CECIL A. LAMB, B.S.A.

CECIL A. LAMB, who has been chosen as British Columbia's representative in the post graduate course at Macdonald college, is in his twenty-fourth year and a native of New Westminster, B. C. He attended the John Robson public school and the Duke of Connaught high school at New Westminster, matriculating in June, 1917. In the fall of that year he entered the University of British Columbia, faculty of agriculture, from which he was graduated in May, 1921, with the degree of B.S.A. Mr. Lamb is a member of the Canadian Society of Technical Agriculturists.

Scholarship Donated by W. C. Macdonald Reg'd Inc. Valued at \$500

CLOVERDALE, Sept. 21.—Cecil Alexander Lamb, B.S.A., at present engaged in farming and experimental horticulture in the Cloverdale district, has been selected as British Columbia nominee for a post-graduate scholarship in scientific agriculture, valued at \$500 and tenable at Macdonald college, Ste. Anne de Bellevue, Quebec.

This scholarship is one of ten donated by W. C. Macdonald, Reg'd, Inc., tobacco manufacturers of Montreal, which is carrying on the work instituted by its founder, the late Sir William Macdonald, on behalf of scientific and technical education. During his lifetime Sir William made numerous bequests, totalling many millions of dollars, for scientific and technical educational work.

Among the outstanding contributions most nearly concerning agricultural studies were the princely benefactions which established Macdonald hall in connection with the Ontario Agricultural college at Guelph, and which established, built and maintain what is universally conceded to be one of the foremost agricultural institutes in existence. Varsity Soccer Squad
To Show Few Changes

Majority of Players That Carried U. B. C. Colors to Victory in Mainland Cup Series Last Season

Sun Are Again Signed Sep 29 23

Varsity's chances of capturing the Mainland cup again this year appear to be good following the announcement that ten of the men who were on the first team last year have signed up again. Soccer now being a major sport at the college, the rooters will be expected to support the men chasing the round ball as they have been urged to back the ruggers during the past. Soccer will have an equal chance with rugby, the players in each game receiving the same awards from the athletic society of the University of British Columbia.

START NEXT SATURDAY

The men who have signed up for the coming season have been doing outside work during the summer months and since all have made a good attempt to keep in condition. Varsity does not fear the opposition and expects to win the first game next Saturday when it comes up against the Brother Bills at Con Jones' park.

Practices start next week with the beginning of lectures at the college and since all the men signed have played together the manager, Clarence "Chub" Arnett, does not fear that the lack of practices will be felt greatly. The soccer men have no captain yet and the president of the club is not yet chosen.

H. Mosher, last year's goalie, will defend the net again and promises to do even better work this season than he did last. Mosher is ready to defy all attempts to score and is expected to draw much favorable comment from the ever-increasing number of fans wishing the "Kids" success in the soccer world.

TERNAN AGAIN PLAYING

Gee Ternan, Varsity's star kicker of the rugby field, has signed with "Chub" Arnett for the season and with a little practice should make one of the best men on the lineup. He played a heady game last year when the Varsity defeated the Veterans, but appeared to miss some of the play from lack of soccer experience. Arnett announces that he will be taught the game.

Jock Lundie, another of the builders of the soccer club, will take his old place on the team with Bobby Jackson, another old stalwart.

"Lorry" Baker, who captained the blue and gold squad last year, will again make his appearance on the field where his powerful kick should help the college men to the top of the league.

Varsity's oldest player, E. Crute, will return to the university again this year and will take a place on the team for the whole season.

Les Buckley, who is known in the district as a track man as well as a soccer player, will be back again on the wing where his speed should again be shown to advantage.

PHILLIPS IS SIGNED

W. J. Phillips has signed along with Scotty Deans and G. Emery who were on the eleven last year.

Although some of the good men have left the university the players already signed carried the first division for the blue and gold colors last season and the few new men needed to bring the team to its full strength will be drawn from the third division team and the new classes.

There are still some of the old first team men to hear from and some of these may return to the college for another year. Wilkinson, who was expected to return, may complete his college work in the Old Country, but if he decides to remain he will sign with the local team.

SECOND STRING MEN

The third division squad will not be organized until the classes begin and the freshmen are taken in hand and put through practices. The team will again be entered in the third division and will be a training ground for the Varsity team of the 1924-25 season. A. E. Mercer will manage these men.

Varsity Will
Enter Grass
Hockey League

At Thursday night's annual meeting of the Vancouver Grass Hockey club it was announced that U.B.C. is practically certain to enter a team in the league this season. This would make four teams, all evenly matched.

As soon as the other clubs have organized there will be a league meeting and the season's schedule drawn up.

The meeting of the Vancouver club was largely attended and officers were elected as follows: Honorary president, F. L. Beecher; honorary vice president, Major Crehan; president, J. E. Nicols; vice presidents, G. Melhuish, W. M. Silcock, F. X. Hodgson, C. E. Forbes. Capt. B. A. Rhodes; vice captain, J. H. McLaughlin; secretary treasurer, C. A. Bird; committee, S. Collins, C. Vernon; league delegate, S. Collins.

Efforts will be made to start practice October 6.

LAUREL IS VENUE OF U.B.C. SERIES

Sun Sep 28 23
Tennis Tournament at Varsity Begins Early Next Week

Tennis players of the local college are preparing for the beginning of the annual tournament of the U. B. C. which will begin early next week and continue for several days. The matches will be played at the Laurel tennis club grounds near the college.

Lorimer Baker, champion of the university, will defend his title against some of the best players the college has seen. Gordon Shields, Arts '27, a freshman at the university, one of the B. C. champions and a member of the Laurel club, will enter the tournament. Tommy Turnbull, former star of the college, will not be back this session, but Robert Munroe, Stan Say and D. Hincks, who were runners up last year, will again be on hand.

Helen Tatlow, who was champion in the ladies' singles and doubles, and the mixed doubles, has left for the old country and will not be back to defend her trophies.

Helen Kloefer, who played with Miss Tatlow in the ladies' doubles and who reached the finals with her in the other sets, will be back and is expected to carry off a large share of the silver. She will have considerable opposition among the new players coming to the U.B.C., it is reported.

Badminton has also been started and the university players are holding weekly practices at the King Edward gymnasium.

LACK OF SPACE HAMPERS U. B. C.

Sun Oct 4 23
Registration Shows Increase of 233 Over Last Session; Students Still Coming in

Students are still registering at the University of B. C. and although a record has already been set this year for attendance several more are expected to enroll during the coming week. The figures given out yesterday at the university show a total of 1247 men and women taking lectures at the college here. The total last year was 1014, the registration this session showing an increase of 233.

The auditorium, but only about 600, is almost filled with freshmen alone are coming to a meeting, and many students will not be able to hear Sir George Foster Friday noon at the university owing to the lack of space.

Third-year students will not be allowed to use the stack room this year because of the crowded conditions there. This is the first session that such measures have been taken by those in charge. Graduates taking the teachers' training course and fourth year and honor students will have difficulty in carrying on with the limited stack room accommodation, it is announced.

Registration figures as announced yesterday are:

Faculty of arts and science, first year, 491; second year, 183; third year, 140; fourth year, 102; total in arts, 916.

Faculty of applied science, first year, 70; second year, 33; third year, 32; fourth year, 35; total in applied science, 170.

Faculty of nursing, first year, 11; second year, 6; third year, 5; fourth year, 4; fifth year, 5; total in nursing, 31.

Faculty of agriculture, first year, 15; second year, 11; third year, 20; fourth year, 12; total in agriculture, 58.

Graduates, arts and science, 10; applied science, 1; agriculture, 1.

Public health nursing, 6.
Teachers' training course, 54.

STUDENT BODY TO HEAR SIR GEORGE

Sun Oct 3 23
Canadian Orator Will Discuss League of Nations at U.B.C. on Friday

Sir George E. Foster, former minister of trade and commerce, will address the university students Friday noon in the university auditorium, it was announced yesterday. President L. S. Kinnick has received a telegram from Sir George saying that his talk will be on the League of Nations. It is expected that many students will be unable to hear the address through the lack of space in the auditorium which was built to accommodate only half as many students as are enrolled this year.

Policies of the students' council were outlined yesterday at the first mass meeting of the year, Jack Grant, president, urging the student body to co-operate with the council to make this year as progressive as last. He pointed out that no gambling would be permitted in the university, and stated that discipline would be maintained.

Freshmen and freshmen will attend a meeting this morning when the president of the university and the deans of the faculties will address them on the college life upon which they have entered. Three meetings have been scheduled for next week when student leaders will speak to the "Frosh" about the various activities and societies connected with the college.

Plans for the women's initiation Friday night and for the men's Saturday night, are going ahead rapidly, and the freshmen have commenced to pile the boxes and lumber for the huge bonfire which will be included in the ceremonies. The flats near the Union station will be the scene of the fire Saturday following a parade of the students from the university buildings, where the first part of the initiation will be held.

The women's initiation this year will take the form of a "kids' party," at which the first year women will attend as children. Green ribbons will be worn for the year by the first year students to distinguish them from their elders. Hazing has died out at the U. B. C.

The "Frosh" reception will be held at Lester Court, Friday, October 12.

Sun Oct 5 23 ONE-SIDED SCORES IN VARSITY TENNIS

Tennis players at the U.B.C. continued their play in the tournament yesterday and although the finals will not be reached today as previously planned, it is hoped that some of the more decisive sets will be played. Play seemed to be one-sided yesterday, the winners downing their opponents easily.

Ladies' doubles—Miss G. Harvey and Miss J. Meredith defeated Doris Lee and Gwen Stirling, 6-2, 6-0; Miss Archibald and Miss Webster defeated Miss Thurston and Miss McLean, 6-3, 6-3.

Men's singles—Painter defeated Boyce, 6-1, 6-1; Miller defeated Arnot, 6-2, 6-2; Hincks defeated Atkins, 6-0, 6-2; Curtis defeated Findlay, 6-4, 11-9; Curtis defeated Grauer, 6-2, 6-0; Harper defeated McKay, 6-0, 6-3; Mitchell defeated Jones, 6-2, 6-1; Barron defeated Woodward, 6-2, 6-2; Kerr defeated Charlton, 6-0, 6-1; Shields defeated Liersch, 6-3, 6-1.

Ladies' singles—Miss Archibald defeated Miss Meredith, 6-4, 6-4; Miss Higland defeated Miss King, 5-7, 6-1, 6-1; Miss Lee defeated Miss Creelman, 6-1, 6-0.

Men's doubles—Grauer and Wright defeated Curtis and Miller, 6-3, 6-3; Charlton and Reid defeated Liersch and Evans, 6-2, 1-6, 6-3; Townsend and Hincks defeated Bull and Mitchell, 6-2, 5-7, 6-4; Logie and Atkins defeated Shakespeare and Warren, 6-1, 6-4; Shields and Painter defeated Palmer and Woodward, 6-2, 6-1; Boyce and Harper defeated Wright and Godfrey, 6-2, 6-1.

SIR GEORGE FOSTER TALKS TO STUDENTS

Sir George Foster addressed the students at the University of B. C. yesterday noon on the appreciation of the value of the past as a solution to the problems of the future. "Put yourselves and your souls in concord and face the problems of the past," he said. "You can, in a generation, make a new Canada."

6.10.23

Sun Oct 6 23 TENNIS

Results of yesterday's play in the university tennis tournament were:

Men's singles—Hincks defeated Godfrey, 6-0, 6-4; Craik defeated Stevenson, 6-4, 6-1; Corfield defeated Bull, 3-6, 6-3, 6-3; Kerr defeated Barron, 6-0, 6-1; Bell defeated Spencer, 6-1, 6-2.

Men's doubles—Kerr and Miller defeated Grauer and W. Wright, 6-2, 6-0; Phillips and Baker defeated Bell and Grogan, 6-4, 8-6.

Mixed doubles—Miss Bullock-Webster and Hincks defeated Miss Lee and Brookes, 6-1, 6-2; Miss Archibald and Kerr defeated Miss Stirling and Harper, 6-1, 6-1.

Postponement of several sets was made owing to the weather and the finals, which were scheduled for yesterday, will not take place until next week.

Initiation of Semi-Varsity Pupils Oct 7 23's Gala Event

THE spirit of revelry held high court in the auditorium of the University of British Columbia on Friday evening. Under the supervision of the members of the Sophomore year, the "freshettes" were put through the formality of initiation, which this year was a "kid's party." The address of welcome was given by Miss Mary L. Bollert, M.A., dean of women at the university, and the evening was spent in dancing and playing games, various other attractions being supplied for the new members of Arts '27.

To impress upon the newcomers the superiority of the seniors, the juniors and the sophomores, all freshettes had to swear homage solemnly to all students of the second, the third and the fourth years. Miss Lillian Cowdell, Arts '24, read the "Oath of our Alma Mater."

A set of regulations which are of interest to first-year students and call for strict attention were drawn up by members of the sophomore committee. All freshettes must appear at lectures on Monday, October 8, wearing a large green hair bow, to be worn all day. Commencing Tuesday, October 9, while on university grounds, and at all college functions, all freshettes must wear a green rosette, this rule in force until Christmas.

On occasions of general assembly in the university auditorium, freshettes must take back seats. On Monday and Tuesday, October 8 and 9, no freshette must be caught using cosmetics while on college premises.

The committee in charge of initiation arrangements included Miss Roberta Thurston, Miss Gertrude MacInnes, Miss Kenna McDonald, Miss Eileen McDonald, Miss Freda McArthur, Miss Lenora Urwin, Miss Wanetta Leach, Miss Helen Dobie, Miss Freda Edgett, Miss B. McMeans, Miss Isobel Barton, Miss Clara Bridgman, Miss Sadie Boyles, Miss Jean Faulkner, Miss Doris McKay, Miss Kathleen-Clark and Miss Agnes King.

FROSH OF U.B.C. GIVEN INITIATION

Sun Oct 7 23
Annual Bonfire Attracts Big
Crowd of Spectators to
Union Station

Flames from the huge bonfire built last night by the university students on the flats near the union station were seen from all parts of the city and the surrounding municipalities. The fire, which was kindled by the freshmen as part of the initiation, took a whole week to build and the pile of material used was as large as a house.

The students paraded from the university buildings in Fairview through the city by Granville, Hastings and Main streets, giving yells at the corners. The freshmen were clad in pyjamas and bore the marks of the initiation which they had passed through.

Flames commenced to leap about the pile at 9:30 o'clock and as they mounted high the freshmen did a snake dance around the wood and boxes. Large numbers of students from the other years took part in the parade while hundreds of people gathered to see the fire.

R. L. MacLeod, university marshal, had charge of the men while they were in the group.

Senior Students Are Hostesses at Semi-Varsity Delightful Tea

THE "Prefect Tea," yesterday afternoon, held in honor of the university freshettes, was a charming event. The seniors were delightful hostesses and made the new comers feel welcome. Blue and gold, the university colors, were used effectively in the tea room for the occasion. Miss M. L. Bollert, dean of women, Mrs. L. S. Klinck and Miss Betty Somerset, president of the Women's Undergraduate society, received the guests.

Presiding at the urns were Miss Isabel MacInnis, Mrs. H. T. J. Coleman, Mrs. F. M. Clement and Mrs. R. W. Brock. Miss Rena McRae, Miss Laura Archibald, Miss Nellie Jones, Miss Jo Paradis, Miss Florence McLeod, Miss Molly Jackson, Miss Phyllis Gregory and Miss Celia Williamson assisted in serving. Those in charge of the various committees were Miss Lucy Ingram, invitations; Miss Rena McRae and Miss Grace Smith, refreshments; Miss Molly Jackson, decorations, and Miss Betty Somerset, entertainment.

Miss Rosie Marlin gave piano solos and Miss Dorothy Lyness, vocal solos.

Five-minute addresses on various university activities were given by the following: Miss Isabel MacInnis, honorary president; Miss Betty Somerset, president of the Women's Undergraduate society; Miss Winnie Cawthorne, president of the Women's Literary society; Miss Eleanor Ormrod, president of the S. C. M.; Miss Mary Pittendreg on the musical society; Miss Sylvia Thrupp on athletics, and Miss Frances Woodworth on the library.

Tryouts for the Players' Club Semi-Varsity On This Week

WITH well over a hundred applications for membership, the Players' club of the university is looking forward to another active season. A large number of last year's members graduated with the class of '23, creating 35 vacancies in the club membership.

Tryouts for the new candidates will take place before a board composed of three college professors, including Prof. F. G. C. Wood, Prof. Thorlief Larsen and Dr. A. F. B. Clark, on Tuesday and Wednesday. Within a few days announcement of this year's choice of plays for the Christmas performances will be made. Several students have submitted their efforts in competition for the Players' club prize of \$50 for a manuscript suitable for production at the approaching holiday season. The annual Christmas play showing is of a private nature and will be given on November 22, 23 and 24. The annual reception of the new members, one of the college's smartest social functions, will take place in the varsity auditorium on Friday evening, October 26.

The University Players' club distribution bureau which was formed several years ago to benefit amateur dramatic societies throughout the province is this session under the chairmanship of Miss Dorothy Holmes. Applications for plays are now coming in and indications point to the fact that many are taking advantage of the opportunity the bureau affords for selecting plays suitable for amateur production.

U. B. C. GRADUATE TO GIVE SERIES OF MINING LECTURES

NEW WESTMINSTER, Oct. 7.—Due to interest aroused here by the exhibit of the B. C. Chamber of mines at the R. A. and I. fair, a series of lectures has been arranged to take place every Tuesday evening at the T. J. Trapp technical school, by request of Newton R. Brown, chairman of the mineral exhibit and L. Lambert, principal of the Trapp technical school.

The subjects to be taken up will be the preliminary steps in the discovery of minerals and a determination of their values by field and laboratory methods. J. R. Davidson, graduate of the U.B.C. and a bachelor of science, will be the lecturer. The lectures will be supplemented by addresses on prospecting and the mineral industry by F. J. Crossland.

ONE VARSITY TEAM IN MILLER SERIES

Sun Oct 9 23
Freshmen Fifteen Will Compete in Intermediate
Rugby Games

Varsity will enter only one team in the Miller cup series, it was decided yesterday at a meeting of the university rugby men. There has been considerable agitation to have the college field two senior teams in the Vancouver Rugby union and to have the McKechnie cup squad picked from these. The senior players were opposed to this course, saying that they would not be able to have sufficient practices together for the provincial series. The motion calling for the proposed change had only eight supporters.

The blue and gold will be represented in the Miller series by the second team, while the first squad men will defend the McKechnie cup again this year. The third team will play in the intermediate league, while a freshman fifteen will also be entered as intermediates.

Most of the McKechnie squad that has played for Varsity during the past two years is back again and it is expected that ten former first team men will be signed for the season.

VARSITY TOURNEY NEARING FINALS

Sun Oct 9 23
Play in the varsity tennis tournament continued yesterday, and the semi-finals in some of the classes are scheduled for today. In the mixed doubles yesterday Miss Archibald and Kerr defeated Miss Bullock-Webster and Hincks, 6-4, 6-3. The results of the men's singles played yesterday were: Miller defeated Painter, 8-6, 6-0; Curtis defeated Shakespeare, 6-3, 6-3; McLuckie defeated Phillips, 6-2, 6-1; Shields defeated Wright, 6-0, 6-0.

9, 10, 23

KERR AND MILLER TENNIS FINALS

G. Kerr and S. Miller moved into the finals yesterday in the men's doubles of the annual tennis tournament of the university, after some of the closest games and sets seen this year. They downed Lorry Baker and S. Phillips in two of three sets, competition being close at all times. The results of the match were 11-9, 3-6, 9-7.

Helen Kloepfer downed Doris Lee in the ladies' singles and will go into the finals against Helen Tatlow who will defend her cup. Miss Kloepfer won 6-2, 6-1.

Kerr also moved into the finals in the mixed doubles yesterday when he and Miss Archibald defeated Hincks and Miss Bullock-Webster, 6-4, 6-3.

Shields defeated Kerr in the men's singles, 6-2, 6-0, and will enter the semi-finals. Hincks downed Miller, 6-2, 6-0, and will enter the finals. Miss Kloepfer and Baker defeated Miss Hall and Grauer, 6-3, 6-1, in the mixed doubles. Misses Archibald and Bullock-Webster defeated Misses King and Partner, 6-4, 6-3.

The play will continue today, the finals being scheduled for Friday.

ENROLLMENT IN U.B.C. IS HIGH

President Klinck Says Arts and Science Third in the Dominion

POINT GREY, Oct. 10.—That the University of British Columbia stands third in the Dominion for enrollment in arts and science classes, and that the best done by the institution was vocational training, were two statements made by Dr. L. S. Klinck, president of the university, in an address at a meeting of the Dunbar Heights Ratepayers' association at Community hall tonight.

Dr. Klinck gave a full account of the work done by his staff, and said it was work that was not fully recognized by the citizens of British Columbia. The speaker said 817 men had been enrolled in applied science, 472 in agriculture, 62 in arts and science and 16 in public health.

"I have very often been asked," said the president, "why such rapid progress has been made in arts and science. The explanation is found in the character of the people themselves who appreciate high education."

Another statement made by the president was that the institution was often referred to as a rich man's university. This, said the speaker, was wrong, as the great majority came from the middle classes, from laboring classes, from the artisan and from business and commercial classes.

"I have also been asked why we did not make it harder to obtain a degree," he said. "All I can say to that is, only 35 per cent entered have attained degrees. This is about one-third, so that the result sounds like a terrible mortality, but which at the same time shows that the work is of a very high class."

STUDENTS TO NAME STREETS ON NEW UNIVERSITY SITE

Students of the University of B. C. will name the streets, parks and boulevards which will surround the new university buildings at Point Grey when they are laid out, according to an article appearing in yesterday's issue of the college paper. According to the report a competition will be undertaken by the publications' board and the suggested names will be used as far as possible.

Everything is being done to make the district surrounding the university site a complete urban unit, it is reported. There will be sections laid out for boarding houses, sorority and frat houses and business places. No houses will be permitted within three-quarters of a mile of the buildings so that the university may be shut off in some degree from the residential districts of Point Grey.

The main approach to the grounds will be by Tenth avenue, but it is expected that Fourth and Sixteenth will also be used extensively.

FOUR PRODUCTIONS BY PLAYERS' CLUB

Four plays will be produced this winter by the Players' club of the University of B. C., it was announced yesterday at a meeting of the club at which 33 new members were welcomed. The new members are those who were successful in the tryouts held this week at the college. A reception for new and old members will be held in the auditorium Friday, October 26.

The Christmas plays will be a training ground for those new players who are successful in further tryouts. New and old members will have an equal chance to take part in the spring play.

Plays picked by the advisory board of the club for the winter productions this year are "The Little Stone House," "The Romancers," "The Birthday of the Infanta" and "The Ghost Story." The second and fourth of these are humorous while the others are serious.

YELL LEADERS AT U.B.C. SELECTED

Charles Bishop is the new yell king of the U. B. C., having been chosen yesterday at an open-air yell practice. The yell leaders this year will be Kenneth Schell and Charles Parsons. The new leaders will be on hand at the games of rugby, soccer and basketball to take charge of the rooters who are expected to support the teams well this season. With soccer now a major sport at the college and being on an equal footing with rugby, the rooters will be expected to support both forms of sport.

R. C. Graham is the newly-elected president of Science '24, having been chosen by his classmates as the executive of the class. Other members of the executive are Dr. J. G. Davidson, honorary president; H. D. Wallis, vice president; F. W. Coffin, secretary-treasurer; Val Gwyther, athletic representative; William Smitheringale, marshal.

MANY NEW FACES ON VARSITY TEAM

Rowing Club Provides Opposition for U.B.C. This

Afternoon

Varsity's Miller cup team this year, which will start the season today with the Rowing club at 2 o'clock at Brockton Point oval, is composed of mostly new men, some of whom are beginning their rugby career. There are some men who played intermediate last year and one or two of the old Miller cup team back. The McKechnie squad is in good shape, most of last season's men being again signed. The intermediates, who will also go against the Rowing club today, are also new men.

Varsity's Miller cup team for today is Hatch Luyal, Shore, Hyslop, Price, Bain, Hardie, Edgett, Underhill, Purdy, Mathews, Morgan, Lewis, Warren, Kelly, Spare, Rogers.

The intermediate team is Pottinger, Hemingway, Brock, Harkness, Hunter, Evjen, Hill, Bull, Thompson, Loudon, Murphy, Goodwin, Stacey, Hicks, Demidoff, Spares, Gaddes and Sparks.

The Rowing club team to meet the students will be composed of Kindersley, Gyles, Grimmett, Pinkham, Winch, Marshall, Cameron, Farmer, Thom, John Clark, Donaldson, Lord, Allen, Wilkinson, Lisle Fraser. Players are asked to meet at the club house at 1:30.

The Rowing club intermediate team has been chosen as follows: Ferrie, Martin, Thompson, Inslay, Boyd, Hutchison, Weld, W. Scott, Parker, Tait, Williams, Peter, Henderson, Proctor, McMaster, Spares, Fullerton, G. Duff Stuart.

All players who were out at Thursday's practice are requested to be at the clubhouse at 1:30 p.m. sharp.

STUDENTS STILL BEING ENROLLED

Registration at U.B.C. Highest in History of Institution

Registration figures at the university are still increasing, according to Stanley W. Mathews, registrar, who announced yesterday that the complete registration to date is 1270, which is considerably higher than any previous enrollment. There are 930 students in the Faculty of Arts and Science, 497 of these being in the first year. The freshman class has exceeded all expectations of students and professors who find it necessary to repeat lectures three and four times because of the shortage of large rooms.

In some classes this year there are more than 30 students packed into rooms in the Arts building that were previously intended for private wards of the general hospital.

The complete registration to date is: Faculty of Arts and Science, first year, 497; second year, 184; third year, 144; fourth year, 105. Total 930.

Faculty of Applied Science, first year, 70; second year, 33; third year, 37; fourth year, 35. Total, 175.

Faculty of Nursing: First year, 11; second year, 6; third year, 4; fourth year, 6; fifth year, 3. Total, 30.

Faculty of Agriculture: First year, 14; second year, 14; third year, 20; fourth year, 13. Total, 61.

Graduates, Arts and Science, 10; Applied Science, 1; Agriculture, 3. Total, 14.

Public health, nursing, 6; teachers' training course, 54.

Informal Dance By Fraternity Is Well Attended

ONE of the jolliest events of this week was the informal dance given Thursday evening by the Phi Alpha Pi fraternity for members and their friends in Willow hall. The "sitting-out" rooms were brightened with rose-colored dahlias in abundance, and rich-hued autumn leaves, which blended with the rose-colored hangings.

Among the dancers were Miss Beatrice Lund, Miss Bunny Lund, Miss Geneva Buckley, Miss Mary Quigley, Miss Edith Lockard, Miss Dorothy Newcombe, Miss Dorothea Gillespie, Miss Trizie Smith, Miss Lillian Broadfoot, Miss Dorothy Whalen, Miss Violet Hicks, Miss Mamie Bruce, Miss Bessie Holt, Miss Margaret Seymour, Miss Verna Turner, Mrs. Randolph Martin, Mr. Harry Purdy, Mr. Walter Broadfoot, Mr. Glen Hope, Mr. Jack Burchill, Mr. Mac Kerr, Mr. Jack Braim, Mr. Edgar Adams, Mr. Ted Purdy, Mr. Willard Wade, Mr. Archie Sinclair, Mr. Reginald Myers, Mr. Atkinson, Mr. Clifford Carlaw, Mr. Herbert Ballantyne, Mr. Gordon Quigley, Mr. Ralph Freeman, Mr. Tom Ellis, Mr. Jack Nesbitt, Mr. Bill Anderson, Mr. Sam Hart, Mr. Jack Cruikshank and many others.

Programme of U.B.C. Players' Club Decided

DURING the summer months the advisory committee of the Players' club of the University of British Columbia, consisting of Prof. F. G. C. Wood, Prof. Thorlief Larsen and Dr. A. F. B. Clark, has had under consideration several short plays suitable for the annual Christmas performance, which takes place this year on November 22, 23 and 24. The final decision was made on Friday and a programme of exceptional interest has been arranged.

"The Little Stone House" a dramatic study of Russian life by George Calderon; "The Romancers" Rostand's well-known comedy; Booth Tarkington's "The Ghost Story" and Stuart Walker's dramatization of Oscar Wilde's "The Birth of the Infanta" will constitute this year's programme. As in former years, the performance will be of a private nature with admission by invitation only.

Tryouts for the parts in these plays will commence immediately and rehearsals under the direction of the members of the advisory committee will follow as soon as the casts have been selected. Included in the casts of the Christmas plays will be a large number of members admitted for the first time this session and it is most likely that as in former years some exceptional talent will be discovered.

Varsity Trounced In Miller Rugby Tilt

Sum — *Oct 14 23*

Oarsmen Cop Opening Rugby Game by 30 Points to 0—Varsity Successful in Intermediate Fixture

ROWING CLUB walked all over Varsity in the Miller cup rugby game at Brockton point yesterday and won by 30 points to 0. It was the opening of the local season. Prior to the Miller cup clash, Rowing club and Varsity met in an intermediate fixture and the latter triumphed by 3 points to 0. In the big game some good rugby was displayed although Rowing club were vastly superior on account of showing better concerted action. The wonderfully organized play of the Oarsmen which carried them to victory last season was again in evidence yesterday.

INDIVIDUAL STARS

Warren and Purdy played stellar parts for the Students on the back line, their speed coming in to advantage. Gross showed up well as full back for Varsity, while Underhill played a heady game at half. Hyslop and Price also won a great deal of comment for individual play. Fraser, Donaldson and Weld were the star forwards for the winners, while Winch, Pinkham, Cameron and Barwis showed up well on the open field. Gyles, who played McKechnie for the college last year, was outside for the Rowers and played a speedy game.

Varsity kicked off, but the attempt to follow up failed when the Rowing Club three carried the ball back to centre field where the scrums battled for ground. The play was forced to within ten feet of the Varsity line in a short time and the Collegians made headway by combined play of the scrum men, taking the ball to centre field again.

Pinkham scored his first try when the Rowers' three-quarter line made a fine rush, sweeping the Collegians before them. He circled from the side lines and fell on the ball between the posts. Barwis made an easy convert.

MORE TRIES

Play had hardly restarted when the club again took the offensive and pressed the college men. Warren for Varsity showed up well during this time, making considerable headway when the ball reached him at the wing of the three-quarter line. The rowers played an open game and had again carried the Varsity team to their own line when Fraser broke from a loose scrum and added three more points to the score. Barwis failed in the convert.

Varsity took the initiative on the resumption of play and pressed the winners onto their line for some time, but were unable to score. Pinkham led a three-quarter rush for the rowers and carried the ball into Varsity's territory before Purdy intercepted a pass and made a fine kick to touch, relieving the pressure.

Pinkham scored his second counter after another rally by the threes and closed the scoring for the first half. The rest of the play was more even, the Varsity men improving as the game continued.

SECOND HALF

Pinkham again opened the scoring early in the second half after

making a pretty run. The Rowers pressed hard but Varsity, playing a defensive game, held them and the play was kept in centre field with no advantage gained on either side.

Breaking through shortly afterward, the Rowers again scored, when Winch went over on a pass from Pinkham, Barwis again making the convert. Varsity was being outplayed at this stage.

Fraser made his second try when he went over from a loose scrum. Cameron brought the score up to 25 when he made a long run and circled between the bars. Wilkinson got the last try near the end of the half when he fell across the line while the scrums were fighting hard within a few feet of Varsity's goal. Winch converted easily.

INTERMEDIATE TUSSLE

Varsity's fast-stepping intermediates surprised the Rowers when they blanked them 3-0 in the intermediate game, Harkness scoring with only three minutes to go. Varsity was superior in scrum work in this game also and the threes held their own against the scullers. The game was adjudged the best exhibition of rugby ever displayed in Vancouver for the opening day of the season.

Louden on the three-quarter line for the winners, supported by Murphy, whose kicks were fine, played a stellar and heady game for Varsity while McMasters starred for the losers.

Varsity kicked off but lost the advantage when the Rowers took the game in hand and pressed the collegians back on to their line after a combined forward and three-quarter rush. Varsity saved when the ball went over and robbed the rowers of a well-deserved try. Ledingham of the winners made a nice run, passing the ball to Murphy, who made the nicest kick of the game to touch. Varsity's attempts to carry the rowers over failed and the play went from end to end during the first half.

HARKNESS SCORES

Peter did nice work for the losers early in the second period when he did much to press the ball on the college line. Louden, supported by the forwards, took the ball to centre field. The play continued in midfield without any marked advantage to either side until the college men took the game in hand and made rush after rush at their opponents' line. Harkness broke away from a loose scrum for the only try of the game three minutes before time.

CUPHOLDERS LOSE TO ELKS' ELEVEN

Sum — *Oct 14 23*

Poor Shooting by Varsity Soccer Team Accounts for Bad Defeat

By a score of 4-1, Vancouver Elks inflicted the first soccer defeat of the season on the University students at Athletic park yesterday afternoon. The game was marked by a stout defensive display on both sides, while the Varsity forwards failed miserably with many opportunities they had in front of goal. The Elks front line was well balanced and the side as a whole bids fair to be one of the strong teams this season.

Both teams played keen football at the start with the result that the defenses were kept had at work. The goalkeepers, however, were not seriously troubled, despite the fact that Henkle once had the goal at his mercy. As the game advanced the Elks had more of the play but were met by a stubborn defense in Crute and Baker.

MOSHER BEATEN

Mosher had to acknowledge defeat when A. Sinclair shot hard and true from a penalty given against Jackson for handling. The Elks goal had a narrow escape when the woodwork was hit on two occasions, Dean shooting wide from the second rebound. Immediately following this, the Sinclair boys, on the Elks right wing, made a pretty run and centre. Henkle, who is reputed to have played for Aston Villa Juniors, snapped up the ball and with a hard low drive beat Mosher for the second time. Play after this, until the interval, was more of a kick and rush order. Elks were still leading at the interval.

The Varsity opened the second half with rushing tactics which almost caught the Elks' defense napping. Delcourt on three occasions was called on to defend his charge after the backs had been completely beaten. For a time the students kept up the pressure, but without avail, as their gunnery remained very poor. The Elks were little better in this respect, although their movements were worked up in a much more harmonious manner.

HENKLE SCORES AGAIN

Henkle again proved his worth as a leader when he instituted a solo effort, and after refusing to be knocked off the ball by Crute he found the net with a pretty cross shot. The Varsity fought shorthanded after Jackson had retired with an injury. Roberts blocked a hot drive and the ball rebounded well up the field past Crute, who was playing a lone game in defense. Hazeldene outpaced the back, and although he did not get his foot to the ball properly the ball trickled over the goal line well out of Mosher's reach, for the fourth time. End to end play followed and just before the close Crute got the only goal for the Varsity with a header.

TEAMS

Vancouver Elks—Delcourt; McDowell and Butchart; Cameron, Roberts and Delaney; J. Sinclair, A. Sinclair, Henkle, Hazeldene and Howden.

Varsity — Mosher; Crute and Baker; Buckley, Phillips and Wilkinson; Emery, Jackson, Lundie, Dean and Ternan.
Referee, Allan.

Manitoba Athletes Land Chief Honors

University of British Columbia Representatives Fail to Live Up to Expectations at Saskatoon Oct 21 23

SASKATOON, Sask., Oct. 21.—As was expected Manitoba won the track and field championship of the western universities at the annual meet here Saturday, scoring a total of 62 points. Saskatchewan stood second with 37 points, Alberta third with 34 and British Columbia fourth with 11 3-4.

Many records were broken during the day and the performance of the athletes was of a sterling quality. Conditions were favorable for a successful meet.

NEW MARKS SET

Outstanding in the day's events, was the performance of the runners. Cormack, Alberta, cracked the half mile and mile records, while Widnall, Manitoba, set a new mark for the 3-mile run. Bright, Alberta, was the outstanding star of the events, winning the shot-put and the discus throw, establishing a record heave of 119 feet 11 inches in the latter.

The Slominski brothers, Saskatchewan, had no difficulty in taking the javelin throw, winning first and second easily.

Although much was expected of them, British Columbia's representatives did not live up to advance notices. The team took first in the jump through Russell's performance. He was easily the best in this event. One second and three thirds fell their portion of the remainder of the bill.

WORK OF PLAYERS' CLUB IS PRAISED

Vincent Massey, one of the heads of Hart house, which is connected with the University of Toronto, addressed the students of the U.B.C. yesterday speaking on the dramatic activities of Hart house. He praised the work that is being done by the Players' club at the local college and made special comment on the tour that is made each summer throughout the province. "What you have done will be an inspiration to us," he said, speaking of the proposed plans for travelling through Ontario with productions.

Stage work and acting is done by amateurs in the Hart house theatre, he said, and those connected with the various departments boast of their management without professional help. He stated that he hoped to see more good plays produced on the stage, and added that producers are learning that the best plays pay.

The summer school for those interested in dramatics has been started this year and has been very successful in Toronto, according to Mr. Massey.

STUDENT RUGBY PLAYERS DEFEAT NATIVE SONS, 13-0

Varsity Handily Annexes Verdict

Warren's Run of Three-Quarters of the Field Is
Feature of Miller Cup Rugby Match—Rowing
Club Intermediates Beat Freshmen

REINFORCED by a number of members of their McKee cup team, the Varsity rugby squad scored a victory over the Native Sons in Saturday's Miller cup match at Brockton point. The score was 13 to 0. The Students gave a vastly improved exhibition over that they made against Rowing Club a week ago, and on yesterday's showing, threaten to make the going hard for the other teams in the series.

WARREN MAKES FINE RUN

The Native Sons took the kick and following up quickly surprised the Collegians by pressing down immediately on to the line, where a free kick was awarded to Varsity for picking the ball out of the scrum. Ternan took the kick and started his men down the field. Play was again forced into the college territory, when Warren, breaking away near his 25-yard line on a pass out of a scrum, showed speed and headwork for the length of the field and scored, dodging several men who attempted to tackle him. His run equalled those of Lou Hunter a few years ago. He was watched closely, for the rest of the game, and had difficulty in getting away again. He was unknown at the college as a rugby player until this season.

Gwyther converted from a difficult angle and brought the score to 5-0.

SAINTS TAKE OFFENSIVE

Showing speed and combination work better than they have ever done in the past years the Native Sons took the offensive on the replay and forced the Collegians into their territory, good runs being halted by unfortunate muffing of the wet ball. Play continued in centre field for some time, combined rushes by each team showing no marked advantage to either.

The Sons carried the ball into the college danger zone time after time only to be forced back into their own territory. One combined rush carried them on to the Varsity line, where the fighting was hard. A free kick for the college gave them little advantage, but Gwyther, supported by the forwards, dribbled the ball to centre field, Ternan making a pretty kick to touch. Varsity pressed their opponents, but were unable to break through for a score.

Tyrwhitt relieved for the Sons and making a fine run kicked to touch. Thornthwaite grabbed the ball on the throw-in and started for the Varsity line for what looked like a sure try. But his speed was lacking and he was brought down as he was almost over.

Varsity forced the play during the remainder of the half, but the Sons

were working well, doing fine in the scrums and close play. McFarlane and Boyd were stellar forwards for the Sons, while Gwyther and Hyslop played well for the college. Domoney and Keeling were both doing good work at the line. The Varsity men appeared to lack condition and were tired out at half-time.

GWYTHER REGISTERS

Play wavered from end to end of the grounds early in the second half and Varsity's second counter came after 10 minutes when Val Gwyther, breaking from a loose scrum on the line, went over, his weight coming in to advantage. He failed to convert.

Hard fighting carried the Sons on to their opponents' line but Ternan, playing a stellar game at five-eighths, relieved with his kick following a solitary rush. Attempting to force the play, the Natives worked like new men and were met by the equally hard-fighting collegians, free kick after free kick being given to each side for fouling in the scrums.

Referee Yeo, who was fair in all cases, kept an eagle eye on the game and slowed it up considerably by calling scrums and kicks. The Sons forced Varsity to the line, but fumbling by their three marred the playing. Varsity's front met them at each rush.

TYRWHITT INJURED

Warren again broke away for a long run and straight-armed Tyrwhitt when about to be tackled. Tyrwhitt fell, his leg under him, and wrenched his knee badly and was taken from the field. It was stated that he may be forced from the game for the season. Warren was halted, however, and the play again went to mid-field.

Varsity's last touch came near the end, after the college players had commenced to force the play in earnest and were spending most of the time on the Sons' line. Ternan, passing to Buchanan, crossed behind him and received the ball again and passed to Palmer, who, making several yards, passed to Cameron. Cameron carried the ball over between the posts for the final counter. Gwyther made an easy convert, bringing the score to 13. The play ended with Varsity still pressing.

Town and Gown Meet In Holiday Feature

Varsity and Vancouver Rep. Team to Tangle in McKechnie Cup Rugby Tilt Thanksgiving Day—
Sons Meet Oarsmen Saturday

Varsity will be seen in action against the Vancouver city representative fifteen in the McKechnie cup match which will provide the feature of the Thanksgiving Day rugby programme. This was decided at last night's meeting of the rugby union, when arrangements were made for the games of Saturday, November 10, as well as for the holiday.

Both of the local McKechnie cup teams will be in action on the Saturday, so that neither has any edge on the other in the matter of prospective injuries. Vancouver will journey to Nanaimo November 10 to tackle the mid-Islanders, while Varsity will receive the Victoria rep. squad here.

SATURDAY'S MATCHES

The doubleheader for the coming Saturday at Brockton point oval will bring Native Sons and Rowing club against one another in the Miller cup series. The Oarsmen have already a victory over Varsity to their credit while the Sons have dropped one to the 'rah-rah' lads, but against the Sons the college had practically a McKechnie cup line-up on the field and the previous results afford little criterion of the respective merits of the teams that meet Saturday.

The intermediate game on Saturday's bill at the Point will be between Ex-King George and Rowing Club II. This game is called at 2 o'clock, with the senior encounter at 3:15. Varsity Freshmen will meet Normals at Strathcona park in an intermediate fixture at 3 o'clock.

At last night's meeting it was decided to send a letter to the high school league, urging affiliation with the rugby union.

INTERMEDIATE SCHEDULE

The intermediate schedule for the remainder of the season was announced as follows:

- Oct. 13—Rowing club vs. Varsity; Ex-King George vs. Normals.
- Oct. 20—Freshmen vs. Rowing club; Varsity vs. Ex-King George.
- Oct. 27—Normals vs. Freshmen; Rowing club vs. Ex-King George.
- Nov. 3—Normals vs. Rowing club; Varsity vs. Freshmen.
- Nov. 17—Varsity vs. Normals; Ex-King George vs. Freshmen.
- Nov. 24—Normals vs. Ex-King George; Varsity vs. Rowing club.
- Dec. 1—Rowing club vs. Freshmen; Ex-King George vs. Varsity.
- Dec. 8—Freshmen vs. Normals; Ex-King George vs. Rowing club.
- Dec. 15—Rowing club vs. Normals; Freshmen vs. Varsity.
- Dec. 22—Normals vs. Varsity; Freshmen vs. Ex-King George.

GRADUATE WILL TAKE COURSES IN FRENCH CAPITAL

Madge Portsmouth, graduate student at the University of British Columbia, will leave today for France where she will enter university life at Paris. Miss Portsmouth has been selected as the candidate for the scholarship offered by the government of France for Canadian students who can qualify for studying in that country. She will sail for Europe on the Empress of France which leaves Montreal November 10. The scholarship has a total value of 7000 francs.

Miss Portsmouth graduated from the university last year and was appointed to the lecturing staff at the college in the department of modern languages, teaching French to the freshman class. She carried off the Alliance Francaise medal when she graduated and made first-class honors in her French studies. She had planned to take post-graduate work along with her lecturing in preparation for her master's degree.

SCIENCE '27 WHIPS ARTS '26 IN U. B. C. BASKET BALL GAME

Science '27 whipped Arts '26 yesterday in the interclass basket ball series at the University of B. C., winning by 53 to 12. The Arts men held the Science representatives down in the first half, the score being 15 to 8 for the latter. Early in the second period the Engineers broke loose and rolled almost every shot into the net, the '26 men having difficulty in reaching the basket.

Women's basket ball, in connection with their interclass competition for the Chris Spencer cup held by Arts '25, will start Wednesday, November 14, when Arts '25 and Arts '26 will open the season. Arts '24 and Arts '27 will also play on that day.

The semi-finals for the women's basket ball will be played November 15 and the finals November 26.

2.11.23

INTER-CLASS SPORTS TO START NEXT WEEK

INTER-CLASS sports in connection with the governors' cup competition of the University of B. C. will commence Monday, when the first round of basket ball will be started. The much-coveted cup, symbolic of the best all round athletic ability, is at present the property of Science '24, but the classes this year will show keener opposition than was displayed last season. Agriculture enters the competitions as a class, being the smallest faculty at the college.

Basket ball, rugby, soccer, track sports, the Arts '20 relay road race from Point Grey to the present site, the tug-of-war, swimming, rowing and boxing will all be included in the cup competition.

The Faculty cup will also go to the highest point winning class in the track and field meet, while the winners of the eight-mile relay will receive the Arts '20 cup.

The competitions in each series will be run off as soon as possible so that the whole schedule may be completed before the spring examinations. The draw for the first round of basket ball is as follows: October 25, Agriculture and Science '25; Science '24 and Arts '26; November 1, Science '26 and Arts '27; Arts '26 and Science '27; Arts '24 drew a bye and will enter the second round.

STUDENTS HEAR STRIKERS' SIDE

Students of the university interested in economics and social sciences who are members of the Social Science club held their first meeting at the home of Dr. T. H. Boggs. Leon J. Ladner, M.P., who was scheduled to speak on the Canadian banking system, was unable to be present, and at the last minute J. Kavanaugh took his place, setting forth the case of the strikers in the Vancouver longshore strike. Considerable discussion followed the address.

The Social Science club, which each month has arranged an interesting series of talks, including those by Leon J. Ladner, Gerald McGeer, K. C., and George Harrison.

The Men's Literary society of the university will discuss David Lloyd George his character and his policy, tonight at their meeting.

Ternan Star of Replayed Match

College Crack Scores Drop-Kick and Try When Students Reverse Verdict in Game With Oarsmen; Barwis Shines for Rowing Club

Varsity defeated the Rowing Club, 10-4, at Brockton point Saturday afternoon in the best display of rugby seen this season in Vancouver. Forwards for both teams played well and although the ball was wet, the handling by the threes was very good. Barwis, at back for the Club, was called upon many times to make saves and his kicks to touch marked him one of the best men on the field. He never failed in time of need. Ternan, for the students, played the most heady game on the field, his fake passes serving him well and his kicks being rivalled only by Barwis. The field goals made by these men in the first half were the spectacular plays of the game. Barwis making his from centre, while Ternan received the ball from a scrum and dropped one over the bar from 40 yards. Ternan and Buchanan each made a try for Varsity.

OARSMEN WATCH MAN

One of the features of the team-play of the Oarsmen was that they watched their men rather than the ball and worked more effectively in stopping rushes by this means than they have done before.

Art Lord played a fine game at forward for the Rowers, while Thom's dribbling was the best displayed this year. Hyslop was good on Varsity's front line and Gwyther played his usual good game. Team play was exhibited by both sides and sure counters were stopped on each line several times.

The best attendance recorded this year saw the game, the Varsity men having their yell leaders out with a rooting squad to support them.

FOLLOWING THE PLAY

Varsity kicked off but lost any advantage when Thom took the ball at his feet and dribbled it through the Collegians into their territory, supported by his forwards. Domoney, at full back for the Students, made a nice kick to touch. Ternan relieved for his team with a kick which took the play to centre field and the forwards, following up, pressed the Rowers to their line, where Purdy failed in an attempt to drop the ball over the bar.

A 25-yard kick placed the club to no advantage, but good kicking finally carried them in Varsity's danger zone. Thom again dribbled, but the forwards stopped him and brought the ball to centre.

TWO DROP KICKS COUNT

Ternan relieved for the collegians with a kick which Barwis picked up at centre, Barwis had plenty of time to handle the ball neatly and sent it sailing more than 50 yards for the longest drop kick of the day, the ball going squarely between the bars of Varsity's goal. With the Club up, the resulting four points, Varsity worked harder and carried the Rowers to their line, where Ternan, receiving neatly from Bill Cameron behind a clean scrum, dropped a goal from 40 yards at a difficult angle.

Varsity was pressing when the half-time whistle blew with the teams tied, having four points each.

SECOND HALF

Play in the second half was better, the kicking having improved. During the first half a light ball

was in play, but the regulation heavier pigskin was used in the second. Referee Yeo watched the play closely at all times, calling forward passes and poor scrums which he watched with an eagle eye. The game was clean at all times.

The Rowers kicked off and pressed the college men, but the ball got away from them and went over, Varsity making an easy save. A kick for the collegians placed them on safe ground where Domoney tried a long drop kick, which missed the goal by inches.

The Oarsmen staged a run to Varsity's line where a free kick relieved, Ternan kicking into Barwis' arms. Barwis attempted another field goal and failed.

Ternan made the first try of the game about half way through the period. He received from a scrum near the 25-yard line and, supported by the Varsity threes, went over after using his famous fake pass to advantage. Gwyther failed to convert with the wet ball.

Again the college men pressed, their forwards meeting stiff opposition every inch.

NICE RUN FAILS

A sure try for the Oarsmen was thwarted when Domoney brought down Gyles only a few feet from the line after the Rowers made the nicest three-quarter rush of the game, carrying the ball from their own 25-yard section.

Varsity pressed without advantage for considerable time; the Rowers retaliating with nice kicks which drove the Students back.

Buchanan scored the final counter of the game when he went over the Rowers' line after breaking from the threes at the 10-yard line. Gwyther again failed to convert, the ball striking the goal post and bouncing out.

Lord, who had received several bad knocks and whose neck was injured, rallied his team-mates, and for a time the scrum carried the Collegians to their line where condition alone saved the Students.

Barwis again came to the front in a final effort when he deserted his back position unexpectedly and carried the ball through the college team with a pretty run. The Collegians appeared to wait for him to kick and he had almost reached their line before they recovered and brought him down.

VARSITY DEFEATS ROWING CLUB. 10-4. IN RUGBY ENCOUNTER

Dockers Defeat Varsity by 1-0

Kerr Scores Only Goal of Soccer Game Five Minutes From the Finish From What Appeared to Be Offside Position

I. L. A. defeated Varsity by one goal to nothing in a first division, Lower Mainland Football association fixture at Athletic park yesterday. The contest, which produced a good brand of soccer, was witnessed by a large crowd. Adam Kerr, the I. L. A. outside right, scored the only goal of the game about five minutes from the finish. Kerr appeared to be decidedly offside, but Referee Murphy allowed him to go on and he found the net. The crowd roared its disapproval at the referee allowing Kerr to proceed. Varsity should have won, for it had no less than four easy chances in the first 20 minutes, all of which went abegging.

VARSITY STARTS WELL

Although presenting a rearranged lineup the students set about their task at the commencement of the game in a manner which surprised their most ardent admirers. Wilkinson, who was given a trial as leader of the attack, proved a great hustler. His distribution of the ball was perhaps not what could be termed excellent, but he was continually worrying the opposing defenders in such a way that Smith and Rennie can be said to have had a most uncomfortable afternoon.

LL.A. introduced Forgie at centre and a new halfback named Mair, who is new, from Scotland. Neither of them caused any great stir. In fact Forgie was far below par.

FIRST HALF

In the first half the students had a little more than their share of the game, and were distinctly unfortunate not to be leading at the interval. Wilkinson soon made his presence felt, and he and Lundie worked up many movements which might have ended in disaster for their opponents. Huestis, another new introduction on the right wing quite surprised Smith with his speed, and had his shooting been a little better he himself might have registered twice.

Another run by Huestis ended in him dropping the ball into the goal-mouth where Lundie missed it by inches as he skidded over the goal line. Kerr presented the first real danger to the students goal, but he allowed Buckley to take the ball from his toes, while a minute later Forgie shot wildly past the upright.

As the game went on the LL.A. forwards became steadier, but Moshier had no difficulty in saving anything that came his way, so well was he covered by Crute and Baker.

POOR SHOOTING

Wilkinson continued to remain a source of trouble to the I. L. A. defence and had he been able to shoot at all straight he would have opened the score. His best effort came when he brought Robinson full length, to give a fruitless corner. Lundie and Wilkinson instituted another move which left Huestis in a good position, but the winger completely missed the ball. The drizzling rain made the ground slippery and the players

had difficulty in keeping their feet.

As the interval approached play travelled quickly from end to end. Moshier was not given much to do, but Robinson was kept on the alert. Lundie broke through the defence, and when a goal seemed certain Robinson rushed out to deflect his shot to Huestis, who was pulled up for offside.

ROBINSON AGAIN ACTIVE

Varsity opened up the second half in very promising style and Robinson's goal was soon in danger. Wilkinson fired in another beauty, which brought the goalie to his knees. He was forced to concede a corner, from which the ball was shot into the net. Murphy, however, decided that Wilkinson was offside, much to the dissatisfaction of the crowd. I. L. A. forwards could not get into their stride.

LONGSHOREMEN ATTACK

Further attacks by the I. L. A. saw Kerr almost on the goal line with no one to beat, yet he shot high over.

In the closing stages both teams strove hard to get a goal. In this respect I. L. A. was successful, although the point was a doubtful one. Wylie got possession in a position that appeared to be offside from the stand, but when he centred to Kerr that player was situated all by himself with no one near him. Why he was allowed to go on and score was a mystery to most of the onlookers.

STUDENTS PRESS

Although disappointed, the students were not downhearted and they soon had the I. L. A. defense working anxiously. In fact they were so anxious that when Wilkinson threatened to go through on his own he was unmercifully bowled over by a defender inside the penalty area. Again the referee decided in the I. L. A.'s favor and the game ended with the Varsity still hovering around the opposition goal.

THE TEAMS

The players were:
I. L. A.—Robinson, Rennie and Smith, Irving, Kenny and Mair,

Varsity—Moshier, Crute and Baker; Buckley, Phillips and Shields; Huestis, Brynildsen, Wilkinson Lundie and Emery.

TO HOLD TRACK MEET IN MARCH

U.B.C. Students Settle Details of Various Athletic Events

Interclass sports at the U. B. C. will be continued this afternoon when Arts '27 and Science '27 will meet at basket ball for the right to meet Science '24 in the finals for the hoop championship of the university. The loser of today's game will meet Agriculture for third place. Science '24 defeated the Aggies quintette in the second round of the series last week.

Trackmen have decided that the annual interclass track meet will be held during the first week of March and the athletic society has decided that the meet will precede the interclass rowing contests.

Scullers at the university have commenced their practices and will send three crews to Victoria when the collegians invade the island city during the Christmas holidays.

Interclass swimming will take place in January. Rugby has been postponed until after the holidays. The Arts '20 relay from Point Grey to the university buildings in Fairview is scheduled for the last week of February.

VARSITY DEBATES SENDING FOOTBALL TEAMS TO PRAIRIES

Varsity soccer players have not yet decided whether or not a soccer team will be sent to Edmonton or Saskatoon to compete with teams of the other provincial colleges of the west this year. It was decided yesterday that the secretary of the soccer club of the university should write east and gather more data on the subject. The idea was not received very favorably yesterday, it being felt that the expense of sending the team would be too great.

Les Buckley, one of the track men, who went east a short time ago, brought back word that the prairie universities looked upon the prospect of arranging the matches with favor.

Permission has been granted to the soccer men to play Crute this season by the university students. This is contrary to the wishes of the student body, who claim that no graduates should play on their teams and is not to be taken as a precedent.

Annual Arts Ball of Varsity Lynn Nov 15 23 Gay Affair

A colorful landscape in miniature, with the beams of a harvest moon illuminating the dainty scene, formed the striking decoration used at the annual Arts ball, one of the major functions of the University of British Columbia, which was held on Tuesday evening at Lester court. The spacious ball-room was en fete with prettily-shaded lights, and pendent gay Japanese lanterns strung on each side of the dance floor spelt out the word "Arts."

Patrons and patronesses for the occasion were President and Mrs. L. S. Klinck, Dean and Mrs. H. T. J. Coleman, Miss Mary L. Bollert and Professor and Mrs. H. T. Logan. The members of the Arts Men's Undergraduate society executive, under the convensership of Mr. Billy McKee, were in charge of all arrangements. Those assisting with the dance were: Decorations, Mr. Alex. Swanson and Mr. T. W. B. Shore; invitations, Mr. Murray Hunter; supper, Mr. Ross Davidson and Mr. Walter Turnbull; publicity, Mr. Bert Smith and Mr. Carl Tolman; reception committee, Mr. Billy McKee and Mr. Leonard Gaddes.

Among the dancers were Miss Edith Lockard, Miss Ruth Fraser, Miss Gertrude MacInnes, Miss Rena McBae, Miss Adelaide Elyand, Miss Phyllis Edgell, Miss Helen Clark, Miss Evelyn Eveleigh, Miss Isobel McKinnon, Miss Marian Cameron, Miss Lorene Voeper, Miss Elfinor Henderson, Miss Babs Hillis, Miss Marian Hillis, Miss Iseyle Aconley, Miss Mary Swanson, Miss Freda Egett, Miss Jean Falconer, Miss Helen Kioepfer, Miss Mavis Edwards, Miss Foonone Baillie, Miss Lenora Urwin, Miss Barbara Calland, Miss Betty Somersct, Miss Winnifred Hall, Miss Phyllis Gregory, Miss Nellie Wilkinson, Miss Helen Turpin, Miss Rosie Marin, Miss Beulah Pedlow, Miss Margaret Kerr, Miss Freda McArthur, Miss Molly Jackson, Miss Dorothy Holmes, Miss Eloise Angell, Miss Florence Henderson, Miss Edna Savage, Miss Marie Lapsley, Miss Edna Ballard, Miss Isobel Eveleigh, Miss Helen Kirk, Miss Doris Laneham, Mr. Harry Purdy, Mr. Ternan, Mr. Clarence Dominey, Mr. Walter Broadfoot, Mr. Jack Edwards, Mr. Ross Davidson, Mr. Gerald Thompson, Mr. R. CLUB PREPARING CHRISTMAS PLAYS

Varsity club members of the University of B. C. are preparing for their annual Christmas plays to be produced at the college auditorium Thursday, Friday and Saturday of next week. Four plays will be acted by the students and the members of the student body will be the guests of the club on Thursday and Saturday, while Friday has been set aside for the outside guests.

More than 200 university students will not be admitted to the plays this year owing to the inability to seat the whole student body in two nights. Tickets for the graduate students and the third and fourth year, will be distributed today, while the rest of the tickets will be available for the first two years on Monday. The Players' club does not charge any fee for the Christmas productions which are for their friends only and are tryouts for parts in the annual spring play.

Varsity Soccer

HALTED BY FOG

Arts '25 and Arts '27 were the winners in the tug-of-war pulls yesterday at the University of B. C., defeating Arts '26 and Arts '24, respectively. In each case the winners showed distinct superiority, winning two straight pulls.

Interclass soccer was halted yesterday afternoon by a heavy fog, when Arts '25 and Agriculture were playing in the semi-finals. The Arts team had scored one goal in the first half and play continued until a few minutes from the end, when it was decided that the game would have to be postponed.

Science '24 defeated Science '25 2 to 1 in the first game and although the fog was quite thick the game was finished. The winners will enter the finals.

U.B.C. CONCERT IS GREAT TRIUMPH

Splendid Programme Given
at Entertainment by
Musical Society

By J. CHELTENHAM

The eighth Christmas concert given by the University of B. C. Musical society in the university auditorium last evening was a crowded and triumphant affair. Musically, it was highly encouraging, from both standards of talent and attendance; and it bodes well for the community to observe such musical enthusiasm and spirit in its coming citizens.

There were so many good things in the programme that it is difficult to know where to begin. Perhaps the society's most valuable asset is its orchestra. This is a really fine body of musicians who, on this occasion, performed "National Emblem" (Bavley), "Nola" (Arndt) and "Wedding of the Winds" (Hall) with truly professional unison, rhythm, attack and tonal and modulatory qualities. The excellence of the violins deserves high praise while the playing in all departments showed a great improvement over last year's.

GLEE CLUBS PRAISED

In its glee clubs the society has another reason for self-congratulation. Saturday night they rendered "The Goslings" (Bridges) and "Viking Song" (Coleridge-Taylor) with a fine discrimination of ensemble and, what is rarer, artistry. Mr. Wilbur G. Grant is to be praised for the happy results of his influence on the society's orchestral and choral departments.

There was much fine individual talent present as well. In the piano soli, Miss Gertdude Dowsley, Miss Rose Marin and H. C. Ettor were all enthusiastically received. Miss Dowsley's item was Liszt's "Cantique d'Amour"; Miss Marin's "Caprice Celebre" (Paganini-Schumann) and "Staccato Caprice" (Vogrich); and Mr. Ettor's, "Etude," op. 10, No. 3, and "Prelude," op. 28, No. 1, both by Chopin. Here we have three fine pianists.

INSTRUMENTAL PROGRAMME

A violin solo by Mr. J. Kania, Labitzky's "Alpine Maiden's Dream"; a violin duet by Miss Alice Metz and Mr. Leslie Brooks, Tobani's "Hearts and Flowers;" and two trios—one by Miss Metz, Miss M. Tennant and Mr. Prizeman (violin-piano-cello) and the other by Miss Dowsley, Mr. Baird and Mr. Kania (piano-clarinet-violin)—completed the instrumental part of the programme.

Equally excellent were the vocal numbers: Two soli by Miss Dora Lyness, "Sapphic Ode" (Brahms) and "Melisande in the Wood" (Goetz); a solo by Mr. Carl Barton, "Nirvana" (Adams); and two quartettes, "King of the Forest" (Verner) and "Out of the Dusk to You" (Lee), by Messrs. Allen, Barton, Crawford and Berry.

Well done, U. B. C!

U.B.C. PLAYERS SCORE SUCCESS

Productions Are Presented to
Big Audience in Finished Style

The university auditorium—theatre—was packed last night when The Players' club, university students gave their annual dramatic performance. "The bill of the play" was like Sam Weller's pie, "too rich," for three of the four plays given would have been a splendid entertainment. But the performance—a long one—was thoroughly enjoyed. Pathos, almost tragedy, alternated with comedy and in all the plays the artistes acquitted themselves well and were rewarded by frequent and hearty applause.

The first piece presented was George Calderon's pathetic play, "The Little Stone House." This is the story of a mother's devotion to "an ideal," and a revulsion when that ideal is shattered. The scene is laid in Russia, and the romantic "atmosphere" was not lacking.

The cast was as follows:
Praskovya Mildred Teeple
Varvara Gertrude E. MacInnes
Astery J. W. B. Shore
Foma W. G. Thompson
Spridon T. Howard Goodwin
A Stranger Lloyd Edgett
A Corporal Harold B. Cantelon

PLAY HAS REAL COMEDY

"The Romances," by Edmond Rostand (English version by B. H. Clark), followed. There was real comedy in this pretty play. The 18th century French costumes were charming and the artistes had the light touch of French comedy.

The cast was:
Sylvette Miss Roberta Thurston
Percinet Kenneth Cagle
Pasquiot (Sylvette's father) H. B. Warren
Bergamin (Percinet's father) T. M. C. Taylor
Strafrol Wilfred Kelly
Raisa, the gardener L. J. Smith
A Notary D. B. Charlton
"The Birthday of the Infanta," "a play of pathos," was given by the following cast:

The Infanta of Spain Joan Meredith
The Duchess of Albuquerque Rosie Marin
The Chamberlain W. Matthews
The Count of Tiarra-Nouva Lyle A. Atkinson
The Fanatic H. N. Cross
The Page Jean Faulkner

This 16th century play was charmingly costumed and well played.

Rooth Tarkington's comedy, "The Ghost Story," was cast thus:

Anna Elsie G. Rillance
George J. L. Bennett
Mary Jean Thomson
Grace Marion Cameron
Lennie Edith Tisdall
Tom L. A. Murphy
Floyd Peter Price
Lynn Ralph O. Norman
Fred Gordon M. Letson

THOSE IN CHARGE

The plays were staged under the direction of Mr. F. G. C. Wood, assisted by Dr. A. F. B. Clark and Mr. Thorleif Larsen. The excellent scenery was prepared by A. Zoond, P. Palmer, J. W. B. Shore, P. M. Barr, J. Harkness, H. Russell, L. J. Smith, D. Charlton, G. S. Miller, C. Sing and A. Moffatt. E. Chamberlain looked after the lighting. The costumes were in charge of Mrs. Lindsay, Misses Jean Thomson, K. Allen, J. Faulkner, Avis Pumphrey Winifred Boyes and Eloise Angell.

The musical programme was admirable. The orchestra was composed of members of the U. B. C. Musical society under the baton of J. Kania. It remains but to add that the courteous and tactful ushers did all possible for the comfort of the crowded, enthusiastic audience.

Garrett Livingston Is Rhodes Scholar

Son of Late Stuart Livingston Chosen Out of 13 Candidates

GARRET STUART LIVINGSTON, 21-year-old son of the late Stuart Livingston, 1550 Beach avenue, Vancouver barrister, who died a week ago yesterday, was chosen last night as British Columbia's Rhodes scholar for 1923.

