attempt on the part of the red and white team to break away was quickly smothered by deadly tackling. Fraser relieved the pressure near the end of the half by making a neat punt into the loose and the pack went down the field like race horses. Charlie Winch, taking a pass from a loose scrum, got over the line for a try near the corner. The distance was too great to convert.

### Varsity Scores Try.

When the second half opened, the field had commenced to get fairly slippery and the three-quarters tried to get far in their runs. Jones, Meekison of the Varsity, cut some neat

and were by the Varsity

Fraser, who secured a score just at the corner. Once again the attempt at converting failed.

The last score of the game was the result of a run by the backs and Muir was credited with the score. During this time the Varsity team were not idle, but they were not a match for the heavier Rowing Club pack, who pushed them back by sheer strength. The teams:

Rowing Club—Stuart; Winch, Hunter, Muir and Prenter; Grimmett; Annance and Marshall; Lord, Decker, Weid, Fraser, Edwards, Sherwood and Clarke.

Varsity—Cameron; Peter, McLane, Penwell and Price; Bickell; Hunter and Edgett; Hatch, Gregg, Hooper, Hedley, Wilson, Jones and Meekison.

### Commerce in Hard Luck

The Bank of Commerce came within an ace of spilling the Centrals' apple-cart the Cardinals just managing to nose out the Financiers, six to four, with the help of a big bit of luck.

A very doubtful forward pass called against the Bankers in the second period deprived them of a try which would have brought their score to the seven points needed for victory.

The game, while marred by sloppiness in passing by both three-quarter lines, was a thriller from start to finish, and with the result in doubt till the final whistle, the spectators got more kick out of it than from any other game of the season.

The final fifteen minutes of play were spectacular in the extreme, with the ball travelling from end to end in an exciting succession of kicks and runs, and both sides threatening to score time and again.

### Fine Drop-Kick by Thornthwaite

Lining up with only fourteen men the bank boys showed they were out for business. A series of scrimmages placed the ball on Centrals' twenty-five, where Thornthwaite essayed a drop-kick, but booted into the pack. A second later the ball shot back into the same player's hands. With a single motion he caught it, dropped it to the ground and banged it over the bar for one of the neatest field goals scored at Brockton Point in many a day.

### Centrals Get Try.

Tyrwhitt's men then came back strongly and pressed play almost to the Bankers' line, where they were met with a stubborn defence that foiled their efforts to score for ten or fifteen minutes before Cam Stewart snared a pass and galloped over near the touchline for a try, which McBride narrowly missed converting from a difficult angle.

Half time came with the Commerce team again defending their goal and the score still at four to three.

### Bankers in Hard Luck

Half way through the second period the Bankers staged a brilliant passing run from centre-field and Ross tore across after receiving what looked like a perfectly good pass from Cameron, but the referee ruled that the ball had been tossed forward, and the score was not allowed.

Shortly afterwards, the Central three got away from 25 yards out, and Tyrwhitt, taking Macken's pass, sprinted over for his side's second try, which McBryde again just failed to convert.

From this point to the finish play swung with bewildering rapidity from

end to end, both sides repeatedly coming within an ace of scoring. Once Keeling, the Central full-back, spilled Cameron just as the latter sent a short kick over with a fine chance to follow up and fall on it and nobody else near to save a try. Again Macken shot over at the very corner, but hit the flag and grounded the ball beyond the touchline. On several occasions one team had the ball right on the other's line, but sterling defensive work saved the day.

The final whistle found the ball at centre.

Line-ups were as follows:  
Centrals: Keeling; Macken, Harry Lord, McQuoid, Tyrwhitt; Laidlaw; Doidge, Jardine; Brown, Clark, Bayliss, Gourlay, Lindsay, Stewart and McBryde.

Bank of Commerce: Goodacre; Thornthwaite, Harvey, Cameron, Ross; Gordon; Herbsman, Hutcheson; Farris, Grievie, J. Martin, C. Martin, Gwyther, Ewart, Matheson.

## S. M. SCOTT WINS I. O. D. E. B. C. OVERSEAS SCHOLARSHIP

Mr. S. Morley Scott, who graduated with honors in arts at the University of British Columbia last year, has been awarded the 1922 I. O. D. E. Overseas Scholarship for British Columbia for 1922. Tenable for one year in a British university, it has a value of \$1400.

Mr. Scott is the son of Dr. and Mrs. S. D. Scott, 395 Fourteenth Avenue West. Taking honors in history and Latin at the University of British Columbia last spring, he also won the Alexander Mackenzie fellowship in history at the University of Toronto, taking him to the Queen City for a year. He is working toward a degree of Master of Arts there.

Joining the 196th (University) Battalion as sergeant in March, 1916, he served in France with the 102nd Northern British Columbia battalion and was gassed at Paaschendaale. He afterwards gained his commission. While at the university he was an editor of the Ubysey here and last summer was engaged in making a record for the institution of the war records of its students and former students.

Like the winner of the Overseas Scholarship in Nova Scotia, Mr. Scott, it is stated, would have been awarded the Rhodes scholarship for this province in 1921 had he not been a few weeks over age.

The committee of selection for British Columbia for the 1922 award was as follows:

Mrs. A. E. Griffiths, Victoria; Mrs. R. C. Boyle, Vancouver; Rt. Rev. A. U. de Pencier, president of the Vancouver Canadian Club; Mr. W. C. Shelly, president of Vancouver Rotary Club; Brig.-General J. A. Clark, and Mrs. C. L. Boynton, Vancouver, convener I. O.

S. M. SCOTT, B.A.

D. E. War Memorial in British Columbia.

The scholarship is for returned men and comes to British Columbia every two years.

## FORMER CLASSMATES ARE PALLBEARERS

### U. B. C. Graduates at Funeral of Miss Norah Coy

A quiet funeral service was conducted this afternoon in the Mount Pleasant undertaking parlors for Miss Norah Coy, only daughter of Dr. and Mrs. W. F. Coy, 2700 Main Street, and a prominent member of the 1918 graduating class of the university. Rev. M. H. Jackson officiated.

Messrs. Ian Shaw, Art Lord, J. Johannsen, John Allardyce, Percy Southcott and Douglas Lee, all former members of Arts '18, of which Miss Coy was permanent president, were pallbearers. Several of this number were co-workers with Miss Coy on the Students' Council in the 1917-18 session and, as undergraduates with her were actively engaged in the direction of student affairs at the college.

## Is Victim of College Spirit

### Critic of Team Finds Lots of "Pep"

"The rugby team's no good."

This terse phrase uttered at the conclusion of an address on "College Spirit" before a large gathering of students at the University yesterday noon almost created a riot. It took just about three seconds from the time the last word was out of the speaker's mouth to transform the body of the hall into a miniature "massacre of innocents," with the perpetrator of the insult playing the leading role of bottom man.

Led by "Specks" Melville, a concerted onslaught was launched against the offender while women, who constituted a large portion of the audience, rushed screaming from the hall. Others, actuated by a bloodthirsty impulse, hung on the outskirts of the overturned benches urging on the gladiators with shrill cries of excitement.

Paul Whitley, president of the Alma Mater, felt himself called upon, as

chairman of the meeting, to put an end to the proceedings; so summoning his trusty cohorts around him, he descended into the midst of the fray and rescued the victim, who, once more on his feet, was unceremoniously ejected through the door.

When the smoke and dust of battle cleared away, "Specks" was led by Mr. Whitley to the platform and hailed as the champion of his Alma Mater's honor. With dishevelled hair and torn shirt, Mr. Melville regained his composure sufficiently to make a few remarks on what he considered to be college spirit and "pep"; he then withdrew, the cynosure of all female eyes and the hero of the hour.

The unfortunate feature of the whole affair, however, was that the truth finally leaked out. The fight had been part of a prearranged plan to impress on the minds of the students the necessity of supporting the Varsity team in its game against Stanford at Christmas.

## Students' Council Plan Festivities

The Students' Council of the University of British Columbia has appointed a social committee consisting of students, who are to plan festivities for the entertainment of members of the Stanford University rugby team who are to be visitors here during the Christmas holidays. Among those appointed to the committee are: Arts women, Miss Norah Willis, Miss Dorothy Dallas, Miss Beth McLennan, Miss Frances Cowan; arts men, Mr. Alan Hunter, Mr. Jack Grant; science men, Mr. Wm. Graham; agriculture men, Mr. Bert Sweeting.

## OPENING GAMES OF VANCOUVER LEAGUE

Four games will feature the opening of the season for the Vancouver Amateur Hockey Association at the Arena on Friday night. Mayor R. H. Gale will face off the puck in the first match, which

starts sharp at 7 p.m. The Nationals and the Blue Birds of the intermediate division will open the proceedings.

The second game will be between the Monarchs and the Elks, starting an hour after the opener, while at nine o'clock the Towers and the Central Seniors will commence their argument. The last hour of the evening has been reserved for the Varsity and Tower intermediates. The Elks band will be in attendance and will dispense music during the intermission.

## TWO EXHIBITION RUGBY MATCHES

The exhibition rugby games are carded for Brockton Point Saturday afternoon, while the Rep. team is in Victoria. The Varsity McKechnie cup team will meet the Rep. "B" fifteen, while the Centrals Intermediates, winners of their league, will play an all-star team in the first game, starting at 2:15 p.m.

The intermediate tussle should be well worth seeing, as the Centrals are planning to enter the senior league in the Tisdall Cup race after the New Year and the team that is pitted against them tomorrow will be the pick of the other three intermediate teams. The Centrals will line up like this:

Full back, McDonald; three-quarters, Mahon, Watters, Laidlaw, Procter; five-eighths, Cann; half backs, M. Rolston and Lowery; forwards, Moore, Downey, Stewart, Irvine, Calder, Rolston and Mowat.

The Varsity will field their regular McKechnie Cup team, while the Rep. "B" squad has been selected as follows:

Full back, Goodacre; three-quarters, Prenter, Cameron (captain), Lewis, Ross; five-eighths, Lawson; half backs, Jardine and Doidge; forwards, Sherwood, J. Martin, Mathewson, Mee-kison, Grieve, Weld, A. Lord; spare backs, McDougall and Muir; forwards, Gwyther, C. Martin.

# WOMEN VARSITY STUDENTS HAVE CRACK SPORTS TEAMS

UNIVERSITY students will go on a holiday trip to Victoria between January 6 and 10 for the inter-city sports. Many women students are making the trip this year, and crack basketball, grass hockey, badminton, swimming and diving teams will go over. Mrs. Paul Boving and Miss M. L. Bollert will be the chaperones. The annual ball at the conclusion of the sports will be held in the capital. The patrons of this event will be His Honor the Lieutenant Governor. Others interesting themselves in the sports and dance are Mrs. W. C. Nichol, Brig.-General and Mrs. R. P. Clarke, Col. and Mrs. F. A. Robinson, Dr. and Mrs. R. E. McKechnie, President and Mrs. L. S. Kilinch.

**MISS MARJORIE PECK**

whose engagement to Capt. Gosford Heaslip Martin, son of Mr. and Mrs. W. P. Martin of this city is announced this week. Miss Peck is one of the most popular girl graduates of the University of British Columbia of arts 1919, and one of the most active in university social activities. She was secretary in 1919 of the students' council of the University of B.C., the first year of the council's inauguration. She has also been active in the Y.W.C.A. of the university, and in the Y.W.C.A. Girls' Club of the city. She is the daughter of Rev. W. W. Peck and Mrs. Peck.

### VARSIITY SQUAD MEET CENTRALS

Both the Central and Varsity senior teams are in readiness for their final rugby game in the Miller Cup series at Brockton Point on Saturday, starting at 3:15 sharp. Weather conditions are very promising and the field is expected to be in shape for a good, fast match. If the Centrals are victorious they will meet the Rowing Club fifteen for the possession of the trophy, while if they are defeated, the cup automatically goes to the oarsmen, who are now the league leaders. Captain Jack Tyrwhitt had his men out for two hard practices this week and reports that his team is in the best of shape. "Meek" Meekison, head of the Varsity pack, has the McKechnie Cup squad of the college to draw on and he expects to give the Cardinals a hard cussle. The teams will be practically the same as before.

## VARSIITY TEAM IS ANNOUNCED

### Collegians Have Very Strong Fifteen to Pit Against Stan- ford Ruggers for Trophy

With most of the casualties of the past rugby season once again back in harness, Varsity will field a team against Stanford on Monday at Brockton Point which should equal, if not surpass that of last year which defeated the southerners decisively in one of the most gruelling games ever staged in Vancouver. The selection committee after much study has selected the following team to defend The World trophy on Dec. 26:

Full-back, Domoney; three-quarters, McLeod, Fenwell, Peter and Price; five-eighths, Ternan; halves, Cameron and Buchanan; forwards, Gross, Gwyther, Greggor, Hodson, Bickie, Carlisle and Gunning. Spares: Backs, Scott and Hunter; forwards, Gregg, Meekison and Jones.

Every man on the team has been following a strict training schedule, and if condition counts for anything, Varsity's chances of victory would appear good. This year's team includes several players who have come to the fore only in the past season. Several of them played little or no rugby before this year.

Claire Domoney, one of the big "finds" of the year, is the first freshman ever selected to play on the senior Varsity team. Previous to entering varsity he played full-back for the King Edward High, where he educated a toe that can match kicks with the famous Dick Templeton. His tackling is sure and fearless and he is considered one of the best back men that Vancouver has so far developed.

#### Former School Stars.

Johnny McLeod is one of the soccer players of former years who has branched out into rugby with success. His performances through the past season have been marked by speedy sprinting and spectacular kicking, no doubt the result of constant practice in his first love, soccer. Frank Fenwell is another King Edward man, and although starting the year on the varsity third team, has rapidly come to the fore, winning himself a position for the Stanford series. Peter and Price have had similar experiences.

"Gee" Ternan, of the educated toe, played on last year's team and will be seen in action again on the 26th. Gee has proven himself on past occasions the thin edge of the three-quarter wedge, as well as being a sure tackler and one of the fastest men on the team. Al Buchanan and Rex Cameron are two of last year's old guard. Rex is famous for his booting and dribbling, the result of practice in former soccer days. Buck Buchanan, although laid up with a twisted shoulder for the past three weeks, is once again as good as ever and able to go the limit on Monday.

Last year's forward line remains practically intact. George Cross, Kenny Carlisle, Al Bickie, Val Gwyther, Reg Hodson and Pug Greggor are all members of the last year's team. Gunning has developed with incredible speed, and although this is his first year in the game, is considered one of the strongest forwards on the team. The reserves include five good men, all of whom have proven worthy of their mettle this season.

## STANFORD VISIT MAY BE STOPPED

### Local Rugby Officials Fear Continued Frost Will Prohibit Games Here Next Week

B. Bell-Irving, president of the Vancouver Rugby Union, received a wire from H. W. Maloney, coach of the Stanford team, this morning stating that the university authorities there would allow them till January 3 to return home. This means that the games could be played here on December 31, January 2 and 4, leaving out Victoria.

At tonight's meeting of the rugby union a weather forecast will be presented and the matter definitely decided. Local officials, however, do not feel justified in bringing the Stanford team here if the games cannot be played as a guarantee of \$2200 must be put up.

"Continued hard frost here for past week may necessitate delaying rugby games. Could you leave your departure for here till Tuesday's boat or Wednesday by train?"

This telegram was sent last night to Stanford University by local rugby authorities in connection with the three rugby games which are scheduled to be played here next week. On examination of the oval at Brockton Point it was found that the frost has gone down a foot into the earth and the field cannot be put in shape for Monday's game if the cold weather continues.

The local officials in the telegram also suggested that the Stanford team, which is all ready to leave Thursday for Victoria, where they are supposed to play on Saturday, leave the Capital trip out of their itinerary and play here December 31 and January 2 and 4 and arriving back home two days late. Another suggestion was that they play Victoria on the 31st and then come here for three games on January 2, 4 and 7.

# VARSITY RUGGERS DEFEAT STANFORD

## U. B. C. Fifteen Won Hard Battle From Southern Collegians by Eight Points to Nil—Penwell Scores First Try, Con- verted by Gwyther, and Cross Gets Second Score

Varsity, one goal (5) and one try (3).  
Stanford, 0.

The University of British Columbia rugby football team are today the champions of the Pacific coast university series and the first team to win the Vancouver World trophy. On a field of snow at Brockton Point Monday afternoon with sawdust to mark the lines, they met and defeated the visiting team from Stanford University by a score of 8-0 in a very exciting battle. Between 4000 and 5000 fans, half of them students at the Varsity, saw the game. It was a thrilling game from start to finish. The visitors got over the line once, but their score was not allowed, while the last try which the Varsity secured, was rather doubtful, the man scoring from a pass from another man who was off-side, according to those near the play. However, the try did not affect the game very much.

The police pipe band were on hand and livened the proceedings.

Frank Penwell, former King Edward student, was the hero of the first half when he went over for his try, which Harold Gwyther converted with a neat kick. George Cross, another graduate from the same high school, scored the other try, which remained unconverted.

The enthusiasm of the Varsity supporters was unbounded and they kept up their yells and choruses from start to finish. A big sign, "The University of B. C. Welcome Stanford University" was painted on the fence in the college colors, while on the field was the Varsity emblem and the names of the players in blue and gold.

The Varsity team were in better condition and knew the game better. Stanford players at different times had free kicks called against them for breaches of the rules, though not by intention. They played for all they were worth and made a splendid showing, and were good sports.

The play was in the Stanford territory the better part of the game and most of the plays were executed by the forwards. The field was fast and hard, a number of brilliant runs being featured. Stanford got the ball out of the scrum the most but the Varsity pack were superior in dribbling. Claire Domoney, Varsity full back, played a wonderful game and with only a few exceptions he made good use of his kicks. George Davis, playing in the same position for the visitors, was not so sure of his kicks and in the second game was handicapped by a sprained ankle but he kept doggedly at it.

A feature of the game was the plunging of the Stanford men. "Tiny" Lynn being the leader in this respect. Another thing was their intercepting of Varsity three-quarter passes. Varsity backs found touch more often and for bigger gains than Stanford. Carlisle, Bickell and Cross were the pick of the winning pack, Ternan, Penwell, McLeod and Domoney in the back division.

For Stanford, Lynn, Wallace, Wren, Patrick, Wilcox and Schlaudeman were the leading lights.

### Stanford Kicked Off

Stanford got the kick-off and Patrick, booting the pigskin from the top of a snow "tee" led his cohorts to the Varsity twenty-five yard line where both teams bunched in a lively scrum. Scott made a pretty kick to touch at centre.

On the line but Varsity secured the ball and passed back to "Gee" Ternan, who, after a short run, found touch again on Stanford's 25-yard line. Varsity again gained possession of the ball, the forwards working to perfection. Carlisle finally emerged from the scrum with the ball at his feet and was not stopped till within five yards of the Southerners' line. Stanford tightened up on the defence and intercepting the ball after a three-quarter rush on the part of U. B. C. carried the battle back to centre field where Cameron kicked to touch.

From the line out Stanford was off with a rush and Patrick, receiving the ball at full speed, got away with only two men to pass. Domoney's tackle was sure, however, and Patrick's efforts were fruitless. A few minutes later a perfect three-quarter run on the part of Varsity took the ball into the enemy's territory to within ten yards of the back line. Stanford saved by falling on the ball in touch.

### Penwell Scores.

Towards the end of the first half Stanford came near scoring a try when Ternan passed back to Domoney in the Varsity 25-yard line. Domoney tumbled and before he could kick or touch, was bowled over. On the defensive, Varsity fought hard and the ball finally emerged from the scrum near the line and was dribbled by McLeod for 25 yards. The Varsity forwards continued their effective work after the line out, and Bickie repeated McLeod's performance, carrying the ball to the Stanford 25-yard line, where he was stopped by Maillot. The ball finally came out to Cameron and the threes, and after a pretty passing bout, Penwell scored a try, falling across the line near the poles. Gwyther had little difficulty in converting.

Shortly before the end of the period Peter put his knee out but was able to continue the game. Bickie was kicked behind the ear and had to retire for the remainder of the period.

When play was resumed Stanford made a fine three-quarter rush which was finally broken up by Domoney falling on the ball behind the Varsity line. Stanford continued offensive tactics till the whistle.

### Second Half.

The second half commenced with Stanford on the offensive but after great work by the Varsity forwards, the ball ended in touch near centre field. Bickie, with his head swathed in bandages, was back in the game as hard as ever, and made his presence felt by fine dribbling. The forwards did most of the work in this half, the ball seldom going back to the threes. Varsity dribbled over Stanford's back line after twenty minutes' play, but the ball, landing on the cinder path, was out of play.

Varsity continued to pound their opponents' line, however, and on several occasions nearly got across for a try. With the ball on Stanford's two-bit line Ternan finally got possession and after dodging three men passed to Cross, who fell across for the final try of the game. Gwyther was unable to convert.

Stanford tried valiantly to score but Varsity's tackling was deadly. "Tiny" Lynn almost succeeded in dropping one over the bar for a field goal just before the final whistle but the ball fell short. Johnny McLeod tried the same trick a few minutes after but also failed to score. The final whistle blow with Varsity pressing hard.

## University Girl Will Be Married In the New Year

Mrs. W. W. Peck, Talton Place, has issued invitations for a reception to be held on Thursday afternoon, December 22, in honor of her daughter, Miss Marjorie Peck, who is to be married shortly to Mr. Gosford Martin, son of Mr. and Mrs. W. P. Martin of 1865 Sixteenth Avenue West. For about a year past Mr. Martin, jr., has been in business in Montreal, where the couple will make their future home. Miss Peck is a graduate of the University of B.C.

## NAVAL TEAM TO PLAY VARSITY

### H.M.S. Raleigh Ruggers Will Meet Collegians at Brockton Point on Saturday

Varsity and not Stanford will play the rugby team from H.M.S. Raleigh at Brockton Point on Saturday. This was the decision of the Vancouver Rugby Union officials yesterday afternoon after conferring with the naval captain, Lieut. Orr-Ewing. The naval team are quite prepared to play Stanford if local officials wish them to do so, but would prefer to meet the Varsity, as they have been planning on the game for some time. Dave Wallace, captain of the visiting Stanford team, will be asked to handle the whistle for the game.

The team which Varsity will field on Saturday will not be the same as played on Monday owing to the fact that several of the players are out of town. Their places will be filled from the second and third teams, Coach C. G. McLachlan stated.

The naval team is a strong one despite the fact that they have had little or no chance to practise for some time. Their game with Victoria was postponed on account of the condition of the ground and the team have been holding short workouts on board the cruiser and on the dock.

Ten of the naval team were members of the squadron team that played several games in other ports. In Montreal they tied the Wanderers 3-3; they lost to Halifax, 7-6; defeated Dalhousie, 3-0, and the Royal Naval College, 19-4. Coming across the Atlantic, the Raleigh men had a practice on the hard quarter deck and used a rolled-up sweater for a ball. One man sustained a sprained finger and another fell against the gun shield and cut his head.

The naval team for Saturday will be: Full back, Garnett; three-quarters, Lieut. O'Callaghan, Lieut. Durand, Paymaster Lieut. Reed and Wood; half backs, Midshipmen Carlisle and Gabbett; forwards, Lieut. Orr-Ewing (captain), Midshipman Forrest, Lieut. Grindle, Lieut. Hopper, Petty Officer Dear, Petty Officer Jones, Pte. Barrington and Midshipman Helsey; spare back, Cunningham, and spare forward, Hill.

## POPULAR U. B. C. GRADUATE DIES

### Miss Norah Coy Was First Pre- sident of Undergraduate Student Body

Former students of the University of British Columbia and numerous friends throughout the city were last night shocked to hear of the death of Miss Norah Coy, a graduate of Arts in 1918, and the only daughter of Dr. and Mrs. W. F. Coy, 2700 Main street.

As a student at the University, Miss Coy enjoyed the unique distinction of being the first and only woman president of the Student Body, and by her untiring efforts in the 1917-18 session was responsible for arousing much of the college spirit which since that time has characterized life at the institution. In her third year she was president of the women's athletics and captain of the basketball team. On graduation she was unanimously elected permanent president of the Arts '18. In 1919 Miss Coy undertook a post graduate course in history, but was forced to discontinue her studies because of a nervous breakdown, from which she never completely recovered.

The funeral will take place on Thursday at two p.m. from the Mount Pleasant undertaking parlors, Rev. M. H. Jackson officiating. Former college associates will act as pallbearers. A brother, Dr. Phillip Coy, lives at Invermere, B. C.

## Varsity Graduate Will Wed Tonight; Miss Peck Bride

The wedding will take place this evening at 8 o'clock at the home of the bride's parents of Miss Margery Peck, daughter of Dr. and Mrs. W. W. Peck, of Talton Place, to Mr. Gosford Martin, son of Mr. and Mrs. W. F. Martin of 1865 Sixteenth Avenue West. Miss Peck is a very popular graduate of the University of British Columbia, and has always taken a prominent part in social activities. Mr. Gosford Martin has been in business in Montreal for the past year, and following their marriage the young couple will make their home in that city. Miss Kathleen Peck, sister of the bride, will be bridesmaid, and Capt. Fay will be the best man.

## STUDENTS BEAT RALEIGH LADS

### Varsity Soccer Team Lucky to Pull Out 2-1 Victory Over Team From Warship

Despite the heavy grounds, spectators at Cambie grounds yesterday were treated to a splendid exhibition of soccer when the local Varsity squad came out on the long end of a 2 to 1 count against the H.M.S. Raleigh boys.

The visitors had tough luck in their shooting, and on the run of play deserved to win. The "rah-rah" boys were short several of their regulars, but filled in as best they could and played one man shy.

The spectacular saves of Ward in goal for Varsity was a big factor in the naval lads' defeat. In the first

half especially the visitors should have scored, but they could not get by Varsity's goalie.

Fast soccer was, of course, impossible, but there were many good plays, nevertheless, and the Raleigh lads made a very favorable impression on the local fans by showing themselves to be good sports and displaying a fine knowledge of the game.

The first goal was rushed through by Johnny McLeod, of the Varsity. His team mate, Lundie, at centre, then sent in a hot shot which beat the Raleigh goalie all the way.

In the second half the naval lads went off with a rush and soon bulged the net when Carter, playing a whale of a game at outside right, sent in a scorcher, giving Varsity goalie no chance to save. The rest of the half was evenly contested and end-to-end play resulted. The whistle went for time with the U.B.C. lads one goal up.

Baker, Entwistle and Ward were the pick for the winners, while Carter, Critchfield and Heathcote starred for the losers. The teams:

Raleigh — Heathcote, Trimberson, Grindle, Ewing, Carill, Todhunter, O'Callaghan, Forrest, Reid, Critchfield, Carter.

Varsity — Ward, Baker, Calder, Buckley, Jackson, Entwistle, McLeod, Lundie, Agar, Rushbury.

Referee, Hines.

# PASS LIST IS ISSUED BY UNIVERSITY OF B.C.

Thomas Spargo, H. Yonemoto, R. H. Jones.

## Marks Will be Added to Those Secured at Spring Examinations—Final Results Will be Available in May

The continued large attendance at the University of British Columbia is shown by the lengthy pass list which was issued last night. Over 1000 students are now enrolled in the various classes.

No diplomas are issued on the results now made public, but the marks will be added to those awarded on the spring examinations and the final results will be available about May.

The results are given below in the different subjects.

 Second class—Josephine Paradis, K. L. Miller, W. H. B. Munn, M. J. C. Dickson, W. W. Simpson, R. S. Manson, G. M. Kirkpatrick, Greta Mather.  
 Passed—Mary C. Binnie, Gladys Clandinin, D. C. MacKay, F. Turnbull, J. S. Daly, G. A. Lewis.

**Physics 2—Pass.**  
 Second class—F. H. Fraser.  
 Passed—H. R. Henderson.

**Physics 3.**  
 Second Class—F. Lister; L. W. McLennan; L. W. Campbell; Christine M. Urquhart.  
 Passed—Dorothy Holmes; Frances I. Higginbotham.

**Physics 4.**  
 First Class—M. Home; J. F. Brown.  
 Second Class—C. N. Taylor; A. E. Boss; G. A. Woodworth.  
 Passed—G. H. Fleming; H. R. Oxford; R. S. Argue.

**Physics 7.**  
 First Class—M. Home.  
 Second Class—George H. Fleming; John Melville.

**Physics 9.**  
 First Class—F. J. Studer; L. E. Wells.  
 Second Class—J. Melville, L. W. Heaslip.

**Sociology Pass.**  
 First Class—W. G. Black; E. F. Ballard; D. J. Fulton; F. M. Wallace; L. L. Baynes, Geo. H. Hamilton, A. H. Le Neveu, E. J. Rogers.

**Second Class—S. A. Cox, A. M. Hurst; L. C. Johnston, D. E. Lee; L. J. Fisher, L. T. Hallett; C. Collard; A. A. Drennan, G. E. MacKinnon; E. Mortimer; N. Sangster.**  
 Passed—V. L. Anders; I. V. Aconley, H. W. Johnson, A. R. MacNeill, E. A. Monkman; C. Y. Robson; M. I. Clarke; D. A. Gill; O. M. Sanford; A. E. Vogee; R. E. Walker.

**Sociology Honors.**  
 First Class—W. R. McAfee; A. H. Rankin.

**Spanish, 1.**  
 First class—Mary Mackenzie.  
 Second year—Beatrice Burke, Islay McLarty; Mary L. Bulmer; Mary T. Chapman, Joyce M. Fennell; Gertrude E. Bickell, Helen E. Fowler; Marie Lapsley.  
 Passed—E. R. Jenney, Marion Sutherland; Claire E. Blainey, Laura S. Mowatt; Anna V. Stevenson, Jean Thompson, J. H. Wilkinson; Doris Ford; Margaret Conlan; Margaret Lindsay, Bertha Thompson, Theresa G. Foran; Norah Whittaker, Vivian McLoughry; Murray J. McDougall, Eric J. Dunn, Kelvin J. Mackenzie; Veronica Jessie Bell.

**Spanish 1—Distinction.**  
 First class—Beatrice Burke.  
 Second class—Mary I. Chapman, Marie Lapsley, Mary Mackenzie, V. McLoughry, G. Bickell.  
 Passed—Margaret Coulan; Mary L. Bulmer.

**Spanish, 2—Passed.**  
 First class—Lucy Ingram, Marjory Bell, Gladys G. Jack; Leila M. Marett; Dorothy Fingland; Catherine Cline, Beth McLennan, Helen Mortimer, S. Southon; Ivadele Hyland; Louise A. Campbell.  
 Second class—Jos. Albo; Merion Atherton, F. Benedict, I. Collier, G. E. McKinnon; Marg. Lindsay, G. Livingston; Helen R. Hood-Barrs; Gilbert Doidge, Dina Weinberg; Isabel M. Russell; Vera K. Crandlemire; Evelyn H. Monkman; Nettie Burns, Janet Carrie, R. Gross, Lyle E. Munn, Edna Rogers; Mary Helen English, Isabel Mackinnon, L. Meadows; Eloise Angel; Lillian Cope, Kathleen Robinson, Florence Williams; Evelyn Gilbert; Gladys Pedlow; Muriel Evans, Edith Knowling, K. M. Leveson; Frances Cowan; Kath. Macnaghten; M. J. Clarke, D. Dallas, Max Elliott, M. A. Pittendrigh, A. H. Ray, J. Telfer.  
 Passed—Helen Clark, Gwen Kemp, L. Parmiter, M. McLoughry, C. Smith; Harry Houghton, Helen Kloefer; Jessie Adams, L. E. Farran, Agnes A. Jardine, Const. Peter; Elaine Stratton; J. A. Campbell Smith; Marg. Tisdall; H. R. Cant, J. E. Casselman, Annie Lillico, D. B. Smith, R. McRae; Jack M.C.D. Arkeley, V. L. Anders; Lillian Cornyn; Beulah Ross.

**Spanish 2—Distinction.**  
 First Class—Lucy Ingram; Marjorie Bell.  
 Second Class—Gladys J. Jack; Frances Benedict; S. Southon, Jessie E. Casselman, Janet Carrie; Mary Pittendrigh, Izeyle Aconley, Marion Atherton, M. Lindsay, Dorothy Dallas.  
 Passed—Dorothy Fingland, Dena Weinberg, Beth McLennan; G. E. Mackinnon; Helen Kloefer, Jos. Albo; Edna Rogers, Muriel McLoughry, Kathleen Robinson; Victor L. Anders, Jack M.C.D. Arkeley, A. L. Campbell, M. J. Clarke, Mary A. English, Gwen Kemp, Constance Peter, G. Pedlow, Evelyn Gilbert; Evelyn H. Monkman, Agnes Jardine, A. H. Ray, Leila Marett, K. M. Leveson, Rowena Gross, Vera Crandlemire, L. Cornyn, D. B. Smith.

**Zoology 2.**  
 First Class—B. A. Eagles, J. A. Dauphinie, J. W. Shier, G. M. Smith, G. M. Clandinin.  
 Second Class—J. M. Caspell, F. A. Turnbull, C. H. Crickmay.  
 Passed—H. A. MacKechnie, R. N. Stephens.

**Zoology 3.**  
 First Year—H. A. Dunlop, R. E. Forrester; W. S. Rogers; A. L. Buell.  
 Second Year—C. H. Crickmay; L. L. Bolton; M. E. Kilpatrick; V. E. Dunbar; J. R. McKee.  
 Passed—B. A. Lipson.

**Zoology 6.**  
 First Class—James A. Dauphinie; Elythe A. Eagles; John W. Shier.  
 Second Class—Charles B. Weld; Gordon L. Langdon; Lloyd L. Bolton; High A. MacKechnie; Margaret R. Morrison.  
 Passed—Robert N. Stephens; C. Sidney Barry; Gwendolyn Robson.

**FACULTY OF APPLIED SCIENCE**

**Biology 1**  
 First Class—G. F. Sutherland.  
 Second Class—Barr; Garman, Gunning, Ternan; Say.  
 Passed—Carlisle.  
 Second Class—Laferte; Innlis.  
 Passed—Florence Creelman; Ida Smith; Foerster; Armstrong.

**Biology 1—Distinction**  
 First Class—Bennett; Carson.  
 Second Class—Hedey.

**Bridge Design**  
 Second Year—George F. Fountain.

**Descriptive Geometry 1.**  
 First class—A. M. Richmond; R. Gray, H. E. Walsh; Carter, N. Marshall; John W. McPherson, R. A. McLachlan; E. S. Cooper; Harold C. Davison; Arthur J. Saunders; Peter H. Demidoff; Otto E. Niederman; Ralph W. Evjen; Peter Price; John S. Noble, Frederic A. Lazenby.  
 Second class—Ernest S. Gibson; Ralph M. Morton; Stanley Gale; Harold E. Parsons; John L. Ramsell, Arthur A. Lambert, Robert D. Greggor; Samuel M. Manning; William A. Bain; Mosher, Israeli; George C. R. Cox; Drennan Hincks.  
 Passed—W. Gordon O. Wood; Ernest A. Jensen, Thomas B. Black; Harold Annand; Eric G. Jones; Walter L. C. Broadfoot; Carlton M. Weir; Lacey H. Evans; Miatland B. Callander; Edward R. G. Richardson; Frederick W. Guernsey, George Mordy, Malcolm McDonald, Arthur R. Woodhouse.

**Descriptive Geometry 2.**  
 First class—Theodore V. Berry; Cyril Jones; Frederick C. Stewart.  
 Second class—Charles S. Evans.

**Economics of Forestry.**  
 Second class—P. M. Barr; K. W. Carlisle, E. H. Garman.

**Electrical Engineering 1.**  
 First Class—W. O. Banfield, Rona A. Hatt; W. A. Gale; F. C. Stewart; C. Jones; C. S. Evans; N. W. McLellan; H. Doyle, R. Lidgley.  
 Second Class—T. V. Berry; S. R. McDougall; W. H. Gray; R. G. McKee; E. F. Emmons; O. E. A. Jackson; R. W. Parker; E. E. Gregg.  
 Passed—J. H. Jenkins; L. D. Shaw; W. G. Hatch; L. Somerville; S. Anderson; W. S. Peck; E. S. McColl; A. A. Todd; R. C. Graham.

**Electrical Engineering 2.**  
 First Class—E. M. Coles; R. M. McLuckie; J. Watson; W. A. Biskell; G. W. Coates; W. O. Scott; J. R. Fournier.

**Engineering Economics.**  
 First Class—Wm. Ure; Wm. D. Burton; R. Hodson; Wm. E. Graham, C. Sivertz.  
 Second Class—C. W. Hooper, C. A. McVittie, Cliffe St. J. Mathers, J. R. Davidson, C. M. Dean, J. R. Glegerich; T. D. Guernsey, Gilbert T. Loveridge; A. J. Anderson, G. F. Fountain; G. C. Gross, R.  Passed—H. C. Gunning, Wm. W. Forrester; C. J. Cock; H. A. Pearse.

**Engineering Law**  
 First Class—Wm. O. Banfield, Wells W. Coates; Wm. A. Gale; Geo. F. Fountain, Rona A. Hatt; Eric M. Coles, E. S. McColl, Robert M. McLuckie, Wallace S. Peck.  
 Second Class—Wm. H. Gray; Wm. A. Bickell, James Watson; Wm. O. C. Scott, Lee D. Shaw; Stewart R. McDougall, Harold Doyle, Andrew G. Meekison; John R. Fournier.  
 Passed—Wm. G. Hatch; Sidney Anderson; Arthur A. Todd.

**Fire Assaying**  
 First Class—T. D. Guernsey; E. S. McColl; W. D. Burton, R. Hatt; J. R. Glegerich; W. A. Gale; C. G. McLachlan, W. S. Peck.  
 Second Class—S. R. McDougall; R. H. B. Jones, H. M. A. Rice; W. O. Banfield, G. C. Gross; H. Doyle, W. G. Hatch, T. Spargo; A. A. Todd; H. G. Gunning, C. McVittie; D. H. Rae; L. D. Shaw; W. H. Gray.  
 Passed—R. Hodson; W. W. Forrester; S. R. Say.

**Forest Dendrology**  
 First Class—J. H. Jenkins.  
 Second Class—E. E. Gregg; R. G. McKee; C. C. Ternan.

**Forest Finance**  
 Second Class—E. E. Gregg.  
 Passed—J. H. Jenkins; R. G. McKee.

**Forest Mensuration.**  
 Second Class—P. M. Barr; K. W. Carlisle.  
 Passed—E. H. Garman.

**Forest Protection.**  
 First Class—John H. Jenkins; E. E. Gregg.  
 Second Class—R. G. McKee; P. M. Barr; C. C. Ternan.  
 Passed—K. W. Carlisle; E. H. Garman.

**Freehand Drawing and Lettering.**  
 First Class—H. E. Parsons; D. Hincks, W. M. Robson; A. M. Richmond, J. H. Steede; R. W. Hicks.  
 Second Class—E. W. Bassett, F. A. Lazenby; H. Annand, E. S. Gibson, R. Gray, W. A. Jones, H. E. Walsh; R. D. Greggor, D. A. Hatch, E. G. Jones, C. C. Lucas, A. J. Saunders, L. H. Woodward; J. L. W. McPherson, O. E. Niederman, J. S. Noble, E. R. G. Richardson, G. F. C. Groves, G. C. L. Cox, C. W. Weir, W. G. D. Wood.

General Engineering.

First class—Frank J. P. Albe, Frank Charnley; R. M. Jackson, Wm. V. Smitheringale; Jack L. Huggett; A. B. Hardie; John G. Bell, F. G. Coffin, Allan J. Napier; Percy M. Barr, Allan H. Finlay, F. F. Osborne; John G. Pearcey, Leonard B. Stacey, George W. Sweny.

Second class—Harold E. Bramston-Cook, Albert E. Jure; Clifford H. Stockwell; Robert H. Hedley; Royden H. Ferguson, George H. C. Norman; John E. Underhill, Jasepr M. Wolverton; James C. McCutcheon, Robert L. McLean, Henry B. Rushbury; Phillip B. Stroyan, Lyle G. Trorey; George S. Cameron, Roland C. Graham; George S. F. Sutherland; Leslie K. Bickell, Henry C. Gregerich; William J. R. MacLaren, Percy F. Peele.

Passed—Frederick G. Elliott, Norman O. M. Foggo; Valentine M. W. Gwyther, Hubert D. Wallis; Wilbur J. Heaslip; Stuart Falconer, George C. Lipsey; Kenneth W. Carlisle, James C. Rear; John A. C. Harkness; Donald J. Emery; Clarence Arnott.

General Engineering 2.

First class—Wm. Ure; Theodore V. Berry; Cyril Jones.

Second class—Frederick C. Stewart; Wm. E. Graham; Archibald L. H. Somerville.

Passed—Wm. D. Burton, Gilbert T. Loveridge; Harrington M. A. Rice; Christian Sivertz; Joseph R. Giegerich, Hubert A. Pearce; Chas. S. Evans, Raymond W. Parker; Ralph K. Cameron; Cleve W. Hooper, Douglas H. Rae; Russel H. B. Jones, Ralph C. G. Lidgley, Elmo C. Wilkinson, Frederick W. Laird; Curtis M. Dean, Elwyn E. Grege, Geo. C. Gross, T. D. Guernsey; Wm. S. Hanna, Reginald Hudson, John H. Jenkins, C. A. McVittie.

Geodesy.

First Class.—George F. Fountain. Second Class.—Sydney Anderson.

Geology 8. (Economics).

First Class.—Norman W. McLellan. Second Class.—John F. Walker; Roy W. Goranson.

Passed.—O. A. E. Jackson; Edward F. Emmons.

Geology 10.

Second Class.—R. W. Goranson; Frank Ebbutt.

Heat Engineering.

First Class.—E. M. Coles; A. G. Meekison; J. Watson; W. A. Bickell. Second Class.—J. R. Fournier; W. W. Coates; R. M. McLuckie; W. O. Scott.

Hydraulic Machines.

First Class.—George F. Fountain. Second Class.—Sydney Anderson.

Hydraulics

First Class—F. C. Stewart, T. V. Berry, C. James, S. R. McDougall, C. S. Evans, D. H. Rae, R. H. B. Jones, F. W. Laird, R. W. Parker. Second Class—O. A. Jackson, W. A. Gale, N. W. McLellan; Rona A. Passed—R. G. McKee, R. C. C. Lidgley, H. M. A. Rice, W. G. Hatch.

Machine Design 2

First Class—W. W. Coates, J. R. Fournier, A. G. Meekison, W. O. C. Scott, E. M. Coles. Second Class—W. A. B. Bickell, J. Watson, R. M. McLuckie.

Mapping 2

Second Class—John S. Jenkins; Douglas H. Rae, William D. Burton; Reginald Hodson, Harrington M. A. Rice, William W. Forrester, J. A. C. Harkness.

Passed—Joseph R. Giegerich, William S. Hanna, Russell H. B. Jones, Stanley Say; Thomas Spargo; Elywn E. Gregg, Tarrant D. Gurnsey, Chas. A. McVittie; George C. Cross, Robert G. McKee.

Mapping 2

Second Class—Cyril Jones; Charles S. Evans; Theodore V. Berry.

Mathematics 1—Trigonometry

First Class—R. D. Greggor, J. S. Noble, R. M. Morton; P. Price; E. S. Cooper, H. C. Davison, D. Hincks, O. E. Niederman. Second Class—H. O. Arkley, S. Gale; R. Gray; C. C. Lucas, E. R. G. Richardson, H. E. Walsh; W. G. O. Wood; P. H. Demidoff, J. L. Ramsell, A. R. Woodhouse; T. C. Gibbs, W. A. Jones, F. A. Lazenby; A. M. Richmond; E. G. Jones; C. D. Stevenson.

Passed—J. M. Campbell, K. W. Hicks, A. J. Saunders; H. Annand, D. B. Charlton, C. G. R. Cox, M. McDonald; J. L. Bennett, M. N. Carter, G. F. C. Groves, A. A. Lambert, S. M. Manning, J. H. Steede; E. S. Gibson; E. W. Bassett, M. Israel, G. Mordy; H. A. Herry; H. E. Mosher; W. A. Bain, E. A. Jensen; M. B. Callander; T. B. Black, J. Demidoff, R. W. Evjen, F. W. Guernsey, J. W. McPherson, H. E. Parsons.

Mathematics 3—Algebra.

First Class — Greggor; Hincks; Cooper, Walsh; McDonald, Morton. Second Class — Hicks; Annand, Groves; E. G. Jones, Price; Evjen, Lazenby; J. Demidoff; Richardson; Carter, Gray, W. A. Jones; Bennett; P. H. Demidoff, Niederman; Gale; Israel; Davison, Manning; Saunders, Weir.

Passed—Callander, Noble, Richmond; Campbell, Gibbs; A. A. Lambert, Woodhouse; Cox, Lucas, Stevenson; Hatch, Jensen; Bain; Mordy, Stevens; McPherson; Gibson; Herry, Mosher; Charlton, Parsons; Ramsell.

Mathematics 4—Analytical Geometry.

First Class—Carter, N. Marshall, Gray, Roy, Neiderman, E. Otto; Edwin S. Cooper, Drennan Hincks, Carlton M. Weir; Peter H. Demidoff, Harold E. Walsh; Kenneth W. Hicks, Eric G. Jones.

Second Class—Thomas C. Gibbs; Samuel M. Manning, Malcolm McDonald, Alexander M. Richmond; Harold Annand, Arthur A. Lambert, Frederic A. Lazenby, Ralph Morton, Israel Mosher; Edward W. Bassett, Stanley Gale, Robert D. Greggor, Ernest G. B. Stevens; Maitland B. Callander, John M. Campbell, George Mordy.

Passed—Harold C. Davison, Peter Price, John Ramsell; George C. R. Cox, William A. Jones, John W. McPherson, Arthur R. Woodhouse; Ernest S. Gibson; William A. Bain, Walter L. C. Broadfoot, Frederic S. Morgan, John Noble, Harold E. Parsons, W. Gordon O. Wood; Ralph W. Evjen, Colin C. Lucas, Harry E. Mosher; Edward R. G. Richardson, Arthur J. Saunders; Thomas B. Black, Frederick W. Guernsey; Arthur F. Rees, Cecil D. Stevenson; David B. Charlton, George G. Lambert, John H. Steede.

Mathematics 5. (Astronomy).

First Class.—H. C. Davidson; A. M. Richmond; R. Gray, H. E. Walsh; S. M. Manning; P. H. Demidoff, E. S. Gibson, F. A. Lazenby; T. B. Black, C. C. Lucas; K. W. Hicks, F. S. Morgan; M. N. Carter, D. Hincks, M. Israel, G. Mordy; J. W. McPherson; P. Price.

Second Class.—J. Demidoff; M. B. Callander, T. C. Gibbs, H. E. Parsons, J. L. Ramsell, C. M. Weir; R. D. Greggor, J. S. Noble; G. M. Abernethy, H. E. Mosher; R. W. Evjen; A. W. Woodhouse; L. H. Evans, E. A. Jensen, R. M. Morton, M. McDonald, E. R. G. Richardson.

Passed.—E. W. Bassett, E. S. Cooper, W. A. Bain, G. R. C. Cox, W. A. Jones, O. E. Niederman, A. T. Saunders; J. M. Campbell, E. G. Jones, J. H. Steed; G. G. Lambert; H. Annand, D. B. Charlton, W. G. O. Wood; J. L. Bennett; S. Gale.

Mathematics 7. (Analytical Geometry).

First Class.—George H. C. Norman; C. H. Stockwell; F. Charnley, L. B. Stacey; C. N. Disney. Second Class.—K. W. Carlisle; P. M. Barr, A. J. Napier, J. E. Underhill; R. H. Hedley; A. H. Finlay; L. K. Bickell, J. M. Wolverton; F. F. Osborne; F. W. Coffin, L. G. Trorey; J. A. C. Harkness, G. C. A. Jackson, M. Kagarnoff; D. J. Emery.

Passed—W. J. Heaslip; H. E. Bramston-Cook; H. C. Giegerich, A. E. Jure; G. C. Lipsey, G. W. Sweny; R. C. Graham, H. C. B. Rushbury; J. C. Rear; H. D. Wallis; P. F. Peele; J. G. Bell, N. O. M. Foggo, R. M. Jackson, W. V. Smitheringale; F. G. Elliott, V. M. W. Gwyther; C. Arnott, S. A. Falconer, D. B. Hardie, J. L. Huggett, W. J. R. McLaren, R. L. McLean, J. G. Pearcey, P. B. Stroyan, C. C. Ternan, G. E. Woodworth.

Mechanical Engineering, 1.

First class—G. H. C. Norman; R. M. Jackson; L. G. Trorey; J. C. McCutcheon; J. G. Bell; L. B. Stacey; P. F. Peele, G. W. Sweny; D. B. Hardie.

Second class—L. K. Bickell, F. Charnley, H. C. Giegerich; A. J. Napier; G. C. Lipsey, J. M. Wolverton, G. F. Sutherland; W. J. Heaslip, Cyril Jones; H. E. Brampton-Cook; F. W. Coffin, W. V. Smitheringale; J. L. Huggett, A. E. Jure; V. M. W. Gwyther; J. G. Pearcey, D. J. Emery, J. A. C. Harkness.

Passed—N. O. M. Foggo; J. E. Underhill; C. M. Barr, A. H. Finlay; R. L. McLean; P. B. Stroyan; F. J. P. Albo; C. Arnott; C. H. Wilson; R. H. Ferguson; R. H. Hedley; E. H. Garman; F. F. Osborne.

Mechanical Engineering, 2 and 3.

First class—W. D. Burton; W. Ure; F. C. Stewart; T. V. Berry; C. W. Hooper, R. C. G. Lidgley; A. L. H. Somerville; W. E. Graham; Cyril Jones; G. C. Gross, R. G. McKee; N. M. McCallum; H. M. A. Fraser, T. Spargo; C. J. Cock, H. A. Pearcey.

Passed—J. H. Jenkins; C. S. Evans; A. G. Anderson, C. M. Dean, E. E. Gregg, C. Sivertz; R. H. B. Jones.

Mechanical Engineering 4.

First class—C. Jones. Second class—F. C. Stewart; R. O. G. Lidgley. Passed—O. A. E. Jackson; C. S. Evans, N. W. McLellan; T. V. Berry, E. E. Gregg, L. H. Somerville; E. F. Emmons, J. H. Jenkins, R. G. McKee, R. W. Parker.

Mechanics 1.

First class—P. Price Demidoff; Davison; Woodhouse, Gray; E. G. Jones; Greggor, Niederman; Morton; Hincks; Noble, Richmond; Bain; Carter, Cooper, Gibbs.

Second class—Evans; Jensen; Hicks, Lazenby, Groves; Bennett; Wood; Gibson; McDonald, Walsh; Campbell; Gale; Lucas, Saunders. Passed—Annand; Callander; Steede, A. A. Lambert; Mosher; Israel; Bassett; W. A. Jones; Stevenson; Hatch,

G. G. Lambert, Mordy, Ramsell. Mechanics 2.

First Class—Pearcey; Napier; Stacey; Finlay.

Second Class—Gwyther; Charnley; Peele, Stockwell; Norman; Bramston-cook, Carlisle, Sweny; Hedley; Giegerich; Huggett; Osborne, Wilson.

Passed—Foggo, Wolverton; G. C. A. Jackson; Hardie; Lipsey; Barr; Bickell, Emery, Trorey; Disney, Harkness, Underhill; Coffin, McLean, Stroyan; Bell, Cameron, Sutherland.

Metallurgy 1.

First Class—H. A. Pearce; C. A. McVittie, William Ure; C. W. Hooper; W. D. Burton; G. T. Loveridge; F. W. Laird.

Second Class—H. M. A. Rice, C. Sivertz; H. C. Gunning, T. Spargo; J. R. Giegerich; T. D. Gurnsey, R. H. B. Jones, E. C. Wilkinson; G. Gross; A. J. Anderson; W. E. Graham; J. R. Davidson, D. Fraser, R. Hodson.

Passed—W. S. Hanna, D. H. Rae; C. J. Cock, S. R. Say; C. M. Dean; R. K. Cameron; N. M. McCallum; W. W. Forrester.

Metallurgy 2.

First Class—R. W. Goranson; N. W. McLellan; J. F. Walker. Second Class—O. A. E. Jackson.

Metallurgy 3

First Class—N. W. McLellan. Second Class—O. A. E. Jackson.

Mining 2

First Class—Norman W. McLellan; O. A. E. Jackson. Second Class—John F. Walker.

Passed—E. F. Emmons; Roy W. Goranson, Frank Ebbutt.

Mining 3

First Class—Roy W. Goranson. Passed—Edward F. Emmons, John F. Walker.

Mining 4

Passed—Edward F. Emmons. Municipal Engineering. First Class—George F. Fountain. Second Class—Sidney Anderson.

Ore Dressing.

First Class—Donald F. Stedman. Second Class—Thomas Spargo; William D. Burton; Tarrant D. Guernsey; Charles A. McVittie; Robert S. Jane; Harrington M. A. Rice.

Passed—Reginald Hodson; Joseph R. Giegerich; George C. Gross; Russell H. B. Jones; Henry C. Gunning.

Physics 3.

First Class—Stacey; Norman, Osborne. Second Class—Bramston-Cook, Hedley; Huggett; Carlisle; Finlay, Wilson; Charnley; Graham; Napier; Smitheringale, Sweny.

Passed—Jure; Stroyan; Bicknell, Giegerich, McLean; Rushberry; G. C. A. Jackson, Underhill; Lipsey, Emery; Elliott; Heaslip, McCutcheon; Cameron, Disney, Hardie, Trorey.

Plant Design.

First class—J. Watson; W. W. Coates; E. M. Coles; R. M. McLuckie. Second class—W. O. Scott; A. G. Meekison; W. A. Bickell; J. R. Fournier.

Railway Engineering 1.

First class—Frederick C. Stewart; Theodore V. Berry; Cyril Jones; Charles S. Evans, Elwyn E. Gregg. Second class—George F. Fountain, John H. Jenkins; Robert G. McKee. Passed—Chalmer C. Ternan.

**TIE GAME AT VICTORIA**

**Varsity Senior B Rugby Team Plays J. B. A. A. Team on Island 9-1-22**

(World Special).

VICTORIA, Jan. 9.—The Varsity Senior B rugby team tied with J. B. A. A. at Oak Bay by a score of 0-0. The game was very well contested with Varsity having the best of the play throughout. After 10 minutes play Victoria was forced to save. Varsity carried the ball over twice but the tries were disallowed. Billy Ellis was out with a bad knee.

In the second half Varsity kept the play near the J.B.A.A. 25-yard line, but failed to score. The forwards worked well, McVittie, Hope, Keekison, Good, McScrums were evenly balanced. There was one good run from Bickell to Manning. J.B.A.A. was forced to save several times. Beach, half and Adams, back, played well for J.B.A.A.

Teams:—  
Varsity—Johnston, full; Manning, Hunter, Arkley, Bain, threes; Bickell, five-eighths; Hatch, Wilson, Hooper, Jones, McVittie, Meekison, Hope.  
J.B.A.A.—Adams, Walls, Mitchell, McNamee, Holmes, Ellis, Challoner, Beech, Travis, Monteith, Blythe, Johnston, Watson, Norris, McRae.  
Referee—McInnes.

**UNIVERSITY IS AGAIN FILLED WITH STUDENTS**

Except for a small number of freshmen, who "went under" in the recent Christmas examinations, and were requested by the University authorities to hie themselves hence from the halls of learning, the usual crowds of students jammed the class rooms and corridors of U. B. C. yesterday on the occasion of the commencement of the last lap of the 1921-22 session.  
Meeting in the auditorium at 9 a.m. they were welcomed by Pres. L. S. Klinck and addressed by Dean Coleman on "The Day's Work." Regular lectures commenced at 10 o'clock.

# VARSVITY WIN TWO VICTORIA CONTESTS

World 7-1-22

### Local Collegians Lost Three Games at Capital Friday—Knowledge of Course Gave Islanders Sculling Victory—Girls Lead in Basketball, Boys in Badminton

(By a Staff Correspondent.)

VICTORIA, Jan. 7.—Winning three of the five athletic competitions which were conducted here yesterday, the Victoria athletes had the better of the first day's athletic programme against the collegians from the University of British Columbia.

The mainland men won the Badminton games, while the U.E.C. ladies walked off with the ladies' basketball honors.

The capital city players, however, proved themselves superior in rowing and won the two-men's basketball matches. Great interest in the visit of the mainlanders was taken by local sport enthusiasts, who turned out in large numbers to witness the various events.

The Varsity crew lost to the J. B. A. A. junior four. The race was somewhat of a disappointment to Varsity supporters, as their favorites were really the victims of a series of misfortunes.

The race was rowed in the inner harbor over a half-mile course in two lap-streak four shells provided by the J.B.A.A. Although the Varsity crew had been over the course in a work-out previous to the race, its unfamiliarity proved their downfall. At the start of the race, J.B.A.A.'s took the lead, and when the turn in the course was reached, they held it by a bare three-quarter of a length. At this point the Varsity jinx climbed aboard to stay. The Victoria men in the turning unintentionally fouled the Varsity, and the latter were thrown completely off their stroke. Recovering quickly, they tried to pull up even with their opponents, but luck was against them. Through their unfamiliarity with the course they veered off to the right, and J.B.A.A. romped home easy winners.

The crews were very evenly matched and had the race been over a straight course the contest would have been very even. Varsity showed a tendency to pull heavily on the bow side, which handicapped them considerably.

#### The Teams

The teams: J. B. A. A. Stroke, H. Raybone; 3, T. Lumsden; 2, H. Walker; 1, F. Temple. Varsity: Stroke, C. Jones; 3, McLaren; 2, W. O. Banfield; 1, W. W. Coates.

#### Badminton Game

At 5:30 yesterday, the Varsity Badminton doubles team met and defeated the J. B. A. A. players in three straight games, by scores of

15-6, 15-6, 15-5. The match was rather a one-sided affair, as Varsity showed marked superiority in all departments. The Victoria men gave their opponents a hard fight from beginning to end, but the brilliant playing of the Varsity pair forced them to play a defensive game and from the start there was no doubt as to the outcome.

#### Finlay Was Good

Finlay, of the Varsity, was particularly good, his smashing drives completely demoralizing his opponents. Owing to the illness of some of the J. B. A. A. players the ladies' doubles and the mixed doubles matches were not played.

The teams—J. B. A. A.: J. R. Naden and C. S. Cowan. Varsity: J. Underhill and A. H. Finlay.

#### Victoria Wins Odd

At night in the Victoria High School gym, the Varsity lost two out of three games to Victoria teams. The only one in which they were returned winners was the girls' event which was won by the score of 21-14, from the girls of the Victoria High School. In the second game of the evening Varsity Senior B lost to Victoria Col-

also showed up well on the three-quarter line, and Reg Hodson's dribbling was very effective.

With about twelve minutes of the last half to go, Varsity camped on the Victoria 25-yard line and for eight or ten minutes they battered their opponents' goal line, finally going over for the necessary try. After the convert and kick-off, Victoria carried the ball to the Varsity 25-yard line on a last desperate effort but were driven back, and the final whistle found Varsity on the offensive.

Of the Victoria forwards it would be hard to single out any particular star; all were equally good. Webster and McInnes showed up well on the three-quarter line.

#### The Teams

Varsity—Fullback, Domoney; three-quarters, McLeod, Buchanan, Penwill, Price; five-eighths, Ternan; halves, Cameron, Scott; forwards, Gwyther and Gross, hooks, Greggor, lock, Hodson and Bickell, second line; Carlyle and Gunning, back line.

Victoria—Fullback, Johnston; three-quarters, McInnes, Edwards, McNaught, Webster; halves, Anderson and Lumsden; forwards, Robinson, Brynjolfsson, Miller, Harman, Tolmie, Sanson, McRae, and Acland.

Referee—E. S. Bullen, of Vancouver.

#### Relay Race

In the afternoon, at Oak Bay Park, in the intermission between the playing of the Varsity Senior B. vs. J. B. A. A. rugby game and the McKechnie Cup game, a half-mile relay race was staged between a Varsity and a J. B. A. A., in which the latter were returned winners by a margin of only a few feet. The race was very evenly contested all the way.

The runners were started about 80 yards apart, on the track, and two separate tapes were used to judge the finish. Varsity, winning the toss, elected to run in the second place. J. B. A. A. took a slight lead at the start and held it for the four relays, winning in a very close finish.

The teams—Varsity: Doug. Rae, Hugh Russell, Lewis Eckert, and H. Johnston. J. B. A. A.: E. Knight, G. Streeter, H. Ryan, and C. Wade.

#### J. B. A. A. Win

In the Y.M.C.A. tank at night the J. B. A. A. swimmers met and defeated their opponents from Varsity by the score of 53-18. A very varied card of events was presented, including speed events, diving, relays and plunging for distance. Varsity made points on the men's diving and one hundred yards men, but fell behind on all the other events.

Celmer Ross, president of the University swimming club, was top scorer for the students, taking first place in the 100 yards and second in the fifty yards and diving. Audrey Griffin led the J. B. A. A. competitors with a first in the 220 yards and second in the fifty yards and diving.

The first event on the programme, the fifty yards men's, was won by Barclay of Victoria, who nosed out Celmer Ross in

a very close finish. T. Cameron of Victoria took third place.

In the second event, the fifty-yard ladies, Miss Kathleen Welburn, the one hundred yards champion of B. C., was returned first, with Miss Audrey Griffin and Miss Claire Blaney (Varsity) second and third respectively.

#### Penwill Stars Again

In the men's diving, the J. B. A. A. were represented by Barclay, Russell, J. Ross, and Varsity by Penwill and C. Ross. In this event Varsity took first and second, the places being: 1, Penwill; 2, C. Ross; 3, Russell.

In the ladies' diving, only three contestants entered, the first place going to Mrs. Hiberson of Victoria, second to Miss Griffin, Victoria, and third to Miss Mary Chapman of Varsity.

#### Victoria Teams Fast

Varsity was beaten in both the men's and ladies' 100 yards relays, although the race in the former was very close indeed. J. B. A. A. took a two-yard lead in the second lap, increased it to about six yards in the third. Celmer Ross, swimming last, made a game attempt, but only succeeded in cutting it down to a bare yard or so. Teams—Varsity: Penwill, C. Chapman, O. Tiffin, C. Ross, J. B. A. A.: Barratt, T. Wellburn, D. Smith, T. Cameron.

In the ladies' relay, Varsity was short one member, Miss Blaney being forced to swim both the first and last laps. Varsity won the first lap, but lost the others and the race. Teams—Varsity: C. Blaney, C. Peter, M. Chapman. J. B. A. A.: Daniels, Grace Welburn, Kathleen Welburn, Audrey Griffin.

In the plunge for distance the order was: 1, W. T. M. Barratt (Victoria); 2, Doug. Smith (Victoria); 3, Oakley Tiffin (Varsity). Distance, 55ft. 2 1/2 ins.

The 220 yards ladies was won easily by Miss Claire Blaney (Varsity) third, Grace Welburn (Victoria) second, and Miss Claire Blaney (Varsity) third.

In the last event of the evening, the 100 yards men, the places were: 1, C. Ross (Varsity); 2, T. Wellburn (Victoria); 3, George Welburn (Victoria).

# VARSVITY DEFEATS VICTORIA RUGGERS

### Penwell Scores and Gwyther Converts Winning Goal Just Before Time in Exciting Contest at Capital—Collegians Are Leading in Series With Two Wins and No Losses

#### McKechnie Cup Standing.

	Won	Lost	Pts.
Varsity	2	0	1,000
Vancouver	1	2	333
Victoria	1	2	333

In the annual trip to Victoria this year the Varsity athletes were defeated in six out of ten events, winning three and drawing one. Though this may seem a crushing defeat, still Varsity rooters returned happy and contented, for their pet rugby team beat the Victoria representative team in the major event of the trip. All the other events were very closely contested. Varsity lost rowing, men's basketball, girls' grass hockey, relay race and swimming, and won the badminton, girls' basketball and senior rugby.

VICTORIA, Jan. 9.—On Saturday afternoon at Oak Bay park the Varsity Senior A rugby team annexed another win in their race for McKechnie cup honors, when they defeated the Victoria Rep. team by the score of 5-3. To Val Gwyther goes the honor of having won the game for his team, when he placed the ball neatly between the posts (on a convert), with only three minutes of play to go, thus scoring the two points necessary to beat the Islanders. The try, which tied the count, came about six minutes before the final whistle, and was the result of some nice work by the Varsity backs, the ball going from Cameron to Buchanan, and then to Penwill, on a perfect long pass, the latter 15 yards from the post.

#### Victoria Scores Early

The Victoria score came about ten minutes before half-time and was the result of some nice work by the forwards, the try being scored by Robinson, who broke through from a loose scrum. The attempt to convert failed.

The teams were very evenly balanced, Victoria having the advantage in the forward-division in the first half, before the Varsity forwards got warmed up. The scrums were fairly

evenly matched, with a slight advantage to Varsity. The reason for Varsity's win may be, without the shadow of a doubt, attributed to superior condition, Victoria standing the pace until the last ten minutes, when the Varsity attack began to tell.

#### The Last Ten Minutes

Spectators who saw the last ten minutes of play say that seldom have there been seen so many exciting plays crammed into so short a time. The Varsity realizing it was "now or never," attacked like demons, holding Victoria practically on their own goal line and several times forcing them to save. Varsity backs worked furiously in combined and single rushes or dribbled with the forwards in the pack. Everybody was in a state of hypertension—and something had to go.

#### "Boss" Is Star

As usual, the outstanding player of the Victoria team was their stellar full-back, Boss Johnson. His kicking made many gains for his team and relieved many dangerous situations. The Victoria forwards worked well in the first half before the pace and Varsity's superior physical condition began to take effect. Bill Scott and Gee Ternan each attempted to drop goal in the first half but without success, the period ending with Varsity pressing.

In the first of the second half Victoria carried the play to Varsity 25-yard line, but Varsity fought them back. Victoria again came back, driving to the Varsity 25-yard and played raged back and forward. Boss Johnson did some nice work in this half, most of the Victoria rushes being started by one of his long punts.

Reg. Cameron, Varsity half-back, staged three brilliant runs, making a considerable gain on each. By means of the fake pass he completely fooled the Victoria men, each time passing three or four men. Buck Buchanan

Players Who Were Not in Last Year's McKechnie Cup Series Available for Miller Cup Match With the Centrals—Collegians Not Going South This Season

Only one rugby game will be played on Saturday at Brockton Point owing to the condition of the grounds, it was decided at the Rugby union meeting last night. The match will be between the Varsity and the Centrals. It will start at 2:4 p.m. sharp and E. S. Bullen will referee. As stated before, if the Varsity win, the Miller cup, for which the four-club teams have been battling for the last two and a half months, will become the possession of the Rowing Club for another year, but should the Cardinals prove superior, a tie will be created which will have to be played off January 14.

The Varsity team have the permission of the Rugby Union to play all men on their team who did not participate in the McKechnie Cup series last year, owing to the fact that the game was postponed early in the season. This means that they can make up their team for Saturday using all the Varsity McKechnie cup backs and Gunning of the forwards in addition to their second team men.

The Centrals will field a team chosen from the following men: Keeling; Macken, Tyrwhitt, McQuoid and Lord; Lewis; Laidlaw and Doidge; Brown, Bayliss, Gourlay, Stewart, Richardson, McBride, Downie and Rolston.

## Varsity Not Going South.

The representatives at the meeting discussed reports from Stanford University announcing that a Varsity team would likely go south within the next couple of months to play a series. It was pointed out, however, by C. G. McLachlan, coach of the collegians, that such a trip was almost impossible, as the men could not get away. The president announced that the Vancouver Rugby Union intended carrying out this year's plans next fall, e.g., that a local team go south with the Stanford team immediately following the series here next Christmas.

The union is facing a deficit of about \$250 from the visit of the Stanford team, it was announced at the

meeting. Of this the union will underwrite two-thirds and the Varsity one-third, according to an agreement made early in the season. Bad weather is responsible for the loss. The total receipts from all sources amounted to \$2682.50, so far as is known, while the sum of \$2150 was paid as a guarantee to the southern collegians alone. The final statement will not be ready for some time.

It was announced by intermediate representatives at the meeting, that the Rowing Club and the Varsity teams were planning a series of three games among themselves to keep the men in condition. These games will most likely be played as curtain raisers to the big matches.

## McKechnie Cup Game.

A week from Saturday the Vancouver Rep. team will play their return game against the Varsity men. Should Varsity secure a win or a draw they will win the McKechnie cup for a year, but a loss will put them in the same position as Vancouver and Victoria.

Should the Varsity team defeat the Centrals on Saturday, the first game for the Tisdall Cup will be played on January 21. The series will be a knock-out one and some very hard games are expected. The Rounsefell cup game, to be played between the winners of the Miller cup and the winning Victoria team, was scheduled for this Saturday, but will have to be postponed till next month. On February 4 the Victoria McKechnie cup team will play the Varsity here.

### U.B.C. DEBATE FOR INTER-VARSITY TITLE

A simultaneous debate in Seattle and Vancouver on the disarmament question will take place this evening for inter-collegiate debating honors. The University of Washington and the University of British Columbia will each have a home and a visiting team of two, the home side taking the affirmative side of the resolution.

The subject will be: "Resolved, that a substantial measure of disarmament can prudently be undertaken before the League of Nations or some similar organization becomes well established."

Presiding at the local debate will be Mr. J. P. D. Malkin, president of the Board of Trade. The judges will be Messrs. George Kidd, of the B. C. Electric Railway; Charles F. Crandall, of The World, and Principal W. H. Smith, of Westminster Hall.

The home debates representing British Columbia will be Messrs. W. C. Kelly and A. L. Wheeler and the visiting team, Charles Zink and M. Morton.

## U. B. C. WINS AND LOSES DEBATES

14-1-22

### Home Teams of Local and Washington Varsities Secure Decisions

Debating simultaneously in Seattle and Vancouver, University of British Columbia teams, on Friday evening, won and lost arguments on the disarmament question. The discussion was with the University of Washington in both cases, and in both cases the home teams won.

R. M. Morton and Charles Zink represented U. B. C. in Seattle, Washington University being represented by Sam Mullin and Ralph Graves. The decision of the judges was unanimous against the local debaters. At the King Edward High School, W. C. Kelly and A. L. Wheeler, for U. B. C., won the decision by a vote by the judges of two to one.

The subject of the debate, on which the home teams had the affirmative, was: "Resolved that a substantial measure of disarmament can be undertaken before the League of Nations or some similar organization becomes well established."

This was the first debate of the season with another university, and the large crowd of Varsity supporters who filled the King Edward High School auditorium greeted the announcement of Varsity's win with a lusty "Kitsilano," followed by a "Skyrocket" for the losing team.

Mr. W. H. P. Malkin, president of the board of trade, acted as chairman and welcomed the debaters from across the line. He stated that debates of this nature between the two nations of this continent tended to cement the bonds of friendship already existing between the two countries.

The judges' decision was a popular one, the general opinion being that whereas the Washington men had perhaps the better delivery, the U. B. C. men excelled their opponents in the choice of subject matter relating to the question and in their forceful presentation of facts.

The members of the visiting team are: Messrs. P. H. Odegarde and K. Hillman. The local university was represented by Messrs. W. C. Kelly, Arts '25, and A. L. Wheeler, Arts, '25.

The judges of the debate were: Messrs. George Kidd, of the B. C. E. R.; Charles F. Crandall, of The World, and Principal W. H. Smith, of Westminster Hall.

Miss Morris, L.E.A.M., conducted the University Orchestra, which played before the debate and during the time the judges were rendering their decision.

### LOCAL STUDENTS MAY TAKE UP LACROSSE

Lacrosse is slated for a big boost at the local University. The game is thriving in the eastern colleges and the feeling of a number of lacrosse enthusiasts now attending Varsity, most of whom have played in the amateur leagues of the city or of the interior, is that the local institution could make a go of it. Members of the faculty also are showing an interest in the proposed new venture in amateur sport. Ways and means of forming a club Monday. If the consensus of opinion proves favorable a club will be formed and a team entered in the City Senior League for the coming summer.

### U.B.C. TRACK MEN ARE ASKED TO PENN MEET

15-1-22

PHILADELPHIA, Jan. 16.—Invitations have been sent out by the University of Pennsylvania to more than 250 American universities and colleges for the annual relay carnival to be held on Franklin Field April 26 and 29. A number of institutions, mostly in the south, were added to this year's list. Invitations also went to Oxford and Cambridge (England); McGill, Queens and British Columbia Universities (Canada), and the University of Havana, Cuba.

## VARSITY SENIORS DEFEAT NORMALS

16-1-22

### Winners in Basketball Game by Four Points

The Varsity Senior A quintette nosed out the ex-Normal A five by the margin of four points in the regular league fixture of the City Basketball League Saturday night at the Normal gym. The game was one of the fastest and most spectacular seen on a local gym floor in many moons. The teachers started the scoring Bruce in the opening minutes of play and from then on both teams maintained a torrid pace with first one and then the other in the lead. The game all the way through was featured by snappy passing and close checking. The X's had a little the better of the argument in the first stanza until a few minutes before half time, when Tommy Wilkinson dropped in three baskets and Lacy Fisher two in quick succession, making the score 14-13 for Varsity.

The second period opened with a bang, both teams going at it hammer and tongs. Ross Bryson, who was held down to no score in the first half by Gord Lewis, eluded his man and tallied with a neat shot, putting the teachers one up. George Gross retaliated with a shot from centre which dropped through the hoops without touching the boards. And so it went, with Varsity leading by a couple of points and then the ex-Normals forging ahead. With about seven minutes to go, the score stood 18 all. The teachers by some pretty passing and shooting increased their aggregate to 26. With defeat staring them in the face, the Varsity boys redoubled their efforts and Fisher, Gross and Wilkinson, both by long shots and good work under the basket, pulled their team out of the hole and the Varsity finished on the long end of a 30-26 score.

Stan Meadows turned in the best performance for the losers intercepting passes in fine style and proving a dangerous shot. Fisher, Gross and Wilkinson were the shining lights of the Varsity crew.

The teams:  
Varsity—Lewis, Carlisle, Gross (2), Wilkinson (12), Fisher (12), Bickell (4).

Ex-Normals—Abercrombie (2), Meadows (8), Woodcock (2), Bruce (4), Bryson (8).

In the curtain raiser the Varsity Senior B squad turned in an easy win over the ex-Normal C quintette. The teachers were outclassed at all stages of the game. They staged a comeback in the closing minutes of play, but it came too late to be effective and the Varsity were returned winners by a 32 to 14 count.

For the winners, Penwill at centre and Bob Stevens at guard showed good form, while Harold Gamey was the best bet for the losers.

The teams lined up as follows:  
Varsity—Stevens, Jeck (2), Penwill (15), Turnbull (15), Bassett.

Ex-Normals—Sangster (4), Burnett Cella (2), Herb Gamey (2), Harold Gamey (6), McAllister.

Cam Stewart refereed both games to everybody's satisfaction.

# CENTRALS TIE UP RUGBY CUP SERIES

16-1-22

Victory Over Varsity on Saturday Places Cardinals Even With Rowing Club for Miller Trophy—Play-off January 28 Collegians Go Down, 9-0, Before Stronger Team

	Won.	Lost.	Drawn.	Pts.
Rowing Club .....	5	1	0	10
Centrals .....	5	1	0	10
Varsity .....	0	4	2	4
Bank of Commerce .....	0	4	2	4

By virtue of their win over the Varsity rugby team at Brockton Point on Saturday afternoon by a score of 9-0, the Centrals will meet the Rowing Club on January 28 for the final in the Miller Cup series. Judging by their showing Saturday, the Cardinals should put up a very hard fight for the silverware and rugby followers are assured of seeing two of the finest representative club teams in action that have been playing here for some years.

The game Saturday was a hard-fought one all the way through. The first half of the play was fairly even, but in the second session, when the Central forwards worked better together as a pack, the tide turned and the Varsity team were forced to defend their line on several occasions, and on two of these they were unsuccessful, for Cam Stewart went over twice. Jack Tyrwhitt, better known among rugby players as "Twitter," scored the first try after a beautiful three-quarter run in the first half.

The field was in the finest shape that it has been for many weeks and the play was fast throughout. Several brilliant three-quarter runs were featured and the kicking on the whole was good, although none of the tries were converted, due mainly to the difficult angle.

In the opening minutes of the game, the Varsity forwards, playing a fine dribbling game, pressed the Cardinals hard and fought their way to the line on several occasions, but timely kicking to touch by the backs saved the day.

### Varsity Were Game.

The Varsity men fought back gamely, and it must be admitted that they put up some excellent work, but the Cardinals were the stronger team. The college full-back, Claire Dominey, lived up to his reputation as a kicker, and it was nothing for him to gain 30 yards on a kick. He outdistanced McQuoid of the Centrals, although it is to be noted that the latter is not a regular full-back.

Then the Varsity had such stars as McLane and Price on the three-quarter line and Penwill, star of the Varsity-Victoria match, a five-eighths. These men played strong games but their support was not strong enough and the Cardinals' defence was impregnable.

The Centrals were in rare form once they settled down to business. The forwards missed the guiding hand of Casey Clarke, who was replaced very ably by Pete Ceeley, and it took them a whole half to get the scrum working properly. When they did, nothing could stop them. They dribbled well,

Brown, Stewart and Bayliss being the pick. Kenny Macken got little chance to show his wares during the game but on the few chances he saw, he excelled. Lord played a fine game and his unselfish work near the end of the game when he passed to Stewart, who scored, although he might have made the try himself, stamps him as a good man, for he was taking no chances. Long, Jack McWhinney and Jack Tyrwhitt as the other three, featured in a number of runs, in one of which Tyrwhitt went over.

### Tyrwhitt Scores

Tyrwhitt scored in the first half after Lord had kicked to touch at the Varsity two-bit line and the ball was sent out from a line-out. Lord and McWhinney figured in the score. McBride failed in what appeared to be an easy converting kick. The collegians returned the play right after this and pressed the line hard, Scott and Edgett, with Meekison, being the stars in the advance.

In the second half the Cardinals pressed the Varsity backs strongly and just a few minutes after the whistle, Cam Stewart kicked into the loose and went down followed by Laidlaw. The ball rolled into touch past Dominey and Stewart made the try. Lewis failed to convert. Harry Lord started the run for the last try from near centre and he was just on top of the line when he passed to Stewart who again scored. As the half progressed the fog started to roll in front the Narrows and by the end of the game the players were indistinguishable.

### The Teams

Centrals: Fullback, McQuoid; three-quarters, Macken, McWhinney, Lord, Tyrwhitt; five-eighth, Lewis; halves, Laidlaw, Doidge; forwards, Richardson, Stewart, McBride, Gourlay, Bayliss, Brown and Celley.

Varsity: Fullback, Domoney; three-quarters, McLeod, Hunter, Nichol and Price; five-eighth, Penwill; halves, Scott, Edgett; forwards, Gregg, Willson, Hooper, Jones, McCittie, Meekison and Gunning.

Referee: E. S. Bullen.

# VARSAITY WILL PLAY LACROSSE

Club Formed and Preparations Made for Early Start—

Carter May Coach

Lacrosse fans of Vancouver will glimpse a new team in action in the city senior race for honors this coming summer. At a big meeting of over 75 enthusiasts, the University of British Columbia definitely decided to take up the great summer pastime. All the big universities in the east have large squads turnin out regularly every year, and the game back there has received a new impetus within the last year. The Canadian game has even crossed over the line and such institutions as Harvard and Yale and other American universities have made lacrosse a major sport.

The University of British Columbia, by the formation of this new club, has set the pace among the Western universities and the followers of the game in Varsity hope to see an inter-collegiate league formed west of the Rockies before another summer has passed, as it is possible a number of the Pacific Coast colleges may take up the game.

### Some Star Players

Varsity will number among its players R. E. Walker, Hugh Ross, Alec Usher, all of whom performed for Richmond last year; Bill and Al Hatch, of the Nationals; Ernie Clarke, who guarded the net for Kamloops in the interior last season; Gord Rowley and Will Lambly, both of whom performed in the attack for the Penticton squad of the Okanagan League; and Tommy Wilkinson, who played in Victoria.

At the meeting yesterday it was decided to approach "Bay" Carter with a view to securing his services as coach. Carter is a graduate of the university here and a star performer in the professional coast league.

### Practices Seen.

Practices will be commenced as soon as sticks can be obtained and the ground gets in fair condition for play. A thorough system of training such as is carried on by the Varsity rugby squad, will be followed.

The Varsity officials realize that condition is one of the vital factors affecting the fielding of an Al team, and what the boys will probably lack in technique and a knowledge of the finer points of the game they will amply offset by their pep.

Prof. Harry T. Logan of the university was elected honorary president of the newly-formed club. Mr. Logan, when he attended Oxford, played for that university against Cambridge, and is a keen follower of the amateur game. Other officers of the club are:

Gord Rowley, president; "Pug" Greggor, vice-president; Bill Hatch, secretary; Ernie Clarke, treasurer.

An energetic committee composed of R. E. Walker, Bill Hatch and Archie Blair are busy securing the club's equipment. They will hand in a report at the next meeting on Monday, Jan. 30, when a date will be set for the commencement of training.

## SEEKS U. B. C. MEN FOR LABOR

J. S. Woodsworth Thinks Students Should Get in Touch With Working People

Mr. J. S. Woodsworth, Labor M.P. for Winnipeg Centre, yesterday gave an interesting address to the student body of the University of British Columbia on the subject: "Universities and the Labor Movement." Mr. Woodsworth is himself a university graduate, and later took up post-graduate studies in Oxford University. Five years ago he delivered a series of lectures in Social Service spreading

over a period of two weeks, in the university here.

Mr. Woodsworth likened himself to Bernard Shaw, who, twenty-five years ago, addressed the students of Oxford University in a successful attempt to arouse their active interest in the problems of the working classes. Today large numbers of Oxford undergraduates, according to Mr. Woodsworth, spent their summer holidays in the slums of London and other cities of the British Isles in an earnest endeavor to gain first hand information and bring the workers' problems to the attention of the British public.

What the universities needed today, he stated, was not a cut and dried text book course in Social Service but, rather, a practical one in which the student would get in actual touch with the different world of the working people and so qualify himself to speak authoritatively on the great labor problems of the day. He made a strong plea for men, graduates of universities preferably, who through the medium of the spoken and written word, would interpret to the world the workers' needs.

# JAP STUDENT U. B. C. ORATOR

H. Yonemura Among Winners for Final Honors in University Contest

## MUCH DEBATING

Many Inter-Class and Inter-Faculty Arguments Take Place at Varsity

Debating and public speaking were the order of the day in the University of British Columbia yesterday. In the afternoon the public speakers held forth in one of the class rooms. The occasion was the try-outs for the annual men's oratorical contest, to the winner of which a suitable award will be given. A large number of contestants entered in the try-outs, the rules of which called for a five-minute speech on any subject of the student's own choosing. The subjects discussed were many and varied. Competition was so keen that the judges, Professors Harry T. Logan, James Henderson and S. E. Beckett, had a good deal of difficulty in arriving at a decision. They finally chose A. Mol. Hurst, Arts '22; C. A. F. Clarke, Arts '22; G. G. Coupe, Arts '23; G. H. Fleming, Arts '23, and H. Yonemura, a Japanese student of Arts, '24, as the five contestants who will speak for the final honors on February 11.

In the auditorium, Arts '24 and Arts '25 waged war among themselves on the disarmament question. The decision in this case was 2 to 1 in favor of Arts '24. The teams were Arts '24, Bruene and Goodwin; Arts '25, Kelly and Smith. The judges for the debate were Professors F. G. C. Wood, T. H. Boggs and Thorleif Larsen.

This debate marks the beginning of the debates for the inter-faculty shield which has been won two years in succession by the Faculty of Agriculture. Next week Arts '23 and Arts '23 will debate and the winner will fight it out with Arts '24 for the right to represent the Faculty of Arts against the Faculty of Science and Agriculture for the shield.

### Would Move U. B. C.

The women's third annual oratorical contest took place in the auditorium last evening before a large and appreciative audience. Two book prizes were awarded. Miss Georgina McKinnon, Arts '22, was given first prize. Miss McKinnon gave a humorous "electioneering speech" in which she represented herself as a candidate for the provincial house in the thriving city of Sicamous of twenty years hence. One of the chief planks in her platform was the erection of a University at Point Grey. Miss Greta Mather, Arts '24, was awarded second prize. In contradiction to Miss McKinnon she spoke seriously on the subject of "Canada in World Politics."

## VARSIITY RUGBY TEAM SELECTED

Weather forecasts are none too favorable for the playing of the McKechnie Cup game between the Varsity and Vancouver-Rep. teams at the oval at Brockton Point, Saturday afternoon. The ground is still frozen hard and the weather bureau holds out little hope for a sudden thaw.

The committee, consisting of the referee and the two captains, will visit the point at noon today and will make a report which will appear in the late editions of this paper. Should the ground be found in good enough condition to warrant safety to the players, the game will start at 2:45 p.m., sharp.

The Varsity team will be: Domoney, McLeod, Penwill, Buchanan and Price; Ternan, Cameron and Hunter; Gross, Gwyther, Hodson (captain), Gunning, Carlisle, Gregor and Bickell; spares, Scott and Meekison.

# M'KECHNIE CUP GAME SATURDAY

Varsity and Rep. Rugby Teams in Fine Shape for Week-End Match

Final preparations for the McKechnie Cup game on Saturday at Brockton Point between the Varsity and Vancouver Rep. rugby teams, were made at the executive meeting of the Vancouver Rugby Union last night. The match, upon which rests the destiny of the trophy for the year, will start sharp at 2:45 p.m., with O. R. Bell-Irving as referee. As a certain-raiser to the game, the Central Intermediates, champions of the Mainland winners of the Province Cup, will meet a picked team from the Varsity and Rowing Club intermediates. This game will commence at 1:45, E. S. Bullen acting as referee.

The Rowing Club second team and the Varsity thirds had a schedule arranged for a series of three games to keep the men in training, but they cancelled the match in order to give the Cardinals a game before they go to Victoria on February 4 to meet a representative team from that city.

### Miller Cup Final.

A week from Saturday, January 28, the Rowing Club and Central teams will play the final in the Miller Cup series. Further announcement regarding this game will be made later. As a first game for that day, the Bank of Commerce team will likely play against the Varsity Senior "B" fifteen.

The Rep. team held a fine workout at the Horseshoe Building last night. Coach Lew Thomas and members of the selection committee were on hand to watch the proceedings and expressed themselves as being entirely satisfied with the practice. The team will turn out again on Friday night at the same place, and time should be in excellent shape for the match. The Varsity athletes, under their able coach, C. G. McLachlan, will complete their training this afternoon at the Heather street grounds.

No financial statement of the Stanford games was made at the meeting last night, J. L. Gunn, the treasurer, reporting that all accounts were not in yet. The statement will most likely be given out next week.

## CLASS PARTY OF ARTS '22 AND "AGRICULTURALS" BALL

The Class party of Arts, '22, promises to be the most enjoyable affair of the season. No measures have been spared by the energetic committee to promote this dance at Killarney, Tuesday, Jan. 24. The class members include the Misses Annie Watson, Lillian Reid, Mary Munro, Marion Atherton, Edna Ballard, Winnie Bullock, Margaret Clarke, Louise Campbell, Dorothy Fingland, Jocelyn Frith, Gwendolyn Gillis, Dorothy Hopper, Gwen Kemp, Helen English, Jeannie Kier, Mona Milles, Isabel Miller Georgina MacKinnon, Marjorie Agnew, Helen Rankin, Izeyle Aconley, Mary Buxton, Doris Dowling, Patricia Gignac, Dora Pye, Doris Fulton, Helen Kier, Bertha Lipson, Dorothy Gill, Cora Metz, Evelyn Monkman, Helen Mortimer, Christie Urquhart, Ruth Verchere, Gwen Willis; son, Dena Weinberg, Nora Willis; Messrs. Johnston, A. Harris, Jimmy Dauphine, Jimmy Herd, Geo. Clark, Bob Munro, Bruce Fraser, Ed. Lewis, Vic. Anders, C. Woods yorth, T. Wells, Ted Johnston, Weldon McAffie.

### "AGRICULTURALS"

The Annual Ball of the "Agriculturals," University of B. C., which will take place Friday, Jan. 27, at Lester's Court, is a much anticipated event. An executive committee has been working energetically to make this dance a huge success. The patronesses of the affair are: Mrs. L. E. Klinck, Mrs. Davidson, Mrs. Clements, and Mrs. Boving.

The invited guests include the Misses Martha McKechnie, Sallie Murphy, Mary McKee, Norma McClellan, Betty Rankin, Eloise Angell, Evelyn Eveleigh, Gladys Weld, Helen Kloepher, Dorothy Gill, Gwen Kemp, Margaret Fraser, Gertrude Bickell, Jean McLellan, son, Margaret Conlan, Beth McLellan, Constance Peter, Gwen Kemp, Helen Clarke, Izeyle Aconley, Nellie Wilkin-son, Marie Lapsley, Anna McRae, Margaret Tisdall, Lillian Locklin, Kathleen Conlan, Jenny McBeth, Kirsteen Liveson, Dorothy Gill, Dorothy Adam, Mary Bulmer, Mary McKenzie, Mary Chapman, Alice Murray, Jessie Adams, Ruth Fraser, Muriel Evans, Eloise Angell, Lena Harvey, Edith Lochart, Edna Rogers, Irene Stewart, Mary McKay, Hope Walker, Frances Cowan, Helen Turpin, Dorothea Gillespie, Gwen Robson, Isabelle Russell, Nannie

## University Dance Enjoyable Event; Several Novelties

Novelty was the keynote for the annual dance of the Alumni Association of the University of B. C. which was largely attended at Lester Court last night. Not the least interesting feature of the evening was the distribution at supper of a large number of balloons, filled not with air but with hydrogen, which held them in the air and exploded with a bang when touched off with a match or cigarette butt.

Following supper two parodies on popular college songs, on "Doc" Davidson's ability as a story teller, and the room and stepping to a lively tune sung by everybody present with gusto. Just before resuming the dance the well known college yell, "Kitsilano," was given by the guests, led by Mr. Art Lord.

One other feature was the grand march around the ballroom, which led by the patronesses and honored guests of the evening followed directly after the supper waltz. All lined up around the room and stepping a lively tune filled down the stairs to the supper table, which was set with a most appetizing assortment of salads, cold meats and cakes. There was a large representation of students of the University and their friends and the affair passed off just as enjoyably as anticipated. Mrs. R. E. McKechnie, Mrs. L. S. Klinck, Mrs. J. G. Davidson, Mrs. Boving and Mrs. Lemuel Robertson kindly acted as patronesses.

### M'KECHNIE CUP GAME SATURDAY

#### Vancouver Rep. Meets Varsity in Return Match—Stanford Financial Statement Out

The executive of the Vancouver Rugby Union at their meeting last night once again decided to go ahead with plans for the Vancouver Rep-Varsity McKechnie Cup rugby match at Brockton Point on Saturday afternoon at 2:45, and they will be a very peeved bunch if the weather man tries any more of his antics in the way of sending down a heavy frost just a couple of days before the game is scheduled. Present indications are that the frost will be out of the ground sufficiently to allow play. R. Bell-Irving head of the rugby union, will handle the whistle. As a curtain-raiser an exhibition match between the Central Intermediates and the Varsity third team will take place at 1:45 sharp. Mr. Kennedy will referee. Should the field not permit two games, this first game will be played on the King Edward campus at 1:30 to give the Cardinals a practice before their game in Victoria next week.

#### Financial Statement.

At the meeting last night, J. L. Gunn, honorary-treasurer of the V. R. U., presented the financial statement of the Stanford series. Considering the weather conditions which prevailed for a long time before and during the series, the union was very lucky to come off the way it did. The total loss will amount to about \$308, of which the Varsity will bear one-third, according to a previous arrangement.

The main loss was due to a very heavy deficit on the dance given in honor of the southern collegians. A total of 5346 people attended the three games, paying the sum of \$3900. Out of this the union was forced to pay \$246 to the government for amusement tax. This charge was criticized at the meeting as a "crime" for amateur sport.

### BOXING AND CORNCOBS MIX AT SMOKING PARTY

#### U. B. C. Arts Undergrads Spend Evening at Rowing Club

The U. B. C. Arts men threw discretion and textbooks to the winds and celebrated in royal fashion at the Rowing Club on Friday night. The occasion was their annual smoker. Professors Harry Logan, Davidson and "Doc" Sedgwick were on deck and initiated their flock into the mysteries of "ye olde corncob pipe."

A snappy programme was run through, including acts from local cabaret artists and several boxing bouts. Lorne Morgan, the Varsity rugby trainer, had charge of these affairs and declared the feature scrap of the evening a draw. It was a three-round mix between Campbell and McLoughlin, both Arts men and lightweights. Both boys handled themselves well and, although McLoughlin was almost knocked for a goal in the first round, he gamely got on his feet at the count of eight and came back strong in the final frame, thereby earning a draw. The other bouts took the form of blind-fold inter-class competitions. Jack Arkley, Arts 22, took on all comers and the way he whipped the air was a treat to the fans. However, he managed to connect once or twice in a blue moon.

### VARSITY RELAY SET FOR MAR. 1

26-1-22

#### Move to Switch Event From Road to Track Fails—Strong Teams Enter

Preparations for the big annual Varsity relay race for the Arts '30 Challenge Cup were set in motion at a meeting of the track club yesterday.

Discussion has been rife of late among the Varsity officials as to the advisability of running the race on the road or of changing it to the track at Brockton Point this year. For the past three years the race has been run from the University site at Point Grey to the present temporary quarters opposite the General Hospital. Objections have been raised to this course on the ground that the traffic on the roads often hinders the runners and that only a few, possessing cars, are able to witness the whole race. On the other hand, those in favor of maintaining the old course state that by staging the event on an uneven course each team has a greater opportunity for exercising judgment in placing their men, and that the keen local interest taken in the road race would die were it run on the cinder track. The question was thrashed out at the meeting and it was decided to stick to the old course for this year.

Steps will be taken to safeguard the runners, and as far as possible, control the traffic while the race is in operation.

March 1 is the date set for the event and the various years are now lining up their runners.

The course is slightly over eight miles and the various teams will each enter eight men, each man running a mile.

Last year Sc. '24 carried off the mug after a hard grind, and this year competition is even keener. Agriculture, which will have both Hoyle and Buckley on its team, is conceded to be among the most formidable contenders. Doug. Rae and Cliff Mathers will both be running for Sc. '23. Arts '24, with the class championship of the last track meet to back them up, should also figure.

### STUDENTS PLAN BOXING SMOKER

#### Varsity Boys Will Run Off Two Bouts at Entertainment at Rowing Club Friday

The Varsity Boxing Club have arranged to start their season's programme with a smoker on Friday night at the Rowing Club for members and their friends. A general programme will be run off, with a couple of three-round bouts as the leading feature.

The student scrappers have been working out for a couple of months under the eye of Joe Nestman, who believes several of them show promise of developing into likely candidates for provincial honors.

Joe is particularly impressed by Hislop, who tips the scales just about the middleweight limit. This lad is last and strong, with a clever left hand and a punishing right. Nestman says he could make the best of the amateurs step right now, and with a little practice should be able to clean up in his class. Slingerland, a welterweight; McLaughlin and Campbell, lightweights, and Wallace and Ledingham, middleweights, also look pretty good.

#### Practice Weekly.

At present the students are working out only once a week, which is hardly sufficient to bring the boys on fast enough for tournament competition, but it is hoped to make arrangements for more frequent practice in the near future.

The club is proving popular at the university and a goodly number of the students are joining up. G. C. Lipsey, Science '24, is president; C. Campbell, Arts '23, vice-president, and E. Ellis, Arts '23, secretary-treasurer.

At Friday night's affair, McLaughlin and Campbell will box at 135 lbs, and Wallace and Ledingham at 155.

Later in the season it is planned to stage a tournament for the college championships in the different classes.

### U. B. C. WOMEN TO DEBATE WILLAMETTE

#### Discussion on Rights in China to Be Held in Oregon

Local Varsity women are to enter the debating field, according to a decision arrived at by the Women's Undergraduate Society of the University of B. C. A short time ago a challenge was received from Willamette University, Salem, Oregon, a co-educational centre of some four or five hundred students.

Tryouts for the two representatives for Varsity were held Friday afternoon, the judges finally deciding on Miss Sallee Murphy, Arts '23, and Miss Dorothy Walsh, Arts '23. Miss Murphy took part recently in the Women's oratorical contest, and, although she failed to carry off a prize, made a very creditable showing. Miss Walsh is one of the two literary editors of the college organ, "Ubyessey," while Miss Murphy is the exchange editor of that weekly paper.

The subject, of which U. B. C. has the negative, is: "Resolved that the Western nations and Japan are justified in refusing to relinquish the territorial rights in China which they held by treaty."

Unlike the men's international debates, there will be no simultaneous debate here with Willamette, although next year the women's executive hope to extend their activities to include debates with women teams from the University of Washington and other American colleges.

### PLAN TRAINING CORPS AT U.B.C.

#### Undergraduate Governing Body to Discuss Proposal for Officers' Class

One of several outstanding proposals to come before the Alma Mater Society, the undergraduates governing body of the University of B. C., when it meets next week will be a proposal to form an officers' training corps at the University. During the war a training corps was maintained from whose ranks many trained men were recruited for the 196th Western Universities Battalion and all branches of the overseas forces.

The corps has ceased to function since 1919. Since that time many of the students have felt the need of reviving the old unit. It is argued that, aside from the sentimental aspect associated with the corps, its reformation would provide a regular course in physical training which students taking no part in athletics would otherwise fail to get.

28-1-22

### "MR. PIM PASSES BY" TO BE SPRING PLAY

The University Players' Club will present "Mr. Pim Passes By," as their seventh annual production at the Avenue Theatre. The entire cast has

not been definitely selected, although Mr. Jack Cline, Arts '23, has been chosen for the part of Morden, the obstinate squire. There are thirty-five members trying out for places, and keen competition is being shown at the rehearsals before the final test next Friday. The advisory board, Professors G. G. Sedewick, F. G. C. Wood, A. F. B. Clark and T. Larsen, will be assisted in the task of selection by Dr. Jefferd of the library staff, and the Misses C. Highmoor, D. Adams and S. McGuire, former members of the club.

"Mr. Pim Passes By" recently enjoyed a run of eight months in New York. When the play is put on by the Players Club in March, Vancouver patrons of the theatre will have the first opportunity of witnessing its production west of Toronto.

Members of the club who have already secured parts, as well as those who will not appear at the Avenue stage this year, are devoting all of their spare time to the spring production.

# VARSITY DEFEATS REP. RUGBY TEAM

30-1-22

### Collegians Secure Possession of McKechnie Cup in Loose Game by 10-3 Score—Macken Has Knee Wrenched and Ternan Breaks Rib During Play—Collegians' Fine Record

#### McKechnie Cup Standing.

	Won	Lost	Pts
Varsity	3	0	6
Vancouver	1	3	2
Victoria	1	2	2

The University of B. C. senior rugby team are the undisputed champions of the province and also the proud possessors of the Pacific Coast inter-collegiate honors. The McKechnie cup goes with the first honor, while the Vancouver Daily World trophy is emblematic of the latter title, which was gained by defeating the Stanford University team here at Christmas by a score of 8-0.

On Saturday afternoon at Brockton Point, the Varsity fifteen handed out a decisive defeat to the Vancouver Rep. team in a return game and won the McKechnie trophy, although one more game is scheduled to be played, that of Victoria vs. Varsity here on Saturday. This game, however, can have no bearing on the title, the collegians having won three straight games.

The game on Saturday was not as good as could be expected from two such strong teams and both have played better rugby in the past. The field was in excellent shape, making opportunity for fast runs and hard kicking.

When Captain Reg. Hodson led his team off the field the score stood at 10-3 in their favor. The students scored two unconverted tries and a field goal, while the Rep. men secured their points by a penalty kick made in the opening minutes of the second half. Reg. Hodson and Al. ("Buck") Buchanan scored the tries for the Varsity and Ternan made the field goal, while Hal. Gwyther took the penalty kick for Vancouver.

#### Two Bad Accidents.

Two accidents marred the play. In the middle of the first half, Kenny Macken, captain and star three-quarter of the Vancouver team, suffered a bady wrenched knee in a tackle. He was carried off the field in great pain. "Gee" Ternon, of Varsity, had a rib broken from a kick. He, too, was removed from the field for the rest of the play.

Macken, although suffering considerable pain, refused to lie down but kept a sharp eye on the game, and in the second half sat propped up a bench at the end of the field while his men went down to defeat. He was greatly missed by the team and the three-quarter line lost most of its vim and dash after he was carried away. The Varsity sorely missed Ternan's sure kick to touch.

The Varsity men were in noticeably better condition than the Rep. squad. Ever on the ball, they worried the Vancouver pack at all times, and the superior kicking of their backs allowed the college forwards to rest up many times while the other men were running up and down the field.

The decisive defeat of the Rep team came as a great blow to their many supporters. The team was looked upon by rugby followers as well-nigh invincible, and before the play started there were many who had high hopes of seeing the series develop into a three-cornered contest. But something was wrong. The forwards did not seem to be able to get the ball past the Varsity crew or get it back often enough to their waiting threes from the loose, although they heeled it well in the scrimmages.

#### Kicking a Feature.

The game was composed chiefly of scrimmages and kicking. Claire Domony, Varsity full back, excelled. His kicking in the main was wonderful, and his close tackling and sensational saves when it looked like a sure score brought the fans to their feet on several occasions. Hal Gwyther, playing in the same position for the losers,

was not sure of his kicking, and did not make very large gains in his touch-finding.

Vancouver won the toss and kicked into the loose. The ball was returned by Gross to touch. From here the ball was taken down to the Rep. two-bit line, where the play waged for a few minutes. Greggor got the ball, passed to Carlisle and he in turn shot it on to Gwyther who got as far as the five-yard line. The ball was kicked across and carried down to the line where a loose scrum ensued. In the scrum the ball was sent out to Hodson who waiting and he fell over. The try was not converted.

The Rep. team came back when Hunter grabbed a pass and started off. He was tackled and passed to Macken, who kicked into the loose and followed up. Then the pack came into action and Casey Clarke got nearly to the line before Dominev got him

on a sure tackle. Buchanan got the ball right after, but Tyrwhitt blocked in fine shape and Hal. Gwyther took a kick far into touch.

From a scrum, the ball was heeled out clean to the Rep. threes and they excelled in a run passing as neat as a whistle, Lord and Macken being the star performers. Just after that Macken was taken off the field. Following this McLeod got in a nice boot to touch near the Vancouver two-bit. The forwards made up for the loss but sure kicking again by the Varsity backs nullified any gain made.

#### Ternan Scores.

Then came Ternan's drop. He was surrounded by a number of men but he accepted the pass, dropped the pigskin to the ground and sent it sailing over the bar for four points.

The play waged on till the half with each side taking a turn at pressing.

Returning in the second half the Rep. men pressed at the start but lost their aims to hard kicking by the opposing backs. Once again they tried, and when the ball was heeled back Hal. Gwyther kicked into the loose, followed up and nearly went over past Dominey. Then the three tried. Lord started, passed to Hunter and then Tyrwhitt got it, to pass to Hunter again when tackled. Hunter sent it to touch.

For a while the fiercest fight of the game waged near the Varsity line. Time after time the Rep. men bombarded the line, but without success. Then when both teams were showing their hardest in a loose scrum on the line one of the Varsity forwards attempted to pick the ball out of the scrum and was penalized. Gwyther took the kick and scored easily.

With hopes brightened, the Vancouver men essayed another score, but this time were less fortunate, the ball being sent back to the backs, who found touch at centre. Tyrwhitt and Lord got in one of the prettiest passes of the day at this point, but failed to score.

This was the last time that the Rep. men were to get near the line, and from then on the Varsity men carried the ball into the Vancouver territory and Buchanan went over near the corner, but the try remained unconverted.

#### The Teams.

For the Varsity team Gross, Carlisle, Buchanan, Cameron and Domoney were the shining lights. Tyrwhitt, McWhinney, Dord, Decker, Casey and Don. Clarke were the pick of the Rep. men. The teams were:

Varsity—Fullback, Domoney; three-quarters, MacLeod, Penwill, Buchanan and Cameron; five-eighths, Ternan; halves, Bob Hunter and Cameron; forwards, Gross and Gwyther, Greggor; Hodson and Bicknell; Carlisle and Gunning.

Rep.—Fullback, Hal Gwyther; threes, Tyrwhitt, McWhinney, Lord and Macken; five-eighths, Hunter; halves, Marshall and Annace; forwards, Casey, Clark and Brown, Decker, Bayliss and Hess, Stewart and Don Clarke.

## STUDENTS TO DISCUSS IMPORTANT QUESTIONS

### Alma Mater of University to Hold Meeting This Week

A business meeting of the Alma Mater of the university is to be held this week, at which several questions of vital importance to the student body will be brought up for discussion. Among these is a proposed scheme for assisting varsity athletics who have incurred injuries on the playing field. Several hockey, soccer and rugby players, both this year and last, sustained broken limbs, either during practices or games, which have necessitated medical treatment.

The resolution, sponsored by the Men's Athletic Association, advocates reimbursing these men for expenses incurred as a result of these injuries. If the resolution be passed, the Students' Council will be authorized to set aside a fixed sum of money each year, to be known as the Injuries Trust Fund, and appoint a tribunal which will engage medical treatment for any injured player and disburse the necessary fees.

A report on fraternities will be read and discussed and the resolution of the committee appointed at the Alma Mater meeting last year will be voted on. The fraternity question was responsible for a lengthy discussion at the last meeting. Many varsity students feel that fraternity and sororities are undemocratic institutions, and as such should be barred from using the university name. Other students take the opposite view and maintain that these institutions, far from harming the university, tend to create a closer bond of friendship among the student members, many of whom have, in the past, guided student affairs with the utmost credit to themselves and the university.

At last year's meeting Mr. Reg. Hodson, Sc. '23, was appointed convener of a committee which is securing information on the question from all the leading universities of Canada and the United States. It is their recommendation which will be discussed and voted on by the students.

## VICTORIA TEAM WANTS TO COME

### Islanders' Rugby Fifteen Think They Can Defeat Varsity on Saturday

The Victoria Rugby Union, at their meeting, last night, decided to send a team over here on Saturday to play against the Varsity squad Pacific Coast champions, in the final game of the McKechnie Cup series. The game is unnecessary as the collegians already hold the trophy safely and the Islanders have little or no chance of defeating the speedy fifteen, but despite this fact they intend to make the trip.

Such a trip is not a very wise move at this time. In the first place the gate receipts would not cover the expenses. Last Saturday there were only about 750 people at the biggest game of the provincial series and the number who would turn out to see the Victoria team would certainly be much smaller.

On the other hand the field will most likely be too badly frozen to permit play with safety. The ground is hard as a board now and the cold spell shows no signs of letting up. It is hardly likely that the B. C. Rugby Union will set a date in the future for the match as there are so many games to be played here that they would run nearly into the summer.

The Varsity team are not in very good shape after Saturday's game. They have lost Ternan, their star man, who is suffering from two broken ribs and a number of other men are nursing minor injuries so that they will not be in very good shape.

However, the whole matter will be threshed out at the meeting of the Vancouver Rugby Union meeting tonight, when representatives of the Varsity will be in attendance.

# JAPANESE WIN ASIATIC DEBATE

## Oriental Team Secures Decision in Discussion of California Exclusion Law

A debate of a somewhat unusual international character took place last evening in the gymnasium of the Japanese Mission church, Powell Street. For the first time in the history of debating in Vancouver a Japanese team had the opportunity of showing their skill in oratory and agreement in friendly competition with Canadian debaters. The debate was the outcome of a challenge recently issued by the Japanese student organization to the class of Arts '24 of the University of British Columbia.

The subject was, "Resolved that the Anti-Alien Law of California Was Unjustifiable."

The Japanese, who had the affirmative, were represented by Messrs. H. Yonemura and S. Kobe and this team won the judges' decision. The arts '24 debaters were H. Cantelon and D. J. Anderson, both of whom are members of the Men's Literary Society of the university.

Mr. Yonemura, first speaker for the affirmative, endeavored to prove that the recent California legislation was economically unsound, inasmuch as it debarred the Japanese, an industrious people, from tilling the land and was brutal in character since it denied them the opportunity of making and owning a home in the land of their adoption.

### Defending Selves.

Mr. Cantelon, opening the attack for the negative, established four points, to wit, that the law was morally, legally, economically and socially justifiable. In defending the anti-alien law, he stated that the enactment was not directed against the Japanese alone, but against all alien nations. He brought out the point that the Californians were but protecting themselves and their children from the overwhelming tide of Oriental invasion which threatened to obliterate the white farming communities of their state. He referred to similar legislation in Japan, which prevented the white race from owning land for productive purposes in that country.

Mr. Kobe, devoted the greater part of his speech to the "so-called Japanese menace in California." He declared this menace to be purely fictitious and, in substantiation of his argument, quoted statistics showing that only 1.8 per cent. of the total population were Japanese, and how, he asked, could there be a menace when they were outnumbered 18 to 1 by American citizens?

Following Mr. Kobe, Mr. Davidson reviewed the steps which led up to the final drastic legislation of 1920 against the Japs in California. Commencing with the "gentlemen's agreement" between the late President Roosevelt and the head of the Japanese government, he showed how the Japanese immigrants by circumventing the spirit of that pact, had forced the United States to pass various laws, each more drastic than its predecessor, until their final exclusion from ownership of land had been brought about through the anti-alien law of 1920.

The judges were Professor Mack Eastman of the university, Rev. J. H. Wright, president of the B. C. Methodist Conference, and Mr. Lorne Morgan, one of last year's international debaters for the university. Dr. Osterhout, head of the Oriental Missions in Vancouver, acted as chairman.

Judging from the large turnout the debate aroused considerable interest in the Japanese colony. Varsity students were on hand in force and livened things up considerably with the old familiar "Kitsilano" and college songs.

# INTER-CITY RUGBY GAMES SET FOR SATURDAY ARE CALLED OFF

## Victoria Will Not Play Varsity Here, and Central Intermediates Must Cancel Their Trip Across the Gulf on Account of Frozen Ground

Rugby appears to be due for another enforced rest this week-end, both here and in Victoria. The cold weather shows no signs of letting up and this morning inter-city games here and in Victoria scheduled for Saturday are likely cancelled.

The grounds at Oak Bay, Victoria, are reported to be too hard to permit of the Central intermediates playing a local representative team there, while the state of the terrain at Brockton Point practically precludes no chance of staging the McKechnie cup game scheduled for Saturday between Victoria Rep and Varsity.

The Cardinals have been dealt a hard blow. They went out and trimmed every other intermediate team in the city during the season without losing a single game or having a point scored against them. Then they turned their eyes on the Capital and a game was arranged, the Victoria fifteen to

be composed of any players who had not participated in any McKechnie Cup games this season. Bobby Knight, their coach and mentor, has been keeping them in tip-top shape for weeks in anticipation of the game and was confident of a win across the gulf.

Now that the game is cancelled, Bobby is not losing hope, but will press hard for a game sometime this month. This game has been an annual event between the two cities and last year the locals succeeded in capturing the title without much effort.

There is little chance of the Victoria team getting another chance of playing the Varsity here this year. The final in the Miller Cup is still to be played, the Tisdall Cup series will occupy three or four weeks, while the Rounsefell Cup for competition between the leading club teams of Victoria and this city must be played before the season closes.

# Control Secret Societies Rules for Frats and Sororities

Fraternities and societies were the chief topics at a meeting of the alma mater of the University of British Columbia yesterday. As a result of the deliberations, these erstwhile secret organizations will come under the direct supervision of the Students' Council, the governing body of the students.

In the past these organizations, of which there are several in the University, have used the university name but have been subject to no control in their actions by the student body at large. This state of affairs aroused a good deal of discussion and some heated arguments were staged between "frat." members and other students at the last business meeting of the alma mater. The outcome was the appointing of a committee of three, Reg. Hodson, Sc. '23; Bob Hunter, Arts '23, and W. B. Willan, Arts '23, to ascertain the opinions held regarding the advantages or otherwise of "frats." and societies by the student bodies of other universities.

A questionnaire was sent out to some 200 universities, including all the Canadian universities and the leading universities of the United States.

Some 114 replies were received of which 83 were favorable to these organizations and 31 against.

As a result of their findings the committee, at yesterday's meeting, advocated the following resolution: (1) That an inter-fraternity council be formed, which shall be representative of each fraternity on the campus and also of the faculty; (2) That an inter-sorority council be formed, representative of each sorority on the campus and also of the faculty; (3) That these councils act as a committee of organization to draw up a constitution and bylaws which shall govern fraternities and sororities in the university, such regulations to deal with pledging, initiations, scholastic standing, eligibility, rules and regulations of social functions.

When this resolution was put before the students Mr. J. P. G. McLeod, and Mr. Wells Coates, moved an amendment, which was carried, to the effect that this inter-fraternity and inter-sorority council consist only of members of fraternities and sororities.

Henceforth the fraternities and sororities will be responsible for their actions to these councils, which in turn will be under the control of the students' council and hence, indirectly, of the whole student body.

# "Varsity Week" Will Be "It" Vaudeville Show the Big Feature

"Varsity Week," which has become one of the recognized institutions at the University of B. C., will be celebrated with all due pomp and ceremony next week. Commencing on Monday with a mass meeting at noon, the succeeding days will be marked by athletic contests between the various faculties, classes, student body and professors. The piece de resistance this year, however, will be the vaudeville show, which is to supplement the regular Orpheum bill on Thursday night and which, if it lives up to advance notices, will far outdo any previous affairs of this nature.

The principal act of the bill will be a stupendous spectacle entitled, "Where Did Robinson Crusoe Go with Friday on Saturday Night." The students intend to reveal the secret through a vivacious pantomime in which a bevy of seven "beauties" and such well known characters as King and Queen Zam Buk take prominent part. Gorgeous costumes are being especially made for the cast, which is under the personal supervision of Yell King Gordon Meekison himself, who has become known to hundreds in the city for snake-like contortions with which he leads the rooters' club to its usual harmonious finale.

For the first time in the history of the institution the "co-eds" have intimated their intention of taking an active part in the proceedings and are rehearsing something or other diligently, although the exact

nature of their effort is being kept a profound secret.

In addition to these headline acts, each faculty is responsible for a short entr-acte, while the usual impromptu comedy and special college music will be the order of the evening.

### "Profs." May Enter Team.

On Tuesday a series of "sudden death" tugs-of-war will be instituted and on each succeeding noon hour contests will take place between the various classes and faculties. It is quite likely that the "profs." will enter a team to prove that they are as strong in the back as they are in the head.

On Tuesday evening there was to have been a debate between the faculty and the students on "Resolved that lectures are unnecessary to a college course." The professors were to have taken the affirmative side, but at the last minute they refused to debate, no doubt realizing that win or lose, they lost.

On Saturday night there will be three basketball games, a girls' game, a men's game and to wind up the evening, a match between the faculty and the students' council. This event should be one of extreme excitement as players on each side will at last have an opportunity of settling old scores with members of the opposing team.

Arrangements are being made to have a Sunday morning service conducted in Chalmers Presbyterian church, but no definite announcement has yet been made regarding this part of the programme.

## UNIVERSITY NOTES

Victoria College basketballers are scheduled to invade the University of British Columbia Saturday night. The Victorians are sending over a strong contingent consisting of a girls' and men's team. They will stack up against the Varsity girls' senior team and the Varsity senior "B" squad of the Vancouver and District League. The games will take place in the normal gym, commencing with an intermediate league fixture at 7 p.m.

The Victoria collegians took the local Varsity five into camp when the Varsity athletes went over on their annual Victoria trip. Since then the University men have filled in some gaps in their line-up and judging from the manner in which they have been cleaning up lately in the city senior "B" division they should give the visitors a tough fight.

The Varsity girls' team, since their recent triumphant tour of the Okanagan during which they defeated ladies' teams of Kelowna, Summerland, Naramata and Penticton, have been practising regularly.

## U. B. C. BOYS TO VISIT SEATTLE

### Hockey Team Has Only One of Last Year's Champions Left for U. of W. Series

The University intermediate hockey team will carry the Varsity colors down to Seattle where they will meet the University of Washington team Friday night in the first game of a home-and-home series. Following the game in Seattle, the Washington team will probably stack up against Varsity here next Monday night, although the latter date has not been definitely decided on.

Last year a similar series was run off between the two universities, the B. C. boys being victors both in Seattle and Vancouver. Varsity is up against a harder proposition this year since they have lost all but Jack McPherson of the team which carried off the provincial amateur hockey title last season, but the boys can be counted on to give a good account of themselves in the Sound City.

Those making the trip are: Goal, Ernie Clarke; defence, Prof. Christie, Roy Colton; centre, Mike Stillwell; forwards, Jimmie McCutcheon, Jack McPherson and Demidoff. "Jap" Wolverton will manage the team on the trip.

## VARSITY TEAMS WIN HOOP GAMES

### Men's and Girls' Quintettes Gain Hard-Earned Victories Over Victoria Visitors

Victoria Collegians were on hand in force at the Normay gym Saturday night, when both their girls' and men's basketball teams stacked up against the Varsity girls and Varsity Senior B squads. The Victorians lost out in both games, but they put up a snappy brand of the hoop game and made the Varsity teams step lively to come out on top.

The visitors held the Varsity girls down to a two-point margin in the first half of the opening game. Snappy passing and good combination by both teams made the game a good one to watch, but the low score was a result of over-anxiousness resulting in poor shooting on the part of both forward lines.

The local girls found the basket more easily than their opponents in the second half and emerged on the long end of a 13-7 score. Claire Blaney and Grace Smith were the shining lights for Varsity, while Miss W. Elliot and Miss D. Payne played a consistent game for the closers.

#### Men's Game.

The Victoria boys stepped onto the floor determined to wipe out the girls' defeat, and it certainly looked as if they would do so from the way they dropped the pill in from all angles. They ran up a big lead before the Varsity squad came to life. The local men then settled down to collect points, and when the whistle blew for half-time were leading 20-12. The visitors came back strong in the second stanza and gradually reduced Varsity's lead, but could not overcome it. Tommy Turnbull, playing forward for Varsity, dashed the visitors' hopes of a win when he dropped in two beautiful shots from centre in the closing minutes of play. The final score was 34-32 for Varsity.

## CONTORTIONISTS LEAD PEP RALLY

### Undergraduates Rally for "Varsity" Week With Big Noonday Gathering

Varsity week at the university got away to a flying start today, when a "pep" rally of all the undergraduates was held in the auditorium at noon. Varsity week is one of the big events of the year, each class vying with the other in their display of college spirit and pep. Yell king "Brick" Anderson and his trusty contortionists were much in evidence at the meeting, leading the rooters' club in college songs and yells. Gordon Meekison, who is managing the big theatre night production which will augment the regular Orpheum show Thursday night, gave the students a foretaste of the fun in store for them when he led in two of his dusky chorus girls who help to get Robinson Crusoe in wrong with his better half in the play.