Thirteen candidates were interviewed by the committee of selection, composed of Mr. Justice Gregory of Victoria, Professor H. T. Logan, associate professor of classics in the University of British Columbia; E. A. Munro, principal of the Prince of Wales High school; A. G. Cameron and H. R. Bray, two Vancouver lawyers.

Garrett Livingston is acknowledged to be a brilliant scholar by members of the faculty of the University, where he is a fourth year student in arts. During the past year he specialized in English history and economics. He played the leading role in "Sweet Lavender," which the Players' club of the university produced two years ago, he has been an assistant editor on the Ubysey, the University's publication, took an active part in the students' campaign for a new university last year and is famous as an all-round good athlete. "Livvy," as his friends know him, is a native son of Vancouver. His choice as Rhodes scholar for British Columbia is expected to be very popular.

Stuart Livingston, his father, was brilliant in his youth as a law student and at 17 won the gold medal of the Ontario Law society. He was a poet and painter of some note, and had published several books, including "In Various Moods."

Garrett Livingston lives with his mother, his sister, Elinor, and his brother, David.

TERMS OF SCHOLARSHIP

The scholarship system founded by the will of Cecil Rhodes, British colonial and Imperial statesman, provides in perpetuity for the support at Oxford for a term of three years each, of about 175 selected scholars. Each scholar from the colonies and the United States has an allowance of \$1500 per annum during the continuance of his scholarship.

In each province of Canada, in each state of Australia, in the four collegiate schools of Cape Colony, in the dominion of New Zealand, and in the colonies of Natal, Jamaica, Bermuda and Newfoundland, a scholar is selected each year. Three scholarships annually are assigned to Rhodesia, five to Germany, and each state and territory of the American union is entitled to two scholars in residence.

Cecil Rhodes did not want mere "bookworms" to win his scholarships. He set down in his will that regard should be directed to the student's literary and scholastic attainments, his fondness for and success in many sports, his qualities of manhood, truth, courage, devotion to duty, sympathy for and protection of the weak, kindness, unselfishness and fellowship, his exhibition during school days of moral force of character and his instincts to lead and take an interest in his schoolmates.

VARSIITY OVERWHELMS NANAIMO IN RUGBY MATCH

Students Run Up Score of 44 to 3

One-Sided Game Gives Varsity Victory Over Hornets—Winners Have Complete Control of Game Throughout.

VARSITY'S McKechnie cup ruggers proved too much for the Nanaimo Hornets Saturday at Brockton point when they downed the island team 44-3 in the provincial championship series. Nanaimo was swamped in all departments, the team being considerably weakened by the inability of four men to make the trip over. The collegians could have added more points to their side of the score had they continued as brilliant rugby in the closing stages as they displayed earlier in the game. The score at half time was 28-0.

Varsity displayed the best combination work shown this season the quarter-line working well and passing well. The Nanaimo fifteen did very little tackling and made most of their ground by kicks, which frequently relieved at critical moments. The scrum work of the Collegians was the better, the Varsity pack being heavier and more experienced, and the students forced the play at all stages except at the kick-off when the Island men attempted to score before the college fifteen got started.

VARSIITY THREES EXCEL

McKenzie at full-back for the visitors showed up well for Nanaimo with his kicking, while Beaver Potts excelled for his team at tackling and head work on the right wing of the threes. Lane played a nice game at half, but his weight was not sufficient to carry him through. Marshall turned out in his Vancouver Rep sweater to strengthen the team and played a fine game.

Varsity's threes showed up well, Purdy and Buchanan rivalling Palmer and Ternan for honors. Warren had little chance to show his speed as the ball seldom reached his wing before the line was reached. McLean played his usual heady game. Gwyther was fine among the forwards and his converting was decidedly improved. Ternan took several of the kicks, most of which were from easy angles.

STUDENTS SCORE FAST

Varsity started scoring right from the getaway. The Collegians pressed the Hornets to the defensive in the early minutes and Rambling securing possession from a loose scrum, darted over for a try which Gwyther converted.

Two minutes later the Students were back, and Palmer, receiving the end of a three-quarter run, dived and planted the pigskin between the posts, Gwyther again converting.

Within another couple of minutes Nanaimo was again defending its own line. Palmer pulled off a nice individual effort and got over near the flag, Gwyther negotiating the kick from a hard angle. The next try came when Warren made the opening with a

pretty run, passing to Buchanan as he was squeezed to the touch-line. Buchanan completed the play. Gwyther failed on the kick.

STILL THEY COME

Still Varsity pressed and the Hornets were soon on their own line again. The ball got loose behind the line and Purdy dropped on it for a try which Ternan converted.

Purdy scored again before half-time when he finished up a three-quarter dash by placing the leather in goal. Ternan again succeeded with the kick. The half-time score was: Varsity 28; Nanaimo 0.

The second half had hardly started when Buchanan staged a brilliant lone-handed run and finished by getting over. Gwyther failed on the kick.

A few minutes later Ternan fooled the Nanaimo tacklers with a run, marked by some pretty fake passing. At the line Gee passed to Purdy, who went over for his third try. Ternan kicked the extra points.

Nanaimo, defending its own line again, heeled back from the scrum and McLean fell on the leather for another Varsity score. Once more, Ternan kicked accurately.

HORNETS RALLY

Rallying gamely in the face of a 41-0 adverse score, the Hornets started a kicking game and worked the ball towards Varsity's end, where Potts finally went over after a nice 25-yard run. Unconverted.

Just before the whistle Purdy scored his fourth try of the game when he went over on Carlisle's pass. Ternan failed on the kick and the final score read: Varsity 44; Nanaimo 3.

U.B.C. DEBATERS

PLANS TO EXTEND FIELD

Law students of Vancouver and representatives of the Men's Literary society of the University of B.C. will stage a debate in the university auditorium on Thursday night at 8:15 o'clock. Following the speeches the meeting will be thrown open for general discussion.

Varsity is planning to extend its debating field considerably this year following the success of the past few seasons, in which the local college has shown up well. Ten debaters have been chosen for the international debates in which B.C. students will meet the best debaters from universities of the western and southern states.

Men chosen this year form the strongest team in the history of the U.B.C., and include some of the former debaters. Dal Grauer, Lorne Morgan, Percy Barr and John Burton are some of the old international men. S. Kobe, winner of the gold medal in the oratorical contest last year, has won a place among the debaters. G. Brunn, T. H. Goodwin, W. Murphy, H. Yone-mura and A. Zoond complete the teams.

Jolly Dance for Varsity Students

The home of Mrs. Embery, Eighth avenue west, was the scene of a jolly dance last evening when a number of the university students and their friends were the guests. The rooms used for dancing were decorated throughout with the university colors of blue and gold.

The guests included Miss Lillooet Green, Miss Dorothy McKay, Miss Jean Gilley, Miss Jean Wilson, Miss Katherine Reid, Miss Evelyn Nelson, Miss Betty Guernsey, Miss Undine Howay, Miss Verna Gilley, Miss Frances Cameron of New Westminster, Miss Mildred Moscrop, Miss Dorothy Taylor, Miss Althea Elwell, Mr. Charles A. Bishop, Mr. Dick Nesbitt, Mr. Charles Motteley, Mr. Keith Wasson, Mr. Norman Morrow, Mr. McGinnis, Mr. Glen Melon, Mr. Otto Gill, Mr. Allison Maxwell, Mr. Norman Wasson, Mr. George Hunter, Mr. Arnold Henderson, Mr. Ronald Gordon and Mr. Charles Embery.

'CANDIDA' GIVEN FINE RECEPTION

Dorothy Adams, Former University Player, Is Honored by Audience

George Bernard Shaw describes "Candida" as "a pleasant" play. It was presented by the circuit repertory company of The Moroni Olsen Players at the university auditorium on Saturday night.

An audience which packed the auditorium found the play "pleasant" indeed, and laughter and applause alternated throughout.

The cast was as follows: The Reverend James Morell, Moroni Olsen; Miss Proserpine Garnett (typist), Dorothy Adams; Reverend Alexander Mill (Morell's curate), Jos. H. Williams; Mr. Burgess (Candida's father), Frank Rasmussen; Candida (Mrs. Morell), Janet Young; Eugene Marchbanks, Byron Foulger.

Dorothy Adams, who was a favorite when with "The University Players," had a warm welcome and was presented with a beautiful bouquet of chrysanthemums. Her impersonation of the typist was very clever. She managed the scene, where she showed the effects of champagne, with reserve and tact. It was a part so easy to "over-play." Not a point in the clever comedy was lost and more than one "literary person" in the audience was heard to declare that "Candida" revives the glories of "The School of Scandal" and "She Stoops to Conquer."

Varsity Basketball Quintettes Win Three Games at Normal Gym

Normals Outclassed in Senior B. Fixture and Lose, 66 to 25

Lateness of Hour Prevents One Game From Being Played

Varsity teams were successful in all three of the Vancouver and District basketball league games played at the Normal gym last Saturday night. Varsity Senior B beat Normals 66 points to 25, Varsity Intermediates defeated Normals 44 to 17, and Varsity Girls' A beat their B team 12 to 9. A fourth game between Varsity Intermediate B and Cyclops should have been played but the lateness of the hour prevented this.

LAST MINUTE WIN

In the first game between the girls of Varsity A and B teams the outcome was doubtful until the last moment. The B's won out by 12 to 9. Margery Bell did most of the scoring for the victors, while Bea Pierce got over half the points for the losers. Les. Bickell refereed. The line-up:

Varsity A—Robinson (2), Bea Pierce (5), Isobel Russell (2), G. Swencisky, M. Rae. Total 9.

Varsity B—B. Bell (6), A. Moffitt, K. Reid (4), W. Straight (2), G. Gilley, M. Ryan. Total 12.

NORMALS SHOOT BADLY

In the second and intermediate contest Varsity won from Normal by 44 to 17. The game was not as one-sided as the score indicates, but the Normals were away off in locating the nets. Stan. Arkley and Johnston each snared 12 points for the winners, Clay securing 6 for the Normals. The line-ups:

Varsity—S. Arkley (12), Johnston (12), Galloway (6), Gordon (4), Matthews, Schultz, Gross (8), Verchere (2). Total 44.

Normal—Douglas, Lister (2), Ferguson (4), Clay (6), Hillery (2), Spence (3). Total 17.

G. McAdam refereed.

TEACHERS OUTCLASSED

The third and last game turned out to be a rather easy one for the Varsity, which won from Normals in a Senior B fixture by 66 to 25. The superior reach of the students, combined with accuracy in shooting and good combination, proved too much for the coming teachers. Henderson topped the scores with 26 to his credit for the winners, while Stibbs was the mainstay of the Normalites, getting 10. George McAdam refereed. The line-up:

Varsity—H. Arkley (14), Henderson (26), Fulton (16), McKay (4), Elliott (2), Gill (4). Total 65.

Normal—Stibbs (10), Marrion (2), Heady (2), Wallace (5), Rolston, Waddington. Total 25.

VARSAITY PLANS TO INVADE VICTORIA

Students Will Engage in Athletic Series Christmas Week

Wolverton and Miss Shorney Arrange Details With Victoria

Plans are under way at the University of B. C. for the annual invasion of Victoria during the Christmas holidays when many of the students will visit the island to compete in athletic contests. They will make the trip Friday, January 4, and return on the Sunday

boat. College men and women are expecting to support the teams this year.

Jasper Wolverton, president of the Men's Athletic society of the U. B. C., spent the week-end in Victoria making arrangements and at the executive meeting of the Athletic society on Monday a temporary programme was drafted. Doris Shorney, president of Women's Athletics, is completing plans for the women's events.

VARIED PROGRAMME

The programme is to include rowing, badminton and basket ball for Friday; basket ball, ice hockey and grass hockey for Saturday morning; McKechnie cup and second team rugby and track events for Saturday afternoon.

Aquatic events will be staged at the Y. M. C. A. early Saturday evening and the swimming will be followed by a ball at the Empress hotel in honor of the athletic teams.

Scholarship Is Given to Former Varsity Student

Sum Dec 24 1923
THE I.O.D.E. War Memorial Overseas Post-Graduate scholarship for the province of British Columbia has been awarded to Alfred Rive, graduate of the University of British Columbia, 1921.

Mr. Rive had a fine record in the U.B.C. and since graduating two years ago, has made a brilliant showing at the University of California, where he has been taking a post-graduate course. He is at present instructor at Cornell university, Ithaca, New York. In addition to his splendid academic record, Mr. Rive has an outstanding war record, having been with the Western Universities battalion, and later, with the 46th battalion Canadian infantry. After being severely wounded in battle in May, 1917, Mr. Rive was in hospital in France, England and Canada and was finally discharged as unfit for further service in May, 1918.

The committee of selection feel in making this award, a most worthy representative of the province of British Columbia has been chosen. The committee of selection for 1923 was as follows: Mrs. A. U. de Pencier, provincial president, I.O.D.E. in B. C.; Mrs. John A. Murray, municipal regent, I.O. D.E., Burnaby; his honor Judge Howay, New Westminster; Mr. J. S. Gordon, inspector of schools, Vancouver; Principal Vance, Vancouver, and Mrs. O. L. Boynton, provincial educational secretary, convener I.O.D.E. War Memorial for B. C.

In this province eight bursaries have been awarded in the University of B. C. to children of men who fell or were totally disabled in the Great War, and with the present award two Overseas Post-Graduate scholarships have been given; the former are for four years, to the value of \$1200; the latter for one year to the value of \$1400.

Varsity, Y.M.C.A. Win Cage Games

Students Beat Native Sons and Champions Down Rowing Club

Both Contests Are Won by Narrow Margins at Normal Gym

Sum Dec 24 1923
VARSITY basket ball squad stepped into the win column of the Vancouver and District league last evening at the Normal gymnasium when it defeated Native Sons in a Senior A fixture, 18 to 16. Y.M.C.A. won from Rowing Club 42 to 37.

Native Sons started the scoring on a fast shot by Johnston, which he repeated shortly afterwards. Varsity then got sev-

present and repeated the theme of the achievements of his administration, which was his theme in Fairview last week. G. C. Thom, J. A. Garbutt and F. W. Welsh, aldermanic candidates in Ward V., were among the other speakers.

PLEADS FOR BYLAWS

Ald. Owen spoke of the good financial condition of the city, and said that a profit of \$300,000 had been made during the past year. He urged the ratepayers to support the money bylaws and the central heating franchise.

Referring to the beer club situation, Ald. Owen said the clubs existed long before the city licensed them. They were licensed so the city could secure the right of entry for the police and license officials, and thus ascertain what was actually going on in the clubs. Since the licensing policy was adopted the number of clubs had been reduced by half, said the alderman.

Ald. Owen concluded his remarks on the club situation with the statement that he would be glad to see the attorney general wipe them out altogether. The city license did not carry with it any right to sell liquor—the control of

STUDENTS AT U. B. C. TAKE EXAMINATIONS

Sum Dec 24 1923
Examinations for the students at the University of B. C. started yesterday and will continue for two weeks. The second term of this session begins Monday, January 7. Students in the first two years whose marks are very low will not be readmitted when the second term opens. No credits are given for athletics at the U. B. C.

The senate of the university will meet January 19.

TOTAL LESS THAN FOR THREE YEARS

Sum Jan 8 1924
Number of U.B.C. Students Asked to Withdraw Is Very Low

No examination results for the Christmas tests will be published this year following the decision of the senate of the U. B. C. to give only the results of the spring term exams to the press. Very few students have been asked to withdraw from the college on account of low standing this year and the faculty of agriculture holds an enviable record of not losing a student.

"Results have shown that the work has been very satisfactory," said S. W. Mathews, registrar at the college yesterday in commenting upon the low number of "Christmas grads," as those who are asked to withdraw are called. "The number this year is less than it has been for three years."

First classes of the new department of education for graduate students will commence this week under the guiding hand of Dr. George M. Weir, former principal of the Saskatchewan Normal school at Saskatoon, who will be the professor of education. There are 59 graduate students enrolled in this class which forms a special ground for graduate students who have taken the fall term at normal, or who have satisfied the department that they have taken the equivalent to the normal training elsewhere.

Dr. Weir will have as his associates in the new department of education heads of the various departments involved. His associates are Dr. H. T. J. Coleman, dean of the faculty of arts, director of teacher training; Dr. G. G. Sedgewick, lecturer on methods in English; Dr. H. Ashton, lecturer on methods in French; Dr. D. Buchanan, lecturer on methods in mathematics; Prof. L. Robertson, lecturer in methods in classics; Dr. T. C. Hebb, lecturer on methods in physics; Dr. E. H. Archibald, lecturer on methods in chemistry; John Davidson, lecturer on methods in botany.

EXAMINATIONS AT UNIVERSITY WILL START ON MONDAY

Sum Dec 24 1923
Examinations at the University of B. C. will start next Monday and continue for two weeks for all students. Lectures for the first term of the session will be completed this week.

The Christmas examinations at the college are final in only a few of the subjects, but are important to the first and second year men and women as those making very low marks are asked to leave the university for the rest of the year. Warning was issued to the freshmen early in the term that if their work was unsatisfactory in these examinations they could not continue. Crowded conditions at the university makes this course necessary.

The students will return to their lectures January 7 for the second term and the final examinations will commence April 14.

VARSITY swimmers making the trip to Victoria during the week-end were outclassed by the crack swimmers of the island city Saturday night, losing the men's events 42 to 23, and the women's 47 to 31. C. Jones of the Varsity swimming club was high scorer in the events for the men, taking 11 points, while Wellburn scored 8 for the Victoria Y.M.C.A.

Gracie Wellburn swimming for the V.A.S.C. scored 21 points in the women's events, with Sylvia Thrupp of the Varsity taking second place with 13.

In the relays Varsity was also defeated, the Y.M.C.A. winning the men's event and the V.A.S.C. taking first place in the women's.

W. Barrett's plunge for distance was one of the feature events of the meet, that swimmer making the length of the tank in each plunge.

Private Performances Arranged by the University Players' Club

Sum 18-11-23

—PHOTOS BY STEFFENS-COLMER STUDIO

THE plays to be presented this month by members of the University Players' club are being looked forward to with a great deal of interest by the college students and the guests who have been invited. The private performances will be produced on the evenings of November 22, 23 and 24, in the auditorium. Thursday and Saturday are student nights, and the Friday evening performance will be reserved for the invited guests.

The plays are entitled, "The Little Stone House," "The Romancers," "The Birthday of the Infanta," and "The Ghost Story."

In the photographs are the principal players in the various productions. From left to right in the top row are Miss Mildred Teeple, Miss Roberta Thurston and Miss Elsie Rilance, and in the bottom row, from left to right, are Miss Rose Marin and Miss Joan Meredith.

Miss Teeple is acting as Praskonya in "The Little Stone House," Miss Roberta Thurston as Sylvette in "The Romancers," Miss Elsie Rilance as Anne in "The Ghost Story," and Miss Joan Meredith as Infanta and Miss Rose Marin as the Duchess in "The Birthday of the Infanta."

The various parts are very well acted by these clever young girls, and visitors to the performance are assured of a most enjoyable evening's entertainment.

Varsity Cinches Trophy

Win McKechnie Cup Fourth Year Successively at Victoria *Jan 14 24*

WARREN'S GREAT RUN A FEATURE

Forty Yard Sprint Carries Ball Right Behind the Posts

Special to The Vancouver Sun

VICTORIA, Jan. 12.—Varsity cinched the McKechnie cup, emblematic of the rugby championship of B. C., for the fourth consecutive year, when it defeated the Victoria Rep team here this afternoon by 8 points to nil.

The Collegians had the polish to finish out their efforts and this brought them victory. The Capitals fought with desperation and their forwards gained lots of ground at times by their dribbling rushes, but Varsity came right back with their three-quarters, who got over the ground at a great clip.

TOO MUCH SKILL

The Collegians gave Victoria lots of chances to show what they could do and after the Capitals battered away for a few minutes the signal would go up for the Varsity threes to move, and within a few seconds they would regain all the ground that took their opponents as many minutes to capture.

Varsity scored its first try half way through the opening period, when Price flopped on the ball just over the Victoria line. It resulted from some nice passing by the forwards. Gwyther just grazed the outside of the post with the kick to convert.

In the second half, after Palmer tried to break through on the right when Varsity swung the play across the field and gave Warren a chance to show his speed. He raced around the struggling Capitals and planted the ball directly behind the post.

A BRILLIANT RUN

It was the finest run that has been seen here this season and Warren travelled 40 yards. The kick was right to Gwyther's liking and he placed the ball between the sticks for the extra points.

It was very much of a forward game and neither side would let the ball out of the scrum, preferring to carry it with them.

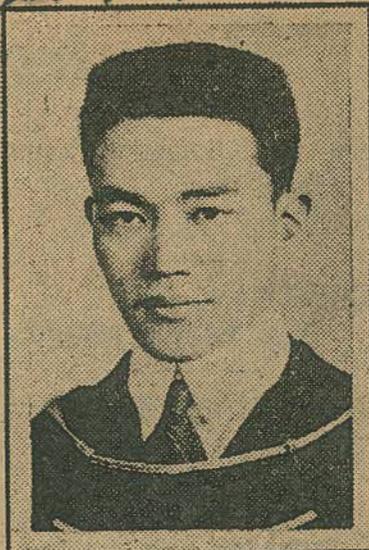

The biggest crowd of the season took in the game and got a thrill out of the hectic struggles of the players.

"Buck" Yeo of Vancouver handled the game well."

Varsity students will commence this year's international inter-collegiate debates next Friday when the University of British Columbia will meet Idaho debaters here and Oregon state representatives at Eugene, Oregon, in a triangular debate. A. E. Grauer and H. Yonemura, both well known debaters at the college will speak here while Percy Barr and A. Zoond, also former international debaters will represent the local students abroad. The home debate will be staged at the King Edward High school.

The affirmative side of the question "Resolved that the U. S. should recognize the present Soviet government of Russia" will be taken by the local men. Varsity men won the majority of their debates last year and the teams have been working out success. All debates are under the control of the literary and scientific department of the university with John Burton, Arts '24 as debates manager.

On February 19 the international debate with the University of California at Berkeley will be staged the subject for this being "Resolved that this meeting go on record as being in favor of the Bok peace

plan." Lorne Morgan and W. Murphy will uphold the affirmative here while H. Goodwin and A. G. Bruun will travel south to take the negative.

The Wyoming debate which will come near the end of March will be on the subject "Resolved that the U. S. should enter the world court." John Burton and S. Kobe will be the U. B. C. representatives.

VARSITY SQUADS HAVE GOOD NIGHT

Two Basket Ball Teams Win While a Third Manages to Draw

Now that the cares and worries of examinations and holidays are over the Varsity squads are applying themselves to athletics as evidenced in the basket ball results Saturday night at the Normal gymnasium when they easily won two contests while the Co-eds tied with the Y.W.C.A.

In the main event of the evening the Varsity hooked up with the Rowing Club. Henderson and Arkley early put in a flock of counters for the Rah Rah boys, while Boyd was the only one of the Oarsmen who could register. The first stanza ended 25 to 3.

Both these players did all the shooting for Varsity in the second half, but their opponents watched them closer. The game ended 42 to 11 for Varsity.

The teams lined up as follows:
Senior B. game
Varsity—H. Arkley (13), H. Henderson (28), C. Newby (1), McKay, Gill, Elliott, Hemmingway, Total 42.
Rowing Club—C. Boyd (5), Jones (2), Erickson (4), S. Allon, Smith, Total 11.

INTERMEDIATE TUSSLE

In the second tilt, an intermediate B affair between Varsity and 47th Battalion, the same thing occurred as in the previous game. Warno and Thompson were allowed too much freedom in the first period and located the baskets regularly, while Myers finally managed to park one in the Varsity's net before the whistle blew. In the second half Westminster managed to score a few field goals, but the Varsity continued to add to their total until the final score stood 47 to 10.

The teams:
Varsity—Warno (18), Thompson (12), King (10), Kelly (4), A. Henderson (1), Legg, Johnson (2), Total 47.

New Westminster—W. Gifford (2), L. Stoddart, Hopkins (2), Shuttlesworth (2), H. Myers (4), Total 10.

GIRLS' GAME

In the senior girls' battle the Co-eds were on the small end of the 8 to 6 score at the end of first half. In the second period they managed to get two field goals while the Y.W.C.A. could only get one and at the finish each had 10 points.

The teams:
Varsity—Misses M. Bell (2), A. Moffitt (2), C. Reid (6), M. Ryan, W. Winona, J. Gilley, Total 10.

Y.W.C.A.—Misses A. Barker, A. Paulin (4), N. Nash (6), P. Magee, H. Whitehead, Total 10.

Mary Ellen Smith
Talks to Students

Activities at the University of British Columbia having commenced again after the holidays, one of a series of vocational talks was delivered before the women students on Wednesday at the noon hour in the college auditorium by Mrs. Mary Ellen Smith, M.L.A., who dealt in her short address with the value of a university education to women. She emphasized the broadening influence of such an education and paid tribute to the mothers and grandmothers who fought in pioneer days for the privilege of giving their daughters college training. "Every day," Mrs. Smith told her listeners, "more and more openings are being made for well-educated women to fill, and it behooves girls to make the most of the opportunities found during their university career."

SCIENCE '25 AND
'26 WIN OPENING
RUGBY CONTESTS

Varsity interclass rugby got off to a good start yesterday. Two games were decided. In the first game Science '25 triumphed over Science '27 by a score of 11-0. In the second game Science '26 beat Arts '26 by 6-0.

In the first game Science '25 had the edge all the way. Price made the first score which he converted himself and shortly after McPherson went over for another which was not converted. This ended the scoring for the first half.

The second half was more even, the play waging up and down the field. At last Ramsell secured the ball and went over for a pretty try. The attempt at convert failed and the whistle blew with the score at 11-0.

The second game was evenly fought. Both teams strived hard to score but half-time blew and neither side had the advantage. In the second half Science '26 pressed hard and Loudon went over for a try. Shortly after Gibbs also went over. Both attempts at converts failed and time was called with Science pressing hard.

Arts '25 and Arts '24 are scheduled for today if the weather permits. The winner of this game needs Science '25.

U. B. C. FREE
OF SMALLPOX

Opening of Free Vaccination
Clinic There Starts Er-
roneous Rumor

Reports that 16 cases of smallpox have been discovered at the university are entirely without foundation, said Dr. F. T. Underhill, M.H.O., last night. It is presumed that the rumor arose because of the fact that a free vaccination clinic was opened at the university Wednesday for the convenience of the students. The last case of smallpox discovered at the university was isolated about a week ago, said Dr. Underhill, who states that 11 cases of the disease have been discovered among university students since last November. As a precautionary measure it was decided to place every facility before the students for vaccination.

A clinic was opened Wednesday and will be in operation again today. There are only seven or eight smallpox patients at present in the isolation hospital, said Dr. Underhill and some of these are from points outside the city. When it is considered that last fall there was a total of fifty to sixty cases at one time, it can be seen that there has been a great improvement in the situation. The university students have been asked to fill out cards showing whether they have been vaccinated or not. The case discovered at the university last week was of a mild type, said Dr. Underhill.

IDAHO WINS IN
VARSITY DEBATE

University Team Goes Down
to Defeat Against Vis-
iting Speakers

Varsity debaters went down to defeat at the hands of Idaho university representatives at King Edward High school last night when Charles A. Chandler and H. S. McKee were awarded a decision over A. E. Grauer and H. Yonemura on the question of recognizing the soviet government of Russia. Two of the judges favored the visiting team, while one voted for the local men. Mr. Justice D. A. McDonald, Dr. C. S. McKee and Leon Ladnes, M.P., were judges, and Jack Grant, president of the student body, presided.

Following the debate a vote registering the opinion of the audience on the question under discussion showed that by 421 to 151 those present believed it would be advisable to recognize the soviet government.

Upholding the negative the Idaho men stressed points indicating bad faith on the part of the present soviet government regarding confiscation of property, and also contended that the soviet was a minority government and it would be an injustice to the Russian people to give it recognition.

The affirmative urged that the policy would be founded on an economic basis and held that recognition would mean the salvation of Europe as the natural resources of Russia would be developed. As the present government was firmly established they held it should be recognized in accordance with international law.

It was Mr. Grauer's second appearance on the debating platform, while Mr. Yonemura participated in his first intercollegiate debate last night. The visitors were both experienced debaters.

STUDENTS WILL
HOLD CONFERENCE

Delegates From Alberta Ex-
pected and General Pub-
lic Is Invited

Members of the Student Christian movement of the University of B. C. will hold their first conference in the university auditorium Friday and Saturday. Delegates from the University of Alberta are expected to be present and the students at the college have extended an invitation to the public to attend the conference which has been divided into three sessions to take place Friday evening, Saturday afternoon and Saturday evening. Several speakers will be present to address the meetings which will afterwards be thrown open for general discussion. The subject for the first session, which will open at 8 o'clock in the auditorium Friday night, is "The Immigration Policy of Canada and Treatment of Immigrants when here." Dr. S. S. Osterhout will be the first speaker taking Orientals as his subject. Miss M. E. Colman will speak on South Europeans. The Saturday session will deal with Christianity and higher education and the speakers will be Dean H. T. J. Coleman, "Psychology and Christianity;" Dr. G. G. Sedgwick, "The Reaction to Christianity;" Miss M. L. Bollert, "Religious Education in the Schools;" Dr. W. H. Smith, "The Alliance Between Christianity and Education."

The last session will discuss Christianity and the social order, the speakers being Nelson Harkness, "Modern Social Problems—a Challenge to the Christian Student;" Mr. Priestman, "Are Christianity and Success in Business Compatible?" Tom Richardson, ex-M.P., "Christianity, the Church and the Labor Movement."

"Aggie" Ball Draws Large Crowd of Varsity Students

Seen Jan 25, 24
THE "Aggie" ball, one of the really interesting social events of the season at the University of British Columbia, was an attractive affair last night at Lester court. This was the annual dance given by the faculty of agriculture, and was well attended by the students.

The big ballroom was pretty with decorations of vari-colored balloons and a profusion of cedar greenery, charmingly relieved by bright lighting effects. On one side of the ballroom was the word "Agriculture" cleverly executed in wheat sheaves, and arranged round the room were signs of farmyard characters, denoting the various "rendez-vous." A busy committee had the dance arrangements in hand.

At supper time the "Aggie" boys served the dainty meal, enlivened by the usual antics and novelties which are always a feature of this affair.

The patronesses were Mrs. L. S. Klinck, Mrs. F. M. Clement, Mrs. H. M. King, Mrs. P. A. Boving, Mrs. A. F. Barss, Mrs. W. Sadler, Mrs. E. A. Lloyd, Mrs. R. P. McLennan and Miss M. L. Bollert, M.A.

Among those present were: Misses Betty Somerset, Polly Faulkner, Mary Chapman, Doris McKay, Jean Faulkner, Oenone Baillie, Edith Lockard, Verna Turner, Ruth Fraser, Kenna McDonald, Theresa Foran, Vera Fenton, Mary Sprague, Violet McMillan, Dorothy Arkwright, Estelle Cameron, Marion Pound, Bea Welch, Helen Whiteside, Doris Doherty, Jean Kirk, Muriel Evans, Polly McGougan, Vic Svencisky, Edith Finley, Gladys Finley, Eileen McDonald, Doris Ford, Dorothy Newcombe, Molly Jackson, Doris Shorney, Dorothy Brown, Gertrude McGinnis, Eleanor Henderson, Greta Stinson, Amy Wright, Marion Smith, Winks Hall, Adalene Arkley, Gwen Stirling, Marion Cameron, Annie Henderson, Marjorie Bell, Nelly Wilkinson, May Walker, Alice Simpson, Frances Dickie, Lenora Irwin, Freda McArthur, Helen Northy, Freda Edgett, Marion Bullock-Webster, Rena McRae, Phyllis Edgell, Cecilia Williamson, Lorraine Vosper, Rena Stinson, Kathleen Peck, Helen Peck, Connie Whittaker, Margaret Swanson, Marjorie McIntyre, Margaret Tennant, Grace Smith, Myrtle Nixon, Helen Lyttleton, Babs Hillis, Patsy Robinson, Daisy Taylor, Connie Welsh, Gertie Freehand, Messrs. SCIENCE BEATEN BUT IS LEADING

Inter-Class Competition for Governors Cup Is Becoming Keen

Seen Jan 25, 24
Arts '27 of the U. B. C. eliminated Science '24 in interclass rugby at the university yesterday when the Freshmen downed their opponents 3-0. Although playing well, the Science team was outclassed and had the field been dry the score would have been much larger.

Tupper, the fast wing man of the Freshmen fifteen, played a stellar game and scored the only try of the game after a fine run in which he outplayed the senior backs. Receiving the ball from the threes following a throw-in, he dashed for the line and scored with only two minutes to go. The kick at goal failed.

Being strong in the back division the first year men controlled the game, but with Gwyther and Underhill playing in their forward line the Science men held the Arts scrum. Science '24 is at present leading in the Governors' cup series at the college with the Freshmen standing second. Should they win the rugby series, Arts '27 will be only one point behind the leaders.

The badminton tournament at the college will commence February 11 and will be continued February 18 and 25. The programme will include men's singles and doubles, ladies' singles and doubles and mixed doubles. Points will be awarded in the Governors' cup and the Chris Spencer cup standing for badminton.

STUDENTS TO MAKE DRIVE FOR SUPPORT

Seen Jan 29, 24
THE students' council at the University of British Columbia will shortly make a big drive to secure funds for the development of the campus at Point Grey, the new home of the varsity. Every branch of sport will do its share and several schemes are being discussed whereby funds could be raised. One which has been suggested is that each sport stage a benefit game for the cause. It is expected that definite information will be given out at an early date.

HELEN MCGILL AND DAVID KEENAN

Seen Jan 27, 24
HELEN MCGILL, Arts '25 of the U. B. C., has been chosen as the editor of the Annual for this year and is at work collecting material for the publication. David Keenan, Agriculture '25, who has been a business assistant on the Ubyessey during the past year, will be the advertising manager of the Annual.

Miss McGill has done excellent work on the college paper this year as one of the editors and had considerable experience with the Annual work last year as assistant editor.

The Annual will be published near the end of the term.

Varsity Basket Ball Squad Downs Natives And Boosts Standing

Students Benefit From Bellingham Lesson, Emerge

Victors 26-17

Varsity stepped into second place last evening in the Normal gym, when they trimmed Native Sons 26 to 17 in a Senior A fixture of the Vancouver and District Basket Ball league, while the champion Y.M.C.A.'s strengthened their hold on the lead by winning from Rowing club 21 to 10 in a rather rough game.

In the first contest between the Native Sons and Varsity the students adopted some of the tactics which they learned from the visiting Bellingham boys to good advantage.

NATIVES START IT

Natives started the scoring when Cruickshanks speared a beauty from midfield. Close checking followed until Mattock secured the ball close in and made it 4 to 0

for the Sons. Stephens got a pass from Boyes and scored on a nice overhead shot. Wilkinson replaced Hartley, and several minutes later Butler started the Varsity score with a shot close in.

Cruickshanks snared another field goal and made the tally 8 to 2. Gordon Lewis made a fast run, got a pass close in and scored. Grauer then replaced Carlisle, and soon after caught a rebound and bulged the nets. Butler tied the score shortly before the whistle, making it 8 all.

In the second half the Varsity had the better of the play. Wilkinson played a fine game, scoring 8 points. Butler made several good long shots and the Varsity worked their combination to perfection, while the Sons made long erratic passes which were easily intercepted. Bob Stephens worked hard, scoring a nice one on a dandy pass from Tat Boyes. The game ended 26 to 17 for Varsity.

Tanny Butler was top scorer with 10 for the Varsity, while the scoring of the Sons was well distributed among the players.

THE TEAMS

Varsity—Butler (10), Bickel, Carlisle, Grauer (2), G. Lewis (6), Wilkinson (8). Total 26.

Native Sons—Fisher (2), Mattock (3), Hunter (4), Cruickshanks (4), Stephens (4). Total 17.

Referee: Yeo.

Gwyther and Domoney To Try Soccer Game

EVIDENTLY inspired by the promising form of Gee Ternan when tried as a soccer player, officials of this sport at the University of British Columbia have signed "Big Val" Gwyther and Claire Domoney of the McKechnie cup rugby team. Gwyther is the star scrum worker and goal kicker of the Varsity rugby champs, while Domoney has long been renowned as a fullback in ruggar.

When Ternan, this year's captain of the Varsity McKechnie rugby cup team, was tried at outside left for the soccer team last season he made great progress. With plenty of speed and dash he offset in no small degree his lack of ball control and ability to round an opponent. Another thing in his

favor was his undoubted ability to get the ball across.

There is a difference between the acquisition of Gwyther and Domoney as soccer players and Ternan, however. Ternan jumped into the first division team's lineup, but the two latest converts are to be tried with U. B. C. of the third division. It may be taken for granted that if they show form they will be drafted higher quickly.

As far as can be gathered it is the intention of the U. B. C. to play both men at fullback. There may be an attempt to make Domoney into a half, but the officials are firmly convinced that fullback is where the husky Gwyther will be seen to best advantage.

STUDENTS WILL LAY OUT CAMPUS

Development Scheme at Pt. Grey to Be Divulged at Meeting Today

Plans for the Point Grey development scheme of the students of the university will be divulged today at a meeting of the student body to be held in the auditorium at noon. Plans have been formulated by a special committee to get the members of the Alma Mater working on the athletic fields which have been laid out at the Point.

Work on the Science building is being carried on rapidly and increased numbers of workmen are making rapid strides with the library which will be one of the permanent structures. Foundations for the stucco houses in the residential district at the eastern side of the site will be laid as soon as weather permits, according to those in charge.

Science men have been at the site surveying the athletic grounds, which include two large fields, one for soccer and one for rugby. Each of these fields is of sufficient size to allow two games being played on each at the same time so that ample room will be available for frequent practices of the teams. Owing to the nature of the soil at the site it will be necessary to place a 6-inch layer of earth over the entire fields before the turf is laid. The plans include working pilgrimages to the Point Grey site.

STUDENTS WILL WORK ON FIELDS

They Also Undertake to Raise Funds for Improving Ground at Pt. Grey

Members of the student body at the University of B. C. yesterday authorized the Students' council to formulate plans for the new students' campaign to have the playing fields and gymnasium fitted out at Point Grey. The students will support the council in carrying on work at the new site by making trips to the grounds and doing work on the fields. Plans will also be made for the raising of money by the students to help with the development.

Jack Grant addressed a large gathering of students yesterday at a mass meeting and outlined the history of athletics at the college, stressed the need of athletics and urged the students to do a share of the work on the grounds. He told of the necessity of placing a layer of soil over the grounds before a turf could be placed on them.

Bob Hedley, president of the Science Undergraduate society, also spoke and asked the students to support the committees in their work. He also told of the plans of the architects and had a map to show the places of the buildings and the fields.

Plans Arranged For 'High Jinks' At the 'Varsity

Sun Feb 1, 24
THE women students of the university are anticipating with much interest their annual "high jinks", which are being held in the auditorium on Friday, February 8. There is an intriguing air of mystery wrapped around the plans just now, but from the few hints which have been dropped, this year's festivities will be more diverting than ever.

Some interesting instructions have been handed to the women undergraduates regarding the wishes of the committee in charge.

First, this is a function to which only the women are invited, and as it is an event which regularly draws more than the invited ones, all the doors, windows and lights, and even refreshments will be jealously guarded by husky amazons. Secondly, only those in costume will be admitted, and also, it has been requested that all the women come in couples.

After a grand march, the five prizes will be presented, Miss McInnes and Miss M. L. Bollert acting as judges. Four skits will be presented by various members of the undergraduate society, and the evening will be spent in dancing.

TOM RICHARDSON WILL BE SPEAKER

Sun Feb 1, 24
Tom Richardson, ex-M.P. of the British house of commons, will address two meetings of students at the University of B. C. today. Mr. Richardson will speak on the issues and personalities in the British labor movement, and since he was a one-time Labor member in the British house his talks will be well appreciated by those studying economics at the college. He will address one of the economic classes at 9 o'clock, and at noon he will appear before the student body in the auditorium.

VARSITY CLASS SPORTS AGAIN IN FULL SWING

Sun Feb 1, 24
Varsity's interclass sports in connection with the Governors' cup series will be continued this week. Arts '25 and Science '26 meet this afternoon to decide which team will take third place in the rugby series while on Thursday the eliminations for the swimming events will be held at Chalmers' tank. Swimming finals will be held February 14.

Milers in the various classes have started their training for the Arts '20 relay which will be staged on February 27. The Arts '20 relay teams each have eight men, the course being approximately eight miles long. The teams start at the new Point Grey site and finish at the present buildings in Fairview. Since each class enters a team a total of 72 milers are required from the college as entries.

The March programme includes the rowers' regatta March 8 and the track meet March 12.

VICTORIA COLLEGE TO CLASH WITH VARSITY

Sum Feb 8 24

RUGBY and basketball teams from Victoria college will come to Vancouver Saturday to Meet University of B.C. representatives in an intermediate rugby tilt and two cage games. Ruggers will mix with the Varsity Intermediates as a curtain raiser to the Tisdall cup final.

Victoria college girls will meet Varsity Senior A squad at the Normal gym Saturday evening and this game will be followed by an exhibition match between Varsity Senior B and Ex-Normal D. The third game of the evening is a tussle between Victoria college first team and Varsity's Intermediate A.

Admission will be charged to the rugby and at basketball, the proceeds being placed aside for the campaign fund which is being raised to help with the developments of playing fields at Point Grey. Following the basketball a dance will be given in the gym in honor of the visitors.

KENNETH CARLISLE

Kenneth Carlisle, Science '24, well-known rugger and basket ball star of the University of B.C., has been appointed manager of the new student campaign for the development of the athletics at the new site at Point Grey.

Students working under Mr. Carlisle have laid plans for the developing of the playing fields and the equipping of a gymnasium for the athletes when they get to their new buildings. Plans include the raising of funds and personal work by the students on the grounds. The campaign is still in its infancy, but a meeting will be held Tuesday in the auditorium where the students will doubtlessly be given full information regarding the drive for Point Grey athletic development.

Ternan's Fine Drop-Kick Turns Scale in Favor of Champions

Natives Had Much of the Play and Excelled in Front Rank

GEH TERNAN'S drop kick from thirty-five yards out was a feature of the rugby tilt at Brockton point yesterday when Varsity added the Tisdall cup to its case of trophies, defeating the Native Sons 9-0 in the final game of the season. Ternan's kick was from a difficult angle and is easily the best field goal made this season. Barwis and Ternan each had a drop kick to their credit.

Ternan scored Varsity's try when he received the ball from Hyslop after the husky forward had made the opening. Gwyther gave the students the extra points.

The score in no way indicates how the play went, for the Sons were the best forward division during most of the game, having a decided advantage in the first half, when they controlled the play most of the time. The Rolston brothers showed up well for the losers along with Gourley and Clark, while Ternan, McLane, Greggor and Hyslop were Varsity's outstanding men.

A FORWARD GAME

Forwards played most of the game and the fighting scrums gave a fine exhibition. Mathews received a wicked cut over his eye when someone's boot connected

and he was forced to retire late in the first period, being carried off the field. Varsity responded and Sparks withdrew so that the Collegians would not have any advantage.

Domoney and Richardson, the opposing full-backs, were fine, playing well at all times.

Ternan's drop was the first exciting play of the game, coming within three minutes of the start, when the ball was heeled cleanly from the Varsity scrum. Ternan had plenty of time and made a perfect kick from thirty-five yards.

Immediately the Sons attacked and Varsity was pressed into their danger zone for most of the half. Cann took a place kick at goal on a foul, but missed by inches. Within a few minutes to go in the half Mick Rolston damaged his leg and was not able to play again until after half-time.

SONS ATTACKING

The Sons attacked again after the half and were kept from scoring by excellent defensive tactics of Varsity, who seemed to improve every time. More three-quarter work featured the second period, open play being favored by the collegians.

Ten minutes after play had commenced Hyslop received in a loose scrum and dashed for the line. As he crossed he passed to Ternan, who being uncovered, easily circled between the posts giving Val an easy shot at the goal. Varsity had a nine-point lead and neither team scored afterwards.

Domoney left his back position and joined Bill Cameron in a rush which was halted as they reached the line and immediately Gourley took the ball at his feet and dribbled to Varsity's line before being forced out. Domoney saved when Thornthwaite made a nice run and kicked ahead. Had Thornthwaite slightly more speed he would have scored. Varsity was pressing as the whistle blew.

STUDENTS WILL HOLD SOCIALS

Co-Eds Plan Masquerade and Arts Men to Stage Smoker

While the co-eds of the U.B.C. are revelling tonight in the university auditorium with their high jinks activities, the Arts men will be smoking the pipes of peace at their annual smoker to be held at the Rowing club rooms in Coal harbor. Each of these events, for the corresponding sex only, promises to be a lively affair.

The women of the college will wear masquerade costumes and prizes will be given for the most original dresses and suits. They will have refreshments and skits, while dancing will also be in vogue, many of the co-eds having planned to attend as men.

The men in their more brutal way are planning to have "eats" and plenty of apple cider. Bagpipes, music, fancy dancing, Japanese entertainers and acts from the Orpheum and Pantages theatres form part of their programme. Smokes will be distributed free to all in attendance, souvenier pipes being given as well as tobacco, cigarettes and cigars.

The affairs will start at 8 o'clock.

H. N. CROSS WILL BE LEADING MAN

Advisory Committee of the U.B.C. Has Cast Completed for Coming Play

H. N. Cross was last night chosen by the Players' club advisory board at the University of B. C. as the leading man in the annual spring play to be produced at the Orpheum theatre March 24 and 25. Mr. Cross won considerable recognition in the Christmas plays. He is a member of Arts '24 and although a senior at the college has only taken to the dramatic art this year.

Mr. Cross and Ed. Chamberlain, Arts '26, have each been working for the leading part and although the other members of the cast were picked several weeks ago the advisory committee could not choose between these two for the lead. Mr. Cross was judged the best material for the role yesterday, however, and has been awarded the place. Mr. Chamberlain will act as understudy and will probably take a secondary part.

Peter Palmer, Arts '25, will be the other leading male character, while Betty Somerset, Arts '24, will take the lead among the lady members of the cast. Both of these are tried actors having taken parts in the former University of B. C. productions.

The play chosen this year is "The World and His Wife." and the club will present the production throughout the province after the spring examinations are completed, visiting several points in the interior and on the island.

SENIOR B STUDENTS DEFEAT CRESCENTS

Varsity and Victoria College Break Even in Two Matches

WITHOUT the services of Max Shiles at centre, Y. M. C. A. seniors defeated First Presbyterians of Victoria at the Capital city Saturday night 33 to 23.

The game was strenuously fought. Phillips started at centre with Priest and Phipps guards and Ralston and Tuck forward. Phillips was laid out and Everett Robson made good with a bang in his place.

Dode Tuck strained a leg ligament and will not play for a time. The limb is quite painful and he was under the doctor's care yesterday.

In the first half Y's scored eight points ere the Capitals found the basket. The score veered and at times stood 14-13 and 19-17. Then the champions stepped out and finished ten points to the good.

THEY BREAK EVEN

U.B.C. and Victoria College broke even on Saturday night at the Normal gymnasium in the intercity basket ball series. The Varsity Senior girls whitewashed the visitors 11 to 0, and the Victorias put it over U.B.C. Intermediates 25 to 16.

In the third game Senior B Varsity won from the champion Crescents of the S. S. league by 28 to 19 in a rally after Crescents appeared to have the game in hand. Lacey Fisher handled the whistle. The teams:

Victoria—Misses J. Musgrave, J. French, F. Murgrave, F. Bennett, M. Ross.

Varsity—Misses Isabelle Russell (2), Patsy Robinson (4), Isabel Mackinnon (2), Grace Swencisky (3), Doris Shorney.

Victoria College—Bothwell (12), E. McLean (2), Olson (1), McCann (4), Froubister (6).

Varsity—S. Arkley (2), A. Gross (4), E. Galloway (2), Schultz (4), R. Matthews, R. Gordon (4), Les. Bickel, referee.

Varsity—Hemmingway (5), Newby (10), H. Henderson (10), Gill, McKay (3), A. Henderson.

TWO 5-minute overtime periods were necessary before Y.M.C.A. finally overcame the Varsity 'A' team in a Senior 'A' fixture of the V. & D. Basket Ball league last evening in the Normal gym. with a tally of 23 to 22. The score was tied 19-all at full time, when Kenny Carlisle tapped the ball in his own basket, stopping a shot from Shiles.

The game had not gone many minutes when Tommy Wilkinson scored for Varsity. He repeated after a rebound, and while trying a third shot was fouled by Ralston, scoring the resulting free throw.

Bickel then made a long shot and Varsity was leading 7 to 0. Shiles began the scoring for the Y's, followed by Ralston. Wilkinson got away and scored two more in succession. Robson got two field goals for Y's and Shiles one, and the half ended 11 to 10 for Varsity.

Y'S GET GOING

After the rest Y's started in to win. Priest and Shiles tallied in short order and Phipps counted on a free shot. Ralston then got a nice shot close in and the Y's were leading 17 to 11. Wilkinson scored 2 free shots on fouls and one from far out.

Ralston retired on personals and was replaced by Phillips. Bickel snared a long shot, followed by Wilkinson, putting Varsity in the lead again. In stopping a shot from Shiles, Carlisle tapped the ball into the Varsity hoop and tied the count. No more scoring was made before the whistle.

Referee Yeo ordered 5 minutes overtime. Wilkinson was in a position to shoot when Shiles grabbed him. Wilkinson tallied both free shots and Shiles went off on 4 personals, being replaced by Jimmy Randall. Phipps stole away from his check and shot, tying the score at 21 all as the 5 minutes ended.

ROBSON'S SHOT WINS

Another 5 minutes was ordered. Butler was fouled under the basket and snared one free shot. Robson took a long shot and scored. Varsity tried hard to equalize but the Y's played safe till the whistle, winning by one point, 23 to 22. Wilkinson played a wonderful game, scoring 17 of the points for Varsity.

The lineups:

Varsity—Bickel (4); Butler (1); Carlisle, G. Lewis, Wilkinson (17). Y.M.C.A.—Ralston (4); Robson (6); M. Shiles (6); Phipps (3); Phillips, Priest (2); Hand, Randall.

Girl Students Are Sun Guests of League

A group of third and fourth year girl students of the University of British Columbia were entertained at a delightful supper last night by the members of the International League for Peace and Freedom, at the Women's building, 752 Thurlow street. Arrangements for the jolly occasion were made by Mrs. W. J. Curry and Mrs. Spurr. Miss K. Lane, the president of the league, presided at the table, prettily decorated with yellow acacia, and at the conclusion of dinner an informal discussion on the purposes of the league was led by Miss Lane and Mrs. J. Stuart Jamieson.

Among the girls present were Miss Jean Burton, Miss Phyllis Gregory, Miss Lucy Ingram, Miss Sylvia Scott, Miss Helen MacGill, Miss Gertrude MacDonald, Miss Mary Aspell, Miss Lillian Reid, Miss Lillian Cope, Miss Doris Lee, Miss Winnie Cawthorn and Miss Dorothy Peck.

STUDENTS TRAIN FOR ANNUAL RELAY

Other Classes at Varsity Will Try Hard to Wrest Cup From Aggies

Varsity athletes are training for the annual Arts '20 relay to be run on February 27 from the Point Grey site to the present buildings in Fairview. The course is eight miles long, and each class enters a team of eight men. The faculty of Agriculture enters only one team, being numerically as small as the individual classes in Arts and Science. The Arts '20 relay is so called because of a cup donated by the class of Arts '20 for the winners of this race.

Keen interest is being displayed by the varsity classes in this competition, as the race is looked upon as one of the big athletic events of the year. Agriculture holds the cup, and is out to win again. Arts '25, runners up last year, are considered outsiders this time. Arts '27, the freshman class, has some excellent talent, and may cop the cup, since the Aggie team has been weakened this season. Science '26 and Science '25 are also considered to have a good chance.

SOCCER TOUR IS Sun DEFINITELY OFF

There is no chance of the Varsity football squad touring the neighboring university cities, according to word received at local college yesterday. Idaho will be unable to field a team to meet the locals since their squads are not strong enough to offer good competition. Like word was received from Washington last week and with only Oregon to hear from there is no chance of the tour being arranged.

ARTS CLASSES TIED FOR FIRST PLACE IN MEET

Arts '26 and '27 tied for first place in the Varsity interclass swimming meet yesterday at Chalmers tank, each annexing 21 points. Each team will receive 3 1-2 points towards the Governor's cup, and the Freshman class is leading in the competition for the Varsity interclass sports with a 2 1-2 point lead over Science '24.

Bruce McDonald, Arts '26, and Bob McKechnie, Arts '27, were the high point winners, each scoring 15. Allen Stewardson, Science '27, carried off 8 points. Science '27 was third in the meet with 13, defeating Arts '25 by two points.

Fair time was made in each event and the Varsity swimmers promise to show up well against the V. A. S. C. representatives next Wednesday in the interclub meet. Bob McMillan, president of the V. A. S. C., and Tom Bumber, handicapper, were those in charge of the interclass meet.

Arts '27 won the relay with Arts '25 a close second and Arts '26, third. Stewardson won the plunge easily, making the full length of the tank well within the time limit each time.

STUDENTS WILL FINANCE WORK

Money for Athletic Fields at Point Grey to Be Raised at U. B. C.

Students of the University of B. C. yesterday expressed their confidence in the campaign committee at the local college working on the development of athletic fields and equipment for Point Grey when they determined to sign over their caution money to the committee at a noon meeting. This will give the committee almost four thousand dollars with which to carry on the work. Caution money is collected from the students each year by the bursar to pay for breakages during the term and the balance is refunded at the close of the session. The students have authorized the bursar to turn this money over to the development committee.

Ten thousand dollars is the mark set by the students for March 15, this amount being immediately needed for the work of draining and putting into shape the playing fields for the athletic teams. All this money will be raised within the university and the immediate friends, no grants being asked from the public for the playing field development.

Surveying parties have visited the site and have plotted out the fields desired and the student body will be organized immediately so that parties of workers can be kept at work on the grounds. The committee hopes to save considerable sums by having the students remove stones and dig ditches for the draining.

The campaign has been found necessary at the college owing to the refusal of the government to expend any monies on the athletic development. It will be decided at a meeting this afternoon whether or not the first work will be done on Saturday.

STUDENTS EAGER TO SWAP PUNCHES

Vancouver Boy at Seattle Offers Suggestion to Varsity Lads

Revival of the international boxing and wrestling competitions between U.B.C. and the University of Washington is projected in a letter received by W. D. Wood of this city from his son, W. D. Wood Jr., now a student at the Seattle seat of learning.

Young Wood asks to be put in touch with U.B.C. sport leaders with a view to arranging international bouts on the mat and in the squared circle. Wood is chairman of the boxing committee at his college, and states that the Seattle boys are keen to test their skill against the best that Point Grey can produce.

The plan is a good one. Boxing and wrestling would both receive a much-needed impetus should the students get together as proposed. The sport would be cleanly conducted, and would, of course, be strictly amateur.

U.B.C. SPEAKERS TO STAGE CONCERT

Preliminary tryouts for the men's oratorical contest at the university will be staged Friday afternoon at the U.B.C. Four or five of the best speakers will be chosen at that time for the final contest to be held in the near future. S. Kobe, winner of the gold medal last year, has already stated that he will not try again this season for the premier oratorical honors.

Girls Will Take Larger Parts in Future Annual Track Meets

Students Will Get Into Hard Grind Preparing for March 12

CO-EDS at the university will be as interested in the annual track and field day events this year as the men, because of the decision of the women's athletic society to have events for the fair sex this year at the an-

nual track meet. Until this season the co-eds had only the Arts '25 relay cup to foster track events but this season, under Doris Shorney, they will branch off into the high jumps, individual sprints and ball-throwing. The Arts '25 relay will again be run on field day, the winners carrying off the Arts '25 challenge cup. The donners of this silverware have won it each year since they presented it but the Arts '27 team promises to take it this year.

The annual track and field day has been set for March 12 and the men will get into shape for their events as soon as the Arts '20 relay has been run off. With this eight-mile race to take place next Wednesday the Freshman team is still being favored, but the Aggies are promising a good fight and Arts '25 hope to make a place.

MEN OF ARTS '25 TO WORK ON NEW FIELDS SATURDAY

Arts '25 will do the first Saturday work on the new playing fields at Point Grey, it was announced yesterday by the publicity committee of the campaign. About 30 of the Arts '25 men will leave for the grounds for the work at 9 o'clock and will spend the day improving the fields which have been surveyed. These men will no doubt have members of other classes to work with them but the main body this week will come from this class.

The women of the class are preparing to serve dinner for the workers at noon and they will form a committee to feed them.

The men at the college are doing the work of leveling the field and draining it to save their campaign money for hiring only the necessary outside help and to buy pipes and tools.

The campaign fund thermometer at the college reached the two thousand dollar mark last night. Ten thousand dollars is the mark set for March 15.

WASHINGTON WILLING TO PAY THE COST

Sum Feb 21 24

UNIVERSITY of B. C. will likely send eight representatives to the University of Washington during March for an intercollegiate boxing tournament, it was announced yesterday by the boxing club members of the local college. Word was received yesterday from Washington that all expenses of a boxing team would be defrayed by the U. S. college if the B. C. men would make the trip.

Members of the boxing club are keen for this competition and would no doubt make arrangements for return bouts here. Boxing at the local university is becoming firmly established and it is hoped that a team may be allowed to make the trip. The matter rests with the Men's Athletic association and the students' council.

PROCEEDS GO TO POINT GREY FUND

Dr. C. McLean Fraser, head of the department of zoology at the University of B. C., will deliver a lecture on Australia and New Zealand at the U.B.C. March 3. The talk will be under the auspices of the Biological Discussion club and all proceeds will be turned over to the campaign fund for the development of athletics at Point Grey. Dr. Fraser has collected a large number of slides and his intimate knowledge of these islands form an excellent basis for his lecture.

HOME TEAMS WIN DEBATES

Sum Feb 20 24
U.B.C. Speakers Successful
Here but Lose Out
at Berkeley

Lorne Morgan and William Murphy were successful last night in defeating the representatives of the University of California here in the international intercollegiate debate on the Bok peace plan. Lorne Morgan's rebuttal was the feature of the night and until he made his fine reply, J. P. Wernette and H. C. Balter of California were easily the leaders. The judges were unanimous in their decision in giving the premier honors to the local men, while a secret ballot vote taken from the audience also favored the U. B. C. men. The judges were Judge Cayley, Rev. A. E. Cooke and Tom Richardson.

The visiting team were excellent debaters and could give the local men lessons in manners on the platform, their clear style winning for them the sympathy of the audience. Arguments were lacking on both sides, showing that the subject debated was not a practical theme for discussion from the platform.

PLAN OFFERS MUCH

Lorne Morgan in his rebuttal gave the audience ample reason to believe the fallacy of the visitors' subject matter when he quoted four of the five articles of the plan to establish his contention that it was practicable. His opponents built their case on the assumption that the Bok proposal was nothing more than the "status quo" or that which already exists, and during his rebuttal his citation of the four clauses demonstrated that the plan offered much more than the present day solutions.

William Murphy, who opened the case for the local men, outlined the advantages of the world peace and quoted from the Bok peace plan to show that it was feasible. Mr. Balter, opening the case for the attack on the proposal, urged that the plan offered nothing new and that it would merely hinder cooperation instead of aiding it.

SAYS LEAGUE A FAILURE

Mr. Morgan stated that it would establish international law, working through the League of Nations. Mr. Wernette attacked this stand on the ground that the league was a failure and that some better plan must be brought forward. During the rebuttals the arguments centred on the League of Nations with Lorne Morgan dealing a death blow to the arguments of the opposing debaters on the "status quo" argument.

VOTE 2 TO 1

BERKELEY, Cal., Feb. 19—The University of California debating team, upholding the affirmative of the question:

"Resolved, that this house go on record as being in favor of the Bok peace plan," defeated the University of British Columbia negative by a 2 to 1 vote of the judges here tonight. A poll of the audience resulted in a vote of 750 in favor of the affirmative and 195 for the negative.

The debate here was half of a dual contest, a California negative team meeting an affirmative team of the University of British Columbia at Vancouver on the same question.

The debaters who appeared here for California were G. Harmon and R. G. Sterling. The University of British Columbia was represented by J. S. Burton and H. T. Goodwin.

VARSITY NOSED OUT BY V.A.S.C.

Only Four Points Separate Rival Aquatic Stars at the Close

Sum Feb 21 24
Defeating Varsity swimmers by four points last night in the swimming gala V. A. S. C. representatives were successful in carrying off premier honors in the dual meet at Chalmers tank. The winners received 75 points for the swimming and diving, while the collegians annexed 62 in these events with an additional ten for the water polo contest. Varsity carried off honors in the men's relay but lost to the Vancouver club in the women's event.

Miss H. Gough plunged the length of the tank in the women's plunge in 45 seconds after Jean Gilley of the Varsity had made it in 59 seconds. A. Stewardson showed his mettle as a plunger when he went the full distance in 20 seconds, taking only one plunge.

Daisy Prentice beat Sylvia Thrupp of Varsity by only one foot in the 200 yard swim.

Harry Gale of the Vancouver club and Cedric Duncan of the college tied for premier honors in diving, the judges being unable to decide.

The men's relay was the feature of the evening. Cameron and McKechnie each took off at the same time for the final heat, each striking the water at the same instant. McKechnie had the edge in the lap and was able to win for the college by a bare six inches.

The winners of the various events were: 50 yards, free style, McDonald, Varsity; Stewardson, Varsity; Roberts, V.A.S.C.; 50 yards, free style, ladies, Lillian Broadfoot, V.A.S.C.; Reta Tingley, V.A.S.C.; Mary Chapman, Varsity.

Ladies' diving, L. Broadfoot, V.A.S.C.; L. Green, Varsity.

Diving, men, Cedric Duncan and Harry Gale; Tupper and Stokes. Points were equally divided among the teams, five being allowed to each club.

100 yards, men, McDonald, Varsity; McMillan, V.A.S.C.; Cameron and Stewardson.

100 yards, ladies, R. Tingley, V.A.S.C.; S. Thrupp, Varsity.

Men's relay, Varsity team composed of Stewardson, McLean, McDonald and McKechnie won from Mantle, Roberts, McMillan, Cameron.

Ladies' relay V. A. S. C. won with Misses M. Tingley, Prentice, Broadfoot, R. Tingley, the Varsity team being Misses Wilkinson, Edgell, Robertson, Chapman.

Varsity won ten points for the water polo, scoring three times while the V. A. S. C. scored twice.

GRADUATES WILL HOLD 'CEILIDH'

That Is What They Will Call Big Spree in Aid of

Sum Feb 21 24
Fund

"Ceilidh" is the Gaelic word for "spree" or "jollification," and that is the name the graduates of the University of British Columbia are giving to the entertainment they are planning to give next month in support of their campaign to assist the students financially in their efforts to lay out and prepare for play the athletic grounds at Point Grey. For the benefit of those who have not been initiated into the mysteries of the Gaelic tongue, it has been explained that "Ceilidh" may be pronounced "Caylee."

VOLUNTEERS PLENTIFUL

Members of the Alumni association of the U. B. C., now numbering about 1000, are rallying as never before to volunteer their services and they expect to be able to add a goodly sum to the fund the students are planning to raise in the next few weeks. It is estimated that about \$10,000 will be required for the clearing, grading and seeding operations which the students have undertaken to carry out so that they will not be without playing fields when the move to Point Grey is made.

The graduates propose to stage a "jollification" which will be different from anything attempted in Vancouver before. Assisted by outside talent a programme is being arranged which will include from a shooting gallery to a one-act play, while incidental items will include a waltz competition, minstrel show, fortune telling, dancing, cabaret, radio and bridge whist.

MANY TAKING PART

Lawyers, engineers, professors, teachers and business men are gathering together to make the "Ceilidh" a success, united by their common interest in the university. Many of the leaders in the students' campaign which resulted in the beginning of construction work at Point Grey are taking part in the new movement. Sherwood Lett has been appointed chief organizer and a full slate of committees is already at work on the plans. According to present arrangements the "Ceilidh" will take place about the middle of March in the hall at Pender and Howe streets where the Irish Fusiliers have established headquarters.

VARSITY LOSES TO WASHINGTON

U.B.C. Three Goals Down in Puck Series With U. S. Students

Sum Feb 21 24
SEATTLE, Feb. 21.—University of Washington's Huskies won the Northwest Intercollegiate Hockey championship tonight on the Arena ice, when they defeated the University of British Columbia in a torrid encounter, 4 to 1. Washington had a three-point margin on the two game series. The Husky victory was paved by little Gordie Allen, star centre, who wormed his way through the entire Canadian team in the third period to pot an easy goal.

The Huskies did not have a great deal of teamwork. About 2,500 amateur fans were on hand to see the teams battle, Washington being spurred to its victory by a large section of organized rooters.

It looked like a British Columbia win when the teams trotted off the ice at the end of the first period. Little Russ Selman, an aggressive forward, caught a loose puck in front of Goalie Goff and tapped in an easy tally. Neither team had been able to get within scoring distance previously and things looked bad for the Huskies.

Kenny McCannell, Husky forward, tied the count in the second canto on a brilliant follow-through from near the blue line.

Allen's shot was pretty. Taking the puck from centre ice at the start of the third period, the diminutive forward eluded three defense men and shot directly through the goalie's legs. McCannell added another goal just as the bell elapsed.

Fancy skaters from the east gave a well-received demonstration of ice tricks.

Jazz Orchestra Members Open Parlor in Front of Arts Building—10-Cent Shines Swell Campaign Funds—Co-Eds Prove Good Customers—Freshettes Open Manicure Parlor Today

“PATRONIZE the ‘pep band’ shoe shining stand” was the cry of the freshmen of the University of B. C. yesterday when the members of their jazz orchestra set up a shoe shine parlor in front of the Arts building to raise money for the campaign fund. Shines given by these men to the university professors and students are sold at 10 cents, and so great was the patronage yesterday afternoon that three men were kept busy all the time and made more than \$10 in profits for the campaign.

The “pep band” has decided to open a manicuring parlor today and has asked some of the freshettes to take care of the patrons’ fingers. The management of the shoe company will also be in charge of the new venture.

J. Sills, manager of the company, is seen in the picture on the front page seated with Alec Swanson, president of the freshman class, while the leader of the pep band, Ben Williams, is working on the feet of the Arts yell leader in the left seat of the stand. Ben Williams won renown yesterday, being considered the best bootblack in the university.

Dr. H. Ashton, head of the department of modern languages at the college, was only one of the many professors taking advantage of the cut-rate shine. A. Anthony, a director of the company, worked on his shoes. Norm Brown attended to the wants of Tanny Butler, basket ball and soccer player of the U. B. C.

Many of yesterday’s patrons came from among the co-eds.

HAMILTON MAN FINDS PLACE ON TOURIST TEAM

Sun Feb 22 24
Vancouver, Feb. 24.—Sixteen players representative of Canada’s foremost soccer talent were selected by the executive of the Dominion Football association here on Saturday to uphold Dominion laurels in a tour of the Antipodes next spring. A trainer and an official of the association will accompany the party, which sails from Vancouver on the steamship Niagara on April 9. Following is the personnel of the team:

- Goal—H. Mosher, Vancouver.
- Backs—H. C. Noseworthy, Montreal; G. Anderson, Ladysmith, B. C.; M. McLean, Calgary.
- Half backs—J. G. Armstrong, Vancouver; W. McDonald, Hamilton, Ont.; F. Dierdon, Toronto; J. Wilson, Edmonton; R. Stobbart, Nanaimo.
- Forwards—G. Forrest, Toronto; R. W. Harley, Winnipeg; L. Ford, Regina; F. Bowman, Saskatoon; L. Sanford, Montreal; W. Linning, Lethbridge, and J. Hood, Brandon, Man.

Calgary will be the assembling point for the eastern members of the team, where a game will be staged against an all-star aggregation on April 7. Another exhibition game will be played in Vancouver before the departure. An invitation has been extended by the Honolulu Football association to have the team play a game in Honolulu on their way to Sydney.

D. Morrison, Ladysmith, B. C., will act as trainer.

STUDENTS HAVE MANY SCHEMES

Plans to Raise Needed Funds Meeting With Success

Freshmen of the college had a large increase in their shoe-shining business yesterday at the university when they remained open from 9 o'clock to 4 and added \$22 to their profits during the day. The manicuring parlor, which is being run by the same directors of the pep band, opened about noon and the freshettes took in more than \$13 by 4 o'clock.

With the huge success of these two ventures other classes are preparing similar money-making schemes, and late in the afternoon a company of hair-bobbers commenced work in the women's common room, where they were kept busy. Afternoon tea, which was served in the cafeteria, formed the basis for a fortune-telling group who will also turn their earnings over to the campaign committee.

One of the classes asked for permission to hold a raffle, but Jack Grant, president of the Alma Mater, declined to give his permission, stating that this was merely a form of gambling.

One Vancouver business man arrived at the shoe-shining parlor during the morning and demanded a shine, saying that he had seen the picture in The Sun. He refused to take his change from a dollar bill tendered after declaring that the students must have money for their playing fields. Dr. L. S. Klinck, president of the university, was another generous patron during the day and had his shoes shined and his nails polished. The pep band members are rapidly becoming very efficient at their new trade.

If the weather permits the members of Arts '25 will go to the Point Grey site this morning to work on the playing fields that have been laid out. They will commence the levelling of the ground and will remove stones pending a full eight-hour day on the job. Co-eds of the class will cook the dinner for them at noon and the meal will be served in the kitchen used as the cafeteria by Agie students.

Hillmen Defeat Varsity

Westminster Scores Three Goals to One by Kitsilano at Jones Park

Longshoremen Run in Six in Tilt With Nationals at Athletic Park

WESTMINSTER UNITED, I. L. A. and South Hill won their fixtures in the first division of the Lower Mainland Soccer association yesterday afternoon. Westminster won from Kitsilano at Jones park, 3-1, I. L. A. blanked Nationals at Athletic park, 6-0, and South Hill downed Varsity by the odd goal of three at Wilson park.

It was evident from the kickoff that I. L. A. had no intention of being caught napping in the return game with Nationals, at Athletic park, for they went off at top speed and kept it up until the final whistle. Robinson was away from the Dockers' lineup but Carney took his place in goal and performed well. Forgie had another good day and secured four of the six goals scored by his side.

ROOTS AT FAULT

The first came as a result of Roots throwing the ball to him in an endeavor to clear a shot from another player. Bob drove the ball hard and true into the net. The second was another lucky one as Roots got the ball from Forgie's shot, but allowed it to slip over the line. This was the state of the scoring at half time.

AFTER THE INTERVAL

Two minutes after the restart the elusive Bob again obtained possession and put the Longshoremen three up with a nice shot which Roots made no attempt to save, being deceived by its flight. A little later Gemmell made it four up from a general mixup right in front of the Nats goal. The Longshoremen still kept up the pressure, and a clean pass from Kerr, Forgie secured his fourth goal of the afternoon. Nationals were hardly ever out of their own half.

Just before the close Nichol obtained the sixth goal with a hard drive that gave the goalie no chance.

HATT PROMINENT

Varsity received an unexpected setback at the hands of South Hill when they were beaten at the suburban enclosure, 2-1. In yielding these two points the students had only themselves to blame, although the run of the play was in favor of the Hillmen.

The opening stages were tame. Hatt, who played centre forward for South Hill, kept up his reputation of scoring in every game he has played in. His goal was one of the features of the match, and if he keeps up his present form he gives promise of making a really first-class centre. He has a great turn of speed coupled with a dangerous shot, but at present he lacks ball control.

The goal he scored five minutes from time was one of the best of the season. When he got possession he was well outside the penalty area, but despite this his shot travelled at great speed into the top left-hand corner with Mosher well beaten.

After the first quarter of an hour the players settled down to their usual game, and as both sides are adepts at the rushing type of play, the game was keen.

TWO LUCKY GOALS

Ball opened the score for South Hill when Mosher failed to reach a centre from Furniss and the Hill boys held on to the lead till the interval. Varsity ought to have at least been on level terms when the teams crossed over for Ternan completely missed the goal when well placed from a free kick.

Again their shooting was at fault in the second half when Wilkinson missed a low centre from the left with no one in front of him. The centre forward, however, made some amends for this mistake a little later when he made a great drive at the goal. Hogarth appeared to have the right angle for the shot, but unfortunately for him Jock Campbell got in the way and the ball was deflected into the opposite corner of the net.

After this the game became a ding-dong struggle for supremacy and both goals received much attention. Wilkinson seemed to resent the attentions of Alf Teesdale, but unfortunately for him he attempted to retaliate when the referee was looking and was cautioned.

CO-EDS CAPTURE DEBATING SHIELD FOR THIRD TIME

Co-eds of Arts '25 will again hold the shield as the champion women debaters at the University of B. C., it was announced yesterday by Winnie Cawthorne, president of the women's literary society. Arts '25 was scheduled to meet the representatives of Arts '27 this afternoon but the freshettes have defaulted and have given the juniors possession of the silverware. This is the third time that the Arts '25 women have carried off the debating shield having won it every year since they arrived at the U. B. C.

Saints and Varsity Meet Again in Cup Tournament

Sun 27.2

Third Time in Four Seasons These Teams Have Been Drawn Together in Mainland Series—Game at Athletic Park on Saturday

Candidates for Promotion to Soccer First Division Opposed at Carleton School Grounds—Mount Pleasant Gets Another Holiday

FOR the third time in four seasons St. Andrew's and Varsity will meet in a mainland cup tie. This time it is in the semi-finals and the teams will clash at Athletic park next Saturday at 3 o'clock. Joe Craig is the appointed referee and Referees Bowler and Armstrong the linesmen.

Three season ago Varsity and Saints met in one of the earlier rounds, the students being members of the second division. On that occasion Varsity secured the first goal and held this slender lead until the major portion of the second half. Then the Saints came along with a wet sail and slammed in three goals in practically as many minutes. Saints went on to win the Mainland cup, but were defeated in provincial finals by Cumberland at Vancouver 3-0, after beating Victoria Wests, champions of the lower island in the semi-finals.

Two seasons ago Varsity and Saints never met. The former was knocked out in the round before the semi-finals by North Vancouver Callies, while Saints won the mainland cup and the provincial championship, defeating South Wellington in the final at Nanaimo.

HOW VARSITY WON FINAL

Last season Varsity defeated St. Andrews in the semi-final of the mainland, Lundie scoring the winning goal during the half-hour overtime session. Varsity defeated Veterans in the finals, 1-0, also after overtime, but were beaten in the provincial finals by Ladysmith by the only goal scored. Jack Strang notched the all-important goal after 8 minutes of the half-hour overtime session had passed.

McCormick, the Ladysmith right half had gone forward and secured the ball near the touchline on the right wing. He slung a fast centre across the front of the goal. Strang

caught the ball on the half volley as it came across and the ball was climbing the meshes of the net before Harry Mosher realized what was on.

Mosher's brilliant work was largely responsible for Varsity making such a bold bid for the provincial championship in its first season in the first division.

The final with Ladysmith was played on the same day that Bolton Wanderers met West Ham United in the final for football association cup at Wembley park. Varsity team was: Mosher; Crute and Baker; Cant, Phillips and Say; Cameron, McLeod, Lundie, Jackson and Ter-

STUDENTS' ROAD RACE WILL BE OVER 8 MILES

Sun Feb 27

AGRICULTURE and Arts '25 are favored as the probable leaders in the Arts '20 relay race to be run this afternoon from the new site at Point Grey to the present buildings in Fairview. These two classes are fielding strong teams this year in the eight-mile run and will no doubt finish close together with Arts '27 and Science '24 at their heels.

Agriculture has won the Arts '20 relay cup for the past three years and the Arts '25 team are out to take the trophy. With a fairly dry road a new record should be made. The first four teams will receive points towards the Governor's cup contest.

STUDENTS WORK HARD TO RAISE NEEDED FUNDS

In order to raise more funds for the campaign fund for the development of athletic fields and equipment at Point Grey, the students at the University of B. C. have decided to stage a marble tournament in the near future. They are planning to charge the students and professors taking part ten cents to enter with an additional charge of a like sum as a forfeit when eliminated.

A list of those wishing to enter has been posted and several dollars should be added to the fund if each of the scheduled players takes part. The co-eds and the professors are on the lists as well as the men.

The profits made by the shoe shining parlor have gone over the \$50 mark and it is hoped to raise considerable money in this new venture.

Rugby club members have been given permission to hold a dance in the university auditorium Saturday evening to raise money for the campaign.

Arts '25 Captures Varsity Relay Race

Forster Puts the Race on Ice in the Seventh Lap—Mulhern of Arts '27 Stages Whirlwind Finish and Lands in Third

Sun 27.2

Arts '25 won the Varsity Arts '20 eight-mile relay yesterday when they covered the distance from the new site to the present buildings in Fairview in 37 minutes 17 seconds, beating the Agriculture team by about 40 yards. The record is 36 minutes 23 seconds. Throughout the battle for first place was between these two teams with Arts finishing first in almost every lap. Arts '27 finished third with Science '26 fourth. The Science team held third place practically the whole distance, but Mulhern finished strong for the Freshies and placed his team third on the last lap.

Wasson of Arts '25 proved to be a dark horse when he beat Wallis of Science '24 on the first lap by only a few inches. Wheeler, Arts '24 and Wilcox, Agriculture, were third and fourth. On the second lap also the Arts '25 men had a dark horse, Craig running an excellent race. Neither Barton, Science, nor Buckley, Agriculture, both considered good milers, could cut down his lead.

Hugh Russell of Agriculture gave his team a one-foot lead in the third lap overtaking Thompson of Arts '25. Warren of Science '26 finished third.

In the fourth H. Arkley of Arts '25 once again put his team ahead when he gained a 10-yard lead over

Mutrie of Agriculture. F. Tarr of Science '26 held his place, but from here to the end of the course the leading teams drew away leaving the others far behind.

Stan Arkley added another 20 yards to his brother's lead when he left H. Tarr, Agriculture, behind on the fifth lap. Brock of Science '26 held third.

With the home stretch in sight Cameron, Agriculture, showed his stuff by beating Hemingway of Arts '25 on the sixth, leading the Arts man by about a yard. Norman of Science '26 was a close third, but the other teams lagged.

Eric Foster put the race on ice for the Arts '25 men when he covered the next lap in record time, gaining 60 yards from Elby of Agriculture in the fastest lap of the race. Phillips of Science '28 ran well, pulling his team up about 60 yards. The freshmen also showed signs of a come back.

McKillop finished for the winners with a good margin of 40 yards. Hope of Agriculture came second and Mulhern of Arts '27 third. Mulhern ran a wonderful race and gave the Freshmen a big lead over the Science '26 men. Loudon finished fourth for Science '26.

Arts '25 will hold the Arts '20 relay cup for one year. Agriculture has held the cup for three seasons.

STUDENTS WILL ELECT PRESIDENT

Elections of officers at the University of B. C. for the 1924-25 year will be held in the near future the last day for nominations of president being Monday. The casting of the vote for this office will take place the following Monday.

The president of the Alma Mater society and chairman of the Students' council must be a member of the senior year and the students are lining up the likely contestants for the office. Jack Grant was president during this year.

U.B.C. ORATORS TO STAGE CONTEST

Oratorical speakers at the University of B.C. will stage their annual contest on Wednesday, March 12, at the university auditorium. Six speakers have been chosen from the large number of contestants to enter the finals on that evening, and the contest will likely be very close. Dr. W. L. MacDonald and Lorne Morgan acted as judges in the tryouts, and have chosen Eric Dunn, Walter Hodgson, H. Yone-mura, Wilfred Kelly, Manghat Singh and Harold Cantelon for the contest.

A gold medal is offered to the winner of the contest, while a silver medal is to be awarded for second place.

LEWIS MAY PLAY AGAINST VARSITY

Case Against George Russell Still Hanging Fire
Sum in Court Feb 29 24

Football officials are preparing to handle a record-breaking crowd tomorrow when Varsity and St. Andrews clash in the semi-final of the Mainland cup at 3 o'clock.

These two teams invariably, in the past, have furnished great competition and clean sport. That they will do so tomorrow again is almost a foregone conclusion.

Varsity will be at full strength and so will the Saints. Sammy Lewis, recently injured, has been practicing with the Scotsmen all week, and it is more than possible he may be seen in action tomorrow, possibly in the centre position.

The case in Police court against George Russell was aired once more last Wednesday, but again a remand of one week was given. Russell is charged with assault occasioning actual bodily harm to Samuel Lewis.

Numerous remands have been granted since the case first came before the magistrate, and Russell is free on bail. The next hearing is set for Wednesday, with the defense being assessed the cost of the appearance this week of four witnesses called by the police, who are prosecuting Russell.

Varsity Boxers To Tour

Six-Man Team Will Represent U.B.C. Against Washington Students

MARCH 15 DATE OF TOURNAMENT

Local Mitt-Wielders Will Leave for Sound City on March 14

UNIVERSITIES of British Columbia and Washington will lock horns in a boxing tournament at Seattle on Saturday, March 15. This was assured when the local Varsity boxing officials announced last night that it had been decided to send a six-man team to the Sound city.

The locals will leave Vancouver on Friday, March 14 and spend the week-end in the camp of the Huskies.

Just who will carry the colors of U.B.C. in the efforts to uphold the traditions of the college in the manly art of self-defense has not been decided and it is not unlikely the selectors will stage some kind of a preliminary series.

There are quite a number of enthusiastic boxers who have been training since it became known that a team might go to Seattle and it is not expected the selectors will have much trouble in securing a team of sufficient calibre as to provide worthy opposition for the Huskies.

MANY FEATURES FOR 'CEILIDH'

U.B.C. Students Will Keep Patrons of Big 'Spree'

Sum Interested

Experiments to demonstrate the scientific wonders of the age will be performed as only one of the entertaining features of the "Alumni Ceilidh" or jollification to be held in the auditorium of the University of B. C. March 21. By this means the graduates are assisting the students in raising funds to instal athletic grounds at Point Grey.

"We cannot begin to relate what science has done for the world," states the man in charge of "The Scientific Chamber."

"The story would not be half so interesting as the actual experiments.

"Would you believe a fly could cause a violent explosion?"

"How has science permitted medical men to conquer disease?"

"Do you believe in evolution? Then come and see the lowest form of animal life—he may be a near relation."

Many wonders will be demonstrated, including experiments in agriculture, geology, zoology, botany, chemistry, physics, bacteriology, dairying, public health, electricity and mechanics."

All the university buildings will be used and each class of the Alumni will be responsible for some particular event. There will be community singing under expert leadership, the old college yells will be heard while other events include dancing, radio concert, bridge mah jong, fortune telling cabaret, minstrel show, one-act play, shooting gallery, waltz competition, etc.

SCIENCE CLASSES BEST AT ROWING

'24 and '26 to Fight it Out for Lapstreak Four Championship

Lapstreak fours of Science '24 and Science '26 will contest the finals in the interclass rowing contest at the U. B. C. following their success yesterday when they downed the representatives of the other classes in the first round and semi-finals. The winners in the race will receive four points toward the Governor's cup.

Science '24 won from Agriculture by a half length in the fastest race of the afternoon. The Agriculture four lost by not steering well. Science '26 was an easy winner over Science '26 in the other semi-final, the shells being an easy four lengths apart.

All of the Arts classes and Science '27 were eliminated in the first round.

Preparation is being made for the regatta to be staged next Saturday. The final eliminations will be decided Wednesday and Thursday afternoons. In the singles decided Saturday, Plummer downed Barton, while Stanley won from Watney on a foul.

In the races with the lady coxswain and coach boats, Science '25 won easily from Agriculture, and Science '24 defeated Arts '27. No other classes entered in this event. Varsity's senior four had a workout in preparation for the tussle against the Vancouver crew which won at Kelowna. The Varsity junior crew is also primed to meet the Vancouver tackweights.

ARTS STUDENTS WIN IN DEBATE

Arts '26 defeated the Freshmen of the college in the first interclass debate of the University of B. C., and will enter the second round. Harry Purdy and Murray Hunter represented the winning class, while Ben Williams and W. H. Smith spoke for Arts '27. The Arts '26 class upheld the contention that Vancouver should be a free port.

The next interclass debate for men will be staged on Wednesday at the university, when Arts '25 meets Arts '24 on the abolishment of the Canadian senate. Arts '25 will be represented by Eric Dunn and T. J. Keenan. Arts '24 has not yet chosen its men.

Saints and Varsity Clash in
Mainland Semi-Final
at 3 o'Clock

Scots Have New Inside Left and Whitehurst Returns at Right Half

GEORGE ROBSON, a stocky little Scot, will play inside left for St. Andrews this afternoon, when they tackle Varsity in the semi-final for the Mainland cup. Robson is a nomad who played with Sammy Lewis in the old Coca-Colas of Winnipeg. He has been playing soccer in California with Art Thorpe and others and drifted north not long ago. He played for Nationals one or two games and this week secured his transfer to the Saints who have their eyes on the Connaught cup and are strengthening the weak spots.

According to Lewis, Robson is a

fast, clever forward who was so good in Winnipeg that Lewis was often on the spare list.

Whitehurst is playing right half instead of Jack Armstrong, who is good enough for a place on the All Canada team but is apparently not fast enough for the Saints today.

A STRONG ELEVEN

On paper the Saints look remarkably strong. Dagger and Watson will play back with Wells in goal.

On the half-lines will be Nell Robertson, Macfarlane and Whitehurst. On the forward line it looks like George Wilson and Robson on the left, George Mackay centre and Greig and Fred Wilson. Lewis may play. He is in fair shape again and in any case will be seen in uniform shortly.

The Saints have been disposing of some extra players. D. M. Stewart, a back, has gone to Westminster. Milne, the tennis star, and Donaldson have signed for Nationals.

Varsity will be at full strength and will be relying largely on their "big three," Mosher, Crute and Baker, to keep the Saints at bay.

Buckley, Phillips and Ledingham will be the halves and the forwards are: Huestis, Lundy, Wilkinson, Ternan and Emery.

Joe Craig will referee, with R. W. Armstrong and Bowler on the line. Kick-off is at 3 o'clock at Athletic park.

Next is Helly Arkley, a fast stepper, who gave his team a decided advantage. On the right is Eric Forster, who put the race on ice in the seventh lap when he overtook his man and led by more than thirty yards in three-quarters of a mile run.

Scotsmen Move Into Mainland Cup Final By Trimming Varsity

Ann _____ *Rich 2 24*

Saints Bewilder Students With Close Passing Tactics But Are Unable to Get by For More Than One Goal

Varsity Crippled by Ledingham's Loss in First Ten Minutes; Greig Goes Through for Only Goal in Eighteen Minutes Elapsed Time

SAINT ANDREWS must play more effective football in their remaining games in the Mainland cup competition or they will not survive the final. They beat Varsity, crippled by the loss of Ledingham in the first ten minutes, by Dave Greig's well taken goal after Varsity had gummed up a clearance on Saturday afternoon.

Over four thousand people crowded into Athletic park to see the semi-final and the game was delayed a few minutes while last comers stormed the gates.

Interspersed between periods were a group of thoroughly contented pipers and the more hilarious, more Canadian, hayseed band of Varsity. Inspired by that one goal lead and the presence of hundreds to whom the blare of the pipes is sweet music, the Scotsmen gave the Varsity "jazzers" a busy afternoon.

As noise makers, the pipes and drums have it all over the sobbing saxophone, the lilting flute, tin whistle or what have you, and even the inclusion of the accordion, a mouth organ or two and a jews-harp, did not supply sufficient discord to give the collegians an edge. So the pipers, much to the enjoyment of the crowd, proceeded to drown the "jazzers." Then the highly-tinted leader of the students decided to move in closer. His gang proceeded to surround the enemy and the resultant combination sounded like nothing at all ever hitherto heard by man or devil.

But it was a gay afternoon for all hands. Seldom indeed has soccer been given a bigger filip than it got on Saturday. The game is firmly entrenched in the heart of fandom and the inclusion of Sammy Lewis as centre forward for the Saints put a deep and desirable quietus on the highly-colored stories broadcast earlier in that young gentleman's career on the coast regarding his terrible injuries.

A FAST "COMEBACK"

Lewis may have been badly hurt in his clash with George Russell a few weeks back, but, if so, he has shown marvellous recuperative powers. He played the entire game and was his usual clever self on the ball.

Ledingham, Varsity's fast forward, was hurt in collision with Macfarlane early in the game and the Collegians went the route with ten men. Ledingham came on for a time but was badly crippled and of no use.

The Saints played the close passing game to perfection. Repeatedly they worked in on Mosher without greatly disturbing that young man's serenity.

Wells, in goal for Saints, was tested with dropping shots just twice throughout the game, and both times he was palpably nervous. He is the weak sister in the all-star chain built up by the Saints.

Varsity were thrown off their stride by Ledingham's loss and Joe Craig was inclined to pull them up too readily. Craig is a good referee but he likes to be technical.

Wilkinson and Jock Lundie were the Varsity passengers. They could do nothing right and the work of the attack was practically on the shoulders of Ternan and Huestis who worked like trojans but could not pass the Saints great

half line and the reserves in the shape of Watson and Dagger.

George Wilson probably imagined the passes Robson dropped to his feet were coming from Sandy Higgins for the ex-Newcastle wing. He played in form for the first time since he decided to honor Canada with his presence.

Fred Wilson was paying more attention to the plaudits of the multitude than to his game. Ternan's persistent checking annoyed him.

Whitehurst subbed for Jack Armstrong and played strongly. Macfarlane proved his right to be ranked the premier centre half on the mainland with Dave Kenny on the island. Mac is a great spoiler and anticipator and seldom does he waste a ball.

Watson and Dagger were staunch backs but the Varsity had little cohesion in attack and mostly they booted the ball ahead and rushed for it. This was pie for the backs.

Crute injected force to Varsity's attacks by moving up in the second half. It might have been good ball for the students to have shifted him sooner.

SAINTS WIN TOSS

Saints won the toss and Varsity went the first half with the strong sun in their faces. The period was an almost continual onslaught by the Saints, yet seldom did they grow really dangerous.

They played pretty football but Varsity's rushing tactics offset this and Mosher was clearing whatever looked dangerous in his usual good style.

The second half saw Varsity with a dying sun behind them. The luck of the toss probably gave Saints their victory. Far more finished footballers, they yet lacked something even to the fond eyes of their ardent admirers.

"Too many stars," observed one critic, and that may be as near the answer as anything offering. Saints will unquestionably have to show more ability to get goals to beat any of the strong Island elevens.

Saints were best served by George Wilson, Dagger and Macfarlane. Varsity would have suffered without Phillips, Mosher and the two backs, Crute and Baker. Their forwards were sadly lacking in inside tactics.

But it was a great day for football. The match was clean all the way the play exciting at times and the crowd good humored and large enough to make seating space at a decided premium.

TWO ARE RUNNING FOR PRESIDENCY OF STUDENT BODY

Ann _____ *Rich 2 24*
Dal Grauer and Wilfred Kelley will be the contestants for the presidency of the student body of the University of B. C. for 1924-25. It was announced last night. Earlier in the evening it was thought that Mr. Grauer would receive the position by acclamation but supporters of Mr. Kelley had their candidate nominated at 9:30 o'clock.

Both contestants are members of Arts '25 and each has entered the international debating field. Last year Mr. Grauer was elected president of the Literary and Scientific department and has held a position on the students' council this session in that capacity. Mr. Kelley has held minor positions on the executive of his class until this year.

Leaders of the two camps announced last night that the campaigning would start immediately and that meetings would be announced. The polling takes place next Wednesday.

Dal Grauer and Wilfred Kelly, candidates for the presidency of the student body of the University of B. C. will appear today at a noon meeting to outline their policies. It is expected that each will have supporters at the meeting to urge his election. Dal Grauer is president of the literary and scientific department this year as well as an international debater and star basketball man. Mr. Kelly entered the international debates two years ago but since that time has not entered greatly into the university functions. He has held positions on the class executive of arts '25. Mr. Grauer is also a member of this class.

Announcements regarding the Point Grey athletic development campaign will also be given at the meeting. The students are rapidly reaching the ten thousand-dollar mark set for this fund.

U.B.C. MUSICAL SOCIETY SCORES

Sum — *Mich 11 24*
Eighth Annual Spring Concert at Wesley Church Is Big Success

By J. CHELTENHAM

A splendid evening's music was produced during the eighth annual spring concert of the University of British Columbia Musical Society in Wesley church last night before a large and sympathetic audience.

Under the discerning conductorship of Wilbur Grant the society's orchestra and glee clubs presented an admirable programme. Singers, players and conductor deserve the highest praise for the enthusiasm and application necessary to achieve such performances as last evening's; enthusiasm and application are all the more effective when joined with natural talent.

Much sound musicianship was displayed by the orchestra in Allen's "Periscope March," Arndt's "Nola," German's "Morris Dance" and "Torch Dance," and MacBeth's "Forget-Me-Not" and "Love in Idleness." Musicianship was also present in Suppe's "Light Cavalry"—although not enough sound! The strings were always good; as were the wood-winds; it was the brasses that occasionally marred the general unison and finish.

In the singing of the glee clubs it is to be feared that the ladies prevailed at the expense of the men. This was especially noticeable in Gounod's "Soldiers' Chorus," which was quite an Amazonian affair. However, in Cooke's "Strike the Lyre," West's "John Peel," Caldwell's "Where Are You Going, My Pretty Maid?" and Faning's "Miller's Wooing," the general effect was one of warmth, fluency and balance; and in West's "Love and Summer" these singers attained a delightful unison and modulatory finish. The ladies' chorus, Mendelssohn's "Spring Song," was another charming item.

The society was most fortunate in its soloists for last evening. Lillian Wilson's glorious soprano was heard in Horn's "I've Been Roaming," Rihm's "To One Away," a beautiful "Song of Provence," by Del Acqua, Kramer's "For a Dream's Sake," La Forge's "Song of the Open," and a fascinating Swedish folk song, while the suave tone and technical brilliance of the violinism of Beth Abernethy was warmly received in Sarasate's "Romanza Andaluza," Mendelssohn's "On Wings of Song," Rändegger's "Pierrot's Serenade," and Schubert's "Bee."

Encores were numerous. Special praise must be given Ira Swartz, the solo accompanist, and also Ida Kerr, who presided at the piano for the glee clubs.

GRAUER HEADS STUDENT BODY

Sum — *Mich 11 24*
Elected President by Large Majority Over Wilfred Kelly

Dal Grauer swept the polls at the University of B. C. yesterday and was selected president of the student body by a large majority over Wilfred Kelly. The president-elect polled 708 votes while his opponent received 145. Mr. Grauer has been president of the literary and scientific department this year and will hold office on the council again as the chairman.

President L. S. Klinck was chosen as the honorary president of the students by acclamation.

Elsie Rilance was also chosen as a member of the new council yesterday when she was elected by acclamation as secretary of the governing body. Miss Rilance, who is a member of Arts '25, has been secretary to the literary and scientific department this year and has become well known at the college for her great interest in class affairs.

Nominations for the treasurer of the student body resulted yesterday in five candidates being announced. These include Archie Fee, Arts '25; T. J. Keenan, Arts '25; Lisle Atkinson, Agriculture; Gordon Abernethy, Science '26, and Joe Kania, Science '26. Voting for this office will take place next Monday.

Dal Grauer, the president-elect, is a well-known member of Arts '25 of the U.B.C., having taken part in the international debates last year and this year. He has been in the senior A basketball team and has a fine scholastic record. As president of the literary and scientific department this year he has had training for his new position. He is popular at the college as his sweeping success yesterday indicates and is keenly interested in the campaign work for the removal to Point Grey.

By far the most ambitious entertainment undertaken by the Alumni association of the University of B. C. is the "Ceilidh" (pronounced "caylee"), which will be held on Friday, March 21, in the university buildings. This affair is in aid of the students' campaign fund to beautify and equip the athletic grounds at the university site, West Point Grey.

Permission has been granted for the use of all the university buildings on Willow street, but even with so much space at their disposal the alumni have been unable to find housing space for all the varied attractions which will be staged. Arts '21, under the convener-ship of Miss Myrtle Kilpatrick and Mr. Jimmie Lawrence, have arranged all details in connection with the ball, which will be held in the large assembly hall of the university. A special feature of the dancing will be a waltz competition open to all entrants from the university and the city service clubs. Handsome prizes have been provided for the winners of the competition.

CABARET AS WELL

Contemporaneous with the ball a cabaret will be carried on in the cafeteria building. Mr. Joe Brown and Mr. Jack Clyne, conveners of Arts '23, have a number of attractive surprises for those fortunate enough to have made reservations of cabaret tables. A special jazz orchestra has been engaged, and an amusing programme of music and entertainment is promised.

Arts '17, under the convener-ship of Miss Helen White, has arranged for the presenting of the well-known one-act play, "Wurzell Plummery." Two performances will be given during the course of the evening, and the timetable has been so arranged that it will permit the dancers to view the play during the dancing intervals.

BRIDGE AND MAH JONGG

A special feature of the evening's entertainment will be the bridge and mah jongg room in charge of Miss Gwen Robson and Miss Agnes Healy. Through the kindness of Mr. Ridington, the university librarian, the large reading room of the library will be converted into an attractive game room, where 50 bridge tables and 10 mah jongg sets will enable those not participating in the dancing to pass the evening.

The shooting gallery, in charge of Mr. Beverly Cayley and Mr. Lorne Jackson and Arts '19, will afford amusement and recreation for the youths of the alumni and others. Moving targets have been arranged in the gallery, and a keen competition is anticipated.

A minstrel show, fortune telling booths, community singing, college yells and a chamber of scientific wonders, will afford amusement throughout the evening for those not engaged in the ballroom or at the bridge tables.

The services of Mr. Gordon Meekison, former yell leader of the university, have been secured for the evening, and with a specially selected band of college "rooters" and a students' pep band he will keep the proceedings at the proper temperature.

NOVEL CATERING SCHEME

Refreshments will be served to all the guests and players, and arrangements have been made for supper for 850 persons, exclusive of those patronizing the cabaret. Mr. Arthur Lord of Arts '20 is in charge of the catering arrangements, and Mr. Bruce Fraser, of Arts '22, will command the army of hawkers and vendors of delicacies.

A radio concert has been arranged by Arts '21, and the Radio Specialty company are providing sets of the latest instruments for use of the guests.

A unique scheme of direction and information has been devised by the executive committee. Leading from the main entrance hall will be streamers of colored lights and illuminated direction signs. Paths to the various attractions will be laid out and illuminated, and a corps of guides will be on duty throughout the evening conducting brief tours of the attractions and announcing the times of the various special events.

U.B.C. ALUMNI TO STAGE 1-ACT PLAY

Sun — March 13 24
"Wurzel-Flummery to Be Offered to Raise Funds for Athletic Field"

"Wurzel-Flummery," by A. A. Milne, is the title of the one-act play the Alumni association of the University of British Columbia will present Friday, March 21, in the university auditorium in connection with the "Ceilidh" or jollification to be held that evening to raise funds for athletic facilities at Point Grey.

The play is noteworthy in that while it was produced during the momentous years of 1916-17 along with a series of five by A. A. Milne it could not be termed a "war" play. Nevertheless, paradoxical as it may seem, it would not have been written but for the war.

GOOD CAST ASSURED

"Wurzel-Flummery" was originally written in three acts, but was later reduced to one. It was first produced in the New theatre in April, 1917, and later attracted much attention on this continent.

The class of 1917 is in charge of the presentation of the one-act play, the committee comprising Miss Helen White, Miss Margaret Baynard and Pat Fraser. This committee has selected for the cast graduates who have starred in the University Players' club productions of the past, including Mrs. A. W. Whitmore, nee Miss Lena Bodie, whom many playgoers will remember as "Mary Ann" in the Players' club presentation of "Merely Mary Ann" in 1917.

OTHER STUNTS PLANNED

Mrs. Whitmore will take the part of "Viola Crawshaw," the daughter of "Margaret Crawshaw," which part has been assigned to Miss Iowa Griffiths. Bruce Fraser will act the part of "Richard Morton, M.P.," while that of "Dennis Clifton (solicitor)" will be taken by Gordon Nelson.

This play by A. A. Milne will be only one of the many attractions to be staged at the university March 21. Plans for the "Ceilidh" are rapidly nearing completion and tickets, which will give admission member of the Alumni committee.

BROWN APPOINTED EDITOR-IN-CHIEF OF COLLEGE PAPER

Sun — March 13 24
Tommy Brown, Arts '25 of the University of B. C., will guide the college paper during the coming session, it was announced yesterday. Mr. Brown will hold a seat on the Students' council as editor-in-chief of the publications board and will be head of the Ubysses, Annual and any student publications next year.

As a member of Arts '25 Mr. Brown has been popular this year at the college where he has held an executive position on the Men's Literary Society. He has been an associate editor on the paper where he has done excellent work. Earlier in the term he was cited as being a candidate for the presidency of the literary and scientific department as he was keenly interested in this

Varsity Stars Set New Class Records At Brockton Point

Sun — March 13 24
In the Mile Barton Clips 26 Seconds Off Les Buckley's Mark

Agriculture Wins Meet With Big Margin Over Science Athletes

EIGHT new records were set yesterday by Varsity athletes in inter-class sports at Brockton point where the men broke seven previous marks and the co-eds made the Arts '25 relay in record time. Records were broken in the 880, pole vault, mile, 220, 440, discus and 3-mile, in spite of the cold wet weather.

Barton will receive his big block letters as track champion, the judges deciding that he should be given preference over Warren who has already won his major letters in rugby. Barton set new marks in the mile and three-mile runs, clipping 26 seconds off Buckley's mark of last year.

Isabel MacKinnon was high point winner among the co-eds, carrying off 8 points in a possible 9. The relay team of Arts '27 defeated Arts '26 by setting a new record.

AGGIES IN FRONT

Agriculture won the meet and will receive the Faculty cup, taking 33 1-2 points. Science '25 was second with 15; Science '26, 13 1-2; Arts '27, 9. Each of these classes will receive points towards the Governor's cup.

Les Buckley started the record-smashing when he stepped out in the 880 and cut 2-5 seconds off the mark he set last year. He was closely followed by the Arkley brothers.

Pete Demidoff kept up the good work in the pole vault and went 5 inches higher than he did last year

for the second record of the day, making 9 feet 10 inches.

Barton cut 1 3-5 seconds off his last year's record in the mile, after a fine run.

Warren lowered Livingston's record for the 220 by 2-5 second when he covered the distance in 23 3-5 seconds.

McKay cut Livingston's record in the 440 by 1-5 second when he beat Warren by a few inches.

BARTON IN FORM

Barton showed that he could still run the mile and three-mile in record time when he cut 26 seconds from the time made by Buckley last year in the three-mile run.

Results of the various events were:
120 yards hurdles—Hislop, Arts '24; Russell, Agriculture; Hatfield, Arts '27; 18 4-5 sec.

880 yards—Buckley, Agriculture; H. Arkley, Arts '25; S. Arkley, Arts '25; 2 minutes, 8 seconds (Record).

Throwing basketball (women)—I. MacKinnon, Arts '24; D. Murray, Arts '25; Alda Abbott, Arts '26.

Broad jump—Buckley, Agriculture; Hislop, Arts '24; Russell, Agriculture; 18 feet 6 inches.

100 yard dash—Warren, Science '26, and McKay, Agriculture, tie; Stanley, Science '27; time, 11 1-5.

16-pound hammer—Goldie, Agriculture; Ramsell, Science '25; Plummer, Agriculture; 24 feet 2 inches. This is a new event.

120 yards (women)—Daisy Taylor, Arts '27; Isabel MacKinnon, Arts '24; Laura Mowatt, Arts '25; time, 18 4-5 seconds.

High jump—Russell, Agriculture; Hislop, Arts '24; Hatfield, Arts '27; 5 feet 5 inches.

Pole vault—Demidoff, Science '25; Newby, Arts '27; McLane, Arts '27; 9 feet 10 inches (Record).

One mile—Barton, Science '26; Hope, Agriculture; Elliott, Arts '27; time, 4 minutes 53 2-5 seconds (Record).

220 yards—Warren, Science '26; McKay, Agriculture; Thompson, Arts '26; time, 23 3-5 seconds (Record).

16-pound shot—Ramsell, Science '25; Gregor, Science '25; Pottinger, Science '27; distance, 34 feet 9.5 inches. New event.

Relay (women)—Arts '27, Arts '26; time, 2 minutes 2 seconds (Record).

Javelin—H. Arkley, Arts '25; Lazenby, Science '25; Davies, Arts '26; distance, 130 feet 7 inches.

440 yards—McKay, Agriculture; Warren, Science '26; Thompson, Arts '26; time, 54 4-5 seconds (Record).

Discus—Ramsell, Science '25; Goldie, Agriculture; Kelly, Arts '27; distance, 106 feet 4 inches (Record).

75 yards (women)—Isabel MacKinnon, Arts '24; Edna Petapiece, Arts '27; Dot Williams, Arts '26; time, 10 2-5 seconds.

3 mile run—Barton, Science '26; Buckley, Agriculture; Tarr, Agriculture; time, 16 minutes 37 2-5 seconds, (Record).

Men's relay—Agriculture, Arts '27, Science '27; time, 1 minute 42 1-5 seconds.

VARSVITY CANCELS BOXING TOURNEY

Sun — March 13 24
INTERCOLLEGIATE boxing plans fell through yesterday when the local Varsity sent word to the University of Washington that they would be unable to field men for bouts this week.

Gordon Hislop, Varsity's best heavy man, found it impossible to travel, while Tommy Loudon, a lightweight man, broke his wrist working out recently. With these two men missing the local college could not hope to put up a good showing.

CO-EDS WILL DEBATE

WINNIE CAWTHORNE

GRETA MATHER

WINNIE CAWTHORNE and Greta Mather of Arts '24 will represent the U.B.C. co-eds tonight in an international debate against the representatives of Willamette college of Portland, Oregon. This is the first time the women of the university have staged a local debate.

The speeches will take place at 8:15 o'clock tonight at the King Edward high school auditorium where the local women will argue that France should immediately withdraw her forces from the Ruhr valley.

Interest is aroused at the university since this is the first debate for women that the collegians have been able to arrange. Miss Cawthorne and Miss Mather claim to have a perfect case.

The Oregon university are sending Esther Moyer and Elaine Oberg as its team.

U.B.C. BOXERS TO TOUR AFTER ALL

Tourney With Washington Students Carded for Friday Night

When the Varsity boys sent word to University of Washington Monday night that they could not fulfill their boxing engagement this week-end the Seattle boys made the wires red hot getting in touch with Ledingham, secretary of the B. C. lads. They said that all arrangements had been made and that even a weakened team would be better than none. Yesterday afternoon the Varsity men decided that they would go and that Loudon should make the trip, in spite of a bad hand. He said that this was mending quickly and that he could probably fight with it. Gordon Hislop will not go.

Pug Greggor, who tips the scales in the 130-pound class, will be Varsity's heavy man. Ledingham will go in at 155, Rodgers 145, Loudon 135, Mulhern 125, Brown 115.

Eddie Mulhern is fast and can hit hard, Loudon is small, but solid, and can hit hard and often. He damaged his hand recently in his practices. Joe Brown won his laurels last year in the interclass boxing when he carried off the honors in his weight. McWilliams will be taken as spare in case Loudon cannot enter the ring. He is a new-comer.

Mr. Barker, the Varsity trainer, will also make the trip. The men will leave on Thursday's night boat and will return Sunday, the boxing being scheduled for Friday.

Girl Debaters Are Given Jolly Tea By Mrs. R. L. Reid

MEMBERS of the girls' debating team of Willamette university, Oregon, were the guests of honor at a tea given yesterday afternoon at the home of Mrs. R. L. Reid, 1333 Pacific street. Presiding over the daintily-appointed tea table were Miss M. L. Bollert and Miss Annie Anderson. Exquisite floral decorations of violets, daffodils and pussywillows made the rooms attractive. Miss Doris Lee cut the ices.

The guests of honor were Miss Elaine Oberg, Miss Esther Moyer and Mrs. G. Ebrer of Willamette, and other guests were Mrs. A. F. B. Clark, Miss Betty Somerset, Miss Greta Mather, Miss Winnie Cawthorne, Miss Helen MacGill, Miss Elsie Rillance, Miss Ruth McWilliams, Miss Eileen Harman, Miss Sadie Boyles, Miss Muriel Evans, Miss Mary Pittendrih, Dr. T. Boggs, Mr. Angus, Mr. Bill Mackee, Mr. Walter Hodgson, Mr. Jack Burton, Mr. Jack Grant, Mr. Dal Grauer, Mr. Bill Murphy, Mr. Lorne Morgan, Mr. Len Geddes and Mr. Howard Goodwin.

Miss Oberg and Miss Moyer, with Mrs. Ebrer and their coach, Mr. Esmond, motored from Oregon, and delivered their debate on "Should France Evacuate the Ruhr?" at several colleges. They leave for the south by motor today.

LEDINGHAM IS OUT OF FOOTBALL

Varsity Half Crippled but Will Be Given His Block Letters

George Ledingham, Varsity's outside left of the soccer team, who injured his knee in a collision with Macfarlane of the Saints a few weeks ago, will receive his big block letters. Ledingham has not played the required number of games on the senior football team as the constitution demands, but the departure was made when the men's athletic association was unanimously in favor of awarding him his major letters. He is still using crutches and will be out of all sport for a year owing to his injury. The decision of the association to make this departure is proving popular with every student at the college.

Letters and cups will be presented at the annual presentation day to be held next Tuesday at the university auditorium.

U. B. C. CO-EDS WIN IN DEBATE

Carry Off Honors in Contest With Orators From Willamette College

Co-ed debaters of the University of B. C. carried off premier honors last night in their debate against representatives of Willamette college of Portland, Oregon. The B. C. women received the favorable judgment from the three judges. Winnie Cawthorne of Arts '24 and Greta Mather, Arts '24, were the speakers for the local college, while the visitors were Esther Moyer and Elaine Oberg.

This is the first debate for co-eds that has been staged locally and the second debate in which the U. B. C. women have taken part. Three years ago they were defeated by Willamette speakers at Portland.

FRANCE AND THE RUHR

Winnie Cawthorne opened the attack when she endeavored to show that France should evacuate the Ruhr immediately. She based her argument on legal and political reasons, stating that France is using a doubtful interpretation of an ambiguous clause of the peace treaty of the Great War. She also stated that France was a military menace to the world and that her action would harm herself.

Esther Moyer, opening the case for the negative, proved she was an able debater. She endeavored to show that the occupation of the Ruhr Valley was justifiable since it is the only means of collecting the reparations. She stated that while Germany was fairly prosperous France was building her devastated areas at the expense of her taxpayers. The defeated country appeared to be the victor, she declared.

A SUICIDAL POLICY

Greta Mather continuing for the B. C. case said that the occupation was suicidal to France and that it was an economic fiasco.

Elaine Oberg said that the action of France came after long waiting for reparations and that it was detrimental to France to leave the valley. She stated that this was the only way to collect from Germany.

Betty Somerset, president of the Women's Undergraduate society, acted as chairman, while the judges were Gen. Victor Odum, A. M. Whiteside and Mrs. Stuart Jamieson.

NANAIMO TO SEE U.B.C. PLAYERS

Sum Mich 15 24

New Westminster Will Also Be Visited Before Production Is Staged Here

University Players' club members will give their opening performance of "The World and His Wife," the spring play chosen for this year, at Nanaimo next Wednesday, and will follow this on Thursday with a performance at the Edison theatre, New Westminster. H. Carmen Sing has been given the role of the inn-keeper. Other members of the cast were chosen some time ago, the leading members being Peter Palmer, H. N. Cross and Betty Somerset.

The production at Nanaimo will be under the auspices of Bastion chapter I.O.D.E., which has co-operated with the Players' club for five years. The New Westminster Operatic society has made the arrangements for the New Westminster performance.

Vancouver will have its opportunity of seeing the players on Monday and Tuesday, March 24 and 25, when the play will be staged at the Orpheum theatre.

Two special sets of scenery have just been completed for the play, and the club members have shown up well in their practices, and promise a fine showing. Posters

were on display at the college yesterday, and these will make their appearance down town today. Miss Gertrude McGinnes has had charge of these posters, which were conceived and drawn by the college students.

Guests of the opening night in Vancouver will be the governors of the university and their wives, under whose patronage the performance will be staged.

After convocation the students will tour the interior, as well as visiting Victoria. The route of the tour is not definitely settled, but Okanagan and Kootenay centres will be visited.

STUDENTS PLAN BIG CELEBRATION

Sum Mich 17 24
Proceeds From the U.B.C. 'Ceilidh' Will Go to Campus Fund

University buildings in Fairview will take on an unwonted aspect of festivity Friday night when graduates will take charge and present the biggest celebration ever held in connection with the University of British Columbia. The "Ceilidh," as it has been called, is for the purpose of assisting the students in raising funds to prepare athletic grounds at Point Grey, and will include every known form of entertainment as well as a number of original features. Every cent spent at the "Ceilidh" will go towards the campus fund as all expenses have been provided for in advance by the Alumni association.

PLENTY OF VARIETY

A dozen or more events will proceed simultaneously. The general public is invited to attend and participate in the festivities. There will be community singing and college yells, dancing, a radio concert, bridge, mah jongg, fortune-telling, a chamber of scientific wonders, a cabaret, a minstrel show, a one-act play, a shooting gallery and a waltz competition.

An oriental atmosphere will pervade the dance hall when an orchestra will provide lively music from 9 p.m. to 1 a.m. The class of 1921 is in charge of this feature and is arranging to make it distinctive with oriental hangings and costumes, while Chinese "money" will be used to pay for dances. The committee in charge comprises J. L. Lawrence, Miss Myrta Kilpatrick and Miss G. Lewis.

AFFAIR WILL BE POPULAR

Patronesses for the "Ceilidh" include Mrs. L. S. Klinck, wife of the president of the university; Mrs. R. W. Brock and Mrs. George Swaisland.

Arthur E. Lord of the class of Arts '21, is arranging to provide refreshments for the throngs of people who are expected to fill the university buildings Friday night. Already there is reported to be a big demand for tickets at the Georgia pharmacy where they are on sale.

LISLE ATKINSON IS TREASURER

Sum Mich 18 24
University Elections Place Him at Head of Poll by Big Plurality

Lisle Atkinson, agriculture '25, was chosen treasurer of the student body of the University of B. C. yesterday by a large plurality and will hold a seat on next year's students' council. Mr. Atkinson polled 426 votes, while his nearest candidate received 175. Archie Fee, arts '25, was the second man, while T. J. Keenan, arts '25, received 132. Gordon Abernethy was fourth with 89 votes and Joe Kania carried 21. Each of these men were of science '26.

Lisle Atkinson is popular at the college, where he has taken a keen interest in the affairs of his faculty. He was president of his class during his second year and has had considerable outside experience with handling books. The election results give him a clear majority over the entire field since he polled nine votes more than the total of the other candidates.

NOMINATIONS CLOSE

Art Laing, agriculture '25, has been chosen president of the Agriculture Undergraduate society and as such will hold a seat on the council. No other candidate put himself forward for election. Mr. Laing was treasurer of the undergrad this year and has held a position on the Agriculture Discussion club executive. He has also taken part in the interclass debates at the college.

Yesterday was the last day for nominating candidates for the offices of the arts men's undergrad, the women's undergrad and the literary and scientific department.

Bert Smith and Lem Gaddes, both of arts '25, have been nominated as head of the artsmen. Mr. Smith has held the presidency of his class this year, while Mr. Gaddes has been vice president of the undergrad. Mr. Smith resigned as secretary of that body to accept his class position.

CAMPAIGN IS ON

Grace Smith and Phyllis Gregory are the candidates for the Women's Undergraduate society. Miss Smith has been vice president of the women this year and has been associate editor of the publications board. Last year she was vice president of her class. Miss Gregory is an interclass debater.

Nominees for the head of the literary and scientific department are James Craig, arts '25; Chub Arnot, science '25, and Walt Turnbull, arts '26. Mr. Craig is an international debater and will represent the local college against Wyoming here on Wednesday night. Mr. Arnot has been manager of the soccer club this year, while Walter Turnbull has been president of his class.

Varsity Boxers Drop Series to Washington

Bill Rogers Is Loser in Only Knockout Bout of Tourney

Greggor and Mulhern Manage to Win Their Clashes on Points

SEATTLE, March 16.—University of Washington's boxing team won its first intercollegiate meet in the gymnasium here last night, defeating the University of British

Columbia team in four out of six matches.

Ralph Beamer, Washington, 145 pounds, scored the only knockout of the tournament, giving Bill Rogers, British Columbia, the count in the second round.

Allen Weymuth, Washington, 115 pounds, won a three-round decision over Joe Brown, British Columbia. Ed. Mulhern, British Columbia, 125 pounds, defeated Art Vassar, Washington, in four rounds. Bill Bowman, Washington, 135 pounds, had an edge over J. Lowden, British Columbia.

Lawrence Meade, Washington, 158 pounds, obtained a four-round decision over Jack Ledingham, British Columbia. "Plug" Greggor, British Columbia, outpointed Percy Lloyd, 175 pounds, in four rounds.

17, 3, 24

G. Johnson, an old-timer in the rugby circles of B. C. and the man who scored the only try in the first game between Vancouver and the island in 1887, presented the other trophies to Jim Bennet, president of the Rugby club. These included the Miller cup, Tisdall cup, Rounsefell cup, Cowper Keith cup, and The World cup.

Letters for the individual honors for the women of the college were presented by Mrs. P. A. Boving and Doris Shorney.

Dr. McKechnie presented the Governors' cup to Alex. Swanson, president of the freshman class. This cup is for the class carrying off the highest number of points in the inter-class sports, and was won by Arts '27, this class having led Science '24 by half of one point.

SPENCER CUP PRESENTED

The Chris Spencer cup, which corresponds to the Governors' cup for competition among the co-eds, was also won by Arts '27. The Arts '25 relay cup for women was carried off by this class and Blanche Almond received both for her classmates.

Hugh Russell, president of Agriculture, received the Faculty cup for his faculty. This cup was given for the class making the highest number of points in the track and field day sports.

Bert Smith, president of Arts '25, received the Arts '20 Relay cup for the runners of his class, who won the eight-mile run this year. This is the most coveted trophy at the college in the inter-class sports.

Cups for the tennis tournament were awarded to Gordon Shields, G. Kerr and S. Miller. Those for badminton went to Miss V. Millener and O. Woodman, winners of the single events.

Track ribbons for places in the events of track and field day sports were presented by Dr. G. Davidson.

WOMEN'S DEBATING SHIELD

Pins and prizes for the public speakers of the college were presented to Dr. T. H. Boggs. The women's debating shield was given to the co-eds of Arts '25. This is the third year that this class has won it.

Vere Mather, Arts '25, and Dorothy Murray, Arts '25, received their book prizes as winners of the oratorical contest for women, while Nahar Singh Mangat was given his gold medal and Harold Cantelon a silver medal for the men's oratorical contest.

Percy Barr and Dal Grauer received their gold debating pins, having represented the college twice in international debates.

Those winning their silver pins for one debate were Winnie Cawthorne, Greta Mather, J. Yonemura, A. Zoond, W. Murphy, H. Goodwin, J. Burton, S. Kobe and J. Craig.

PROCEEDS WILL AID CAMPUS FUND

U.B.C. Alumni Association Will Stage Big 'Ceilidh' Friday Night

University buildings will be given up to jollification Friday night when the Alumni Association of U. B. C. will stage their grand "Ceilidh," spree or all-round good time in aid of the Point Grey Campus fund. Crowds will throng the various buildings, passing from one amusing feature to another, while those who are so inclined may dance, play cards, have their fortunes told or take part in a waltz competition.

Once the proper college spirit has been evoked by the rendering of yells under the leadership of "pep committee" and community singing, the night's events will be in full swing.

PROGRAMME BY RADIO

Music lovers may listen to a long and well-arranged radio programme in which members of the graduate society and others will take part, including Miss Beth Abernethy, Miss Kate Alexander, Ira Swartz Thomas R. McLean, Miss Lena Peace, Miss Verna McCartney, Miss Minnie Beveridge, Miss Dorothy Duncan, Miss Doris Chadney, Howard Macaulay, Charles E. Shaw and Miss Dorothy McPhillips.

A. A. Milne's famous one-act play "Wurzel-Flummery," will be presented by selected artists and artistes who have distinguished themselves in past performances of the University Players' club, including Mrs. A. W. Whitmore (nee Miss Lena Bodie), Miss Iowa Griffiths, Bruce Fraser and Gordon Nelson.

IS WELL ORGANIZED

There will be a minstrel show and a "chamber of scientific wonders," where marvellous demonstrations of the great discoveries of the age will be given while opportunity will also be given the guests of the Alumni association to show their skill in a shooting gallery. Each feature of the entertainment is being organized and financed by one of the graduating classes so that every cent collected from the sale of tickets will go towards the fund required to make ready the athletic grounds at the new university. The students have undertaken to carry out this work themselves. With the help of the graduates it is expected there will be little difficulty in securing the necessary funds, while the students are also assisting the actual grading operations.

U. B. C. ATHLETES ARE PRESENTED WITH TROPHIES

Cups, Medals, Ribbons and Letters Distributed to Students

GEH TERNAN HEADS ALL CONTESTANTS

Receives Special Cup for Excelling in All Branches of Sport

Athletes of U. B. C. received their honors from the student body yesterday when the annual presentation exercises were held in the university auditorium. More letters, ribbons, cups and trophies were distributed yesterday than ever before in the history of the college. Geh Ternan received the greatest honor any athlete can receive from his student body when he was awarded a special cup for excelling in all branches during his years at college. It is not likely that another athlete will receive a like honor for many years to come.

President L. S. Klinck spoke a few words on the Big Block letter men of the college and announced that this year there were ten men who would receive the letter for the first time. Of these, two were freshmen, who could not receive their award until they registered for the sophomore year. Four men won the big block in soccer and three in rugby, while Harry Warren took his for track and rugby. Several men had earned their block letters this year who had previously received them and these could not be awarded another.

THIRD CONSECUTIVE WIN

Dr. R. E. McKechnie, chancellor of the U. B. C., and donor of the cup bearing his name for the provincial championship in rugby, presented Geh Ternan, captain of the ruggers, with the cup. This is the third consecutive year that the college has carried it off. Mr. Ternan stated that much of the success of the rugby men was due to the coach, Jim Scott, and on behalf of the club presented him with a gift.

Special Cup to Any One Athlete Is Innovation at the U. B. C.

GEH TERNAN has been accorded the greatest athletic honor that could be given to any student or graduate of the University of B. C. by the student body. In recognition of his services in the field of sport the Alma Mater society yesterday presented him with a cup which could well be cherished by any athlete in the Dominion.

This is the first time in history that U. B. C. students have felt inclined to present a special cup to any one athlete, and it is expected that some time will elapse before another receives a like honor.

Ternan will leave college this year when he graduates with the class of Science '24, and with him will go a star of the rugby field, a senior man in soccer, a star of

the best hockey team varsity produced, and a member of the first basket ball team for many games.

A STRIKING TRIBUTE

"The greatest athlete the University of B. C. has yet produced," said Jack Grant, president of the student body, when making the presentation. The students said Grant was setting a precedent that must not be followed except at times for greatest recognition. The trophy represents the highest honor the students can pay to an athlete here and a recommendation has been left for the future students asking that they be very careful in making a like gift.

Geh received a great welcome when he went to the platform to take the cup and the students amply proved that Mr. Grant was correct when he said that it was with the greatest sorrow that the alma mater saw Geh Ternan about to leave the university.

Ever since he was at the college Ternan has been playing rugby and has won his big block letters many times. He has captained the McKechnie cup squad for two years.

In the soccer field he has represented Varsity during the past two seasons.

As a basket ball star he won college fame on the first team last year. When Varsity had a hockey team in the senior division and won the championship of the city, Geh was one of the stars of the team. He has an enviable record in the athletic history of the U. B. C.

U. B. C. DEBATERS TO MEET WYOMING SPEAKERS TONIGHT

M. Sun March 9 '24

James Craig and S Kobe will represent University of B. C. against debaters from the University of Wyoming in a debate tonight at the King Edward high school auditorium, which the general public is cordially invited to attend. Wyoming debaters have laid claim to the championship of North America and have won 12 consecutive debates.

This is the first time Mr. Kobe and Mr. Craig have entered the international intercollegiate contests, but both are fine speakers and excellent debaters.

Mr. Kobe won the gold medal in the men's oratorical contest at the university last year and has represented the Japanese students several times in debates. Mr. Craig

is recognized in Vancouver as an able speaker. They will offer strong competition to the Wyoming men.

"Resolved that United States should enter the international court" will be the subject under discussion, the local men taking the affirmative case. The speeches will start at 8:15 o'clock.

UNDERGRADS HOLD ELECTIONS TODAY

M. Smith March 20 24
Much Interest Evinced in Contests Taking Place at U. B. C.

Election of the president of the Arts Men's Undergraduate society and president of the women undergraduates will be held today at the University of B. C. Bert Smith and Len Gaddes are the candidates of the men, while Grace Smith and Phyllis Gregory are aspirants for the co-eds.

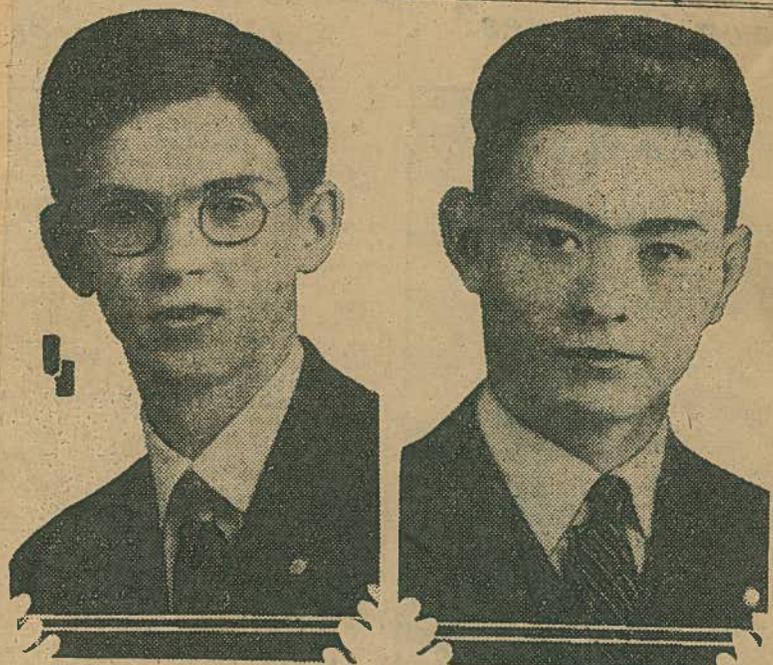

The race for the Arts men's position on the council promises to be close as both men are popular at the college. Bert Smith is president of Arts '25 this year and also held a position on the undergrad executive last year. Mr. Gaddes is on the campaign committee and is vice president of the undergrad.

Grace Smith and Phyllis Gregory are also having a strenuous campaign among the women. Miss Smith is vice president of the Women's undergrad this year as well as associate editor of the Ubysey. Miss Gregory is an inter-class debater.

WYOMING LOSES AGAINST U. B. C.

M. Smith March 20 24

Local Speakers Defeat Leading U. S. Team in International Debate

James Craig and S. Kobe, new debaters of the University of B.C., won their laurels last night when they defeated Ralph Conwell and Herbert Woodman of the University of Wyoming in the last and best international debate of this year. Besides being of a high standard the debate was the most gentlemanly showing this year. The judges, Rev. J. G. Brown, E. V. Lucas and D. Houssie, gave the decision to the B.C. men by two votes to one.

The success of the local men is outstanding, since the Wyoming debaters have won five debates on their way north. In three years that university has carried off highest honors in 23 out of 25 debates. This is the first time that Mr. Kobe or Mr. Craig have represented the U. B. C.

The B.C. men upheld the negative of the subject, "Resolved, that the United States should immediately enter the world court."

Motor Bandits Will Be Used as Targets By U.B.C. Students

Inspector Wunsch to Have Charge of Range at "Ceilidh"

M. Smith March 21 24
ALUMNI ASSOCIATION SHOW ON TAPIS TONIGHT

Many Attractions Offered to Encourage Free-Hand Spending

TAKE potshots at motor bandits will be one of the favorite pastimes at the Alumni "Ceilidh" tomorrow night at the University of British Columbia. As the proceeds of the celebration will go entirely toward the Point Grey campus fund the sporting fraternity of the city is expected to be largely represented among the crowds which will throng the university buildings. Preparations are being made to entertain them in a fitting manner. A shooting gallery will be operated under the direction of the world's champion revolver shot at the 1923 Bisley meet.

PRIZES DONATED

By permission of Commissioner T. A. Wroughton, this champion shot, who is Inspector T. V. Sandys-Wunsch of the B. C. division of the R.C.M.P., will take personal charge of the "Ceilidh" shooting gallery. Special sets of targets, both moving and fixed, will be installed, and one of the main features will be a bandit car occupied by "four masked and desperate men," at whom volunteer bandit-getters of Vancouver may shoot at will.

Another target of special interest will be a typical "Heinie," who is guaranteed to throw up his hands in "Kamarad" fashion if hit in the solar plexus. Prizes for the shoot have been donated by the Boothe & Howe Optical company, while the Remington Small Arms Manufacturing company has donated 2000 rounds of ammunition. E. C. Cayley

Inspector T. V. Sandys-Wunsch

and L. H. Jackson of the class of Arts '18 are in charge of the shooting gallery arrangements.