Sid Anderson, Varsity students' marshal, outlined the programme for the week, which will consist of inter-class sports and several other items of interest. Wednesday night Varsity basketballers and supporters will invade Westminster, where both the girls' and men's teams will take on the Adanacs' girls' and men's teams in the Armories.

The science men started the doings in the auditorium when their jazz band led them in to the tune of "Hallelujah, I'm a Bum, Bum." "Scotty" Rushbury demonstrated his musical ability to the amusement of the students. He led the band in masterly fashion, the contortions he went through bringing down the house. Bottled pep was the chief beverage indulged in by the science men in their skit.

The "Aggies" brought the programme to a close with some of their snappy new college songs.

Wheeler and Schaffer, both arts men, were the source of much amusement with their lightning cartoons of "Doc" Sedgwick and other members of the faculty.

## U. B. C. HOCKEY TEAM IN SEATTLE TONIGHT

SEATTLE, Feb. 16.—Plans are being made by the University of Washington to make a "college night" of the hockey contest here tonight between Washington and the University of British Columbia. Efforts are being made to ensure a large turnout of student hockey fans for the contest. The purple and gold team has a clear slate in the amateur league schedule here, and a strenuous match is looked for with the northern university team, which is said to present a formidable line-up.

# SCIENCE MEN HAVE REAL PULL

## Win First Round in U. B. C. Tug-of-War—Arts '24 Also Victors

The first round of the inter-class tug-of-war was run off yesterday at the U. of B. C. All classes have entered teams and class rivalry is extremely keen. The team winning first place in the finals will gain four points for its class towards the winning of the new trophy donated by the governors of the university to the class standing highest in the inter-class athletic competition in rugby, soccer, relay race, tug-of-war and baseball now starting.

Three pulls took place yesterday, and the results point to the Science men as the strong arms of Varsity. The K.E.H.S. grounds were in poor condition for the events, but despite its unsatisfactory state all the contests were close.

Arts '23 were forced to acknowledge defeat at the hands of Science '24 with Val Gwyther and eight other husky budding engineers composing the Science team. Arts '24 and Arts '23 teams dug themselves in and pulled for further orders. When the smoke had cleared Arts '24 had the junior year's scalp on their belt.

Science '23 and the former students came last on the schedules. The Science team took the first pull in jig time but the Aggies settled down in earnest in the second round and almost had their opponents over the line when two of their men slipped in the snow and the engineers were returned winners in two straight pulls.

Further tugs-of-war will be staged each noon of this week until, by elimination, the winners are declared for the first four points.

# VARSITY BOYS GO TO THEATRE

## Put on Special Acts at Orpheum—Some Stunts Are Not Appreciated

Yikl Dee, Yackl Dee Yak, B. C., Hot Dog, Warm Pup, Varsitee," roared four hundred college bloods on Thursday evening at the Orpheum as the curtain rose on the last act of a "bill" such as is seen only on "Varsity Night" at the local playhouse. And what an act: Robinson Crusoe garbed in his goat skin coat looking for a night's frolic; his faithful man Friday, gyrating before the footlights in a dazzling dance; a bevy of dusky beauties, a live pulsating bunch of "go get-ums;" Old King Zam Buck himself and his vamp of a thousand wiles; and Mrs. Robinson Crusoe, armed with a badly nicked axe, on the warpath after her erring husband.

Such was the spectacle which greeted the startled gaze of the audience on the opening scene of the piece de resistance of the programme, "Where Did Robinson Crusoe Go With Friday on Saturday Night?" At the conclusion of the orgy, there was little doubt in the minds of any as to where he went, nor why. With such a vamp as Scotty Rushbury, garbed in a loin cloth and a smile on the scene, there is little wonder that Robinson left his own fireside for the smoking tepee of his cannibal queen. The act, however, was not without its objectionable features and it would have "got over" more effectively if some of the horse play and the accentuated camel walk had been left out.

Three entractes, some good and others not so good, were supplied by the various faculties. The Arts had a good skit under the direction of Lacy Fisher in which a wireless wave was effectively imitated by Buck

## University of Washington Defeats Local Collegians Overtime Periods at Seattle

SEATTLE, Feb. 17.—The University of Washington hockey team defeated the team from the University of British Columbia here last night, 3 to 2, in an overtime game. Captain Don MacKenzie scored all three of Washington's points.

The British Columbians displayed far better team work than the winners and would undoubtedly have handed the locals an awful drubbing if it was not for MacKenzie's stellar playing.

The visitors scored six minutes after the opening of play in the first period. They counted again after ten minutes of play in the second period. MacKenzie made Washington's first score unassisted just 25 seconds later. MacKenzie scored again in the third period.

### Overtime Play.

After a consultation between the coaches and officials, it was decided that two overtime periods of five minutes each would be played. The teams fought even during the extra periods and it looked like a tie game until, just half a minute before the close of the final period, MacKenzie broke through the British Columbia defence and scored the winning goal.

The game was rough, but no penalties were issued by Referee Jim Riley.

The two teams are slated to meet in the return game at Vancouver on Washington's birthday.

Last night's victory was Washington's first victory over the northern collegians on the ice since the two-game home and home series was introduced.

### Lineups.

U of W.—Little, MacKenzie, Pin-

cott, Wong, Allen, Quinnivan.  
U. of B. C.—Broadfoot, Christie, Holverson, Stillwell, McPherson, Turner.

### Summary.

First period—1, University of B. C., Christie, 6:09.

Second period—2, University of B. C., McPherson from Stillman, 1:17; 3, University of Washington, MacKenzie, :25.

Third period—4, University of Washington, MacKenzie, 9:10.

First overtime period—No score.  
Second overtime period—5, University of Washington, MacKenzie, 4:32.

Buchanan. There was a real laugh in this act. But the Science skit was pitiful. The boys came out and did their stunt, which consisted in mobbing an Arts man and placing him on a gallows. Unfortunately the gallows broke at the critical moment and the act fell flat on the floor together with the intended victim. This effort aroused some of those present to spell out slowly and distinctly "R-o-t-t-e-n." The Science men came back, however, with a well-known Aggie yell. The Aggies themselves were responsible for several laughs with their act entitled, "The Making of a Modern Farmer." The part of this act that was most appreciated was the unexpected flow of the lacteal fluid all over the floor instead of into the sterilized milk pail provided for the purpose.

Pat Rooney and his company cooperated with the Varsity boys in several good stunts, while other actors on the regular bill flowed college men to take impromptu parts in their acts. Bob Fournier demonstrated his ability as a roller skater to the satisfaction of all concerned in the opening act, and was satisfactorily removed by George Gross and Kenny Carlisle.

The audience itself was composed chiefly of college students and their friends, while the boxes were filled with professors and their wives. Many fair co-eds were seen hanging over the balcony from the loges which had been especially reserved for them.

# TUG-OF-WAR WON BY SCIENCE '23

## Lighter Team Defeats Men of '24 by Clever Pulling—Comedy Tug Is Staged

The finals of the University inter-year tug-of-war were completed yesterday at noon on the King Edward School campus. The first engagement was the pull between Arts '25 and '24, in which the former, the despised "Freshies," emerged victorious after a hard tussle.

The second tug was an exhibition affair between Arts '22 and '23, the team being composed of the midgets of the respective years under 140 lbs. The '22 team, with the aid of Val Gwther (who pulled their anchor man by the coat-tails) succeeded in winning the contest.

Science '23 and '24 battled for first place in the last tug. The former, by virtue of their win over the latter's heavier aggregation, cop first place, and get the four points given for the tug-of-war in the Inter-year Challenge Cup competition now going on at Varsity. The winners deserved their victory on their good teamwork and evidences of practice.

### Rugby Games Scoreless.

Later in the afternoon Arts '23 and Science '22 battled to a 0-0 tie, even though overtime was played, in the inter-year rugby competition.

Arts '25 and '23 also went into overtime with no result. The latter game was not so productive of the fine points of the game as the former, but was characterized by numerous good plays. Turnbull, of Arts '23, was forced to retire, suffering from an injured hand, but otherwise there were no other casualties.

It is expected that the games will be replayed in the near future.

# SCIENCE '23 WIN IN RUGBY BATTLE

Science '23 look to be formidable contenders for U. B. C. inter-class rugby honors on their showing when they defeated the snappy Arts '24 outfit by eight points yesterday afternoon at King Edward campus. The Arts men could not withstand the superior weight and speed of their husby opponents. Rex Cameron starred for the winners, scoring five points for his team by making a touch and converting it. Cooper notched the remaining three points.

In the second game a battle royal took place between Science '24 and Science '25. The game went into 20 minutes of overtime, but neither team could break the tie. The final score was 3-3. Al Bichell of the McKechnie Cup team scored a try for '24. Later Manning, of '25, who played a great game on the three-quarter line, broke away and passed to Price, who went over for the tying points. The try was not converted.

## COLLEGE AND CLUB AQUATIC MEETING SET FOR MARCH 22

U. B. C. Swimmers Will Present Strong Line-Up for Dual Meet With Vancouver Swimming Club—Members of Both Organizations Already in Training for Event

The University Swimming Club have definitely decided on Wednesday, March 22, as the most suitable date on which to engage with the Vancouver Amateur Swimming Club in a water battle in the Chalmers church pool. As the V. A. S. C. left the decision of the date to their guests, the meet will be definitely scheduled for that evening.

Varsity swimmers are training enthusiastically for the contest. The following students are working systematically under the guidance of the club president: Celmer Ross, Archie McVittie, sprints and relay; Frank Penwill, sprints, relay and diving; Cyril Jones, backstroke and breaststroke; Oakley Tiffin, plunge, sprints and relay. Allan Harris, McCrae, Chapman and Agar are also trying out for the team and making good headway.

Among the women the four girls who represented the Varsity at Victoria are training steadily. Besides Claire Blaney, Constance Peters, Edna Ballard and Mary Chapman, the other co-eds taking swimming in earnest are Ruth Fraser, Evelyn Monkman and Miss "Pete" McKinnon.

### Varsity's Strong Points.

Varsity may not be able to put quite as well-rounded a team into com-

petition as the V.A.S.C., but the Vanasc swimmers know full well that they have a strenuous contest on their hands. According to the "dope" at present, first places are practically conceded to Varsity in the 100-yard men's, 200-yard men's, men's fancy diving, and 220-yard women's events. In the women's relay, on present appearances, the Varsity team look like sure winners, while in the 50-yard back-stroke and men's relay races they have an even break.

While Norman Cox is not averse to giving the Varsity swimmers a helping hand at their weekly practices, he is not letting any seaweed grow under the fins of his Vanasc splashes. A strenuous workout was held last Wednesday evening and the following swimmers are requested to report to Secretary J. H. Camm at Chalmers tank tonight at 8:30 o'clock: V. Brydone-Jack (captain), Charles Hills, John Bayley, W. T. Moffett, Jack Nesbit, Bruce MacDonald, Bob McKechnie, Ken Garrison, Paul Laidlaw, Len Stokes, Bob McMillan, Jr.; Gus Roedde and any other members interested in trying out for any of the special events. Among the ladies the attendance of Mrs. Steele, Clara and Lillian Owens, Miss Clay, Lillian Broadfoot, Maisie Lyons and other lady swimmers is requested. The girls' training hour will start sharp at 8:30.

## STUDENT TEAMS PLAY TO TIE IN OVERTIME

University of Washington and Local Collegians Fail to Settle Issue After Extra Period—Visitors One Goal Up in Home-and-Home Series With B. C. University

Playing bang-up hockey from the start until Referee Jefferd blew his whistle after ten minutes overtime had been played and the score still stood at one all, the University of B. C. and the Washington University hockey sextettes met in the second game last evening of the home-and-home series. The first game played in Seattle last Wednesday went overtime and the Washington boys were victorious by a score of 3 to 2. Last evening the local boys held them to a one-all score, and after ten minutes overtime had been played neither team was able to break the tie. The Washington team are thus one goal up on the series.

The Rah-Rah boys from across the line started out to pile up a big score, but the local defence of Broadfoot, Colton and Ternan broke up rush after rush and were in the limelight throughout the period. The McKenzie boys on the Washington defence played stellar hockey. Don McKenzie was here, there, and everywhere, and made rush after rush, only to be beaten by the local defence. Little, between the flags for the Seattle lads, was called upon to stop shot after shot, and he also displayed a fine brand of hockey throughout the evening. Stillwell and McCutcheon were the pick of the local sharpshooters. Time and again these boys went up and down the ice, and had it not been for the McKenzie boys the score would no doubt have been different. The first period ended with no score.

### Visitors Score First.

After nine minutes of play in the second period, Don McKenzie scored for the Washington team on a re-

bound after Marlin had sent in a sizzler that Broadfoot stopped but did not clear in time to avoid McKenzie's rush. After this goal the play went from end to end until near the end of

the period, when Ternan stickhandled through the Seattle team and scored a pretty goal, putting his team even.

### Overtime Scoreless.

It was decided to play ten minutes' overtime as in Seattle last week, five minutes each way, and after a brief rest the boys commenced play again. Both goalkeepers were at their best and stopped shots from all angles which were rained in by the forwards and an occasional defence man. The local team did not play the combination they have in the past and lost several chances on that account to score.

For the Washington team D. McKenzie and Allen showed up the best, while Ternan, McCutcheon and Stillwell were the pick of the local team.

### The Teams.

Washington—Little, J. McKenzie, D. McKenzie, Wright, Wong, Allen, Marlin, Pincott.

U. B. C.—Broadfoot, Colton, Ternan, McPherson, Stillwell, McCutcheon, and Demidoff.

First period—No score. No penalties. Second period—Washington, D. McKenzie, 8:53. No penalties.

Third period—U.B.C., Ternan, 10:30. Penalties, D. McKenzie, Wash., 3 mins.

Captain Art Jefferd of the Elks' team handled the whistle and kept the players in check. Both teams mixed freely but no heavy checking was indulged in.

## UNIVERSITY MUSICAL SOCIETY CONCERT

Last evening's concert under the auspices of the University Musical Society gave pleasant opportunity of a renewal of the enjoyment invariably given by Mrs. Gertrude Huntley Green and Mr. Gideon Hicks, of Victoria, whenever they appear in concert. Pianist and baritone have established a happy ensemble. Mrs. Green has memorized all the singers' accompaniments, and this naturally heightens the spontaneity of the performance.

There is, in any case, something unaffectedly friendly and engaging about Mrs. Green's piano style. She has the happy faculty of making the listeners feel that they are not mere passive observers of some esoteric ritual in which they can have no contributory part. On the contrary, they are admitted to the company of the discerning, whose emotional and aesthetic reactions have a special part in the making vivid the realms of fantasy into which the pianist like a magic piper easily lures them. It is as much as a realist, however, as an idealist that Mrs. Green's sympathies are manifest. She is as happy in illustrating life and character as in weaving fancies of the imagination. How perfect is her delineative gift was apparent in John Ireland's "Ragamuffin." How instinct with pure humaneness and understanding, sympathy and bubbling humor, the passing figure of the cheery, red-cheeked, out-at-elbows, whistling urchin! Her playing comes from a well-spring of spirit and fancy and humor and is informed with a wholesome joyousness, a zest of life, of movement, of gaiety, of sheer joy in the myriad forms and patterns of rhythmic movement.

She is equally happy in the music of romanticism or of modernism. Indeed, in the latter field, perhaps, she found freest scope for her happy comments on reality. Her technique is simple and brilliant. The early Scriabin nocturne, for instance, has less in it than in its famous successors; it is, however, a pretty study in left-hand dexterity, and Mrs. Green's clever manipulation of cantabile tone made the piece actually sound as if there were two hands at work, one producing the melody, the other filling in the accompaniment. That and her apt touch in the Debussy Toccata would doubtless have won the full approval of her master, Godowsky, who himself is to be heard here soon.

Mr. Hicks, as Vancouver music lovers already know, is the exponent of a straightforward and candid style. His voice has vigor and power and volume, an admirable forward tone production and qualities of fine resonance, and he sings with fervor, conviction and a shrewd discrimination for the requirements of the vocal text, whether, as last evening, in Handel's aria or in the art-song forms of classic or modern composers.

There was a superabundance of enthusiasm, and both artists were recalled again and again.—L.

## STUDENTS' RELAY IS DOWN FOR TOMORROW

The stage is set for the annual track classic of the U. B. C. tomorrow. This, the eight-mile relay race for the Arts 20 challenge cup, will start at 3:30 p.m. tomorrow from the University site at Point Grey and will finish about 35 minutes later at the present site in front of the Physics building.

The course is 7.9 miles in length and is divided into eight laps, varying in length according to the nature of the road. It follows Marine Drive and then Fourth Avenue to Yew Street; up Yew Street to Broadway, along Broadway to Maple, up Maple to Twelfth, along Twelfth to Laurel Street, ending on the corner of Tenth Avenue and Laurel.

Last year the race was won by Science '24, with Science '23 and Agriculture following. This year the competition appears to be keener than ever, but as some of the teams have several of their better runners on the sick list, any of the teams may be the dark horse.

### "MR. PIM PASSES B Y" TO BE PLAYERS' CLUB SPRING PLAY

The Players' Club of the University of British Columbia is celebrating this, the seventh year of its age, by the production of a play of a somewhat different and more subtle character from those it has recently put on. "Mr. Pim Passes By" is a sparkling and original comedy by Mr. A. A. Milne, former editor of Punch, whose delightful contributions, over the initials "A.A.M." are familiar to all Punch-lovers. The comedy will be staged at the Avenue on Thursday, Friday and Saturday, March 23-25.

Mr. Milne has already a number of successful and entertaining plays to his credit. "Mr. Pim Passes By," by many critics considered the best of these, was first introduced in the New Theatre in London, England, in January, 1920, with Miss Irene Vanbrugh, Mr. Ben Webster and Mr. Dion Boucicault in the principal parts. A year later, in February, 1921, it was put on in New York with Laura Hope Crewes as Olivia. At the end of the same year "Mr. Pim" appeared in Toronto and in Boston.

Miss Georgina McKinnon, who at the recent Christmas performances displayed outstanding ability as an emotional actress and who on previous occasions has assumed minor roles in Players' Club productions, has one of the principal parts in the present undertaking. Mr. Wells Coates, who also distinguished himself at the recent Christmas plays, and Neill McCallum, who plays Mr. Pim, are both well known to Vancouver audiences for past performances. Miss Kirsteen Leveson also plays an important role.

### TWO ARE NOMINATED FOR PRESIDENCY OF STUDENTS' SOCIETY

The annual elections have come round once again at the University of B. C. Monday afternoon Mr. B. Hodson of Science '23 and Mr. A. E. Richards of Agriculture '23 were nominated for the presidency of the Alma Mater Society. This premier position is the highest honor a student can attain in college activities. This is the first time that Arts has not been represented by a candidate for the office and the first time also that there has been a candidate from Agriculture.

Mr. R. Hodson is a returned soldier, having served overseas in the Engineers. He has taken a very active interest in student affairs since his return. During the past term he has been president of both the Engineers' Discussion Club and the Men's Literary Society. He is also a keen athlete, having captained the Senior "A" rugby team to victory in the McKechnie Cup series.

Mr. A. E. Richards is a returned man also, having seen service with the 196th University Battalion. He has been a very keen student as well as prominent in college affairs. In his first year he won a Returned Soldier's Scholarship and last year the LeRoy Memorial Scholarship. He holds a prominent part in the Players' Club and has represented U. B. C. on International Debates. During the past year he sat on the Students' Council as president of the literary and scientific department.

### AGRICULTURE WINS VARSITY ROAD RACE

#### Great Effort of Buckley, Which Brings Team From Fifth Position to First, Chief Factor in Deciding the Annual College Event—Time Is Behind the Record

The Agricultural team won the annual relay race for the Arts '20 challenge cup, which was held on Wednesday afternoon from the university site at Point Grey to the present site in Fairview. There was a representative team from each of Arts '22, '23, '24, '25, Science '22, '23, '24, '25, and Agriculture. Each team composed of eight men. Science '24, Science '25 and Arts '25 followed the winners in close succession.

Last year the race was won by Science '24, who covered the 7.3 miles in 36 minutes, 15 seconds, a record which will probably stand for some years. The time this year was 37 minutes, 21 3/5 seconds.

#### Buckley's Big Effort.

On the first lap Johnston, Arts '25, made the best time and gave his class a 70-yard lead. Science '23 and Science '24 were second and third. On the second lap, that on which the best runners are usually placed, Agriculture took the lead. The phenomenal Buck-

ley here pulled his team from fifth to first place in a race that none of his competitors will ever forget. Russell increased the lead on the next lap and this was held throughout the race.

Science '23 and Science '24 held the next positions consistently until the eighth lap. Here Graham of Science '23 suddenly became ill and collapsed, so that Science '24 fell into second place. Hope of Agriculture, breezed in at the finish with a 150-yard lead, with Science '24, Science '25, and Arts'25 following. Rae and Wilkinson, of Science '23, and Wallis and Bickell of Science '24 all put up great races.

#### The winning teams were:

Agriculture—Bennett, Buckley, Russell, Pye, Eby, McKay, Fulton and Hope.

Science '24—Rear, Stacey, Hardie, Carlisle, McLaren, Wallis, Napier and Bickell.

Science '25—Ramsell, Neiderman, Steede, Cooper, Bain, Demidoff, Burton and Manning.

### VARSITY BOXING MEET IS SUCCESS

#### Phillip of the Aggies Beat Hyslop of Arts '4 for Heavy- weight Title Last Night

The results of the first annual boxing tournament of the U. B. C., held in the university auditorium, were:

123 pounds—Ellis, arts '23, beat T. Stewart, arts '24.

132 pounds—Lowden, arts '25, beat N. Stewart, arts '25.

140 pounds—McLachlan, partial, beat Campbell, arts '23.

150 pounds—Dudley, arts '25, beat Slingerland, arts '25.

160 pounds—Hanna, Sc. '23, beat Wallace, arts '23.

170 pounds—Phillip, agriculture, '24, beat Hyslop, arts '24.

In the first bout Lowden led all the way and was able to hit Stewart almost at will. Stewart was able to land a few good blows, but his opponent's clever dodging kept him pretty well out of harm.

In the second bout Slingerland landed a few blows at first, but a hard smash to the body from Dudley's right badly dazed him. In the third round Slingerland's seconds threw up the sponge to save him from further punishment.

The next bout was very even. Wallace was fast and superior at in-fighting, but Hanna drove in a great number of hard ones when out in the open. At the end of the third round the judges could not agree, but after another round they decided that Hanna had the edge.

In the 123-pound class Ellis and Tommy Stewart put up a good fight. The first two rounds were very even. Both men guarded, ducked and punched well, but in the third the longer reach of Ellis began to show.

The heavyweight battle was fast and furious. Hyslop and Phillip were both in fine form and punched hard and took a lot of punishment. In the second round Hyslop drew blood and the farmer closed the arts man's left eye.

Campbell and McLachlan put up a fine exhibition in the 140-pound class. Campbell had the edge for the first and part of the second rounds. He hit to the head with a rapid fire of blows, but in the clinches McLachlan was able to inflict considerable punishment. In the final round McLachlan led all the way.

The referee was Archie McDonald. Ed. Bailey and Bill Jones were the judges and Hughie Russell the timekeeper. The president of the boxing club, Geo. Lipsey, was the announcer.

# MANY STUDENTS WORKING WAY THROUGH U. OF B. C.

## SCIENCE '25 IN RUGBY VICTORY

Yesterday afternoon Science '25 defeated Science '24 by a score of 3 to 0 in the Varsity Inter-Class Rugby series.

The teams were very evenly matched and a very hard battle ensued. Early in the second period McPherson, of Sc. '25, shot across the line for the only try in the game. Sc. '24 fought hard to overcome the lead, and when the final whistle blew they were pressing hard. Claire Dominey was the referee.

The semi-final game will be held on Wednesday afternoon, and the final on Friday. The following is the standing for the Governor's Cup: Agriculture, 7 points; Science, '24, 6; Science, '23, 4 1-2; Arts, '24, 4; Arts, '25, 4.

## U. B. C. PLAYERS AT ROYAL CITY

### Big Audience Enjoys "Mr. Pim Passes" by University Players' Club

NEW WESTMINSTER, March 11.—The large audience which gathered last evening in the Edison Theatre to witness the first performance in Western America of Mr. A. A. Milne's highly amusing comedy, "Mr. Pim Passes By," was thoroughly delighted with the clever acting of the members of the Players' Club of the University of British Columbia.

Mr. Jack V. Clyne, Arts '23, as George Harden, J.P., of Marden House, Buckinghamshire, and Miss Betty Somerset, Arts '24, as Olivia, his wife, played their difficult parts with perfect understanding of the fineness of the subject with which they were dealing. Miss Kirsteen Leveson, Arts '23, played Lady Marden, the aunt, absolutely true to life, while Mr. Neil McCallum, Arts '23, was splendid as Carraway Pim.

Mr. Wells W. Coats, Science '22, played the rather difficult part of Brian Strange admirably, and Miss Georgia Mackinnon, Arts '22, gave a most naive interpretation, somewhat Americanized, of the English flapper. Miss Dorothy Holmes, Arts '24, as Anne, was a very pretty maid. The subject of the play leaves the audience at times gasping as to what is morally right and immorally wrong, a small thing like a fishbone apparently being able to make all the difference.

Between the acts Professor F. G. C. Wood was introduced to the audience by President Wm. McCloy of the New Westminster Dramatic Society. He told of the horrors of the situation of the university, the students evidently having a very pleasant time in the midst of undertaking parlors, tuberculosis wards, and other joy-killing institutions.

## Vacation Is Not A Holiday For Many

## GET EXPERIENCE

## Women Students Also Obtain Work

It is at this time each year that the University student has two very burdensome thoughts on his mind. The most important is the thought of the final examinations, which start in less than five weeks, and the other is that which fills his mind in spare moments: What will I do this summer and where can I get a job?

The five months vacation is not a long holiday for most of the students, but a term of hard work, during which time enough money must be earned to cover the next year's expenses. Those who belong to the faculties of applied science and agriculture must consider not only the remuneration side of the question, but the amount and the quality of the practical experience which they may gain to add to their college training.

### Spread Far and Wide.

The first of May finds the men becoming scattered all over British Co-

lumbia and a few to the prairies, and some even to the Yukon and Alaska. Prospective chemical and mining engineers will be found in the mines and at the smelters in Anyox and Trail. The logging engineers will be found in lumber camps on logging railway surveys, and on timber-cruising expeditions. Each of the geodetic, geographic and topographical surveys

will have its quota of 'varsity men packing "grub" and clearing "lines"'. Students in geology will be away from civilization cracking rocks and examining sands under the direction of the government geologists.

The students in agriculture must work on farms in the summer time. Quite a number whose homes are on farms throughout the province work there. There are a number of prospective horticulturists who will be found scattered through the Okanagan Valley working in the orchards or on the irrigation ditches. The poultry fanciers spend their time on the large chicken ranches encouraging the hens to do their bit. Some of the livestock men will be found milking the cows in the early hours of the morning on the big dairy farms both in B. C. and in Washington. Others who are interested in beef ride the range in the upper country and on the big ranches of Alberta.

### Sell Everything.

The men in arts do not have the same specialized training as the other faculties, with the result that they may be found in all sorts of places, on all sorts of jobs. The fishing industry calls a great number of students to all its departments. Some work on the tenders, buying and gathering in the fish; some are cooks on these boats; others work ashore in the canneries and in the cannery stores. Men with a love of the woods will be found in the logging camps, where they fill positions of various sorts, such as felling, rigging and firing on the donkeys.

Those who have ability in salesmanship are to be found selling all sorts of articles—Ford cars, aluminum ware, maps, periodicals, real estate and life insurance, and anything else that will give them employment.

### Women Also Work.

The men are not the only busy ones in summer. Many of the women fill positions as teachers in summer schools on the prairies and in Northern B. C. Others serve as stenographers and bookkeepers in offices in the city. The women in the Faculty of Nursing spend the summer months obtaining practical experience in the General Hospital.

When the student body assembles again in the fall the first few days are spent looking up old friends and swapping stories of summer experiences which are indeed varied and full of thrills.

11-3-22

## MOST AGRICULTURE AND ARTS MEN PAY OWN WAY

What can I do this summer to put me through next year at the University?

This is the question that 55 per cent. of the arts men and 95 per cent. of the science and agricultural undergraduates are asking themselves with the approach of the summer "holidays." Now is the time when most of them "line up" their work for the five months' period between university terms, for the big opportunities must be grasped early in the face of competition.

This estimate of the number of "working" undergraduates at the University is made by Paul Whitley, president of the students' administrative body, and is exclusive, he says, of Vancouver students whose homes are in Vancouver and who do not have to pay board. This proportion of outside men, he reports, are wholly self-supporting.

# Now Seeking More Worlds

## Veteran Pastor After More Degrees

Not satisfied with his degree of Bachelor of Arts, gained after much effort at the University of B. C. last spring, Rev. T. H. Wright, veteran B. C. Methodist missionary, is taking up post graduate work. This spring he will receive the degree of B. A. ad eundem from the University of Alberta and, at his pastorate at Golden is working towards a degree of Bachelor of Divinity.

A minister of over 20 years standing in this province, he is a brother of Capt. J. H. Wright, president of the B. C. Methodist conference. He lost a son at the Battle of Amiens in 1918. Rev. Mr. Wright captured his coveted degree at the local university af-

ter some four years' work in the last two years. After trying the examinations he arranged with Mr. Stanley Mathews, registrar at U.B.C. to send him one or two telegrams. If he won it was to be "Sorrow Vanquished; Labor Ended; Jordan Passed." If he lost the indomitable perseverance of the minister was to be shown by the telegram "There's one more river to cross." The first message brought him post haste to Vancouver and he was one of the proudest "young" men to receive the bachelor's hood, to him was accorded the greatest share of that applause which greeted the successful aspirants as they stepped from the platform after the "Admitto Te" of the chancellor.

## SCIENCE '23 START WELL IN SOCCER, TOO

Science '23, the leader in the Governor's Cup series, got away to a good start in the soccer series at U. B. C., when they beat Arts '23 by a 2-0 score yesterday afternoon on the K. E. H. S. campus. Both goals were scored in the first period, the first by Chris Sivertz and the other by a fluke, when the ball bounced off an Arts '23 man into the goal during a bit of loose play in front of the posts. L. Baker refereed.

## Varsity Girls In Relay Race; Arts '25 Ahead

The first women's relay race in the history of the University of B. C. was held on Wednesday afternoon, when the ladies of arts '25 defeated arts '23 by a margin of 25 feet. Each team consisted of eight ladies, who ran 55 yards each on the K. E. H. S. track. The race went off without a hitch and was run in splendid time. Dr. J. D. Davidson was the starter.

## UNIVERSITY WINS DEBATE

In the King Edward High school auditorium, Friday night, the University of B. C. defeated Reed College, Oregon, in the last debate of the international series. Mr. Jack Grant, Arts '24, and Mr. C. W. Hodgson, Arts '24, upheld the affirmative of, "Resolved that the allied nations should cancel all external war debts." Reed College was represented by Mr. G. Bowles and Mr. M. Dickie, who very ably upheld the negative. The judges, Mr. E. C. Mayers, Mr. R. G. Cromie and Mr. T. Richardson, returned a two to one decision in favor of the affirmative.

### Americans Win

PORTLAND, Ore., March 11.—The University of Montana's negative team won a 2-to-1 decision last night over Reed College affirmative team in the triangular debate between the Montana institution and the University of British Columbia and Reed.

The debate was: "Resolved, that the allied nations in the Great War should cancel all external government war loans."

George Bergen and Natt Pearce supported the negative and Herman Kehrl and Harold Brownson the affirmative.

The other debates were held in Vancouver, B. C., and Missoula, Mont. The University of Montana debaters defeated the U. of B. C.

## RUGBY PRIZES ARE PRESENTED

The Varsity rugby stars captured three out of the seven cups presented at the Vancouver Rugby Union smoker at the Elysium Hotel on Saturday night. The Central seniors came next with two trophies and the Rowing Club and Central Intermediates each annexed one piece of silverware.

Col. R. Bell-Irving, president of the union, in reviewing the year, noted the fact that 22 clubs played rugby in the city this season and of these 14 were high school aggregations. He expressed the hope that the interest next season would be much stronger and that the reviving interest in the game in California would mean the sending of a strong team here at Christmas to fight for the Vancouver World Cup and that the return game in California would be of like calibre.

### Rugby's War Record.

Mayor C. E. Tisdall, in presenting the Tisdall Cup to Marc. Grimmert, captain of the Rowing Club, said that it was very gratifying to note that among the inscriptions on the sides of the cup, the years from 1914 to 1919 were vacant—all the players were doing their bit at the front.

Mr. John Nelson presented The World trophy to Al. Buchanan in the absence of Reg Hodson, pointing out that the cup had been put up for competition to foster a better feeling between the players of Canada and the States.

Mr. F. E. Rounsefell then gave the Rounsefell Cup to Jack Tyrwhitt of the Centrals and said that he was sorry that there had been no struggle for the silverware on the first occasion of its presentation. He recalled some of the old players who had gained fame and honor for themselves and the city, which was largely due to the training they had received while playing rugby.

Mr. Justice Morrison as, trustee of the Cooper-Keith Cup, made the presentation to George Gross of the Varsity, while Col. Bell-Irving presented the McKechnie Cup to "Gee" Ternan of the same team in the absence of Dr. R. E. McKechnie, donor of the trophy.

The Miller Cup was presented to Captain Tyrwhitt of the Centrals, and G. H. Ray presented the Province Cup to Bill Rolston, skipper of the Central Intermediates.

## Varsity Players Much Appreciated

NANAIMO, March 16.—The B. C. University players appeared at the Dominion theatre last Wednesday night under the auspices of Bastion Chapter, I. O. D. E. There was a large and appreciative audience. Mrs. W. W. Lewis, Newcastle Townsite, entertained members of the cast at a musical tea in the afternoon and after the performance a reception was held at the home of Mrs. J. E. T. Powers, on Stewart avenue.

## BROTHER BILLS AND STUDENTS TO MEET

The Elks and the Varsity meet in the second division league at Recreation Park on Saturday, March 18. This game promises to give the fans a very interesting afternoon.

Both teams are playing good football and both are serious contenders for the leadership. A win for the Elks will give them a great chance to head the league, and the "Bills" are out to bag the points. The Varsity boys have to their credit a 3-0 victory over the Lodge men, and while the latter admit they were beaten by a superior team, they are confident they will revenge that reverse.

The Elks' team will be selected from the following: Laidler, Ritchie, Hazeldine, Till, Gow, Cameron, Butchart, Gradwell, Gibb, Rorke, Runcie, Sinclair, Drummond, Anderson. Players will meet at the club at 2 p. m. prompt.

17-3-22

## SCIENCE '23 IS LEADING CLASS TEAMS

Science '23 beat Science '25 by a 10-0 score on King Edward campus yesterday afternoon in the final game of the inter-class rugby series. In the first period, Chris Sivertz crossed the line for the first try, placing the ball between the posts. Rex Cameron converted easily. In the second period Archie McVittie carried the ball across for the second try after some hard fighting near the line. Cameron again converted. Science '25 played a hard game and several times endangered their opponents' line. McLachlan refereed.

Science '23 now leads with eight and a half points for the governor's cup. Agriculture have 7; Arts '25, 7; Science '24, 6; Science '25, 5 1-2; Arts '24, 5; Arts '22, 1.

Soccer football is the last of games of the series for the governor's cup and as the classes are running fairly even there should be some good games during the next two weeks.

## U. B. C. STUDENTS IN SIXTH CONCERT

One of the features of the week in musical circles was the attractive programme presented at the sixth annual concert of the University of British Columbia Musical Society in the Hotel Vancouver on Thursday. A large attendance of music lovers gave the students enthusiastic applause.

The choral work of the glee clubs was not without acceptable points of artistic distinction, these being especially noticeable in the singing of the captivating Caldcott, "Where Are You Going to My Pretty Maid?" which, of course, had to be repeated in response to a feverish recall. Dr. C. H. Lloyd's charming fragment, "A Baby's Feet," also suited the vocal capacities of the students, who sang the number with striking beauty. For its major contribution the society gave a highly creditable account of itself in Percy Fletcher's fine patriotic chorus, "For Empire and for King".

In its orchestral department the Musical Society is entitled to much credit. There was much to enthuse over in their playing, especially of such items as the "Allegretto" and the "Andante Sostenuto," from the Luigini "Egyptian Ballet Suite".

Miss Ida Morris, who conducted the performance, is to be congratulated for her intelligent and artistic work.

The assisting soloists were cordially received. Mr. J. D. A. Tripp gave the Mendelssohn "Duetto"; a "Barcarolle"; the Paganini-Schuman "Caprice Celebre in E," and the popular Moszkowski "Valse in E Major". Later Mr. Tripp again compelled the admiration of his listeners with his exhilarating rendering of the Liszt "Fantasia on Hungarian Airs," the orchestral background on the second piano being creditably outlined by Ira Swartz. Miss Jessie Adam, a soprano with an agreeable voice, and Mrs. Coleman, contralto, won warm approval for their contributions.

## University Play At Avenue Next Week

The Players' Club of the University of British Columbia are using for their seventh annual performance that recent refreshing work of A. A. Milne named "Mr. Plm Passes By." It will be presented at the Avenue the latter half of next week.

That this delightful comedy is an outstanding success is shown by the fact that it had a year's run at the Garrick Theatre in London, with Irene Vanbrugh as Olivia, and was represented over two hundred times at the Garrick and Henry Miller's Theatre in New York.

The author of the play is Mr. Milne, a man who chaffs his friends because he likes them, and his ene-

mies because he bears no malice. Of the younger authors he alone has shown a distinct individuality, and has shown a distinct individuality, and has truck a personal note of his own. Mr. Milne has the precious gift of being able to pretend the most nonsensical things. He can make his characters talk insubstantial nonsense with better grace than any other writer. They revel in it, and so do we. This play is full of the most delightful nonsense, whether it is spoken by two happy young creatures whose lives are full of make-believe, or, with less enviable unconsciousness, by their elders. It is all high-spirited, infectious and gracefully amusing.

(World Special)

VICTORIA, March 20.—The fate of the faculty of agriculture in the University of British Columbia will probably be decided this week, with the odds at present running strongly in favor of the abandonment of the faculty altogether. The faculties of forestry and mines would be strengthened, however. The question will be taken up by the cabinet on Wednesday or Thursday, when all the members are expected back from the interior.

Action on the faculty of agriculture result from the demand made a couple of weeks ago by the board of governors of the university for an increase of \$90,000 in the appropriation allowed them by the government. The sum voted by the legislature for the university during the year 1922-23 was \$445,000.

Members from up-country and Vancouver Island have been attacking the cost of the faculty of agriculture in the university and at the Liberal caucus in January many of them were vigorous in these attacks, when President Klinck of the university appeared personally before the members and told them more university aid was imperative. Since then most of the members have sent the cabinet a written expression of their views.

Favor Discontinuation.

Most of these replies, it was said today, favor the discontinuance of the agricultural course, and give as their reason the fact that that the faculty of agriculture last year, according to the auditor's report, cost \$122,000 for the training of 51 registered students,

or \$2392 for each student.

At present a report to the government says that the number of agricultural students has dropped down to about 45.

The Hon. J. D. MacLean, provincial secretary and minister of education, takes the stand that the government is unable to increase the university grant. He favors, however, the strengthening of the faculties of mines and forestry with part of the money saved by the abolition of the agricultural work.

He suggests that much of the work now carried on by the faculty of agriculture could be undertaken by the department of agriculture under the Hon. E. D. Barrow, and some of his experts, and that some arrangement could be made for the completion of their work by the students who have already started on the agricultural course. It was said today that the view of Dr. MacLean is likely to prevail in the cabinet. The university has asked for a decision this week, as arrangements have to be made on March 24 for signing on members of the faculty for another year.

President L. S. Klinck, who came here from McDonald College at the opening of the university, organized the agricultural department, and was its first dean. When he became president, on the death of President F. F. Weswood, Dean F. S. Clement took his place. Most of the practical tuition for the course is done at the 200-acre farm of the University at Point Grey.

## Visitors Entertain University Students

The student body of the University of B. C. was entertained, on Friday afternoon, by Mr. Charles Rann Kennedy, the famous playwright and his wife, Miss Edith Wynne Mathieson, the well-known actress.

Mr. Kennedy gave an interesting talk on the drama and the community theatre. In describing the drama he said: "The drama is not only an amusement but an inspiration to the greater and bigger things in life." He

showed how the community theatres of the colleges and public institutions are revolutionizing the modern stage by replacing the professional companies.

His talk was full of interesting and humorous reminiscences of his own experiences on the stage, both in London and in America.

Miss Mathieson gave several recitations which showed her wonderful talent as an actress.

First she quoted two Shakespearean sonnets, and then Portia's beautiful speech from the trial scene in the "Merchant of Venice." "The quality of mercy is not strained." She rendered also the description of the building of the Church of Humanity from Mr. Kennedy's work "The Servant in the House," and "The Ode," by O'Shaughnessy.

It is a part of the constitution of the U. B. C. Players' Club to have well-known people speak on the different phases of art, but this is the first time that they have been able to secure such eminent representatives of the stage.

# VARSITY RELAY TEAMS CHOSEN

Interest in the Varsity inter-class swimming relay championship has taken a spurt with the last few days. The event will be held in connection with Town vs. Gown dual meet tomorrow night in Chalmers church tank. Four class teams are now to participate. The classes represented and personnel of the teams are as follow: Aggies team—Hugh Russel, Hugh Riddle, Hugh McCallam, Fred Newcombe.

Arts '25 team—Celmer Ross, Claire Blaney, Oakley Tiffin, Frank Penwill. Arts '23 team—Constance Peters, Mary Chapman, Hugh Offord, Al Hunter.

Science '23 team—Randolph Davidson, Fred Laird, Cyril Jones and Archie McVittie.

The complete programme of the evening will comprise the following, commencing at 8:30 sharp: Opening address by chairman of the meet, Mr. W. C. Shelly, followed by the dual events between Varsity and Vanasc team. Immediately after the men's relay the prizes and trophies will be presented by Mr. Shelly and the evening will close with the Varsity inter-class relay championship.

The reserved section for spectators is practically sold out. All seatholders are requested to be in their places not later than 8:20 p.m.

# STUDENTS PLAY EXTRA PERIODS

## Overtime Necessary in Both of Soccer Games Played Yesterday in Series

The soccer teams of Arts '23 and Science '24 have worked their way into the semi-finals in the inter-class series at U. B. C., by defeating Science '25 and Arts '25 on Tuesday afternoon.

Both games were so closely fought that overtime periods were necessary. In the first game, between Science '25 and Arts '24, there was no score until Lundy sent a hard drive between the posts for the only goal, near the end of the 30-minute overtime period. Rushbury refereed.

In the second game, between Science '24 and Arts '25, the score stood one all at the end of the first period, Wilkinson of Arts '25 and Jackson of Science '24 each notching a goal. The second period went scoreless. In the overtime period Jackson notched the winning point for Science '24. Wolverton refereed.

# FRESHETTES AGAIN WIN RELAY RACE

The Freshettes of the University again upheld their reputation as runners when they beat the ladies of arts '24 rather easily on the K. E. H. S. track on Wednesday afternoon. The race was a half mile in length and the teams were composed of eight runners each. This is double the distance that they have been running before. Miss Helen Tatlow put her team in the lead early in the race, which was held throughout, so that arts '25 won by a 50-foot margin.

# FOURTEEN-YEAR OLD GIRL SWIMMING STAR

## Miss Daisy Prentice Furnishes Sensation of Dual Meet in Which V. A. S. C. Swimmers Defeat Varsity — Celmer Ross Wins Cox Trophy and Club Takes Leigh Cup

The Vancouver Amateur Swimming Club last night defeated the Varsity swimming team by 41 points at Chalmers' Church natatorium in the first dual meet held in the city.

The club also captured the Leigh cup for relay team competition. Celmer Ross, of the Varsity, was the big point-winner of the evening, capturing the shield presented for individual supremacy by Norman Cox. Miss Lillian Broadfoot was runner-up.

But the sensation of the evening was the performance of little Miss Daisy Prentice, a 14-year-old youngster, who captured the ladies' 220-yard event in easy style for the V. A. S. C. In this event Daisy was matched against Miss Claire Blaney, who was considered a certain winner. Right from the start the youngster made the pace, drawing away from her older opponent with practically every stroke and finishing nearly a length of the tank ahead.

Miss Prentice was the surprise package handed to the students by the club team. She has just arrived from Manitoba, where she last year won the provincial 100 yards junior ladies' title. Her speed was a revelation to spectators and competitors alike, and was easily the best performance by a swimmer of her years ever seen in Vancouver.

### Results in Detail.

Following is a list of the results of the meet:

50 yards, men—1, Brydone-Jack, V. A. S. C.; 2, F. Penwill, Varsity. Time, 28 seconds.

50 yards, ladies—1, Miss L. Broadfoot, V. A. S. C.; 2, Miss M. Chapman, Varsity. Time 36 4-5.

100 yards, ladies—1, Miss C. Blaney, Varsity; 2, Miss M. Lyons, V. A. S. C. Time, 1:29 4-5.

100 yards men—1, Celmer Ross, Varsity; 2, J. Bayley, V. A. S. C. Time, 1:04 4-5.

100 yards, breast stroke, men—1, C. Hills, V.A.S.C.; 2, C. Jones, Varsity. Time, 1:19 2-5.

Ladies' plunge—1, Miss Helen Gough, V.A.S.C.; 2, Miss M. Chapman, Varsity.

50 yards, back stroke, men—1, V. Brydone-Jack, V.A.S.C.; 2, C. Jones, Varsity. Time 32 2-5.

220 yards, ladies—1, Miss D. Prentice, V.A.S.C.; 2, Miss C. Blaney, Varsity. Time, 3:46.

50 yards, back stroke, ladies—1, Miss L. Broadfoot, V.A.S.C.; 2, Miss M. Chapman, Varsity. Time, 49 2-5.

220 yards, men—1, Celmer Ross, Varsity; 2, W. Moffat, V.A.S.C. Time, 3:08.

Men's plunge—1, O. Tiffin, Varsity; 2, J. Parsons, V.A.S.C.

100 yards, breast stroke, ladies—1, Mrs. Steele, V.A.S.C.; 2, Miss E. Ballard, Varsity.

Fancy diving, ladies—Miss M. Chapman, Varsity, beat Miss L. Broadfoot, V.A.S.C.; Miss Maisie Lyons, V. A.S.C., beat Miss E. Ballard, Varsity.

Fancy diving, men—1, Celmer Ross, Varsity; 2, P. Laidlaw, V.A.S.C.; 3, F. Penwill, Varsity.

Men's relay—Won by V.A.S.C. team, Hills, Nesbitt, Bayley and Brydone-Jack.

Women's relay—Won by V.A.S.C. team, Misses Broadfoot, Lyons, Clay and Tingley.

In the special inter-class Varsity relay, the Freshies won handily.

Chairman C. W. Shelly of the parks board presided at the meeting and presented the prizes. Commissioner E. W. Dean was also present and acted as one of the judges.

## VARSITY SOCCERMEN PLAY DRAWN GAMES

The semi-final games of the inter-class football series at the University of B. C. were to have been played off on Wednesday afternoon, but as both games resulted in ties, they will be played again on Tuesday.

In the first game between Agriculture and Arts '24, the Arts men started out with a rush and Lundy notched the first goal early in the first period. From then on Agriculture pressed hard and finally Wilkinson, of the Farmers shot the equalizing goal. Both teams pressed hard to break the tie but were unable to do the trick. Wolverton refereed.

The Science '23 versus Science '24 game went through the two periods and a 30-minute overtime period, but neither team was able to score. Science '23 appeared to have the edge on the play but the stonewall defence of Science '24 was too strong for them. Buckley refereed.

## MR. PIM MAKES HEALTHY AND SUBTLE APPEAL

Perhaps one of the most profound impressions that the critical audience attending the production of "Mr. Pim Passes By" at the Avenue Theatre last night were disposed to take away with them, was that in the selection of this particular play for the seventh annual spring performance of the University Players' Club the committee in charge had made a very fortunate choice. Here is no delving down into the classics, the near-classics, the Renaissance or even the Victorian era, but something of our own day and age, something wholly and miraculously "new"—that is the only word for it.

Anyone who is weary to death with psycho-analysis and character-sublimation, anyone who is sick to despair of stage-hysteria and unnatural emotionalism should go to see "Mr. Pim." When he passes by he will take the Freudian taste out of your mouth; as last night, he will not fail to replace it with something at once healthier, more virile, and yet subtler and far more appealing.

The whimsical humor of the quiet genius-playwright, author of "Mr. Pim," communicates itself to an audience, which need not be discriminating so very much above the ordinary run of audiences, over three acts of his play in a manner that establishes between his characters on the stage and those on the other side of the footlights that perfect sympathy and rapprochement which, after all, should be the great aim and desire of all play-writing, and is too seldom realized.

### Happy Selection

However, no piece of dramatic art, although never so skilfully compounded and evolved, can exist by sheer merit of the author; it must be as skilfully produced, and in their conception of Mr. Milne's piece, the University players this season have something to be really proud of.

More happily, perhaps, this time, than ever before, have the players' "ensemble" been cast in character with the play; assuredly never before have they realized to the full all the art and meaning that underlie the object of their endeavor.

An audience consisting mainly of fathers, mothers, uncles, aunts and untold admirers of the cast, as the first-nighters undoubtedly were, for the majority, might well be expected to applaud. It would be unnatural if they did not, but "Mr. Pim" reached down further than that. As the play proceeded there was dispelled over the audience that holy hush that a church service instills and the unrolling of a work of true brilliancy intensifies. It felt flattery in its sincerest form.

As for the characters themselves, all McCallum as "Mr. Pim" was love to a fault; criticism could not reach him for his portrayal of his any more than he could be reached for his absent-mindedness.

As for Olivia, who marries unfortunately in the beginning and is determined to best fate in her second try, Miss Betty Somerset was unique. One would reason that Miss Somerset, undeniably a "flapper" herself, could hardly assume the role of a true flapper's "rather devastating" aunt, but she does it surprisingly. Really, it is

impossible to say much about Georgina McKinnon and not lapse into platitudes; her imperiousness, her sweet anxiety, her appealing bravado were interpreted so simply and yet so mischievously that she quite took one's breath away. Mr. Wells Coates, called on to play the not unenviable part of Lochinvar to this intriguing young lady, gave a fine and frank rendering of a rather trying role.

The myopic but well-meaning character of George Marden, J.P., was aptly portrayed by Jack V. Cline. Were church and state as indissolubly allied and alike recognized in the mind of the Holy Roman Empire, as in the conscience of George Marden, J.P., the whole course of history would undoubtedly have undergone drastic changes. Mr. Cline carried his new maturity with an admirable hint of reserve. As his aunt, sixty-five and disgracefully healthy, Miss Kirsteen

Leveson was very terrible and very real.

It was plain that much attention had been paid to the setting and scenery, which were correct and harmonious down to the veriest detail. The Players' club is indebted to the committees who arranged costumes and properties, to the orchestra, and very much indeed to Mr. F. G. C. Wood who staged and directed the production.

Following is the complete cast of characters:

George Marden, J.P., Jack V. Cline, Arts '23; Olivia, his wife, Miss Betty V. Somerset, Arts '24; Dinah, his niece, Miss Georgina Mackinnon, Arts '22; Lady Marden, his aunt, Miss M. Kirsteen Leveson, Arts '23; Brian Strange, Wells W. Coates, Science '22; Carraway Pim, Nell M. McCallum, Science '23; Anne, Miss Dorothy Holmes, Arts '24.

## APPOINTMENTS BY STUDENTS' COUNCIL

The students' council of the University of B. C. have made several important appointments to the publication's board. Mr. Geoffrey Bruun, Arts '24, was appointed senior editor. During his first year Mr. Bruun was one of the literary editors and during the past years he has served as associate editor. At present he is working on the "Chapbook," a new volume of poetry which the student-poets have written.

Miss Sallee Murphy has been appointed to be feature editor of next year's "Ubysey." This is a new office that has been established to help in the enlargement of next year's paper.

Miss Phylis McKay, who has been an associate editor during the past year, has been made senior associate editor. Mr. Geoffrey Riddlehough, who has been a literary editor this year, will be an associate editor on next year's staff.

There was an exciting campaign meeting on Friday afternoon at the University of B. C. when supporters of the candidates for the two positions of president of the men's athletics and president of the men's literary society were heard. The candidates for the presidency of the men's athletics are well known athletes. Mr. Doug Rae, Sc. '23, has been president of the track club during the past year, and he is the holder of the university record for the mile race. Mr. Jasper Wolverton, Sc. '24, has been the president of the soccer football club during the past year, and is also a hockey star.

Mr. Wm. Graham, Sc. '23, one of the candidates for the presidency of the men's literary society, has taken a keen interest in literary circles and was a member of one of the international debate teams. Mr. Norman Robertson, Arts '23, the other candidate, has also taken a keen interest in student activities, serving during the past year as president of both the Classic club and of the Social Science club. The polling will be held on Monday.

## ROYAL BANK HOLD VARSITY TO TIE SCORE

The Varsity and Royal Bank soccer men played to a one-all tie at McBride Park on Saturday afternoon. The collegians played without the services of two of their regular men and seemed unable to work together. Peacock of the Bankers put his team up a point when he shot a hot one past Mosher near the end of the first period. Varsity lost a good chance to equalize when they missed on an easy penalty kick. Jackson equalized for the Varsity, with a neat drive just before the end of the second period. This failure of the Varsity to win puts them out of the running for the second division honors. Evans refereed.

## CLOSE CONTEST AT U. B. C.

In one of the closest contested elections ever held in the University of

British Columbia, Mr. Norman Robertson, Arts '23, was elected by a majority of five votes over Mr. Wm. Graham, Sc. '23, to the presidency of the literary and scientific department. In this capacity he will represent that society on the students' council. Norm. Robertson has been actively interested in all branches of the literary department for the past three years. Last year he served as president of both the Classics Club and the Social Science Club. He also did good work in the Men's Literary Society.

## TUDENTS AGAIN PLAY TO OVERTIME DRAW

Arts '24 and Agriculture soccer men again played to a one-all tie in the semi-finals of the U. B. C. interclass football series on Monday afternoon. At the end of the regulation period the teams were scoreless, and they decided to play another ten minutes each way. Early in the first overtime period Newcombe scored the Farmers' counter from a melee in the goal mouth. Soon after Lundy, of Arts '24, scored the equalizing point with a penalty kick.

After a second set of overtime periods each way Referee Jackson decided that another game would be necessary.

The other semi-final game will be held this afternoon, when Science '23 and Science '24 clash. This is another play.

29-3-22

### AGGIES WIN THIRD OF SOCCER SERIES

In the semi-final game of the inter-class soccer series, Aggies at last won from their new rivals, Arts '24, 1-0. This is the third game for the two teams, both of the other two games resulting in draws.

During the first half Arts, with the advantage of wind and slope, had the better of the play but the winners managed to slip in the lone goal just before the end of the period, Newcombe getting the counter. The second period consisted of defensive play by the Aggies and pressing by the Arts. The winners, however, playing downhill and with the breeze had little trouble in holding their lead till the end.

Manson of the Arts men was kicked in the leg and though not seriously injured was forced to retire for the rest of the game.

### COLLEGIANS FORM LACROSSE CLUB

The University of B. C. Lacrosse Club has organized, and are preparing to take an active part in the game this coming season. The officers of the club are: President, Gord. Rowley; vice-president, Pug. Greggor; secretary, Ernie Clarke; treasurer, Bill Hatch. The club has nineteen players signed up who will be in town during the summer, most of whom are drawn from the ranks of local teams. Walker, Ross, Usher, Bill and Dave Hatch, Blair and Stew Morgan are from the Richmond senior and intermediate teams; Rowley and Wilkinson played in the Victoria City League; Clarke and Lambly in the Okanagan League; Baker in New Westminster; Gregor, McCreary, Adams, Tiffin and Annan have all played in junior company. Broadfoot, the hockey star, will probably fill goal. Equipment has been ordered and will arrive before the end of the week. The first workout will be on Saturday. Bill West and Bay Carter, both old pro. stars, have volunteered to assist in the coaching.

30-3-22

### UNIVERSITY STUDENTS HAVE CHOSEN MARSHAL

Al. Buchannan, Arts '24, has been elected marshal at the University of British Columbia by acclamation. He

is responsible for all student organization, demonstration and discipline, and it is his duty to keep before the

student body that high "esprit de corps" which they should maintain. In this position he will sit on the next

year's student council. "Buck" is well known in athletic circles. During the past year he was track cham-

plon, he played on the senior MacKechnie cup rugby team and was president of the rugby club.

### U. B. C. STUDENTS ARE ACTIVE IN RELIGIOUS WORK

The Students' Christian Movement of the University of B.C. have wound up their business for the 1921-22 session and have elected their officers for the coming year.

There are two divisions of the Movement in the U.B.C., the men's division with two study groups and the women's division with five. The groups meet for an hour each week and they hold discussion on some part of the Bible. This discussion is led by a different member of the group each week. Besides the weekly discussion hour there are joint meetings of both divisions periodically, when the members and any interested are able to hear talks on different subjects from the Bible, given by the professors and outside clergymen and other Christian workers.

The women's division have experienced a particularly successful year. Five large study groups have held very enthusiastic and well attended meetings and the members look forward to a large increase in membership next year. They have been very successful financially also as they were able to contribute two hundred dollars to the national expenses.

The officers for the coming year are: president, Jessie Casselman; vice-president, Mildred Osterhout; secretary, Ruby Riley; business committee, Mary Bulmer, Dorothy Murray and Eleanor Ormrod.

The men's division though not as large as the women's have also obtained gratifying results. The two study groups have held fairly well attended discussion periods each week and have also arranged a number of student services at various churches throughout the city which quite a number of the student body have attended.

Their officers for the ensuing year are: Hon. Pres., Dean Coleman; pres., H. T. Allen; vice-pres., Geo. Russell; chairman of Bible Study, E. S. Fleming; chairman of social service, A. M. Sanford, secretary, L. T. Hallett; publicity secretary, F. G. St. Denis.

### VARSITY ELEVEN WIN FROM ROYAL BANK

Three-nothing scores were prominent in Saturday's soccer fixtures. In addition to the victories of Province and Collingwood, the Varsity boys tallied three times while blanking the Royal Bank eleven.

Favored by the breaks, the collegians garnered a brace of counters in the first half, Bobby Jackson and Cameron both succeeding in tickling the twine. After the cross-over Lundie scored the third for Varsity. The Bankers weakened perceptibly in the second half and failed to threaten seriously.

### VARSITY ATHLETES RECEIVE TROPHIES

Yesterday at the university, the presentation of block letters and cups won during the season by the different classes and athletes took place. The big event on the programme was the presentation of the McKechnie Cup by Dr. McKechnie himself to Reg. Hodgson, captain of the Varsity first rugby team. Another big item was the two block letters received by Al. Buchanan for winning the track championship and being on the first rugby team, respectively.

A shield was presented to Celmer Ross for his swimming performances during the dual meet held between Varsity and the V. A. S. C. The trophy emblematic of the championship in the inter-class sports went to Science '23, all the points made in the inter-class contests counting toward this cup. The Aggies won the Arts '20 relay cup.

The presentations were made by Dr. McKechnie and the dean of college.

4-4-22

### PRESENT PRIZED BLOCK LETTERS

The second annual presentation day of the University of B. C. was held on Monday afternoon in the auditorium. Cups and trophies were presented to the victorious athletic teams and letters and ribbons to individual athletes. President L. S. Klinck presented the large block letters to the members of the senior rugby team and to the track champion. Mr. Al. Buchanan, the president of the Rugby Club, has the distinction of earning his large blocks twice in the same year as he played on the Senior A team and was also track champion.

Dr. R. E. McKechnie, the chancellor, presented the McKechnie cup to Reg. Hodgson, captain of the victorious Senior A rugby team, who in turn turned it over to the university for safe keeping.

Al. Buchanan and Kenny Carlisle turned the Cooper-Keith cup and The World cup, also won by the Senior A rugby team, over to the university.

The Governor's cup, emblematic of the class champions in inter-class sport, was presented by Dr. R. E. McKechnie, chairman of the board of governors, to Mr. W. E. Graham, president of Science '23. Prof. Turnbull presented the Faculty cup to Jack Grant of Arts '24 as that class gained the highest number of points in the track meet. Celmer Ross, individual swimming champion in the Varsity-V. A. S. C. meet, handed the Norman Cox shield over to the university.

The Arts '20 Challenge Cup was presented by Mr. Nemo Morrison of Arts '20, to Mr. Mr. G. H. Harris, president of the Agriculture Undergraduate Society. The Aggies won the inter-class relay race from Point Grey to the present site.

Dr. J. D. Davidson, hon. president of Men's Athletics, presented the small block, plain letters, shields and ribbons to the members of the various teams and to those who won places in the track meet.

Mrs. P. A. Boving, honorary president of the Women's Athletics, presented small block and plain letters to the members of the various women's athletic teams.

Dr. Bogg's, honorary president of the Literary and Scientific Department, presented the silver debates pins to the members of the inter-collegiate debating teams. Those who received these pins were: Miss Dorothy Walsh, Miss Sallie Murphy, Messrs. A. L. Wheeler, W. Kelly, C. W. Zink, C. W. Hodgson, B. S. Sweeting, E. C. Hope, J. Grant and R. M. Morton.

The marshal, Mr. Sid Anderson, Mr. A. E. Richards, Mr. Cliffe Mathers and Miss Eve Eveleigh assisted in the ceremonies.

# UNIVERSITY STARS RECEIVE TROPHIES

## Cups and Prizes Won During Past Year Presented at Varsity

The presentation of letters took place yesterday at the University to the students who won them in the field of sport. The various cups were handed out to the captain or president of the winning teams by the dean and Dr. McKechnie, and a considerable amount of silverware was displayed. Dr. McKechnie donated the McKechnie Cup to Reg. Hodgson, captain of the Varsity first rugby fifteen.

The McKechnie Cup has quite a history. It was donated by Dr. McKechnie when a resident of Nanaimo in 1895, and the donor of this trophy expressed himself as being very glad to see it at his university. Science '23 was presented with a fine trophy, emblematic of the best all-round sport year in the college, all points in the inter-class sports this year counting toward this cup. The Arts '20 relay cup was presented to the Agriculture team, and various other trophies were presented.

Celmer Ross was presented with a shield for swimming honors. Al. Buchanan enjoys the distinction of winning his big block letters twice this year, once as track champion and again as a member of the rugby team.

# MUST BE WORTH HOUSING, GEDDES TELLS STUDENTS

## Applause Greets Reference to Varsity Needs, But Ambassa- dor Gives Warning

### HOPES TO RETURN

## Emphasizes Difference Be- tween Instruction and Edu- cation in Fine Address

"The University of British Columbia is getting under way. It takes a long time for any university to come to maturity. It may be my pleasure to return to Vancouver, I hope before very long to come back and see you more adequately housed," said Sir Auckland Geddes, British ambassador, addressing the students and faculty of the University of British Columbia this morning, a remark that drew vigorous and prolonged applause. "But don't attach too much attention to housing. First be sure you have something worth housing," he declared, as soon as he could make himself heard.

When Sir Auckland had concluded his remarks Dr. R. E. McKechnie, chancellor of the university, who had presided, drew the ambassador's attention to the big gathering of students and asked if he did not think that more adequate housing was necessary. To this Sir Auckland responded with an approving nod.

Accompanying the ambassador were Lady Geddes, Dr. R. E. McKechnie, chancellor; President L. S. Klimck, Mr. R. Kerr Houlgate, president of the Vancouver Board of Trade; Mr. J. B. Thomson, vice-president; Mr. Chris Spencer and Mr. J. P. D. Malkin, past presidents. The ambassador and Lady Geddes were afterwards taken on a drive around Marine Drive, Stanley Park and other points of interest in and near the city.

Reference was made by the chancellor, in introducing the speaker, to the fact that Sir Auckland had at one time been more closely connected with Canadian universities when at McGill, a work that he relinquished, he said, to take up greater work for the Empire.

### An Important Part.

The important part taken by the university was emphasized by Sir Auckland, when he said that the university was the controlling body in national life, indirectly, perhaps, but a controlling factor nevertheless, in that it set the tones and standard of the community. University men and women were leaders in the thought of the community, and he pointed out to his audience that they would in a few years doing the thinking for their communities.

"The conclusions that I have come to in regard to university education are, first, that the only things that I learned and which were of no use were those things I learned with the idea that they would be useful," he said. "Next, that you may go to the university to be instructed and get valuable instruction, but there is a thing called education that does not necessarily link itself with instruction. This is the really valuable thing."

He said the men and women of the world who had really done well had received university education, but had not necessarily been technically instructed.

"If you imagine that the university is equipped simply to give you your daily bread you will miss nine-tenths of the value of the university," he declared. "Education cannot be packed into you by anybody. It relies entirely upon your inner person. You must have the broad light and look at things in the broad way. You must realize that the university has a soul and then the value of it will come to you and education become a fact. When you do this the beauty of mind, the beauty of soul of your university will become apparent," said the speaker in conclusion, to the accompaniment of sustained applause.

## STUDENT SOCIETY HAS LAST MEETING FOR PRESENT TERM

The final meeting, on Friday noon, of the Alma Mater Society of the University of B. C. marks the close of student activities after a very successful year. On April 18 the final examination will commence.

The financial report of Mr. W. O. Banfield, treasurer of the Alma Mater Society, and of Mr. H. W. Johnson, manager of the publications board, showed that their departments would be left in excellent condition for their successors next year.

Miss Marjorie Agnew, secretary of the Students' Council, gave a short resume of the year's activities.

This year, for the first time, there has been a dean of women, in the person of Miss Bollert. The girls in the nursing faculty have organized as the Nursing Society of Applied Science with Miss Ethel Johns, R.N., as honorary president. The girls' basketball team made a very successful tour of the Okanagan Valley in the Christmas holidays, winning all their games. Upon their return they played in the Vancouver and District League and won the league, also the Farrall cup permanently as this was their third consecutive victory. The girls also took a prominent part in the swimming gala, and in grass hockey, badminton and tennis. This year's freshettes have donated a fine cup for the women's inter-class sports to be won in competition each year by the class securing the greatest number of points. The women were represented for the first time this year in the intercollegiate debates, when they unsuccessfully competed against Willamette College.

The Governor's Cup for interclass competition was won this year by Science '23, and the Arts '20 Challenge Cup for the eight-mile relay race from the Pt. Grey site to the present home, was won by Agriculture.

In literary and debating circles all the societies experienced success. Arts '24 won the interclass debate shield from Agriculture, who held it during the past three years. The Women's Literary Society shield was won by Arts '25.

All branches of men's athletics were well supported. In the track meet seven university records were broken. In the swimming meet with the Vancouver Swimming Club, though the Varsity lost in the grand total of points, one of their men won the Norman Cox shield for individual points. Hockey, tennis and basketball have had a good year. The Boxing Club staged their first tournament with seven bouts. The soccer club has not yet finished its year. They have reached the semi-finals in the Iroquois Cup series.

Rugby, which is the major sport, has had spectacular success. The Senior "A" team won the "World" cup by defeating Stanford University at Christmas; the McKechnie Cup for the championship of B. C.; and the Rounsefell and Cooper-Keith cup for inter-city games.

Rowing and lacrosse clubs were formed and expect to flourish in the coming year.

Next year's student's council was formally introduced. It will be composed of: The president of the Alma Mater Society, Mr. A. E. Richards; secretary, Miss Dorothy Walsh; treasurer, Mr. Robert Hunter; editor-in-chief of publications, Mr. H. M. Cassidy; president of women's undergraduates, Miss Annie Anderson; president of women's athletics, Miss Gladys Weld; president of arts, men's undergraduates, Mr. Hunter Lewis; president of science, men's undergraduates, Mr. "Chub" Arnott; president of agriculture undergraduates, Mr. J. J. Woods; president of literary and scientific department, Mr. N. Robertson; president of men's athletics, Mr. Doug. Rae, and the marshal, Mr. A. L. Buchanan.

## U. B. C. SOCCERMEN IN ANNUAL MEETING

The U.B.C. Soccer Club held its annual meeting on Monday and elected its officers for the following year. The new officers are: Hon. president, Dr. H. J. Davidson; president, "Jap" Wolverton; vice-president, Bobby Jackson; secretary-treasurer, R. Johnston; manager of first team, R. Parker; second team, Moody. During the past year inter-section soccer has increased considerably amongst the college fans and next year it will be the plan of the club to make application for two berths in the Vancouver and District League, instead of only one, as in former years.

11.4.22

## Varsity Hoopers Elect Officers

The Basketball Club of the University of B. C. held their annual meeting and election of officers on Monday in the Physics Room. The officers of the club next year will be: Pres., L. K. Bickell; vice-pres., Tommy Wilkinson; secretary-treas., Benny Bassett.

During the past year the Varsity basketballers have received poor support, although they had teams in the Senior "A," Senior "B" and Intermediate Divisions of the local league. Next year efforts will be made to strengthen the teams and revive the support from the rest of the students.

## Judging Competition Prizes are Awarded

The U. B. C. Live Stock Club held its last meeting for the year in Braemar on Tuesday afternoon. It was at this meeting that the results of the first annual judging competition were made known. This competition was held at Agassiz, on the Dominion Experimental Farm, on Saturday, when about forty members of the club competed.

The prize for the high aggregate on points was won by Mr. W. J. S. Pye, and that for the highest freshman was won by Mr. R. V. Wilcox. Mr. H. G. Fulton won the honors in horses, Mr. H. L. Steves, by reversion from Mr. Pye, the prize in dairy cattle, and Mr. A. E. Ogilvie was high man in the sheep and swine division.

The officers of the club for next year will be: Honorary president, Prof. H. M. King; president, W. J. S. Pye; vice-president, A. Blair; secretary, H. L. Steves.

## Varsity Scores Easy Win Over Railmen

Varsity soccer waltzed through the C. N. R. to the tune of 6 to 1 on Saturday afternoon at the Powell Street grounds in a regular second division fixture. This easy victory was quite a surprise to the fans, who expected the collegians would be all in after their hard game with the Province the day before.

The score stood 2-0 at the end of the first period. C. N. R. pressed hard at the start of the second half, when Sadler slipped one past Mosher for the only C. N. R. point. From then on Varsity had an easy time and scored four more without trouble. Webster-refereed.

17.4.22

## Varsity Play with Canaries in Final

Varsity will meet Mt. Pleasant in the final for the Iroquois Cup at Cambie street, at 5:15, according to an announcement made by the officials of the V. and D. Soccer League last night. This game will be preceded by the championship game in the second division between Province and Elks. Mt. Pleasant were lucky in getting into the final, for Marpole defaulted in the semi-final and gave them a clear path to the final. In the opening game if the Province beat or draw with the Elks another game between Varsity and the team of these two which has the most points will be necessary to decide the championship.

At Athletic Park there will be three games, all of championship calibre. At 1:30 Riverview meets St. Saviour's in the final for the Allan Cup. Following this will be a game between the Callies and Veterans, and then as a wind-up the old rivals, St. Andrew's and South Hill will meet again at 5:00 o'clock. These teams are even in victories so far, each having won one from the other and with two drawn games.

## Varsity Relay Teams are Busy

The winners of the University of British Columbia who hope to make the two relay teams which will be sent by the local college to the Inter-collegiate Relay Carnival at Seattle, held their first work out on Wednesday. Coach Richmond put about sixteen men through their paces on the K. E. H. S. track. Six are trying for the mile, five for the half-mile and the others are as yet undecided which distance to train for. The coach was pleased with the first day's results and by April 29 he expects to have two fast teams well trained and ready. He has the men under strict training rules of diet, running, skipping and other exercises.

# BIG FIELD ENTERS VARSITY CARNIVAL

## British Columbia Athletes Expected to Do Well at Seattle Meet

SEATTLE, April 26.—More than 177 athletes, representing 11 Pacific Coast colleges and universities and seven high schools, will compete in the second annual University of Washington relay carnival to be held at the Washington stadium here next Saturday, it became known today, when the final list of entries was made public by university athletic authorities. The carnival, it was said, would be the largest of this nature held west of the Mississippi River.

### FEATURES OF MEET.

Eleven relay events, a special 100-yard dash and the pentathlon, consisting of five events, will be features of the meet, according to Darwin Meisnest, graduate manager of athletics. The carnival is hailed as being the first meet in which a general line can be gotten on the strength of Pacific Coast college track teams.

### MANY SCHOOLS COMPETE.

Schools entered are Washington State College, Oregon Agricultural College, Universities of Oregon, Idaho, Washington, Montana and British Columbia, Montana Wesleyan College, Gonzaga University, College of Puget Sound, Pacific University and seven Seattle and King County high schools.

University of British Columbia's entry in the carnival has aroused great interest here, as it is the first time the Canadian school has been represented in a track event on this side of the international boundary line. The British Columbia team is reported to be a strong one.

# GRADUATION PLANS OF B. C. UNIVERSITY

With graduation approaching, the senior class of the University of British Columbia is arranging its programme of activity for the next two weeks. On Tuesday, May 2, following the ceremony made historical by other classes, the class of 1922 will plant a tree at the university site in Point Grey.

On Wednesday, May 3, the women of the class will be entertained by Miss Bollert, dean of women students, at a tea, and the following evening the class banquet will be held in the Citizens' Club, followed by a dance given by Dr. G. G. Sedgewick. Friday evening Dr. R. E. McKechnie, chancellor of the university, will give a reception for the members of the class at his home on Shaughnessy Heights, and Saturday the class will journey for a picnic to Banfield's Landing, North Arm. The baccalaureate service will be held in Christ church in the evening of Sunday May 7, a class day in the auditorium on Tuesday, May 9, and the president and Mrs. L. S. Klinck will be hosts at a reception on Wednesday afternoon.

Congregation will take place on May 11 and the annual meeting of convocation will be held in the evening, starting at 8 o'clock. The election of officers will take place and business matters will be dealt with. An alumni meeting will be held Friday evening, May 12, starting at 8:30.

# USE OF INELIGIBLES UPSETS SOCCER SERIES

## Varsity Deprived of Iroquois Cup and Loses League Games in Which Wilkinson Played—South Hill's Victory in Medal Series Nullified By Use of McEwan

At the meeting of the V. and D. Soccer League, held last night, it was decided to withhold the Iroquois Cup for one year as Varsity, the winner, has been playing Wilkinson, an ineligible player, the greater part of the season. Varsity will lose two points for every game in which Wilkinson partook during the season and this practically bars them from winning any soccer trophy this year.

Wilkinson, who was signed on for Ladner in the Fraser Valley League, came here last fall to go to the U. B. C., and signed on with their second division team. As both leagues in which he played are affiliated with the B. C. F. A. he was ineligible. This fact was not discovered, however, until Good Friday, when a team came down from Fraser Valley to play Vancouver, and Wilkinson played for Varsity in the forenoon and Fraser Valley in the afternoon. This started the in-

vestigation, which resulted in the above decision.

The medal series tie which South Hill won from St. Andrew's on Saturday was ordered to be replayed, as South Hill used an ineligible player in the game, although with the permission of St. Andrew's. Before last Saturday's game South Hill asked permission of the Saints to play Tommy McEwan, of the Callies, saying that they were short of men. The permission was given and McEwan played. This act was against the rules of the association and the council decided if it was allowed to get by much trouble would arise in the future. A replay will therefore be in order, with the date to be announced at a future date.

The following is the draw for the semi-final of the medal series:

Callies vs. Westminster or Cedar Cottage.  
South Hill or St. Andrew's vs. Sapperton.

# UNIVERSITY DEAN OF WOMEN WILL ENTERTAIN GRADUATES

On Wednesday afternoon Miss M. L. Bollert, dean of women at the University of British Columbia, will entertain the women students of the graduating class at tea at the home of her sister, Mrs. T. Harold Crosby, 2631 First Avenue West.

The decorative scheme will be blue and gold, the university colors. Clusters of flowers will centre the tea table and be used effectively throughout the rooms. Mrs. L. S. Klinck will assist the hostess in receiving. Mrs. S. D. Scott and Mrs. R. L. Reid will be in charge of the tea room and will be assisted by Miss Mackay, Miss Peck and Miss Blakey, graduate students, and Mrs. Bollert and Mrs. Crosby, sister of the hostess. A delightful addition to the afternoon will be the group of songs to be given by Miss Winifred Parker, formerly of Toronto, who has come to this city recently from New York.

The invited guests include: Miss Dora Pye, Miss Winnifred Bullock, Miss E. F. Ballard, Miss Helen Keir, Miss A. H. Rankin, Miss M. A. McLoughey, Miss Gwendolyn Robson, Miss Evelyn Monkman, Miss I. V. # VARSAITY GETS GAMES AND CUP

Taking the standpoint that it was unfair to penalize an innocent club, the local executive of the B. C. F. A. reversed the decision of the Vancouver and District Soccer League about Varsity's playing an ineligible player on their team, and decided that they would not lose any league points or the Iroquois Cup.

Varsity had used Wilkinson, who was also signed with the Langley team in the Fraser Valley League, for a part of their games and, the council held, should have received notice from the secretary of the B. C. F. A., notifying them that Wilkinson was ineligible. In the absence of this notification the B. C. F. A. decided that Varsity could not be fairly penalized for using this player. Wilkinson, however, was suspended until December 1, 1922.

# SENATE PASSES LIST OF HONORS FOR YEAR

## Blythe Alfred Eagles Wins Governor-General's Gold Medal for General Proficiency—Hunter Campbell Lewis Secures Leroy Memorial Scholarship—Arts Scholarship to Annie M. Anderson

The senate of the University of British Columbia this morning awarded degrees, scholarships, prizes, honors and passes to successful post-graduates and undergraduates numbering several hundred. The number of students in each section of the 11st, as issued from the office of Mr. Stanley Matthews, registrar, is larger this year than it has ever been before. This list following does not contain details of the standing in individual subjects, which will be published tomorrow.

The standing of conditioned or partial students is not included in these results.

The results of the first and second years of the faculty of Arts and Science are not included herewith, nor the results in nursing, nor the details of standing in the various subjects, but will be ready tomorrow.

Following are the prize-winners and graduates:

**GOVERNOR-GENERAL'S MEDAL**

this scholar is one of the youngest in the history of the university to have carried off this highest honor.  
In 1918 he graduated with honors and a diploma for proficiency from the Duke of Connaught High School, New Westminster, entering the university in the fall of that year. He has, throughout his college career, taken a keen interest in every side of university activities, and this year was

awarded a prize from the Chemistry Society, of which he has been an energetic member. He is a native son of British Columbia and New Westminster. He resides at 115 Fifth Avenue there, and is the son of Mr. and Mrs. John E. Eagles, who first heard through The World of the victory of their son. Last year the medal was won by Miss Dorothy Blakey, this year being the first of many when the medal went to a man.

### U. B. C. Graduates At Class Day Exercises; Valedictory Gift

The auditorium of the University was thronged on Tuesday afternoon, when the graduating classes of 1922 held their class-day exercises. Dr. Sedgewick delivered an interesting address. The valedictory was given by Mr. C. A. F. Clark, and Mr. Weldom McAfee presented the valedictory gift of \$400 in the presence of Dr. R. E. McKechnie and President Klinck. This gift is to be held in trust for the new university.

A delightful addition to the afternoon was the piano solos by Miss Edna Rogers and Miss Norah Willis. Others taking part in the programme were: Miss Georgina McKinnon, Miss Sallie Murphy, Miss Isobel Miller, Mr. Allan Hurst, Mr. J. R. Fournier, Mr. W. O. G. Scott, Mr. G. H. Harris and Mr. Norman Robertson.

The refreshments were served by the Class of Arts '25." The charmingly decorated table was presided over by Mrs. Sedgewick and Mrs. Boving. Assisting in serving were: Miss Doris Baynes, Miss Bea Welch, Miss Muriel Wright, Miss Theresa Foran, Miss Florence McLeod, Miss Grace Smith, Miss Muriel Moffatt, Miss Betty Rankin, Miss Laura Mowatt, Misses McGill, Miss Harvey and Miss Lillian Steplar.

### RECORD GRADUATE AND HONOR LIST AT U. B. C. CONGREGATION

The culmination of a whole year's work at the University of British Columbia will come this afternoon, when the seventh annual congregation will take place in the University auditorium.

More degrees are to be conferred on graduates and post-graduates, and more prizes, scholarships and medals are to be awarded at today's ceremonies than ever before in the history of the university.

Sir Robert Falconer, president of the University of Toronto, has arrived in the city to deliver the address of congregation. The chancellor, Dr. R. E. McKechnie, President L. S. Klinck and others will also speak.

The annual meeting of the convocation of the university will be held in the auditorium of the university, Tenth Avenue and Willow Street, at 8 o'clock this evening. Sir Robert Falconer, president of Toronto University, will speak on "Alumni and the University," and John Allerdyce, B.C., president of the Alumni Association, on "What the Graduates of a University Owe to Their Alma Mater."

# DETAILS OF EXAMINATION RESULTS ANNOUNCED AT UNIVERSITY

## Registrar Issues First and Second Class Honor List in Three Faculties as Supplementary to That Showing Standard of Students

The detailed results of the final examinations at the University of British Columbia were issued from the office of Mr. Stanley Mathews, registrar, yesterday. They differ from last year's list in that they contain only the first and second class honor students, and the names are not segregated into years.

Class 1 includes students securing 80 per cent or over and Class 2 between 65 and 80 per cent.

The list of students' standings in the second and third years of the Arts faculty has not yet been passed on by the committee and will probably not be until Saturday morning.

Yesterday's list is as follows:

### FACULTY OF ARTS

#### Scientific Basis of Agriculture

First Class—None.  
Second Class—H. W. Johnson; Jessie L. Steves.

#### Bacteriology 2.

First Class—A. L. Buell; Gladys M. Clandinin; Freda M. Handford; Gertrude M. Smith.

Second Class—G. M. Kirkpatrick; Everilda Wilson; Helen M. Bennett; Margaret W. Higginbotham; Dorothy M. Rogers; F. A. Turnbull.

#### Bacteriology 6.

First Class—C. B. Weld, Mabel M. Malcolm; Margaret R. Morrison; Freda L. Wilson; Donna E. Kerr; Myrtle E. Kilpatrick; Gwendolyn Robson; Grace Wilson.

Second Class—None.

#### Biology 3 (Physiology)

First Class—J. A. Dauphinee, B. A. Eagles; Violet E. Dunbar.

Second Class—R. E. Foerster, W. S. Rogers; L. Z. Bolton; A. L. Buell.

#### Botany 1.

First Class—J. C. Wilcox.  
Second Class—C. W. Argue; L. A. Atkinson; A. W. Aylard; D. P. Keenan.

#### Botany 1a.

First Class—Gertrude M. Smith, J. Shier; G. Clandinin.  
Second Class—R. E. Foerster; M. Higginbotham; J. Casselman; W. S. Rogers; G. M. Smith.

#### Botany 1a. (Dist.)

First Class—Jean Davidson; Marjorie Elliott.  
Second Class—Helen Whiteside; J. D. Jones.

#### Botany 1b. (Economic Flora)

First Class—John Leavens.  
Second Class—Martha McKechnie; C. H. Crickmay.

#### Botany 1c.

First Class—G. H. Harris.  
Second Class—J. B. Leavens; Winifred Bullock; H. D. Greenwood; Margaret I. Clarke; Martha S. McKechnie.

#### Botany 1. (Pass)

First Class—Brookie Sutherland.  
Second Class—Alice Heywood; J. A. Christie.

#### Botany 1a.

Second Class—P. M. Barr.

#### Botany 4. (Histology)

First Class—L. L. Bolton; C. H. Crickmay.  
Second Class—C. D. Kelly.

#### Chemistry 1. (Pass)

First Class—L. A. Murphy.  
Second Class—Grace E. Smith; A. G. Winter; M. G. Teeple; T. W. Brown; H. C. MacIntyre; A. B. McLennan; D. P. Whatney; D. P. Keenan; M. E. Wright; George C. Martin; A. W. Aylard; C. J. Duncan; H. S. Gutteridge; M. Harvey; J. R. Ingledew; M. Westman; T. P. Hennessy; W. H. Fanning.

#### Chemistry 1. (Dist.)

First Class—R. E. White; S. L. Thrupp; S. B. Ingram; A. R. Fee; R. W. Ball; J. E. Morsh; R. H. Bayliss; T. G. Buchanan; R. C. Oliver; Peter Price; L. A. Sheppard; G. R. Robinson; M. C. Binnie; E. G. Jones.  
Second Class—R. B. Shaw; K. L. Miller; K. M. Inglis; K. E. Kania; G. B. C. Carpenter; J. C. W. Scott; F. A. Innes; E. R. G. Richardson; H. V. Warren; J. W. B. Shore; F. J. Owen; F. R. Barnsley; W. H. Gage; S. M. Manning; F. G. A. Tarr; C. M. Aylard; S. M. Dudley; C. H. Clegg; J. H. Wilkinson; J. L. Bennett.

#### Chemistry 2.

First Class—R. M. Crozier; W. H. B. Munn; F. H. Bell; J. S. Daly; H. A. McColl; Carl Tolman.  
Second Class—W. W. Simpson; A. G. Gill; J. R. Leask; G. A. Lewis.

#### Chemistry 2.

First Class—H. E. Bramston-Cook; A. J. Napier; J. L. Huggett; F. Charnley; H. D. Wallis; L. B. Stacey; E. H. C. Norman; G. W. Sweny; F. G. Elliott; F. F. Osborne.  
Second Class—J. G. Bell, A. R. McNeill, C. H. Stockwell, J. C. Wilcox; W. V. Smitheringale; C. N. Disney;

H. Bennet, R. M. Jackson; R. L. McLean, Everilda Wilson; N. O. M. Foggo, H. C. Giegerich, J. A. C. Harkness, M. Higginbotham, Morris Kag-noff, G. Kirkpatrick, J. E. Underhill, C. G. McLachlan; F. J. P. Albo, L. K. Bickell, L. A. Carson, M. J. C. Dickson, G. C. Lipsey, D. J. Emery; F. A. Turnbull; R. H. Hedley, Florence Johnson, H. A. Pearse; Gert. M. Smith; E. C. Hope, A. H. Plummer; A. H. Finlay.

#### Chemistry 3.

First Class—Brown, Ure; Fraser; Shier, Sivertz; Loveridge; Cavers.  
Second Class—Hooper, Pearse; Graham; Yonemoto, MacKechnie; Richards; Hallett, Mathews, Offord.

#### Chemistry 4.

First Class—William Ure; C. Sivertz; G. T. Loveridge; G. H. Fleming, C. H. Wilson.  
Second Class—R. K. Cameron; Fred Laird; Duncan Fraser; J. R. Davidson; H. W. Shier; R. H. Offord; W. E. Graham; C. W. Hooper; H. A. Pearse.

#### Chemistry 5.

First Class—W. E. Graham, Christian Sivertz, Wm. Ure; W. D. Burton; W. A. Gale; H. N. Mathews; G. H. Fleming, Duncan Fraser.  
Second Class—E. C. Wilkinson, E. S. McColl, H. R. Offord; G. T. Loveridge, H. A. Pearse, L. T. Hallett; C. A. McVittie, A. J. Anderson; O. H. Rae; C. W. Hooper; A. A. Todd; J. R. Giegerich, R. K. Cameron.

#### Chemistry 6.

First Class—J. A. Harris; W. O. Banfield; D. F. Steadman; A. E. Boss, R. S. Jane.  
Second Class—W. A. Gale, W. S. Peck; S. R. McDougall; E. S. McColl; Rona Hatt; A. A. Todd; H. Doyle.

#### Chemistry 7.

First Class—Stuart McDougall; L. McLennan; J. A. Dauphinee, B. A. Eagles, Christine Urquhart.  
Second Class—J. A. Harris, S. W. Peck; Banfield; W. A. Gale; A. Todd.

#### Chemistry 9.

First Class—Dauphinee, Eagles; Jane McLennan; Steadman; Urquhart; Harris.  
Second Class—Weld; Melville; Rogers.

#### Chemistry 10.

First Class—L. W. McLennan; V. Dunbar; J. A. Harris; F. Handford, Donna Kerr.  
Second Class—F. Wilson; A. E. Boss; A. L. Buell; J. Melville.

#### Chemistry 15.

First Class—None.  
Second Class—C. D. Kelly.

#### Chemistry Thesis.

First Class—J. A. Dauphinee, Blyth Eagles, J. A. Harris, Christine Urquhart; L. W. McLennan.  
Second Class—None.

# Growth Must Compel Answer To Demands Congregation Told

## Impressive Ceremony Marks Seventh Congregation—Record Number of Graduates Receive "Admitto Te"—Growth of Institution Will Compel Meeting Demands, Says Falconer

The seventh annual congregation of the University of British Columbia, held yesterday afternoon, was attended by even more form and ceremony than has marked these functions in the past, and was characterized by the presentation of degrees to 135 graduates, a record number for the institution.

The assembly hall of the University was crowded to capacity, every seat taken and many students were standing along the walls when, at the set hour of 3 o'clock the members of the senate, the board of governors, members of the university staff, the graduates, the winners of awards and scholarships filed in and took their appointed places.

First came Dr. R. E. McKechnie, chancellor of the University, with Sir Robert Falconer, president of the University of Toronto, followed by President L. S. Klinck and members of the Board of Governors. When all were placed there was presented an imposing array of red and black gowns, varicolored silken hoods, hats and scholastic caps.

World? We must hold our own with them; we have as much brains as they. Let not our children remain debtors to the United States for education."

**Importance of Classics.**

The speaker made an appeal for the retention of the classics in the university. They impart tone and set a standard that is not related to any one country, time, or language, he said. If the students at the university can attain such standards and appreciate them, 1000 of them entering into the world can not help but react on the taste of their communities.

**Degrees Presented.**

Following the order of the programme, President Klinck and the chancellor then rose and read to the graduating class the Latin words of precept, and then presented the degrees. The class, many of the girls carrying large and beautiful bouquets of flowers, garbed in white dresses, and wearing the cap and gown, came forward in turn as their names were called, received the "admitto te" as they knelt on the purple and gold cushion before the chancellor, and then received their parchment at the hands of the president. Applause greeted the calling of every name.

With a short introductory speech, President Klinck presented the Governor-General's gold medal for highest honors in the graduating class to Blythe A. E. Eagles, a youth of twenty, and the youngest member of the graduating class. The registrar, Stanley W. Matthews, then read out the list of scholarships and prize-winners.

In his address, Chancellor McKechnie referred at some length to the difficulties that beset the course of the university, and gave praise to the members of senate for the good work they were doing in keeping it on the right path. He compared the record of McGill University, the largest in Canada, with that of the University of B. C., showing that sixty-four years after the first lecture had been delivered McGill had 135 graduates, just the number that graduated this year in Vancouver, in the seventh year of the institution. Thirty-three years after its inception McGill had a library of 2,000 volumes, and the university library here has now 14,000 volumes. The Arts course attendance here is the third largest in Canada, he added. As a physician making a diagnosis, he would be led to say the university was suffering from nothing more than growing pains, he added, and healthy growing pains at that.

**Bind Tie Closer.**

"I bring you not only the hearty greetings of the University of Toronto," he began, "but of all the eastern universities, who are unanimous in their regard for what you have done and are trusting your progress will be marked by further triumphs. It is well, in my opinion, that we should bind the east and west closer together in our academic life, as we are learning to do in our national life."

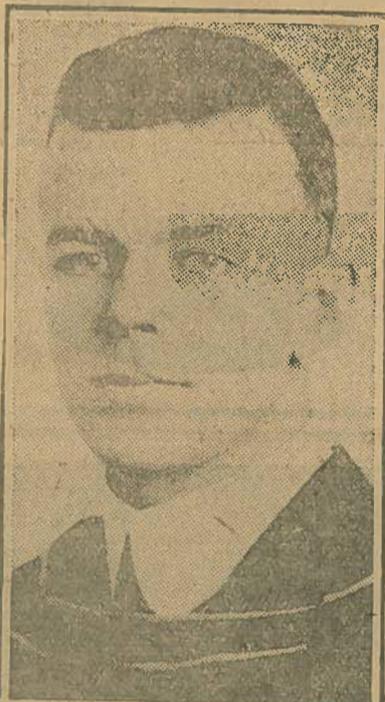

The University of British Columbia, if it had trials, could rather felicitate itself on them, by comparing them with the record of the trials of almost any other Canadian university. It was just a case of time, and of overcoming them, he said.

"You are members of a great university, great in conception, great in prospects. Exert your influence and knowledge in the sphere of life to which you betake yourselves," he added, addressing more directly the graduates seated in the front row. "The grade of a people's intelligence is judged on the grade of its intellectual life."

The value of university education to a people cannot be overestimated, said Sir Robert. "You may be thankful," he added, "that in its early days this province had the foresight to lay down foundations for that higher education which have been so well and so securely built upon. You are now outgrowing them. You are coming in your multitudes, breaking down your borders. The people cannot refuse to rise and meet your demands."

"We must hold our own with the United States," he said, at another stage, and referring to his recent visit to Washington University. "We have the respect of the Americans, they look up to us as interpreters, in a sense. How do they look on us educationally, these people who in that department are perhaps the most advanced, the most wonderful in the

J. W. ALLARDYCE, M.A.

President of the Alumni Society of U. B. C., who urged the cooperation of his society and convocation at last night's convocation meeting.

## TWO BRILLIANT WOMEN STUDENTS

MISS K. PORTSMOUTH

President of the Women's Literary Society, who is graduating this year. Last year she won three large trophies, including the \$137 McGill Graduate Scholarship.

MISS GERTRUDE SMITH

Vice-President of Arts '23 and a member of the Arts Women's Undergraduate executive. She also was a prize winner last year, carrying off the \$100 Scott Memorial Scholarship.

DR. R. E. McKECHNIE

Chancellor of the University, who at yesterday afternoon's impressive congregation admitted into graduation a record class of 135 graduates.

## TWO HARD-WORKING OFFICIALS

SYDNEY ANDERSON, Sc. 22.

Who, as the first student marshal, has had charge of most of the undergraduate entertainments during the year. He was also responsible for the discipline at the University.

W. O. BANFIELD, Sc. 22.

Treasurer of the Alma Mater Society, who has looked after the financial details of undergraduate society activities. He has been two years in this office.

DR. L. S. KLINCK

who presented Blythe Eagles, the youngest member of the graduating class, with the Governor-General's gold medal, highest award in the University. Eagles is only 20 years of age.

UNIVERSITY SOON  
TO BE ESTABLISHED  
OUT AT POINT GREY

An appeal by Sir Robert Falconer, president of the University of Toronto, for loyalty and co-operation toward the University of British Columbia as essential to the proper development of that institution, and a prediction by Hon. A. M. Manson, attorney-general, that the university would soon be established in its Point Grey home, were the features of addresses delivered at the banquet to the alumni of Toronto University at the Hotel Vancouver on Friday night.

Pointing out that loyalty to their alma mater, for which graduates of Toronto University were noted, was responsible for the prominent position occupied by that institution, Sir Robert Falconer urged that this great loyalty could only come to fruition by displaying the same loyalty toward the University of B. C., and enlisting, as Toronto had done, the co-operation of the large body of men and women outside the university who realized the great value of higher education.

One of the announcements made by Sir Robert, which was greeted with vigorous applause, was that two graduates of Toronto had recently completed a discovery in the form of a new treatment for diabetes and that as soon as final tests were made full details of the discovery would be published.

In predicting that the University of B. C. would soon move to Point Grey, Hon. A. M. Manson, attorney-general, referred to it as the Cinderella of Canadian universities, stating that she would soon doff her rags and become enthroned in her rightful home.

Among others who spoke to toasts during the evening were Bishop A. U. de Pencier, Chancellor R. E. McKechnie of the University of B. C., President Klinck, Alex. Henderson, K.C.; Dean R. W. Brock, Dr. J. M. Pearson, Gordon Raphael, Mrs. R. W. Brock, Miss M. L. Bollert and others. The toast to the guest of honor, Sir Robert Falconer, was tendered by President Klinck, who paid tribute to the visitor and his work at Toronto, stating that this work stamped him as one of Canada's great educationalists.

It was announced by Major A. D. Swan, who presided, that the executive of the Toronto Alumni Association planned to raise a sum sufficient to establish post graduate scholarships for the benefit of graduates of the University of B. C.

## Varsity Players Are Guests at Gathering

Mrs. O. C. Etter, of Penticton, entertained recently in honor of the University of B. C. players, of which Harold Etter is a member. The table was prettily decorated with the University colors and the flowers around the room carried out the color scheme. During the afternoon there was a musical programme of an excellent order. Mrs. J. Grant Munshaw and Mr. Harold Etter won hearty applause for their rendering of the duet, "Tancredi." After an interval Mr. George Munshaw delighted his hearers with a dramatic lyric solo. Mrs. H. McGregor rendered one of her admirable musical monologues, which was followed by the brilliant overture, "Romeo and Juliet."

The members of the party were: Mme. Suttle, Professor F. G. C. Wood, assistant professor of English; Miss Betty Somerset, Miss Kirsteen Leveson, Miss Georgiana McKinnon, Miss Isobel Miller, Mr. Jack Clyne, Mr. Neil McCallum, Mr. Wells Coates and Mr. Hunter. Interest was added to the occasion by the presence of local Varsity students, Miss H. Reith, Mr. Harold Etter, Mr. Geoffrey Riddehough, Mr. T. Richardson of Penticton, and Mr. Rushberry and Mr. Harold Allen of Naramata. It was unique that at the function there were present Mr. Jack Clyne, president of the Players' Club, and Mr. Harold Etter, president of the musical society, these organizations being the most prominent ones at the University.

## Varsity Players Make Big Hit at Penticton

The University of B. C. Players in the presentation of "Mr. Pim Passes By" before a large audience at the Empress Theatre even excelled their usual histrionic standard, says the Penticton Herald. Right from the beginning the Penticton audience were caught up in the spirit of the play. It is rather difficult to name any character as outstanding, but right from the beginning Miss Georgina McKinnon as Dianah was beloved by all. Charming, irrepressible and romantic one did not wonder that the landscape artist who painter triangular clouds should fall so much in love with her.

Miss Betty V. Somerset, as Olivia, was with many the favorite. Her facial expression was splendid, and the way she handled her husband was even better.

Jack V. Clyne, as George Marden, was the blustering English squire,

who found himself married to another man's wife and couldn't quite find a dignified solution to the difficulty. This impersonation was good.

Carraway Plml, who, through one of his frequent lapses of memory, had been responsible for the whole mix-up, was a fine character. An old man, feeble in mind and body, it would have been difficult to improve on the impersonation as given by Neil McCallum.

Miss M. Kirsteen Leveson as the eccentric and "well-exercised" Lady Marden, played the part of the severe and reproving aunt. Wells W. Coates as Brian Strange, was the eager lover and coming artist.

Professor F. G. C. Wood, who directed the staging of the play, spoke a few words in appreciation of Penticton's support of the players. He also spoke of the impossibility of University students continuing to carry on in the present huts used as a university building. The time had come to act in forcing the government to begin the new buildings on the splendid site at Point Grey.

## GETS PRISONER OFF IN HIS FIRST CASE

Before Judge Cayley in County Court yesterday James McNally was charged with attempted robbery with violence on March 18 last, and was acquitted. Unable to secure bail he had been in jail since his arrest. Mr. L. H. Jackson, whose first case in court it was, was congratulated by his colleagues for his presentation of the case. President of the Law Students' Society until his admission to the bar recently, he has joined Mr. Joseph Oliver, son of Premier Oliver, in the firm of Oliver and Jackson, 407 Hastings street west. He will do the court work for the firm and Mr. Oliver will handle the office end. Evidence of the junior partner's prowess in debating is a set of Dominion Law Reports won as a prize while a law student.

## U. B. C. STUDENTS WIN RESEARCH PRIZES

OTTAWA, May 27.—The following graduates of the University of British Columbia have been awarded studentships by the research council: Miss Irene Mounce, R. E. Foster, studentship in zoology at McGill; John Melville, in chemistry at British Columbia University, and D. Morrison, in chemistry at McGill.

Miss Mounce took her B. A. and M. A. at the University of British Columbia and her M. Sc. at the University of Manitoba.

## U. B. C. GOLD MEDALLIST STILL WINNING HONORS

MISS IRENE MOUNCE

OTTAWA, May 27.—Miss Weinburg and Miss I. Mounce, graduates of the University of Manitoba, have both been awarded studentships by the research council. Miss Mounce's studentship is to be held at the department of botany, Toronto, and that of Miss Weinburg at the department of physics, Manitoba.

Miss Mounce, winner of the governor-general's gold medal at the University of B. C. four years ago, has been winning other collegiate honors ever since. Three years ago, after joining the teaching staff for a year as a tutor, she took her M. A. here, and at the end won a \$700 Dominion research scholarship, which carried her through a post-graduate course at the University of Manitoba. Then she won the Hudson's Bay \$1500 scholarship, which enabled her to still further pursue research work. With this was a \$150 Winnipeg Scientific Club scholarship of \$150. The daughter of Mr. and Mrs. L. A. Mounce, 1276 Fourteenth Avenue West, she will return home on a visit next week, remaining for some months before going to Toronto.

## TO CONDUCT MISSION IN SILVER MINES

REV. F. H. BUCK, M.A.

graduate of the University of British Columbia, is spending a few weeks in this city prior to leaving on June 10 for the silver mines at Mayo in the Yukon, where he will take charge of the Anglican church work during the summer. Mr. Buck spent last summer in this district and during the winter has been in St. Catherine's in charge of a parish there. He is the son of Mr. and Mrs. W. H. Buck, Trafalgar road, Kitzilano. He will preach in St. Mark's church, Kitzilano, tomorrow morning.

## VANCOUVER GIRL WRITES ABOUT HER IMPRESSIONS OF PARIS

W. 27-5-22

The following interesting letter has just been received from Miss Pauline Gintzburger, M.A., of this city, winner of the Governor-General's gold medal at the University three years ago and now in Paris taking a special course of study as winner of one of the provincial government's special scholarships:

Editor of The World.

Dear Sir,—Perhaps Vancouver people may be interested to know what are the impressions of a native of British Columbia who has not seen very much of the world, in this large French city.

One of the first things that caught my attention when I arrived in Paris was the quantity of birds in the Luxenburg gardens. One usually associates pigeons with St. Mark's and Venice and henceforth the humble sparrow is going to find his place in my mind in connection with Paris and the Luxenburg gardens. There are just as many birds in the other public gardens of Paris, but living as I do in the Latin quarter I see them particularly in the Luxenburg. When I arrived in the fall and used to pass through the gardens I could not help remarking the little fellows because of their rustling and twittering. My attention was really attracted to them however one of the first cold days in November. I was crossing the gardens a few minutes after noon and stopped involuntarily at the sight of a very pretty picture. Two rosy cheeked little girls were standing by one of the grass plots feeding the sparrows. The birds were clustered about their feet hungrily pecking the crumbs they let fall, their bright little eyes darting glances in every direction for fear of missing something. The children could throw crumbs into the air and one after another the birds would fly up and catch them before they reached the ground. A short distance away a white-haired gentleman was lavishing his tenderness and crumbs on the few pigeons the Luxenburg possesses. They were so tame that they would fly onto his wrists and eat from his hand as he called them. They even flew to his shoulder and best of all would flutter up in turn and take their crumbs from his mouth. I have since tried my luck with them and have arrived at the point of getting them to feed from my hand.

It is many little things like that, otherwise insignificant except that they are different, that have made an impression on me. For instance there are the men and women who go about hawking things in the streets from fish, fruit and vegetables to panes of glass, pots of flowers and sticks of evil smelling Chinese punk. They have a language all their own, intelligible only to the initiated, and they add another note to the already noisy streets. I have grown so accustomed to them that I quite miss them now and feel that something is lacking if they do not make their appearance in the "quarter" for a few days.

The long winter days, when one far from home is apt to feel a little lonely and gray and in need of cheering and a bit of rose color, one has only to step inside the Sainte Chappelle or Notre Dame to be bathed in a perfect flood of color from the exquisite stained-glass windows. I went into Notre Dame one day when there was a rare bit of sunshine, just before noon. The place was absolutely glowing with vivid reds and purples—one would have thought there was a fire—the color was reflected everywhere, even to the darkest and gloomiest corners, and I could not help feeling happier and less lonely in all that warmth of color.

There is another much more prosaic thing which helps to cheer one in winter, the chestnuts. Always, when thinking of Paris in winter, I shall remember Boul Mich, as we call Boulevard St. Michel, and the chestnut sellers at every second or third corner. One steps onto the boulevard from a side street to be greeted with the delicious smell of roasting chestnuts. Is

MISS P. GINTZBURGER, M.A.

there anything so good on a cold day? And elbowing the chestnut brasiers are the flower stalls—and such flowers.

Bunches and bunches of violets, layer upon layer of carnations, scarlet, pink and white, tall nodding chrysanthemums, wee yellow daisies—a perfect riot of color come from the sunny south to add a little brightness to the greyer, colder lives of those in the north.

Now, there are the big things, too. I am fortunate to be living in a section crammed with historical associations and containing some of the most beautiful monuments in Paris.

To come through the Gardens and suddenly see the Pantheon looming up in front of me will always be a joy. On a clear day it is a beautiful, clean-cut picture, with its many columns and perfect dome. On a misty day it is mysterious and unreal, but on a moonlight night it is best of all. Then it is like some palace in a fairy tale, and to me it is one of the most wonderful things in Paris.

Not far away is the Invalides, crowded with souvenirs of Napoleon, and containing his massive and impressive tomb. There one can see his grey coat, his cocked hat, sword, pistols, his camp bed and many other things. If one leaves the Invalides by the entrance to the Museum and crosses the Seine by the Pont Alexander III, one is immediately in another world. Instead of the students and artists of the latin quarter are elegantly-dressed men and women, for one is now on the Champs Elysees. A walk up this broad avenue, with its rows of trees and its flower-beds, to the Arc de Triomphe, where is the grave of the unknown soldier, then on to the Bois-de-Boulogne, is delightful. This is the most beautiful part of

Paris, quite different from the narrow, crooked streets on the left bank of the river, and in the other old sections of the city, but for all its beauty I prefer my "Quartier Latin," and am happy to be a student, living and working among students from every corner of the earth, who have come to this great centre as I have done, in the pursuit of knowledge.

Yours very sincerely,  
PAULINE GINTZBURGER.

## INDIANS TAKE GAME FROM VARSITY BOYS

The Indians had little difficulty in winning from the Varsity in last night's senior amateur lacrosse game at Cambie street, the final score being 15-3. The U. B. C. boys put up a game fight but were completely outclassed by the older team. Goals were scored by Gus Band (4), F. Baker (3), M. Joseph (3), Mac (2), Lee (1), Boyd and R. Baker for the Indians, and Clark (2), and McCreery for the Varsity. Louie Lewis, to the surprise of all present, went scoreless for the whole game.

### REV. E. L. BEST LEAVES

WEST VANCOUVER, June 5.—The Rev. E. L. Best, who has been in charge of the United Church here since the amalgamation of the various religious adherents making up the congregation, will leave for his new pastorate at Armstrong, B. C., on Wednesday night. Rev. Mr. Best carries with him the best wishes of his West Vancouver friends, and this was suitably expressed recently by the presentation of suitable gifts to the departing minister and his wife by members of the congregation. In the meantime the Union Church pulpit will be supplied by the church board until a regular call has been filled.

## U. B. C. GRADUATES WIN SCHOLARSHIPS

BLYTHE A. EAGLES.

Teaching fellowships at Toronto and Montreal have been won by two of this year's science graduates of the University of B. C. Blythe A. Eagles, son of Mr. and Mrs. John Eagles, 115 Fifth Avenue, New Westminster, youngest U. B. C. graduate, and winner of the governor-general's gold medal, has been awarded a \$1000 fellowship in the chemistry department of the University of Toronto, while R. S. Jane, son of Mr. A. S. Jane, 215 Sixth Avenue West, who came fourth in his year, has won a similar fellowship in the same department at McGill University. Both will commence work in September. They will teach and take up post-graduate work at the same time.

9-6-22

# RICHMOND WIN FROM STUDENTS

Playing with only eleven men, Richmond had little trouble in defeating Varsity in last night's senior amateur lacrosse battle at Cambie Street grounds, before a crowd of over two thousand. The final count was 9-2.

The Farmers piled up a lead of five goals in the first two periods, but in the final two quarters the College lads hit their stride and had Richmond on their toes. With a little more experience the Varsity are going to give the rest of the teams in the league, including the Idians, a good run for their money.

The Farmers grabbed the lead right at the start, C. Gilmour finding the net after a general melee in front of Varsity's goal. Marshall soon put them two up, scoring from a similar mix-up. Just before the end of the period Marshall got another goal, beating the opposition clean. L. Gilmour, Mellish and R. Grauer scored in the above order in the second and Richmond were six goals ahead before Joe Shillingfort slipped in the opening counter for Varsity.

Two more counters came from L. Gilmour's stick in the third quarter and Shillingfort scored again for Varsity. With the opening of the last period Varsity made a decided rally but failed to score. Bobby Rees got Richmond's ninth goal just before the final whistle.

The line-ups:  
Varsity—Cour-Barron, Hatch, Melville, Gregor, Hatch, A. Grauer, Egeron, Blair, Rowley, Shillingfort, Tiffin and Joe Shillingfort.

Richmond—Mackie, C. Grauer, Marshall, J. Blair, McAdam, C. Gilmour, Scratchely, Ree, L. Gilmour, Mellish, R. Grauer.

Penalties—Second period, Cour-Barron, 3 minutes; third period, Marshall, 3 minutes.

## STUDENTS GET USE OF K. E. H. S. COURTS

The committee of the University Tennis Club have secured the use of the King Edward High School courts for every evening of the week, and each Saturday afternoon throughout the summer. Members resident in the city will be able to avail themselves of the opportunity to play from 6 o'clock on week nights and from 2:30 on Saturdays.

13-6-22

**Local Man Appointed**—Paul N. Whitley, B.A., who last year was president of the U. B. C. student body, has been appointed to the Vernon High School staff. Mr. Whitley went overseas with the 196th battalion, being wounded in 1917. He attended the Vancouver public and high schools and was with the Vancouver High School cadet corps that toured Australia in 1912.

## INDIANS WILL MEET STUDENTS TONIGHT

The I.L.A.-Squamish and Varsity teams will battle in tonight's senior amateur lacrosse match at Cambie Street grounds for the second time this season. Last time they met the Indians carried off an easy victory, but since then the U.B.C. boys have been considerably strengthened and a good game should result tonight. Since Andy Paull has left for Ottawa, Lowie Lewis, the big homester, will captain the I.L.A. team for the remainder of the season.

# MEDICAL STUDENTS AT M'GILL FROM B. C. ARE HONORED

MONTREAL, June 15.—British Columbia students passed and obtained honors in first year medicine at McGill as follows:

Honors in medicine—F. M. Jones, Victoria.

Honors in chemistry—Miss E. Trapp, B.A., New Westminster; F. M. Jones, Victoria.

Honors in physics—F. M. Jones.

Honors in general biology—Miss E. Trapp, F. M. Jones.

Honors in English—F. M. Jones, Miss E. Trapp, J. R. Lochead, Vancouver.

British Columbia honors in second year medicine were:

General physiology—N. D. Hall, Vancouver; A. B. Manson, Vancouver.

Histology and embryology—J. S. Henderson, Chilliwack; A. B. Manson, Vancouver.

Anatomy—J. S. Henderson, Chilliwack.

Bio-chemistry—N. D. Hall, Vancouver.

Organic chemistry—J. S. Henderson, Chilliwack; A. B. Manson, Vancouver; N. D. Hall, Vancouver; A. B. Nash, Victoria.

### Third Year Honors.

Honors in third year medicine are obtained by the following British Columbia students:

Honors in aggregate—Kingsley Terry, Victoria.

Physiology—K. Terry, Victoria; W. F. Emmons, M.S.C., Vancouver.

Pharmacology—J. G. P. Cleland, Penticton; E. E. Day, Vancouver; K. Terry, Victoria.

Bacteriology—E. E. Day, Vancouver; H. G. Bruce, Revelstoke; T. C. Holmes, Victoria; D. F. Murray, Victoria; J. G. P. Cleland, Penticton; W. F. Emmons, Vancouver.

Pathology—K. Terry, Victoria; D. F. Murray, Victoria; E. O. Taylor, Ladner.

Clinical surgery—R. S. Hamilton, Victoria; W. G. Gunn, Vancouver.

Physiological and clinical chemistry—K. Terry, Victoria.

Pharmacy—E. O. Taylor, Ladner; G. A. C. Roberts, Vancouver; K. Terry, Victoria.

N. D. Hall, one of those who passed successfully in his medical examinations at McGill University, is a son of Dr. G. B. Hall, 1985 Twelfth Avenue West. Mr. Hall took honors in second year medicine in general physiology and also passed in organic chemistry.

Miss Ethlyn Trapp, daughter of Mr. and Mrs. T. J. Trapp, 407 Agnes Street, New Westminster, received honors in general biology at McGill yesterday. She is a first year student in medicine. Miss Trapp is a graduate of McGill University and also attended the University of British Columbia for one year.

## B. C. University Man Returns With Bride

After three years of study for a Ph.D. degree at Harvard and teaching at Simmons College, Boston, Mr. William Sutcliffe, U.B.C. graduate and former president of its Alma Mater Society, has returned to his home, 1774 Venables Street—with his bride. Mr. Sutcliffe graduated from U. B. C. in 1919, when he won a \$200 Harvard University scholarship. On June 14 last he married Miss Daley of Digby, Nova Scotia, and both will return this fall to Harvard, where he will resume his studies and his teaching. He is now writing a thesis on the pottery industry in the United States.

## CAPTURES BRITISH CHEMISTRY PRIZE

DONALD F. STEDMAN

Word reached Vancouver this morning that Donald Frank Stedman, 1933 Seventh Avenue West, who last year won the principal science scholarship at the University of British Columbia, has been awarded an 1851 London Exhibition chemistry scholarship of £250 a year for two years. He will take up post-graduate research work in the Old Country.

Coming here a few years ago from the Old Country, with their mother, Donald and an elder brother worked their way through university and both proved brilliant students. The brother died in his fourth year of university work during the flu epidemic of 1918. Donald graduated from the university this spring, winning the Convocation prize of \$50 for his year. The 1851 Exhibition scholarship is awarded annually to three Canadian University graduates. This is the first year a U. B. C. student has captured one of them.

## McDiarmid-Costley

Miss Muriel Helen Costley, a former Vancouver girl and graduate of the University of British Columbia, was married on Monday evening at Kamloops, to Mr. Howard Lamont McDiarmid, of Salmon Arm. The bride, who is the eldest daughter of Mr. and Mrs. T. D. Costley, was beautifully gowned in white crepe de chine, crystal trimmed, with which she wore her mother's wedding veil, caught in place with organe blossoms, and carried a shower bouquet of white carnations. The maid of honor was her sister, Miss Doris Costley, who was attired in orchid taffeta with a picture hat to match and carried a bouquet of pink sweet peas. Miss Gertrude Hughey and Miss Rita McLean made charming bridesmaids in gowns of pink and blue satin and striking hats of silver cloth. They carried mauve and pink sweet peas. Miss Margaret Dohm as flower girl wore a dainty dress of white embroidered organdie and carried a basket of rose petals. Mr. Ross Dalgleish supported the groom and the ushers were Mr. George Eddis and Mr. Lorne Best. During the signing of the register, Mr. Eddie Docker sang "My World."

Following the ceremony which was performed by Rev. James Thompson, a reception was held at the home of the bride's parents after which Mr. and Mrs. McDiarmid left for Vancouver and other coast cities where the honeymoon will be spent. Mrs. McDiarmid is a granddaughter of Mrs. Andrew Mundy Goddard, 856 Richards Street, Vancouver.

### SUMMER SCHOOL AT UNIVERSITY OPENS

*World 10.7.22*  
The summer school for teachers at the University of British Columbia opened this morning with about sixty students in attendance. The school this year will carry on into August. This school for teachers has three purposes, first, to assist high school teachers in the more practical aspects of their work; secondly, to assist teachers who wish to qualify for a first class certificate, and third, to provide courses in education for all persons who may be duly qualified to attend them.

### INDIANS AGAIN BEAT VARSITY

*World 15.7.22*  
Although they played the best brand of lacrosse that they have shown this season, the Varsity went down to defeat before the I.L.A.-Squamish team in a senior amateur lacrosse game at Cambie Street by five goals to one, but not before the Indians had known that they had been in a battle. The Indians really only scored four goals, but Cour-Barron, in an attempt to stop a hot shot in the final quarter, deflected the ball past Longman.

H. Baker put the Indians one up in the first period, but Cour-Barron equalized shortly after the opening of the second, with a nice shot. H. George then started on a goal-getting spree and netted two more for the Longshoremen before the period was up. Gus Band made the fourth Indian goal in the third stanza and Cour-Barron gave the victors their four-goal lead in the final frame by his unlucky goal on Varsity.

Longman, in the nets for Varsity, played a wonderful game, saving innumerable hard shots. H. George turned in a good game for the Indians, while Loughie Lewis was checked too tight by Bill Hatch to get going.

Gus Band got the only penalty of the game, a three-minute rest for taking a swipe at Freeman in the opening quarter.

### CAPT. LETSON OF VANCOUVER AMONG WINNERS AT BISLEY

*World 18.7.22*  
BISLEY CAMP, July 18.—Three Canadians figured in the money in the Daily Graphic competition of the National Rifle Association meeting here today. The shooting took place under very changeable weather conditions. One hundred and forty-one prizes were awarded and in the list of winners, Capt. Letson of Vancouver obtained 32nd position. Private J. Lonsdale of Toronto was 94th, and Lieut. A. M. Blackburn of Winnipeg, 114th. Pte. Cameron of Liverpool, and Capt. Perry of the artillery tied for first place in the Daily Graphic match and will shoot off.

The first prize consists of a cup worth £52 10s., and framed sketches worth £10, presented by the Daily Graphic.

Private A. Whitehead of Ottawa had the best score of the Canadians in the Duke of Cambridge match at 904 yards. He scored five bulls, four inners and one magpie, a total of 44.

Other scores included Lieut. A. M. Blackburn, Winnipeg, 41; Lieut. Alex Martin, Calgary, whose face, owing to an abscess, was swathed in bandages causing him to adopt the back position, scored 38; Pte. P. W. Selwood, Vancouver, scored 34; Capt. Letson, Vancouver, 39.

There is a general complaint among riflemen attending this year's meet because of the quality of the ammunition. It varies considerably, it is claimed.

18-7-22

Miss Ethel Harris, who has been taking a post-graduate course at Toronto University, has been awarded a special scholarship from the university for the continuation of post-graduate study. Miss Harris will return to Toronto in the autumn.

### STUDENTS PLAY IN TOUGH LUCK

*World 22-7-22*  
Varsity performed in real senior league style in last night's amateur lacrosse game at Cambie Street, and it was all that Collingwood could do to emerge winners over them by 4 to 2. The score might have been even closer but for the fact that Davy Errington, between the Collie goalposts, proved incincible to numberless shots. Longlen, in goal for Varsity, had an off and on night, being beaten a couple of times by easy shots, but at others turning away almost sure goals.