PLAY IS A FEATURE

Those in charge of the "Ceilidh" celebration said last night that everything is in readiness to entertain a record crowd tomorrow night. All the bridge tables have been reserved and a good attendance is ensured at other features of evening, while enquiries show that much interest is being taken in the one-act play entitled "Wurzul Plummery," which is the work of the English dramatist, A. A. Milne. Gordon Meekison will be in charge of the "pep" committee, a gang of 20 college men selected for their ability to render college yells in the most approved fashion.

TWO ELECTED TO STUDENT COUNCIL

M. Smith March 21 24
Undergrads Give Substantial Majorities to Bert Smith and Grace Smith

Bert Smith and Grace Smith, both of arts '25 of the University of B. C., were elected to the student council for next year by large majorities yesterday. Miss Smith was chosen as president of the women by 313 votes, taking a majority of

over Phyllis Gregory, who polled 114 votes.

Bert Smith defeated Len Gaddes as president of the Arts Men's Undergraduate society by 130 votes. Mr. Smith polled 197 and Mr. Gaddes 67.

During the past year Grace Smith has been vice president of the women's undergrad as well as associate editor of the Ubysey. In her first year at the U.B.C. she was president of the women in her class and vice president of arts '25. In her second year she was on the women's undergrad executive.

Bert Smith was president of arts '25 this year and as such has held position on the Arts Men's Undergraduate society. Last year he was secretary of this body and was re-elected for this year. He resigned to take his position as head of his class.

CELEBRATION AT U.B.C. TONIGHT

M. Smith March 21 24
Enjoyable Time Is Planned by Alumni Association's 'Ceilidh'

Everybody who wants to have a good time tonight is invited to attend the "Ceilidh" being held in the buildings of the University of British Columbia, Tenth avenue and Willow street, where one of the most varied programmes of entertainment ever offered in Vancouver will be carried out under the auspices of the Alumni association of the university. Work has been proceeding for weeks to make the affair a success and the graduates expect to be able to turn over a goodly sum from the proceeds of the "Ceilidh" to the students' athletic equipment fund.

RADIO AND EVERYTHIN'

Every one of the nine major events will begin at either 8:30 or 9 p.m. A radio concert to which some of the best musicians in the city will contribute, will be enjoyed in room 23, while upstairs in room 33 will be staged a one-act play, a domestic comedy entitled "In and Out of a Pot" by H. V. Edmond.

In the commercial building Inspector T. V. Sandys-Wunsch, world's champion revolver shot, will be in charge of a shooting gallery, while a cabaret will be proceeding in the cafeteria.

In the chemistry building will be located the "Chamber of Scientific

Wonders" where chemical experiments will be carried out and some of the marvels of science demonstrated on the screen by means of a microscopic projection. A minstrel show will be repeated three times. Fortunes will be told, while community singing and college yells will also be heard.

The following have consented to

act as patronesses: Mrs. R. E. McKechnie, Mrs. L. S. Klinck, Mrs. R. P. McLennan, Mrs. George Swaisland, Mrs. W. R. Owen, Mrs. O. L. Boynton, Mrs. F. W. Howay, Mrs. J. D. Taylor, Mrs. R. W. Brock, Mrs. J. W. deB. Farris, Mrs. J. M. K. Letson, Mrs. F. R. McD. Russell and Mrs. Julia Henshaw

University Grounds Mecca For Jolly Ceilidh Crowd

Melan *Mar 22 24*

THE enthusiastic crowd present at the university "Ceilidh" held last night quite justified the splendid efforts of the University of B. C. Alumae, who were the mainstay and originators of the affair. Given for the purpose of helping to raise funds for the new university, it proved to be a financial success as well as a jolly varsity social event.

An interesting feature of the evening was the cabaret staged by Arts '23 under the convenship of Mr. Joe Brown and Mr. Jack Clyne. It was held in the cafeteria, where a bevy of fair co-eds served refreshments.

Four numbers interspersed between the dances included a Dutch doll dance by Miss Eloise Angell and Miss Muriel Evans, an old-fashioned dance by Miss Kirsteen Leveson and Miss Gertrude McInnes, an Egyptian dance by Mr. Britain Brock and a jazz dance by Miss Rena McRae and Miss Phyllis Edgell.

BRIDGE AND MAH JONGG

Those who preferred to play cards were given a cordial welcome in what for everyday purposes was used as the library. Miss Gwen Robson and Miss Agnes Healey had charge of this part of the programme. A choice was given of playing bridge or mah jongg, a large number of visitors participating in both games.

Later in the evening a "prize waltz" was staged at which Mr. and Mrs. Vaughn Moore acted as judges. Each year, class, sorority and fraternity sent representatives to compete. The competitors had practiced well, making the dance a pleasure to the onlookers.

Throughout the building, college and class colors, jack o' lanterns

and bunting were used with quite a delightful effect. Everywhere guiding signs were posted giving the visiting stranger no opportunity of getting lost.

Those who kindly lent their patronage to the affair were Mrs. R. E. McKechnie, Mrs. L. S. Klinck, Mrs. R. W. Brock, Mrs. W. R. Owen, Mrs. J. W. deB. Farris, Mrs. J. D. Taylor, Mrs. T. W. Howay, Mrs. F. R. McD. Russell, Mrs. R. P. McLennan, Mrs. Julia Henshaw, Mrs. B. T. Rogers, Mrs. George Swaisland and Mrs. J. M. K. Letson.

HUGE CROWD ON HAND

More than 1000 people thronged the university building, all the events being well patronized. Capacity audiences gathered to hear the minstrel show at each of three performances. The Kiwanis quartette sang for three equally large assemblages, while many were turned away from the large room where the one-act play was presented by Frank Johnstone of the Little Theatre association. The radio concert, chamber of scientific wonders and the shooting gallery all attracted large numbers throughout the evening.

Excitement was intense when Dr. R. E. McKechnie prepared to announce the winners of the waltz competition. The prize-winning couple was declared to be Bruce MacDonald of Arts '26 and Miss Lorraine Bosper of Arts '27.

No estimate of the sum which will be handed over to the students' athletic fund as a result of the "Ceilidh" could be made last night, but judging by the large attendance the amount will go far toward the \$10,000 required to prepare the campus at Point Grey.

BURNABY SWAMPS VARSITY IN GRASS HOCKEY FIXTURE

Burnaby defeated Varsity 8 to 0 at grass hockey Saturday afternoon at Brockton point. The game was fast and clean and not nearly so one-sided as the score indicates. Varsity know little of the inside features of the game and suffered in consequence.

Vancouver is still one point above Burnaby in the league standing but the latter have another game with Varsity and may pull ahead unless Varsity shows marked improvement in form.

Burnaby's goals were scored by V. Curle, 5; Plumbly, 2, and W. J. Peers. F. Woodman and J. Kania were the stars for Varsity.

WORLD AND WIFE GOES TO ORPHEUM

"The World and His Wife," a play of intense interest and unusual dramatic power will be presented at the Orpheum on Monday and Tuesday evenings next. This is the ninth annual offering of the Players' club of the University of B. C. and as a former vehicle of Sir John Martin Harvey and William Faversham offers excellent entertainment.

Nine years ago the Players' club made its first appearance in this city. The annual effort is now so popular that it has the unique record of appearing in at least fifteen cities and towns in the province. In this way the varsity players are contributing much to community drama. This year's production, with distinguished patronage, and staged with attractive new scenery and effective Parisian costumes, will be one of the most interesting of the season.

TAYLOR ELECTED U.B.C. MARSHAL

Melan *Apr. 1st*
Tommy Taylor, Arts '26 was elected to the students' council of the University of B. C. yesterday when he defeated J. W. B. Shore, Arts '25, as university marshal. He polled 238 votes, while Mr. Shore received 203, a large number of the students casting their votes.

Mr. Taylor is taking a leading part in the players' club spring play this year which was successfully staged Monday and Tuesday at the Orpheum theatre, having taken the part of the English captain. He is a member of the executive of the players' club. Mr. Shore is also a prominent member of this society and has been faculty marshal for Arts' this year.

U.B.C. PLAYERS SCORE SUCCESS

Melrose Mel 25 24
Production Given by Students Accorded Enthusiastic Reception

Scoring the highest success they have yet achieved the University Players last night reached their heights when they successfully staged "The World and His Wife" before a record audience at the Orpheum theatre. The warm reception of the players and success of their efforts gave ample indication that Prof. F. G. C. Wood had not erred in suggesting this translation of the Spanish play for the ninth annual spring performance of the university men and women.

Betty Somerset was clever in her presentation of the leading female role while Harry Cross, the husband, acted a difficult part with great force. Tommy Taylor, taking the part of an English captain, had an easy manner on stage while Peter Palmer appeared quite natural and at home as a leading male character, Don Ernesto.

Alex Zoond, brother of the husband, and Alfreda Berkeley, who took the part of his wife, depicted their parts admirably.

Fraser Lister, as a sophisticated young man, depicted the part of youth well. H. Carman Sing took a part as an inn keeper.

The play centres about the family group and depicts what may happen when rumors are once started. The setting is in Spain and the costumes of the ladies lend themselves to this atmosphere. J. W. B. Shore as manager of the scenery has created two new sets of scenery for this play that will be used in the theatre of the University when the move is made to Point Grey.

Considerable doubt was held by many critics who feared that the players of the local university were not equal to William Faversham's success but their performances last week at Nanaimo and New Westminster coupled with excellent presentation last night, gave ample evidence that the play was not too difficult for the Players' club.

Varsity Soccer Clubs Select Their Leaders

Melrose Mel 27 24
FRED GUERNSEY, Science '26, was elected president of University soccer clubs yesterday at the final meeting of the year. During the past year he has been in close connection with athletics and is regarded as an able man for the position.

Prof. Lloyd was chosen honorary president. Other officers are: Bobby Jackson, vice president; Art Mercer, secretary treasurer; Chub Arnott, manager, first team; Joe Leirch, manager second team; Preston Mellish, manager third team.

Delegates appointed to represent Varsity at the annual June meeting of the association were Ray Parker, Les Buckley, L. Baker and J. Lundie.

The Varsity men instructed the managers of the teams to see the soccerites of the high school and urge that those who would be at the U.B.C. not to sign with other teams until the university opened in the fall. During the past some of the students have played in other teams for at least one year while at college and draining possible material from the blue and gold squads.

GRADUATE OF U.B.C. CHOSEN

Geo. R. Martin Is Appointed to Position of Civic Food Inspector

George R. Martin, 1123 Burnaby street, a graduate in arts of the University of B.C., who is this spring completing his course in agriculture, has been appointed to the position of civic food inspector. Dr. F. T. Underhill, M.H.O., announced last night. This is the only new appointment to be made as the result of the reorganization of the health department following the recent investigation, said the doctor. All the other inspectors whose resignations have been in his hands for the past month have been reappointed with one exception.

ONLY FOUR INSPECTORS

When the health department estimates were passed the council decided to economize by asking Dr. Underhill to get along with one less inspector. As a result the doctor states he has been compelled to drop G. Harvey of the sanitary inspection department. The vacancy to which Mr. Martin has been appointed was caused by the resignation of L. Robertson, former chief inspector.

The decision of the council means that the whole city will have to be inspected from a sanitary standpoint by only four men, said the doctor, as one of the sanitary inspectors is needed to assist the infectious diseases officers. Four sanitary inspectors are quite inadequate, the doctor states, and the department will not be in a position to deal promptly with complaints.

LITTLE CHANGE MADE

The new food inspector is well recommended by Prof. Wilfrid Sadler of the university, said Dr. Underhill, and will devote his time largely to milk analysis.

Very little change has been made in the department as a whole. The inspectors have been reappointed on the distinct understanding that they will be subject to immediate dismissal if further trouble is experienced, said the health officer. J. C. B. Vance, city analyst, has been placed at the head of the food department, and slight re-arrangements have been made in the method of handling reports.

IS GRANTED FELLOWSHIP

Memo. Arts '24 Geoffrey Bruun, U.B.C. Student, Is Signally Honored by Cornell

Geoffrey Bruun, Arts '24, student of the University of B. C., has been granted a fellowship at Cornell university. It was announced by Dr. Mack Eastman last night. The fellowship which is tenable for next year at Cornell is the most valued fellowship of that institution and is the most valuable of its kind yet received by any student of the University of B. C., according to the head of the department of history here.

The appointment was made on the strength of the brilliant scholastic record of Mr. Bruun and his general record. His excellent essays written on the French foreign policy have this year shown him to be a fine student of modern European history. His studies will be devoted to this work mainly, but he will also take some work in ancient history from a professor that has just arrived at Cornell from the British school at Athens.

Mr. Bruun has a fine record in the activities of the university during his four years there. He is prominent as an author of the U. B. C. and was one of the major students publishing the Chap-Book two years ago which contained verse from the pens of the students. He was senior editor of the Ubyssy for one year and was re-appointed as head of the paper, having resigned at the close of the term last year. He is an active member of the Letters club and the Historical society and has entered the debating field. In his class work he has been specializing in modern European history. He served during the war in the air service.

There are two other students of the U. B. C. at present assisting at Cornell university, these being Alfred Rive and Willson Coates. Mr. Coates was a Rhodes scholar from the U. B. C. to Oxford, and after completing his three year course at Oxford accepted a position on the staff at Cornell.

Memo. Arts '25
Officers Are Elected by Arts '25 of U.B.C.; Prof. Wood Honorary President

Ralph Mathews was yesterday elected president of Arts '25 of the University and will hold a position on the executive of the Artsmen's undergraduate society next session. He has been literary editor on the Ubyssy this year and has represented his class in basketball, rugby and swimming. This is his first year at the U. B. C., having taken his two junior years at Victoria college, where he was president of the student body.

Winnifred Hall was elected as vice president and will take a place on the executive of the Women's undergrad.

Prof. F. G. C. Wood was again chosen as honorary president of Arts '25, having held this honorary position during the past three years.

Other officers elected yesterday were: Archie Fee, treasurer; Polly McGugan, secretary; Jack Ledingham, marshal; Cliff Dowling and Helen McGill, literary representatives; James Smith and Laura Mowatt, athletic representatives; James Craig, class reporter.

OXFORD WILL MEET U. B. C.

M. Sullivan *Apr 14 24*
Debating Team from British University to Visit Vancouver in Fall

Debaters of the University of B. C. will meet the representatives of Oxford University this fall, it was announced yesterday at the U.B.C. Although arrangements have not been made for the date or subject it has been definitely settled that the Oxford team will meet the B.C. students, according to the officials in the debating circles, who stated yesterday that the excellent record established by the local debaters has caused the English team to ask for the opportunity of taking the field here.

The U.B.C. men have accepted the invitation and the board of governors will likely make the necessary guarantee to bring the Oxford men as far west as Vancouver this fall when they tour eastern Canada and the United States. This announcement has caused considerable excitement at the university and plans will be under way shortly for the gathering of material for the debate. The Oxford men will all be graduates and tried speakers. The U.B.C. will not enter any other debate next year so that all activities may be directed to this one meeting.

As soon as the students return after the summer holidays in September the Men's Literary society will begin having short debates, where training in the Oxford style may be given to the students interested in taking part in the big debate. It is likely that classes will also be held where the principles of public speaking will be taught. There is some agitation at the university for the establishment of such a course and it is possible that units may be allowed towards the degrees for attendance at these classes.

U. B. C. Athletes to Send Team to Prairies Again—Local Meet in Fall Instead of Spring—Not Entering Dunlop Road Race

VARSITY track fans held their annual get-together confab yesterday afternoon and officers were elected for the following year as follows: Prof. Boving, honorary president; Les Buckley, president; H. Arkley, vice president, and Mulherne, secretary-treasurer.

Plans were outlined for 1924 and, judging by the interest shown, track is in for a banner year at the seat of learning next session. The Collegians plan to send a big representation to Edmonton next fall in the Western Inter-Collegiate track meet. The students entered into competition with the prairie colleges for the first time last fall and, although the small delegation that went did not break any records, they showed the way for next year's team, which, if properly trained, should make the prairie men step when they meet next October.

Unfortunately, the U.B.C. is losing two of their last year's team, Garrett Livingston, their crack sprinter, and Hugh Russell, the Varsity record-holder in the high jump, but other members of last year's squad—Carl Barton, J. Ramsell and Les Buckley—will be on deck again.

PLENTY OF TALENT

Considerable talent was unearthed at the Varsity annual meet held last month. Harry Warren and Les McKay both proved their calibre in the sprints, and with a little training should make a very creditable showing. Pete Demidoff has gone

over 10 feet in the pole vault, and if he trains during the summer may make the team. There is other talent that can soon be developed, and it is expected that U.B.C. will be represented by a full team of eight men in the October meet.

After much discussion it was decided to hold the Varsity track meet in the fall next year instead of in the spring, the idea being that inter-class competition would be made subservient to inter-collegiate and the meet would serve as a conditioner for the prairie meet.

Another subject that came up for discussion was that of the letter award. Every inducement is to be given an athlete to specialize, and it is proposed to give letters only to men who compete in inter-collegiate competition rather than to all-round track champions, as has been the case, or to men who break an inter-collegiate record.

Prof. Boving, who donates a cup annually for some one event, presented it to Hugh Russell for the high jump. Garrett Livingston won the silverware last year for the 220 yards.

On account of the proximity of exams, the track club decided not to enter the Dunlop road race that is to be run on Good Friday under the auspices of the Y. M. C. A.

CLIVE MILLER DEAD IN SOUTH

M. Sullivan *Apr 14 24*
Clive ~~Benny~~ Miller, well-known graduate of the University of British Columbia, and son of Mr. and Mrs. William Miller, Salsbury drive, died yesterday in San Francisco. He was also noted as an able tennis player and closely connected with the development of the Grandview district.

News of the death was received by William Miller while he was serving on a criminal jury in Mr. Justice Morrison's court yesterday. No announcement has been made

as to whether or not the remains will be brought to this city for interment. Clive Miller was a war veteran and ascended from the ranks to a commissioned officer. He was wounded at Bourlon Wood in September, 1918, and still suffered from its effects when he left this city for California in 1920.

U. B. C. STUDENT GETS BIG JOB

S. 6-4-24

A. Howard Plummer, 23, student in agriculture at the University of British Columbia, who will be graduated next month, has received word from the Canadian Baptist Foreign Mission Board that he has been appointed superintendent of its 1,000-acre farm in Bolivia, South America, and the director of the school of agriculture that is conducted in connection with the farm.

Mr. Plummer gained his agricultural experience on the prairies, where he attended the University of Saskatchewan for two years; at the Coqualeetza Indian Institute at Sardis, B. C., where he was farm instructor in 1921; and in his course at the University of British Columbia.

His father and mother, Dr. and Mrs. Edwin Plummer, are medical missionaries in China.

Vancouver Not to Have Soccer Final, Says D.F.A. Leader

M. 11-1-24

Best Coast Can Expect, Davidson Believes, Is Alberta Again

Tourist and Local Elevens Play Before Big Crowd to Draw

VANCOUVER will hardly get the Connaught Cup finals this year. They will see the Alberta winners here, but the final will be in Winnipeg again.

That is the opinion of Secretary Sam Davidson of the D. F. A., as expressed to The Sun last night.

"I suppose it was suggested there is a tremendous pull from the east against the west?"

"Oh," said Mr. Davidson instantly. "we have all the say. Nobody else."

"In that case, then, why not Vancouver?"

Mr. Davidson shook his head, smiling a bit before adding:

"You're thrustful in the west, aren't you? The best you can expect out here is to have Alberta."

PRICKING A BUBBLE

"But we expected that; it's Alberta's turn to come to the coast."

"Quite so," replied Mr. Davidson, "and you'll get them. The winners of the Alberta-B. C. final will travel to Regina and we'll have the east-west final in Winnipeg again. That's the very best, I think, you can ask the east to do this year."

And so ends, it would seem, another dream of football officials.

Last night's game between the All-Canada eleven and Vancouver's picked team was watched by approximately 2500 fans and they saw a good display. Half-an-hour before the game, crowds were sifting through the turnstiles and the stand was well filled ere the tedious business of photographing the visitors was complete.

The match ended 1-1 and the score fairly represents the play, although but for Harry Mosher, the visitors might have presented a somewhat sordid picture ere the end.

MOSHER AND LINNING

Mosher was in his usual form

which was well above par and twice he knocked down or clutched hard-driven balls, extending himself full length each time. His save of a low shot by Howden was spectacular. He speared the ball with one hand, held it until he arose and cleared magnificently.

He and Linning, inside right from Lethbridge, were the pick of the visitors. No finer football has been seen on the coast than Linning displayed. He is not big but he is clever, a good dribbler and his passes are perfectly timed. He scored the equalizing goal with a particularly adroit movement and a screw shot which beat Hogarth.

Forrest, outside right, is another good man. But it is, perhaps, unfair to particularize regarding the visitors' form for they came long distances, some of them have not played for months and they have had no chance to get into form

while the locals have been playing steadily since last September.

SEVERAL UNTRIED

As a whole the team looks good and Chapman, Noseworthy, the tall young back from Montreal, who is only 19, Wilson of Saskatoon, Armstrong of Vancouver and Hood of Brandon did not play.

The locals got their goal when McLean fouled Furniss, and Gemmell, taking the kick, dropped a high ball in front of Mosher. Smith got his head to it and twisted it into the net, with Mosher beaten all the way.

The All-Canada eleven was: Mosher, goal and captain; backs, George Anderson (Ladysmith) and "Mitch" MacLean (Calgary); halves, Dierden (Toronto), Harley (Winnipeg), Stobbart (Nanaimo); forwards, G. Forrest (Toronto, formerly of Alloa Athletic), Linning (Lethbridge), Ford (Regina), Bowman (Saskatoon), Sanford (Montreal).

The locals were: Hogarth, Baker and Watson; Jack d'Easum, MacFarlane and Jim Gemmell; Furniss, Finlayson, Forge, Smith and Howden.

George Anderson of Ladysmith celebrated his departure for the Antipodes for four months or more by wedding the girl of his choice in the home town Monday night.

When his teammates-to-be heard the news they clubbed together yesterday and purchased a silver tea set. Mrs. Anderson will join her husband in Victoria tomorrow, but will not make the trip with hubby.

Harry Mosher was presented with a sweater and a number of other gifts designed to be of use on the trip by his fellow Varsity players.

JACK BERRY IS U.B.C. CHAMPION

M. 11-1-24

Is Winner of Lady Jane Champion Cup Offered Agricultural Students

Jack Berry, Agriculture '27, has been awarded the Lady Jane champion cup as high scorer in a judging competition held last week at the Agassiz experimental farm for the university students. The members of the graduating class were not eligible and acted as assistant judges of the competition.

Besides winning this large trophy he will receive an individual cup presented by the Livestock Club of the U.B.C. This is the first time that a freshman at the college has won this competition. Mr. Berry is the son of W. J. Berry, Langley Prairie, who is past-president of the Fraser Valley Milk Producers' Association. The judging included horses, sheep, dairy cattle and swine.

Miss H. Milne was awarded the Agriculture '24 cup as champion among the first-year people for which trophy Mr. Berry was barred owing to taking off premier honors.

Les W. McKay, Agriculture '25, was high in the judging of horses; John Nelson, Agriculture '25, in dairy cattle; H. Asher, Agriculture '27, in sheep, and Dave Thompson, Agriculture '25, in swine. Individual trophies were presented to each of these yesterday at the University.

STUDENTS JUDGE B.C. LIVESTOCK

M. 11-1-24

AGASSIZ, April 3.—Thirty students from the agricultural department of the U. B. C., Vancouver, have arrived here on a stock-judging tour in charge of Professors Davis and Jones. Three classes of Holstein cattle were judged and two classes each of Clydesdale horses, Dorset sheep and Yorkshire swine. This being the final judging examination for the term a cup will be presented to the high man. Noticed among the students were three local boys, Les McKay, George Dines and Bruce McCurrah.

Mosher

CANADA'S SOCCER ARGONAUTS

HERE is Canada's first touring soccer team as they looked in their special white "All-Canada" jersey at Athletic park immediately prior to the game with the local eleven. Noseworthy, Mosher and McLean are the only men of the team above average height and weight. Bob Harley of Winnipeg is a ringer for George Peeney and most of the others are men weighing around 140 pounds. But they're all footballers, most of them, indeed, from

Mosher, Ford, Harley
either Scotland or Ireland. Reading from left to right, front row, G. Anderson, Ladysmith; Harley, Winnipeg; Forrest, Toronto; Bowman, Saskatoon; Linning, Lethbridge; Ford, Regina; Sanford, Montreal. Second row, Morrison (trainer); J. Armstrong, Vancouver; Hood, Brandon; Noseworthy, Montreal; Mosher, Vancouver; Wilson, Saskatoon; Chapman, Ladysmith; McLean, Calgary; Stobbart, Nanaimo; Jimmy Adams, Victoria; Dierden, Toronto.

CANADA'S SOCCER STARS ARE FETED

Two of the Touring Players Recipients of Handsome Presents

The man who will today embark on a soccer pilgrimage to Australia were the guests of the provincial and lower mainland associations at a banquet given in their honor at B. C. Furdy's last night. Secretary Sam Davidson of the Dominion body and the Vancouver men that opposed the tourists in an exhibition at Athletic park were also guests.

Two pleasing and surprise presentations were the outstanding features of a grand evening. George Anderson of Ladysmith was married on Monday and he was the recipient of a sealed present from Secretary Davidson, Jimmy Adam and the rest of the Australian party.

Varsity's soccer club assembled in force, let out a couple of blood-curdling yells and then presented Harry Mosher with something to keep him busy while he is away—writing utensils.

Speeches by Mr. Davidson, Jimmy Adam, manager of the party; Jack Russell, vice president of the Dominion body, and Fred Knowles, chairman of the referees' examining board, and several songs completed the entertainment.

U.B.C. Man Wins Honors

HARRY M. CASSIDY

WORD has reached Vancouver that Harry Cassidy, a graduate of the University of B. C., has been honored by the University of California at Berkeley and having been granted a scholarship to Washington, D. C.

Mr. Cassidy has been at Berkeley this year, having received a teaching fellowship from the university there following his graduating here a year ago. He is studying economics and was an honor student in this work at the U. B. C. The scholarship which he has been granted is tenable for one year and has a value of one thousand dollars.

Mr. Cassidy was an international debater while at the U. B. C., and editor-in-chief of the publications board, in which capacity he held a seat on the students' council.

ROSS DAVIDSON HEADS ARTS '24 Is Elected President of Permanent Executive; Rena McRae, Vice President

Ross Davidson has been elected president of the permanent executive of Arts '24 of the university and will hold this office for life. He has been president of his class for two years while at college and has

been very popular with his fellow students.

Rena McRae will be the vice president of Arts '24 on the permanent executive. She also has held this position in her class during the past two years.

Dr. Mack Eastman will be the honorary president of the permanent executive, while Helen Creelman will be secretary and John Burton treasurer. G. Brunn has been chosen as valedictorian of the graduating class in arts.

Plans are now almost completed for the holding of graduation exercises, these commencing with the tree planting at Point Grey next Wednesday and ending with congregation and convocation May 8.

GRADUATES PLANT TREE

Monday May 2 24
Interesting Ceremony by
Students on U. B. C.
Site, Point Grey

POINT GREY.—Graduating classes of the University of B. C. yesterday visited the new site here to plant their tree. This ceremony was the first graduation function of this year and will be followed today, by dances given in honor of the three graduating classes.

The tree was planted in the botanical garden of the U.B.C., which contains more than 1000 species of flora of this province. There are thousands of plants in the section and these will form the basis for the flowers in the garden when the students move to their permanent home. The collection was made 18 years ago by the provincial government and turned over to the university.

PRESIDENT SPEAKS

"I hope this tree will flourish," said Dr. L. S. Klinck, president of the University, during his message to the students, "I hope that the members of classes '24 will have happy and prosperous careers." Dr. Klinck said that he was pleased to learn that, this year, the faculties of Applied Science and Agriculture were taking part in the tree-planting ceremony. Other years only students in Arts had participated in this task.

"I pronounce this lime tree well and firmly planted," said Dr. Mack Eastman, honorary president of Arts '24, in concluding the ceremony. "I am glad to know that I am one of its guardians."

Rowly Graham, vice president of Science '24, was master of the ceremony while all members of the graduating classes present took part in the work of planting the tree. Members of faculty and their wives also assisted in the digging and watering.

ALL FLOURISHING

Following the planting of the tree, the students and members of faculty were guests of Mrs. R. L. Reid at tea on the lawn of the gardens.

Arts '20 was the first class to plant trees in connection with the graduation exercises and since that time each class has added to the row. All the trees planted have taken root and are flourishing. Each bears a plate with the year of the class stamped on.

BIG WEEK AHEAD FOR GRADUATES

Monday May 2 24
Many Functions Have Been
Arranged for Students
of U. B. C.

Graduating students of the university will hold a combined picnic to Wigwam inn Saturday where they will spend the day in boating, canoeing and hiking. The Agriculture and Applied Science men have joined the Arts '24 class in this affair and a large number are planning to make the outing.

Sunday night the baccalaureate services will be conducted at Christ church for the students, all members turning out in their gowns and caps. The service will commence at 7 o'clock.

Next week will be a busy one for the students, activities being scheduled for each day.

Monday night at 7 o'clock the grads will gather at the New Ambassador for the graduating banquet.

Tuesday has been chosen as class day and a lengthy programme has been arranged for the afternoon. This will take place in the university auditorium.

The class prophecy, the "will" and the valedictory announcement will be made at that time.

Dr. and Mrs. L. S. Klinck will be the hosts of the students Wednesday afternoon at a reception in the Hotel Vancouver.

Thursday is the most important day of the week, being that on which the degrees are awarded to the graduating members. Congregation will take place in the afternoon, the degrees being presented by Dr. R. E. McKechnie, chancellor of the U. B. C. A few words will also be spoken by Dr. L. S. Klinck, president of the university, while the graduation address will be given by Dr. Richard F. Scholz, president of Reed college, Portland, Ore.

During the evening convocation of the university will meet in the university auditorium, Dr. Scholz again being speaker. Election of officers of convocation will be held.

The graduation dance given by the U. B. C. alumni will be held Friday evening at the college.

APPOINTMENT FOR U. B. C. GRADUATE

Monday May 2 24
Lorne Morgan Is Granted
Teaching Fellowship
at Berkeley

Lorne Morgan, Arts '24, who will graduate with honors this year at the University, has received official notice that he has been granted a teaching fellowship at the University of California. Mr. Morgan is studying economics at the University here and will continue in this work at Berkeley.

As an international debater of outstanding merit, Lorne Morgan has made a name for himself as an aggressive and powerful speaker. He has been successful each time he has taken the floor in the debates and has won signal honors at the college in this work. Being keenly interested in the labor and economic problems of today and yesterday, he is fast becoming an authority. His appointment to the staff at Berkeley did not surprise the faculty of students here.

Mr. Morgan was president of the Men's Literary Society of the U. B. C. this year.

As an active member of the Social Science Club of the college he has offered some fine talks on economics.

He had charge of the Varsity rugby men and trained the first team of the college that won the McKechnie cup. Last year he also acted as trainer, but other work forced him to leave this task this winter.

Graduating Year Plans Banquet For Tomorrow

Monday May 2 24
ONE of the most interesting of the social affairs of convocation week at the University of British Columbia is the formal banquet held by the graduating years in all faculties.

This year it will be held in the new Ambassador grill tomorrow night and the energetic committee in charge of all arrangements is composed of Miss Everilva Wilson, Miss Marie Chapin, Miss Phyllis Edgell, Mr. Harold B. Cantelon, Mr. William B. McKee and Mrs. F. W. Corbin.

Mr. Robert Hedley is the toastmaster and the various toasts are "The King," proposed by Mr. Hedley; "Our Alma Mater," proposed by Mr. Jack Grant and responded to by President Klinck; "The Faculty" proposed by Mr. George Wheeler and responded to by Dr. Mack Eastman; "To the Guests," proposed by Mr. Geoffrey Riveborough and responded to by Dr. J. G. Davidson; "The Ladies," proposed by Mr. Harold Cantelon and responded to by Miss Helen Creelman; "Class of '24," proposed by Mr. Lyle Atkinson and responded to by Miss B. Pearce, Mr. Ross Davidson, Mr. R. Graham and Mr. Hugh Russell, representing the various faculties.

Invited guests other than the graduating students are Chancellor R. E. McKechnie and Mrs. McKechnie, President and Mrs. L. S. Klinck, Dean and Mrs. H. T. J. Coleman, Dean and Mrs. R. W. Brock, Dean and Mrs. F. M. Clement, Dr. and Mrs. Mack Eastman, Dr. and Mrs. J. G. Davidson, Prof. and Mrs. King, Miss M. L. Bollert, Miss Ethel Johns, Dr. J. G. Ashton and Mr. Lyle Atkinson.

The banquet tables will be handsomely decorated in blue and gold, the college colors, and the university yells will be given during the evening.

DEGREES WILL BE CONFERRED TODAY

Chancellor of University of
B. C. to Make Awards
to Graduates

Granting of degrees by Dr. R. E. McKechnie, chancellor of the University of B. C., will take place this afternoon at the University Auditorium, when the successful students trying for their bachelor and master degrees in the four faculties, will receive their reward of their college study. The ceremonies also include addresses by Dr. L. S. Klinck, president of the institution. The Congregation Address will be delivered by Dr. Richard F. Scholz, president of Reed College, Oregon.

The students will enter the University in a body and the procession will be headed by members of the senate and board of governors. Faculty will also take part, as well as some of the third year men and women.

Admission will be granted to the buildings only by presentation of invitations, since the space at the college is not sufficient to invite the general public. Even the students graduating have been allowed only two invitations.

Final instructions for the graduates issued by the registrar's office last night are:

"Graduates of all faculties, bachelors and masters, for 1924, should assemble in the Physics lecture room not later than 2:15 o'clock. They must have caps and gowns, but hoods will be supplied by the University."

The procession will form in line at 2:30 o'clock.

Convocation will meet in the auditorium during the evening for the annual business and election of officers.

LUCY INGRAM

GEOFFREY RIDDEHOUGH

WHO has won the governor-general's gold medal? This is the question that will be asked today when the examination results of the University are announced. Geoffrey Riddehough and Lucy Ingram are the two who will likely lead the race for the honor. Mr. Riddehough topped his class last year in the examination results, leading Miss Ingram by a narrow margin. Miss Ingram took the lead in the Christmas exams, this year and each of the students was determined to carry off highest marks. Examination results will be published following the meeting of senate to be held this morning at the college.

Valedictorian Gives Address

GEOFFREY BRUNN

CLOSE co-operation and personal acquaintance between professors and students at the University of B. C. was the outstanding feature of the school year, according to Geoffrey Brunn, valedictorian for the class of 1924, in his address before the student body yesterday.

Brilliant Showing Made By University Students

**Geoffrey B. Riddehough Is Awarded Governor General's Gold Medal, Highest Honor Possible—
Geoffrey Brunn and Lucy Ingram Are Runners-Up and Receive Medals
—Winnie Cawthorne Wins
Annie Wesbrook Scholarship.**

THE greatest scholastic honor that may be secured by undergraduates of the University of British Columbia, the Governor General's gold medal, has been awarded to Mr. Geoffrey B. Riddehough by the University Senate.

One of the most brilliant students the university has ever had, Mr. Riddehough, who is a Penticton man, has many notable wins to his credit. He matriculated from Penticton high school with the highest marks in the province. In his freshman year he won a literary prize. Remaining out of college in 1922, he was awarded the McGill graduate scholarship for proficiency in English and French. He led his class in his third year and was given a scholarship, also winning the Arts '19 memorial scholarship of \$150. He is also advised that he has been appointed to the teaching staff of University of California, Berkeley.

The runners-up for premier university honors were Geoffrey Brunn and Lucy Ingram, who were awarded the Historical Society medal and the Alliance Francaise gold medal. Mr. Brunn has also been appointed to the staff of Berkeley.

Miss Winnie Cawthorne, Arts '24, of Victoria, wins the Annie Wesbrook scholarship of \$100, donated by the Faculty Women's Club for those intending to take post graduate work.

Percy Barr, Science '24, won first place in the Applied Science examinations and carried off the scholarship offered by Dean Brock.

J. C. Wilcox topped the students in the graduating class in agriculture. He has won scholarships every year since he has been at the college. He won high marks for his honor thesis.

Joseph Brown, Arts '23, who has been carrying on post-graduate work at the college has received the University scholarship of \$200.

Following are the detailed examination results:

WESLEY SIMPSON

HAVING received his bachelor's degree this year with honors in biology, Wesley Simpson, Arts '24, has been granted an \$800 scholarship to Toronto, where he will go next year to continue his work. Mr. Simpson will study for his master degree under the guidance of Dr. McLeod of Toronto, who worked with Dr. Banting and who shared the Nobel prize.

Being keenly interested in his biological studies, Mr. Simpson has won considerable notice at the U. B. C. for his brilliant work in this line. He has been judged as one of the most promising men the college has turned out.

U. B. C. GRADUATES BIG CLASS

PREVIOUS to the granting of the degrees at the University of B. C. yesterday the students and professors lined up outside of the University grounds and entered the building in a procession. This year the line has exceeded all others in length.

Dr. Richard Fredrick Scholz, who delivered the congregation address, and Dr. R. E. McKechnie, chancellor of the U. B. C., headed the procession. Dr. L. S. Kilnck, president of the University, and Dr. J. D. McLean, Minister of Education, followed behind these two.

They are here shown waiting for the students to get ready. Dr. McLean is on the left of the group with Dr. Kilnck, Dr. Scholz and Dr. McKechnie on his right.

Among those in the section of the procession shown here are Winnie Cawthorne, winner of the Anne Weabrook Scholarship, at the right, Henry Cross, leading man in the Players' Club production this year, is also in the group, as well as Ross Davidson, president of Arts '24.

U.B.C. STUDENTS. IN ACTIVE WORK

Mrs. June 14 2nd
**Christian Movement Gains
Growth; Conference to
Be Held June 18**

Another evidence that religious life among university students is more and more taking on vitality and power is seen in the activity of the students of U.B.C., who have an active branch of the Students' Christian Movement and who now are perfecting their plans for their first Summer School Conference. This is to be held on Gambier Island June 18 to 27.

The strength of their programme of speakers should ensure the success of this initial camp. Few more attractive names could be mentioned for such a venture than that of Rev. Richard Roberts, D.D., of Montreal, author of "The Untried Door." In addition there is Dr. H. B. Sharman, a Toronto business man, author of "Jesus and the Records," who has given up his time to this work among students. Other Dominion leaders coming are Ernest Clark, president of the Canadian S.C.M., of Toronto; Harry Avison, a member of the faculty of McGill University; Miss Amy Wilson of St. Hilda's College, Toronto, and Dr. Woo of China.

The local contributors to the programme are Dean H. J. T. Coleman and Miss M. Bollert of the U.B.C. staff, and Rev. Dr. W. H. Smith of Westminster Hall.

This B. C. conference is the first of a series which are to be continued throughout the summer across Canada. On leaving here the speakers will make their next stand at a camp at Carlyle Lake, Sask.

The conference will have as host and hostess Professor and Mrs. Beckett.

Members of the local S.C.M. committee will be glad to have applications to Miss Mildred Osterhout, phone Bay. 535L, or Gerald Kerr, High. 1418L.

The daily agenda will be of the usual open-air type, the mornings for study, afternoons for recreation and addresses and the evenings also for talks and addresses.

University Site Visited by Eighty Summer Students

Mrs. June 14 2nd
 This afternoon starting at 2 o'clock, a party of between 80 and 90 students of the summer school of the University of B.C. will start out on their annual motor jaunt to the site of the University in West Point Grey, arriving at the grounds at 3 o'clock.

An interesting programme on their arrival has been arranged by President L. S. Klinck, who will personally supervise the tour of inspection which will go on. The science building, the agricultural building and the botanical department, under the direction of Professor Davidson, will be visited in turn, the last-named the home of a beautiful floral display.

At 5 o'clock the students will adjourn to the dairy building, where an impromptu basket tea will be enjoyed in picnic style.

On Friday the summer students will make another visit to the Jericho Athletic Grounds, where a tennis tournament will be played off in the afternoon, concluding with a basket picnic on Jericho Beach in the evening. Dancing in the open air pavilion will end the evening's entertainment.

Summer Students At U. B. C. Hold Informal Dance

Mrs. June 14 2nd
MANY students have enrolled at the University of British Columbia for the summer session of six weeks' duration, which opened last Monday. They have come from different parts of British Columbia, both from the interior and from Vancouver Island points, as well as from parts of Alberta and Saskatchewan and from prairie districts.

Social affairs will be held from time to time among these summer students during their sojourn at the U.B.C. and the first of these affairs was a dance which was held last night at the university auditorium, and which was a delightful informal affair.

Those present were the students and staff and the friends of both. An energetic committee was in charge and was composed of Miss Marion C. Atherton, Miss Laura Imlah, Mr. W. F. Houston, Mr. H. E. Patterson, Mr. W. H. Hardwick and Mr. G. P. Young.

Summer Session Students' Picnic At Jericho Beach

University students attending the summer session at the U.B.C. held a jolly basket picnic on Friday at the David Spencer Athletic ground and on Jericho Beach. Tennis was the principal feature during the afternoon, in the form of an American "tournament," followed by a college "spread" on Jericho Beach, around the popular bon fire so dear to the college heart. Dancing followed in the gaily decorated pavilion in the evening.

Those getting first place in the afternoon tennis were: Miss Willardie Stearman and Mr. W. F. Houston; second place, Miss I. Whittaker and Mr. F. Wilkes.

Another picnic will be held by the students on July 25 at Horse-shoe Bay. There will be bathing, boating and dancing. Plans are also under way for a tennis tournament on August 2, at Jericho Beach.

Those playing Friday afternoon were the Misses Regan, Whittaker, Millener, Parkington, Cartwright, Gamey, Wakefield, Wilby, Barton, Gagnon Whittaker, Carrico, Stirk, Burnett Mordy, Smith, Bunyan, Stearman, Hudson, Robinson, Watson, Mrs. Feakes, Miss Musgrave, Messrs. Baker, Wilkes, Hardwick, Found, Watson, Preston, Creighton, Buckley, Daniel, Smith, McIntosh, Stephenson, Boss, Willing, Morrison, Auld, Towell, Houston, Payne, Shiel, Plummer, Donaldson, Hudson.

Others present were the Misses Donaldson, Wallace, Handford, Stratton, Tennant, Mr. Young and Mr. Sam Moore.

Students of U. B. C. and students from other universities are this week in camp at Long Bay, Gambler Island, in the Student Christian Movement Conference. The sessions are held in the open, often on some rocky prominence amidst beauties of nature in which the location abounds.

The work has been done in two ways, by means of study group and also by means of addresses.

The addresses so far given have been as follows: Dean Coleman, "The Apparent Contradictions of the Bible;" Prof. Beckett, "The Value of the Study of Comparative Religions;" Ernest Clark, "How Does God Think?" Miss Helen Nichol, "Student Volunteer Movement and International Peace;" Ian McEwen, "Foreign Missionary Work." *27.6.*

B. C. GRADUATE VISITS OLD HOME

9.7
RICHMOND.—Miss C. M. Urquhart has returned from California and is spending a short holiday with her parents in Garden City. After graduating at the University of British Columbia, she was appointed to the fellowship for post-graduate students at Berkeley University, Calif., about two years ago. She says there are quite a number of students from the University of British Columbia at Berkeley, where they are highly esteemed. Miss Urquhart has now accepted a scholarship at Bryn Maur, Philadelphia, for which place she will leave in September.

Summer Students Have Very Active Social Calendar

Mrs. June 14 2nd
STUDENTS of the university summer session at the U. B. C. this season are having some gay out-door social activities in the leisure hours at their disposal. They have had and are planning to arrange summer dances, hikes, picnics and athletic tournaments. On Friday many of them assembled at the Jericho tea gardens where a jolly tennis tourney was held, by courtesy on the courts of the Spencer Athletic club. Winners in the tournament were Miss Willardie Stearman and Mr. D. McIntosh, first, and Miss Olivia Regan and Mr. L. Baker second, followed by Miss Louie Stirk and Mr. Fred Wilks.

An informal basket picnic followed the afternoon's tennis and a gay dance finished a merry party.

MANY STUDENTS PRESENT

Among those present were Miss Stratton, Miss Atherton, Miss Carrico, Miss Gagnon, Miss McConkey, Miss Hazel Whittaker, Miss Ivy Whittaker, Miss Grace Smith, Miss Louie Stirk, Miss James, Miss Stearman, Miss Reid, Miss Wallace, Miss Wilby, Miss Morrison, Miss Weir, Miss Mitchell, Miss Pedlow, Miss Turner, Miss Helen McColl, Miss McColl, Miss Mitchell, Miss Hurry, Miss Cartwright, Miss Regan, Miss Tennant, Miss Gammie, Miss Barton, Miss Warden, Miss Wilby, Mr. Morrison, Mr. Clark, Mr. Munro, Mr. Skinner, Mr. Hardwick, Mr. Plummer, Mr. Matthews, Dr. Marshall, Mr. Kagnoff, Mr. M. Kagnoff, Mr. Wilks, Mr. Baker, Mr. Boss, Mr. Stephenson, Mr. Willing, Mr. McIntosh, Mr. Auld, Mr. Young, Mr. Donaldson, Mr. Watson, Mr. Houston, Mr. Willing, Mr. Payne, Mr. Laing, Mr. Eckhardt, Mr. Brown, Mr. Hughes, Mr. Towell, Mr. Davidson, Mr. Broome and Mr. Moore.

ANNUAL BANQUET FRIDAY

Among other attractions on the social calendar for the summer students will be the annual banquet and social reunion to be held at the Ambassador cafe from 6:30 to 8 o'clock on Friday, August 3, to be followed by a dance until 1 o'clock. Former students and friends will be present on this occasion and brief speeches will be given by President Z. Klinck, Dean H. T. J. Coleman, Dr. Weir and Dr. Putman. There will also be community singing, songs, recitations and various toasts.

An organization and recommendations committee of the students is to meet Dr. Weir and Dr. Putman in conference under the auspices of the Education Survey Commission in the School Board offices at 7:30 on Monday, August 4, to discuss the question of the academic, professional and general cultural education of teachers. Dr. Weir feels there should be a good deal that is of interest to the survey in the views of these summer students and expressed a wish to meet them. Many of the experienced teachers of the province will be represented.

U.B.C. Graduate Sails for India

Mrs. June 14 2nd
NORTH VANCOUVER.—Receiving an appointment to the staff of St. John's College at Agra, India, as lecturer in history and economics, Eric W. Jackson, son of Colin F. Jackson of North Vancouver, left by the Empress of Australia. He recently graduated with history honors at the University of British Columbia.

**Graduate Awarded
\$1000 Scholarship**

S. R. McDOUGALL

NEW WESTMINSTER. — Mr. McDougall, who is a graduate of the U.B.C. and son of Peter McDougall, 837 Keary Street, has received word that he has been awarded a \$1000 Dominion Government scholarship. He will leave shortly for Montreal, where he will continue his studies in chemistry and physics at McGill University.

Mr. McDougall, better known as "Spitz" among his many friends at the U.B.C., took his master's degree in the spring of 1923, and since then has been doing special work in the "U" laboratories.

Receiving his early education in the Richard McBride Public and Duke of Connaught High Schools, Mr. McDougall has had a brilliant career. He is a Dean Brock scholarship man.

**Coming Wedding
Of 'Varsity Girl
Excites Interest**

One of the most picturesque weddings of the present summer season and one of interest to many of the younger social set in university circles is the wedding at sundown on Wednesday of Miss Muriel Evans, F. G. Evans, Marguerite Avenue, Shaughnessy Heights, and Mr. Jack McDougall, nephew of Mr. and Mrs. H. H. McDougall, Connaught Drive, Shaughnessy Heights.

The ceremony will be performed in the approaching twilight of six o'clock by Rev. Harold King in the chancel of St. Paul's church, which will be banked with cybotium and tall baskets of summer flowers ranged before the altar.

Many guests have been bidden to this wedding, as both bride and groom are well known here, and in the past few years Miss Evans has been a prominent figure at the local university, of which she is a graduate. Last season she was the president of the University Players' Club.

In the wedding party will be also two university girls as bridesmaids, Miss Betty Somerset, a graduate, and Miss Jessie Adams, a past student. The bride and her attendants will be gowned in whimsically picturesque frocks admirably suited to their various types of young girlhood, and the service will be fully choral. Mr. James Hutchison will support the groom, and the ushers will be Mr. Telford James, Mr. Colin Ferris and Mr. Ian Cameron.

After the ceremony the wedding guests will gather at the home of the bride's parents where an informal dance has been arranged by the bridesmaids, before the principals of the occasion leave for a tour to Alaska. *M. S. Aug 4 24*

**U.B.C. BOY TO
GO TO OXFORD**

**Garrett S. Livingston Will
Be B. C.'s Twentieth
Rhodes Scholar**

Garrett S. Livingston, popular graduate of the University this year and chosen as Rhodes scholar, is awaiting word to leave for Oxford, where he will continue his studies. Mr. Livingston was named the 1924 Rhodes scholar last fall by the advisory board. He graduated this year with good marks although seriously handicapped by ill-health in the spring.

As a high school and university athlete here, Mr. Livingston has won considerable local fame in sprints and hurdles and high awards in the university track contests. As a leader in the University Players' Club he has had outstanding success, having taken leading roles.

The scholarship is now valued at £800 a year with an additional £50 until further notice, and is tenable for three years.

Mr. Livingston is British Columbia's twentieth Rhodes scholar and has been preceded by prominent Vancouver men who have attained considerable success in the business life. A. W. Donaldson was the first British Columbia man, going over in 1904. He was followed by I. I. Rubinowitz, H. R. Bray, T. Larsen, H. T. Logan, A. Yates, S. C. Dyke, J. B. Clearhue, A. N. King, G. L. Hagen, B. E. Atkins, E. V. Gordon, E. W. Berry, Sherwood Lett, J. H. Menzie, L. A. Mills, W. H. Coates, R. L. Vellum, L. W. McLennan, Norman A. Robertson and now Garrett Livingston.

**Student Will
Go to Cornell**

GEOFFREY BRUUN, B. A.

ONE of the leading students in history at the University of B. C., Geoffrey Bruun, will leave in a few days for Cornell, where he has been granted a teaching fellowship in modern European History. Mr. Bruun graduated this year with honors.

**STUDENTS MUST
MAKE STANDING
AT U. B. C. GOOD**

Students who intend taking courses at the University of British Columbia this fall and who still have to pass supplemental examinations are warned by the University officials that they had better write when the examinations are held, commencing September 10 and September 19. New regulations adopted by the Senate and Board of Governors early this year make it advisable to pass these as soon as possible owing to the expected crowded conditions.

Students coming up to the University from High School are especially warned regarding the calendar regulation for admission to the college, which states that no person under 18 years of age will be admitted without complete junior matriculation standing and that no candidate of more than 18 years with deficient standing will be admitted without special permission from the dean of the faculty concerned. According to the board, this regulation will be strictly enforced. Special permission must be received for all students under 16 years also.

**Royal City
Society Notes**

Miss Lucy Ingram, of Vancouver, honor graduate of the University of British Columbia, who will leave shortly for California to resume her studies at Berkley University spent a few days in the city the guest of Miss Laura Imlah, Royal avenue.

**Honan Student
Is Returning**

GEOFFREY RIDDEHOUGH, B.A.

B. C.'S WINNER of the Governor General's gold medal for graduating students in Arts from the University here will arrive in Berkeley within a few days to continue his studies. Geoffrey Riddehough, known locally as "Nancy Lee," has been awarded a teaching fellowship by the University at Berkeley. As a graduate honor student in English he will continue with this line of study.

Hindu, U.B.C. Honor Student, Undertakes To Expose Fakirs

In Lecture Aug 15 24
Nahar Singh Mangat, Oratory Medal Winner, Tells of India Magic

NAHAR SINGH MANGAT, a graduate honor student of the University of British Columbia and winner of the gold medal for the oratorical contest this year, was at the Vancouver Exhibition last week exposing the fakes that are practised by the politically ambitious priests of India to hold the ignorant masses under control. He gave an interesting lecture on the mysteries of these priests and illustrated his exposures by doing some of the tricks practiced by them.

Nahar Singh Mangat graduated with honors in economics this spring after two successful years at the U. B. C. and other college years at the University of Punjab where he was a student for some time. He has interested himself in philosophy at the university here and has put in long hours of study of Indian philosophy, having made a thorough study of his own people at home and here.

WINS PRIZE

Being a fluent speaker he took first prize in the oratorical contest here when he spoke on the components of a woman. His address at that time drew comment from all parts of the city for its originality and was reproduced in full in the college publication, The Ubysey.

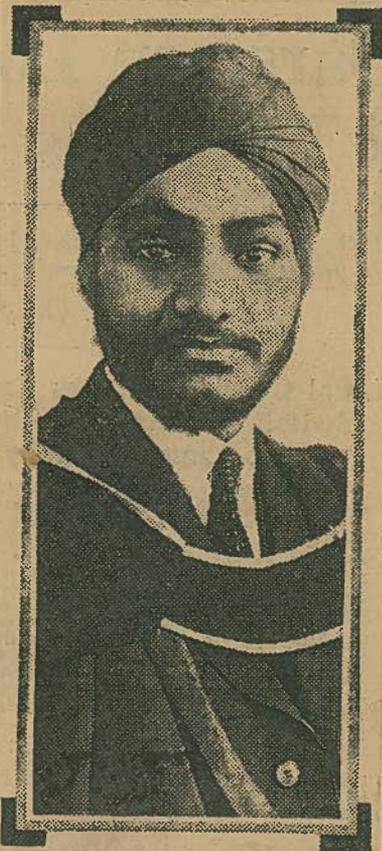

Mr. Mangat is well known to the Hindu people here as a leader of the Theosophical Society. He conducted services in the Sikh Temple here last summer and these were largely attended by the natives of India in this province.

At the Exhibition he explained that he was not a side-show faker but there to expose the fakes of old India and to give a real conception of the mysteries of the priests. He told how a magician would come forward at a time of famine with a specially designed dish would make bread appear to come from the air. The natives would flock to him and raise him to power believing that some divine sanction had been given.

EXPOSES TRICKS

In a like manner Mr. Mangat showed how the fakirs would make water come from the air by a specially designed funnel. He gave an illustration of the hypnotic powers displayed by the priests, stating that in each case the fakirs had chosen someone whose mind they could control easily. He explained hypnotism to his audience. He appeared under his own name and announced that he was a graduate of the University of B.C. and was at the skid-road as an educational feature.

Some time ago Mr. Mangat announced that after completing his education in B.C. he would go to Toronto and Montreal to take his doctor's degree in medicine.

REGISTRAR OPENS U.B.C. ENROLMENT

University students who have taken college years or high school work in other provinces and who intend to take lectures at the University of British Columbia this fall are asked to register as soon as possible. Registrar Stanley W. Mathews stated yesterday that all certificates of the students from outside of this province must be thoroughly investigated before admission to the U. B. C. is allowed. It takes several weeks to complete the work on some of the applications, he said, and wishes the outside people to see him as soon as they can do so that all the routine work may be completed before the term opens.

The last day for registration this year for all students except the first year applied science men is September 19, and lectures will commence September 23. Summer school in mechanical engineering opens September 8, which is the last day for the first year applied science men to register.

U.B.C. REGISTRATION SHOWS 100 INCREASE

Registration for the fall term of the University of British Columbia closed Friday evening and Stanley W. Mathews, registrar, stated that although the exact figures would not be available until late today, the enrollment showed an increase of approximately 100 students. It is estimated that 1400 students will attend the opening session of the university next Tuesday morning.

GRADUATE TO TORONTO

Sept 1
Miss Violet Dunbar, a graduate in science of the University of British Columbia, is leaving shortly for Toronto University to continue her work in chemistry. Miss Dunbar, who has her M.A. degree from Toronto, will proceed with her studies this winter towards the degree of Ph.D.

Alumni of U. B. C. Announce Tentative Plans for Winter

An attractive series of affairs has been arranged for the winter season by the executive of the Alumni Association of the University, which held its first meeting Tuesday night. The annual dance on October 17 will be held in Lester Court this year instead of in the University auditorium. The dance will be in charge of a committee from the Classes of '21 and '22 under the convenorship of Mr. Allan Russell.

For the November meeting an attractive programme is being arranged by the graduating classes of '19 and '20.

CHRISTMAS REUNION

During the Christmas holiday season a reunion dinner will be held by the association on December 30. The women members of the association will dine at one place while the men will hold a "stag" dinner at one of the local clubs. "Loud speaker" telephones will enable communication to be maintained between the banqueting halls during the progress of the dinner and later the two parties will join in an informal dance at the University auditorium.

The president of the association announced that plans are being made for the holding of a special ceremony this year in honor of the tenth anniversary of the University. A tentative proposal has been made that the anniversary celebration should be held in connection with the tenth annual congregation exercises in May, combining with it the convocation and graduation exercises. It is hoped that a number of the new buildings at Point Grey may be ready for official opening at that time, and if so, a public ceremony may be arranged.

NORAH COY MEMORIAL

A unique form of memorial has been decided upon by the Norah Coy Memorial Fund committee, which is under the convenorship of Miss Gwen Robson, Arts '21. The committee proposes to set apart the sum of \$100 from the fund, which is to be invested in trust for a period of 100 years and allowed to accumulate. At the expiration of 100 years the fund will be turned over to the University and Alumni Association authorities to be used for the purchase of additional books and documents for the Norah Coy Memorial collection in the University library.

The publications committee reported that the Alumni Bulletin and Directory would be continued again this year, the first bulletin appearing early in October.

U.B.C. ENROLMENT NEARING RECORD

M. S. ... Sep 19 24
Registration Shows 1177 Students With 300 More Expected Today

Eleven hundred and seventy-seven students have been enrolled for the fall term of the University of British Columbia and before the final hour for registration this evening more than 300 additional names will be on the list, according to Stanley W. Mathews, registrar.

Officers of the University expect that the attendance for the fall term will exceed by more than 100 the number of students who were present at the opening classes last year. Registration during the past few days has been taken mostly by students from out-of-town points, it is said, those in the city and vicinity enrolling early. Lectures will commence next Tuesday morning, according to the university programme.

3 SCHOLARSHIPS OFFERED STUDENTS

Graduates in French from the University of B. C. will be eligible for scholarships to be offered through a decision of His Honor the Lieutenant Governor to give three scholarships annually to enable further studies in French colleges.

This announcement was made yesterday when it was stated that it is the intention of Lieutenant Governor Nichol to give these awards for five years, the value being \$1200 each per annum. Each scholarship will be tenable for three years. The bursaries were arranged this summer when the Lieutenant Governor was in Paris, where he was convinced of the great possibilities of creating a friendly feeling and a closer understanding between the two races.

University of B. C. Will Re-Open Today With Record Classes

Lectures Open Today With
1308 Students Enrolled
for Session

LECTURES of the 10th session
open this morning, when the
record number of 1351 students will
gather at the temporary buildings
in Fairview.

Registration figures announced
yesterday by Stanley W. Mathews
showed that 1351 students have al-
ready registered, and indications
are that this number will be in-
creased by 100 within the next few
days.

This does not include the class of
approximately 75 that will take the
teachers' training course in the
University buildings after Christ-
mas.

FROSH SHOW INCREASE

Last year the total registration
in all departments was 1308, and
this included 55 students in teach-
ers' training work and 54 graduate
students.

A large increase in the freshman
class has been reported, there being
581 applications yesterday, while
for last year there were 499. The
first-year classes have been very
crowded in the past few years and
the university authorities are now
faced with a serious problem of
housing the increased numbers.

All available space has been used
in previous years, it being neces-
sary to take several classes in
church buildings within a few
blocks of the University site. These
will be taxed to the utmost this
session.

MEETING SCHEDULED

Everything is in readiness for the
students this morning and activities
will be under way before the week
is out.

A student handbook containing
all the necessary information for
the freshies and other students will
be distributed by the Publications'
Board this week, while the first
Board this week, while the first
issue of The Ubysey will be off
the press Friday. This will be a
special four-page sheet.

Meetings of the freshies will be
held this morning, when Dr. L. S.
Klinck, president, will be a speaker,
along with Dean H. T. J. Coleman,
Dean Reginald Brock, Dean F. M.
Clement and Miss M. L. Bollert, dean
of women. Student leaders will
address the freshmen as soon as
meetings can be arranged.

HAZING BANNED

The Students' Council of the Uni-
versity Alma Mater Society has
been functioning during the sum-
mer and held a meeting yesterday.

A special initiation committee
will meet today. It is expected
that the initiation will be practi-
cally free from hazing.

The registration figures an-
nounced Monday were: Faculty of
Arts, first year 581, second year
216, third year 149, fourth year 132,
total in Arts 1078; Faculty of Ap-
plied Science, first year 70, second
year 46, third year 40, fourth year
30, total in Applied Science 186;
Faculty of Nursing, first year 16,
second year 6, third year 7, fourth
year 2, fifth year 3, total in Nurs-
ing 34; Faculty of Agriculture, first
year 11, second year 11, third year
13, fourth year 18, total in Agricul-
ture 53.

DR. L. S. KLINCK

"DAL" GRAUER

STUDENTS of the University of
B. C. returning to their classes
in increased numbers this year
to the crowded buildings at Fair-
view will be welcomed by Dr. L.
S. Klinck, president of the uni-
versity, and "Dal" Grauer, presi-
dent of the Alma Mater Society
for 1924-25. Dr. Klinck is also
honorary president of the Alma
Mater Society. President Klinck
will address a meeting of the
first-year students in the Univer-
sity Auditorium at 9 o'clock,
while Mr. Grauer will be speaker
later in the week.

Mrs. Klinck Will Entertain Students From Out-of-Town

OUT-OF-TOWN girl students of
the first and second year at
the University of B. C. will be
the guests of Mrs. L. S. Klinck at
her residence, 2026 Thirteenth Ave-
nue West, on Saturday afternoon
and evening.

Miss Bollert, dean of women, and
the executive of the Women's Un-
dergraduate Society, will assist Mrs.
Klinck with the entertainment,
which will take the form of high
tea, followed by music and games.
It is expected that about 50 out-
of-town college girls will be pres-
ent.

Killed by Train

—By Hacking Studio

MALCOLM J. C. DICKSON, B.A.

ACCIDENTAL death was the
verdict of the coroner's jury
enquiring into the death of Mal-
colm James C. Dickson, who was
killed Thursday at Ladysmith by
a freight train. Mr. Dickson had
graduated with second class
marks from the University of
B.C. with Arts, '23. He was the
son of J. S. Dickson of Richmond
Road, Victoria, and had studied
at McGill as well as at the U.B.C.

TRAIN KILLS U.B.C. MAN

Malcolm J. C. Dixon Dies Under Car Wheels at Ladysmith

Malcolm James C. Dixon, 20,
graduate of the University of B.C.
and recently of McGill University,
was instantly killed under the
wheels of a freight train at Lady-
smith Thursday, according to ad-
vices received in the city last night.
Dixon arrived at Ladysmith
Wednesday to visit his brother,
George H. Dixon, wharfinger at that
place.

Thursday morning he accom-
panied his brother to the wharf,
and was walking back toward the
house when he was struck down by
the train. Trainmen said he looked
up just before the train reached
him and then stepped directly in
front of the approaching cars.

Coroner Hickling held an inquest
at Ladysmith Thursday, the jury
returning a verdict of accidental
death with no blame attached to
the train crew.

Dixon was born in Litchfield, Mo.,
where his brother still lives. He
won his B.A. degree at the Univer-
sity of B.C., and then attended Mc-
Gill University for a time, being
forced by ill health to return to the
Coast for a year's rest.

At U.B.C. he was a member of
the Players' Club and of his class
rugby team.

STUDENTS WANT LIBRARY PRIVILEGES

Senior students of the University will attempt to obtain stackroom privileges this afternoon when they meet John Ridington, the librarian. The meeting has been called that some action may be taken to give the seniors a chance of having the stacks reopened.

In the past the reading room only has been opened to the students, and this has been so crowded that many of the upper-year students have been unable to secure seats for their study of reference books, which may not be removed from the reading room.

U.B.C. ATTENDANCE RECORD IS 1431

Registration of Students for Year Is Largest in Institution's History

Registration figures released Thursday from the University of B. C. show a record attendance of 1431, according to Stanley W. Mathews, registrar. This includes 46 students in the teachers training course and 83 graduates taking work leading to master degrees. Those students ranked as unclassified are carrying supplementals within the University. Those students carrying supplementals from High School were asked to withdraw some time ago.

Complete registration yesterday was:

Faculty of Arts and Science, first year, 528; second year, 213; third year, 153; fourth year, 122; unclassified, 59; total in arts and science, 1075.

Faculty of Applied Science, first year, 69; second year, 46; third year, 23; fourth year, 29; unclassified, 16; total in applied science, 133.

Faculty of Nursing, first year, 15; second year, 6; third year, 5; fourth year, 1; fifth year, 4; unclassified, 5; total in nursing, 36.

Faculty of Agriculture, first year, 11; second year, 7; third year, 8; fourth year, 15; unclassified, 12; total in agriculture, 53.

Graduates, arts and science, 27; applied science, 7; agriculture, 4; total graduates, 36. Teachers training course, 46. Total registration at University, 1431.