Just exactly five minutes of the first quarter had elapsed when Bob McCreery ran around and through the whole Varsity defence and scored. Four minutes later Tiffin equalled on a nice bit of combination, but Ems soon put the Suburbanites up again. In the third frame Gus and W. McCreery both counted, giving the Collies a three-goal lead. Money got the "Rah-Rah" boys' second goal one minute before full time.

But for the fact that the Collies had a little the better of the breaks, the Varsity boys might be parading around this morning with a perfectly good win to their credit. Not a penalty marred the proceedings.

The line-ups:  
Varsity—Longlen, Freeman, Speed, Freeman, D. Hatch, Melville, Bentley, Tiffin, Hitchcock, Blair, Money, Stephens, McFee, W. Hatch, Patton.  
Collingwood—D. Errington, W. Bayley, H. Diebel, E. Bayley, J. Nestman, Ward, Ferguson, R. McCreery, Sangster, W. McCreery, Padgum, Ems.  
Referee—Billy Peacock.

### U.B.C. Summer Classes Enjoy Informal Dance

Students attending the summer session of the University of British Columbia enjoyed the initial social event of the session recently when an informal dance was held in the auditorium. The committee in charge of arrangements included Miss Colman, Miss Imlah, Mr. H. Northrup, Mr. G. Wilby, Mr. H. W. Gamery and Mr. G. P. Young.

Those present were Mrs. R. M. Patterson, Miss S. Lochlin, Miss M. Lindsay, Mr. D. C. Ryan, Miss M. Munro, Miss D. Hopper, Mr. N. McLean, Mr. R. J. Munro, Miss Helen McMurray, Mr. H. S. McMurray, Mr. Fred Stevenson, Mr. Joe Kane, Mr. C. A. F. Clark, Miss Helen Reyecraft, Miss Elaine Stratton, Miss A. Smith, Miss Zoe Farrant, Mr. P. E. Cain, Mr. Ombra Hicks, Miss Christiana D. Y. Pitblado, Mr. Carlton Collard, Mr. A. Evan Boss, Mr. C. E. Milley, Mr. and Mrs. F. C. Boyes, Mr. W. Hardwick, Mr. A. S. Towell, Mr. J. S. Buchanan, Miss Annie Taylor, Miss Helen McColl, Mr. Ben Hoskin, Mr. A. Morton, Mr. B. Collis, Mr. J. B. Munce, Mrs. Munro, Mr. P. L. McCreery, Miss Muriel S. Neill, Mr. G. Bruce, Mr. D. Davidson, Mr. G. S. Wilson, Miss E. J. Gibson, Miss C. Gibson, Miss R. E. Turner, Mr. W. Abercrombie, Miss Abercrombie, Mr. H. S. Hurn, Mr. J. K. Keenan.

### S. C. M. UNIVERSITY CAMP

The Students' Christian Movement of the University of British Columbia will open its annual conference at Whytecliff Y. W. C. A. Camp on August 23 to continue until August 29. All girls interested in this conference are asked to communicate with the president, Miss Jessie E. Casselman, 510 Twelfth Ave. West, Fair, 1259. It is further requested that all those wishing to attend the conference should register early.

### Enjoyable Picnic At Bowen Island Held By U.B.C. Summer Class

*World 29-7-22*  
About seventy-five members of the University Summer Session forsook their books on Thursday and enjoyed a splendid day's outing at Bowen Island. Several of the professors and their wives were also members of the party.

Both luncheon and supper were partaken of at the picnic grounds and the afternoon interval was taken up with several sports events, when a particularly interesting and amusing baseball game was staged between the women students and the men, the latter being forced to labor under extreme handicaps. Mr. McCall acted as umpire and has not yet rendered his decision.

During the afternoon a botanical expedition led by Professor Davidson, took a large number of the picnickers into the by-ways of Bowen Island and during the course of two trips circling the island several interesting specimens of animal and vegetable life were collected.

The hearty sing-song indulged in by all members of the party during the return trip was perhaps the most enjoyable feature of the entire day and brought to a close an event which will long be remembered by those who took part in its varied programme.

Responsible for the excellent arrangements and to a large extent for the spirit of good-fellowship which characterized the picnic, were the following members of the social committee: Miss Colman, Miss Imlah, Mr. H. Northrup, Mr. G. Wilby, Mr. H. W. Gamery and Mr. J. P. Young.

### Miss Margaret Lowe To Be Camp Leader

*World 2-8-22*  
Miss Margaret Lowe, western student secretary of the U.S.C. movement will act as camp leader when the U.B.C. branch of the University Student Camp movement opens its annual conference at Copper Cove, Whytecliff, on August 22. Miss Jessie Casselman will be camp convener with Miss Ruby Reilly as secretary-treasurer. The camp will continue until August 29, and it is very necessary that all girls interested in this enterprise should register early. All information will be gladly furnished by Miss Casselman, 510 Twelfth Avenue West, F. 1259, or by Miss Reilly, 162 Thirteenth Avenue West, F. 4207L.

### STUDENTS TO MEET INDIANS TONIGHT

*World 4-8-22*  
Varsity and the I. L. A.-Squamish clash at Cambie Street tonight for the last time this season. Up to now the Rah Rah boys have failed to win a game, but they have high hopes of leaving their impression on the Indians tonight. Rumor has it that Inglis, ex-Elk goalie, will be in the nets for the Redskins, when Billy Peacock starts the teams off at 7.15.

4.8.22

## INDIANS TRIM VARSITY TEAM

The I. L. A.-Squamish lacrosse squad had one of their championship nights at Cambie Street last evening and the Varsity proved powerless before them, the final count being 11-1 for the Indians. It was an entirely one-sided match, with the Longshoremen showing much the better offence and defence through the whole contest. A lone goal by Stevens late in the third period was all that saved the U. B. C. boys from the worst shut-out of the season.

The Baker family predominated in the score column, seven goals in all being gathered in by the bearers of the name. B. Baker and F. Baker each counted twice, while R. W. and H. Baker netted a counter apiece. G. Johnson (2), Lewis and S. Joseph were the other scorers for the Redskins. Not a penalty was issued by Referee Billy Peacock.

### The Line-ups.

Squamish—A. Jacks, B. Baker, G. Johnson, W. Baker, M. Josephs, A. Mack, L. Lewis, R. Baker, F. Baker, G. Band, H. Baker, S. Josephs and A. Guss.

Varsity—Longman, Freeman, W. Hatch, Hatch, Hitchcock, Paton, Blair, Bentley, Money, Egerton, Tiffin, McPhee and Stephens.

5.8.22

## COLLIES RUN UP BIG SCORE ON COLLEGIANS

Collingwood almost duplicated the Indians' defeat of last Friday in which the Redskins beat Varsity 11 to 1 by running in eleven goals themselves at Cambie Street last night on the Rah Rah boys, but they let the opposition get through for four goals. The Collies are still one game behind the league leading Longshoremen, with a replay of a tied game to be played off between the two teams.

Gorman and Ems were the pick of the Collies last night, both men notching several counters and backchecking well. It was the last scheduled game of the year for Varsity and they have turned in a more or less record during the season by dropping every league game. W-8-8-22

## Students Are Guests At President's Home

A large number of students in attendance at the summer session of the University of British Columbia enjoyed the delightful hospitality of President and Mrs. L. S. Klinck, Thirteenth Avenue West, on Friday afternoon. The faculty of the summer school was also well represented, and many members of the Vancouver public and high school teaching staffs were among the guests who were received by the host and hostess, assisted by Mr. G. P. Young of the summer session social committee.

Among those present were: Dean H. T. J. Coleman and Mrs. Coleman, Dr. Mack Eastman, Mr. S. D. Moody, Miss A. Herd, Miss J. Skinnings (Victoria), Miss E. Wilby (Victoria), Mrs. T. C. Hebb, Mrs. E. H. Archibald, Mrs. W. F. Seyer, Dean Hagerty and Mrs. Hagerty (Minnesota), Mr. Morrissey, Miss Arland, Mr. D. L. McLaurin, Mrs. R. W. Ashworth, Dr. Boggs, Dr. Walker, Mr. A. Sullivan, Mr. Manzer, Dr. Hutchinson, Prof. John Davidson, Mr. C. H. Gray, Mr. Steeves, Miss Elsie Ireland (Cloverdale), Miss Dorothy Hardwick, Miss Maud Allen, Miss Phyllis Lee, Miss Vera Marshall, Mr. S. Moore, Mr. D. J. Anderson, Mr. L. Northrup, Mr. H. S. Hurn (Victoria), Mr. J. K. Keenan (Queens), Mr. N. Weston, Miss Reyecraft, Mr. and Mrs. Chapman (Ocean Falls), Mr. Anderson, Miss Lefevre, Miss R. Johnson (Vernon), Miss Florence Urquhart, Miss A. A. Pierce, Miss M. Lanning (Ladner), Miss M. E. Shannon, Mr. Ferguson, Mr. G. H. Scott, Miss Brown (New Westminster), Miss Jeanette Greig, Miss Elaine Stratton, Miss McCarthy and Miss Imlah.

## U.B.C. Summer Session Holds Informal Dance

Another jolly social function was enjoyed by the members of the U. B. C. Summer Session on Friday evening when a very successful dance largely attended by the students and their friends was held in the auditorium. The social committee consisting of Mr. H. Northrup, Mrs. G. Young, Miss Laura Imlah, Miss Colman, Mr. G. Wilby and Mr. H. W. Gamery had made every provision for the enjoyment of the guests and a dainty buffet supper was served.

Among those present were Mr. W. R. Johnson, Miss Phyllis Lee, Mr. A. Stowell, Mr. and Mrs. W. R. Payne, Mr. A. E. Ross, Mr. A. J. Keenan, Miss Zoe Farrand, Mr. A. Turnbull, Miss Laura Imlah, Miss Vera Marshall, Miss Helen McColl, Miss C. D. Pitblado, Miss C. Gibson, Miss E. J. Gibson, Miss Helen D. Neill, Mr. W. R. Gunn, Mr. J. B. Munro, Mr. B. Collis, Mr. W. Abercrombie, Mr. C. A. F. Clark, Miss Annie Taylor, Miss Joan A. Ritchel, Mr. H. S. Hurn, Mr. Fred Stevenson, Mr. E. Buchanan, Mr. H. Gough, Miss Elaine Stratton, Miss H. Reyecraft, Mr. Carlton Colard, Miss Ombra Hicks, Mr. and Mrs. A. A. Chapman, Miss Ruth E. Lyness, Mr. D. Lyness, Mr. N. D. Fletcher, Miss Maud Allen, Mr. G. P. Young, Miss Brenda Smith, Miss M. Derbyshire, Miss Doneen Ryan, Mr. Joe North, Mr. H. Northrup, Miss Florence Brown and Mr. Wilfred Brown.

## University Girls Leave for Outing

About 20 University girls left today for the Y. W. C. A. camp at Copper Cove, Whytecliff, to enjoy the annual camp conference of the University Student Christian Movement. Miss Margaret Lowe, western secretary, will act as camp leader and an interesting programme of recreational and educational activities will be enjoyed.

Two prominent Vancouver women, Dr. Jean Carson, general secretary of the Vancouver Y. W. C. A. and Miss Ethel Johns, in charge of the department of nursing at the University of British Columbia, will be among the speakers, Miss Johns' address being scheduled for Friday evening. "The Field of Modern Nursing as an Opportunity for Young Women" will be the theme of Miss Johns' lecture and special attention will be paid to the combined course in nursing now offered by the University of British Columbia in conjunction with the Vancouver General Hospital.

Miss Jessie Casselman of Vancouver is the convener of the camp and Miss Reilly is acting as camp secretary.

22.8.22

## U. B. C. Graduate And Bride-Elect Honored

Miss Helena Bodie, whose marriage to Mr. A. W. Whitmore will take place on August 31, was the guest of honor at a smart luncheon given by Mrs. Paul Nicholson at the home of her mother, Mrs. Charles Macdonald, York Street, on Monday. Covers were laid for nine, the other guests including Mrs. E. T. Price, Miss Isobel Bodie, Miss Stella McGuire, Miss Bonnie Clement, Miss Burnie Cameron and Mrs. de Wolf of Seattle. Many of the guests were class-mates of Miss Bodie at the University of British Columbia and members of Arts '18.

## PASS LIST AT SUMMER SCHOOL OF UNIVERSITY

### Many Students Are Successful in Short Course for Teachers and Others

Results of the summer school at the university were announced this morning. The school was principally for teachers and the calendar provides that successful students, properly matriculated, may obtain standing in first and second years of the university for their work. It takes several sessions of the summer course to complete a course for either of these years, but every session counts.

The following are the results as accepted by the faculty of arts and science at its meeting this morning. The names of students coming equal are coupled by "and." First class standing, 80 per cent or above; second class standing, 65 to 80 per cent; pass standing, 50 to 65 per cent.

#### Biology 1 (a).

First class—G. T. Evans, Elizabeth J. Gibson.

Second class—Elsie L. Wilby, R. W. Ashworth, G. H. Scott, H. W. Gamey. Pass—Clara M. Rigney, H. T. Gamey, D. McIntosh, Helen M. Black and Margaret E. Cartwright.

#### Chemistry 1.

First class—Vera F. Marshall. Pass—Phyllis J. Lee, Maude A. Allen, S. B. Clement, K. A. Creery and Dorothy W. G. Hardwick and G. H. Scott.

#### Economics 1 (a).

First class—P. E. Cain. Second class—A. S. Towell, C. E. Somerville, R. G. Sprinkling, H. C. Gilliland. Pass—A. Turnbull, H. S. Hurn, A. Graham, J. M. Buckley, F. C. Boyes, E. B. Broome, J. C. P. Boyes, H. L. Brown, H. W. Gamey and L. E. Morrissey.

#### Education 1 (a)

First class—T. W. Woodhead, S. F. M. Moodie. Second class—R. W. Ashworth. Pass—R. P. Steeves, H. E. Patterson, J. Clarke.

#### English 1 (a) Literature

First class—Ada L. Pirie, Margaret E. Cartwright, R. C. Sprinkling. Second class—Elizabeth J. Gibson, H. C. Gilliland and Alice M. Lewis, Agnes Herd and G. H. Stocks, H. S. Patterson, Janetta M. Skillings and Thora S. Thorsteinsson, Margaret Lawrence, C. McDougall, W. H. W. Hardwick, H. L. Brown, J. G. Davy. Pass—W. E. Boyes and A. Graham, Elizabeth J. Laffere and D. McIntosh, Ruth E. Turner, C. L. Thornber, Ruth Gordon, L. Mary Barton, Margaret C. Kay.

#### English 1 (a) Composition

First class—Margaret E. Cartwright. Second class—H. C. Gilliland, Agnes Herd, Elizabeth J. Gibson and Margaret Lawrence, Janetta M. Skillings and Ada L. Pirie, W. E. Boyes, C. McDougall and G. H. # UNIVERSITY TO OPEN THIS MONTH

Many Students From Outside Points to Attend—Siberia Represented

Signs of the commencement or fall activity at the University of British Columbia are in evidence on Twelfth Avenue West this week. The registrar reports that applications for registration are commencing to come in in earnest, over 150 having been received lately.

The general office was crowded on Wednesday with young people, many of whom wore a strained and sorrowful look on their faces. It was explained that they were making inquiries in regard to the supplemental examinations which are to commence on September 13, when examinations in all the years of the various faculties, as well as the junior and senior matriculation will commence.

One feature of the early activities of the academic year is the extreme distances from which many applications for admittance are being received. One small batch on the registrar's desk contained applications from Siberia, England, California and all the Canadian provinces.

The fall term commences September 26 and the last day for registration is September 22.

2.9.22

# ART LORD LEAVING SOON FOR TORONTO

Bert Tennant was elected secretary pro tem of the B. C. A. A. U. at a meeting held last night. Art Lord, who held the office, goes east on September 18. A permanent secretary will be appointed at the annual meeting the end of the month.

Mr. Lord, who has been prominent in athletics with Varsity for some time, should make an impression on the ruggers and those in other lines of sport at Toronto where he will attend college during the coming year.

# I. O. D. E. GRANTS FOUR B. C. SCHOLARSHIPS

Four British Columbia children of disabled or fallen soldiers have been awarded scholarships which will enable them to go through the University of British Columbia. The prizes are I. O. D. E. educational scholarships, and this province was fortunate in securing four instead of two, owing to the absence of applicants from some of the other provinces. The successful applicants are Miss Annie Blatchford, 734 Nineteenth Avenue East, entering U. B. C. from King Edward High School, whose father was killed in France in 1917; Sheila Phipps, 121 Third Avenue New Westminster, formerly of Duke of Connaught High School, New Westminster, whose father was also killed overseas in 1917; Anna E. Price of Vernon, whose father was killed in action, and Frank Levirs of Victoria, whose father was disabled overseas.

# REMOVE U.B.C. TO PT. GREY THEIR AIM

Students, in Campaign to This End, Secure 16,000 Signatures.

Further progress is reported in the student publicity campaign being waged by members of the Alma Mater Society of the University of British Columbia with the object of securing the removal of the institution to Point Grey. A large number of petitions have been received during the past week, the total signatories now being Mr. Lyle Atkinson of Arts '25 who, with a number of other New Westwell over 16,000.

minster students, conducted an active canvass of visitors at the Provincial Fair in the Royal City last week, has reported to the secretary of the campaign that 2900 signatures were secured. Two booths were established by the University students and the objectives of the campaign explained.

The campaign committee is receiving the whole-hearted support of many organizations, including the service clubs, the Women's Canadian Club, the Women's Educational Club and the Law Society of British Columbia. At recent meetings of the service clubs and the two women's organizations, the petition was circulated and many signatures secured. The Law Society will discuss the matter at its meeting next month.

A meeting of the campaign committee will be held on Saturday evening in the offices of the Students' Council at the University, when Mr. A. E. Richards, president of the Alma Mater Society, will be in the city. Many students have returned to Vancouver in preparation for the opening of Varsity on Tuesday, September 26.

Plans for the further activities of the campaign will be discussed at the meeting and arrangements for tours of student speakers throughout the province commenced.

# FOUR VARSITY TEAMS TO PLAY

Rah Rah Boys Hard At Work Developing New Material—Freshmen Out Saturday

Varsity will be represented by four different teams in the inter-city and city rugby this year. They are a McKechnie Cup, Miller Cup and two intermediate league teams, one of which will be entirely composed of Freshmen. The Rah-Rah boys have been practicing regularly and are rapidly getting into shape. Strathcona Park is being used by the teams at present for the preparation work.

At 10 a.m., Saturday, a practice of the Freshmen intermediate team will be held at which all candidates for the team are urgently asked to be present. All former members of the Miller and Province Cup teams are asked to be out Saturday afternoon at 3 o'clock together with any new players interested in these teams.

# Varsity Track Team Will Invade Prairies

## Plan to Compete With Universities of Winnipeg, Alberta and Manitoba—George Goulding Coaching Boys and is Finding Much Promising Material

University track enthusiasts are looking forward to a big year at 'varsity this year. The track stars of last year are losing no time in getting down to training, and a lot of new material is to be brought out. The 'varsity track club is fortunate in having George Goulding, world's champion walker and well-known athlete, coaching the team.

The 'varsity meet takes place in the latter part of October, hence the athletes have only a month to get into shape, but many have been training during the summer, and many old records should fall this year.

Ernest Hope, president of the Varsity track club, says he expects that a team will go to Winnipeg this year to compete against the Universities of Alberta, Saskatchewan and Manitoba in their intercollegiate meet held every fall. Last year the local varsity took in their first intercollegiate track competition at Washington. They were decidedly outclassed by the American colleges, who have more up-to-date and specialized methods of training, but at Winnipeg the U. B. C. boys should make a good showing.

Unfortunately Livingstone, Arts '24, Varsity star sprinter, will not be seen in action this year owing to ill-health. His absence will be keenly felt as "Livy" was about the best sprinter at

Varsity. Les Buckley, agriculture middle distance runner, is on deck again this year and should make a good showing, especially in the half-mile, which is his speciality.

Hope and Rae, both milers, are also reported to be in good shape for the coming season. "Buck" Buchanan, Varsity all-around star, is training hard and should make some good marks this year.

There is some doubt as to whether Hughie Russell, of Agriculture, star high jumper, will be at Varsity this year.

There are quite a few "dark horses" in the freshman class this year and with the expert coaching of Goulding should develop into something.

## RECORD STUDENT BODY AT U. B. C.

With 1100 students as compared with 1014 last year, the University of British Columbia will commence its sessions tomorrow. Returning students are today crowding the university halls renewing the friendships of last year, while new students are arranging classes. Nearly all the students from outside points have already registered.

Dr. R. E. McKechnie, the chancellor, and President Klinck and the deans of faculties will address the students during the opening ceremonies at 9:15 tomorrow.

President Klinck reports that there will be few changes in the university buildings this year and that the curricula will remain unchanged. The board of governors tonight will make a few appointments to complete the teaching staff.

## SIXTY VARSITY RUGGERS OUT

### Freshmen Give First Workout by George Thom—Material for Good Team

Varsity held their first real rugby practice yesterday and over sixty players turned out to boot the pigskin around. This does not include the McKechnie Cup team, and it is expected when all the men are out there will be at least a hundred or a hundred and twenty players. The boys were practicing on two separate grounds yesterday, the Miller and Province Cup teams working out on Strathcona Park under the supervision of Gord McLaohlan, while George Thom put their paces at Heather Park. Pickup games were staged at both fields following which the three quarters were given some lessons in tackling, falling on the ball, punting, passing and running with the ball while the scrum men worked formations and dribbled.

As to the strength of the teams nothing is definite as barely half the men have turned out to date. The form of the players will change considerably from now until Saturday. One thing is sure, however, that is the selection committee who choose the teams will have a difficult task because of the numbers of players turning out.

Both the first and third division soccer teams had a workout yesterday and, although the showing of the latter was not so good, high hopes are held for the possibilities of both squads. The seniors face St. Andrew's Saturday and have been working hard trying to whip the team in shape for the occasion. The team will probably line up as follows. Goal, Mosher; left fullback, Baker; right fullback, Crute; left half back, S. Saye; centre half, Buckley; right halfback, Cant; outside right, Rex Cameron; inside right, McLeod; centre forward, Lundie; inside left, Jackson; outside left, Embry.

Of these all but two were members of last year's eleven, Cant at right half and Embry at outside left being the new players. Saye at left half-back will, however, only be playing one or two games as pressure of school work will make it difficult for him to play and he is only filling in until a new player can be found to take his place.

The third division squad is more or less disorganized, but Manager Heck Cant is working hard in lining up material and expects to have a team capable of holding its own with any team in the league by Saturday, when they play their first game.

## U. B. C. STUDENT CLIMBS ROCKIES ON MOTORCYCLE

### C. Wolfe-Jones Has His Food Stolen by Bears While Sleeping in Wilderness

Climbing the Rocky Mountains on a motorcycle, speeding over bumping roads, facing death when falling over a bank, and having his "grub" stolen by hungry bears when sleeping in the wilderness, Cecil Wolfe-Jones, agricultural student of the U.B.C., arrived in the city this morning with the story of an adventurous journey from Olds, Alta., to Vancouver, a distance of 1,000 miles.

Wolfe-Jones left Olds September 18, and visited Macleod, Creston, Spokane, Ellensburg, Everett and Langley Fort en route. He travelled at an average speed of 17 miles, and tried to speed on the paved roads in order to be in time for the beginning of the fall term.

## INTERCOLLEGIATE RUGBY FAVORED

### U. B. C. Ruggers Oppose Admission of Cowichan in the Rounsefell Cup Series

At the meeting held by the Rugby Club of the U. B. C. yesterday noon the club went on record as being opposed to the admission of Cowichan to the Rounsefell cup series. On the other hand the Varsity ruggers are anxious to see English rugby get a start in the University at Edmonton in the hope that inter-collegiate games may be staged and will give all the support possible to this northern college. Val Gwyther and Gord McLaohlan were elected as delegates for the Varsity to the B. C. R. U.

As regards the control of all inter-provincial and extra games by the B. C. R. U. the meeting was of the opinion that this would be a good thing if the B. C. body were only on a sounder financial basis and in the meanwhile will stay with the old plan in which the Vancouver R. U. controls these games.

It was decided to have a captain, vice-captain and committee of two, one of whom will be a McKechnie cup player to supervise the Millar and Province cup teams. These will be appointed later. The color of the sweaters for the Freshman intermediates was also decided on during the afternoon. They will be the same as the other Varsity rugby sweaters with the exception that a six-inch band of green will be around the chest under the arms.

It is also planned to engage, if possible, a doctor to attend all the 'sity games.

# Varsity Beats Champs Students Spring Surprise

## St. Andrew's Lose to Rah-Rah Boys by 3 Goals to 1—An Encouraging Start

## South Hill Trims Cottagers—No Score in Other Three First Division Teams

The Varsity soccer team justified their elevation to the first division of the Vancouver and District League at Athletic Park on Saturday when, in their first game of the season, they inflicted a severe defeat to St. Andrew's by a score of three goals to one, after being a goal down to within five minutes of the close.

To defeat the champions of the province, who went through the whole schedule of the V. and D. League last season without tasting defeat, in their first turnout and taking into account the fact that the Saints had already participated in two rounds, is a feather in the caps of the dashing young students who have only to keep up Saturday's form to assure themselves of a high position in the league throughout the season.

There was no fluke about the victory either, for, although the Saints scored the opening goal half way through the second half and looked like adding more goals on several occasions, the students had three-fourths of the play in the opening period.

Borland and Colvin, however, put up a stiff resistance and were successful in keeping their lines intact until the cross over when neither team had scored.

### Second Half

The game was resumed in a deluge of rain and the ground and ball became so slippery that effective footwork was impossible. The conditions appeared to affect the Varsity more

than the Saints, who kept the play pretty well confined to the students' end. Greig was playing nicely for the Saints and came near scoring on several occasions, while Freddy Wilson and Forrest were conspicuous on many raids on Mosher. The latter, however, was playing finely and defied all efforts of the Saints' forwards until a fast cross drive from the right wing rebounded off his body to the feet of Greig, who promptly banged the ball into the rigging for the opening goal of the game.

The Saints held the upper hand until five minutes from the end, when the students made a wonderful rally and with a beautiful drive McLeod beat Delcourt to tie up the count. Within a couple of minutes Lundie banged on the winning goal and before the cheering had died down McLeod broke through and beat Delcourt for the third time.

### Line-up

Varsity — Mosher, Baker, Crute,

Buckley, Say, D. Emery, Cameron, McLeod, Lundie, Jackson and J. Emery.

St. Andrews—Delcourt, Borland, Colvin, Dryborough, McKay, Reid, Forrest, Wilson, Shillingford, Greig and McGuggan.

Referee—Clifton.

### Sapperton Lucky.

Sapperton were lucky to earn a point in their league game with Kitsilano on Saturday, only the splendid saving of Sandford in goal preventing the Kitsies from registering on several occasions, the game ending a scoreless draw.

Kitsilano were infinitely the superior team in all divisions except goal, where Sandford had ten times more work to do than McBride, who was never really seriously tested. The Kitsilano forwards could do everything but score, their play was really good in the outfield, but their shooting, luck and Sandford were against them. They certainly had the cruellest of luck, the ball hitting the upright once in the first half and twice in the latter period and rebounded into play on each occasion, while Gemmill and Husband had shots which missed by inches only.

Sapperton has a young team with a lot of new faces, but the players were inclined to be selfish and their play lacked sting and cohesion. Kitsilano played good soccer throughout, but lacked the finishing power.

### Lineups.

Sapperton—Sandford, Cheal, Calbert, Cross, Landin, White, Gardner, Wood, Hart, Doyle and Bryndleson.

Referee—Bowler.

# Varsity Tennis NEARING FINALS

Several interesting matches were played in the Varsity tournament at the Laurel club's courts yesterday. In the men's singles Arnett beat MacPherson in straight sets and Cassidy accounted for Henderson in a like manner. One of the features was the match between McKay and Gray, the second set of which went to 22 games before McKay secured the verdict.

Following are the results of the day's play:

Men's singles—Arnett beat MacPherson, 6-3, 6-0, 6-3; Cassidy beat Henderson, 6-3, 6-3; Hincks beat Bull, 6-1, 6-1; McKay beat Gray, 6-1, 12-10; Say beat Miller, 6-2, 2-0; Kerr beat Miller, 6-1, 7-5.

Men's doubles—Bell and Greggor beat Arnett and Richardson, 6-2, 6-4; Kidston and Taylor beat Adams and Palmer, 6-2, 6-2; Baker and Munro beat Woodard and Richardson, 6-1, 6-2; Baker and Munro beat Etter and Partner, 6-3, 6-2, 7-5.

Ladies' doubles—Misses Creelman and Bickell beat Miss Whalen and Partner, 2-6, 6-3, 6-3; Misses Castell and Wright beat Misses Smith and Lyne, 9-7, 8-6; Misses Tatlow and Kloefer beat Misses King and Peers, 6-3, 6-0; Misses Murray and Newcombe beat Misses Kirkpatrick and Thurston, 3-6, 6-0, 6-4.

Ladies' singles—Miss Kloefer beat Miss Kirkpatrick, 6-3, 6-4; Miss Rowan beat Miss Lee, 6-1, 6-4; Miss Creelman beat Miss Greggor, 6-0, 6-3; Miss Smith beat Miss Jones, 1-6, 6-2, 6-4.

Mixed doubles—Miss Archibald and Evans beat Miss Rowan and Turnbull, 3-6, 6-4, 7-5.

# Varsity Hoop TEAM IN ACTION

## Initial Workout of U. B. C. Basketballers Shows Much Good Material

At the Normal School gym. last night the Varsity basketball team had its first workout. A large number of hoop enthusiasts were present and from all appearances the indoor game is to be very popular at Varsity this year.

Les Bickell, the captain, said that as yet he had not secured a coach but he expected to have a capable one out for the next practice on Thursday.

An intermediate team was picked with an age limit of under eighteen and from all appearances should make a good quintette, as they trimmed a scrub team of the seniors rather easily.

Harvie, formerly of North Vancouver High School, showed up well at centre for the intermediates. The senior teams have not been picked yet, but there is no doubt that Lewis, Carlisle and Bickell will easily make it on their last night's showing. But there was another likely-looking material present and as soon as Bickell gets a line on them, and they have a little coaching, they should do well in the hoop game.

## Varsity Track Men To Talk Over Plans

### Question of Finances and Best Time to Hold Meet to Be Discussed At Important Meeting Tomorrow Noon — Livingstone Will Run If Meet Is Held in the Spring

The organization meeting of the Varsity Track Club will take place at noon on Wednesday in the physics lecture room. President Ernest Hope will preside and will outline the plans for track for the Fall season. The problem which the Varsity boys will have to solve is that of raising funds with which to finance the proposed trip of the track team to the prairies. On account of the students' publicity campaign the student activities have to be cut down as regards expenses along both athletic and social lines.

Although the track men have not yet held any trial meets, as the university meet will probably not take place until the spring this year, the strength of the track team is as yet an unknown quantity. It is known, however, that the university will be exceptionally strong in the distance events. Such athletes as Hope, Rae, Buckley and Blair excel in these events and if the team goes to the prairies these men should make an excellent showing.

In the sprints, Garrett Livingstone will not be running, but if the meet is not held until the spring he may be able to get into shape and compete. Pete Palmer, of Arts '25, should make a good showing in the sprints as he

is exceptionally strong in the quarter which he won handily last year.

Hughie Russell, the Varsity star high-jumper, has come back and is already in practice. He is clearing the bar regularly at 5 ft. 6 in. and over. It is proposed to ask Dr. Bricker to give exhibitions in pole vaulting for the benefit of the boys as there has been little development in this line in former years. Two or three men will make an effort to specialize in this event to round out a team.

Cliff Mathers has been working hard this summer with the discus and has sent it out over 100 feet on several occasions. Buchanan is making the best showing with the shot. He is an all-round man and last year he collected a total of 18 points for the individual championship.

## VARSIITY HOCKEY CLUB IS ACTIVE

### Organization Elects Officers for Season—May Not Have Senior Team

At a meeting held yesterday afternoon the University Hockey Club had their first meeting of the season and the officers were elected for the forthcoming season as follows: J. McCutcheon, president; J. McPherson, vice-president; G. Demidoff, secretary; H. Morgan, treasurer; W. Dowell, hon. president.

President McCutcheon addressed the meeting and stated that it was impossible as yet to do anything as he was not sure of the material. It was doubtful whether the team was strong enough to enter senior company.

Last year the Varsity fielded an intermediate team and made a fair showing, being runners-up to the Bluebirds. McCutcheon said he thought that the team was a little stronger this year, but until a coach was obtained and a few workouts held he could make no definite statement as to which division they would be in.

## 14-10-22 VARSITY INTER-CLASS SPORTS WILL COMMENCE OCTOBER 22

The inter-class sports will be held again this year at Varsity, commencing on Monday, Oct 22, with the tug-of-war event. There will be a series of events succeeding one another throughout the term and the various years will compete one against the other.

At the end of the year the class that has collected the greatest number of points gets a handsome cup donated by the board of governors.

Science '23 won the trophy last year, and from all appearances should make a good showing this year. There are nine classes competing all together, Arts '26, '25, '24, '23; Science '26, '25, '24, '23; and agriculture.

Basketball will take place immediately following the tug-of-war and it is also planned to have boxing included in the fall term with the other events.

## Soldiers Trim Hillmen Sapperton and Varsity in Draw

### Veterans Hand South Hill Whitewash, Scoring Six Goals in Saturday's Feature Soccer Match—Students and Sapperton Break Even—Sandford Is Star in Goal

Completely outplayed almost from start to finish, the South Hill eleven sustained their first defeat of the season at the hands of the Veterans, who shut them out by a score of six goals to zero at Con Jones' park on Saturday afternoon. The Vets simply smothered every effort of the Hillmen to get in close to their citadel and launched attack after attack which their opponents were powerless to resist. The game was witnessed by a big crowd of soccer enthusiasts and, although the game was one-sided, the interest was keen throughout. The Hillmen had hard luck on two or three occasions and a score of about six to two would have been a fair indication of the play.

Superior teamwork was largely responsible for the victory of the soldiers. On the other hand the back line of the Hillmen played too close to the Veteran forwards and when an opportunity came the latter usually succeeded in getting away from their checks. The cross-bar robbed the Hillmen of one goal and a chance to break the goose-egg in the first period when Campbell's kick from a penalty hit the wood and missed the goal when the Veterans' goalie hadn't a chance in the world to make the save.

Play had been in progress over twenty minutes before the Veterans notched up the winning counter. It came when Roberts shot across a neat pass to Bob Forgie. The latter beat Robertson with ease. Two more tallies were added in quick succession by Nairn before time was called.

The Hillmen had the Veterans scratching to break up their attack for a spell after the interval and it was not until fifteen minutes of play had transpired that Smith scored for the Veterans on a well-placed shot. Nairn followed a couple of minutes later with the fifth counter and a few seconds before the final whistle blew. Kerr made it six on one of the most spectacular pieces of individual work of the game.

Sapperton sprang a surprise in First Division soccer circles last Saturday at Powell street grounds, when they held the fast stepping Collegians to a one-all draw. The game was in the main fast, but both teams showed poor judgment in kicking the ball and keeping it down, the Varsity eleven were not seen to advantage in this game, all the team were decidedly off form.

Varsity started off with a rush in the first half and after about ten minutes of play McLeod bulged the net for the students. Sapperton did not appear much in the picture in the opening stages and it looked as if it were to be a one-sided competition, but during the middle of the first period during a scramble in front of the Varsity goal area one of the Varsity halves misjudged his kick and tied the score.

This seemed to put lots of pep in the Sapperton team and from then on they played better soccer. On the other hand the Collegians went up in the air and seemed a little to anxious to score and the forwards missed some golden opportunities and this, combined with the stellar play of Sanford, the net minder of the suburbanites, was all that kept the students from winning. Mosher in goal for the "rah rah" boys had little to do, but he appeared to be about the only man on the team that was up to his usual form.

In Third Division the St. Saviour's were too much for the Varsity second team who emerged on the short end of a 7-2 score. The St. Saviour's eleven had the game well in hand at all stages. The losers were handicapped by the absence of Cant and Wilkinson, two of their forwards. Next week the Collegians should make a better showing as they will probably be better organized by that time. They have at present dropped three straight games but may pick up later.

Negotiations with a view to staging an inter-collegiate tennis tournament between the stars of the University of British Columbia and the University of Washington are under way and if the plans of the Varsity racquet wielders do not miscarry, a local team will visit the American college on Oct. 21. Miss Helen Tatlow, representing the sport for the University, is expecting word from the Washington college during the week-end. If the plan to send a team south is carried out the following would in all likelihood represent the local institution: Misses Tatlow, Kloefer and Robson; Messrs. L. Baker, T. Turnbull and Hinks. Mrs. Boving will probably be in charge of the party.

### Improved Brand of Rugby on Tap for Fans At Point—Varsity Loses By Single Try—Rowing Club Score Twice Against Bankers—Commerce Wins Intermediate

Another surprise was handed to rugby fans at Brockton Point on Saturday afternoon when the supposedly weak Commerce team only gave up before the Rowing Club after a battle in which they fought every inch of the way. As in last week's game Commerce scored first. Just before the end of the first period, Wilkinson picked the ball from a loose scrum on the Rowing Club's four-yard line and went over. Hal Gwyther failed to convert although he made a nice attempt from a difficult angle.

Going into the second half three points down, the Oarsmen fought for all that was in them, and after several attacks, which Goodacre usually relieved with a hefty boot, Mark Grimmett kicked a beauty to touch, which all but hit the flag at the Commerce end of the field. Decker went over from the throwin. The try was not converted.

A little later Thom dribbled down from the center of the field till almost over the Commerce' line and then Goodacre fell on the ball only to have it slip from his hands. Hess picked it up to go over. Thom converted. This game was featured by the splendid kicking of Goodacre, full back for the Commerce, who time and again relieved with beautiful kicks to touch all through the game.

#### Intermediate Games.

Varsity Third team and the Bank of Commerce were the winners in the intermediate rugby fixtures at Bridge Street grounds on Saturday afternoon. In the case of both games the scoring took place in the last half.

A touchdown, which was converted, was responsible for the five points scored against the Varsity Freshmen late in the final period of the game.

The second game brought out the best rugby of the card. Both teams battled hard and some nice runs were to be seen. In the last period "Bruiser" Downey broke away and scored a touch down, but failed to convert.

NANAIMO, B. C., Oct. 16.—Lady-smith scored a 2 to 1 victory over Merchants United (Nanaimo) soccer team at Nanaimo Sunday afternoon.

In two hard and well fought games, Native Sons bested Varsity 8-5 and the Rowing Club defeated Commerce 8-3 in the senior division of the Vancouver Rugby Union Saturday at Brockton Point. Both winners came from behind to carry off victory, and by doing so maintained their winning streaks started a week previously. The losers led at half time in both games, but failed alike to keep up a winning stride. The play of both Commerce and Varsity was greatly improved over that of the opening Saturday.

After a sustained attack by the Rah Rah boys in the opening period of the Varsity-Native Sons game, Cam Stewart of the Sons took a pass back from a loose scrum on his own five-yard line, and in an attempt to boot to touch kicked square into the hands of Gregg, who made a beautiful stop and catch. The latter went over the Sons' line easily for the opening tally of the game and Plummer converted. Almost the entire period was played in the Sons' half, although their defence held well.

Starting the second period the Native Sons lead off with a rush which soon had the Varsity pinned behind their own 25-yard line. Great defensive work by the Varsity backs saved the game several times.

Three times in all did the Sons cross the line before they scored, and then Cam Stewart went through from an intercepted pass on Varsity's 25-yard line and, eluding several tackles, placed the ball squarely behind the posts. Cann easily converted, tying the score. Before the score George Box went over, only to have a knock-on called. Al Russell hit the goal-post when he seemed through and Jack Tyrwhitt went over, but Varsity managed to get a touch back. George Box broke his finger in this period, but finished the game.

Following the kickoff the Sons were soon pressing again and a pretty three-quarter run in which Waters sent a long pass to Jack Tyrwhitt enabled the latter to go over. Cann failed to convert. No further score resulted.

# Announce Draw For Inter-Class Contests

## Tug-of-War Will Be Opening Event On Monday, With the Feature At Noon, When Last Year's Champs Pull—Basketball Matches Follow Immediately After

Starting on Monday with a big tug-of-war the various classes of the University of B. C. will engage in the annual inter-class competitions. Nine classes will be competing and in addition to the tug-of-war there will be contests in basketball, hockey, rugby, soccer and, in the spring, track and field events.

The draw for the tug-of-war is as follows:

Monday, Oct. 23, 12 p. m.—Arts '24 vs. Science '26; Science '23 vs. Science '24; Arts '26 a bye.

Tuesday noon—Science '25 vs. Arts '25; Agriculture vs. Arts '23; Arts '26 vs. winners of Science '23 and '24.

Semi-finals and finals Wednesday and Thursday.

The feature pull should be Monday noon, when Science '23, last year's winners of the tug-of-war, pull last year's runners-up—Science '24. The two heaviest teams will hence meet in the first round.

The draw for basketball, which will

follow immediately after the tug-of-war, is as follows:

Arts '24 vs. Arts '26; Arts '25 vs. Arts '23; Science '26 vs. Science '25; Science '24 vs. Science '23; Agriculture a bye.

The draws for rugby and soccer were also made, which are to take place in the spring term as follows:

Rugby—Arts '25 vs. Arts '23; Science '26 vs. Arts '26; Science '24 vs. Agriculture; Arts '24 vs. Science '23; Science '25 a bye.

Soccer—Arts '24 vs. Arts '25; Science '23 vs. Science '26; Science '24 vs. Science '25; Arts '23 vs. Arts '26; Agriculture a bye.

## WILL DEDICATE CAIRN "TO GLORY OF ALMA MATER"

Next week is to be Varsity Week. The plans were arranged some time ago by the Students' Council of the University of B. C. and on Friday were formally adopted by the student body. Throughout Varsity Week the students will conduct a campaign to make the public not only of Vancouver but of all British Columbia better acquainted with the needs of the Provincial University and to obtain their support for the removal of the University to the permanent site in Point Grey. During the past six months over 18,000 signatures of voters have been secured to the petitions which have been circulated. During the coming week Vancouver and District will be systematically covered and all those who have not already signed these petitions will be asked to do so. On Saturday, October 28, the entire student body will participate in a stupendous parade. This parade which will start from the Georgia Street viaduct at 12:30 p.m. will consist not only of the students but will contain also a number of floats decorated by the different faculties and other organizations within the university. After marching through the main streets a number of special cars will convey every one to the end of the car line. From there a pilgrimage to the site in Point Grey will be undertaken. Here the students will dedicate a huge stone cairn "to the glory of the Alma Mater." This is now in the course of construction.

## "WE'RE PACKED; LET'S MOVE," IS U. B. C. SLOGAN

**W 24.10.22**  
"We're packed; let's move." This is one of the slogans the 1200 University of B. C. students, now crowded into frame buildings in Fairview, are using to have the permanent buildings at Point Grey started. Their drive to expedite the movement, which started with the circulation of hundreds of petitions, is reaching a climax this week. Stencilled signs, "Build the University," appear on the sidewalk at nearly every down-town street corner; individual students and groups of them hold up people with arguments and plans are reaching maturity for a giant pilgrimage to the "promised land" on Saturday. A special number of the "Ubyyssey," organ of the students, penetrated unusual corners today. Topping the editorial column is the warning: "If success does not greet the students at once, the campaign will still go on and public opinion will force the government to build the university." A round-up of homes will be made on Wednesday afternoon, a half holiday, by students seeking more signatures to their petitions. They will make their rounds in groups of ten with a submarshal in charge of each. Many outside floats, including seven Rotary floats, will be seen in the Saturday parade. A memorial cairn will be built by the students at Point Grey, and the frame of the science building will be manned. Movies will play a big part in the demonstrations.

# CLASS IS HELD IN A TENT AT THE UNIVERSITY

W-25-10-22

An argument in favor of the campaign of the students of the University of B. C. for the moving of the university to Point Grey is the fact that one of the classes at the present location is forced to meet in a tent, owing to lack of accommodation. The students are today canvassing the city for signatures to the petition calling on the government to move the university to Point Grey.

The class meeting in a tent is Chemistry 2. The students are working in the fumes of various chemicals in this tent, the only ventilation being provided by the entrance. They are compelled to go outside frequently for fresh air.

The classes, owing to increase in size and number, are more scattered this year than ever before. The Central Baptist Church and the basement are both being used as classrooms. Another church four blocks away is also being used. The agriculture students are located in a private house.

Other faculties should be added to the university according to the Students' Council, but accommodation is lacking.

A mass meeting of the students will be held Friday afternoon when final arrangements will be made for the parade which is to be held Saturday afternoon.

# Speaks On Plans For Building University

W-26-10-22

Harry A. Cassidy, editor of the *Ubysey*, the University of B. C. weekly organ, spoke at the Colonial Theatre Wednesday evening, urging support of the public in the campaign for the building of the university in Point Grey. He declared no extra taxation would be involved and that an up-to-date university would be an asset to the city.

# University Night At The Orpheum Theatre

University night was celebrated at the Orpheum theatre Wednesday evening and an entertaining turn was contributed by Jean and Bobbie Shayne and the campaign for the building of the university was also placed before the audience. The students, a large number of whom attended the show, provided some other features to the amusement of everybody in the house.

The Kiwanis Club will put on the special attraction tonight when the Glee Club will entertain the audience.

# "BUILD U. B. C." PARADE TO BE RIOT OF SOUND

W-27-10-22

With 40 floats already provided for, three brass bands and about 1000 students, each a small band in himself, the "Build the University" parade through the city streets on Saturday will be a fitting culmination to the students' campaign of a week. It will be a riot of color and sound. At Granville and Davie streets the students' part of the parade will convert itself into a "pilgrimage to the promised land," the University site at Point Grey.

With 37,500 signatures already obtained to the petition for the removal of the University and a large number of forms still to be turned in, the students expect to have 50,000 names on their list by Saturday night.

Service clubs as well as university floats, banners and noise will help to bring Saturday's parade to public attention. Vancouver Kiwanis Club are providing 10 floats, the New Westminster Club three, Vancouver Rotary Club eight, New Westminster Gyro one each. There will also be individual representation by Toronto University and McGill alumni and by perhaps a dozen other bodies. But the bulk of the floats will be furnished by the University students themselves and there, it is understood, will take all manner of shapes and forms from the serious to the comical. University yells and songs never heard before will penetrate the air.

Forming up on the Georgia street viaduct, the parade will leave there at 12:30 sharp and continue down Main street to Hastings and thence to Davie and Granville by way of Hastings and Granville streets. At Davie the students will board the B. C. E. R., the men going as far as Alma road and the women to the end of Sasamat street, whence the pilgrimage will start. Ceremonies at the site will include the erection of a memorial cairn.

# SCIENCE '24 PICKED TO WIN

W-27-10-22

# Tug-of-War Creating Much Interest in B. C. Circles— Now in Semi-Finals

The university campus was the scene of four tug-of-war competitions yesterday afternoon. Eight teams competed and four were eliminated. The remaining four now being in the semi-finals are Science '24, Science '25, Agriculture and Science '26.

The first pull was between Arts '24 and Science '26 and was the most evenly contested struggle witnessed so far in the Varsity inter-class competition. Arts '24 were beaten in the first after a hard fight, both teams being at a deadlock for quite a length of time. In the next pull the Arts men staged a come-back and pulled the Science outfit, making it one all. In the third and last pull the Arts men seemed somewhat played out after their victory and urged on by their coach, Carl Barton, the Science men won the best two out of three.

In the second tug Science '25 defeated Arts '25 and by so doing got their revenge for last year the Arts men were victorious. The Science men had the superior weight and staying power and won in two straight pulls.

Agriculture disposed of the Arts '23 team rather easily, winning in straight pulls. The dopesters have figured the Science '24 team as the likely winner, chiefly on account of their weight, but on the showing that the farmers made yesterday, they may spring a surprise if they get in the finals, as they showed splendid team work.

The "Freshies" were no match for the Science '24 aggregation who, with such huskies as Val Gwyther, make them formidable opponents. It is estimated that their average weight is about 180 lbs. The Science team won in straight pulls.

The next tugs will take place at Tuesday noon when Science '24 meet Science '26 and Agriculture meet Science '25, the winners will then battle for first place.

# ON PILGRIMAGE TO UNIVERSITY SITE AT POINT

W-28-10-22

Flying the beautiful colors of the sky and sun, blue and gold, crying at the top of their lungs and to the capacity of their weird instruments, 1200 students of the University of British Columbia paraded through the main arteries of the city on their way to the 'skeleton' at Point Grey, giving their dignified campaign to "Build the University" an end which in climax and spirits could not be surpassed.

A large number of floats were interspersed in the walking mass of students, and the appalling conditions in which the studies at the present time have to be carried on were successfully illustrated by the realistic tableaux, of which the best one, perhaps, was that of the agricultural college which announced the expenditure of 6000 hours in going to and from the fields at Point Grey. The parade stopped at Davie street and by different routes the participants resumed their pilgrimage.

## SCIENCE '24 AND FROSH WIN

Varsity Hoop Team Open the  
Basketball Season At the  
Normal Gym <sup>28.10.22</sup>

Two evenly contested games were played at the Normal Gym last night by the Arts and Science men in the first round of the inter-class basketball now being held at U. B. C. In the first game the "Freshies" lowered the colors of Arts '24 in a fast but somewhat one-sided game, the score being 30 to 12 in favor of the Freshmen. In the second game Science '24 eliminated their rivals, Science '23, last year's winner of the Governor's cup, 18 to 8.

Arts '24 started out with a rush in the first game and "Buck" Buchanan and Lewis worked a very nice combination and for a few minutes led the score. But after the winners settled down they showed very good teamwork and soon began to ring in the counters. Curry and Harvie were the heavy scorers for the winners.

The second game was a gruelling affair and heavy checking was the feature. The game was maintained at a very fast pace and was far more evenly contested than the score indicates. The '23 men started out with a fine spurt and at half time, chiefly due to the efforts of Cliff Mathers and Rex Cameron, led by a score of 8-6. But in the last half they were forced to give way to the superior weight and drushing tactics of their opponents. The losers did not make the most of their opportunities. Les Bickell was the heavy scorer of the winners' team and starred throughout.

The result of the latter game means that Science '24 will now meet Agriculture in the next round, the Aggies having a bye in first round. This game will be played at the Normal gym tonight at 8 o'clock and a good game is anticipated. Science '26 will also play Science '25 tonight and Arts '23 meet Arts '25. This will leave only four teams in the competition for the semi-finals.

The line-ups of the teams were as follows:

Arts '26—Curry, Harvie, McKenzie, Gross, Boomer; subs., Paulson and Porter.

Arts '24—Buchanan, Lewis, Elsey, McKay and Marion.

Science '24—Carlisle, Bickell, Turnan, Wallace, Elliott.

Science '23—Mathers, Cameron, McVittie, Gregg and Gunning.

## Varsity Students Erect Memorial

Following a parade which carried them along the main streets of the city Saturday, nearly twelve hundred students journeyed out to the site of what will sometime be the U. B. C. and erected a memorial cairn to the Alma Mater society campaign. The parade was called the "Pilgrimage to the Promised Land" and ended Varsity week during which the students worked hard to bring their difficulties before the general public.

A. E. Richards, president of the Alma Mater society, speaking on the success of the week, said that just as the mason cements together the rocks in the cairn with his trowel, so has the campaign banded together the students of the university.

## SCIENCE '24 AGAIN VICTORS

Defeat Science '26 in Straight  
Pulls—Aggies Beaten by  
Science '25

Science '24 remain undefeated in the inter-class tug of war competition at Varsity. Yesterday they triumphed over the Science '26 squad, pulling them twice in succession. The Aggies went down to defeat at the hands of Science '25 in one of the best pulls of the season. The losers had a well-balanced team and had they not had the upgrade they might have done better. However, the Science men won the toss.

After winning one pull and losing the second, the Aggies appeared to weaken and lost their footing, and Science '25 were successful in drawing in the rope. The Aggies showed good team work, but seemed to lack the staying power of the winners.

The two winners of the semi-final will battle for first and second place today, and the two losers for second and third. That is, Science '24 pull Science '25 and the Aggies pull Science '26. These two pulls wind up the tug-of-war competition at Varsity this year.

The basketball is still in progress with the semi-finals to take place on Friday night at the Normal gym, and the finals on Saturday. It is generally conceded that Science '24 will win the tug-of-war and the basketball competitions and should hence get away to a flying start in the Governor's Cup competition this year.

Science '23, last year's winners, seem to be somewhat in the background so far, but they have had rather poor luck, but should shine at rugby. The Aggies are waiting for the relay, and Arts '24 for the track meet. In any case the competition will be good this year and Science '24 will not have it all their own way by any means.

## TO SEE "U. B. C. PACK SARDINES"

W 2.11.22

Friday afternoon will be visitors' day at the University of B. C. All who wish to see the actual conditions at the university are invited to visit the various departments and see the students at work. There will be guides to conduct visitors around and make them acquainted with the inside of the college buildings. In the words of one of the banners in the recent parade, they will see how "sardines are packed in Fairview."

Further results of the students' campaign to move the university are cropping up every day. Not only have 56,000 signatures been obtained on the petition forms, but many letters from influential men throughout the province are pouring in from such points as Nanaimo, Slocan, Rossland, Vanderhoof, Smithers, and Terrace. The boards of trade of Prince George and Vanderhoof and the Parent-Teachers of B. C. have heartily endorsed the campaign.

On Saturday night, Mr. W. Kelly will speak on the university removal question in the Manufacturers' Building.

Aggies '24 Win.

Agriculture '24 defeated Agriculture '26 in the first of the inter-class debates being held by the Agricultural Discussion Club of the University of B. C. The Juniors, Mr. A. Loond and Mr. J. C. Wilcox, took the affirmative of "Resolved that the farmers of B. C. should organize themselves into a political body," and Mr. Vroom and Mr. Gough of the Freshmen upheld the negative. The judges, Dean F. M. Clement, Prof. Laird and Prof. Lloyd, awarded their decision to the negative.

The teams which will represent the University of B. C. in the international stock judging competition at Portland, Ore., on November 4, will leave tonight. The dairy judging team are Messrs. E. C. Hope, H. P. Steves and C. M. Barton, and the members of the general judging team are Messrs. S. C. Barry, H. G. Fulton, L. Bennett, J. W. S. Pye and A. Blair.

Talk on Movies.

The Women's Literary Society of the university held its first debate on Wednesday afternoon in the auditorium. Arts '24, represented by Miss Greta Mathers and Miss Dorothy Holmes, upheld the affirmative of "Resolved that the moving picture productions, in their present condition, are a menace to society," and Arts '23, represented by Miss Mildred Osterhaut and Miss Jean Strauss, took the negative. The judges, Miss M. Ross, Prof. F. G. C. Wood and Mr. N. Robertson, returned their decision in favor of the affirmative. The Women of Arts '25 served refreshments at the close of the meeting.

The Radio Club held its regular meeting on Wednesday in the Physics lecture room. Dr. C. Hebb gave an address to the members which was followed by a short discussion. This new club has grown very rapidly and is popular with those who are interested in the operation and development of radio.

# BUILDING FOR UNIVERSITY IS TO BE STARTED

VICTORIA, B. C., Nov. 3.—(Special to The World)—The University will be built. Action will be taken at this session of the legislature to see what can be done. It is stated that this decision was tentatively reached by the cabinet after meeting the Vancouver students delegation at noon and after intensive lobbying by Vancouver members since the opening of the house.

Just what kind of buildings will be erected is unknown but it is stated that the cabinet favors the building of permanent foundations on which would be erected wooden buildings suitable for the next twenty or thirty years by which time the land plan would be fully developed and funds be made available for the erection of permanent buildings.

But the general impression is that the University will be built and that action will be taken in the next few days after the matter is again taken under advisement by the cabinet.

VICTORIA, B.C., Nov. 3. — (By Staff Correspondent)—Headed by J. A. Grant, campaign manager; W. E. Richards, vice-chairman of the campaign committee, and P. M. Barr, president of the Alma Mater Society, a delegation of students from the University of British Columbia was at the parliament buildings this morning lobbying for the immediate construction of the university.

Members of the Richmond Liberal delegation met Hon. Dr. Sutherland on Thursday and took the matter up with him. It is understood they have enlisted his active support to their scheme of financing the building.

# VARSIITY BOYS TO ATTEND FAIR

As a fitting close for the four day "Made in Canada Fair" which is being held in the Manufacturers' Building this week, University Day will be tomorrow, when Varsity will turn out en masse to the fair. The students will also provide a musical programme during the evening. More than 5000 are expected to attend, breaking all records of the fair so far, although almost capacity crowds turned out on Wednesday, Thursday and today.

The fair is being put on by the Wesley Church Women's Association to boost Canadian products and especially those of our province. Booths dedicated to each separate province are spread around the floor, each showing some of the products of its native province. The B. C. booth, especially, has been attracting attention. On the outside of this booth are the B. C. coat of arms, surrounded by Indian paddles, totem poles and other decorations. Inside all the new products started during the year are on show. These have all been donated by the different manufacturers and will be sold, the proceeds to go to charity. Even cash registers for each booth have been donated.

Tomorrow, besides the Varsity programme, a special professional story teller will be on hand for the children, and will tell stories in the afternoon.

This evening the Kerrisdalians will stage a musical programme under the direction of Mrs. H. Beeman, called "Mirth and Music."

# Annual Class Party Of Arts '24 To Be Staged This Evening

The members of Arts '24 will entertain this evening at their annual class party in the auditorium of the university. The hall is to be attractively decorated in black and orange and Hallowe'en novelties. Paper hats will be distributed among the guests. The committee in charge of the decorations include Miss Lillian Cope, Miss Rena McRae, Miss Phyllis Edgell, Mr. Green, Mr. Ross Davidson and Mr. Gordon Hislop. Miss Marie Chapin, Miss Josephine Parady, Mr. Brink, Mr. Gordon Lewis and Mr. E. B. Jackson are in charge of the refreshments. Those who have kindly consented to act as patronesses are Dr. and Mrs. Mack Eastman, Mr. and Mrs. A. T. Logan, Miss A. K. Eastman, Miss Bollert, and Miss Kathleen Peck.

The invited guests are the members of the Edmonton Rugby team, Miss G. MacDonald, Miss F. Palmer, Miss Muriel Evans, Miss F. Johnston, Miss Isabel McKinnon, Miss J. Burton, Miss Lillian Cowdell, Miss Frances Mc Morris, Miss Greta Mathers, Miss Betty Somerset, Miss Edith Knowling, Miss D. Lawson, Miss Marjorie Forward, Miss K. McNaughton, Miss J. Want University Built—Endorsing the proposal for the immediate building of the University on the Point Grey site, the Trades and Labor Council, after hearing Mr. Findlay, a member of the student body of the U. B. C., went on record as being in favor of it. The vote was almost unanimous, only one member opposing it on the grounds that the need for help for unemployment was more important.

# B. C. LADS WIN CHIEF HONORS

Having beaten the team that won the international dairy stock competition at St. Paul, the University of British Columbia stock judging team will be home from Portland in a day or so laden with trophies and honors. Dean Clement, head of the faculty of agriculture, heard of their success by telegram this morning.

Three men, all sons of Fraser Valley farmers, were in the dairy stock judging team, Harold Steveston of Steveston, Ernest Hope of Langley and Charles Barton of Chilliwack. According to Dean Clement's wire, they won the major trophy of the Portland stock judging show donated by the

Western Dairy Inspectors' Institute, and a silver cup donated by Hoard's dairymen. As high team in Holstein judging they will also bring home a \$300 silver cup and as high team in Ayrshires they carried off a bronze chape.

Steves was second highest in the dairy aggregates, carrying off a gold medal and a three silver medals for leading in Ayrshire and Gurney judging. E. Hope was fourth man in the show, winning two silver medals and coming highest in Holstein judging, and Barton was 11th man.

The five men who formed the U. B. C. general stock judging team were less fortunate, coming low down on the prize list. This was owing, Dean Clement reports, to the lack of adequate high class general stock on the University farm on which to "practise."

The B. C. men were travelling in distinguished company, teams coming from British Columbia, Oregon, Washington, Idaho, Utah and California.

# U. B. C. STUDENTS WILL ADDRESS LEGISLATORS

VICTORIA, B. C., Nov. 7.—(By a World Staff Correspondent)—Students from the University of B. C. from Vancouver who have been lobbying here for the past few days will have an opportunity of putting their side of the question before the members of the legislature this afternoon when Premier Oliver will ask for the adjournment of the House at 5:30 to allow them to address the members.

Immediately on adjournment the members will retire to the members' room and the university boys will address them at length. Captain Ian Mackenzie and other Vancouver members were instrumental in arranging the meeting.

## Students Score Five Times

W. J. H. 22  
 Tiernan's Spectacular Drop Kick Features Holiday Fixture at Brockton Point—Visitors Again Completely Out-classed—Four Thousand See Match—Score 16-0

A brilliant thirty-five-yard drop kick, which soared high over the bar, from the big boot of "Gee" Tiernan, in the second half, featured the 16-0 victory of the Varsity fifteen over the Edmonton rugger at Brockton Point yesterday afternoon. The kick was made on the dead run and was one of the finest exhibitions of drop kicking ever seen on a local football field. The game was witnessed by fully 4000 fans, hundreds of whom sported the blue and gold of the U. B. C. The students turned out en masse and made it a real college afternoon with all the trimmings.

With the exception that the play was much looser and the Albertan three-quarter line was more in evidence, the game was practically a repetition of that on Saturday which the Vancouver Rep team won by a 12 to 0 score. But for the fact that the visitors' fullback allowed the pigskin to get away from him in an attempt to touch for safety, the score yesterday would have been 13 to zero, which is a very fair indication of the general play. Varsity scored a try and a field goal in the first stanza and three ties in the second. None of the tries were converted.

### Visitors Punted Well.

With the possible exception of punting, the Albertans were no match for the "Rah Rah" boys in any department of rugby. The work of the visiting scrum was an improvement on Saturday's showing, but the three-quarter line was again the weak spot, the Varsity boys tackling every man in his tracks. The visiting line, however, showed a good knowledge of the punting game and gained much ground by well-placed boots. Haliburton, Johns and Winslow were the pick of the back division for the visitors, and Ivor Thomas showed up well at fullback.

The Varsity back were all in good form, although Tiernan was the outstanding man on the line. His tackling was the best on the field and his runs, fake passes and passes were well executed. Palmer, Buchanan, Morgan, Gyles and the Cameron boys play a whirlwind of a game and Domoney played the soundest game at fullback seen at the point for many a day. His punting was practically faultless and not a yellow and black player had a chance to get past him. The scrum men heeled well, followed up fast and time and again broke away on long dribbles which proved of much assistance to the back line.

### Start of Game.

Edmonton had the kick-off and after an exchange the ball found touch in Edmonton territory. After two or three line-outs Bill Cameron made the first real gain with a long punt to touch. Tiernan made considerable ground on a nicely-executed run through center. On the next scrum the Varsity pack broke away on a dribble which looked like a score. Hodgson, however, drove the ball too far and Thomas touched for safety. After the drop-out the fullbacks exchanged punts. Bill Cameron had a chance to go well through but he failed to gather in a short punt. A minute afterwards Tiernan tore through and when close to the line slipped the ball to Rex Cameron, who deposited it behind the posts for the first score. Gwyther has a soft chance to convert but he was slow in getting the ball up and Reigh diverted it. Score 3 to 0.

After the kick-off the backs punted several times until Thomas found touch at centre. Johns was dropped by a hard kick on the knee, but gamely took the field a minute afterwards. Haliburton had a good opening and was coming down the sideline fast when Tiernan brought him low with a fine tackle. Edmonton forwards rushed the ball to the Varsity ten-yard

line, and on the next scrum dribbled again. The ball went behind the line and Domoney touched for safety.

### Forwards Dribble Well.

The Albertans kept up the pace after play was resumed and Haliburton broke through for a nice fifteen-yard gain. Following a scrum the Varsity forwards carried the ball five yards and then broke into a dribble, with Hodgson making a good gain. Thomas brought him up, sending the Varsity forward over his head. Play shifted back to centre and Morgan got away a nice punt for a fifteen-yard gain. Domoney cut loose with one of his best punts of the game finding touch on Edmonton's two-yard line. Edmonton was penalized for off-side, but Gwyther's kick missed the posts.

A few seconds after the drop-out Tiernan took a pass near the Edmonton forty-yard line, and after making a few yards, wheeled and, while on the run, cut loose with a drop-kick which went high over the bar for the finest play of the game. This drove the Varsity rooters wild. Tiernan was again in the limelight with a brilliant run shortly afterwards, and Thomas brought him down on the Edmonton two-yard line. Edmonton touched for safety shortly before the whistle blew for half-time. Score 7 to 0.

At the start of the second period Ivor Thomas moved from full up to the three-quarter line. It was scarcely five minutes after play was resumed that Bill Cameron worked his way around the end and planted the ball behind the Edmonton line for the second try of the game. The kick was from a difficult angle, and the score remained at 10 to 0. Varsity continued to press after the kick-off, and Buchanan started to play, which looked good. Tiernan took his pass and transferred to Carlisle, and the latter bucked for a nice gain. Phillips relieved with a nice punt and Domoney's return failed to find touch. On the next punt Rex Cameron made a gain on a nicely-placed punt.

### Buchanan Scores.

Gyles broke through for a fine run but failed to pass when a score looked certain. On the next play, however, Buchanan made no mistake and he was over the line on a fine burst of speed. The kick failed again. Score 13.

The final score was due to Cox's failure to touch for safety when he appeared to have the ball in his hands. The Varsity boys followed up fast and soon pinned the ball down. Tiernan's kick looked good but missed by inches. Final score, Varsity 16, Edmonton, 0. R. Bell-Irving refereed satisfactorily.

### The Lineups.

Following was the lineup:  
 Varsity—Domoney, Palmer, Gyles, Tiernan, Buchanan, Morgan, W. Cameron, R. Cameron, Carlisle, McVety, Hodgson, Greggor, Gunning, Gwyther and Gregg.

Edmonton—Thomas, I. Jones, Parsons, Winslow, Haliburton, Cox, Johns, Phillips, Reigh, Price, McRae, Pugh, Ferguson, Bradley and E. Jones.

Referee—Bell-Irving.

## FRESHMEN WON IN LAST FIVE MINUTES

W. J. H. 22  
 A score by Varsity freshmen in the last five minutes, the first of the game, cinched victory for them in their encounter with King George Senior rugby fifteen on Thursday afternoon, the freshmen winning by a score of 5-0. The freshmen's only try came when Demidoff, the Varsity half, went over the line, with Lange converting. The teams:

Freshmen—Lange, fullback; Giles, Logan, Rowan, Thompson, three-quarters; Gross and Gustafson, five-eighths; Demidoff, half; Pottenger, Choat, Hunter, Woodworth, Sparks, Hill and Stuart, forwards.

King George—B. McIntyre, fullback; Giles, Currie, Eaton, Tackelberry, three-quarters; McIntyre and Granger, halves; Scott, Elliott, Purdy, McMillan, Henderson, McLean, McKechnie and Lawson, forwards.

Hugh Morgan handled the game.

## Eighth Annual Ball Of Undergrads a Success

W. J. H. 22  
 The eighth annual ball of the Arts Men's Undergraduate Society was greatly enjoyed last night at Le Sen Court. Scores of the younger set participated. Soft, shaded lights gave the spacious ball-room an enchanting atmosphere and the rhythmic music echoed in the hearts of the gathering.

Those who consented to act as the patronesses for the occasion were Mrs. L. S. Klinck, Mrs. H. J. T. Coleman, Mrs. H. T. Logan, Miss M. L. Bollert, M.A., and Miss Isabel McInnes.

Little Miss Armstrong and Master Cruickshanks entertained with song and dance numbers during the evening.

## WILL NOT SEND SOCCER SQUAD

Varsity Pigskin Chasers Not Going to Victoria in January

The University soccer team have decided not to compete against the Victoria soccer team when the Collegians go down there to compete against the Victoria J.B.A.A. in the first week of January. The reason is that the soccer team has a very long schedule, there being something like twenty-five soccer games to be played throughout the year, by both the first and second team, this includes eighteen league games in the regular Vancouver and District League schedule and various cup competitions.

Both the first and second teams are two games behind in their schedule as the college term did not open till after the soccer season had begun and as the schedule dragged out into the end of April during, and a week after, the exams, last year the officials and members of both teams deemed it inadvisable to compete at Victoria on January 7 and get still further behind in their schedule.

KEEN INTEREST IN CUP CONTEST

Varsity and Rep Teams Should Stage Thrilling Rugby Battle

With two of the strongest rugby teams that ever hooked up in a McKechnie Cup battle ready to take the field, the match between Varsity and Vancouver Rep. at Brockton Point promises to be the tidbit of the rugby season. Both teams had a crack at Edmonton and both blacked the Albertans by scores of 16-0 and 12-0, the Rah-Rah boys handing out the worst drubbing. The game starts at 3 o'clock and Col. Richard Bell-Irving will toot the siren.

The teams will line-up as follows: Vancouver — Muir (Rowing Club); Hunter (Rowing Club); Pinkham (Rowing Club); Marshall (Rowing Club); Tyrwhitt (Native Sons); Grimmett (Rowing Club) capt.; McKenzie (Rowing Club); Lawson (Bank of Commerce); Fraser (Rowing Club); Sherwood (Rowing Club); Bayliss (Native Sons); Decker (Rowing Club); Kasey Clark (Native Sons); Hess (Rowing Club); Don Clark (Rowing Club). Spares: Winch, McWhinney, Waters, Wilkinson and Gourlay.

University—Dominey, Pete Palmer, Purdy, Penwill, Bill Cameron, A. L. Buchanan, Gee Ternan, Rex Cameron, Hodgson, V. Gwyther, Gregg, Carlisle, Gunning, Greggor, Ramsell. Spares, McVittie, Bill Scott, Price and Gyles.

BANKERS AND VARSITY OUT OF RUNNING

Student Ruggers Fall Before Onslaught in Feature Game By Score of 17 to 3

Oarsmen Get Walkover When Bankers Default—Intermediate Rowers Win

When Commerce failed to field a team for the second game of the Miller Cup series Saturday at Brockton Point, the Rowing Club ruggers were awarded the game by default, thus maintaining their position at the head of the standing with five straight wins. The other game between Varsity and the Native Sons resulted in an easy win for the latter, 17-3, and the winners still tag at the Rowers' heels with four wins and one loss. Varsity and Commerce, respectively, are both out of the running for the title.

To Represent U. B. C. At College Congress

Mr. A. E. Richards, president of the Alma Mater Society of the University of B. C., has been chosen by the students' council to represent U. B. C. at the convention of the Pacific Association of Collegiate Student Body Presidents. This convention will be held at

the University of California, Berkeley, on November 23, and will last for three days. Here the problems of student self-government will be discussed and improvements in policy of governing will be adopted.

Mr. Bob Hunter, who has been treasurer of the students' council, has resigned on account of lack of time from his studies and other duties. The nominations for the vacancy close on Friday night and the voting will take place next week.

The student body will hear Mr. Vachel Lindsay on Saturday noon in the auditorium, under the auspices of the Women's Literary Society. This will be the first noon-hour lecture this year from outside speakers.

IS YOUNGEST RHODES SCHOLAR

Probably the youngest Rhodes scholar to enter its ancient portals will take his place at Oxford University next September in the person of Mr. Norman Robertson of this city, who on Thursday evening received word of his selection as British Columbia's 1923 Rhodes scholar. He will graduate from the University of British Columbia next May at the age of 19.

Twelve applicants, including eight undergraduates of the university, presented themselves for interview to the Rhodes scholarship committee presided over by Mr. Justice Hunter last night and it was not until afterwards that Mr. Robertson found his application successful.

Notwithstanding his years, Norman Robertson has been one of the most generally efficient students in the public and high schools of the city, and of the university. He did not once succeed in making the top of his class, but he never failed throughout in coming within a few of the head.

The son of Prof. Lemuel Robertson, head of the department of classics at the university, the new scholar was born in Vancouver and attended General Gordon school and the high school. Both father and mother are pioneers of the city, his father being one of the old Central High School teachers before there was a college in Vancouver.

Mr. Robertson is this year on the students' council at the university, representing the literary and scientific organizations. Last year he was president of the Social Science Club and has also been one of the leaders in the Letters Club. He has throughout taken a general course rather than specializing in any particular studies.

The appointment of Mr. Robertson was made by the reorganized scholarship commission, consisting of Mr. Justice Hunter and a committee composed of former Rhodes scholars. The committee was composed of Prof. Harry Logan, secretary, A. E. Cameron, H. R. Bray and Ernest Munro, principal of Prince of Wales school, Point Grey.

Prof. and Mrs. Robertson live near Kerrisdale.

The Rhodes scholarship has a value of £300 a year for three years and is tenable at Oxford University.

Other candidates were Harry M. Cassidy, C. A. F. Clark, Jack V. Clyne, James Dauphinee, W. E. Graham, J. C. Hay, James B. Kitson, Tom Peardon, Lionel Stevenson, H. V. Warren and Charles B. Weld. Some of these will probably try again. Mr. Robertson will be about six months over the minimum age limit of 19 when he goes to the Old Country.

DEFEAT VARSITY**

**Hard-Fought Cage Contest  
Ends With Students on Short  
End of 31 to 25 Score**

After one of the hardest-fought hoop games staged so far this season the "Y" quintette defeated the Varsity basketballers last night at the Y.M.C.A. gym, the final score being 31 to 25. The first half saw the Varsity boys badly outscored, the count being 18 to 8. The second half was a battle royal, the students getting the best of the play, but being unable to overcome the lead. It was a Senior "A" fixture. Here is how the team lined up:

Y.M.C.A.—Phipps, Priest, guards; Hancock, centre; Tuck, Rolstone, forwards.

Varsity—Lewis, Currie, guards; Hadley, centre; Bassett, Bissett, forwards.

**Teachers Win.**

The Native Daughters were no match for the ex-Normal girls, who outscored them 31 to 5. Following was the lineup:

Ex-Normals—Misses Moore, Simpson, M. Herd, Baynes, Campbell and McNeil.

Native Daughters—Misses Carlisle, Johnston, Pyke, Kent, Santel and Williamson.

**Adanacs Turn Trick.**

The Adanacs of Chalmers church defeated St. Saviours quintette by 30 points to 23 after 10 minutes of overtime in a Sunday school senior "B" basketball game last evening in St. Saviour's gym. At half time the Adanacs led by 14 to 4.

**Junior Games.**

In a junior "A" fixture in the Sunday School Basketball League St. Andrew's defeated St. John's by 20 points to 7. In a juvenile match St. Andrew's turned back Fairview Baptists, 13 to 4. The games were played at King Edward high school.

# 65 VARSITY RUGGERS WIN FIRST McKECHNIE CUP GAME

## *Students Stage Whirlwind Finish Pull Game Out of Fire in Dying Moments*

### Rep Team Secures Try Which Looked Like Winning Score, When Backs Pull Boner—Palmer Tears Over Line With Tying Score With Ten Minutes Remaining to Play

Varsiay, last year's senior rugby champions of the province, opened the McKechnie Cup season auspiciously at Brockton Point Saturday by scoring a 10-3 victory over the Vancouver representative fifteen. Between two and three thousand were out to see the contest and one of the best matches for fight and diversified action played here in some time was served up to them. The victory was clean cut despite the fact that they failed to score up to the last ten minutes, and if the "Rah Rah" boys maintain a pace like that of Saturday's throughout the whole season they should be able to slip through to another title.

The U. B. C. players were evidently in better shape than the Rep. squad and kept up a fast attack throughout the whole game. The losers started out at a very fast pace but began to tire towards the end. The game itself was featured by open play, the ball continually journeying from one end of the field to the other, both touch lines being threatened in turn. Varsity, however, seemed to have the edge throughout except for early in the game when the Rep team battered their way through for their lone try.

#### Reps Started Well

The Rep team had a slight edge in the first fifteen minutes of play and it finally ended when Dominey and Palmer got mixed with their signals and, both attempting to fall on the ball behind the Varsity line at the same time, missed and Pinkham dropped on it for the opening score of this year's McKechnie Cup season. Tommy Muir missed the kick by a wide margin.

Then Varsity began to fight and time and time seemed on the verge of crossing the loser's line, only to be beaten off. With but eight minutes to go and the ball inside the Rep's twenty-five, the Varsity threes broke away and the ball went rapidly from Ternan to Buchanan to Pennie to Palmer, the latter going over well out towards the flag. Val Gwyther converted with a beautiful kick.

#### Fought Back Hard

The Rep threw everything they had into the game to again gain the lead but superior condition told and the Varsity slowly forced them to their own five yard line. With but a half minute to go, Gee Ternan grabbed the ball from a loose scrum and slid over like a flash. Val again converted with another pretty kick. The final whistle blew immediately following this kick.

In the close work the Rep team appeared to have the edge over the winners but when the play became loose Varsity held the advantage. Gee Ternan and Penwill turned in nice games for Varsity on the back divisions while Dominey at full back handled himself very coolly. In the forward division Ramsell and Gregor were working hard with the whole pack fighting well. Rex Cameron played brilliantly at half back getting the ball out fast and using his head at all times. The Varsity pack heeled better in the scrimmages than the losers but in dribbling the Rep had quite an advantage and it was through this they gained most of their yardage. Gee Ternan missed a couple of nice chances at dropkicks but his booting to touch was pretty to watch.

#### Had Off Day

Tommy Muir seemed to have an off day for the losers, missing both a try for goal and a place kick and not clearing well, although when he did get his kick away they meant big gains. Lou Hunter broke away for several nice runs and worked hard all afternoon while Jack Tyrwhitt was a tower of strength on the defensive. The half were rather slow at clearing and thus the threes did not get a real chance to show their wares. In the Rep forward line Bill Decker and Lisle Fraser were outstanding, both with their dribbling and with their general all around play.

#### Fighting Spirit

The margin by which the winners won was a fair estimate on the play of the game for Varsity held the advantage almost throughout, but nice defensive work holding them from further scoring. The Reps threatened many times but just seemed to lack the power to overcome that last bit of fight which the Varsity players carried on more than one occasion.

# Native Sons Lose Final to Oarsmen

## Rowers' Line Crossed Once During Season

Field Goal Only Impression Made by Sons on Scullers in Saturday Fixture—Score 19 to 4—H. M. S. Capetown  
Boys Prove Easy for Varsity Second Fifteen

By defeating the Native Sons in the final and crucial fixture of the Miller Cup series on Saturday afternoon by a score of 19 points to four, the Rowing Club fifteen not only clinched the coveted rugby trophy, but completed one of the most successful seasons in the annals of the game in this city. Only once during the entire season has the Scullers' line been crossed and only twice have they been scored against. Six wins and no losses is the enviable record which the Oarsmen have hung up for future teams to shoot at. They have scored 75 points against seven chalked up against them.

The first game at the Point on Saturday was between Varsity and H. M. S. Capetown. The Jack Tars proved but weak opposition to the Students who, with a second string lineup, dominated the play from whistle to whistle. The final score was 11 points to nil. Both games were witnessed by a big crowd of rugby fans.

#### Coaching the Secret.

The coaching of Lou Thomas has had a great deal to do with the Rowing Club's victories, for in almost every case it was the superior finish to their play which has won for them. Saturday at the Point they were analyzing the Sons' play at all styles and beating them to it. The Sons themselves have a nice record for the season with four wins, but were defeated both times they faced the Oarsmen. The Sons' lineup is almost identical with that of last year's champion Centrals, who were touted to win at the opening of the season. Towards the close, however, their teamwork began to fail and they proved easy victims for the Rowers Saturday.

The Work of Varsity this year has been rather disappointing, the students only winning two victories, both these being over Commerce. This, however, may be in a measure explained by the extremely strong McKechnie Cup team which they are fielding. Commerce were very weak, winning no games and defaulting both their last two games.

#### Sons Opened Fast.

The Native Sons started out fast in the first few minutes of the feature game and soon were pressing right on the club line. The Rowers fought back though and brought the ball back to centre. After about 15 minutes play the ball came out clean to the Rowers backs from a scrum on the Sons forty yard line and Finkham broke through for a beautiful 40-yard run to the opening score. Thom missed the kick. Shortly afterward Lisle Fraser took a pass from Thom after a nice stop and catch of a boot from Jewitt's foot by the venerable one on the Sons' 5-line and went over. Thom again failed to convert.

and three separate runs by the threes resulted in George Box slipping over a rather lucky field goal from about twenty yards in front of the Rowers' goal. The ball just carried to the top of the bar and bouncing the right way went over. There was some discus-

sion as to whether it was a drop or not, but Referee Col. Cooper allowed it. The period ended, Rogers 6, Sons 4.

#### Rowers' Defence Busy

In the last period the Rowing Club's backs got into action and Prenter, Winch and Hunter all crossed the Sons' line, the last two on beautiful individual runs, Lou's especially being nice, the flaxen-haired flash intercepting a pass at centre and beating the whole Sons' back division. Thom converted the last two. The Sons fought gamely, but were unable to get through, the Club's threes marking their men splendidly and leaving very few openings. The Sons' scrum heeled very cleanly all during the game, but the Rowers had their share at getting the ball out. In the open play the forwards were about equal. The Sons' backs seemed to never get going and tackled poorly all through while the Rowers' threes were on their toes all the time. The Native Sons missed McQuoid at full-back, who was out with a bad knee, for Jewitt, who replaced him did not have the speed nor skill to combat the fast Rowing Club threes.

McLane, Greggor and Jones scored the tries for Varsity in the opening game, Price converting the second. The sailors fought back gamely but were outclassed.

#### The First Game.

In the opening game Varsity found the going to their liking and went through the Capetown fifteen for a 11-0 win. Varsity considerably outweighed the visitors and used this edge to its full advantage. They held the upper hand most of the way, although the Sailors fought back hard

and played a fine losing game. McLane scored the winners' first points on a pretty effort. Greggor and Jones both went over in the second half after sustained attacks. Price converted Greggor's try and came close to goaling on both the other attempts.

## COLLEGIANS TO PLAY CAPETOWN TARS AGAIN

A return game will be played between Varsity and H.M.S. Capetown ruggers on Wednesday afternoon at Brockton Point. The game on Saturday was a somewhat one-sided affair, the Collegians piling up eleven points to the Sailors' zero. The latter, however, think they can do better and have asked for another chance. The game starts at 3 p.m.

# University Lads Lectured By Visiting Socialist

## YOUTHFUL REDS ROUSE THE CANON

### Socialist Society Formed Right In University

VICTORIA, B. C., Dec. 2.—(Special to The World)—“Come on Reds, Radicals and Socialists,” read the beginning of a notice brought to the attention of the House on Friday night and which had been circulated at the University of British Columbia.

Canon Hinchliffe brought the matter up at the request of a father of a student who wanted to know how far radicalism and socialism had permeated the institution, as a Students' Socialist Society had already been formed there and been addressed by J. S. Woodsworth.

Sam Guthrie, the miner member for Newcastle, held that the curriculum at the University should contain a course in Socialism.

“Every university should,” he said, “and the members would not then display so much ignorance on Socialism when it came up in the House. The biggest men in the whole world are Socialists. This House looks like a set of pygmies beside them. There's nothing to fear from Socialism. For my part I am glad see there is enough intelligence among the students to want to form a Socialist organization.”

Harry Neelands also spoke eulogistically of Mr. Woodsworth, stating that he was an Oxford graduate with a post-graduate course in Germany and that he could compare favorably with any member of the legislature.

Both the minister of education and the leader of the opposition and others thought that no great deal of harm could come of the matter, pointing out that youth was the age of learning and that it was natural that the younger element should get together to decide these questions.

Hon. Dr. MacLean stated that from his own knowledge of the teaching staff he could assure the member for Victoria that there need be no undue worry or to take too seriously the fact that the students held these gatherings and discussed matters of this kind.

#### Farris Disagrees With Premier

The question of whether the government should retain control of the expenditure of money granted to the University of British Columbia was again to the fore on Friday night when the educational estimates were before the House.

Hon. John Oliver spoke strongly in favor of this course, and J. W. deB. Farris placed himself on record as a supporter of the government as entirely dis-associating himself from the stand taken by the premier. He knew something of governments and universities and he expressed himself very strongly as considering the university to be much better where it is than in the hands of any government.

# VARSIY FIFTEEN IS TOO W-4-12-22 STRONG FOR COWICHAN

DUNCAN, V. I., Dec. 4.—Varsity defeated Cowichan by a score of 17 points to nil in the McKechnie Cup series match here Saturday afternoon. Two unconverted tries were made in the first half and two tries and one goal in the second. Tiernan, U.B.C. Captain, retired in the last ten minutes of the game through an injury. He was not seriously hurt. On two occasions the Island boys came close to going over the line. It was a case of youth against experience and the former prevailed. Cowichan's team averaged ten years over Varsity. D. L. Davies refereed satisfactorily. The tries were obtained by Palmer (2), Gregor, Ransell and Tiernan, that made by Tiernan being converted by Gwyther.

The lineups: Varsity—Domeny, Palmer, Purdy, Giles, Cameron, Penwell, Tiernan, Scott, Hodson, Gregg, Gwyther, Dunning, Carlyle, Gregor, Ransell. Cowichan—Cole, Edwards, McNaught, Roope, Forrest, Davies, Denny, A. Matthews, Corfield, Acland, Gore-Langton, H. Matthews, Bromilow, Bischlager and Stevens.

## Had No Snowshoes So Rugby Players Could Not Perform

W-18-12-22

VICTORIA, Dec. 18.—A shortage of snowshoes was the principal reason for the calling off of the McKechnie Cup rugby match scheduled for Saturday at Oak Bay park, Victoria, between the Victoria rep fifteen and Cowichan. Considerable interest had been aroused in the match as it was the first time that Victoria would have appeared this season, and the officials did not call it off until late in the day, holding off in hope of a thaw. As it was the thaw failed to materialize and only teams equipped with webbed-feet would have been able play on Saturday.

Varsity last year's champs are at the head of the league standing with two straight victories over Vancouver and Cowichan respectively. Vancouver ranks next with a win over the Hornets and a loss to Varsity, while Nanaimo and Cowichan are tied for third with no victories and a loss apiece. Victoria has yet to play.

### Youngest Rhodes Scholar

NORMAN ROBERTSON, of Vancouver, B.C., who will be one of the youngest Rhodes scholars to enter the portals of Oxford University. He is now 18 years of age, but will be 19 before his graduation from the University of British Columbia in May next.

Norman never has been at the top of his class in his scholastic career, though he has been always close to the top. He is the son of Prof. Lemuel Robertson, of the university department of classics. His father is a pioneer of the city, having once been master of a high school. The boy was born in Vancouver, which may not seem unusual, yet is, for a great majority of the people living in Vancouver now have come well within the past 18 years. Norman is a member of the students' council at the university.

## Varsity Thirds Lose After Finest Intermediate Game of Season—Score 10-6

Playing the most finished brand of rugby that has been seen in intermediate circles this season, the Rowing Club fifteen defeated the Varsity third team by a score of 10-6 at Bridge street grounds on Saturday afternoon.

The third team had a large number of supporters on the field and Varsity yells were heard continually. This is about the first time this season that a Varsity intermediate team has received any whole-hearted support on the field from its college.

Urged on by the enthusiasm of their supporters, the students fought like Trojans and their scrum was working well in the first half. In the second half the Rowing Club showed up to advantage with their superior weight, but on two occasions the Varsity got within inches of the line and two five-yard scrums resulted, but the weight of the Oarsmen told and they could not get across.

The Collegians opened the scoring when Gibbs crossed the line on a pass from Lewis, but the oarsmen soon equalled the score, Weld carrying the ball over after a pretty three-quarter rush.

There was no further scoring until the second half when Wade dropped the pigskin over the bar for four points for the Rowers. The Varsity boys were right on their toes again and got within one point of their opponents' score when Russell crossed the line. The final tally came when Weeks broke away from a loose scrum and scored.

In the opening game the Varsity Frosh team defeated the Normal squad by a score of 8-0. The game was rather slow. Sparks and Choate scored for the students, Lange converting one of the tries.

## VARSIY DEFEATED BY NATIVE SONS

W-11-12-22

Varsity went down to defeat in the senior "A" basketball fixture at the Normal gym last night before the fast-stepping Native Sons quintet, 39-21, after a fast and clean game. There was very little fouling during the play, an ante-battle lecture given by Referee Craig before the start putting the players' on good behavior. Varsity seconds defeated Varsity first, 21-16, in the other game played at the Normal gym last night.

In the Sunday School league the Sixth Avenue Methodist girls won from the Pollyannas to the tune of 17-2, at the K. E. gym.

## VARSIY TEAMS DEFEAT Y.M.C.A.

W-18-12-22

### Girls and Intermediates Win Hoop Fixtures — Senior Game Postponed

By a score of 18 to 9 Varsity girls defeated the Y. W. C. A. basketballers on Saturday night. The U. B. C. girls made most of their points in the first half, the "Y" girls making a better showing in the second.

In an intermediate fixture the U. B. C. boys walked all over the Y. M. C. A. lads, the final score being 46 to 16. As in the girls' game, the winners had the decided edge in the first half, with play being more even in the second frame. The Senior "A" game between Varsity and Y. M. C. A. was postponed, the students being engaged in preparing for exams.

Four good games are slated for St. Marks' this evening. Here is the schedule:

- 6:30—St. Marks intermediates vs. Wesley.
- 7:15—St. Marks senior girls vs. Pollyannas.
- 8:15—St. Marks junior boys vs. Kit-silano Methodist.
- 9:00—St. Marks Senior B vs. St. Saviours.

# University Will Have Strong Team

## Students Will Go After Trophy in New Year's Day Road Race—Buckley Running

The University has definitely decided to enter a six-man team in the Dunlop road race on New Year's Day. Ernest Hope, president of the Varsity Track Club, states that he expects to field a good team in the distance event. The Collegians have several good men lined up for the event, only they lack training as the track men have all been busy with mid-term exams and the weather has been unsuitable for much outdoor training.

The Collegians will put up a good exhibition, however, even if they don't win the Dunlop Shield, and Shorty Richmond's Elks, who have won out twice in succession, will have to step lively to cop the silverware this year.

The Collegians have Les Buckley running for them. Buckley won the race individually last year at Victoria and came second the year before when it was run in Vancouver, running both times for the "Brother Bills." He may be depended upon to make a good showing this year. Doug Rae who has starred for the last two years in the University track meet, and who holds the mile record up there, will also be on deck.

### A Dark Horse.

Earl Barton is comparatively a "dark horse" in local track. He came into prominence recently when he

walked away with Vernon Whitworth in the mile event in the recent Y.M.C.A. track meet. Barton has been training more consistently than any of the other track men, and should make a good showing.

Ernest Hope, the Varsity track president, will be seen in action for the first time in local track, that is in outside competition, although he has starred for some time in the University meet and has been a big factor in winning the annual Point Grey relay for the agriculture men. His distance is the mile, but he should be able to negotiate the five mile event without any trouble.

### Blair Not Competing.

Archie Blair, who was being counted on to take part, is laid up with bronchitis and will not be able to compete. The fifth and sixth men are not chosen as yet. The first four are the only ones that count in the race, but two extra men are allowed in case all the four men do not finish. Hope said that he expected to have little difficulty in making up the team, and added that he thought that the entry of the team would help to stimulate the interest in track at U.B.C., even if the team did not do so well.

The participation of the local University in the various track competitions in Vancouver will do a lot of good. Different officials and track enthusiasts have often deplored the fact that U.B.C., unlike most other universities, are decidedly backward in track. The decision of the Collegians to take part in this event shows a revived interest in the track sport, and it is to be hoped that the "rah rah" boys will make a name for themselves in this branch of sport, as they have done in rugby and soccer.

## VARSIITY GAINS IN SOCCER RACE

### Students Defeat Kitsies in the Only First Division Game— Score 3 to 1

In the only First Division League game played last Saturday the Varsity pig skin artists strengthened their position in the league considerably when they took the Kitsilano squad in to camp by a 3 to 1 score. The game was devoid of much fine play as the Clark's Park grounds were in almost an unplayable condition.

In the first half Kitsilano, shooting with the wind, pressed on the Collegians' goal and had it not been for the sensational goal-tending of Mosher, the losers would have scored. The Varsity boys were not seen to advantage in the first half and were weak in shooting, but in the last half they forced the play and scored at the outset through Lundie. End to end play was then in order until one of the Varsity defenders fouled the Kitsilano right-winger in the dreaded area and Gemmel gave Mosher no chance to save.

The Collegians then bucked up and again forced the play and were re-

Collegians have a stronger defence than forward line.

The holiday game to take place yesterday with the Coquitlam and Varsity elevens was called off on account of the fact that the grounds were in an unplayable condition.

The Varsity third division soccer team was swamped by the Chinese Students by a 7 to 0 score. The U. B. C. aggregation had some difficulty in getting their players on deck as the holidays are now on at the seat of learning. The Chinese boys had the game well in hand at all stages and the losers did not appear much in the picture as the score indicates.

warded by their efforts when McLeod scored about ten minutes from time. Then later Rex Cameron sent in a beautiful shot from close in, a rebound from the goal post which had the Kitsies' goalie beaten all the way. Mosher and Phillips starred for the winners, and Gemmel and Bunyan for the Kitsies.

By virtue of their win the Varsity aggregation are now only one point behind the league-leading Veterans and the Collegians have a game in hand which means if they win or tie it they will top the league standing. They are as yet the only undefeated team in the first division, but they have been tied on five occasions. The Varsity team have scored 24 goals against the opposition and have only been scored against on seven occasions, which speaks well for both forwards and defence alike, but the

## STUDENTS HAVE FINAL WORKOUT

The University track team for the Dunlop Road Race had their final workout yesterday and on Wednesday morning they went over the course together. Doug Rae, who is in charge of the team, reports them to be all in good condition. Unfortunately Ernest Hope will not be able to run as he is down with the flu. His absence will be keenly felt by the Collegians as he is one of the best men they have.

This is the second man to be under the weather. Archie Blair will not be seen in action in the distance event. The team now stands with Rae, Barton, Buckley, Deminoff and Luyatt. The collegians may or may not run six men, Rae stated. Rae also expressed the hope that a good number of Varsity students be present as the team will need as much support as possible. Hope's illness may keep him out of the Victoria trip, in which case the relay team that is to run down in the Capital on January 6 will consist of Rae, Barton, Demidoff and Les Buckley.

The race is open to any amateur athletic team of British Columbia. The course is from the Y. M. C. A. to Cambie Street to Hastings Street, west on Hastings to Burrard, east along Pacific over Granville Street bridge, following the Belt Line along Ninth Avenue, turning north on Combie and back to the Y. M. C. A. It starts at 10 a.m. on New Year's Day.

Mr. J. Scott, manager of the local branch of the Dunlop Tire & Rubber Goods Company, Ltd., will start the race on the corner of Pender and Cambie.

Other officers will be Bert Davidson, president of the G. V. A. A. A.; Bert Tennant, president of the C. A. A. U.; Geo. Goulding, John Muter, Fred Elkins, chairman of the Y. M. C. A. physical committee.

Three teams have officially entered for the race, two more to hear from. Those entered are Vancouver Elks' Club, University of B. C., and the local Y. M. C. A.

## VARSIITY BOYS TRIM HORNETS

### Gwyther Kicks Three Goals in Three Attempts—Score 15 to 3.

NANAIMO, Jan. 2.—Brilliant place kicking by Val Gwyther, who propelled the oval over the bar on three occasions, featured the 15 to 3 win of the Varsity fifteen over the Hornets here Saturday in the McKechnie cup series. The game was played in a downpour of rain, but a goodly number of spectators turned out.

Varsity scored in the first ten minutes and then the play was even, there being no further scoring in the period. In seven minutes in the second half the Students scored another try. Then Hornets were awarded a free kick and Grant, Nanaimo's captain, kicked a pretty goal. Varsity scored again just before time, Tierman pulling off the prettiest play of the game. All tries were converted.

# U. B. C. ATHLETES OFF TO MEET VICTORIA MEN

Varsity is taking the cream of their sport talent in every division over to Victoria for the week-end to meet the Victoria University in an inter-college sport meet. Some of the athletes left yesterday and a big group this morning. The rest will go over tonight. Besides the athletes, a considerable number of the students went over to cheer the boys on to victory. The programme includes, rugby, basketball, badminton, a four-mile relay, swimming, boxing and rowing, besides dances both Friday and Saturday evenings. Dr. and Mrs. J. D. Davidson accompanied the students across.

Reports from Victoria state that the inter-city boxing has been called off owing to the illness of some of the star "mitt" men of the U. B. C.

# Varsity Cup Team Wins at Victoria

Gee Ternan's Drop Goal and Try by Gunning Sum Total of Scoring

VICTORIA, B.C., Jan. 8.—(Special to The World).—The University of British Columbia McKechnie Cup team Saturday afternoon completed U.B.C.'s triumphant visit to the Capital by blanking the Victoria contestants for the silverware. The score was 7-0.

A dropped goal by "Gee" Ternan, captain of the visitors, gave the Varsity the lead in the first half and an unconverted try by Gunning from a pass from Al Buchanan cinched matters for the away team. Varsity heads the McKechnie Cup series now with four straight victories and have a good chance to retain the goblet.

The visitors had an edge all the way, although Victoria put up a game but losing fight. Penwell, whose knee has been bad all season had it again dislocated in the second period and will be unable to compete in the swimming meet tonight.

Varsity also captured the opening match, their seconds nosing out the J. B. A. A. seconds by a 3-0 score. Jones scored the only try of the game in the first periods. The convert failed.

A sensational finish by Buckley who outsprinted Buckets in the final lap, enabled the U. B. C. to capture the three-mile relay, ran earlier in the afternoon, against Victoria.

# Island Team Completely Outclassed

Vancouver Reps Score Enough Points Against Cowichans to Win Dozen Games

VANCOUVER representative rugby team annexed enough points in the first 10 minutes of Saturday afternoon's McKechnie Cup game at Brockton Point to win any ordinary rugby match, but the locals were not content with this and when the final whistle blew Cowichan found themselves on the short end of a 68-0 score, the biggest of any game played here in some time.

Vancouver scored at will all the way and the visitors never had a ghost of a show.

Cowichan kicked off and the game was barely two minutes old when Jack Tyrwhitt, speedy wing three-quarters of the locals, twisted his knee and was forced to retire for the remainder of the game. A three-quarters run of 50 yards, started by Lawson, who broke through cleverly, passed to McWhinnet, who in turn passed to Pinkham, who scored, started the scoring and Vancouver never stopped after that. Tries came thick and fast and Thom (2), Hunter, Lord, Pinkham and Stewart all scored before the period ended, with the score 31-0.

### Loss Brings Rout.

Vancouver was right back on the offensive at the start of the second half, but the interval seemed to have braced the Cowichan fifteen up and they could not score for five minutes. Eric McNaughton, visiting three-quarter, whose sensational kicking up to this time had been the feature of the visitor's play, was laid out at this time and forced to leave the game. His loss brought utter rout to Cowichan, and Lord (3), Hunter (2), Pinkham (2), Sherwood and Lawson all scored tries.

Hal Gwyther, Sherwood and Cam Stewart did the local place kicking, and of these Gwyther was the star with eight goals out of eleven attempts. Sherwood converted twice out of four tries and Cam Stewart missed his only attempt. One kick was not allowed because the wrong man carried the ball back for the kick. McNaughton was plainly the star of the visitors with his kicking, every one of which went for big gains. Mathews played a nice game in their forward line. For the locals, Lord, Hunter, Fraser, Pinkham and Thom were all good for the Rep. Lawson and Hal Gwyther played outstanding games.

### The Line-ups.

Cowichan—Cole, Roome, Edwards, McNaught, Parker, Forest, Denny, Bischlager, Mathews, Bromilew, Stevens, Mathews, Wilkinson, Ackland, Savage.

Vancouver—Gwyther, Hunter, Pinkham, McWhinney, Tyrwhitt, Lord, Lawson, Marshall, Thom, Donaldson, Decker, Fraser, Sherwood, Stewart, MacFarland.

Referee—Col. Richard Bell-Irving.

# Victoria Rep Team Plays Here

Season's Best Rugby Game Is Anticipated for Next Saturday

VICTORIA rugbyists will invade Vancouver on Saturday to play their first game with the local "Rep." team in the McKechnie Cup series. The Islanders have a strong aggregation this year and gave the Varsity McKechnie Cup team a tough battle, the students winning 7-0. The local boys will have to be in the pink of condition in order to win Saturday's battle and as a result they will hold strenuous work-outs until the day of the battle.

The game will commence at 2:30 and will be preceded by an intermediate game between the Normals and Rowing Club intermediates, starting at 1:30. The intermediate game will not be played if ground conditions do not permit.

The following players for the local representative side are requested to turn out at the Horse Show building tonight at 6:30 for practice: Hal Gwyther, Muir, Keeling, Winch, Hunter, Pinkham, Waters, McWhinney, Tyrwhitt, Lord, Lawson, Marshall, McKenzie, Thom, Decker, Hess, Fraser, Donaldson, Casey Clark, Sherwood, Cam Stuart, McFarlane, Don Clark, Wilkinson, Bayliss.

The Rowing Club intermediates will hold a practice tonight at the Horse Show building at 5:30 and all players are urged to turn out.

# Sons Beat Varsity Hoopers

Stewart Adds Strength to the Natives' Lineup at a Critical Stage

THE Native Sons basketballers defeated the U. B. C. Senior "A" team by a score of 24-18 at the "Y" gymnasium last night. Cam Stewart helped the Native Sons considerably by his good work and was instrumental in their victory. The sons had things pretty well their own way in the first half but in the second half the students put McKenzie into the fray with the result that the score soon stood 17-16 in their favor. The Native Sons then sent a S. O. S. for Stewart who responded and soon had the team in a winning way.

### The teams:

Varsity—Bissett, Bickell and McKenzie, forwards; Buchanan, centre; Carlisle and Lewis, guards.

Native Sons—Hunter and Mattock, forwards; Johnston, Stewart, centre; Cruickshanks and Tat Boyes, guards.

In a close basketball game the Normal girls defeated the ex-Normal team by a score of 10-8 at the Normal gym. last night.

# Soccer Now Major Sport

## University Boys Taking to Game

Soccer is making great headway at the University this year and it is very likely that the winter pastime will become a major sport, on a par with rugby, in the near future. The Varsity boys have got a large following from the soccer-loving public in Vancouver, especially now that they are within a point of leading the league first division.

Starting late in the season of 1920-21 as a second division team, the Collegians won the admiration of officials and soccer fans alike by willingly forfeiting the games that they had missed so that they would not interfere with the league schedule. This showed that the "rah rah" boys were playing the game for the game's sake, something that they have lived up to ever since. Though they did not win the league in the 1920-21 season, the Collegians showed their worth by going into the semi-finals of the Mainland Cup and giving the champion St. Andrew's team a good fight.

Last year, whilst still a second division team, after losing five points in the first four games, the Varsity boys won nine out of the remaining ten and tied one, and by so doing tied the Province team for league honors, and hence won their way into first division. The Collegians also won the Iroquois Cup that season; out of 21 games they scored 42 goals and had 16 scored against.

This year marks their first entry into first division, and they are as yet have only met two reverses.

### Have Fine Record.

So far the Collegians have played 13 games as a First Division team, and have scored twenty-five goals, with eleven against. Johnny McLeod is their chief goal-getter, having bulged the net on eleven occasions this season. Jock Lundie has also notched quite a few counters. The strength of the Varsity attack lies in the right wing. Rex Cameron and Johnny McLeod, of Rugby fame, form an effective combination of speed and forcefulness that has carried the team to success on many occasions. The University team strength lies in its defence. On the half-line Phillips at centre-half is a tower of strength, and Say plays a steady game. Eb. Crute and Baker form one of the best combinations of backs in the city, and have a perfect understanding with each other. Crute is a veteran player, and his long experience in soccer stands him in good stead. Baker is the captain of the team and is a brilliant player. As a goalie Mosher is probably only equalled by the unbeatable Art Cox of Cedar Cottage. It is due largely to the sensationable saves of Mosher that the Varsity team has been able to hold out opposing forward lines as often as they have.

Some of the old standbys who started playing with the team are still in action, such as McLeod, Crute, Baker, Lundie, Say and Jackson. Jasper and Wolverton, who starred with Crute originally at full-back, is now kept out of the game through injury to his leg. But Wolverton is still interested in the game, and, as president of both first and second teams, has done a lot of organizing work. In fact it is largely due to his efforts and those of Messrs. Parker, Davidson and Lloyd that soccer has made the strides that it has at U.B.C.

## Injuries Trust Fund for Varsity

### Varsity Athletes Protected Against Injury—Many Have Received Assistance

THE Injuries Trust fund of the Students of the University of B.C. will soon be put into active operation. This fund is organized to provide for the medical treatment of the students injured in any of the student activities such as rugby, soccer, and other athletics.

This fund of \$500 is made up of setting aside twenty per cent. of the total net receipts from the subsidiary organizations to the Alma Mater Society.

The first set of claims are for a total of \$185.50—to be paid to Cliff Mathers, Gee Ternan, "Cy" McLane, Claire Dominey and Harry Purdy, who were injured in rugby, Stan Say, and Quanton of the soccer clubs, and Lacey Fisher, of the basketball club.

With the Trust Fund meeting the claims of those injured while playing for the college those who are unfortunate enough to be injured will not have to stand the financial strain also.

### U. B. C. DANCE TONIGHT

Members of 'Arts 26 will entertain this evening at their annual class dance at the U. B. C. Many special features in the way of entertainment and decorations have been arranged by the energetic freshmen whose party will be honored by the patronage of Dr. G. G. Sedgewick, honorary president of the class; Mrs. Sedgewick, Prof. and Mrs. H. T. Logan and Miss Mary L. Bollert, M.A. The following class members are in charge of arrangements: Miss Roberta Thurston, Miss Gertrude McInnis, Miss Jean Faulkner, Mr. Walter Patrick, Mr. Edwin Darts and Mr. Wm. Sparks.

### "U" Club to Present "You Never Can Tell"

The Players' Club of the University of B. C. have decided that their spring production will be "You Never Can Tell," one of George Bernard Shaw's earlier plays. The cast will be: Mother, Miss Bea Johnston, nursing '25; father, C. Y. Robson, Arts '25; Gloria, Miss E. Somerset, Arts '23; Valentine, J. Clyne, Arts '23; Dolly, Miss Beth McLennan, Arts '23; Phillip, T. Taylor, Arts '25; Bohun, E. Chamberlain, Arts '26; waiter, Neil McCallum, Sc. '23. The date for the play has not yet been set but will be some time in the latter part of March.

## Varsity Ruggers Will Perform At Home Saturday

Varsity McKechnie Cup ruggers will be back on home ground for the first time in several weeks when they face Cowichan at Brockton Point Saturday afternoon. The University boys are at present leading the league, having yet to taste defeat. Cowichan took a terrific beating from the Reps on their last visit here and it is expected that the Varsity will have little trouble in defeating them. Still the visitors are all good sports and are sure to do their best to give the "Rah Rah" boys their first setback.

The Varsity third fifteen and the reorganized Commerce second team will battle in the opener Saturday at Brockton Point. Their game is scheduled to start at 1:30, while the senior match will begin promptly at 2:30. If possible the Rowing Club third team will play their twice postponed match at King Edward grounds Saturday.

Practices of both the Rowing Club seconds and Rep teams will be held in the Horse Show building tonight, the former at 5:30 o'clock and the latter at 6:30. The following players are asked to turn out for the rep practice: Hal Gwyther, Muir Keeling, Hunter, Pinkham, McWhinnie, Waters, Lord, Winch, Tyrwhitt, Marshall, Lawson, McKenzie, Thom, Decker, Hess, Casey Clark, Cam Stuart, Sherwood, Donaldson, Fraser, Don Clark, McFarlane, Wilkinson.

## U. B. C. STUDENTS CHOOSE OFFICERS

The Musical Society of the University of B. C. held an election at their regular Tuesday rehearsal to fill the vacancy caused by the resignation of the secretary, Mr. J. Harkness, and the treasurer, Miss Wilma Morden. Mr. Gerald Kerr was elected secretary and Miss F. M. Aske treasurer. The society plan to hold a series of fortnightly recitals, consisting of lectures illustrated by music, starting early in February, and are now practising hard both for this and the annual spring recital.

The resignation of Mr. Al. Buchanan from his position as marshal was accepted with regret by the students' council. Mr. Buchanan found that he was unable to cope with the work of the office along with his studies. The nominations for the vacancy close on Friday.

The Engineering Discussion Club held their regular weekly meeting on Tuesday noon. Mr. Jenkins, Sc. '23, gave a talk on the "B. C. Saw Mill."

The chemistry society held its regular meeting on Tuesday evening, when the subject "Chromatic Emissions" was taken by Dr. Marshall in his interesting lecture.

## Varsity Ready for Islanders

Students in Fine Condition for  
McKechnie Cup Tilt—  
The Lineup

Varsity ruggers are in fine fettle for their McKechnie Cup match with Cowichan at Brockton Point on Saturday afternoon. The game is being called for 2:45 o'clock instead of an earlier hour to give the fans plenty of time to get to the Point. The Students will be without the services of Gee Ternan and Penwell. Their places will be filled by Gyles and Lewis, respectively. It will be the latter's first appearance with a McKechnie Cup team.

Here is the Varsity lineup: Full-back, Dominey; three, Palmer, Gyles, Lewis, W. Cameron; five-eighths, Buchanan, Purdy; half-back, R. Cameron; forwards, Hodson, Gregg, Gwyther, Gunning, Carlisle, Ramsell, Greggor.

Bank of Commerce intermediates stack up against Varsity III in the first match at 1:30 o'clock. The Bankers will line up as follows: McDonald, McDermot, S. Boyd, Fraser, Fullerton, Martin, Boyd, Keeling, Sarel, Halse, Harvey, J. McCreery, W. McCreery, McLean and Downey.

## Arts '25 To Entertain At "U." Auditorium

The members of Arts '25 of the University of British Columbia will entertain at their annual class party in the University auditorium this evening. Those who have kindly consented to act as patrons and patronesses for the affair are Dean and Mrs. H. T. J. Coleman, Mrs. W. H. Woods, Professor F. Woods, Miss M. L. Bollert, M.A., and Dr. T. Boggs.

The members of the various committees have worked hard to make the affair as great a success as last year. Miss Grace Smith and Mr. "Brick" McLeod are looking after the refreshments. The decorations committee is composed of Miss Helen McGill and Mr. Wilfred Kelly, and the entertainment committee includes Miss Doris Shorney, Mr. Shore and Mr. Kenneth Schell.

Palms and artificial trees will be used to decorate the auditorium. In the centre of the hall a model of the proposed university building will be on exhibition. During the evening a skit burlesquing the Christmas plays will be staged. Supper will be served in the cafeteria.

## Pentathlon System Will Be in Force

Any Athlete Breaking Record  
Will Receive Letter—Latest  
News in Track Circles

At a meeting of the U. B. C. track executive, the Collegians talked over the plans for the coming annual inter-class track meet and relay to be held this spring. February 28 was set for the Arts '20 relay, and two weeks later the track meet, the idea being that the relay would serve the purpose of getting the men into trim. A week after the relay the eliminations for the track meet are to be held and all preparations will be made for what is expected to be the best track meet yet on March 14.

Every precaution will be taken to make the meet a success and if the weather is wet, as was the case in the two former years, the meet may be postponed till the week following.

### Records Will Go.

There has been quite a revival in track enthusiasm at Varsity this term and it is expected that most of the old records will go by the boards. Some new events were proposed at the executive meeting and the Pentathlon all-round championship was suggested by President E. Hope and met with decided favor.

Formerly the all-round champion won his points out of any events he chose. By the Pentathlon system, which is in vogue in most of the American colleges, there are five events that he must go in for, including a sprint, a distance run, a jump, a weight event and one other event he may choose. The advantage of this system lies in the fact that the man who wins the Pentathlon is decidedly a better all-round man than for instance a man who grabs fifteen or so points in weight events and jumps alone. Formerly the distance runner was under a decided handicap in trying for the aggregate because of the stamina it requires to run a distance event as compared with a sprint.

### May Substitute Javelin.

It was suggested at the meeting to cut out the hop-step-and-jump, in that it was not a standard event, and substitute the javelin, which is becoming very popular in United States and British colleges.

The track men are going to have a general meeting in the near future and go into these questions in detail and make such alterations as necessary to the constitution. Hope is getting George Goulding to address the

## Ex-King George Boys Step Into Tie By Victory

Ex-King George intermediates stepped into a tie for first place with the Bluebirds for the leadership of the intermediate division of the V. A. I. H. A. by handing a 4-0 shutout to the newspapermen in the final encounter of the evening. Both teams now have seven points although the students have one more game to play while the Birds have finished their schedule.

The Varsity garnered their first win of the season in the intermediate division last night when they bested the Towers 3-1 thus preventing the junior champions from stepping into a three-cornered tie for first place.

R. Clarke, Bill Henderson, Russ Selman and Ced Gyles each scored once for the Ex's against the Bluebirds last night.

The standing is now:

	P.	W.	L.	T.	Pt.
Ex-King George	5	3	1	1	7
Bluebirds	6	3	2	1	7
Towers	5	2	2	1	5
Varsity	6	1	4	1	3

One game remains to be played, between the Ex-King George and Towers. These teams have met once before and on that occasion the students lost 1-0 but were playing without the services of two of their best players and the game next week should be a very even affair.

## Hornets To Play Varsity Fifteen At Point Saturday

Nanaimo Hornets will oppose the Varsity in a McKechnie cup fixture on Saturday afternoon at Brockton Point, it was announced at the weekly meeting of the Vancouver Rugby Union held last night. The islanders have greatly improved since their last appearance here and some good rugby is expected. The game will start at 2:45 and Mr. R. C. Cooper will referee.

The Vancouver "rep" team will meet the Varsity on February 24, one week sooner than called for by the original schedule.

The newly organized Shamrocks will make their initial appearance on Saturday, clashing with the Rowing Club at 1:30 in the curtain raiser.

The Vancouver representative team will hold the usual practice tonight at 6:30 in the Horse Show building and the following players are requested to turn out: Keeling, Hal Gwyther, Muir, Tyrwhitt, Winch, McWhinney, Pinkham, Hunter, Lord, Marshall, Waters, Lawson, McKenzie, Thom, Hess, Donaldson, Decker, Cam Stuart, Casey Clark, Don Clark, Fraser, Sherwood, McFarlane, Wilkinson.

# Cowichan Beaten by Students

## Varsity Shut Out Islanders By 27-0 Score—Play Even First Half

**A**FTER holding Vancouver to three points in the first half Cowichan dropped off in the second half of Saturday's McKechnie Cup rugby fixture at Brockton Point and when the final whistle blew, Varsity were resting on the long end of a 27-0 score. Cowichan was a far different team from that which took a 68-0 beating from the Vancouver Rep fifteen and fought every inch of the way, the defense especially showing considerable improvement.

### Islanders Start Well

Varsity did not overwork themselves at any stage and were continually trying to use their three-quarters. It is through their back division that Varsity must defeat the Rep team when they meet again, and this is the reason that the backs are being given all possible work.

During the first-half the Cowichan ruggers stood up well beneath the Varsity attack and even excelled in the dribbling. Their teamwork, however was no equal for that of the students. After repeated close shaves for the visitor's line, Greggor managed to fight his way over for the opening score just before the period closed. Val Gwyther missed the convert.

### Second Half

After the interval the points began to pile up in quick succession and Gyles, Gregg, Gunning, Cameron, Ramsell and Gregg scored in succession. Gwyther converted three times. The last try of the game which Gregg scored brought the prettiest passing bout seen here in some time, nine men in all handling the ball. The run started with Scott and after that the ball travelled as follows, to Buchanan to Purdy to Gyles to Lewis to Palmer to Gunning to Purdy to Gregg. Every pass was clean and the run which was about 35 yards, carried crisscross across the field and then back to centerfield.

The work of Edwards and McNaught again proved the bright lights of the visitor's play. The former played a beautiful defensive game while both his kicking and that of McNaught had much to do with the strength of Cowichan. Bill Cameron played a hard tackling and heady game. The work of Bill Scott, who was doing two men's work, as the Varsity was only using one half back, was another feature of the match. Gunning was good in the scrum. Al Buchanan worked hard at five eighths, but the visitors were marking him and he did not get many chances to get away. Dominie was kicking well at full back. He also made a couple of pretty runs.

The line-ups: Varsity—Dominie, Palmer, C. Gyles, Lewis, W. Cameron, Purdy, Buchanan, Scott, Gregg, Hodson, Gwyther, Greggor, Gunning, Carlisle and Ramsell; Cowichan—Jackson, Edwards, S. Matthews, Davis, Parker, McNaught, Danny, Duke, A. Matthews, Wilkinson, Ackland, Gore-Langton, Olson, Steves, Stevens, Topley.

Referee—Col. Cooper.

### Curtain Raiser Cancelled

When Varsity III. was unable to raise a team, the first game, which was to have been between the Students and Ex-Bank of Commerce fifteen, was called off.

# MEMBER INVITED

## TO LION'S DEN

W 22-1-23

The students of the University of B. C. have invited Canon Hinchliffe, M.P.P., to address a mass meeting on "History Textbooks." Canon Hinchliffe has been making attacks on the history of textbooks used in the University and has consequently aroused considerable interest among the students on this point. The Ubysses, the college weekly, has come out with a vigorous counter-attack charging that the canon "has had opportunity of informing himself accurately on the matter, yet by failing to come for this information to the only men who are able to give it to him, he has not availed himself of the opportunity." The weekly also states that the students are indignant at the claim that they are becoming "Americanized" and strongly resent the statement. Canon Hinchliffe has accepted the invitation and will speak before a mass meeting on January 26.

The debates teams to represent the University of B. C. against the University of California have been chosen and the men are already preparing. Mr. Lorne Morgan and Mr. C. W. Hodgson, both of Arts '24, will travel to Berkeley, California, and Mr. H. Graver, Arts '25; and Mr. J. C. Wilcox, Agriculture, will meet the California team at home. The subject for debate will be "Resolved that France was justified in the occupation of the Ruhr Valley." The debates will take place in about five weeks.

At the regular meeting of the Men's Literary Society, Arts '24, represented by Messrs. Goodwin, Burton and Miller, were defeated by the Y.M.C.A., who were represented by Dr. Guy, Mr. Arnold and Mr. Borrie. The Y.M.C.A. team came from Mr. Baines' class in public speaking. Dr. Sedgewick gave a short talk criticizing the various speakers and giving the considerable helpful advice.