U. B. C. JUDGING TEAMS SELECTED

Members of the two stock judging teams that the University of B. C. will send to Portland for the competitions there at the Pacific International Livestock Exposition, November 1, were announced Wednesday night at the annual agricultural banquet held at the Elysium Hotel.

The general animal husbandry team will be composed of A. W. Aylard, G. W. Challenger, E. B. Fraser, L. A. Murphy and J. C. Nelson, while the dairy cattle team will be G. T. Wilkinson, J. B. McCurrah and G. M. Dynes.

Professor Wilfred Sadler has asked that a team be also sent for judging dairy products.

Classics Club Formed—Latin and Greek students at the University of B. C. have organized a Classics Club, the purpose of which will be to discuss questions of general interest arising out of these subjects. Homer A. Thompson, Arts '25, has been elected president while Prof. L. Robertson will be honorary president. Miss E. Lucas was chosen as vice president and John Grace as secretary. The Mathematics Club has reorganized and will hold a meeting today when Preston Mellich, Arts '26, will speak on Cryptograms.

U.B.C. FROSH TAKE OATH

First Initiation Without Hazing Is Declared Great Success

Setting a precedent which may be followed elsewhere in collegiate institutions throughout Canada and the United States, the undergraduates of the University of B. C. last night abandoned the old forms which have attended the initiation of freshmen in previous years.

There was no hazing or manhandling, no paint or evil-smelling chemicals, no victimization of the new postulants for academic training.

Every act in the ceremony was impressively serious. The exhortations of the celebrants of the mystic rite were directed to the inculcation of the highest ideals in both study and sport, as set forth in the vows of allegiance to the traditions of the university and of loyalty to the senior students.

URGED TO STUDY

Every freshman was told that if he were willing to balance judiciously the claims of study, sport and social life on his time he would gain most from his university career. He must not put athletics above his classroom work.

The ceremonies opened at 7:30 p.m. when the freshmen were divided into three groups of 200 and were taken to the physics, chemistry and biology lecture rooms to hear the students' council members speak to them. The groups were then taken one at a time to the auditorium, which was in semi-darkness, and divided into smaller groups of 10. With only a few candlesticks throwing a dim light through the hall the surroundings took on a mysterious appearance. The auditorium seats were filled with senior students in academic gowns.

OATH ADMINISTERED

The freshmen were led in groups of 10 to the platform, where they repeated their oath of allegiance to the university to President A. E. Grauer of the students' council. Later they were all brought together to the lighted auditorium, where Dr. L. S. Kilnck and Mr. Grauer spoke on the meaning of the oath.

The new tradition formed at the University of B. C. will make the manhandling of freshmen difficult in the future years. The sophomore students who up to the present year have demanded hazing in some form appeared satisfied with the new form, while the senior students, the faculty and the Board of Governors are highly delighted with the departure.

New French Club Formed at Varsity

A new French club to be known as "La Causerie" has recently been formed at the University to provide further opportunity for practice in French conversation and the study of French literature.

The club is open only to third and fourth year students interested in the literature and language of France and is limited to 20 members.

The first meeting was held recently at the home of Miss Jean Woodrow, 1705 Twelfth Avenue West, when the honorary president, Dr. A. F. B. Clark gave a talk on the late "Anatole France."

Officers were elected as follows: President, Miss Alice Myers; vice-president, Miss Mildred Lynn; secretary, Miss Bertha Thompson; treasurer, Miss Jean Woodrow; press representative, Miss Lillian Hodgins.

U.B.C. FRESHMEN WILL ORGANIZE

Freshmen of the University of B. C. will be organized at once following the announcement of the students' council that the officers of the first year will be elected at a meeting Friday noon.

The freshmen have been working under a temporary head and the council is of the opinion that unless they become organized at once with the sub-marshall at the head of each group of ten the members of Arts '28 will lose touch with the university activities. Donald Gillingham has already been appointed to the class executive as class reporter of the Ubyssy.

U.B.C. FRESHMEN ELECT OFFICERS

E. Bebb was elected president of the freshman class in Arts at the University of B. C. Friday noon when the members of Arts '28 met to organize for the year. Beth Tingley was chosen as vice president, while Professor F. H. Soward will be honorary president.

Other officers elected are May Walker, secretary; Ralph Shaw, treasurer; M. Lange, men's marshal, N. Roberts, women's marshal; W. Thompson and Miss Doris Wood, athletic representatives; F. Adams and Miss K. Bird, literary representatives; Frank Fournier, yell leader; William Turpin, song leader; Donald Gillingham was appointed to the staff of The Ubyssy and will hold an executive position as class reporter.

LAURA MOWATT IS U.B.C. SPORTS EDITOR

Laura Mowatt, Arts '25, has been appointed sports editor for the women on the college paper, it was announced Thursday night following the meeting of the editorial staff of The Ubyssy, the college weekly. Miss Mowatt was chosen as senior reporter by the editor-in-chief and the chief reporter early this week and her new appointment was made yesterday in recognition of the excellent work she did last year on the paper.

This is the first year that there has been a special editor for women's sports.

JACK LEDINGHAM HEADS LIT. SOCIETY

Jack Ledingham, Arts '25, has been elected president of the Sigma Delta Kappa, a literary organization at the University of B. C. He has acted in that capacity since the opening of the term, and his appointment was ratified at the last meeting, when officers were elected. Dean F. M. Clement was chosen as honorary president and other officers elected were Evelyn Price, vice-president; K. A. Schell, treasurer; Mary Ledingham, women's literary representative; B. Gault, men's literary representative; L. Levers, publicity agent.

The meetings of the society take the form of a student parliament and the government party was defeated at the last meeting. The Labor group will form a new government with K. A. Schell as premier.

U.B.C. PLAYERS TO STAGE TRYOUTS

McLean Oct 26 24
Plans Are Being Laid for Christmas and Spring Presentations

Activities at the University of B. C. are in full swing and plans are being made for the carrying on of the various student activities.

The University Players' Club will hold the tryouts for new members wishing to join the Dramatic Club in the near future, and following the selection of the new actors plans will be completed for the Christmas plays and the annual spring play. Manuscripts from students who are trying to win the \$50 prize for the best play written by a U. B. C. student and suitable for production in the Christmas plays must be in the hands of Professor F. G. G. Wood by next Tuesday.

Musical Society members will complete their tryouts today and the choirs and orchestra will be organized at once.

Work will be continued on the Grouse Mountain cabin of the Outdoors Club, which was started this summer. The cabin finished last year was destroyed by fire, several of the students losing their kits in the blaze. A hike will be made there Saturday.

Class activities have been commenced and plans for the class functions are being made. Phyllis Gregory was elected marshal of the women of Arts '25 at a meeting of the senior class in Arts. The meeting decided that the graduating class would wear the academic robe this year.

Varsity Students To Be Welcomed At Dance and Tea

McLean Oct 26 24
Along with the beginning of lectures at the University of British Columbia goes hand in hand the start of college social activities. And none is more important at the beginning of the university semester than the welcoming of the freshmen and freshettes who throng in crowds in the early autumn to the college of their choice.

Friday evening is the well known, and gay, "fresh" reception when the new students at the local seat of learning are welcomed by their senior fellow students into the ranks of the college crowd.

It will be held this year at Lester Court and in the receiving line will be Mrs. L. S. Klinck, wife of the president; Miss M. L. Bollert, Dean of Women; Miss Grace Smith, first vice president of the Students' Council (who arrange the affair), and Mr. A. E. Grauer, president of the Students' Council. The "prom" this year promises to be very popular.

Another event in the routine of the social college year is the "prefects" tea which is set this session for Saturday, October 11, and will be held in the U.B.C. Auditorium. On this occasion some 300 freshettes of the autumn of 1924 will be welcomed by the senior women students.

Miss Bollert to Give Tea Tuesday

McLean Oct 26 24
Miss M. L. Bollert, dean of women, will give a tea for the members of the Student Christian Movement on Tuesday afternoon, October 21, at her home, 1235 Tenth Avenue west.

Miss Sylvia Thrupp, president, is arranging the invitations. Assisting her will be Miss Clare McQuarry, Miss Laura Mowatt, Miss Lillian Reid and Miss Mabel Johnston.

PLAYERS' CLUB TO HOLD FIRST TRYOUT

Players' Club tryouts at the University of B. C. will be held next Tuesday and Wednesday, it was announced yesterday. There are 154 students taking part in the contest and from this number 30 will be chosen as members of the U. B. C. Dramatic Society. There are almost 100 women entered and 15 vacancies for them.

Following the initiation tonight the freshman reception will be held Friday evening at Lester Court, when, it is expected, almost 700 students will attend.

An Alma Mater meeting has been called for Friday noon and at this meeting the policy of the student council and the business of the first session transacted.

DOROTHY TAYLOR IS WINNER OF PRIZE

McLean Oct 26 24
Dorothy Taylor, Arts '25, of the University of B. C., has won the prize of \$50 offered by the Players' Club of the University for the best one-act play suitable for production at the Christmas Plays, it was announced Thursday by Professor F. G. C. Wood, director. Miss Taylor is the daughter of Senator Taylor of New Westminster and is a well known college student.

The play has been called "The One Deserving" and is a character study of two sisters. The scene is laid in a Canadian town. It will be produced with the other Christmas plays on the evenings of November 20, 21 and 22.

The other Christmas plays announced Thursday by Mr. Wood include "Figureheads," by Louise Saunders, "Old Lady Shows Her Medals," by James Barrie, "The Dollar," by David Pinski.

The Players' Club reception will be held in the University Auditorium Friday, October 31.

Players' Club Is Arranging Social

McLean Oct 26 24
Plans are being completed by the Players Club of the University of B. C. for their annual reception in honor of the new members on Friday evening, in the University Auditorium. Among the invited guests are included the alumnae members who took an active part in the club during their University course.

Prefects Tea on Saturday Is for the "Freshettes"

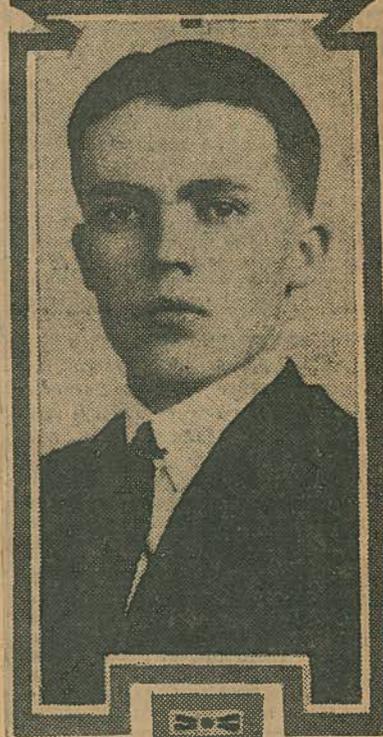

McLean Oct 26 24
The flocks of "freshettes" at college are now becoming accustomed to their surroundings with the help of their respective prefects, and on Saturday afternoon a "Prefects' Tea" will be held in the Auditorium under the auspices of the Executive of the Women's Undergraduate Society to which all women students of the University are invited. Each prefect will bring the two freshettes under her charge and introduce them to her fellow students.

Mrs. L. S. Klinck and Miss M. L. Bollert will receive in the auditorium, and Miss Margaret Ross and Miss Isabel MacInnes of the Faculty will speak to the students.

Refreshments will be served in the cafeteria and at the tea tables will be Mrs. H. T. J. Coleman, Mrs. T. M. Clement and Mrs. R. W. Brock.

U.B.C. DELEGATE IS APPOINTED

McLean Oct 26 24

T. W. BROWN

STUDENTS of the University of B. C. will be once again represented at the convention of the Pacific Intercollegiate Press Association to meet in Seattle November 7, 8 and 9. T. W. Brown, editor in chief of the Publications Board, will represent the local institution. The U.B.C. has had no seat in the conference for two years.

College Dansant Is Bright Affair

McLean Oct 26 24
The Class of Arts '27 of U. B. C., held a very enjoyable dance in the Stanley Park Pavilion Saturday afternoon, following the Varsity rugby game.

Arrangements were carried out by the executive, Miss Dorothy Brown and Mrs. Charles Mottley acting as convenors. Tea was served in the dining room from 5:30 until seven.

Among those present were; Miss Donalds Scouse, Miss Undine Howay, Miss Katherine Reid, Miss Dorothy Brown, Miss Jean Gilley, Miss Betty Guernsey, Miss Edna Pettapiece, Miss Grace Freeborn, Miss Helen Northey, Miss Constance Welch, Miss Phyllis Hemsworth, Miss Mary Cole, Miss Isabel McTivish, Miss Madge Rankin, Miss Mary Robertson, Miss Blanche Almond, Miss Jo McIntyre, Miss Charlotte Chislett, Mr. Bill Thompson, Mr. Donald McGugan, Mr. Carl Wilson, Mr. Buchanan, Mr. Murray Hunter, Mr. Max Wright, Mr. Russell Robertson, Mr. Howard Decew, Mr. Wilkinson, Mr. Horace Ripstein, Mr. Bruce McDonald, Mr. Wally Hunter, Mr. John McLean, Mr. Arnold Henderson, Mr. Ron Gordon, Mr. Bruce McLean, Mr. Wally Shore, Mr. Bill Hatfield, Mr. Otto Gill, Mr. Lever Bates, Mr. Cecil Newby, Mr. Bill Buckingham, Mr. Kenneth Schell, Mr. Hunter Lewis and Mr. Tommy Lowden.

U. B. C. Students Have Jolly Dance At Capilano

The class of Arts '26 held an enjoyable dance at Canyon View Hotel, Capilano, Saturday afternoon, after a "hike" from the ferry. Mr. Louis Smith, Miss Lenora Irwin and Mr. Jack Bates convened the various committees. The faculty was represented by Dr. G. G. Sedgwick, honorary president, and Miss Sallee Murphy.

Those present were: Miss Freida McArthur, Miss Sheila Phipps, Miss Ruth Teeple, Miss Freda Edgett, Miss Sybil Bolt, Miss Hazel Gilley, Miss Kathleen L. Clark, Miss Marjorie Menten, Miss Ida Porter, Miss Doris McKay, Miss Mary Ledingham, Miss Marjorie Dimock, Miss Evelyn Price, Miss Mary McGregor, Miss Sadie Boyles, Miss Wanetta Leach, Miss Helen Dobie, Miss Marian Smith, Miss Clara Bridgeman, Miss Florence Brown, Miss Esther King, Miss Margaret Jones, Miss Agnes King, Miss Ila Raby, Miss Winona Straight, Miss Helen Lyttleton, Miss Grace Swencisky, Miss Eileen Macdonald, Miss Kenna Macdonald, Miss Isobel Barton, Miss Dorothy Arkwright, Miss Marian Smith, Miss Mary Beane, Mr. Louis Smith, Mr. Russell Palmer, Mr. Jack Bridge, Mr. Bert Wales, Mr. Cairns Gothier, Mr. Ralph Ball, Mr. Walter Turnbull, Mr. Murray Hunter, Mr. Billy Murphy, Mr. Hilton Moore, Mr. Jerry Thompson, Mr. Bruce Macdonald, Mr. Clary Domoney, Mr. Frank Potter, Mr. Harry Purdy, Mr. Mark Hill, Mr. John Grace, Mr. Pierce Selwood, Mr. Tommy Taylor, Mr. Earle Birney, Mr. George Ashworth, Mr. I. A. Balmer, Mr. James Aitken, Mr. William Chalmers, Mr. Eddie Chamberlain, Mr. Charles Farrand, Mr. Horace Fowler, Mr. Charles Gibbard, Mr. George Ledingham, Mr. Alan McLennan, Mr. Ronald Stuart, Mr. John Sutherland, Mr. Gordon Telford and Mr. Ronald McKinnon.

SOUND PHILOSOPHIC CREED IS OUTLINED

Members of the Electric Club at their weekly luncheon, on Friday, at the Hotel Vancouver had something in the nature of a surprise.

Prof. W. E. Duckering of the U.B.C. was announced to speak on "Philosophical Engineering." His talk informal, anecdotal and altogether pleasing, was on how a man could engineer his life to carry on the best traditions and make for progress.

It was a plea for belief in the immortality and development of the personal "Ego." Unselfishness, he contended, was a feature of the age. There were many movements—Service clubs and other organizations—which showed that men will win sometimes unconsciously, obeying the "urge," not only to "carry on," but to reach for an ultimate goal of universal happiness.

S. R. Adamson contributed songs. There was a good attendance.

The programme committee: W. W. Fraser, H. J. Hobson, T. B. Puce and Claude Carter have arranged interesting talks for the next few weeks.

UNIVERSITY DANCE

Miss Winks Hall and Miss Polly McGougan convened a delightful Halloween dance given by members of Class '25 of the U.B.C. in the Varsity auditorium on Friday evening. In charge of the different committees were: Decorations, Mr. Eddie Chapman, Miss Eloise Angell, Mr. C. Nelson, Mr. Frank Painter, Mr. Wilfred Kelly, Mr. George Allen, Mr. Harley Arkley, Miss Marjorie Bell and Mr. Eric Forster; music, Mr. Jimmy Smith; invitations and programmes, Mr. Ralph Matthews, Mr. Archie Fee and Mr. "Brock" McLeod; refreshments, Miss Florence McLeod and Miss Bee Welch; floor, Mr. Kenneth Schell, Mr. Wally Shore, Mr. Walter Gage, Mr. Bill Carpenter, Mr. Robert Ball, Mr. William Harby, Mr. L. McKillop, Mr. T. J. Keenan, Mr. Sidney Ingram, Mr. Harold Henderson, Mr. Joe Coates and Mr. Edward Anthony.

The patrons were President and Mrs. Klinck, Mr. and Mrs. Wood, Dr. and Mrs. Sedgwick, Dr. Boggs and Miss Bollert.

UNIVERSITY BOYS TELL WAR TALES

B. C. Members of the 196th Hold Reunion of Survivors of Battalion

Reminiscences of eventful days in camp, bivouac and trench, in the air force, artillery or infantry passed the rounds at a reunion of the British Columbia Company of the 196th Western Universities Battalion at the Ambassador Cafe Saturday night. Of the 190 members of the company who returned about 80 are residing in Vancouver and district and most of these assembled round the banquet table under the chairmanship of their company commander, Major R. W. Brock, dean of the faculty of science, University of B. C.

One of the main events of the evening was the reading of letters from the members of the company who are scattered throughout the length and breadth of the continent following their various civilian occupations.

D Company of the 196th Battalion was organized in the spring of 1916 and went under canvas on the grounds of the University of B. C. for a few weeks prior to departing for intensive training at Camp Hughes, Man., where the B. C. company joined similar companies from the three prairie provinces to form what was officially known as the Western Universities' Battalion.

REINFORCED 46TH

Early in November, 1916, the battalion went overseas. Many men in the ranks who had taken officers' training courses, were transferred within a few weeks as officers or N. C. O's to fighting units. The bulk of the B. C. company went to reinforce the 46th Saskatchewan Battalion, in which the boys from the Coast served in their first big engagement at the battle of Vimy Ridge.

Heavy casualties were suffered at Vimy and the balance of the members of the 196th who had reached the age of 19 went to fill the gaps in the ranks. Several non-commissioned officers were transferred to B. C. battalions, while a contingent of signallers went forward as a reinforced draft to the First C. M. R. Battalion.

SILENT TOAST DRUNK

The first reunion of the 196th, following the separation in England, was held at Auchel, France, behind the lines at Vimy Ridge, where they W. U. B.'s, as they were known, assembled for a celebration. It is believed that Canadian college yells were rendered in France for the first time on this occasion.

As the men incapacitated by wounds began returning to Vancouver periodical reunions were held and efforts have been made since the Armistice and the return home to bring the members of the original unit together from time to time.

A silent toast was drunk last night to the men who fell in action and arrangements were made to maintain a small fund to provide suitable tributes for departed comrades as the occasion arises. A programme of music and song concluded the evening's events.

U.B.C. Pianists Club Meeting

A meeting of the Pianists' Club of the University of B. C. was held Thursday evening at the home of Mr. Leslie Brooks, 1330 Thirteenth Avenue East. Miss Phyllis Fewster read a carefully planned and interesting paper on the subject of "Form", after which a programme was given by Miss Ida Kerr, Miss Clara Wilson, Miss Phyllis Fewster, Mr. Leslie Brooks and Miss Florence Kerr, Mr. Carl Barton and Mrs. Proverges.

Third Year Girls Of U. B. C. to Be Guests at Tea

The Faculty Women's Club of the University of B. C. will entertain at tea Wednesday afternoon in honor of the girls of the third year.

In the receiving line will be Mrs. L. S. Klinck, Mrs. H. T. J. Coleman and Miss Lenora Irwin, president of the class. At the tea table Mrs. Low, Mrs. Seyer, Mrs. H. P. Archibald and Mrs. Malcolm Knapp will preside, and Mrs. N. S. Golding, Mrs. Hennings, Mrs. E. A. Lloyd, Mrs. Boving, Mrs. Vickers and Mrs. J. G. Davidson will assist in serving.

The invited guests will be Miss Oenone Baillie, Miss Bernice Barton, Miss Isobel Barton, Miss Lorna Barton, Miss Doris Baynes, Miss Alfreda Berkeley, Miss Sybil Bolt, Miss Sadie Boyles, Miss Clara Brdgman, Miss Florence Brown, Miss Marion I. Bullock-Webster, Miss Lila Burnett, Miss Mildred H. Campbell, Miss Kathleen L. Clark, Miss Ursula Cooper, Miss Roberta Cranston, Miss Esther Dickman, Miss Marjorie Dinnock, Miss Helen M. Dobie, Miss Virginia Eaton, Miss Jean Faulkner, Miss Ruth Fraser, Miss Gwendolyn Gadd, Miss Gladys Galbraith, Miss Edna Garner, Miss Clara Gould, Miss Annie Henderson, Miss Lillian Hodgins, Miss Margaret I. How, Miss Lenora Irwin, Miss Margaret E. Jones, Miss Honor K. Ed, Miss Esther E. King, Miss Mary Lade, Miss Gertrude A. Langridge, Miss Wanetta Leach, Miss Edith F. Lockard, Miss Helen Lyttleton, Miss Rosa Marin, Miss Marjorie Menten, Miss Joan Meredith, Miss Marion Mitchell, Miss Aida Moffatt, Miss Louise Morrison, Miss Margaret Morrison, Miss Alice Myers, Miss Eileen Macdonald, Miss Kena C. Macdonald, Miss Edith E. McDougall, Miss Mary McGregor, Miss Margaret McIntyre, Miss Doris McKay, Miss Mary MacKay, Miss Margaret MacKenzie, Miss Cecilia McLean, Miss Dorothy Arkwright, Miss Myrtle Nixon, Miss Sheila Phipps, Miss Ida Porter, Miss Dorothy Russell, Miss Marion Smith, Miss Gwendolen Stirling, Miss Barbara Stirling, Miss Jean Story, Miss Winona Straight, Miss Bertha Thompson, Miss Roberta Thurston, Miss Elsie Tighe, Miss Jean Woodrow, Miss Annie Blatchford, Miss Freda Edgett, Miss Mary Esler, Miss Hazel Gilley, Miss Cecile Handford, Miss Mildred Lynn, Miss Grace Swencisky, Miss Ruth Teeple, Miss Dorothy Washington and Miss Dorothy Williams.

CASTS SELECTED FOR FRENCH PLAYS

Students of the University who are taking advanced work in French and who are members of the two French clubs will give a private performance of short plays Thursday, November 30. The full cast was announced Tuesday by the executives of the clubs, which will present a longer play next spring for the general public.

Doris McKay, Aida Moffat and Kenneth Miller have been chosen by members of La Canadiens to take parts in Rosalie, a one-act play, which was produced in English by the Players' Club of the University some years ago.

La Causerie, the other University French club, will present Les Deux Sourds, a one-act comedy. The roles will be taken by Jean Woodrow, Alice Myers, Charles McIntyre and Jack Heelas.

Many Attend U. B. C. Society

The Historical Society of the U.B.C. met last night at the home of Mr. Leon Ladner, King Edward Avenue, Shaughnessy Heights, when Miss J. Smith spoke on "The Rise of the British Labor Party" and Mr. Len Geddes on "Labor in Office."

Among those attending were Prof. F. H. Seward, Miss Phyllis Gregory, Miss Honor Kidd, Miss Helen MacGill, Miss Mary Mackay, Miss Doris Mackay, Miss M. Mitchell, Miss Kathleen Dodds, Miss G. Smith, Miss Sylvia Thrupp, Miss Winks Hall, Mr. J. Craig, Mr. Charles Gibbard, Mr. M. Hunter, Mr. Walter Turnbull, Mr. William Murphy, Mr. S. Kobe and Mr. Frank Painter.

OXFORD MEN DUE SUNDAY

Malcolm Nov 17 24
University Debaters From
England Will Meet U.B.C.
Undergraduates

Debaters from the University of Oxford who are touring Canada and United States will arrive in Vancouver next Sunday and will meet representatives of the University of British Columbia the following night at Wesley Church, when the merits of capitalism and socialism will be discussed. M. C. Hollis and J. D. Woodruff of Oxford will be supported by Murray Hunter of the University of B. C. in defending the capitalistic system, while Malcolm MacDonald, son of the former prime minister of Great Britain will take sides with S. Kobe and James Craig in upholding socialism. The Oxford men are taking the sides of the question to which their convictions lead them and it is expected that they will give a display of public speaking that is worthy of the ancient colleges to which they belong.

HERE SEVERAL DAYS

The three Oxford men will spend most of next week in Vancouver and will leave here Friday, November 28, for Seattle, where they will meet the University of Washington speakers. A long programme is

being arranged for the visitors while in British Columbia. President Dal Grauer of the Alma Mater Society of the University is in charge of the arrangements for entertainment. It is expected that the men will speak in Vancouver two or three times during their stay.

The Oxford tour has been arranged by means of the co-operation of the University and the Institute of International Education under whose auspices the debaters were brought from Europe. The men will speak at Saskatoon Tuesday night of this week against representatives of the University of Saskatchewan. Following the completion of the tour on this continent they will leave for New Zealand on January 20.

ALREADY IN POLITICS

Malcolm MacDonald, the socialist member of the visiting team, is a well known Oxford debater who received his early schooling at Bedales School in Hampshire, which is a co-educational institution. He was born in 1901 at Lossiemouth, Scotland, which is his father's native place. He went to Oxford on a scholarship in history, and at Queen's College he studied economics and history. He has twice been a Labor candidate in the elections of Great Britain and each time was defeated by a small number of votes.

James Craig, University of B. C., speaker on the side of socialism, is well known locally following his exceptional rise to debating fame last year when he was a member of the team defeating Wyoming debaters here. He is a member of Arts '25 at the University and has taken an active part in the literary societies of the college.

S. Kobe, a Japanese student at the U.B.C., is a member of Arts '26 and was the other member of the team defeating Wyoming. He is an honor student and has become well known in English and Japanese circles for his debating ability. He is the first

person at the University of B. C. to win the gold medal in the oratorical contest in his freshman year. Besides winning the gold medal at the University he carried off several prizes while at Britannia High School.

OF FAMOUS FAMILY

J. D. Woodruff, an Oxford man, supporting capital, is a native of Kent. He was educated under the Benedictine monks at Downside in Bath. During the latter part of the war he served in the Foreign Office and Admiralty in Holland. He has won an exhibition at New College, the Lothian prize in 1921, and a first-class in the Final History School in 1923. He is a Liberal party leader and a supporter of Mr. Asquith. He is a direct descendant of the Winthrops, prominent in the history of New England during the 17th Century.

M. C. Hollis, the third Oxford man and a supporter of capital, was born at Asebridge Somerset, England, on March 29, 1902. He was educated at Eton and entered Balliol College, Oxford, in 1920, where his popularity and excellent personality won him high standing among his fellows. He was elected president of the Oxford Union in 1923 and as such holds the highest honor to which the Oxford man can rise in the student activities. He is well known as a literary man and has written for English papers and has made contributions to the Outlook.

STANDS FOR CAPITALISM

Murray Hunter, a member of Arts '26 at the University, will support these two men in the case for capitalism. He has taken part in the inter-class debates at the University and has held executive positions on the Arts Men's Undergraduate Society.

Arrangements are being made to have the speeches broadcasted by radio from Wesley Church next Monday night, commencing at 8 o'clock.

OXFORD DEBATERS DUE HERE NOV. 24

Malcolm Sep 26 24
Old Country Team Will
Meet U.B.C. Representatives on Platform

Debaters from the University of Oxford will meet representatives of the University of B.C. here in a debate on "Socialism and Capitalism" on November 24, it was announced Thursday at the U.B.C.

Malcolm MacDonald, son of the premier of Great Britain, will support two University of B.C. men in upholding the case for socialism, while one U.B.C. debater will support two of the Oxford representatives in the case for capital. The other members of the Oxford team are both Liberals and capitalists so that the visitors will follow their own convictions in the sides they take in the debate here.

TRYOUTS OCT. 8

Although final arrangements for the staging of the debate have not been made it is stated at the college that the subject chosen will offer the speakers every opportunity of giving the general public a good deal to think about when the arguments and appearance of the men are considered.

The prospect of the Oxford debate is causing considerable discussion at the University where it is felt that the U.B.C. will have men who are capable of standing up against the pick of the Old Country. Those interested in taking part in the debate as the representatives of the university will hold tryouts Wednesday, October 8. Five men will be chosen at that time and after three more contests these five will be cut to three. The other two men will enter the inter-collegiate debate with one of the U.S. universities, it was announced.

U.B.C. has turned out some very excellent debaters during the past few years and the debating record of the local institution shows a large number of wins.

The opportunity of meeting the Oxford debaters met with favor last spring when the tour of the pick of the old university was announced and arrangements were made to bring the English speakers to B.C.

OXFORD DEBATERS TO ARRIVE SUNDAY

Malcolm Nov 21 24
Arrangements Are Complete
for Forensic Battle
Next Monday

Arrangements have been completed by the students of the University of B. C. for the Oxford debate Monday night at Wesley Church at 8:15 o'clock. The local speakers have completed their outside training and are ready to take the floor with Malcolm MacDonald, M. C. Hollis and J. D. Woodruff, who have traveled from Europe in their debating tour. The B. C. representatives are James Craig, S. Kobe and Murray Hunter.

The visitors will arrive in Vancouver Sunday night and will leave Friday night for Seattle to debate with the University of Washington representatives. During their stay here the English team will be entertained at several events and will be taken on several trips.

Malcolm MacDonald, who is the son of Ramsay MacDonald, former Prime Minister of Great Britain, has been candidate in the British elections twice and has been a scholarship man at Oxford. He will support James Craig and S. Kobe in building up a case for Socialism in the debate.

Mr. Hollis and Mr. Woodruff have both been presidents of the Oxford Union. They are both Liberals and supporters of Mr. Asquith. They also have carried off prizes during their scholastic career.

U.B.C. DEBATERS TO SPEAK IN VICTORIA

Malcolm Nov 14 24
Three University of B. C. delegates will visit Victoria today to meet representatives of Victoria College in a debate. The contest has been arranged in connection with the training ground programme in preparation for the Oxford debate to be staged here Nov. 24. S. Kobe, James Craig and Eric Dunn, the three U. B. C. men who are upholding the case for Socialism in the international tussle, will speak for their cause at Victoria tonight against the Collegians of that city. The men expect to spend only one day on the Island, returning here Saturday night.

DEBATERS ARRIVE MONDAY MORNING

Malcolm Nov 28 24
Visitors to Advance Cause
of Socialism When They
Meet Local Men

Debaters from Oxford, who will meet representatives of the University of B. C. at Wesley Church Monday evening at 8:15 o'clock, will arrive in Vancouver Monday morning at 8, and will spend the day with the local debaters. Malcolm MacDonald, son of Ramsay MacDonald, former Premier of Great Britain; M. C. Hollis and J. D. Woodruff are the three visiting members of the debating teams, while James Craig, S. Kobe and Murray Hunter are the B. C. speakers.

The programme of entertainment for the Oxford men contains several items, including banquets, smoker, hiking, golf and visits to points of interest on the Lower Mainland.

Malcolm MacDonald will be a speaker Wednesday afternoon at 8:30 o'clock in the Hotel Vancouver ballroom, when he addresses the Canadian Women's Club.

Mr. MacDonald, James Craig and S. Kobe will speak on "Socialism," in an effort to build up a case for that cause, while Murray Hunter and the other two Oxford men will defend capital. All of the speeches will be broadcasted from the church by radio.

OXONIAN MAKES ADDRESS

Mr. J. Woodruff of the Oxford debating team was a visitor at the University of British Columbia yesterday when a large gathering of students and professors met in the auditorium and listened to his instructive address on "English Education." His amusing comments on student life at Oxford were thoroughly appreciated by the collegians.

SOCIALISM IS HOTLY ARGUED BY DEBATORS

M. Hollis Oct 25 24
Oxford and British Columbia Meet in Forensic Contest at Wesley

HUGE CROWD HEARS BRILLIANT SPEAKERS

Wit and Humor Enliven Sallies of Orators in Discussion of Subject

ANCIENT Oxford mingled with young British Columbia in a debate at Wesley Church last night which was meant to be on the pros and cons of Socialism, but developed into a battle royal of three proponents of a not too well defined system of socialism against three ardent defenders of the present system of "capitalism."

As two of the Oxford men were on one side and one on the other, the debate was in no way a contest between the visitors and the representatives of the

University of B. C., but this did not detract from the very lively interest of the huge audience.

CONTEST OF WITS

The church was packed to its uttermost corners and hundreds of late arrivals were unable to gain admittance. Witty sallies, apt retorts and a measure of dry humor, the latter mostly from the visitors, lightened the keenness of the debate throughout and kept the audience in recurrent spasms of laughter.

Malcolm MacDonald, able and earnest son of a distinguished father, opened the argument for Socialism. Oxford has done things to a tongue that must have inherited something else from Lossiemouth, but it had in no way impaired the clarity of the younger MacDonald's utterance nor the native vigor of the average Scotsman's delivery. So far as he was able in the limited time at his disposal, Mr. MacDonald ran the gamut of Socialistic argument against things as they are and laid most, if not all, of the blame on the present system.

OFFERS REMEDY

His theme was the inequalities in present society and he recited instances of working people in poverty and squalor while the owners of the factories and the mines in which they labored lived in perfect comfort and luxury.

Murray Hunter of the University of B. C. sailed into the "plausible eloquence" of Malcolm MacDonald from the outset. The debate, he held, was not on the merits or demerits of capitalism, but on the practicability of Socialism, and he argued that Socialism was against human nature because it violates the innate acquisitive ideas of the race and runs counter to all natural love of freedom. Socialism would kill all incentive and bring about inefficiency. It would be going back to the domination of the state.

James Craig, witty, voluble and assured, reproached the previous speaker for suggesting that human nature cannot be improved. Socialism, he said, was an attempt to do away with the evils of the pres-

ent system and provide an equality of opportunity for all. Present lack of regulation in industry was responsible for continual unemployment. Something else must be tried and Socialism offered the only hope.

M. C. Hollis, after some merciless jibes at Malcolm MacDonald and his pretty picture, declared flatly that he would prefer things as they are to the insipid Utopia portrayed. His suggestion that it would be like "one vast Rotary Club with every day a lunch day" brought roars of appreciative laughter. He held that the needs of expanding society and industry can be met only by taking risks which the inherently conservatives state would never take, and the result would be a greater plutocracy than ever.

Satsuma Kobe, eloquent and prepared, argued that the opponents of socialism were assuming a system altogether different from what he and his confreres were advocating. His idea of socialism was a "constant, collective and consistent effort to cure the ills of present capitalism and he argued that there would be no confiscation."

J. D. Woodruff of Oxford, who closed the case against, revealed a quiet slow humor that enabled him to make several "delayed steals." His defense of capitalism was based on the great progress made in the average standards of life, and he created fresh roars of laughter when he spoke, with obvious reference to Malcolm MacDonald of "political charlatans who come along with quack remedies of a political nature."

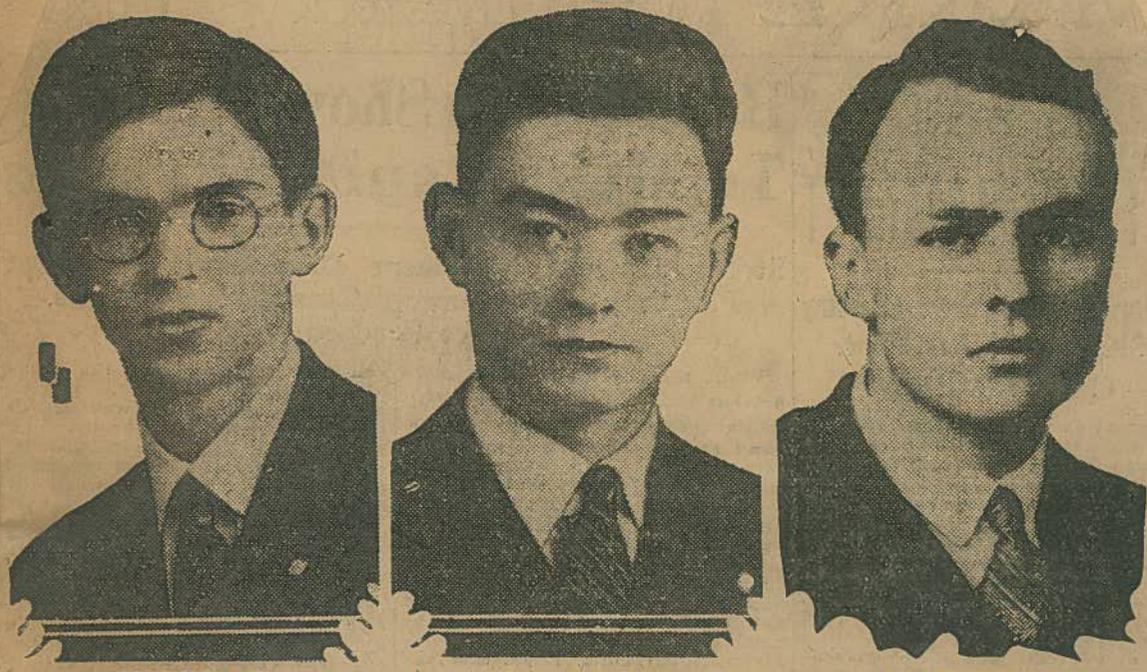

Mr. Hollis and Mr. MacDonald assumed the burden of rebuttal, the former wittily and with effect, the latter with a fine burst of oratory into which he packed a score of cogent arguments.

STUDENTS WILL DEBATE SOCIALISM

M. Hunter Oct 25 24
Murray Hunter, University of B. C. debater, who has been chosen to represent the college as a supporter of Capitalism in the Oxford debate, will be a speaker Sunday night at the Royal Theatre. He will be supported by the spare of the Oxford debating team, Gordon Telford, in taking the side of capital against the onslaughts of the Socialist Party of Canada, which will arrange for speakers.

The debate has been arranged as one of a series of outside debates which will act as a training ground for the U.B.C. teams. Tickets for the Oxford debate will be put on sale Monday, according to the debates manager. Oxford debaters will speak here November 24.

JAMES CRAIG, Susumu Kobe and Murray Hunter will represent the University of B. C. in the Oxford debate, to take place here November 24, it was announced Thursday night, following tryouts. James Craig and S. Kobe formed the debating team which defeated the pick of Wyoming last spring, while Mr. Hunter is entering the major debates for the first time.

Eric Dunn and Gordon Telford were chosen as spares to the team and will represent the college next spring in an international debate. One of the University of B. C. men will support two of the Oxford men in supporting capitalism against the attacks of two U. B. C. debaters and Malcolm MacDonald.

U.B.C. PREPARES FOR GREAT DEBATE

University of B. C. debaters who are preparing for the Oxford debate to be staged in the Wesley church November 24, are making arrangements to continue their plans to meet representatives from organizations in British Columbia. James Craig and S. Kobe, who will support the side of Socialism in the Oxford debate, have been granted permission to visit Victoria to debate with Victoria College. All of the Oxford team is working hard gathering material for what is considered the greatest debating contest yet undertaken by the local institution. *M. Hunter Oct 30 24*

STUDENTS' DEBATE TO BE BROADCASTED

M. Hunter Oct 30 24
Radio fans in this district will be able to hear the Oxford debaters through their machines next Monday night following the arrangements made by the students for broadcasting the speeches. Those in charge of the debate here have succeeded in having the local stations promise to leave the air free of disturbances while the six men are speaking at Wesley Church. The broadcast will commence at 8:15 and will continue until almost 11 o'clock.

A CLEARING HOUSE FOR IDEAS

Midweek
NEXT Monday night radio fans will be able to listen in to the debate between the visiting Oxford students and the team of the University of British Columbia.

This is good business. What these young Englishmen have to say should interest every person in the city. The debate is an international clash of ideas that will promote better understanding.

But instead of Canadian universities sending a few students each year to Oxford, and Oxford sending an occasional debating team to this country, there should be a constant exchange of students between every university in the Empire.

Vancouver should have students in Dublin, Edinburgh, South Africa, India, Australia, New Zealand, and every corner of the British Empire where a university has been established. The University of British Columbia should be giving courses to students from all these places in turn.

Universities are not only institutions for the accumulation of book knowledge. They should be clearing houses for international ideas. And the sooner they function extensively along those lines, the better for the world.

**U.B.C. MUSICIANS
 HEARD IN CONCERT**

Midweek
**Large Audience Hears Ninth
 of Series of Christmas
 Performances**

Midweek
 The Musical Society of the University of British Columbia gave its ninth Christmas concert in the King Edward High School Auditorium on Saturday night. It was a most commendable evening of music; and the appreciation of the large audience was such that practically every programme offering was followed by a recall item.

Mr. Wilbur G. Grant, whose organizing genius has been largely the inspiration of these concerts for years, led his vocal and instrumental forces through some admirable performances on this present occasion. Sound musical sense and fine balance and unison were evidenced in the Glee Club's renditions of Lehr's "Slumber Song" and Gaul's "Daybreak," and the performance of Gaynor's "Slumber Boat" by the ladies' chorus. While in the first, third and fourth movements of Luigini's "Ballet Egyptian" suite and the "Menuet" and "Sarandole" from the "L'Arlesienne" suite by Bizet the orchestra displayed satisfying rhythm, attack and restraint, although the pitch, due mostly to the brass and occasionally to the reed, was not what it should have been. The string department deserve high praise, their playing in the second part of the Luigini music being exemplary.

Gertrude Dowsley, pianiste, was finely effective in "Hark, Hark the Lark" (Schubert-Liszt); Alice Wilma Metz, violiniste, in Rindogger's "Pierrot"; Lillian Reid, soprano, in MacFadyen's "Love Is the Wind;" and Rose Marin, pianiste in Liszt's "Lebestraum" and Vogr'ch's "Staccato-Caprice."

An 'strumental trio, Robyn's "Panqu'ita," was capably given by J. E. Kania (violin), D. Lucas (clarinet) and R. Todd (flute); Labitzki's "Heard Girl's Dream" was an admirably rendered violin duet by Miss Metz and Mr. Kania; and a vocal duet, Lieurance's "By the waters of Minnetonka," was nicely suited to the voices of Kathleen Baird and Carl Barton.

Of the many excellent accompaniments during the concert, those of Nellie Harrison deserve special praise.

**SMOKER PLANNED
 FOR DEBATORS**

Midweek
 Graduates of the University will co-operate with the student leaders next Wednesday night, when they will stage a smoker for the visiting Oxford debaters, it was announced Thursday at the University.

The smoker will be held at the Irish Fusillers' Drill Hall, beginning at 8:30 o'clock and will be one of a series of events being planned for the entertainment of M. C. Hollis, J. D. Woodruff and Malcolm MacDonald. The orchestra from Applied Science will supply the musical entertainment for the smokers, and boxing, wrestling and vaudeville stunts are being arranged.

**E. J. KNAPTON IS

**Victoria Student at U.B.C. Is
 Elected for 1925 From
 Entry Field of 6**

E. J. Knapton, History and Economics, '24, of the University of B. C., is the 1925 Rhodes scholar, elected by the local committee Saturday from a field of six candidates.

Knapton is the son of E. Knapton of Victoria. He is a member of the Varsity rugby team and participant in debating and other university student activities. He will go to Oxford next October for the three year course, which carries with it £350 a year.

Members of the committee making the selection were Mr. Justice Morrison, chairman; H. R. Bray, A. G. Cameron, H. T. Logan and E. A. Munro.

**'BRICK' M'LEOD IS
 U.B.C. YELL KING**

Midweek
 "Brick" McLeod will lead the yells at the University this year following his election as yell king. Monday at the first pep meeting held this session by the students. Mr. McLeod was yell king two years ago and held a seat on the students' council as university marshal. He did not run for any office during the election last year.

Besides electing the yell king yesterday the students in terested in the pep band of the college elected officers for the year and drew up a programme of work. Ben Williams was chosen as honorary president of the band while G. Phillips was elected president. Bill Turpin and S. McInnis were elected as vice-presidents, while John Hockin will be secretary treasurer.

The plans for the winter work of the band include the forming of a nucleus for the college supporters of the various teams. The band members will visit one game each Saturday.

**PROSPECTS GOOD
 FOR U.B.C. BOXING**

Varsity Boxing Club had its organization meeting yesterday and there were a good number of enthusiasts on hand and President Tommy Loudon is optimistic over future prospects for the U. B. C. mitt wielders. The collegians plan to take part in the inter-city competition for the first time this year. Some very promising material was unearthed last year and it is rumored that some of the freshmen pack a mean wallop and should boost the club's chances of making a good showing. The students will workout in St. George's Church at least twice a week throughout the year. The practise that they get there and in active competition with the local boxers should stand them in good stead when they compete with the University of Washington Club in the annual combafest next spring.

**He Will Coach

VETERAN Edmonton coach, who has been on the Coast for more than a year now and has undertaken to instruct the young idea at U. B. C. on how to win points in athletics. Buchanan established an enviable reputation as athletic instructor in Alberta.

**BAD WEATHER
 HALTS VARSITY
 TENNIS SERIES**

Midweek
 Varsity tennis tournament finals were postponed yesterday on account of bad weather. Officials of the club hope to run them off today. Finals in the men's singles and doubles and the girls' singles are the three matches yet to be played. Gordon Shields and Jean Strause are strong favorites in the men's and women's singles respectively, while Arnott and Lorri-mer Baker are expected to do well in the doubles.

**BAKER RETAINS
 TENNIS TITLE
 AT THE VARSITY**

Midweek
LORIMER BAKER retained his title as the University of B. C. tennis champion yesterday when he downed Gordon Shields, challenger for the championship in straight sets. The score was 6-6, 6-3, 7-5. Although Baker won on straight sets the games were close, most of them going to deuce several times. Baker was in fine form throughout the contest. Shields earned his right to challenge Baker when he won the tournament final from Hincks. He won three of four sets, 6-1, 6-1, 6-8, 6-3.

**STUDENTS OPEN
 LEAGUE SCHEDULE
 WITH VANCOUVER**

Midweek
 Varsity grass hockey team will play its first league game on Saturday against Vancouver and from present indications it looks as though the students will field a strong eleven. B. Smith will act as net minder and judging by his showing in the practices will be a hard man to beat.

Sadho and Kaniar are the U. B. C. stalwart backs, while the rest of the defense will be made up of Duncan Hincks and Tamura. The students' half line is also strong.

Varsity's forwards will be made up of the following: Warren, Warman, Townsend, Masterson and Woodmen. Warren, Townsend and Woodman are considered the most dangerous in front of the goal and should keep the Vancouver net-minder busy when the teams lock horns on Saturday.

"Aggies" to Give Class Parties

The classes of Agriculture '26 and '28 will hold a combined class party at "Killarney" on Wednesday, November 12. Novel decorations and surprises have been arranged and the committee in charge is working to make it a bigger success than ever before. Dean and Mrs. F. M. Clement, Professor and Mrs. H. M. King and Professor and Mrs. E. A. Lloyd will act as patrons. The committee is composed of Mr. W. Argue, Mr. P. Vroom, Mr. K. Caple, Mr. F. Newcombe, Mr. H. Gutteridge and Mr. W. Gough.

Christmas Plays Of Players' Club Shown This Week

The annual Christmas plays given by the Players' Club of the University of B. C. will be first shown at a performance on Thursday, Friday and Saturday, November 20, 21 and 22. Friday night will be reserved for members of the faculty and senate of the University and guests of the players, while Thursday and Saturday will be students' nights.

The club will present four short plays: "Figureheads," "The Old Lady Shows Her Medals," "The Dollar," and "The One Deserving." Particular interest is attached to the last named, which was written by Miss Dorothy Taylor, Arts '25, and was the winning play among the number entered in the Players' Club Competition.

Varsity Society Concert This Month

The Musical Society of the U.B.C. is preparing a most attractive programme for their annual Christmas concert, which is to be held in King Edward High School on Nov. 15. The society hopes to have the pleasure of hearing Dr. Vogt during his stay in Vancouver. Dr. Vogt is dean of the faculty of music at the University of Toronto and is expected to arrive in the city next week.

Prominent Varsity Social Event Set For November 7

THE Arts Dance, one of the major social events of the college year, has been set for Friday, November 7, at Lester Court, and is being arranged by the members of the executive of the Arts Men's Undergraduate Society with Mr. Bert Smith and Miss Grace Smith in charge.

The patrons and patronesses of the affair will be President and Mrs. L. S. Klinck, Dean and Mrs. H. T. J. Coleman, Miss M. L. Bollert and Professor and Mrs. H. T. Logan.

College Night At U. B. C. for Arts' Men's Dance

The ever-popular Arts men's dance will be held this evening in Lester Court under the patronage of President and Mrs. L. S. Klinck, Dean and Mrs. F. M. Clement, Mr. and Mrs. H. T. Logan and Miss M. L. Bollert.

For the first time the Arts Men's Society have turned the decoration arrangements over to the Women's Undergraduate Society, and a pretty scheme of decoration in the blue and gold of U.B.C. has been worked out by the committee in charge, comprised of Miss Lenora Irwin, Miss Dorothy Brown, Miss Eloise Angell and Miss Dorothy Feak. Novelty favors will be used at the supper table and the programme will include special features of a distinctly college flavor. Over 200 students and their friends are planning to attend and a real college night is expected.

Varsity to Hold Annual

DR. J. BRICKER DONATES A TROPHY

Athletic Day Wednesday

Varsity track men have completed their training for the annual track and field day Wednesday when the stars who are returning from Edmonton will also add points for their classes in the Governor cup series. There will be keen competition this year, according to the officials.

Those in charge of the arrangements are looking forward to several new records following the excellent showing of the six stars who represented the college at Edmonton. It is also expected that large numbers of students will support their class teams from the grandstand. The men who remained home after the team for the intercollegiate meet had been sent away are determined to give the stars a battle and several have been training hard.

Dr. J. Bricker has donated a cup to the track club again this year and it will go to the winner of the mile.

Jack Buchanan, who has been engaged by the Alma Mater Society to train all University of B. C. athletes including the co-eds, stated yesterday that he was highly pleased with the results at Edmonton, while the whole student body is of the opinion that the success was due directly to the systematic training now being given.

Harry Warren, Varsity's sprinter who took second in the 220, 100 and 440 at Edmonton, returned with the coach and said that in each event Varsity was just topped by the winning team men. He said that it was the U. B. C. runners who forced others to make the new records to win. Mottley returned as far as Kamloops with him, he said, but dropped off there to see his people. He will arrive at Vancouver this morning along with the other track men.

Dr. Davidson, who accompanied the team as the faculty representative expressed himself as delighted.

Varsity made a protest in the first final of the 100 when two Manitoba men beat the gun and Warren ran third. In the re-run he took second.

Arts '27 Get Most Points at Varsity Track Tournament

Meet a Big Success and Six Records Go by the Boards

Warren, Ramsell and Thompson Turn in Fine Performances

THE fifth annual Varsity inter-class track meet proved to be the most successful to date. Six records were shattered and one equalled at Brockton oval yesterday. Competition was particularly keen in the different events as well as between the classes, and the issue was in doubt right up to the last event, when McWilliams handed Arts '27 a lead of half a point and the "sophs" won out with 16. Science '25 held second place with 15½ and Science '26 third with 15.

Les Buckley started the record breaking by clipping one and three-fifths seconds off his half-mile record, negotiating the distance in 2 mins. 6 3-5 secs.

In the broad jump, Harold Thompson, Arts '26 star sprinter, proved a real dark horse, going into the event with no previous experience and jumping 19 feet 9 inches, beating the old record of 19 feet 3 inches.

WARREN IN FORM

Warren went out in great style in the hundred, when he broke the tape an easy winner at 10 2-5, beating Garret Livingston's time in the dash event. Varsity's diminutive sprinter also equalled his own record of 23 3-5 seconds in the 220 yards, being forced to the tape all the way by Thompson.

Ramsell hurled the hammer 99 feet 11 inches for a record, but the U. B. C. weight man was unable to beat his previous records in the discus and hammer, although he copied each event nicely.

Henry and Demidoff battled to a tie in the pole vault, after jumping for nearly an hour. Both vaulters cleared 10 feet, but were too tired

to get over 10 feet 3 inches, even though both eclipsed this mark at Edmonton on Saturday. Demidoff injured his leg, but kept on gamely. The mark of 10 feet stands as a record and is held jointly by Henry and Demidoff.

The mile event was the best race of the day and Charley Mottley broke the record when he was clocked at 4 minutes 49 1-5 seconds, and so won the Dr. Bricker cup.

There was no track champion at the Varsity meet this year, it being decided to do away with the track championship, as there has been a decided lack of specialization in the past at the U. B. C. meet.

THE RESULTS

- Following are the results:
- 120-yard hurdles—(1) Henry, Arts '28; (2) Winn, Sc. '28; (3) Hatfield, Arts '27—19 2-5 seconds.
- Half mile—(1) Les Buckley, Agric.; (2) Mottley, Arts '27; (3) Arkley, Arts '25—2 minutes 6 3-5 seconds (record).
- High jump, women—(1) Clara Gould, '26; (2) McCallum, '28; (3) I. Russell, '25—4 feet 1 inch.
- Broad jump—(1) Thompson, Arts '26; (2) Henry, Arts '28; (3) Hatfield, Arts '17—19 feet 9 inches (record).
- 100 yards—(1) Warren, Sc. '26; (2) Thompson, Arts '26; (3) Gordon, Arts '27—10 2-5 seconds (record).
- Hammer—(1) Ramsell, Sc. '25; (2) Kanlar, '26; (3) Lange, Arts '28—99 feet 11 inches (record).
- 100 yards, women—(1) Jean McDonald, '28; (2) Doris Woods, '28; (3) Laura Mowatt, '25—13 2-5 seconds.

- Jack Buchanan, Varsity trainer, acted as starter, whilst O. B. Allan, George Goulding and Prof. Logan held the watches. Dr. J. G. Davidson acted as referee with Prof. Boring. The officials of the meet were John Cameron, Dr. Bricker and Bert Davidson.

U.B.C. Track Eliminations On Saturday

held Oct 10 24
Collegians Will Fight Hard For Places on Team for Edmonton

Varsity track men got together yesterday and made plans for the elimination for the Inter-Collegiate meet at Edmonton, which is to be held on October 18. Coach Jack Buchanan plans to have three days of eliminations in order to give the various contestants a chance to make the grade.

Tomorrow at Brockton Point the Collegians will have final eliminations in the 220 and century dashes, as well as the half mile. In the sprint events Harold Thompson, Harry Warren, Burgess and Echert are the strongest contenders. Warren's time at the U. B. C. meet last spring of 23 3-5 seconds for the 220 yards is one-fifth of a second better than the time made at last year's intercollegiate.

In the half mile, the Varsity record holder and member of last year's team, Les Buckley, may be nosed out by either Eddie Mulherne or H. Arkley, who are both going great guns in the middle distance event.

In the long distance events Carl Barton seems pretty safe.

RAMELL A CINCH

J. L. Ramsell, Varsity rugby and track star, is a cinch for the U. B. C. track squad that will be leaving for Edmonton Wednesday night. There is nobody at the local seat of learning who is in the same class with "Ramy" when it comes to tossing the weights.

The hefty rugby star is throwing the hammer a good 15 feet farther than the man who won the event at Saskatoon last fall. In the discus and shot also Ramsell is no slouch. He forced Bright of Alberta to break the record in the discus last fall and finished second to him after showing much better style than the Alberta star. Ramsell also copped third place in the shot and was only a few inches behind the winner.

This U. B. C. athlete has improved much since last year and he is now getting a few pointers from John Cameron, still considered one of Canada's leading shot and hammer men. Ramsell will have Bright of Alberta to contend with at Edmonton this year again, but with his added experience should make a better showing this time.

C. Henry, last year's senior high school champ and pole vaulter, is another Varsity track man that should be sure of a place on the intercollegiate. Henry is about the best all around track man at Varsity, as he can pole vault, high jump, broad jump, hurdle and sprint.

Jack Buchanan plans to select his quarter and one mile man on Monday, when final eliminations for these events will be held. On Tuesday the three-milers and jumpers will do their stuff and the Varsity track coach will then make his final selections.

Varsity eliminations for the annual inter-class track meet Oct. 22 will be held next Wednesday, the same day the intercollegiate team leaves for Edmonton. The men who are to take part in the prairie meet, however, will be conceded their places in the inter-class events and will take part in them after they return from Edmonton, which will be on Monday, Oct. 20.

The students are holding a tag day on Tuesday and Wednesday to help defray the expenses of the track squad. Every tag entitles the wearer to admission to the inter-class meet at Brockton Point on Oct. 22.

It is expected that many new records will be made this year, as the U. B. C. men have been training intensively for the last few weeks to try and make their place on the U. B. C. track squad, and the real benefits of the coaches' work will come out then.

The women of the university are confident they can excel all previous marks also. Jack Buchanan's training the co-eds in his spare time and there is much promising material.

Varsity Track Stars

PROSPECTS BRIGHT FOR MEET

Establish New Marks

held Oct 12 24
Varsity track men shattered three of their own records in the trials for the Western Inter-Collegiate, and Harry Warren, diminutive rugby star, excelled last year's time at Saskatoon by three-fifths of a second at the Brockton track yesterday in the 220 dash.

Coach Jack Buchanan started the sprinters off after they had broken several times in the century. Warren got a slow start but soon forged ahead and broke the tape in ten and three-fifths.

Harold Thompson ran him a close second with Mac Luckie in third place. The time was not exceptionally fast but Buchanan seemed well satisfied as he had held the sprinters in at the start and George Goulding, who was timing, did not credit Warren with any more than he deserved.

LES. BUCKLEY WINS

There was lots of competition in the half-mile, there being twelve entries, and it was necessary to start them in two rows. Les Buckley, who started behind, lost a few seconds in gaining the lead, but nevertheless won the race at 2

min. 72-5 sec., which beats his own record of 2 min. 8 sec. The winner was pushed hard right to the tape by Mottley and Mulherne, who finished second and third, respectively.

Mottley is somewhat of a dark horse and may clean up on the mile or the events which are to be run on Tuesday and Wednesday.

The feature race of the day, from the point of view of good time, was the 220 yards. Harry Warren uncorked a world of speed and after getting away to a very poor start, easily beat out Thompson, the time being 23 1-5, which should ensure the U. B. C. flash of a place, if not the first, when he does his stuff at Edmonton next Saturday.

Ramsell beat the inter-collegiate record of 100 feet 3 inches by nearly three feet when he hurled the hammer 104 feet. The outlook is pretty bright for the U. B. C. track men, and it looks as if they would knock down a few firsts at the prairie meet.

Warren, Buckley, Ramsell, Henry and Barton are now looked on as certainties for the U. B. C. squad.

Mottley Springs Surprise

held Oct 12 24
Practically Cinches Place of Varsity Track Team for Edmonton

Ramsell, Buckley, Henry, Warren and Thompson Likely to Go

AT the Varsity track eliminations yesterday Charley Mottley proved himself to be a real dark horse by beating both Barton and Buckley in the mile event, and taking three seconds off the Varsity record for the event. Barton holds the U.B.C. track record of 4.53 3-5 minutes. He has for two years been the Varsity premier miler, and was a member of last years' Inter-collegiate team. Mottley's win was a complete surprise for as he has had no previous experience in track work. When the collegians pull out for Edmonton tomorrow night Mottley will have his ticket too. He will run three miles against Barton and Buckley this afternoon as Coach Buchanan wants to get some idea of his staying powers.

Harold Thompson won the quarter mile in 55 seconds, being forced to the tape all the way by Rex Brown. The track was heavy at the time Thompson ran and Buchanan seemed satisfied with the time. Thompson will also make the grade on the U. B. C. team as he finished a close second to Warren in both the century and 220-yard dashes on Saturday. Thompson should also be useful on the sprint relay team.

Henry broke the Varsity track record in the board jump making 19 feet 7 inches. Although this was a good jump considering the slippery take-off it would hardly get a first place for the former high school star, in the Edmonton meet. Henry has beaten the inter-collegiate record in the pole vault, however, and he can sprint, hurdle and high jump very nicely, so he should make his mark at Edmonton.

The six Varsity stars who are practically sure of their places to date are: Ramsell, Mottley, Buckley, Henry, Warren and Thompson. The other two will be chosen this afternoon.

Six Men Only for Edmonton

held Oct 15 24
Ramsell, Buckley, Warren, Henry, Mottley and Thompson the Chosen

Varsity's team for the inter-collegiate track and field meet at Edmonton will consist of six men only. Ramsell, Buckley, Henry, Warren, Mottley and Thompson are the chosen six with Jack Buchanan going as coach. The decision to send eight men was rescinded Tuesday when other candidates failed to show sufficient class in the eyes of the coach and track officials.

Several however, did well and showed promise. Balmer in particular did well when he won the three miles yesterday afternoon in 16 minutes 45 sec. Mottley who starred in the mile on Monday had the misfortune to lose his shoe near the end of the race or he might have nosed Balmer out. Barton and Buckley were second and third respectively. The winner has never run much before and like Mottley is a dark horse.

Henry and Demidoff battled for first place in the pole vault and the latter dropped out at ten feet. Demidoff had a sore leg and seemed off form. Harry was still going strong at ten feet.

The Collegians hope to have a strong relay team composed of Warren, Thompson, Henry and Buckley.

It is expected that a Faculty representative, probably Dr. J. G. Davidson, will accompany the students to Edmonton.

The University men's athletics are anxious to have a faculty representative, at the Western Inter-Collegiate in order that he may see officials of the union with a view toward affiliation with the Western Intercollegiate Athletic Union. When the B. C. University becomes a regular member of the union it will make inter-collegiate competition in other branches of athletics possible.

Varsity Track and Field Athletes Do Well at Edmonton

Midweek Oct 20
Warren Second in Three Events—Mottley and Henry Also Shine—U. B. C. Beats Both Alberta and Saskatchewan

EDMONTON, Oct. 18.—University of British Columbia took second place to Manitoba in the Western Canada intercollegiate track and field meet at Edmonton today, but the Coasters were not allowed to count in the official points' list because they are not regular members of the Western Canada Intercollegiate Athletic Union.

Regarding the accomplishments of the B. C. Varsity representatives Henry won second in the high and second in the low hurdles. He also tied for second in the pole vault, which was won with the record jump of 10 feet 10 inches. Demidoff was third with 10 feet 6 inches.

Warren was second in the 100 yards, quarter-mile and 220 yards. His times were 10 1-5 seconds, 52 1-5 seconds and 22 seconds. Ramsell was first in the hammer with 98 feet 9 1-2 inches and third in the discus. Mottley was second in the half-mile in 2 minutes 3 seconds, and second in the mile in 4 minutes 41 seconds. Thompson and Buckley were unplaced. Alberta had a team of 15 and Saskatchewan 12.

Ramsell Is First With The Hammer

Midweek Oct 20
U.B.C. Practically Assured of Place In Western Canada Union

EDMONTON, Oct. 19.—As in the four previous inter-university track meets of Western Canada, Manitoba romped away with premier honors at the University of Alberta Stadium on Saturday. Alberta came second, one point ahead of Saskatchewan. British Columbia did not share in the allotting of points.

British Columbia was competing as a guest varsity, and the splendid showing made by the boys from the slopes of the Pacific makes their inclusion in the Athletic Union practically assured.

- Results follow:
- 220-yard hurdle—Lawson, Manitoba, first; Henry, British Columbia, second; Young, Saskatchewan, third; Warren, British Columbia, fourth. Time, 29 1-5 seconds.
 - Shot put—Bright, Alberta, first; Nicholson, Saskatchewan, second; Nelson, Manitoba, third; McLaren, Alberta, fourth. Distance, 37 feet 2 1/2 inches.

 - 440-yard dash—McLeod, Manitoba, first; Warren, British Columbia, second; Murray, Manitoba, third; Madden, Saskatchewan, fourth. Time, 52 1-5.
 - 120-yard hurdles, final—Nelson, Manitoba, first; Henry, British Columbia, second; Potter, Saskatchewan, third. Time, 17 seconds.
 - Discus—Bright, Alberta, first; Nelson, Manitoba, second; Ramsell, British Columbia, third. Distance, 120 feet 4 inches.
 - 100-yard dash, final—Cohen, Manitoba, first; Warren, British Columbia, second; Asseltine, Manitoba, third. Time, 10 1-5 seconds.
 - One mile—Cormack, Alberta, first; Mottley, British Columbia, second; Murray, Manitoba, third. Time, 4 minutes 4 seconds.
 - Pole vault—Hutchison, Saskatchewan, first; McLeod, Manitoba, and Henry, British Columbia, third; Demidoff, British Columbia, fourth. Distance, 10 feet 9 1/2 inches.
 - Javelin—Bright, Alberta, first; Siominaki, Saskatchewan, second; F. Siominaki, Saskatchewan, third; Rogers, Alberta, fourth. Distance, 127 feet 5 1/2 inches.
 - 220-yard dash—Cohen, Manitoba, first; Warren, British Columbia, second; Lundy, Alberta, third; Madden, Saskatchewan, fourth. Time, 22 seconds.
 - High jump—Russell, Alberta, first; Hutchison, Saskatchewan, second; Crawford, Alberta, third; Lawson, Manitoba, fourth. Height, 5 feet 3 1/2 inches.
 - Three miles—Stark, Saskatchewan, first; Graham, Manitoba, second; Barker, Alberta, third. Time, 16 minutes 8 seconds.
 - Relay—Manitoba, first; Saskatchewan, second; Alberta, third; British Columbia, fourth. Time, 1 minute 36 seconds.

PETER DEMIDOFF INCLUDED AT THE LAST MOMENT

Midweek Oct 20
Varsity track team left for Edmonton last night and was given a good send-off by an enthusiastic bunch of students at the C. N. R. depot. Peter Demidoff, Varsity star pole vaulter, was selected at the last moment and made the seventh man on the team. Demidoff's showing in the trials was due more to slippery conditions of the grounds than anything else and the Varsity vaulter is determined to make good at Edmonton on Saturday.

The faculty representative to the Western Inter-Collegiate will leave on tonight's train. It is not certain yet whether Dr. J. G. Davidson will be able to go, but if the former B. C. A. A. U. president does not some other U. B. C. professor will.

The boys will return on Monday morning.

U. B. C. Needs Senior

PLENTY OF LIKELY FRESHMEN

A Basket Ball Quintette

Midweek Oct 17
VARSITY Basketball Club had the first workout at the Normal gym last night, and President Al. Hemingway seemed well pleased at results. There was some very promising material brought to light, especially from the freshmen class.

The students plan to enter four teams in the Vancouver and District League this season—a Senior "A", Senior "B", Intermediate "A" and "B". Nearly all of last year's Senior "A" squad graduated, hence the collegians have practically got to field a new team in this division. Kenny Carlisle, Les. Bickell and Tommy Lewis are no longer at the local seat of learning.

Tommy Wilkinson and Tanny Butler are both soccer stars, and it is questionable whether their services will be available. Dal Grauer and R. Bartley will be available. H. Arkley, of last year's Senior "B", is a certainty for the "A" quintette, and his speed and dash should be an acquisition.

Al. Buchanan, of rugby fame, is also reported to be in readiness to turn out for the indoor pastime. Ed. Bassett and H. Henderson are both on the sick list, but in a week or two will be O.K.

The Senior "B" squad will get what is left from the "A" team and have also some likely stars in Fred. Newcombe, R. Gordon, C. Schultz, Don McKay, Cecil Newby, Arnold Henderson, Otto Gill, S. Arkley and others.

The Intermediate "B" squad of 18 and under will be made up as in former years almost entirely of freshmen, and this year's freshies have several of last year's high school stars in their ranks, and may be counted on to play a fast brand of basketball. In former years the Intermediate "B" has very often trimmed the Intermediate "A" team, and may repeat the performance again.

Prof. Knapp will act as a coach with Jack Buchanan as trainer of the club. The basketers will work out again on Thursday.

CLASS SPORTS BEGIN AT VARSITY

Basket Ball Programme to Start Tuesday at Normal Gym

Midweek Oct 20
The inter-class sports begin at Varsity next week, basket ball being the first on the bill. The Collegians expect to take part in all the popular branches of sport, swimming, basket ball, rugby, soccer, track, rowing, tug of war and relay races.

Points count for each class on the four, three, two and one scale, and the class winning the greatest number of points wins the Governor Cup, donated by the Board of Governors for the competition. Interest always waxes high during the different contests and much new athletic material is unearthed which is of benefit to the different clubs taking part in outside competitions:

The draw for the basket ball is as follows:

Arts '28 vs. Science '28, Sc. 27 vs. Sc. '25, Arts '27 vs. Arts '26, Sc. 26 vs. Agriculture, Arts '25 a bye.

The first game will be played next Tuesday at Normal gym, and the followers of the indoor pastime should see some lively competition before the series is over.

STUDENTS' COUNCIL AGREES THAT B. C. JOIN ATHLETIC BODY

The students' council at the University of British Columbia last night O.K.'s the proposal the Varsity join the Western Canada Inter-Collegiate Athletic Union. The men's athletic association had previously passed the matter. All that remains now is for British Columbia to fill up the necessary forms and send them in to the union. This province will thus get an opportunity to apply to hold the Western Canada inter-collegiate track and field meet on the coast next fall.

SCIENCE '25 WINS FIRST BASKET BALL CLASH AT VARSITY

Midweek Oct 20
Science '25 came out on the long end of a 28-18 count in the first inter-class basketball game of the Governor's Cup series at Varsity. Science '27 were the losing class and put up a much better fight than the score would indicate.

The winners played a more forceful game and took the lead at the outset, when Ramsell dropped in a couple of baskets.

At the interval the score stood at 14-10, but on the resumption the '25 squad rushed in a couple of reserves who added pep to the play and '27 squad soon weakened.

ARTS '28, AGGIES WIN HOOP GAMES

Two Science Quintettes Lose in Varsity Interclass Contests

McAdam Oct 31 24
Arts '28 downed Science '28 and Agriculture gave the Science '26 quintette an artistic trimming in the first round of the Varsity interclass basketball series last night at the Normal gym.

The first game was fairly close and at half-time the score stood 14-13 for the Science men, but in the second stanza the Freshmen came back strong and due to Thompson's stellar shooting, ran up a big score and finished on the long end of a 30-21 count. Leg was high man for the losers.

Agriculture had it all over their Science brethren in the second encounter and ran up a score of 38 points to the losers' 10. The Science men started out strongly, but the pace proved too fast for them and due to the accurate shooting of Wilkinson, the farmers piled up a big lead. Bassett scintillated for the Science '26 squad.

The series will be renewed next week, when Arts '26 meets Arts '27.

Exciting Finish to Hoop Game

Arts '27 Basket Ball Team Defeats Rivals by 2 Points in League Fixture

McAdam Oct 31 24
Arts '25, favorites in the Varsity interclass basket ball series, went down to defeat at the hands of Arts '27 quintette in the most keenly contested and exciting game played so far at the Normal gym. It was anybody's game right up to the final toot of the whistle, and the sophomores only won by the narrow margin of a single basket, the final score being 33-31 in their favor.

There was quite a large turnout of both sexes at the Normal gym, cheering on their respective classes. The winners started out well in the first few minutes of play, but the seniors soon hit their stride and, due largely to the shooting eye of Harold Henderson, their rangy centre, soon took the lead and were two baskets up at the interval.

Upon resumption of play the "sophs" came to life and uncorked a dazzling brand of basket ball, and for team work had it all over the losers, the '25 squad being better individually than their rivals, but lacked combination. Both teams see-sawed back and forth, and during the last period the count was tied on three occasions.

Arts '27 are now in the finals of the series and are looked on as sure winners. The winners will meet the winner of Science '25 and Arts '28 next week.

Even if the Varsity sophomores lose the finals they will get second place in the contest; which will put them well in the lead in the Governor's Cup race as they have already four points to their credit for winning the track meet. Science '25 are running them a close second, however, and at present it looks as though one of these two teams will cop the silverware this year.

Arts '27—Robinson, King, Newby, A. Henderson, Gordon, Mottley.

Arts '25—H. Askley, S. Ashley, H. Henderson, D. McKay, Graur, Mathews.

Rowers, Students Succeed

King Edward Old Boys and Westminster Y Lose at Basket Ball

McAdam Oct 17 24
Varsity Senior A Downs Royals by One Point in Closing Minute

VANCOUVER Rowers won their way to the top of the Senior "A" Division of the Vancouver and District Basket Ball League on Saturday night at the Y.M.C.A. when they trimmed the King Edward Old Boys, 30 to 21 count. The other Senior "A" game was a thriller and Varsity beat the Westminster Y. M. C. A. by a lone point in the dying moments of the game, which ended at 23-21.

Y. M. C. A. Intermediate A emerged on the long end of a 22-13 count against Ex-King George in the curtain raiser. The "Y" boys had it all over their rivals for teamwork and shooting ability.

The Old Boys put up a game fight against the Rowing Club, but the latter had it all over them for weight and forced the play from the outset. Fletcher scintillated at centre and soon put his team in the lead. Miggins, the loser's snappy right forward, hoisted his scoring average in the first stanza also. The score stood at 15-11 at the interval and the Rowers' 4-point lead looked pretty small on resumption of play, when the King Edward boys began to bombard the Rowers' basket from all angles, and had it not been for tough luck in their shooting might have taken the lead.

LOSERS TIRED

The losers tired, however, and failed to watch their checks closely, with the result that McAdam got away repeatedly and netted the ball six times in the second period.

Johnson substituted at centre part of the second half for Fletcher, but the latter finished the game and was still going strong at full time. The Old Boys tried to stage a comeback in the final stages, but the close-checking of the V. R. C. prevailed.

The Varsity-Westminster "Y" game was close and fast, U. B. C. boys started out well, but Westminster made a great rally in the final stages of the game. With only a minute to go the Royals were one point up when "Dad" Hartley, Varsity star centre, pulled the fat out of the fire by scoring from centre.

The first period was all Varsity's, and the Westminster quintette were seldom in the picture. Hartley scored some wonderful baskets and was largely responsible for the 12-5 lead enjoyed by the students at the interval.

On the resumption the "Y" boys started to come back. Westminster's guard, Herb, scored 6 points for his team, and with about five minutes to go the score was tied.

STRENUOUSLY CONTESTED

Varsity removed Arkley and Graur, substituting Newcombe and Wilkinson. The closing moments of the game were strenuously contested and Referee Yeo had his hands full keeping the players in hand.

Lineups:
Rowers—McAdam (13), Olson (4), Fletcher (4), Falconer (5), Abercrombie (5), Johnson.

K. E. O. B.—Rae (4), Miggins (8), Lindsay (4), Grimmert (3), Upham (2), Duff, McAdam.

Varsity—Arkley (5), Henderson (5), Hartley (8), Graur (8), Peck (4), Newcombe, Tommy Wilkinson.

Westminster Y. M. C. A.—Lewis (2), Gordon (3), Shileo (4), Herb (3), McDonald, Paulson (4), Grimston.

Y. M. C. A. Int. A—Smith (4), Strutt, Moir, Fuller (4), Hays (2), Nuddert (3), R. Roberts (4).

Ex-King George—Bryson (3), Garrison (6), Spencer, Choate (2), Henderson (2), Adams.

Three of Five for Students

McAdam Oct 17 24
Trio of Varsity Hoop Teams Win at Normal Gym Saturday Night

Senior B Girls and Intermediate A Men Are Defeated Squads

VARSITY basket ball teams carried off high honors in three of their five encounters Saturday night at Normal Gym. The Men's Senior B downed the Rowing Club quintette, 38 to 18; the Intermediate B's won from the Crusaders, 22 to 11, and the Hanbury Intermediate A squad downed the collegian Intermediate A's, 27-19. The co-eds of the college won from the Normal B's with their Senior A team, 52-0, and the New Westminster Y.W. squad took the long end of a 27-8 score from the Varsity senior B girls.

Coaches of the various district teams should call the attention of players to the time off rule, which states that during time off a full team must be kept on the floor. The ruling states that the opposing team may have one free shot for every man leaving the playing area. This also applies to the women during the quarter time off, but has no bearing on the half time interval. The Varsity Intermediates were awarded five free shots when the whole Hanbury team left the floor at once, but they refused to take advantage of the ruling.

FAST AND OPEN

Varsity Senior B won a fast and open game. The Scullers put up a fine exhibition of basketball, but were frequently robbed of sure baskets by the close and fast checking of A. Henderson, who played a stellar game for Varsity at guard. Bert Tolling and Fraser Allen starred for the losers, while O. Gill shared the applause of the gallery with Henderson for University honors. At half time the score was 21-11.

The teams: Varsity, T. Butler (4), Ed Bassett (8), C. Newby (4), O. Gill (9), Henderson (5), R. Gordon, D. McKay (8), Rowing Club, Sterling Martin, Bert Tolling (8), D. L. Clarke, Hal Jones, Harry Archibald; Vic Hillman (3), Fraser Allen (7), Referee, Robson.

Overcoming a five-point lead, the Hanbury Intermediate A squad walked away from Varsity Intermediate A's in the second half of their encounter. The Varsity men led at half time, 13-8. Stevenson was the star man of the lumbermen and rolled in some pretty baskets. MacDonald did some fine guarding for Varsity.

The teams: Hanbury, C. Code (8), C. Stevenson (14), M. Abernethy (4), H. Calvert (1), A. Gross, H. Graham, J. Britton, Varsity, W. Thompson (1), Robinson (6), H. King (6), Aune, J. Legg, Kelley (2), N. MacDonald (4), Referee, Reilly.

CO-EDS IN FORM

Co-eds of the Varsity Senior A squad ran circles around the Normal B's and blanked them. Doris Shorney scored 20 points for her team, making 16 of them in the first half. Pearl Noble was the pick of the Normal team, being one of the best guards of the evening. Varsity's score at the end of the quarters was 14, 26, 44 respectively, and the co-eds brought this to 52 in the last period.

The teams: Varsity, I. Russell (2), Doris Shorney (20), Flora Musgrave (14), G. Svenceski (6), W. Straight (2), Marjorie Bell (8), Normal, Lillian Godfrey, Marjorie Lanning, Pearl Noble, Daisy Taylor, Chrissie Irwin, Ethel Hornbrook, Referee, Reilly.

The fast stepping Westminster women downed the Varsity Senior B's in a one-sided encounter. The Royal City team had the high score throughout with the periods ending 7-0, 13-2, 17-4 and 27-8.

Varsity Ruggers Beaten

Rowing Club and Young Liberals Victorious in Senior Series

Rowing Club ruggers and the Young Liberals won the honors in the Miller Cup games at Brockton Point on Saturday when the Collegians lost two games in the senior series. Rowing Club downed Varsity 9-5, while the politicians took the long end of a 6-3 score against U. B. C.

The Varsity squad surprised the Rowers following the defeat last week at the hands of ex-King George. The game was a fast one and the brand of rugby was fairly high, with hard fighting on both sides. The Rowers had the edge in the first half, but after that period the Collegians took a fair share of the offensive work.

Lane opened the scoring for the Scullers early in the first half, when he dashed over from a five-yard scrum. Crone failed to convert, although the angle was not difficult. Taking the offensive with the kick the Rowers again displayed some fine forward work and pressed the Varsity team into their territory.

OARSMEN SHOW SPEED.
The Rowing Club threes came into the limelight when they made several excellent runs which were halted by fine defensive tactics of Varsity. They broke through for the second try when Marshall crossed the line after a short dash. Crone again failed with the kick, leaving the score 6-0.

Stan Arkley made a name for himself when he scored Varsity's only try after a run of 30 yards, in which he wiggled his way through the Rowers' defense. It was the most outstanding play of the game. Hal Gwyther connected in the convert and brought the score to 6-5, where the half ended.

Although the play was divided in the second period and three quarter rushes were featured on both sides only one try was made. The Rowers scored this when their forwards shoved the Collegians over the line from a 5-yard scrum. The Varsity team took the offensive with a renewed vigor but were unable to score again.

NOT UP TO CLASS
What was thought to be the feature of the afternoon turned out to be a miserable failure, as far as the grandstand was concerned, when the Young Liberals and U. B. C. put on a display of inferior rugby. With neither team showing any of the previous class of rugby played this year, the game took the form of long kicking ahead, with no inclination for following up. Although Keeling and Dominey showed some fine footwork at full back they were the only men to give the watchers a thrill. They had some fine kicking bouts.

The Liberals took the lead early in the game when Jack Tyrwhitt secured on the two-bit line and dashed over in a pretty run. The try was unconverted. Jack played the premier game of the combat, and without his showing and that of Greig, the supporters of the politicians would have been disappointed. The college supporters liked Lange and Bill Cameron. Mick Rolston was playing good rugby until he was forced to retire with a bad scalp wound.

With the scrums taking the play the half ended with no further score.

TYRWHITT OVER AGAIN
Tyrwhitt again starred when he scored his second try early in the second half, when he dashed over near the post when Dominey made his only fumble of the afternoon. Waters had an easy chance to convert, but Lange blocked the ball as it left the ground and the score remained 6-0.

Smarting under the second try against them, the Collegians determined to carry the ball over and the ragged brand of rugby had a better chance of being better. After

Shut Out Wanderers, 23-0 in First Appearance of Season

Varsity Outplayed by Ex-King George and Lose 3 to 0

U. B. C. overwhelmed Wanderers 23 to 0, while Varsity went down to Ex-King George 3 to 0 after a stubborn fight in Saturday's senior rugby fixtures at Brockton Point, giving the collegians an even break for the day.

Catching the Wanderers somewhat weakened by the absence of five of their regulars the U. B. C. team had little difficulty in rolling up a big score on the team which appeared so bright in their opening game last week. The loss of Leroy, who is in the hospital with typhoid fever, left a hole which will be hard to fill as he was the star of the team and considered the best three-quarters in the city. He will be out of the game for the season.

U.B.C. SCRUM STRONG
The heavy and aggressive scrum of the U.B.C. had a marked advantage over their lighter and plucky opponents and they kept the Wanderers on the defensive for most of the way.

The sensational passing game, which featured the play of the Wanderers last week was lacking when the University athletes checked so close and tackled so hard that they never gave their checks a chance to break away. Lange did some clever converting as he only missed one out of the six tries made by his team.

Gustafson scored the first try as the result of some sparkling back-field passing around the left end. Lange got the next when he was pushed over from scrum and converted from a difficult angle. Lange intercepted a pass near centre to have a clear field for a try and he converted to make the count 13 to 0 at half time.

Brock grabbed a throw in from three yards and carried the ball over and Jack McPherson got another on a clever ruse from five yards out when he bluffed a pass and then went through. Lange converted both. The U.B.C. back-field did not get much chance to shine, but the team looked like the one to beat for the championship.

KING GEORGE PLAY WELL
Ex-King George boys scored their first win in senior company when they triumphed over Varsity 3 to 0 by going over for the only try of the game in the first half as the result of a run half the length of the field by Murray Rowan.

He did not get over as the ball went into touch, but on the first buck Gordon McLean was pushed over. The former school boys had a decided edge in the play and deserved the victory by a greater margin.

Varsity put up a strong defensive game but were weak in the scrum and the back division never got a chance to shine.

Varsity to Field Two

BOTH WILL APPEAR SATURDAY

Miller Cup Fifteens

BOTH Varsity Miller Cup rugby teams will be out on Saturday. U. B. C. will play Wanderers in the first game at Brockton Point at 2:30 o'clock, while Varsity will clash with E-King George in the second game directly afterward. The students will divide their talent between these teams. The senior forwards will play with the second line backs on one team and the senior backs with the second line forwards on the other.

Trehern, who it is said, is a member of the London referees' association, will handle the first game and Cameron the second. This week Rowing Club and Liberals will not be engaged.

At last night's meeting of the Vancouver Rugby Union, officials were optimistic as to the possibility of an outside team coming to Vancouver for Christmas. Season tickets will not be issued, while action regarding the offside rule will not be taken until a decision has been given by the parent union of the Old Land.

There will be four clubs in the intermediate series—Varsity (two teams), Rowing Club and Ex-King George. The schedule in this section will begin on October 18.

Last Saturday's gate receipts were satisfactory and officials are hoping the public will continue to patronize the game in the same way.

Liberals will hold a practise at the Horse Show building on Thursday night at 6:45 o'clock.

ARTS '25 SECURE THIRD PLACE IN HOOP TOURNEY

Arts '25 won third place in Varsity Inter-Class basket ball last night at the Normal gym when their rivals, Arts '28, took the short end of a 28-20 count. The seniors had a decided edge on the play and deserved their victory, but the Freshies put up a game fight.

The first half was characterized by open play and the losers' guards let the opposing sharpshooters away too often. The Arkley brothers in particular piled up a big lead in the first period.

The last stanza was featured by close checking throughout and neither team found the basket often. Butler starred at guard for the '28 squad.

This win entitles Arts '25 to two points in the Governor's Cup contest and the freshmen take one point for fourth place in the competition.

Arts '25: Henderson, 4; H. Arkley, 12; S. Arkley, 10; Mackay, 2; Graur. Arts '28: Aune, 11; Thompson, 4; Taylor, 1; McDonald, 2; Gill, Butler, 2.

ROYAL CITY GIRLS DEFEAT VARSITY A

NEW WESTMINSTER, Nov. 28.—Westminster Y. W. C. A. basket ball squad defeated Varsity A at Westminster tonight 11-5. It was one of the best tussles played in the Royal City for some time. The teams played four periods. Varsity led at the end of the first 5-3. The score was 5-5 at the end of the second and third. Melrose Dock-erill was the star of the game, getting 8 points, including 3 field baskets from the centre of the floor. In an exhibition game, Westminster Y. M. C. A. downed a team representing King Edward Old Boys, 66-14. Paulson with 22 and Shiles with 14 points were the high point getters for the winners.

Freshmen Overcome Oarsmen

Arthur
Vancouver Rugby Union, Intermediate Division, Starts Schedule

VARSITY Freshmen made an auspicious start in the intermediate rugby division at Strathcona Park on Saturday when they defeated Rowing Club 7 points to 0. Ex-King George downed Varsity by an unconverted try to nothing.

The Freshmen scored four points in the first half when the receiving halfback dropped a goal. They got three more in the second half when they went over for a try following a scrum.

Cecil Mayes obtained the try which meant victory for Ex-King George. The former high school students won because they displayed better team work. A little more method among the Varsity thirds forwards might have resulted in a different outcome. Varsity had a little more weight forward but seemed incapable of pushing this advantage. C. G. McLachlan handled both games.

VARSIY RUGBY TEAMS TO PLAY

Important Senior Games Saturday; McKechnie Contest on Monday

McKechnie Cup?
 Another attractive double bill will be offered rugby enthusiasts at Brockton Point tomorrow afternoon, when the two University teams will again be seen in action. Varsity will endeavor to get into the win column at the expense of the Wanderers in the first game, which starts at 2 o'clock. In the second contest the U.B.C. aggregation will make strenuous efforts to hand the league-leading Rowing Club fifteen their first defeat of the season. D. E. Trehere will handle the first conflict, and President Bell-Irving will be in charge of the second fracas.

Vancouver rep. team had another workout at the Horse Show Building last night and the boys showed a big improvement in their team play and promise to be at their best in the opening McKechnie cup game on Monday afternoon at 2:30 against the champion Varsity squad.

STUDENTS TO PARADE TO BROCKTON POINT FOR GAME MONDAY

Varsity's Rep Band
 Varsity's Rep Band will lead a parade of University students Monday when the freshman class turns out in a group to support the McKechnie Cup team meeting the Vancouver Rep fifteen at Brockton Point. The band this year has been holding many practices and it is expected that a good showing will be made by this group of students who have banded themselves together under G. Phillips.

Malcolm Lange, one of Varsity's newest rugby stars will take charge of the parade Monday. The freshmen will form at Recreation Park at 1 o'clock and will march by Smythe and Granville Streets to Pender from where they will go directly to the game.

Yell King R. L. McLeod will be on hand to take charge of the college rooters who are planning to turn out in large numbers for the opening game of the Provincial championship series.

Superior Team Work Brings Victory to the Varsity Rugbyists

Vancouver "Rep" Team Loses First McKechnie Cup Game, 3 to 0

Capacity Crowd Sees Hard-Fought Struggle at Brockton Point Oval

GAMENESS and an undaunted fighting spirit enabled Varsity rugbyists to trot off the field at Brockton Point yesterday afternoon with a hard-earned victory over Vancouver's "rep" team, after a game that for interesting situations, clever defensive tactics and dotted with bright features throughout will go down in the history of the McKechnie Cup Series as one of the greatest on record.

Students won 3 to 0 when Malcolm Lange, the powerful forward of the Varsity team, plunged over from five yards for the only try of the game and practically the only opportunity the winners had during the eighty minutes of gruelling play. About thirty minutes had gone when the big fellow seized the opportunity to rip a hole in the line after a throw-in and roll-over for the points which gave his team victory. For the remainder of the encounter the "rep" team fought valiantly without result. They were in good position on several occasions to do the necessary, but they were up against a fighting team, a bunch that simply did not know what the word defeat meant and they were battling on their own five-yard line to stave off the dying attack of the black-jerseyed athletes at the first.

VARSIY HAD TEAM PLAY

Varsity won through their superior team work. They had an edge in playing together and they looked best when hardest pressed. Time and again they relieved ticklish situations with fast work in the backfield where Dominey with his powerful boot or the speedy three-quarter line composed of Warren, Kelly, Buchanan and Cameron would start a run which would take the ball out of danger. Purdy at five-eighths was also conspicuous with his heady kicking into touch for long gains, while Shaw and McPherson backed up a stout forward line in splendid fashion. But it was on the forward line where the students excelled. They had to show their very best against the aggressive "rep" forwards, and they more than held

their own in many scrimmages for the ball.

Three thousand enthusiastic spectators were given a finished exhibition of the English code of rugby. The play might have been a little more open to satisfy some but the checking was so close that there were very few breakaways, though there were occasional runs which brought the fans to their feet. The Varsity "rube" band and the cheer leader, Vic McLeod, kept everybody in good humor and the students made themselves heard with their different college cries.

Vancouver fought all the way and with a favorable break might have scored at least one try. But it lacked the speed to take advantage of a couple of openings and fleet-footed backs came to the rescue of the Varsity side. Stuart was none too sure in his catching but held his own in the kicking duels with Dominey. Rowan, particularly in the first half, opened up some big holes with his fast running. Wether- spoon was also away on a couple of occasions and was only stopped in time. Marc Grimmett, who captained the team, was in the game all the time. He made several openings with dodging runs and kept his team fighting to the last.

McEean was the life of the forward line and two or three of his long dribbles nearly brought results. Mac Donaldson was also great help on the forward line and he was nearly over in the last minute of play when he followed up a dribble and was only stopped three yards out. But the "rep" squad had a difficult task in breaking through such forwards as Lange, Hatch and Gregory and the rest of the big fellows who formed a regular stonewall on defense.

The first half was evenly fought with the "rep" team having an early advantage, three chances being passed up by the ball going to the dead line. The play which decided the game came rather suddenly. Varsity had tried a backfield play but the ball was fumbled. A quick kick carried the ball into touch five yards out from the "rep" line. On the throw Lange found an opening and walked right over.

Referee E. L. Yeo handled a hard game well. He was strict in his ruling and impartial at all times.

Varsity's Rep Band
 Vancouver—Stuart (R.C.) back; Prenter (R.C.), Rowan (Ex-K.G.), Crane (R.C.), Wether- spoon (Wand.) three-quarters; Grimmett (R.C.), Capt., five-eight; Marshall (R.C.), Law- son (Wand.), halves; Fraser (R.C.), Christie (Ex-K.G.), Boyd (Y.L.), Donaldson (R.C.), Mc- Lean (Ex-K.G.), Decker (R.C.), Sweeney (Wand.) forwards.

U. B. C.—Dominey, back; Warren, Kelly, Buchanan, Cameron three-quarters; Purdy, five- eight; Shaw, McPherson, halves; Hatch, Lange, Gregor (Capt.), Price, Ramsall, Brock, Schults, forwards.

First half—Varsity, try (unaccounted), Lange 3 points.
 Second half—No score.

LANGE IS THE LATEST CASUALTY

Getting Bigger Daily

MALCOLM LANGE, powerful forward of the University rugby squad, whose sterling work in last Monday's cup game at Brockton Point was one of the bright features of a great contest, is the latest athlete to be laid up from injuries. Lange has been forced to the hospital, a victim of blood poisoning.

A small scratch on the left arm was rather troublesome before the game, in fact it bothered the big athlete so much that his father warned him against playing. But nothing so small as that could keep him out and his presence decided the contest for his team, as it was his terrific plunge which carried the ball over for the only try. His arm bothered him afterward, but not until Wednesday was it necessary to call a doctor, who ordered Lange to the hospital and declared operation was necessary.

Lange is not expected back in the game until after Christmas, and his absence will be a severe loss to Varsity. This makes four students who have been forced out of the fight during the last few weeks. Bert Tupper broke his ankle in training, McLean was hurt last Saturday, while Brock had a rib broken on Monday.

Oarsmen Retain Record

Rowing Club Rugbyists Add Another Victory to Credit by Beating U.B.C.

Varsity Plays Spectacular Rugby to Defeat Wanderers 11 to 0

All the athletes who will compete in the opening McKecknie cup match at Brockton Point on Monday afternoon at 2:30 came through Saturday's gruelling tussels in good shape and the followers of the handling game are looking for a bright display of rugby on Monday when Vancouver Rep lines up against the champion University fifteen.

ROWING CLUB ruggers are still sitting pretty at the top of the Vancouver League with an unblemished record. On Saturday afternoon the Oarsmen showed a lot of fight by coming from behind and defeating the redoubtable U.B.C. fifteen in the second half, 13 to 3, after failing to count in the first period. Wanderers took their usual Saturday beating in a graceful manner when they succumbed to Varsity 11 to 0 in a spectacular contest.

The small army of enthusiasts who wended their way to Brockton Point were treated to two of the prettiest games of the season when they saw two contests which just teemed with thrills. The opening fracas was featured by the most open play of the season both sides relying on a running game with the result that the ball was on the move most of the time. The second game was just the opposite with two strong scrums fighting for supremacy and the Oarsmen coming out on top through their superior team play, their dribbling bringing them big gains on several occasions.

FAST OPEN PLAY

Varsity gave a finished display of the running game in disposing of the lowly Wanderers brigade in a game featured by thrilling plays. Harry Warren and his speed had as much as anything to do with the 11 to 0 victory of the students

as this curly headed youth went over for all three tries. He got the first one early in the first period and Bain converted nicely.

The half time count was 5 to 0 but a brilliant run around the left end by Al Buchanan opened the way for the speedy Warren to take a pretty pass and just slide over the line as he was pulled down by an opponent. Bain failed to convert.

Warren was again in position to take a pass and outfoot an opponent just before time to smash over for the final points of the game.

Varsity looked much better than in their other games. They took chances and got away with them. The half line gave a finished display of ball carrying with Cameron, Warren, Buchanan, Casselman and Purdy giving a dazzling exhibition. They were also strong on defense, as the plucky Wanderers uncovered one of their best performances. They opened up several times when Pinkham, Stoble, Proctor, Bingham and Lawson started away with tricky passing but they lacked finish against the hard checking Varsity and for the second week in succession failed to notch a point.

OARSMEN FIGHT HARD

Rowing Club once again showed that they have championship stuff. Playing with 14 men in the first period owing to the failure of Stuart to show up, the Oarsmen went to the dressing room with three points against them when Tuff Loudon took a pretty pass from Gustafson, who made a nice opening and went over for the only points of the U.B.C. during the game.

Charlie Winch filled the vacancy in the second period and the Oarsmen were soon in the spotlight. They evened the count early in the session when Mac Donaldson plunged over after a spectacular dribble. Crone failed to convert, and it was a battle for the next points for victory. Rowing Club finally got them over and Crone converted nicely. U.B.C. showed their usual last minute fight, but Oarsmen made victory sure when Mac Donaldson again got over from a pass from Grimmett, who played a most useful game.

TWO STRONG SCRUMS

Oarsmen deserved the verdict. They came back and showed real fight and made the best of their opportunities. But U. B. C. were in the battle all the way, but found a stonewall defense to beat and they did not have any trick plays to bring them victory. It was a battle of two wonderful scrums, but the Oarsmen stood the gaff much better and were stronger at the finish. Barry made a spectacular run in the first period and the Students saved two or three dangerous attacks by fast work in the backfield. Rowing Club was again well served with their heavy line. Capt. Fraser has never been seen to better advantage, while Donaldson was wonderful with his dribbling. Smith, a New Zealander, is a decided acquisition to the league leaders. He is a big fellow, fast and has a good pair of hands and dodges nicely. He should be heard from.

FRESHMEN DROP THEIR FIRST POINT

Both Intermediate Rugger Contests at Strathcona Park Are Drawn

There was an abundance of unique features in the intermediate rugby games at Strathcona Park on Saturday, in which the Freshmen met Ex-King George and Rowing Club clashed with Varsity III.

Freshmen and Ex-King George played in the first tussle, and playing down hill Roy Shields scored for Freshmen in the first half. This was all the score up to the interval. Turning round, Ex-King George equalized, while playing downhill.

Playing downhill, Rowing Club scored the only try of the first half against Varsity III. There was no further scoring in this half, but Varsity III also managed to get a try while battling up the slight slope.

Thus in the two games, four tries were obtained, one by each team, none were converted and each was obtained in a separate half.

Referee MacLachlan handled both games.

VARSITY TEAMS TO CLASH SATURDAY

First Meeting of Students in Senior Rugby Series; Victoria Here Nov. 29

It is going to be an honor that no rugbyist will ever forget to get a place on one of the teams which will perform against the all conquering "All Blacks" here next February, and there promises to be some keen rivalry among local players for positions on the teams. This means that every athlete will take a greater interest in the remaining Miller cup games than ever, and whether a team is in the running or not the players will be keyed up to their best in order to fight for a position on the All Star aggregations which will be chosen to play against the redoubtable New Zealanders.

Saturday's Miller cup games at Brockton Point offer another bright looking card. With the first meeting of the two University teams at 2 o'clock the fans are promised some action as there is a friendly rivalry between the students which promises to bring out some spectacular stunts. E. L. Yeo will be in charge.

Wanderers will have a chance in the second game to win a lot of glory for themselves if they can put a stop to the undefeated record of the Rowing Club ruggers. Treherne will referee and a most interesting contest should result.

The usual double bill will be staged by the intermediates at Strathcona Park. At 3 o'clock Ex-King George and Rowing Club will clash in the first game, while Varsity and Freshmen meet for the first time. Mr. Underhill will handle both games.

Saturday, November 29, Victoria rep team will be here for their first game of the season in the McKecknie cup series against Vancouver's representatives.

U.B.C. GIRL WINS AQUATIC HONORS

Miss Sylvia Thrupp, 2256 Fifteenth Avenue West, won the award of merit and an instructor's certificate, while five other members of the Women's Swimming Club of the University of British Columbia were awarded proficiency certificates and bronze medallions in an examination conducted by the Royal Life Saving Society at the Chalmers swimming tank yesterday.

In granting to Miss Thrupp the award of merit, the second highest for life saving, the board of examiners composed of Fred Burrows, J. A. Parsons and H. H. Duggan, paid tribute to her excellent work. Miss Thrupp gained 84 points out of a possible 100. The five members receiving medallions and certificates were Miss Fern James, 3720 Fifth Avenue West; Miss Hester Thompson, 885 Eighth Avenue West; Miss Marjorie Kirk, 1538 Matthews Avenue; Miss Frances Gignac, 1221 Burnaby Street, and Miss Victoria M. Duncan, Gifford Hotel.

Varsity Ruggers in Two Hard Games at The Point Grounds

U. B. C. Upsets the Championship Aspirations of Ex-King George

Liberals Put Up Hard Fight Against Varsity and Tie Score

RUGBYISTS of the U. B. C. shattered the championship aspirations of Ex-King George youngsters when they stopped the winning streak of the former intermediate champions 7 to 0 in the opening game of Saturday's senior rugby bill at Brockton Point.

Varsity ruggers also showed to advantage in holding the Young Liberals to a tie with the score 3 all, though the final whistle came to the rescue of the Students when the Liberals were on the verge of going over.

Superior work in the scrum gave U. B. C. a well-deserved victory over the fleet-footed Ex-King George pack. The Students made big gains through the line, while their backfield gave them good support, with the result that Art Lord's proteges never got going, and when they did manage to get underway their speed was generally smothered by the hard tackling of their heavier opponents.

RAMSELL GOES OVER

Ramsell, who was playing a powerful game and was in the thick of nearly every scrum, gave the U. B. C. their first points after the teams had battled through the first period without the semblance of a score. He repeated the performance of Lange in the McKeckle Cup game, when he grabbed a throw in from five yards out and plunged right through the King's line for a try, which was not converted.

Just to make sure of victory, Harold Gwyther dropped the nicest goal of the season when he lifted

the ball over the bar from 10 yards out with two or three opponents jumping at him. It was a spectacular play, as it required speed and precision to accomplish.

Both teams were weakened by the absence of several regulars, with the result the play was not up to the standard of other games. Murray Rowan, Gordon McLean and Downey, the real stalwarts of the Ex-King George crew, were missing, while Lange and Brock were out of the U. B. C. line upon account of recent injuries.

Dominey was a tour of strength to the winners with his well-placed kicks, while Gustafson and Loudon figured in several pretty runs. Bryson was back with Ex-King George and showed to advantage, while Barclay and Scott were prominent. The forward line could not cope with the U.B.C. heavies and were outclassed most of the way.

LIBERALS TRY HARD

With about half a dozen of the regulars out, Young Liberals did not look any too promising with the many new faces which started for them against Varsity, and when Purdy scored three points for the Students in the first half, the result of a free kick, things looked very dark for the Grits.

But the second half told a different tale, as the Politicians started to find themselves and for most of the way had the Collegians in their own half of the field. They passed up a couple of chances for scores, including a drop kick from about 20 yards out, but were finally rewarded when Farmer scrambled over from the five-yard line and the same player failed to convert.

With about five minutes to play Liberals fought desperately and had Varsity on the defense. They opened up wide holes in the defense of the Students and were nearly over on two or three occasions.

McFarlane had his stalwarts showing fight in the dying moments as they were unfortunate in failing to get over when the whistle put a stop to play with the ball five yards out from the Varsity line. The game was much faster and more spectacular than the first contest and both teams uncovered some bright plays. Liberals were best on the line while Varsity excelled at backfield play.

Leg Is Mending Nicely, Thank You

HARRY MOSHER

PEER of Canada's soccer goalies is recovering from the effect of a broken leg at the Vancouver General Hospital. He hopes to be fit and well by the New Year. Harry says he had a grand time "down under" and if there happens to be another tour in a few years ago he will put his name down.

VARSITY EXPECTS A NEW FORWARD

Varsity first soccer men will take the field against Longshoremen with a stronger eleven than that which they fielded against the city last week. It is expected that Jack Lundie will hold down the centre position in the absence of Tommy Wilkinson. It is also rumored that the collegians are getting a new forward, Auchinvale, formerly of Cumberland, to play on the forward line. L. Buckley will not play right half, as he is confining his attention toward making a place on the track team at U.B.C. Butler will play in his place. The rest of the students' lineup will be the same as last week.

ST. MARKS SCORE LAST PERIOD WIN

Varsity Meet Defeat in Opening Canadian Rugby Contest

Canadian rugby was ushered in for the season with a friendly game Saturday afternoon at Strathcona Park between Varsity and St. Marks which was won by the latter 7 to 5 through a brilliant finish after being down most of the way.

Both teams gave a clever exhibition considering it was the first time out and the fans who watched the performance were quite satisfied that a much higher standard of play is to be provided in the league games this year.

Bates, the big half-back of the students, scored the first touchdown early in the play shortly after he had uncorked a brilliant 50-yard dash. He was the star of the game. McDonald kicked to the dead line for St. Mark's only counter in the first period. A try and another kick to the dead line gave the

CANADIAN RUGBY CONTEST TODAY

Varsity and St. Marks Give Exhibition of Eastern Style of Play

Followers of the Canadian code of rugby will have an opportunity to witness their favorite pastime this afternoon when Varsity and St. Marks open the season with an exhibition game at Strathcona Park at 3 o'clock. The teams have been practicing faithfully for some time and expect to put up an interesting performance.

The Canadian game is more on the style of American football except that only three downs are allowed to make 10 yards, while in the U.S. four downs are permitted. This makes the Canadian game much more open as it calls for more kicking and more running behind the line.

Single points are also scored on kicks to the dead line or through a player being pulled down with the ball behind the line. This adds to the spectacular nature of the play as a back will always try to run or kick the ball out of danger to escape a point being scored. All these fine points of the game should be shown to advantage.

CRUTE ALLOWED TO PLAY AT U.B.C. LONG AS HE WANTS

Varsity soccer star back of the Varsity soccer squad, will be allowed to play on the college team as long as he desires, was the decision of the Men's Athletic Association yesterday. Although the students do not make a practice of using the graduates, this departure was made owing to Crute having organized the Varsity soccer team while a student at the U.B.C.

The men also decided that all sports would be included in the Governors' Cup series and that any club could make a request to include its game in the contests.

Two Goals, One in Each
Half, Spell Victory for
Students at Soccer

Crute, Ingram and Phillips
Outstanding Men in
Ragged Contest

TWO goals separated Varsity and Longshoremen soccer teams at Cambie Street Saturday afternoon. Two goals were all the game produced and the Students got both, one in each half. From start to finish the game was ragged, with Varsity superior in method, condition and finish.

The first goal obtained after six minutes was a scrappy one. Practically every Varsity forward was engaged in the wild scramble right in front of Robinson, but Bobby Jackson did not scramble the ball into the net until Jimmy Butchart had erred badly and breasted the ball to his feet. From then on to the interval each goal was visited in turn with Robinson getting less to do than King.

BENNETT OFF FORM

But Longshoremen lacked a leader. Bennett was a square peg in a round hole, and he hustled around as busy as a bee without accomplishing an atom of good. Albert King, Reggie Mosher's young understudy, was called on several times and distinguished himself by clever handling. There was occasion, however, when he displayed a little too much daring by fisting the ball out following a bouncing shot by Charlie Cameron, recently transferred from Vancouver City.

The second half was 20 minutes old when Ebenezer Crute put the issue beyond doubt with his head following a corner kick accurately placed. Longshoremen made a few spasmodic dashes after this, but Bennett was of little use and the attacks were turned back without difficulty.

Varsity Superior

Varsity was greatly superior in the second half and ran the Dockers off their feet.

Crute and Phillips, right back and centre half respectively, were the stars for Varsity, while Ingram, right back, played finely for Longshoremen. Both he and Crute kicked in fine style and never stood on ceremony. Tommy McEwan was a weak link in the Dockers' middle line, being far too slow.

Baker at left back for Varsity improved greatly after a shaky start. The game was clean although Referee McDonald had to caution Butchart when he took a kick at Huestis, the Varsity centre forward in the first half. The game started 15 minutes late.

North Shore Goal Down To Varsity

Wilson Nov 26

SANFORD stood between Vancouver City and victory today." So spoke Harry Drinkwater, manager of the locals on his return from Sapperton last night where City and Sappers played a goalless draw in a First Division soccer match. There were two other First Division affairs in which Longshoremen visited Wilson Park and won 1-0, and Varsity beat North Shore United 3-2 at Athletic Park.

The game at Sapperton was well contested, with the respective outside rights outstanding. Longshoremen scored the only goal of their tussle with South Hill in the first half from a corner.

Varsity boosted its league average at the expense of the North Shore United at Bob Brown's enclosure. It was anybody's game right up to the final toot of the whistle, and the students have only their superior condition to thank for their victory. The suburbanites were good value for a draw, but lacked staying power.

A POT SHOT

Shooting down hill first, the North Shore boys had it all over the collegians, and bombarded Roy King from all angles. The losers' sharpshooters passed up many opportunities to score, but finally their efforts were rewarded when Thompson scored with a pot shot from far out that caught the Varsity outstodnan napping.

Varsity was seldom in the picture during the first period, but when the referee was just getting ready to call half-time, the students staged an attack, and the count was evened up in a fluke manner when Auchinvole, Varsity's centre, sent in a hard shot that Lawn headed into the net in attempting to clear. The ball was twisting and completely fooled Lavery who was expecting it at the other end of the goal.

In the second period Varsity infused more pep and in a few minutes Rex Cameron eluded McInnis and Lawn and sent in a scorcher that had Lavery beaten to a standstill.

The North Shore boys came back strong after this reverse, but their forwards were a little erratic. Stellar defense tactics on the part of Crute Baker and Phillips, however, was all that kept the North Siders out.

George Russell, who had been playing a whale of a game at center half, brought the fans to their feet when he went up on the forward line and beat King with a fast low shot. Russell played a hard, fast and clean game on Saturday and without him the United would have been beaten badly.

With the score tied and only 15 minutes to go Varsity played the kick and rush style, and never could have got away with it if the losers had been in condition. Emery sent over a beautiful cross and Tanny Butler put his team one up by scoring the third and last goal of the game.

Pow and Jock Ferguson, United's left wing, were injured during the game, but kept on playing. Laing showed lots of speed but was seldom dangerous. Crute and Phillips starred for Varsity.

Cedar Cottage displayed fine form against St. Saviours in the second division, and thoroughly deserved to share the points. Kerrisdale and Hotel Vancouver shared 8 goals, while Rennie of Hotel was sent for talking to the referee in a disrespectful manner. Mount Pleasant faced South Vancouver with a depleted team and paid the penalty. Manager Willoughby had three players off hurt, but hopes to have a better team out next week.

Engineers scored 3 goals against Chinese without response, Dickin-son scoring four.

STUDENTS LUCKY TO DEFEAT THE SOCCER SAPPERS

Varsity were lucky to nose out a win against the peppy Sapperton eleven at Athletic Park yesterday. These teams play the kick and rush style, very pretty to watch but not always effective close in.

Tanny Butler scored once in the first half and again in the second when he swung Rex Cameron's hard cross past Sanford with his head. Cameron looked to be offside.

Jim Gardner got the Sappers only goal when he worked close in before driving hard for the far corner of the net. Varsity played Huestis in centre, Auchinvole being on the island and Wilkinson at half, when Euckley turned up late. Crute, Eaker and Phillips saved the day for Varsity repeatedly.

Sapperton was best served by Hart at outside right and the two super-aggressive d'Easums. Sanford saved smartly on occasion. Bowler was lenient, but luckily the two teams are clean tacklers mostly and war was thus happily avoided.

Students Whipped By Hotel

Blue and Gold Couldn't Re-
pel Dashes of Canadian
Pacific Eleven

VANCOUVER Hotel knocked Varsity out of the O. B. Allan Cup series yesterday when they beat the student net-minder on three occasions while the collegians only tallied once. The game was played in a sea of mud at Recreation Park and good football was impossible, but the losers have no alibis to offer, the Hotelmen fully deserved their victory, the Collegians playing a very poor brand of football.

Varsity scored after about three minutes of play through Bobby Jackson and it looked as if the blue and gold were going to mop up the Third Division outfit. End to end play was a feature for the rest of the first period, with Varsity forwards passing up many opportunities to get further in the lead. Half time saw the First Division squad leading by a lone counter.

On resumption of play the Hotelmen shot down hill and soon Henesee tied the count when he sent in a fast shot from the right wing that just grazed the under side of the bar. After this reversal Varsity forwards wakened up, but never seemed to get going, although they gave Delporte some anxious moments.

When the second stanza was half over Dugan put his team up one when he scored in a somewhat fluke manner. Baker and Crute did not seem to be working together at all and afforded King little protection.

The hotel's supporters nearly went wild when Henesee beat Ledingham with a shot that gave King no chance to save.

From then on Vancouver Hotelmen blocked Varsity's efforts to score by crowding their goal with both forwards and halves. Crute went up on the forward line and Butler went back, but the change was ineffective. Varsity were away off form and never seemed to hit their stride, although Auchinvole and Cameron had very tough luck in their shooting, just grazing the bar on numerous occasions.

The Hotelmen's goalie, Delporte, played a safe game between the posts, and it was due largely to his efforts that the Varsity sharpshooters did not break through on numerous occasions. Varsity were without the services of Phillips and Wilkinson.

Students Lose by One Goal

St. Andrews Win Soccer Game Narrowly but Get a Big Scare

Lack of Finish Difference Between Victory and Defeat for Varsity

VARSITY did not beat St. Andrews at Con Jones Park on Saturday afternoon, the score being 3-2 against the students, but their dash and spirited attacking did throw horrible chills of fearful apprehension into the little coterie of Saintry supporters who flock near the club's dressing room.

For most of the first half and well into the second Varsity looked like winners. They held a one-goal lead for considerable time, and when Saints equalized in the second half came back with another in less than a minute. Bradshaw evened the count with a low hard drive and then Dave Greig, back from the land of hot tamales, dribbled through, took the ball off Baker's toe and scored the winner. Auchinvole got the first goal when Watson mis-kicked and the slim centre slipped through for a quick, close shot. Campbell got Saints first with a characteristic driving rush in which he pounded through the two backs.

SAINTS HEMMED IN

Saints were hemmed in their own half largely through the first 45. It was not until the second half that the team began to play the inside football for which it is noted, and when they did Varsity did not look so good. While the Students kept following the ball and forcing the pace they were the better eleven.

They are two youthful, however, to play the Saints, or attempt to, at the inside game.

Had Varsity been able to turn chances to account though, they would have piled up a three-goal lead before Saints got their second. Repeatedly the youngsters sallied in furiously only to kick or miss the final boot with nobody to beat but Hogarth and he out of position. Rex Cameron missed a glorious finish, Auchinvole another, and Tommy Wilkinson fozzled a brace of opportunities.

Varsity played with the sun in their eyes at first, but still had the better of the exchanges. Butler and Cameron combine nicely on the right wing and Auchinvole is aggressive. Phillips played his usual robust, thrustful game and Buckley and Emery did better than usual on the half line.

GREIG A SUCCESS

Dave Greig injected a lot of pep into the attack and with Runcle uncocked some nice football. Wilson and Turner were too well watched to be often dangerous, although Turner was the only forward in the first half to sense where the goal was.

Jimmie Paterson, ex-Westminster player, appeared at centre half for Saints. He played hard, but was plainly not in shape. Jimmie has acquired a George Wilson front. He'll have to shift it to fit in regularly for the Scots.

Crute gave away a penalty. Fred Wilson took the kick and saw young King save brilliantly. Emery dropped a long shot into goal which Hogarth tilted over the bar. Dagger displayed his usual head-long style, took a list of spectacular falls, but usually emerged with the ball. How he saves life and limb puzzles even his most ardent admirers.

TURNER'S SHOT

Turner's oblique shot, which came unexpectedly and almost registered was a feature of the first half. Saints were forced to kick out repeatedly to save the citadel in this period. For a time they were hemmed into goal and fought scrimmage after scrimmage successfully. Watson was a tower of strength in defense.

Wilkinson's goal was a pretty one. Jackson slipped him a perfect pass and Tommy tore in full speed for a driving shot. It was the prettiest effort of the day.

Joe Craig refereed in faultless style, was alert to every play and gave a fine exhibition of quick and accurate judgment.

Varsity Defeats The City

Students Register the Only Counter in Bitter Contest at Athletic Park

Sunday Sun Nov 30 24 City Loses Valuable Services of Star Forward in Game's Early Stages

VARSITY'S gallantry under duress, and dash in attack, beat Vancouver City on Saturday at Athletic Park. The score 1-0 indicates the tightness of the battle but it cannot be said the Collegians did not deserve victory. They fought like champions against superior soccer experience all the way and, most certainly, were not given any the better of the breaks by Referee Percy Baron or by Bobby Grant on the line.

City lost a valuable asset early in the game when McDonald retired with an injured thumb. Dick Williams left for five minutes following a collision with Bobby Jackson in which he hurt his back. It was during his absence that Ackroyd fouled Cameron on the edge of the penalty line. Crute took the kick and shot to McDowell's toe. McDowell fumbled the punt-out and Auchinvole, dashing in, beat Sharpe easily from such close range. That was the only score of a bitter contest.

TROUBLE THREATENS

Bob Forgie lost his head during the Williams-Jackson mix-up when he rushed across to Jackson, who was assisting Williams to his feet and pushed him roughly to the ground. Several times trouble threatened during the game and once McDowell moved toward the stand where some spectators apparently annoyed him. Later Bobby Grant thumbed his nose at vociferous onlookers who took exception to his rulings on the line.

Varsity did not play the finished soccer their opponents do but exhibited their usual surprising dash and fleetness of foot, following the ball, checking closely and hard and generally throwing the opposition off their stride.

Vancouver City felt the loss of McDonald severely. He is their best scoring bet on the attack. Bob Forgie was the only dangerous shot in the front rank, but he didn't get close in and King handled his efforts superbly.

SHARPE PLAYS WELL

Dave Sharpe played steadily in goal and, in the first half, saved his side more than once when the backs were well beaten. Varsity might have been two goals up at half time but for over anxiousness on the part of Auchinvole and Tanny Butler.

Little Delaney played wonderfully at half-back and Gervan was seen to good advantage often on the right wing. Ackroyd was the steadiest back on the field for most of the route although the goal by Varsity seemed to ruffle the City players generally.

From first to last the game was hard fought with the balance of strength lying mostly in the driving feet of Eb Crute and Baker, Varsity full-backs.

Spectators divided their plaudits as the game began, but before its close many were openly pulling for Varsity, apparently dissatisfied with the rulings of Referee Baron who seemed unable to check the fouls on the part of City with the same despatch with which he pulled Varsity up for very minor infractions more than once.

CANADIAN RUGBY A VARSITY SPORT

McLennan Dec 2 24
Men's Athletic Association Give Game Sub-Minor Class

Canadian rugby was definitely established as a sport at Varsity at a men's athletic meeting yesterday. The game has been made a sub-minor sport and will be officially recognized by the U. B. C. Men's Athletic Society. This means that the Varsity Canadian rugby players will get a plain letter for taking part and will carry Varsity's colors.

President Lever Bates made an earnest appeal to have the winter pastime recognized. According to Bates, the new game is taking well and students are turning out to practice early in the morning, which he argued was a sure sign of interest.

Rowing and boxing were raised from sub-minor to minor sports, which means that those who distinguish themselves in either of these two branches of sport will get a small block instead of a plain letter, as formerly. The application of swimming and badminton to be raised to minor sports was turned down.

Rowing is a sport that is making great headway at U. B. C., and judging by the interest shown at the meeting this branch of sport will soon be raised up to as high a standing as it occupies in other colleges.

The application of the track club to confer a big letter on members who made the western intercollegiate team was left to the next meeting.

SOCCER PROPOSAL MAY BE DROPPED

McLennan Dec 2 24
Victoria Ruggers Object to Students Arranging Round Ball Game

Varsity soccer men may not play a Victoria team on Jan 3 when the U. B. C. athletes make their annual trip, according to latest reports. The Victoria rugby officials state that they cannot hope to make the Varsity-Victoria McKechnie Cup encounter a financial success if there is a soccer game going on at the same time, because it is more than likely that the round-ball artists will draw the bigger crowd. Victoria soccer officials state that they cannot play at any other time than 3 o'clock, which is the time slated for the McKechnie encounter.

At present there is a deadlock but it is thought that some way out of the difficulty will be found.

A great deal of interest among Victoria and Varsity fans has been aroused with regard to the proposed soccer game, and it is hoped the Varsity eleven will be able to take part in the programme.

CORRESPONDENCE

McLennan Dec 3 24

Sports Editor:—I attended a soccer game played at Athletic Park last Saturday between Vancouver City and "Varsity," and in the course of the game an incident happened which has me all at sea as regards rulings on the game. The play was stopped on account of a City man being hurt and a Varsity player was kindly assisting him to his feet, when another City player rushed over and knocked the Varsity man down, and not being content with this little display of childishness, kicked him when he was down.

Now, here comes the peculiar part, the referee ordered no one off, didn't even give anybody a warning. I was just wondering if this is a new rule of the football code which allows a man to do such a thing, and get away with it, or is it a case where the referee shut his eyes for the moment, for reasons of his own.

A. W. HUNTER.

3140 Fifth Avenue West.

Sports Editor:—I take exception to the report of the football game played Saturday between Vancouver City and Varsity, and the editorial remarks about a certain linesman, unnamed but well known.

"Varsity's gallantry under duress" is indeed a classic; the statement that they fought like champions and were not given any the better of the breaks by the referee (too bad; they deserve that special consideration) is merely the expression of purely partisan opinion. Your reporter observed Dick Williams "leave the field for 5 minutes following a collision with Jackson in which he hurt his back," and very graciously admits that City lost a valuable asset early in the game when McDonald retired with an injured thumb.

Did your reporter not observe that City commenced the game with 10 men; that immediately after the appearance of the eleventh member, McDonald was laid low by a flying tackle by Phillips and left the field for keeps; that well on in the second half, Williams was charged from behind, laid low, and had to be carried from the field in great agony.

It is therefore apparent that City played with but 10 men practically throughout the contest and with only 9 men during Williams' absence, a period of approximately 15 minutes, not 5. When Williams was off for repairs, Varsity were awarded a free-kick about 20 yards from goal. Crute took the kick; McDowell cleared and the ball was played by yet a third man, before the referee saw fit to blow for an infringement (approaching to within 10 yards of the ball). Crute again took the kick and this time Varsity took advantage of a fumbled clearance to notch the only tally of the game.

A word or two about the incident of the occasion; the only one which really mattered? Does your reporter know that McDonald had a thumb knocked out of place and required an anaesthetic before the member could be set? Does he know that Williams suffered much more than was apparent?

A word or two about the incident of the well-known linesman referred to above, Bobby Grant. Does the paltry sum charged for admission to these games entitle spectators to behave as common hoodlums with permission to call players on the field filthy names? No apology is necessary for Grant's behavior on the occasion complained of; the mouthy individual who caused the trouble merely got what he deserved.

Yours in sport,

R. FORGIE Sr.

President Van. City F. C.

LONGSHOREMEN DOWN VARSITY

McLennan Dec 7 24
Charlie Cameron Obtains Only Counter of Cup Tilt at Athletic Park

Longshoremen spoiled whatever hopes Varsity had of winning in the Imperial Soccer Cup when they knocked the students out in the first round by a lone counter off Charlie Cameron's head at Bob Brown's enclosure on Saturday.

The Dockers were lucky to win, but the Collegians played a very poor brand of soccer and passed up many opportunities to score, especially in the first period, when they had it all over the waterfront men. King scarcely handled the ball during the first stanza, and Robinson had little to do even though the ball was in I.L.A. territory most of the time.

Varsity halves and inside men feel the left wing a little too much, and although Emery played a nice game he had too much to do, and Rex Cameron received few chances. The diminutive right-winger spoiled the few chances he had, however, by too much individual play.

The winners' sharpshooters never got going properly in the first period, but in the second half they forced the issue and gave the defense some anxious moments. Their efforts were rewarded when a corner kicked by Paddy O'Donnell was headed into the net by Charlie Cameron.

Students Succeed in Three Games

Crusaders, Oaks and Ex-King George Women All Defeated

VARSITY basket ballers won all their games at Normal gymnasium Saturday night when they defeated Crusaders, B. C. H. Oaks and ex-King George woman. Varsity Senior A co-eds were decidedly superior to the West End women and ran up a 51-3 score. The Intermediate B's proved too big for the young Crusaders and defeated them 40-7, while the intermediate A's took the long end of a close score in an overtime with Oaks.

Flora Musgrave of the Varsity co-ed team gave a brilliant display of dribbling and checking. She obtained most of her points after taking the ball from basket to basket cleverly. She is a newcomer to Vancouver.

THE TEAMS

The teams: Varsity—Doris Shorney, 8; Marjory Bell, 9; Flora Musgrave, 14; Jean Gilley, Winona Straight, 4; Katherine Reid, 4; Jean Wilkinson, Isabel Russell, 12. Ex-King George—Pan Senkler, 2; Vivian French, Eleanor Nicholson, Claire Mitchell, 1; Phyllis Spinkler. Score 51-3. Half-time score, 22-2. Referee Gordon.

B.C. Hardwood Oaks forced the collegian Intermediate A team into an overtime game which ended 24-21, the score at time being 20-20. Varsity had the long end of a 14-6 score at half time but the Oaks ran in several baskets in quick succession early in the second and took a two-point lead with a minute to go. Varsity evened up with only a few seconds left and Otto Gill put the game on ice when he scored two baskets in the overtime. The contest was rough, several personal fouls being called by Referee Reilly.

The teams: Varsity—Bassett, 6; Gill, 4; McKay, 8. Gordon, 2; Newby, 4. B.C. Oaks—Stewart, 16; Williams, Black, Davis, 2; Syrotuck, 3.

CRUSADERS OUTLANCED

Varsity Intermediate B's downed the Crusaders 40-7, in a game in which Lee scored 21 points and Swanson 12 for the college. Berto played a fine game for the Crusaders, who were too small and light for the Varsity squad.

The teams: Varsity—Turpin, Stewart, Marrs, Williams, Thurston, Crawford, Lee, 21; Swanson, 12; Arnold, 7. Crusaders—Kelton, Bartlett, Moore, Berto, 5; Gold, 2

VARSITY SOCCER TEAM WILL PLAY VICTORIA WESTS

McLennan Dec 6 24
Varsity soccermen will oppose Victoria Wests at the Capital on January 3, at 3 o'clock. The fixture was confirmed in a letter from the secretary of Wests to local Varsity officials. The game will be staged in connection with the annual trip of student athletes to Victoria.

Varsity Clubs Still at Work

McLennan Dec 8 24
Activities at the university closed Friday afternoon, preparatory to a week of examinations, and in accordance with the rules of the university, no social activities have been held for the last two weeks, and club meetings are suspended until after the Christmas holidays.

Members of the Players' club are, however, already at work on the spring play, studying parts for the try-outs which will be held at the commencement of the new term.

The Glee club are asking for volunteers to sing carols on Christmas Eve and have now twenty or thirty on the list. Further plans will be completed at the close of the examinations, arrangements being in charge of the president, Miss Mary Pittendrigh.

K. E. Old Boys Well Beaten By Varsity

Senior A Basket Ball Game Ends 47-12 in Favor of the U.B.C.

Westminster Y.W.C.A. Accounts for Ex-Normals by Two Points

HAVING the advantage of weight, height and reach Varsity basketers made a run-away of the score against King Edward Old Boys in a senior "A" game at Normal gymnasium last night. The count was 47 to 12 and it just about represents the play, for the students were all over their opponents in every department of the game. They were superior in speed, combination and shooting and forced the play from the start.

The half time score was 26 to 6, and though the King George boys tightened up and carried the play to the Varsity basket, early in the second period, their shooting was wild and the students opened up toward the finish to pile up many points.

HENDERSON BOYS SHINE

The two Henderson boys, Arnold and Harold, played clever basket ball when they got into the play in the second half. Colman Hall was best for the losers. He started several fast plays and played off two pretty baskets from awkward angles. The Old Boys were rather loose in their shooting at times and the Students had little difficulty in getting uncovered for a shot at the basket.

Stan Meadows made a good job of the refereeing. Duff was the only player to get four personals, and retired toward the end of the game.

The teams and score: Varsity — Arkley, forward (2). Newcombe, (forward (10), Hartley, centre (3), Peck, guard (5), Greer, guard (4), Arnold Henderson, sub (7), Harold Henderson, sub (6), Wilkinson, sub (4).

King George Old Boys—Dixon, forward 3), Grimmitt, forward (2), Hall, centre (4), Duff, guard (0), Allan, guard (0), Scott, sub (2), McAdam, sub (2), Boyd, sub (0).

VARSITY SHOWS FIGHTING SPIRIT

McLennan Dec 8 24
Harry Purdy's Varsity ruggers gave a wonderful exhibition of true college fighting spirit when they defeated the unlucky Wanderers 10 to 3 in a hard-fought Miller Cup match at Brockton Point Saturday afternoon. Only thirteen athletes put in an appearance for Varsity and they found they were forced to meet fifteen sturdy opponents which should have been enough handicap to defeat any ordinary team. But Varsity rose to the occasion in great style. They scored a try in the first few minutes of play through a brilliant thirty-five yard run started by Purdy and finished by Casselman, which Gwyther converted neatly. For the rest of the period they fought tenaciously in their own end of the field to stave off the determined attacks from the white shirts who finally got over when Curle followed up a pretty dribble. It was not converted.

But it was in the second half that the students showed a remarkable defense under the most trying conditions. For twenty minutes they were backed up against their own line with the Wanderers having at least a dozen chances and just missing them by the margin of a hard tackle a foot or so from the line. Even a free kick from 20 yards out was missed by Curle, and then the peedy Casselman picked up a loose ball in his own end of the field and ran 60 yards for a spectacular try, which was converted and made victory sure.

College Women Plan Yuletide Island Trip

Varsity girls who are planning to go to Victoria during the Christmas holidays for the inter-collegiate games on the Island met at the week-end in the U. B. C. auditorium and discussed details regarding the proposed trip. Miss M. L. Bollert, Dean of Women, and Miss Doris Shorney, President of Women's Athletics, outlined the arrangements up to date.