## Arts 23 Are Women Champs At Swim Meet

W-25-1-23

Nosing out U.B.C. Arts '26 by the margin of 2 1-2 points, Arts '23 captured first honors at the swimming meet for women held in Chalmers tank yesterday by the U. B. C. girls, with a total of 13 1-2 points. All the contestants finished closely bunched, the others finishing behind the winner as follows: Arts '26, 11 points; third, Arts '24, 10 1-2 points; fourth, Arts '25, 8 points.

Mary Chapman was high scorer of the meet, with 7 1-2 points, gained through a first in the 50 yards free style, a second in the diving, and tie for first in the 50 yards back stroke. Phyllis Edgell netted 4 points for the Arts '24 group, while Margaret McKechnie and Beth Tingley swam well in Arts '26 colors.

The following are the results of the races:

Plunge for distance—1, Frances Gignac, Arts '25; 2, Muriel Senton, Arts '26; 3, Dorothy Holmes, Arts '24. Distance, 48 1-2 feet.

50 yards, free style—1, Mary Chapman, Arts '23; 2, Beth Tingley, Arts '26; 3, Phyllis Edgell, Arts '24.

50 yards, breast stroke—1, Sylvia Thrupp, Arts '25; 2, Gladys Weld, Arts '23; 3, Fern James, Arts '24.

Diving—1, Phyllis Edgell, Arts '24; 2, Mary Chapman, Arts '23; 3, Margaret McKechnie, Arts '26.

Relay—1, Arts '26; 2, Arts '23; 3, Arts '24. The winning team was composed of Margaret McKechnie, Muriel Senton and Beth Tingley.

50 yards, back stroke—Mary Chapman, Arts '23 and Eloise Angell, Arts '24, dead heat, 2 1-2 points to each; 3, Sylvia Thrupp, Arts '25.

## Aggies Will Be Hosts At Sixth Annual Hop

The sixth annual dance of the Agriculture Undergraduate Society of the U. B. C. will be held in Lester Court this evening, from 9 to 1. This is one of the three major dances of the college year and high expectations are held of a very successful affair. Mr. J. J. Woods, president of the Agriculture Undergrads, with the executive, has been in charge of the arrangements. The patronesses for the evening are: Mrs. L. S. Klink, Mrs. F. M. Clement, Mrs. P. A. Boving, Mrs. H. M. King, Mrs. A. F. Barss, Mrs. A. E. Lloyd, Mrs. W. Saddler and Mrs. R. P. McClennan.

## Champions Overwhelm King George

### Towers Four Goals Up in the Junior Series—Bluebirds Wallop Varsity 10-2

**T**OWERS JUNIORS stepped into a four-goal lead in the two game series for the junior city hockey championship with the Ex-King George team in the opening match at the Arena last night, by handing the former students a 4-0 trimming. Despite the one-sided score the game was very even. Both teams hit up a terrific clip all the way, never allowing the pace to slow up.

The Elks had slightly the better of the first period, but could not score. The Towers were unable to find the nets either. The second period was a ding-dong battle with honors about even. The Towers were finishing their work better, however, and Glen Hope was able to count twice during this frame. The junior champions went back on the defence with occasional rushes at the start of the last stanza and the King George threw everything into the attack, weakening their defence to such an extent that Glen Hope and Buster Pennock both slipped through and scored for the Towers to bring the score to 4-0.

Although King George had a fifty-fifty split on the play their shooting and work around the nets was very weak, while the Towers were shooting dead on and following in fast all evening.

### Bluebirds Win

Bluebirds captured the first game of the intermediate finals by the one-sided score of 10-2. Varsity were the newspapermen's victims.

Starting with three goals in the first period through Davis (2) and Johnston, the Bluebirds added four more in the second stanza by Barkwell, C. Murphy and Demidoff. The latter goal was scored when Clarke batted and the puck from a scrimmage in front of the Varsity net and Demidoff in attempting to clear, accidentally diverted it into his own net. McPherson got Varsity's first goal in the second period. McCutcheon for Varsity and Barkwell, Davis and Morrow for the Bluebirds were the scorers in the last period.

Brock refereed the junior match and Skee Scott the intermediates.

### U. B. C. To Meet Washington "U" Puckchasers

SEATTLE, Feb. 2.—The Universities of Washington and British Columbia are to play two games of hockey, one here a week from tonight and one at Vancouver February 16. These are said to be only collegiate institutions on the Pacific coast having hockey teams. Washington won both games of a similar series last year, but is rated less strong than it was then.

HALIFAX, Feb. 6.—A telegram to the sporting editor of the Herald from Vancouver states that the University of British Columbia English rugby team are anxious to play in the Maritimes, and suggests that a series of games might be arranged to be played at Fredericton, Sackville, Wolfeville, Halifax, Antigonish, New Glasgow and Charlottetown. The telegram suggested that the visiting team could arrange games en route at Edmonton, Toronto and Montreal. The Herald sporting editor said he would take the matter up with the Maritime Rugby Union.

### Varsity Swimmers to Perform

Gala Is on Cards for Feb. 28  
—Limited to Eighteen  
Years of Age

A DUAL swimming meet between teams representing the Vancouver Public and High Schools and the University of British Columbia has been arranged under the auspices of the Vancouver Amateur Swimming Club in an effort to foster swimming competitions among the younger people of the city. The gala will be held in Chalmers tank on February 28.

Entrants in this meet are limited to students of either sex under 18 years of age and must be bona fide students of the school they represent.

Members of the teams will be selected at eliminations to be held on February 14 and February 21 at 8:30 sharp. On the first elimination night contenders for the long plunge, 100-yard breast stroke, and the 50 and 100-yard free style will be chosen, while on the night of February 21 the fancy diving, 50 yards back-stroke, 220-yards free style and the relay races.

Charlie Hills has been appointed to manage the public schools while Norman Cox is handling the Varsity students. Several of the Varsity crack sprinters will be eliminated owing to the fact that the age limit of 18 has been placed on the competitors. This was necessary owing to the fact that the high and public school students are much younger than the collegians.

The finals will be open to the public and tickets can be obtained from Bob McMillan in the Provincial market at the corner of Smithe and Granville streets.

### Women's Conference Terminates At U. B. C.

Journalism, library work and teaching as vocations for women were discussed by experts in these branches before a large body of women undergraduates of the University of British Columbia at the closing session of the three-day vocational conference on Thursday afternoon. Miss Annie M. Anderson presided.

Dr. S. D. Scott spoke on journalism, giving an interesting and at times very amusing story of the ups and downs of a newspaper reporter, at the same time pointing out the big possibilities for the university girl graduate in this field. The interesting careers of several of Canada's pioneer women journalists were traced by the speaker, who emphasized the fact that these newspaper women received their early experience in regular newspaper offices and not in schools of journalism. Dr. Scott stated, however, that the value of courses in journalism offered by leading universities in the United States was now being recognized by newspaper men.

Miss Stewart of Victoria traced the evolution of the modern library from a place in which books were collected and conserved to the present business institution, where books are collected and used for the purpose of getting new ideas and the thoughts of ages into the minds of the public. She deemed the library as much a municipal activity as the business of street paving and street lighting, and explained the cultural and practical training necessary to the librarian who would run a modern library on sound economic principles.

"Many a woman twenty years hence will be happily circumstanced because of this first annual vocational conference," said Miss Jamieson, the third speaker of the afternoon, who presented the advantages and disadvantages of the teaching profession to her audience. Miss Jamieson urged those students contemplating school teaching to specialize in the newer branches of the profession, such as household economics, physical instruction for girls and commerce. She emphasized the value of practical training in household arts, prophesying that the time would soon come when housework would be established as a profession for women.

### University Hoop Team Is Beaten

"Y" Basketeers Come From  
Behind to Win Second  
Half—Score 25-12

AFTER the holding of the Y. M. C. A. to a 8-5 score in the first half, Varsity Senior "A" basketeers fell away in the last period of last night's Vancouver and District League fixture at the "Y" and the home squad returned winners 25-12. The league leaders were playing without the services of Captain Dode Tuck and Phipps and showed the loss, despite their clean-cut victory over the Students.

Both teams were checking hard; as the low score shows, and Referee Paul McCreey was forced to pull them up time and again. Rolston had four personal fouls called on him and was forced to retire, Solloway replacing him. Priest was the bright light of the game and was a constant thorn in Varsity's side, netting approximately half his team's baskets.

Lewis of Varsity had his ankle badly wrenched and Bassett replaced him for the remainder of the match.

The teams:  
Y. M. C. A.—Rolston, Priest, Hancock, Southcote and Watters; substitute, Solloway.

Varsity—Penwill, Bickell, Carlisle, Lewis and Currie; substitute, Bassett.

### U. B. C. Returned Men Seek Fee Exemption

Claiming that the necessity to pay fees at the university was compelling some of them to drop their year until they could earn more, returned soldier students met on Tuesday evening to protest against fees for returned men. Hon. Dr. MacLean, minister of education, will be interviewed with the idea of securing exemption.

It was pointed out that the returned men, mostly of maturer age than other students, had to earn enough during the five "holiday" months to keep them at the university during the seven winter months. In the case of some of them, fees rendered necessary another summer's work before they could go to the university, or the intervention of a year's work between each university year.

### Varsity Hockeyists Winners

SEATTLE, Feb. 10.—The University of British Columbia hockey sextette invaded the lair of the Huskies last night and took a hotly contested battle by a 4 to 1 score. Pete Demidoff and Jack McPherson were the flies in the Washington ointment. The Huskies were unable to penetrate the three-man defence of the Canadians.

During the first five minutes the Huskies were the aggressors, when the powerful defence work of George McCutcheon had a telling effect.

McPherson and Demidoff cut loose with a smoky passing formation that completely bewildered the Huskies and scored directly in front of the nets, making the first counter for British Columbia. Demidoff scored the winning counter of the game two minutes later on a remarkable angle shot that was impossible to save.

Washington: Zwickley, McKenzie, Purcell, Goff, Quinlivan, Rowlands. Subs, Wong, Lindsay, Wright.

U. B. C.: Stoodley, Colton, Lipsie, McPherson, Demidoff, McCutcheon. Subs., Newmarsh, Morgan.

#### Goal Summary

First period—1, U. B. C., McPherson, from Demidoff, 7:36; 2, U. B. C., Demidoff, 2:38.

Second period—3, U. of W., Goff, from McKenzie, 11:32.

Third period—4, U. B. C., Demidoff, from McPherson, 12:29; 5, U. B. C., McCutcheon, 1:22.

## Thirty Varsity Men Will Receive Big Block Letter

Regulations Regarding College Letter Laid Down At Meeting of U. B. C.—Soccer Will Form Major Sport in Future.

NO LESS than thirty men will receive their big block letter at University this year according to the decision handed out at a general meeting yesterday. Soccer is now a major sport as well as rugby. Last year there were only about half of this number that received their big letter, but the tremendous popularity of soccer and the great strides made in this line of sport in the last two years have made it imperative that the soccer men receive higher recognition in order to foster the game.

The all-around Pentathlon track champion will receive his big letter, but it was decided not to give the aggregate man his big letter, but that any man obtaining over seven points individually, receive a small block letter. Any man on a winning inter-collegiate relay team is to receive a big block letter. The small letter will be conferred on the winning relay men in outside competition other than collegiate. A plain letter is to be awarded to members on any relay that competes out side competition whether they win or lose. Plain letters will not be awarded to the winners of the Arts '20 relay as last year.

There was considerable controversy over the playing of Johnny McLeod in the Mainland Cup compe-

W. 9.2.23

tion as the player in question is a graduate and not a bona fide member of U.B.C. The playing of McLeod is contrary to the constitution of the University, which says that only actual members attending lectures are eligible. But the exceptional circumstances of the soccer team in having only a limited number of players registered in the Mainland competition was taken into consideration, and the soccer club were given permission to play McLeod on Saturday against St. Andrew's in the Mainland Cup, but not in the league game. McLeod is now in the Okanagan.

The soccer team welcomed this decision and they will now be able to turn out in full force against the Saints on Saturday.

## Arts '25 Victors At Soccer

W. 9.2.23

ON ACCOUNT of the heavy conditions of the grounds at the U. B. C. the athletic executive decided to start inter-class soccer before rugby, as the former sport is a somewhat less strenuous pastime, and there will be less danger of injuries. The first game took place yesterday afternoon, when Arts '25 defeated the Arts '24 aggregation by the narrow margin of a single goal. The score was 1 to 0.

Although the grounds were almost unplayable, both teams agreed to turn out, as the executive are anxious to wind up the inter-class competition before exams.

Good soccer was, of course, impossible, but the game was not devoid of thrills, and the issue was in doubt right up to the final toot of the whistle. Pete Palmer of rugby fame scored the only counter of the game at the end of the first half. From then on the '25 men played a defensive game, and Lorrimer Baker, who played on the forward line in the first half, fell back to the full-back position and frustrated the efforts of the Arts '24 forward line. Jock Lundie at centre for the '24 men, was a source of danger to the opposition, but his efforts to score failed largely through lack of support.

The rest of the first round of the soccer will be played next week—Science '25 vs. Science '26; Science '24 vs. Science '23; Arts '23 vs. Arts '26. The Aggies draw a bye, meeting the winners of Arts '23.

## Annual Science Ball Held At Lester Court

W. 14.2.23

The members of the Science Men's Undergraduate Society of the University of British Columbia held their annual ball in Lester Court on Tuesday evening. An excellent programme of dances was enjoyed by the large number of guests. Among those present were: Miss Eileen Ballantyne, Miss Freda Edgett, Miss Orlo Hood, Miss Edith Knowling, Miss Helen Hood, Miss Mary Martin, Miss Beth Tingley, Miss Gladys Weld, Miss Evelyn Eveleigh, Miss Frances Cowan, Miss Doris Ford, Miss Edith Lockard, Miss Rena McRae, Miss Phyllis Edgell, Miss Maxine Elliott, Miss Mamie Edwards, Miss S. Murphy, Miss Kirsteen Leveson, Miss Isabel McKinnon, Miss Carmen Mathers, Miss Margaret Conlan, Miss Ruth Fraser, Miss Addie McClay, Miss Catherine Maynard, Miss Willow Ross, Miss Nellie Jones, Miss Ivadeje Hyland, Miss Lillian Broadfoot, Miss E. ## SOPHS DEFEAT SENIOR IN TALK ON RUHR ISSUE

W. 9.2.23

Interclass debates produced some interesting results last night. After a lecture by Prof. E. A. Eoving on "Turnips and Immigration" before the Agriculture Discussion Club, the sophomores met and defeated the seniors in debate on "Resolved that the French are justified in their occupation of the Ruhr Valley." Mr. Lyle Atkinson and Mr. A. Laing represented the sophs. and Mr. W. J. S. Pyc and Mr. Gordon Landon the seniors. The judges were Professors McC. Jones and King.

Arts '25 entered into the finals of the interclass debates for the women by defeating Arts '26. Arts '25, represented by Helen McGill and Phyllis Gregory, took the affirmative of "Resolved that the African colonies taken from Germany by the Treaty of Versailles should be returned to her under German mandates," and Arts '26, represented by Helen Dobie and Myrtle McCaslin, upheld the negative.

The second of the debates of interclass series took place in the university auditorium on Thursday night, when Agriculture defeated Arts '24. Messrs. A. Zond and E. C. Hope of Agriculture upheld the affirmative of "Resolved that the Canadian government's present immigration policy is in the best interests of the Dominion." Mr. L. Wheeler and Mr. Harold Cantelon upheld the negative for Arts '24.

The debate was of international debates calibre and was very close. Prof. M. Y. Williams, on behalf of the judges, gave the decision stating that the judges were unanimous in their decision in favor of the affirmative.

Arts '25 will now meet Arts '21 in the final debate for the women's debating cup.

Mr. J. S. Burton, Arts '24, has been appointed debates manager to replace Mr. C. W. Hodgson, who is taking part in the international debate with California.

## First Annual Varsity Regatta On Saturday

W. 16.2.23

The Rowing Club of U. B. C. holds its first annual regatta on Saturday, Feb. 17 at 1 p.m. The large number of entries has necessitated an early start, and the lapstrake fours will start the proceedings. The Varsity eight will turn out for a short row. The Inter-Class local boat races will then take place, the boats to have lady coxswains. The last event will be a race over a 3-4 mile course, between Varsity and Senior Junior fours.

A committee of judges from the Vancouver Rowing Club will be on hand. A dansant at the Vancouver Rowing Club gym. will wind up the regatta.

## Varsity In Finals For Cup

W. 12.2.23  
Students Defeat Saints at  
Soccer After Two Overtime  
Periods—Score 2 to 1

THE Varsity soccer team advanced to the final round of the Mainland Cup competition when they defeated the St. Andrews eleven by a score of 2 to 1 after a thrilling overtime game at Athletic Park Saturday afternoon. The teams played fifteen minutes each way and they were well into the second overtime period when Jock Lundie scored the winning goal.

The Varsity played a world-beating game in the opening period, but fell down badly in the latter stages. The Saints lost several good opportunities to score owing to inaccurate shooting.

### McLeod Scores

Johnny McLeod, who was brought down from up-country to participate in the game, scored the first goal for the students near the end of the first period. Reid evened up the count in the second half, shortly after the start of the period.

Mosher, in the Collegians' goal, was seen at his best and stopped some hard shots from the boots of the Saints' forwards.

The Scots had everything their own way in the second period and kept a continual fusillade of shots at the students' net, only one of which found a resting place behind Mosher. Effective work on the part of the Saints' full-backs was one of the features of the game, both Crute and Baker doing some fine work.

### Ground in Bad Shape

Grounds conditions tended to slow up the game considerably as on one side of their field there was a sheet of ice, while in the centre there was water and mud on top of the hard ground. Both teams were in excellent condition for the tussle and it would have been a great deal speedier had the ground been in good shape.

A large gathering of fans turned out to see the game and the Varsity boys were especially well supplied with supporters. Craig handled the whistle.

Teams—Varsity: Mosher, Crute, Baker, G. Cant, Phillips, Say, Buckley, McLeod, Cameron, Lundie, Jackson; St. Andrews: Delcourt, Borland, Dryborough, Foulis, McKinnon, Robertson, Forrest, F. Wilson, McKay, Greig, Reed.

### Other Results

Results of other soccer matches played on Saturday follow:

#### Third Division

S. S. Canora 1, Fraser Valley 0.  
S. D. & Wright 3, Chinese Students 2.

#### Junior Alliance

Riverview Juniors 5, Auroras 3.

## Collegians Will Meet Washington

W. 16.2.23  
THE University of British Columbia, in conjunction with the Connaught Skating Club, plan to stage an ice carnival on Feb. 20 at the arena. The feature of the evening will be the return match between the local Varsity puckchasers and the Washington University squad.

The local boys took the American aggregation into camp to the tune of 4-1 in last Friday's encounter. Neither team showed the class that they did last year, but nevertheless the Collegians put up a good brand of hockey. The locals are determined to repeat their performance when the teams tangle next Tuesday at 7:45 p. m.

There will be many other attractions during the evening. The programme includes figure skating, barrel jumping and other novelty stunts. A band will be in attendance and later in the evening there will be a fancy dress ball, which will continue until 11:30. The affair should be a big success and the local students are expected to be out in full force to support their team and to take part in the evening's entertainment.

## Varsity Boxers in Fine Form

GREGGOR, Science '25, and Gunning, went into the finals in the 165-pound class in the Varsity boxing preliminaries last night with victories over Fulton, Agriculture, and Keenan, respectively. Greggor and Fulton went three extra rounds before the former finally received the decision, making a total of six rounds for the bout.

Under amateur rules a bout is of three rounds duration, and if no decision can be given then one extra round can be called, at the end of which a decision must be given. There can be no draws and the limit for a bout is four rounds.

Whatever explanation the management have for the prolongation of the bout has yet to be announced. The other 165-pound bout ended with a technical knockout in the second round, when Keenan's second tossed in the towel half way through the second stanza.

Other results were:

#### 125-Pound Class.

Brown, Arts '23, received referee's decision over Smith, Arts '25. Brown's nose was broken.

Thompson, Arts '26, defeated Wilcox, Agriculture.

Neither Craig, Arts '25, nor Irwin, Arts '26, appeared, and as a result Brown goes to the finals.

#### 135-Pound Class.

Graham, Science '23, defeated Brand, Arts '24.

Fitchett, Arts '26, defeated McNeill, Arts '23, after one extra round.

McKay, Agriculture, won from McIntyre, Arts '23, by default.

#### 155-Pound Class.

Jones, Science '23, won from Gyles, Arts '26, by default.

These preliminaries clear the way to the semi-finals, which will be held on Thursday next.

## Varsity Swimmers Given a Workout

W. 17.2.23  
Varsity swimmers hooked up in a friendly tryout with members of the Vancouver Swimming Club at Chalmers tank last night, the feature being the 220-yard event which was won by Walter Moffatt, of the Vancouver Swimming Club. Other results follow:

Plunge for distance—1, Stewardson, Varsity 2, F. McDermott, V. A. S. C.

0 yards, free style—1, B. McDonald, Varsity; 2, F. McDermott, V. A. S. C.

100 yards, free style—1, B. McDonald, Varsity; 2, G. Beddows, V. A. S. C.

Fancy diving—1, E. Whiteside, V. A. S. C.; 2, F. Newcombe, Varsity. 50 yards, backstroke—1, F. Newcombe, Varsity; 2, J. H. Camm, V. A. S. C.

100 yards, breaststroke—1, Otto Gill, Varsity; 2, G. A. Roedde, V. A. S. C.

Relay—Won by Varsity team, composed of Stewardson, E. Chapman, Gill and McDonald.

Startling Preparations to Be  
Made for Final Cup Game  
—Theatre Night

W. 17.2.23  
The students of the University of B. C. have chosen Thursday night, Feb. 22, as their annual theatre night. At an Alma Mater meeting on Friday, plans were laid for what is hoped will be the most successful theatre night yet. The marshal, Mr. Jack Lundie, says that "Scotty" Rushbury's Paramount production will be something entirely new and decided the best yet.

The Rugby Club are making plans for a "Rough Day" on February 23 to stimulate interest for the 'Varsity. Vancouver McKechnie cup rugby game on the following day. The students will appear on that day in their oldest and most disreputable-looking clothes, and any who fail to come up to standard will be hailed before a committee and rigged up to suit the occasion more fittingly. On the morning of the game the Science Rube Band will parade the downtown area to further advertise the hardest and best rugby game of the season.

### REACH FINALS AS ORATORS

The Men's Literary Society of U. B. C. held the eliminations this week for the annual oratorical contest to be held on Wednesday, February 23. Those selected to enter the finals were: P. M. Barr, S. Kobe, A. H. Plummer, G. B. Riddehough, A. L. Wheeler and J. C. Wilcox. In the contest the speakers choose their own subjects, and the winner receives a gold medal, and the second best speaker a silver medal.

The Women's Literary Society are preparing to meet Willamette University, Salem, Ore., in international debate. Last year the U.B.C. women visited Willamette, where they lost. This year Willamette come to Vancouver on March 16. The tryouts for places on the team are to be held on Tuesday afternoon.

**Varsity  
 Basketers  
 Win Pair**

**T**WO University basketball teams, the ladies' senior and the men's intermediate "B", had things pretty much their own way at the Normal Gym Saturday night. The former defeated the Y. W. C. A. girls, 46-12, and the latter took the Bank of Commerce quintette into camp to the tune of 40-10.

Although both games were somewhat one-sided, as the score indicates, the fans had plenty to enthuse over and a good brand of the indoor pastime was dished up.

Helen Tatlow and Eloise Angell, of the Varsity ladies' quintette, found the cage on many occasions, scoring thirty points between them. For the "Y" ladies, Misses Amy Barker and Paddy McGee scintillated.

The teams were: U. B. C.—H. Tatlow, I. McKinnon, E. Angell, G. Weld, D. Lee; Y. W. C. A.—P. McGee, A. Barker, R. Bolt, P. Rushbury, H. Whitehead.

In the boys' game McKenzie of Varsity, was the star of the contest, and bids fair to be one of the city's premier hoopers on his present form. He found the net basket on fourteen occasions for his team and bewildered his opponents with his speed and accuracy of shooting. The losers put up a good fight but from the outset were seldom in the picture. McLean and James showed up well at certain stages of the game for the Bankers. Grauer of U. B. C., was forced to retire through injury in the last stanza, but his place was well filled by Porter.

The line-ups: U. B. C.—Harvey, Gross, Boomer, Grauer, McKenzie and Porter; Commerce—McLean, Johnstone, Scamlen, James and G. McLean.

**Rugby Fans Expect to See  
 First Game at Point in  
 Several Weeks**

**T**HE Vancouver and Varsity rugby squads will clash in a McKechnie Cup fixture on Saturday at Brockton Point, and this is expected to be one of the best games this season. These two teams have met once before this season and the Varsity won. So far the students have won all their games, while the only one that the rap team lost was the one to the students. A hard battle is expected Saturday.

There will be a practice for the representative team tonight at 5:30 in the Horse Show Building and the following players are urgently requested to turn up: Muir, Keeling, Hal Gwyther, Tyrwhitt, Winch, Hunter, Pinkham, McWhinney, Waters, Lord, Marshall, McKenzie, Lawson, Thom, Decker, Hess, Sherwood, Fraser, Cam Stuart, Casey Clark, McFarlane, Donaldson, Don Clark, Wilkinson and Goodacre.

**Science In Finals  
 Of U. B. C. Debate**

Science went into the finals of the series of interclass debates for the shield by defeating Art's 25 last night in the University auditorium, and will now go against the winners of the Art's 23—Agriculture debate. The winners, Mr. Frampton-Cook and Mr. Frank Charney, upheld the affirmative of "Resolved that the building of the Second-Narrows bridge is in the best interests of North Vancouver, Vancouver and the surrounding district."

The negative was taken by Mr. Roy Grey and Mr. Eric Dunn of Art's '25.

 tion—Science '23 Win**

**S**CIENCE '25 put a kink in the cup aspirations of Science '24 in the Inter-Class competition now going on at the U. B. C., when they took the point leaders into camp by a 3-1 score, eliminating them in the first round of soccer. Science '23 whitewashed Science '26, scoring six goals, whilst their opponents were unable to bulge the net on any occasion.

The first game was played at Heather Park, and was by far the best game of the two. "Plug" Greggor, of rugby fame, scored first for the '25 men, followed closely by Bobby Jackson, giving his side a two-goal lead at the interval.

In the second stanza Gee Tiernan showed his ability to boot the ball as well as the oval, and went through with a good individual rush, scoring the only tully for '24. Greggor then put the game on ice for his side by scoring what proved to be the last goal of the game, giving the '25 squad a two-goal lead over the losers.

The winners were fortunate in having three of the first team soccer players on their team—Cant, Mosher and Jackson—who were a big factor in winning the game for their year.

The Science '23-'26 game was played at King Edward campus and was a one-sided affair, as the score indicates. Gunning played a star game and bagged three counters for '23, one in the first period and two in the second. Rex Cameron netted the pigskin on two occasions in the last half and Forrester went through for the last goal within a minute from time, when he rushed the '26 goalie off his feet. Phillips played a great game for the losers and Ray scintillated on the defence for the winners.

On Thursday Science '23 and Arts '25 will clash; and Arts '23 and Arts '26 will also hook up. The executive are running off two games at once at different places in order to catch up time lost during the bad weather.

 Before the U.B.C. Agriculture Discussion Club meeting on Wednesday evening in the auditorium, K. Caple, W. Cameron, Mr. C. Barry and Mr. W. Gough gave five minute speeches on various subjects. The meeting then took the form of a mock parliament. Mr. J. J. "Chink" McKay, was charged with entering Canada without paying the head tax. Mr. H. C. McCallum defended him and Mr. E. C. Hope was the counsel for the crown. Mr. A. E. Ogilvie, the judge sentenced him to deportation when found guilty by the jury.

 Hold Theatre Night**

W-23-2-23  
 The students of the University of B. C. held their annual theatre night at the Orpheum Theatre last night and enjoyed one of the best shows yet. Combined with the usual show were the skits of the faculties of Arts, Science and Agriculture and a one-act play as the main feature of the U. B. C. performance. The act was entitled "Poor Old Jim" and the parts taken were: "Marie," Miss Constance Peters; "Paul," Peter Palmer; "Jim," Lacey Fisher. A number of new yells, led by the yell king, "Erick" McLeod, and songs by Sperry Phillips, added considerable "kick" to the evening's entertainment.

**Freshmen  
 Whitewash  
 Seniors**

**T**HE Freshmen blanked the seniors of Arts '23 in a hard fought soccer game at the Varsity campus yesterday afternoon, winning by a 2 goal margin. Both goals were scored in the first half. T. Underwood scored the first goal on a good shot some distance from the goal mouth.

The second counter came toward the end of the first stanza when Giovannoni bulged the net with a hard shot from close in that gave the '23 goal no chance to save.

The losers' net minder played a fine game in the last half, and it was due largely to his efforts that the winners did not score again in the latter stages. The '23 halves were weak and the forward line never seemed to get going whilst the winners won largely on the combined attack of their goal getters.

All inter-class operations with regard to football are suspended until after the big annual classic the Arts '20 relay which is to be run in from Point Grey on Wednesday next. The day after the relay the Aggies will meet the Freshmen and then the semi-finals will be staged in soccer. So far Arts '25, Science '25, Arts '26, Agriculture, Science '23 are left in the competition.

## Varsity Enthusies Over Race

*W-27-2-23*  
Biggest Event in College Year Taking Place Tomorrow in Relay Race

**T**OMORROW afternoon one of the biggest events of the college term will take place at the University, the occasion being the fourth annual Arts '20 relay race from Point Grey to the present site on Tenth and Willow. The distance is about seven and one-half miles, and is divided off into eight laps of varying lengths, the shortest ones being those with the steepest grades. This variance in length of laps gives a chance for good generalship, the placing of the men being a big factor in the winning of the event.

There will be nine classes in the big road race, four Arts teams, four Science and one from Agriculture, making a total of seventy-two milers. The Aggies won the event last year and are favored to repeat again, but Science '23 are expected to field a very strong team and may nose the farmers out. The Aggies are fortunate in having the services of some of the best of the University distance men, Hope, Russell, Luyatt, Buckley and others.

From present indications the Sophomores are the strongest Arts team in the field and may surprise some of the other teams. They have Pete Palmer of rugby fame, and the two Arkley brothers, who starred in distance events when at High school. Whatever the outcome, the race promises to be the best yet and excitement will run high at U. B. C. as the result of the different laps are phoned in at various points on the route, and posted on a big notice board near the finish of the race.

This will be the fourth year that the race has been run and the officials are expecting the record of Science '24, that of 36 minutes 23 seconds, to take a tumble this year. They claim that the standards of the U. B. C. distance men have been raised considerably since 1921, when the record was made.

Doctor Davidson will start the race off at Point Grey site at 4 p.m., and the runners will finish along Twelfth Avenue and Willow about 4:30.

## JAPANESE WINS ORATORY MEDAL

*V-1-3-23*  
An eloquent appeal by a Japanese for the exclusion of Orientals from Canada won the university oratorical gold medal for oratory in a contest at the U. B. C. on Wednesday evening. The winner was S. Kobe, of Arts '25. The silver medal went to A. L. Wheeler, Arts '24, who spoke on "Students and Internationalism." Mr. Kobe's subject was "East is East and West is West."

Kobe is the second Oriental student to win the oratory medal at the university, the first being Ingls Hosang, a Chinese student.

Judges at Wednesday's contest, held under the auspices of the Men's Literary Society, were Professors T. Larson, Dr. A. S. B. Clark and G. H. Christie.

### Women Undergrads Entertain Faculty

Mrs. R. F. McWilliams of Winnipeg was among the guests at the charming reception held on Wednesday afternoon at the university auditorium in honor of the Faculty Women's Club when the members of the Women's Undergraduate Society acted as hostesses. During the afternoon Mrs. McWilliams gave an interesting address on "The Understanding Mind."

Receiving the guests were Mrs. L. S. Klinck, Miss Isabel MacInnis, Miss Annie Anderson and Miss Eleanor Ormrod. Presiding at the artistically appointed tea table, centred with a huge bowl of daffodils and with dainty vases of violets swathed with mauve tulle, were Mrs. F. M. Clement, Mrs. A. F. B. Clark and Miss Mary L. Bollert, M.A. Assisting in serving the guests were Miss Lucy Ingram, Miss Frances McMorris, Miss Isobel McKinnon, Miss Roberta Thurston, Miss Freda Edgett, Miss Beth Tingley and Miss Jean Faulkner.

An interesting programme included the following numbers: Piano solos, Miss Rosie Maring and Miss Nellie Harrison; vocal solos, Mrs. H. T. J. Coleman, Miss Norah Willis and Miss Kathleen Peck.

The committee in charge of all arrangements for the reception included Miss Annie Anderson, Miss Grace Smith, Miss Roberta Thurston, Miss Rena McRae, Miss Beatrice Fordham Johnston, Miss Grace Smithe, Miss Beth McLennan and Miss Eleanor Ormrod.

### Art '25 Blanked At Soccer

#### Science '23 Add Points in Cup Competition—Freshmen and Aggies Draw

SCIENCE '23 boosted their average in the Governor's Cup competition when they blanked the Arts '25 aggregation two goals to nil, at Varsity yesterday afternoon. The Aggies and the Freshmen battled to a scoreless draw, neither side being able to bulge the net.

The first game was by far the better of the two and an excellent brand of soccer was dished up by both sides. The '23 squad scored through Cameron and Gunning a goal each in the last half. The Arts men put up a good fight and the issue was in doubt right up to time.

Lorrimer Baker was the star of the game and played wonderful soccer for the sophomores, Dean and Wilkinson, of the same side, also scintillated. Rex Cameron and Gunning were the bright lights on the winning team.

The second game was late in starting and short periods were played, two ten-minute overtime periods, and then the game was called for darkness with both teams even in the exchanges. The Freshmen played good soccer and gave the Aggies a score on many occasions. A high wind made good soccer impossible, players on both teams finding it difficult to control the pigskin. Giovandro and Stibbs player stellar football for the Arts men, whilst Fulton in goal for the Aggies and Newcombe at centre showed up well for the farmers.

### Varsity Outplays Victoria

#### Local Students Roll Up 26 Points While Islanders Make Lone Try In Series

VARSITY McKechnie Cup rugger had Victoria Rep to whet their appetites for the coming play-off with Vancouver Rep at Brockton Point Saturday afternoon, and hanhandled the visitors for a 26 to 3 victory.

Varsity did not look like the team that gave the Reps such a great battle a week ago this afternoon, and their play was replete with fumbles and poor judgment, but they were still good enough to overwhelm the Victoria squad. The Victorias were without the services of their veteran captain, Boss Johnson, and showed his loss. On only two occasions did they really threaten Varsity, once immediately after the start of the game and then again in the last half, when they scored.

#### Visitors Open Attack

Victoria kicked off and were soon pressing in the Varsity twenty-five. For a time it appeared as though they would score, but some good dribbling by the Varsity forwards relieved, and then brought the attack to the visitors' line. Gunning culminated the rush when he slipped over near the flag. Gwyther missed the kick. A few minutes later Pete Palmer scored Varsity's second try on a dashing run through the visitors' backs. Ternan failed to convert. Varsity counted once more in this frame when Al Buchanan broke away on Victoria's 35-yard line and after sprinting about 20 yards, passed to Ramsell, who tore over. Rex Cameron converted for the only completed kick of the day.

#### Islanders' Only Score

In the second period, Ramsell, Gunning, Palmer, Buchanan and Penwell scored tries for the Varsity. None were converted. Victoria's only score came when, with about 10 minutes to go, Curle dropped over from a loose scrum within Varsity two-bit. This kick also failed.

For the home squad, Al Buchanan, Pete Palmer, Rex Cameron and Gee Ternan scintillated. Buchanan played the best game of his career and was in almost every play which natted his side points. Fullback Domjnie spent a peaceful afternoon and was not called on to clear more than five times. Fullback Paddy Ryan and Humber played well for the visitors, the former kicking well, while the latter's speed showed to good advantage.

**Rah-Rah Boys Outplayed By Westminster Eleven—Only Second Defeat of Season**

THE New Westminster soccer team sprung a surprise on the fast stepping Varsity eleven when they took the Collegians into camp by a 2 to 1 score at Moody Square on Saturday afternoon. On the run of play the losers deserved a draw but the exhibition put up by them was disappointing to the Varsity soccer fans. The Suburbanites played well on their home ground and the Varsity forwards never seemed to get going in the thick layer of mud that covered the grounds.

The first goal came in the first few minutes of play, when Professor Lloyd, who was taking Rex Cameron's place, kicked an easy one at the Westminster goalie who fumbled it in the mud which was very deep in the goal area. Lundie promptly tore in and bulged the net for the Collegians. End to end play was then in order, with Varsity having the better of the exchanges. Then toward the end of the first period O'Brien sent in a hard shot from close in, and Mosher made what seemed to be a sensational save, but over balanced and in clearing carried the ball over the line, making the score one all at the interval.

On the resumption of play the Westminster squad forced the play and gave Crute and Baker, who were both decidedly off color, a great deal of work to do. The Varsity forwards on the other hand never could get going and were seldom dangerous. Just when everybody had made up their minds that the game was a draw, Blair scored a rather lucky goal that cannoned off one of the U. B. C. defenders and gave Mosher no chance to save.

The result was a decided surprise as the winners have seldom played good soccer of late, whilst Varsity has set a torrid pace throughout the season, this being only their second defeat.

# U. B. C. TO DEBATE CALIFORNIA "U"

*W. 6. 3. 2. 3*  
 The University of B. C. will meet the University of California on Wednesday evening in the only international debate this year, meeting the southern institution both at home and in California. This is the first time that the U. B. C. has met the University of California. The subject is, "Resolved that the French are justified in the occupation of the Ruhr." At home Mr. Harry Cassidy and Mr. Grauer will uphold the affirmative, while Mr. Lorne Morgan and Mr. Walter Hodgson will take the negative in Berkeley, Cal.

For the University of B. C. Messrs. Cassidy, Morgan and Hodgson are old international debaters, and Mr. Grauer, who makes his first public appearance, gives considerable promise. California will be represented by Mr. A. E. Murphy and Mr. E. E. Witkin. Mr. Murphy is California's best debater, and he has been successful against the University of Southern California, Stanford and Princeton. Mr. Witkin is in his second year and successfully debated against Stanford last year.

The public are invited to attend on Wednesday at 8:15 p.m. in the Auditorium of King Edward High School.

# TWO NOMINATED BY UNDERGRADS

*W. 7. 2. 2. 3*  
 With examinations at the University of British Columbia only five weeks away, undergrads now are interested in the annual elections for the next year. Nominations for the honorary president of the student body and for the presidency of the Alma Mater Society closed Monday. President Klinck was elected honorary president. Jack Grant, of Arts '24, and Percy Barr, of Science '24, were nominated for the presidency of the Alma Mater Society, the highest honor that a student can attain.

Mr. Grant has been the vice-president of the Arts Men's Undergraduate Society during the last year. Mr. Barr is a returned soldier and has been active in student activities since his return.

Elections will be held Monday, when nominations for secretary and for treasurer will close.

# U. B. C. DEFEATS CALIFORNIA IN DEBATE ON RUHR

*W. 8. 2. 2. 3*  
 Before a capacity house in the auditorium of King Edward high school, the University of B. C. defeated the University of California in debate on the Ruhr question.

U. B. C., represented by H. Grauer, of Arts '25, and Harry Cassidy of Arts '23, upheld the affirmative of "Resolved, that the French are justified in the occupation of the Ruhr area." California, on the negative was represented by B. E. Witkin and A. E. Murphy.

The debate was closely contested and it was only the strong and forcible rebuttals of both Mr. Grauer and Mr. Cassidy that won the debate. All the speakers were very forcible and had their points the Californians were very fluent and ably had the edge on argument, but the Californians were very fluent and able speakers and had the advantage in delivery. Mr. Murphy, of the American team, was the outstanding of the four in platform style and delivery.

The debate was judged in the new method by ballot of the audience. This plan is new both in B. C. and in California.

The audience found additional interest in the debate as each person was to be a judge and had to follow the argument carefully. The ballot gave U. B. C. 443 votes and California 261 votes.

# Science '25 Makes Gain In Race For Trophy

*W. 9. 3. 2. 3*  
 By winning 16 points at the boxing tournament held at St. George's Church gymnasium last night, Science '25 placed themselves right in the running for the Governors' Cup. Second place went to Science '23 with 13 points while Arts '23 and '24 each earned 8 points. The Freshmen hove up in the rear with three points.

Hislop, Arts '24, and Gunning, Science '23, furnished the best bout, the former winning after the judges were undecided for some time. Rex Cameron, Science '23, won from Morris, Arts '26, and in the 135-pound class Deminoff, Science '25, won from Kidston, of the same class. Ellis, Arts '23, won from his classmate, Brown, in the 125-pound class. In the heavyweight class Greggor, Science '25, defaulted to Rae, Science '23, while Davidson, Science '25, had a walkover when McLane was indisposed.

# Hunter Lewis Is Arts '23 Leader

*W. 10. 3. 2. 3*  
 Hunter Lewis has been elected permanent president of Arts '23, with Dean H. T. J. Coleman as honorary president. Other permanent officers are: Vice-president, Annie Anderson; secretary, Grace Smith; treasurer, Claude Campbell. The Arts '23 class has decided on a set of books and prints of art as their valedictory gift to be presented to the university at the first class reunion to be held after graduation.

Both the senior and freshmen are off on hikes today, the former up Seymour Creek, while the Freshies are heading west from the end of the Capilano car line.

With the election of the new president for the students' council, scheduled for Monday, both Percy Barr and Jack Grant, candidates are campaigning hard. They addressed a large meeting of students held Friday.

# Brother Bills Lose To Varsity

## Cottagers Nearly Nose Out League Leaders—Saints Lose To Newsies

**I**N the feature game of the Saturday soccer card at Athletic Park on Saturday afternoon, the Varsity eleven defeated the North Vancouver Elks by a score of 2 to 1. In the other game at these grounds the Veterans defeated the Cottagers, but the latter put up a game fight, losing out by the odd goal in 7. The ground was in poor shape and consequently the brand of soccer was not of the best.

The goals for the Vets were scored by England and Nairn in the first half, and Rennie and Kerr in the second. Irvin, by scoring two goals, and O'Donnell one, forced the Vets to their limit to withstand the rushes that were made by players of the Cedar Cottage team.

### Lundie Stars

When Lundie, star centre forward of the Varsity eleven, took a neat cross from the boot of Rex Cameron and drove the ball into the net for the winning goal against the North Vancouver Elks, the Students won a soccer game, which, despite the sloppy condition of the ground, was one of the finest of the season. The teams were tied at the end of the first half and there was little to choose between them at any time. The final score was 2 to 1.

### Saints Beaten

The Province soccerites defeated the St. Andrews eleven by the score of 2 to 1 at McBride Park on Saturday afternoon. Both teams put up a good exhibition taking the circumstances under which the game was played into consideration. The heavy wind and several puddles of water on the field marred the game to a great extent, but the teams showed good condition and stood up well.

About ten minutes after the start of the game Stewart scored for the Newspaper men, passing both of the Scots' backs and taking the ball in front of the net, beating Delcourt. With the wind at their backs the Newsies had no trouble in sweeping down on the Saints' defense and they got several good shot at the goal.

When Borland handled the ball in the penalty area Smith took a free kick and beat Delcourt with a hard drive at the net.

A free kick from the sideline, quite a piece from the net, was converted by Freddie Wilson, who sagged the net behind Hogarth with a high shot. The glaring sun caused the goalie to lose sight of the ball.

Stellar work on the part of the Province defense proved their mainstay in the second half, as their forwards could not get going owing to the sun and wind in their faces.

The second game between the Westminster United and Kitsilano ended in a scoreless draw. By the time that this game got going the wind had switched and blew directly across the field, spoiling every effort that was made and keeping the ball on the opposite side of the street most of the time. It was an uninteresting game, but the fault was not with the players.

## Attractive Gowns Feature University Play Monday Night

**A**part altogether from the cleverness of the acting, the first performance in the Orpheum Theatre on Monday evening of "You Never Can Tell" by members of the University Players' Club, was notable for the late fashion models worn by feminine members of the cast.

Miss Betty Somerset as Miss Gloria Gordon wore a very effective costume of crepe romaine in a soft shade of blue made with a circular skirt. She also wore a smart suit of homespun and a graceful frock of silk henna lace over a foundation of the same shade.

Miss Beth McLennan as Dolly in the opening act wore a very becoming girlish costume of peach crepe. Her sports costume had a plaited skirt with a knitted silk jumper in maize and white, and in the closing scene her fancy dress costume was black and red. Miss Fordham Johnson as Mrs. Clandon wore simple but attractive matronly costumes.

Among those noticed in the audience were President and Mrs. Klinck, Dean and Mrs. Brock, Dean and Mrs. Coleman, Dean and Mrs. Clement, Miss M. A. Bollert, Dr. and Mrs. R. E. McKechnie, Dr. and Mrs. S. D. Scott, Mr. and Mrs. R. P. McLennan, Mr. and Mrs. J. W. deB. Farris, Hon. Denis Murphy and Mrs. Murphy, Mr. and Mrs. Robie L. Reid, Mr. and Mrs. Campbell Sweeny, Mr. and Mrs. C. Spencer, Dr. T. H. Boggs, Dr. H. Ashton, Mr. and Mrs. H. C. Shaw, Mr. and Mrs. Stanley W. Mathews, Prof. Sedgwick, Mr. and Mrs. John Ridington and many others.

## Aggies are Beaten in Soccer

**T**HE Aggies received a setback in the race for the Governor's cup yesterday afternoon when they were defeated in an inter-class soccer game by the lowly Freshmen by a 2 to 1 score. The Aggies deserved a draw on the run of play but missed many opportunities of scoring. The Farmers broke into the score after two minutes of play when Newcombe sent in a fast shot that had the Freshie net-minder beat all the way. In the middle of the first stanza Underwood equalized for the Freshmen, when the Aggie goalie fumbled the ball.

On resumption of play the farmers pressed hard on the Art's men's goal but their forwards failed to connect when in front of the net. Les Buckley missed a great opportunity of putting his side in the lead when Ledingham, of the Freshmen, handled the ball in the dreaded area and a penalty was awarded by the referee. Buckley kicked the ball over the bar.

# U. B. C. PLAYERS RISE TO WIT OF BERNARD SHAW

W-13-3-23

## Packed House Greet Pro- duction of "You Never Can Tell" at Orpheum

Bernard Shaw sometimes reads better than he acts. In "You Never Can Tell," which was presented by the Players' Club of the University of British Columbia before a capacity and appreciative house and amid great eclat at the Orpheum Theatre last evening, he both reads and acts well. Some of those taking part rose to the responsibility of taking the part of quite artificial characters in a manner well worthy of the reputation of the Players' Club—this being pre-eminently the case in the acting of Miss Betty Somerset (who, as Gloria, the girl brought up by her mother on an ultra-modern system, was responsible for an admirable study in psychology expressed in natural acting) and Jack Clynne, the impecunious and altogether delightful young philanderer, whose easy, nonchalant acting and often instantaneous change of mood in the satirical role of Valentine, the lover, was the feature of the evening.

### SOPHISTICATED JUVENILES

Another pair, a tremendously sophisticated girl and boy in their teens, give the author an excellent vehicle for mirth-provoking lines, and the two young players, Beth McLennan and Fraser Lister, great opportunities for acting, and of these opportunities they took the fullest advantage. Mr. G. Y. Robson had a difficult role in that of the disillusioned father. His was a good 'make-up' but one never knew whether to take him seriously—especially in his really serious moments. One felt, too, that the fussy family solicitor (played by Mr. Percy Barr) was a little forced and lacked polish, though he secured a number of laughs. Miss Beatrice Fordham Johnson, as the very modern mother, who has brought her eldest daughter up on a system, only to see it topple to pieces before the "duellist in sexes" did remarkably well in a difficult role. A clever, but rather over-exaggerated piece of acting was that of Neil McCalum in the prominent role of the waiter. Mr. E. R. Chamberlain, as the bombastic K. C., whose satirical advice lends great breeziness to the closing scene, was effective. Miss Madge Portsmouth, in the slight role of maid, suggested individuality.

Professor F. C. G. Wood, the enthusiastic coach to whom the Players' Club owes so much, and those taking part deserve the greatest credit for having tackled so ambitious a play and for having carried it through without landing in any serious pitfalls. It was capitolly staged, there were no long waits, and the incidental music by Messrs. J. E. Kanta, E. Bond, Eugene Mahrer, H. Fulton, F. Fletcher, O. B. Ellis and Jack Wright, was a happy feature. Valuable work was done by Miss Kirsteen Leveson and Mr. Harry V. Warren (in charge of costumes), Mr. Alan Hunter (business manager) and Misses Muriel Evans and Eloise Angell (in the publicity department). Such a shower of bouquets was presented to the ladies at the end of the third act that the stage suggested a flower show. "You Never Can Tell" will be repeated tonight.

# Brilliant Efforts at Track Meet

W-15-3-23

## High Jump Record Is Broken by Russell and Fast Mile Is Pulled Off by Arkley

THE University track eliminations were held yesterday afternoon at Brockton Point and evidence of good track material was displayed. The Pentathlon was postponed owing to the injury yesterday of Cliff Mathers in an inter-class rugby game. The four men lined up for this event are Hughie Russell, Cliff Mathers, Doug Rac and Les Buckley.

The best feat that was pulled off at the eliminations was the spectacular jump of Hughie Russell of Agriculture, who broke his record of last year, clearing the bar at five feet six and one-half inches. Last year's record was five feet four and one half inches. Hughie did not appear to exert himself much and should do better next Wednesday in the track meet. When one considers that the height made in the Canadian championships last year at Calgary was one inch short of Russell's mark it is evident that his was a splendid performance.

### A Fast Mile.

The other record excelled was in the mile run. Carl Barton just nosed out H. Arkley in the record time of five minutes and four seconds. This record will not be accepted, however, as it was an exhibition run with only one timer. But the indications are good for the breaking of this and other records next Wednesday if weather conditions are good. Gab Luyatt of Agriculture, tied Les Buckley's record of 17 minutes and 34 seconds for the three-mile. Luyatt ran against time. In the sprints, H. Russell won his heat in the hurdles in good time.

Another event that created great interest was that of the javelin which is a new event on the programme. Lazenby of Sc. '25, won it with 127 feet 3 1/2 inches. H. Arkley ran him a close second.

In the half mile, H. Arkley came within two-fifths of a second of beating Buckley's record of two minutes 11 seconds. Arkley won his heat at two minutes, 11 2-5 seconds. Les McKay showed up well in the 440, winning his heat at 56 1-5 seconds.

### Successful Competitors

Livingstone was an easy winner in his heats in the 220 and 100 yards. Davidson, Goulding, Logan and Boving were the officials. Those qualifying for the finals in the events are:

120-yard hurdles—1, Russell, Agric., Livingstone, Arts '24, 18 3-5 secs.; 2, Kelly, Arts '25, Hyslop, Arts '24, 20 2-5 secs.

100 yards—1, Livingstone, Arts '24, Palmer, Arts '25, McCallum, Agric., 11 secs.

100 yards, second heat—Warren, Sc. '26, McKay, Agric., Smith, Arts '25, 11 secs.

Half-mile—1, Arts '25, H. Arkley, Barry, Agric., Gyles, Arts '26, 2 mins., 11 2-5 secs.; 2, McKillop, Arts

# TWO BOYS BURNT BY BOILING OIL

W. 16-3-23

## Jar Explodes During An Experiment in Temperatures

Gazing into a five gallon glass jar of boiling lubricating oil, John Melville and Hubert A. Pearce, students at the University of B. C., were blown clear across their research laboratory in the chemistry building when the oil exploded on Thursday afternoon. Terribly burned by the hot oil and cut by the flying glass, both are today at the general hospital, their heads swathed in bandages. Pearce has a deep gash between the eyes and for a time it was feared that he would lose his sight.

The force of the explosion shook the whole chemistry building and left the research room a wreck. Hardly a piece of apparatus remains in its place. Had the accident occurred in the larger chemical laboratory room, where many other students were at work, loss of life would have been inevitable according to some of the undergraduates. The escape of the two victims is considered miraculous.

John Melville, who is doing post-graduate work at the University, is the son of Mr. and Mrs. John Melville, 1030 Tenth Avenue East, while Pearce, a fourth year student, lives at 2940 Ontario Street.

### WERE EXPERIMENTING WITH LUBRICANTS

The two were experimenting with lubricating oil in one of the small rooms set apart for research work. With the aim of finding the vaporization point according to the Dominion government analysis, they had heated five gallons of it to a temperature of 340 degrees Fahr., in a covered glass vessel and were both examining its action when the explosion came.

It is believed that the lighter volatile oil contained in the heavy liquid must have risen to the top, and, suddenly expanding, shattered the container.

Pearce had six stitches made in his forehead, three in his lip and two in each ear, while Melville had stitches taken in one wrist. In addition, both were badly scalded about the chest as well as the head.

# Jock Lundie's Goal Wins Mainland Cup For Varsity Eleven

Huge Crowd of Soccer Fans Watch Students Trim Veterans for Trophy—Goal Tenders Scintillate in Big Round Ball Final—Score 1 to 0.

JOCK LUNDIE'S hefty right boot broke up one of the greatest cup ties ever been seen on a local field about five minutes before the end of the game, when he beat Robinson, the Veteran's goalie on a close-in rebound, thus winning the Mainland Cup for the Varsity at Athletic Park on Saturday afternoon.

One of the largest crowds that ever witnessed two local soccer teams in action turned out for the game, well over 3000 people taking in the proceedings.

After the game, the Mainland Cup, which carries with it the championship of the Lower Mainland, was presented to the winners by Mayor C. E. Tisdall.

It would be hard to pick the superior team, both of them showing a lot of class. While the Vets were more experienced players, the students made this up by showing exceptional condition, which told in the closing stages of the game, and was responsible for their victory.

### Goalkeeper Kept Busy.

Winning the toss, the students played the first half with their faces to the sun and, despite this handicap, had Robinson on the job all the time. Both teams missed some great opportunities to score, but the shots either went high or wide. The grounds were in ideal shape for the match and weather conditions could not be improved on.

The Varsity forwards staged some pretty break-away rushes, but seemed to get rattled when shooting at the goal. Smith, of the Vets' full-back line, did some effective work in breaking up the Varsity rushes, and was a constant source of trouble to them.

In the second half, the Varsity

had most of the play and showed good style on their rushes. Robinson, who played a stellar game in the soldiers' goal, made some clearings that were exceptionally well played.

Near the end of the game, with about five minutes to go and the fans asking each other "Do you think that they'll play overtime?" Jock Lundie, who had been playing around with Robinson near the latter's goal, took a rebound that Robinson had reached to clear and boot-ed it into the net.

### Mosher Good.

The goal tenders on both teams did excellent work, although Mosher had the most shots to stop, Robinson also turned in a good exhibition. The work of Mosher was particularly brilliant and was the mainstay of the winner's defence.

Gee Ternan, rugby star, was out in a soccer sweater this afternoon and played outside right for the students, but was not very effective. He played a fair game, however.

### The Line-ups.

Varsity—Mosher; Crute, Baker; Cant, Phillips, Say; Cameron, McLeod, Lundie, Jackson, Ternan.

Veterans—Robinson; Smith, Murray; O'Donnell, Robertson, Irvine; Ferguson, Kenny, Forgie, Wylie, Kerr.

Referee—Allen.

# Ten Records Broken Aggies Win Faculty Cup

Pentathlon Won by Hughie Russell After Brilliant Performance—Buckley and Livingstone Also Star in the Big Varsity Track Meet

TEN RECORDS were shattered and one equalled in the U. B. C. track meet yesterday afternoon at Brockton Point in the fourth annual university track meet. Agriculture coped the Faculty Cup as the farmers piled up the biggest aggregate of points. Hugh Russell, of Agriculture, won the Pentathlon, being one point ahead of Mathers, of Sc. '23, and Les Buckley, of Agriculture, who were tied for second place in the event.

The track meet was by far the best ever put on by the local college and some excellent talent was displayed. Some new men and Freshmen showed decided promise, but the three outstanding performers were Hughie Russell, the all-round champion; Garret Livingstone, Arts '24, and Les Buckley, Agriculture.

Hughie made a jump of 5 feet 9.4 inches in the high jump, which is a record that U. B. C. might well be proud of, because as far as is known no other college in Canada can boast of such a mark.

Garret Livingstone, holder of all the U. B. C. sprint records, surprised everybody by easily winning the hurdles, 100 yards and 220. He showed a world of speed in these events and lowered his 220 record of 24 1-4 seconds to 24 seconds flat, and equalled his U. B. C. record of 10 4-5

seconds in the hundred. Livy also took 2-5 of a second off his hurdle record but he had the misfortune of tipping one of the hurdles, hence the record does not count.

Another supposed "has been" was Les Buckley of the Aggies, who surprised the dopsters and himself by winning both the half-mile and the mile in record times and against some tough opposition. The half mile was by far the most sensational run of the day. H. Arkley, of Arts '25, set a terrific pace, but Buckley just nosed him out at the tape by a yard after a strong finish in the excellent time of 2 minutes 8 2-5 seconds, which lowers his last year's record of 2 minutes 11 seconds by 2 3-5 seconds. In the three miles Buckley finished strongly after running second all the way and beat out Luyatt at the tape in 17 minutes 3 2-5 seconds, beating his own record

last year of 17 minutes 34 seconds, by half a minute. The three-mile was an excellent race to watch, as also was the mile, which was won by Carl Barton of Science '26, in the excellent time of 4 minutes 55 seconds; this takes eleven seconds off last year's record.

Due largely to the efforts of Hyslop in the jump and Livingstone in the sprints, Arts '24 came second in the aggregate, being nosed out by the Farmers by the points won by them in the three-mile event. The standing of the four classes was: Agriculture, 24; Arts '24, 23; Science '25, 16, and Arts '25, 15 points.

Science '25 were a surprise to all and their winning third place in the meet will probably win the governor's cup for them as the points of the meet go toward the trophy standing.

### List of Events.

The following is the list of events in order of running:

120 yard hurdles — Livingstone, Arts '24; Russell, Agriculture; Hyslop, Arts '24. Time, 18 secs.

12-lb. shot—Ramsell, Sc. '25; Gregor, Sc. '25; Pottinger, Arts '26 (37 feet 3 inches).

100 yards—Livingstone, Arts '24; Warren, Sc. '26; Palmer, Arts '25. Time, 10 4-5 secs (tie with record).

Discus—Ramsell, Sc. '25; Mathers, Sc. '23; Fulton, Agriculture. 95.65 ft. (record).

Half-mile—L. Buckley, Agric.; H. Arkley, Arts '25; Gyles, Arts '24. Time, 2 mins. 8 2-5 secs (record).

220 yards—Livingstone, Arts '24; Palmer, Arts '25; McCallum, Agric. Time, 24 secs (record).

High jump—H. Russell, Agric.; Hyslop, Arts '24; Kelly, Arts '25. Five feet, 9.4 ins. (record).

Javelin—Lazenby, Sc. '25; Price, Sc. '25; Davies, Arts '26. 132 ft. 4 inc., new event (record).

440 yards—Palmer, Arts '25; McKay, Agric.; Forrester, Arts '25. Time, 56 4-5 secs. (Gyles was disqualified for cutting in.)

Pole vault—Demidoff, Sc. '25; Duchanan, Arts '24; Morris, Arts. Nine feet 5 inches (record).

Hop, step and jump—Barry, Agric.; Hyslop, Arts '24; McKay, Arts '24; 37.65 ft. (record).

880 yards relay race—Agric., Arts '25, Science '23. Time 1 min. 41 4-5 secs. (record).

Girls relay race—Arts '25, Arts '23, Arts '26.

One mile—Barton, Sc. '26; H. Arkley, Arts '25; Hope, Agric. Time, 4 mins. 55 secs (record).

Broad jump—Hyslop, Arts '24; Morris, Arts '26; Palmer, Arts; 18 ft. .75 in.

# SOPHS WIN IN FINAL DEBATE

Agriculture Discussion Club Sophomores defeated the Juniors in the final debate of the inter-class series Thursday. The Sophs, represented by L. W. Murphy and A. Aylard, won on the affirmative of "Resolved that it would be in the best interests of the consuming public of Vancouver was controlled by one company." J. J. McKay and A. H. Plummer upheld the negative for the Juniors. The judges were Messrs. Richards, Woods and Pye.

The society elected the officers for the 1923-24 session: Honary president, Prof. B. A. Boving; president, Lysie Atkinson; vice-president, Chas. Barton; and secretary-treasurer, J. C. Wilcox.

## Nanaimo Forfeits Game To Varsity

Nanaimo Hornets Rugby team failed to turn up this morning for this afternoon's McKechnie cup game at Brockton Point, Varsity takes the game by default, thus insuring them a place in the playoff for the cup. In place of the McKechnie cup match scheduled for this afternoon Varsity and Vancouver Rep players will stage a pickup game at the same time and place as the other match. Nothing will be at stake in this afternoon's match which will be but a workout in preparation for Good Friday's encounter between the Rep and Varsity, on whose result rests the resting place for the McKechnie cup for the coming year. ## U. B. C. MUSICAL CLUB AT HOTEL

With a successful concert in the Vancouver Hotel ballroom on Friday evening, the students of the University of British Columbia gave evidence of still another phase of their ambitious aims outside the curriculum. Having won laurels in the fields of sports, and appreciative recognition on the boards of drama, there could be nothing but success from the activities of the musical society.

Under the able baton of Wilbur G. Grant, the "glee clubs" and the orchestra gave a number of most delightful renderings, all of which, with the support of a few local artists, constituted an interesting and extensive programme.

Although slightly handicapped by the acoustics of the ballroom, the Glee Club charmed by a uniform tonal color. Keen attention to the conductor, discipline of strength and excellent quality compelled the "family" audience to demand encores.

Opening the concert and playing with whole-hearted enthusiasm, with praiseworthy observance of intricate rules of contrapunt and harmony, the students' orchestra shared the honors of the evening with the glee clubs. A little more co-operation between the strings and the wind will make the orchestra a musical unit of great value, and an important asset to the musical life of the city.

Miss Nellie Harrison played Chopin with admirable technique and interpretative apprehension. Miss Lillian Wilson and Mr. Holroyd Paull added polish to the programme by some delightful songs and violin solos. Mr. Wilbur G. Grant, A. T. C. M., deserves congratulations for the achievements of the society.

### Students Have Cinch

Heading the ball into the net after a brilliant piece of attack on the part of the college forwards, Jock Lundie, star centre forward of the Varsity, put his team into the lead in the first half of the match between Varsity and Cedar Cottage. The game was the second encounter of the double-header at the Fifth Avenue park. The Varsity boys had the better of the play in the first half and the score came as a result of hard pressing. Varsity added three more to their score in the second half, being all over their opponents. W. 24-3-23

## No Change in Team Selected To Meet Varsity

There will be no change in the original lineup selected to meet Varsity in a representative match at Athletic Park on Good Friday, according to a decision reached on Saturday night at a meeting of the Vancouver and District Soccer League council. The meeting was called to decide whether a change is deemed advisable in view of the cancellation of the tour of the rainland team to the island.

In the first game which will be called at 2 o'clock, the V. and D. league team will face representatives of the Wednesday league. The main match will take place at 3:30 o'clock.

## Saturday's Soccer Games

### LEAGUE GAMES

#### First Division

- Varsity 2, Kitsilano 0.
- Veterans 3, Province 0.
- St. Andrew's 1, South Hill 3.
- Cedar Cottage 2, Sapperton 4.
- North Vancouver Elks 2, Westminster 1.

## Hornets Fail To Appear For Cup Game Saturday

Nanaimo Hornets Rugby team failed to turn up Saturday morning for the McKechnie Cup game at Brockton Point, Varsity taking the game by default, thus insuring them a place in the playoff for the cup. In place of the McKechnie Cup match Varsity and Vancouver Rep players staged a pick-up game.

As Varsity and Rep are now tied for the lead in the series a playoff will be necessary on Good Friday to decide the resting place of the McKechnie Cup for the coming year. Davies, of Victoria, will handle the whistle. Dr. R. E. McKechnie, the donor of the cup, will start the game off.

## The World's Window

"The time has come," the Walrus said,  
"To talk of many things."

Richards Street, March 26, 1923.

THERE are two ways of dealing with foolish and unfounded criticism. The one is to treat it with silence and the other is to endeavor to show where the critics have "gone wrong." The latter is, perhaps, the kindlier method, for the former attitude is sometimes lost upon the critics—especially if they are young and inclined to be very cocksure.

More than once I have made reference in this column to a bright little publication called The Ubysey, the organ of the University of British Columbia. It has reflected the various activities of the university very happily, been full of bright and often witty contributions, and has occasionally included poems well above the average, written by students. This winter, however, in straining after additional "pep," it has occasionally overreached itself.

In the current issue it has fallen into a double error: an error of criticism, and—what is less excusable—a very serious error of taste. Not only in its principal editorial, but in several other places in the paper, it reflects upon Sir Henry Newbolt, and upon what he said in his two addresses to University students. The error of taste is, to my mind, the more serious offence. It is entitled "Henry's Horn" (a parody upon that fine poem by Sir Henry Newbolt, "Drake's Drum"). Here is the parody:

People in the Colonies, very far away,  
(Far away and very far below),  
So they sent an orator, twenty bob a day,  
All the way to Canada, you know.  
Pounding on the tom-tom, hammering the drum,  
Telling how we vanquish every foe,  
—Unimpressed Colonials looking rather glum,  
(When the dickens will the blighter go?)

Seven weeks in Canada, long enough to see  
(Far away and very far below),  
How these poor Colonials are "just like you and me,"

• Just as modest—till they start to blow.  
Take the news to England—they'll be glad to hear  
How we worship Haig and Jellicoe;  
Very patriotic, but a trifle too exotic;  
You know it really isn't comme il faut.

I would not do the clever parodyist the compliment of reproducing these verses, but that I want the reader to realize the atrocious taste not only of the writer of the verses, but of the management of the Ubysey (the Publications Board of the University of British Columbia) in allowing them to appear about a guest of the University—and a very distinguished guest and author. There is no need to labor the point.

The question of accuracy, however, is another matter. I did not hear the University address, but I have it upon the authority of Dr. Ashton, one of the best-known professors at the University—incidentally, I may add that Dr. Ashton has given public expression during the week at a meeting at the Hotel Vancouver to his disapproval of these Ubysey references—that Sir Henry never once used the word "Colonial" or "Colonies." In fact, when I questioned him about the matter, Dr. Ashton told me that he had never heard an address less calculated to offend Canadian susceptibilities. "There was not the slightest suggestion of 'talking down' to his audience," observed the Doctor, "and he made it clear in as many words that he was addressing an audience identical, in most respects, with similar audiences in the Old Country."

The editorial in question is smart and may reflect a considerable body of opinion at the University. The students evidently expected Sir Henry to speak upon education and were not prepared to appreciate any other topic.

"The full-blooded patriotism of the days of Nelson is gone for ever," observes the editorial. Perhaps it has, but the Empire's response in the late war hardly supports the assertion. Perhaps I take these criticisms too seriously. Fortunately for everybody, many of these young university men and women will never again know as much as they know now.

### Insulting a Patriot

#### Sir Henry Newbolt Made Mistake of Eulogising Patriotism at the University

THE insult and ridicule heaped on Sir Henry Newbolt in the offensive parodying of his verse in this week's issue of the organ of the Publications Board of the University of British Columbia is a scurvy return for Sir Henry's lecture to the students on "Poetry and Patriotism." By itself it might have been overlooked as the product of some adolescent mind, in the same spirit of charity and tolerance which folk extend to young gentlemen of the University when they parade round town partially disrobed, with burnt-cork faces and brains temporarily deranged by mob excitement. As such it would be no more worth taking seriously than the eulogy of Paganism in the same issue.

Even at that it is probably a new experience for Sir Henry to be scorned by his hosts as a man who is working for "twenty bob a day" and to hear expressed of himself the academic sentiment, "When the dickens will the blighter go."

But in the same issue of Ubysey is an editorial article which is so at variance with the editorial notes as to savor of a professional hand. In more select language it chastises Sir Henry for daring to discuss such a topic as patriotism before the University students. The writer says:

"His address to the student body brought home to us forcibly the fact that WE are Canadians. The presence of a gulf that we had never before appreciated was forced upon us, the unavoidable difference in the points of view of two nations. . . . We felt . . . no sympathy with his choice of subject and positive rebellion against his treatment of it. The full-blooded patriotism of the days of Nelson is gone for ever. . . . The emphasis of his speech lay in the glorification of the past. . . . Sir Henry's speech may have expressed 1923 English feeling, but we are not in touch with it. We recognize our lack of sympathy, but it is unavoidable—arising as it does from our divergence from that point of view which Sir Henry took for granted."

It has long been recognized that the provincial university has been a hotbed of radical teaching, but it will come as a surprise to many citizens to learn that the University they are taxing themselves to support and the young gentlemen who are being provided with advanced education out of the toil and efforts of the general public, have so far educated themselves away from British sentiment that they have no sympathy with an eminent British poet and educator when he addresses them on the subject of "Poetry and Patriotism" and feel "positive rebellion" at his treatment of the subject.

What that treatment was can best be judged from the report in Ubysey itself, which says:

"British patriotism," said Sir Henry, "was based upon three elements: the love of games which extended even to that rough game called war; love of native soil and admiration for the men who were responsible for the great achievements of the nation. The speaker eulogized the fighting qualities of the British race and paid a tribute to the men who fought so splendidly during the late war, particularly several of the leaders such as Beatty, Jellicoe and Haig. So fruitful a theme as patriotism had proved an inspiration to all the great British poets, who had expressed their emotions at one time or another in the form of so-called patriotic verse."

Which was it: the eulogy of the British love of games; the British love of the soil; the British admiration for her great men; the eulogy of the fighting quality of the British race, or the tribute to the patriotism of the men who fought in the war which made the University mouthpiece feel "positive rebellion" and produced the sentiment "When the dickens will the blighter go?"

The public which pays for the upkeep of the University out of a pure spirit of patriotism is entitled to know more about this matter.

### U. B. C. Council Is Nearly Complete

Three more seats on the students' council of the University of B. C. were filled on Monday. Miss Doris Shornley, Arts '25, with 190 votes, won the presidency of the women's athletics over Miss Isobel Mackinnon, Arts '24, with 127 votes. Jasper Wolverton, Science '24, secured the presidency of the men's athletics by a 218 majority over Heiley Arkley, Arts '25.

There were three candidates for the position of president of the literary and scientific department. Al Grauer, Arts '25, secured a plurality of 11 over Alex Boond, Agriculture, when he polled 258 votes against the 247 of the Farmer candidate. Walt Hodgson, Arts '24, polled 164 votes.

Ten of the eleven positions on the council have now been filled. The marshal for the coming year will be elected on next Monday.

### Now Doesn't This Read Just Like an Englishman!

Editor, The World:

Sir,—I read your editorial in Monday's World with genuine delight, not for the sentiments you expressed, but for those of the students of the U.B.C., which goaded you into expression.

How refreshing it is to hear the honest opinions of youth, not yet distorted and clamped into the molds of conventional orthodoxy; what fun one gets from seeing the worshippers of the PAST squirm when mere youth has the wit and nerve to prick their sacred bubbles.

Even our friend the "Walrus," (noble successor to that saturated-solution-of-mid-Victorianism who used to flourish in the Window) was galvanized into action.

I am British, born and bred. I have read all the reports in the newspapers of the lectures of Sir Henry Newbolt before the U.B.C., the I.O. D.E., etc., and also his address upon the influence of the Bible, and I must say that I expected to hear something educational from such a headlined educationist.

You ask: "Which was it; the eulogy of the British love of games; the British love of the soil; the British admiration for her great men; the eulogy of the fighting quality of the British race, or the tribute to the

patriotism of the men who fought in the war which made the University mouthpiece feel 'positive rebellion' and produced the sentiment, 'When the dickens will the blighter go?'"

I reply: All of it. Sir Henry's utterances—thread-bare replicas of the many well-meaning but hopelessly boring patriots who follow one another across the continent at regular intervals.

WELSH LEE.

North Vancouver.

### Over 200 In U. B. C. Graduating Class

If all candidates are successful, 202 degrees will be granted at the University of British Columbia this year at the closing exercises to be held on May 10. Of these, 112 will be in arts, 37 in science, 12 in agriculture, 7 in nursing and there are 34 candidates for a post-graduate degree.

Dr. Murray of the University of Saskatchewan will deliver the congregational address at 3 p. m. on May 10, and in the evening he will address convocation.

### Offers Two New Mottos For the University

Editor The World:

Sir:—The thanks of all decent healthy minded people are due for calling attention to the unsavory mess issued by the Ubysey as food for its "ladies and gentlemen" readers. Unfortunately it is not a local matter; copies of this little paper and of the "World" criticisms may reach various parts of the Empire, and possibly the States and a very unfavorable opinion of our University may be created.

One cannot overlook the fact that the graduates (one hesitates to call them students) went, according to the Ubysey, to hear Sir Henry Newbolt lecture on Education and not on Patriotism or Poetry. It is a pity that they did not try to learn from observation one aspect of education—manners from a gentleman.

In building the new University it would be a good idea to have engraved over the entrance "Manners maketh the man" and "A little learning is a dangerous thing". One's sympathies go out to Dr. McKechnie, the Chancellor of the University, who was Sir Henry's host. The insult to him is also unpardonable. It seems that there is a great need for a course of lectures which the Canadian educational authorities have inaugurated by the visit of Sir Henry Newbolt—who, by the way, gave his services.

Yours truly,  
D. W. BRIDAL.

### Endorses World's Stand Against Anti-British Slurs

To the Editor of The World:

Sir,—You are to be congratulated upon the stand you have taken in connection with the University, its professors and students.

It's about time that the attention of the general public should be drawn to the slimy pro-red, anti-British propaganda, which is emanating from that state-aided institution.

One hears so many favorable comments upon your editorials that it is manifest you have the support of a very large body of decent honorable Canadians.

Yours truly,  
R. D. WILLIAMS,  
Vancouver Club.

### Getting Ready For Final Examinations

With the final examinations commencing on Monday, April 16, students at the University of British Columbia were back at work hard this morning following upon a brief Easter holiday extending from Thursday night until this morning.

All social and athletic events, with the exception of soccer games, have been cancelled, in accordance with the constitution of the Alma Mater Society, which provides that all such functions shall cease three weeks before the final examinations.

# McKechnie Cup is Retained By Varsity By One Lone Tally

## Conditions Decide Issue for Rah-Rah Boys, Who Control Play in Hard-Fought Game with Vancouver Boys—3000 Fans Witness Match

Not since Dr. R. E. McKechnie donated the coveted rugby trophy in 1898 when he was residing in Nanaimo, and incidentally president of the council in the provincial House, has it been won three times in consecutive years, under which conditions it must be captured for permanent ownership. It was when the famous Nanaimo Hornets were the strong fifteen of the coast that the cup was put up for competition. Varsity students were out in force yesterday and cheered their idols on to victory in true college style. After the game a celebration was staged.

W. 31-3-23

**T**HE old McKechnie cup, emblematic of the senior rugby championship of British Columbia will repose for another year in the Varsity's ancestral halls. The issue was definitely settled at Brockton Point Friday afternoon when the Varsity fifteen used the Vancouver Rep team for a 3-0 victory thus winning the odd game in the trio the two teams played this year. To Captain Gee Ternan went the honor of scoring yesterday's lone try.

The biggest crowd of the season was out to see the match, probably 300 fans being on hand.

From a rugby standpoint the match was not up to the standard of the other two occasions in which these two teams met this season. Despite the fact that the weather was perfect for brilliant three-quarter work, the forwards held sway practically throughout the game and the threes got little chance to show.

### Varsity Scrum Superior

The Varsity forwards had an edge over the classy Rep. scrum which showed in the dribbling and formation plays and the Rah-Rah boys outshoved the losers decisively on numerous occasions. The whole Vancouver team appeared stale with the exception of Keeling and Lou Hunter. Hunter was the only three-quarter who played up to his usual standard and it was Keeling's beautiful clearing on more than a dozen occasions that saved his team from a worse defeat. Harry Lord and Dunc MacFarlane were two hard workers.

The Students had by far the bulk of the play and, although the Rep. had better openings, the score is a fair indication of the play. The Rah-Rah boys were everyone out to win in the face of any obstacle and were in practically unbeatable form. Still they got one or two breaks that helped them towards their victory. In the last period Thom missed a place kick from the 35-yard line by less than a foot and again in the same frame Lou Hunter ran from centre field, twisting and dodging a dozen tackles and finally falling over the line with two men on his back only to find that he had stepped outside of the line once during his thrilling run and the score failed. He was given far too little leeway when given the ball by Marshall.

Rex Cameron was in every play for the winners and was very useful. Gee Ternan and Al Buchanan were two other hardworking worthies and Purdy also played very well.

### "Doc" Kicks Off

Dr. R. E. McKechnie, donor of the cup kicked off to start the game, and

then Thom booted a beautiful drive which found touch at the Varsity's five. For a minute it appeared as though the Rep would score immediately but Varsity soon fought

the play to the Vancouver half. For more than twenty minutes the ball never passed center field and the greater part of this time was spent within the Rep two bit. Keeling scintillated at this stage with brilliant clearances. Play ranged from end to end but with Varsity still in the ascendancy for the remainder of the period.

Varsity kicked off to start the second but the Rep soon started a drive that nearly netted them a score. About fifteen minutes passed with the Rep pressing hard and then the play changed to the Vancouver territory. From a mixup near the Rep line the ball came to the Varsity threes and Ternan faked a pass and fought his way over the line for the lone tally of the game. Varsity supporters went wild. Val Gwyther's try for convert was charged down.

The Rep again took the lead and Thom just failed tying the score from a place kick. Then Hunter made his beautiful run and when it was learned that he stepped out on his way to score the Reps seemed to weaken. The tremendously fast pace which both teams had been playing at began to tell and the play slowed up. Varsity held the edge for the remaining ten minutes of the game, superior condition earning them the verdict.

D. A. Davies, of Victoria, probably the best rugby referee in British Columbia handled the whistle in faultless style and very little escaped his experienced eye.

# UBYSSEY VIEW ON NEWBOLT IS REAFFIRMED

W. 2-4-23

## University Publication, However, Admits Poor Taste in Satire

Though admitting that some of their satiric allusions were in poor taste, the editorial columns of the "Ubysssey," published today, reaffirm its stand as regards Sir Henry Newbolt's lectures, set forth in last week's paper. A series of letters, also printed, with one exception condemn the paper's stand.

Referring to the items of the Muck-a-Muck page, the editor says:

"It is unfortunate that some of the satiric allusions, which may have been in poor taste, have been confounded with the editorial and news-column comment on the affair. We regret the occurrence of these allusions.

"We believe that we interpreted student opinion correctly, however, and we take this opportunity of reaffirming our editorial stand as expressed in last week's issue of the paper."

Excerpts from letters to the editor, which follow, denounce the editorial stand:

"The studied insults to Sir Henry Newbolt that were published in the Muck-a-Muck page last week are undoubtedly the darkest smirch on the escutcheon of our university."

"The spirit shown by these attacks is contemptible, and is in no way representative of the spirit of the university as a whole."

### RABID RAVINGS OF RENEGADES

"It is to be regretted that such a conglomeration of fanatical nonsense was published in last week's issue. . . . The rabid ravings of renegades were printed without regard to either truthfulness or fairness. Even the editorial was cluttered with such meaningless phrases as the 'full-blooded patriotism of Nelson's time.'"

The one defending letter, which is signed by eleven students, including Al Buchanan, last year's marshal for the U.B.C., although it does admit poor judgment in the running of the so-called poem, upholds the editor practically in toto. It follows:

"As this is the last issue of the Ubysssey and as there are rumors of a criticism of certain members of the Ubysssey staff, we, the undersigned, do hereby signify our entire confidence in those members. We admit that the head-long impetuosity of youth produced one or two unfortunate lapses from good form in the last issue, lapses that might have been avoided, in connection with the ridicule lavished upon Sir Henry Newbolt's first address to us. That ridicule, however, was directed, not at the man himself—Sir Henry is of course a very worthy gentleman—but at the jingoism and the parochial narrowness of the ideas he expressed.

"It must be remembered that we were not prepared for such a discourse; it brought on too sudden a conflict between our sense of humor and our courtesy, and naturally the stronger impulse conquered.

"As for the parody that has caused so much unnecessary comment, it is, except for two regrettable lines, a harmless piece of irony and in the circumstances abundantly justified.

# The World's Window

"The time has come," the Walrus said,  
"To talk of many things."

Richards Street, April 2, 1923.

ONE of the essentials of true sportsmanship is to be prepared to admit the fact when you are wrong. To some people it is the most difficult thing in the world to do. "The Ubyssy" has taken this course with reference to that part of its attack upon Sir Henry Newbolt, which consisted in ridiculing him in a vulgar manner which was subversive to the canons of good taste.

\* \* \*

It has, however, done so very grudgingly and in a manner hardly calculated to reassure the public mind as to the attitude of the Publications Board of the University with reference to a case of rank bad taste and unpatriotic sentiment. The letter of apology (which appears in today's papers) from Dr. McKechnie, as Chancellor of the University, to Sir Henry Newbolt, is an example to the author of the Ubyssy apology. It refers incidentally to the "evident immaturity" of the writers in the university who have caused all the trouble, and this is the kindest way to regard the matter. This is the first instance, observes the Chancellor, when they have been unworthy of their trust.

\* \* \*

The correspondence columns of the current issue of the Ubyssy—which, by the way, includes a distinctly attractive literary supplement—make interesting reading, and I am pleased to note are an indication of the fact that within the University itself there is a decided feeling against the viewpoint expressed in the Ubyssy editorial, and particularly against the parody upon Sir Henry's poem. Five letters are published on the subject, two of them signed by a body of students collectively. The majority of these letters take the critical attitude adopted towards the matter by this paper, except that the language used is rather more pronounced—a very natural excess of feeling in view of the fact that the offence was committed among the writers' fellow-undergraduates.

\* \* \*

The first letter, which is quite moderate in tone and is signed by eight undergraduates, asks that the writer of the offensive parody be permanently removed from the Ubyssy staff. In the course of the letter the writers observe: "It is hard to understand how it happened that those despicable compositions were ever allowed to go to press. We feel that we are voicing the sentiments of the greater part of the student body when we demand that the individual who was responsible for the publication of these compositions be immediately and permanently removed from the Ubyssy staff."

\* \* \*

Another letter from an undergraduate includes this paragraph: "I know that it is the feeling of the majority of students that these references are most regrettable and uncalled for and I trust that some official apology for those insertions will be made."

\* \* \*

The last letter, signed by eleven undergraduates, several of them equally well known at the University, expresses confidence in the staff of the university paper, regrets the parody (although it describes it only as a harmless piece of irony) and cannot resist a reference to what it calls "the parochial narrowness of the ideas expressed" (by Sir Henry)). The signatories to this letter are by no means irresponsible youngsters, but graduates in their fourth year and of fairly matured judgment.

\* \* \*

I should be most happy to feel that this "breaking out" on the part of the Ubyssy was just an ebullition of youthful spirits. But I am afraid we cannot regard the perpetrators just as youngsters, for, although they take themselves so solemnly and are so cocksure, they are in their late teens and early twenties. And one knows nearly as much at that age as one ever knows! I cannot forget that many of them will soon be teaching the children in our schools.

\* \* \*

"Terrible! Terrible!" I can hear some of them remark, in mock alarm, if they happen to read these notes. The point that I would make, however, is that so long as these schools remain under the British flag we may reasonably ask that, in the teaching of history at any rate, British (which includes Canadian) patriotism shall not be entirely excluded. "Lucien" has summed the situation up admirably elsewhere from the true Canadian standpoint.

## An Apology From Ubyssy

W. 3. 4. 23  
*It May be Sincere, but a More Grudging Note Could Not be Penned*

IN commenting upon the offence against good taste and the offence against the public affection for British tradition and association displayed by The Ubyssy in printing an offensive parody on Sir Henry Newbolt and an editorial article steeped in anti-British sentiment, The World expressed the hope that the promised apology would be ample and sincere.

It may be sincere, but a more grudging and equivocal apology was probably never before tendered by a publication. Whatever excellent qualities the Ubyssy writer may have, he or she certainly lacks the gifts which win praise in retreat and compel admiration for the apologist's strength and gracefulness of mind. Here it is. It requires no comment:

"We understand that there has been a certain amount of criticism of the Ubyssy's comments on Sir Henry Newbolt's speeches at the University. It is unfortunate that some of the satiric allusions, which may have been in poor taste, have been confounded with the editorial and news-column comment on the affair. We regret the occurrence of these allusions. We believe that we interpreted student opinion correctly, however, and we take this opportunity of re-affirming our editorial stand as expressed in last week's issue of this paper."

Possibly it was in view of the nature of the apology (?) of the editor that Chancellor McKechnie has telegraphed to Sir Henry a warm apology on behalf of the University in terms which probably he would not otherwise have used in referring to the offensive articles.

In justice to the students of the University, The World is pleased to announce that it has received a visit from a deputation of senior members of the Students' Council. The deputation was composed entirely of students who had served overseas in the war.

Speaking as men who had seen the horrors of actual war, the members of the delegation voiced student feeling as being opposed to the romantic conception of war and unsympathetic to its romantic treatment in Sir Henry's address on Poetry and Patriotism, but stated that, except in isolated cases, there is no anti-British feeling among the students, and that the editorial in question does not reflect student opinion at the University in its anti-British sentiments.

This assurance The World is very pleased to pass on to its many readers.

## Other Editors Of "Ubyssy" Resign

W- 4. 7. 23  
As it is the end of the university term, the publication of Ubyssy, by the student body, will not again appear till next term, it was announced by the Students' Council this morning. Following the resignation of the editorial staff, numbering five, on Tuesday, two other members of this staff, who were hold-over members for the new staff which will undertake publication of the paper next term also resigned. It was reported that the publication board had resigned. It was only the staff of the paper.

## DR. M'KECHNIE WIRES APOLOGY

W- 2- 4- 23  
An apology to Sir Henry Newbolt over the criticisms of the noted lecturer which appeared in the Ubyssy the University of B. C. student magazine, has been sent by Dr. E. McKechnie, chancellor of the university.

The wire was as follows:  
"I wish to tender you a sincere apology for an inexcusable breach of the proprieties on the part of a few of our young students.  
"Since the inception of the university, the students have managed their own publication and this the first instance in which they have proven unworthy of this trust. We deeply regret that one of such achievements, so distinguished and so beloved as yourself should have made a victim by a few students of such evident immaturity."

## He Asks the Question "What Is Patriotism?"

Editor, The World: 4. 4. 23  
Sir,—The discussion regarding Sir Henry Newbolt's address to our U. B. C. students is amusing and instructive. It shows that even patriotism is subject to the great law of change and relativity.

Perhaps, after all, the flexible and "immature" minds of our students can see what the fixed and finished intellect of Sir Henry and his supporters fail to grasp, and it may be that true patriotism means freedom and progress for mankind rather than worship of the conquering qualities of our empire.

Was not Cromwell, the rebel and dictator who suspended the British parliament and had the royal head of Charles removed, a patriot when he overthrew the feudal powers and helped to establish the reign of our British business classes? Now some think it is time for another change in the interests of the common people and real democracy.

The late Frederick Harrison, as secretary of a royal commission in 1886 reported that 90 per cent. of the real producers of wealth in England had no home and not even a room they could call their own and were separated by so narrow a margin from destruction that a month out of work, or sickness, brings them face to face with hunger and pauperism. Perhaps, Mr. Editor, these facts forced our Bernard Shaw some years ago to declare that "any man at 35 understanding social conditions and tendencies who is not a revolutionist is an inferior," and we know that H. G. Wells holds the same objective as his friend Shaw.

But the "World" does move. In a recent editorial you described the Charge of the Light Brigade and condemned the attitude of blind obedience. You said "the private has a right to question his superior," "the propaganda that educates us to obey without question is a new form of Toryism and the same sort of stuff that was drummed into slaves by their masters." Who can blame the students of the U. B. C. for taking the same attitude?

Upton Sinclair in his "Cry for Justice" shows the picture of King Canute on the sea-beach demanding the tide of the ocean to retire, but he was not more ridiculous than some of our intellectual and spiritual guides who in the name of patriotism are trying to keep back the great tide of social evolution which is running strong today and which is the hope of our country and of our race.

# EDITORS OF 'UBYSSEY' QUIT DESK

## Students' Council Has Taken Strong Action

Dissatisfied with the apology to Sir Henry Newbolt printed in the recent issue of the Ubysey, the University of B. C. magazine, the students' council today accepted the resignations of the editorial staff of the paper, from H. M. Cassidy, editor-in-chief, down. The resignations had been submitted to the council prior to the meeting, A. E. Richards, president of the Alma Mater Society and chairman of the Students' Council, stated this afternoon.

The editorial staff is composed of H. M. Cassidy, editor-in-chief; A. G. Bruun, senior editor; Miss P. I. Mackay, C. C. Upshall and Eric W. Jackson, associate editors. Other editors are: Feature editor, Cliff Dowling; literary editor, Miss Lucy Ingram; exchange editor, Miss Helen Turpin; sporting editor, H. B. Cantelon; chief reporter, A. A. Drennan; feature writer, J. C. Nelson. In addition to these are the following reporters: R. A. McLachlan, Eve Eveleigh, K. Schell, Jean Faulkner, Grace Hope, L. Buckley, H. B. Goult, H. E. F. Clark and A. Hugh Ray.

The statement given out by Richards is as follows:

"The Students' Council of the University of B. C., the governing body of the students, tender a sincere apology to Sir Henry Newbolt for the discourtesy shown to him by the students' publication, the Ubysey, in its issue of March 22. A letter embodying this apology has been sent to Sir Henry.

"Resignations have been accepted by the Students' Council from the members of the editorial board who are responsible.

"The students' council emphatically denies the charges brought against the student body of anti-British and unpatriotic sentiments. The response of the students during the war is a sufficient indication of the true feelings of patriotism existing there and which remain unchanged today.

"That official action in the matter of an apology has not been taken earlier is due to the fact that the students' council expected from the publications board a more adequate apology in their issue of March 28 on the eve of the Easter recess."

Mr. Richards stated that the students' council met at noon today, when the matter was fully discussed.

The issue of the Ubysey supposed to contain the apology was the last of the year, so that the resigning editorial board have finished their work for the year. The only member of next year's Ubysey staff, already elected by the undergraduates, is Eric W. Jackson. The "editor for the week" when the alleged defamatory articles appeared was Miss Phyllis Mackay, daughter of Mrs. Isabel Ecclestone Mackay, a well-known local author.

### What It Was That the Students Didn't Like

Editor, The World: 4.4.23

Sir,—In connection with the Newbolt controversy, it appears remarkable that no attempt has been made to ascertain exactly what were the remarks of Sir Henry to which the students took exception. I am in close touch with affairs at the University and I have been interested to verify some of the views Sir Henry expressed.

Sir Henry assured the students that he was giving them the present day ideas and ideals of the British people, one of these ideas being the fighting quality of the British men—war was pre-eminently the game at which they excelled, though a rough game at times. He went on to make several slighting references to our late allies, mentioning specifically how, after Mons the British column had to march twenty-five miles a day to keep contact with the retreating French forces; how at Ypres the French Colonial troops fled and left a ten mile gap through which the Germans outflanked our men; how Haig, who "carried the weight of the war on his shoulders" was harassed by mutinies of the French armies; and lastly, how Haig declared, just before the armistice, that we had three armies, the American, French and British, how the first was willing to fight but didn't know how, the second could fight and wouldn't, and how only one army could and would fight further, and that was the British.

I have gathered also from students that Sir Henry's evident opinion of their education reflected little credit on them or on himself. He expressed a doubt whether many of them had even heard of his poems; and considered it necessary to explain even such obvious facts as that "St. George is the patron saint of England."

Trusting that this information may throw a little light on the controversy, I remain

Yours for British fair play,  
A CANADIAN.

### Gives His View on What Is True Patriotism

Editor The World. W. 4.4.23

Sir,—I wish to express my appreciation of the upright and patriotic attitude of The World in connection with the ignorant behavior of some of the B. C. University people recently.

Since the views of our supposedly educated university men have come to light a great deal has been said and written on patriotism, a few correspondents expressing their approval of the attitude of the university students.

What is patriotism?

Patriotism is so interwoven with home and all that sacred word stands for, it is an essential and indispensable characteristic of a true and loyal citizen.

A true patriot is the same towards his native land as a dutiful son or daughter is to his or her parents and home.

I think the most despicable of creatures is the renegade without a country, unclaimed, unhonored and unsung. Well might the poet say, "Breathes there a man with soul so dead who never to himself hath said, this is my own, my native land. If such there be, go mark him well."

I and other true Britishers admired the Germans whom we fought in the last war because they were patriots. Yet I have met so called Canadians in Vancouver whose sense of patriotism is so deficient that they would sooner uphold the Stars and Stripes than the good old Union Jack, the emblem of their country.

Yours truly,  
DONALD STEWART.

### Defends the French;

### Criticizes Sir Henry

Editor, The World: W. 6.4.23

Sir,—I have read with interest the letter signed "Canadian," in tonight's issue of your paper, re the Newbolt controversy, and entirely endorse it. I am an Englishman, or rather a Borderer, who migrated to Canada because I preferred the broader outlook that obtains in this splendid Dominion. I took part in the Great War, in which I was seriously injured, and I think the remarks of Sir Henry Newbolt, in which he criticized the French armies, most uncalled for, and could only have been made by an arm-chair critic. During the first 18 months of the war France bore almost unaided the brunt of the war on land.

The original British and Canadian troops performed wonders, but they were only a handful, and only held a few miles of front to hundreds which were held by the white and colored troops of France. At the Marne there was only one English soldier to every 30 Frenchmen, out of an allied force of 700,000. Again, during the first years of the war, the British only used the regular forces or other troops who had had considerable training. The French not only used all their first line troops, but many of their territorial units, which in France are composed of the oldest classes. All armies have their bad moments. In some cases the French may not have distinguished themselves; there were certainly similar cases in the British army, which were naturally not given prominence in the press. I, personally, recall one peaceful mutiny in which several thousand British troops refused to obey orders. The British did have their triumphs, so did the French and the Belgians. The way in which 48,000 of the latter held back 300,000 Germans on the Yser was an epic, which only those who have seen the Yser front can fully realize.

I do not think Sir Henry really interprets the English people. Unfortunately education in England tends to be much more of a class affair than in Canada, and literary men especially tend to get in small cliques, and to be quite aloof from the mass of their fellow countrymen. They suffer from a form of literary snobbishness and seem often ignorant of the real feelings of the great mass of toiling wage earners.

Sir Henry, I regret, seems to lack vision of the future, and, like so many of his kind, dwells overmuch on the past. This is not the time or place to talk of war or fighting, least of all to cast insinuations on the conduct of old comrades-in-arms. If we do not want any more wars, let us stop thinking about them. With national passions still acute, let us not talk patriotism, but rather prove it by quiet work on the land, in the factory and the field of commerce. I think Canada feels that way, and that, while some of the students perhaps lacked some of the tact and courtesy that should always be shown a guest, nevertheless they felt some of the things said by Sir Henry were retrograde and not full of that progressive idealism which is going to lead Canada to the very forefront of the world. Yours faithfully,

# Many Varsity Men Will Receive Their Letters on Friday

## University of B. C. Has Had Biggest Winter Season In Its History in Athletics—Soccer Team Has Won Great Fame for the Big Institution.

ON Friday of this week the University students and faculty will assemble to honor those students who have been prominent in athletics during this and the Christmas session. Twenty-seven men will receive their large letter, which is the highest honor that the alma mater of a University can confer. The number of big letter men is augmented this year by the fact that soccer has recently been made a major sport at the local college.

Those who have followed the soccer teams in their numerous, hard fought games and those who witnessed the winning by their team of the Main Cup, emblematic of the championship of the Lower Mainland, certainly will not begrudge the men their letters. The soccer team only entered the First Division this year and have won the cup, and now, after the recent defeat of the Veterans, bid fair to win the league, as the Collegians are only two points behind the League leaders with a game in hand.

Players of the McKechnie Cup rugby team will also receive their big letter on Friday. Gee Teirnan's squad showed themselves worthy of it last Friday when they defeated the Vancouver aggregation after one of the hardest fought games ever played here. There are several new members in the team who will receive the coveted award, among them being Ramsell, Palmer, E. Gregg, W. Cameron, H. Purdy, McVittie.

### Cameron A Star

Rex Cameron has won his big letter twice, being on both the first rugby and soccer teams. He has been instrumental in winning many games for the soccer team. Rex went into the semi-finals of the Varsity tennis tournament at the beginning of last term, is a star basketball player and is well-known to the baseball fans of the town, having played on several senior teams.

Rex Cameron also won out in the 145-135 pound class in the recent boxing tournament at U. B. C. Those activities should entitle him to the name of the best all-around athlete at Varsity.

Hugh Russell, the star high jumper of Varsity, will receive his big letter for winning the all-round track championship at U. B. C. in the recent track meet.

### List of Letter Men.

Following are the list of names to be awarded letters for participating in the various branches of sport, those who have won more than one

letter by competing in different branches of sport being only awarded the biggest letter that they won and mentioned for the other:

Big block letter for first time—C. McVittie, P. Palmer, E. Gregg, L. Ramsell, H. Purdy, W. Cameron, H. Mosher, E. Crute, L. Baker, L. Buckley, S. Say, W. Phillips, G. Cant, J. Lundie, W. Deans, R. Jackson and H. Russell.

Those winning big letter who have already won it—V. Gwyther, R. Hodson, H. Gunning, K. Carlisle, A. Buchanan, C. Teirnan, Penwill, R. Cameron, J. McLeod, R. Gregor.

Winners of small block—D. Hatch, S. Morgan, W. Bain, T. Taylor, C. Barton, C. Barry, D. Rae, C. Tolman, G. Hislop, Studely, G. Lipsey, E. Bassett.

Freshmen winning small block (not presented until next term)—C. Gyles, G. Newmarch, G. Currie.

Big letter men who won small block and given honorable mention—Scott, Ramsell, L. Buckley, H. Russell, G. Livingston, P. Palmer, F. Penwill and K. Carlisle.

Students who won shield, which is for two block letters—C. Hooper, P. McLean, R. Jones, J. Underhill, P. Demidoff, C. Colton, J. McPherson, S. Morgan, J. McCutcheon, G. Lewis and L. Bickell.

The winners of the plain letter—D. McKay, H. Henderson, O. Gill, A. Grauer, W. Smitheringale, A. Hunter, D. Doidge, C. Gibbs, B. Brock, R. Davidson, Fanning, H. Cant, P. Curtis, A. R. Woodhouse.

Those who won plain letter but are to be awarded a higher distinction—S. Arkley, H. Arkley, L. Bickell, L. Buckley, G. Hislop, G. Lewis, L. Edgett, D. Hardie, E. Hope, J. McPherson, Tolman, P. Demidoff, H. Russell, C. Barton, D. H. Rae, H. Fulton, W. Bain, W. Banfield, C. McVittie, F. Penwill, C. Jones.

Freshmen who won plain letter—E. Harvie, D. McKenzie, A. Gross, Boomer, F. Newcombe, E. McDonald, A. Stewardson, F. Spencer, F. Stubbs, G. Ledingham, C. Gibbard and L. Giovando.

## A Few Points

### Correspondents Bring Out Several Angles of the Newbolt Controversy

WHEN racial feelings are aroused in any controversy there is always a tendency to become personal. It has been so, to an extent, in the Newbolt controversy and prompts one correspondent, who writes a very critical letter upon the attitude of the University publication, to ask whether some of the staff of the University were ever through a war or connected with one and to express doubt on this point.

It is common knowledge that both the faculty of the University and the students responded to the call to arms immediately and in as large—if not a larger—proportion than any other class of the community.

One correspondent asks why a Britisher should not be criticized as much as a Canadian. There is no reason why he should not be so criticized. But criticism and condemnation do not imply the abandonment of the ordinary rules of good manners.

There can be no question that among the many Englishmen who come to Canada are some who are so obsessed with the superiority of everything English that they assume an objectionable attitude, but they are comparatively few, though pronounced. The implication that Sir Henry Newbolt is one of them was certainly not borne out by either his manner or his public or private utterances.

It may be admitted, however, without attributing to him an attitude of superiority which he would be the last to adopt, that there was a touch of didacticism in his address which would not commend itself to those very sensitive young people who frequent universities the world over.

Also his references to the French were, perhaps, as a military correspondent points out, a little unfortunate in view of the magnificent fighting qualities of our glorious, if erratic, allies.

It is clear now that some of the students at the University desired Sir Henry to talk upon what would have been to them a more up-to-date topic and that they felt that they were being taught patriotism.

That this was not the case with the majority now appears established and The World feels a particular satisfaction that it has been able to force this matter into the limelight, with the result that extremely satisfactory and sporting apologies have been made both by the Chancellor of the University and the Students' Council.

## Loyal Sentimentally, But Finds Logic Broken

Editor, The World: W-6-4-23

Sir—Much of the controversy between The World and the Ubssey is not important, but it must not be allowed to pass, that when Sir Henry Newbolt makes a public address, his addresses are not subject to the same criticism, condemnation or ridicule as might be given those of a Canadian.

Sir Henry Newbolt failed to realize that Canadian patriotism and British patriotism are not one and the same thing. He overlooked the fact that

Canadians are, or ought to be, more proud of great Canadians than of great Englishmen or Scotchmen. Disregard of Canadian pride and self-respect have led to some misunder-

6, 4, 23

standing with Englishmen in the past and may lead to more in the future.

I confess to being sentimentally extremely loyal to Great Britain, but I have re-read Canadian history in the past two years, and, while the sentiment remains, my arguments in favor of it are logically broken. For one hundred and sixty years the record of Canada for loyalty to Great Britain and the British Crown is almost without a flaw. The record of Great Britain during that period, as regards loyalty to Canada and Canadian interests has been largely left unwritten, because such words as treason and disloyalty might be applied to it.

## Varsity Athletes Are Given Letters

W-7-4-23  
Cups won by the various teams and letters earned by 27 athletes were presented at Varsity yesterday. It was presentation day and a big attendance of friends of the students were on hand to witness the ceremony. Dean R. W. Brock presented the McKechnie Cup. He also presented the Governor's cup to Science '25. Mr. Davidson presented the shield and small block letters. The list of letter winners was published in The World a few days ago.

7, 4, 23

The Newbolt controversy has its humorous, as well as its serious aspect, and, while The World has taken a definite stand upon the matter, it is quite prepared to appreciate a joke at its own expense—especially when that joke is cleverly presented. There can be no doubt as to the wit and happy expressiveness of a contribution parodying a famous Wordsworthian sonnet; which has just reached me from one who encloses his name and address, but who would conceal his identity under his initials, "A. M. H." He sends the following covering note:

Words 7.4.23

"During the Newbolt controversy the members of the editorial board of the Ubysey have preserved a correct attitude and have not given to the outside public any expression of the indignation they must have felt at the unjust treatment it has received. I submit the accompanying parody as an expression of what they might be expected to feel under the circumstances. I hope you will see your way clear to publish it with any explanation you may think necessary. I am not a student at the university. I am a returned soldier." My correspondent entitles his poem, "The World's Re-venge":

The "World" is too much with us; late and soon,  
Heckling or threatening it lays waste our powers;  
Little we dare to publish that is ours—  
We have given the right away, a sordid boon!  
The pink edition that appears each noon  
Has but to bluster and the college cowers;  
Even our jokes must now be "said with  
flowers,"  
For this—for everything—it sets the tune.

It bullies us! Good Lord, I'd rather be  
A savage cringing by some fetich-stone,  
Or grovel to some brutish deity,  
Than have The World compel us to atone  
And make its readers an apology  
Each time we dare to call our souls our own.

Whatever the actual attitude of mind of the author of these lines may be upon the controversy, he may certainly be said to have interpreted cleverly the probable attitude of mind of the (now defunct) editorial board of the Ubysey.

Incidentally, although in this column I have expressed myself freely as against the University publication on this matter, I would like to add, for my own personal satisfaction, that, much as I enjoyed Sir Henry Newbolt—I did not hear his University address—I take exception to certain references which, I understand, he made to the French. Their fighting qualities were so magnificent that one or two lapses in the course of those intense years of struggle were as spots upon the sun.

### Issue Is Restrained Versus Exuberant Patriotism

Editor, The World: W. 9.4.23

Sir,—In your editorial of Tuesday, last, you commented on an interview which you had had with members of the Student's Council. On their authority you said that "the (Ubysey) editorial in question does not reflect student opinion at the University, in its anti-British sentiment;" and I, as the one whose words have apparently been misconstrued, feel that I cannot in justice to the Ubysey staff, allow this statement to pass without correction.

I asserted to you that there was no anti-British feeling in the University, not excepting the staff of the Ubysey. I endeavored to make clear the fact that the interpretation put on the Ubysey editorial by The World was not the one put on it by the student body. To your paper the issue raised has been that of British as opposed to anti-British feeling. But to the students at the University, for whom the editorial was primarily written, and who read it in its proper context, which obviously it is impossible for you to do—to them the issue has been quite different. Inside the University the issue has been between the exuberant type of patriotism, of which to many of the students Sir Henry Newbolt appeared to be an advocate, and patriotism of the more restrained stamp as already existing at the University—the kind that, like one's honor or one's parental affection, is felt much more than it is voiced, but surely none the less sincere for that.

In Sir Henry's address the most prominent element in the patriotic spirit that he favored, was a glorification of war. He pointed out not only that we as a nation, loved games; not only that the rougher the game was, the more thoroughly we enjoyed it;—so far no one was disposed to criticize him;—but he classed war among those games—"the roughest game of all," he called it; and hence the one that above all others we loved best.

With that speech as a background, there was no doubt in the minds of the students as to what it was that the Ubysey "rebelled" against. And with such sentiments I feel safe in saying that Canadian opinion at

large is not in sympathy. At the distance of one hundred years the glamor and the glory is what we see of Waterloo. In another century perhaps posterity will look back, and see nothing but the glamor and the glory of what is called now "the recent war." But surely one who, like the editor of the Ubysey, has experienced so recently, its grim and terrible savagery, one who has proven that he can accept it on occasion as a lamentable necessity, surely he does not earn for himself the title of anti-British, if he declares his disapproval of opinions that hold it to be the most glorious game of all, the one at which we delight to play.

That is the feeling with which the Ubysey said that we were "out of touch;" and it was between our own feelings and one which was disposed to idolize our Admirals and our Generals, and to place them far above criticism that the Ubysey saw a "gulf." In spite of the fact that they led our forces successfully in battle, they are human after all, and "humanum est errare." It ought to be possible to fall something short of hero-worship, without becoming unpatriotic.

It was because you found anti-British sentiments in these opinions that I attempted to point out during the personal interview that we had on Saturday, just what you were doing by discussing the Ubysey editorial without its proper background. You were interpreting as a lack of patriotism what was in reality only the presence of a different form,—a broader and more quiet form that looks on war as a horrible last alternative, not as a glorious game; and on martial fervor as an excrescence from rather than the essence of a true "love of the land." And the tacit assumption by the Ubysey, of the existence of this feeling was in a large way justified by the general understanding of its attitude by a large number of students.

I regret the necessity of thus repeating myself, but hope that in so doing I am freeing the editorial staff of the Ubysey from any stigma of unpatriotism which may have rested on them; am putting the issue back on its original footing of discourtesy, for which ample admissions and apologies have been already made; and am singing a requiem for the whole affair once and for all.

## TRIED TO GO TO U.B.C.; DEPORTED

W-9-4-23

VICTORIA, B. C., April 9.—Ygor Makovkin, son of Major-General Alexandre Makovkin, well-known cavalry leader during the Russo-Japanese war, has been detained in Victoria by the Canadian immigration authorities and with two other Russians, was ordered deported by the liner President Grant, sailing tomorrow for the Orient.

V. E. K. Weldie of Vancouver, consul of Latvia in British Columbia, who had been asked to intercede on behalf of Makovkin, obtained a stay of deportation, pending a decision of the Minister of Immigration, to whom the matter will be referred.

Young Makovkin has been a student at the Vladivostok polytechnic institute, but owing to the recent Bolshevik occupation, was obliged to leave with his parents, taking refuge in Japan. He intended to continue his studies at the University of British Columbia in mechanics.

## Livestock Judging Contest At U. B. C.

W-10-4-23

The Livestock Club of the University of B. C. staged a livestock judging contest at the Dominion Experimental Farm at Agassiz during the Easter holiday. The winners of the different classes were presented with silver cups on Monday, when the results were made known. The cups were presented by the donors, the staff of the Faculty of Agriculture, to the successful contestants who were: High man in the contest, Harold L. Steves; high freshman, Fred Newcombe; high man in horses, George Challenger; high in dairy cattle, G. McCurrough; high in sheep, Bob Blair; high in swine, Alvin E. Ogilvie. Professors H. M. King and W. N. Jones were in charge of the competition.

## Wolverton President of U. B. C. Body

W-10-4-23

Jasper Wolverton was appointed president of the University of British Columbia Athletic Society at a meeting of the executive committees of the various branches of sports. L. B. Steacy was selected for the office of secretary and George Lipsey is the new treasurer.

The swimming club will be under the supervision of Fred Newcombe and Bruce McDonald will be vice-president with Eddie Chapman secretary-treasurer.

The track club selected Demidoff as president. Professor P. A. Bovington will be honorary president; Les Buckley will be the new vice-president, and Carl Barton secretary. H. O. Arkley was elected treasurer.

The basketball club chose Ed. Bassett as president for the year; H. O. Arkley will be the vice-president and Roy Currie secretary.

Presidents of the athletic clubs hold executive positions on the Men's Athletic Society at the U.B.C.

# INSULIN CURES ARE MIRACULOUS SAYS PHYSICIAN

W. 11-4-23

Several miraculous cures in the treatment of diabetes by the insulin method have been effected, according to Dr. Allison Cumming, who has been for the past few months administering the treatment at the Vancouver General Hospital. He gave an address on the subject before a public meeting held under the auspices of the Alumni Society of the University of British Columbia, Tuesday night.

Relief under this new treatment has been rapid and immediately after the insulin has been given patients have shown immediate improvement in nearly every case, he said. Some twenty-five cases that have been treated in this city since the treatment was introduced, four deaths have occurred. The patients that died were all suffering from another disease at the same time as the diabetes and to this was attributed their deaths.

The insulin treatment is not an absolute cure but gives a great amount of assistance in the curing of the disease. The speaker said that there was no drug that could ever cure it and the only possible methods were the insulin and dieting treatments. The great difficulty with the dieting was, however, that only very small portions of food could be taken and as a result the patient remained in a very run-down condition.

The insulin treatment will, for a long time, be quite expensive, as the necessary material is very scarce. It is derived from the pancreas of the pig, sheep or cow and is administered with a hypodermic needle. The pancreas of the human being is the part of the stomach that is mostly affected by diabetes and when the insulin that is already in the human body disappears the strain on the pancreas is hard and eventually tends to destroy it. The new insulin that is transfused into the body builds it up quickly, however, and the patient is soon restored to normal health.

# UNIVERSITY GIRLS CHOOSE EXECUTIVE

## Hockey, Swimming and Kindred Sports Will Be Followed.

Women athletes at the University of British Columbia have elected the executives of the hockey, swimming, gymnasium and basketball clubs for the coming season. The presidents of these clubs along with the women's athletic representative of arts '27, the next year's freshman class, will form the executive of the Women's Athletic Society.

Kathleen Clark, arts '26, will be president of the hockey club and will have as her vice-president, Winona Straight, arts '26. The secretary-treasurer of the club will be Isabel Kirkpatrick, arts '26.

Sylvia Thrupp of arts '25 is the new president of the swimming club. Phyllis Edgell, arts '24, will be the vice-president, and Dorothy Holmes, arts '24, the secretary-treasurer.

Lillian Cope will lead the gymnasium club as president and will be assisted by Laura Mowat, arts '25, who will be vice-president. Marie Chapin, arts '24, has been elected secretary-treasurer of the club.

Alda Moffat of arts '26 will be president of the basketball club. Dorothy Murray, arts '25, was elected vice-president, while Isabel Russell will be secretary-treasurer.

The office of curator has been left vacant until the session commences in the fall.

# Glad That Nelson Was Popular a Century Ago

Editor The World W. 3-4-23

Dear Sir: Your editorial re the insult to Sir Henry Newbolt by Ubysey is to be commended not only by the ratepayers but by every one who is not an advocate of Bolshevism. If the criticism had been constructive it may have been overlooked as the product of some self-styled advanced thinker.

Ubysey states that it was not in sympathy with Sir Henry's subject, "Patriotism." What is patriotism? It is service to our fellow countrymen, it is unselfishness, as a patriot has nothing to gain except the independence and security of his country and possible death for himself.

So Nelson is out of date, eh, Ubysey? Well, it's a good thing he was in fashion at Trafalgar or we would not have Ubysey in our midst today. And what a calamity that would be. We would have no Van-

couver, and no ratepayers to build the university.

When the "patriot" Horatius held the bridge against Lars Porsena he did not think of himself, but of Rome. Is Horatius out of fashion? No, he is born again in the person of Premier Mussolini, who saved Rome and Italy against those who thought Horatius was out of fashion.

There is a very small element in this country who hate England, and everything English, and a portion of this element is trying to convince the people that the only way to Canadianism is to insult England, and Englishmen.

Well, we have been insulted by almost every nation for centuries, yet the English race has been the dominant factor in the civilization of the world, and today holds a position which is even envied by that great and noble republic to the south of us.

When I speak of the English I don't insinuate that the Scotch, Irish, Welsh and Canadians have not done their share, they have, and done it well, and so have our sister nations, Australia, New Zealand, South Africa.

Why are not the English given a little credit — even the newspapers during the war hid the exploits of the English troops, who formed sixty per cent. of the British Empire forces and sixty-four per cent. of the casualties. These figures don't apply to the 150,000 Englishmen who fought in the Canadian uniform and almost the same number with the Australians.

If Canadianism means willingness to fight for Canada then the English sure proved themselves good Canadians. I have no sympathy with the English who are always harping, "We do it this way in England," nor have I any sympathy with any Canadian who is forever saying, "If you don't like it go back to England." Toleration on both sides is needed and if we all strive to obey the golden rule we shall make Canada a nation worth while.

The average Canadian is as good as the average Englishman, and I should be just as proud to be a Canadian as I am to be an Englishman. A Canadian is premier of Britain, and three Englishmen enjoy that position in the three western provinces of Canada.

As pioneers we have done our share, the Peace River land office reports that seventy per cent of the homesteaders are English, these men and women are battling against the same hardships as their countrymen (the ancestors of the present Canadians) faced for the last 150 years. Even Ubysey must admit we have helped a little.

## Six Students Entered in the Amps' Race Tomorrow— Change Handicaps

APPARENTLY Varsity runners figure on cleaning up again in the "Amps" handicap race at Con Jones stadium tomorrow afternoon. The speed merchants of the "Aggies" have entered en bloc, one might say, with Les McKay, last week's winner, Barry and Fulton, third and second prize winners, and Ernie Hope, MacCallum and Ogilvie, added starters.

Then Hugh Russell, Varsity's all-round champion, is also entered and there are a pair of sprinters from Shelly's big establishment, L. McAllister and J. Forst.

Art Parker is likely to make the fastest of them move tomorrow for instead of starting from scratch he is given a yard. McKay and Fulton have two yards start instead of four last week and the finishes were very close, Worley, who finished fourth, just nosing out Parker.

Special tracks have been laid down and attractive competition arranged expressly to develop this branch of athletics. On a somewhat smaller, but no less earnest scale, that is what the "Amps" and Mr. Jones are doing.

- Following are the starters with handicaps: 1. G. E. H. Montgomery, unattached, 7 yards; 2. Alf. Hamann, unattached, 5 yards; 3. B. Inglesby, C. P. R., 5 yards; 4. W. H. Parkin, C. P. R., 5 yards; 5. A. A. Nicholson, Elks, 5 yards; 6. Art Parker, Elks, 1 yard; 7. E. M. McBrien, Elks, 4 yards; 8. J. Steel, Elks, 6 yards; 9. J. W. Smith, Elks, 5 yards; 10. A. Horne, unattached, 4 yards; 11. C. A. Hedreen, unattached, 10 yards; 12. H. Johnson, unattached, 8 yards; 13. J. A. Clarke, Province, 8 yards; 14. W. E. Walmsey, Hudson's Bay Company, 10 yards; 15. E. Williams, Hudson's Bay Company, 5 yards; 16. L. W. McKay, University, 2 yards; 17. S. C. Barry, University, 3 yards; 18. E. C. Hope, University, 4 yards; 19. H. Fulton, University, 2 yards; 20. H. C. MacCallum, University, 5 yards; 21. A. R. Ogilvie, University, 10 yards; 22. A. Smithers, Firehall No. 2, 8 yards; 23. H. Russell, University, 4 yards; 24. F. B. White, Spencers, 10 yards; 25. P. Worley, Spencers, 8 yards; 26. W. Taylor, Spencers, 10 yards; 27. Armstrong, Spencers, 10 yards; 28. A. Battersby, Spencers, 10 yards; 29. J. Berto, post-office, 15 yards; 30. L. McAllister, Shelly Bros., 10 yards; 31. J. Forest, Shelly Bros., 10 yards; 32. B. L. McLuckie, unattached, 8 yards.

# NEW COURSES AND MORE FEES AT UNIVERSITY

W-21-4-23

A big increase in University tuition fees is announced in the calendar for next year, issued from the office of Stanley Mathews, University registrar, Friday. Students in arts and agriculture must pay \$75 a year instead of \$50, those in applied science \$100 instead of \$50. Nursing and public health department students will continue to pay \$75.

The academic year will open on Sept. 25 and will close on May 8.

The extension of the courses in electrical and civil engineering to the fourth year and minor changes in the definition of the work of some of the classes, is also announced. A short course in hospital administration and teaching principles and methods is offered in conjunction with the summer session of the University, continuing from July 9 to Aug. 17. There is also a summer course in nursing.

A change is made in junior matriculation requirements which will permit students to come up for examination in one foreign language and two sciences. The outline of work in junior matriculation botany and junior and senior matriculation geometry is redefined.

## OVER 1500 TAKE LECTURES

The September matriculation supplemental examination, as well as the regular matriculation examinations in June will hereafter be conducted by the high school and university matriculation board and candidates should submit applications to the registrar, department of education, Victoria.

This year, according to the calendar, over 1500 students attended lectures at the university, of whom 365 were summer session students. Some 850 are arts students. The teaching staff is nearly 150 strong, many of the instructors, however, being partial or post graduate students themselves.

Over \$3000 in cash as well as medals and other trophies will be presented to the highest students during the year.

## Session Is Ending At University Of B.C.

W-27-4-23

Students of the University of British Columbia store away their books for another year at the end of this week and start on their annual holiday, which extends to September 25, when the fall session opens.

Word has been received at the University that Harry Cassidy and Leslie Fournier have been recommended by the department of economics of the University of California to receive teaching fellowships in economics in that college.