Those who have already decided to make the trip are Miss Blanche Almond, Miss Mary Higginbotham, Miss Dorothy E. Brown, Miss Lenora Irwin, Miss Ruby Kerr, Miss Verna Sweas, Miss Elinor Henderson, Miss Enid Gibbs, Miss Hazel Gilley, Miss Katharine Reid, Miss Isabelle MacTavish, Miss Dorothy Partington, Miss Olive Kerr, Miss Alice Weaver, Miss Nora Haddock, Miss Catherine McGill, Miss Elizabeth Groves, Miss Jean Fisher, Miss Ruth Barker, Miss Muriel MacKay, Miss Harriette Stephens, Miss Margaret Keillor, Miss Lorine Vesper, Miss Rena Stinson, Miss Phyllis Hemsworth, Miss Undine Howay, Miss Marjorie Nenton, Miss Lillian Robinson, Miss Dorothy McKay, Miss Jean Gilley, Miss Edith Winter, Miss Donald Strauss, Miss Adalene Arkley, Miss Dorothy Russell, Miss Amelia Ramsay, Miss May Cornwall, Miss Sheila Phipps, Miss Freida MacArthur, Miss Amy Wright and Miss Vivian Grant.

At a meeting held in the Varsity auditorium Miss Doris Shorney, president of Women's Athletics, gave a tentative programme of the Victoria trip. The Varsity students will be the guests of Victoria College and a full programme of games and dances has been arranged.

On Friday afternoon there will be matches by the Rowing Club and Eadminton Club, in the evening basket ball games, followed by a dance. Saturday will start off with basket ball and hockey, in the afternoon rugby and soccer matches will be played, and the swimming meet will take place at 5 o'clock the same afternoon. The big feature of Saturday evening will be the dance at the Empress Hotel. On Sunday morning the students will be invited to a special service by one of the churches, and the party will return on the afternoon boat.

R. W. Brock's Fete Engaged Varsity Graduate

DEAN R. W. BROCK of the University of British Columbia and Mrs. Brock entertained last night at a dinner party and dance in honor of a graduate of the local Varsity, Miss Constance Peter, and her fiance, Mr. James Adams. Miss Peter has been abroad studying music for the past several seasons and returned to this city early in the autumn.

The dinner was held in the Brock home on the Point Grey Road, where 18 guests gathered about the handsomely appointed dinner table. They included, besides the guests of honor, Mr. and Mrs. Jack McDougall, Miss Louise Morrison, Miss Gertrude McInnes, Miss Isobel Russell, Miss Phyllis Darling, Miss Somerset, Miss Eloise Angell, Mr. George Peter, Mr. Brittain Brock, Mr. Alan Russell, Mr. Colin Ferrie and Mr. Edward McInnes.

DINNERS AT JERICHO

The dance was held at the Jericho Country Club, where several dinner parties were arranged among friends bidden to the affair.

Some of those present were Miss Gladys Weld, Miss Kirsteen Leveson, Miss Herald Hendry, Miss Grace Fee, Miss Eveleigh, Miss Muriel Barnes, Miss Harriet Haines, Miss Beatrice Merritt, Miss Esther King, Miss Joy Godson, Miss Isobel Duff Stewart, Miss Joan Sanderson, Miss Winks Hall, Miss Rachel Eddy, Miss Isobel McKinnan, Miss Joyce Hawley, Miss Marjorie Rounsfell, Miss Sallee Murphy, Miss Edwina Hodge, Miss Dora Adams, Miss Frances Cowan, Miss Dorothy Procter, Miss Mary Procter, Mr. Keith Shaw, Mr. Jack Clyne, Mr. Robert Hedley, Mr. Lisle Fraser, Mr. Bruce Fraser, Mr. Hugo Ray, Mr. Donald Ridley, Mr. Drummond Hay, Mr. Ian Tait, Mr. Lawrence Procter, Mr. George Halse, Mr. Walter Roberts, Mr. Ronald McNeill, Mr. George Stevenson, Mr. Jack Crane, Mr. Alex. Ferrie, Mr. Harry Marshall, Mr. J. Hutchison, Mr. L. Murphy and others.

VARSITY TRIUMPHS BY THREE POINTS

Island Ruggers Go Down by an Unconverted Try at Home

VICTORIA, Jan. 3.—The Victoria "Reds" and the Varsity "Blues" started a game on the marsh of the Willows oval this afternoon and two teams of all-blacks finished it.

The direct credit for the Varsity's victory goes to Warren and Lange. Warren made a fine follow-up of a 25-yard kick after Victoria had been pressing Varsity dangerously and chiefly by his efforts the ball was taken well down to the opposite end. When within a few yards of the line Boss Johnson, in trying to save the situation, made about his only miskick of the afternoon and Lange got possession and dashed over the few remaining yards for the only score of the match.

Although there was a heavy storm of rain and hail about half an hour before the game the match was played under bright blue skies throughout.

Miss Bollert Gives Pretty Tea for Varsity Players

In honor of the girls who played for Varsity at Victoria, Miss M. L. Bollert, Dean of Women, entertained at tea yesterday afternoon at her home, 1185 Tenth Avenue West.

The hostess was assisted in receiving by Miss Grace Bollert and Mrs. Crosby. At the tea table, attractively centred with pink roses, Mrs. Paul Boving poured tea, Mrs. Crosby cut the ices, and assisting were Miss Isobel Russell, Miss Mary Robertson and Miss Ellen Boving.

The invited guests were Miss Doris Shorney, Miss Laura Mowatt, Miss May Cornwall, Miss Ruth Barker, Miss Margaret Taylor, Miss Dorothy Russell, Miss Amelia Ramsay, Miss Mary Robertson, Miss Isobel Russell, Miss Jeanie Wilkinson, Miss Margery Bell, Miss Flora Musgrave, Miss Marjorie Leeming, Miss Doris Woods, Miss Sylvia Thrupp, Miss Joyce Hallomore, Miss Jean Creer, Miss Elsie Davidson, Miss Marjorie Wilkinson, Miss Mary Higginbotham, Miss Kathleen Clark, Miss Winona Straight, Miss Gay Swencisky, Miss Aida Moffatt and Miss Florence McLeod.

Rowing Club and 'Y' Score Victories in Senior Basket Ball

Oarsmen Nose Out Victory Over Varsity With Last Play of Game

Y.M.C.A. Boys Show Too Much Team Work for K. E. Old Boys

Y. M. C. A. made short work of King Edward Old Boys in the second game of the senior basket ball doubleheader at the Y. Saturday night, but Rowing Club only managed to beat Varsity by a point in the first game. Y. M. C. A. won 47-22 and Rowing Club 20-19.

King Edward Old Boys played hard against Y. M. C. A., but experience told its tale from the start. The league leaders led at the interval 30-10. Ralston was in great form. He obtained 14 points that first half and was the top scorer for his side although he was rested throughout the last half. Ralston's shooting was deadly.

KINGS SHOW SPEED

The young King Edward team staged several fast plays in the second half, but were a little off in shooting. Every man on the two teams broke into the scoring column. Robinson had the misfortune to be

injured when his face came in contact with McMaster's hand. Robinson was led off with a bleeding forehead and Tuck took his place. The veteran was conspicuous in the closing stages as the pivot for several combination plays.

Ross Bryson refereed and he seemed intent on not blowing his whistle unless it was absolutely necessary, which helped the game from a spectator's standpoint.

OARSMEN WIN THRILLER

Rowing Club beat Varsity with the last shot of the match. The whistle went while McAdam was converting a free throw. Rowing Club went into third place as a result of the victory. Stan Meadows refereed. The game was free from fouls in the first half and just the opposite in the second half after a few substitutions. Every man on the Rowing Club team broke into the scoring column. Varsity used nine players and all except Wilkinson, H. Henderson and Grauer obtained points.

Y. M. C. A.: Robinson (7), Ralston (14), Phillips (3), Priest (7), Phipps (10), Woodcock (2), Stephens (3), Tuck (2).

K. E. Old Boys: McLean (7), Rae (2), Hall (4), James (3), Hand (3), McMaster (4).

Rowing Club: G. McAdam (4), O. Olsen (2), Johnson (3), Boyes (2), Falconer (6), Abercrombie (2), Fletcher (2).

Varsity: Newcombe (1), Arkley (2), H. Henderson, A. Henderson (5), A. Buchanan (4), S. Peck (5), Grauer, Hartley (2), Wilkinson.

Varsity Women Hear Vocational Address

Advertising as one of the newer fields for women was dealt with by Mr. Lightbody of the B.C. Electric Company before an audience of Varsity women in the auditorium of U.B.C. yesterday at noon. Originality and ability were prime requisites in this field, said the speaker, but to those talented along these lines it offered good returns.

Social service and its different departments was outlined by Mrs. L. M. Nelson of the city relief department.

The Women's Undergraduate Society is hoping to arrange for further talks along vocational lines throughout the term.

VARSITY WOMEN TRIUMPH OVER Y. W. C. A. TEAM

Varsity's senior women downed the Y.W.C.A. basket ballers Saturday night at Normal Gym, when Flora Musgrave, star centre of the Varsity quintette, ran up the high score of the evening. The co-ed took the long end of a 17-11 score. Dot Gillespie made her appearance with the losing team and did excellent work as guard.

There was only one of the four scheduled games played at the Normal Gym, two being cancelled. The Varsity intermediates were scheduled to play the Rowing Club intermediates but the Oarsmen did not turn up.

'Aggie' Dance Will be Varsity Social Event

The first major social affair of the new term will be the annual "Aggie" dance to be held next Wednesday at Lester Court, when the students in the College of Agriculture will be hosts.

Letters Club Has Evening Discussion

"Joseph Hergesheimer," the well known American novelist, was the subject for discussion at a meeting of the Letters Club of the University of B. C., held last evening at the home of Mr. Justice and Mrs. Murphy, Davie Street.

Mr. Evans Wasson, who was the speaker of the evening, in an outline of the life and works of this novelist, spoke of his cosmopolitan outlook and his love of high color.

Those present were Mr. T. Brown, Mr. Edward Chapman, Miss Kathleen Dodds, Mr. Cliff Dowling, Miss Jean Faulkner, Miss Mollie Jackson, Miss Wanetta Leach, Mr. Walter Lanning, Miss Helen McGill, Miss Elsie Rilance, Mr. Ralph Norman, Mr. Evans Wasson, Mr. Stanley Wright, Mr. Cedric Duncan, Mr. D'Arcy Marsh, Miss Chapman and Mr. Carmen Sing.

Players' Club Members Motor 19.1.25 To Bellingham

A number of University Players' club members and their friends motored to Bellingham Saturday afternoon to attend the evening performance of "You and I," in which play Miss Dorothy Adams, a past president of the local Players' Club, fills an important role.

"You and I" is the play to be presented this spring by the Players' Club, and is of particular interest to the members of this organization who are trying out for the various characters.

Among those who were in the party were Mr. F. G. C. Wood, Miss Kirsteen Leveson, Miss Beatrice Clegg, Miss Nonie Bailey, Miss Madge Rankin, Miss Elsie Rilance, Miss Avis Pumphrey, Miss Eloise Angell, Miss Jessie Adams, Miss Louise Adams, Miss Peggy MacAuley, Miss Helen Kleopfer, Mr. Kenneth Caple, Mr. Peter Price, Mr. Tommy Taylor, Mr. Harry Warren and Mr. Leslie Brown.

ARTS '27 AND AGGIES ON TOP

Seniors Defeated in Important Inter-Class Soccer at University

Arts '27 won a place in the inter-class soccer at the University of B. C. Tuesday afternoon when the Sophomores defeated their old rivals, Arts '25. Agriculture won a one-sided encounter from Science '27.

The Arts '27-Arts '25 contest was the feature game, these two classes being considered the keenest rivals in the university. The seniors led at half-time, when Mathews made a pretty score with only 10 seconds to go. The Arts '27 men made their first as soon as they kicked off, with McKinnon scoring. Sheridan, who played a brilliant game for Arts '25 as goalie, was on the ground when the score was made, having received a twisted knee. He was forced to retire. Without their goalie Arts '25 was easy picking and McLuckie and Stevens added two more counters for the Arts '27 team.

Agriculture won from Science '27 when Verchere dropped in a pretty goal from 35 yards out and Reid scored from close in. The Aggies had the edge throughout the contest and should have made several goals.

Out-of-Town Girls 50 of Varsity Guests Of Miss Bollert

College girls of the first and second years from out of town were entertained at tea Tuesday afternoon by Mrs. M. L. Bollert at her home, Tenth Avenue West. Dr. Isabel MacInnes cut the ices and Miss Janet T. Greig presided at the tea-table.

The invited guests were Miss Josephine McIntosh, Miss Gertrude Rive, Miss Margaret McDiarmid, Miss Miriam Page, Miss Estelle Butler, Miss Rebecca Griggs, Miss Ruth Hornsby, Miss Vera Gillespie, Miss Beatrice Hunter, Miss Hester Thompson, Miss Jean Tolmie, Miss Sylvia H. Smaby, Miss Evelyn Hardy, Miss Alethea Hasler, Miss Dorothy Hipperson, Miss Nora Horne, Miss Grace MacCallum, Miss Anne Jenkins, Miss Sarah McNeill, Miss Elaine Jackson, Miss Charlotte Ruarh, Miss Isabel Coursier, Miss Jean Wilson, Miss Eva Bradley, Miss Florence Britton, Miss Marian Dignan, Miss Jean Fisher, Miss Elfriede Hoffmann, Miss Gwendolen Musgrave, Miss Josephine McLachlan, Miss Jean Beasley, Miss Gunhilde Wiedberg, Miss Mary Frith, Miss Primrose Thomson, Miss Charlotte Wilson, Miss Irene Arnold, Mary Ahenborough, Miss Adelaide Atkinson, Miss Dora Wilkie, Miss Elizabeth Reynolds, Miss Eleanora Peggott, Miss Myrtle Swerdfager, Miss Christina McGraw, Miss Muriel Wagenhauser, and Miss Marian Lucas.

SMOKING RULES NO WORRY HERE U.B.C. Girls Haven't Bothered to Ask for Salon as Vassar Studes Did

While three-fifths of Vassar College girls in Eastern United States may be in favor of smoking and a goodly portion of that number anxious that comfortable smoking rooms be provided for their use, the question of women members of the University of British Columbia smoking in the buildings or anywhere on the campus has not even raised its head since the matter was decided two or three years ago. "University girls do not smoke on the premises of the University, whatever they may do in their own homes or elsewhere," reported Grace Smith, '25 president of the women students' body. "Since they decided previous to this that none of them would smoke on the campus, I do not believe that the question has been raised."

Young men are allowed to smoke anywhere at the University, except in the classrooms, it is pointed out. It is known that Miss M. L. Bollert, dean of women at the University, is opposed to women students smoking.

STUDENTS AT 'U' BAN GAMBLING Council Decides on Fine and Will Recommend Expulsion of Guilty

Students of the University of B.C. are strictly opposed to betting on the results of any of the University athletic contests, it has been announced. Although many of the United States colleges and universities have considerable difficulty in stamping down the practice of placing bets the students here have been able to handle the problem with the result that betting is eliminated from the University of B.C.

This year, more than in previous sessions, there is a distinct feeling against any student betting on the inter-class sports or the inter-university or city contests. The whole student body has expressed its desire that the first year men be urged not to make any wagers on the University athletics.

The constitution of the Alma Mater Society states that students betting while on the University grounds will be penalized, but so far in the history of the college there has been no need to enforce the regulation.

With the growing practice in the state universities, however, the students here have determined to delete any trace of betting in the U.B.C. and the students' council has been urged to take drastic action to prevent any spread of the practice here. The council has determined to place a fine of \$5 on any student caught betting even a small

sum and will recommend that the senate expel any person found gambling on the University premises.

ARTS '26 AND ARTS '27 IN FINAL FOR FOOTBALL HONORS

Arts '26 and Arts '27 stepped into the finals of the inter-class soccer contests at the University of B.C. Tuesday, when they won their games from Science '28 and Agriculture.

Arts '26 had a slight edge over the Science '28 men and scored their only goal with a minute to go. The score was following a scramble in front of the goal.

A weakened team from Agriculture proved easy for the Arts '27 squad, who ran in 8 goals during the game. The Aggies put up only a small fraction of their team for the game.

Arts '26 and Arts '27 will go into the finals some day this week.

Victoria and Varsity McKechnie Cup Squads Play Scoreless Tie

Islanders Have Edge in All Departments but Fail to Get Through

PLAYING to a scoreless draw Saturday at Brockton Point, Victoria and Varsity McKechnie Cup squads gave a weird and wonderful exhibition of rugby. Plenty of speed and action was given to the grandstand by the men who ran themselves ragged in an effort to make the winning try. The Victoria squad had the edge in almost all stages of the game and forced the collegians to defensive tactics.

The visitors caught Varsity at a bad time for the students were able to place only two of their regular scrum men on the field. Brock and Ramsell of the forward line were supported by five of the scrum men who have been playing on Varsity's second team and without the advantage of forward supremacy the champions were not able to carry the play.

VICTORIA BETTER TEAM

Victoria should have won but the Islanders appeared to be so surprised at having the advantage that they did not know how to finish their efforts. They tried several drops which failed because they were in too much of a hurry.

With the conditions good the teams at first gave a fine exhibition of open play which was featured by the work of the Victoria threes, of whom Brynjolfson and Bendroit starred. Harry Purdy and Cassellman of the Varsity squad also played well together, while Harry Warren made a better showing than he has done previously this season.

The second half degenerated into a unique and weird brand of rugger with menumping in all parts of the field. Even E. L. Yeo, who handled the game well, was mixed up in one of the scrummages and the players had to stop the game of their own accord and bring him around by pumping his lungs full of air.

COLLEGIANS DEFEND

The collegians played defense at all times and spoiled many of the brilliant runs of the Victoria threes. The kicking on both sides was well done but the visitors had the edge in this also.

Young McLean, the midget throw-in half of Victoria, put up an excellent showing in spite of his physical handicap, and led the threes on several of their runs. Putman also played well, doing some good plunging.

The teams did not line up as expected, there being last-minute changes made on both sides. The Varsity was represented by Domoney, Warren, Cassellman, Buchanan, Cameron Purdy, Shaw, McLean, White, Luyatt, Brock, Ramsell, Doldge Sparks, Johnson. Victoria fielded Johnson, Bendroit, Brynjolfson, Putman, Willis, Goodacre, McLean, McMillan, Toimie, Pendray, Barnes, Donald, Money, Porteous, Colpman.

Visitors Nose Out Three-Point Victory Over Varsity A in Basket Ball

BELLINGHAM Normal School defeated the Varsity Senior A basket ball squad Saturday night at Normal gymnasium in the feature exhibition game arranged this year by the collegians. The visitors took the long end of a 23-18 score running in the winning baskets with only two minutes to go.

The game was exciting at all times and the greatest lead the visitors had was at half time when the score stood 14-9. Each side fought hard during the second period and the collegians evened the score at 18 points with two minutes left. Newcome was forced to retire with a badly sprained ankle and the winners scored five points in quick succession.

Winegard of Bellingham was the star of the game with his long shots. He scored 13 points while Arkley of Varsity was second high with 7. Although the Normals brought up several extra players they used only seven.

Bellingham used the free shots to advantage while the collegians were unable to connect with the basket when allowed fouls. The game was fast with team work and hard checking a feature.

The teams: Bellingham State Normal School: Winegard, 13; Matheny, Iles, Hekel, 2; Duke, 4; Van Eaton, Pausic, 4.

Varsity—Hartley, 3; Newcombe, 2; Arkley, 7; Wilkinson, A. Henderson, 4; Grauer, 2; H. Henderson.

CO-EDS WILL HOLD ANNUAL TALKFEST

Women of the University of B.C. will hold their annual oratorical contest Wednesday night in the University auditorium at 8 o'clock, when several of the co-eds will speak on a variety of topics. The oratorical contest is held under the auspices of the women's literary society and two book prizes are offered to the winners.

The arrangements for the second round of the inter-class debates are being made and it is expected that these will be finished in February. Tryouts for the places on the debating teams which will meet Oregon Agricultural College will take place in the near future.

FRESHMEN BEAT EX-KING GEORGE

ISLAND COP TITLE

News Jan 25 '25
Varsity Freshmen won the Lower Mainland Intermediate rugby title Saturday at Brockton Point when they downed Ex-King George intermediates, 9-3. The score was tied at half time. Seed of the Collegians making an unconverted try in a 35-yard dash, while Haymer of King George evened the score with only a few minutes to go, when he followed up quickly and fell on the ball as it crossed the line.

Varsity had the edge in the second period and scored two more tries in which Hundal starred. He carried the ball to the line for the first and passed to Taylor, who scored. Hundal made the last try himself, when he dashed from mid-field, plunging his way through the King George defense.

The Freshmen have not been defeated this season, and will meet the Wanderers of Victoria for the provincial championship.

Local Varsity Graduate to Fill Post in Montreal

News Jan 25 '25
MANY graduates from the local seat of learning, the University of British Columbia, have on graduation obtained enviable posts in the professions which they have chosen.

Still another graduate to "make good" is Mr. Orson Banfield, only son of Mr. and Mrs. J. J. Banfield, who will leave the city on February 4 for the city of Montreal, where he will associate himself with Canadian Explosives Company in a position calling for the special chemical knowledge which he gained at the U.B.C.

Westminster Girls Lose To Varsity

Co-Eds Play Best Game to Down Fast Team From Royal City

VARSITY'S fast-stepping Senior A co-ed basket ballers downed the Westminster Y squad and the collegians Senior B men lost to the Adanacs Saturday night in the regular league fixtures at Normal Gym. The women won their game 11-9 while the Adanacs took the best side of a 36-6 score from the Varsity B team.

Flora Musgrave was again the star of the evening with her brilliant playing at centre for Varsity. She scored 7 points for her team, while Doris Shorney made the other 4 at forward. Toddie Dockeril and Pat Rennie played well for the Westminster Y. In their previous encounter this season the Westminster team took the lead from Varsity and although the decision was reversed this time they still hold first place in the league standing. The scores at the quarters were 4-2, 7-5, 9-3, 11-9.

The teams — Varsity Senior A: Doris Shorney (4), Isobel Russell, W. Straight, Gay Swenciski, Flora Musgrave (7), Jean Wilkinson; Westminster Y: Vera Bowell (3), T. Dockeril (2), Pat Rennie, Wanna Strutt, Mary Gilley, E. Ettenger (3), G. M. Shall (1).

Willare starred for the Adanacs in the Senior B game when he scored 12 points for his team. The game was hard fought but the Westminster quinette had the edge. The half-time score was 8-6 for Westminster. The game was rough and at times there was considerable hard feeling, which Referee Riley, cut short by awarding free shots against those who were pugnaciously inclined.

The teams—Adanacs: Willare (12), Hood (4), Fraser (4), Gifford (1), Booth, D'Easum (2); Varsity Senior B: Bassett (4), Gill (4), King (4), Robinson, McKay, (3), Gordon (1), Butler.

Friday, Feb 20, 1927
Friday, February 20, is the date set for the annual class party for Arts '27 of the U. B. C., which will be held in the auditorium. Mr. Charles Mottley, chairman, will be assisted by Mr. Max Wright, Mr. Ronald Gordon, Mr. Jack Shakespeare, Mr. G. Phillips and Mr. Hector Munro. Decorations and refreshments will be in charge of a

committee consisting of Miss Dorothy Brown, Miss Mary Keiller, Miss Mary Cole, Miss Mary Robertson and Miss Donaldia Strauss.

GO SLOW, STEVENS ADVISES STUDENTS

Helena Jan 27 25
City Member Discusses Methods of Government in Canada

Urging the students of the University of B. C. to be careful when considering any plans for the changing of the constitution of Canada, Hon. H. H. Stevens spoke Monday in the University auditorium on the serious and humorous aspects of government.

"No constitutional changes should be made except after careful, informal and thoughtful study," said the speaker, when telling of the functions of the Senate.

Mr. Stevens stated that he was opposed to the plan of abolishing the Senate or its power of veto, saying that in this the minority have their interests safeguarded.

DEFENDS SENATE

This problem, he predicted, would be of major importance during the next few years. He believed that some reform should be made in the choosing of the senators, but that the body be given its full powers of veto.

The power of veto of the representatives of the King in the various Dominions was also praised by the speaker, who stated that the form of government in Canada and Great Britain embodied the best of democracy, autocracy and monarchy. He told of several instances where, the popular vote as expressed in the House of Commons was not, as he saw it, in the best interests of the country, but where members grouped together to secure privileges for their constituents by helping one another.

CONDEMNS BLOC

Mr. Stevens condemned the bloc system of government, stating that it led to an unsettled legislative body. The two party system was fundamentally right, for it represents the progressive and the conservative elements in the cleavage ideas.

Throughout his address Mr. Stevens told of humorous happenings during debates in which he has taken part.

VARSITY WANTS PLAYERS' SERVICE

Regulations May Be Instituted Whereby Collegians Must Play With College

Warning is being sent out from the University of B. C. to any of the high school boys who will attend the college this fall, urging them not to sign up with athletic teams which are in the same branches of sports as played at the Varsity. The Men's Athletic Association warned the students last year, and in order to eliminate Varsity men playing on other teams the collegians are planning to amend the constitution of the Athletic Association so that such students may not receive awards from the University.

An amendment which is finding favor among the collegians will be brought up at a meeting on February 9. It will be proposed that any player participating in a game in any branch of sport in teams opposing University teams, without first obtaining permission of the Men's Athletic Association executive, shall be declared ineligible for any letter award from the University.

There are several of the University students who have signed contracts with teams outside of the University before entering the college and are still playing on these teams against the Varsity men. Although this does not greatly affect the first teams, it weakens the second and third aggregations which the collegians field. The student body is of the opinion that Varsity men should put their college teams before others and will decide at the next meeting what is to be done.

The track club will also present an amendment for the awarding of letters to the track men. The club is of the opinion that it can propose an amendment which will give the intercollegiate track men the highest award where it is due and not give too many letters to the lesser track and field sports enthusiasts.

STUDENTS MUST SUPPLY OWN GYM

Will Raise Funds for Building; Government Refuses to Provide

Jan 28 27
Efforts will be made by the University of B. C. students to secure a gymnasium at the Point Grey site, it was announced Tuesday at the U. B. C. Plans will be made immediately for the holding of a campaign for money with which to erect a temporary gym as soon as possible.

This action is being taken following the announcement that the students will not secure this building from the government but will have to put up their own structure or go without. There is considerable agitation in the University for the gymnasium as the students will need some place for their basket ball and gymnastics. At present the Varsity athletes rent the Normal gymnasium for a few hours a week.

J. C. Oliver, one of the most popular men of the University, will lead the campaign as manager with Allison Maxwell as treasurer. R. Ball and Kenneth Eckert will be the other two members of the committee which was announced Tuesday.

President Dal Grauer of the Alma Mater Society; Bert Smith, president of the Arts Men's Undergraduate Society, and T. Wilkinson, president of the Men's Athletic Association, will form an advisory committee from the students' council.

U.B.C. PREPARES TO MEET U. OF SASK.

Arts '26 of the University of B. C.
Arts '26 of the University of B. C. will entertain the students today at noon in a pep meeting at which the Juniors will present a programme to arouse enthusiasm for the Saskatchewan debate next Thursday at King Edward High School. The meeting will be a curtain-raiser to the Junior prom and class party to be held tonight at Willow Hall.

The students will discuss the protocol of the League of Nations as a step toward permanent peace.

The tryouts for places on the women's debating teams which will meet representatives of the Oregon Agricultural College here and at Colvallis were postponed until next Tuesday.

INTER-VARSITY DEBATE TONIGHT

Arts '26 of the University of B. C.
Saskatchewan and British Columbia will meet at 8 o'clock tonight at King Edward High School when the students representing the Provincial universities of these provinces debate the merits of the Protocol of the League of Nations as a step towards permanent peace.

The U. B. C. team will uphold the proposed covenant while the visitors from Saskatoon will try to show that it is not the best plan.

The debate promises to excel the Oxford debate which was held before Christmas as the three visitors are members of the team which defeated the Oxonians at the University of Saskatchewan.

The local institution has been forced to change one of its members, Gordon Telford, who is ill. Harry Purdy has been chosen to fill the vacancy and will support Eric Dunn and T. W. Brown.

E. C. Leslie, J. S. Goslyn and W. J. McLellan, who will represent the University of Saskatchewan, are graduate students in law. They have enviable debating records and have represented their university several times.

WOMEN'S INTER-CLASS BASKET PLAY AT VARSITY

Arts '25 and Arts '26
Arts '25 and Arts '26 were winners Monday in the first round of the women's interclass basket ball contests, which are being held in connection with the Chris Spencer Cup series. The Seniors defeated the Freshettes in a one-sided contest in which Doris Shorney starred for the winners. The score of the game was 26-7, with the Arts '25 team leading 20-3 at half time.

Flora Musgrave played a stellar game for Arts '26 when the Junior class took the sophettes into camp with a 16-7 score. The Arts '26 class had the edge throughout the contest, leading 10-1 at half time. Each of the winning teams had three members of the Varsity Senior A team.

U.B.C. LOSES GOOD DEBATE

Saskatchewan Carries Off Honors in Forensic Con- test on Protocol

Saskatchewan University defeated the University of B. C. 2 to 1 Thursday night in the first all-Canadian contest ever staged here. The popular vote on the merits of the question favored the B. C. speakers, 314 persons registering the vote as favoring the protocol and 158 against it.

E. C. Leslie, W. J. McLellan and J. S. Goslyn, law students from the University of Saskatchewan, were the members of the winning team. They outdebated the University of B. C. men, who had accepted the protocol as a practical step toward permanent peace. B. C. was represented by T. W. Brown, Eric Dunn and Harry Purdy.

With a decidedly superior aggressiveness the Saskatchewan men, trained for the law courts, put forward their arguments with a conviction and seriousness that marked their whole attack.

E. C. Leslie was a strong speaker, pointing out that France is backing the protocol because it brings the security of the British forces. He and the other speakers for the negative made considerable of their case on the fact that the United States and other world nations are not accepting the protocol and that people will not submit to compulsory arbitration.

The affirmative built their case on the assumption that the protocol prevents war by not allowing it to start. They believed in compulsory arbitration and stated that the plan will only be ushered in with disarmament.

CO-ED DEBATERS INTERCOLLEGIATE TILT ARE CHOSEN

Co-ed debaters to represent the University of B. C. in the women's intercollegiate tilt on March 5 have been chosen. Helen Gregory MacGill, Arts '25, and Phyllis Gregory, Arts '25, will be the traveling team which will go to Corvallis, while Vera Mathers, Arts '25, and Jean Tolmie, Arts '28, will speak here.

Miss MacGill and Miss Gregory are very well known at the University, where they have won debates consistently for their class. Miss MacGill is senior editor of the Publications Board and editor of the University Annual.

VARSITY BEATEN AT KAMLOOPS IN CAGE TILT

KAMLOOPS, Feb. 7.—Local intermediate A basketballers proved too much for Varsity Intermediate B team, which invaded the City of Sunshine Saturday. A large crowd turned out for the game and were rewarded by a most spectacular brand of basketball. Both teams played well. The Coast boys started with a rush and scored three points before the home team registered, but the dry belt boys proved courageous and settling to brilliant combination and with effective shooting led at half time by 19-9.

Upon resuming, the Students had more of the argument, and for a time looked like overcoming the lead, but with another rally the Kamloops boys broke ahead, and won 29-19.

VARSITY HOOP SQUAD BEATEN

AT REVELSTOKE

REVELSTOKE, Feb. 8.—Revelstoke intermediate basketballers defeated the University of British Columbia here Saturday evening in one of the most keenly contested games ever witnessed here by 39 to 27.

Although defeated, the Varsity players put up the better game but several accidents to some of their best players deprived them of their services at different intervals throughout the game.

Varsity—J. Swanson (7), Lee (21), Arnold (6), Taylor (2), Turpin (0), Stewart (1).

Revelstoke—C. Henderson (12), Dean (9), S. Henderson (8), Pradolini (9), Bell (1), McKenzie, Singer and Guzzo.

Students Lose Two Of Three

Varsity Senior B Hoop Squad Defeats Oarsmen

B, 21-17 Feb 9 25

VARSITY'S Senior B basketball squad took Rowing Club B into camp Saturday night at Normal gymnasium, 21-17. The Varsity co-eds were not so successful when ex-Normals downed the Senior A squad, 14-6, and the Normal A team defeated the Senior B women, 18-9.

The Senior B game was the night's feature, excellent team work being displayed by both sides. At half-time the Oarsmen led, 10-5, but during the second period the Collegians found their stride. Otto Gill of the winners played well during the second period when he scored 9 of his 10 points. Clark showed speed for the Rowers and scored seven points, while Allen checked well and made five points. Ronnie Gordon played for Varsity during the second period and scored six points.

WOMEN SURPRISED

Ex-Normal gave the fast Varsity women a surprise when they played better basket ball than Varsity. The co-eds were away off form and during the last three-quarters did not score a basket. At the first quarter Varsity lead 6-4. At half-time the teachers had a two-point lead which they increased by six in the third. The final period was scoreless.

Alice Berto played well at centre for the winners while Flora Musgrave was again the star of the co-eds.

The expected happened in the other women's game when Normal A scored 18 points against Varsity B. Miss Robinson played the best game. Doris Wood played well for Varsity.

TEAMS AND SCORERS

Teams and the point scorers were: Varsity Senior B—Bassett, Gill, 10; King, McKay, 3; Gordon, 6; Newby, 2.

Rowing Club B—Martin, 1; Gervan, 2; Clark, 7; Boyd, 2; Hillman, Allen, 5.

Ex-Normal A, women—Alice Berto, 6; M. Moore, B. Moore, 4; Bea Garlick, Eve Eveleigh, Jean Simpson, 4.

Varsity Senior A, women—Doris Shorney, M. Bell, Flora Musgrave, 4; G. Swanciski, 2; W. Straight, K. Reid, Isabel Russell, Jean Gillies.

Normal A, women—D. Robinson, 10; K. Parton, 4; J. Anderson, 4; M. Ryan, V. Maynard.

Varsity, Senior B, women—D. Woods, 6; D. Allen, D. Williams, D. McKay, 3; Aida Moffat, Mary Htgenbotham.

HIGH JINKS AT U.B.C. FRIDAY

Artsmen of the University of B. C. will hold their annual smoker at the Pender Hall Friday night. This year the collegians will stage all stunts done in pre-

vious years by outside talent. Included in the sport card are six boxing bouts where the pick of the college fighters will do their stuff.

On the same night the co-eds will have the University to themselves for their annual high jinks night. The co-eds are going to a great deal of trouble to make the affair a huge success. Any men who are found loitering around the University while the women are having their high jinks celebration will be penalized.

Neither the men nor the women are afraid that Friday the 13th will be unlucky.

'U' STUDENTS PLAN DRIVE FOR MONEY

Plans for the new campaign to be staged by the University students will be outlined at a meeting Wednesday, when the student leaders will address the Alma Mater Society, with a view to raising more money for the playing fields at Point Grey. The students are forced to carry out this work at their own expense. The money raised last year has been spent and there is considerable still to be done.

Last year the drive for funds netted \$8,500 for the playing field development and the students will continue their work in order to have the fields ready next spring.

Play Selected—Selections from Chu Chin Chow will be played by the University of B. C. Musical Society orchestra, Wednesday, February 25, when the students will put on a concert in preparation for the annual spring concert. The selections will be given in the University auditorium at 8:15 o'clock.

Debate Finals Today—Finals in the women's inter-class debating contest for the debating shield will be held this afternoon at the University auditorium when Arts '25 will defend the trophy against the freshettes. Dorothy Murray and Elsie Rillance will debate for the senior class while Arts '28 will be represented by Alice Weaver and Beth Carter. The debate subject deals with the cancellation of inter-allied debts.

ARTS '26 CO-EDS COP SECOND PLACE

Arts '26 co-eds won second place in the basket ball contests at the University of B. C. Monday afternoon when the junior class defeated Arts '28 22-4. The Freshettes were hopelessly outclassed. Flora Musgrave played the best game.

U.B.C. FRESHETTES WIN IN DEBATE

Freshettes at the University of B. C. won supreme honors in the inter-class debates Tuesday, when they defeated the Arts '25 team in the final debate and won the inter-class debating shield. The first year team surprised the seniors by taking the shield which has been in the possession of Arts '25 for three years.

Alice Weaver and Beth Carter were the members of the winning team, while Elsie Rillance and Dorothy Murray spoke for Arts '25. The winning team spoke against the cancellation of the war debts.

Student Runners Selected

Annual Varsity Relay Races Will Start This Afternoon at 4 o'Clock

VARSITY'S biggest athletic event of the year takes place this afternoon at 4 o'clock, when the milers run the annual eight-mile relay from the Point Grey site to the present buildings in Fairview. There will be 72 runners, for each of the nine classes at the University is entered.

The chosen are mostly well-known Varsity athletes, according to the announcement made last night when the personnel of the team was released. If the weather is good and the pavement dry a new record is expected.

Arts '25 are the holders of the Arts '20 relay cup, given for this event.

ARTS '25 IMPROVED

Arts '25 has an improved team which will take some beating, but Arts '27 has at least four of the best milers Varsity has ever produced. The problem facing Arts '25 appears to be whether their better than average team can beat the sophomores with a team of four stars and four average runners. Agriculture, winner for two years, is out of favor. Science '25 is said to be fielding a strong team.

The teams will begin from the Point Grey wireless station as near 4 o'clock as possible. They will follow Marine Drive, Fourth Avenue, Yew Street, Maple and Twelfth Avenue, finishing at Willow Street and Twelfth Avenue.

THE TEAMS

The teams of the various classes in order of running as officially announced last night follow:

Arts '25, Watson, Craig, S. Arkley, Smith, McKillop, D. McKay, Forster, H. Arkley.

Arts '26, Verchere, Balmer, Cathedral, Potter, L. Smith, Crees, Thompson, Vincent.

Arts '27, Elliott, McWilliams, J. McKay, Parmely, McKinnon, Sturdy, Mulhern, Mottley.

Arts '28, Burgess, Herd Hocke-ridge, Hyndman, Cummings, Selby, Stewart, Chappell.

Science '25, Neiderman, Steed, Hicks, Arnot, Ramsell, Coulter, Gibson, Callender.

Science '26, Bain, Barton, Tamura, Tarr, Brock, Normal, Warren, McLean.

Science '27, Shannon, Kerslake, Gordon, Elley, Lees, Miller, Phillips, Brown.

Science '28, Hill, Goudie, Mooyboer, Jones, Terhume, Curtis, Sinclair, Farrington.

Agriculture, H. Tarr, Luyatt, Thorneloe, F. Verchere, Asher, Cameron, Gorbishlie.

OFFICERS TRAINING CORPS FOR U. B. C.

Students Decide to Organize Along Lines Favored at Ottawa

Students of the University of B.C. have decided to support a movement for the formation of an officers training corps here. This action was taken at a meeting for purposes of discussing the new student campaign when it was announced that if such a corps was formed the Dominion Government would give financial aid for the building of a gymnasium at the Point Grey site.

ANNUAL GRANT

Until recently the Provincial Government at Victoria refused to supply money for a student gymnasium but the campaign committee now states that the project is being considered favorably since the Dominion Government has offered \$3300 a year for its upkeep if the officers training corps uses the equipment.

With this financial aid promised the students will not conduct a campaign for funds for the gymnasium but will turn their whole attention to the playing field development.

PLAYING FIELDS

Two large fields are being put in shape at the expense of the students at the new site. One practice field 700 feet by 300 feet has been graded and drained on a portion of land south of the new buildings. This piece of land will be used for the teams during the practice hours and will form the drill campus.

Another field will be put into even better shape and will be of the same size as that at Brockton Point. The student campaign this spring will be for the purpose of making a track around the field and building a fence and grandstand. The students plan to hold athletic contests there between city and university teams.

OARSMEN FALL AT NORMAL GYM

Varsity Senior A Basket Ball on Long End of Count

Varsity defeated the Rowing Club Senior A basket ball squad Saturday night at Normal, 22-14. The Varsity Senior A women improved their league standing when they downed the Varsity seconds in a one-sided encounter as a curtain-raiser to the feature men's game.

Boyd had a keen eye on the basket, scoring nine points for the losers while Dal Grauer scored six for Varsity. Helly Arkley played an excellent game along with Al Buchanan. Johnson was the star of the Rowing Club pack, doing excellent passing and checking. He was forced to retire for part of the game with a damaged face but returned before the close.

The teams:

Varsity Senior A—Arkley, 2; H. Henderson, A. Henderson, 4; Peck, 2; Grauer, 6; Wilkinson, 3; Hartley, Newcombe, Buchanan, 6.

Rowing Club—Boyd, 9; Johnson, 2; Abercrombie, 1; Boyes, 2; Olson, McInroe, Falconer.

Varsity, Senior A women—Doris Shorney, 2; M. Bell, 2; R. Musgrave, 8; I. Russell, 4; G. Swenciskl, 4; W. Straight, 2; J. Wilkenson, 4.

Varsity, Senior B—M. Leeming, D. Allen, 2; D. McKay, D. Woods, A. Moffatt, 2; D. Williams, C. Williamson.

U.B.C. SONGSTERS TO GIVE RECITAL

Musicians Will Be Heard in University Auditorium

Today Feb 20 '25

Musicians and songsters at the University of B. C. will hold a recital in the University auditorium this afternoon at 3:15 o'clock. The recital will be a forerunner for the annual spring concert to be given at Wesley Church Friday, March 13.

Selections from "H. M. S. Pinafore," "The Mikado," "Chu-Chin-Chow" and the "Pirates of Penzance" will be given at the recital by members of the club and chorus.

From H. M. S. Pinafore the students have chosen "Now Give Three Cheers," "When I Was a Lad" and "Carefully on Tiptoe Stealing." Other selections are "Three Little Maids," "Here's a How-de-do," "The Flowers That Bloom in the Spring," and "A Wandering Minstrel, I," from "The Mikado"; "Cleopatra's Nile" and "Cobblers' Song," from "Chu-Chin-Chow"; "Chorus of Pirates" and "Major General's Song" from "The Pirates of Penzance."

English Class Are Tea Guests Of Miss Bollert

MISS M. L. BOLLERT, a popular hostess among the University set, was "at home" at the tea hour Tuesday afternoon to the members of her English class.

Mrs. F. H. Soward presided at the handsomely appointed tea table, centred with daffodils and pussy-willows in a large silver basket. Four Lanvin green candles in pretty silver holders cast a vivid glow over the table. The loes were cut by Mrs. MacDonald, while Miss Beth Tingley and Miss May Walker assisted in serving.

The guests were Miss Norma Roberts, Miss Beth Tingley, Miss May Walker, Miss Marguerite McAllister, Miss Gladys McAlpine, Miss Wilberta McBain, Miss Grace McCallum, Miss Francis McCleary, Miss Elizabeth McLevitt, Miss Jean MacDonald, Miss Marion McDonald, Miss Anna McFarlane, Miss Esther McGill, Miss Catherine McGill, Miss Dolina McIvor, Miss Margery McDonald, Miss Dorothy McDonald, Miss Muriel McKay, Miss Ethel McLachlin, Miss Grace McLachlan, Miss Alice McLennan, Miss Edna McLennan, Miss Jeanette McLeod, Miss Kathleen McLuckie, Miss Helen Roberts, Miss Muriel Robertson, Miss Eleanor Robinson, Miss Lillian Robinson, Miss Ruth Ruark, Miss Catherine Russell, Miss Edyth McMurphy, Miss Sara McNeil, Miss Emil Neubran, Miss Ada Nelson, Miss Elsie Nordbury, Miss Winnifred Ogg, Miss Tani Olkovitck, Miss Doris O'Neill, Miss Mary Parker, Miss Helen Ronald, Miss Ethelwyn Patterson, Miss Paula Patterson, Miss Robina Prendergast, Miss Elais Rudnichl, Miss Aflaton Raflof, Miss Hattey Reed, Miss Isobel Reed and Miss Marjorie Reid.

Guests

ERIC DUNN WINS U.B.C. GOLD MEDAL

Eric Dunn of Arts '25, U.B.C., last evening won the gold medal in the contest for university oratorical honors. Dunn represented the university against Saskatchewan last spring.
Secondary honors were captured by James Craig who spoke on "World Peace and the League of Nations," winning a silver medal. He was a member of the debating team competing against Oxford before Christmas. *McKenzie Feb 27 25*

Miss Esther King Is Tea Hostess To University Set

McKenzie Feb 27 25
MISS ESTER KING was a tea hostess Thursday afternoon at her Fairview home, when she entertained a number of her University friends at the tea hour. Miss Marion Bullock-Webster and Miss Helen Turpin presided at the artistically appointed tea table, which was centred with daffodils and mimosa, around which blazed four golden candles in crystal holders. Miss Madge Rankin and Miss Dorothy Kennedy assisted in serving.

The guests included Miss Kathleen Allan, Miss Louise Morrison, Miss Nellie Wilkinson, Miss Jean Thompson, Miss Hester Thompson, Miss Jean Wilson, Miss Mary McKay, Miss Francis McMorris, Miss Honor Kidd, Miss Freda Edgett, Miss Ruth Fraser, Miss Ruth Teeple, Miss Lenora Irwin, Miss Freda McArthur, Miss Alice Wilma Metz, Miss Mary Lamont, Miss Virginia *McKenzie Feb 27 25*

VARSITY LINING UP BEST BOXERS

University of Washington Will Be Here for Series *McKenzie Feb 27 25* on March 14

Boxers at the University of B.C. are getting into shape rapidly for their intercollegiate boxing tournament to be staged here March 14 at the Drill Hall where the local boys will meet the best that the University of Washington can produce. Jack Dawson, former bantamweight professional is coaching the Varsity men.

Already some of the men have been chosen, but in certain weights there is strong competition and eliminations will be held about the end of this week.

In the 105-pound class Tommy Berto has been chosen to represent Varsity, according to Tommy Loudon, president of the boxing club. Stewart has clinched the place in the 115-pound class, while Casce is a certainty at 145 pounds. Mulhern is not expected to have any opposition in his class, 125 pounds, while Greggor is a sure starter in the light heavyweight class.

McWilliams, Loudon, Morris and Gillson are contenders for the right to meet the Washington man in the 135-pound class. They are almost equal as fighters and it is expected that the trainer will have difficulty in picking his man.

Jack Led'ingham, University middleweight champion, has considerable opposition, Phillips being the chief contender in this class. Phillips has been taking off weight and reduced enough to make the poundage. He is as hard as nails, fast and packs a wallop. Adams is in this class, as also is Keenan.

According to the president of the club the University tournament will likely be postponed until next year owing to the intercollegiate contests being arranged.

Robinson of the Varsity pack started when he commenced running in baskets in quick succession, bringing the score to 31 all, with only a few seconds to go. Gill scored the winning basket for Varsity. Robinson notched 18 points for Varsity while McKenzie made 10 for the losers.

Varsity Intermediate B's outplayed ex-General Gordon when Lee scored 18 points. The score at half favored Varsity 20-5 and this was brought to 31-13 before time was called. Shannon was high scorer for the losers, making 8 points.

The teams:
Varsity Senior B—Robinson, 18; Gill, 4; King, 2; Gordon, 1; Newby, 4; McKay, 4.

Ex-Normal Senior B—Herb Gamey, 8; Harold Gamey, 11; Cameron, Godfrey, Beaton, Sager, 2; McKenzie, 10.

Varsity Intermediate B—Lee, 18; Arnold, 4; Stewart, Turpin, 7; Swanson, 2; Crawford, Marra, Williams, Thurston.

Ex-General Gordon—Shannon, 8; Alpen, 4; Webster, Cummings, 1; Yarco, Allan, Graham.

GIRLS DIVIDE IN DEBATES

McKenzie Feb 27 25 U.B.C. and Oregon Aggies Co-Eds Break Even in Forensic Contest

Co-ed debaters of the University of B.C. defeated the representatives of the Oregon State Agricultural College, Corvallis, Ore., 2 to 1, in the inter-collegiate debate on Oriental exclusion here Tuesday night. Jean Tolmie and Vera Mathers were the B.C. speakers while Dorothy Bush and Emma Berg spoke for the visitors.

Jean Tolmie, the freshette debater from the University of B.C., was the outstanding speaker of the evening and won the applause of the large audience for her address and her rebuttal. She spoke clearly and with a conviction that carried the whole audience with her and easily eclipsed the other debaters.

PRAISE FROM LOSERS
She received particular praise from Dorothy Bush, leader for the visiting team, who stated that Miss Tolmie is one of the best debaters she has ever met.

Miss Bush also stated that this is the first time she and her colleague have met defeat. They have a long series of successful debates to their credit and she is manager of debates at her college.

The B.C. speakers argued that the total exclusion of Japanese in United States was better than allowing them to enter under the quota basis.

VISITING TEAM STRONG
The Oregon speakers argued that under the quota scheme only 146 Japanese would enter during the year and that this would satisfy Japan and would not have a detrimental effect on the commerce between the two countries.

Dorothy Bush was the leading speaker for the visitors, her rebuttal being particularly well handled. Emma Berg of Oregon and Vera Mathers of B.C. were also well prepared for the debate and were able to present their arguments with force.

OREGON DEFEATS CO-EDS OF U.B.C.

McKenzie Feb 27 25
CORVALLIS, Ore., March 3.—The Oregon Agricultural College women's debating team, upholding the negative of the question that Japanese immigrants should be admitted to the United States on the same basis as Europeans, here tonight defeated debaters representing the University of British Columbia, Vancouver, B. C.

Collegian Senior B's Finish Well

McKenzie Feb 27 25 Wipe Out 13-Point Deficit and Defeat Ex- Normals

Varsity won two games at Normal Gym Saturday night when the Senior B squad nosed out ex-Normal 33-31 and the Intermediate B team won easily from ex-General Gordon 31-13.

The senior B contest was fast and rough, a large number of personal fouls being called by Referee Turpin. The collegians were one point to the good at half time but early in the second period ex-Normal broke loose and scored several baskets, bringing the score to 30-17.

Varsity Basketers Win Senior 'A' Title Of British Columbia

News Feb 25

Duncan Lads Downed 26-24 on Their Own Floor Saturday Night

Students Never Headed After Taking Lead Early in Contest

DUNCAN, March 8.—University of British Columbia basketers are Senior A champions of British Columbia. They landed this honor here on Saturday night from Duncan following a closely-contested struggle which ended 26-24 for Varsity. More than 500 spectators saw a battle which never lacked interest.

Duncan started the scoring with a free shot, but Varsity soon notched a basket, and thereafter was never headed. The half-time score was 15-13. This was the third meeting between these two teams this season, although the previous two were exhibition affairs.

The students were seen to better advantage than when they were here before, Duncan winning on that occasion. Varsity afterward beat Duncan in Vancouver.

The lineups:

Varsity—Newcombe, 2; H. Henderson, 6; Arkley, 4; A. Henderson, 7; Buchanan, 2; Grauer, 2; Wilkinson, 3; Hartley.

Duncan—Phillips, 4; A. Dirome, 10; J. Dirome, 3; Evans, 1; French, 6.

ONE WILL BE STUDENTS' PRESIDENT

in Sun March 25

T. TAYLOR

T. G. WILKINSON

H. PURDY

Students of the University of B. C. will commence their annual election of officers today, when the president of the Alma Mater will be chosen. Three candidates have been selected and their campaign committees have been working to the last minute to gather support. Harry Purdy, Tommy Taylor and Tommy Wilkinson are the candi-

dates. Mr. Wilkinson and Mr. Taylor have each a year's experience on the Students' Council, where they have held seats this session. Mr. Purdy has had executive work as president of the Rugby Club.

The collegians will vote Monday from 9 o'clock until 5 o'clock, when

the ballots will be counted. This is the first year there has been a trio of candidates and the students are using the transferable vote system. Monday is also the last day for nominating candidates for the presidency of the Literary and Scientific Department, secretary and treasurer of the council.

Students Pick Six Of Team

in Sun March 10 25
Contestant Not Yet Known in One Night for Saturday's Varsity Boxing

VARSITY fighters who will meet Washington boxers here Saturday night at the Drill Hall at 8 o'clock for the inter-university championships in seven weights are fast rounding into shape and six of the B. C. men have been definitely picked.

Tommy Berto will represent Varsity in the 105-pound flyweight class. He has had no opposition worth mentioning for he is fast and clever.

Pinkie Stewart, 115-pounder, is one of the best Jack Dawson has ever handled in this weight. He will be entered in the B. C. amateur tournament and is one of the collegians' hopes in this and the intercollegiate meet.

Ed Mulhern, 125 pounds, has been chosen. Last year he brought back the intercollegiate title from Washington and has improved greatly in speed and style.

Jack Gillson, 135 pounds, was picked Monday from several contestants in his weight. Although new in the fight game he is clever.

Jack Kask, 145 pounds, outclasses everyone at the University in his weight. He is new to the ring but fast and a hard hitter who can take plenty of punishment. He has been boxing with men in heavier classes and has been knocking them out consistently at practices.

Jack Ledingham, 153 pounds, University champion at this weight, is more experienced, having represented Varsity last year at Seattle.

In the 175-pound class Phillips is at present a starter, but he has Ramsell to contend with before this is settled. Phillips is light, has a damaged foot and will not enter if Ramsell will take the place. Greggor was thought to be fit but he, too, has been injured. Phillips will enter only at a pinch. Ramsell is one of Varsity's rugby stars and is in excellent shape.

Tickets will be sold at Spalding's and will also be handled by members of the Varsity Boxing Club.

STUDENTS ELECT T. G. WILKINSON

in Sun March 10 25
New President Polls Largest Vote in History of University

T. G. Wilkinson was elected president of the student body at the University of B.C. Monday, by a large majority.

A. Earle Birney also received a seat on the Students' Council Monday night, when he was appointed editor-in-chief of the Publications Board.

John Oliver won his seat on the council, as president of the Literary and Scientific Department, by acclamation.

RECORD VOTE CAST

Tommy Wilkinson polled 705 votes, the largest vote ever received by any student president at the college. Tommy Taylor finished second, with 272, and Harry Purdy third, with 163.

The vote registered Monday by the students totalled 1144 and is the largest poll ever taken, by 200 votes.

Mr. Wilkinson is in the class of Agriculture '26. He is president of the Men's Athletic Association and a member this year of the Students' Council. He is one of the collegians' best soccer men and is a star basketball player on the team winning the Provincial championship Saturday at Duncan. He has also taken part in inter-class debates.

OLIVER HEADS LIT

Earle Borney, Arts '26, who was appointed the head of all University of B.C. Publications Board activities, is an associate editor of the Ubyssy this year. He was on the staff of the college paper last year. He will succeed T. W. Brown, Arts '25 who will graduate this spring.

John Oliver, Science '27, was chosen by acclamation as president of the Literary and Scientific department and will hold a seat on the Students' Council. Mr. Oliver is one of Varsity's most popular men, being the leader of the campaign this year and last year. He is one of the college's best oarsmen.

U.B.C. CAMPAIGN GAINS HEADWAY

in Sun March 10 25
Students Contest for Places on Council and Executive Offices

Campaigns for candidates for secretary and treasurer of the Students' Council at the University of B. C. will begin at once, following the closing of nominations for these offices Monday night.

Dorothy Brown, Arts '27, and Russell Palmer, Arts '26, were nominated for the secretary of the Council.

Miss Brown is vice president of Arts '27 this year, and holds a seat on the Women's Undergraduate Society executive. Mr. Palmer is on the Artsmen's Undergraduate Society executive.

THREE FOR TREASURER

A three-cornered fight will be waged for the position of treasurer, W. Bain, Lloyd Johnston and D'Arcy Marsh having been nominated. Mr. Bain is a member of Science '26. He holds a position on the Science Undergraduate executive and is one of the Varsity oarsmen.

Lloyd Johnston, Science '26, played for the Varsity McKechnie Cup team this year on the three-quarter line.

D'Arcy Marsh, Arts '26, is a new man at the University this year, having taken his earlier university work at Victoria College. He is a member of the University Players' Club and took part in the Christmas plays this year.

Voting for these offices will take place next Monday from 10 o'clock until 3. Campaign meetings will be arranged during the week.

U.B.C. PLAYERS

VISIT ROYAL CITY

M. L. H. 10 25.

Will Open Tonight in 'You and I' at Edison Theatre, Then at Nanaimo

NEW WESTMINSTER.—University players will open their season's production tonight at the Edison Theatre here with the first public showing of their annual spring play, "You and I." The students were in the Royal City Monday morning for the final dress rehearsal and are now prepared to open the season.

It has been the policy of the Players' Club of the University to open at New Westminster so that they could have at least one Mainland showing before going to the Island for their tour there. The tour of the interior of B. C. will be made immediately following the close of the spring examinations in April.

Following the showing here tonight the players will leave for Nanaimo to close the week there under the auspices of the Bastion Chapter, I. O. D. E.

U.B.C. CLUB GIVES ANNUAL CONCERT

M. L. H. 10 25.

Fine Programme Is Offered by Musicians at Wesley Church

A fine degree of musical enthusiasm marked the progress of the ninth annual spring concert of the University of British Columbia Musical Society which was given to a large audience in Wesley Church last evening.

Under the inspiring baton of Wilbur G. Grant, the orchestra, the Glee Club and the Ladies' Chorus performed their several parts of an interesting programme with a wealth of discrimination and musicianship; and encores were the order of the evening.

The orchestra's renditions of Wagner's "Tannhauser" March, Schutt's "Reverie," Waldteufel's "Soiree d'Ete," Rachmaninoff's "Melodie," Boccherini's "Minuet" and von Suppe's "Morning, Noon and Night" Overture formed an effective section of the musical fare.

Equally effective were the Glee Club's treatments of Batson's "Two Cupids," Wood's "Full Fathom Five," Bridge's "Bold Turpin," Pin-suit's "The Sea Hath Its Pearls" and Fanning's "Song of the Vikings," the voices being fresh and sympathetic and the unison being commendable throughout.

The ladies' chorus, in "Carmena" (Wilson-Root) and Gaynor's "Slumber Song," sang with their usual engaging sweetness and restraint, the latter song being a triumph of ensemble finesse.

Piano solos by Una Calvert were brilliantly executed, Chopin's tremendous "Revolutionary Etude," and Sgambati's delicate "Gavotte" being the offerings through which this artiste displayed her great technical and interpretative ability.

May Taylor's powerful contralto was at its best in a number of warmly-received and contrasting items: Handel's "Ah! Mio Cor," Tschalkowsky's "At the Ball," Schubert's "Wanderer," Ponchielli's "Voce di Donna," Debussy's "Evening" and La Forge's "Song of the Open."

Completing the generosity of the programme was the violinism of Joy Calvert. The Schubert-Wilhelmj "Ave Maria" and Sarasate's "Habanera" were delightfully rendered by this fine artiste, the tonal suavity of the first selection being equalled by the rhythmic abandon and technical precision of the second.

Large Audiences Greet University Play, 'You and I'

The Players' Club of the University of B.C. has again demonstrated its right to rank among the outstanding dramatic clubs that have become permanent and essential organizations within the university institutions throughout Canada and the United States. For the past 10 years Vancouver society has anticipated the production of the Spring plays, and on Monday and Tuesday evenings capacity local houses witnessed the splendid performances of "You and I."

Noticed in the audiences were: President and Mrs. L. S. Klänck, Dean and Mrs. E. M. Clement, Dean M. L. Bollert, Dr. and Mrs. R. W. Brock, Dr. and Mrs. H. T. J. Coleman, Mr. and Mrs. Chris. Spencer, Hon. Mr. Justice Murphy and Mrs. Murphy, Miss Sallee Murphy, Miss Margaret Murphy, Mr. and Mrs. Jack McDougall, Mrs. L. A. Angell, Mr. Albert Angell, Mr. and Mrs. F. R. McD. ALL student publications at the University of B.C. will be directed next year by Earle Birney, editor-in-chief of the University Publication Board. Mr. Birney will hold a seat on the Students' Council as head of the college papers. He was associate editor this year and a reporter last year. He will succeed T. W. Brown.

Brown Cup to Varsity

Since Week 18 25

Students Defeat St. Marks, 27-11, in Final of Canadian Rugby

Large Crowd Roars Its Approval of Play; Winners the Better Team

CANADIAN RUGBY was given a bright reception at Athletic Park yesterday afternoon when some 1500 roaring enthusiasts watched the Varsity ruggers romp off with the Bob Brown cup by administering a decisive defeat to St. Marks, 27-11. The students were much the better team, and though the church boys fought every inch of the way they fumbled badly behind the line and could not withstand the line plunging of the Varsity squad who, at times, ripped big holes in the St. Mark's defense.

It was rather unfortunate for the game that the teams gave one of the poorest displays of the Canadian code seen in the park this year. The players seemed to be afraid to take chances, with the result that the ball was in the scrimmage nearly all the way. The heavy rain during the morning made the ground rather slow, which prevented much open work, and there was much fumbling and few attempts at the passing game. There wasn't one outside kick tried during the entire game.

HEAVY LINE WORK

But the teams put a lot of life into the play by their hard line plunging and daring tackling. Varsity got the jump when they got over twice in the first quarter through Schultz and Seed, but Dunc McFarlane, of English rugby fame, kept the Red Shirts in the game by scoring a brilliant touchdown, which was converted, and the teams turned around with the score of 10-6 for Varsity.

Schultz and Bates each scored touchdowns early in the second quarter when the St. Mark's line seemed to wilt badly under the battering administered by the students, and the half-time count was 21-6. Young McLean, who was putting up a scintillating performance in the backfield for St. Marks, dashed over early in the third period, but it was their last chance. A kick to the dead line added another point to Varsity score. Noble picked up a fumbled ball and had a clear field for a 75-yard run, which netted Varsity their last five points in the final period.

FAST ENDS

The work of the ends of both teams was perfection. They were up on every kick and generally nalled the man with the ball. Bates, as usual, was prominent with his size for the winners, while Anderson was into nearly every play. Deacon, Goldie, McFarlane and Gourley kept the St. Marks in the game by their dashing play. But they couldn't make much headway against the strong defence of the new cup holders.

Alderman Garbutt presented the Brown cup to the winners and also handed over the World cup to the young Hyacks who cleaned up in the Junior series.

Earl C. Ames and L. E. Brown were strict in their rulings.

THE TEAMS

Varsity—Morgan Winn, Seed. Bates (Capt), Anderson, Hall, Woodworth, Noble, Shultz, Morris, Brennan, McPhee.

St. Marks—Bardsley, McFarlane, Mahon, McLean, Deacon (Capt), Goldie, Buchanan, Gourlay, Brown, Hagell, Gambel, Rosebrough.

Substitutes—St. Marks, MacDonnell, Fraser, Cruik, Howard, Sayers; Varsity, Hockin, Saunders, McIntyre, Demidoff, Ramsell, Todd, Fleet, McClurg.

U.B.C. Science Graduate

Married at Chilliwack

Sunday Sun March 22 25

THE chancel of the United Church of Chilliwack was transformed Saturday afternoon into an artistic bower of palms, trailing ivy, daffodils and spring blossoms for the wedding of Ada Marion, daughter of the late Mr. and Mrs. M. H. Nelems of Victoria to Cliffe St. John, son of Mr. and Mrs. George A. Mathers of Vancouver. The bridegroom is a graduate of the U. B. C. in science.

Rev. R. M. Thompson, assisted by Rev. E. Manuel, officiated.

Miss Edna Crittenden played Lohengrin's wedding march.

The bride was given in marriage by her brother, Mr. Harry Nelems. She was charming in a straight line gown of ivory brocaded canton crepe, draped at the side with a lovely pearl ornament. A filmy veil of tulle was held in place with a wreath of orange blossoms. Orphelia roses and carnations composed her shower bouquet.

The bridesmaid, Miss Madaline Nelems, was quaintly frocked in orchid georgette and gold lace over coral crepe de chine. A bandeau of brilliants, gold slippers and a crown bouquet of Russell roses and carnations completed a picturesque costume.

The flower girl, little Miss Joyce Butler of Vancouver, was quaint in a frock of canary-colored organdie, over orchid crepe de chine, with a dainty coronet of harmonizing flowers.

During the signing of the register Mrs. F. Leary sang "O Love Divine." Mr. Harold Offord of Vancouver was best man, and acting as ushers were some of the members of the groom's fraternity, the Phi Lambda Rho.

GUESTS SMARTLY ATTIRED

Mrs. M. S. Wilson, aunt of the bride, was a striking figure in black panne velvet, relieved at the side with a jet ornament. A smart hat in the same rich tone, and a corsage bouquet of violets and lilies of the valley completed the costume.

A smart navy blue ensemble suit, with a model hat to match, a corsage bouquet of violets and rich-toned roses was the chic costume chosen by Mrs. George A. Mathers, mother of the groom.

Following the ceremony a reception was held at the home of Mr. and Mrs. M. S. Wilson. Mr. and Mrs. Mathers received congratulations under a wedding arch composed of trailing ivy, daffodils and other spring blossoms.