# Varsity Sprinters In Front

## McKay, Fulton, Russell Run in Order Named in Powder Hall Handicap

LES McKay, running under the colors of the University of British Columbia, demonstrated that his victory in the Powder Hall handicap last week was no fluke when he repeated on Saturday afternoon at Con Jones' Park. Three varsity men copped the places in the final, Fulton and Russell following in McKay's wake.

Although the Amp's races did not attract a very large crowd some exciting races were witnessed by the small number that attended. Repeating their stunt of last week three members of the Agriculture class finished one, two and three in the final, while Nicholson, running for the Elks, ran fourth. The final was a closely-fought race with Fulton and McKay fighting doggedly right up to the finish. The finish was so close that there was only inches separating the winner and the runner-up. Hug Russell, champion all-round athlete at the Varsity, ran third.

### Parker Not Out.

Art Parker, who was considered as a strong contender for honors, was unable to run owing to sickness, while Nicholson, representing the same club, although he ran in the finals, was not up to the mark.

The contenders for the final had their handicap spread rather evenly. McKay and Fulton having two yards, Russell started at 4 yards, while Nicholson had five.

The best time of the day was made by Nicholson with a five-yard start, who circled the course on 24 seconds in the semi-final. McKay made a mark of 24 3-5 seconds in the final.

Representatives from the Elks, Hudson's Bay, Spencers, Varsity, Canadian Pacific Railways, Firehall No. 2, Shelly Bros., Post Office and Daily Province, while a number of the competitors were unattached.

### Results of Heats

There will be no 220-yard handicap next Saturday, but a week later the Amps plan a five-mile race to end at the park.

First heat—L. W. McKay, U. B. C., 25 1-5 seconds.

Second heat—A. Battersby, Spencers, 26 1-5 seconds.

Third heat—A. Horne, unattached, 26 seconds.

Fourth heat—H. Russell, U. B. C., 25 seconds.

Fifth heat—E. Williams, Hudson's Bay, 25 seconds.

Sixth heat—H. Fulton, U. B. C., 26 seconds.

Seventh heat—A. A. Nicholson, Elks, 25 3-4 seconds.

First semi-final, H. Russell, U. B. C., 25 seconds, L. W. McKay, U. B. C., 25 2-5 seconds.

Second semi-final—A. A. Nicholson, Elks, 24 1-5 seconds, H. Fulton, U. B. C., 24 4-5 seconds.

Final—L. W. McKay, U. B. C., 24 3-4 seconds; H. Fulton, U. B. C., 24 4-5 seconds; H. Russell, U. B. C., 25 seconds; A. A. Nicholson, Elks, 25 1-5 seconds.

# Varsity Track Team to Compete

## U. B. C. Sprinters Will Be Seen in Action at Various Sports This Summer

AT a meeting of the men's athletic organizations at the university yesterday the question of summer sports was brought up and, although the University Alma Mater Society does not officially recognize sports during the summer, it was decided to appoint a committee to look after affairs in different branches, composed of Messrs. Rae Parker, manager of the soccer team; Bill McKee, president of the rugby club, and Les Buckley, vice-president of the track club. There are still two or three soccer games to be played but the most active branch of sport will be track. Buckley will be handling this end of it and from all accounts is lining up some likely-looking material.

Although a great number of the U. B. C. track men will be out of town this summer, there should be enough to make a fairly creditable showing. Garret Livingstone, well-known sprinter, will run for the Collegians. "Livvy" is well known to the local track followers as former King George high school track star and inter-high school track champion in 1919. He recently surprised even his most ardent admirers when he came back in great style at the university track meet, running the 220 in 24 seconds flat.

### Buckley Competing

Les Buckley will compete in the distance events for the U. B. C. aggregation and his showing in the recent meet should make him a formidable contender. His specialty is the half-mile, which distance he negotiated in 2 minutes 8 3-5 seconds last month at the varsity meet. Last summer Buckley won the police sports 440 in 54 seconds flat, and he has figured among the prize winners in Caledonian and other meets for the last two or three years, tying Lee Cowan for the senior inter-high school championship in 1920.

Carl Barton the 'varsity star miler will also run in the Blue and Gold colors for a month at least. Barton who recently lowered the Varsity mile record to 4 m. 55 secs., shows great promise. He has done some good work this year, nosing out Verne Whitworth in the Y. M. C. A. mile last November and coming third in the annual Dunlop five mile race. Both Barton and Buckley will be seen in action in the Amputation five mile race on May 5.

The four Varsity sprinters who have taken first, second and third places in the recent 220 handicaps may be seen in action also. Barry will run for a certainty but it is doubtful whether the others will be in town.

### First Outside Competition

The collegians plan to be represented in all the meets this summer, the Police, Caledonian and B. C. Championships. This is the first year that the local students have taken any active part in outside competition. Hugh Russell, the star high jumper who recently made such a good mark in the Varsity meet, will not be in town but will keep in shape and next fall will be a member of a team which will compete in the Intercollegiate meet against the prairie provinces.

It is mainly with this idea in view that the Varsity men want to get a first class team lined up this summer. Recognizing this the new track executive, Demidoff, Buckley, Barton and Arkley are trying to get a strong team together.

Competing in the various meets will develop the material more than anything else and will be a big thing for track at U. B. C.

# One Goal Enough to Win Title

30.4.23  
Ladysmith Eleven Defeats  
Varsity in Great Game—  
Strang Is Hero

LADYSMITH soccer team defeated the Varsity boys Saturday afternoon by a score of 1-0 and took the emblem of soccer mastership, the Province Cup, back with them to the Island. Mosher, goal-keeper of the Varsity team, did wonders in keeping the score down, and carried the responsibility of saving his team from a worse defeat, which, perhaps, would have been a more judicial reflection of the strength of the battling teams.

J. Strang, the small muscular, keen and hard-playing centre forward of the Islanders, shot the winning goal from close range in overtime after 102 minutes' play, no score having been registered by either team when both regular periods had been played.

It was a great game. Excitement of the cramming crowds was held at top pitch during the entire game, and the close finish with maddening pace, flashing attacks and brilliant defence from both teams provoked a constant roar of enthusiasm for the home team, and yet there were moments of recognition of good play by the visitors, exhibiting the true Anglo-Saxon instinct of sportsmanship.

### Visiting Forwards Skillful

While the score may truly illustrate the comparative skill and strength of the defence of the contestants it certainly does not show the better quality and coherence of the Ladysmith forwards as compared with the Varsity men. For a moment at the close of the second regular period the Varsity forwards adopted the combination tactics and went down the field in grand style, threatening to disturb the complacency of the goalkeeper, Boyd. But this was only for a short period. Combination was thrown to the winds. A wild, ambitious, may be, but not effective race with the full backs seemed to the Varsity chain to be an easier way to score.

### Lapransky Stars

Lapransky played a good game. He had a marvellous ability of snatching passes from the Varsity half-backs to their forwards and constantly broke attempts to combinations. His direct kick was clean and clear and always directed the ball in intelligent passes to the wings. Therefore he won the hearts of the spectators, who enthusiastically applauded his re-entry in the field after a brief absence following a bad fall in a clash with inside right McLeod. His friend on the left side, Anderson, played safely and constituted with Lapransky the strong defence of Ladysmith, which on but few occasions was engaged in hectic work.

To return to the Varsity team. The hero of the day was Mosher, the goalie, who defied the bombardment of the opponents and made many saves of international quality. His height gave him a great chance in the corner kicks, as he almost reached over every man on the field, and swept the ball away with mighty punches. He shook the masses with thrills when taking too liberal chances, dancing away, with Ladysmith forwards buzzing around, out from his goal punching the ball daringly out of range.

### Varsity Backs in Form.

Baker, left full-back, and Cruite, on the right side, did excellent work. The former fought valiantly to keep the invading forwards in check. Centre half-back Phillips had a strenuous time watching the little Strang. As a whole the defence of the Varsity kept the honors of the city, and certainly gave the Ladysmith kickers a game which might have had a reverse score had the Varsity been favored with more enterprising forwards, who seemed strangely out of tune and out of touch with each other.

### Handled Game Well.

Although the Ladysmith boys at times showed tendencies to employ rough tricks, Referee Locke of Victoria had a very good day and conducted the game with a watchful eye and pertinent lookout for fouls. His decisions were sound in general, only a slight error in an offside judgment causing consternation, which he, however, immediately rectified.

At exactly 3:05 Locke's whistle opened the game. In forty seconds Ladysmith had the first corner, following a rapid attack. The game was from the start evenly divided with rapid rushes from both sides, Ladysmith making the most dangerous attempts, which for a moment seemed to choke the roaring throats of the Varsity fans. After seven minutes play Strang, on the right wing, got away at tremendous speed, skinned down the line like a streak, centred and Houston had his famous and thrilling shot in the pole. This shook Varsity up, and they promptly replied with an invasion of the Ladysmith end. Varsity followed up with even play on both wings, but failed to score, due largely to hesitancy on part of the forwards in front of goal, a weakness which was soon discovered by the Ladysmith defence. After 17 minutes both teams were in high and some really good football was exhibited, but in the majority of cases the Mosher had more dangerous shots to handle than Boyd.

### A Bombardment.

A thrilling moment came after another four minutes when in a stagnation outside the Varsity goal three shots in succession, all hard driven for the corners of the goal, by some bewitching power struck blue and yellow men. A corner was here awarded Ladysmith. Mosher slammed the ball away to Say, who forwarded it to Cameron. A wild rush down the field, in the true and fascinating manner of which the Varsity is famous, a centre to three forwards in front of the enemy goal, all missing the well directed pass, constituting the greatest chance the Varsity had to score during the game.

Psychologically, a goal here for the Varsity would have given the team great confidence and would have made the game doubly interesting. The fans groaned with disappointment and cheered wildly again when the Collegians once more slid past the defence and were on the verge of scoring.

Inspired by the vigor of the students, Strang put his men on the run. Some very pretty combinations brought the chain repeatedly in the vicinity of Mosher. After 38 minutes' play Lapransky cut loose with a few daring breaks, and even play with a small press from the miners ended the first period.

### Second Half.

At the start of the second period Ladysmith ran the play down to Mosher from kick-off, driving terrific shots, and for a moment silencing the roaring and tumultuous crowds. With the exception of spasmodic individual charges from the Varsity forwards the Ladysmith team dominated the game, and had the initiative of attack. An attractive and graceful piece of work was Cameron's drive down the line, with a pretty centre bouncing from Lundie's scalp into Boyd's safe arms.

Varsity defence had some very rough work after about 20 min-

utes' play, when the Islanders positively were all over the field. An unfortunate incident occurred, when Lapransky smashed against McLeod, fell on his neck and had to be carried out on a bench. He returned, however, after 15 minutes. Thanks to the hard working defence of the Varsity no scoring was done during this period of bombardment. As the time passed the game stagnated along the lines, with many throw-outs and unnecessary fouls.

With ten minutes to go, Ladysmith achieved a corner. It was beautifully executed by Rafter and with admirable precision straight on the left pole. The fans sighed with relief when the danger was over, and spontaneously applauded the event.

### Varsity Attacks Hard.

Then the Varsity suddenly seemed to wake up. The forwards rushed the goal. They drove up the pace to a wild pitch, making it almost strenuous to watch. Tearing through defence, they inspired the fans to a fur or of enthusiasm.

Along the benches went the rumors in amoment transformed into a uniform cry, that the Varsity had started. And indeed, for a moment it did seem, as if the collegians should win this game as they have done so many before, by wearing out their opponents, in a treacherous defensive game, and then start a violent press in the closing stages of the second period.

But nothing of this happened. Boyd was never really in any great trouble, and the Ladysmith backs were successful in keeping the slate clean. Locke's whistle ended the second period, with no score, and among the spectators the stock of Ladysmith was higher than that of the Varsity.

### Strang's Big Effort

Ladysmith won the toss at the commencement of the overtime period and preferred to play against

the sun in the first quarter of an hour. It was evident that some of they players were getting tired, but the pace was none the less terrific. The forwards swept the field in constant attacks, coherent on part of the Ladysmith men, daring individualistic from the Varsity. At 5:06, Strang shot the only and winning goal of the entire game, from close range, straight into the right corner, and well out of reach of Mosher.

Varsity made mad efforts to square the score, but nothing brought the miners off their guard and with and with another quarter period they left the field victors of the day.

Five minutes before time was up Boyd made a nasty, deliberate foul on McLeod, who rushing after the ball at the rear of the goal was thrown down by the staunch and stalwart goalkeeper. Referee Locke ordered him off the field and Strang, the captain took charge of the goal.

A banquet was given the players in the evening and with the provincial soccer trophy the Ladysmith team, with their supporters set sail for home on the Princess Patricia in the evening.

The line up of the teams was as follows: Varsity from goal to outside left: Mosher, Cruite, Baker, Cant, Phillips, Say, Cameron, McLeod, Lundie, Jackson, Trenan, Reserve Deans; Ladysmith: Boyd, Lapransky, Anderson, McCormick, Orr, Battie, Strang, Houston, Strang, Mathieson, Rafter. Referee Locke, Victoria.

## Varsity And South Hill Draw

S.S. 23  
Soccer Leaders Fail to Score  
in Semi-Final—Replay  
Game Saturday

**A**IRTIGHT defensive play by both Varsity and South Hill featured the semi-final for the first division championship of the Vancouver and District Soccer League at Athletic Park, yesterday, and neither team was able to score despite the fact that 30 minutes overtime was played. The game will be replayed next Saturday night at Athletic Park when it is hoped some other decision than a scoreless draw will be reached. The winner of this match will meet Veterans in the final on a date not yet decided.

Yesterday's match was thrilling to the utmost degree, but the football displayed did not always measure up to first division calibre. Both teams were using defensive tactics, and any time the forwards became threatening, the backs would clear in any direction as long as their goal was saved. The match, as a whole, was even with any edge going to the Hillmen.

Varsity played without three of their regulars, McLeod, Say and Phillips, and right at the start it appeared as though South Hill would make it a runaway affair. Varsity soon settled down, however, and during the long grind of the first period, neither goalie was given much work, while the backs handled every chance with ease.

### Forwards Again Weak.

The forwards could not seem to get going and with Crute and Baker breaking up rush after rush at the Varsity end, while J. Campbell and Mynes held their stronghold resolutely at the opposite goal mouth, there were few exciting moments. The South Hill backs were frequently kicking to touch in hurried attempts to clear, while the Varsity defence men placed the ball more cleverly up the field.

In the second period, however, the game waxed more exciting and on no less than five occasions, the Varsity goal was saved by the smallest of margins. Luck had a big part in carrying through the "Rah Rah" boys through this stage of the

game without one more counter checked up against them. Three times when Mosher was entirely out of the goal and with no possibility of saving the ball, the net was missed by the smallest of margins.

### Hillmen Had Edge.

South Hill had a decided edge on the play in this period and their centre half, Colin Campbell, put up three beautiful attempts at goal, all of which just slipped over the top bar. A foot lower and one goal would surely have been counted out of the three. Armstrong, too, was robbed of two almost sure goals in this period, once when his shot had the wrong English, and twisted around the outside of the pole, and again when his shot hit a defender, then the top bar and finally bounced into safe territory. Cunliffe, too, missed a sensational header which passed across the goal mouth, but did not drop in. Mosher at this time was out of his goal with no chance to save.

The first half of the overtime was much the same as the opening period with the play even and both teams using their defences to their best advantage. Varsity did break away on two or three occasions, but the chances were not finished up well and no score resulted. South Hill was content to protect their own goal so that the game at this stage was lacking in interest to the spectator.

### Finish Thrilling.

The final 15 minutes, however, brought out some more sensational football. Varsity held the edge practically the whole way, but could not fathom the South Hill's rear guard for the needed goal. South Hill backs were again kicking to the four winds as long as their goal was cleared, when pressed hard.

Just before the final whistle, the ball came up to Furniss on the Hillmen's right wing. He crossed beautifully and the ball was headed by another forward directly for a corner in Varsity's rigging. With the ball apparently in the net, Mosher made a flying leap, snagged the pigskin out of midair and dodging the attacking forward with the same motion, kicked to safety. The game ended with the goals of both teams intact.

### The lineups:

South Hill — Turner; Campbell, Mynes; Armstrong, Teesdale, Young; Furniss, Goodie, C. Campbell, Pall, Cunliffe.

Varsity — Mosher; Crute, Baker; Cant, Buckley, Jackson; Cameron, Gunning, Lundie, Deans, Ternan.

Referee — Webster.

## Varsity Captain

**M**UCH credit for the success of the Varsity soccer team, winners of the Mainland Cup, who meet South Hill tomorrow in the replay of the semi finals of the V. and D. League, is due to Lorrimer Baker (below) skipper of the Student's team. Baker is a crack defence man and along with Crute has done great work. He is also a tennis player of ability, playing on the Laurel Tennis Club's first string squad.

# VARSITY GRADUATES PLANT TREES

W-5-5-23

In the upper picture Dean Coleman is leaning on the shovel with C. L. Campbell, president of the graduating class; Miss Beth McLennan, vice-president (supporting tree), and President Klinck "in action" to the right. Lower picture: Mrs. L. S. Klinck (left, shovel in hand); Miss Jean Straus (with tree in hand); Miss Grace Smith (shovelling); Miss Dorothy Dallis (with sprinkler), Miss M. L. Bollert (adding the last drop of water).

It's harder than it seems for 60 people to plant a five-pound sapling. This year's graduating class of the University of B. C. showed how it should be done when they formally planted the fifth lime tree on the "Graduating Boulevard" of the university site on Wednesday afternoon.

The tools were two shovels and one watering can.

President Klinck broke the ground by lifting a tiny portion of soil from where the hole was to be, while Dean Coleman was just stopped in time to prevent him from digging the rest of it out himself. Each of the men then removed a bit in turn; the tree was put in place, and the

women, advancing two at a time, alternatively pushed a bit of soil in and sprinkled a bit of water on the tree. A tiny bit of dirt left was dexterously shovelled in by Mrs. L. S. Klinck, while Miss M. L. Bollert, dean of women, emptied the sprinkler. The ceremony ended with an address by Dean Coleman.

# Varsity and Veterans Clash In League Final

Students Play a Man Short  
And Defeat South Hill  
Eleven.

Remarkable Exhibition of  
Courage and Dash Given  
By Collegians.

**V**ARSITY and Veterans, ancient enemies as football struggles go, will meet tomorrow night to decide the league championship, a title that the students fondly fancied they won several weeks ago when they trimmed the longshoremen, only to lose again when South Hill nosed them out in the deciding tussle which forced a tie.

South Hill faded from the picture Saturday evening when Varsity, with ten men to eleven, gave the finest demonstration of fighting courage and indomitable grit, ever shown in Vancouver and beat the Hillsideers cleanly two to one.

The shades of night were falling fast as through that Hillside eleven passed a gangling youth, who bore a football.

The youth was Harry Gunning, rugby player of parts and a coming soccer star who tallied both goals for the Students and altogether disported himself as a gentleman and a sportsman should.

### IN HIS USUAL FORM.

The "Excelsior" portion of the entertainment, however, was provided by South Hill, who skied the ball from every angle in the field and shot over, around and past the goal nets.

Half a dozen shots, it is true, tested Mosher, but that tall hero was as good as usual, which is equivalent to saying he was peerless in his department.

Webster refereed and he had about as much control of the game as a pup with blind stagers has over the actions of his grandparents. Webster's work was very carelessly done. Either he lacks the moral fibre to enforce the rules or he does not know them.

### A SPORTING OFFER.

South Hill, with Bradshaw at half instead of Young, were stronger than ever. Bradshaw was the most forceful player on the eleven. Varsity were without Ternan and could find no substitute although the Hill men agreed to permit a second division player to appear before the match began.

Physically South Hill are probably superior. Morally, Varsity has an immense advantage over most of the teams they meet. When the going looks toughest, they rally round and "fight their damndest."

Every man on the side was good. Superlatively so. Irrespective of the result of tomorrow night's game, which takes place at Athletic Park at 5:30, and must go into overtime, if necessary, Varsity have demonstrated time and again in this, their first senior season, that they are imbued with rare courage and the spirit of dauntlessness under duress, which is an elemental in the athletic creed of the Anglo-Saxon.

# Varsity Wins With Ten Men

Students Qualify for Finals  
by Beating South Hill Soccer Team 2 to 1

**P**LAYING with only ten men, the Varsity first division soccer team advanced into the finals in division championship race, by besting South Hill two goals to one in the semi-final Saturday at Athletic Park. Varsity won on supreme defensive work and although South Hill had by far the best of the aggressive play, they could not find the net behind Mosher on more than one occasion. The work of that would have taken the heart out of any class of forwards, for shot after shot that seemed as good as in the net were stopped by what appeared to be impossible saves.

Varsity forwards, although having a minority of the play, took full advantage of their opportunities, Gunning, especially, missing nothing. It was from his foot that both the Varsity goals came. Not one of the three goals scored was lucky and all came from straight hard shots, from close in.

### Gunning is Big Boot.

Gunning annexed Varsity's opening counter, twenty minutes after start, when he took a rebound from Lundie's shot and drove the sphere straight and true to a corner. South Hill immediately began to press and although Varsity had but little of the play from then to the interval, the Hillmen could not score. Mosher appeared unbeatable. South Hill, however, broke into the scoring column when 15 minutes more of sustained attack at the start of the second period, Colin Campbell lashed the ball past Mosher from close in.

The game began to speed up at this point, and after rally after rally by both teams, Varsity again went into the lead with less than 15 minutes to go, Gunning took a perfect centre from Deans and again found a corner of the net. From then to the final whistle it was but one South Hill rush, but over-anxiety threw their chances to the winds.

### Finished at Dusk

Despite a late start, a good crowd was out to see the battle and every play during the whole game was watched with keen interest. Towards the last, the game was played in semi darkness that made it hard for the spectators to follow the ball.

Referee Webster handled the match and, although he let a number of fouls and some questionable conduct go unpunished, he was fair to both sides.

The final between Varsity and Veterans, is scheduled for 5:30 o'clock on Tuesday evening.

# COMPLETE LIST OF U.B.C. EXAMINATION RESULTS

## Maurice Home Wins Governor General's Gold Medal at U.B.C.

### Successful Graduate Hands in Perfect Papers in Some of the Subjects

#### NORMAN ROBERTSON IS RHODES SCHOLAR

### Prize List and Standing of Students Who Have Passed Examinations

Maurice Home is the winner of the governor general's gold medal for graduating students of the University of B. C. this year. He took honors in mathematics and physics, handing in perfect papers in some of his subjects. The examination results were announced yesterday.

This year's graduating classes are the largest that have ever attended the U.B.C. There were 106 B.A. degrees granted, 34 B.Sc. degrees, 12 B.S.A. degrees, 3 B.A.Sc. (nursing) degrees, 14 M.A. degrees, 6 M.Sc. degrees and 1 M.S.A. degree.

The names of the conditioned students will not be given for publication, nor will the partial students be given a standing. The marks made in the individual subjects will not be made public, but all students will receive a standing in each subject upon application to the registrar's office on or after next Monday.

The standard of the University of B. C. is higher than that of most Canadian and American universities. Supplemental examinations are granted to those students falling in one or two subjects who have a passing average. The supplemental examinations may be written in the fall, or the courses may be repeated next year as extra units.

First class honors are given to senior students taking an honor course who make over 80 per cent. Second class honors are given to honor students making over 65 per cent. First class marks are those awarded to other students making over 80 per cent., and second class standing to those making over 65 per cent. Marks above 50 are called "pass" marks, and those between 40 and 50 are "conditional" passes.

The prize list and standing of the students who have passed is given below.

For Post-Graduate Studies—1. University Scholarship, \$200, Maurice Home; 2. The Anne Westbrook Scholarship, \$100, Joseph Brown.

## DEGREES WILL BE AWARDED TODAY

DEGREES, scholarships, prizes and medals will be awarded to the graduating students at the eighth annual congregation of the University of British Columbia this afternoon at 3 o'clock. The convocation meeting will be held tonight. Both assemblies will be in the university auditorium, Tenth avenue and Willow street.

Owing to the limited seating capacity of the auditorium only those who have an invitation will be admitted. There are over 200 receiving degrees this year and invitations have been issued only to their immediate relatives. This is the largest graduating class in the history of the university.

With the Alumni association reception tomorrow night the graduation exercises of the students for the year will be finished.

Top, left—Maurice Home, the winner of the governor general's gold medal for highest standing of honor students graduating from the university this year. Mr. Home took honors in mathematics and physics, making perfect marks in some of his examinations. He will also be awarded the university scholarship of \$200 for post-graduate work.

Top, right—William Ure, has won the Dean Brock scholarship of \$100 as well as the convocation scholarship of \$50. He led the graduating students in applied science.

Top, centre—Norman Robertson, who has been appointed Rhodes scholar for the coming year, and who will leave soon for Oxford, tied with Mary Chapman for the high standing of the non-honor students graduating from the faculty of science.

Lower, left—Elaine Griffith, winner of the Historical Society medal offered for the highest standing in history for the graduating students. Miss Griffith made first-class honors in her history.

Lower, right—Mary Chapman tied Norman Robertson, Rhodes scholar, for high place of the graduating students not taking an honor course in the Faculty of arts and science.

Lower, middle—Joseph Brown, winner, of the Ann Westbrook scholarship of \$100. He graduates with first-class honors in mathematics and will use the scholarship to continue in post-graduate work.

The eighth congregation of the University of British Columbia on Thursday afternoon was academically dignified, with a record number of graduates receiving diplomas and honors. The World photographer snapped the impressive procession of learned men and graduates on its way to the assembly hall. Below are, from left to right: Dr. R. E. McKechnie, M.D., C.M., LL.D., F.A.C.S., chancellor of the university, and Dr. Walter Charles Murray, M.A., LL.D., F.R.S.C., president of the University of Saskatchewan, who delivered the congregation address. At the top are three radiant young lady graduates snapped on their way to the formal ceremony.

# DUTY STUDENTS OWE UNIVERSITY

W. 9.5.23

The duty each student owes the university was emphasized by speakers at the class day exercises of the graduating classes of the University of B. C. on Tuesday, when presentation of the cheque to be used in purchasing the valedictory gift was made to the chancellor by Hunter Lewis.

Dr. R. E. McKechnie urged the students to do their part in behalf of the university, pointing out that McGill graduates had raised the sum of \$3,000,000 for their university and expressed the belief that in years to come a similar sum could be raised by University of B. C. students. In that connection he pointed out that the state contributed \$350 for every student attending the university and urged that it should be paid back in service.

President L. S. Klinck and Dean H. T. Coleman also emphasized the great amount of mutual good to be derived if the students gave freely of their services.

Miss Dorothy H. Walsh of Arts '23 gave the valedictory address, in which she urged the value of the students acquiring the wider point of view.

Humorous "prophecies" dealing with the various classes were given by different students and the class will of '23 was read by Sallee Murphy, in which the class bequeathed all its good qualities to the junior years.

Musical numbers were given by Miss Norah Willis and Miss Marion Wilcox. Claude L. Campbell acted as chairman.

The convocation will be held tomorrow.

# GREAT STADIUM AT UNIVERSITY SITE IS URGED

11.5.23

In the presence of friends, professors, doctors, governors and deans, graduates of the University of British Columbia received their diplomas and honors from the hands of the chancellor, Dr. R. E. McKechnie, at the eighth congregation held in the assembly hall Thursday afternoon. This, one of the outstanding ceremonies of the season, passed with usual dignity, the girls dressed in gorgeous white frocks, hidden under the emblems of their learning. Blue and yellow, symbolic colors of the institution, were everywhere in evidence.

The hall was crammed to the doors with interested and enthusiastic spectators, with parents who witnessed the academic coronation of their children, with under-graduate friends who cheerfully greeted their seniors.

A trick of the sun, peeping in through the top windows, threw a glittering beam on the very spot where the graduates kneeled before the chancellor, while the rest of the assembly hall was well in shadow.

President Walter Charles Murray, of the University of Saskatchewan, delivered the congregation address. He pointed out that the idea that expenditure for educational purposes was an "investment" was entirely erroneous.

"That view is absolutely wrong," he said. "It is purely incidental and not, as some contend, fundamental." The state in its functions fundamentally to make life for the citizens, for the people, agreeable, must regard education as one of its great national duties. The right to live carries with it the right to live well.

He congratulated the graduates on their graduation and painted a beautiful prospect for the coming university at Point Grey.

Reviewing the past year, Dr. R. E. McKechnie, chancellor of the University, spoke with enthusiasm of the achievements of the institution to grant twenty odd master degrees. He thought it reflected great enthusiasm on the part of the students, to work so enthusiastically with so "abundant facilities" at hand. Particularly did this apply to those studying science. Year by year the classes were growing larger, and this year constituted a record in the annals of the history of the University in number of graduates.

Greatly pleased with the work during the past year in the sporting fields, the chancellor suggested that the committee which with evident skill had put over the campaign for the varsity site at Point Grey, also should launch a campaign for a stadium there. There was no possibility that Victoria should assent to grant money for such a building, as there seemed to be considerable difficulty in getting them to grant money for the science and arts building. There should be no difficulty in raising a fund of \$60,000 or \$65,000 for the construction of a proper stadium, with accommodation for masses of spectators and with facilities to be the athletic home for the students of British Columbia.

Following the addresses came the award of the medals, scholarships and prizes.

# Varsity Concludes Greatest Athletic Season in History

**T**HE close of the college term at Varsity has marked a record year in almost every branch of athletics. With the exception, perhaps, of hockey, there has been a marked improvement in every team in every department of sport. The McKechnie Cup team can take far more credit upon themselves for winning this trophy this year because the opposition put forward, by the Vancouver team particularly, was of a very high order.

Tremendous strides have been made in soccer at U. B. C. this year and the winning of the Mainland Cup and the fine record of the U. B. C. team was a surprise to even its most ardent college supporters as well as to the soccer fans all over the country, and the students showed their appreciation by making soccer a major sport and thus giving the game a big boost.

Track, too, has made a big headway and this year, for the first time, Varsity has competed in outside competition. The numerous basketball teams at the seat of learning have carried the colors in the indoor pastime and made a very creditable showing.

With the close of the college term there will be several gaps to fill up in the rugby and soccer teams to take the place of the '23 graduates. The rugby team will probably be the worst sufferer. The places of Reg Hodgson, Rex Cameron, Mike Gregg and Harry Gunning and Archie McVittie, will be hard to fill. The wisdom of the Collegians in having a second and third team to fall back upon is apparent, because from the lowly Miller Cup team the future McKechnie stars come. Hislop of Arts '24, and Hugh Russell, of Agric, have played a good game on the second team and may make the team next year.

### Hard To Replace

Reg Hodgson, the aggressive McKechnie forward, will be a hard man to replace. Reg was the captain during the 1920-21 season. Rex Cameron, the brilliant half back, is also the star right winger on the soccer team and his absence will be a big loss to both the first rugby and soccer teams. Rex is one of the best all around athletes in the college. It is rumored that Rex will

take a post-grad. course next year. If he does so he will probably only play on the soccer team.

Harry Gunning is one of the steadiest and most consistent players on the McKechnie team, and is one of the old standbys. His team mates

will be sorry to lose him. Gregg is also an old-timer on the team and has played some very useful games in the past. Archie McVittie has been a handy man on the team and helped them out of many tight places. The team next year will have to go some to live up to the record established by the champions this year. Gee Ternan is confident, however, that the Collegians will cop the championship again next year as they have done for the last two years in a row.

The soccer team will be weakened by the loss of Stanley Say; their left half, and one of the steadiest men on the team. Johnny McLeod and Rex Cameron, both of rugby fame, made the Varsity Soccer team's right wing one of the strongest in the city. Rex may come back next year, however.

Eb. Crute, one of the oldest of soccer players in the city, has played right full back on the team for years, and this may be his last season as he graduated in 1921, and has been taking post-grad work recently. Eb will be a hard man to replace, as his long experience in the game makes him a valuable asset to any side.

There will be several new men, however, who should fill the gaps, and according to Captain Lorrimer Baker, the team will be stronger than ever next year. Tommy Wilkinson, star full-back who played on the team last year but who missed a year expects to be back next season. Tommy can play almost any position and will be a handy man to have around.

The collegians developed a speedy left winger by the name of Embree early in the season, but he left at Christmas and the team has been short a left winger ever since. Embree will be back next year and should help the goal getters of the team.

There is, to, some likely looking material in the second team, so that the first soccer team should not be short of material next year with which to keep up the splendid record established by them this year.

### U. B. C. Student Wins Scholarship

J. A. Dauphinee, New Westminster, who secured his Master of Arts degree at the University of British Columbia this year has been awarded a bio-chemistry fellowship at the University of Toronto according to word received at the university today. He will study under Prof. Andrew Hunter, head of the department of chemistry at Toronto.

### TOPS LIST IN WHOLE OF B. C.

SOUTH VANCOUVER, July 23.—David Cunningham Warden, of 1444 Forty-third avenue east, South Vancouver, came out

first in the province in the matriculation examinations with no less than 937 marks out of a possible 1000. He wins the governor-general's silver medal and \$150 University of B.C. prize. His father, Robert Warden, is a teacher at Carleton school.

David received most of his public school training at schools in the Okanagan and Kootenay, but passed into the High school from Tecumseh public school three years ago, passing second in his district. He is 16 years of age.

### B. C. STUDENTS GET AWARDS

OTTAWA, June 30.—(Canadian Press)—Several western Canadians are included among the list of fellowships, studentships and bursaries to be held in Canadian universities during the year 1923-24, announced Friday by the research committee of Canada.

These awards are granted each year by the research council for the purpose of developing in Canada a body of thoroughly trained scientific investigators and research workers, in order that they may be available to assist in the solution of technical problems which confront Canadian industries, or for scientific positions in the universities. Fellowship carries with it a grant of \$1200; a studentship \$1000, and a bursary \$750.

Western awards are:  
Fellowship—R. E. Forester, University of British Columbia.

Studentship—J. C. Forbes, University of Saskatchewan, and J. H. Mennie, University of British Columbia.

Bursaries—M. Home, University of British Columbia; S. R. MacDougall; L. T. Robinson, University of Saskatchewan; C. D. Reid, University of Alberta; J. O. G. Sanderson, University of Alberta, and W. M. Ure, University of British Columbia.

### U. B. C. Senate To Consider New Course

A request recently made by the department of education at Victoria that the University of British Columbia make arrangements for the training of university graduates who desire to become high school teachers will be considered at a meeting of the senate of the university which will be held Aug. 17. A suggestion of this kind, it is understood, was made to the university senate more than a year ago by educational authorities, but was not at that time considered. The necessity for work of this character being done is said to be keenly felt.

### Pre-Nuptial Tea Is Mid-Week Event On North Shore

A notable event in North Vancouver society circles was the at home, to which Mrs. E. C. Walsh invited a large company on Wednesday, in honor of her daughter, Miss Violet Walsh, whose marriage takes place shortly. Gladoli and mauve sweet peas set amidst billowy tulle of rose pink hue made a delightful decoration for the tea table, at which there were presiding Mrs. G. B. McLellan and Mrs. R. V. McCarty, and succeeding them, Mrs. R. A. Bondon and Mrs. James Duke, while Miss Mina Abernethy and Miss Laura Reynolds served the ices. Assisting these were Miss Kathleen Knowlton, Miss Beth Abernethy, Miss Lucie Collier, Miss Kathleen Mutrie, Miss Margaret Cook, Miss Elsie Howe, Miss Dorothy Houston, Miss E. Fournier and Miss Helen Mathison. In the gathering there were to be seen Mrs. Alex. Weston, Mrs. R. Bondon, Mrs. E. Elcock, Mrs. Hansel Gott, Mrs. E. A. Martin, Mrs. Druce, Mrs. James Lyall, Mrs. J. Badger, Mrs. A. H. Martinson, Mrs. Alan Townsley, Mrs. James McNair, Mrs. J. V. MacLeod, Mrs. Dougald Donaghy, Mrs. E. Miller, Mrs. R. F. Archibald, Mrs. Newton Steacy, Mrs. A. Clements, Mrs. R. ### Varsity May Send Team East

ARRANGEMENTS are under way which will probably result in a team of four or five of the best of the University of British Columbia track stars taking part in the Western Canada Intercollegiate track meet which will be held at Saskatoon late in the fall. Carl Barton, representative of the track team here, has received a communication from Secretary Robinson, of the W. C. I. A. U. submitting all information regarding the coming meet.

A comparison of records show that the local students will have an excellent chance in some of the events. At present it is impossible to reach a decision as to the proposed trip, a the matter rests with the Students' Council. Very few members are in the city, and this applies to the Athletic Executive also. But Barton and J. Warburton, track captain, are busy and will have all information for the council when the time comes.

Barton resides at 1625 Sixty-fourth Avenue West, 'phone Eb. 550L, and Warburton can be reached at 137 Eleventh Avenue West, 'phone Fair. 5042L. All track men interested are requested to get in touch with either of these boys at once.

Comparison of records follows:

### Canadian Rugby May Yet Be Played

The playing of Canadian rugby on the local gridirons is practically assured, although a final meeting to settle all existing questions will be held within a few days. Many rumors have been circulating through sporting circles to the effect that the B. C. A. A. U. had dropped the game, but this is not so according to Bert Tennant, local chairman of the B. C. A. A. U.

It is practically assured that at least three teams will enter the league. The local firemen at No. 2 Fire Hall are only waiting to know what expense will be incurred to equip a team before sending in their application, states Deputy Chief Thompson. The Varsity, although it was stated earlier in the week that they would not enter a team, may do so.

### Former Graduates Of University Are United In Chalmers Church

University students of B. C., graduates and undergraduates gathered in numbers last night in Chalmers church to witness the marriage at eight o'clock of two graduates of the class of 1922, Miss Gwendolyn Muriel Kemp, only daughter of Mr. and Mrs. W. Andrew Kemp, and Mr. Russell Earle Foerster, son of Mr. G. L. Foerster. The bride obtained her B. A. in that year while the groom won his Master's Degree at the same time.

Through a church, filled with flowers, the work of the bride's sorority sisters, the Theta Epsilon Sorority, Miss Kemp came on the arm of her father looking piquant in her creamy gown of French crepe Guernsey in wired bouffant style. The hand-made girdle was of pearls and a train of brocaded crepe de chine hung from the shoulders. A long net veil, held in place by real orange blossoms, made in Juliette style completed her bridal attire and she carried a bouquet of orange blossoms and roses.

She was attended by Miss Janet McTavish in a heavily beaded frock of orchid crepe de chine and a black picture hat in Watteau style with glycerine feathers. Mr. Harry Dunlop attended the groom and Rev. Mr. McGougan conducted the service. Mr. Barlow presided at the organ and Miss Audrey Mildmaysang very charmingly during the signing of the register.

The bride's mother wore a becoming gown of navy blue tricosham and a large drooping hat of navy blue taffetas lined with georgette of the same shade and with a soft curling feather on one side.

Mrs. Foerster, mother of the groom, was garbed in a dark blue canton crepe with a cloak in wrap-around style in the new wood brown shade and a hat of that color shot with blue encircled with a feather in the two colors. She wore a corsage bouquet of Ophelia roses.

A reception was held later at the home of Mr. and Mrs. Kemp, 3743 Fifth Avenue West, when several out-of-town guests were present, among whom were Mr. and Mrs. Herbert E. Kemp from St. Luis, California.

Mr. and Mrs. Foerster left for a trip to Victoria and Cultus Lake, Mrs. Foerster travelling in a smartly embroidered three-piece suit of brown embroidered beige duvetyn, brown velour with a top of the coat lined with beige canton crepe and with a collar of sable. She wore with this a brown duvetyn hat edged with a pleated frill of brown taffetas.

On their return Mr. and Mrs. Foerster will leave immediately for Toronto where Mr. Foerster will continue his studies for a Ph. D. degree.

### Graduates' Classes To Open Monday

Teachers training courses for University graduates for which arrangements have been completed, will begin Monday, September 10. Enrollment payment of fees may be made at the University offices up to 10 a.m. on the opening day.

Opening lectures will be given in the Normal School at 10:30 a.m. and in room 23 at the University at 5 p.m.

The work is in charge of Principal D. M. Robinson, of the Normal School and of Dean Coleman of the Arts faculty of the University. Large classes are expected.

WEDDING FOLLOWS ROMANCE AT UNIVERSITY

MR. RUSSEL EARLE FOERSTER

MISS GWENDOLYN MURIEL KEMP

A large number of university students are among those keenly interested in the marriage of Miss Gwendolyn Kemp, only daughter of Mr. and Mrs. W. Andrew Kemp, to Mr. R. E. Foerster, son of Mr. G. L. Foerster, this evening in Chalmers Church. Both are graduates of the University of British Columbia, the former a Bachelor of Arts and the latter a Master of Arts, receiving their degrees in 1922.

One B. C. Student Loses Belongings

Miss Isabel MacInnes of the staff of the University of British Columbia has just received word from Mr. Allan Peebles, one of eight U. B. C. graduates now taking taking post graduate courses in the University of California, at Berkeley, that they have come through the recent fire with all their belongings unimpaired, except Miss Jean Strauss, who has lost practically all her possessions. The other students are Miss Chrissie Urquhart, Miss Marion Wilcox, Mr. Leslie Fournier, Mr. Harry Cassidy, Mr. Lionel Stevenson and Mr. Geoffrey Coope.

# Varsity's Offensive Uncertain

## But Collegians Appear to Be Just as Strong in the Back Field

WITH today's opening of the University of B. C. players and officials of the 'Varsity soccer teams are lining up for action. The "rah rah" boys, who, this time last year, celebrated their entry into first division by giving the champion St. Andrews' an artistic trimming, are booked to play the North Van. Elks next Saturday at Con Jones' park. Judging by the recent showing of the antlered herd from the north shore, it should be a torrid encounter, as the 'Varsity boys do not intend to take any chances with the Brother Bills.

The Collegians have several gaps to fill, especially in the forward line, but the defence that gave them so many victories last year remains practically intact, except for the wing halves, Stanley Say and George Cant.

### Mosher Guards Net

Harry Mosher, whose stellar performances between the posts last year gave him a Dominion-wide reputation, will again guard the net for the college men. Soccer critics who have watched the tall north shore boy nonchalantly pick the ball from the toes of opposing forwards or fisting it over their heads, have often remarked that the 'Varsity custodian is half the students' team. Mosher has had many tempting offers from other first division clubs, but he has remained loyal to the blue and gold.

Ebenezer Crute and Lorrimer Baker formed one of the best combination of backs in the city last year. They have both signed again for the students, and, if all goes well, they will again be a big factor in preventing their opponents' forwards from finding the hemp. The perfect understanding that exists between them should serve the collegians in good stead this year as last. Crute is one of the pioneers in local soccer and his steadying influence and intimate knowledge of the game is of inestimable value to the students. Though forty-one years of age, Eb. is as lively as ever.

The centre half position will again be filled by Phillips, the most rugged and hard-working of players. What the 'Varsity would do without Phil is hard to say; he is a tower of strength, and, last year, was instrumental in frustrating the attacks of some of the best centre forwards in the country.

Les Buckley will occupy the right half position, as he did for a greater part of last season, although he has aspirations for the wing forward position. His speed should hold him in good stead in either location.

The left half position is yet to be filled, as Stanley Say, who played there last year, has graduated. Bobby Jackson will probably replace Say. Bobby played left for a greater part of last season, but he is really a better half than a forward, according to soccer experts. Bobby is a most consistent player and is a great asset to any team.

Young Jeff Emery will play left wing this year. Though Emery only booted the pigskin for the students in the early part of last season, he showed great promise and this year the management of 'Varsity expect great things from the New Westminster lad.

The inside left position should be filled by either the veteran, Scotty Deans, Bobby Jackson or Gee Terman of rugby fame.

Jock Lundie will again be seen at centre. Jock's specialty is heading the ball into the net from a cross from the wing. Lundie is a fast

and hard working soccer player and when he gets support is very effective.

### A "Dark Horse"

The right wing was one of the strong points of the Varsity team last season, but it was entirely gone this year, as both Rex Cameron and Johnny McLeod have graduated. These two men will be hard to replace, but rumor has it that there is a dark horse coming to the college this year from the old country who can play inside right to perfection. Just how good he will be remains to be seen, but if he is as good as he is supposed to be it should help the right wing a great deal.

Tommy Wilkinson, who played for the Varsity when they were in second division, may come back this year, and as Tommy was about the most versatile of players, playing full back, left wing and inside forward, he could doubtless strengthen the right wing somewhat.

The first team has always its third division team to draw from where there is some likely looking talent, and, according to the hustling manager, Chubb Arnott, the Varsity will be as strong as ever and may be depended upon to make a strong bid for league honors and for the Mainland Cup which they won last year.

# 1169 ENROLLED IN B. C. VARSITY

The University of British Columbia will have a large attendance during the ensuing year. At a meeting of the board of governors Monday evening it was reported that the registration totalled 1169.

The registration figures are:  
Faculty of Arts and Science—First year, 493; second year, 181; third year, 133; fourth year, 102; total in arts and science, 909.

Faculty of Applied Science—First year, 71; second year, 34; third year, 27; fourth year, 32; total in applied science, 164.

Faculty of Nursing—First year, 10; second year, 5; third year, 5; fourth year, 4; fifth year, 5; total in nursing, 29.

Faculty of Agriculture—First year, 15; second year, 10; third year, 19; fourth year, 11; total in agriculture, 55.

## WINS BURSARY WORTH \$1200

MISS DAY WALKER

NORTH VANCOUVER, Sept. 13.—Miss Day Walker, 15-year-old daughter of Mrs. A. W. Walker, 139 Twenty-first Street West, received official notice on Saturday from Toronto, that she had been awarded an I.O.D.E. bursary amounting to \$1,200.

Miss Walker is the daughter of a soldier who lost his life at Paschendaele. Regulations governing the distribution of these bursaries allot one to each province to matriculants, dependants of those who made the supreme sacrifice. This year through lack of a competitor in one of the other provinces, two were allocated to this province.

Miss Walker, who will attend the University this year, has a fine reputation as a student. During her final year in high school she led her class at Christmas and Easter examinations and came out second in the list of successful matriculants in District No. 2 with a total of 840 marks out of a possible 1,000.

## Varsity Captain

THE appointment of W. J. Phillips (below) to the position of captain of the Varsity soccer team, on Saturday, is a popular one. He is the star centre half of the U. B. C. team and needs no introduction to local followers of the round ball game. He joined Varsity playing in the third division and since then has been a prominent figure in soccer circles. The appointment was unanimous.

## Alma Mater Society Has Cash In Hand

The semi-annual meeting of the Alma Mater Society of the University of British Columbia was held on Tuesday afternoon. The members of the Student's Council were present and Jack Grant, the president of the student body was in the chair. Percy Barr, the treasurer of the council, gave a summary of the financial standing of the society, which showed that last year the total fees received from the students amounted to \$8,800, and about \$7,200 was turned in by the literary, musical and the various athletic societies and the players' club. The balance on hand at the beginning of the 1923-24 session was about \$2,000.

Mr. Grant outlined the policy of the council for the year, which will regulate the various activities and the discipline of the students in and about the buildings. One class party for each class and the major dances will be allowed during the term, and all social activities must cease two weeks before the Christmas and three weeks before the final examinations.

## U.B.C. Rugger's Should Field Strong Fifteen

Varsity rugby players turned out in force yesterday afternoon and staged their first practise of the year at the Bridge Street Grounds. Over fifty players donned the Varsity uniforms, which flashed the colors of gold and royal blue, and old material mixed it with the raw.

With many of their former stars missing and with the Commerce team out of the league and many of the stars of that team playing with the Rowers and the Native Sons, the Varsity will have to enter a senior "A" team to stand the pace that will be set by the opposition.

Rex Cameron, one of Varsity's flashes of last year, has graduated and will be missing. Harry Gunning, Reg. Hodgson and Mike Gregg will also be absent from the line-up, but, with over fifty prospects out at the first practise, and with rain dished out to dampen the ardor of optimists yesterday, it is thought that future practise will bring out more material.

A number of promising boys were spotted booting the ball, and, with practise and good coaching, should develop into excellent players. Another practise will likely be held at the Heather street grounds on Saturday afternoon.

## Varsity Team Faces Nationals

Students Will Start Their  
Soccer Season Tomorrow  
—Fourteen Games

FOURTEEN soccer games are listed for tomorrow in the first, second and third divisions of the Lower Mainland Soccer Association. The Varsity will meet the Nationals in their first game of the season. The I. L. A. will clash with South Hill, and they have yet to suffer a real soccer defeat, although their games with the Nationals last Saturday was called by the referee on account of darkness the I. L. A. were leading by a score of 3 to 1.

The Vancouver Elks will meet their brothers on the North Shore at the latter's home grounds. The local Brother Bills will be minus Rex Cameron, who has been suspended for two months for fighting. The Hillers will also be without Cuncliffe in their game with the longshoremen. Three players, Hazeldine, Howden and Archle Sinclair, all of whom originally signed up with the N. V. Elks, but who later transferred their duties to the local Elks, will most likely be in the field against their original brothers.

The following is the schedule with the referees and grounds.

### First Division

I. L. A. vs. South Hill, Jones Park; referee, McDonald.  
North Vancouver Elks vs. Elks, Mahon Park; referee, Barron.  
St. Andrews s. Westminster, Jones Park; referee, Bowler.  
Nationals vs. Varsity, Jones Park; referee, Webster.  
Kitsilano, bye.

### Second Division

Riverview s. Cedar Cottage, Wilson Park, 4:15; referee, Craig.  
Sapperton vs. S.S. Canora, Sapperton; referee, Leggatt.  
Mount Pleasant s. Kerrisdale, Cambie street; referee, Cowan.  
Collingwood vs. Chinese Students, Collingwood; referee, Tees.  
St. Saviours vs. Postals, McBride Park; referee, Murphy.

### Third Division

Mac & Mac vs. Hotel Vancouver, Robson Park; referee, Moore.  
Central Park vs. Point Grey Athletic, Central Park; referee, Marshall.  
South Vancouver G. W. V. A. vs. B. C. Telephone, Wilson Park, 2:30; referee, Clifton.  
Shamrocks vs. University of B. C., Heather Park; referee, Armstrong.  
West Vancouver vs. B. C. E. R., West Vancouver; referee, Allen.

## Sir George Foster To Speak At "U"

The student body of the University of B. C. is to have the privilege of attending an address by Sir George Foster on the League of Nations question on Friday at noon. It is the policy of the university to invite any of the well-known authorities on world-wide problems to speak to the students, and Sir George Foster is the first to accept an invitation this year, since the commencement of the fall term.

3.10.23

## No Hazing Initiation Is Planned

The initiation of the freshmen of the University of B. C. is to be held on Saturday night when the newcomers to the college will go through a ceremony at the hands of the "Sophs" to become members of the Alma Mater Society.

The Students' Council has sanctioned a series of stunts that the freshmen will be put through. There will be no hazing, but lots of fun and many laughs. After the initiation is completed there will be the usual parade through town to the fill-in section of False Creek on the east side of Main street, where the freshmen have a huge pile of old boxes and other material piled ready for a big bonfire. Here the ceremonies will wind up with a snake dance around the fire and a number of the favorite yells and songs.

## Varsity Enrolment Increases By 233

Registration at the University of B. C. is now practically complete with an increase of 233 students over last year's enrollment and a total of 1247 men and women taking courses.

Complete figures are: Faculty of Arts and Science, first year, 491; second year, 183; third year, 140; fourth year, 102; total, 916. Faculty of Applied Science: First year, 70; second year, 33; third year 32; fourth year, 35; total, 170. Faculty of Agriculture: First year, 15; second year, 11; third year, 20; fourth year, 12; total, 58. Nursing: First year, 11; second year, 6; third year, 5; fourth year, 4; fifth year, 5. Total, 31. Post-graduates: Arts, 10; science, 1; agriculture, 1. Public health nursing, 5. Teachers' training course, 54.

## Freshie Reception To Be Held Oct. 12

At the regular meeting of the Students' Council of the University of B. C. it was decided that the annual reception for the freshmen would be held on October 12 in Lester Court. Committees are now being selected to look after the final arrangements. A contract for publishing 1500 copies per week of the college paper, the "Ubysey", was let. The publications board was instructed to have a copy of the constitution and the bylaws of the Alma Mater Society inserted in this week's issue. Miss Betty Somerset was appointed to convene the Women's Athletic Association, in the absence of Miss Doris Shorney, president of Women's Athletics, who is absent on account of illness.

3.10.23

## Varsity's Crack Goalie Out For First Practice

There was great rejoicing among Varsity soccer followers upon the arrival of Mosher, their star goalie, at the college this week. Judging from the way the students' custodian fished the ball out at a practise yesterday afternoon, he is as good as ever.

The Varsity first team was further strengthened by the arrival of Tommy Wilkinson, who played for the students two years ago. Tommy is a very versatile player and should strengthen the collegians' forward line considerably.

There are a great number turning out for the round ball game at the seat of learning this year, and there is a possibility of a third team being formed to play in the junior alliance league. The University has a team in the third division now. Their aim is to get an eleven in each of the three divisions, so that the step-up from the second team to the first will not be so great as it now is.

4.10.23

# No Time for Hazing at University

W. J. 10-28  
There is no danger here of any police inquiry into hazing similar to that in a Michigan university after the discovery of the body of a student buried in a sandy beach near the college. For there is no hazing.

"We've got too much work. We haven't got time to think of doing silly things like that if we are to complete our studies. That's the secret," said Percy Barr, secretary-treasurer of the students' council, this morning.

"The American universities, I understand, have a very strenuous initiation of the freshmen, followed usually by class battles between the sophomores and freshies. Our initiation is not run along these lines at all. We plan to make it an enjoyable affair to all. The plans are presented to the students' council two weeks before the ceremony, and anything that might possibly prove injurious to anyone is eliminated.

"Then there is no ill feeling between the classes. We haven't any regulations as to the restriction of 'hazing,' but we don't need it. The students never think of doing it."

# Freshettes Guests Of Senior Girls

W. 8-10-23  
The feminine members of the first year class at the University were guests of the senior girls at tea on Saturday afternoon. Those receiving the guests were Miss M. L. Bolbert, Mrs. L. S. Klinck and Miss Betty Somerset, president of the Women's Undergraduate Society. Presiding at the tea urns were Mrs. H. T. J. Coleman, Mrs. R. W. Brock, Mrs. F. M. Clement and Miss Isabel MacInnis. Assisting in serving were Miss Nellie Jones, Miss Rena McRae, Miss Laura Archibald, Miss Florence McLeod, Miss Jo Paradis, Miss Phyllis Gregory, Miss Molly Jackson and Miss Celia Williamson. Piano solos were given by Miss Rosie Marin and vocal solos by Miss Dorothy Lyness.

# Varsity Secures Draw First Time Out

NEW WESTMINSTER, Oct. 8.—The Canadian Nationals held the varsity eleven to a one-all draw at Ioddy Park on Saturday. The game was fast. The Railwaymen pressed hard from the outset of the game, and had it not been for the work of Mosher in goal the result would have been vastly different.

Dean netted the counter for the Varsity in the first half, while Stibbs did the trick for the Nationals in the second frame. The stars of the game were Mosher, Lundy and Dean for the Varsity, and for Nationals Wilkinson, Root and Arnold.

# Not Like Good Old Days Initiations at the University Are Mild Council Holds Tight Rein

W. 9-10-23  
By M. J. LEITCH.

The annual initiation of freshmen took place at the University of B. C. on Saturday evening, but it lacked something of its old-time zest, seniors declared today when inveigled into a discussion.

"Times have changed. I didn't bother at all about it this year. Wasn't interested. Now, in my time—"

Followed a harrowing tale of midnight marches through winding passages, pitch dark, through water, hot and cold, always with one's thumbs tied together behind one's back and a bandage darkening one's eyes. Lots worse things, too. Conventional designs painted upon one's bare skin with vermilion paint and two coatings of shellac! Dire straits, these! And much remains that cannot be related, even though four years have passed!

"Times certainly have changed." The speaker, a keen-eyed man in science, puffed thoughtfully at the pipe he had with difficulty coaxed to burn. He looked in a detached fashion across the campus.

"See that girl there, carrying the green hair ribbon? She's a freshman. Sentenced to wear a green ribbon in her hair at all university functions, and in class, of course, until Christmas. That's a sensible idea. The girls were quite sensible this year about their initiations. Had a kid's party, and made the freshies come in short skirts with their hair down. Best way to do. Keep 'em

in their place! If they accept it passively, initiations may not amount to so much next year. If there's any trouble—initiations may be more drastic next year than they have been in the last two years."

## Mild Parade Held On Streets

Following a mild parade in sleeping garments, which took place through the well-lighted downtown districts, last Saturday night, the men in the freshman class were sentenced to wear, until Christmas, green neckties. Otherwise they were allowed to be fairly "free niggers".

Student government is undoubtedly having something to do with modified initiations, a senior admitted. Before the sophomores proceed with the mysterious rites, their programme must be submitted to the student council. On two occasions the council refused to pass upon the programme until it was changed, as they thought it too drastic.

"One must, of course, keep the freshmen in their places and properly humiliated; but hazing and initiations are going out. They were too apt to become personal issues in the days when they were fairly strenuous. And freshmen should at all times remember that initiations are matters concerning the student body, and there is nothing personal about them at all." Thus spoke a tall senior who was of the opinion that in a few years initiations, in the University of B. C. at least, will be entirely done away with.

# Rugger to Get Going Saturday

## Rowers and Varsity Will Provide Feature in First Miller Cup Match

### INTERMEDIATE

Rowers vs. Varsity, Brockton Point Oval, 2:00 o'clock.

Normal vs. Ex-King George Strathcona Park at 3 o'clock.

### SENIOR

Rowers vs. Varsity, Brockton Point Oval at 3:15.

RUGBY in Vancouver will open with a bang on Saturday when two intermediate and one senior games are scheduled to take place. Varsity will clash with the Rowers in the Miller cup series, while in the intermediate divisions the Rowers, Varsity, Normal and Ex-King George boys will meet in the initial games of the season.

The senior game will commence at 3:15 sharp, and both teams are expected to field strong line-ups. Varsity will hold another practice on Wednesday before the league game, while the Rowers have called one for tonight and another for Thursday afternoon. The Varsity and Rowers will both field a number of new men, both teams having suf-

fered the loss of a number of star players.

E. L. Yeo has been appointed chairman of the referees' board which will hold its first meeting on Thursday.

### First Victoria Match

The Varsity and Victoria will meet in the first McKecknie cup game of the season at Brockton Point on November 3. The following Saturday, Varsity and Vancouver will meet in the second game at Brockton Point.

Following is the schedule of Miller cup games to be played at the Oval, Brockton Point.

### Miller Cup, Brockton Point

3:15, Oct. 13—U. B. C. vs. V. R. C.

E. L. Yeo.

Oct. 20—Native Sons vs. U. B. C.

Oct. 27—V. R. C. vs. Native Sons.

Nov. 3—Varsity vs. Victoria (at Vancouver) for McKecknie cup.

Nov. 10—Practice game for Rep. team.

Nov. 12—Varsity vs. Vancouver.

Nov. 17—V. R. C. vs. U. B. C.

Nov. 24—U. B. C. vs. Native Sons.

Dec. 1—Native Sons vs. V. R. C.

Dec. 8—U. B. C. vs. V. R. C.

Dec. 15—Native Sons vs. U. B. C.

Dec. 22—V. R. C. vs. Native Sons.

The following teams have entered the senior league of the Vancouver Rugby Union: Varsity, Rowers and the Native Sons. The Bank of Commerce failed to field a team.

In the intermediate league five teams have been entered, these being U. B. C., Rowers, U. B. C. Freshmen, Ex-King George and the Normal.

**University Alumni Elect Officers**

The Vancouver branch of the University of Toronto Alumni Association held its annual general meeting in the University Club on Tuesday. The result of the ballot for the election of officers for the year 1924 was as follows: Honorary president, Sir Robert Falconer, K.C.M.G.; honorary vice-president, President L. S. Klinck; president, Dean H. T. J. Coleman; first vice-president, Rev. C. H. Shortt; second vice-president, Miss M. L. Bollert; recording secretary, Prof. Walter Sage; secretary-treasurer, Mr. T. A. McElhanney; nominating committee, Mr. J. A. Walker, Dr. G. A. Lamont, Dean Clement, Major W. C. Swan; auditors, Dr. W. L. Macdonald, Mr. G. P. Stirrett.

**TENNIS**

Finalists in the men's doubles of the Varsity tennis tourney are G. Kerr and S. Miller, who defeated Lorimer Baker and S. Phillips yesterday by a score of 11-3, 3-6, 9-7 in a close and exciting match. In the ladies' singles Miss H. Kleopfer defeated Miss D. Lee 6-2, 6-1. The winner qualifies to meet Miss H. Tatlow, champion, in the finals.

Miss Archibald and Kerr reached the finals in the mixed doubles by defeating Miss Bullock-Webster and Hinks, 6-4, 6-3.

In the men's singles Shields defeated Kerr 6-2, 6-0, entering the semi-finals. Hincks beat Miller 6-2, 6-0, and reached the finals. Miss H. Kleopfer and Baker defeated Miss Hall and Gauer, 6-3, 6-1, in the mixed doubles. Miss Webster and Archibald defeated Miss King and Partner, 6-4, 6-3.

Finals will be played on Friday.

**Ten Rugby Teams Play Tomorrow**

TEN rugby games are listed for tomorrow, when the official rugby season opens, as scheduled by the Vancouver Rugby Union. The feature game of the day will commence at the Oval, Brockton Point, at 3:15, when the Varsity and Rowing Club teams meet in a senior league game. One intermediate is scheduled at the same ground and will be staged at 2 o'clock, when the Rovers meet the Varsity, while the Normal Intermediate team will clash with the Ex-King George at the King George grounds at 3 o'clock.

**Yell Leaders For Students Chosen**

The students of the University of B. C. elected their yell leaders on Thursday afternoon after the candidates had displayed their ability before the voters by giving a series of yells. Charlie Bishop, Science '27, was elected yell king, and K. Schell, Arts '25, and C. Parsons, Science '25, were elected first and second assistants respectively. It is the duty of these men to lead the rooters at games and other college functions in the college yells.

**Brother Bills Take Varsity**

**Students Badly Beaten by Elks in Feature Soccer Match Saturday, 4-1**

THE rah-rah boys took their initial defeat of the season on Saturday in the round ball game, when the Brother Bills hung a 4 to 1 defeat on them in the feature game of the Lower Mainland Association's schedule at Athletic Park. The cup-holders played away below form, and the Brother Bills, by playing a hard, aggressive game, never kept the issue in doubt.

Nationals, took a close game from the Kitsies, the score being 2 to 1, and the Saints blanked the Hillmen, scoring twice. In the other first division fixture Westminster United and the North Shore Elks tied at 1 all.

Varsity forwards were in poor form on Saturday, and when they had chances to shake the net they were not there. Their defence played well at times, but was unable to stop the fierce attacks of the Brother Bills. Crute and Baker worked their heads off, in fact they had too much work to do throughout the piece.

A. Sinclair scored the first goal on a penalty inflicted on Jackson for hands. Henkle, a new man, was in the limelight for the second goal on a low, hard drive. This ended the scoring for the interval.

Varsity rushed matters after recess, and Belcourt was forced to extend himself on several occasions to save his goal. Elks eventually relieved the pressure and carried the play to the other end of the field, where Henkle scored again. Jackson was forced to quit due to an injury. Hazeldene got in close, beat out Crute and the ball rolled over the line for the fourth and last counter for the Elks. Crute got Varsity's only goal shortly before time.

The teams:  
Vancouver Elks—Belcourt; McDowell and Butchart; Cameron, Roberts and Delaney; J. Sinclair, A. Sinclair. Henkle, Hazeldene and Howden.

Varsity—Mosher; Crute and Baker; Buckley, Phillips and Wilkinson; Emery, Jackson, Lundie, Dean and Ternan.

## Canada Will Shine in Canoeing And Hockey at Olympic Games

**C**ANOEOING will be on the sports programme of the Olympic games at Paris in 1924, according to Mr. J. Merrick, Canadian representative at the Olympic conference, who is in the city on his return to the east after a visit to Pacific Coast cities. In view of the fact that there are few sports in which Canadian specialize that are on the Olympic programme, this announcement will be of keen interest to Canadian sportsmen. Lacrosse will not be a special event, but hockey will be one of the big attractions and Canadians should carry off first honors again. "Canada should come out on top in both canoeing and hockey," stated Mr. Merrick. "The prospects in other lines of sport are not particularly bright. We have not the class of athletes that can hope to win firsts against those of other nations. But in the two events named I believe Canada can cut a big swath at next year's doings. Lacrosse will probably be on exhibition at the 1928 games." Mr. Merrick states that both Cyril Coaffee and Armstrong, of Winnipeg, who joined the Illinois Athletic Club of Chicago, will not be allowed to compete for the United States. If they go to Paris they will represent Canada. Mr. Merrick leaves for the east today. While here he had conferences with Dr. J. G. Davidson, past president of the B. C. A. A. U.

## Nine Classes Compete for Coveted Governor's Cup

**A**T a meeting of the men's athletic executive of the Varsity yesterday plans were made for the forthcoming inter-class games at the college this year. The competition between the different classes for the much coveted Governor's cup always creates a great deal of interest among the sport enthusiasts of the U. B. C.

Last year the competition was of exceptionally high order and after a very close battle Science '25 grabbed the silverware. The different sports that make up the competition are: Soccer, basketball, tug-of-war, boxing, swimming, rowing, rugby, Arts '20 relay and the annual track meet. The points counting four, three, two and one for the first four classes in order of their standing in the particular event. The great variety of the pastimes indulged in brings out all the talent in the different classes and provides healthful training for the students besides bringing to the front soccer, rugby and track stars who are always very much in demand at the local college.

The students plan to start next week with basketball and soccer. The draws will be made the latter part

of this week. Although handicapped greatly through lack of a gym of their own and equipment, the basketball enthusiasts expect to display their wares at the Normal gym. The soccer men will wage battle on the King Edward campus or they may get Athletic Park on Wednesday afternoons.

After much discussion it was decided at the meeting that the faculty of agriculture take part as a single year in the competition, considering the fact that their enrollment was less this year than last. The "Ag-

gies" strong point is track, as they copped both the relay and the track meet last session, but the farmers have not yet lifted the governor's cup.

There will be nine classes competing for the trophy this year: Arts '24, '25, '26, '27; Science '24, '25, '26, '27, and Agriculture.

It is planned to run soccer, basketball, rugby and boxing off in the fall term, leaving the track and swimming events for the spring term. Rowing will also be an added feature to the competition this year.

## Women Students Of First Two Years Are Mrs. Klinck's Guests

**W 13.10.23**  
Out-of-town women students in the first and second years in the University of British Columbia were this afternoon the guests of honor at a comradely college supper at the home of Mrs. L. S. Klinck, Thirteenth Avenue West. Groups of merry students, gathered around long tables and demolished in turn hot chicken, ice-cream and tea and coffee.

A musicale programme and a variety of old-fashioned games, arranged by the executive of the Women's Undergraduate Society, was in progress during the evening. Mrs. Klinck was assisted by Miss Isobel McInnis, honorary president of the Women Undergraduates; Miss M. L. Bollert, dean of women; Miss Janet Greig and Miss Annie Anderson, past president of the society. The executive present were Miss Betty Somerset, Miss Rena McRae, Miss Jean Faulkner, Miss Molly Jackson, Miss Beatrice Pearce, Miss Lucy Ingram, Miss Grace Smith. President Klinck was present at the supper.

## Varsity Freshmen Elect Officers

**W 19.10.23**  
The freshmen class of the University of B. C. held its election of officers for the 1923-24 session Thursday. There are almost 500 in the class and most of the members were present the voting was keen and the results close.

The following are the new officers: President, A. Swanson; vice-president, Miss B. Almond; secretary, Miss K. Farris; treasurer, Charles Thompson; deputy treasurer, Miss Dorothy Brown; marshal, Wilbur Sparks; men's athletic representative, John McLean; women's athletic representative, Marion Cameron; men's literary representative, B. Carpenter; women's literary representative, Miss Jean Hockin; women's class reporter, Miss Minnie Lazarus; men's class reporter, G. Philips. Hunter Lewis was elected honorary president of the class.

## University Alumni Plan First Dance

**W 19.10.23**  
To keep the members of the alumni of the University of British Columbia more or less in touch with each other, after leaving the college halls, the Alumni Association, U. B. C., hold various society affairs in the course of the winter season. The first of these, for the present season, will be held on Wednesday evening at Willow Hall, when the patronesses will be Mrs. L. S. Klinck, Mrs. H. T. J. Coleman, Mrs. F. M. Clement and Mrs. R. W. Brock. The committee in charge of the dance is composed of Miss Kathleen Peck, Miss Kirsteen Leveson, Mr. Eric Coles, Mr. William Graham and Mr. W. Scott. This committee also has charge of the tickets.

## Students Turn Back The Sons

**W 22.10.23**  
Rah-Rah Boys Field Strong  
Fifteen and Defeat Home  
Brews by 13-0 Score

**T**HE Varsity rugby team that on Saturday trimmed the Native Sons by a score of 13 to 0 in the senior league fixture proved a different team than that sustaining a defeat from the Rowers to the tune of 30 to 0 some weeks ago. Although it was quite noticeable that the Sons were by no means in the best of form, the Varsity, strengthened by a number of their McKechnie cup men, proved that real competition can be looked for before the championship is decided.

Although the Sons were beaten, they were not outclassed as the score might indicate, and with a little more practising, the Students will have to step some to outplay them if the predictions of Coach Jenkinson can be relied upon.

Perhaps the feature of the game was the performance of Warren of the Varsity team, who covered much ground, and in time of danger could be relied upon by the Students to relieve. After a few of his spectacular runs the Sons seldom gave him a chance to lay his hands on the ball. Gwyther started the Varsity scoring when he converted a try from a difficult angle, ringing up five points for the blue and gold players.

Val Gwyther piled up more points in the second period when he broke from a loose scrum on the line and went over. He failed to convert. The other five points were secured when, after a lot of juggling, the ball was finally placed behind the Sons' goal by Cameron, and Gwyther made an easy convert.

Both teams appeared exhausted at the end of play. The game was well fought and snappy action was the order of the day.

## Students Debate Mussolini Policy

**W 19.10.23**  
The Men's Literary Society of the University of B. C. held a meeting Wednesday evening when the doctrines and policy of Mussolini were discussed. A number of the members spoke for a few minutes each for and others against his policy.

Lex McKillop was elected publicity manager and W. Murphy secretary-treasurer for the year.

## LOOKS LIKE TEAM TO BEAT FOR MILLER TROPHY

**I**N the opening game of the rugby season on Saturday the Vancouver Rowing Club ruggers handed Varsity a decisive trimming. On their showing they look like the aggregation to dispose of in the battle for the Miller Cup. Reading from left to right the V. R. C. team follows, standing: R. Woodward, president of the rugby section of the Rowing Club; Jack Weld, C. Barwis, D. Clark, Marc Grimmett, Lew Thomas, coach; G. Winch, W. Roquette, "Pinky" Pinkham, E. M. Wilkinson and C. Gyles. ### Varsity Track <sup>16.10</sup> Men Leave for Prairies Tonight

The 'Varsity track team leaves for Saskatoon by the C.N.R. tonight at 10 p.m. instead of tomorrow night, as previously planned, the reason being that by leaving a day sooner the athletes will have another day in Saskatoon to get rested up, and perhaps to have a light workout on Thursday afternoon on the Saskatoon track.

Livingston, captain of the 'Varsity stars, decided that it was imperative that the team get at least a day's rest from the train journey before stepping out into such stiff competition as they are bound to get from the prairie track men.

This applies especially to the distance men, who will have greater claims made upon their endurance, and the probability is that their chances would be jeopardized considerably if they arrived in Saskatoon on Friday night.

The students are not taking a coach with them because of lack of funds, but according to Livingston, the team will be in good shape when they reach the prairie city, as each will take a turn at "rubbing down" on the way, and the Collegians expect to have a few workouts at stopping places on the way to keep limbered up.

Nothing has been left undone to get the team in the pink of condition, and granting that weather conditions are good the local students feel confident that they will lower one or two of the inter-collegiate records and bring home the bacon in the shape of some of the coveted silverware in the different events.

16.10.23

### Will Probably <sup>16.10</sup> Use McKechnie Cup Players

Although the request made by the Varsity delegates to the Vancouver Rugby Union that the students be allowed to use McKechnie cup players on the Miller cup team was not granted at last night's meeting, it will in all probability be sanctioned at the next meeting of the union. The request was received favorably by the majority of the delegates who attended the meeting.

The opening game of the McKechnie cup series which was to have been played in this city between the Victoria team and the Varsity on November 3 has been changed to November 10. This was caused through the fact that Victoria will be unable to appear here on November 3. If the Varsity are willing to play again on November 12, Thanksgiving Day, they will stack up against the Vancouver rep team. Should the Students refuse to meet the Rep team the local team will clash with the Nanaimo aggregation at the Oval, Brockton Point.

The Miller cup game listed for next week will be contested by the Varsity and Native Sons, who will clash at the Oval. This game will be preceded by an intermediate game when the Varsity Fresh and the Rowing Club mix. Another intermediate game is also listed at Strathcona Park when the Varsity and King George meet.

### Varsity Cleans up On Royals

<sup>16.10.23</sup>  
Students Break Into the Win  
Column by 3-0 Score Over  
Westminster Uniteds

**V**ARSITY broke into the win column on Saturday afternoon when they beat New Westminster United by 3 goals to 0 at Con Jones' Park. The students had the edge on the play most of the way, as the Royal City squad pressed hard only in the last part of the second half. Shields scored the first goal early in the game when he drove in a hot one on a neat pass from Emery.

The Uniteds then tightened up considerably for the rest of the period. Soon after the play had recommenced in the second period, Shields took a long shot at the Uniteds goal and hit the post. Lundie picked up the rebound and snapped the ball into the net before Wilkinson had a chance to meet it.

The final goal was made when Deans, on the right wing, who worked hard all the way, sent in a neat centre to Lundie who headed the pigskin safely out of the goalie's reach. The Westminsterites pressed hard for the rest of the half and although they had many openings they lacked the finish to net the ball.

Mynes, Taylor and O'Brien were the pick of the Uniteds and Lundie, Deans, Phillips and Crute were best of the Collegians.

The line-ups were as follows: Westminster United—Wilkinson; Taylor, Wilson; White, Mynes; O'Brien, Somerville, McLeod, Purvis and Ather-ton.

Varsity — Mosher; Crute, Baker; Heustis, Phillips, Wilkinson; Deans, Bryneldson, Lundie, Shields and Emery.

Referee—Murphy.

### Oarsmen Juniors Trim The Freshmen

Rowing Club juniors squared accounts with the Varsity on Saturday when they trimmed the Freshmen by a score of 11 to 3. The game was inferior as far as rugby is concerned to that of the previous week, when the Varsity intermediates defeated the Rowers, there being frequent fouls by the Freshmen, which swelled the score for the Oarsmen. A few minutes after the start Proctor went over the line and Leroy made good on the attempt at goal. A few plays afterwards the Rowers' line went through with Leroy on the scoring end. The try was unconverted. Varsity fought back hard, but the Rowing Club defence worked smoothly and kept out of trouble.

Before the interval Proctor scored again for the Rowers. The attempt at goal failed and this completed the scoring for the winning team. Proctor was injured on the play and was forced to retire.

In the second half the Students had the better of the play and their efforts seemed to merit more than the one score made. Sparks saved the Freshmen from from a gooseegg by falling on the ball after White had fumbled close to the line. The game ended with the Students pressing hard.

## McKechnie Cup Game Nov. 12

### Important Provincial Rugby Title Match Slated for Thanksgiving Day

A McKECHNIE cup game, emblematic of the senior provincial championship, will be played here on Thanksgiving Day, when the Varsity and the Vancouver Rep. team tangle at the "Oval", Brockton Point. This was decided upon at the weekly meeting of the Vancouver rugby union held last night.

On November 10 Vancouver will travel to Nanaimo to meet the Mid-Islanders, while the Victoria Rep. team will meet the Varsity aggregation here.

This Saturday will see the Rowers and the Native Sons clash at the Oval, and although the Rowers walked all over the Varsity, and the Varsity defeated the Sons, the latter meet the Varsity team re-inforced with several of the McKechnie cup men playing in the Miller cup series.

In the intermediate grade the ex-King George and the Rowers' second team will clash at 2 o'clock. The Varsity Freshmen and the Normals will meet at Strathcona Park at 3 o'clock.

The following is the intermediate schedule for the rest of the season as announced last night:

- Oct. 15—Rowing Club vs. Varsity; Ex-King George vs. Normals.
- Oct. 20—Freshman vs. Rowing Club; Varsity vs. Ex-King George.
- Oct. 27—Normals vs. Freshmen; Rowing Club vs. Ex-King George.
- Nov. 3—Normals vs. Rowing Club; Varsity vs. Freshmen.
- Nov. 17—Varsity vs. Normals; Ex-King George vs. Freshmen.
- Nov. 24—Normals vs. Ex-King George; Varsity vs. Rowing Club.
- Dec. 1—Rowing Club vs. Freshmen; Ex-King George vs. Varsity.
- Dec. 8—Freshmen vs. Normals; Ex-King George vs. Rowing Club.
- Dec. 15—Rowing Club vs. Normals; Freshmen vs. Varsity.
- Dec. 22—Normals vs. Varsity; Freshmen vs. Ex-King George.

## Members Of Alumni Of University Hold Get Together Affair

The colors of their old alma mater, blue and gold, were proudly waving on the walls of the Willow Hall Wednesday evening for the Alumni Association of the University of British Columbia dance. Not to lose interest in each other the alumni members hold various business sessions and many society affairs in the course of the winter season. Last night was the first social event for 1923.

Among the guests were: President and Mrs. L. S. Klinck, Dr. and Mrs. F. M. Clement, Dean and Mrs. R. W. Brock, Mr. and Mrs. Ernest Hoy, Mr. and Mrs. John Allardyce, Mr. and Mrs. Gordon Scott, Miss Kathleen Peck, Miss Stella McGuire, Miss Bonnie Clement, Mr. Percy Southcott, Mr. H. ## Start Inter-Class Sports On Monday

Competition in the inter-class sports at the Varsity for the governor's cup will commence on Monday when the first round of the basketball fixtures will be played.

The cup at present is held by Science '24. The Faculty cup will also go to the highest winning class in the track and field meet, while the winners of the eight-mile relay race will receive the Arts '20 cup.

The draw for the first round of basketball is as follows: October 29, Agriculture and Science '25; Science '24 and Arts '25. November 1, Science '26 and Arts '27; Arts '26 and Science '27; Arts '24 drew a bye and will enter the second round.

## Students Have Tough Assignment Tomorrow

### St. Andrews Eleven Slight Favorites to Cop Feature Soccer Match—Elks Picked to Turn Back Kitsies—I. L. A. Play Away

WHEN the Varsity and St. Andrews soccer teams clash tomorrow in the feature game in the first division of the Lower Mainland Football Association at Con Jones park at 3 p.m., will the Students be able to repeat their performance of their first game with the Saints last year when they defeated the Scotchmen to the surprise of soccer fans? Although the Varsity is not favored in the betting, it is just possible that the team wearing the royal blue and gold sweaters will turn the trick.

26.10.23

## Science '24 And Arts '25 In Feature

The feature game of the Varsity inter-class basketball at the Normal gym. on Monday night will be between Science '24 and Arts '25. The Science men are a tough aggregation to beat and won the competition easily last year. Les Bickell, Carlisle, Tiernan and other basketball stars happen to be in this year. But the Arts '25 quintette play a strong game, the Arkley brothers scintillating at the indoor pastime.

Arts '26, who came second last year in the series, have a good chance to cop the honors in this event, although they have lost their centre, Evan Harvie.

The soccer enthusiasts will find their venue at King Edward campus and some keen competition is looked forward to. Soccer has made great strides in the last two years at U. B. C. and as a consequence there are more students playing the game this year than ever.

The draw for the first round of soccer is as follows: Arts '25 vs. Science '26, Agriculture vs. Arts '26, Arts '27 vs. Science '25, Science '24 vs. Science '27, and Arts '24 a bye.

Agriculture and Science '25 are the favorites in soccer, but the Freshmen may upset the dope.

27.10.23

## Varsity Soccer Teams Fare Badly On Saturday

Both Varsity soccer teams lost by an odd goal on Saturday. The first team emerging on the short end of a 2-1 score against St. Andrews and the second team losing a hard fought tussel by a score of 3-2 against the Central Park aggregation.

The Varsity first team were entitled to a draw against the Saints on the run of play, but lost through poor shooting on the part of their forwards.

The students tried out a new half-back named Gordon Shields, who starred in the tennis tournament at Varsity recently. Shields turned in a good game, and although substituting for Bobby Jackson, who was off with a sore knee, it is expected that the management of the Varsity eleven will play Shields in the left half position again, and put Jackson on the forward line.

The U. B. C. Third Division squad have met with a lot of tough luck so far, having lost three games out of five by an odd goal in five on each occasion. But the fact that this team acts as a feeder for the first team accounts for some of their losses, because the best of their players go up.

The Students' third team in the Junior Alliance have won two games in as many starts in their league, winning the first by default and the second last Saturday by a 2-1 score against Christ church.

# Varsity Soccer Team Must Show Real Form Saturday

Feature Game of Week Will Bring Together Students and Longshoremen at Athletic Park— League Leaders Draw a Bye

ALTHOUGH many soccer fans who witnessed the Varsity-St. Andrews soccer battle at Con Jones' park last Saturday afternoon which resulted in a win for the Saints to the tune of two goals to one claim that the Students should at least have secured a draw, real proof of whether they are a winning team will be forthcoming when the College boys meet Forgie's I. L. A. aggregation at Athletic Park on Saturday afternoon in the feature soccer game of the day:

The Longshoremen are tied with the Scotchmen for second honors with a total of nine points each. With a victory predicted for the Saints in their game with the Kitsilano team, should the Students even hold Forgie's aggregation to a draw, the Saint Andrew's team will move up two points to the I. L. A.'s one, and thereby will hold second place in the league.

The Elks, who are leading the league at present with a total of 12 points, will still maintain their position in the league with a bye listed for them on Saturday. They will travel to Seattle to meet the Elks or Maple Leafs in that city. The following Saturday they will meet the I. L. A., so that the practice will come in useful to keep the team in condition.

### Nationals Invade North Shore

Whether the North Vancouver Elks can resist the invasion of the Nationals of Westminster on Saturday, when they stack up against them at Mahon Park, is yet to be seen, and the result of the Westminster vs. South Hill game is also yet to be chalked up. The Royals have been stepping along of late, and scoring a few more goals, although they have not always resulted in victories.

The Hillers are favored to win, and should the Nationals hold the North Shore Elks down to a draw, the South Hill team will occupy the fourth position in the first division standing without being challenged by the Elks.

The Mount Pleasant team in the second division is now holding down first honors in that section of the

L. M. A. F. A., with the Collingwood, Cedar Cottage and Sapperton aggregations just one point behind each other, and all striving hard for the major position.

### Hotel Team Strong.

The Hotel Vancouver, third division team, maintained their lead in that section of the Football Association through their win on Saturday. They have now started in seven games, and have won all, scoring a total of 20 goals against their opponents' total of four. S. V. G. W. V. A. challenges them with a score of 13 points, while Central Park is holding down the third position with a score of 11 points.

### Saturday's Schedule.

The following are the scheduled games for Saturday with the referees and grounds on which they will be played:

- First Division—N.V. Elks vs. Nationals, Mahon Park; Allen, Westminster vs. South Hill, Moody Square; McDonald, Varsity vs. I. L. A., Athletic Park; Murphy, St. Andrew's vs. Kitsilano, Jones Park; Webster.
- Second Division—Cedar Cottage vs. Chinese Students, McBride Park; Anderson, Collingwood vs. Kerrisdale, Collingwood; Craig, Riverview vs. Postals, Wilson Park; Cowan, Sapperton vs. Mt. Pleasant, Sapperton; Barron, St. Saviours vs. S.S. Canora, Powell Street; Watson.
- Third Division—Shamrocks vs. West Vancouver, Heather Park; Armstrong, Hotel Vancouver vs. Central Park, Recreation Park; Bowler, S.V. G.W.V.A. vs. U.B.C., Marpole; Leggatt, B. C. Telephone vs. Point Grey Athletic, Braemar; Clifton, E. C. Electric vs. Mc & Mc, Robson; Marshall.

# Aggies and Science '24 Score Wins

W 30-10-23  
**A**GRICULTURE and Science '24 won their way through the first round of the Varsity inter-class basketball series at the Normal gym, last night. It was generally conceded that the '24 aggregation would pull through with a win against the Arts '25 squad, but the defeat of Science '25, last year's winners of the Governor's Cup, by the Farmers, came as a decided surprise to the followers of the indoor pastime at Varsity.

The Agriculture men started out with a rush and scored through Fred Newcombe in the first minute of play, then Tommy Wilkinson found the basket with some well placed shots, these two men doing most of the scoring for their team. The winners led 11-8 at the interval.

In the second period the Science men came back strong and by nice shooting on the part of McPherson and Ramsell tied the score, but in the latter stages the Agricultural hoopers made a strong finish and emerged on the long end of a 25-18 score.

Teams:  
 Science '25—Ramsell, Mosher, McPherson, Gregor, Morgan.  
 Agriculture—Newcombe, Wilkinson, Challenger, Martyn, Nelson.

### Science '24 Wins.

The second game was a torrid affair and the Science '24 basketers won out against their lighter opponents, Arts '25, by 30-22. The Science men had it all over their opponents for weight and aggressiveness. Ternan, Bickell and Carlisle starred for the winners, whilst the Arkley brothers played a nice game for the losers.

The teams:  
 Science '24—Les Bickell, Geo Ternan, K. Carlisle, Elliot, Wallace and Gwyther.

Arts '25—N. Arkley, S. Arkley, R. Mathews, Grant and Hemingway.

Science '24 and Agriculture meet in the next round, the winner going into the semi-finals, and a good game should ensue, with the Science men the favorites. Tonight Arts '27 meets Arts '26.

# Will Meet Best Team At Varsity

<sup>W 30-10-23</sup>  
**T**HE much mooted question of whether the reorganized Varsity rugby team will be able to hold its own with the Rovers fifteen that trimmed the old team to the tune of 30 to 0 in the first game of the season will be answered on Saturday afternoon at the Oval, Brockton Point, when the two teams meet in a re-play of their first game, the Rovers wishing this so that no undue advantage will be given them in the fight for the Miller cup, as now the Students can use McKechnie cup games while in the first game they could not.

With the Rovers only able to pile up 16 points against the Sons on Saturday at Brockton Point, and with the Varsity showing a win over the same team to the tune of 13 points to 0, providing that all three played their best game, the dope would indicate that the Varsity and the Rovers are about equal in strength.

A number of switches have been made in the Varsity line-up, and the probable line-up for the fixture on Saturday will be Gwyther and Price, who will do the hooking; Brock, who will look after the lock position; Rounsefell and Gregor who will take care of the second line, with Carlisle and Hislop at the third line; Underhill and Cameron, who will be held responsible for the half, while Geo. Ternan will do duty at the five-eighths; the three-quarter line will be in the hands of Buchanan, Purdy, Palmer and Warren, while Domoney will play full back.

Although one or two changes may be made in the Rovers senior team for their game, the main proportion of the players who appeared at last week's game will again wear the Rowing Club's colors. The three-quarter line will most likely be composed of Winch, Grimmett, Pinkham and Gyles. The line which appeared in trouble last Saturday, but which was going good two weeks ago, will have difficulty then in trying to get through the Varsity's players.

The following are a number of players who have been playing a good game on the Rovers team, and many of them will no doubt be selected for the game on Saturday: Barwis, Winch, Grimmett, Pinkham, Gyles, Farmer, Camcron, Marshall, Fraser, Lord, Donaldson, Allen, Wilkinson, Clark, Thom and J. Weid.

The intermediate curtain-raiser to the senior game will be between the Rovers' second team and the Normals, Varsity III and the Freshmen will clash at Strathcona park at 1:30.

# Science '24 Wins In Inter-Class Soccer

In an interclass soccer game yesterday afternoon at the Heather Park grounds, the Science '24 defeated the Arts '24 by a score of 2 to 1. The game was fairly even in play, although the Science men displayed soccer ability sufficiently superior to give them the victory.

<sup>W 31/10/23</sup>  
Inter-class soccer got under way at U. B. C. yesterday when Arts '25 defeated Science '26 by a brace of counters and Agriculture blanked the Arts '26 pigskin artists by three goals at Heather park.

In the first game of the double-header the Farmers had things pretty much their own way with the Sophomores. The Aggies scored once in the first period through Dynes. The winners were awarded a penalty early in the game, but the resulting kick went wide of the posts.

Dynes hung up a couple more counters in the second half and cinched the game for his team. The Arts men seldom appeared in the picture. Ledingham was the best man on the loser's team while Wilkinson, Buckley and Newcombe starred for the Aggies.

By yesterday's win the Farmers have got away to a good start in the Governor's Cup series and they are among the favorites in the betting for the winning of the coveted silverware.

The second game was a closer affair. The Science men got a decided setback early in the game when a penalty was awarded against one of their defenders for handling in the dreaded area. Lorrimer Baker took the kick for Arts '25 and made no mistake about it, giving the Science goalie no chance to save.

In the second stanza Hec Cant put the game on ice for his team when after a pretty run he bulged the net for the second goal. Baker, Cant and Deans starred for the winners, whilst Phillips was by far the best man on the loser's aggregation.

There will be no more soccer games till next Tuesday when Sc. '25 meet the freshmen, who are reported to have a good team, and as the '25 squad have the well known Mosher and Jackson of the first team, this should be a good game.

# STUDENTS WILL GIVE ANNUAL CONCERT.

<sup>10.11.23</sup>  
For the eighth successive year, the Musical Society of the University of British Columbia will give a Christmas concert at the auditorium of the university, corner of Willow Street and Tenth Avenue West. The date selected is Nov. 17. The performance will begin at 8:15 p. m., under the baton of Mr. Wilbur G. Grant, A. T. C. M. An admirable programme has been compiled. It embraces orchestral and choral works, vocal and instrumental solos, trios and quartettes. The performers are the university orchestra members, the glee clubs, Miss Gertrude Dowsley, Miss Dora Lyness, Miss Rose Marin, Miss Alice W. Metz, Miss Margaret Tennant, Miss M. P. Prizeman, Messrs. Leslie Brooks, Carl Barton, Harold C. Etter, J. Kania, Percy Baird, Allen, Crawford and Berry. The composers represented include Frederick Bridge, Liszt, Chopin, Bach, Brahms, Coleridge-Taylor and Schumann.

# GIRL STUDENT GOES TO PARIS

MISS MADGE PORTSMOUTH

<sup>2.11</sup>  
A bursary granted by the French government, available to the students of the University of B. C., has been awarded to Miss Madge Portsmouth, one of last year's graduates. This bursary was created to encourage the study of French in Canada and the winner, who must have a thorough understanding of the French language, receives 6000 francs and 1000 francs additional for travelling expenses to continue study in the University of Paris. Miss Portsmouth will leave for France at the end of the week.

Miss Portsmouth has a very brilliant academic record. In her freshman year she was awarded the Royal Institution scholarship for leading her class. The next year she won the McGill Graduates' scholarship of \$137.50, the University scholarship of \$75, and the Shaw Memorial scholarship of \$137.50. Miss Portsmouth graduated last spring with first class honors in French, and was awarded the Alliance Francaise gold medal.

# Varsity Juniors Play Hillmen Monday

<sup>10.11</sup>  
The scheduled league fixture between the Varsity juniors and the South Hill soccer aggregation was not played this morning, but will be staged on Monday morning at 10:30 o'clock by mutual agreement. The reason for the cancelling of the game was that a number of players have been selected by the junior association to meet a rep. team from North Vancouver in a friendly game.

The following is the line-up of the South Hill aggregation for Monday's game: Campbell, Park, Walters, Houghland, Crawford, Gudmundson, Johnson, Eneffer, Hutchinson, Donnelly, Addinall and Fraser.

## Students Will Field New Team

Lundie to Be Replaced at  
Centre by Wilkinson—  
Other Changes 2.11

WHEN the Students take the field tomorrow at Athletic park in the feature game of the week against the I. L. A. there will be one or two new faces on the team, as the management of the Collegians have been putting their heads together to figure out a different forward line than that which opposed the Saints last Saturday.

Owing to the fact that there is a Miller Cup rugby game tomorrow, Gee Ternan, one of the most aggressive of the Students' forwards, will be unable to boot the round ball, as Gee's services will be required by the rugby team, of which he is captain. Bobby Jackson, 'Varsity inside left, will be unable to play owing to injuries received last month while playing against the Vancouver Elks. This will further weaken the U. B. C. forward line.

One big change will be in the playing of Tommy Wilkinson at centre forward in the place of Jock Lundie who has held this position down for the last two years, but who has been decidedly off form so far this season. Jock will be played in an inside position though, and may do better there. Wilkinson has been playing a mean game this year at inside right and has all the speed and endurance required for the central position. Tommy also has a hard shot and may give the opposing goalie something to worry about tomorrow, although he may not get enough support from the other shooters to become very effective.

### New Right Wing

The 'Varsity right wing is entirely new, Bryndolson and Huestis, new arrivals at U. B. C., will be playing there and it remains to be seen what they will do.

The Longshoremen go into the game with the odds in their favor on account of the fact that their forwards and halves are about the strongest in the league, and the Varsity forwards are the reverse, although their defence is notably one of the best in the city.

Whatever the result the fans should get their money's worth out of the game on account of the standard of play and because there is a degree of uncertainty about the result, the students may spring a surprise on the fast-stepping I. L. A. if the breaks go their way.

The Dockers and the Students are old rivals. In the four games in which they met last year one resulted in a draw, two wins for the Collegians and only one win for the I. L. A. in the play-off for the league championship.

## Freshies Green in Envy

Sophomores Produce Financial Genius

### What Became of the \$150?

Who got the \$150?

That's the problem 250 freshmen of the University of British Columbia have set themselves to solve.

They feel that in the solution lies another solution, or maybe three or four.

If they can find the budding financial genius who got the \$150 they feel that they have found the man who can solve the task of raising funds for the upkeep of the university and the completion of the buildings there.

Some of them go further. They point out that anyone who shows such acumen in matters financial at this stage of his career must eventually out-fielding Fielding and make Rockefeller, Carnegie, the Vanderbilts and the Rothschilds look to their laurels, and that he is possibly the finance minister in embryo who will lead Canada from the slough of her financial burden and roll the wartime load off her back.

Be that as it may, they still feel that the ultimate home of those 150 bucks, berries, scads, beans or simoleons needs pressing attention at the present time and they propose to give it.

It all arose through the initiation frolic attendant on the assembling of the Freshman class.

With that utter disregard for the pockets of Freshmen which all sophomores exhibit, the latter decided that this year, or for six months of it at least, and until he had attained that air of proper humility so necessary for all well-behaved Freshmen, the freshies of the male persuasion should wear a green tie.

It was no ordinary shade of green that was chosen. Nothing anaemic about it. Rather of the strong virile type only found "in the great open spaces, where men are men" (see any movie sub-title). It puts the various shades of green around the campus to shame, and it put the tradesmen's horses to flight. One ordinary well-behaved laundry wagon equine, whose only fault is shortsightedness, reached out and tried

to devour the first three ties he met. It was that kind of green and the only difference between it and the green of the trees was that the lat-

ter does not run when it rains and sun does not affect it.

But to get back to the ties. At the price of 75 cents each they were retailed to the Freshies. It was in vain that the latter stated they would wear green ties, but that they would purchase their own. It was not to be. There was one official green tie, and one only, and every Freshie Frosh had to wear it. Its price was six-bits in good coin of the realm, and knowing what happens when one kicks against the pricks the Freshies bought the official tie from the official vendor. And the university, after its first hectic few days, settled down to business, the Sophs. with the consciousness of duty well done and the Freshmen with the consciousness of being well done.

Now a little serpent has crept into the garden of the Eden that is the University of British Columbia.

Came the rain, and a little sunshine. Then more rain and more sunshine and as the green of the trees deepened in color the green of the ties lightened correspondingly.

Worse than that. In some cases it departed altogether, and with it the neckties which seemed to be a combination of paper pulp and size. The Frosh. class wondered. Then they investigated. They found that the ties were bought at the rate of about 15 cents each, probably less, but certainly no more.

There are 250 Freshies who bought the ties at 75 cents each and the mathematician of the class figures out that there was a net profit of 60 cents per tie somewhere. And the fresh Freshmen are just fresh enough to want to know where it is.

They feel that on their success depends the future of this Canada of ours and that this minister of finance must be caught, tamed and his talents brought to bear on solving the problems of his country.

And of course there is the \$150 to be considered.

# Island Ruggers Coming

## Varsity Will Meet Victoria Fifteen in Feature Game at Point on Saturday

WITH a win over both the Native Sons and the Rowers to their credit the Varsity rugby team will encounter the Victoria aggregation on Saturday at Brockton Point, in the first McKechnie cup game of the year. The Varsity through their two victories are confident that they can repeat on Saturday, although rumors around town predict that the Islanders will send over one of the strongest teams that has ever been welded together on the Island.

Displaying practically everything that goes to make up a first class rugby team in their game on Saturday, the Students showed that they were adepts at the game, turning out a real team that showed good system, and combination which was flawless at times.

With Dominey behind them all, to stop any fluke plays which might result in the opponents getting possessed the forwards, the Varsity can depend on him to bring down any player that tries to stage any individual sensational play. Terman will also be out with the Students. He has been limbering up his foot, and he is getting dangerous with his drop kicks.

The Victoria team will also produce a number of good players, who will be out to register a win for the Islanders. E. Lane, has been secured to play half-back, formerly played in this city, and has developed into a snappy player. A new player will be seen doing duty as a back, as Edmunds one of the most promising players in the province has vacated his position and it will be turned over to McKenzie a young huskie who is rapidly developing the fine points of the game.

A number of other young players will be seen in positions where formerly stars, nearing their eclipse are doing service. Although the new teams may not be as finely developed in the game, it is expected that this will offset by the stamina and speed that the Islanders will display.

## Freshman Year Arts Hold Initial Dance

Green as the first leaves sprouting forth in the springtime, comes the freshman and freshette to the university halls in the autumn of the year. Green, in the matter of college lore, but not so verdant in the art of social entertaining, as was evinced on Friday night by the merry hop staged by the year of 1927 at the University of British Columbia auditorium. Blue gold streamers, Varsity colors, were used in the college halls and the party was a distinct success, by this the largest freshman year ever yet enrolled at U.B.C. The patronesses were: President L. S. Klinck and Mrs. Klinck, Dean and Mrs. H. T. J. Coleman, Miss M. L. Bollert, Mrs. Sedgwick, Miss Stella McGuire and Dr. G. G. Sedgwick. All arrangements for the dance were in charge of the class executive. Miss Blanche Almond, Miss Dorothy Brown, Miss Kathleen Farris, Miss Minnie Lazarus, Miss Marian Cameron, Miss Jean Hockin, Mr. Alex. Swanson, Mr. Charlie Thompson, Mr. Johnnie McLean, Mr. Wilfred Sparks and Mr. Carpenter.

# Varsity Boys Down Victoria

## Rah-Rah Boys Annex First McKechnie Cup Game Here by 11 to 3 Score

INVADING the city with more confidence than teamwork, the Victoria rep team returned from Brockton Point to their island recluse on Saturday night after sustaining an 11-3 defeat at the hands of the Varsity in the first McKechnie cup game to be played on the mainland this season, while Varsity supporters returned to their building on Laurel Street proclaiming the strength of their team.

The Victoria team was superior individually to the Varsity players, but their brilliant play failed to throw a wrench into the smooth-working machine that the Students fielded. The Students soon after commencement of play started to set their own pace, and before the first half of the game had been completed, the Island team showed signs of weakening under the pace which was much slower than that which had been set at some of the Miller Cup games between the Varsity, Rowers and the Native Sons.

### Johnson Stars

Boss Johnson, who led the Islanders on the invasion proved to be all that rumor has said he was, while his kicking saved his team more times than an adding machine could count.

Securing possession of the ball after it had been passed around the field for some minutes Buchanan was successful in making a few yards before he was forced to pass to Gwyther who got close to the line, before the latter's were feet were cut from under him, he passed the ball to Peter Price who was without any check, and he went over the line for the first count of the day. Gwyther failed to convert, the ball going wide. This was the only score before half time was called.

### The Second Try

Soon after the whistle announcing the commencement of the second half, Ramsell grabbed the ball, and shot over the line. Gwyther converted handily making eight points for the Students, with the Victoria aggregation still scoreless.

The Islanders then set a terrific pace, and after about 10 minutes of real fighting, they succeeded in gathering 3 points when Mike Gregg went over the line with the whole of the Victoria team supporting him. Brynjolfson failed to put the ball over the bar missing by a few feet.

Buckin the Victoria assault, the Students succeeded in grabbing another three points which might easily have been stretched into five but Gwyther failed to make a scoring kick.

Although the visiting team was composed of a number of good players, they failed to show any sign of being a real rugby team. Their three-quarter line made few spectacular runs, their tackling was high, allowing the player to run a few feet each time before falling. Mike Gregg, who secured the only points for the Islanders, fully deserved the honor of scoring as from the first second of the game until the final one he fought to establish the fact that the Islanders were the superior team.

### Warren Speedy

Harry Warren diminutive three-quartered player for the Varsity again

displayed his wares to the satisfaction of the fans, and on several occasions he carried the pig-skin dangerously near the Victoria line. Gee Terman, although at times displaying that he can still play rugby was never given much chance to get going, as the Victoria team nailed him in his tracks every time he got the ball. Bill Sparks, freshman, proved to be a coming player, his consistent working being very noticeable.

Rugby fans who attended the game left not wholly disappointed, but the game was not as fast as was expected. The slippery grounds made high-class rugby impossible. Referee Yeo was in charge of the game.

### Hornets Lack Sting.

NANAIMO, Nov. 12.—Vancouver ruggers walked all over Nanaimo Hornets in the McKechnie rugby cup clash here Saturday afternoon and won by 22 points to nothing. There was a poor crowd at the game, which was played on the cricket grounds. Pinkham (two) and Grimmett obtained tries for Vancouver in the first half, none being converted. Gyles (two) and Williams scored tries in the second half, and of these Barwis converted two. The Mainlanders played well together and their officials were well satisfied with their showing. Nanaimo lacked cohesion.

## Varsity Eleven Beats Saints 5-2

In an exhibition game played at Braemer Park on Saturday the Varsity and Saint Andrew first division soccer clubs clashed, the students emerging on the long end of a 5-2 score. The Collegians were in great form and had it all over the Saints, but the latter had several of their best sharpshooters off the lineup.

The Saints were trying out a new goal tender, but judging by his display on Saturday he is out of his class. Al McKinnon at centre half for the losers, played his usual rugged game and scored one of his teams' goals. Milne, substituting at centre for Campbell, scored the other early in the game, when the Varsity defence appeared to be napping.

## Christmas Concert At U. B. C. Success

Both from a standpoint of talent and attendance the eighth Christmas concert of the University of British Columbia Musical Society, given in the university auditorium on Saturday night, was a splendid success. Selections by the society's orchestra were greatly appreciated, the playing in all departments showing a decided improvement over last year, while the glee club scored a distinct triumph in their rendition of "The Goslings" (Bridges) and "Viking Song" (Coleridge-Taylor). The programme consisting of piano solos, violin and vocal numbers was extremely well received.

# Varsity Ruggers Blank Reps In First McKechnie Cup Game

Students Score Twice and Have Big Advantage Throughout—Reps Forwards  
No Match for Scholastic Pack—Huge Crowd Watches Contest  
Played at Brockton Point

VASTLY superior in the scrum and holding their own nicely in the back division, Varsity's crack McKechnie Cup fifteen walked over, through and around the Vancouver Reps in the Thanksgiving Day rugby feature at Brockton Point, the Students leaving the field victors by an 8 to 0 score. It was poor weather for rugby, and the slippery condition of the field and ball made spectacular playing practically an impossibility.

The ruggers played to well over 3000 fans, despite the threatening weather. Varsity rooters by the hundreds were on hand and enlivened the proceedings with frequent college yells. The rain held off and all hands had a big afternoon. Referee Yeo was in charge of the game and turned in a satisfactory performance.

On the play, Varsity should have won by over double the score. The "rah rah" boys had control of the play over three-quarters of the 80 minutes, and on at least two more occasions should have registered. The two occasions on which they crossed the line provided easy opportunities for converts, but Val Gwyther's big boot slipped on the second attempt, the slippery ball missing the post by a few feet. Gwyther converted his own try in the first period, but failed to add the expected two points to Ramsell's effort just as the final whistle blew.

### Varsity's Strong Point

Varsity's scrum was the strong point of the scholastic aggregation. Their forwards were heavier, fully as speedy, and they followed the ball incessantly. Furthermore, the majority of the pack showed a fair knowledge of punting and not infrequently one of their number would cut loose with a run which made much ground. The Rep. forwards appeared to lack the condition of their opponents, but fought doggedly every inch of the way.

There was little to choose between the opposing back divisions. The Reps. appeared to have the faster line, but the Varsity quintette were all adepts at the punting game and saved hundreds of yards by finding touch for long gains. Pinkham was the best of the Rep. quarters, while Le Roy showed frequent flashes of speed. Grimmett has played far better rugby and the same can be said of Marshall. Thom, Fraser and Allen were the best of the Rep. forwards.

### Varsity's Line

Varsity's line, with Gee Ternan the mainspring, worked fairly well, but Underhill did not appear to get the ball back with the snap required for finished play. The scrum fed the line well, but it was only on rare occasions that the ball reached the end men. Warren at left showed plenty of speed, but needs more coaching. He frequently found himself at a loss as to what to do with the ball and was often outplayed by his tackle. Purdy, Buchanan and McLean worked together nicely and Bill Cameron was a useful man at half. Dominey was sure at full for the Varsity his punting found touch for long gains regularly. Barwis had his hands full behind the Rep. team and made few mistakes. Occasionally he waited too long with the result that he was tackled in his tracks by some fleet-footed student.

### Ternan Tries Drop

Varsity kicked off and were soon at the Rep five-yard line. After a scrum or two and a few throw-ins, the Rep. worked the ball back to centre. Play went to the Rep. 30-yard line and Ternan missed a drop for goal. Dominey got the better of a punting duel with Barwis, the

latter stepping over the touch line with the ball on three successive occasions. Ternan uncorked a brilliant run and passed to Gwyther, but the latter lost the ball when over the line and the Reps. touched for safety.

Shortly after Pinkham punted fully forty yards to touch for a big gain. Varsity pressed hard and on a series of scrums and with hard bucking the forwards brought the ball close to the line. Gwyther gathered it up after a scrum and tore over for the first try. It was an easy convert and the big fellow made no mistake.

### Barwis Saves

The Rep. three-quarter line got away for their first good run on resumption of play and carried the ball close to the Varsity line. Play went back to centre and Varsity lost thirty yards on an offside. Gyles was almost over, but Barwis saved with a beautiful tackle.

Reps were awarded a free kick but Barwis' attempt for goal was short. Fraser was hurt and play was halted for a few minutes. On resumption the Rep line got away fast and it looked dangerous for Varsity when Grimmett passed blindly and on the play the Varsity gained about thirty yards. Ramsell was next to take the count but he wasn't seriously hurt. Play was in Rep territory at half time.

Varsity played a safe game in the second half, but at that had all the best of it. Their line moved in with snappy passing and all was set for a score when Warren, after a brilliant end run, lost the ball as he slid over the line. Underhill heeled in a good shot, but his drop was a few feet wide.

### Pinkham's Brilliant Effort

The Rep line worked hard and pulled off a long run which took the play to the corner. Marshall hurdling his way the last five yards. The Varsity rooters got busy and pulled the team out of a hole. Play went back to the Rep twenty-five yard line and then Pinkham pulled off the longest and most spectacular run of the game. It was only Dominey's solid tackle that saved a score.

The forwards got busy for Varsity and, by dribbling and punting, took the play back to center. Here the

Varsity forwards worked nicely, negotiating eight passes in a row. Warren fumbled momentarily, but got the ball back to Ternan who gave Barwis an uneasy moment. Shortly afterwards Cameron raced around the end and appeared to have scored. Referee Yeo held that either the ball or Bill's leg touched the flag post. From the stand it looked like a score.

### The Final Score

Just as the final whistle was a few seconds off, Ramsell followed up fast and fell on the ball for the second score, but Gwyther failed to boost the total to double figures.

The teams: Varsity—Dominey, Warren, Purdy, Buchanan, McLean, Ternan, Underhill, W. Cameron, Hislop, Carlisle, McGegggor, Ramsell, Brock, Price and Gwyther.

Vancouver Reps—Barwis, Gyles, Pinkham, Grimmett, McWhinney, Le Roy, Farmer, Marshall, Thom, McFarlane, Fraser, Allen, Donaldson, Roquette and Clarke.

## Varsity Ruggers too Strong for Homebrew

Students Hang Up 14-8 Victory Over Sons at Point—  
Blue and Gold Three-quarter Line Displays  
Stuff—Losers Uncover Real Team Work

**D**ISPLAYING an altogether different brand of team play than that which they have presented so far this season, the Native Sons, after carrying the game into their opponents' territory for more than half the eighty minutes' play, were unable to secure the greater number of points in a 14 to 6 score, at their games at Brockton Point on Saturday, while the Varsity fifteen added another victory to their list in the race for the Miller cup. The Students played an unusual game compared with their former efforts. It appeared as if they were more anxious to get team practice, refusing to press hard when they appeared to be going over several times.

Perhaps for the first time this season did the Varsity three-quarter line really display their stuff, and as a result of this Warren went over the line twice. The Students tried to set a fast pace but the ground was extremely soggy, and a number of brilliant plays were ruined by the players slipping at the vital moment.

### Sons Open Fast

The Sons, opened the play with some strenuous rushes, the entire team going up strong, and as a result of these McFarlane and Brown were practically pushed across the blue and gold line with the ball for the first points, with the majority of the players on the field on top of them. Dunc failed to convert, and the Native Sons went into the lead with three points.

The Students then commenced to display headwork and in a few minutes Buchanan got hold of the ball and made a neat run to cross the line. Although he was successful in scoring, Buchanan took a big chance of losing the three points for the Students when he kept hold of the ball instead of passing it when it appeared as if he would have his feet cut from under him. By his failure to convert, Gwyther left the two teams tied with three points each.

### Circled Posts

As a result of a piece of snappy playing, Warren secured the pass from the three-quarter line and

circled the posts allowing Gwyther an easy shot, which he easily converted. The Sons immediately changed their tactics and tried to play an individual game which cost them every game this season, and were lucky in gaining three points as a result of Mick Rolston crossing the line. The other possible points were lost when McFarlane failed to kick the ball between the posts.

Warren again went over the line when Gee Ternan handed him the ball as he was crossing and added three more points to the Varsity's 8, Gwyther failed to convert. Ramsell made the score 14 to 6 when he secured the ball for an undisputed run to the line. Gwyther failed again.

### League Standing

As a result of their win the Students are now in the lead for the Miller Cup series with three wins, and one loss, with the Rovers second with two wins, and one loss, the Native Sons held down third place with three games dropped, two to the Varsity and one to the Rovers.

Although several good plays were made by both teams, individual work was not noticeable as has been the case formerly. With bad weather,

few fans appeared for the game, and the Varsity received very little support from the fans who appeared to be behind the Sons.

### Seconds Win

In a friendly game between the Rovers second intermediate rugby team and the Rovers third team, the former won the game, although they had no walk away.

## Varsity Will Enter Two Teams

Students Will Take Up Canadian Rugby in Earnest  
—Good Prospects

**V**ARSITY will field two Canadian rugby teams. Officials of the students' council announce that they are prepared to enter two squads in the junior division of the Vancouver Canadian Rugby Association, while the Y. M. C. A., instead of entering one team, as first announced, will now enter two also. With these extra applications it is almost certain that a six-team league will be organized, with play commencing almost immediately after Christmas.

George Goulding, who is heading the campaign to establish the Canadian game in Vancouver, and who has the support of a large number of rugby enthusiasts, states that he is also receiving through practically every mail names of athletes who want to get out and try the Canadian way of playing rugby.

With two strong teams from the Varsity, two from the Y. M. C. A., one from the St. Marks Sunday School Athletic Association, one from the H.Y's (a body of high school students attending the "Y"), and a probable two which will be whipped into shape from the numerous individuals who will turn out for practice, and with a number of former star Canadian rugby players coaching the players, it is certain that stiff competition can be looked for at the initial games.

With probably more than six teams applying for junior berths, it is almost certain that an intermediate league will be formed next year to take care of this year's players and to make room for new youngsters who turn out next year.

Varsity, with enough material to form more than two teams applying for try-outs, is intent on turning out two fast teams, and practices will commence as soon as possible. The "Y" are working out and St. Marks are being coached by Quinn, while George Goulding will be out with spare prospective players to give them their first lesson.

A meeting of all interested parties in Canadian rugby will be held tomorrow night at the Y. M. C. A. at p. m.

## Fair Co-Eds Will Don The Spikes

Through the organizing of a Women's Track Club at the U. B. C., which has received the sanction of the Students' Council, male members attending the Varsity have now to forego the entire rights to the cinder track in favor of the co-eds.

The Students' Council sanctioned the new body at their regular meeting last night. Although it is expected that a track and field meet will be held in the spring, nothing definite has been settled. The president of the association is Miss Isobel McKinnon; vice-president, Miss Isabel Russell, and secretary-treasurer, Miss Winon Straight.

## Varsity Debate Dates Arranged

Students of the University of B. C. are preparing an extensive programme of international debates for the spring term. The triangle debate will be held on Jan. 18, when B. C. will meet the Universities of Oregon and Idaho both at home and away. The University of California has accepted a challenge from U. B. C. to debate some time in February. A challenge from the University of Wyoming has been accepted by B. C. and the rival teams will meet in Vancouver some time in the early part of March.

The try-outs for the places on the various teams were held Wednesday and twelve men were selected. These were: P. M. Barr, A. G. Brunn, J. S. Burton, T. H. Goodwin, A. E. Grauer, S. Kobe, L. T. Morgan, W. Murphy, H. Yonemura and A. Zoond. Alternatives chosen were: A. Buchanan, A. Craig, H. B. Cantelon and R. M. Morton.

## Students Take Up Kronos' Challenge

Skeptical U. B. C. students have taken up the gauntlet thrown down by Kronos and tonight at the Orpheum Theatre will put the strong man to the test.

The students have salvaged an assortment of iron and steel bars, etc., from back yards and junk shops, and when the world's superman issues his challenge at the Orpheum tonight ten huskies will mount the boards.

The City Hall Athletic Association will also have a delegation at the theatre to "get a line" on Kronos' act.

Kronos says he isn't worried.

G. S. LIVINGSTON RHODES SCHOLAR

W-24-11-23

The Rhodes scholarship selection committee Tuesday night chose Garret Stuart Livingston, 21-year-old son of the late Stuart Livingston, 1550 Beach Avenue, Vancouver barrister, who died a week ago, as British Columbia's Rhode scholar for 1923. Acknowledged to be a brilliant scholar, Garret Livingston is a fourth year student in arts, specializing in English history and economics. He is known as an all-around good athlete, and took a prominent part in the dramatic and literary life of the university. His selection is expected to be a very popular one. He played the leading role in "Sweet Lavender" when the University dramatic club produced this play two years ago, and he has been assistant editor of the Ubysey, the University publication.

His selection recalls the early success of his father, who at 17 won the gold medal of the Ontario Law Society. He was also a poet and painter of some note.

Garret Livingston lives with his mother and his brother and sister, David and Elinor.

The selection committee was composed of Mr. Justice Gregory of Victoria, Prof. H. T. Logan, E. A. Munro, A. G. Cameron and H. R. Bray.

Predict Win for Varsity

Hornets Will Be Long Shots in McKechnie Cup Game With Varsity 23.11

WHEN the Nanaimo Hornets line up at Brockton Point for their McKechnie cup game tomorrow afternoon against the Varsity squad, they will do so with the odds putting them practically into the long-shot class. Local rugby fans predict victory for the reorganized Varsity aggregation, who have not dropped a game this season, and, with their victory over the local Rep team, who won over the Hornets on their own grounds, the dope upholds their prediction.

The Hornets have won four games against the Cowichan team, and, with the added strength of a couple of new players, they are confident of putting up a good game. The following are the players who will travel with the Islanders for their game here: Hope, Lane, Davis, McKenzie, Potts, N. Huddleson, S. Huddleson, A. Armstrong, W. Armstrong, Thompson, Blackburn, Edmunds, Rickerby, Jones, Eastham and Merner.

The local squad who wiped the Coalmen up, ran up against very little stiff opposition, and, with the Students going good now with a real team, the Hornets will have to more than play a defensive game.

The Varsity team will be composed of practically the same players that have been used in other McKechnie cup games by the Students. The game is listed for 2:45 p.m. sharp.

As a curtain-raiser, King Edward and Britannia, winners of the senior divisions in the high school league, will clash for the local championship and for the right to travel to Victoria next Saturday to meet the winners in that city for the provincial high school championship.

Both of the intermediate games are to be played at Strathcona park, the Normals clashing with the ex-King George team in the first game, listed for 1:45 p.m., and the Varsity third team will mix it with the Rowing club intermediates.

U. B. C. PLAYERS ARE HEARD BY LARGE AUDIENCE

24.11

Last evening the University Players were responsible for the finest performance of one-act plays they have so far given on one programme. The auditorium was filled by an enthusiastic audience. Professor F. G. C. Wood, who, with Professors A. F. B. Clark and Thorleif Larsen, was responsible once again for the coaching, opened the evening with a happy speech and asked that possible waits between the acts might be excused. He need not have done so, for the scene-shifting between the four plays was remarkably prompt.

With one exception (that of the pathetic little wife of the Arctic skipper in "Ile," presented some time ago) last evening was responsible for the most poignant piece of acting ever seen on the University stage and it is certain that no individual actor there has ever been accorded such an ovation as fell to the lot of Mr. H. N. Cross for his intensely realistic and carefully thought-out portrayal of the hunch-backed, half-witted "fantastic" in "The Birthday of the Infanta." Pretty Miss Joan Meredith as the Infanta was finished, dainty, spontaneous and dignified. Miss Rosie Marling was statuesquely effective in the difficult role of the duchess; Mr. Lyle Atkinson a dignified count, and Miss Jean Faulkner an intriguing page, Mr. W. W. Matthews completing the cast of what was the best acted play of the evening.

Rostand's "The Romancers" was delightful, a satire upon youthful ultra-romanticism, and here (with the helpful coaching of Mr. Delevault) H. B. Warren, T. M. C. Taylor and Wilfrid Kelly contributed clever character studies and Roberta Thursday and Kenneth Caple were sufficiently convincing.

"The Ghost Story" (Booth Tarkington), though too long drawn out, was the intensely funny situation of a college youth trying vainly to propose to a college girl, and J. L. Bennett and Elsie G. Rilance could hardly have been bettered.

"The Little Stone House" (George Calderon), a clever Russian play, and very difficult, was a little too much for the players, but H. Carlton Syngé who took the part at short notice, gave a clever study of a peculiar stonemason, and J. W. B. Shore was also effective. Many of the players in this programme were new to the stage and it is clear that much new talent is "coming on."

Students At Normal School Entertain At Enjoyable Dance

24.11.23

Navy blue and gold streamers, the colors of the school, and blue and gold pennants, brightened the gymnasium of the Provincial Normal school on Friday evening for the dance given by the school athletic society. These dances, which are held twice a year, prove very popular both among past and present students and are always well attended. Chaperons for the evening were Mr. and Mrs. David Robinson, Mr. and Mrs. J. A. McIntosh, Mr. and Mrs. Martin, Mr. and Mrs. H. B. McLean, Mrs. A. R. Lord, Miss L. A. Burpee and Miss E. M. Coney. The committee in charge was Miss Evelyn Eveleigh, Miss Florence Henderson, Miss Eleanor Nicholson, Miss Cruikshanks, Miss Mary Mochrane, Miss Beth Tingley, Mr. Mike Lynch, Mr. Crawford, Mr. Rolston, Miss Burpee and Miss Nicholson.

### Many Guests Attend Private Performance Of University Plays

Every year at the University of British Columbia the Players' Club hold what might be termed a "preliminary cater," before the big performance held in some local theatre. At this affair, always held in the University auditorium, several small plays are staged and in this way new talent is picked out by the directors.

This year, Thursday, Friday and tonight were the dates chosen, and last night was the only performance at which guests, other than University students, were admitted. The private performance last night included "The Little Stone House," with a cast of Miss Mildred Teeple, Miss Gertrude McInnis, Mr. J. W. B. Shore, Mr. A. Moffat, Mr. Howard Goodwin, Mr. H. C. Sing and Mr. Howard Cantelon. Those playing in the "Romancers" were Miss Roberta Thurston, Mr. Kenneth Caple, Mr. G. S. Miller, Mr. Harry Warren, Mr. W. Kelly and Mrs. T. Taylor. Other plays were, "The Birthday of the Infanta," with a cast of Miss Joan Meredith, Miss Rose Marin, Mr. H. N. Cross, Mr. W. W. Mathews and Mr. L. Atkinson, and "The Ghost Story," with Miss Elsie Rilance, Mr. J. Bennett, Miss Marion Cameron, Miss Edith Tisdall, Mr. Jerry Thompson, Mr. Price, Mr. Norman, Mr. Murphy and Mr. Letson. Professor F. G. C. Wood directed the plays.

Among those witnessing the performance were: President and Mrs. L. S. Klinck, Dean and Mrs. Herbert T. J. Coleman, Dean and Mrs. R. W. Brock, Mr. and Mrs. Thorlief Larsen, Mrs. Wood, Mr. and Mrs. Arnold Whitmore, Mr. and Mrs. Gordon Scott, Captain and Mrs. G. R. Cates, Miss Kathleen Peck, Miss Stella McGuire, Mrs. Agnes Robinson, Miss Gwen Robson, Mr. G. L. Fraser, Miss Helen Clark, Miss Gertrude Bell, Miss Kirsteen Leveson, Mr. Jack Clyne, Mr. Gerald Evans, Mr. A. E. Lord, Mr. Ian Shaw, Miss Gladys Weld, Miss Connie Highmoor, Miss Kathleen Knowlton, Miss Dorothy Dallas, Miss Bonnie Clement, Miss Helen Reid, Miss Lillian Cowdell, Mr. and Mrs. E. R. Elsey and Mr. George Clarke.

### University Of B. C. Students Debate At Women's "U" Club

Students from the University of British Columbia in debate provided the major portion of the programme at the meeting of the Women's University Club, held on Saturday evening in the Women's building, with the president, Mrs. R. H. Stewart in the chair.

Miss Vera Mather and Mr. Lorne Morgan debated the question "Whether or not Canada is striving seriously towards social progress." The decision, by vote of the meeting, was awarded to Mr. Lorne Morgan who spoke on the negative side. Two other students, Miss Lillian Cowdell and Miss Winnifred Cawthorne put forward respectively the claims of the Shipping Federation board and those of the longshoremen in the present strike.

Mrs. R. H. Stewart was appointed representative from Vancouver on the executive of the National Federation of Women's University clubs and Miss Annie B. Jamieson was again a suggested candidate from the University Club for the library board of the city.

It was decided to hold the next meeting on Saturday, December 8 at the home of Mrs. Howard Spohn, 4023 Alexandria avenue, Shaughnessy Heights.

### HORNETS LEAVE STING AT HOME

26.11  
VARSITY's rugby fifteen on Saturday afternoon at Brockton Point extracted any sting that the Nanaimo Hornets might have thought they possessed, when the two teams met in a McKechnie cup fixture which resulted in a 44 to 3 score being hung up in favor of the local Students. The Nanaimo team, although expected to put up a fight equal to that staged by the Victoria fifteen, were outplayed by the Students in every department of the game.

The score at the end of the first half read 28 to 0. Potts, of the Islanders, was the only Nanaimo player to cross the line when he secured the lone three points for them. His try was unconverted.

Although the Students displayed better form than they have exhibited in any other fixture, they were well able to as the opposition was unable to give them anything like a battle.

McKenzie, full back for the Hornets, fought hard to hold the score down, but with little support in front of him, he was overrun by the Varsity pack and never was given a real chance to display his talent.

#### Pace Too Fast

The entire Nanaimo aggregation made a real attempt to stage a rally in the second half but this was short lived as the Students set a pace that left the Coal Men far behind.

Ramsell started the scoring when he went over early in the game, Gwyther converted. Palmer passed over the line a few minutes later, and Gwyther again converted. Palmer went over the second time, and Gwyther converted. Buchanan tallied next, but Gwyther failed to find the aperture.

Purdy went over the line and Gee Ternan converted this one. Purdy and Gee duplicated their attempt again and added another five points to the Varsity score before the second half.

#### Second Half

In the final half Buchanan started the scoring but Gwyther failed to convert. Purdy and Ternan again scored another five points when the former went over and the latter converted.

McLean shot across for the Students and Ternan added another two points to the three. Purdy concluded the scoring of the day when he went over the line. Ternan's kick failed.

### The World's Window

"The time has come," the Walrus said, "To talk of many things."

Richards Street, November 26, 1923

THE other day, when attending the performance of the New Westminster Little Theatre Association (and they put on that difficult atmospheric Irish play, Synge's "Riders to the Sea," very creditably, indeed, for so new an organization) I noticed that those in charge had conceived the happy idea of printing upon the outer page of the programme these fine lines from John Masefield's poetry regarding the mission of the theatre:

Men will not spend, it seems, on that one art  
Which is life's inmost soul and passionate heart  
They count the theatre a place for fun,  
Where man can laugh at nights when work is done  
If it were only that 'twould be worth while'  
To subsidize a thing which makes men smile;  
But it is more; it is that splendid thing,  
A place where man's soul shakes triumphant wing.

There, in that last fine line, "A place where man's soul shakes triumphant wing," you have the expression of one phase of what the Little Theatre movement stands for. You have, too, the expression of something which our University Players endeavor in part of their programme at the close of last week to body forth. The productions of these plays have always interested me and, even when they have been immature—as has been inevitable sometimes when youthful new talent is being "tried out"—and I have indulged in some criticism, I have never failed to recognize the high aims of the producers and the infectious enthusiasm of the budding actors and actresses.

And now the Players have succeeded in presenting a programme which (which the exception of a very difficult Russian play wherein, while several parts were well cast, one was not, though the actress who played it can do good work, and it failed to grip) reflects the greatest credit upon them—a remarkably ambitious programme, an excellent admixture of humor, wit, satire—and pathos.

Yes, real pathos. And it is the play in which this quality occurred which prompts me to write about the players today, because it is a quality which youth finds it so difficult to suggest successfully. "The Birthday of the Infanta," a Spanish costume play, was as successful as that Shaw costume play of last year's series was unsuccessful. Written by Stuart Walker, and founded upon Oscar Wilde's story, it is a gem, and its kernel is a lesson which none can miss. Beautifully produced and coached (I understand) by Professor Wood, there was not a weak spot.

But my object in mentioning it here is because it introduces to the local footlights a student in Mr. H. N. Cross, of whom much more should be heard historically. He had a wonderful part to play, that of a deformed, half-witted youth from the hills, who is regarded by the beautiful child Infanta of Spain as a toy who is brought as a curiosity to dance and sing for her; and the poignancy of the situation was borne in upon the audience during a really remarkable piece of dumb acting when this tragic young figure sees itself in a mirror for the first time and the shock brings death. But the psychology of the play is more acute and complicated than that mere outline would suggest, and the audience was deeply moved.

26.11.23

Which reminds me at once that a very interesting local connection with Rhodes was emphasized last week by the announcement that upon a young undergraduate, Mr. Garrett Livingston, of the British Columbia University, had been conferred the honor of being chosen as Oxford Rhodes scholar for this year. This is a particularly excellent choice as Mr. Livingston has had a distinguished career at our University scholastically, historically, and—last, but not least—as an athlete.

# I. L. A. and Varsity to Do Battle

## Saints and Elks in Other Feature Soccer Match on Saturday 27.11.23

ALTHOUGH it was only recently that they entertained each other, the I. L. A. and Varsity soccer teams are scheduled to meet in a first division league game, and the Saints and the Elks are again ordered to hook up in a league fixture on Saturday. Both games will be played at the feature enclosures, Athletic and Jones parks, respectively.

In the other fixtures, eight teams are listed for Mainland Cup games, two for Iroquois Cup disputes and two teams in the second and eight in the third division will meet in scheduled games.

The Scotchmen, who came within an ace of landing on the short end of a score to the Elks some weeks ago, are out to deliver the document this game. The Elks, who realize too well that they almost fell before the Scotchmen, intend to depend more than upon the breaks to win the game for them. Although they seemed to trust to Lady Luck at their former encounter with the Saints, the Elks are out to show the goods that they displayed at the opening of the season.

When the Students bump up against the Longshoremen at Bob Brown's park they are more than confident that the score will be the reverse of that which was listed at their former game with the I. L. A. The men from the waterfront had their share of luck at the game, and they also took a good chunk of the Varsity's.

Saturday's schedule follows:

### Mainland Cup Ties.

Hotel Vancouver vs. Nationals, Recreation Park, Marshall.

Central Park vs. Kitsilano, Central Park, Armstrong.

Westminster United vs. North Vancouver Elks, Moody Square, Al-lan.

Mount Pleasant vs. South Hill, Cambie Street grounds, Craig.

### First Division.

I. L. A. vs. Varsity, Athletic Park, Anderson.

Elks vs. St. Andrews, Jones park, McDonald.

### Iroquois Cup Ties.

Shellys vs. Cedar Cottage, McBride Park, Barron.

### Second Division.

Kerrisdale vs. S. S. Canora, Kerrisdale, Cowan.

### Third Division.

West Vancouver vs. Shamrocks, West Vancouver, Clifton.

U. B. C. vs. S. V. G. W. V. A., Heather Park, Watson.

Point Grey Athletics vs. B. C. Telephone, Marpole, Bowler.

Mc & Mc vs. B. C. E. R., Robson Park, Leggatt.

# Science '24 Lead For Cup

## Governor Trophy Competitions Completed for Term -Tug-of-War Results

SCIENCE '24 and Agriculture were returned victors in the finals of the tug-o'-war competition held at Varsity yesterday afternoon against Arts '27 and '25 respectively. The winners won in straight pulls and showed a decided superiority over their opponents.

This draws the Varsity inter-class competition to a close for this term, the remaining events of the series for the Governor's cup will take place after the Christmas holidays. Results so far show that Science '24 appears to have a strangle hold on the coveted silverware, as they have grabbed first place in all of the three competitions taken part in this term, viz., basketball, tug-o'-war and soccer.

The Freshies are second in the running and Arts '25 and Agriculture tied for third place, but all are far behind the six-point lead of the Science '24 aggregation.

Next term may tell a different story, however, but from present indications it looks as though the second, third and fourth classes will eliminate each other, and none of them will be able to overtake the '24 squad's big lead.

The standing to date is as follows: Science '24, 12 points; Arts '27, 6 points; Agriculture, 5 points; Arts, '25, 5 points; Science '25, 2 points; Science '27, 1 point; Arts '24, Science '26 and Arts '26, 0.

# Stanford Will Send Rugby Team Here Christmas

Stanford University rugby team will play a series of three games here during the Christmas vacation. A wire was received this morning by Reggie Woodward, president of the B. C. Rugby Union, from Harry Maloney, of Stanford, advising him that permission had been granted the team to come north. A reply accepting the proposal is being sent by Woodward this afternoon.

In the wire Maloney names such star players as Dick Templeton, Rogers, Hazeldine, Lenn, Wrenn, Harris, Carey, Maillot and Campbell, as English rugby material.

Games will be played on Christmas day with Varsity, and the Vancouver reps will play on New Year's or mid-week. A third game will also be arranged, probably with a combined Varsity and Rep team. A game might also be arranged at Victoria.

# Saturday's Junior Football Matches

Dundas vs. Manchester United, Hastings Park.

South Hill vs. Christ Church, Wilson Park.

St. Lukes vs. Burnaby, Gordon School.

C. P. R. Shops vs. C. P. R. Juniors, Woodland park.

Varsity vs. St. Marys, Powell St. All games at 2:30 p.m.

# College Journal Praised By Poet

"Any university that can produce a sheet like that reflects credit on its English department," said Wilson Macdonald, Canadian poet, addressing the student body of the University of British Columbia, Tuesday afternoon, and referring to the copy of The Ubysey, the college paper, which he had been reading.

Adding that the University of Toronto had never done as well in getting out a paper of its own, Mr. Macdonald proceeded to read from his own poems, and was received with rousing cheers and applause.

Many of his poems had their origin in Vancouver and the poet paid a lasting tribute to the memory of Pauline Johnson in his lines "The Abbey of the Setting Sun."

# WINS I. O. D. E. SCHOLARSHIP

ALFRED RIVE, B.A.

The 1924 I.O.D.E. War Memorial Overseas Post-Graduate Scholarship for the province of British Columbia has been awarded to Alfred Rive, graduate of the University of British Columbia in 1921, Mrs. O. L. Boynton, convener of the I. O. D. E. War Memorial in B. C. announced today.

Eight B. B. bursaries also have been awarded in the University of B. C. to children of men who fell or were totally disabled in the Great War; and, with the present award, two overseas post-graduate scholarships have been given; the former are for four years, to the value of \$1200; the latter for one year, to the value of \$1400.

# SHAW COMEDY BRILLIANT ONE

W 3/12/23  
Of recent years no event of more importance has taken place in the local theatrical world than the presentation on Saturday evening at the University of British Columbia by a professional company of the play "Candida," by George Bernard Shaw. Many critics still regard this, one of his earlier plays, as the dramatist's masterpiece.

The large audience, which filled every available seat in the auditorium and occupied standing room also, was composed of both University students and the public and must, from the players' point of view, have been an ideal one, for it was at once discriminating and enthusiastic. Moreover each character bodied forth by the Moroni Olsen Players was a cameo in itself.

In addition, this presentation had a special attraction for the University students as Dorothy Adams, until recently one of their number, played a leading part, that of a typist. It must have been a great evening for Miss Adams, and it is not too much to say that she achieved a deserved triumph by her character delineation, supplying much of the comedy and fully justifying the high hopes entertained of her. She was, of course, presented with bouquets and accorded something in the nature of an ovation at the close.

This three-act drama is artificial to a degree. No characters in real life ever behave as these characters do and the speeches are often long. Yet there is enough reality behind it all, the satire is so biting, and the dialogue so brilliant, that the audience is alternately gripped and entertained throughout, while the dramatist drives home the lesson that we are all more or less shams, that most of us gradually adopt utterly artificial habits of thought until they are so much part of us that we believe them ourselves, and that most of us are acting half our time.

Space forbids individualization, but it may be said that the acting of Byron Foulger, as the poet, the most difficult role in the play, was one of the finest things that has been seen on a local stage, and that Mr. Moroni Olsen (who has a very fine presence), as the parson, and Janet Young, as Candida, were brilliant, the other roles, in the hands of Joseph H. Williams (a curate) and Frank Rasmussen (a contractor) being excellent character studies, though Mr. Williams was evidently not born to the Cockney accent, good as his efforts at imitation were. Miss Adams' acting has been mentioned.

## Freshies Must Make Good At Christmas

W. 4-12-23  
Examinations at the University of British Columbia will begin next Monday and last for two weeks. All first term lectures of the session will end this week.

Christmas examinations at the University are final in only a few subjects, but they are important to first and second year students, as freshmen were warned early in the year that if examination results were not satisfactory they would be asked to drop out. Congestion at the University makes this course necessary.

Lectures begin again on January 7, and final examinations commence April 4.

# Varsity Basketers Win Three

### Students Have Big Night at Normal Gym—Co-Eds Trim Normals 3.12

VARSITY registered a win in all three of their scheduled basketball games on Saturday at the Normal gym, when their senior "B" squad trimmed the Normal 66 to 25, the intermediates also defeated the Normal team, 44 to 17, while in the girls' game the Varsity "A" team defeated their sisters in the "B" team by 12 to 9. A fourth game between the Varsity intermediate "B" and the Cyclops was postponed on account of the lateness of the hour.

Play in the girls' game was keen, and the result was in doubt until the last few minutes when the "A" aggregation took command of the situation.

The line-up: Varsity "A"—P. Robinson (2), Bea Pierce (5), Isobel Russell (2), G. Swencisky, M. Rae. Total 9.

Varsity "B"—B. Bell (6), A. Moffitt, K. Reid (4), W. Straight (2), G. Gilley, M. Ryan. Total 12.

In the senior fixture the Teachers were outclassed in all departments of the game by the Students.

The line-up: Varsity—H. Arkley (14), Henderson (26), Fulton (16), McKay (4), Elliott (2), Gill (4). Total 66  
Normal—Stibbs (10), Marrion (2), Heady (2), Wallace (5), Rolston Waddington. Total 25.

In the intermediate fixture the Normal squad made a hard attempt to win, but their shooting ability was not of the winning kind.

The line-up: Varsity—S. Arkley (12), Johnston (12), Galloway (6), Gordon (4), Mathews, Schultz, Gross (8), Verchere (2). Total 44.

Normal—Douglas, Lister (2), Ferguson (4), Clay (6), Hillery (2), Spence (3). Total 17.

# Varsity is After Cup Saturday

### Miller Trophy May Be Captured by Students—Require Only One Win

WHAT may prove the final Miller Cup game of the season may be staged on Saturday afternoon at Brockton Point, when the Varsity and Rowers rugby teams clash. The Varsity need only a win to claim the silverware, as they have suffered only one loss during the season, that being their initial game. The Native Sons have a chance to win, but it is slim.

The Rowers, who now hold the Miller Cup, as well as most of the other rugby trophies that are offered for competition, are out to win it again this season, and Coach Lew Thomas has had his squad out working in at the Horse Show Building with the hope of making the grade. The Oarsmen, who were the favorites at last Saturday's game, managed to secure a draw with the Sons after being outplayed in every department of the game. They were playing away off of form. The much touted three-quarter line of the Rowers failed to show hardly anything, while the Sons, playing with fourteen men most of the time, nearly ran up a winning score. Although one or two of the Rowers' players may be substituted for the game, the major part of the team will be intact for the Saturday mixup.

The Varsity, who under the coaching of Jim Scott have developed into a winning team, are the favorites, although many of the blue and gold players have not been out practising, as they are easing up on the rugby talk to discuss lectures that were delivered weeks ago, for exams. are not far distant.

The Rowing club and the ex-King George will clash at Strathcona park in an intermediate fixture, while the Freshmen and the Normals will stage a curtain-raiser at Brockton Point.

## Varsity Develops Several Fast Crews

Students Busy These Days Getting Ready for Island Invasion—Will Send Three Four-oared Crews to Compete Against Victoria on January 4.

AFTER several weeks of intensive training over the Vancouver Rowing Club's course, the Varsity rowers who will travel to Victoria to meet crews from the James Bay Rowing Club in an annual meet on January 4, have developed some of the fastest rowers that have been seen to perform for the blue and gold. The Rowing Club has an active membership of about fifty men, and these have been working out every Wednesday and Saturday in anticipation of the meet since their summer recess.

Three four-oar crews will be all that the Varsity will enter for the meet, these being a senior, a junior and a novice crew. Although the Varsity anticipated entering a double, this was deemed inadvisable considering the opposition that the Victoria club is known to possess. The crews will most likely invade the capital city with the rest of the athletes, and the various teams who meet the Victoria College in annual competition.

The senior four crew will be composed of A. Zond, bow; John Oliver, 2; W. Bain, 3; C. Jones, stroke. In the junior lapstreak the following will form the team: W. Smitheringale, bow; F. Watney, 2; S. Mounce, stroke, and F. Plumer, 3.

The novice crew has not yet been selected.

John Oliver, who is also well known

outside of the Varsity Club as a rower, is conducting the organization and has greatly increased the membership during the recent years. Oliver is looking forward to the time when the Varsity will be permanently situated at Point Grey, with a real rowing club of its own.

At present the Students make use of the Rowing Club's rowing material. It is expected that once the Students are lodged at their prospective quarters that a course will be laid along the jetty of the Fraser river, as the breakwater assures rowers of practically smooth water throughout the year.

The annual meet staged by the club in connection with the inter-class sports for the governors' medal will be held about March, with practically every kind of rowing, sculling and canoeing.

## Farcical Soccer on Saturday

Varsity and Dockers Boot 16 Goals Against One For Kitsies and Royals

AMPLE evidence of the necessity of a more equal distribution of the soccer talent of the city before any real competition can be assured was forthcoming on Saturday when two farcical games in which no less than fifteen goals were scored by two teams against a combined total of one—and that scored by a player against his own team—by the defeated elevens.

Varsity scored at will against the weak Kitsilano aggregation, but stopped at 7 to their opponents' nil. Westminster Uniteds were overjoyed when they managed to score once on the I. L. A. eleven who booted the pigskin into the net eight times.

This latter game was an Imperial cup fixture, the massacre taking place at Con Jones' enclosure, the former being a first division encounter, was played at Athletic Park.

Wilkinson and Lundie of the Varsity, both raised their goal averages by notching three counters each, whilst Phillips, Varsity star centre half, scored from about 40 yards out with a well placed shot.

No Contest.

The Collegians had the game well in hand at all stages and seldom did the Kitsie forwards threaten Mosher, the winner's goalie. From a spectator's standpoint the game was disappointing, but Varsity supporters got much encouragement out of the fact that their eleven seemed to show better team tactics than on other occasions this year.

Bobby Jackson, Varsity inside left, who has only played in one game with his team mates this year, again appeared in action on Saturday, but was forced to retire in the first period. The winners were without the services of Crute, their right full back, but Bryndoldson, who filled this position, played a nice game. Norm Goodall was the outstanding man on the Kitsies' eleven.

Dockers Have Workout.

Adam Kerr started the carnage at Con Jones' Park fixture when his easy shot rolled into the Westminster United net. The same player sent over a cross for the second goal. Gemmell and Forgie got another each before the interval.

The second period was young when Kerr scored again for the Dockers. Smith scored against his own team when he kicked towards Robinson when the latter was not looking towards his direction and the ball rolled over the goal line. Kenny was forced to leave the field, due to an injury. The other three goals were scored by Gemmell, Forgie and Ferguson.

Hotelmen Win Again.

B. C. Electric put up a game fight against the strong Hotel Vancouver eleven, leaders of the third division of the L. M. F. A., on Saturday at Heather Park, the Granville Street eleven winning by a 3-2 score. The winners scored through Clarke and Rennie in the first period and Clarke added another in the second.

## 'Reps' Meet Varsity on Christmas

Rugby Fixtures Arranged for Holiday Season—Rowers to Meet Sons

THE rugby feature for Saturday, will be between the Native Sons and the Rowers when they clash at Brockton point at 2:30 p.m., in a Miller cup fixture. There will be no more intermediate fixtures on the Mainland this season. The Sons have secured two new players, in the persons of McDonald and Gilbert, who are expected to be out with the N.S. sweaters on. They are both fullbacks and hail from Nova Scotia. Bobby Knight will referee.

Whether Ex-King George, as champions of the intermediate division of the Lower Mainland will travel to Victoria has not been decided. Last year Victoria's champions came here. Victoria again wishes to stage the final game here, but the local Union is against this. Varsity and the Vancouver "Rep" teams will clash on Christmas day, the same teams will meet again on New Years. Providing that Varsity secures a victory, a game between foreign born, and homebrews will be staged.

The following players have been requested to turn out to practise at the Horse show building tonight for the "Rep" team: Barwis, Russell Tyrwhitt, Pinkham, McWhinney, Grimmitt, Gyles, LeRoy, Winch, Dodge, Marshall, Farmer, Cameron, Lawson, Casey, Clarke, Boyd, Donaldson, McFarlane, Matthews, Thom, Don Clark, Rolston, McDonald, Wilkinson, Fraser, Roquette and Choate.

## Varsity Cage Team Is Excused

Will Not Play Monday Night on Account of Exams—To Double-Head

The request of the Varsity Senior "A" basketball team that their game with the Y.M.C.A., listed for Monday night, be postponed on account of the Students studying for exams, which are being held at the seat of learning now, has been granted by the executive of the Vancouver Basketball Association.

The Westminster Y.M.C.A. will probably meet the Ex-Normal Senior "A" team in a feature game to make up a double header for Monday night at the Normal gym. Not many seasons ago the Ex-Normal team composed of Bill Abercrombie, Al Buchanan, Ross Bryson, Graham Bruce and Tommy Woodcock were a power in basketball, capturing many local championships. The other game listed is a tilt between Native Sons and the Rowing club.

The executive requested E. L. Yeo to referee all senior "A" games in the future.

The Rowing Club expects to send a team on a tour of the Okanagan during the Christmas holidays.

## Students Winners of Miller Cup

Rowers Lose Final Match to  
Varsity Ruggers by Score  
of 8 to 6 W. 10<sup>12</sup>/<sub>23</sub>

AFTER holding the Varsity rugby team the major part of the game the Rowers dropped the decisive clash for the Miller cup, emblematic of the city senior rugby championship at Brockton Point on Saturday afternoon, when they allowed Warren, Varsity wing three-quarters, to pass over the line and circle their posts. The Rowers, until the last few minutes, led by a score of 6 to 3. Gwyther failed to convert the first Varsity try made by Buchanan but sent the pigskin clean over the bar after Warren's try.

The Rowers secured their points when Rex Cameron and Marc Grimmett, after tricking the Varsity, worked their way up to the line, the former going over with the ball. Pinkham secured the other points when he marked a Varsity kick and, taking the free kick, sent the ball over the blue and gold posts.

Ex-King George rugby team continued on their quest for the Lower Mainland championship when they trimmed the Rowing club intermediates by a score of 5 to 0. The points were secured by Coate who went over the line and also converted. The Varsity Freshmen walked all over the Normal aggregation at Brockton Point by a score of 29 to 0. Although matched against a superior team the prospective teachers contested the game strenuously.

### Better Team Lost

Playing a game which denoted that they had been practising diligently for the event the Rowers were the better team on the field Saturday. The Varsity squad showed a lack of practice which was expected as many of the players are studying for the final exams and

not many are anxious to spend an extra year for the sake of winning a game.

During the game many spectacular runs were made by various players, some being good for nearly fifty yards. LeRoy, of the Rowing club, showed up well during the game, tackling fearlessly and proving a fast man with the ball.

Al. Buchanan, who secured the first points of the day for the Varsity, got possession of the ball after it had been juggled around in front of the Rowers' line and was practically pushed over. Gwyther failed to convert. Warren, who secured what proved to be the winning points with the assistance of Gwyther, fully deserved the honor of doing so if for nothing else than award for strenuous work during the day.

Securing the ball many yards from the Rowers' line he started on the run which spelt disaster to the Rowers. Eluding a number of players as he drew near the line he was forced practically to dead ground to escape the lunges made at him by Rowers who attempted to cut his feet from under him. But he passed the line successfully and continued on his dash to place the ball right behind the posts, allowing Gwyther an easy convert. During the rest of the game he made several other dangerous rushes but was tackled too closely to do anything but run.

In securing the first points for the Rowers, Cameron, with the assistance of Marc Grimmett, after leaving a string of blue and gold players in their wake, went over, but Grimmett failed to convert. Pinkham, on a free kick, secured the other points for the Rowers when he sent the ball neatly over the bar.

At the Ex-King George-Rowing club game played at Bridge Street grounds both teams were fairly evenly matched. The former students were not very successful on the muddy field compared with what they can do on hard ground, while the Rowers seemed to be mud-horses. Although fighting all the game the Varsity Freshmen vs. Normals was a one-way game.

## A HINT FOR STUDENTS AT UNIVERSITY OF B. C.

This jolly bunch of students of the Michigan Agricultural College painted convict stripes on their pajamas and turned out to excavate the foundations for a new union building on the campus. More than 5000 participated in the event. The men did the digging and the co-eds served them coffee and sandwiches from wagons.

## Varsity is Weak For Tomorrow

Several Star Players Out of  
Game and Elks Will Have  
Big Advantage W. 11<sup>12</sup>/<sub>23</sub>

VARSITY will field a weakened eleven against the fast stepping North Shore Elks in Saturday's feature soccer encounter at Athletic Park. The Students have experienced considerable difficulty with their forward line all this year, Bobby Jackson, their inside left, being injured, made a vacancy at inside left which has been filled at odd times by Gee Ternan, Varsity rugby star, and at other times by spares of mediocre talent when Ternan was playing rugby.

Now the Students are faced with the loss of both Ternan and Emery, who made up their whole left wing. Ternan is out for the rest of the season, having had pneumonia. Emery will not be on deck again for some weeks.

The Collegians' forward line will be further weakened on Saturday by the absence of Tommy Wilkinson, their aggressive centre forward, who received injuries last Saturday against the Shellys outfit, and it is deemed advisable by the management to save him for the I. L. A. game on Jan. 19.

Varsity's makeshift forward line will not help their chances any against the fast-stepping Brother Bills, but the "rah rah" boys may be depended upon to put up a hard fight, and with their strong defence will keep the North Shore sharpshooters working overtime to break through.

Mosher is now at the top of his form and should provide the fans with plenty of thrills at the Fifth Avenue enclosure tomorrow.

11.12.23

### VARSITY STAR OUT OF GAME

When the Varsity intermediate hockey team clash with the Towers tonight they will be without the services of McCuthenson, one of their bright lights on the forward line. He will probably be out of the game for a couple of weeks.

# Students' Soccer Squad to Go on Tour

## Varsity Soccer Team Will Invade Island

Collegians to Play Victoria and Nanaimo City Elevens During Christmas Holidays—First Varsity Soccer Team to Cross Gulf.

YESTERDAY Varsity first soccer team received a letter from Nanaimo to the effect that Nanaimo City soccer squad will be able to meet the Students on the Island on New Year's Day. The team has also received an invitation from the Victoria Wests to play in an exhibition soccer game there on January 4, when the annual invasion of Victoria is made by the Varsity athletes.

This matter, however, must be sanctioned by the executive of the L. M. F. A. This would fit in very well with the wishes of the team, as some of their number will be participating in other branches of sport at the Capital City and they would have been unable to do so if the league had scheduled them to play a league fixture on that day in Vancouver.

### Strong Team Will Go.

The Collegians expect to be able to field their strongest eleven and the Nanaimo and Victoria teams may be depended upon to put up a very strong argument, as the Island men are noted for their prowess in this line of sport.

This will be the first occasion on which the Varsity has appeared in a soccer game on the Island and the event is being looked forward to by a large number of Island as well as Varsity fans.

The Varsity lineup will consist of Mosher, goal; Crute and Baker, full-backs; Phillips, Buckley and Shields, half-backs; Emery, Lundie, Wilkin-

son, Bryndoldson, Huestis, forwards; Dean, spare. Manager Chubb Arnot will accompany the team, with President Brink and Sparks, the trainer. Prof. Lloyd, coach, may make the trip.

Bobby Jackson, who has been laid up all season with a bad knee, will also accompany the eleven to the Coal City, but it is not expected that he will be in a fit condition to play.

### May Play Ladysmith.

The Students have also been trying to arrange a game with Ladysmith, with the idea of staying on the Island for the New Year week. No definite arrangement has been made yet, however, with any of the Island teams other than Nanaimo.

This should be a good boost for soccer and ought to create considerable interest on the Island as well as here. The only drawback in the programme is that the league may demand that Varsity play their league fixture of Jan. 5. But as the Students have now caught up in their league schedule it is not expected that the L. M. F. A. will oppose the trip.

## Teachers Defeated With Ease

Varsity Senior 'B' Basketball Squad Wins by 74 to 12

### MUCH TOO CLEVER FOR EX-NORMALS

Students Overcome by St. Marks Intermediates, 32 to 17

Varsity players broke even Saturday night at the Normal gym in the scheduled games of the Vancouver and District Basketball league. The intermediates lost their contest with St. Marks, while the Senior "B" aggregation downed the ex-Normal "C" squad.

The Senior "B" was a fast, clean game in which Varsity men took full advantage of their superior height and reach, and registered many baskets in the first half. They worked well together in quick combination under the nets, and at half time the score stood 40 to 10 in their favor.

### AFTER HALF TIME

At half time the college boys decided on trying to make the century, but the teachers tightened up their defense, and the Varsity lost their shooting eyes for the first 15 minutes. When they got going again goals were obtained at regular intervals, and at the whistle they had accumulated 74 to the Teachers' 12. H. Arkley with 26 and H. Henderson with 32 were the top scorers for Varsity, while McPhee got 6 for the Teachers. The teams: Varsity—H. Arkley (26), H. Henderson (22), Fulton (16), D. McKay (2), Gill (8), Newberry. Total 74.

Ex-Normal "C"—Hardwick, Wilkinson (2), Shoemaker (4), McPhee (6), Sangster, McCreery. Total 12. Referee—McMillan.

### SAINTS ON TOP

The Intermediate "A" tilt between the Varsity and St. Marks was fairly even the first half, ending 8 to 7 for the Saints. The second half was rather rough going, the St. Marks having the edge in all departments, winning by 32 to 17. Colman Hall secured 16 for the Saints' total, while S. Arkley and Henderson each secured 6 for Varsity. P. McCreery refereed.

# Varsity Basketers Break Even

Defeat Ex-Normal "C" Squad, But Lose to St. Mark's Quintette

Varsity basketball players won and lost on Saturday night when they met the ex-Normal "C" and the St. Marks intermediates. The Varsity senior "B" squad accounted for the Teachers by a score of 74 to 12, while the Saints trimmed the Students 32 to 17.

The senior game was snappy, and the Varsity players made full use of their shooting ability and reach, registering enough goals in the first period to cinch the game. They displayed a fine working combination, and dropped the ball in the basket 40 times during the first half, while the Normal squad could only register 10 times.

The Teachers displayed a better game in the first few minutes of the final half, but were outclassed when the Varsity starting going again. At the end of the final half the score read 74 to 12.

H. Arkley with 26 and H. Henderson with 32 were the top scorers for Varsity, while McPhee got 6 for the Teachers. The teams:

Varsity—H. Arkley (26), H. Henderson (22), Fulton (16), D. McKay (2), Gill (8), Newberry. Total, 74.

Ex-Normal "C"—Hardwick, Wilkinson (2), Shoemaker (4), McPhee (6), Sangster, McCreery. Total, 12.

Referee—McMillan.

In the Saints game the Varsity were barely outplayed in the first half, but in the second period the Saints left the Students away behind. Coleman Hall secured 16 goals for the Saints, while Arkley and Henderson proved the big scorers for the blue and gold, netting 6 apiece.

# Stanford Series is Abandoned

Local Rugby Union Will Not Guarantee Southerners \$2000 for Trip

That the guarantee requested by the Stanford rugby team before they would travel to this city for two games to be staged about Christmas and New Years was beyond the financial ability of the Vancouver Rugby Union, was the general expression of the delegates to that body who met last night. It was finally decided that the local union would not invite Stanford here. The \$2000 guarantee that was requested by the American team will in all probability be spent in assisting rugby throughout the province.

The rugby game for Christmas Day will in all probability bring the Varsity and Vancouver together. Should the Students win this game they will have won the series for the McKechnie Cup.

Victoria rugby officials have requested that the intermediate champions of the Lower Island be allowed to meet the Mainland champions, but as the local union was out about \$150 last year on this proposition no definite action has yet been taken.

# Thumbnail Sketches Of Varsity Ruggers

**GEE TERNAN**—One of the Varsity's star men and who needs about as much introduction to local rugby fans as does Jack Dempsey to fight fans. Gee is responsible for the five-eighths position in the Students' rugby machine and looks after it well. He has been out with the blue and gold seniors for four years and played with the King Edward high school rugby team while attending that institution. He is about 23 years of age and weighs 160 pounds when not smiling. He has been captain of the Varsity squad for two years.

**HARRY WARREN**—Varsity's wing three-quarter, who has a mania for placing the ball behind his opponents' line. This is his first year on the rugby field and he is expected to develop as he adds a few more years to 21. Harry weighs about 140 pounds and is one of the speediest wing men in the city.

**HARRY PURDY**—Centre three-quarter, who is rated as one of the most reliable men in the Students' squad and who can also use his boot to the disgust of his opposition. He weighs about 145 pounds. He turned out with the King Edward team while attending that school.

**"BUCK" BUCHANAN**—One of the Students' best punts, who plays inside three-quarters and who, with Gee Ternan, is rated as another of the prominent stars that have been developed by Jim Scott, who coaches the squad. "Buck" weighs about 150 pounds and is about 25 years of age. He is a very tricky player, and has a lot of speed.

**"PETE" PALMER**—Another three-quarter man who plays outside, and who is fast and dangerous. "Pete" weighs about 180 pounds, but when he tackles his victims swear the scales should have read 280. He is about 24 years of age. One of the strongest men on the team, he is a real worker, and is a great asset to the Students.

**CLARE DOMINEY**—Varsity full back, who has played senior three years, and who is a safe, reliable last line of defence. Clare is not yet 40, being nearer half of that number of years and weighs about 155 pounds. He played with the King Edward team while with that school. He is a very strong punt and clean tackle.

**VAL GWYTHER**—Another of the Students' heavyweights who ranges about 225 pounds and who greatly assists in the scrums. Val has been out with the team for three seasons and plays forward. He is the place kicker for the team and is speedy for his weight.

**BILL CAMERON**—Another of the wing forwards who has done much towards securing the recent wins for the blue and gold. Bill weighs about 170 and is 21 years of age.

**KENNY CARLISLE**—Runner up to Gwyther on the team, weighting about 190 pounds. Kenny is about the hardest man the Varsity has to

stop once he gets the direction. He has been out with the seniors for some years and was on the King Edward high school team while attending that seat of learning.

**P. PRIDE**—Another husky that the Varsity can depend on. He weighs about the same as Carlisle and plays in the same position. Although this is his first year with the seniors he has been setting a good pace. He is about 23 years of age, and is a snappy player who is good in the loose.

**"BRIT" BROCK**—One of the youngest players on the Students' team, Brit is making his first showing this year and has been going good so far. He played with the Royal Naval College in 1921. Although not a spectacular player, Brit is a consistent worker. He weighs about 160 pounds and is not yet 20 years of age.

**JOHN RAMSELL**—Better known as "Rammy," he is a forward of "A1" calibre. He played last year on the McKechnie Cup team. He is a very fast and effective worker and weighs about 185 pounds.

**P. GREGOR**—One of the most useful players the Varsity has. He has played a number of good games this season. He weighs about 190 and is 21 years of age. Gregor played with the King Edward team while gaining elemental knowledge at that school.

**GORDON HISLOP**—A rugby player from the east who has played the Canadian game, Gordon is now trying the English brand and is making a success at the game in the Varsity's forward line. He weighs about 170 pounds and is in the neighborhood of 21 years.

**J. UNDERHILL**—Playing senior for the first season, Jack looks after the half and has been doing good work at that position, showing up as a very sound defence man. He weighs about 180 and has seen 21 summers. He has played intermediate for about four years.

**JOHNNY McLEAN**—The only Freshmen who has made the seniors this year, Johnny is a general utility man and has been used often this season. Last year he was a star at the Kitsilano high school, where he played on the senior team. He is only 19 years of age and weighs 165 pounds.

**JIM SCOTT (Varsity coach)**—Although the Varsity rugby players have shown their willingness to get out and practice, much of the credit for their recent wins must go to Jim Scott, their coach. He has had the Students under his care for two seasons, and has built up a first-class team. During the war Jim coached at the Canadian Cadet school in southern England, where he developed a winning team.

# Co-eds to Send Over 4 Teams

**N**O small part of the programme of events in the annual 'Varsity-Victoria meet on January 5 will be composed of women's athletics. According to Miss Doris Shorney, the hard-working president of U. B. C. Women's Athletics, the local college will be represented by a fast-stepping aggregation at the Capital City this year.

The U. B. C. fair co-eds are determined to put forward every effort to cop major honors in basketball, badminton, grass hockey and swimming, and if they do so they will be a big factor in bringing home the silverware to the Tenth avenue institution.

Judging by the stellar exhibition put pu by the Victoria damsels last year, however, it looks as though the members of the fair sex will have a lively argument. This will be especially true of basketball, because the girls from the Victoria High school, and the Victoria College are adepts at the indoor pastime.

The Victoria High squad in particular are a nifty aggregation, and with their speed and combination had it all over the U. B. C. quintette last time they met. But the 'Varsity hoopers have reorganized since then, and are training hard with the determination of avenging last year's defeats.

The 'Varsity Women's Senior "A" team will be weakened by the inability of Doris Shorney to compete. She has not yet fully recovered from a recent illness.

The Senior "A" team will meet Victoria High on Friday night. The line-up is as follows: Isobel McKinnon (captain), Patsy Robinson, Bea Pierce, Isobel Russel, Gay Swenciski, Doris Lee.

Senior "B" to meet Victoria College on Saturday morning, will be composed of Marjorie Bell (captain), Katherine Reid, Alda Moffatt, Jean Gillies, Margaret Ryan, Dorothy Williamson.

The grass hockey team will play on Saturday forenoon, the U. B. C. line-up being Kathleen Clark, Dorothy Russel, Alda Moffatt, Mary Sinclair, Mary McLaren, Daisy Taylor, Annie McKenzie, Amelia Ramsay and Edith Leitch.

The swimming tournament will be staged with the Y. W. C. A. of Victoria. The U. B. C. swimmers are: Sylvia Thrupp, Mary Chapman, Phyllis, Edgell, Marjorie Wilkinson, May Robertson, Lillooet Green, Fern James, Frances Gignos, Jean Gillie and Laura Mowatt.

# WIN FOR VARSITY RUGGERS WILL ADD McKECHNIE CUP TO GROWING TROPHY LIST

**"Rep" Team Will Be Best To Represent City in Many Seasons.**

**Nine Rowing Clubbers Are Chosen—Student Body Going in Force.**

**F**IELDING what many followers of the sport consider to be the best team that has represented Vancouver for many seasons, rep ruggers are all set for their game with Varsity in the McKechnie Cup series at Brockton Point tomorrow afternoon at 2 o'clock. The game is a "croocial" one in the series, for should the Collegians hang up another win, they will practically have clinched the McKechnie Cup and the provincial championship for the third successive season. A win for Vancouver, however, will leave the local side very much in the running.

Varsity will also be represented by its strongest side, the men who played on Thanksgiving Day having been selected to do duty again. In addition to having a strong fifteen the

students will be supported from the stands by a large crowd of their followers.

## ORGANIZES STUDENTS.

University Marshal "Brick" MacLeod has asked that all students sit in the section just to the left of the entrance so that Yell Leader Charlie Bishop and his assistants will have plenty of vocal support. He declares that every student of the University should be on hand to cheer on their representatives and he further asks for plenty of "pep."

At a meeting of the Vancouver Rugby Union selection committee on Sunday, a strong fifteen was chosen to represent the city. It contains seven Native Sons and nine Rowing Club, and is undoubtedly one of the strongest squads that have been turned out for some seasons. Mike Gregg of Varsity fame, who played for Victoria earlier in the season, is

now with the Native Sons, but he was not included among the rep selections as he has not yet appeared in the club series.

All Vancouver players are asked to be at the Rowing Club tomorrow afternoon at 1:15 o'clock, where they will receive their rep jerseys for the match. Any player selected who can not be there should phone Secretary A. F. Roberts at Sey. 566 or High 1921 today.

# Breadmen Tie With Varsity

**T**HE Shellys eleven, champions of the Wednesday League, pulled the surprise of the day when they held the fast-stepping Varsity eleven to a 0-0 score at the Con Jones enclosure on Saturday. The contest was a torrid affair and, there being no score at full time, overtime was played, but the game had to be called on account of darkness at the end of the first extra period.

End-to-end play was the order of the day during the fracas and both goals had some narrow escapes. The Varsity fielded a somewhat weakened eleven, Tommy Wilkinson's centre being absent with Shields on the sick list, but the Collegians have no alibis to make. The Breadmen proved themselves to be worthy of any first division team.

Only sensational net minding on the part of Mosher, Varsity's star goalie, saved the day for them. The Breadmen did not loaf on the job and the students' goal area was in danger on many occasions, but poor shooting on part of the forwards kept the score board as blank as much as anything. On more than one occasion the Shelly sharpshooters had Mosher at their mercy only to kick wide.

Lack of finish in front of the goal also spoiled Varsity's chances, although on several occasions they came within an ace of scoring. Both Lundie and Ternan hit the upright and Phillips at centre half rained in shots that almost beat the Four X netminder.

The fine work of Jerry Dean, the old veteran Wallace player and Old Country international, at right back was a feature of the Breadmen's defence. Buster Lang at inside right was also a tower of strength. The Collegians all seemed to be decidedly off color, but the work of Baker, Emery and Mosher was commendable.

# LOSES LIFE IN THE CAPILANO

**REV. W. J. AGABOB**  
NORTH VANCOUVER DISTRICT, Dec. 24.—Rev. Walter J. Agabob, minister of Cedar Cottage Presbyterian church, was drowned in Capilano river this afternoon. It is believed he was fishing with a friend, Mr. Fox, when the accident occurred. The police sent out a party to drag for the body.

Mr. Agabob leaves a wife and several children at the home, Twenty-third Street East, Cedar Cottage. Before going to Cedar Cottage church Mr. Agabob was minister of South Hill Presbyterian church. The drowning occurred near the Marine Drive bridge.

## Varsity and "Rep" Ruggers in Hard

### Fought Draw McKechnie Cup Match Terminates In Three-All Tie

Students Unable to Show Superiority Over All-Stars  
—Greggor and Clark Annex Points—Many  
Players Injured in Holiday Fixture

**A**FTER staging one of the best rugby games that has ever been presented at Brockton Point, Varsity and the Vancouver "Rep" teams left the field on Christmas day in their McKechnie Cup game with the final score reading three points apiece. Both teams were out in full force, were in the pink of condition, and the game was contested with both teams using all of their weight and rugby strategy in an attempt to win the game.

The Vancouver "Rep," considered one of the neatest rugby squads that has been turned out in this locality for some years, lived up to their much-heralded strength, but the Students' consistent working, and their numerous attempts to go over with all hands, ruined any chance the "rep" squad had of showing what they possessed. The "rep" aggregation, with a much heavier team, at times bucked the Varsity hard, and seemed the logical winners of the game, but the Students fought the issue, and secured an even break.

Varsity secured their lone three points when "Pug" Greggor with a few other of the Blue and Gold squad behind him plunged, only a few yards being between them and the "rep's" line. They went just one better than was anticipated by their opposition. "Pug" came out of the fray with an injured leg, as did several other players, but he continued to pluey. Val Gwyther failed to add the much needed points, the ball going wide.

#### The "Rep's" Score

In securing their points the "rep" squad were somewhat lucky. Dribbling up the field a number of times the ball was booted out in turn by Clare Domoney, who played a neat game at full back for the Students, only to roll out of his reach on one occasion. In a rush of players Casey Clark was shoved on top of it, and the three points were put on the score board for the "Rep." The try went unconverted.

Although some protest was made in that Casey appeared to lose the ball too soon after landing on it, the referee ruled otherwise. Just before Casey went over, George Thom attempted to do the same thing, but a Blue and Gold player grabbed the ball before George could stop and their expected points failed to materialize.

With the majority of the fans at the game college rooters, the Students received enough moral support to have won over a team of iron men, but they failed. Led by their cheer leader the rooters certainly assisted the players when pressed and added vim at the times when they appeared to be going over. Bucking and plunging during the entire game with some sensational runs thrown in for good measure, Brit Brock dis-

played good rugby. Gee Ternan, Varsity's star, was checked too closely to do anything except to urge his team on.

#### Were Trained.

Low Thomas' "rep" squad that he has been training for weeks in anticipation of the game, proved the fact that he has been putting them through their paces, their playing being much superior to that displayed by them in former games. The acquisition of more Native Sons players on the "rep" team proved no setback and several of them were noticeable for their good work.

During the entire game the ball was kept down, most of the play being too tight for kicking. Long runs were not on tap, both teams cutting players down in a snappy fashion. The "rep" showed more aptitude at this than the Varsity, the Students showing up better in combination play.

#### McWhinney Not Fullback.

Zeke McWhinney, who was selected to play fullback, appeared out of position and plays better at three-quarter. He appeared to be slow at times, letting the Varsity crew get too close to the ball before he made sure of it. Jack Tyrwhitt, another Sons man proved an asset, plunging hard and gain many yards.

LeRoy, who plays a fast game and usually displays his wares in runs, was unable to get going. The whole three-quarter line never proved dangerous with such tight playing. Rex Cameron uncovered some good rugby, too.

Many players were injured and the erection of a small hospital would have been justified. The "rep" team got the raw end of the deal and this weakened their squad at times. Thom, who received a bad kick on the leg, played during the major part of the second period with a stiff limb, being unable to cover the ground, although he displayed game-ness throughout.

#### The Line-up

Vancouver — McWhinney, Native Sons; Tyrwhitt, Native Sons; Leroy, Rowing Club; Grimmer, Rowing Club; Urquhart, Rowing Club; Pete Marshall, Rowing Club; Rex Cameron, Rowing Club; A. Farmer, Rowing Club; Brown, Native Sons; Boyd, Native Sons; MacFarlane, Native

Sons; Donaldson, Rowing Club; D. Clarke, Rowing Club; Thom, Rowing Club.

Vancouver reserves: Barwis, Rowing Club, fullback; Urquhart, Native Sons, three-quarters; Bill Rolston, Native Sons, half; McDonald and Mathews, Native Sons, forwards.

Varsity—Domoney, Warren, Purdy, Buchanan, Palmer, Ternan, Underhill, McLane, Greggor, Ramsell, Jwyther, Price, Brock, Hislop, Carlisle.

### Vancouver 'Reps' Will Probably Get Another Chance

**A**LTHOUGH Varsity held them to a draw in yesterday's McKechnie Cup Rugby fixture, the Vancouver "Reps" have not yet given up hope of landing the coveted silverware. Strictly speaking, if a point is awarded each team for a draw, the Vancouver "Reps" would be a point behind. At the next meeting of the Rugby Union, however, it may be decided to replay the game to decide which of the two teams, admittedly evenly matched, is superior. A New Year's Day match may be arranged.

In any event, Varsity would have to meet and defeat the Victoria team before laying claim to the silverware. Should the Islanders slip a win over the Students, the Vancouver "Reps" would automatically come into the picture again. The rugby season was by no means concluded with Saturday's drawn fixture.

## REV. W. AGABOB DROWNS; BODY NOT RECOVERED

W. 26.12.23

All efforts of searching parties to locate the body of the late Rev. Walter J. Agabob, 1748 twenty-third Avenue East, pastor of Cedar Cottage Presbyterian church, who was drowned in the Capilano river, Monday afternoon, have so far proved unavailing. The search is being continued today.

Early this morning, Rev. J. Richmond Craig accompanied by Leonard Fox of Cedar Cottage who made an attempt to rescue the drowning clergyman, left for the scene of the fatality.

According to Mr. Fox, the only eye-witness of the tragedy, the late Rev. Agabob was attempting to wade toward the deeper waters of the river. He apparently felt himself being swept off his feet by the rushing waters and called to Leonard Fox who was directly opposite him on the farther bank. An instant later the late Mr. Agabob was carried into the swiftly running stream. Calling to his younger brother to take young Barnett Agabob, the nine-year-old son, to his home and to phone the police, Leonard Fox rushed down the bank and waded out into the river in an effort to effect a rescue, but the waters were too swift.

As searching parties under the direction of the North Vancouver district police have searched diligently the shore line of the river, it is thought that the body has been carried out to sea.

A special memorial service will be held in the First Presbyterian church, Gore Avenue, this afternoon at 2 o'clock.

The late Rev. W. J. Agabob was a graduate of the British Columbia University where he was keenly interested in the activities of the Men's Literary Society. Following his receiving his degree of B.D., he was appointed to the pastorate of South Hill Presbyterian Church and later accepted a call to Cedar Cottage.

The deceased was born near Bethlehem, and his early life was spent in the Near East.

A widow and five children are left to mourn his loss.

A young man named Thomas B. Chapman, clerk in a grocery store at Marpole, lost his life in the Capilano in May, 1922, while fishing near, but below the same spot. His body was recovered several days afterward in False Creek.

## Rev. W. Agabob's Body Is Found

The body of Rev. Walter J. Agabob, who was drowned in the Capilano Monday morning, was found this morning about 9:30 o'clock near the spot where the accident occurred. The fishing rod was still held firmly in his hand, and this prevented the body from floating down the river.

The discovery was made by a search party which included Rev. J. Richmond Craig and Leonard Fox.

The body was taken to Harron Bros. parlors, where an inquest will be held Thursday morning at 10:30 o'clock.

The police reported today on the gallantry of Mr. Fox, who twice dived in the water in an attempt to rescue Mr. Agabob. W. 26.12.23

## REV. W. J. AGABOB LAID TO REST

W. 29.12.23

In his address at the funeral of Rev. Walter J. Agabob this afternoon, Rev. E. D. McLaren stressed the poignant tragedy in the death of the late pastor of Cedar Cottage Presbyterian Church and drew attention to the fact that Mr. Agabob died at the very threshold of a career nobly begun and full of promise. Death had come in the midst of Christmas festivities, when the Christmas tree had been set up in the minister's own home, and had cast a cloud over his church, his neighborhood and the whole district.

The funeral was under the direction of the Westminister Presbytery with Rev. J. H. Cameron, moderator, presiding, and was largely attended. The following hymns were rendered by the congregation: "O God Our Help in Ages Past," "O Love That Will Not Let Me Go," "Low, What a Glorious Sight Appears."

The scripture reading was given by Rev. H. M. Rae of New Westminister, prayer by Rev. Dr. John Logan and the benediction by Rev. Dr. G. A. Wilson. The church was decorated with the symbols of mourning.

The pallbearers were members of the late minister's class at Westminister Hall: A. M. O'Donnell, H. M. Rae, D. A. Smith, Gordon McPherson, John Mark, David Allan, J. Richmond Craig and John Goodfellow. At Mountain View the committal service was led by Rev. J. Richmond Craig, prayer by Rev. Dr. W. H. Smith and the benediction by Rev. J. H. Cameron.

## Leads Varsity

ALTHOUGH only a recent acquisition to the Varsity pigskin team, W. J. Phillips (below), who displays his wares at centre half and who is the leader of the Students' eleven has proved an untiring worker, and he is very reliable. Supported on both wings by snappy players Phillips and his men can be depended upon to break up with regularity any combination that the opposition may use in an attempt to win.

## Varsity in Draw With Nanaino

W 2.1.24

Minus Services of Three of  
Their Stars, Students Put  
Up a Great Battle

NANAIMO, Jan. 2. — Although three of their strongest players, Ternan, Lundie and Huestis, were unable to make the trip, Varsity played in great form against Nanaimo yesterday and secured a 1-all draw in one of the fastest games of the season.

Both goals were scored in the second half in rapid succession. Knight put Nanaimo in the lead when he made a fine individual effort on a corner from Husband. Shortly afterwards Tommy Wilkinson drove the sphere into the net from a cross from the left wing. A big crowd turned out to watch the holiday fixture.

## Breadmen Eliminated By Varsity

Huestis Scores Winning Goal  
For Students in Great  
Game—Score 1 to 0

VARSETY had more than their share of the breaks at Athletic Park on Saturday in a Mainland cup fixture, in which they defeated Shellys by a lone tally. The Breadmen had a decided edge on the play, and were entitled to a draw at least. The Students' victory was not all due to luck, however. It was the result largely of stellar net-minding on the part of Mosher and the good work of Baker and Phillips of their defence.

Huestis scored the winning counter about fifteen minutes from time, after Lundie, Wilkinson and Bryndolson had all taken a crack at it, and the Four X goalie was forced out of his goal.

In the first period the play was largely confined to mid-field and only on one or two occasions did the sharpshooters of either team look dangerous. Once Buster Lang of the Loafers, sent in a hot shot from close in which would have beat the average net minder, but Mosher was on the job and made a wonderful save. On another occasion Jock Lundie broke through Shelly's defence and missed the upright by inches. There was no score at the interval.

After the oranges both elevens put more pep into their work and end-to-end play was the result and both goalies were in danger, particularly Mosher, but the tall custodian cleared with ease and seemed perfectly cool.

### Huestis Turns Trick.

Varsity's new right winger, played a nice game and sent in several stinging shots that gave McGillvray considerable anxiety. One shot in particular nearly knocked him off his feet but he just managed to clear. Tommy Wilkinson played a whale of a game at centre and the only goal of the game came as a direct result of his work. Wilkinson worked the ball from centre to within the penalty area and then let drive with a hard shot that drew the Four X net minder out of his area and his clearance was not good.

Bryndolson tore in from the left and sent in a shot which bounced off the upright, Jock Lundie got the ball on the rebound and passed to Huestis who banged the pigskin into the rigging for the winning counter.

This reverse seemed to put new life into the Shelly's vanguard. They pressed from then on, and Forrest, Finlayson and Lang in particular rained in shots on the Students' goal area and only good defence tactics on the part of the winners, and a little luck, kept them out.

Forrest starred on the right wing and sent in numerous crosses that threw a scare into the Varsity supporters, but the rah rah boys seemed to get out of trouble on every occasion.

### Awarded Many Corners.

The Shellys were awarded numerous corners, but Mosher cleared them handily. In the last five minutes the Shellys were awarded a foul about a yard outside the penalty area, and Jerry Dean, left back of the Breadmen, took the resulting kick. It was here that Mosher made one of his most notable saves. Dean drove the ball with terrific speed for the middle of the goal. Jock Lundie tried to head the ball but it was coming too fast and glanced off his head and travelled for the upright corner of the goal, hence destroying Mosher's aim. Yet he saved. The resulting corner went wide, and the whistle went for time, with Shellys pressing hard. Referee Allan handled the whistle.

This result makes it necessary for Varsity and I. L. A's, last year's Mainland Cup finalists, to meet again. This game should prove to be a big drawing card on January 19.

## Varsity Fails To Get Better Than Even Break

Varsity's intermediate puck-chasing squad last night failed to trim the University of Washington's hockey team and had to be satisfied with a draw with the team from across the line. The final score stood at 2 goals apiece.

The local students, although they play in the intermediate league while the Washington team is of the senior material nearly won out, and with just a little bit of luck the score would have stood in their favor. Twice in the last period the puck rebounded off Washington's net bar, and although the students tried hard to get the winning goal they failed.

Quinliva opened the scoring for the Americans when he went up the ice by himself in the first few minutes of the game and planted the puck in Varsity's net. McCutchenson, after a neat piece of play, allowed Selman to get through and score for the Varsity, but before Selman's goal McCutchenson had planted the puck in Washington's net so the students were one up.

In the second period McCannel evened up the scoring when he easily pierced the Varsity's defence and scored as a result of a piece of individual work.

The game, although not really spectacular, showed the fact that teams across the line use the body more than the local boys.

Varsity will travel to Seattle in the near future to meet Washington at their home grounds. The total goals deciding the championship.

### The Line-ups.

U. B. C.—Stoodley, Lipsey, Colton, McPherson, Demidoff, McCutcheon, Selman, Moreau, Newmarch.

Washington — Goff, McKenzie, Ramsay, Quinlivan, McCannel, McLeod, Wong, Lindsay, Allen.

## Islanders Clean Up Students

Victoria Athletes Carry Off  
Practically All Events on  
Saturday's Programme

AFTER getting away to a fairly good start in Friday's encounters on the Island, Varsity athletes met with disaster on Saturday and suffered from some severe reverses at the hands of the Victoria teams. This was particularly the case in hockey and swimming, the local students did not have their full teams in action and the substituting of spares and novices did not help their chance any.

On Saturday morning the Victoria College ladies defeated U. B. C. senior B team 20-4, and after a hard fought game the V. H. S. intermediate boys emerged on the long end of a 20-18 count. The Varsity senior B team upheld the reputation of the U. B. C. by beating the Victoria College men 33-24.

In the ice hockey game played at the arena the Sons of Canada fielded a strong all-star aggregation and blanked the local puckchasers 4-0. Hughie Russell, Varsity's star high jumper, substituted in goal for the Collegians and turned in a stellar performance. In fact it was due almost entirely to his efforts that the score was not greater.

In the ladies' grass hockey game the Victoria damsels put it all over the U. B. C. squad, winning 5-0. The Varsity had only six of their regular team on deck. The Victoria men's grass hockey eleven proved themselves to be too strong for the Students and won 8-0, although the game was not so one-sided as the score indicates. Brick McLeod played a whale of a game in goal for the locals. Brick, who is the U. B. C. marshal, lost a leg in the war, which makes his performance all the more remarkable.

The swimming gala wound up the proceedings and the members of the Capital City scored 89 points to the U. B. C.'s 59.

In the ladies' events Miss Mary Chapman and Miss Sylvania Thrupp starred for Varsity, while Cyril Jones, McKechnie and E. Chapman did good work in the men's events.

## FEW FAILURES AT UNIVERSITY

No result of the Christmas examinations at the University of B.C. will be published this year following the decision of the Senate to publish only the final results in the spring. It is the practise of the University to ask students who fail in the Christmas examinations to withdraw as in most cases it would be hopeless for these students to continue with the second term work. This year the work of the student body has been very satisfactory, according to the Registrar, Mr. S. W. Mathews, and fewer have received their "Christmas graduation" notices this year than for several years past.

### Debate Dates Are Announced

The debates committee of the University of B. C. have concluded arrangements for this year's programme of international debates. The first will be the triangular one between the universities of Idaho, Oregon and British Columbia on Jan. 18, on, "Resolved that the United States should recognize the present Soviet government of Russia." U. B. C. will be represented by A. E. Grauer and H. Yonemura, at home, and by Percy Barr and Alex. Zoond at Eugene, Ore.

B. C. will meet the University of California in a dual debate on Feb. 19, when the local college will uphold the affirmative of, "Resolved that this meeting go on record as being in favor of the Bok peace plan." Lorne Morgan and S. Murphy will meet California at home and H. Goodwin and G. Brunn will make the trip to Berkeley, Cal.

Early in March, B. C., represented by J. Burton and S. Kobe, will meet the University of Wyoming at home on the question, "Resolved that the United States should enter the world court."

## McKechnie Cup Won By Varsity

**VICTORIA, B. C., Jan. 14.**—(Special to The World)—Sterling work on the part of Varsity's three-quarters brought the champions safely through their encounter here on Saturday afternoon with the Victoria representative fifteen. In the scrum the two sides were about even, in the loose Victoria held a slight edge, but when it came down to the three-quarters the Collegians were aces better. The Capitals were forced to yield yards of ground through their inability to get home their tackles on the Varsity backs, and when the final whistle tooted the Collegians were out in front by 8-0.

Saturday's game not only meant victory for Varsity, but it assured them of another year's possession of the McKechnie Cup, which for the past three years they have had exhibited in their trophy cabinet.

In the first half the play was very even, with Victoria resorting to "feet," while the Collegians preferred the passing game. There was no score until near the close of the half, when Varsity staged one of their dashing rushes. Victoria had plugged hard and carried the play inside the Collegians' 25-year line, when Buchanan started a play that relieved the pressure, sending the three-quarters away, with Palmer being forced into touch just past the centre line.

From the line out the Varsity forwards got the ball at their feet and swung the play across the field when a punt by Price fell into touch five yards from the flag. Victoria fought desperately to save a tally, but Brock made a high pass to Hyslop, who gained a few yards, then lofted the ball to Price, who leaped across the line.

Gwyther failed by inches to convert, a puff of wind carrying the ball outside the posts, as it seemed destined to sail between.

With the slope in their favor in the second half, Victoria exerted a lot of pressure, but Dominey was kicking accurately and relieved several times.

With the time coming rapidly to a close the Varsity three-quarters treated the big crowd of spectators to another thrilling run which resulted in the last score. Blocked on the right when Palmer was forced into touch after making a run of 25 yards, the Collegians flew across the field before the Capitals could cover themselves and Warren had a clear field ahead of him. He had time to romp around behind the posts, where he laid the ball to rest. There was no mistake about Gwyther's kick this time and he added the extra points.

## Looks Like A Clean Up For U. B. C.

**W**ITH their entries filed with the Vancouver Rugby Union for play in the Rounsefell and Tisdall cup games, it appears as if the Varsity will take possession of all the silverware at stake in local rugby circles this season. Only the Varsity, Rowing Club and the Native Sons have entered for the Tisdall cup, while the Students are tagged to win over the James Bay A. A. at Victoria on Jan. 26 for the Rounsefell cup.

On Saturday the Victoria "Rep" team will face the local "Rep" squad in a McKechnie cup fixture, with "Buck" Yeo as referee. In the first Tisdall cup game the Sons and the Rowing Club will meet on Jan. 26 for the right to meet Varsity on Feb. 9 in the final game.

On Feb. 2 the local "Rep" team will travel to Victoria, while on the same date the ex-King George will take on Nanaimo at Brockton Point. The Sons have expressed a desire to meet Varsity in an unplayed Miller Cup game and they may do, Feb. 16.

The following players are requested to turn out tonight at the Horse Show Building for a practice at 5:30: Barwis, McWhinney, Tyrwhitt, Grimmett, Marshall, Urrquhart, LeRoy, Farmer, Cameron, Pinkham, Casey Clarke, Brown, Boyd, Donaldson, Don Clarke, W. Rolston, McDonald, Macfarlane, Mathews, M. Rolston, Choate.

## University Debates Staged This Week

Percy Barr and A. Zoond, debaters of the University of B. C., will leave tonight for the University of Oregon, Eugene, Ore., where they will take part in the international debate on Friday evening. A. E. Grauer and H. Yonemura are scheduled to meet representatives of Idaho University in Vancouver on Friday night in the King Edward High School.

Local students won all the debates last year and are hoping to again carry off the honors, according to J. Burton, debates manager.

The question of recognizing the present Soviet government of Russia will be the subject of debate here, and following the decision of the judges the public will be requested to hand in ballots with personal opinions on the subject.

Mr. Burton will accompany Howard Goodwin of the university to Berkeley, Cal., owing to the decision of A. G. Brunn to withdraw from the debates. James Craig will fill the vacancy thus caused on the Wyoming debate team since Mr. Burton cannot participate in both.

# Mosher in Marvellous Exhibition

Varsity Goalie Holds Elk Sharpshooters, and U.B.C. Gets Draw With N. V.

SEVERAL hundred soccer fans witnessed one of the greatest exhibitions of defensive soccer ever seen on local fields, when the North Shore Elks and Varsity battled to a scoreless draw in Saturday's feature encounter at Athletic Park. The Brother Bills had all the play, but their sharpshooters could not break through the Students' stonewall defence. Mosher made saves that brought the grandstand to their feet. High ones and low ones were all the same to him, and in the last ten minutes he saved a penalty shot the average net minder would have never seen.

The Collegians had four of their regular forwards off and filled in with three spares, leaving only four men on the forward line. The Students could not play an eleventh man, as they had no more players signed. Bobby Jackson, who has been laid up with a bad leg all year, turned out, but was forced to retire in the middle of the last half.

Hence for a part of the game Varsity only had three forwards, all of whom worked like Trojans, but could accomplish little. Jack Lundie played a hard game in the centre position, and Deans, who had a whole wing to himself, worked like a fiend. But to Baker Phillips, Crute and Mosher go the credit for the draw. Their clearances were marvellous.

### Elks Force Play

In the first period the Elks forwards worked the ball up into enemy territory and made things hot for Mosher, but could not break through Sweetman, the new North Shore centre, formerly of I.L.A., in particular rained in some nice shots that kept the Varsity net minder on his toes, but the forwards of the antlered herd rather fell down on their shooting in this behalf.

The second half was a repetition of the first, only that the Elks forwards became more dangerous, but even then they did not make the most of their opportunities. Baker and Crute kicked with remarkable accuracy, and Phillips, the Varsity centre half, worked hard breaking up attack after attack of the North Shore inside men.

Russell at centre had played a whale of a game for the Elks, and Jim Wilson, at right half, showed some of his old time form. Smith, the Elk inside left, broke through on one occasion and sent in a shot that had Mosher beaten all the way, but it hit the upright and Mosher picked it up on the rebound. This was the only really lucky save that Mosher made during the entire fracas. Pow took several corners for the Elks that looked dangerous, but Mosher cleared on every occasion with ease.

In the last ten minutes the ball hit Crute on the hand and the referee awarded a penalty to the Brother Bills. This decision was not popular with the fans as it was an accidental foul and a continual booing was kept up while Russell took the kick. Russell drove the ball hard and straight at Mosher, who stopped it, although the ball nearly knocked him off his feet he managed to pick it up from the feet of the oncoming forwards and threw it to touch. Mosher was given a tremendous ovation for this display.

The whistle went for time with the Elks' forwards still pressing and Mosher still fistting them out. The Varsity forwards only broke through for occasional rush, and the Elks' goalie only handled the ball on three occasions during the game.

# Varsity Ruggers Not Going To Coal City

In a letter to R. P. Woodward, president of the British Columbia rugby union, the Varsity senior team have expressed themselves as desirous of having their fixture with the Nanaimo Hornets cancelled. The game is listed to be played on Feb. 2. The Varsity state that it is of the opinion that no real opposition will be offered by them to the senior team by the Coalmen, and they suggest that they might be able to send a Freshmen team combined with a few of the senior players to strengthen it up. The cost of the trip, suggest the Varsity, will be another heavy expenditure out of Union's small resources.

# Students Will Field New Player

Young Butler Will Perform With Varsity in Saturdays Big Cup Tilt

IF the weather man permits the fans will get plenty of thrills when last year's cup winners will meet the I.L.A. in the third round of the Mainland cup at Con Jones' Park Saturday. These two teams were finalists in the cup last year and are old rivals.

Although Varsity is not quite at full strength the Students are fielding a much stronger team this week than last, and may be counted upon to put up a pretty stiff argument and may surprise the Dockers. The Students are noted for their ability as a cup team and the league standing is no criterion as to their real merit. The Students have been training hard for the event and they will be well supported by a big aggregation of rooters.

Ternan, Emery and Jackson will be missing from the lineup, but Wilkinson and Huestis, who were laid up with injuries, will be on deck. The Students have signed up a new inside man named Tanny Butler, who will make his debut in first division on Saturday.

Butler has been playing with the second Varsity team up to this time and, although it is a big jump from third to first division, young Butler looks as if he has the goods and will replace Jackson or Ternan on the forward line, who are both out for the rest of the season.

Mosher is right at the top of his form and Bob Forgie's outfit will have to get in close to the Varsity custodian if they want to bulge the net. The rest of the Varsity defence is also intact and should keep the I.L.A. sharpshooters guessing.

### To Lecture on Russia

A subject of particular interest at this time, "Recognition of Soviet Russia," has been selected for the first lecture in the University of British Columbia's extension course to be given in the Central City Mission on Saturday evening. H. Yone-mura, of the university, will be the lecturer, while William Dunn will occupy the chair.

# Students Meet I.L.A. Saturday

Mainland Cup Fixture Creating Widespread Interest—Other Fixtures

WHEN the I. L. A. and the Varsity meet on Saturday afternoon at Jones Park in a Mainland Cup fixture, both last year's champions and runners up will clash. The Students captured the cup in 1923 by defeating the Longshoremen, who won the league championship. Even with several other good Mainland Cup games listed the clash at Jones Park is expected to be the big event of the day, if not of the season.

The Students, although not as strong as last year, have a formidable team and the outlook for the Dockers is that they are in for a tough game. The Longshoremen, who have won seven out of their eight league starts, are out to win, and Bob Forgie's eleven will step on the field with the intention of securing a firmer hold on the silverware.

The local Elks, who appear to have hit the toboggan, will attempt a come-back on Saturday when they clash with the Nationals from across Kingsway. Delaney will not be with them as he has transferred to the Hotel Vancouver of the third division. The Antlered Herd were beaten last Saturday by the Westminster United, who so far had won only two out of eight starts. The game will be played at the Athletic Park.

### Hotelmen Meet Sappers.

Another good game is looked for when the Hotel Vancouver, who are at the top of the third division, meet the Sapperton eleven, who are stepping along in the second division, and who looked as if they will make the first division next year. The second division squad is expected to be up against a hard game, as the Hotelmen are known to play good soccer.

In the Varsity I. L. A. event the Dockers, acknowledged as the best soccer team for combination play, will have to show some real class to overcome the Varsity's defence of Baker and Crute in the rear line and Phillips at centre half, while Mosher will be in goal.

The following is the schedule for Saturday:

### Mainland Cup Games.

- I. L. A. vs. Varsity, Jones Park; Allan.
- Sapperton vs. Hotel Vancouver, Sapperton; Webster.
- Collingwood vs. Saint Andrews, Carleton school; Anderson.
- North Vancouver Elks vs. Kitsilano, Mahon Park, McQuaig.
- Elks vs. Nationals, Athletic Park; McDonald.

### Second Division.

- Cedar Cottage vs. Mt. Pleasant, Powell Street; Armstrong.
- Postals vs. Kerrisdale, Heather Park; Collin.

### Third Division.

- Replay of Brunswick Cup tie—Central Park vs. B. C. E. R., Central Park; Murphy.

### League Games.

- Shamrocks vs. B. C. Telephone, McBride Park; Clifton.
- U. B. C. vs. Mac & Mac, Cambie Street; Barnum.

W-19-1-24  
**Girl Graduates Are  
 Guests At Tea Hour**

The first social hint that graduation is drawing near was furnished on Friday afternoon when the women members of the graduating class were guests of honor at a tea given by members of the Women's Faculty Club. The occasion was a delightful one. Mrs. L. S. Klinck, Mrs. H. T. J. Coleman, Mrs. F. M. Clement and Mrs. R. W. Brock received the guests. Mrs. Wood, Miss M. L. Bollert, M.A., Mrs. F. C. Walker and Mrs. G. Robinson presided over the tea table, which was effectively centred with daffodils and ferns. Assisting were Mrs. A. F. B. Clark, Mrs. Williams, Mrs. S. W. Mathews, Mrs. A. H. Hutchinson, Mrs. W. Sadler, Mrs. McLean Fraser, Mrs. D. Buchanan and Mrs. J. Henderson. A delightful programme was given during the afternoon by the women of Arts '24.

**U. B. C. LOSES  
 TO IDAHO IN  
 FIRST DEBATE**

W 19-1-24  
 The University of British Columbia was defeated in the first of this year's series of international debates by the University of Idaho in a closely contested debate on "Resolved that the United States should immediately recognize the Soviet government of Russia." U.B.C., represented by A. E. Grauer and H. Yonemura, upheld the affirmative and the negative was sustained by Chas. A. Chandler and H. F. McKie of Idaho. The judges were Justice D. A. McDonald, Leon J. Ladner and Dr. C. S. McKie.

A vote taken by the audience on "Should the United States recognize the Soviet government of Russia" showed that 421 were in favor of recognition and 151 were against.

EUGENE, Ore., Jan. 19.—The University of Oregon affirmative debate team, composed of Ralph Bailey of Salem, and Joe Frazer of Portland, won a two-to-one decision from the University of British Columbia last night. Alexander Zoond and Percy M. Barr represented the Canadian University. The question discussed was: "Resolved that the United States should immediately recognize the Soviet government of Russia."

MOSCOW, Idaho, Jan. 19.—University of Idaho debaters, upholding the affirmative of the question advocating recognition of the Soviet government of Russia by the United States, last night won a 2 to 1 decision over the University of Oregon negative team.

**Ex-Students and  
 U. Cubs Winners at  
 Canadian Rugby**

W. 21-1-24  
**Three Teams Are Now Tied in Series for World  
 Trophy—"Y" Eleven Puts Up Hard Fight;  
 St. Marks Boys Snowed Under.**

THE Ex-King George and the U. Cubs Canadian rugby teams won their league fixtures on Saturday afternoon over the Y.M.C.A. and the St. Marks squad at Athletic Park. Both games were evenly contested and some brilliant plays were staged. In the first game of the double-header the Varsity's team won over the Y.M.C.A. by a score of 20 to 11. In the other fixture the Ex-King George team scored 18 points over the Saints who were unable to register. The Saints, Ex-King George and the U. Cubs have now a win each, while the "Y" has suffered two reverses.

In the initial game the Varsity's team proved too heavy for the Y. M. C. A., their weight winning them the game. The "triangular" team was very light, and although they displayed good ability with their figures they were unable to push the U. Cubs back. Jack McKay played quarter-back for the "Y." team and gave them a great hand.

McKay started the "Y." on their count when he kicked to the dead line. Reycraft garnered in another five points for the "Y." when he went over the line after taking a pass from McKay, who fed his team well. Taking the kick-off Varsity started out to even up and Tupper got across the line before he was cut down.

Gustafson evened up the score for the Students when he sent the ball over the bar on the try. Hyslop and Casselman boosted the Varsity's score by kicking the ball to dead line. The Students continued playing aggressively, making full use of their weight, which offset any speed the "Y." players possessed. Tupper started the scoring again in the second half when he went over with the ball after eluding several plungers. The try was not successful.

**Students Swell Score.**

The "Y." team tried a come-back and Reycraft passed over the line after a hard run, and made the score 11 points for the "Y." the attempt to convert failing. The Students started scoring again when Hyslop plunged over the line and their total of 20 points were tabulated when two more kicks to dead line were made.

The Varsity team put up a neat exhibition, and with their weight they should certainly dispute the

supremacy with the Ex-King George team, who also carry quite a bit of avoirdupois.

**Saints Licked.**

In the second clash the Ex-King George team trimmed the St. Marks 18 to 0. The Saints team could not hold the former Students, while they did not possess enough speed to get the runners.

Opening the game fast, Hec McLean got a nice pass some yards out from the Saints' line and all but got there when he was hauled down. Play went back into centre, where he again got hold of the ball and got across the line before three of the Saints men tackled him. The attempt to convert failed.

Play during the remainder of the half was fairly even, the Saints fighting hard when pressed. Calvert played a hard game for the Saints, his attempts to plunge through the Ex-King George team being noticeable, although he seldom got very far before being cut down.

**Barclay Scores.**

In the second half McLean started the game towards the Saints' line when he grabbed the ball and was nearly across the line before he went under. Barclay carried the ball

across for another five points, when he was wedged in and assisted over with weight.

Danaher scored also by crossing the line just before the end of the game after a heady piece of work. Kicks to the dead line garnered in the remaining points needed by the Ex. K. G. team to make the score 18 to 0.

Gyles proved a big asset to the former Students' team, his speed making yards at crucial times.

**Student Movement  
 Conference In Course**

The first session of the student Christian Movement of the U. B. C. was held Friday night. The subject for discussion was, "The Immigration Policy of Canada and the Treatment of Immigrants While Here." The speakers were Rev. S. S. Osterhout, Oriental superintendent, and Miss Mary Coleman. The second session was held Saturday afternoon with the subject, "Christianity and Higher Education," and the speakers were Dean H. T. J. Coleman, Dr. G. G. Sedgewick, Miss M. L. Bollert and Dr. W. H. Smith.

The third session will be held tonight at 8 o'clock. The subject will be, "Christianity and Social Order," and the speakers Rev. N. Harkness, Mr. Priestman and Mr. Tom Richardson. W-26-1-24

**"Rep" Ruggers Play  
 At Victoria Saturday**

Vancouver's "rep" rugby team will travel to Victoria on Saturday to meet the representative team of that city in a McKechnie cup fixture. Although the Varsity have cinched the trophy, the local team and the Islanders are both striving to finish up in second place.

It is quite possible that a Varsity inter-class rugby game will be staged at Brockton Point on Saturday.

All players of both the Native Sons and the Rowing Club rugby teams are asked to show up at the Horse Show building tonight and on Thursday night for practice.

## CONFERENCE TO BE HELD AT "U"

W. 22-1-24

The first conference of the Student Christian Movement of the University of B. C. will be held in the University auditorium, Friday and Saturday. Delegates from the University of Alberta will be present, and the students have invited the public to be present at the conference which has been divided into three sessions to take place Friday evening, Saturday afternoon and Saturday evening.

Subjects to be discussed will be: "The Immigration Policy of Canada and Treatment of Immigrants," "Orientals," and "Southern Europe." Christianity and the higher education will also be discussed.

Dean H. T. J. Coleman will speak on Saturday upon "Psychology and Christianity," Dr. G. G. Sedgewick upon "The Reaction to Christianity" and Miss M. L. Bollert upon "Religious Education in the Schools."

Dr. O. S. Osterhout, Miss M. E. Coleman, Mr. Priestman, Nelson Harkness and Tom Richardson, ex-M.P., will be other speakers at the sessions.

## Varsity Ruggers Defeat Victoria Eight To Three

VICTORIA, B. C., Jan. 28. — The University of British Columbia's rugby fifteen added to its laurels at the Willows Saturday by winning the Rounsefell cup, with which goes the club championship of the province, from the K. B. A. A., by eight points (a goal and a try) to three. No doubt the better team won, but the Bays proved conclusively that they are well worthy of the championship of the island, as they put up as good a game against the 'Varsity as did the "rep" team and were defeated by a smaller margin.

True Varsity was a man short during all but ten minutes of the second half, Price having been sent off the field by Referee Ellis after having been twice warned for rough play. The balance of strength was very even between the two teams, the Varsity having something to spare in the first half, in which they did all their scoring, but the loss of the man seemed to send the scale down on the other side and in the second half the Bays had the edge, although not able to score until quite near the end.

The line-up: K. B. A. A.—Johnson, Benrodt, McInnes, Tetty and Munsey; Brynjolfson; McMillan and McLean; Crump, Money, Travis, McRae, Johnson, Smith and Hay.

University of B. C.—Dominey; Warren, Purdy, Palmer and McLean; Buchanan; Underhill and Morrgan; Hyslop, Greggor, Ramsell, Brock, Price Gwyther and Sparks.

## "Aggie" Dance Is One Of Most Popular Of University Year

W. 24, 1, 24

The colors of the U. B. C. were used in a maze of blue and gold on Wednesday evening in Lester Court for the annual dance of the students of the agricultural faculty.

Of the several large formal dances given yearly by various faculties of the local university, none has ever proved more popular than that arranged by the university men and women who plan to spend their future years looking after Canada's most important industry, the soil and its attendant products.

The committee in charge of last night's affair were: Mr. Hugh Russell, Mr. Ernest Hope and Mr. Chas. Barton. Wives of some of the faculty staff were patronesses. They were: Mrs. L. S. Klinck, Mrs. F. M. Clement, Mrs. H. M. King, Mrs. P. A. Boving, Mrs. W. Sadler, Mrs. E. A. Lloyd, Mrs. A. F. Barsa, Mrs. R. P. McLennan and Miss Mary E. Bollert, M.A.

Among the dancers were noticed: Miss Betty Somerset, Miss Polly Faulkner, Miss Theresa Foran, Miss Ruth Fraser, Miss Hilda Bain, Mr. Clare Domony, Mr. E. Charlton, Miss Ivadel Hyland, Mr. Hilton Moore, Mr. V. J. Eby, Miss Isabel Gartshore, Miss Edith Lockhart, Miss Helen Turpin, Miss Frances Cowan, Mr. Tommy Taylor, Miss Freda Gauthier, Mr. Kenneth Caple, Mr. Cairus Gauthier, Miss Izelle Aconley, Miss Mollie Jackson, Mr. Jack Harkness, Miss McCrae, Mr. Jack Arkley, Mr. Auden, Miss Dorothy Bairns, Mr. Bill Ingledew, Miss Evelyn Craigh, Mr. C. ## Varsity Will Meet Breadmen

W. 27, 12, 23

### Strong Wednesday League Eleven Will Get Big Test on Saturday

WITH the majority of the leading soccer teams on the lower mainland listed for action on Saturday against much weaker squads, except for the Varsity vs. Shelly game, which is a replay of the drawn Mainland cup game, little spectacular football is looked for. Twelve league games are listed, with one cup game.

In the renewed contest between the Breadmen and the Students the Varsity team will in all probability be assisted by several of their players who were out of the game on Saturday. With this added strength they are expected to have the edge, although the Shelly squad will allow them no walkaway. St. Andrews soccer team, which has been maintaining a fairly good record near the top of the first division, will not be engaged this week, while the I. L. A., Elks and N. V. Elks are all scheduled to clash in league games.

The local Elks will travel across Kingsway to clash with Westminster United, and they are expected to come home with a win, although they have not been going so good of late, suffering a number of defeats. They have also lost a few players which will weaken their forward and half back lines.

### Hillmen Play Kitsies.

South Hill will undertake to trim Kitsilanos, who have been at the bottom of the first division for some time. Whether the Hillers will succeed in their attempt will be seen at Wilson park on Saturday. The Longshoremen will match their strength against the Elks from across the inlet at Jones park, and with their formidable record of late they are the favorites.

In the second division a number of teams will have several new players out, as the former members of the disbanded Riverview club have signed up with various squads. A number of good men were developed by the club, and they are expected to assist some of the weaker organizations in moving up the league ladder. Mount Pleasant, who are leading in the second division, clash with the S.S. Canora in the feature game of that league.

The Hotel Vancouver, third division team, which has been walking over all of the other teams in that division, will meet the Mac and Mac aggregation, who have suffered a number of setbacks.

The following is the schedule for Saturday:

#### First Division

I. L. A. vs. North Vancouver Elks, Jones park; Anderson.

South Hill vs. Kitsilano, Wilson park; Cowan.

Westminster United vs. Vancouver Elks, Moody square; Bowler.

#### Second Division

Chinese Students' vs. Sapperton, Braemar park; Murphy.

St. Saviour's vs. Kerrisdale, McBride park; Clifton.

Mount Pleasant vs. S.S. Canora, Robson park; Baron.

Collingwood vs. Cedar Cottage, Carleton school; Allan.

#### Third Division

Hotel Vancouver vs. Mac and Mac, Recreation park; Webster.

Point Grey Athletic vs. Central Park, Kerrisdale; McDonald.

B. C. Telephone vs. South Vancouver G. W. V. A., Powell street; R. W. Armstrong.

U. B. C. vs. Shamrocks, Cambie street; Marshall.

B. C. Electric vs. West Vancouver, Heather Park; Cunningham.

All games at 2:30 o'clock.

#### New Year's Day

Iroquois cup, semi-finals; St. Saviour's vs. Mount Pleasant, Athletic park; Murphy; 1 o'clock.

Imperial cup, semi-final; I. L. A. vs. Vancouver Elks, Athletic park. Webster, referee; McDonald and Bowler, linesmen; 2:40 o'clock.

## Varsity Will Cross Inlet

**NORTH VANCOUVER, Jan. 30.**—All roads will lead to Mahon Park, Saturday afternoon next, when North Vancouver Elks and Varsity will meet in a scheduled first division league soccer fixture. Saturday will mark the first appearance of the Varsity eleven on this side of the inlet and a record crowd promises to be on hand when Referee Barron starts the teams on their way at 2:30 o'clock.

In view of their win last Saturday over the league leading I. L. A. aggregation, the appearance of Varsity here this week is attracting more than ordinary interest. This game will give local followers of the pastime an opportunity to judge the relative strength of the teams and this information stands to come in handy in the course of the next few weeks for there is every possibility that Varsity and North Vancouver Elks will furnish one of the performances in the finals for the Mainland cup.

Further interest is attached to the appearance of Varsity here in view of the fact that "Heggie" Mosher, their goalie of high repute, has been a resident of long standing on the North Shore. While North Shore fans will want to see the Elks annex the win, they will nevertheless watch with interest the display of "Heggie" who has a reputation of being one of the best all-round goalies in senior soccer in the Dominion.

The students have not overlooked anything in their quest to a win Saturday. The Varsity jazz band will accompany the team to the North Shore this week-end and will parade the streets to let the citizens of this fair city know that they are present.

At Boulevard Park, Excelsiors and St. John's, leaders and runners-up respectively in the North Shore Junior Soccer League, will meet again in the second round for the O. B. Allan cup, emblematic of the junior soccer championship of the province. Last Saturday these teams played team managed to register a score and a big crowd of fans will witness Saturday's argument.

## So, Now We Know Why This Varsity Eleven's So Good

**W-30.1.24**  
THE work of the selection committee of the Varsity first soccer team is becoming greatly simplified. The question is put to the prospective player, "Are you a minister or a minister's son?" If he says "yes" he is signed immediately; if "no" his chances are not so good, because the students' eleven are a holy outfit.

Not satisfied with having three full-fledged ministers on the line-up, namely, Ed. Crute, Scotty Deans and Lorrimer Baker, the Collegians also have four ministers' sons, Tommy Wilkinson, Huestis, Ledingham and Les Buckley.

So that his son Jock might not be too much at a disadvantage, "Pa" Lundie has agreed to officiate as a Sunday school teacher. Although as far as is known, Trainer Sparks is neither a minister nor the son of one, his name implies that he is pretty hot stuff. It is not known how often other members of the team—Emery, Butler, Phillips and Mosher—attend church, nevertheless it is a safe bet that the students should not be in need of any divine assistance.

Last year Johnny McLeod and Rex Cameron, also two sons of ministers, made up the Varsity right wing, but the piety of the team has been kept up by this year's additions of Ledingham, Wilkinson and Huestis. All the students need now is a "canon" or two on the forward line to show them how to shoot.

## Students Eager To Make Start On College Campus

**W-30.1.24**  
A "pep" meeting was called at the university yesterday to outline plans for the forthcoming athletic accommodation at Point Grey, when the university moves out. Judging by the amount of enthusiasm shown by the students, almost all are willing to dig in and do their share toward making a suitable campus.

President Jack Grant addressed the meeting and urged the necessity of co-operation among the students in working on the project. It is not yet known whether funds will be forthcoming from the government to build and equip a gymnasium out there, but the students intend to get a place ready for an open air campus at any rate.

Committees are to be formed and work will start right away in picking a site and leveling off the ground so that all will be in readiness when the Collegians move out. There is lots of room out at the Point and it should be possible to make an excellent campus on the university site.

## Ladies Of Arts '27 Show Way At Swimming Gala

**W-30.1.24**  
THE Varsity ladies staged a most successful swimming gala at Chalmers' gym. last night and there was keen competition in a great variety of events. Arts '27 showed the way to their senior years by winning the aggregate with a total of 36 points, with Arts '25 coming a close second with 28 points. Arts '24 was an easy third. The freshettes now have a fine chance of winning the Spencer Cup for women's inter-class events.

The best individual performance was by Miss Sylvia Thrupp, Arts '25, who won three events. Lilloet Greene of '27 also turned in a stellar performance for the winners, and K. Gillies of the same year won the plunge in fine style. Eloise Angell was another star of the meet.

By far the most exciting event of the evening was the neck-and-neck finish that occurred in the relay. The Freshettes just nosed out the Arts '25 squad by a couple of feet.

There was quite a large attendance at the gala, which is the most successful one that the University women have ever held. A good deal of the credit for the excellent showing made by the swimmers goes to their coach, Bob McKechnie of Arts '27, who has spent a great deal of time preparing them for the meet.

The list of winners of the various events are as follows:—

Plunge for distance — Kathleen Gillies, Arts '27, 47 ft.; Fern James, Arts '24; Ruth Fraser, Arts '26.

50 yards free style — L. Greene, Arts '27, 43 secs.; P. Edgell, Arts '24; L. Mowatt, Arts '26.

50 yards breast stroke — Sylvia Thrupp, Arts '25, 44 secs.; P. Fewster, Arts '27; Fern James, Arts '24.

50 yards back stroke—E. Angell, Arts '25, 54 secs.; Mary Robertson, Arts '27; Fern James, Arts '24.

Diving—L. Greene, Arts '27; P. Edgell, Arts '24; F. Gignac, Arts '25.

100 yards free style — S. Thrupp, Arts '25; Mary Robertson, Arts '27.

220 yards free style — Sylvia Thrupp, Arts '25; Kathleen Gillies, Arts '27.

Relay—Arts '27; Arts '24; Arts '26. Members of the winning relay team were Jean Gillies, L. Greene, Marion Cameron and Mary Robertson.

## Students To Lay Out Athletic Field

Students of B. C. University have pledged themselves to devote their spare moments towards preparing a field in Point Grey suitable for athletics. Yesterday the students instructed the council to formulate plans for the campaign. It was suggested that the students by making trips to the proposed site during their off hours would be able to get the grounds into condition in short order.

Plans for a campaign to raise sufficient money to carry out the project are also under consideration.

### Freshmen Ruggers Beat Science '26 Ten Points To Nil

In an inter-class rugby contest yesterday at Varsity, the Freshmen blanked the Science '26 aggregation 10 to nil. The winners did not have nearly such an easy time of it as they expected and were held scoreless in the first stanza, but after the interval their superior team tactics stood them in good stead and first Casey and then Sparks went over the line, both trys were converted, giving the Arts men the victory.

The finals of the rugby have now to be played off. Arts '27 will meet Science '25 for first or second place and the Science '26 squad will tangle with Arts '25 for third or fourth place.

Science '24, who are leading in the race for the governor's cup, were knocked out early in the rugby series by the Freshmen. If the Arts men win the rugby it will boost their chances of overhauling the Science '24 lead. Although from present indications it would look as though the Science '24 outfit have a strangle hold on the silverware, and that the other classes will eliminate each other in the remaining events, the agriculture men are strong in track and are expected to show the way to most of the other classes in the relay and track meet which will come off in about a month's time. The swimming meet, boxing and rowing have yet to be run off, and almost any class has a chance of coming to the fore in any of these events. W-31-1-24

### "U" THESPIANS SELECT PLAY

The Players' Club of the University of B. C. will present its annual spring play in the Orpheum Theatre on March 24 and 25. The play will be a translation of the Spanish drama, "The World and His Wife," by Jose Echegary. Echegary is one of the foremost of the Spanish dramatists, as well as a statesman and an outstanding mathematician. He is a former minister of finance and also of education. His play was chosen by the club on the recommendation of the well known actor. There are nine players in the caste. Miss Betty Somerset, who has played the part of the leading lady in the last two spring plays, again fills that position this year. Miss Elfreda Berkeley, who played in the 1920 production, has been chosen to fill the second feminine part. Miss Avis Pumphery and Miss Mildred Teeple will alternate in the part of the maid.

The leading male role will be taken by Peter Palmer, who is well known both on the stage and in athletics. The part of the husband is yet to be filled, as H. N. Cross and E. R. Chamberlain are so nearly equal that it will take two weeks of rehearsing before the final decision will be made. The remaining male roles will be filled by Alex Zoond, Tommy M. C. Taylor and Fraser Lister, all of whom have appeared in previous productions.

### Band and Everything For Varsity-Elks Tilt Across Inlet Tomorrow

#### Brother Bills Refuse to Allow Alleged Musicians to Capture Their Nannies—Same Teams May be Finalists in Mainland Cup Contest.

THE fast-stepping North Shore Elks and Varsity will meet for the second time this year in a league fixture at Mahon Park tomorrow afternoon. The Brother Bills are all ready to go and have been going to considerable trouble in advertising the encounter. Varsity will also be well represented and the students' band, on invitation of the home team, are going to provide the music and a record crowd is expected at the North Shore enclosure.

The collegians will be represented by the same team that trimmed the I. L. A. last week and as the homesters have also their strongest eleven out, a lively tussle should ensue. There is a probability of these two teams being finalists in the Mainland Cup which gives the game an added interest as it is a matter of doubt as to how they will stack up against each other.

North Vancouverites will have an added interest in going to the game in that three of the Varsity are

North Shore boys. The redoubtable Mosher first learned to play on a North Shore eleven and the Varsity right half, Les Buckley, also picked up his tricks while playing in the North Shore schools. Eb. Crute has recently taken up his residence on that side of the water.

It is rather curious that last year's Varsity eleven had five North Vancouverites on its line-up, including McLeod and Cant who have since left college, besides the above three.

### Washington Puck Team Will Play Here Wednesday

Next Wednesday, the Varsity puck-chasers will get a chance to display their wares when they will entertain the speedy Washington University aggregation in the first match of their annual two game series. The contest always creates considerable interest at the local seat of learning and a good turnout is expected.

Last year the U.B.C. squad won out by five to four count which clearly indicates how evenly matched the teams were. This year the Varsity have a somewhat faster aggregation than last, and better stick handling has been a feature over last year's display. The local artists are confident of victory and are going to have their strongest team in action. The U.B.C. team will be composed of Morgan, Lipsey, Demidoff, Studely, McPherson, Colton, McCutcheon, Selman, Newmarch.

Demidoff, Morgan and McCutcheon in particular have been dishing up a fine brand of hockey of late and big things are expected of them in the coming encounter.

Varsity supporters will be out in full force and the Freshman band, which has been a feature of recent Varsity football and basketball matches, will again be in action and should prove an added attraction for the spectators. The visitors can be depended upon to put up a good argument however and the fracas should be a torrid affair.

### Varsity Eleven Still Hopeful Of Journeying South

Officials of the Varsity soccer team have received word from the University of Washington to the effect that they cannot play in the proposed inter-collegiate tour of the U. B. C. eleven. The reason given is that they did not consider that their team would give the local boys enough competition to make it worth while, as soccer is still in its infancy there. But they expressed the hope that a series be arranged for next year, when they expected to have a stronger team in the field than at present.

No word has been received yet from the Oregon or Idaho colleges, but the Varsity officials have not given up hope of making the trip yet, as the class of soccer, from all accounts, appears to be on a much higher plane there than at Washington college, and it was Oregon in particular that proposed the trip. Definite word is expected within a couple of days.

### Will Seek Funds For University Athletes

The Alumni of the University of British Columbia at its meeting Tuesday night appointed Sherwood Lett as chairman of the alumni campaign committee to raise funds for athletic purposes at the new university.

The Misses Kathleen Peck and Annie Anderson and Messrs. G. W. Scott, A. C. Lord and Sherwood Lett were nominated for election to the senate of the university.

### CAN THEY HOLD VARSITY ON SATURDAY?

**H**ERE are four of the Native Sons rugby team that will attempt to hold Varsity at Brockton Point in the final game for the Tisdall cup. On top, to the left is Casey Clark, one of the Sons' brilliant forwards. "Straight-arming" Tommy Boyd who also plays on the forward line. Standing to the left is "Haggis" McFarlane, who is about to drop one over, fills in a place in the forward line. On his right is Jack Trywhitt, who plays in the three-quarter line. The Students need only to win the game on Saturday for the honor of grabbing every senior rugby trophy and championship in the province.

#### Varsity Intermediate Rugby Team Wins

Scoring two tries in the first period, Varsity's intermediate rugger defeated the Victoria College fifteen by a score of 6 to 5, at Brockton Point on Saturday. Phillips secured the first three points for the local students, when he went over the line following a scrum on five-yard line. Shortly afterwards, Seymour counted, when he fell on the ball which was carried over the line following a line out.

Mathewson scored Victoria's try, when he crossed the Varsity line after a brilliant run through center field. McLean converted easily.

# Canadian Rugby Card Attractive

WHAT should prove to be the game of the season in the junior Canadian rugby league, will take place on Saturday, when Saint Marks and the Ex-King George clash in a league fixture. Both teams are about of equal strength and both have a pretty combination of figures, while they are leading the league. The Ex-K. G., boys have yet to suffer a reverse, while the Saints were handed one by the former high school students.

Although the game last week was witnessed by nearly five hundred people, the University produced a team that really was too heavy for the Ex-K. G., aggregation. The game between the Kitsilano bunch and the West End twelve will be fast, as both teams possess a number of men who can get over the century close to ten seconds. In the forward line, the Saints may have the edge in weight, but the Ex-K. G. team has a snappy bunch of figures that caused the downfall of the Varsity team.

The Saints have been practising hard for the game, as the reports from the West End bring the news that the Ex-K. G. squad can be seen most every night at the Horse Show building or at English Bay being drilled into new plays by their coach.

### Varsity vs. "Y"

In the other game which will combine to make a double header, the Varsity will come up against the Y.M.C.A., who have had a number of severe set backs, not only in games, but through losing some of the best men.

Jack McKay, who is looking after the "Y" team is hopeful of holding the Students on Saturday as several of their "beefy" men will be out at Brockton Point with their English rugby team that day fighting the Sons for the Tisdall cup. Should the "triangular" squad be called upon to stack up against the Varsity with their full weight out, little hope could be held out for them, as the "Y", is composed mainly of light speedy players.

### Game Popular

Canadian rugby, although in its first year has made rapid stride and the teams now participating are presenting a fairly good display of the game. Next year in all probability six senior teams will be out as a senior league will be formed. With the formation of a senior league in a few years' competition with Prairie teams and even Eastern teams can be looked for in this city. but before games of this magnitude can be held, a stadium will have to be erected to accommodate the fans that will turn out for the classics.

Should the proposed Canadian-American rules be passed in the future, which are composed of the favorable features of both games, rugby can be expected to come into its own, a place that it has not occupied for some years in this city.

## Students Meet St. A. Saturday

### Semi-Finals in Mainland Cup to Hook Up in League Soccer Fixture

WILL it be St. Andrews or Varsity to enter the finals for the coveted Mainland Cup? A line on the relative strength of these teams should be secured on Saturday when these two brilliant soccer elevens hook up at Athletic Park. Neither team will be at full strength, but the best match of the season is looked for.

The Nationals and the North Vancouver Elks are scheduled to meet at Moody Square, and with the North Shore team without some of their star players the Nationals have a good chance of winning.

The following is the schedule for next Saturday:

#### First Division.

Elks vs. Kitsilano, Athletic Park; Clifton.

I. L. A. vs. Westminster, Powell Street; Baron.

Nationals vs. N. V. Elks, Moody Square; Murphy.

Varsity vs. St. Andrews, Jones Park; Cowan.

#### Second Division.

St. Saviours vs. Sapperton, Braemar Park; Cunningham.

Postals vs. Mount Pleasant, McBride Park; Bowler.

Collingwood vs. Cedar Cottage, Carleton school; Allan.

S.S. Canora vs. Chinese Students, Sapperton; Craig.

#### Third Division.

Shamrocks vs. Point Grey A., Robson Park; Marshall.

B. C. Telephone vs. Mac & Mac, Heather Park; McDonald.

U. B. C. vs. Central Park, Marpole; Webster.

West Vancouver vs. Hotel Vancouver, West Vancouver; Armstrong.

South Van. G. W. V. A. vs. B. C. Electric, Wilson Park; Anderson.

All games to start at 2:45 o'clock.

## Elks Down Varsity in Fluky Game

W-11-2-24  
DAME Fortune came to the assistance of the Vancouver Elks on Saturday at Con Jones Park and boosted their league average, when they came out on the long end of a 2 to 1 count against the fast-stepping Varsity eleven. The Brother Bills were distinctly lucky to come through with a win, because the Students were the more dangerous at all stages, although they fell down somewhat in their team work.

Referee Clifton was not up to form and seemed to be in doubt in most of his decisions. The Students were robbed of a nice goal scored by Lundie in the second period, when the arbiter ruled Deans offside, when as a matter of fact Deans received the ball at about centre and took it up the field himself before crossing.

The first count came after about ten minutes' of play, when Tommy Wilkinson headed in a cross from Buckley's boot that had Delcourt beaten all the way. From then on, the Students seemed content to rest on their laurels till Deans handled the sphere in the dreaded area and Howden gave Mosher no chance to save when he took the resulting penalty. This reverse put new life into the Students, and from then on they forced the play, but half time came with both teams tied.

#### Second Period

After the oranges, the Elks' forwards started to rush things, but seldom came within shooting distance of Mosher. Ledingham held Rex Cameron in check very nicely. Archie Hazeldine found Phillips, the Varsity centre half a tough opponent and the Elk centre seldom got away. "Lefty" Delcourt made a great save when he was almost knocked off his feet by a hot shot sent in by Tommy Wilkinson.

Lundie brought the fans to their feet when he received the ball off Delcourt's hands after Deans had shot, Jock bulged the net, but referee Clifton, after waiting till the net shook, conceived the weird idea that Deans was off-side and hence the Varsity goal was not counted.

During a mixup in front of the Lodgers goal, "Lefty" appeared to carry the ball over the line, but the arbiter did not observe it.

#### Poor Clearing

In the dying moments of the game after Mosher had scarcely been tested, Archie Hazeldine broke away and gave the Varsity custodian an easy shot which he bounced on the ground was charged and before he could recover Cameron had the ball in the net. It was an easy goal and one that Mosher would have saved ordinarily.

There was only about a minute to go and the Collegians had no time to tie the count. Howden was in good form for the winners, whilst Baker starred for the Collegians. The losers missed Huestis, their right wing, who was injured, at North Vancouver last Saturday.

## Freshmen Win Finals At Rugby

*W-15-2-24*  
**T**HE finals of the inter-class rugby were played at Varsity yesterday and after a hard fight the Freshmen emerged on the long end of a 6-3 count against the Science '25 aggregation. The game was the best yet, and as the score indicates, was very close. The Freshmen deserved their win, however, as they showed more team work, while their opponents relied more on one or two individuals of the McKechnie squad, notably Ramsell and "Pug" Greggor.

The first try came about the middle of the first stanza when Tupper picked the ball up following a scrum and crossed over, but the try was unconverted. End-to-end play was the feature from then on, and some good rugby was dished up by both sides.

Upon resumption of play after the interval, the Science men came back strong and looked as if they were going to win when "Pug" Greggor made a fine run down the field and made the Science men's only try. The try was again unconverted.

Just when it looked as if overtime would be necessary, Casey put the game on ice for the Freshies when, after a fine individual effort, he made the winners' second try and the failure to convert made the final score 6-3 for the Artsmen.

This result has an important bearing on the Governor's Cup competition, as the Freshmen have almost overhauled the Science '24 team's big lead, which they obtained last term. The Science '24 have 12 points, while the Freshies have 10 to their credit and there are several events to be run off yet.

## UNIVERSITIES IN RADIO DEBATE

*W-14-2-24*  
 Debating the question of the adoption of the Bok peace plan, two teams of the University of British Columbia will clash with the University of California on Feb. 19. One team consisting of H. Goodwin and J. Buton, both of Arts 24, will debate the question in Berkeley, supporting the negative side of the question. The other team consisting of L. Morgan, Arts 24, and W. Murphy, Arts 25, will meet the visiting team here in the University auditorium.

This same subject will be debated a week later between the University of California and the University of Oregon. This will be the first debate ever held by radio communication, as the opposing teams will broadcast their argument from Oakland and Portland respectively. In this way it is expected that they will reach an audience of 1,000,000 people. The judges of this unique debate will give their decision from Salt Lake City where they will listen in on the arguments at a third radio station.

## Varsity Hoop Team Just Loses

*W-12-2-24*  
**Champion "Y" Quintette Has Close Call, Score Being 23 to 22**

**V**ARSITY'S senior "A" men's basketball team nearly handed the Y.M.C.A., last year's provincial champions, a defeat last night at the Normal gym, and would have done so had Kenny Carlisle not tried to stop a shot for the Student's basket. He just tipped the ball into his own net for the Y's equalizing point. The final score stood 23 to 22. Two five-minute overtime periods were necessary before the game was cinced by the "triangular" team. In an opener Chalmers Adanacs defeated the Native Sons by 38 to 26.

Opening up with a burst of speed that took them repeatedly close to the "Y's" basket, the Students started out fast to get control of the game. After a few snappy passes Tommy Wilkinson sent the ball through the "Y's" net for the first two points. He repeated a few minutes later when he grabbed the ball on a rebound and snapped it into the net for more points for the Students.

Ralston gave the Students a point when he forgot what he was playing and tackled Tommy. The Varsity students made use of the throw. Bickel essayed to shoot the Students into a winning position and he dropped the ball into the "Y's" net from quite a way out. The score then stood at 7 to 0 for the Blue and Gold players.

### Lead of One Point.

The "Y" opened up after Shiles placed the ball in the Students' net, and when half-time was called the Varsity's lead of seven points had been reduced to only one. The score at half-time read 11 to 10 for the Varsity.

In the second half the Varsity managed to add another point to their lead although at times they had more than a four point lead. Just before the end of the game Kenny Carlisle's flukey tap put the "Y" on even ground with the Students. In the first five minutes of overtime Wilkinson scored two free shots as a result of Shiles grabbing him as he was about to shoot. Phipps evened the score by placing one from about centre.

Referee Yeo ordered another five minutes of overtime. Butler was fouled and netted a point for a lead but Robson placed a long shot and gained the lead that gave the "Y" the game.

### The Teams.

Varsity—Bickel (4); Butler (1); Carlisle, G. Lewis, Wilkinson (17).

Y.M.C.A.—Ralston (4); Robson (6); M. Shiles (6); Phipps (3); Phillips, Priest (2); Hand, Randall.

### Adanacs Win.

Chalmers Adanacs upset the dignity of the Native Sons senior basketball team when they trounced them last night at the Normal gym by a score of 38 to 26. During the first period the Sons appeared to have the game under control, but the younger team ran all around them in the second stanza.

### The Teams.

Native Sons—Hunter (6); Mattock (2); Woodcock, Boyes (4); S. Stephens (2); Fisher, Rae (12). Total 26.

Adanacs—McMaster (8); C. James (16); S. Peck (8); F. Newcombe (6); Charlesworth, R. McAllister. Total 38.

## UNIVERSITY IS PLANNING A BIG ENTERTAINMENT

*W-14-2-24*  
**Object Is to Make Start on Securing Funds for Campus**

With everything from dancing to dramatics on the programme, and with several surprise stunts provided for, the Alumni Association of U. B. C. are completing arrangements for one of the biggest and most unique entertainments Vancouver has seen either inside or outside of university circles.

March 21 is the date that has been set by the association for holding the show, and on that evening all the university quarters are to be turned over to them.

The object is to make a start on the funds required for laying out the campus and erecting the gymnasium on the new university grounds. The association have been asked to raise \$10,000 of the \$40,000 required for this project.

The committee in charge are W. O. Banfield, A. E. Lord, Miss Winefred Lee, Earnie Clark, Miss M. Kilpatrick, Miss K. Peck, Miss K. Levison, Miss Stella Maguire, Miss B. Clement, Miss B. Bain, Miss M. Agnew, Miss Mary Wilson and Messrs. Cross, Nelson and Shaw.

## WORK IS BEGUN BY STUDENTS ON PT. GREY SITE

*W-18-2-24*  
**POINT GREY, Feb. 18.** — With groups of students scattered over the grounds all ready at work surveying the future campus and with regular construction work on the Science and Library buildings proceeding at full blast, employing over 200 men the new University grounds at Point Grey present a scene of active and varied interest.

With the announcement that the \$40,000 needed for laying out the campus and erecting the gymnasium must be raised by the students themselves, it was but a short time till the undergraduate body began to plan ways and means. Much of the work on the campus they decided could be done by themselves. The science students undertook to do the surveying. It is planned that on Saturday, Feb. 23, well over 200 of the undergraduates in defiance of the weather and the season will go to the site of their future quarters and with pick and shovel to commence work on the actual levelling of the campus.

In the meantime work on the buildings by E. J. Ryan Contracting Company proceeds at a rapid rate. Both the Science and Library building will be completed this year, it is expected. Already the exterior work on the Science building is practically completed and work on the interior is well advanced. At the Library building, started but recently, the frame work on two stories has already gone up and a good start made on the third.

## Saints and Varsity in Draw Game

Soccer Fans Treated to Fast, Clean Exhibition—Ternan and Greig Score

**A**BOUT a thousand wildly excited soccer fans saw the league-leading St. Andrews and the fast-stepping Varsity battle to a one-all draw at the Con Jones enclosure in Saturday's soccer feature. In spite of the heavy grounds it was one of the hardest fought and one of the cleanest soccer encounters that have been played this year. Both goals came in the first half, the first from Gee Ternan's boot after about ten minutes of play, as a result of a fine individual effort on the part of the Varsity rugby star. About fifteen minutes later Dave Greig tied the count when he sent in a beautiful shot that had Mosher beaten all the way.

The first few minutes of play found the Varsity at a loss and it looked as though the Scotsmen were going to have things very much their own way. But after ten minutes of play the Students hit their stride and bombarded the Saints' goal area. Their efforts were at length rewarded when Huestis centred to Ternan who netted the pig-skin before Wells could get in position.

A few minutes later the versatile Varsity star brought the fans to their feet when he repeated his performance only the Varsity centre was standing in an off-side position and Ternan's second goal was not counted.

### Greig Evens Count

After this reverse the Saints forwards and halves settled down with a vengeance, and Greig, Stewart and Wilson in particular made things hot for the Students' defence. Finally, Greig took a pot shot at the goal from about twenty yards out and although Mosher kept the whole length of his goal, he could not reach the sphere in time to clear. From then on till the interval, end-to-end play resulted. Varsity halves worked hard, Phillips in particular in the pivot position broke up innumerable attacks of the Saints' inside men.

Donaldson, the Scotsmen's outside left had a splendid opportunity when Crute missed, and he had only Mosher to beat. The Varsity custodian left his goal to meet the oncoming forward, but Donaldson shot wide of the posts. The ball was very slippery and the footing of the players very insecure. Varsity fans got a thrill when Mosher let a high shot go, thinking it to be over the posts instead of which the ball curved in and down and hit the top corner.

### Second Half

After the interval, Varsity sharpshooters carried the ball into enemy territory, and forced the play for the majority of the period, but lacked considerably in finish in front of the goal. Tommy Wilkinson had tough luck in his shooting as Wells was almost beaten on several occasions. The Saints' goalie was not very sure in his clearances but he pulled one good save when he fisted out a hot shot sent in by Ed Crute from near the penalty line.

The boys of the University of B. C. started Saturday on their self-imposed task of preparing playing fields and campus at the new site in Point Grey. In the picture, left to right, are S. Morgan, T. W. Brown and H. C. MacCallum.

Mosher had little to do in the second half, most of the play being confined to mid-field, but the Saints' forwards played a neat game and were dangerous at all times. Baker and Crute were kept working overtime to keep them out, but both the Varsity backs gave a very creditable performance. The Collegians were forced to concede several corners, but none of the kicks taken were really dangerous.

### Well-Balanced Team

The league leaders are a well balanced team and fully deserved their draw and there is no doubt that they played better soccer than their opponents. However there was much improvement in the Varsity squad, and they had it over the Saints in speed and condition. Although the game was a torrid affair, there was no hard feeling at any stage, and only one or two fouls were given by Referee Cowan for minor infractions.

The Saints missed Lewis, but the addition of Greig to the lineup helped their chances considerably, and he proved a hard man to watch.

The Students were minus the services of their inside right, Jock Lundie, who is laid up for a week or so, but will be in action when the Varsity meet the Saints in what should be the biggest drawing card of the season, the semi-finals of the Inland Cup, on March 1.

## Varsity Squad Will Drop Out of Canadian Rugby

Varsity's junior Canadian rugby team, that has a chance of winning the provincial championship against the St. Marks and Ex-King George squads, have dropped out of the local league. As a result of their withdrawal only one game will be staged tomorrow, which will bring together the Saint Marks and Ex-King George teams at King Edward grounds, at 3 p.m.

The explanation offered by Gordon Hyslop, one of the chief supporters of the Canadian game at the Varsity, is that owing to exams which are listed for the near future, rugby players are leaving the pig-skin to retire to their dens.

That Varsity will be out next year is the encouraging remark attributed to the Students, as they withdrew from the field, and it is more than probable that they will be out in the senior league should one be formed, next season.

# VARSITY AQUATIC STARS MEET V.S.C. TEAM TONIGHT

AQUATIC stars wearing the blue and gold for the Varsity and the life buoy of the Vancouver Amateur Swimming Club will clash tonight in a swimming meet at Chalmers church at 8 o'clock. One of the best swimming teams that has been developed at the local seat of learning for some years will be out tonight, and the Students are more than confident. Below are some of the members of Varsity team. In the back row, standing from left to right are: A. Stewardson and J. McLean. Second row, M. Thorpe, B. Tupper and C. Cameron. Front row, B. McDonald, R. Mathews, B. McKenzie, C. Chapman and O. Gill. The swimmers about to plunge are B. McDonald, B. McKenzie, A. Stewardson and J. McLean, relay team.

# Swimmers All Set for Big Meet

Varsity and V. S. C. Will  
Clash Tomorrow Night in  
Dual Gala at Tank

IN what is expected to be one of the greatest indoor swimming meets held in this city for some time Varsity aquatic stars and representatives of the Vancouver Amateur Swimming Club will clash tomorrow night at Chalmers tank.

The students have been staging stiff work-outs of late and as they have just finished their inter-class races they have selected the best that the Varsity has to defend the blue and gold at the meet. A number of fast swimmers reside at the University, while the institution is not without divers and plungers.

Allan Stewardson, who plunges across the tank in the time limit, will represent the local seat of learning in that event, while Cedric Duncan will do some of the diving. Lilloet Green, who won the inter-class diving, will also be on the Varsity team in that event. Bob McKechnie and Bruce McDonald will do most of the sprinting for the men's events while Sylvia Thrupp will work in the women's events.

The English Bay Swimming Club will be out with their best and among them is more than one provincial title-holder, in both the men's and ladies' titles.

### Bailey V. S. C. Ace.

Johnny Bailey will most likely be the main argument that will be advanced by the swimming club in the sprints as he holds the provincial championship for 50 yards with a time of 27 seconds flat. He can also do the 100-yards in fast time, while the club can produce several other members who can cover the longer distances with speed.

In the ladies' events the club is also well supplied with championship material. Masie Lyons will in all probability form the hardest contender for the Varsity girls to beat, while the Students will have some stiff competition in every race from the girls representing the V.A.S.C. Lillian Broadfoot, Daisy Prentice, R. Tingley, M. Tingley, and R. Clay will also be out for the club.

Among some of the other boys who will be out are S. Hillis, R. McMillan, D. Mandel, J. Cameron, R. Roberts, and H. Gale. Bailey is suffering from a slight cold, but he is expected to be out.

President McMillan, of the swimming club, who judged the inter-class diving events, states that the Students have some good material and some keen competition can be looked for.

## Annual U.B.C. Track Meet On March 12

The annual track and field day of the U. B. C. will be held on March 12. Co-eds at the University will be out stronger than ever and quite a few events will be contested by them. The marathon from Point Grey to the present location of the Varsity will be held on Wednesday.

## U. B. C. STUDENTS WIN IN DEBATE

W. 20, 2, 24

The University of California went down to defeat at the hands of the University of B. C. when they met in debate on Tuesday evening in the King Edward auditorium. The subject of the debate was "Resolved that this meeting go on record as being in favor of the Bok Peace Plan." The affirmative was upheld by U.B.C., represented by Wm. Murphy and Lorne Morgan; and the negative was sustained by H. C. Balter and J. P. Wernette of California. The judges, Rev. A. E. Cooke, Tom Richardson and Judge Cayley, returned a unanimous decision in favor of the affirmative. The audience were also asked to mark a ballot to express their opinion of the debate, and the results showed that 224 supported the affirmative and 134 the negative.

## 'U' Students Adepts At Shoe Shining

Students at the University of British Columbia are not overlooking any way in which to earn money for the athletic grounds and campus at the new university site.

Today a number of them turned to shining shoes.

The place was Tenth and Willow during the noon hour and a large crowd gathered to watch the freshies and juniors busily engaged in polishing the footwear of pedestrians—for a consideration. Witnesses say the shiners did excellent work.

Sophomores and seniors egged them on and altogether everybody had a jolly time.

A report on the financial return of the venture is to be made to the committee.

## Students To Start Work On Grounds

The first working parties from the University of B. C. to assist in the preparation of playing fields at Point Grey will start work on Saturday. The main party will consist of the male members of Arts '25 who have volunteered to go out in a body on that day. They will spend the day picking rocks off the surface so that work of levelling can be started at an early date. The ladies of the class have announced that they will assume the responsibility of supplying the working parties with an adequate dinner to sustain them for the afternoon.

## Varsity Boxers May Visit South

Guaranteed all the expenses of a boxing team from the local Varsity should they travel south to the University of Washington, it is more than probable that the Varsity will send a team of eight men across the line during March.

Boxing at the local seat of learning has been encouraged of late and a number of fairly good mitt slingers have been developed. The matter rests with the Men's Athletic Association and the Students' Council.

V. S. C. Emerge Victors In  
Dual Meet by Four-Point  
Margin

THE Vancouver amateur swimming club maintained its prestige in local swimming circles when, last night, they defeated Varsity's swimmers in a dual meet held at Chalmers swimming tank. The V. A. S. C. registered 75 points while the Students finished only points behind. Varsity captured the men's relay race, but dropped the ladies' event.

Sylvia Trupp, Varsity's hope in the 200-yard event, was defeated by Daisy Prentice of the Swimming Club, while Harry Gale and Cedric Duncan of the V. A. S. C. and the nice gradually forged ahead of Cam-honors.

In the men's relay race, which was the feature of the night, Bob McKechnie gave the Varsity a lead and this they held till the finish. Johnny Cameron and McKechnie took the first plunge and McKechnie gradually forged ahead of Cameron for the lead.

Miss H. Gough plunged the length of the tank in 45 seconds, while A. Stewardson showed his ability at the event by covering the distance in 20 seconds in the men's event.

The winners of the various events were: 50 yards, free style, McDonald, Varsity; Stewardson, Varsity; Roberts, V.A.S.C.; 50 yards, free style, ladies, Lillian Broadfoot, V.A.S.C.; Reta Tingley, V.A.S.C.; Mary Chapman, Varsity.

100 yards breaststroke, ladies, Fern James, Varsity; Doris Parks, V.A.S.C.

Plunge, men, A. Stewardson, Varsity; Austin, V.A.S.C.

Plunge, women, H. Gough, V. A. S. C.; Jean Gilley, Varsity; Fern James, Varsity.

200 yards, women, Daisy Prentice, V.A.S.C.; Sylvia Thrupp, Varsity; K. Kendall, V.A.S.C.

200 yards, men, Cameron, V.A.S.C.; McDonald, Varsity; Mantle, V.A.S.C.

100 yards, breast-stroke, men, C. Hills, V.A.S.C.; O. Gill, Varsity.

50 yards, back-stroke, ladies, R. Tingley, V.A.S.C.; L. Broadfoot, V. A. S. C.; Mary Robertson, Varsity.

50 yards, back-stroke, men, C. Hills, V.A.S.C.; C. Jones, Varsity; R. Roberts, V.A.S.C.

Ladies' diving, L. Broadfoot, V.A. S. C.; L. Green, Varsity.

Diving, men, Cedric Duncan and Harry Gale; Tupper and Stokes. Points were equally divided among the teams, five being allowed to each club.

100 yards, men, McDonald, Varsity; McMillan, V.A.S.C.; Cameron and Stewardson.

100 yards, ladies, R. Tingley, V. A. S. C.; S. Thrupp, Varsity.

Men's relay, Varsity team composed of Stewardson, McLean, McDonald and McKechnie won from Mantle, Roberts, McMillan, Cameron.

Ladies' relay V. A. S. C. won with Misses M. Tingley, Prentice, Broadfoot, R. Tingley, the Varsity team being Misses Wilkinson, Edgell, Robertson, Chapman.

Varsity won ten points for the water polo, scoring three times while the V. A. S. C. scored twice.

# Hillmen Surprise Varsity

*W 25.2.24*  
Students Nosed Out by 2-1  
Count at Wilson Park—  
Juniors in 1-All Draw

**S**OUTH HILL came out on the long end of a two to one count at Wilson Park last Saturday when they met Varsity. The Students had the edge on the play and were distinctly unlucky not to get a draw at least. The failure of Varsity forwards to finish well in front of the goal was largely responsible for their defeat. Time after time the Varsity sharpshooters passed up golden opportunities when they had Hogarth at their mercy.

The Hillmen drew first blood in the middle of the first stanza, when a right wing cross was sent in by Furniss, which just escaped Mosher's reach and Ball knocked the ball in off Buckley's head. This reverse put new life into the Collegians and from the remainder of the half they made things hot for the Hillmen's net minder. Hogarth was in good form however, and made some nice clearances. The Suburbanites resisted the efforts of the Students and the interval came with the Hillmen one counter to the good.

### Willkinson Evens Count

Varsity forwards started off with a rush upon resumption of play and after many misskicks, their efforts were rewarded when Tommy Willkinson sent in a hot one which cannoned off Teesdale and found the corner of the net. From then on, end-to-end play resulted, although the Students did most of the pressing.

The feeding of the Varsity halves was faulty, the fast ground and light ball having something to do with it. Little Billy Bradshaw, played a whole of a game at left half for the South Vancouverites and broke up many of the Students' rushes.

The last goal came unexpectedly, when Ernie Hatt shot from about twenty yards out with terrific force. The ball was in the net before Mosher could reach up for it. It was a beautiful goal.

Referee McDonald did not give a very convincing exhibition with the whistle, his chief difficulty seeming to be in deciding offsides. It was a keenly contested game and a good brand of soccer was dished up by both the elevens.

### Rah Rah Boys Must Step

This defeat makes Varsity's Position in the league rather weak and the Students will have to step lively if they are to retain their position in first division. The Varsity hasn't won a league game for six weeks, their specialty seeming to be in winning cup games. But this defeat doesn't speak well for their chances against the Saints in the semi-finals next Saturday.

In the junior game preceding the feature game, the Varsity juniors and South Hill juniors, battled to a one-all draw in a hard-fought game. Taylor bulged the nets for the Students, whilst Addinall found the rigging for the homesters.

*W 25.2.24*  
Washington Puckchasers  
Put Over 4 to 1 Victory  
on U. B. C. Squad

**S**EATTLE, Feb. 22.—University of Washington's Huskies won the Northwest inter-collegiate hockey championship last night on the Arena ice, when they defeated the University of British Columbia in a torrid encounter, by a score of 4 to 1. Washington had a three-point margin on the two-game series. The Husky victory was paved by little Gordie Allen, star centre, who wormed his way through the entire Canadian team in the third period to pot an easy goal.

The Huskies did not have a great deal of team work and the performance was largely individual. About 2500 amateur fans were on hand to see the teams battle, Washington being spurred to its victory by a large section of organized rooters.

It looked like a British Columbia win when the teams trotted off the ice at the end of the first period. Little Russ Selman, an aggressive forward, caught a loose puck in front of Goalie Goff and tapped an easy shot. Neither team had been able to get within scoring distance previously and things looked bad for the Huskies.

### Tied the Score.

Kenny McCannell, Husky forward, tied the count in the second canto on a brilliant follow through shot from near the blue line.

Allen's shot was pretty. Taking the puck from centre ice at the start of the third period, the diminutive forward eluded three defence men and shot directly through the goalie's legs. It was the winning counter. Washington, instead of adopting defensive tactics, opened a terrific offensive. Capt. Don McKenzie, playing his last game in the Husky uniform, gave the large audience a thrill by a sensational dash through the defence and a bullet shot. McCannell added another goal, the last of the season, just as the bell clanged.

Fancy skaters from the East gave a well received demonstration of ice tricks.

### Goal Summary.

First period—1, British Columbia, Selman, 19:10.

Second period—2, Washington, McCannell, 11:20.

Third period—3, Washington, Allen, 2:50; 4, Washington, McKenzie, 10:45; 5, Washington, McCannell, 6:50.

### Penalties.

First period—McCannell, Ramsey, Quinlivan, McCutcheon, McPherson, 3 minutes.

Second period—Colton, 3 mins.

Third period—Wong, 3 mins.

Referee—Ranny McMillan.

## STUDENTS PLAN FOR BIG SPREE

*W 22.2.24*  
C-e-l-l-i-d-h spells jollification (in Gaelic); jollification means a good time (in any language), and that's what the alumni of the University of British Columbia propose to give about March 21. The big entertainment will be put on to help raise the cash to put the grounds in order out at Point Grey and prepare the field for athletics.

# Varsity Rowers to Stage Annual Regatta Mar. 8

### Students Planning Big Organization When Institution is Established at Point Grey—Already Seeking Clubhouse Site.

LOOKING forward to the day when the local Varsity will occupy as prominent a place as some of the colleges across the line in athletics, local rowing enthusiasts who are at present attending the local seat of learning are endeavoring to lay down the basis of a real rowing club and have this year increased their membership over 100 per cent. After one of the most successful years in their line of sport the Varsity rowers will stage their annual regatta on Saturday, March 8, at the Vancouver Rowing Club.

Only a few events have been listed as the Students are yet lacking in members to stage many races. Some of the events are finals of the inter-class sports in a senior four race, open singles, and two races with crews from the Rowing Club. Varsity senior and junior crews will meet two picked crews from the club. There will also in all probability be a pair oar race with a lady coxswain.

#### Plan Competition.

When Varsity is established at its permanent home in Point Grey the students are expecting to turn out some first class crews, and these will in all probability enter into competition against the southern colleges. As no colleges are allowed to become members of the Northern Pacific Amateur Oarsmen Association, or allowed to compete in the annual N. P. A. O. classic, the Students will compete with the American colleges across the line.

When the Students develop a real rowing organization it is more than probable that inter-club events will be staged between the Students and members of the Rowing Club. When the Blue and Gold sweaters grow more numerous on the waters attention will be devoted to turning

out a senior eight, as this is the crew that fights in the classic event across the line. The University of Washington have hundreds trying out for the senior crew in comparison with about the average of twenty rowers who appear at the local Students' workouts, which are held Wednesdays and Saturdays.

#### Seeking Location.

Already the enthusiasts at the Varsity have been investigating as to the best situation for their proposed rowing club's headquarters, and data is being collected as to the possibilities of constructing it on the Fraser river inside of the jetty. Just how strong the tides are and what number of days rowing can be indulged in without any danger from storms is among the data that is being tabulated by the Students. Should it be proven that a club would be useless on the Fraser there would be only one other place for the Students and that is at some spot in the harbor.

Varsity can be depended upon to make energetic strides towards placing rowing on a real athletic basis as soon as the local college is moved to Point Grey is the statement of the Students' rowing officials.

## Aggies Nosed Out By Arts '25 in Big Relay

### Farmers Beaten Out in U. B. C. Distance Event By Dark Horses—Time Slightly Slower Than Last Year—Many Exciting Sprinting Duels

ARTS '25 nosed out Agriculture in the annual Arts '20 Varsity relay race by about forty yards in one of the hardest fought races ever staged over the eight-mile course. Eric Forrester was the man that gave the Arts men the lead when they needed it the most at the seventh lap, just after Bill Cameron, of Agriculture, had brought his team up to first place, gaining about fifty yards on Hemingway of '25.

McKillop started about fifty yards, respectively and ran to a neck and to the good on the last lap all of which was gained by Forrester. Hope gained slightly on McKillop, but could not overcome the Arts man's lead.

The Freshmen came third in the contest after Science '26 had held that position all the way from the second to the last lap; Science '26 were fourth and Science '27 fifth. Arts '26, Science '24, Arts '24 and Science '25 came in in the order named. The time was 37 minutes, 17 seconds, which is a minute slower than the record.

The dope was upset right from the first lap when Wasson of Arts '25 nosed out Doug Wallace, of Science '24, and Lloyd Wheeler, of '24 was third; Wilcox of Agriculture was fourth; whilst Barton, of Science '26 started out in sixth place. Jimmy Craig, starting out with a fifty yard lead, held it against two of Varsity's fastest distance runners, Les Buckley and Carl Barton, who started out of fourth and sixth places, re-

#### Set Torrid Pace

Neither Barton nor Buckley could catch Craig, who set a torrid pace throughout the entire lap, which is the longest of the eight. Craig ran a great race and a great deal of credit is coming to him for his stellar performance.

The second lap is historic for the reason that in the past nearly all of the best distance men have fought it out there. No individual times were taken on the laps, but their is scarcely a doubt that the second lap was run at a faster clip yesterday than ever before.

Hugh Russell, of Agriculture put the Farmers in the lead in the third lap, when he started about fifteen yards behind Homer Thompson, of Arts '25 and came out a few yards

28.2.24

to the good. Warren, of rugby fame threw a great scare into Russell and Thompson when he passed them both at a dead sprint, but Warren could not maintain the pace and put his team Science '26 third at the end of the lap.

H. Arkley, placed Arts '25 in the lead, when he passed Meutri, of the Aggies, on the fourth lap, Meutri did well to hold Arkley to so short a gain, as Arkley was one of the Arts men's trump cards.

#### Made Slight Gain

The winners made a slight gain on the fifth lap, when S. Arkley forged ahead of Tarr, Brock of Science '26 was third man, while the Freshmen were fourth.

Some of the greatest running of the entire race was the individual effort of Bill Cameron on the sixth lap. The Aggie star started half a block behind, and beat Hemingway by about ten feet at the end of the lap. Hemingway started at a great pace up the Fourth Avenue hill and it looked like a cinch for him, but Cameron stepped on the gas in the last quarter mile and just nosed the Arts man out.

The seventh lap was the deciding factor of the race. Eric Forrester started out almost abreast with Eby, of Agriculture, and gained about half a block on him. It was not that the Aggie man was weak, but simply that Forrester brought all his powers as a sprinter into full play and left Eby standing at the end of the lap.

Lex McKillop started out with about half a block of a lead, which was more than Ernie Hope, of the Farmers, could overcome, and the Arts men came in first and were met by a big crowd of onlookers at the end of the course. Mulherne of the Freshmen, ran a great race and passed Loudan of Science '26, bringing his team into third place.

#### Time Not Fast

Drs. Davidson, Boving and Logan, officiated as time keepers. The slippery condition of the road made the time somewhat slower than last year.

The history of the Arts '20 relay race in brief is as follows:

Year	Winner	Time
1920	Arts '23	37 min. 30 secs.
1921	Science '24	36 min. 23 secs.
1922	Agriculture	37 min. 21 3-5 secs.
1923	Agriculture	36 min. 24 secs.
1924	Arts '25	37 min. 17 secs.

## Local Varsity Boys To Box In South

The local Varsity has decided to send a team of six boxers to clash with pugilists at the University of Washington on March 15. The local Students who carry the blue and gold will leave this city March 14, and spend the week-end in the Huskies' camp. Just who will represent the U. B. C. has not been decided yet, but it is expected that some preliminary bouts will be staged soon.

# PLAYERS' CLUB PLAY GRIPPING

W 1, 3, 24

The Players' Club of the University of B. C. is offering as its ninth annual production, "The World and His Wife," a play that strikes a deeper note than any that the club has previously staged. It is a compelling drama on the theme of evil gossip, and is told in a gripping, entertaining fashion. Its writer is Jose Echegaray, the famous Spanish Dramatist, whose success outside his native Spain rests largely on this play. Played by Sir John Martin Harvey and by William Faversham, it has been most successful in English communities.

The cast is a most adequate one, consisting of the Misses Betty Somerset, Alfreda Berkeley, Avis Pumphrey and M. Teeple, and Messrs. Peter Palmer, A. Zoond, H. N. Cross, Tommy Taylor and Fraser Lister. Exchange tickets go on sale on Monday, and are to be sent in to the box office as mail orders. New, effective scenery and beautiful costumes will add to the attractiveness of the performance.

# Old Soccer Board Back In Office

## L.M.F.A. Delegates Defer Varsity's Amendments to Annual Meeting

Varsity's proposed amendments to the constitution of the Mainland Football Association for which a special meeting was called last night were side-tracked by the attending delegates to the association until the annual meeting and they later elected the board that they two weeks ago ejected from office. The board was elected by an unanimous vote and will continue to operate until the annual meeting of the association.

The amendments offered by the

Students was that a neutral board be appointed to handle all disputes and all questions pertaining to the breaking of the rules of the organization, be it a player or a club, while the executive carry on the work of the association in arranging the schedule and handling the financial end of the L. M. F. A.

The old board, who were ejected by a two-thirds majority vote following the meeting called to discuss the St. Andrews vs. North Vancouver Elks fixture some weeks ago, were put back in office with President Jim Haslett back in the chair on a motion moved by Murray and seconded by Drinkwater. After a number of motions had been offered, and after the chair had been challenged several times, the delegates finally passed the two resolutions which relegated two prominent questions to the background until the annual meeting.

The association voted that \$50 be turned over to the Tim Mahony memorial fund, while several other soccer clubs made donations, before they adjourned.

# HERE'S THE CRACK ST. ANDREW'S SQUAD THAT BEAT VARSITY

SATURDAY was a big day for those who hail from the "Land of the Bonnie Heather." Every mother's son with a drop of Scotch blood in his veins hied himself to Athletic Park and they saw their favorites, the Saint Andrews eleven, trounce Varsity by a score of 1 to 0, thereby entering the finals for the Mainland Cup. With a squad of real soccer players the Saints have gone through the year with a great record and they bid fair to win the first division championship. The players below, reading from left to right are: Standing, Andy Watson, Ed. Whitehurst, Dave Greig, Harry Wells, Neil Robertson and Bert Dagger; kneeling, from left to right, Freddy Wilson, Sammy Lewis, Jimmy Dickson, Jr. (mascot), George Robson, Neil McFarlane and George Wilson.

## Varsity Beaten by Lone Tally

### Saint Andrew's Eleven Get Into Mainland Cup Finals —Greig Scores Winner

### Four Thousand Wildly Excited Fans Watch Season's Greatest Tussle

Varsity lost all chances of holding the Mainland Cup when they were defeated by a lone goal by the fast-stepping St. Andrews before a crowd of 4000 wildly excited fans at the Athletic Park enclosure on Saturday. The Saints presented a fast, snappy aggregation, while the Collegians seemed somewhat off form, the Varsity forwards, in particular, never seemed to hit their stride.

The loss of Ledingham, their star left half, after ten minutes of play was a big blow to the U. B. C. outfit. Ledingham suffered from wrenched knee when he collided with the husky centre half of the Saints.

The Saints outplayed their opponents and fully deserved their victory, which came as a result of a fast shot sent in at close quarters by Dave Greig, the Scotsmen's inside right. It was rather a lucky goal, but one which Mosher had no chance to save, although the Varsity net minder made a great effort. The ball grazed the inside of the post.

The Saints had a decided edge in the first half and the Varsity forwards never got going. Wells was scarcely tested in the first stanza. The Students apparently made a great mistake when they removed their most effective forward, Eric Huestis from the right wing to replace Ledingham in the first period.

#### Lewis in Good Form

Varsity had a tremendous following at the encounter, and the work of Mosher, in picking the ball from the Saints' sharpshooters' feet drew much applause from the stands. Sammy Lewis, the injured Saints' forward, who was supposed to have been put out of the game for life at the hands of Russell of the North Shore Elks, seems to have made a rapid recovery, as he played in his usual form in the centre position for the Scotsmen.

Greig, however, was the most dangerous man of the Saints' vanguard and had the Students had a forward that could shoot like the Saints' inside man, they would have beaten Wells.

The crowd were entertained during the interval by the bagpipes intermingled with the strains of the Varsity "rube" freshman band. The medley was a source of great amusement to the crowd. The Varsity highly colored noisemakers marched in and out around the pipers and drummers of the Scots and produced the most weird combination of colors and noises. The Caledonians however had a decided edge on the mouth organs and stringed instruments of the "rah rah" boys.

#### Second Half

After the oranges the Varsity continued with four forwards, put Huestis back on the right wing and scarcely fed him at all during the half. They played their second most effective forward, Gee Ternan, at left half. Varsity had most of the play in the second half, but couldn't get by the Saints' defence men who were playing a great brand of football. Bert Dagger, at left full back, and McFarlane, at centre half, in particular, played stellar soccer. The Collegians took all the sting out of their attack by playing four forwards, the combination was broken up and their attacks consisted of a series of individual rushes, and when Lundie or Wilkinson did get the ball, they were very erratic.

The feeding of the Varsity halves was weak, although they were working hard. Phillips in particular showed up well, but Ternan could not do much at left half. Buckley at right tried hard, but was erratic. Baker and Mosher were the best men on the Students' side, whilst Crute at right back, was fair.

The Students pressed throughout the entire half and Mosher had little to do. On the other hand, Wells was never given a severe test as the Varsity's sharpshooters seldom got within shooting range of the Saints' custodian. Moreover he was well protected by his backs.

#### Saints Not Aggressive

The one point in which the losers excelled the Saints was on aggressiveness and many fans remarked that a combination of the two teams was what was necessary to make a good eleven. Because, although the Scotsmen are a much improved bunch, they lacked a certain sting in their attack which will militate greatly against their chances of winning the provincial championship.

Robson, their new inside left, was a passenger, and Freddy Wilson seemed to be too conscious of the grandstand. It is more than possible that if the field had been deluged with rain that the Collegians with their long passing open game

would have beaten the short passing more finished Saints.

Saint Andrews will now meet the winner of the North Vancouver Elks and Sapperton game, and unless the unexpected happens, the Scotsmen will win the coveted Mainland mug this season. But they will have to step to win the league as the Longshoremen are showing the way by one point at present. The next best game of the year, will be when these two teams meet to fight out the league leadership.

## Varsity Track Men Show Up Well In Eliminations

Varsity track eliminations were held yesterday afternoon at Brockton Point, and some fair talent was displayed, particularly in the weight events, where it is expected that Ramsell of Science '25 will break all former records. Two new events to be included on the programme are the 16-lb. shot and the hammer. The latter is entirely new and no eliminations were held.

Greggor, Ramsell and Pottinger were the first three men in the shot, whilst Eric Lazenby and Kelly of Arts '27 were the leading lights in the javelin event. Ramsell and Kelly are the pick in the discus. Kelly is a new man and big things are expected of him in the future.

In the sprints Les McKay of Agriculture upset the dope by winning all his heats in the 100, 220 and 440 yard events. Warren of Science '26 meets him in the finals. Garret Livingston, the crack U. B. C. sprinter, is not running this year. Pete Palmer is also on the retired list.

In the distance events, Carl Barton and Les Buckley appear to be the pick, and when they meet in the mile event it should be a close affair. H. Arkley of Arts '25 is entered for the half. Hope of Agriculture will be another serious contender for distance honors and Mulherne of Arts '27, who distinguished himself in the relay recently.

In the jump events some good talent was displayed, especially in the high jump, and it looks as if the Varsity record holder, Hugh Russell, will have to step to defend his laurels against Winn and Hatfield of Arts '27. The broad jump material was not so good. No eliminations were held in the pole value, but it is expected that Pete Demidoff will cop the event again this year.

The most likely contenders for the track championship appear to be last year's track champion, Hugh Russell, who is placed in five events. Hyslop of Arts '24, Ramsell of Science '25, whose efforts are confined entirely to weights, and perhaps Buckley of Agriculture, who is also placed in five events, but they are nearly all distance events.

Agriculture and Science '25 appear to be the closest competitors for class championship.

## Science '26 and Arts '24 in Finals

In the rowing, lapstreak races held on Saturday, over the Coal Harbor course, Arts '24 and Science '26 won the right to meet in the finals in the inter-class meet.

Arts '24 won over the Agricultural team in the fastest race of the day.

## Varsity Suggests New Soccer Governing Body

TOMORROW night soccer clubs affiliated with the Lower Mainland Football Association will meet in the Great War Veterans rooms to discuss the proposals of forming a new governing body for soccer. It is proposed that the body be a neutral one. The Varsity are the agitators for the new body, and have the support from other clubs, although there is also much opposition amongst the clubs. The following letter outlines the changes that the students are anxious to make:

Secretary of the Lower Mainland Football Association:

Dear sir—On behalf of the University soccer club we wish to submit for consideration the following amendments to the constitution of the L. M. F. A. (Vancouver district).

1. Deletion of clauses 3 and 4, and the following inserted:

(a) The officers of this association shall consist of honorary president, honorary vice-president, member of neutral board and the president, vice-president, secretary-treasurer and assistant secretary-treasurer of the executive.

(b) The neutral board shall consist of president, vice-president, secretary and two other members. No member of this board shall in any way be connected with or have association with any club in the district.

(c) Duties of the neutral board shall be to deal with all protests, players, officers or clubs reported for any breach of laws of the game or rules of this association.

2. The executive shall consist of president, vice-president, secretary-treasurer and assistant secretary-treasurer, and one member from each league or division operating in the district. They shall transact all the remaining business of the association, shall have full control of all cup competitions and shall hear and decide on appeals from the management committee of the different leagues operating in the district. No member of the executive to vote or debate on any matter effecting the body he represents.

Addition to clause 7, section 3 (duties of secretary-treasurer).

He shall immediately notify the secretary of the neutral board of any business for its consideration and shall see that all reports on players, clubs or officials reported for breach of any laws of the game or rules of the association of any correspondence relating to same is in possession of the board. He shall secure from the board a copy of the minutes of their meeting.

3. The neutral board must meet within seven days following the date the report is placed in their possession. The president shall only have power to vote when required as a deciding ballot. The secretary shall keep a record of all meetings and

carry on any necessary correspondence with secretary-treasurer of the executive. He shall not handle any moneys of the association.

Clause 7—Change duties of officers to "duties of officers of the executive."

Clause 7, section 3—The secretary-treasurer shall keep an accurate record of all general and executive meetings and carry on all correspondence for this association, both of executive and neutral board.

Clause 4—Control of clubs and players. Change executive to neutral board.

Clause 5—Change executive to or neutral board.

Clause 6, line 4—Change executive to neutral board.

## KEEN FIGHT ON AT UNIVERSITY

Another candidate for the presidency of the Alma Mater Society of the University of B. C. was announced on Tuesday, when it was found that Wilfred Kelly, Arts '25, had consented to run at the last minute on Monday and his nomination papers were in the hands of the secretary of the students' council shortly before the nominations closed at midnight. It was assumed at first that Dal Grauer would be elected as his were the only papers filed by 9:30, and it was not until Tuesday it was known that there would be an election.

Both the candidates are well known in the college and both are well qualified for the position. Both have been members of international debate teams, both are good athletes and both are clever students. Mr. Kelly is also a member of the Players' Club and was one of the stars in the Christmas plays. He is also a scholarship man and a returned soldier. A keen fight for the presidential honors is expected before the voting takes place next Monday.

## Varsity Rowers Lose Both Races To V.R.C. Crews

Varsity senior and junior fours on Saturday afternoon were defeated in their respective races by crews from the Vancouver Rowing Club. In the junior races the club's crew won by eight lengths, while in the senior event the blue and gold crew finished just a length behind.

In an inter-class race Science '26 added four points to their total in the race for the Governors' Cup when they won over Science '24 by half a length. The latter squad secures three points as a result of the race.

The results of the races and the crews were: Coach boat with lady coxswains, Letson, McKee and Grace Hilton, Science '24, beat Demidoff, Callander and Mrytle Nixon, Science '25, by 3 lengths. Double sculls, Oliver and Bain beat Seymour and Ellis by 2 lengths. Vancouver beat Varsity juniors by eight lengths. Vancouver's team was G. Finlayson, S. Angus, D. Finlayson and E. Roberts. Varsity—Mounce, Plummer, Steede, Smitheringale.

Vancouver beat Varsity's seniors by one length. Vancouver—Kayll, Hutcheson, Hillman, A. Roberts. Varsity—Jones, Bain, Oliver, Zoond.

Interclass four, Science '26, beat Science '24 by half a length. Science '26—Norman, Bain, Oliver, Barton. Science '24—Geigerich, McKee, Letson, Smitheringale.

## NATIONALS VS VARSITY

The Nationals will meet the Varsity on Saturday afternoon. The Nationals will be represented by the following players: Roots, Arnold, Stewart, Cross, Smith, Reid, Blatchford, Stibbs, Fairweather, Donaldson, Butters, Oddy and Wedge.

Players are requested to meet at the park not later than 2:30 p.m.

## Varsity Wins Over Nationals

Varsity boosted their league average at the expense of the Nationals at Athletic Park last Saturday in a first division league fixture, winning 2 goals to nil. It was rather a listless game and although the Students had it all over the Railwaymen they were palpably weak in their shooting.

The first count came toward the end of the first stanza when Tommy Wilkinson took a free kick from away out and dropped the ball in under the bar. The National goalie should have saved it, but he apparently thought it was going over.

The Students presented a strange line-up in the first period, Phillips playing centre forward. Gee Ternan at centre half, Baker on the forward line and Wilkinson at full-back. Tanny Butler replaced Ledingham, who was hurt last Saturday, at left half.

After the interval Phillips went back to centre half and Ternan played centre. The Nationals worked hard but were seldom in the picture, and Mosher had a pretty easy time of it. The loser's goalie was kept pretty busy by Ternan and Baker. The latter took part in some nice combination work but did not seem able to shoot accurately.

The second goal came well on in the second half after the Varsity had been pressing continuously. Huestis received the ball on the wing and scored from a different angle.

Larry Reid and Arnold were the pick for the Westminster men, whilst Butler and Crute played a good game for the Collegians. This result practically assures Varsity's position in first division and the outlook for the Nationals is none too bright.

## Varsity In Track Meet Tomorrow

Over 30 events have been listed for the track and field meet that the Varsity is staging tomorrow. Co-eds of Arts '26 and '27 will contest the finals in the relay race, as Arts '26 were eliminated yesterday when they fumbled the stick. Following the track meet Wednesday the Students' swimmers will clash with representatives from St. Marks at Chalmers tank.

### U. B. C. Girls To Meet Willamette

Co-eds of the University of B. C. will meet representatives from Willamette University in an international debate for women on Friday night in the King Edward High School auditorium.

The subject chosen is, "Resolved that French forces should immediately evacuate the Ruhr Valley." The B. C. women will uphold the affirmative. Winnie Cawther and Greta Mather will represent the local college, while the visitors will be Esther Moyer and Elaine Oberg.

## DAL GRAUER IS NEW PRESIDENT

A. E. Grauer was elected president of the Alma Mater society of the University of B. C. Monday when he defeated Wilfred Kelly in the largest poll in the history of the local college which totalled 958 votes. Grauer secured 708 votes against 145 in favor of Kelly. Grauer has already had experience on the students' council as he is serving there this year as president of the literary and scientific department and is therefore well versed in the duties of the president.

The students' council Monday night appointed T. W. Brown editor-in-chief of the publications board and, ex officio, to a seat on the council. Mr. Brown, who has been an associate editor of the "Ubysey" this year, will assume full charge of both the paper and the annual.

There will be further elections on Monday when the treasurer will be decided upon. As there are five candidates, it promises to be a keen contest. There are, Gordon Abernathy, Science '25; Lyle Atkinson, Agriculture '25; Archie Fee, Arts '25; Joe Kania, Arts '25, and T. J. Keenan, Arts '25. The secretary will also be elected next Monday if it is necessary, but as Miss Elsie Rilanee, Arts '25, was the only nominee late Monday night, it is considered probable that she will be elected by acclamation. ### Varsity Boxers Drop Four Of Six Bouts To U. Of W.

SEATTLE, March 17.—University of Washington's boxing team won its first intercollegiate meet in the gymnasium here Saturday night, defeating the University of British Columbia team in four out of five matches.

Ralph Beamer, Washington, 145 pounds, scored the only knockout of the tournament, giving Bill Rogers, British Columbia, the count in the second round.

Allen Weymouth, Washington, 115 pounds, won a three-round decision over Joe Brown, British Columbia. Ed. Mulhern, British Columbia, 125 pounds, defeated Art Vassar, Washington, in four rounds. Bill Bowman, Washington, 135 pounds, had an edge over J. Lowden, British Columbia.

Lawrence Meade, Washington, 158 pounds, obtained a four-round decision over Jack Ledingham, British Columbia. "Pug" Greggor, British Columbia, outpointed Percy Lloyd, 175 pounds, in four rounds.

## Varsity to Hold Annual Track Meet

All Lectures Cancelled Tomorrow for Big Athletic Event at U. B. C.

TOMORROW afternoon will be a big day for Varsity sport fans. All lectures will be cancelled, the occasion being the fourth annual track meet at Brockton Point. The meet commences at 1:30 p.m. and some good talent is lined up for the various events.

A feature of this year's meet will be the women entries. Last year the Varsity track women contented themselves with running off a half-mile relay race. This year the co-eds are going to step right out, and four new events have been added to the regular Varsity programme, namely, the high jump, throwing the basketball, 75 yard dash and 220 yards.

The two strongest relay teams are generally conceded to be Aits '25 and the Freshettes. Of the former Doris Shorney is the leading light and Isabel Russell runs her a good second. In throwing the basketball several of the women's hoop team members will have a chance to show their wares.

Another novel feature of the U. B. C. meet this year is that an admission of twenty-five cents will be charged at the gate, the total proceeds to go toward the Varsity Campus fund for the establishment of playing field at the Point Grey site. With this object in view the meet should be an unqualified success and the attendance of any Vancouver fans will be more than welcomed by the students. Refreshments are going to be served by the agricultural students of the Varsity and all proceeds turned over to the fund.

The competition in the men's events promises to be very keen and it is expected that many of last year's records will go by the board, particularly in the weight events and the long distance races.

The judges will be Dr. Bricker, John Cameron and Bert Davidson; referee, Dr. J. G. Davidson; timekeepers, O. B. Allan, Professors Davis and Logan. Starter, George Goulding.

Following is the list of events in order of running: 120 yard hurdles, half mile, women's throwing the basketball, broad jump, 100 yards, 16-lb. hammer, women's 75 yards, high jump, pole vault, 1 mile, women's 220 yards, men's 220, 16-lb. shot, women's relay, half mile, javelin, 440 yards, discus, men's half-mile relay, women's high jump, three miles open.

## CABARET STUNT TO BE HUMMER

The cabaret committee for the Alumni Ceilidh claim that their "act" will be the feature of the evening, March 21, when the alumni of the University of British Columbia stage their big jollification.

One insurance of the cabaret's success is that the jolly music will be in charge of Joe Kania (Sc. '26), leader of the Y's men's 8-piece orchestra.

The decorations in the cafeteria, which has been set aside for the cabaret, will be in keeping with the season of the 17th of Old Ireland. Paddy green and white is the scheme for mural adornment and Irish cobblers will be the "piece de resistance" on the refreshment menu.

Keep the time, the place and the g in mind. ES-12.3.24

### St. Mark's Swimmers Outscore Varsity

By eight points St. Mark's swimmers defeated the Varsity's aquatic stars at Chalmers tank last night in a friendly meet. The two teams were of about even strength. In the diving contests the Saints were just able to grab the events with one lone point over the students. The polo game was cinched by the Saints, and Charlie Hill, the champion breast stroke exponent gave an exhibition, winning against a handicap of six seconds.

### Varsity Cagers Lose To Royal City "Y" 36 To 20

NEW WESTMINSTER, March 17.

In one of the hottest cage contests seen on the "Y" floor this season the local "Y" trimmed the "Rah Rah" boys, 36 to 20, on Saturday night. At half time the score stood 9 to 9, but soon after the resumption of play it was seen that the local boys were the better, their attacking being brilliant and their checking of a very close nature, although sometimes a trifle rough. Referee Herb was too easy with the players. Teams—Y.M.C.A.: McDonald (5), Paulson (16), E. Lewis (9), G. Currie (6), Hudson, Grimston; total, 36.

Varsity—H. Henderson (9), Newly (1), Arkley (2), Mackay (5), A. Henderson (3), Hemingway; total, 20.

New Westminster Technical beat the King George in a preliminary tussle.

## Kitsies Fail <sup>8. Sun</sup> - To Extend Varsity; Ten Goals Scored

Varsity swamped the Kitsies 8-2 at Con Jones park last Saturday in a first division league fixture. The Students had it all over their rivals and took the field without their star goalie, Mosher. Gee Ternan, after netting the pigskin early in the first stanza, was forced to retire with a sprained foot, the Collegians then continued most of the game with ten men. Jim Miller's squad were woefully weak and seldom took a shot at the Varsity goal. Emery and Lundie scored for the winners, bringing the score up to three at the interval.

Upon resumption of play Lundie scored two more and Wilkinson brought the count up to six. Then the Kitsies staged a comeback and scored twice on Buckley who was substituting between the posts for Mosher. Eb Crute took a long shot from a way out which beat the losers' net minder. Later in the game Lundie scored his fourth and the team's eighth goal.

The result of this game assure Varsity a place in the first division; in fact the Collegians will be about the middle of the standing if they beat Westminster next week. The two teams that will be relegated will undoubtedly be the Nationals and Kitsilano.

## Special Cup Is Presented To Varsity Athlete

U.B.C. students yesterday afternoon expressed their feelings towards Geh Ternan, when for the first time since the local seat of learning first opened its doors a special cup was presented to the young Athlete in recognition of his athletic activities at the Varsity. Geh graduates this year and the students accorded him the greatest athletic honor that could be bestowed to any graduate or student when they presented him with a special cup.

President Jack Grant of the students' body eulogized Ternan as the greatest athlete that the Varsity has yet produced, and a recommendation has been left for future students that only for the greatest recognition must a cup be awarded to any one athlete.

Geh is known as a superior rugby player on the soccer field, on the basketball floor, and has worn the Varsity's colors in senior hockey.

An all-around athlete Ternan leaves the Varsity this year, and one of the big questions in rugby circles is what team will he play for in 1925.

## AIDS STUDENT CAMPAIGN

*e. Sun 19.3.24*

Mrs. J. W. Howey, of New Westminster, who is a patron for the "Cedilih" to be held in the University Buildings under the auspices of the Alumni Association of the University of B. C., on Friday. The affair is in aid of the students' campaign to provide funds for the new athletic equipment at Point Grey.

## PLAYERS' CLUB OFFERS DRAMA

*e. 22.3.24*

### Other Cities Loud in Praise of Echegaray Play

The ninth annual offering of the Players' Club of the University of B. C. will be a play of intense interest and unusual dramatic power, "The World and His Wife." This former vehicle of Sir John Martin Harvey and William Faversham will be produced at the Orpheum on Monday and Tuesday evenings next. The production, with distinguished patronage, and staged with attractive new scenery and effective Parisian costumes, will be one of the most interesting of the season.

The Players' club made its first appearance in this city some nine years ago. Since then the annual offering has grown in popularity until it now has the unique record of appearing in fifteen points in the province. In this way the varsity players are contributing much to community drama.

This brilliant play of Spanish society by Jose Echegaray, the noted dramatist, is an assured success with Miss Betty Somerset, Messrs. Peter Palmer and Henry Cross in the principal roles. Others in the cast are Miss Alfreda Berkeley, Miss Avis Pumphrey and Messrs. Alex Zoond, Tommy Taylor, Fraser Lister and Carmen Sing. The performances in Nanaimo and New Westminster this week were acclaimed the best ever offered by this capable organization, and the performance of Monday evening will be marked by the ease of a professional company.

## Varsity Players Are Entertained At Informal Tea

*e. 29.3.24*

Prof. and Mrs. A. F. Clark of the University of British Columbia entertained the members of the University Players' club at a most delightful informal afternoon tea today at their artistic home on the sunny slopes of Kerrisdale.

Bowls of sweet white hyacinths centres the tea table which was presided over by Mrs. W. H. Wood and Mrs. F. H. Soward.

Among the guests were Prof. T. G. C. Wood, Miss Molly Jackson, Miss Elsie Rilance, Miss Winks Hall, Miss Jean Faulkner, Miss Jean Thomson, Miss Alfreda Berkeley, Miss Murial Evans, Miss Betty Somerset, Miss Eloise Angell, Miss Mildred Teeple, Miss Dorothy Holmes, Miss Lillian Cowdell, Miss Eleanor Ormrod, Miss Joan Meredith, Miss Josephine Paradis, Miss Rose Marin, Miss Gertrude MacInnes, Miss Roberta Thurston, Miss Kathleen Allen, Miss Winnifred Loyes, Miss Barbara Calland, Miss Marion Cameron, Miss Avis Pumphrey, Miss Enid Smythe, Miss Barbara Sterling, Mr. and Mrs. T. Larsen, Mr. Percy Barr, Mr. Gordon Letson, Mr. Peter Price, Mr. J. Bennett, Mr. J. Hackness, Mr. Louis Smith, Mr. Jerry Thompson, Mr. R. O. Norman, Mr. E. R. Chamberlain, Mr. Carmen Sing, Mr. Peter Palmer, Mr. Tommy Taylor, Mr. Alex Zoond, Mr. H. B. Cantelon, Mr. H. N. Cross, Mr. Lloyd Edgett, Mr. Garrett Livingstone, Mr. Howard Goodwin, Mr. G. S. Miller, Mr. Dave Charlton, Mr. Wilfred Kelly.

# "Ceilidh" Proves Great Success At University

College graduates all over the world flock to the assistance of their Alma Mater whenever such assistance is required, and graduates of B. C. are no laggards.

With all the verve of the old-time street carnival was staged in the University of B. C. buildings, last night, the "Ceilidh", a jollification, as the name suggests, arranged by the energetic alumni members of the local varsity.

The affair, planned on an extensive scale, has been an orgy of work for the college graduates for the past several weeks, but a satisfactory financial result from Friday night's celebration will very materially assist with the athletic equipment for the new varsity halls out at Point Grey.

Carnival spirit ran riot with the more dignified amusement of the ridge table or Mah Jongg players, and dancing in the auditorium proved popular with most of the guests.

Various years had arranged various counter attractions and quite a feature of the evening was the series of college "yells" to the accompaniment of the students' band when Mr. Gordon Meekison, former yell leader at U. B. C., led the activities.

A smartly attractive cabaret was put on in the cafeteria building by members of Arts 23 under the direction of Mr. Jack Clyne and Mr. Joe Brown, and Arts 17 were responsible for a charming one-act play.

Along with the minstrel show was run a playlet of H. V. Esmond's: "In and Out of a Punt," which was starred by members of the Little Theatre Association.

A thrill was provided by the bandit car which was installed in the shooting gallery by Inspector T. V. Sandys-Wunch of the R. C. M. P. and a former Bisley champion.

There was also a radio concert, a waltzing competition and innumerable other interests of the gypsy nature.

Patronesses for the evening were Mrs. L. S. Klinck, Mrs. R. E. McKechnie, Mrs. R. W. Brock, Mrs. George Swaisland, Mrs. O. L. Boynton, Mrs. Taylor, Mrs. Howay, Mrs. J. M. Letson, Mrs. F. R. McD. Russell, Mrs. J. W. DeB. Farris, Mrs. B. T. Rogers, Mrs. W. R. Owen and Mrs. R. P. McLennan.

# NOTED ACTRESS IN VANCOUVER

## Edith Wynne Mathison to See U.B.C. Players

Miss Edith Wynne Mathison, famous British actress, accompanied by her husband, Charles Rann Kennedy, noted dramatist, arrived in Vancouver Sunday night from San Francisco, and is a guest at the Hotel Vancouver.

Tuesday night, with Miss Margaret Gage of New York, they will be the guests of the University Players to witness the students' production of "The World and His Wife" at the Orpheum.

Mr. and Mrs. Kennedy, with Miss Margaret Gage, will be seen in Mr. Kennedy's latest play, "The Chastening," on Monday night, March 31, in Vancouver. They will leave for Portland and Seattle on Wednesday night, returning to this city next Saturday night for their engagement.

The next few weeks promise to be unusually interesting in musical and dramatic treats, both in the matter of outside stars and local productions. Our University Players will give at the Orpheum on Monday their opening local performance of what is, I understand, an extremely powerful three-act drama, "The World and His Wife." This is, I am told, by far the most gripping three-act play these young actors and actresses have tackled. I have seen most of their performances and they have quite a number of successes to inspire them—though not in just this type of play—and they will have given performances at New Westminster and Nanaimo before they appear here. So we may expect something worth while.

# 'U' PLAYERS ARE WELL RECEIVED

## Members of the Cast Carry Their Parts Adequately

The capacity audience which filled the Orpheum theatre last evening gave the University Players a reception worthy of the performance itself and of the nine years' record of that sterling organization. In "The World and His Wife," a brilliant facet of Spanish society which has been played by the famous British actor, Sir John Martin Harvey and his company, the University Players added another to their long string of successes. From the rise of the curtain until the close of the performance, the play was presented smoothly without that sense of nervousness which quite often marks the work of amateur actors.

At the close of each act the players were accorded ovations. The scenic effects and costumes were attractive and the cast was well chosen. Headed by Miss Betty Somerset, who has already proven her ability to fill stellar roles, every member of the company carried his or her part adequately. As "Dona Teodara," Miss Somerset's portrayal was highly satisfactory. She proved equal to the exacting demands of the character. The leading male roles were carried by Peter Palmer and H. N. Cross, both proving worthy of their opportunities.

Alex Zoond as brother of the husband, and Alfreda Berkeley, as his wife, were excellent. The remaining members of the cast were Tommy Taylor, Fraser Lister and H. Carmen Sing.

The story points out the disaster which gossip can bring into a happy household.

The faculty was well represented and the evening was a brilliant social as well as histrionic success. Lovely floral tributes were presented to the ladies.

# Oxford Sending Debaters Here

A debate between representatives of the University of B. C. and Oxford University is to be staged this fall, according to an announcement made yesterday at the U. B. C.

# Students Will Lose Only Lundie

## Soccer Team Will Be Strong Next Year—Guernsey Is President of Club

THE Varsity soccer club held its elections yesterday afternoon and Jack Guernsey was appointed as president. Prof. E. A. Lloyd was nominated honorary president. Prof. Lloyd has acted for the last two years in the capacity of coach, but the Collegians expect to get an outside man for next year.

Other officers elected were Bobby Jackson, vice-president, and Art Mercer, secretary-treasurer. Chubb Arnott will again manage the first team, while John Liersch and Melish will handle the second and third team squads.

The prospects for next year are very bright for the round ball game at Varsity. The first team is only losing Jock Lundie, their centre forward, and Gee Ternan. It is expected that Rex Cameron will be back taking post graduate work, which will greatly strengthen the students' forward line. The students have developed two of their second team men, Tanny Butler and George Ledingham, which will help them out next year.

The managers of the three teams are going to get together during the summer and get their teams lined up. Several soccer players now attending the local college are playing on outside teams, chiefly because they signed before coming to Varsity. It was decided at the meeting that every effort should be made to acquaint those coming to Varsity with the fact that there were three teams in which they might get a chance to display their talent.

Ed Crute was made a life member of the club in recognition of his services as the originator of the first University soccer team. This is not establishing a precedent, however, as there will probably not be another such as Crute.

# LAST SEASON

WHEN the Varsity Soccer Club met in their annual confab yesterday they checked up and discovered that Jock Lundie (below) is the only member of the squad who will not be with the squad next season. Lundie is completing his course and will automatically drop out. It will be a long time before Varsity secures a better centre forward.

## U.B.C. CEILIDH NETS \$1233

E.S. Apr 9

### Fund Will Go to New Athletic Field

Graduates of the University of B. C. raised \$1233 towards the fund to establish sports grounds at their recent celebration or "Ceilidh," held in the university auditorium. The report of the treasurer, W. O. Banfield, was received today and showed that this amount would be turned over to the students' fund. As all expenses in connection with the entertainment were borne by the graduates the gross receipts went toward the campus fund.

## CUPS AWARDED FOR LIVESTOCK JUDGING

### Varsity Students Competed On Government Herds At Agassiz.

Nov  
Apr 10

Winners were announced at a meeting of the Livestock Club of the University of British Columbia at noon today of livestock judging competitions held at a visit to the government herds at Agassiz. Thirty students, in charge of Professors Davis and Jones, judged cattle, horses, sheep and swine. With fitting ceremony cups were presented. Mr. Jack Berry Agr. '27, won the "Lady Jane" Championship Cup, purchased for annual competition with funds derived from prizes won by the world's champion Jersey cow, now at the University farm. Mr. Berry also won an individual cup.

For high totals in the freshman class, Miss H. R. Milne, also of Agr. '27, won a cup by reversion from Mr. Berry. Four cups presented by the faculty were won by Messrs. L. W. McKay, '25, in horse judging; J. C. Nelson, '26, dairy cattle judging; H. Asher, '27, sheep judging, and D. Thompson, '25, swine judging.

The first four in the competition were Messrs. Berry, Arthur Aylard, '25, Miss Milne and Mr. McKay.

Mr. Aylard is the new president of the Livestock Club, it was announced. Other officers are: Hon. president, Professor H. L. Davis; vice-president, Mr. Nelson, and secretary-treasurer, L. W. McKay.

## Academic Year '24-'25 To Open September 23

The calendar of the University of British Columbia for the session 1924-25 has just been issued, and is now being distributed to the students and the members of the various administrative bodies of the university.

The academic year 1924-25 opens September 23 and closes May 7. This academic year or session is divided into two terms. The first begins on Tuesday, September 23, 1924 and the second on Monday, January 5, 1925. E.S. 28.4.24

## FOR GRADUATING CLASS

MRS. J. J. BANFIELD

CLASS members of Arts '24 of the University of B. C. will be the guests of Mr. and Mrs. J. J. Banfield at their cottage on the North Arm on Saturday, May 3, one of the many festivities planned for this year's graduating classes of the 'Varsity.

## Teaching Fellowship For "U" Instructor

J. E. Boss, 62, assistant instructor in chemistry at the University of British Columbia, has received word that a teaching fellowship in chemistry at the University of Illinois has been granted to him. He is the son of Mr. and Mrs. Morley T. Boss, 2421 Alberta street. He took his Bachelor of Arts degree in 1921, his Master of Arts in 1923, and last year was appointed to assist Dr. E. H. Archibald, professor of chemistry. E.S. 1-5-24

## Students Attend Special Service

A special service for the graduating students of the university was held last night in Christ church when the sermon was delivered by Rev. H. R. Truempour. It was largely attended, the students being led by Dr. L. S. Klinck, president, and Dr. R. E. McKechnie, chancellor. E.S. 28.4.24

## UNIVERSITY GRADUATING PICNIC IS HELD c. 8. 24

**F**AVORED by exceptionally fine weather, many of the students of the graduating classes of the university attended the graduation picnic held Saturday at Wigwam Inn, where the day was spent in boating, dancing and hiking. The three graduating classes were represented at the outing, but the majority of those present were from Arts '24.

Leaders in every branch of the university activities are represented in the group of graduating students.

Jack Grant, president of the students' council of 1923-24, as well as several members of the governing body, are present, along

with leaders in the athletic field. "Al" Buchanan, "Jack" Lundie and Gordon Hislop are three of Varsity's big block letter men shown above.

Lorne Morgan and several other debaters who will graduate may be seen, while Betty Sommerset and Henry Cross, leaders in the Players' club production, are in the group.

Among the professors shown are Dr. Mack Eastman, honorary president of Arts '24, and Dr. J. G. Davidson.

Each year the graduation picnic has been one of the happiest affairs of graduation week. The students judged Saturday's outing to be one of the best functions of the college this session.

## UNIVERSITY GIRLS WILL BE PROMINENT

MISS RENA McRAE

**V**ARSITY festivities are the principal items on next week's social calendar for the younger set and the students of the graduating class of the U. B. C. are preparing to participate in a round of gaudies lasting until congregation day next Thursday, when degrees will be awarded by Chancellor R. E. McKechnie and the members of the '24 graduating classes will be received into the alumni of the university.

Prominent among the girls of the graduating class are Miss Rena McRae, vice-president of the

# G. RIDDEHOUGH IS WINNER OF HIGHEST HONOR

## Gets Governor-General's Gold Medal--- Geoffrey Bruun and Lucy Ingram Are Runners Up for Premier Place

Geoffrey Riddehough won the governor general's gold medal for scholastic proficiency, the highest honor at the university, it was announced today by the senate. Geoffrey Riddehough is an honor student in English at the U. B. C., where he has been a consistent scholarship man. He has just received notice that he has been appointed to the teaching staff of the University of California at Berkeley.

Geoffrey Bruun and Lucy Ingram, runners-up in the contest for premier honors, won the Historical society medal and the Alliance Française gold medal. Mr. Bruun has also received word that he is appointed to the staff of Berkeley. Miss Ingram, who is a consistent winner in the college examinations, is one of the best co-eds the U. B. C. has turned out.

Winnie Cawthorne, co-ed international debater, was successful in winning the Anne Westbrook scholarship for post graduate studies. Percy Barr, Science '24, won first place in the Applied Science examinations and carried off the scholarship offered by Dean Brock. J. C. Wilcox topped the students in the graduating class in agriculture. He has won scholarships every year since he has been at the college. He won high marks for his honor thesis.

Joseph Brown, Arts '23, who has been carrying on post-graduate work at the college has received the University scholarship of \$200.

Other scholarship winners along with complete examination results were also approved by the Senate this morning. Results of examinations for partial students do not appear here. Detailed results in various subjects will be announced at the university Monday.

The results are as follows:

### Successful Affair Held Today for Varsity Students

The attractive lower dining-room of the Hotel Vancouver was the scene of one of the most delightful social affairs of convocation week this afternoon, when the members of this year's graduating classes of the university were guests of President and Mrs. L. S. Klinck.

Dean and Mrs. F. M. Clement and Miss M. L. Bollert helped the president and his wife to receive the young guests.

Masses of spring greenery decorated the alcoves and balconies of the room, and presiding at the daintily-arranged tea table were Mrs. R. L. Reid; Mrs. Chris Spencer, Mrs. Joe M. Ellis, Mrs. R. P. McLennan, Mrs. H. C. Shaw and Mrs. Denis Murphy.

President Scholz of Reed college and Mrs. R. F. Scholz were guests of honor at the affair. During the afternoon musical selections were given by well-known local artists.

Besides the grads, the invited guests included Chancellor and Mrs. R. E. McKecknie, Hon. Justice and Mrs. Murphy, Mr. and Mrs. R. L. Reid, Mr. and Mrs. Chris Spencer, Mr. Campbell Sweeney, Mr. and Mrs. R. P. McLennan, Dr. and Mrs. R. L. Fraser, Mr. and Mrs. J. W. deB. Farris, Mr. and Mrs. J. N. Ellis, Mr. and Mrs. H. C. PRESIDENT SCHOLZ  
DELIVERS ADDRESS

Tells Graduates What They  
Will Find When They  
Leave Universtiy

DR. RICHARD F. SCHOLZ, president of Reed College, delivered the congregation address at the University yesterday when the graduating students assembled to receive degrees at the hands of Dr. R. E. McKechnie, chancellor. A new record for the number of graduating students taking the bachelor degrees was established when 99 B.A.'s were awarded, along with 43 B.Sc.'s, including five in Nursing and 11 B.S.A. degrees. There were 12 master degrees awarded, including nine in Arts, two in Agriculture and one in Applied Science.

Geoffrey Riddehough, winner of the Governor General's gold medal for proficiency at the U. B. C., was given a great reception when he went forward to get his degree. He again received a rousing ovation when Dr. J. D. MacLean, Minister of Education, presented him with his medal.

#### MUST UNDERSTAND ALSO

"It is high time an attempt should be made not only to know but to understand," said Dr. Scholz, during his congregation address to the students. Dr. Scholz took as the subject of his talk, "Visions and Revisions," telling the graduates what they will find when they leave the University. He dealt with the unbalanced conditions of the present day due to the war, the rapid accentuation of unguided knowledge and the difference of age in the inner and outer self of a man.

He spoke of the over-specialization of the age and stated that understanding and meaning has been lost in the mechanical devices of labor and specialization. Some people, according to the speaker, say that this

Turn to Page 13, Col. 1

understanding cannot come back. "I refuse to believe this," he said, declaring that an attempt must be made to bring all these branches of specialized work together in a unified whole.

Speaking of the shrinkage of the world due to accelerated speed, he stated that 50,000,000 people and centuries are neighbors and that the inner environment of man is out of harmony with his outer.

#### NOT BY BULLETS

"The world is a neighborhood without neighborliness," said the speaker, illustrating his declaration by the recent war and the threatened trouble between United States and Japan. Stating that this condition can only be changed by education of the right kind, the speaker said: "We will have to solve these problems by human terms and not by bullets."

"There is only one way: it is in education," said Dr. Scholz, speaking of solving these problems. He defined education as "a task of making men and women fit for human institutions, and to use them wisely."

Part of the task of education, according to the speaker, is to see that the students are better and better men and women as time goes on. Securing and maintaining a liberal mind is one of the results of education.

Stating that there is now a turning point in the world and that the humanitarian is taking its high place with the purely scientific he said that we are in an age of human relationships dealing with motives of man. The spread of the art of self-government and liberty under law were manifestations of this, according to the speaker, who condemned instantaneous reversion.

#### NEED TO LOOK FORWARD

Speaking of the Russian revolution, Dr. Scholz declared: "A man has got to achieve his democracy." He did not believe that Russia was ready for hers. Lenine had looked back upon the French revolution instead of into the future, according to the speaker, who said: "What we need is statesmanship that looks forward."

In concluding his address he stated that it was an obligation of the graduating students to always be as intellectual as possible in any questions that arise and urged them to be above petty opinions and prejudices. He told them to be critical-minded and to couple knowledge and understanding with imagination and visions. Above all, he said, they must ally themselves with truth and retain the spirit of truth.

"This is the liberal education for life," he said.

Dr. L. S. Klinck introduced the speaker. Dr. McKechnie also said a few words on the plans of the students who are leaving. Dr. MacLean stated during his address that the students of the University came from the masses of the province and not from a few wealthy families.

#### EDUCATIONAL PIONEERING

"I am entirely and utterly opposed to the report of the Carnegie people that we are educating too many people," declared Dr. Scholz in his address to convocation at the University last night.

Dr. Scholz took as his subject, "Educational Pioneering," defining the pioneer as one who in a rural sense is a builder of civilization under new conditions. The present educational system in the United States came in for considerable criticism by Dr. Scholz during the course of his address.

According to Dr. Scholz the quality of education is raised by people liberally educating themselves after leaving the schools and colleges. The trend of educational pioneering, he stated, lies in the drive to break away from present methods and to institute in its place a liberal education which will send young people out into the world knowing to what objective they are headed and with a larger perspective of life.

#### UNIFIED CURRICULUM

He explained the objective that Reed College, of which he is president, is striving to reach. Dr. Scholz stated the need of a unified curriculum and a limit of numbers. What Reed College is establishing is a

After stating that a unity in human knowledge was to be desired above all things, Dr. Scholz said that course of study adjusted to each student and not a course of studies.

Commenting on the fact that in the United States students have started an honor system, Dr. Scholz said: "I think it is high time that we had an honor system behind the desk and stopped professors from delivering the same lectures four years in succession." This was greeted by a burst of applause.

"There is such a thing as joy in intellectual activity," he declared, "and we are not having it." Dr. Scholz brought out a point that cooperative teaching is necessary to the welfare of education. He said that teachers and researchers should not be separate personages, but should be one.

#### OFFICERS ARE ELECTED

a liberal education was the great need of the day.

He re-iterated the statement made earlier in the day relative to the power of the ballot. Dr. Scholz stated that the power of the ballot is just as far as one's knowledge goes and that when persons start to form an opinion they are bossed and controlled by the individual who knows what he wants.

Convocation was well attended. The following officers were elected for the year: Chancellor, R. D. McKechnie; secretary, J. S. Gordon; treasurer, H. H. Morris; executive council, Miss M. L. Bollert, John Allardvoe, Judge F. W. Howey, Miss Rena McRae and Miss Kathleen Peck; auditors, W. E. Graham and W. O. Banfield.

# GRADUATES RECEIVE DEGREES AT THE CLOSING FUNCTION OF BRITISH COLUMBIA UNIVERSITY

## Chancellor R. E. McKechnie Hands Out Awards; Dr. Scholz Delivers Address

Ninety-nine B. A. degrees, together with 43 B. Sc.'s were given out on Thursday when graduating students of the University of British Columbia assembled to receive their degrees at the hands of Chancellor R. E. McKechnie, establishing a record for the institution.

The number included five nursing degrees and 11 B. S. A. degrees. Twelve master degrees were also awarded, including nine in Arts, two in Agriculture and one in Applied Science.

Geoffrey Riddehough, winner of the governor general's gold medal, was given a great reception when he went forward to get his degree, and also later on when Dr. J. R. MacLean, minister of education, presented him with his gold medal.

Dr. Richard F. Scholz, president of Reed College, delivered the congregation address.

### SUBJECT OF ADDRESS

"Visions and Revisions," was the subject chosen by the speaker, who endeavored to picture to the students some of the conditions they would meet when they left the college, referring to the unbalanced conditions of the present day due to the war, the rapid accumulation of unguided knowledge and the over-specialization of the age.

"The world is a neighborhood without neighborliness," said the speaker, illustrating his declaration by the recent war and the threatened trouble between United States and Japan. Stating that this condition can only be changed by education of the right kind, the speaker said: "We will have to solve these problems by human terms and not by bullets."

"There is only one way: it is in

education," said Dr. Scholz, speaking of solving these problems. He defined education as "a task of making men and women fit for human institutions, and to use them wisely." Part of the task of education, according to the speaker, is to see that the students are better and better men and women as time goes on. Securing and maintaining a liberal mind is one of the results of education.

Stating that there is now a turning point in the world and that the humanitarian is taking its high place with the purely scientific he said that we are in an age of human relationships dealing with motives of man. The spread of the art of self-government and liberty under law were manifestations of this, according to the speaker, who condemned instantaneous reversion.

### RUSSIA NOT READY

Referring to the Russian revolution, Dr. Scholz said "a man has to achieve his democracy." He did not believe Russia was ready for hers. Lenine had looked back upon the French revolution instead of into the future.

"What we need is statesmanship that looks forward," he said. Above all, men must ally themselves with truth and retain the spirit of truth.

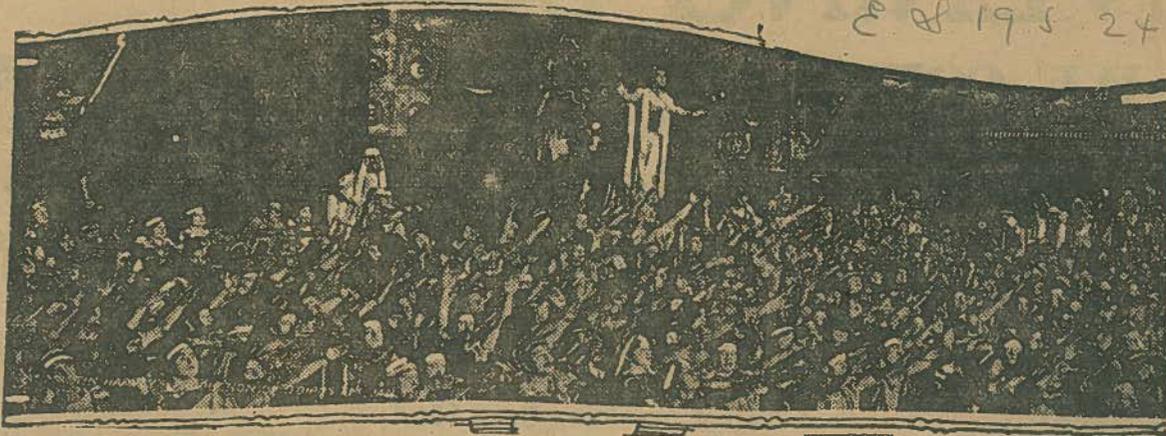

Dr. L. S. Klinck introduced the speaker.

Dr. MacLean also spoke, pointing out that the students came from the mass of the people and not from a few wealthy families.

Dr. Scholz also addressed the convocation at the university in the evening, speaking on "Educational Pioneering."

Convocation was well attended. The following officers were elected for the year: Chancellor, R. D. McKechnie; secretary, J. S. Gordon; treasurer, H. H. Morris; executive council, Miss M. L. Bollert, John Allardyce, Judge F. M. Howay, Miss Rena McRae and Miss Kathleen Peck; auditors, W. E. Graham and W. O. Banfield.

## U. B. C. STUDENTS ACTORS FOR A DAY

A GREAT opportunity for university students to study the work of Sir John Martin Harvey and his London company at close range will be afforded this week when the actor-knight presents his famous Greek play, Oedipus Rex." Approximately 100 University of B. C. students will be included in the cast as "extras."

Garbed in the habitment of citizens and guards of ancient Thebes, these students play a very important part in the big ensemble scenes, adding materially to the great dramatic moments of the play. Similar opportunities are presented in other

plays which are to be presented during the company's engagement at the Orpheum theatre, and the temporary employment for the students is made profitable as well as pleasurable.

During their present tour Columbia university, New York; Harvard, at Boston; McGill, at Montreal; Toronto at Toronto; Chicago, at Chicago; Manitoba, at Winnipeg, Saskatchewan, at Saskatoon, have each contributed their quota of extra student performers to whom the occasion was regarded in the light of a rare opportunity for study in the dramatic art.

Carl Tolman of this city, graduate of the University of B. C., has been awarded a fellowship by Yale university. Mr. Tolman will study geology.

# SEVERAL HUNDRED STUDENTS SPREAD TO ALL PARTS OF THE PROVINCE TO FILL COFFERS

## End of Term Means Looking for Work; Where Many Will Go

Now that strains of "Home Sweet Home" have marked the end of the last waltz of the last dance following convocation and other ceremonies and meetings of graduation week at the University of British Columbia, when every doubt as to the students' chances of passing the "exams." has been mercifully removed by the publishing of the lists in the newspapers, when the last penny of the season's allowance has been spent and the need of earning money for 1924-25 stares the student in the face—the students—men and women—are buckling down to fill the coffers for the coming year and to gain experience in the game called Life.

### EVERY LINE OF WORK

Mills, construction camps, mining camps, stores, offices of every variety, district schools, prairie farms, canneries, logging camps, garages and newspapers will absorb hundreds of the young men and women. One, and maybe more, will mark entrance and matriculation "exam." papers in June. Checking in a

fish cannery may not appeal to the imagination, but the young men who are going up the northern British Columbia coast for June, July, August and more expect to enjoy a summer in the open and to fill jobs far away from the city's temptation to spend money.

Prairie wheat farms and ranches in the foothills of Alberta will draw many British Columbia students, while others will seek work closer at home on the farms of the Fraser Valley and the Okanagan.

### WORK OF INTEREST

A general effort is being made by students to catch a glimpse this summer of the fields of work which interest them. The electrical engineer in the making will take a job at Stave Falls if the opportunity is to be had.

Young women will not be content to stay idly at home all summer, but they also will strive to fit themselves into the scheme of the business, industrial and agricultural world. A thousand students will distribute themselves over the face of British Columbia, and for four months 2000 keen eyes will watch and mentally note actual living conditions in the world outside the University of British Columbia.

Several hundred students are about to take a four months' summer course in the University of Life.

## STUDENTS WILL HOLD SESSIONS UPON ISLAND

### Summer Conference Will Have Prominent Speakers

Gambier Island has been chosen by the students of the University of British Columbia for their first-summer conference of the Student Christian Movement here. The conference will open June 1 and the camp will remain intact until June 27. Professor and Mrs. S. E. Beckett will act as patrons for the camp.

The programme as arranged by the members interested in the Christian Student Movement includes a study of the life of Christ from the Gospels during the morning sessions and this will be followed by short addresses upon practical and concrete subjects of interest. During the afternoon recreation in the form of bathing, boating, tennis and sports will be given full swing and in the evenings there will be groups for addresses and general discussion.

Those in charge of the arrangements stated this morning that they were fortunate in securing the services of Dr. H. B. Sharman and Dr. Richard Roberts, writers upon subjects of interest to the Movement, for the conference. Ernest Clarke, national secretary for the Student Movement, it was announced, will come from Toronto to take part in the discussions. Other speakers at the camp will be Dr. H. T. J. Coleman, dean of the faculty of Arts at the U. B. C., Helen Nichol, Harry Avison and Dr. Smith.

A small charge will be made by the executive for the board and transportation of those planning to go to the conference and all details of arrangements may be secured from Mildred Osterhout, Bayview 535L, or from Gerald Kerr, Highland 1418L.

## STUDENTS CALL CONFERENCE

### Support Christian Movement at Camp

Another evidence that religious life among university students is more and more taking on vitality and power is seen in the activity of the students of U.B.C., who have an active branch of the Students' Christian Movement and who now are perfecting their plans for their first Summer School Conference. This is to be held on Gambier Island June 18 to 27.

The strength of their programme of speakers should ensure the success of this initial camp. Few more attractive names could be mentioned for such a venture than that of Rev. Richard Roberts, D.D., of Montreal, author of "The Untried Door." In addition there is Dr. H. B. Sharman, a Toronto business man, author of "Jesus and the Records," who has given up his time to this work among students. Other Dominion leaders coming are Ernest Clark, president of the Canadian S.C.M. of Toronto; Harry Avison, a member of the faculty of McGill University; Miss Amy Wilson of St. Hilda's College, Toronto, and Dr. Woo of China.

The local contributors to the programme are Dean H. J. T. Coleman and Miss M. Bollert of the U.B.C. staff, and Rev. Dr. W. H. Smith of Westminster Hall.

This B. C. conference is the first of a series which are to be continued throughout the summer across Canada. On leaving here the speakers will make their next stand at a camp at Carlisle Lake, Sask.

The conference will have as host and hostess Professor and Mrs. Beckett.

Members of the local S.C.M. committee will be glad to have applications to Miss Mildred Osterhout, phone Bay, 535L, or Gerald Kerr, High. 1418L.

# Hugh Russel Wins High Jump Easily; Hay Fails to Place

## Vancouver Athlete Does Well in Olympic Trials at Montreal

### Near Riot Among Competitors in 100 Yards Final Yesterday

Despatches from Hugh Russell state that Cecil Hay got away to a bad start in the 100 metres in his heat and came nowhere. Hugh Russell himself won the high jump with 5 feet 8 1-2 inches.

MONTREAL, June 18.—The 100-metre Olympic trial here yesterday afternoon, in which Hester, of Ontario, finished his heat in 10 4-5 seconds, equalling the Olympic record, will be run again today, it was announced by officials here yesterday. Hester dropped out of the final heat, claiming the other finalists had beaten the pistol. This decision puts an end to any bad feeling that showed signs of materializing after the decision of the event yesterday afternoon.

A near riot was staged following the running of the final of the 100 metres dash at the Olympic track and field event trials at the Montreal Amateur Athletic grounds. There were in the final Coaffee and L. Armstrong, Manitoba, Hestor, Ontario, and J. M. McKechney, Montreal. Hestor

had equalled the Olympic record time, 10 4-5 seconds, in his heat while Coaffee and Armstrong had both done 11 seconds.

All the men were keyed up but when they took their places for the final they shook hands in the friendliest spirit. Armstrong broke three times and the men were called back. Starter F. M. Van Wagner, of McGill University, had warned the runners three breaks would disqualify a man. After the third break Coach Nicholson of the M.A.A.A. demanded that Armstrong be put out of the race. The starter consulted with W. F. Findlay, president of the Amateur Athletic Union of Canada, about the demand. Mr. Findlay ruled the trials were not ordinary contests as an attempt was being made to select the best men to represent Canada. He asked the starter to try again. On the fourth start Hestor dropped out, claiming the other finalists had beaten the pistol. He was very excited and demanded a fresh race.

In the remainder of the contests the outstanding performances were the fine running of D. McGill, Manitoba, in the 5000 meters, in which he broke the Canadian record of 15 minutes and 56 seconds, doing the distance in 15:48, the splendid final of 400 metres, won by A. Christie, Ontario, and the walking of P. Granville, Ontario.

After the fourth start in the 100 metres dash Coaffee won in the Olympic record time of 10 4-5 seconds, with Armstrong second and McKechney third.

### Wins Scholarship

LLOYD WHEELER

LAST year's editor of the University of B. C. paper, who has been awarded fellowship to University of Toronto and \$500 prize.

## FELLOWSHIP FOR U.B.C. GRADUATE

### Honor Graduate Will Go to Toronto University

Lloyd Wheeler, last year's editor of the Ubysee and one of last spring's honor graduates in arts, has won a \$500 prize and free tuition fellowship to the University of Toronto. He expects to study for his master's degree in the Eastern university, and will specialize in the English department.

This scholarship is offered annually in Canada through the generosity of the Canadian Pacific Railway, Imperial Oil Company, Col. P. R. Leonard, the late Sir Edmund Osler and Sir Edward Kemp.

### Bridge and Tea For Miss M. Evans

Honoring Miss Muriel Evans, whose engagement was recently announced, Miss Grace Fee entertained at a bridge tea and kitchen shower on Tuesday afternoon.

### Students to Give Dance at U.B.C.

The first function of the University summer session, will be a dance at the University Auditorium on Friday evening.

There are over 300 students enrolled and a large attendance is expected. The committee in charge is, Mr. Houston, Mr. Patterson, Mr. Hardwick, Mr. Young, Miss Imloch and Miss Atherton.

### Summer Students of U.B.C. Go Picnicking

As part of their regular summer programme of entertainment, the summer session students at the U.B.C. enjoyed an informal, delightful outing this afternoon, when, in motors, they journeyed out to the West Point Grey site of the University of British Columbia.

Here, the science, agricultural and botanical buildings were included in a tour of inspection, and in the latter, Professor Davidson in charge showed off a splendid exhibit of floral specimens.

An al fresco basket tea was enjoyed in the dairy building at five o'clock by about eighty or ninety students in the party.

On Friday another summer-time picnic will be enjoyed by the students, who will journey to Jericho Beach for a basket picnic, with a tennis tournament on the Jericho Athletic Grounds in the afternoon. Dancing will follow in the evening in the open-air pavilion.

## U.B.C. MAN GETS POST IN INDIA

### Eric Jackson to Lecture in History and Economics

NORTH VANCOUVER, July 21.—Eric Jackson sailed on the Empress of Australia for Agar, India, where he will lecture at St. John's College on history and economics. He is the first graduate of the University of British Columbia to go so far afield in receiving appointments on college staffs. Many of the local students are making brilliant showings in U.S. universities after completing their studies at the local institution. Many fellowships have been won by them.

Mr. Jackson graduated this year with honors from the U.B.C. Besides his fine showing in studies he was closely connected with the student publication during the past years.

**MISS SALLIE MURPHY**

**M**ISS SALLIE MURPHY, M.A., the charming and versatile daughter of Mr. Justice Murphy and Mrs. Denis Murphy, Davie street, has just returned to the city after completing a year of study as a Fellow of the University of Toronto, at the close of which she received her degree of Master of Arts.

Miss Murphy will take part in the many social activities of the younger set during the summer months. She is very popular in a wide circle of friends here who are interested in her career since she left the Sacred Heart Convent at Point Grey and attended the eastern college.

# FIRST BAPTIST CHURCH SCENE OF ORDINATION

## U.B.C. Graduate to Dedicate Himself to Work of Missions

Wednesday evening next a service of special interest will be held at the First Baptist church. It will be the service of ordination of Howard A. Plummer, B.S.A., of the University of British Columbia, Missionary-elect to Bolivia. His examination will be conducted in the church in the afternoon beginning at 2:30.

The sermon of the evening will be preached by Dr. Curtis Lee Laws, editor-in-chief of the Watchman Examiner of New York city, a leading preacher, orator and author, now on his way round the world, who sails for China on the day following the ordination.

### GOES TO BOLIVIA

Mr. Plummer is the eldest son of Dr. and Mrs. Plummer who are now missionaries in China. He goes to Bolivia as superintendent of the Peniel Hall farm. This farm is 1000 acres in extent and upon it there reside 400 Indians while the surrounding country is thickly populated.

Professionally Mr. Plummer is to carry on investigations as to the introduction of improved methods of farming in Bolivia.

But Mr. Plummer will not go alone. He will be accompanied by his bride, for on Sept. 2 he expects to marry Miss Mary E. Pattullo of this city. After that event the young couple will set out on missionary deputation work which will occupy the time of their honeymoon up to the date of their sailing for their South American field. In the course of this work they will visit Calgary, Regina, Brandon, Winnipeg, Port Arthur, Toronto and London, Ontario.

### AID IN WORK

Arrived on their field Mrs. Plummer expects to assist in the work of the mission school which consists of from 60 to 80 pupils, and for which her three years at U. B. C. will prove an equipment.

At the time of this ordination, next Wednesday evening another B. S. A. of the University of B. C., Harold Etter of Penttiston, a member of the First Baptist, will be bid farewell on the eve of his departure to China.

Arrived in China, Mr. Etter is to proceed to Pekin where he is to become a member of the professional staff of the Pekin Union university.

# LUMBERMEN PLAN CLASSES

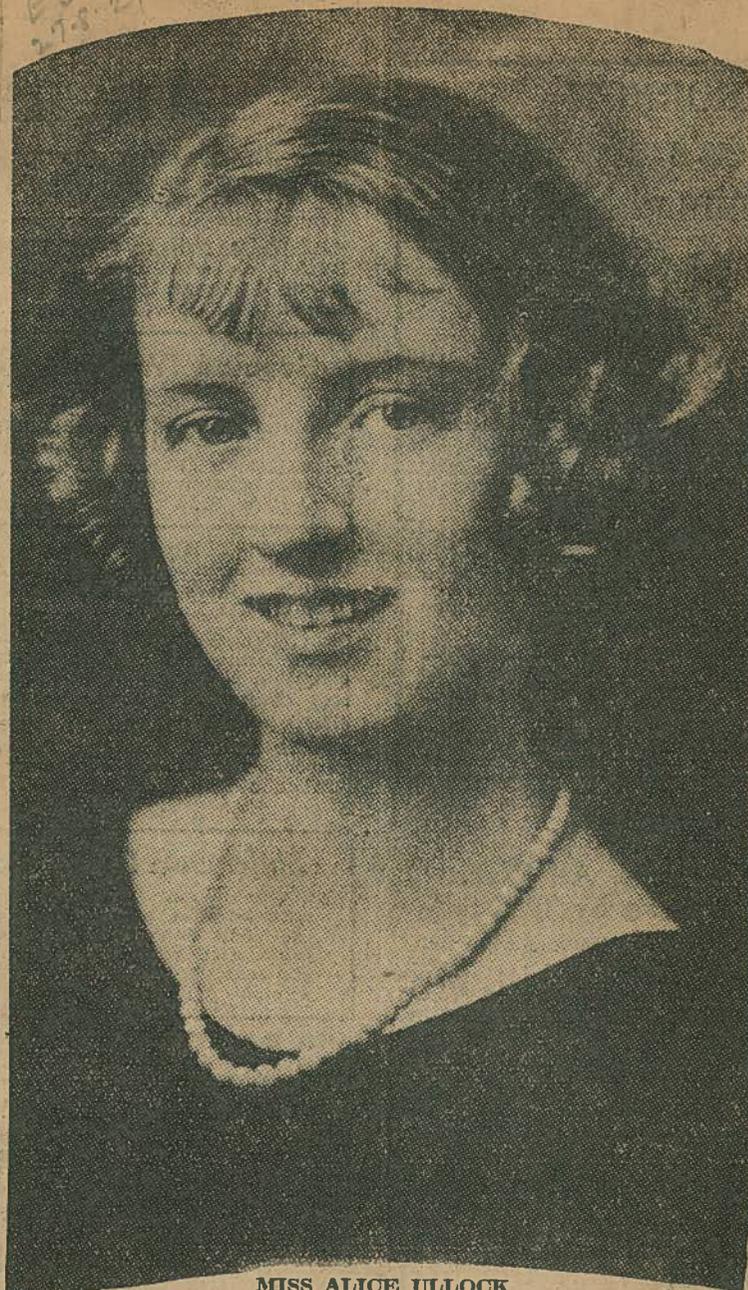

## Weekly Lectures to Be Given at the University

The Lumbermen's educational class, organized last fall, got away to a flying start on the second season last night, when it was re-organized on a broader plan at a meeting attended by nearly sixty members.

The new executive has arranged a programme of weekly classes at the university forests products laboratory, commencing on Oct. 7, the first and third Tuesdays to be devoted to instruction in grading under the tuition of A. E. Beaulieu, inspector of grades for the B. C. Lumber and Shingle Mfrs. Association. The second and fourth Tuesdays will be devoted to a series of lectures by experts on various phases of the lumber industry.

R. Graves of the Vancouver Lumber Co.'s staff, is the president of the new organization, J. H. Jenkins of the Forest Products Laboratory, vice president, J. F. Hart, librarian; H. G. Wade, secretary. These, with A. E. Beaulieu form the executive.

## Will Study Art in New York

MISS ALICE ULLOCK

MISS ULLOCK, the popular daughter of Mr. and Mrs. J. G. Ullock, Bldwell Street, and Miss Beth McLennan, daughter of Mr. and Mrs. R. P. McLennan, are leaving on Saturday morning en route to New York, where they will take up a course of art study, remaining away from Vancouver until next summer. On their way east these two well-known young girls will visit friends in Winnipeg and Montreal.

## Varsity Women In Debate

"Resolved that the recent Soviet Treaty is in the best interests of England" was the subject of a well-rendered inter-class debate at a meeting of the Women's Literary Society of U.B.C. yesterday afternoon.

The president, Miss Phyllis Gregory, was in the chair, and the speakers for the affirmative were Miss Kathleen Baird and Miss Jean Tolmie of Arts '28 and for the negative Miss Nan Hodgkiss and Miss Ethel Fugler of Arts '27.

A decision in the affirmative was given by the judges, Mr. Walter Sage, Miss Margaret Ross and Dr. Walker.

At the meeting Wednesday evening of the Women's International League for Peace and Freedom at the Women's Building, Miss Margaret Gordon, secretary of the Students' Christian Movement at the U.B.C., will speak on "Race Prejudice" and Mr. J. E. Gibbard, also of the University S.C.M., will speak on "The Influences of the S.C.M. in International Relationships." The league is entertaining the members of the college S.C.M. and an open discussion will follow the addresses.

### LEAGUE ENTERTAINS

Many members of the University of British Columbia Student Christian Movement availed themselves of the invitation extended to them to attend the meeting last night at the Women's Building of the Women's International League for Peace and Freedom and enter into the discussion following two addresses by university undergraduates, Miss Margaret Gordon and Mr. J. E. Gibbard.

Miss Gordon confined her remarks to a dissertation on "Race Prejudice" and Mr. Gibbard spoke on the "College S.C.M. and Its Influences on International Relationships."

The president, Miss Lane, was in the chair. An animated discussion followed the addresses, which was contributed to by many of those present.

## ARTS '28 WINS INTER-CLUB DEBATE

Arts '28 won the first inter-class debate for women Wednesday at the University of B. C., when they defeated the Sophomore class on a question dealing with the recent treaty between Great Britain and Soviet Russia. The winning team of freshettes was composed of Kathleen Baird and Jean Tolmie, while the Arts '27 representatives were Nan Hodgkiss and Ethel Fugler. The debates are being held under the auspices of the Women's Literary Society and a shield will be given to that class taking premier honors during the debating season.

## 1ST YEAR CLASS BREAKS RECORD

### Is Largest That Ever Entered the University

The largest class of freshmen to enter the university attended the opening exercises at the University of B. C. this morning. There are 581 students in first year arts, 16 in first-year nursing and 11 in first-year agriculture.

Dr. L. S. Klinck, president, told the assembled students that the earnest student was a most important factor in university life.

The president and the deans of the various faculties welcomed the students to the university.

## Fourteen Hundred Anxious to Go to 'U'

An even 1400 applications for registration in the 1924-25 University of British Columbia classes had been received up to noon today, Stanley W. Mathews, registrar, announced at 1 p.m. Fifteen of these applications must be refused, but late applications next week will more than make up this number, it is believed.

## Bursary Offered U.B.C. Students

The French government has again offered a bursary to students of the University of B. C. This bursary is for the sum of 6000 francs, with 1000 francs travelling expenses and is open for competition. Applications should be in the hands of the registrar of the university not later than August 30.

## Killed by Train

—By Hacking Studio  
MALCOLM J. C. DICKSON, B.A.

ACCIDENTAL death was the verdict of the coroner's jury enquiring into the death of Malcolm James C. Dickson, who was killed Thursday at Ladysmith by a freight train. Mr. Dickson had graduated with second class marks from the University of B.C. with Arts, '23. He was the son of J. S. Dickson of Richmond Road, Victoria, and had studied at McGill as well as at the U.B.C.

## GRADUATE OF U.B.C. KILLED

### Malcolm J. C. Dixon Is Run Down by Train

Malcolm James C. Dixon, 20, son of J. S. Dixon, Richmond road, Victoria, graduated in 1923 from the University of British Columbia, on Thursday was run down and killed by a freight train at Ladysmith, where he had been visiting his brother, George H. Dixon, wharfinger at that place. A coroner's jury returned a verdict of accidental death.

Dixon obtained his B.A. degree at U.B.C., where he was a member of the Players' Club and of his class football team. He afterwards took up work at McGill, returning to the coast on account of ill-health.

His father is J. S. Dixon of Richmond road, Victoria. He was graduated from U. B. C. in 1923.

## Phyllis Gregory Is Elected Marshal

Phyllis Gregory was elected marshal of the women of Arts '25 Wednesday at the first meeting of the senior class in Arts at the U. B. C. The graduating class in arts this year is the largest class that has reached the senior year at the university and the registration figures for the year will probably reach 150 within a few days.

The graduating class has decided that gowns will be worn throughout the college year. Until last year gowns were not worn at the U. B. C. but the class this year is strongly in favor of the academic dress.

### STUDENTS TO BE NAMED

Candidates for the Rhodes Scholarship for B. C. will be brought before the committee in the near future, it was announced Wednesday at the U. B. C. The last day for filing the applications with Professor Harry Logan is October 20, it was stated. It is likely that the Rhodes Scholar will be picked on or before November 25.

## STUDENTS PLAN AN INITIATION

### Form of Ceremony Has Not Been Published

Student activities at the University of B.C. are being started at once and plans are under way for the holding of the initiation some time next week.

The students' council, the governing body of the Alma Mater Society, has placed a ban on hazing and the man-handling of the freshmen will be eliminated. During the past few years the hazing ideas have lost favor among the students at the U.B.C.

The University Players' Club will hold its tryouts for new members in the near future. There are several vacancies in the club this year. Students who are making an attempt to win the \$50 prize for the best play written by a student of the U.B.C. must have their manuscripts in the hands of Prof. F. G. C. Wood by September 30. The play must be suitable for production at Christmas time.

The Musical Society is picking out new members for the orchestra and choirs. Plans for the spring concert will be made at once while arrangements are being made to bring visitors to the college for the holding of recitals.

# HAZING BANNED BY 'U' STUDENT BODY

## Initiation Committee Reaches Decision at Meeting

No hazing will be permitted by the student body of the University of B. C. Thursday night when the initiation of the freshmen and freshettes of the U. B. C. is held, it was announced this morning following a special meeting of the initiation committee. The initiation this year will take the form of impressing upon the newcomers the value of the university training. They will be asked to take part in sports and other activities, but will be urged not to neglect their studies. Complete initiation plans will be made today.

The freshmen will be welcomed to the college with the first major social function of the year Friday night when the freshman reception will be held at Lester Court. The freshman reception has proven difficult to hold in past years since there is no floor in Vancouver large enough to hold the crowd of dancers attending. There are 1408 students at the university this year and a large number will attend.

## Reporters Chosen For 'U' Publication

Reporters for the Ubysey, the college paper, were chosen this year by means of a competition in which every student was given an opportunity to take part. Laura Mowatt was appointed as senior reporter.

The new reporters chosen were Mary Esler, Janet Watson, Jean Fraser, Margaret Smith, Donald Gillingham, Les Graham, G. W. Ashworth, Robert Wright, Francis Stevens, James Dunn, T. S. Byrne, David Warden, Dave Taylor and F. W. Dimmick. Marion Smith, Dorothy Arkwright and Florence Williams, reporters from last year, will again be on the staff. The contest was arranged by Tom Brown, editor-in-chief of the Publications Board, and Kenneth A. Schell, chief reporter of The Ubysey.

### Mrs. Klinck Will Entertain Students From Out-of-Town

OUT-OF-TOWN girl students of the first and second year at the University of B. C. will be the guests of Mrs. L. S. Klinck at her residence, 2026 Thirteenth Avenue West, on Saturday afternoon and evening.

Miss Bollert, dean of women, and the executive of the Women's Undergraduate Society, will assist Mrs. Klinck with the entertainment, which will take the form of high tea, followed by music and games. It is expected that about 50 out-of-town college girls will be present.

### Varsity Students To Be Welcomed At Dance and Tea

Along with the beginning of lectures at the University of British Columbia goes hand in hand the start of college social activities. And none is more important at the beginning of the university semester than the welcoming of the freshmen and freshettes who throng in crowds in the early autumn to the college of their choice.

Friday evening is the well known, and gay, "fresh" reception when the new students at the local seat of learning are welcomed by their senior fellow students into the ranks of the college crowd.

It will be held this year at Lester Court and in the receiving line will be Mrs. L. S. Klink, wife of the president; Miss M. L. Bollert, Dean of Women; Miss Grace Smith, first vice president of the Students' Council (who arrange the affair), and Mr. A. E. Grauer, president of the Students' Council. The "prom" this year promises to be very popular.

Another event in the routine of the social college year is the "pre-fects" tea which is set this session for Saturday, October 11, and will be held in the U.B.C. Auditorium. On this occasion some 300 freshettes of the autumn of 1924 will be welcomed by the senior women students.

### Guests at Tea At University

A pretty Thanksgiving tea was given at the University this afternoon by the Women's Undergraduate Society for out-of-town girls. The patronesses were Mrs. R. W. Brock and Miss M. L. Bollert, who assisted Miss Grace Smith in receiving, and the committee in charge consisted of Miss Winks Hall, Miss Alfreda Berkeley, Miss Lenora Irwin, Miss Beth Tingley, Miss Florence McLeod and Miss Mollie Jackson.

The invited guests were Miss Ila Ruby, Miss Flora Musgrave, Miss Gladys Caresche, Miss Muriel Waggenhouser, Miss Eleanor Piggott, Miss Gertrude Rive, Miss Elizabeth Reynolds, Miss Marjorie Dimmock, Miss Marjorie Leeming, Miss Norah Keay, Miss Marguerite McDonald, Miss Vera Sharpe, Miss Milla Allhan, Miss Evelyn Anderton, Miss Irene Arnold, Miss Adelaide Atkinson, Miss Jean Beasley, Miss Olivia Cashato, Miss Florence Cunliffe, Miss Marlon Dignan, Miss Mary Frith, Miss Evelyn Hardy, Miss Althea Hasler, Miss Dorothy Hiperson, Miss Elfreida Hoffman, Miss Nora Home, Miss Ruth Hornsby, Miss Elaine Jackson, Miss Gwen Musgrave, Miss Josephine McLachlan, Miss Hester Thompson, Miss Jean Wilson, Miss Jean Wright, Miss Estelle Butler, Miss Nora Keatley and Miss Margaret McDiarmid.

### Varsity Students Plan Saturday Hike

Members of the junior year in Arts have arranged a hike to Capilano for Saturday afternoon. The party will go over to the North Shore on the 2 o'clock ferry and will walk from the ferry landing to Canyon View Hotel, where dancing will be enjoyed from 4 o'clock until 7. Refreshments provided by the girls will be served. Mr. Louis Smith, class president, is arranging the affair, with Miss Lenora Irwin in charge of refreshments and Mr. Jack Bates in charge of the music. All class members are expected to turn out and it is hoped that the honorary president, Dr. G. G. Sedgewick, will be one of the party.

### GAY DANSANT

The Class of Arts '27 of U. B. C., held a very enjoyable dance in the Stanley Park Pavilion Saturday afternoon, following the Varsity rugby game. Arrangements were carried out by the executive, Miss Dorothy Brown and Mrs. Charles Mottley acting as convenors. Tea was served in the dining room from 5:30 until seven.

### McGILL DANCE

As the month of November approaches graduates and past students of "Old McGill", resident in Vancouver and vicinity, are once more evincing interest in the annual McGill dance which has been held in this city for the past several seasons.

The date set this year is November 14 at Lester Court, and the patronesses, who have just been announced by the committee, include Mrs. R. E. McKechnie, wife of the chancellor of the local university, who is himself a graduate of McGill, Mrs. C. F. Covernton, Mrs. William Small, Mrs. J. M. Turnbull, Mrs. George Walkem and Mrs. Lyall Hodgins.

### RECEPTION TONIGHT

The Players' Club of the U.B.C. annual reception Friday evening in the auditorium is being looked forward to by many students.

### Students Hold 'Pep' Meeting

Students of the University held their first "pep" meeting of the year Friday noon, when leaders of the college stirred up interest for the athletic contests which will be staged between Varsity and outside athletes. These meetings will be continued each week. College yells and songs are features, while short talks on athletics are being planned by students and members of the faculty. Dr. G. G. Sedgewick, head of the department of English, was the faculty representative yesterday, he being one of the collegians' most ardent supporters.

### STUDENTS OFFER FRENCH PLAYS

### Discussion Clubs at University Co-operate

Students of the University of B. C. who are taking advanced work in French will produce a play in that language in the near future and plans are under way for the staging of Rosalie, a comedie. This will be put on by members of La Canadienne Club of the University. La Causerie Club, the other French discussion organization at the college, will also produce a short play on the same evening as La Canadienne members. This is the first year that both clubs have worked together in programmes. The clubs will hold a joint reception Thursday night at the Laurel Tennis Club hall. The cast picked for Rosalie includes Miss A. Moffat, Miss D. McKay, K. Miller. The understudies are Miss W. Tipping, Miss I. McLarty and George Ledingham.

### Labor Parliament At University

The student parliament of the Sigma Delta Kappa, a leading literary organization at the University of B. C., will meet tonight in the auditorium when the labor party will present its platform and policy. This is the first time that the labor group in the student parliament has been able to form a cabinet following the defeat of the old parties. The labor premier, K. A. Schall, and his minister of lands, B. Goult, will lead the discussion dealing with social reform, Jack Ledingham has been chosen as speaker of the house.

### Debaters Will Go to Victoria

James Craig and S. Kobe, University of B. C. debaters, who have been chosen to take the case for Socialism in the Oxford debate, will be speakers at Victoria, it was announced Friday. Word has been received from the student body at Victoria College, which is affiliated with the University, and they have made arrangements to meet the U.B.C. men November 14. The local team will speak for Socialism while the Islanders will support capital.

### BRUCE M'DONALD COACHING U.B.C. WOMEN SWIMMERS

Varsity Women's Swimming Club are getting ready for a busy year this session and have already done their stuff last Wednesday at the Chalmer's tank. U. B. C. mermaids are being coached by Bruce McDonald, former Varsity star swimmer. The co-eds are divided into classes, there being separate sections for beginners, team work diving and life-saving. Swimming has always appealed to the members of the fair sex at U.B.C., and officials of the club look forward to a big year with the increased membership.

# Students Prepare For Play

Bright Prospects for Rugby, Soccer and Track at University This Year

Varsity athletes will work out this afternoon in the three major sports, track, rugby and soccer, and judging from present indications sport is in for a big year at the local seat of learning.

The Varsity track enthusiasts will be coached by Jack Buchanan, former University of Alberta coach. Jack needs no introduction to local track fans. The Alberta coach trained the Canadian Army track team that competed so successfully against the Brits at Stamford Bridge in 1916.

## SEND TEAM TO ALBERTA

The Collegians plan to send about eight men to Edmonton this year to compete in the Western Inter-Collegiate meet which will be held there on October 13 or 25. The students also plan to have their own inter-class meet about that time.

Varsity rugby stars are getting ready to do their stuff, and according to "Pug" Greggor, the husky captain of the McKechnie cup squad, things look pretty bright for the forthcoming season. There are many gaps to fill on the first team but "Pug" does not seem to be worrying much about it. One of last year's graduates, Al Buchanan, has registered again with the "rah rah" boys and will scintillate on the three-quarter line. It is expected that he will take Geh Ternan's place at five-eighths, where his great speed and knowledge of the game should stand him in good stead. The Miller Cup team and the Intermediates are also getting ready for action. They will have a better idea of their lineups after today's workout.

## WILL MISS MOSHER

Followers of the round ball game will also be booting the pigskin around this afternoon at Heather Park. The Varsity first team men have been putting their heads together to find a goaltender to replace Mosher, whose broken leg will not be functioning before Christmas at the outside. Collegians expect to uncork a fast brand of soccer as they will have their forward line strengthened by the addition of Rex Cameron and Bobby Jackson. The defense will be the same. Third division and junior teams will also operate.

## University Vets Stage Reunion

Reminiscences of eventful days in camp, bivouac and trench, in the air force, artillery or infantry passed the rounds at a reunion of the British Columbia Company of the 196th Western Universities Battalion at the Ambassador Cafe Saturday night. Of the 190 members of the company who returned about 80 are residing in Vancouver and district and most of these assembled round the banquet table under the chairmanship of their company commander, Major R. W. Brock, dean of the faculty of science, University of B. C.

One of the main events of the evening was the reading of letters from the members of the company who are scattered throughout the length and breadth of the continent following their various civilian occupations.

# U.B.C. Track Eliminations On Saturday

Collegians Will Fight Hard For Places on Team for Edmonton

Varsity track men got together yesterday and made plans for the elimination for the Inter-Collegiate meet at Edmonton, which is to be held on October 18. Coach Jack Buchanan plans to have three days of eliminations in order to give the various contestants a chance to make the grade.

Tomorrow at Brockton Point the Collegians will have final eliminations in the 220 and century dashes, as well as the half mile. In the sprint events Harold Thompson, Harry Warren, Burgess and Echert are the strongest contenders. Warren's time at the U. B. C. meet last spring of 23 3-5 seconds for the 220 yards is one-fifth of a second better than the time made at last year's intercollegiate.

In the half mile, the Varsity record holder and member of last year's team, Les Buckley, may be nosed out by either Eddie Mulherne or H. Arkley, who are both going great guns in the middle distance event.

In the long distance events Carl Barron seems petty safe.

## RAMSELL A CINCH

J. L. Ramsell, Varsity rugby and track star, is a cinch for the U. B. C. track squad that will be leaving for Edmonton Wednesday night. There is nobody at the local seat of learning who is in the same class with "Ramy" when it comes to tossing the weights.

The hefty rugby star is throwing the hammer a good 15 feet farther than the man who won the event at Saskatoon last fall. In the discus and shot also Ramsell is no slouch. He forced Bright of Alberta to break the record in the discus last fall and finished second to him after showing much better style than the Alberta star. Ramsell also copped third place in the shot and was only a few inches behind the winner.

This U. B. C. athlete has improved much since last year and he is now getting a few pointers from John Cameron, still considered one of Canada's leading shot and hammer men. Ramsell will have Bright of Alberta to contend with at Edmonton this year again, but with his added experience should make a better showing this time.

C. Henry, last year's senior high school champ and pole vaulter, is another Varsity track man that should be sure of a place on the intercollegiate. Henry is about the best all around track man at Varsity, as he can pole vault, high jump, broad jump, hurdle and sprint.

Jack Buchanan plans to select his quarter and one mile man on Monday, when final eliminations for these events will be held. On Tuesday the three-milers and jumpers will do their stuff and the Varsity track coach will then make his final selections.

Varsity eliminations for the annual inter-class track meet Oct. 22 will be held next Wednesday, the same day the intercollegiate team leaves for Edmonton. The men who are to take part in the prairie meet, however, will be conceded their places in the inter-class events and will take part in them after they return from Edmonton, which will be on Monday, Oct. 20.

The students are holding a tag day on Tuesday and Wednesday to help defray the expenses of the track squad. Every tag entitles the wearer to admission to the inter-class meet at Brockton Point on Oct. 22.

It is expected that many new records will be made this year, as the U. B. C. men have been training intensively for the last few weeks to try and make their place on the U. B. C. track squad, and the real benefits of the coaches' work will come out then.

The women of the university are confident they can excel all previous marks also. Jack Buchanan is training the co-eds in his spare time and there is much promising material.

# Varsity Athletic Officers

J. G. Davidson Will Again Head University Association

The Men's Athletic association of the university, which consists of the presidents of all branches of sport, met yesterday and elected officers for the forthcoming season. Dr. J. G. Davidson was again elected honorary president. The doctor is the father of athletics at U. B. C. and has taken an active interest in every branch of sport in the local seat of learning since its inauguration. Other officers were J. Guernsey, vice president; E. C. Gibson, secretary, and W. Balm, treasurer.

Tommy Wilkinson, president of the men's athletics, addressed the meeting and urged the co-operation of the different members in making this the biggest year for sport that the collegians have ever had. Wilkinson stated that as far as was known at present any intercollegiate competition would be confined to track, but endeavors to have such competition in other branches of sport would be made but would of course be limited because of lack of finances. The students plan to be represented at Edmonton in the Western Intercollegiate and perhaps at Washington in the Pacific Northwest meet next spring.

The collegians work the pool system with their funds. Every branch of athletics from rugby to badminton has a budget granted by the treasury of the Alma Mater society, which covers their expenses for the year. At the end of the season the secretary of the athletic club turns in any monies that may be left from the budget together with gate receipts that they have taken during the term. Last year and the year before soccer has been the sport that turned over the most substantial balance to the funds.

## TO HAVE OWN FIELD

There is nothing commercial, however, in the way the local university conducts its athletics. Any funds that are left over will be used in developing the campus and playing fields out at Point Grey so that the future U. B. C. athletes may enjoy football fields and equipment of their own that present varsity athletes have never had.

The collegians have been handicapped in the past also by the lack of a trainer, but it is thought that this difficulty will be overcome this year as Jack Buchanan is getting the football players as well as the track men in shape in daily workouts on the King Edward campus and at Brockton point. With a live bunch of athletic heads, a large husky bunch of freshmen and an efficient coach the varsity boys should step right out in every branch of athletics this year.

The rugby club has definitely decided to enter two Miller cup teams in the league, and pick an all-star aggregation from both fifteens to make the McKechnie cup team. This should bring forward several potential stars as there will be thirty-odd varsity pigskin chasers taking part in senior company.

## DIVIDE THE PLAYERS

"Pug" Greggor, the varsity rugby captain, plans to divide the players up as evenly as possible having the McKechnie forwards on one squad and the three-quarters on another. This may militate against the success of any one of the two teams but the idea is sound because if the collegians fielded one weak team and one strong team the morale of the weaker fifteen would not be so good. The students are also paving the way to having a great first team next year by bringing so many players into senior company.

Until further practices are held the varsity rugby lineups are a

# Arts '27 Get Most Points at Varsity Track Tournament

Meet a Big Success and Six Records Go by the Boards

Warren, Ramsell and Thompson Turn in Fine Performances

THE fifth annual Varsity inter-class track meet proved to be the most successful to date. Six records were shattered and one equalled at Brockton oval yesterday. Competition was particularly keen in the different events as well as between the classes, and the issue was in doubt right up to the last event, when McWilliams handed Arts '27 a lead of half a point and the "sophs" won out with 16. Science '25 held second place with 15½ and Science '26 third with 15.

Les Buckley started the record breaking by clipping one and three-fifths seconds off his half-mile record, negotiating the distance in 2 mins. 6 3-5 secs.

In the broad jump, Harold Thompson, Arts '26 star sprinter, proved a real dark horse, going into the event with no previous experience and jumping 19 feet 9 inches, beating the old record of 19 feet 3 inches.

### WARREN IN FORM

Warren went out in great style in the hundred, when he broke the tape an easy winner at 10 2-5, beating Garret Livingston's time in the dash event. Varsity's diminutive sprinter also equalled his own record of 23 8-5 seconds in the 220 yards, being forced to the tape all the way by Thompson.

Ramsell hurled the hammer 92 feet 11 inches for a record, but the U. B. C. weight man was unable to beat his previous records in the discus and hammer, although he coped each event nicely.

Henry and Demidoff battled to a tie in the pole vault, after jumping for nearly an hour. Both vaulters

cleared 10 feet, but were too tired to get over 10 feet 3 inches, even though both eclipsed this mark at Edmonton on Saturday. Demidoff injured his leg, but kept on gamely. The mark of 10 feet stands as a record and is held jointly by Henry and Demidoff.

The mile event was the best race of the day and Charley Mottley broke the record when he was clocked at 4 minutes 49 1-5 seconds, and so won the Dr. Bricker cup.

There was no track champion at the Varsity meet this year, it being decided to do away with the track championship, as there has been a decided lack of specialization in the past at the U. B. C. meet.

### THE RESULTS

Following are the results:  
120-yard hurdles—(1) Henry, Arts '23; (2) Winn, Sc. '23; (3) Hatfield, Arts '27—19 2-5 seconds.

Three miles—(1) Balmer, Arts '26; (2) Barton, Sc. '26; (3) McWilliams, Arts '27.

Jack Buchanan, Varsity trainer, acted as starter, whilst O. B. Allan, George Goulding and Prof. Logan held the watches. Dr. J. G. Davidson acted as referee with Prof. Borving. The officials of the meet were John Cameron, Dr. Bricker and Bert Davison.

# INTER-COLEGIATE MEET IS EARLIER

Henry, a Freshman, Beats Demidoff's Pole Vaulting Mark

Les Buckley, president of the Varsity Track Club, has received word this morning from Edmonton to the effect that the Western Inter-collegiate Meet, which was announced for Oct. 25, will be held a week sooner, on the eighteenth. This was rather disconcerting news to U. B. C. track men but their hustling coach Jack Buchanan is redoubling efforts to get the team at the top of their form in the short time remaining.

The local collegians should hang up one record in the inter-collegiate at any rate, and that is in the pole vault. Demidoff eclipsed the record on Friday by three inches, and Henry, a freshman, beat Demidoff's record this morning by 2 inches, clearing the bar at 10 feet 10 inches. Henry should make the team as the former Senior High School champ is about the best all-round track man at the local seat of learning.

The changing of the Western Inter-collegiate date will make no difference to the date of the U. B. C. meet, according to the Varsity track president. The U. B. C. men will hold their annual confab on Oct. 22, as previously announced.

# 'Varsity Men Did Well At Edmonton

Athletes Return From W. I. C. A. U. Meet Feeling Well Satisfied

ACCORDING to Varsity track men who returned this morning from Edmonton the competition was keener this year than at any previous meet staged by the W.I.C.A.U. The U. B. C. may well feel proud of Harry Warren who forced the Winnipeg speed merchant Cohen to the tape in both the century and the two-twenty dashes. Cohen's record time of 23 seconds flat speaks for itself and the local Varsity flash was less than a yard behind in the hundred and only about two paces in the two-twenty. Warren scored three seconds, also forcing Butch McLeod of Winnipeg to break the quarter mile record when he made the time in 52 1-5.

Clare Henry turned in the second best performance for the local students when he came within an ace of winning both the 120 and 220 hurdle races. The Varsity all-around track star also tied for second place in the pole vault when he cleared 10 feet 6 inches. In the low hurdle event Henry was leading the way right to the last hurdle when he had the misfortune to stumble and so was forced to take second place to Neilson of Manitoba.

Ramsell and Mottley both did well in their events. The former won first place in the hammer, but was not up to his usual form in the weight event or he would have broken the record. Mottley was only a yard behind Jack Murray of Manitoba when he won the half in the record time of 2 minutes 3 seconds. Mottley did well to come second in the mile and he made a great finish, nosing out Murray of Manitoba by a very small margin.

Buckley and Thompson were out-classed in their events but the former forced the pace in the half-mile, but did not have enough reserve to finish.

The U. B. C. athletes were made very welcome at Edmonton and seemed none the worse for their journey. Local track fans will get a chance to see the team do their stuff tomorrow afternoon in the annual Varsity track meet at Brockton point. It is expected that many new records will be shattered by members of the intercollegiate squad.

# PROSPECTS GOOD FOR U.B.C. BOXING

Varsity Boxing Club had its organization meeting yesterday and there were a good number of enthusiasts on hand and President Tommy Loudon is optimistic over future prospects for the U. B. C. mitt wielders. The collegians plan to take part in the inter-city competition for the first time this year. Some very promising material was unearthed last year and it is rumored that some of the freshmen pack a mean wallop and should boost the club's chances of making a good showing. The students will workout in St. George's Church at there and in active competition with the local boxers should stand least twice a week throughout the year. The practise that they get them in good stead when they com-

pete with the University of Washington Club in the annual confab next spring.

# STUDENTS OPEN LEAGUE SCHEDULE WITH VANCOUVER

Varsity grass hockey team will play its first league game on Saturday against Vancouver and from present indications it looks as though the students will field a strong eleven. B. Smith will act as net minder and judging by his showing in the practices will be a hard man to beat.

Sadho and Kanlar are the U. B. C. stalwart backs, while the rest of the defense will be made up of Duncan Hincks and Tamura. The students' half line is also strong.

Varsity's forwards will be made up of the following: Warren, Warman, Townsend, Masterson and Woodmen. Warren, Townsend and Woodman are considered the most dangerous in front of the goal and should keep the Vancouver net-minder busy when the teams lock horns on Saturday.

# Varsity to Hold Annual

DR. J. BRICKER DONATES A TROPHY

## Athletic Day Wednesday

Varsity track men have completed their training for the annual track and field day Wednesday when the stars who are returning from Edmonton will also add points for their classes in the Governor cup series. There will be keen competition this year, according to the officials.

Those in charge of the arrangements are looking forward to several new records following the excellent showing of the six stars who represented the college at Edmonton. It is also expected that large numbers of students will support their class teams from the grandstand. The men who remained home after the team for the intercollegiate meet had been sent away are determined to give the stars a battle and several have been training hard.

Dr. J. Bricker has donated a cup to the track club again this year and it will go to the winner of the mile.

Jack Buchanan, who has been engaged by the Alma Mater Society to train all University of B. C. athletes including the co-eds, stated yesterday that he was highly pleased with the results at Edmonton, while the whole student body is of the opinion that the success was due directly to the systematic training now being given.

Harry Warren, Varsity's sprinter who took second in the 220, 100 and 440 at Edmonton, returned with the coach and said that in each event Varsity was just topped by the winning team men. He said that it was the U. B. C. runners who forced others to make the new records to win. Mottley returned as far as Kamloops with him, he said, but dropped off there to see his people. He will arrive at Vancouver this morning along with the other track men.

Dr. Davidson, who accompanied the team as the faculty representative expressed himself as delighted.

Varsity made a protest in the first final of the 100 when two Manitoba men beat the gun and Warren ran third. In the re-run he took second.

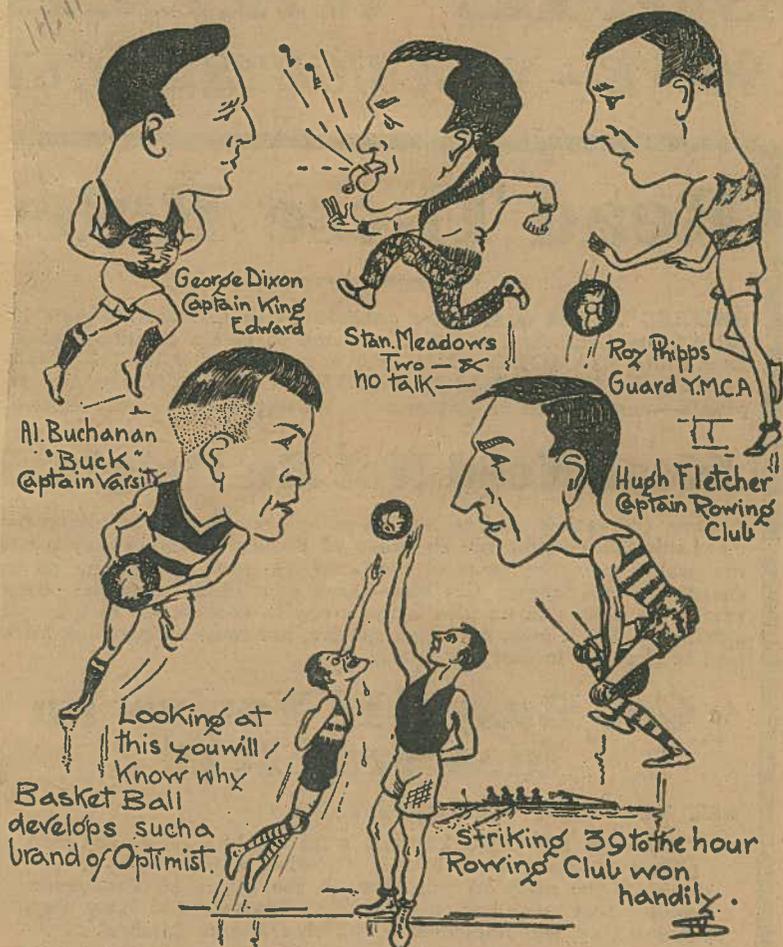

### U.B.C NET SERIES BEGINS TOMORROW

Varsity tennis tournament will get under way Saturday if the weather conditions are favorable, according to President Jimmy Craig. During the last few days the courts have been too soggy for the racket wielders. The secretary of the club states that there is a larger entry than ever before, both in the singles and doubles. Cups are available for the winners of singles and doubles events and this should stimulate interest.

Lorrimer Baker will defend the trophy for the men's singles which he has won ever since he started at U.B.C. It is expected that he will be forced to extend himself this year by Gordon Shields who ranks high in the opinion of most tennis experts in the city.

Miss Marjorie Leeming of Victoria should have no difficulty in coping the women's events. *ES 3-10-24*

## SEASON OPENERS

### Tennis Champ

LORIMER BAKER

GORDON SHIELDS failed to wrest from Lorimer Baker the title of Varsity tennis champion. In the quest Shields was beaten in straight sets. Baker is also a prominent member of the Varsity soccer team.

## Students' Sick Parade

LANGE IS THE LATEST CASUALTY

### Getting Bigger Daily

MALCOLM LANGE, powerful forward of the University rugby squad, whose sterling work in last Monday's cup game at Brockton Point was one of the bright features of a great contest, is the latest athlete to be laid up from injuries. Lange has been forced to the hospital, a victim of blood poisoning.

A small scratch on the left arm was rather troublesome before the game, in fact it bothered the big athlete so much that his father warned him against playing. But nothing so small as that could keep him out and his presence decided the contest for his team, as it was his terrific plunge which carried the ball over for the only try. His arm bothered him afterward, but not until Wednesday was it necessary to call a doctor, who ordered Lange to the hospital and declared operation was necessary.

Lange is not expected back in the game until after Christmas, and his absence will be a severe loss to Varsity. This makes four students who have been forced out of the fight during the last few weeks. Bert Tupper broke his ankle in training, McLean was hurt last Saturday, while Brock had a rib broken on Monday.

### BAKER RETAINS TENNIS TITLE AT THE VARSITY

LORIMER BAKER retained his title as the University of B. C. tennis champion yesterday when he downed Gordon Shields, challenger for the championship in straight sets. The score was 8-6, 6-3, 7-5. Although Baker won on straight sets the games were close, most of them going to deuce several times. Baker was in fine form throughout the contest. Shields earned his right to challenge Baker when he won the tournament final from Hincks. He won three of four sets, 6-1, 6-1, 6-3, 6-3.

# Varsity to Field Two

BOTH WILL APPEAR SATURDAY

# Miller Cup Fifteens

BOTH Varsity Miller Cup rugby teams will be out on Saturday. U. B. C. will play Wanderers in the first game at Brockton Point at 2:30 o'clock, while Varsity will clash with Ex-King George in the second game directly afterward. The students will divide their talent between these teams. The senior forwards will play with the second line backs on one team and the senior backs with the second line forwards on the other.

Treherm, who it is said, is a member of the London referees' association, will handle the first game and Cameron the second. This week Rowing Club and Liberals will not be engaged.

At last night's meeting of the Vancouver Rugby Union, officials were optimistic as to the possibility of an outside team coming to Vancouver for Christmas. Season tickets will not be issued, while action regarding the offside rule will not be taken until a decision has been given by the parent union of the Old Land.

There will be four clubs in the intermediate series—Varsity (two teams), Rowing Club and Ex-King George. The schedule in this section will begin on October 18.

Last Saturday's gate receipts were satisfactory and officials are hoping the public will continue to patronize the game in the same way.

Liberals will hold a practise at the Horse Show building on Thursday night at 6:45 o'clock.

# Freshmen Are Unbeaten

VARSIITY THIRD IS STILL POINTLESS

# In Intermediate Rugger

ONLY two weeks of the intermediate rugby season are gone and yet there is only one team undefeated, Varsity Freshmen. In the opening games Freshmen accounted for Rowing Club and Ex-King George downed Varsity third. On Saturday Freshmen beat Ex-King George 5 points to 3, while Rowing Club doubled the score on Varsity third, 8 points to 4.

Both games were played at Strathcona Park with C. S. Cameron in charge. Against Varsity Third Rowing Club scored an unconverted try in the first half. Early in the second half one of the Varsity players found himself in possession and more or less hemmed in. He took the bull by the horns and essayed a drop at goal. The kick was well directed, hit the post high up and dropped inside.

Later, Hutchinson, who has seen service with Rowing Club first fifteen, dashed through on his own and scored a brilliant try behind the posts. The chance for a goal was easy and the try was converted.

Ex-King George drew first blood in the game against Freshman and scored an unconverted try in the first half. In the first minute of the second half Freshmen broke away and scored, the try being converted.

The Rowing Club-Varsity game was the better of the two, although even in this the tackling was poor. The second tussle produced too much loose booting and wild play and as a consequence a few minor accidents occurred, which otherwise might not have done.

In all four teams, however, there was promise of better work once the season gets properly under way and players get more conversant with the rules. One of the chief faults on Saturday was the tendency to scratch the ball out of the scrum before it was properly heeled out.

# Varsity Expects To Extend New Westminsters

Varsity first soccer men are out for blood on Saturday and according to all reports will field a fast aggregation at the Con Jones enclosure and should make the Westminster outfit step to retain their position at the head of the league.

The students will be without the services of Wilkinson, but Emery, whose nose was broken the other week, will be back at the outside left position. Although the collegians lost by an odd goal to the Saints last week they put up a better brand of soccer than in any of their previous encounters, and once the Varsity sharpshooters get their shooting eye trained they should be a pretty formidable aggregation.

The collegians new goalie, Roy King, is getting lots of practice, and is improving every game and bids fair to become a second Mosher. Auchinvole will continue to hold down the centre position and should give the Westminster defence some anxious moments when the teams tangle on Saturday.

# Freshmen Overcome Oarsmen

Vancouver Rugby Union, Intermediate Division, Starts Schedule

VARSITY Freshmen made an auspicious start in the intermediate rugby division at Strathcona Park on Saturday when they defeated Rowing Club 7 points to 0. Ex-King George downed Varsity by an unconverted try to nothing.

The Freshmen scored four points in the first half when the receiving halfback dropped a goal. They got three more in the second half when they went over for a try following a scrum.

Cecil Mayes obtained the try which meant victory for Ex-King George. The former high school students won because they displayed better team work. A little more method among the Varsity third's forwards might have resulted in a different outcome. Varsity had a little more weight forward but seemed incapable of pushing this advantage. C. G. McLachlan handled both games.

# McKechnie Cup Tilt on Thanksgiving

George Thom Will Referee One of Saturday's Rugby Games

GEORGE THOM, former Scottish international rugby forward will sally forth as a referee under the auspices of the Vancouver Rugby Union on Saturday. He will handle the second game of the senior doubleheader at Brockton Point between U.B.C. and Young Liberals. Varsity and Rowing Club will meet in the first game at 2:30 o'clock with Bell-Irving as referee. Touch Judges Cooper and Stoess will work in the first game and Pinkham and Woodward in the second.

The intermediate division will get under way at Strathcona Park. Varsity and Ex-King George will meet in the first tussle at 2:30 o'clock. Rowing Club and Varsity Freshmen will meet in the second. Referee McLoughlin will handle both games.

Following last night's meeting of the Vancouver Union it was announced that Varsity and Vancouver will probably meet in a McKechnie cup fixture at Brockton Point on Thanksgiving Day, Monday November 10. The O.K. of the provincial body is all that is needed.

With this in mind there will only be one Miller cup fixture on November 1 between Varsity and U.B.C. The second game will be a trial match between A. and B. teams to help the selection committee pick the Vancouver fifteen. C. W. Stoess, G. Thom and D. E. Treherm will form the selection committee.

Referees Treherm and Yeo have been named by the Vancouver Union to the provincial body for McKechnie cup fixtures.

Owing to the financial standing of the Vancouver Union there will be no visit from Edmonton ruggers this season.

Allotments of the Horse Show Building for next week are: Tuesday 6 to 7, Rowing Club; 7 to 8, Liberals. Thursday 6 to 7, Ex-King George. 7 to 8, Wanderers.

# CRUTE ALLOWED TO PLAY AT U.B.C. LONG AS HE WANTS

Ebenezer Crute, star back of the Varsity soccer squad, will be allowed to play on the college team as long as he desires, was the decision of the Men's Athletic Association yesterday. Although the students do not make a practice of using the graduates, this departure was made owing to Crute having organized the Varsity soccer team while a student at the U.B.C.

The men also decided that all sports would be included in the Governors' Cup series and that any club could make a request to include its game in the contests.

# Strong Teams for Opening Play in McKechnie Rugby

### British Columbia Championship Series Opens on Monday at Brockton Point With Game Between Vancouver and University—Players Will be Numbered at Future Local Games

TWO strong sides were named at yesterday's rugby meeting to represent the Vancouver Rugby Union and the Varsity Club in the opening McKechnie Cup game at Brockton Point on Thanksgiving Day at 2:30 p.m., when the best talent of the local district will contest in the first battle for British Columbia rugby supremacy.

Varsity was supreme last year, but a new champion team is expected to be crowned this year and warm competition may be expected from Victoria, according to President Reg. Woodward of the B. C. Union, who returned from the Island after witnessing a game on Saturday. Mr. Woodward says that interest was never so keen in Victoria before and the players are all keyed up in the hope of getting a place on the team which will oppose Varsity and Vancouver.

Vancouver goes to Victoria on November 29 for the first clash between the Island and Mainland teams.

#### SATURDAY'S CARD

Another tasty card of league fixtures was arranged for Saturday afternoon at Brockton Point. At 2 o'clock Varsity will tackle the tricky Wanderer brigade with D. E. Treherne as referee and Cooper and Woodward acting as linesmen. At 3:15 the league leading Rowing Club will take on the U.B.C. fifteen when one of the best games of the season is expected. President Dick Bell-Irving will referee, while Eatonsore and Cameron will look after the side lines.

In the intermediate series at Strathcona Park, Freshmen and Rowing Club battle at 2 o'clock, while ex-King George and Varsity furnish the opposition in the second conflict. D. C. Garrard will make his debut as a referee in Vancouver.

#### NUMBER PLAYERS

In order to help the spectators identify the players during the many scrimmages and fast plays, the players will be numbered at all future games.

The Vancouver "Rep." team will workout at the Horse Show Building tonight and Thursday at 6 o'clock. The forwards will report to Lou Thomas and the backs to Duncan Bell-Irving.

A small advance in the price of admission will be made for the championship match next Monday. The northwest corner of the stand will be reserved for the University students. A press stand will be reserved on the centre platform which will also be used by officials of the union.

## Varsity Rugby Teams to Play

### Important Senior Games Saturday; McKechnie Contest on Monday

Another attractive double bill will be offered rugby enthusiasts at Brockton Point tomorrow afternoon, when the two University teams will again be seen in action. Varsity will endeavor to get into the win column at the expense of the Wanderers in the first game, which starts at 2 o'clock. In the second contest the U.B.C. aggregation will make strenuous efforts to hand the league-leading Rowing Club fifteen their first defeat of the season. D. E. Treherne will handle the first conflict, and President Bell-Irving will be in charge of the second fracas.

Vancouver rep. team had another workout at the Horse Show Building last night and the boys showed a big improvement in their team play and promise to be at their best in the opening McKechnie cup game on Monday afternoon at 2:30 against the champion Varsity squad.

# Varsity All Set For War

McKechnie Cup Squad for Monday Is Exceptionally Strong

### Students Pin Much Faith on Clure Domoney's Boot

OFFICIALS of the Varsity rugby club are taking no chances in their McKechnie cup game against the Vancouver Rep on Monday and are lining up quite a few spares for the battle. The Collegians are afraid that one or two of their stars may sustain injuries in Saturday's Miller cup encounters and hence have several extra players to fall back on.

According to Pug Greggor, Varsity's stalwart captain, the team will be selected from the following: Forwards, Greggor, Ramsell, Brock, Lange, Sparks, Hatch, Schultz, Johnston and Warren; halves, Shaw, McPherson, Gwyther; five-eights, Purdy; three-quarters, Cameron, Casselman, Buchanan, Palmer, Kelly and Demidoff; full back, Domoney.

#### REPLACES TERNAN

Of the Varsity forwards Ramsell, Greggor, Brock, Lange and Warren are all sure of their places unless incapacitated in Saturday's fracas. McPherson is playing a great game for the U.B.C. squad at half-back, and should be a safe bet for the Thanksgiving encounter.

Geh Ternan's place at five-eighths will be filled by Harry Purdy, who is one of the old-timers of the students first-string players. His speed and dash as well as his knowledge of the game should stand him in good stead in the pivot position.

If the local collegians are successful in defeating the Vancouver reps the Varsity three-quarters will take no small part in the victory, as the students are particularly strong in this department of the game. Cameron, Casselman, Buchanan and Palmer are probably the pick of the three-quarter line.

#### DOMONEY IN FORM

Clare Domoney seems to be in a class by himself at Varsity when it comes to playing the full-back game, and he may be counted on to do his stuff in his usual form when the teams tangle at the Brockton point oval on Monday.

The students of the local seat of learning are planning to have a large gang of rooters out to cheer on their pets for the first big game of the season. Judging from all accounts the collegians will need all the support they can get, as the Vancouver reps appear to have a pretty formidable array of talent this year, and the boys from Fairview have quite a few new faces on their lineup. Hence there is much speculation as to the outcome of the game. Whatever the result the fans should get their money's worth when the opposing fifteens tangle on Monday.

# Thirty-Eight Teams To Compete in Hoop Series This Season

## Vancouver and District Basketball Association Prepare for Opening

Thirty-eight teams, six more than last year, will compete in the Vancouver and district basketball association during the season opening early next month. Entries were sanctioned and plans made for the opening of what promises to be the greatest year in the history of the organization at a meeting of the executive last night.

Six strong teams will constitute the senior series and the games will be centralized on a similar plan to last year with the majority being played at the Y. M. C. A. most likely on Saturday nights. New Westminster team will have home games also on Saturday nights, but all details in connection with the schedule are to be worked out by a special committee consisting of Aubrey Roberts, R. G. Phipps and F. Wiggans. The opening will likely be fixed for Nov. 8 or 15.

### GRANT PERMISSION

The association granted permission to the Native Sons of Canada and the New Westminster club to use members on its teams, to compete in the newly-formed International League. A. N. Gowen appeared for the Sons and explained that the new league wished to cooperate in every way with the Vancouver and district organizations. That the officials would be careful that all members had amateur cards and that dates would not conflict in any way with the local body.

The executive was only too pleased to assist the Native Sons but permission was granted under certain obligations. Players must apply individually in writing to the association, and the manager of the team must supply the association with the list of players being used before each game, so that a close check may be kept on the players. Not more than twelve players will be allowed to sign for the Native Sons or the New Westminster club. Stan Meadows, chairman of the referees board, was on hand and considerable discussion took place as to the best way of handling the referee problem this year.

### COMPLETE CLUBS

The following entries were accepted:

#### SENIOR A.

Y. M. C. A., King Edward Old Boys, Rowing Club, Varsity, New Westminster Y. M. C. A., and Ex. Normals.

#### SENIOR B.

#### SENIOR B.

Rowing Club, Ex. Normal, B. C. Electric, King Edward and Ex. King George.

#### INTERMEDIATE A.

Varsity, Hanburys, B. C. Electric, Normal, Y. M. C. A., Ex. King George and Rowing Club.

#### INTERMEDIATE B.

Varsity, Crusaders, Normal, Ex. Burnaby and Ex. General Gordon.

#### SENIOR GIRLS

Normal A., Y. W. C. A., New Westminster Y. M. C. A., University A., Native Daughters, Ex. Normals, University B. and Ex. King George.

# U. B. C. Needs Senior PLENTY OF LIKELY FRESHMEN A Basket Ball Quintette

Varsity Basketball Club had the first workout at the Normal gym last night, and President Al. Hemingway seemed well pleased at results. There was some very promising material brought to light, especially from the freshmen class.

The students plan to enter four teams in the Vancouver and District League this season—a Senior "A", Senior "B", Intermediate "A" and "B". Nearly all of last year's Senior "A" squad graduated, hence the collegians have practically got to field a new team in this division. Kenny Carlisle, Les. Bickell and Tommy Lewis are no longer at the local seat of learning.

Tommy Wilkinson and Tanny Butler are both soccer stars, and it is questionable whether their services will be available. Dai Grauer and R. Bartley will be available. H. Arkley, of last year's Senior "B", is a certainty for the "A" quintette, and his speed and dash should be an acquisition.

Al. Buchanan, of rugby fame, is also reported to be in readiness to turn out for the indoor pastime. Ed. Bassett and H. Henderson are both on the sick list, but in a week or two will be O.K.

The Senior "B" squad will get what is left from the "A" team and have also some likely stars in Fred. Newcombe, R. Gordon, C. Schultz, Don McKay, Cecil Newby, Arnold Henderson, Otto Gill, S. Arkley and others.

The Intermediate "B" squad of 18 and under will be made up as in former years almost entirely of freshmen, and this year's freshies have several of last year's high school stars in their ranks, and may be counted on to play a fast brand of basketball. In former years the Intermediate "B" has very often trimmed the Intermediate "A" team, and may repeat the performance again.

Prof. Knapp will act as a coach with Jack Buchanan as trainer of the club. The basketers will work out again on Thursday.

## CLASS SPORTS BEGIN AT VARSITY

### Basket Ball Programme to Start Tuesday at Normal Gym

The inter-class sports begin at Varsity next week, basket ball being the first on the bill. The Collegians expect to take part in all the popular branches of sport, swimming, basket ball, rugby, soccer, track, rowing, tug of war and relay races.

Points count for each class on the four, three, two and one scale, and the class winning the greatest number of points wins the Governor Cup, donated by the Board of Governors for the competition. Interest always waxes high during the different contests and much new athletic material is unearthed which is of benefit to the different clubs taking part in outside competitions:

The draw for the basket ball is as follows:

Arts '28 vs. Science '28, Sc. 27 vs. Sc. '25, Arts '27 vs. Arts '26, Sc. 26 vs. Agriculture, Arts '25 a bye.

The first game will be played next Tuesday at Normal gym, and the followers of the indoor pastime should see some lively competition before the series is over.

## Varsity Team Win Badminton From Fairview

The U. B. C. Badminton club held its first match of the season at the Beatty Street Drill hall last Saturday evening against the Fairview Badminton club. The result was a win for the Varsity by 18 matches to 4. The match was however, considerably more keenly contested than the above result indicates, many of the matches going to three games.

## Arts '28, Aggies Win Hoop Games

### Two Science Quintettes Lose in Varsity Interclass Contests

Arts '28 downed Science '28 and Agriculture gave the Science '26 quintette an artistic trimming in the first round of the Varsity inter-class basketball series last night at the Normal gym.

The first game was fairly close and at half-time the score stood 14-13 for the Science men, but in the second stanza the Freshmen came back strong and due to Thompson's stellar shooting, ran up a big score and finished on the long end of a 30-21 count. Leg was high man for the losers.

Agriculture had it all over their Science brethren in the second encounter and ran up a score of 38 points to the losers' 10. The Science men started out strongly, but the pace proved too fast for them and due to the accurate shooting of Wilkinson, the farmers piled up a big lead. Bassett scintillated for the Science '26 squad.

The series will be renewed next week, when Arts '26 meets Arts '27.

## Students Lucky To Defeat The Soccer Sappers

Varsity were lucky to nose out a win against the peppy Sapperton eleven at Athletic Park yesterday. These teams play the kick and rush style, very pretty to watch but not always effective close in.

Tanny Butler scored once in the first half and again in the second when he swung Rex Cameron's hard cross past Sanford with his head. Cameron looked to be offside.

Jim Gardner got the Sappers only goal when he worked close in before driving hard for the far corner of the net. Varsity played: Huestis in centre, Auchinvole being on the island and Wilkinson at half, when Puckley turned up late. Crute, Baker and Phillips saved the day for Varsity repeatedly.

Sapperton was best served by Hart at outside right and the two super-aggressive d'Easums. Sanford saved smartly on occasion. Bowler was lenient, but luckily the two teams are clean tacklers mostly, and war was thus happily avoided.

# Exciting Finish to Hoop Game

## Arts '27 Basket Ball Team Defeats Rivals by 2 Points in League Fixture

Arts '25, favorites in the Varsity interclass basket ball series, went down to defeat at the hands of Arts '27 quintette in the most keenly contested and exciting game played so far at the Normal gym. It was anybody's game right up to the final toot of the whistle, and the sophomores only won by the narrow margin of a single basket, the final score being 33-31 in their favor.

There was quite a large turnout of both sexes at the Normal gym, cheering on their respective classes. The winners started out well in the first few minutes of play, but the seniors soon hit their stride and, due largely to the shooting eye of Harold Henderson, their rangy centre, soon took the lead and were two baskets up at the interval.

Upon resumption of play the "sophs" came to life and uncorked a dazzling brand of basket ball, and for team work had it all over the losers, the '25 squad being better individually than their rivals, but lacked combination. Both teams see-sawed back and forth, and during the last period the count was tied on three occasions.

Arts '27 are now in the finals of the series and are looked on as sure winners. The winners will meet the winner of Science '25 and Arts '28 next week.

Even if the Varsity sophomores lose the finals they will get second place in the contest, which will put them well in the lead in the Governor's Cup race as they have already four points to their credit for winning the track meet. Science '25 are running them a close second, however, and at present it looks as though one of these two teams will cop the silverware this year.

Arts '27—Robinson, King, Newby, A. Henderson, Gordon, Mottley.

Arts '25—H. Askley, S. Ashley, H. Henderson, D. McKay, Graur, Mathews.

## Varsity Science Men Will Be Hosts Tonight at Dance

Members of Science '26 at the University of B.C. will hold their annual class party at Willow hall tonight under the patronage of Mr. and Mrs. E. G. Matheson, Mr. and Mrs. E. Coles and Mr. and Mrs. W. H. Powell. Mr. Edward Bassett, Mr. Hugh McLean and Mr. Gordon Abernethy are in charge of arrangements.

Among those present will be Messrs. A. Larsen, A. Hunter, G. H. Norman, T. C. Oliver, Stan Gale, H. E. Parsons, Terry North, J. Poblack, N. Matthews, G. Robinson, J. D. Hartley, Curtis Timlech, D. R. Walnman, H. Warren, C. Leek, D. Hatch, J. Miller, Hugh McLean, Gordon Abernethy, B. Callander, W. A. Bain, J. Steede, Ed. Bassett, Pete Demidoff, Bobble Bayliss, R. Eojen, Brit Brock, A. Lambert, T. Buchanan, Misses Helen Turpin, Marguerite Carrico, Kathleen Darby, Katharine Reid, Claire Allan, Annie Robinson, Elsa Disney, Bobble Southon, Mary Lane, Gwen Stirling, Margaret Seymour, Gwen Newcombe, Lillian Robinson, M. B. Ewen, M. Aske, Helen Doble, May Andrews, Ethel de Bou, M. Swanson, Betty Lee, Eileen Bradley, Grace Pettapiece, Dorothy Curtis, Norma Roberts, Gladys Mercer, Pearl Stewart, Connie Welch, E. McDevitt, Jo Paradis, L. Bradley, M. Nixon, J. Brown, Messrs. Bush Gibbs, F. Guernsey, F. Hale, W. Jones, J. Kanla, T. Loudén and others.

# ARTS '27 EXCEL AT BASKET BALL

## Win 'Varsity Inter-Class Event By Decisively Defeating Science Quintette

Arts '27 won the Varsity inter-class basket ball competition last night at the Normal gym, when they handed the other finalists, Science '25, an artistic trimming. The Arts men had it all over the Science quintette and ran up 58 points whilst the losers only garnered 19.

The winners uncorked a fast brand of basket ball and excelled their rivals in speed, teamwork and accuracy of shooting. The Science team was composed mostly of rugby men, who put up a game fight, but lacked the finish and teamwork of their rivals.

The winners started out with a rush, and due largely to the efforts of Robinson and King, soon piled up a big lead. The half-time score was 22-19 in their favor. Upon resumption of play the Arts men soon widened the gap, and Robinson especially netted the ball frequently.

Ramsell was high man for the losers and worked hard throughout the entire fracas.

This win gives Arts '27 a comfortable lead in the Governor's Cup series. The Sophomores now have 8 points to their credit, their nearest competitor being Science '25 with 6 counters.

## Y.W.C.A. TEAM DOWNS VARSITY AT BASKET BALL

Y.W.C.A. downed Varsity "A" in a Vancouver and District Basket Ball League game at the Y.W.C.A. last night, 7-4. May Brown with 6 points and Amy Barker with 1 got the points for the winners. Gay Svenceski scored all 4 points for Varsity. The Y.W.C.A. team included Allene Hall, May Brown, Amy Barker, Doris Purkiss, E. Cross, Hilda Whitehead and G. Gignac. Varsity fielded Marjorie Bell, Flora Musgrave, W. Straight, Gay Svenceski, I. Russell and Doris Shorney. *E.S. 13-11-24*

## ROYAL CITY GIRLS DEFEAT VARSITY A

NEW WESTMINSTER, Nov. 23.—Westminster Y. W. C. A. basket ball squad defeated Varsity A at Westminster tonight 11-5. It was one of the best tussles played in the Royal City for some time. The teams played four periods. Varsity led at the end of the first 5-3. The score was 5-5 at the end of the second and third. Melrose Dockerill was the star of the game, getting 8 points, including 3 field baskets from the centre of the floor. In an exhibition game, Westminster Y. M. C. A. downed a team representing King Edward Old Boys, 66-14. Paulson with 22 and Shiles with 14 points were the high point getters for the winners.

## ARTS '25 SECURE THIRD PLACE IN HOOP TOURNEY

Arts '25 won third place in Varsity Inter-Class basket ball last night at the Normal gym when their rivals, Arts '28, took the short end of a 28-20 count. The seniors had a decided edge on the play and deserved their victory, but the Freshies put up a game fight.

The first half was characterized by open play and the losers' guards let the opposing sharpshooters away too often. The Arkley brothers in particular piled up a big lead in the first period.

The last stanza was featured by close checking throughout and neither team found the basket often. Butler starred at guard for the '28 squad.

This win entitles Arts '25 to two points in the Governor's Cup contest and the freshmen take one point for fourth place in the competition.

Arts '25: Henderson, 4; H. Arkley, 12; S. Arkley, 10; Mackay, 2; Graur, 4.

Arts '28: Aune, 11; Thompson, 4; Taylor, 1; McDonald, 2; Gill, Butler, 2. *E.S. 19.11.24*

# U.B.C. Hoop Teams Drop Two Contests

## Oarsmen Down B. C. Oaks in Quaint Contest at English Bay Gym

Varsity basketballers lost two and won one Saturday night at the Normal Gym where Ex-Normal B. downed Varsity Senior B, 38-18, and Varsity Intermediate A's took the long end of a 33-27 score from the B. C. Electric. The game went five minutes overtime. The Y. W. C. A. quintette was too fast for the co-ed B team and downed it 30-9 in a slow game.

Rowing Club C's defeated B.C.H. Oaks, 27-10, in a quaint display of basketball at English Bay. The game was even until the last few minutes when the Oaks commended ragging the referee instead of playing their best basketball. It was a freakish contest.

### HERB GAMEY GOOD

Herb Gamey gave a fine display for ex-Normal B's when they took Varsity Senior B's to camp. Don MacKenzie also showed up well. Bassett and Gill played well for Varsity.

The teams—Ex-Normal: C. Cameron, 4; E. Sager, B. Smith, J. Godfrey, Herb Gamey, 14; Harold Gamey, 6; MacKenzie, 12; Beaton, 2. Varsity: R. Gordon, 4; Lee, C. Newby, 6; Bassett, 0; Gill, 5; Don McKay, 3. At half-time Normal had a 18-12 lead.

Overcoming an 8-point lead during the second half of the Intermediate A game, Varsity squad held Electrics to a draw and defeated them in the five minutes of overtime. Robinson of the winning team put up a brilliant game, while Miron as running guard played well for the Electrics, along with Bill Tuson.

The teams—Varsity: Thompson, 2; Robinson, 13; Anna, 6; King, 8; MacDonald, Kelly, 2; Taylor, 2. B. C. Electric: Dempster, 6; B. Tuson, 9; Jacques, 4; Cameron, R. Tuson, Miron, 8. Half-time score, 8-16; time score, 25-25; overtime, 33-27.

### Y.W.C.A. BEST TEAM

Y.W.C.A. played better basketball than the Varsity seconds and downed them 30-9 in a slow brand of basketball. Mae Brown and Aileen Hall played the stellar game for the winners, showing a decided ability to evade their checks. Marjorie Leeming played well for Varsity.

The teams—Y.W.C.A.: Aileen Hall, 8; Mae Brown, 16; Eddy Cross, 4; May Barker, 2; Evelyn Baynes, Hilda Whitehead, Jo Gignac, Doris Purkiss. Varsity B: Mary Higgenbotham, 5; Aida Moffatt, Doris Woods, 1; Doris McKay, Doris Allen, Marjorie Leeming, 3.

Rowing Club C's took advantage of breaks in the tactics of the B.C.H. Oaks. The teams—Rowing Club C: Tolling, 8; Martin, 8; Archibald, 2; Allen, 2; Hillmore, 3; Boyd, 4. B. C. Oaks: Stewart, 2; Williams, 4; Syrotuck, 4; Brett, Davis, Reid.

# Art Squad Victor at Badminton

'27 Year First With Science  
'28 Second in Initial  
Tournament

ARTS '27 carried off high honors in the first Inter-Class Varsity Badminton tournament. An excellent brand of the indoor pastime was dished up at the King Edward gym last night. The "Sophs" won the doubles event and came third in the singles. Science '28 took second place by virtue of stellar plays by Woodman, who won the singles final quite handily against the Agriculture star, Billy Argue, the score being 15-8, 15-9, in the Science man's favor.

Agriculture and Arts '28 tied for third place, each winning a second, the former in the singles and that latter in the doubles when they met the crack Arts '27 team in what proved to be a torrid encounter.

### DOUBLE FIREWORKS

Science '25 provided the fireworks in the men's doubles event when they battled with the Arts '27 squad for the right to play Arts '28 in the finals. Shakespeare and Hockin were extended to their utmost to beat Hincks and Arnott of Science, and three games were played before the Arts' men were able to get by, the score being, 0-3, 15-5, 15-4.

In the doubles final the Arts '28 squad through a great scare into the sophomores by piling up a 10-1 lead in the opening stages.

The '27 men made a great rally, however, and due largely to the steady and effective playing of Jack Shakespeare, overhauled the Freshies' lead and won 15-11. In the second game the winners had it all over Marion and Ballentine of the '28 team and beat them 15-1.

### MEN'S SINGLES

The final of the men's singles was a thriller and Woodman and Argue scintillated in what was considered one of the best single matches of the year. Woodman had it over his younger opponent in steadiness and his superb volleying stood him in good stead to offset the speed and dash of Argue, who, however, tired toward the end of the end of the encounter. Woodman won the first engagement by a 15-8 score and the latter 15-9.

Quite a large crowd witnessed the tournament and doubtless badminton will become an annual event in the Governor's Cup series. The win by Arts '27 gives them a comfortable lead in the series now, having three firsts or a total of 12 points to their credit, while their nearest competitor, Science '25, have only 6.

# STUDENTS DOWN ROYALS IN SERIES OF BADMINTON

Varsity badminton men emerged on the long end of a 12-10 count at Westminster where they met the Royals in a closely contested tournament. The suburbanites cleaned up in the mixed doubles but the students were too much for them in the men and women's single and double events. The collegians are playing a fast brand of the indoor pastime this year and so far are undefeated. The officials of the club plan to have a strong delegation at Victoria when the students go down there at New Year.

# Three of Five for Students

Trio of Varsity Hoop Teams  
Win at Normal Gym  
Saturday Night

VARSITY basket ball teams carried off high honors in three of their five encounters Saturday night at Normal Gym. The Men's Senior B downed the Rowing Club quintette, 38 to 18; the Intermediate B's won from the Crusaders, 22 to 11, and the Hanbury Intermediate A squad downed the collegian Intermediate A's, 27-19. The co-eds of the college won from the Normal E's with their Senior A team, 52-0, and the New Westminster Y.W. squad took the long end of a 27-8 score from the Varsity senior B girls.

Coaches of the various district teams should call the attention of players to the time off rule, which states that during time off a full team must be kept on the floor. The ruling states that the opposing team may have one free shot for every man leaving the playing area. This also applies to the women during the quarter time off, but has no bearing on the half time interval. The Varsity Intermediates were awarded five free shots when the whole Hanbury team left the floor at once, but they refused to take advantage of the ruling.

### FAST AND OPEN

Varsity Senior B won a fast and open game. The Scullers put up a fine exhibition of basketball, but were frequently robbed of sure baskets by the close and fast checking of A. Henderson, who played a stellar game for Varsity at guard. Bert Tolling and Fraser Allen starred for the losers, while O. Gill shared the applause of the gallery with Henderson for University honors. At half time the score was 21-11.

The teams: Varsity, T. Butler (4), Ed Bassett (8), C. Newby (4), O. Gill (9), Henderson (5), R. Gordon, D. McKay (8), Rowing Club, Sterling Martin, Bert Tolling (8), D. L. Clarke, Hal Jones, Harry Archibald; Vic Hillman (8), Fraser Allen (7). Referee, Robson.

Overcoming a five-point lead, the Hanbury Intermediate A squad walked away from Varsity Intermediate A's in the second half of their encounter. The Varsity men led at half time, 13-8. Stevenson was the star man of the lumbermen and rolled in some pretty baskets. MacDonald did some fine guarding for Varsity.

The teams: Hanbury, C. Code (8), C. Stevenson (14), M. Abernethy (4).

# FRESHMEN DROP THEIR FIRST POINT

Both Intermediate Rugger  
Contests at Strathcona  
Park Are Drawn

There was an abundance of unique features in the intermediate rugby games at Strathcona Park on Saturday, in which the Freshmen met Ex-King George and Rowing Club clashed with Varsity III.

Freshmen and Ex-King George played in the first tussle, and playing downhill, Roy Shields scored for Freshmen in the first half. This was all the score up to the interval. Turning round, Ex-King George equalized, while playing downhill.

Playing downhill, Rowing Club scored the only try of the first half against Varsity III. There was no further scoring in this half, but Varsity III also managed to get a try while battling up the slight slope.

Thus in the two games, four tries were obtained, one by each team, none were converted and each was obtained in a separate half.

Referee MacLachlan handled both games.

# VARSITY TEAMS TO CLASH SATURDAY

First Meeting of Students in  
Senior Rugby Series;  
Victoria Here Nov. 29

It is going to be an honor that no rugbyist will ever forget to get a place on one of the teams which will perform against the all conquering "All Blacks" here next February, and there promises to be some keen rivalry among local players for positions on the teams. This means that every athlete will take a greater interest in the remaining Miller cup games than ever, and whether a team is in the running or not the players will be keyed up to their best in order to fight for a position on the All Star aggregations which will be chosen to play against the redoubtable New Zealanders.

Saturday's Miller cup games at Brockton Point offer another bright looking card. With the first meeting of the two University teams at 2 o'clock the fans are promised some action as their is a friendly rivalry between the students which promises to bring out some spectacular stunts. E. L. Yeo will be in charge.

Wanderers will have a chance in the second game to win a lot of glory for themselves if they can put a stop to the undefeated record of the Rowing Club ruggers. Treherne will referee and a most interesting contest should result.

The usual double bill will be staged by the intermediates at Strathcona Park. At 2 o'clock Ex-King George and Rowing Club will clash in the first game, while Varsity and Freshmen meet for the first time. Mr. Underhill will handle both games.

Saturday, November 29, Victoria rep team will be here for their first game of the season in the McKecknie cup series against Vancouver's representatives.

### Prominent Varsity Social Event Set For November 7

The Arts Dance, one of the major social events of the college year, has been set for Friday, November 7, at Lester Court, and is being arranged by the members of the executive of the Arts Men's Undergraduate Society with Mr. Bert Smith and Miss Grace Smith in charge.

The patrons and patronesses of the affair will be President and Mrs. L. S. Klinck, Dean and Mrs. H. T. J. Coleman, Miss M. L. Bollert and Professor and Mrs. H. T. Logan.

### Freshmen Are Still Unbeaten

#### Ex-King George Downs Rowing Club in Intermediate Rugby Series

EX-KING GEORGE beat Rowing Club 6-3 and Freshmen and Varsity third drew three points each in the intermediate rugby games at Strathcona Park on Saturday. Jim Underhill handled both tussles.

Rowing Club scored in the first half against the former high school students and was the culmination of a brilliant 70-yard run by the club's captain. Ex-King George equalized in the second half and secured the winning points when the referee awarded a try for obstruction.

Varsity third scored the only try of the first half against Freshmen, but the latter, the only undefeated team in the competition, came back and squared accounts in the last half.

Both Varsity teams wore the same color of sweaters and the referee was compelled to ask one team to wear some mark of distinction, with the result that one side wore white armlets.

There was not much back work in either game, the ground conditions favoring the pushful methods of the forwards.

### Faculty Women's Club to Entertain At Wednesday Tea

THE Faculty Women's Club of the University of B. C. will entertain at tea on Wednesday afternoon in honor of the girls of the graduating class. The guests will be received by Mrs. L. S. Klinck and Mrs. H. T. J. Coleman. At the teatables will be presiding Mrs. W. N. Sage, Mrs. A. H. Hutchinson, Mrs. H. T. Logan, Mrs. F. E. Buck, and assisting in serving Mrs. H. M. King, Mrs. H. R. Christie, Mrs. E. M. Coles and Mrs. L. Richardson.

### GLASS TO BE SUBJECT

Dr. W. F. Seyer of the department of physical chemistry, U. B. C., will address the Chemistry Society tonight at 8 p.m. on the subject, "Glass and its Manipulation." This will be the last meeting of the 1924 term and will be held in the chemistry building, between Tenth and Twelfth Avenues on Laurel Street.

### Oxford Debators Here on Sunday

Debaters from the University of Oxford who are touring Canada and United States will arrive in Vancouver next Sunday and will meet representatives of the University of British Columbia the following night at Wesley Church, when the merits of capitalism and socialism will be discussed. M. C. Hollis and J. D. Woodruff of Oxford will be supported by Murray Hunter of the University of B. C. in defending the capitalist system, while Malcolm MacDonald, son of the former prime minister of Great Britain, will take sides with S. Kobe and James Craig in upholding socialism. The Oxford men are taking the sides of the question to which their convictions lead them and it is expected that they will give a display of public speaking that is worthy of the ancient colleges to which they belong.

### Oxford Men to Speak at U.B.C.

Malcolm MacDonald, son of the former Prime Minister of Great Britain, and member of the Oxford debating team which appeared in Vancouver Monday night, will speak at the University of B. C. Saturday morning at 9 o'clock, following his return from Victoria.

J. D. Woodruff, ex-president of the Oxford Union, and a second member of the team, will be speaker today at noon in the university auditorium, according to an announcement made last night.

### Christmas Plays Of Players' Club Shown This Week

The annual Christmas plays given by the Players' Club of the University of B. C. will be first shown at a performance on Thursday, Friday and Saturday, November 20, 21 and 22. Friday night will be reserved for members of the faculty and senate of the University and guests of the players, while Thursday and Saturday will be students' nights.

The club will present four short plays: "Figureheads," "The Old Lady Shows Her Medals," "The Dollar," and "The One Deserving." Particular interest is attached to the last named, which was written by Miss Dorothy Taylor, Arts '25, and was the winning play among the number entered in the Players' Club Competition.

### U.B.C. to Present Harvard Play

Directors of the University Players' Club have selected the Harvard prize-winning play, "You and I", for the annual spring production to be given at the Orpheum Theatre in March of next year, according to the club members. The play is from the hand of Phillip Barry, a University of Harvard graduate, and won a \$500 prize as well as a substantial royalty. Mr. Barry wrote the play while he was at Harvard in 1923 and it was such a success in New York that it ran for six months before a tour of the Eastern States was made. It has never been produced west of Chicago.

Professor F. G. C. Wood of the U.B.C. saw the play in New York and secured its release for amateur production this year.

### CANADIAN RUGBY A VARSITY SPORT

#### Men's Athletic Association Give Game Sub-Minor Class

Canadian rugby was definitely established as a sport at Varsity at a men's athletic meeting yesterday. The game has been made a sub-minor sport and will be officially recognized by the U. B. C. Men's Athletic Society. This means that the Varsity Canadian rugby players will get a plain letter for taking part and will carry Varsity's colors.

President Lever Bates made an earnest appeal to have the winter pastime recognized. According to Bates, the new game is taking well and students are turning out to practice early in the morning, which he argued was a sure sign of interest.

Rowing and boxing were raised from sub-minor to minor sports, which means that those who distinguish themselves in either of these two branches of sport will get a small block instead of a plain letter, as formerly. The application of swimming and badminton to be raised to minor sports was turned down.

Rowing is a sport that is making great headway at U. B. C., and judging by the interest shown at the meeting this branch of sport will soon be raised up to as high a standing as it occupies in other colleges.

The application of the track club to confer a big letter on members who made the western intercollegiate team was left to the next meeting.

### VARSITY GIRLS EASY VICTORS

#### Only One of Three Scheduled Basket Ball League Contests Decided

Only one of three schedule basketball games was played at the Normal gym Saturday night, Varsity Senior "A" Girls beating Normal "A" 22-10.

It was a hard fought game from the start and much closer than the score would indicate. The winners had the advantage in weight and played a more forceful brand of basketball.

The Co-eds took the lead in the early stages when Gay Swenciski boosted her scoring average. Ingie Anderson proved to have a good eye and scored twice in the first stanza for the teachers. The half time score stood at 12-7 in the students favor. Resuming, the collegians brought on two or three reserves, Katherine Reid substituting for Marjorie Bell. The change seemed very effective the former Duke of Caunnaught girl excelling.

Isabell Russell and Gay Swenciski rained in shots from all angles and soon increased Varsity's lead. Normal could not seem to get going at all, and only hung up three points in the last period. Charlotte Rae played a hard fighting game for the losers, but lack of team work and poor shooting spelled defeat for the Normal squad.

The Varsity quintette are improved and the large number of spares they are carrying stands them in good stead when girls show any signs of weakness.

Neither the Senior B girls game or the Intermediate A game was played neither teams putting in an appearance, examinations going on at Varsity being the chief reason. The collegians are having great difficulty in fielding representative teams in all branches of sports, at this time.

# K. E. Old Boys Well Beaten By Varsity

Senior A Basket Ball Game Ends 47-12 in Favor of the U.B.C.

HAVING the advantage of weight, height and reach Varsity basketers made a runaway of the score against King Edward Old Boys in a senior "A" game at Normal gymnasium last night. The count was 47 to 12 and it just about represents the play, for the students were all over their opponents in every department of the game. They were superior in speed, combination and shooting and forced the play from the start.

The half time score was 26 to 6, and though the King Edward boys tightened up and carried the play to the Varsity basket, early in the second period, their shooting was wild and the students opened up toward the finish to pile up many points.

#### HENDERSON BOYS SHINE

The two Henderson boys, Arnold and Harold, played clever basket ball when they got into the play in the second half. Colman Hall was best for the losers. He started several fast plays and played off two pretty baskets from awkward angles. The Old Boys were rather loose in their shooting at times and the Students had little difficulty in getting uncovered for a shot at the basket.

Stan Meadows made a good job of the refereeing. Duff was the only player to get four personals, and retired toward the end of the game.

The teams and score:  
Varsity — Arkley, forward (2), Newcombe, (forward (10), Hartley, centre (3), Peck, guard (5), Greer, guard (4), Arnold Henderson, sub (7), Harold Henderson, sub (6), Wilkinson, sub (4).

King George Old Boys—Dixon, forward (2), Grilmett, forward (2), Hall, centre (4), Duff, guard (0), Allan, guard (0), Scott, sub (2), McAdam, sub (2), Boyd, sub (0).

#### MARY BRYER SHINES

Clever playing by Mary Bryer, who did not get into the game until the closing minutes, gave New Westminster Y. W. C. A. girls a hard-earned victory over Ex-Normal girls, 15 to 13, in a regular league fixture. The Normals had the large end of a 6 to 5 count after a desperately fought first half and managed to retain their lead for the greater part of the second period, until Mary Bryer got in some of her smart work and picked off five points.

Normals fought hard to even up the count with a basket in the closing minutes, but the visitors checked like fiends and seldoms left an opening. It was a grand struggle all the way with the result in doubt until the final whistle.

Ex-Normals—G. Eveleigh (2), J. B. Simpson, N. Moore (2), G. Garlick A. Serti.

New Westminster—Vera Bowell (2), Ethel Ettenger, Toddie Dockrill (3), Wanna Strut, "Pat" Rennie, Grace Masdell and Mary Bryer (5).

## Varsity Soccer Team Will Play

### Victoria Wests

Varsity soccermen will oppose Victoria Wests at the Capital on January 3, at 3 o'clock. The fixture was confirmed in a letter from the secretary of Wests to local Varsity officials. The game will be staged in connection with the annual trip of student athletes to Victoria.

## Students Succeed in Three Games

Crusaders, Oaks and Ex-King George Women All Defeated

Varsity basket ballers won all their games at Normal gymnasium Saturday night when they defeated Crusaders, B. C. H. Oaks and ex-King George woman. Varsity Senior A co-eds were decidedly superior to the West End women and ran up a 51-3 score. The Intermediate B's proved too big for the young Crusaders and defeated them 40-7, while the intermediate A's took the long end of a close score in an overtime with Oaks.

Flora Musgrave of the Varsity co-ed team gave a brilliant display of dribbling and checking. She obtained most of her points after taking the ball from basket to basket cleverly. She is a newcomer to Vancouver.

#### THE TEAMS

The teams: Varsity—Doris Shorney, 8; Marjory Bell, 9; Flora Musgrave, 14; Jean Gilley, Winona Straight, 4; Katherine Reid, 4; Jean Wilkinson, Isabel Russell, 12. Ex-King George—Pan Senkler, 2; Vivian French, Eleanor Nicholson, Claire Mitchell, 1; Phyllis Senkler. Score 51-3. Half-time score, 22-2. Referee Gordon.

B.C. Hardwood Oaks forced the collegian Intermediate A team into an overtime game which ended 24-21, the score at time being 20-20. Varsity had the long end of a 14-6 score at half time but the Oaks ran in several baskets in quick succession early in the second and took a two-point lead with a minute to go. Varsity evened up with only a few seconds left and Otto Gill put the game on ice when he scored two baskets in the overtime. The contest was rough, several personal fouls being called by Referee Reilly.

The teams: Varsity—Bassett, 6; Gill, 4; McKay, 8 Gordon, 2; Newby, 4. B.C. Oaks—Stewart, 16; Williams, Black, Davis, 2; Sprotuck, 3.

Varsity Intermediate B's downed the Crusaders 40-7, in a game in which Lee scored 21 points and Swanson 12 for the college. Berto played a fine game for the Crusaders, who were too small and light for the Varsity squad.

The teams: Varsity—Turpin, Stewart, Marrs, Williams, Thurston, Crawford, Lee, 21; Swanson, 12; Arnold, 7. Crusaders—Kelton; Bartlett, Moore, Berto, 5; Gold, 2

## Date Set For Mile Contest

Annual University Run to Take Place Earlier Than Was Expected

Teams to Line Up for Race Feb. 4; Athletes Commence Training

MILLERS of the University track club commenced serious training yesterday for the Arts '20 relay race to be staged February 4. The runners of the various classes were surprised to hear that the event would be staged so early in the term and expected at least two months' training. The men of Arts '27 are in the best condition, having been at their distance running for some time.

The race is an eight-mile relay race from the Point Grey site of the University to the temporary buildings at Fairview. The event was made a permanent athletic contest at the University when the class of Arts '20 offered a trophy for annual competition. There will be eight teams entered with eight men on each.

#### ARTS '25 FAVORED

Arts '25 won the race last year by a good margin over the Aggies, who had been consistent winners in the previous years. The Arts class is favored again this year as a likely winner, but the Agriculture team is not so strong as previously.

Arts '27 will field a team containing at least three of the Varsity's best millers and this class claims to have several other crack men to make up a winning team. The Arts '25 men have retained their whole squad of runners this year and have developed new talent which will fill the weaker gaps found in the last race. Although the freshmen may have several dark horses as usual, they are not picked as a dangerous aggregation.

#### LOOK FOR RECORD

It is likely that this will be the last year in which the present course will be chosen for the relay and the classes are endeavoring to establish a new mark which will be left standing for all time.

The Arts '25 team, which won last year and will be in action at all of the tryouts, is Wasson, Craig, Thompson, H. Arkley, J. Arkley, Hemmingway, Forster and McKillop. Besides these men, James Smith, who ran an excellent race two years ago, will be out. The best runners Varsity has will be out with Arts '27, when Mottley, McWilliams, Mulhern and Elliott run for that class. Agriculture has only Luyatt and Buckley left from last year.

The other inter-class sports contests in connection with the Governor's Cup, are the tug-of-war, January 12 to 17; soccer, January 19 to 21; swimming, January 27 to February 3. The rugby will be held after the relay.

# Olympic Rugbyists Triumph Over U.B.C. In Fast Exhibition

American Players Show to Advantage in Beating Varsity 9 to 0

Californians Strong in All Departments but Forced to Travel Fast

AL WILLIAMS and his sturdy, tricky and smooth working aggregation of champion rugbyists from California ruined a perfectly happy Christmas day at Brockton Point yesterday afternoon for a number of bright-eyed college students, and others, when they trampled over University of British Columbia's very best talent to the tune of 9 to 0.

They turned the track with about twenty-five hundred enthusiastic followers of the handling game watching the proceedings and did it so artistically that there was no doubt as to the superior fifteen. The visitors kept their own line clear while they romped over for one try which was worth three points in the first half. But they added insult to injury by showing still a faster pace in the second half when they hopped over the Varsity line with two more tries.

### FLASH OF SPEED

One of these was featured by one of the greatest displays of speed ever witnessed at Brockton point when Kirksey, an old rival of Padlock on the cinder path, raced from centre field, a distance of more than fifty yards, for a try. He dodged several tacklers and never a man caught up to him once he started those speedy legs on high. He is about the swiftest bird seen in these parts for many moons.

Outscored by a faster, heavier, quicker thinking and a clever working machine Varsity athletes were not outfought. They gave their best from whistle to whistle and the famous Olympic champions earned every point they got. Varsity was very much in the battle at all times. They were on the California's five yard line on several occasions, but not once were they able to pierce the stiff defence shown by the enemy.

It was the flashiest performance of rugby football provided at Brockton point for many years and it was really remarkable the speed, accurate handling of the ball and spectacular punting shown by both sides. The field was slippery and treacherous though the heavy bed of straw made it much easier to play on than otherwise.

### BACKS FORMIDABLE

It was a battle between two tricky backfields, in which the visitors triumphed because they were faster, started their plays quicker and injected a certain amount of

American football tactics into their play. The short and accurate passing of Rogers, Carey, Villian, Patrick, Cleaveland and Kirksey was a revelation to the big hc'ay crowd. Pretty nearly every one of the threes look fast enough to beat 11 seconds at any time, and they are all clean handlers. They run with their heads down and use the stiff arm to perfection and ward off tacklers in this manner. Old timers like Reg. Woodward and others say they they have never seen anything better on a Vancouver field.

But it was on the line where the visitors showed to advantage. With seven men well around six feet they made the Varsity forwards look like mere pigmies in comparison. And there is not a slow man on the entire line. Slater, Farish, Clark, DeGroot and Williams were giants in more ways than one. They towered over the Varsity squad so much that the locals had to resort to scrummage, instead of the usual throw-in for most of the way in the second half. Manelli, a husky Italian, throws the ball with the speed and precision of a baseball player.

### U. B. C. FIGHT HARD

Despite the fact that they were held scoreless, the U. B. C. representatives distinguished themselves. They were up against stiff odds but made the best of it. Domoney, particularly in the first half, uncorked some wonderful kicking and more than held his own with the opposing backfield. Casselman matched his speed with the swift birds on the other line and more than held his own and started several bright plays with dodging runs. Gwyther and McLean worked like trojans at half back, while Greggor Brock and Lange carried the bulk of the work on the forward line. The tackling was particularly good but the visitors excelled in this department of the game.

Tomorrow afternoon's game with Vancouver "Rep" should prove about the best ever seen here, as the Vancouver Union is lining up a powerful team in an endeavor to stop the fast stepping Californians.

E. L. Yeo had a hard game to handle but did the work in his usual efficient manner. Varsity rooters gave the boys every encouragement with college yells, but it was of no use so far as scoring was concerned.

### TEAMS AND SUMMARY

## Sorority Girls Entertain at Tea

Tau Omicron Sorority entertained at the tea hour on Wednesday at the home of Miss F. Williams, Connaught Drive, in honor of Mrs. R. L. Reid.

Mrs. D. Whiteside, Mrs. A. McLeod and Mrs. Williams presided at the daintily appointed tea table and assisting were Miss Laura Wilcox, Miss Molly Wilcox, Miss Grace Smith, Miss Bea Welch, Miss Dorothy Brown, Miss Doris Shorney, Miss Mrytle Nixon, Miss Jeannie Wilkinson and Miss Helen Whiteside.

## Olympic Ruggers Here

THEY'RE HUSKY IF NOTHING ELSE

## For the Holiday Games

FEELING somewhat tired after their long train ride but enthusiastic over the prospect of combat with Canadian opposition, the Olympic rugby champions arrived in the city from California last night to fill three dates against local stalwarts.

The visitors were met by President Dick Bell-Irving and a number of officials and players of the Vancouver Rugby Union. The local members were greatly impressed with the appearance of the Americans. They are a husky lot of athletes and look capable of giving the very best a warm argument.

They limbered up their stiff limbs this morning with a workout at Brockton Point.

Officials of the local union had a busy time yesterday putting the field in playing condition for Thursday's game against Varsity. Instead of covering the field with sawdust it was decided to try straw and several loads were taken to the grounds.

With bright sunshine like yesterday the conditions for watching the game promise to be better.

Manager Williams of the Olympic squad, said the boys are taking the coming series to heart and will do their utmost to uphold the reputation established at Paris last year.

All doubts as to whether Varsity would play on Thursday were dispelled last night when the students officially announced they would be on the job.

There will be a special practice of the Vancouver "rep" players tonight at the Horse Show building at 5:30 o'clock. The practice can only last one hour and it is essential that all players appear on time.

## Varsity Students Jolly Dance at Banfield Home

ONE of the gayest of the holiday parties was the New Year's Eve festivities held at the home of Mr. and Mrs. J. J. Banfield, Bute Street, when a University crowd met there at the invitation of Mr. Orson Banfield.

Previous to the dancing in of the New Year, several contests were held. A cross word puzzle preceded a cobweb contest, which by the aid of two cards cut into fitting shapes provided the guests with partners for further puzzles.

## University Players May Visit Nanaimo

NANAIMO, Jan. 6.—Bastion Chapter I.O.D.E. has decided to invite the University Players to present their new production, "You and I" here early in March.

## VARSITY STRONG MEN MEET TODAY IN TUG-OF-WAR

Varsity's husky men will do the stuff today in the first round of the tug-of-war to be staged in connection with the Governor's Cup series. This event will be the opening of the spring term inter-class athletic events. The science classes are picked for the winners of the pull having won premier honors during the past year.

Arts '27 is at present leading in the Governor's Cup series, having taken first place in badminton, track and basketball. The Science '25 athletes are a close second and will likely decrease the lead of the Arts class in the tug-of-war, having been favored to win today's event.

## SCIENCE '27 AND AGGIES SCORE IN TUG-OF-WAR EVENT

Agriculture and Science '27 were Monday's victors in the tug-of-war at the University, when each of these classes won their event straight pulls. Arts '26 proved easy for the Aggie team but Science '27 gave Science '27 a hard pull early in the afternoon.

Arts '27, the class leading in the race for the Governor's cup, met Arts '25 at noon at the King Edward grounds. Science '25 and Science '28 meet today. Arts '28 has drawn a bye.

Runners from every class in the University are now training for the Arts '20 relay from Point Grey the University which will be staged February 4.

## Class Debates Start Shortly

Co-eds at the University of B. C. will commence their interclass debates for the women's debating shield Wednesday, when Phyllis Gregory and Helen MacGill of Arts '25 will meet Jean Graham and Kathleen Clark of Arts '26 in the first round of the series.

The co-eds will take sides on the Oriental immigration question, the subject being "Resolved, that Japanese immigration in the U. S. should be placed on the same basis as the European immigration."

# City Back At Head Of Loop

North Shore Downs Westminster and Saints Only  
Draw With Varsity

Four Teams Ready for  
Brunswick Cup Semi-Finals; Hotel Climbing

SATURDAY'S local football in the first division only served to make the fight for the championship just a little keener. City looked like being left in the cold before the last set of games was played, but they have just as good a chance as Westminster United and St. Andrew's.

City beat Longshoremen 4-1 at Jones park, and went to the top of the league with a clear pointage, but having played a match more than the other two clubs.

Westminster United fell at North Shore, 2-0, while St. Andrews could do no better than share two goals equally with Varsity at Athletic park.

Sapperton made short work of South Hill across Kingsway, winning 7-1.

McDonald scored three goals against Longshoremen, while Ross obtained both goals for North Shore United. The league is nearly completed, and there does not seem any chance of South Hill avoiding relegation.

St. Saviours and Nationals could not stage their second division fixture, the grounds at Moody square being unfit for play. Hotel Vancouver made a creditable draw at Collingwood. The home club scored twice in the first half, but Drummond and Duggan equalized for Hotel in the last half.

Cedar Cottage scored five goals without response against the bottom club, Postals. South Vancouver G.W.V.A. was beaten at Wilson park by Kerrisdale by the odd goal of five.

As a result of the Brunswick cup games Shellys, Engineers, Chinese and Mac and Mac are ready for the semi-finals. Shellys beat S.S. Canora, 3-1; Engineers downed Telephones, 4-0; Chinese accounted for

## Pep Meeting Is Held By Co-Eds

Co-eds at the University of B.C. staged one of the largest and most successful pep meetings that the local institution has ever seen when they entertained the men of the U. B.C. at a Friday noon meeting. The women put on short sketches and musical numbers and the co-eds pep band made its first public appearance.

The co-ed band, which is a novelty of the college, similar to the men's jazz orchestra, is composed of Lenora Irwin, piano; Jean Wilkinson, saxophone; Isobel Russel, trapps; Dorothy Brown and Enid Gibbs, tringed instruments. The nucleus is surrounded by several of the women playing the ever-popular kazoo.

Doris Shorney, president of the women's athletic association, took Brick McLeod's place as yell leader

# Rowers And 'Y' Triumph

Oarsmen Nose Out Victory  
Over Varsity With Last  
Play of Game

Y. M. C. A. made short work of King Edward Old Boys in the second game of the senior basket ball doubleheader at the Y. Saturday night, but Rowing Club only managed to beat Varsity by a point in the first game. Y. M. C. A. won 47-22 and Rowing Club 20-19.

King Edward Old Boys played hard against Y. M. C. A., but experience told its tale from the start. The league leaders led at the interval 30-10. Ralston was in great form. He obtained 14 points that first half and was the top scorer for his side although he was rested throughout the last half. Ralston's shooting was deadly.

### KINGS SHOW SPEED

The young King Edward team staged several fast plays in the second half, but were a little off in shooting. Every man on the two teams broke into the scoring column. Robinson had the misfortune to be injured when his face came in contact with McMaster's hand. Robinson was led off with a bleeding forehead and Tuck took his place. The veteran was conspicuous in the closing stages as the pivot for several combination plays.

Ross Bryson refereed and he seemed intent on not blowing his whistle unless it was absolutely necessary, which helped the game from a spectator's standpoint.

### OARSMEN WIN THRILLER

Rowing Club beat Varsity with the last shot of the match. The whistle went while McAdam was converting a free throw. Rowing Club went into third place as a result of the victory. Stan Meadows refereed. The game was free from fouls in the first half and just the opposite in the second half after a few substitutions. Every man on the Rowing Club team broke into the scoring column. Varsity used nine players and all except Wilkinson, H. Henderson and Grauer obtained points.

Y. M. C. A.: Robinson (7), Ralston (14), Phillips (3), Priest (7), Phipps (10), Woodcock (2), Stephens (2), Tuck (2).

K. E. Old Boys: McLean (7), Rae (2), Hall (4), James (3), Hand (3), McMaster (4).

Rowing Club: G. McAdam (4), O. Olsen (2), Johnson (2), Boyes (2), Falconer (6), Abercrombie (2), Fletcher (2).

Varsity: Newcombe (1), Arkley (2), H. Henderson, A. Henderson (5), A. Buchanan (4), S. Peck (5), Grauer, Hartley (2), Wilkinson.

## VARSITY WOMEN TRIUMPH OVER Y. W. C. A. TEAM

Varsity's senior women downed the Y.W.C.A. basket ballers Saturday night at Normal Gym, when Flora Musgrave, star centre of the Varsity quintette, ran up the high score of the evening. The co-eds took the long end of a 17-11 score. Dot Gillespie made her appearance with the losing team and did excellent work as guard.

There was only one of the four scheduled games played at the Normal Gym, two being cancelled. The Varsity intermediates were scheduled to play the Rowing Club intermediates but the Oarsmen did not turn up.

# Two Hoop Games on Wednesday

Rowing Club and Y.M.C.A.  
Meet in Feature Contest  
of Senior Series

MID-WEEK basket ball in the Senior A series of the Vancouver and District League will be inaugurated tomorrow night at the Y. M. C. A. Gymnasium, when two games will be staged.

Rowing Club will have a chance to jump right into the fight by trimming the undefeated Y. M. C. A. quintette in the second game of the evening. The Oarsmen have been bumped twice but are going at top speed just now and should make things interesting for the speedy league leaders.

So much rivalry has been aroused over the meeting of the strong local aggregations that it is quite likely two officials will be appointed to handle the game. The Rowing Club has asked for an umpire to assist the referee.

Varsity and King Edward meet in the opening game at 8 o'clock, and judging by the improvement shown by the Kings the students will have to show their very best form to secure the verdict.

A meeting of the Referees' Board of the Basket Ball League has been called for 8 o'clock Thursday night at the Y. M. C. A., when several rules will be discussed, including the new dribbling rule, which has not been put into effect here yet.

# ARTS '25 WINS CO-ED DEBATE

Will Go Into Finals for  
Women's Shield

Arts '25 defeated Arts '26 in the co-ed debate Wednesday at the University of British Columbia and will go into the finals for the women's debating shield for the interclass contests. Helen MacGill and Phyllis Gregory spoke for the winning class while Kathleen Clark and Jean Graham represented Arts '26. The Arts '25 women have won the shield for the past three years and it is considered likely that they will carry off premier honors again this year.

### INTERNATIONAL DEBATE

Arrangements have been made by the co-eds for an international inter-collegiate debate with the Oregon Agricultural College which is a much larger institution than the local university. Plans for the debate are almost completed, according to Miss Gregory, who stated that two teams will be chosen, one speaking here and one at Cornwalls.

The debate will be staged either the last week of February or the first week of March and the try-outs for B. C. representatives will be held in the near future.

### ORATORICAL CONTEST

The co-ed debaters are also completing plans for the holding of the annual oratorical contest to be staged in the university auditorium Jan 23. Two book prizes are offered for the best speeches.

Varsity's women will stage a pep meeting Friday noon in the university auditorium when the whole of the men's undergraduate societies will be the guests. The women are planning a long programme for the meeting.

# DUNCAN HOOPERS PLAY VARSITY HERE

Two Teams to Perform Here  
Saturday Night at Normal  
Gymnasium

Basket ball teams from Duncan will visit Vancouver Saturday to meet the Varsity men in two games. The Varsity senior A quintette will take on Duncan's best, while the Varsity seconds will offer opposition to another of the Island centre's teams.

Varsity seniors were defeated by Duncan men on the Island tour during the Christmas holidays and the collegians arranged the return match with a hope of downing what is considered the crack team of the Island. The Duncan game was the only contest lost by Varsity firsts during their tour.

Following the game Saturday at Normal Gym the visitors will be entertained at a dance.

# U.B.C. Debaters To Meet Y's Men

University of B. C. debaters will meet representatives of the Y's Men's Club, Monday night, in the Debating League series, at the Y.M.C.A. Building, where they will discuss the merits of the present system of government control and the prohibition question in general.

Murray Hunter, one of the men who debated with the Oxonians when they visited here, Milton Moore, president of the Men's Literary Society and Harry Purdy have been chosen to speak for the collegians. The university men will take the negative to the question, "Resolved that prohibition is preferable to the present form of government control."

# ARTS '27 AND AGGIES ON TOP

Seniors Defeated in Important Inter-Class Soccer at University

Arts '27 won a place in the inter-class soccer at the University of B. C. Tuesday afternoon when the Sophomores defeated their old rivals, Arts '25. Agriculture won a one-sided encounter from Science '27.

The Arts '27-Arts '25 contest was the feature game, these two classes being considered the keenest rivals in the university. The seniors led at half-time, when Mathews made a pretty score with only 10 seconds to go. The Arts '27 men made their first as soon as they kicked off, with McKinnon scoring. Sheridan, who played a brilliant game for Arts '25 as goalie, was on the ground when the score was made, having received a twisted knee. He was forced to retire. Without their goalie Arts '25 was easy picking and McLuckie and Stevens added two more counters for the Arts '27 team.

Agriculture won from Science '27 when Verchere dropped in a pretty goal from 35 yards out and Reid scored from close in. The Aggies had the edge throughout the contest and should have made several goals.

# Two Tilts At Point Saturday

Council to Assist in Entertainment of New Zealand Rugby Team

Victoria All Stars to Play Varsity Here This Week  
End

OFFICIALS of the Vancouver Rugby Union are quite optimistic over the outlook for the series with the famous New Zealand rugby stars here in February. At the weekly meeting yesterday reports were very encouraging from every angle.

Enquiries for tickets have been received from outside points as well as local enthusiasts who are eager to make sure of good seats. Everybody seems pleased to cooperate with the Union toward making the affair a success.

Soccer officials will consider cancelling all fixtures when the "All Blacks" visit Vancouver if the exigencies of the schedule will permit.

### WAIT ON COUNCIL

President Dick Bell-Irving, Secretary R. C. Cooper and Mr. Justice Morrison appeared before the City Council yesterday to request that an official welcome be extended the visitors and that a permanent structure be erected at Brockton Point to increase the seating capacity.

The Rugby committee was favorably received and a committee consisting of Ald. H. E. Almond, J. Bennett and P. C. Gibbons was appointed to act with the union.

### VICTORIA HERE SATURDAY

Victoria All Stars will be here next Saturday to engage Varsity in a McKechnie cup game at Brockton Point at 2:30. The intermediate final between King George and Freshmen will precede the big game at 1:30.

Ex-King George has possession at the Horse Show building between 6 and 7 tonight and Thursday. The Mainland All Stars practise tonight and Thursday between 7 and 8. Two teams will be chosen from the Mainland squad for a special game at Brockton Point January 31.

# Bellingham Normals to Play Here

Varsity to Entertain Visitors With Basket Ball Game and Dance Saturday

BELLINGHAM NORMAL SCHOOL will send a 15-man basket ball squad here to meet the Varsity Senior "A" team Saturday night at Normal Gymnasium. The Bellingham players are considered one of the fastest aggregations in Bellingham and promise to give the Collegians as hard a fight as the Duncan players did last week.

The Varsity men stated last night that they would use only their usual nine players signed as the Varsity first squad and would not substitute with Senior "B" men as the Bellingham team will do. The match is an exhibition tussle and no limit is set to the number of substitutions made.

The Collegians are anxious to meet the Bellingham squad and have made arrangements to postpone a league fixture so that the match may be played.

As a fast curtain raiser to the feature game of the evening, the Varsity senior "A" women will try their skill against the Westminster Adanacs, one of the strongest aggregations in the women's division.

Following the games which start at 7 o'clock, the Collegians will give a dance in the Normal gymnasium as a welcome to the visitors from Bellingham. It was reported yesterday at the University that almost 75 supporters would motor here with the visiting team.

# Students Pick 13th For Frolic

Friday, February 13, has been chosen by the Artsmen for their annual smoker and plans are being made by the collegians for the holding of this event. A long programme is being arranged in which the Varsity talent will be supplemented by professionals.

### U. B. C. CLASS PARTY

The class of Science '27, U. B. C., is making arrangements for their annual party to be held in Willow Hall on January 27 under the patronage of Commander and Mrs. Hartley. The committee in charge is composed of Mr. Otto Gill, Mr. Stanley Gale, Mr. Rex Brown and Mr. Gerald Newmach.

# Two Stars Absent From GREGGOR AND LANGE OUT OF GAME Varsity Squad Saturday

Varsity's reorganized rugby squad will meet the Victoria rep fifteen Saturday afternoon at Brockton Point in a McKechnie Cup game. The collegians will make their appearance with two of their best men missing from the forward line, Lange having left the University and Pug Greggor having been forced out of the game with a bad shoulder, which was damaged Tuesday when he turned out with the Mainland All Stars. Shultz will also be absent from the first team scrum.

The reorganized scrum will have Brock nearer the centre of the pack, where he will act as lock. White and Pete Price will be hooks. Gab Luyatt will make his McKechnie

appearance in the second line with Ramsell, while Doidge will turn out with Sparks on the back line of the scrum. Shore will be the spare.

Shaw will be out again after his retirement and will replace Gwyther at receiving half. McLean will hold down his usual play at throw-in half. Purdy will be five-eighths, while the three-quarter line will take its place as usual, with Warren and Cameron on the wings and Casselman and Buchanan inside. Domoney will act as fullback.

Ex-King George Intermediates and the Varsity Freshmen will play the curtain raiser to the feature event. This is the final game of the series. If the Varsity men win they will take a try at the Victoria Wanderers for the provincial title, but if Ex-King George is successful the teams will be tied and an extra game necessary.

## VARSITY RELAY POSTPONED TO FEBRUARY 18

Two week's extra training will be given to the milers of the University who are entering the interclass relay. The track club has decided that the event will be held February 18 instead of February 4.

The Arts '20 relay, which is over an eight-mile course from the Point Grey site to Fairview is the feature event of the university year and keen competition is expected. Eight classes will each enter an eight-man team.

## Women Students Will Hold Debate

Women of the University of B. C. will hold their annual oratorical contest Wednesday night in the University auditorium at 8 o'clock, when several of the co-eds will speak on a variety of topics.

### INTER-CLASS SWIMMING

Preliminary tryouts for the interclass swimming at the University were held for the men Tuesday afternoon at Chalmers Tank. The finals will be held next week. The co-ed swimmers will do their stuff this afternoon at Chalmers.

## Miss Thrupp Stars in the Swim Tank

Wins Championship of Inter-Class University Meet Yesterday

CO-EDS of Arts '25 stepped into the lead in the Chris Spencer Cup race at the University of B. C. Wednesday when they copped premier honors in the inter-class swimming meet. Arts '27 was second with 26 points, while Arts '28 secured 20 and Arts '26 took 5.

Sylvia Thrupp, Varsity's breast stroke artist, was the individual champion. She scored 18 points for Arts '25, taking three firsts and one second place, as well as swimming in the relay. Jean Gilley of Arts '27 scored 11 points, taking one first and two seconds.

The relay was won by Arts '27, who took this race from the Freshettes by a narrow margin, with Arts '25 third.

The seniors took the lead early in the met and held this until the finish, taking four firsts out of eight entries.

### NEAT DIVER

Lillooet Green of Arts '28 was best in the diving event, taking first place easily.

Jean Gilley of Arts '27 made an excellent plunge, going the length of Chalmers tank in 50 seconds. Sylvia Thrupp and Beth Tingley each made 48 feet in this event, the former doing the distance in 47 seconds, which was 3 seconds better than the time of Miss Tingley.

The collegians made good times in most of the events and the competition in each race was close.

The results of the various events were:  
50 yards, free style—S. Thrupp, Arts '25; Lillooet Green, Arts '28; M. Wilkinson, Arts '27. Time, 43 3-5 seconds.

50 yards, breast stroke—Laura Mowatt, Arts '25; Flora Musgrave, Arts '26; S. McNeil, Arts '28; F. McTavish, Arts '27. Time, 47 2-5 seconds.

100 yards, free style—S. Thrupp, Arts '25; Beth Tingley, Arts '28; G. Dowley, Arts '27. Time 1 min. 37 1-5 seconds.

Plunge for distance—Jean Gilley, Arts '27, length of tank, 50 feet, in 50 seconds; S. Thrupp, Arts '25, 48 feet in 47 seconds; Beth Tingley, Arts '28, 48 feet in 50 seconds.

50 yards, back stroke—M. Robertson, Arts '27; Frances Gignac, Arts '25. Time, 51 seconds.

150 yards, free style—Sylvia Thrupp, Arts '25; Jean Gilley, Arts '27; Ruth Barker, Arts '28. Time, 2 min. 42 2-5 seconds.

Diving, three optional dives—L. Green, Arts '28; Jean Gilley, Arts '27; Frances Gignac, Arts '25; M. Littleton, Arts '26.

Relay—Arts '27, Arts '28, Arts '25, Arts '26. Time, 1 min. 46 1-5 seconds. The winning team consisted of Jean Gilley, M. Wilkinson, M. Robertson, G. Dowley.

The men's interclass swimming will take place next week. Bruce MacDonald, Arts '26, won the final in the 220, which was run with the eliminations yesterday.

## Varsity And Victoria Go Pointless

VARSITY and Victoria McKeech-nie cup teams played to a scoreless draw at Brockton point Saturday afternoon. The students were weak, only two of their regular forwards being on hand and some of the men that played were under a physical handicap.

The islanders were the better aggregation but they finished badly and had themselves to blame for not winning. Varsity defended practically throughout.

At times the rugby was very good and the fair-sized crowd had lots to enthuse over. There were occasions when the Victoria threes positively scintillated with snappy passing movements. Brynjolfson and Bendroit starred at three quarter for Victoria, while Purdy and Casselman did well for Varsity. Warren was also seen to advantage for the locals.

Varsity Freshmen annexed the mainland intermediate title by virtue of a 9-3 victory over Ex King George in a curtain raiser to the McKeech-nie cup game. Freshmen have gone through the series without defeat and now meet Wanderers of Victoria for the provincial title.

## University Athletes in Training

Inter-Class Relay February 18 Arousing Interest Among Students

ALL classes at the University of B. C. are training their hardest for the annual relay which is scheduled for February 18. There is considerable class feeling at the Varsity over this event and the number of milers turning out for the classes promise to give close competition.

The men chosen for the various years have been kept secret so that no class knows at present who will be the rival teams. Most of the classes have had their elimination but several of the men who did not get positions are continuing training with a hope of winning a place from one of their classmates.

Arts '27 are conceded by most of the students to be likely winners. The sophomores have Mottley and McWilliams, two of Varsity's best men for the distance, as well as Mulhern and Elliott who are said to be excellent runners.

### LAST YEAR'S WINNERS

Arts '25, the winners of the event last year, have their eight runners again this year and have developed some new material which has already eliminated some of their last year stars. The seniors say that they will have a better team than they had last year and should win. No senior class has yet won the event at the University. This class has a better than average team and believe that with this they can take the lead from Arts '27 with their four average runners and four stars.

Agriculture is picked for a place but these former winners are weakened to such an extent that they are not picked for first place. Science '27 may prove to be a dark horse for the runners of that class are keeping close check on the movements of the other runners. Arts '26 has Balmer, the fastest man in Varsity, according to his classmates, but he is without support. Arts '28, the freshman year, has some undeveloped material. Science '26 and Science '28 are unknown quantities, while Science '25 is expected to make a good last in the contest.

## VARSITY SOCCER ES PLAYER BREAKS 27-1-25 LEG IN GAME

Malcolm MacDonald, University of B.C. soccer player, fractured his leg Monday in the inter-class soccer game between Science '25 and Arts '28. His leg was broken just above the ankle and the muscles were badly torn when he and one of the Arts '28 men rushed the ball together.

Science '25 team won the game scoring a single goal following a scramble in front of the net. The teams were evenly matched and the Freshmen put a fine exhibition of soccer in spite of their defeat.

MacDonald is a member of the senior class in the Faculty of Applied Science, where he is studying engineering.

## ARTS '26 AND ARTS '27 IN FINAL FOR FOOTBALL HONORS

Arts '26 and Arts '27 stepped into the finals of the inter-class soccer contests at the University of B.C. Tuesday, when they won their games from Science '28 and Agriculture.

Arts '26 had a slight edge over the Science '28 men and scored their only goal with a minute to go. The score followed a scramble in front of the goal.

A weakened team from Agriculture proved easy for the Arts '27 squad, who ran in 8 goals during the game. The Aggies put up only a small fraction of their team for the game.

Arts '26 and Arts '27 will contest the finals some day this week.

## VARSITY OUTFOOT THE CHAMPIONS

Students Too Fast for Veteran Y.M.'s Who Miss Two Regulars

Varsity basketballers gave Rowing Club seniors a leg-up in their expectations of "taking" the league leading Y.M.C.A. five on Saturday night, beating the veterans 25-15 in an exciting struggle.

Y. M.'s suffered their second defeat of the season. Without Jim Ralston or Robison, the champions of many seasons did not go so good. In fact they were inclined to rough it when the fast youngsters from the West End started out-footing them for baskets and they gave away quite a few points on fouls called on Phillips, Phipps and Tuck.

Urged by most of the crowd, and particularly by two maidens with a snappy line of chatter, Varsity gained confidence as the game progressed and had a wide edge in the second half. Tuck put Bob Stephen on late in the game for Phillips, but just why Hunter and Stephen weren't used more is hard to estimate.

The vaunted close, low passing game of the Y.'s wasn't evident. They were checked too closely. Turk Lewis and Harry Wiggins of New Westminster handled both senior fixtures. They don't call everything, perhaps, but they are impartial.

Getting the jump in the early stages of the game enabled Rowing Club to dispose of King Edward Old Boys 31-23 in a game which was much harder fought than the score would indicate.

The Oarsmen led 24-15 at half time and deserved the margin, but in the second half the Old Boys started an offensive which might have brought them victory if Marc Grimmett could have found the basket on a few of his many opportunities. Marc was beating his check to the ball every few minutes and he had at least a dozen open shots at the cage, but the ball would do everything but roll in. Johnson played an effective game at centre for the victors.

In an Intermediate A contest Hanburys kept up their smooth work against Y. M. C. A. seconds and had little difficulty in piling up an advantage 40-15 in the preliminary to the Senior A games.

# Sophomores Supreme In Inter-Class Competition

ARTS '27 of the university of B. C. has romped off with the Governors' Cup as the all-round champions in athletics at the varsity. Although the inter-class schedule is not completed the sophomore class cannot lose the cup as they have already carried off first place in four events, were second in the inter-class swimming and won a place in the finals in the tug-of-war Wednesday when they pulled Arts '28 in two straight pulls. They will meet Agriculture in the final of this event.

The Arts '27 men are picked as one of the two classes likely to cop the relay race and this will add more points to their enviable record. They won the basket ball, football, track meet and badminton and expect to do very well in the inter-class rugby.

The sophomores this year enjoy a record that has never been approached at the University in the inter-class sports. Until this year the athletic honors have been distributed.

# Arts '25 Co-Eds Land

ARTS '26 BEATEN IN HOOP FINAL

# Spencer Sports Trophy

CO-EDS of Arts '25 won the Chris Spencer Cup for women inter-class sports at the University of B. C. Monday when they defeated the women of Arts '26 in the basket ball final, 10-6. Arts '25 has won two firsts and two seconds.

This is the first year that the senior class of the University has shown up well in the Varsity sports. These women have been consistent winners, however, during their four years at college and have carried off premier honors each year.

This season they won the swimming and the basket ball took second in the Arts '25 relay, for which they have donated a cup, and second in the badminton.

Arts '26 put up a strong fight against the champions in the basket ball final at Normal.

Isabel Russel starred for the senior class and scored six points. Flora Musgrave, Varsity's star centre, scored four points for the losers.

## JUNIOR FOOTBALL ALLIANCE GAMES

Owing to a number of junior clubs being engaged in the Con Jones shield first round ties, only four games will be staged in the Junior Alliance League on Saturday as follows:

Dundas vs. C.P.R. Shops, Hastings park—Referee Richards.

South Hill vs. St. Lukes, Gordon school.

Normal School, vs. Victoria Road, Tecumseh school—Referee Woodard.

Varsity vs. St. Marys, Trimble park.

All games at 2:30 p.m.

## Debate Is Won By Prairie Team

Saskatchewan University defeated the University of B. C. 2 to 1 Thursday night in the first all-Canadian contest ever staged here. The popular vote on the merits of the question favored the B. C. speakers, 314 persons registering the vote as favoring the protocol and 158 against it.

E. C. Leslie, W. J. McLellan and J. S. Goslyn, law students from the University of Saskatchewan, were the members of the winning team. They outdebated the University of B. C. men, who had accepted the protocol as a practical step toward permanent peace. B. C. was represented by T. W. Brown, Eric Dunn and Harry Purdy.

## GRANDVIEW SONS DEFEAT VARSITY AT BASKET BALL

Grandview Native Sons defeated Varsity 27-19 in a senior B. Vancouver and district basket ball league game last night.

The teams—Native Sons: A. McLean (7), E. Boyes (7), J. Maveety, C. McLean (4), Jolliffe, Frost (2), Ferguson (7); Varsity: Gill (3), Robinson (6), MacKay (4), Gordon (2), Newby (2), King (2).

## ARTS '27 CERTAIN TO GET AT LEAST ONE MORE POINT

Arts '27, the stars of Class athletes at the University, have been assured of another point in the Governor's Cup series at Varsity, following the decision of the Science '26 class to default their rugby games to the Sophomores. The Science '26 class is small and the men do not want to play the game since it would be unlikely that a full team could be put on the field. Arts '27 will therefore step into the semi-finals, winning at least 1 point, which goes for fourth place.

## Students Lose Two Of Three

Varsity Senior B Hoop Squad Defeats Oarsmen B, 21-17

Varsity's Senior B basket ball squad took Rowing Club B into camp Saturday night at Normal gymnasium, 21-17. The Varsity co-eds were not so successful when ex-Normals downed the Senior A squad, 14-6, and the Normal A team defeated the Senior B women, 18-9.

The Senior B game was the night's feature, excellent team work being displayed by both sides. At half-time the Oarsmen led, 10-5, but during the second period the Collegians found their stride. Otto Gill of the winners played well during the second period when he scored 9 of his 10 points. Clark showed speed for the Rowers and scored seven points, while Allen checked well and made five points. Ronnie Gordon played for Varsity during the second period and scored six points.

### WOMEN SURPRISED

Ex-Normal gave the fast Varsity women a surprise when they played better basket ball than Varsity. The co-eds were away off form and during the last three-quarters did not score a basket. At the first quarter Varsity lead 6-4. At half-time the teachers had a two-point lead which they increased by six in the third. The final period was scoreless.

Alice Berto played well at centre for the winners while Flora Musgrave was again the star of the co-eds. The expected happened in the other women's game when Normal A scored 18 points against Varsity B. Miss Robinson played the best game. Doris Wood played well for Varsity.

### TEAMS AND SCORERS

Teams and the point scorers were: Varsity Senior B—Bassett, Gill, 10; King, McKay, 3; Gordon, 6; Newby, 2.

Rowing Club B—Martin, 1; Gervan, 2; Clark, 7; Boyd, 2; Hillman, Allen, 5.

Ex-Normal A, women—Alice Berto, 6; M. Moore, B. Moore, 4; Bea Garlick, Eve Eveleigh, Jean Simpson, 4.

Varsity Senior A, women—Doris Shorney, M. Bell, Flora Musgrave, 4; G. Swancski, 2; W. Straight, K. Reid, Isabel Russell, Jean Gillies.

Normal A, women—D. Robinson, 10; K. Parton, 4; J. Anderson, 4; M. Ryan, V. Maynard.

Varsity, Senior B, women—D. Woods, 6; D. Allen, D. Williams, D. McKay, 3; Alda Moffat, Mary Higgenbotham.

## CLASS RUGGER TO COMMENCE AT U.B.C. NEXT WEEK

Inter-class rugby will commence at the University of B. C. next week immediately following the relay race, it was announced Tuesday. The draws have been made and Science '26 and Arts '27 will enter the field first. They will play Thursday, February 19, and their game will be followed by a Science '28 and Science '27 encounter. On the following day Arts '25 will meet Arts '26 and Arts '28 will take on Agriculture.

By virtue of previous successes in the interclass competition the Arts '27 men will win the Governor's Cup even if eliminated from this event. They will be opposing one of the best rugby classes in the first round.

## Students Plan To Raise Fund

Plans for the new campaign to be staged by the University students will be outlined at a meeting Wednesday, when the student leaders will address the Alma Mater Society, with a view to raising more money for the playing fields at Point Grey.

## RELAY EVENT TO BEGIN 4 O'CLOCK

Race to Start at Pt. Grey Wireless Station and Finish at U.B.C.

It has been learned that the U.B.C. Arts '20 relay to be run next Wednesday will have to take place at 4 o'clock this year as no half-holiday is granted as in previous years. The race will begin at the Point Grey wireless station on Marine Drive and will follow that road to Alma and Fourth Avenue. The runners will then go along Fourth Avenue to Pine and to Maple on Broadway. They will then drop to Twelfth Avenue and will finish the last lap at the University buildings. There will be eight laps and as eight classes will enter teams there will be 64 miles taking part.

Arts '25, the present holders of the cup, have developed a stronger team than which was last year from Agriculture. Some of last year's men have already been eliminated by new material. Arts '27 is a strong contender and is favored to win.

## ISLANDERS TO PLAY VARSITY ON SATURDAY

**BASKET BALL PLAYERS** and supporters from Victoria College will do their stuff here Saturday night when they meet the University men and women in return games. There will be two contests staged at Normal gymnasium and these will be followed by a dance in the gym.

The Victoria College has decided to send one team of men, which will meet the Varsity Senior B squad, and one co-ed team to meet the Varsity Senior A women.

## INTER-CITY RUGBY ON SATURDAY

### Victoria College Will Do Battle Against Varsity Freshmen

Victoria College will send a rugby team to meet the Varsity Freshmen Saturday morning at either King Edward or Bridge Street Grounds, it was announced Thursday at the University of B. C. The Victoria men will come over with the two basketball teams which are to play at Normal Saturday night at 7 o'clock.

Word has been received from the Victoria women that they do not wish to meet the Varsity senior A squad in basket ball so it is likely that the Varsity second team women will give them the opposition. The Varsity Intermediate B men will play against Victoria College firsts.

The athletic teams will be entertained following the games at Normal where the students will give a barn dance for the visitors. Each of these games is the return contest arranged when the Varsity supporters made their annual trip to Victoria early in January.

Undoubtedly the easy victory of the New Zealanders was a disappointment to those loyal fans who thought that Vancouver rugby was beginning to touch the peak of international class, but keen followers of the game knew that it was hopeless to expect that from a very limited field of players a team could be selected which would cope with the flower of New Zealand, where rugby football is a passion and its players are numbered in the thousands.

### TOO MUCH "MUSTARD"

Vancouver players were themselves of striking physique, but they were opposed by a fifteen that had everything, brawn and power, flashing speed and an ability to handle the ball that was uncanny. It looked as if the first couple of tries scored by Robillard might have been averted by more resolute tackling by the full back, but when the balance of the tries was scored, the defence was already beaten by the New Zealander in possession, and yet he had anything from one to half a dozen in reserve lined up.

The defence was always beaten and with lots to spare, and it was remarkable where they appeared from at times. It seemed as they were being conjured out of the air.

### EARLY ARRIVALS

Hours before the scheduled time of the game on Saturday afternoon,

the vanguard of eager spectators wended its way into the grounds. Except for fortunate ticket-holders, it developed that 7000 people were to be accommodated around the famous old oval.

That meant the early bird getting the choice of the human parking spaces. The game started at 3, and by 1 o'clock several hundred had draped themselves along the fences to which coins of vantage they clung for over three hours.

By 2 o'clock the bulk of the throng was assembling and half an hour later every seat in the grandstand was filled, the oval was surrounded by a sea of expectant faces, the pipers were occupying the spotlight, warming up their instruments and the scene was an intensely animated one as the crowds poured in through every doorway, well handled and directed by a capable corps of Rugby Union officials.

### BATTERY OF CAMERAS

Moving picture men, press photographers and others took up strategic positions in front of the dressing rooms toward 3 o'clock, and expectancy was heightened by the appearance of Referee E. L. Yeo, resplendent in a crimson persey and plus fours.

Suddenly there was a craning of necks and handclapping as the famous touring fifteen trotted slowly from their room, led by White, because neither Captain Porter nor Vice Captain Richardson were on hand.

A second later came the local boys, all in white, and the teams grouped for a photographic combination of both clubs.

Into a playing field banked on all sides by serrated lines of spectators ran the athletes, warmed up not at all, and the game was on.

## VARSIITY AQUATIC CO-EDS HONORED

### Students Ready for Meet With V.A.S.C. Wednesday Night

Francis Gignac and Laura Mowatt, swimmers at the University of B. C., have received silver medals and the reward of merit in the life-saving work being conducted by the swimming club, it was announced Monday. Norah Keay and Margaret Smith received their certificates for proficiency and bronze medals.

The Varsity swimmers will be ready for the V. A. S. C. Varsity meet to be held at Canadian Memorial tank Wednesday night at 8 o'clock. Bruce MacDonald has lined up his men for the various events and the co-eds will have their team chosen tonight. Lillooet Green, Varsity's star diver, will take part, as well as Sylvia Thrupp and Mary Chapman. Laura Mowatt will likely be chosen for the breast stroke.

The men's teams as announced Monday by Bruce MacDonald includes: 50 yards, B. MacDonald, R. McKechnie; 100 yards free style, R. McKechnie; 200 yards, free style, B. MacDonald, R. Gillespie; 100 yards breast stroke, Otto Gill; 50 yards back stroke, R. McKechnie; plunge for distance, Matheson, Stewardson, Bales; relay, Bruce MacDonald, Bob McKechnie, J. McLean, A. Stewardson; diving, K. Stewart, J. McLean, J. Dalton and B. Tupper.

Edward Chapman has been chosen as the university referee.

Arts '28 co-eds won second place in the basket ball contests at the University of B. C. Monday afternoon when the junior class defeated Arts '28 22-4. The Freshettes were hopelessly outclassed. Flora Musgrave played the "best game."

## Varsity Is Beaten In Swim Meet

### Vancouver Club Wins Easily; Reta Tingley Lands Norman Cox Shield

The Vancouver A.S.C. won easily over the Varsity Swimming Club in the fourth annual gala held between these two clubs in the Canadian Memorial tank last evening. All the events were keenly contested, excepting the women's diving, which was won by Miss Green of the Varsity, who was unopposed.

The plunging event of the ladies was one of the most interesting events of the evening and the scoring was close. Miss R. Tingley of the V.A.S.C. carried off the Norman Cox Shield for the best individual score with 22 points.

The 100 yards breast stroke for men was an exceedingly close race and was won by C. Hills of the V.A.S.C., who was only two seconds behind his own record.

50 yards, free style, for men—1, J. Bayley, V.A.S.C., 27 1-5 secs.; 2, C. Hills, V.A.S.C.; 3, B. McDonald, Varsity.

## Wonderful Crowd At Rugby Game

### More Than Nine Thousand Spectators Form Beautiful Setting at Brockton

**ENDOWING** English rugby football with all its most fascinating qualities, the All-Blacks defeated Vancouver Saturday at Brockton Point by 5 goals, 8 tries to nothing. Translated into points, they ran up the huge score of 49, crossed the Vancouver line 13 times and prevented Vancouver once piercing their defence by either kick at goal or carrying the ball over.

# SCORE? 49-0!

## Varsity 26-2-25 Strongly Fortified

### Collegians Have Formidable Lineup to Oppose "Rep" on Saturday

Varsity will field a strong team Saturday to meet the Vancouver Rep in the final game of the McKechnie cup at Brockton Point, according to Jim Scott, coach. Several changes have been made in the team since the collegians met Vancouver at Christmas and the students are confident of success.

The approach of this crucial game when the provincial championship is to be decided has aroused considerable interest at the University and it is expected that the rooters will be out in large numbers. The Freshman class will conduct a "Pep" meeting Friday noon to stir up added enthusiasm.

Bill Cameron, one of Varsity's players on the All Mainland team, will not make his appearance Saturday having been injured when he tore the muscles of his leg at yesterday's practice. Harry Warren will also be off the line-up with injured legs. Warren has not been able to turn out for more than a week and yesterday was his first appearance for some days.

#### STRONG TEAM

In spite of the loss of these two men from the three-quarter line the Varsity rugby officials state they have a real strong aggregation. The men have been out for afternoon practices as usual but during the past three weeks have also taken four mornings a week for work outs before lectures. They are fit and ready to put up a fight against any odds to retain the McKechnie cup.

Domoney has been working hard at full-back and at present is handling the ball better than he has ever done before. It is expected that his showing will be much improved over his previous games this season.

Johnston will make his initial appearance for Varsity for this year having been put into the three-quarter line in Cameron's place. McLean, who was out with a damaged leg earlier this season, will take the other wing with Casselman and Buchanan on the inside. Purdy will play at his five-eighths position. Hal Gwyther will be receiving half and McPherson the throw-in half.

Re-organization of the scrum has placed Price and Luyatt in the first line with Shultz locking them. Greggor and Ramsell will be on the second line with Brock and Sparks on the back line. This new scrum formation is working well together and is said to be an improvement over the previous line-ups.

### Varsity Students Enjoy Week-End Cruising Party

A number of University students were entertained aboard the yacht Subtle over the week-end, cruising up the Sound and over to Vancouver Island.

The guests were Mrs. and Mrs. Scott Abernethy, Miss Norma Roberts, Miss Rheta Ramage, Miss Ivabelle Hyland, Miss Phyllis Edgell, Miss May Walker, Miss Maxime Elliott, Mr. Gordon Abernethy, Mr. Harry Tupper, Mr. Walter Broadfoot, Mr. Stanley Gale, Mr. Edward Bassett and Mr. Tommy Stewart.

## OARSMEN FALL AT NORMAL GYM

E.S. 18.2.25

Varsity defeated the Rowing Club Senior A basket ball squad Saturday night at Normal, 22-14. The Varsity Senior A women improved their league standing when they downed the Varsity seconds in a one-sided encounter as a curtain-raiser to the feature men's game.

Boyd had a keen eye on the basket, scoring nine points for the losers while Dal Grauer scored six for Varsity. Heilly Arkley played an excellent game along with Al Buchanan. Johnson was the star of the Rowing Club pack, doing excellent passing and checking. He was forced to retire for part of the game with a damaged face but returned before the close.

#### The teams:

Varsity Senior A—Arkley, 2; H. Henderson, A Henderson, 4; Peck, 2; Grauer, 6; Wilkinson, 3; Hartley, Newcombe, Buchanan, 5.

Rowing Club—Boyd, 9; Johnson, 2; Abercrombie, 1; Boyes, 2; Olson, McInroe, Falconer.

Varsity, Senior A women—Doris Shornay, 2; M. Bell, 2; F. Musgrave, 3; I. Russell, 4; G. Swencicki, 4; W. Straight, 2; J. Wilkenson, 4.

Varsity, Senior B—M. Leeming, D. Allen, 2; D. McKay, D. Woods, A. Moffatt, 2; D. Williams, C. Williamson.

# PRIZE PLAY ON CLUB SCHEDULE

E.S. 78-2-25

## University Organization Will Present "You and I"

The play chosen for production this year by the Players' Club of the University of British Columbia is Philip Barry's "You and I"

"You and I" won the \$500 prize at Harvard University, and is considered the best piece of play-writing ever entered into the competition—a competition extending over a period of 10 years. In 1923, with H. B. Warner in the leading role, it was produced in New York, and ran for six months at the Belmont theatre.

### EXCELLENT RECORD

The author, a graduate of Yale, took the famous "English 47" workshop course in play-writing with Prof. G. P. Baker at Harvard.

That Mr. Barry's undoubtedly fine play will be worthily interpreted is testified by the excellent record of the Players' Club. Under the capable directorship of F. G. C. Wood nine plays have been produced. The first, Jerome's "Fanny and the Servant Problem," created considerable interest; it was followed by Zangwill's "Merely Mary Ann" and by Barrie's "Alice-Sit-By-the-Fire." The productions of the succeeding two years: Wilde's "The Importance of Being Earnest" and Mason's "Green Stockings," met with such success that the activities of the club, which had hitherto been confined to Vancouver, Victoria and New Westminster, were extended to several interior towns. The spring tour has now become an established part of the club's programme.

### EXPECTATIONS HIGH

Four other plays: "Sweet Lavender," A. A. Milne's "Mr. Pim Passes By," Shaw's "You Never Can Tell," and William Faversham's "The World and His Wife," have been produced with considerable success, and it is felt that this year's play, one in which there is infinite scope for character interpretation, will compare favorably with its predecessors.

# Students to Elect Officers Today

Election of officers of the student body of the University of B.C. will begin today with the nomination of candidates for president of the Alma Mater Society and Student Council. This is the last day for nominating contestants for the highest honor that may be obtained by any University student.

Three men will likely be nominated before tonight to lead the 1500 students who are expected to be at the New Point Grey University this fall.

# PENALTY GOAL BEATS VARSITY

## North Shore and Students Stage Listless Game Across Inlet

North Shore and Varsity at Mahon Park Saturday, proved a listless affair. Both teams fielded weakened sides with the result that the game suffered. The score was 1 to 0 for North Shore.

The work of the forwards at times was atrocious and was a whole the goalkeepers had a very quiet afternoon. For fully 20 minutes after the start no shots went in the direction of either goal and then Ross from a well-placed position shot round the post.

North Shore had the better of play in this and the subsequent half, but there was far too much individual work to bring about any result.

Ross crowned a poor afternoon's work by shooting wide from the spot kick. North Shore continued to press and with only five minutes to go Crute was penalized for hands, although it was a very trivial offence. This time Russell made no mistake from the penalty.

In the closing stages Varsity put all they knew into the attack, and Lavery was fortunate to save a great drive from Cameron.

# Varsity Lining UP BEST BOXERS

E.S. 2-8-25  
University of Washington Will Be Here for Series on March 14

Boxers at the University of B.C. are getting into shape rapidly for their intercollegiate boxing tournament to be staged here March 14 at the Drill Hall where the local boys will meet the best that the University of Washington can produce. Jack Dawson, former bantamweight professional is coaching the Varsity men.

Already some of the men have been chosen, but in certain weights there is strong competition and eliminations will be held about the end of this week.

In the 105-pound class Tommy Berto has been chosen to represent Varsity, according to Tommy Louden, president of the boxing club. Stewart has cinched the place in the 115-pound class, while Casce is a certainty at 145 pounds. Mulhern is not expected to have any opposition in his class, 125 pounds, while Greggor is a sure starter in the light heavyweight class.

McWilliams, Louden, Morris and Gillson are contenders for the right to meet the Washington man in the 135-pound class. They are almost equal as fighters and it is expected that the trainer will have difficulty in picking his man.

Jack Led'ingham, University middleweight champion, has considerable opposition, Phillips being the chief contender in this class. Phillips has been taking off weight and reduced enough to make the poundage. He is as hard as nails, fast and packs a wallop. Adams is in this class, as also is Keenan.

According to the president of the club the University tournament will likely be postponed until next year owing to the intercollegiate contests being arranged.

## Students Too Clever for Westminster

Rowing Club C Qualifies to Meet Royal City Adanacs for Title

HAL GORDON'S team of basket-ers from New Westminster Y.M.C.A. found 'Varsity just a little too good at the local Y.M.C.A. Saturday night in a Senior A Vancouver and District League fixture and the students won, 28-16. Rowing Club C annexed the championship of the Senior B Western Division by defeating King Edward Old Boys, 28-22. These were the only games staged.

Varsity played splendidly against the Royals. Accurate passing, lacking from their early season play, was one of the outstanding features of the work of the students. Even the speedy Royals could not cope with them, and it is a long time since New Westminster Y.M.C.A. was so completely bested.

The students took an early lead, but a stern rally by Gordon's crew brought the count equal at 8-8 after the first half had been in progress 15 minutes. However, just before the half-time whistle Newcombe notched a fine basket and Varsity crossed over leading.

The collegians maintained their superiority in the second half.

Smaller but speedier than King Edward Old Boys, Rowing Club C qualified to oppose Army and Navy Adanacs of New Westminster in the Senior B finals after one of the snappiest Senior B games staged on a local floor.

The K. E. lads simply could not shake off the tenacious oarsmen. In the end the team that has led the league practically from the start went under. The teams:

Varsity—Arkley (2), H. Henderson (4), A. Henderson (8), Peck, Grauer (4), Hartley (6), Newcombe (2), Wilkinson (2).

Westminster Y—Gordon (8), Paulson (8), McDonald (2), Grimston, McDonald (3).

Rowing Club C—M. Buckley, L. Buckley (9), Vollans (4), McCallum (5), Aubray Roberts (1), Dixon (9).

K. E. Old Boys—Rae (2), James (12), McLean, McMaster (2), Hand, Barbari (6), Boomer.

## Students Have Arranged Debate

Co-eds of the University of B. C. will be speakers tonight at King Edward High School auditorium and at Corvallis, Ore., where they will meet representatives of the Oregon Agricultural College in an international intercollegiate debate on the Oriental question. This is the first time that the University has ever sent a team to Corvallis to debate.

## Students Defeated At Point

Rep Fifteen Secures McKechnie Trophy for First Time in Series

Just Squeeze Through With 11-8 Win After a Stiff Fight

FOR the first time in the history of the McKechnie Cup series, the black and white banner of the Vancouver "Rep" teams flies in triumph over the blue forces of Varsity. Saturday afternoon the "Rep" squad won the championship of the B. C. Rugby Union and captured the coveted McKechnie trophy when they crashed through to a hard-earned victory 11-8 at Brockton Point.

It was a tough game for the students to lose and a glorious one for the Vancouver side to win. The teams struggled bravely in the first period on very even terms with each side scoring an unconverted try. Rep took advantage of two openings to go over twice in the second half before Varsity started an offensive which brought them five points and they were fighting strenuously to pull the game out of the fire when hostilities ended.

### BIG CROWD ATTENDS

The Rep crew have had a long and dreary march before they finally succeeded. They lasted just long enough to gain the verdict Saturday, but they put up a splendid performance, particularly on defense, were quick to take advantage of openings and showed wonderful tackling ability.

Two thousand cheering fans, the majority from the University, watched the athletes struggle under ideal conditions. The ground was dry and there was no excuse for fumbles but the passing was not of the best, the threes failed to function very well and it was a battle in the scrum for most of the way in which the locals just managed to pull through.

Varsity had an edge in the backfield where Casselman, Buchanan, Purdy and Domoney were prominent with their kicking or running but there were few spectacular runs, hard checking and failure of the teams to take chances outting down the open play.

Leroy was best for Vancouver. He started several runs and did some splendid tackling. Bob Rowan had an interesting kicking duel with the long-punting Domoney.

### BATTLE OF FORWARDS

The real battle was in the scrum where the forwards fought every minute. Marshall and Farmer gave splendid assistance to the "Rep" line where MacFarlane, Choate and Donaldson gave generous service. They met tough opposition in Ramsell, Brock, Greggor and Price and time and again the forwards battled back and forth before the ball got loose and passing play was started or a kick into touch relieved the tension.

## U. B. C. President

DR. L. S. KLINCK

STUDENTS of the University of B. C. again elected Dr. L. S. Klinck honorary president of the Alma Mater Society Monday when he was chosen by acclamation to head the men and women. Nominations for president are Tommy Wilkinson, president of the Men's Athletic Association; Tommy Taylor, University Marshal, and Harry Purdy, president of the rugby club. The elections will take place next Monday.

## Varsity To Compete In Road Race

Two Teams in Training for Annual Dunlop Event in April

Varsity will enter two teams of runners in the annual Dunlop road race in April, it was announced this morning at the university. The distance runners have been turning out regularly since the Arts '20 relay, and the Sophomore class will enter almost all of its milers in the race.

Jack Buchanan, trainer at the University of B. C., has announced that his material has warranted the decision of entering two teams of six men each. He has great hopes in Balmer, McWilliams, Mulhern and Mottley, and is confident that one of these men can cop first place in the road race.

# HONORS EVEN IN DEBATES

## U.B.C. and Oregon Students Exchange Visits

Co-ed debaters of the University of B.C. defeated the representatives of the Oregon State Agricultural College, Corvallis, Ore., 2 to 1, in the inter-collegiate debate on Oriental exclusion here Tuesday night. Jean Tolmie and Vera Mathers were the B.C. speakers while Dorothy Bush and Emma Berg spoke for the visitors.

Jean Tolmie, the freshette debater from the University of B.C., was the outstanding speaker of the evening and won the applause of the large audience for her address and her rebuttal. She spoke clearly and with a conviction that carried the whole audience with her and easily eclipsed the other debaters.

CORVALLIS, Ore., March 3.—The Oregon Agricultural College women's debating team, upholding the negative of the question that Japanese immigrants should be admitted to the United States on the same basis as Europeans, here last night defeated debaters representing the University of British Columbia, Vancouver, B.C.

# AUTHOR OF 'U' PLAY IS WRITER OF SUCCESSSES

## Philip Barry Has "Whimsy of Barry, Brilliancy of Shaw, Aptness of Wilde"

"You and I," which is to be presented by the Players' Club of the University of British Columbia, is the work of Philip Barry. It is an extremely entertaining comedy, the 1922 prize play of Harvard university, and was written in the famous Harvard English 47 Workshop under Professor George Pierce Baker, perhaps the best-known authority on drama on the continent.

### VALUABLE SERVICE

Barry, who was born in Rochester, New York, on June 18, 1896, entered public and high schools in the ordinary course. In April, 1918, he became attached to the department of state at Washington, D. C., and in the following month was attached to the American embassy at London, England, where he rendered valuable service until February, 1919.

On returning to America, Barry received his A.B. degree from Yale, in the same year. He immediately entered Harvard university, to take the famous English 47 course which has attracted so much attention in dramatic circles. At Harvard he studied until 1922 when he married Miss Ellen Semple of New York, and now divides his year equally between Mount Kisco, New York, and "Villa Cythera," Cannes, France.

While at Yale, "Autonomy," a play of one act by Barry was produced by the Yale Dramatic association. "A Punch for Judy," a Barry 3-act comedy was first produced at the Harvard workshop in 1921, which was followed by "You and I," the prize play in 1922.

### IMMEDIATE FAME

In 1923, "You and I" was presented for six months in New York and later in Chicago, and other eastern cities, winning immediate fame for the author. The New York Globe in commenting on the play and author says, "He (Phillip Barry) suggests, without the slightest imitation, the whimsy of Barrie, the brilliancy of Shaw, and the aptness of Wilde," while the New York World says, "If 'You and I' were eligible, it would merit much consideration as a candidate for the best American play of the year."

This interesting play will be presented at the Orpheum theatre Monday, Tuesday and Wednesday, March 16, 17 and 18.

### VARSIITY HIKE

With the approach of spring, nature lovers are beginning to look to the outdoors for pleasure. No one enjoys the exhilarating sport of hiking more than varsity students, and a large number of Arts '28 of the University of British Columbia are planning a hike to Capilano next Saturday, followed by the ever popular dance.

# Students Pick Six Of Team

## Contestant Not Yet Known in One Night for Saturday's Varsity Boxing

VARSIITY fighters who will meet Washington boxers here Saturday night at the Drill Hall at 8 o'clock for the inter-university championships in seven weights are fast rounding into shape and six of the B. C. men have been definitely picked.

Tommy Berto will represent Varsity in the 105-pound flyweight class. He has had no opposition worth mentioning for he is fast and clever.

Pinkie Stewart, 115-pounder, is one of the best Jack Dawson has ever handled in this weight. He will be entered in the B. C. amateur tournament and is one of the collegians' hopes in this and the intercollegiate meet.

Ed Mulhern, 125 pounds, has been chosen. Last year he brought back the intercollegiate title from Washington and has improved greatly in speed and style.

Jack Gillson, 135 pounds, was picked Monday from several contestants in his weight. Although new in the fight game he is clever.

Jack Kask, 145 pounds, outclasses everyone at the University in his weight. He is new to the ring but fast and a hard hitter who can take plenty of punishment. He has been boxing with men in heavier classes and has been knocking them out consistently at practices.

Jack Ledingham, 158 pounds, University champion at this weight, is more experienced having represented Varsity last year at Seattle.

In the 175-pound class Phillips is at present a starter, but he has Ramsell to contend with before this is settled. Phillips is light, has a damaged foot and will not enter if Ramsell will take the place. Greggor was thought to be fit but he, too, has been injured. Phillips will enter only at a pinch. Ramsell is one of Varsity's rugby stars and is in excellent shape.

Tickets will be sold at Spalding's and will also be handled by members of the Varsity Boxing Club.

# VARSIITY TO FIELD STRONG LINEUP

## Expects to Land Senior Canadian Rugby Honors Next Saturday

Varsity will field its strongest team of the season Saturday against St. Marks for the senior Canadian rugby championship of British Columbia at Athletic Park. The students have been out regularly every day this week, and Lever Bates, captain and organizer of the Varsity squad, says that his team has never been working better. The game is scheduled for 2:45 o'clock.

Shultz will make his appearance again after an absence of several weeks, and his presence on the back division should aid Varsity considerably. Bates, Morgan and Seed are the other backs.

Anderson is working good at quarter back, and is snapping out Varsity's signals and watching the play well.

In the line the students have decided to use Morris, Noble, McPhee, Woodworth, Hall, McLurg and Demidoff. Their substitutes will be Saunders, Brennan, Fleet, Winn and Hockin.

# Students Favored To Win Rugby Final Saturday

Mayor Taylor has been invited to attend Saturday's Canadian rugby final between Varsity and St. Marks and present Bob Brown's cup to the winners and it is most likely he will accept.

The teams wound up their training last night and are ready for the fray. Quite a number of Varsity supporters will be on hand to give encouragement to the boys who trimmed the strong Ex-King George twelve last Saturday. The students are slight favorites to win owing to their recent brilliant work but St. Marks have a heavy line and a bright backfield and it looks like an interesting tussle.

# STUDENTS MAY NOT MAKE TRIP

Varsity basket ball players have received word from Edmonton that the Dominion Championships final scheduled for Saturday night will have to be postponed one week, according to an announcement made yesterday at the University. No reason was given.

This delay may cause the students to forfeit their chance to meet the Dominion champions as special permission for leave of classes at such a late date must be obtained from the Faculty Committee on Student Affairs, it was stated Tuesday night. The students will likely know tonight whether or not they will make the trip.

If the students had gone this week they would have been without the services of Swansea Peck, the collegians' star guard, and it is likely that Tommy Wilkinson would have been unable to go as the soccer team demands to go as laces for the semi-final of the Mainland Cup here Saturday. The soccer men feel that the Vancouver public should be given the first consideration and Wilkinson is needed here.

 Varsity Canadian rugby players will enter the intercollegiate field next season if plans made Tuesday materialize. The students at their last meeting of this year decided to form an all-star B. C. University team besides the two to be entered in the city leagues. They will arrange competitions with Alberta University if possible and will play games with the neighboring state teams using combined codes so that the Americans can play some Canadian games and some American football games here in the international competition. The students elected Lever Bates as the president of the Canadian Rugby Club next year. Mr. Bates has made the game go at Varsity this year. Other officers elected Tuesday by the club included Dr. T. Boggs, honorary president; B. Fagan, secretary; L. Cunningham, treasurer; B. Coult, manager. In order that Varsity's interests in the game and arrangements for next season may be carried out during the summer vacation, H. Hall, E. Brennan and Kenneth Noble were chosen a committee for that time. They will investigate the possibility of securing a training home for the teams at Point Grey this fall. The students will have one senior team in the city leagues, a junior team and their intercollegiate all-star team.

**MULHERN HEADS  
 VARSITY BOXERS**  
**Efforts Will Be Made to Obtain Services of Morgan as Trainer**  
 Eddie Mulhern, Arts '27, was elected head of the Varsity boxers for next year at the annual meeting of the club Tuesday. Mulhern was one of the successful men in the intercollegiate fights and is a leader among the college athletes. He is a member of the Arts '27 relay team that defeated Arts '25 this year.  
 P. Stewart was chosen as vice president of the organization and Tommy Berto secretary treasurer. The students decided that they would attempt to obtain the services of C. P. Morgan as trainer next year. He has been looking after Eddie Mulhern for some time and is said to be an efficient and well liked coach. Varsity boxers will likely take part in a tournament being staged by the Ex-South Vancouver Club in May, but wish to fight for themselves and not for the Varsity.

 Playing brilliant basket ball in the first half and piling up enough of a margin to keep their opponents down, the 49th battalion men's basket ball team of this city, triumphed in the first game of the two-game series for the Western Canada championship when the University of British Columbia team was forced to take the small end of a 23-21 score. On the whole, the local team deserved to win. The forwards were shooting with deadly aim and the combination played by the team was very good. The second game will be played Monday.

## B.C. Cage Champions Play Brilliantly to Win Western Honors

Students Land Second  
Game at Edmonton 22-15,  
and the Round 43-38

H. R. Henderson Shoots  
Brilliantly for Winners  
and Snares 12 Points

OTTAWA, March 30.—  
Rideau Aquatic senior bas-  
ket ball team, of Ottawa,  
will travel west to meet  
University of British Co-  
lumbia seniors in a two-game  
series for the senior cham-  
pionship of Canadian basket  
ball about the middle of  
April.

The Rideaus won the  
championship of the Ottawa  
district, defeating the Prov-  
ince of Quebec champions  
and following this up with  
a decisive victory over the  
Maritime champions, have  
been declared Eastern cham-  
pions.

EDMONTON, March 30.—  
University of British Co-  
lumbia won the right to play  
the Ottawa Rideaus for the  
Canadian basket ball cham-  
pionship here tonight when, in  
the last game of a two-game  
series to decide the Western  
finalists, they defeated the  
49th Battalion, 22-15, and on  
the round 43-38.

Although they were outclassed  
by the Alberta champions in their  
initial appearance here, the coast  
team made a remarkable come-  
back and by playing consistently  
throughout the entire game man-  
aged to keep well ahead of their  
opponents and, in fact, never looked  
like losers after the first 10 minutes  
of play.

H. R. Henderson was the out-  
standing player for the victors. He  
was fed the ball continuously and  
on every occasion that a chance of-  
fered for him to score, he usually  
made the most of it, with the re-  
sult he was high scorer for the  
game with 12 points to his credit.

## Varsity Gets Big Reception

New Western Canada Bas-  
ket Ball Champions Back  
From Edmonton

Team Performed Well and  
Made Strong Finish to  
Gain Victory

BRINING back with them  
the Western Canada Sen-  
ior basket ball championship  
after a wonderful finish  
against the renowned Edmon-  
ton stalwarts the University of  
British Columbia team were  
given a warm reception by  
some two hundred students  
when they stepped off the C.  
N. R. train this morning.

The boys were carried out of the  
station, placed in automobiles and  
rushed to McLeod's restaurant  
where they were feasted and con-  
gratulated on their brilliant feat.  
"We want the Canadian cham-  
pionship," is the slogan of the  
boys and they feel quite confident  
of annexing it if the Ottawa team  
can be coaxed out to Vancouver to  
meet the western champs.

"We had a wonderful trip and the  
boys acquitted themselves nobly,"  
said Captain Al. Buchan as soon as  
he got a chance from the wild mob  
at the station to tell about the  
jaunt which added more laurels to  
the athletic prowess of Varsity  
athletes.

"We beat them because we had a  
nine man team while they relied on  
their five regulars which kept our  
team pretty fresh all the way and  
enabled us to travel at top speed all  
the way," stated the Varsity cap-  
tain.

Buchanan says that the victory  
was a complete surprise to the Ed-  
monton players and their support-  
ers as the Alberta champions had  
proved so redoubtable in the past  
and contained so many notable play-  
ers that they figured they were just  
about invincible.

"Their reputation evidently  
scared us at the start and we were  
unable to score a field goal in the  
first period of the opening game  
and we were 17-4 down at the half-  
way mark. But when we got over  
the stage fright and showed the  
old Varsity fight in the second half  
we came within two points of tying  
the game. That finish gave us the  
confidence we needed for the sec-  
ond game as every member was  
convinced we could turn the tables  
in the second game, and we played  
true to form. Our system of stall-  
ing for an opening had as much as  
anything to do with the downfall  
of the Edmonton stars who never  
played against that style of game",  
concluded the Varsity captain.

## Famous Hoopists Invited

Edmonton Grads, Women's  
Team, May Play Four  
Games in B. C.

Committee Named to Ar-  
range for Renting of Local  
Arena for Tussle

EDMONTON'S famous bas-  
ket ball team, the "Ed-  
monton Grads," have been  
offered a chance to show on  
the Coast in four games be-  
ginning next week. Last night  
the B. C. Basket Ball Associa-  
tion executive wired their  
willingness to pay all expenses  
providing the celebrated girl  
players will undertake to play in  
Vancouver the night of April 11, at  
New Westminster April 13, at Vic-  
toria April 15 and at Kamloops, en  
route home, on April 18.

Eight players may be included in  
the offer and it is expected the  
girls who are generally recognized  
as champions of the world, will  
accept. In this event efforts will  
be made to secure the arena for  
the Saturday night game here and  
Dr. Gillespie, Dode Tuck and Roy  
Phipps are a special committee  
named to interview the arena man-  
agement as soon as definite word  
comes from the prairie centre.

In connection with the plan to  
have Ottawa Rideaus play U. B. C.  
for the Dominion title in senior  
men's division, the U. B. C. executive  
have a conference arranged with  
Varsity leaders this afternoon when  
the project will be thoroughly ex-  
plored.

## VARSITY ROWING CREW IS DEFEATED BY BRENTWOOD 4

VICTORIA, April 5 — In a mile  
rowing race at Brentwood, Satur-  
day afternoon, Brentwood College  
defeated the tackweight four of the  
University of British Columbia by  
a length and a quarter.

The Brentwood boat led all the  
way but was constantly threatened  
by Varsity. Erratic steering by  
the latter, however, nullified their  
gains whenever they drew up on  
Brentwood.

# VARSITY SOCCER TO HAVE COACH

Varsity soccer players will have a coach next year if their plan to obtain the services of Alex. Fordyce materialize, it was announced, Tuesday, at the final meeting of the soccer men for the year. Mr. Fordyce was chosen as the Varsity coach for next year and the students will obtain his services in order that he may teach the teams the finer points of the game. He is a former professional, it was announced, and knows soccer thoroughly.

The soccer club concluded all of the business for the year and appointed Mr. Fordyce as the first official coach the teams have had. Those in favor of appointing the coach stated that, as the students have had little experience, they should sign an excellent man for the position.

The teams decided that the appointment of managers be left until next season, when the teams are organized for games and players signed.

# Local University Man Is Appointed

S. Walsh, of Vancouver, B.A., of the University of British Columbia, and graduating this year in electrical engineering, has received the appointment of radio research engineer in the radio branch, department of marine and fisheries, at Ottawa. Mr. Walsh won the appointment in competition with applicants from all parts of Canada.

Of eight graduates in electrical engineering five U.B.C. men already have obtained worthwhile posts and good places are in prospect for the others.

# U.B.C. '25 Man Gets Fellowship

Frank Painter, who is graduating from the university this year with Arts '25 has just received an excellent appointment at Clark University, Worcester, Mass., as fellow in modern history. Mr. Painter has been a leader in college life at the University of British Columbia, and this year has been president of the Historical Society.

## Hugh Keenleyside Secretary of Peace Council

Hugh Keenleyside, a U.B.C. graduate in Arts '20, has just been appointed research secretary of the American National Council for the Preservation of World Peace. Mr. Keenleyside specialized in history at the local university, and then held fellowships in Clark and other eastern universities.

For two years he has professed in modern history with conspicuous success in the University of Syracuse, New York. He has contributed occasionally to the New Republic and to Current History articles of great interest. His new position will take him to Washington, D.C., as his headquarters.

His duties will involve research into such subjects as the origins of war, the development of international arbitration and international law. He will also have occasion to travel a great deal in pursuit of documents and information generally.

# 1400 STUDENTS BUSY ON U.B.C. EXAMINATIONS

## Results to Be Published on Congregation Day, May 7

Final examinations at the University of British Columbia commenced this morning, with 1400 students in the faculties of Arts, Science, Applied Science and Agriculture writing for their years. The exams commencing today will be completed next Thursday, when the 1924-25 term will be brought to its conclusion.

### RESULTS OUT MAY 7

Immediately upon conclusion of the examinations professors of the college will start the arduous task of correcting papers, which must be completed by May 7. Congregation Day will be held on that date, when results of the examinations will be officially announced.

University officials announced today that the examinations will complete the work of the university in their old quarters on Laurel street. As soon as these have been finished the task of transferring equipment to the new university buildings at Point Grey will be started, and students will report for the next term at the new site.

### SUMMER SESSION

A short summer session for first and second-year Arts students will open on July 6, and will continue until August 15. This is a special course for the benefit of students who are unable to attend the regular sessions at the university.

## Eastern Champions Are Fine Looking Set of Athletes

### Ottawa Rideaus Arrive For Basket Ball Games With Varsity Team

#### Visitors Little Tired After Long Journey But Hope- ful of Victory

COMPLETING a trip which has carried them from one coast of Canada to the other, Ottawa Rideaus arrived in Vancouver this morning in quest of the Canadian basket ball championship of Canada.

A little fatigued from their long journey but hopeful of defeating University of British Columbia quintette in the two-game series starting at the Arena tomorrow night, the eight young athletes, in charge of Manager Orrie Hodgkin, looked a formidable aggregation as they stepped off the Canadian National train this morning. They are a clean cut set of athletes, with two or three strapping big fellows who look husky enough to give any opposing side trouble.

#### ROUSING WELCOME

The easterners were met at New Westminster by Sherwood Lett, who escorted them to the city, and quite a number of Varsity students gave them a rousing welcome at the station. They were taken to the Vancouver hotel, where they will tstay during their visit to the city. The team will work out at the Arena at 3 o'clock this afternoon.

Manager Hodgkin said the boys had a wonderful trip, and as it is the first visit to Vancouver for every member of the team they are all looking forward with keen interest to seeing the beautiful sights around the city which they have heard so much about. The boys did not extend themselves at Winnipeg, as the game was more to make a break in the long trip than anything else. They never lost an opportunity on the way here to get out for a run at stations to limber up, and are in pretty fair condition to show their best tomorrow night.

The boys were all decked out in the purple and white colors of the Rideau Boat Club, and those in the party are: Ab. Charbonneau, Donald Young, Lyle Laishley, Jake Jamieson, Sid Cooke, Eric Kilpatrick, Ed. Godwin, E. Nicholson and Orrie Hodgkin.

Varsity are naturally installed favorites to win. The western style of basket ball is considered faster by critics competent to express an opinion, and the Ottawa boys will hardly have found their land legs again by tomorrow night.

Elmsley L. Yeo, peer of Coast referees, will handle the whistle for both games, with Graftam Bruce assisting as umpire. Tomorrow night's game starts at 8:30 and the biggest crowd that ever glimpsed a basket ball game in the West will be on hand, as the students have been very active in a selling campaign to put the series over financially.

**O**TTAWA RIDEAUS stretched their limbs on the floor at the Arena yesterday afternoon and players and manager alike were much impressed with the venue of series for the basket ball championship of Canada. The first game of two between Varsity and Ottawa, to decide the title, will be staged at the Arena tonight at 8:30 o'clock. New Westminster and Vancouver senior girls will play an exhibition at 7:30.

The visitors are all in fine shape and the team will be at full strength from the start. Don Young will begin at centre with Lyle Laishley at right forward and Ab Charbonneau at left forward. Jake Jamieson will start at right guard and E. Nichol at left guard. E. Kilpatrick, S. Cooke and E. Godwin will be available for substitute duty. E. L. Yeo will referee.

Varsity has nine men, none of whom are regarded as regulars. Coach Bryson just starts them and replaces them as he sees fit.