The traditional wedding cake centred the handsomely-appointed tea table, surrounded with daffodils and softly glowing candles in harmonizing tones, and was presided over by Mrs. T. R. F. Oliver of Victoria and Mrs. E. Manuel.

The bride's gift to the groom was a jeweled fraternity pin. The groom's gift to the bride was a pearl solitaire ring; to the bridesmaid, a novelty jet bracelet set with brilliants; to the flower girl an amethyst ring; and to the best man a silver and pearl-handled pocket-knife.

TO RESIDE IN SOUTH

Later in the evening Mr. and Mrs. Mathers left for San Francisco, where they will reside, the bride traveling in a chic Lanvin green ensemble suit and model hat to match.

OUT-OF-TOWN GUESTS

The out-of-town guests were: Mr. and Mrs. George A. Mathers, Mrs. E. E. Eckert, Mr. Kenneth Eckert, Mrs. McCague, Miss Mary McCague, Mr. and Mrs. F. DesBrisay Mathers, Mrs. Herbert Kellington, Miss Gwen Kellington, Mr. and Mrs. Hamilton, Miss Alma Hamilton, Mr. and Mrs. J. Mathers, Miss Norma Roberts, Miss Carmen Mathers, Miss Maxine Elliott, Miss Dorothy Newcombe, Miss Kathleen Sanderson, Misses Alice and Lillian Mathers, Mr. J. Sanderson, Mr. Frank Barnsley, Mr. Swanzev Peck, Mr. Ralph Argue, Mr. R. E. Walker, Mr. Gordon Abernethy, Mr. Fred Newcombe, Mr. Charlie Robson, Mr. Dal Grauer, Mr. Frank Bowser, Mr. Edward Basset, Mr. Harry Purdy, Mr. Bill McKee, Mr. Victor Eby, Mr. Joe Schell, Mr. Jack Wilson and Mr. Lucy Fisher, all of Vancouver.

From Victoria were Mrs. T. F. R. Oliver, Miss Madge Oliver, Miss Georgina Tapley, Miss Eleanor Haddow, Miss Muriel Knott, Miss Sophie McKinnon, Mr. Jack Nield and many others.

JOHN OLIVER, SCIENCE '27

STUDENTS of the University of B. C. have elected John Oliver as president of the Literary and Scientific Department to a seat on the Students' Council next year. Mr. Oliver is a popular member of the Men's Undergraduate Society and has held several executive positions at Varsity. He is a member of the Varsity first rowing crew. He is a brilliant student and is taking a combined course in Arts and Applied Science, which will give him both his B. A. and his B. Sc.

DOROTHY BROWN, ARTS '27

SECRETARIAL DUTIES of the Alma Mater Society and the Students' Council at the University of B. C. will be carried out next session by Dorothy Brown, who was recently elected secretary by the students by a large majority. Miss Brown is the first co-ed to be chosen for this position for her junior year. As a popular vice president of the class of Arts '27 this year she has held a seat on the executive of the Women's Undergraduate Society.

STUDENT COUNCIL GETS MEMBERS

When held March 24 25

Eric Heustis and Flora Musgrave Represent Athletic Association

Eric Heustis and Flora Musgrave will represent the athletes of the University of B. C. on the Students' Council next year following their election Monday as presidents of the athletic associations.

Eric Heustis will control the men's athletics at Varsity following his election in a three-cornered fight, where he secured 212 votes. Lever Bates was second with 187, while Fred Guernsey secured 53. Mr Heustis is a leader of the soccer club and a member of the Men's Athletic Association this year. He is in the faculty of Applied Science.

Flora Musgrave was an easy winner in the women's athletic contest, where she headed the polls with 200 votes. Winona Straight secured 92 and Jean Gilley 87. Miss Musgrave is a basketball player. She was president of the women's athletics at Victoria College, where she took her earlier University years. She is a member of the class of Arts '26.

STUDENT HOOPISTS LEAVE THURSDAY

When held March 25 25
Team at Full Strength Except for Swansea Peck

Varsity's senior A basket ball squad will leave Vancouver Thursday to represent British Columbia in the Dominion championship games at Edmonton next Saturday and Monday. The students will send their team without the services of Swansea Peck.

The team to make the trip includes Dal Grauer, Tommy Wilkinson, Al Buchanan, Dad Hartley, Fred Newcombe, Helly Arkley, Harold Henderson and Arnold Henderson. B. Bryson is the Varsity basket ball coach.

U.B.C. RUGGERS TO BRANCH OUT

Lever Bates Elected President of Varsity Canadian Code Club

When held March 25 25
Varsity Canadian rugby players will enter the intercollegiate field next season if plans made Tuesday materialize. The students at their last meeting of this year decided to form an all-star B. C. University team besides the two to be entered in the city leagues.

They will arrange competitions with Alberta University if possible and will play games with the neighboring state teams using combined codes so that the Americans can play some Canadian games and some American football games here in the international competition.

The students elected Lever Bates as the president of the Canadian Rugby Club next year. Mr. Bates has made the game go at Varsity this year.

Other officers elected Tuesday by the club included Dr. T. Boggs honorary president; B. Fagan, secretary; L. Cunningham, treasurer; B. Gault, manager. In order that Varsity's interests in the game and arrangements for next season may be carried out during the summer vacation, H. Hall, E. Brennan and Kenneth Noble were chosen a committee for that time. They will investigate the possibility of securing a training home for the teams at Point Grey this fall.

The students will have one senior team in the city leagues, a junior team and their intercollegiate all-star team.

U.B.C. ATHLETES WILL GET LETTERS

Athletes at the University of B. C. will receive their letters, trophies and cups Thursday noon when the students assemble in the auditorium to pay honor to their stars of this year. Leaders in debates and public speaking will also receive their awards at the same time. There is a long list of students this year who have won prizes

Dr. L. S. Klinck, president of the University, will be the chief speaker of the day.

U. B. C. Players Go to Edmonton

Mr. Tommy Wilkinson, Mr. Harold Henderson, Mr. Arnold Henderson, Mr. Dal Grauer, Mr. Fred Newcombe, Mr. Buck Buchanan, Mr. Dadwell Hartley, Mr. Heighley Arkley, all members of the senior basketball team of the University of British Columbia, left last night for Edmonton, where they will spend a week.

VARSITY HOOP SQUAD ONE GAME DOWN

EDMONTON, March 29. — Playing brilliant basket ball in the first half and piling up enough of a margin to keep their opponents down, the 49th battalion men's basket ball team of this city, triumphed in the first game of the two-game series for the Western Canada championship when the University of British Columbia team was forced to take the small and of a 23-21 score.

On the whole, the local team deserved to win. The forwards were shooting with deadly aim and the combination played by the team was very good. The second game will be played Monday.

STUDENTS WILL GET BIG WELCOME

Western Basket Ball Champions Will Reach Vancouver Wednesday

Varsity students went wild with delight last night when they received word of the success of the basket ball team at Edmonton and staged an impromptu celebration in the University buildings.

Plans were immediately formulated for a monster celebration Wednesday morning when the whole student body is expected to be out to welcome the men home after defeating the Edmonton champions. The Varsity team will reach Vancouver via Canadian National Railway Wednesday morning at 7:35 and will be met by a big crowd.

The win Monday marks the greatest victory in athletics that Varsity has ever experienced and the students are inclined to believe that the success surpasses that of the defeating of the University of Stanford here in rugby in 1920.

Collegians are hoping that arrangements will be made for the holding of the final game in Vancouver when the winners of the Eastern division will challenge the local University for the Dominion championship. Previous arrangements were made before the prairie teams believed B. C. would carry off the title.

By virtue of their win Monday the basket ball team more than doubled the honor that it received in winning big block letters this year. The team was composed of Swansea Peck, Dal Grauer, Dad Hartley, Al Buchanan, captain; Fred Newcombe, H. Arkley, Harold Henderson, Arnold Henderson and Tommy Wilkinson. The team was coached by Ross Bryson.

Students Receive Awards

Canadian Rugby Has Come to Stay at University of British Columbia

More Cups Won This Year by Varsity Than Ever Before

STUDENTS of Varsity completed their activities for this term Thursday noon when they met in the University Auditorium to pay homage to their leaders in sport and public speaking and receive letter awards.

Lever Bates, captain of the Varsity Canadian Rugby team, champions of B. C. this year, received a rousing welcome when he received the Bob Brown cup and turned it over to the Alma Mater for safekeeping. The students by their enthusiasm Thursday assured the success of this game at Varsity.

When Alan Buchanan took the platform for the Senior A basket ball team to receive cups as the British Columbia champions, he was given a great reception. The basket ball men were awarded their big block letters for the first time also.

As special awards for services this year the students presented Coaches Bryson and Scott with loving cups, while the rugby men gave Bob McLean a cigarette case.

There were more cups won by the students this year than ever before in spite of the fact that the collection lacked the McKechnie Cup and the Mainland Cup. The students, however, have three provincial titles with the Freshman Ruby squad leaders in intermediate rugby, the Canadian rugby champions and the basket ball champions. They also hope to win the Dominion title in basket ball.

Intercollegiate medals were presented for the first time to C. Ramsell, Harry Warren, Charlie Motley and C. Henry and these men received a rousing reception as they received their awards.

R. L. M'LEOD HEADS U.B.C. ARTS '25

Seniors Elect Past President to Life Position and Plan for Graduation

R. L. McLeod was elected permanent president of Arts '25 of the University of B. C. Monday. The office will be a life position along with other permanent offices. Mr. McLeod was president of his class two years ago and was university marshal and on the students' council one year.

Professor F. G. C. Wood was elected honorary president, having been chosen for that office every year since Arts '25 has been at the University.

OTHERS ARE ELECTED

Grace Smith, president of the University women this year, was selected as vicepresident. She has already held positions on the class executive.

Doris Shorney, president of the women's athletics this season as well as last year, was chosen as secretary, while Archie Tee, treasurer of the class, was elected permanent treasurer.

Helen McGill, senior editor of the Publications Board, and editor of the University Annual, was chosen valedictorian and will have charge of the valedictory gift.

Arts '25 will present the University with several expensive prints of old masters as well as books on art, for the University library building.

PROGRAMME ADVANCE

The class of Arts '23 started a collection, and the graduates this year will add to it.

The students again urged the committee on graduation to continue efforts to secure the new auditorium for the exercises, and the matter will again be pressed. Committees on the various graduation functions were appointed to complete the plans and the programme of a week's activities before the degrees are granted on May 7.

U. B. C. Graduate Gets Promotion

L. ATKINSON

HAVING received an appointment from the Fraser Valley Milk Producers' Association, Lyle Atkinson, a graduate of the University this year, will be assistant in the bacteriology department of the organization. Mr. Atkinson studied in the department of dairying at the U. B. C. under Professor Wilfrid Sadler. In student activities he is a leader and was treasurer of the Alma Mater Society and, as such, held a seat on the Students' Council this year.

Students Land Second Game at Edmonton 22-15, and the Round 43-38

H. R. Henderson Shoots Brilliantly for Winners and Snares 12 Points

OTTAWA, March 30.—Rideau Aquatic senior basket ball team, of Ottawa, will travel west to meet University of British Columbia seniors in a two-game series for the senior championship of Canadian basket ball about the middle of April.

The Rideaus won the championship of the Ottawa district, defeating the Province of Quebec champions and following this up with a decisive victory over the Maritime champions, have been declared Eastern champions.

EDMONTON, March 30.—University of British Columbia won the right to play the Ottawa Rideaus for the Canadian basket ball championship here tonight when, in the last game of a two-game series to decide the Western finalists, they defeated the 49th Battalion, 22-15, and on the round 43-38.

Although they were outclassed by the Alberta champions in their initial appearance here, the coast team made a remarkable comeback and by playing consistently throughout the entire game managed to keep well ahead of their opponents and, in fact, never looked like losers after the first 10 minutes of play.

H. R. Henderson was the outstanding player for the victors. He was fed the ball continuously and on every occasion that a chance offered for him to score, he usually made the most of it, with the result he was high scorer for the game with 12 points to his credit.

JIMMIE CRAIG WINS SHIELD

1-4-25

U.B.C. Man Takes Championship Trophy in Debating League

James H. "Jimmie" Craig, University of B. C., is champion orator of the Vancouver Debating League, and will hold the Paterson Challenge Cup for a year by virtue of his victory from a field of seven contestants Tuesday night.

"The University and World Problems" was the subject of the winner's oration and he secured the verdict on the decision of two of the three judges. These were Mr. Justice M. A. Macdonald, Rev. A. H. Sovereign and W. R. Dunlop. The six other contestants were J. J. Plommer, representing Parliamentary Debating Society; J. Francis Bursill, representing Electric Club; R. Hawkes, representing Y's Men's Club; H. B. Cantelon, representing Law Students; V. Roche, representing Young Liberals and Dr. E. L. Thompson, representing Y.M.C.A.

In presenting the cup to the winner, the donor, Mr. Paterson, referred to the fact that Mr. Justice Macdonald had been a well-known debater in Bruce County, Ontario, at the time that the speaker was a teacher there.

Mr. Justice A. E. McPhillips, who presided, presented the challenge shield, emblematic of the championship of the Vancouver Debating League, to President "Bill" Borrie of Y's Men's Club, winners in the final contest Monday night, complimenting the orators of the evening. G. Fred Turner, a former winner of the oratory cup, spoke while the judges were out, lauding the work of the Debating League.

MULHERN HEADS VARSITY BOXERS

1-4-25

Efforts Will Be Made to Obtain Services of Morgan as Trainer

Eddie Mulhern, Arts '27, was elected head of the Varsity boxers for next year at the annual meeting of the club Tuesday. Mulhern was one of the successful men in the intercollegiate fights and is a leader among the college athletes. He is a member of the Arts '27 relay team that defeated Arts '25 this year.

P. Stewart was chosen as vice president of the organization and Tommy Berto secretary treasurer.

The students decided that they would attempt to obtain the services of C. P. Morgan as trainer next year. He has been looking after Eddie Mulhern for some time and is said to be an efficient and well liked coach.

Varsity boxers will likely take part in a tournament being staged by the Ex-South Vancouver Club in May but wish to fight for themselves and not for the Varsity

Champ Orator

JAMES H. CRAIG

"JIMMIE" CRAIG won fresh honors for himself and U. B. C. last night when he won the annual oratorical contest under the auspices of the Vancouver Debating League. He has represented the University on many occasions in the past two or three years, notably in the debate with the Oxford team a few months ago.

SHAKESPEARE HEADS DEBATERS

1-4-25

Artsman Is Chosen Manager for Year; Tryouts Under Way

Jack Shakespeare, Arts '26, will lead the University of B. C. debaters following his appointment to the literary and scientific department as University debates manager. Mr. Shakespeare is a member of the Arts Men's Undergraduate Society and is keenly interested in public speaking and debating. He will succeed James Craig, Arts '25.

Twelve men have passed successfully through the tryouts for the Imperial debate team and these members will continue the elimination contests in the near future. They will speak on a phase of preferential tariff, this subject being the topic chosen for the Imperial debate when an all-star team from Great Britain tours this continent.

Four of the Varsity intercollegiate debaters are still in the running for the honor of representing the University this fall in the contest. Eric Dunn, S. Kobe, Murray Hunter and W. C. Murphy having been successful. Other speakers remaining at present are H. L. Brown, H. Hatfield, Hilton M. Moore, E. Morrisson, Ralph Norman, R. A. Palmer, David Sturdy and G. Telford.

DEBATE TRYOUTS NARROW TO SIX

Interview Apr 25
U.B.C. Candidate for Imperial Forensic Contest to Be Chosen Soon

Debaters of the University of B. C. entering the Imperial debate to be staged next fall have been eliminated down to six and further tryouts will be held later to determine which men shall represent British Columbia. The exact number of men for the team is not yet known, so the six will be considered as the regular and spares for the present time.

Four of the men chosen have already represented the University in intercollegiate debates.

James Craig and S. Kobe, two men chosen, debated against the University of Oxford last fall. Eric Dunn and W. C. Murphy were selected and have had considerable experience in the debating field, having taken part in international intercollegiate debates.

W. L. Brown and H. Hatfield were the two new men chosen. S. Kobe and Eric Dunn were each winners of the gold medal for efficiency in oratory at the college, while James Craig won the city championship recently.

The Imperial debaters will be chosen from the universities of Great Britain as an all-star team.

LECTURES AT U.B.C. WILL CLOSE TODAY

Interview Apr 28
Students Near End of Session and Plan for Commencement

Lectures at the University for the 1924-25 session will be completed today, and the students will have until Monday for final study before the commencement of examinations. The spring and final exams will last almost two weeks, and the students of the first three years will leave town for their homes or for work in the various industries of the province.

The graduating students will remain here for their class exercises to be commenced at the first of May. These functions will last until after May 8, when the graduates receive their degrees.

PROGRAMME READY

The plans for the graduation functions include dances, picnics, class day exercises and the tree planting at Point Grey, and arrangements for these are in the hands of special committees. The students are still hoping that they may secure the consent of the Government to hold the congregation exercises in the new University auditorium at Point Grey.

With the closing of the examinations the students will withdraw from the buildings at Fairview, where they have been housed uncomfortably for the past ten years, and will move to the new University buildings for the fall term. The summer school for teachers will be held in the King Edward High School this year, and the moving of the laboratory equipment will be started this month. Already most of the machines in the engineering department have been dismantled, and some of the library volumes have been transported to Point Grey.

RESULTS READY MAY 7

Results of the final examinations will be announced May 7 immediately following the meeting of Senate to pass upon the standing of the students.

University annuals will be distributed this week among the students, some of the copies of the book having arrived at Varsity last night. All social and athletic activities have been suspended until after the completion of examinations.

Graduating Class Will Plant Tree

ES. 30-4-25
POINT GREY, April 30—The graduating class at the University of B. C. will proceed to the site of the new buildings at West Point Grey at 2:30 o'clock today and, with due ceremony, plant a tree on the main avenue leading to the principal building. This custom was instituted in 1919 and today's tree will be the seventh in the row.

Awarded Fellowship

Interview Apr 26
MISS K. DODDS

MISS KATHLEEN DODDS, daughter of Mr. and Mrs. E. E. Dodds, 2711 Hemlock St., and a member of this year's graduating class at the University of B. C., has been awarded a teaching fellowship in social economics at the University of California, the largest fellowship in monetary value to be presented at the local university.

A notification to this effect was received during the past week by Dr. T. H. Boggs of the Department of Economics. Miss Dodds' educational record has been one of consistent brilliance.

Matriculating from the Vernon High School, she won a Governor General's medal, a Royal University Scholarship and the \$1200 Bursary of the I. O. D. E. In her freshman year she again led her class, winning another Royal University Scholarship as well as the McGill Graduate's Scholarship for leading in French and English.

In her junior and senior years Miss Dodds has taken honors in economics and specialized in history. Not only is she one of the youngest students to be awarded such a scholarship, but she is one of the very few girls, and the only local girl, to receive such an honor from the University of California.

Varsity Students Embark On Orgy Of Gay Parties

Interview Apr 26
Now that examinations are a thing of the past, last week having seen the final paper written, the University set has made up its carefree mind to enjoy to the full the weeks that intervene before the returns of the dreaded results—or anticipated as the case may be. Teas, luncheons, stag dinner parties, picnics and dances are the events that will fill each day on the social calendar.

The home of Mrs. C. R. Gordon in Burnaby was the rendezvous yesterday for a merry party of tennis enthusiasts and those whose golf putting is something of which to be rather proud. Dancing in the living rooms and spacious verandah followed a picnic supper on the lawn.

A week-end party of about 30 left yesterday morning for Crescent where they will be entertained at the "Log Cabin" of Mrs. J. R. Gilley. On Sunday another dozen girls will join their sorority sisters at this resort.

Miss Mabel McTavish will be a tea hostess at the beginning of the week, and on Wednesday Miss Dorothy MacKay will entertain at the luncheon hour at the home of her parents, Mr. and Mrs. J. M. MacKay, New Westminster. The following day Miss Frances McMorriss has invited a number of Varsity girls to be her tea guests.

Many of the students who reside up the Coast or in the Interior of the Province are remaining in the city for these informal festivities and on their return home will be accompanied by one or more fellow pupils as their guests.

VARSITY SOCCER TO HAVE COACH

Interview Apr 25
Varsity soccer players will have a coach next year if their plan to obtain the services of Alex. Fordyce materialize, it was announced, Tuesday, at the final meeting of the soccer men for the year. Mr. Fordyce was chosen as the Varsity coach for next year and the students will obtain his services in order that he may teach the teams the finer points of the game. He is a former professional, it was announced, and knows soccer thoroughly.

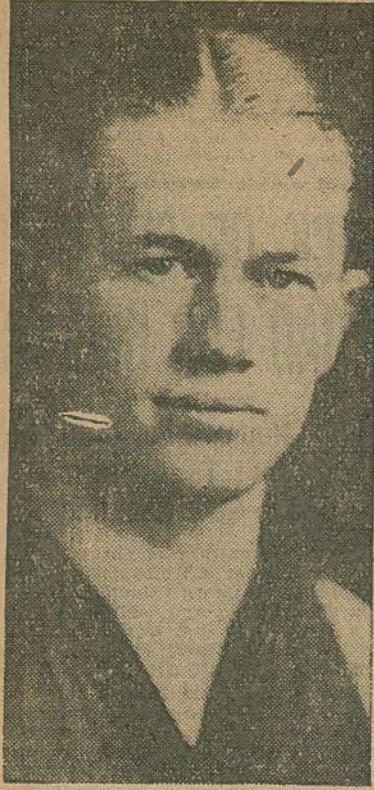

The soccer club concluded all of the business for the year and appointed Mr. Fordyce as the first official coach the teams have had. Those in favor of appointing the coach stated that, as the students have had little experience, they should sign an excellent man for the position.

The teams decided that the appointment of managers be left until next season, when the teams are organized for games and players signed.

This is the picked crew from the University of British Columbia that will engage Ottawa Rideaus at the Arena tomorrow night in the first of a two-game series for the Dominion basket ball championship, the first series of the kind ever staged west of the frowning Rockies.

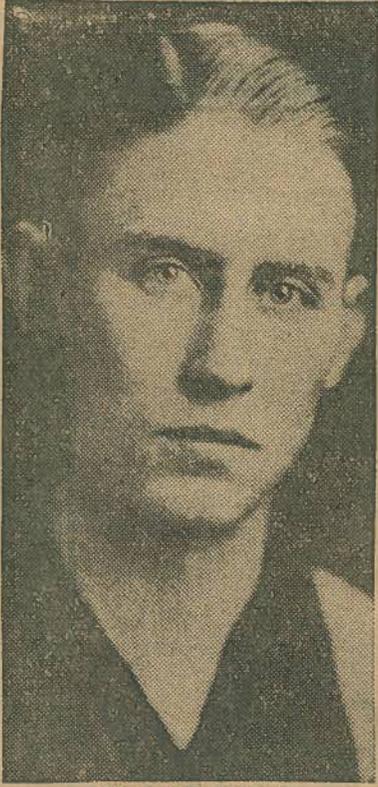

Ottawa's representatives reached the city this morning on the C. N. R. and were given a western welcome by the students and their friends. The second game will be played Thursday night and the Easterners will give Kamloops an exhibition game on the return journey.

Varsity are naturally installed favorites to win. The western style of basket ball is considered faster by critics competent to express an opinion, and the Ottawa boys will hardly have found their land legs again by tomorrow night, although they stopped over in Winnipeg and stretched their limbs in an exhibition game there.

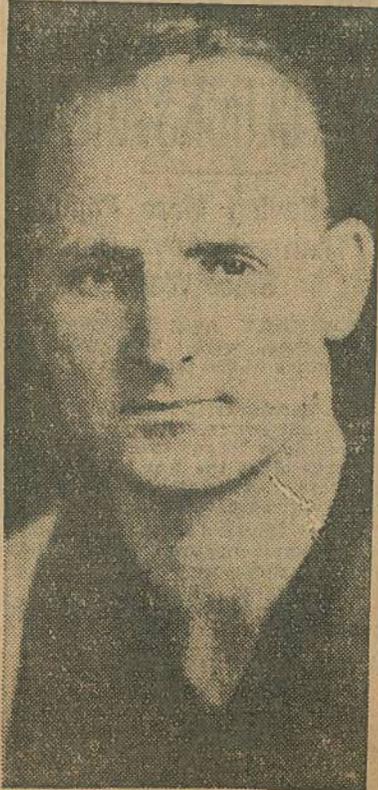

Elmsley L. Yeo, peer of Coast referees, will handle the whistle for both games, with Graham Bruce assisting as umpire. Tomorrow night's game starts at 8:30 and the biggest crowd that ever glimpsed a basket ball game in the West will be on hand, as the students have been very active in a selling campaign to put the series over financially.

RIDEAU REGULARS WILL ALL START

April 28

OTTAWA RIDEAUS stretched their limbs on the floor at the Arena yesterday afternoon and players and manager alike were much impressed with the venue of series for the basket ball championship of Canada. The first game of two between Varsity and Ottawa, to decide the title, will be staged at the Arena tonight at 8:30 o'clock. New Westminster and Vancouver senior girls will play an exhibition at 7:30.

The visitors are all in fine shape and the team will be at full strength from the start. Don Young will begin at centre with Lyle Laishley at right forward and Ab Charbonneau at left forward. Jake Jamieson will start at right guard and E. Nichol at left guard. E. Kilpatrick, S. Cooke and E. Godwin will be available for substitute duty. E. L. Yeo will referee.

Varsity has nine men, none of whom are regarded as regulars. Coach Bryson just starts them and replaces them as he sees fit.

Varsity Ten Points Behind in Series for Canada Hoop Title

Ottawa Rideaus Move Fast When Speed Counts Most and Shooting in Deadly Form, Beat Western Champions in First Game at Arena, 28-18

Students Wild in Front of the Basket and Fail to Perfect Effective System—Second and Final Contest Thursday Night, Total Points Count

OTTAWA RIDEAUS may not return East with the Canadian title but they will go into the second and final game tomorrow night with a lead of 10 points over University of B. C. basket ball five, and if they continue to play the fine defensive game they showed 2000 fans at the Arena last night, they should be hot favorites to win the round.

Last night's game was surprising in the sense that the expected fast attack of Varsity did not develop at any time. The Western boys seemed unable to perfect any system that would produce results. They shot wildly and generally were not up to the standard their form during the league season led their supporters to expect.

Moreover, in Ottawa Rideaus they encountered a team that, while appearing slow, move fast when speed counts most. They are deadly marksmen. It was this factor which won for them probably, for Laishley, Charbonneau and the excessively cool Don Young can shoot with the accuracy of expert snipers, from almost any distance.

GRAUER MISSES SEVERAL FREE THROWS—

Varsity missed shot after shot. Grauer missed half a dozen free throws, and time after time the ball was just inches wide. The two Hendersons often over-balanced. They are long, lean types, hardly settled in growth and they confused numerous movements, probably just through over-anxiety.

The impression was general, it seemed, that Varsity would win. For 15 minutes of the first half it seemed so, too, for Ottawa had not really warmed up. When they did, however, Varsity found them hard indeed to watch.

Charbonneau was continually slipping under his check for long lobs that he released only when in position of an almost sure shot. Jamieson, another little one, was as elusive as an eel, and once robbed a Varsity man right under the basket for a neat convert.

The teams play the final Thursday night. Total points count on the round. Yeo and Bruce, who refereed efficiently, will handle the final.

There was a distinct similarity in colors and for a few moments after the start passes went astray when opponents and friends became confused. There was a certain nervous tension apparent which was somewhat relieved when Varsity rooters arose, under the urge of the cheer leader and "pepped" up the proceedings with a few selections from the yell assortments.

Heiley Arkley did not start. His sore toe troubled him and his floor leadership was missed. Buck Buchanan played a whale of a game until toward the end when he showed a tendency to hold over-long and was yanked for Hartley who in turn was replaced by H. Henderson.

PECK OPENS SCORE FOR STUDENTS

Peck scored first for Varsity with a nice effort, and Laishley, loose-necked, ungainly but an expert player, evened it up a moment later. He followed it with another on a quick breakaway and then Don Young, whose cheerful coolness all the way and his chatter kept the visitors on their toes, dropped one in from 30 feet distance.

Buchanan scored next, followed by Laishley, and a moment later the same chap converted a free throw. Again Buchanan scored, then little Charbonneau made it 11-6. Newcombe came on for Varsity, and for not reporting to Yeo after doing so to the scorers, was penalized, and Laishley converted the throw. Newcombe, whose play was good all the way, made it 12-8 as half time was "exploded" by Frank Filmer.

Laishley started the second period with a nice shot and again Newcombe held up Varsity. Grauer then made it two more for the West and Nichol, a long, lean guard, brought Rideaus to 16-11. Peck converted a free shot, and Charbonneau slammed in another. Tom Wilkinson moved on for Peck and celebrated his arrival by scoring at the end of a brisk run. Varsity missed a free throw and there was some loose passing by the collegians with Rideaus playing a safe, defensive game to retain their lead.

JAMIESON SCORES WITH TWO ON HIM

Hartley went on for Buchanan and Young made it 20-14. Arnold Henderson got his first points of the night and again Laishley registered. Grauer had two free throws and missed both. Jamieson slipped his check, moved up fast, shot a pass to Charbonneau and the latter scored unchecked.

A moment later Jamieson went down with the ball lost to a Varsity man, regained possession and scored with two men on him. Newcombe got Varsity's final count and a few seconds later knocked him self out by bouncing his chin off long Nichol's head. Rideaus sent on two subs with the game cinched and Young converted a double foul, making it 23-18.

THE SCORE:

Rideaus—L. Laishley (12), Ab. Charbonneau (6), D. Young (6), E. Nichol (2), J. Jamieson (2), E. Kilpatrick, S. Cooke.

Varsity—J. D. Hartley, F. E. Newcombe (5), H. R. Henderson, Al. Buchanan (4), A. E. Henderson (2), A. E. Grauer (2), Tom Wilkinson (2), W. S. Peck (3).

College Players Will Go on Tour

Several cities and towns of Vancouver Island and the interior will be visited by the members of the University Players' Club when they make their annual spring tour in May to present this year's play. The students will open their tour with a visit to Victoria on Friday, May 8, and will play at Duncan the following evening. The cast will leave for their opening performance immediately following the conferring of degrees in the University auditorium next Thursday.

"You and I," the spring play being presented this season by the University Players' Club, won the Harvard prize. This is the first season that it has been released for amateur production.

Varsity Girl of Cranbrook Honor Guest at Tea

A number of the University set motored over to New Westminster to attend the delightfully arranged tea given this week by Miss Katherine Reid at her home on Third Avenue, in honor of Miss Jean Wilson, who is returning this evening to her home in Cranbrook.

Miss Jean Gilley assisted the youthful hostess at the tea hour, when the guests were Miss Jean Wilson, Miss Lilloett Green, Miss Frances Cameron, Miss Isobel Mc-

Tavish, Miss Frances McMorris, Miss Dorothy McKay, Miss Dorothy Partington, Miss Margaret Keillor, Miss Marjorie Bell, Miss Dorothy Brown, Miss Jean Gilley and Miss Donaldta Stauss.

Varsity Alumni Fete Ottawa Basket Ballers

MISS STELLA MCGUIRE was convener of the committee responsible for the success of last evening's bridge and dance given by the Alumni Association of the University of B. C. in honor of the visiting Ottawa Rideau basket ball team, held in the Varsity auditorium.

Assisting Miss McGuire were Miss Sallee Murphy, Miss Myrtle Kilpatrick, Miss Betty Somerset, Mrs. Paul Nicholson, Mr. Dick Leckie, Mr. Gordon Meekison, Mr. Sherwood Lett, Mr. George Dixon and Mr. Jimmy Laurence.

Convocation Events This Week Honor Varsity Graduates

For the 1925 graduation class of the local University the ensuing 10 days will be overflowing with interesting and pleasant affairs. The first event on the calendar is scheduled for today, when the impressive ceremony of "tree-planting" is to take place at the University site at Point Grey.

Tomorrow evening Miss "Wink's" Hall, vice president of Arts '25, will be a dance hostess at her home, "Killarney," to members of the class executive. The following day the graduation class picnic will be held at Bowen Island and on Sunday evening the Baccalaureate Service will be conducted at Christ Church.

Monday is Class Day, when the customary class exercises will take place in the University Auditorium.

The graduation banquet is to be given in the Ambassador on Tuesday evening and the following afternoon President L. S. Klinck and Mrs. Klinck are entertaining the graduates at a reception in the Hotel Vancouver, while in the evening Professor F. G. C. Wood, honorary president of Arts '25, is entertaining at a dance for the Arts graduates in Willow Hall.

On Thursday afternoon, May 7, in the Auditorium Congregation takes place and in the evening, Convocation. Friday afternoon, May 8, the women members of the graduating class will be the tea guests of Dean M. L. Bollert, and in the evening the Alumni Association will entertain the entire graduation class at a dance in Willow Hall.

U. B. C. Graduate Wed in Royal City At Smart Affair

NEW WESTMINSTER, April 29.—An interesting wedding, and one of the prettiest in detail, took place last evening at 8 o'clock in St. Andrew's Presbyterian Church, New Westminster, when Margaret May, elder daughter of Rev. A. E. Vert and Mrs. Vert of New Westminster, was united in marriage to Mr. A. Laurence Somerville, only son of Mr. and Mrs. W. H. Somerville of this city.

The service was conducted by the bride's father and during the entry of the bridal party the church choir sang "The Voice That Breathed 'O'er Eden."

BRIDE'S GOWN

The bride, who was given in marriage by her brother, Mr. F. C. Vert, was extremely attractive in her wedding robe of ivory crepe charmant, made on straight lines, with insertions of silver lace and pearls. A cabachon of rhinestones and pearls carried out the jeweled effect of the coronet that was caught by orange blossoms to the diaphanous silk net embroidered veil that completely enshrouded the court train. She carried a shower bouquet of Ophelia roses and lilies of the valley.

Miss Mary Vert, who was her sister's bridesmaid, was attired in a French frock of conch shell pink chiffon, embroidered in a sunburst of opalescent sequins. Her effective headdress was created of silver leaves and she carried a bouquet of blush pink carnations.

The petite flower girls, Maureen McInnes and Geraldine Fadden, wore brief bouffant frocks of daffodil shot tafetta and orchid tafetta, and carried quaintly shaped baskets of carnations.

Mr. Ray Parker, a fellow graduate of the groom's from the University of B.C., was the groomsmen, and Mr. Ian Douglas and Mr. W. Gilchrist the ushers.

During the singing of the register Miss Squires sang "All Joy Be Thine," while Miss Vass rendered the nuptial music.

Following the ceremony a reception was held at the home of the bride's parents on Agnes Street

Mr. and Mrs. Somerville will reside in Kerrisdale.

The service was conducted by the bride's father and during the entry of the bridal party the church choir sang "The Voice That Breathed 'O'er Eden."

The interior of the church had been transformed into a veritable spring garden by a massed profusion of lilies, marguerites and narcissi intermingled with ferns and trailing greenery.

A note of sentiment was attached to the decorating by the girl's friends, supervised by Mrs. C. D. Peele, as it was the latter who decorated the church at the time of the bride's baptism.

Mrs. Vert, mother of the bride, was a distinguished figure in a gown of black crepe satin and georgette, encrusted with cut steel beads, over which was worn a black moire silk wrap with ermine collar. Her hat was an imported model with metal crown and broad brim. Mrs. W. H. Somerville, mother of the groom, wore a handsome costume of tile shaded crepe and Poiret twill with hat en suite.

Following the ceremony a reception was held at the home of the bride's parents on Agnes Street Mrs. Herbert Creelman of Vancouver and Mrs. Thomas Gifford Sr. presided over the artistically arranged teatable, centred with a motif of roses, surrounded by individual crystal vases of pastel-tinted rosebuds. Mrs. W. F. Tate cut the ices. Later in the evening Mr. and Mrs. Somerville left for the mid-western states, the latter traveling in a smart ensemble of rust satin frock, embroidered in green and gold, and a flared coat of charmeen in matching tones, with sable choker. Her chic chapeau followed the lines of the Gloria Swanson poke.

Mr. and Mrs. Somerville will reside in Kerrisdale.

Varsity Plays Fine Ball, Reducing Lead Of Ottawas to Two

Easterners Find Themselves in Sore Straits to Retain Supremacy

Students Cut Lead of 10 Down to 2 in First 10 Minutes of Thriller

First game: Ottawa, 28; Varsity, 18.
Second game: Varsity, 18; Ottawa, 10.
Ottawa's margin on series, 2 points.

OTTAWA RIDEAUS carry the Canadian basket ball championship eastward with them today, but their margin of superiority was perilously small and, was, in fact, almost snatched away entirely from them by a rejuvenated Varsity team last night in a thrilling climax to the series which, possibly, has done more to establish the hoop game as a major sport than anything which has occurred in connection with the game westward since the first appearance on Burrard Inlet of Captain Vancouver.

Spurred by the acclaim of more than 1000 enthusiastic fans, Varsity went out last night to do or die. In less than 10 minutes they had cut down the Rideaus' lead of 10 points to a scant 2. They scored on three field throws and two free shots and were all over the Ottawas in speed, fielding and defensive tactics.

Grauer and Wilkinson were halting the speedy Jamieson, Young and Charbonneau are they could shoot accurately. Varsity fans were uproarious, chanting their ward college inspirational yells, and Charbonneau's unexpected rush the length of the floor for a swift check into the basket hardly stemmed the fury of the verbal drive.

VARSIITY IN LEAD

Buchanan was sent on for Newcombe then and the tide of victory veered, Varsity leaving the floor at half time with the score 11-5 in their favor, and the fury of their drive leading most everyone to believe that the honors were to be theirs.

As play resumed, Yeo penalized Varsity for replacing Arkley with Newcombe and not reporting. This occurred twice during the series, Varsity offending in each instance. Back and forth went the play, with Varsity holding a slight edge and finally pushing back the Eastern invaders to a scant lead of 1 point at the round.

Five hundred students arose en masse and roared their approval. Play became lightning fast, with Ottawa striving desperately to retain their fast-disappearing margin. Varsity missed half a dozen easy shots, the pesky ball slipping around the rim, in and out again, everywhere but into the strings for a goal.

WILKINSON AGGRESSIVE

Wilkinson, whose pep was a feature of Varsity's play throughout, returned from repairing a sore nose and subbed for Peck. Buchanan went on for H. Henderson and Kilpatrick, Ottawa's only sub used, brought Rideaus up a notch when a foul was called against Buchanan and he notched the ball.

Then little Jamieson, the flashy midget guard, slipped his check, ran the length of the floor and scored. This gave Rideaus a 4-point margin, with less than three minutes to go. Newcombe scored another field basket after a neat bit of passing and Wilkinson's sensational try which went only inches wide, was the Collegians' final effort.

It was a bitter defeat for Varsity, a team that has fought the excitement of the series and the grind of stiff examinations, until they were utterly weary. But they fought a tremendously fine battle last night and had they shown this form in the initial contest, Ottawa would be drifting homeward framing the old alibis for the folks back home.

A CLEAN SERIES

As it is, they undoubtedly have great respect for their opponents. The generalship of Don Young, the cool centre and the flashiness of little Jamieson and Charbonneau, made a fine impression on the fans. Young is a master of floor craft. He knows how to get into position for the expected rebound, how to protect his guards and how to engineer plays. He hasn't the flash of Jamieson and the barrell-like Charbonneau, but he is the team general, unquestionably. Nichol and Laishley, guard and forward, are good men, too, but Nichol stood out above Laishley on last night's play.

Ottawa were badly flustered ere the match was half over. All their plays were being checked; they couldn't shoot evenly, and they were backed into their nets. But they fought on doggedly, played cleanly and certainly had no cause for complaint on the refereeing. Yeo and Graham called plays impartially and well. Seldom, indeed, does it fall to the lot of visiting

teams to obtain the stern impartiality that marked this series.

THE SCORE

Rideaus: Charbonneau (6), Laishley, Kilpatrick (1), Young, Nichol (1), Jamieson (2).
Varsity: Newcombe (6), H. Henderson, Arkley (2), Buchanan, A. Henderson, Grauer (4), Wilkinson (2), Peck.

Students and Rideaus Clash Again Tonight

VARSIITY will have to beat Ottawa Rideaus by more than 10 points at the Arena tonight to annex the basket ball championship of Canada. It goes without saying that the students will have to display more pep than they did on Tuesday if they are to win at all. When the boys are hitting on all cylinders they are good enough for anybody and the task of overhauling the Rideaus ought not to be beyond them.

But there won't have to be any moving around in pairs, shooting at the moon or standing in centre floor waiting for an opening to show itself. The University of British Columbia representatives will have to make their openings if they are to beat the visitors.

The game will start at 8:30 o'clock and there will be a preliminary at 7:30 between Westminster Adanacs and Rowing Club. Tonight all boys not more than 15 years old will be admitted at the east door for 25 cents.

McDonald Leaves St. Andrews for Engineer Soccer Aggregation

FIFTEEN more soccer players have changed their quarters since last Saturday. Seven have been transferred to South Hill, seven to Victoria Veterans and one to Vancouver Engineering Works.

The Engineers obtained their new man from St. Andrews and he is McDonald, who not long ago went to St. Andrews from Vancouver City. He is an inside forward and hails from Inverness, Scotland.

Two of South Hill's new players are from Varsity. Les Buckley and Rex Cameron. The others include C. Wooldridge from Malkins, Thomas Johnson from B. C. Telephone, W. Plevy from the South Vancouver G. W. V. A. and F. Wavtes from South Vancouver G. W. V. A. Plevy played with Longshoremen before joining South Vancouver G. W. V. A.

Victoria Veterans have obtained W. F. Phillips from Sons of England, A. Cameron from the same club, W. C. Cummings and A. Whyte from United Services, H. Copas and A. Muir from Victoria Wests and A. McKinnon from Teamsters.

Al McKinnon is the former St. Andrews player, who last season assisted Shellys in the big series. Indications point to Victoria Veterans having a strong team. Unfortunately Vancouver City dropped out of the series and thus deprived Veterans of at least one game.

Sapperton has signed James S. Mitchell, who is reported to be a player of parts. He is not long out from the Old Land.

For Football Game**

Contracts giving University of British Columbia choice of a gross or a flat guarantee of \$325 have been forwarded local officials by Darwin Meisnest, general manager of University of Washington athletic body in connection with the proposed intercollegiate football match which is scheduled for October 31. The matter will have to stand over until the first meeting of the Men's Athletic Association of Varsity. Meisnest also states that he wishes to get in touch with local rowing and basketball officials with a view to arranging matches.

RESULTS OF B. C. UNIVERSITY EXAMINATIONS

Degrees and Awards To Be Conferred at Congregation Today

Governor General's Medal Won by Victoria Girl—Louis Smith Takes Coveted Scholarship for Both Intellectual Attainments and Force of Character

EDITH LUCAS will receive the Governor General's gold medal for proficiency in her University standing when the graduates meet this afternoon at congregation in the University Auditorium, where the successful candidates for degrees, scholarships and prizes will receive their awards.

Miss Lucas is a Victoria girl and was a consistent scholarship winner in Victoria College, where she started her University work. She took first-class honors in French and Latin.

Archie Fee of Burnaby, taking first-class honors in biology, was the runner-up for this signal honor and has received the British Columbia nomination for the 1851 Exhibition Scholarship, valued at \$2500.

In the faculty of Applied Science Brian Sutherland romped off with first place among the graduating students, while in Agriculture Lawrence Murphy of New Westminster captured highest place.

The greatest honor that may be bestowed upon a University graduate who intends taking other studies abroad was won by Jack Leslie Huggett of North Vancouver, who carried off the Nichol Scholarship of \$1200. This entitles him to study at the University of Paris or any of its branches. He won his M.A.Sc. this year from the University.

Louis Smith of Arts '26 had cause to be the proudest person at the University yesterday when the pass lists were announced, for he won the coveted Arts '19 Scholarship, which is awarded not only for very high academic standing but for moral force of character, executive ability and proficiency in almost every phase of University life. Mr. Smith is very popular at Varsity and has been head of several organizations.

Lawrence Arthur Murphy, 55 Royal Avenue, New Westminster, carried off high place for the graduating students in the Faculty of Agriculture with first-class marks.

This year there is a large list of students who will have to write supplemental examinations, although the general standing is considered excellent. The freshman year has done brilliant work and the results in the class of Arts '28 has marked it as one of the best freshman classes that has been at the University.

Students in all years may secure the results in various subjects next week at the University.

The following honor and pass lists do not contain the standing of unclassified students having supplementals from previous years.

PREMIER honors in the examination results at the University of B. C. will likely go to Sidney Ingram, Edith Lucas and Archie Fee, who are considered by the students as the three in the running for the coveted Governor General's gold medal.

Sidney Ingram, as a member of the honor classes in mathematics, has an excellent chance of romping off with the premier award in his exact sciences.

Edith Lucas, taking a straight arts course, has

been runner up in the past years, and is considered a likely winner.

Archie Fee, one of Varsity's most brilliant scholars, is taking a straight science course in the departments of biology and bacteriology, and is considered a likely winner of the Governor General's award.

Complete examination results will be announced in all editions of The Evening Sun today and in The Morning Sun Thursday, along with a complete honor list, scholarship list and prize list.

Prize Winner

A. EARLE BIRNEY, ARTS '26

AS winner of the letter club prize open to all University students, Earle Birney, editor-in-chief of the Publications Board and head of the college paper, carried off high honors in the department of English.

SUN TO PRINT U.B.C. RESULTS ON WEDNESDAY

Race for Governor General's Gold Medal Proves Keen One

Examination results and pass lists of the University of B. C. will appear in all editions of The Evening Sun tomorrow, when scholarship and prize winners will be announced. The faculty and office staffs have been working on the examination results since the last day of the exams, and will have their recommendations and marks to submit to senate in the morning for final consideration before the class standing is announced to the public.

MEDAL RACE KEEN

All eyes of those interested in higher education in British Columbia have been turned upon three university students who are considered eligible for the governor general's gold medal for proficiency in the graduating year in Arts. Sidney Ingram, Edith Lucas and Archie Fee have headed their class during their university course, and it is expected that one of these will romp off with premier honor while the other two take the other major awards.

IN DIFFERENT COURSES

These students represent three branches of university study, and each is carrying on his work in a separate department. Mr. Ingram is studying mathematics and physics, Miss Lucas is a student of the classics and the straight arts course, while Mr. Fee is in the department of biology and bacteriology. Mr. Ingram is a brother of Lucy Ingram, runner-up last year in the race for the gold medal, when she took second place to G. Riddehough.

Marks in the individual subjects will not be available for publication, it has been announced at the university. These may be secured next week from the registrar.

AS a brilliant post graduate student in the field of agriculture, Alex. Zoond was awarded the W. C. MacDonald scholarship of \$500 entitling him to post graduate work at MacDonald College, Ontario.

PUBLIC HEALTH NURSING GRADUATES

Monday Sun - 11/5/25

PHOTOS BY HACKING STUDIO

Reading from left to right they are: Dorothy Rogers, B.A.Sc.; Anne Hedley, B.A.Sc.; Lella Carson, B.A.Sc.; Helen Bennett, B.A.Sc.

FOUR popular co-eds of the University of B.C. took their degrees in Applied Science this year when they graduated in the department of Nursing and Public Health. They are the only four women at the University of B.C. this year to take their degree in Applied Science, the other co-eds being in the Faculty of Arts.

Choosing a course in which they could secure their University degree as well as their standing as nurses they have served their probation periods in the General Hospital. The training they have received fits them for administrative work as heads of public health departments and institutions.

Lella Carson, taking her degree in the nursing option work, has been president of the nurses this year at the University, and has held a seat on the Women's Undergraduate Society. She is from Victoria.

Anne Hedley, winner of the Provincial Board of Health prize of \$34, is specializing in public health work. She is a Vancouver girl.

Helen Bennett, one of the most popular and well liked women at Varsity this year, carried on in the nursing option work. She is from Victoria.

Dorothy Rogers, specializing in the nursing option work, is from Seattle, Washington, and has been taking her undergraduate work here.

U. B. C. STUDENTS GET SCHOLARSHIPS

S.Sun 2/5

Six Classmen and Instructor Will Attend Universities in United States

The appointment of six students and an instructor in the department of economics to important scholarships and teaching fellowships in leading universities of the United States, indicates the tribute paid to the work carried on by the University of British Columbia, stated Dr. T. H. Boggs, head of the department.

Dr. Boggs Saturday announced the following list of appointments: Kathleen Dodds, Dal Grauer and Al Buchanan, who will hold teaching fellowships at the University of California. Helen McGill goes to the University of Chicago, Phyllis Gregory to Bryn Mawr.

Murray Brink will be a teaching fellow at the University of Washington, and Lillian Cowdell, graduate of last year, who has received a scholarship in economics and history at Clark University.

H. M. Simclair, who has been an instructor in economics since September, won a research scholarship at Washington, D.C., where he will work in the same department with Harry Cassidy of Arts '23, who went from the University of California to Washington. This is one of the best appointments in the entire list.

Lillian Faithfull Will Deliver Address to U.B.C. Grads and Public

For the first time in 13 years a woman will deliver an address at the annual University of British Columbia Convocation to be held tonight at the old university building, Tenth Avenue and Willow Street.

Miss Lillian Faithfull, M.A., and G. P. Fellow of Queen's College, London, formerly principal of Ladies' College, Cheltenham, England, and Mr. Sherwood Lett, alumnus of the local school, are to be the speakers of the evening.

The general public is invited to attend the programme, which is to get under way at 7:45.

LOCAL 'U' GIRL GIVEN HONOR

E.S. 9-5-25

Jean E. Davidson Goes to Seattle University

News received this morning from the University of Washington states that Miss Jean E. Davidson, B.A., one of this season's graduates from U. B. C. has been offered a graduate teaching fellowship in the department of botany at the University of Washington.

The fellowship amounts to \$540, plus free tuition, which to a non-resident of the state of Washington is equal to \$50 per quarter. Her work will consist of half-time teaching in the department of botany while pursuing further studies towards the M. A. degree and commences about the end of September or beginning of October.

Miss Davidson graduated with first-class honors in biology, specializing in botany, and is a daughter of Professor John Davidson of the botany department, University of British Columbia.

DEGREES ARE CONFERRED AT UNIVERSITY

Tenth Annual Meeting Being Held—Convocation Tonight

Scholarship awards, prizes and degrees won by university students in the examination results announced yesterday are being presented to the winners this afternoon in the University auditorium at the tenth annual meeting in congregation.

The number of students to be received this session is the largest in the history of the university while those taking their "master" degrees outnumber those in any previous year.

FAREWELL TO FAIRVIEW

The classes of '25, graduating today from the old buildings in Fairview, will be the last to pass through their collage years in the temporary home. Next year when the fall session opens in September the University of B.C. will be firmly established at the permanent Point Grey site.

Already most of the laboratory equipment has been shipped to the new buildings while the work of moving the library has been commenced.

DR. TORY SPEAKER

The meeting at congregation this afternoon and the meeting of convocation tonight will end the university in Fairview, for these exercises are the last to be held in the old buildings.

Dr. H. M. Tory, president of the University of Alberta, and one of the best known and most influential speakers and educationalists of the Dominion, has been chosen to deliver the graduation address to the students this afternoon and will be speaker tonight at the business meeting of convocation.

Vancouver Artist Attaining Success

Fame of Ernie Le Messurier, the Vancouver caricature artist, who began his newspaper career on The Vancouver Sun, has spread to the Old Country, and in the current issue of "The Spur," a high class illustrated periodical published in London, is a full page sketch of the great Canadian humorist and economist Stephen Leacock.

Even those who are familiar with Le Messurier's work agree that the caricature of the McGill professor is one of the finest things he has ever done and that with the English field opening up for his work a great future awaits the Vancouver boy whose sketches of prominent men are carefully preserved by those in whose possession they happen to fall.

VANCOUVER MAN TO GO EXPLORING

Geo. F. Barnwell Is En Route to Java and Borneo on 2-Year Mission

George F. Barnwell, native son of Vancouver and graduate of the University of B. C. Science Class of '21, has returned to the city from the East en route to Java and Borneo where he will spend two years in exploratory work as geologist for the Standard Oil Company. Accompanied by Mrs. Barnwell he will sail for Batavia on S.S. Empress of Russia Thursday via Hong Kong and Singapore.

Educated in Vancouver from primary work to the degree of Bachelor of Applied Science, Mr. Barnwell is widely known in the city.

WORKED IN B. C.

He was a member of the Varsity rugby team for several seasons.

On leaving university he was for four years associated with the Geological Survey of Canada. He worked for a season with Dr. W. L. Uglow in the Portland Canal district and was later with Professor Bancroft in the Lardeau with Dr. Victor Dolmage at Copper Mountain and with Dr. Tanton at Thunder Bay, Ontario.

He took his degree of master of science at the University of Wis-

consin in 1922. More recently he has been employed as geologist for the St. Joseph Lead Company of Flat River, Missouri and for the Producers and Refiners Corporation of Denver, Colorado.

VISITING PARENTS

He resigned his position as professor of geology and mineralogy at the Missouri School of Mines, University of Missouri, to accept the appointment of geologist to the Dutch East Indies subsidiary of the Standard Oil Company.

While in the city Mr. Barnwell is staying with his parents, Mr. and Mrs. Joseph Barnwell, 2060 First Avenue West.

OFF FOR JAVA

GEORGE F. BARNWELL

BORN and brought up in Vancouver, George F. Barnwell has risen rapidly in the field of applied geology during the past four years since graduation from the University of B. C. He will sail Thursday on the Empress of Russia to engage in exploratory work in Borneo, Java, New Guinea, Sumatra and Celebes, where the Standard Oil Company is prospecting for and producing petroleum.

ES Honor Bride Elect**

MANY of the university graduates have been busy these last few weeks attending social functions in honor of several brides-to-be. One attractive affair over the week-end was the miscellaneous shower Saturday evening, when Miss Muriel Munroe was hostess in honor of Miss Catherine Maynard.

In the dining room, Mrs. Alexander McLeod presided at the coffee urn, at a table where a silver basket of graceful long-stemmed rose buds, in a delicate pink shade, was the attractive centre. White wedding bells with pink rose buds dropping from them, hung from the low chandelier over the floral centre-piece.

Mrs. W. W. Fallows cut the ices, and assisting were Miss Dorothy Brencley, Miss Muriel Fallows, Miss Muriel Munroe and Miss Marjorie Fallows. An umbrella cleverly concealed with crepe paper rose petals, with the many gifts attached, was presented to Miss Maynard.

The guests were Miss Stella McGuire, Miss Jean McGuire, Miss Izeyle Aconley, Miss Eva Maynard, Miss Alice Grosse, Miss Margaret Maynard, Miss Addie McClay, Miss Ena Johannson, Miss Janet McTavish, Miss Mary McTavish, Miss Dorothy Brencley, Miss Helen Mutrie, Miss Muriel Fallows, Miss Lillian Johannson, Miss Blanche Stuart, Miss Marjorie Mutrie, Miss Marjorie Fallows, Miss Florence McLeod, Miss Dorothy Howston, Mrs. George Henderson, Mrs. Noel Lambert, Mrs. Eric Coles, Mrs. T. A. Cavers, Mrs. Alex McLeod.

SUMMER SESSION OF U.B.C. OPENS

Teachers From All Over
Province Begin Work for
for Their Degrees

Summer session classes at the University of British Columbia begin this morning at the Fairview buildings of the institution, where a large number of teachers of this province are expected to avail themselves of the opportunity of commencing their university training. Dr. H. T. J. Coleman, dean of the faculty of Arts and Science, has been appointed director.

VACATION CLASSES

The summer session has been arranged by the officials in order that those teachers who wish to take the first two years of college course may secure their training during their summer vacation. Many of the students at the winter classes who have deficient standing in one or more subjects also use the summer school classes for improving themselves in their weaker courses.

This year special work has been arranged in the commercial department, whose classes will be held in the High School of Commerce at King Edward High School.

A schedule of rooms in which the various lectures will be held will be posted for the students this morning in order that no time may be lost in getting the courses started.

The University Bookstore will be open and all texts required for the summer session may be procured there.

LIBRARY PRIVILEGES

Library books and reading room privileges will be available to the summer session students as well as to the regular college students during the time of the courses.

Immediately following the closing of the school on August 15 the library and bookstore will be moved to the permanent Point Grey home, where the university has been established on the permanent grounds of the new townsite.

A large staff of professors and assistants will be available for the summer school students, who are expected to enroll in large numbers today, which is the last day for registration.

Laboratory classes will be taken at King Edward High School.

Summer Students Plan Activities

MANY social activities are being planned by the members of the U. B. C. Summer School. The first event was the dance held last evening in the auditorium, which was attended by a large number of students registered this session.

There is a tennis tournament and dance scheduled for July 16 and the annual excursion to Whytecliff will be held on July 23.

10,480,000 bushels.

Students Will Visit Buildings

Summer school students of the University of British Columbia will visit the new buildings at Point Grey for an official inspection of the permanent site of the college July 28.

U.B.C. Inaugurates Summer Classes

Classes of the University of British Columbia summer session opened Monday morning, when approximately 300 students attended assembly in the auditorium.

It is expected that several more students will be enrolled during the next few days, when the attendance will likely go to 340. There were 294 in the classes last summer.

Although the summer session of the university is primarily for allowing teachers to commence their college work and take two years of university credit work during the summer vacations, many men and women of the winter classes use these courses to take added tuition in their weaker subjects.

Summer Students Plan Activities

MANY social activities are being planned by the members of the U. B. C. Summer School. The first event was the dance held last evening in the auditorium, which was attended by a large number of students registered this session.

There is a tennis tournament and dance scheduled for July 16 and the annual excursion to Whytecliff will be held on July 23.

Special Lectures At University

The following series of special public lectures to be given in connection with the university summer session is announced:

Thursday, July 23, 4 p.m.—"Roman and Moor in Andalusia" (illustrated with lantern slides), Professor Charles Upson Clark, F.R.H.S.

Friday, July 24, 4 p.m.—"The Charm of Spain" (illustrated with lantern slides), Professor Clark.

Monday, July 27, 4 p.m.—"Ireland of Today," Mr. H. G. Scott, M.A.

Tuesday, July 28, 4 p.m.—"Scotland and France Before the Union With England," Mr. Scott.

Wednesday, July 29, 4 p.m.—"The Jacobite Rebellion of 1745," Mr. Scott.

The lectures are free and open to the public as well as the student body.

U. SUMMER WORK STARTS

Sessions Open With 300
Students in U. B. C.
Auditorium

Classes of the University of British Columbia summer session opened Monday morning, when approximately 300 students attended assembly in the auditorium.

It is expected that several more students will be enrolled during the next few days, when the attendance will likely go to 340. There were 294 in the classes last summer.

Although the summer session of the university is primarily for allowing teachers to commence their college work and take two years of university credit work during the summer vacations, many men and women of the winter classes use these courses to take added tuition in their weaker subjects.

Although the Provincial Government this year has decided that no refund will be made in the traveling expenses of out-of-town teachers who come for this work, the summer school has attracted a large number of students from all parts of the province.

Dr. H. T. J. Coleman, dean of the Faculty of Arts and Science, is director of the summer session.

Dean F. M. Clement, dean of the Faculty of Agriculture, who is acting president of the university this summer, welcomed the students to the college for the sixth session of summer school work.

The students elected a committee to commence work of organizing for social activities.

Courses will be concluded August 15.

SUMMER STUDENTS TO SEE BUILDINGS

Summer school students of the University of British Columbia will visit the new buildings at Point Grey for an official inspection of the permanent site of the college July 28.

A social committee has arranged several functions for the summer, including a dance which was held at the University Auditorium last night.

The annual picnic and excursion to Whytecliff will take place July 23 and the banquet and reunion at the Ambassador, August 7.

Dramatic Critic To Give Lecture

Clayton Hamilton, dramatic critic will give a lecture on the drama in the physics lecture room in the University of British Columbia, at 10 a.m., Tuesday, August 4. This lecture is under the auspices of the department of English and Dr. W. L. MacDonald will preside. The lecture is open to the general public and to such students of the summer session as are not otherwise engaged with lectures at the hour.

T. W. WILKINSON

UNIVERSITY students have chosen Tommy Wilkinson to lead them at their first year in the permanent home of the college at Point Grey. Mr. Wilkinson has already served on the Students' Council as head of the athletic. He was one of the mainstays of the Varsity soccer team during the past seasons and took a leading part in the Dominion championship basketball games when Varsity met the Ottawa Rideaus.

He is at present holding a position with the British Columbia Electric at the Vancouver office.

Sheridan's Masterpiece Described at University by Clayton Hamilton

The students of the Summer School, University of British Columbia, crowded the Auditorium, Laurel Street, on Tuesday morning to hear Clayton Hamilton on "Sheridan." It is pretty safe to say that all who heard this pleasant, informative talk will see "The Rivals," Sheridan's masterpiece, at the Orpheum and years hence will talk of the "all-star cast" of 1925, as the lecturer and other mature playgoers talk of "the palmy days of the drama" of years ago.

It was interesting to learn that, just as Charles Dickens had taken some hints from his own father's temperament in making Wilkins Micawber, so Richard Brinsley Sheridan had remembered some traits of his father's character when he drew the choleric, explosive Sir Anthony Absolute. Clayton Hamilton's talk bristled with anecdote and epigram and apt illustration, and will lead to some new avenues of study.

Dr. W. L. MacDonald, who presided, voiced the appreciation of the audience and the doctor's complimentary and graceful remarks were endorsed by prolonged applause.

**SUMMER SCHOOL
 REGISTERS RECORD**

Attendance at Sessions Expected to Be More Than 400 This Year

Registration at the summer session of the University of B. C. reached 396, Tuesday, it was announced by officials who stated that the number would likely go to 400 before the registrations were completed.

A record for attendance of the summer session has been established this year, the next highest being in 1924, when 294 students took the summer classes.

The special lecture to be given, Thursday, in the physics lecture room by Charles Upson Clark, F.R.H.S., will be at 11 o'clock instead of at 4 p.m., as previously announced.

The lecture hour has been changed as it conflicted with the student plans for the holding of their picnic and excursion to Horseshoe Bay. It is expected that more than 300 will attend the picnic, where games, boating, swimming and dancing will be features of the programme.

 Exams Begin**

Examinations for the Summer School students of the University of British Columbia will begin Thursday afternoon and will be completed Saturday, it was announced Monday.

When the University closes, Saturday, the last students to attend the old Fairview buildings will have left the college, which will reopen at the permanent home in Point Grey, September 22.

Matriculation students who received supplementals in their June examinations will be given a chance to pass in these subjects at the supplemental examinations to begin August 30.

Supplementals for University students in Arts begin September 9 and for Applied Science students September 18.

Friday, September 18, is the last day for registration for the 1925-26 session.

STUDENTS BEGIN SPECIAL PAPERS

Supplemental Examinations Under Way Today at University

University of British Columbia supplemental examinations for matriculation students in all parts of B. C. will be held next week. The examinations will start Monday and will continue for several days.

Many students throughout the province who failed in one or two subjects and who wish to secure their first matriculation standing will write these tests.

Although the University will not be as crowded this fall, the ruling established in former years will again be in force and only students who have a clear matriculation standing will be admitted to the college classes when lectures begin September 22.

No exception to this rule will be made for students under 18 years, and only in exceptional circumstances will the University officials allow older men and women to enter without having their complete record of success in the high school examinations.

Supplementals for University students in Arts will be held commencing September 9, and will be completed September 16. The Applied Science men will write supplementals, starting September 18.

University officials have announced that September 18 is the last day of registration.

Full lists of classes for the 1925-26 session may be found in the University calendar, which may be secured from Stanley W. Mathews, registrar.

The approaching session is the 11th of the B. C. University and will be the first at the permanent buildings at the new Point Grey town-site.

STUDENTS CLIMB GROUSE MOUNTAIN

Naturalists Spend Day Examining Flora Near Summit

Ascending Grouse Mountain where the leaves and mosses flashed in the sunlight after the refreshing rainfall, 12 members of the Natural History Society of British Columbia, headed by Prof. John Davidson of the University of B.C., succeeded in collecting some interesting botanical specimens in a week-end trip.

The party, leaving Vancouver at 2 o'clock Saturday afternoon, stayed Saturday night at the mountaineering lodge and spent the greater part of Sunday in research. Unfavorable weather conditions Saturday prevented a larger party taking the trip, but those who did go were rewarded with a wonderfully clear view over the surrounding country, the fire quenching rains having accounted for the absence of the smoke haze recently encountered.

"The view to the boundary line and far over the gulf was perfect," declared Prof. Davidson, on the return of the party. "On the mountain everything was beautiful and fresh after the rainfall and we found conditions a pleasant contrast to the parched vegetation during the warm weather. We were exceptionally fortunate in our botanical studies and were also able to closely observe the habits of some very interesting birds.

"The next trip planned by the society will be to Hollyburn Ridge on September 5, when, with the Labor Day holiday and if weather conditions are favorable it is expected that a much larger party will take advantage of the opportunity to study this interesting district."

Mr. Riddehough has returned to Vancouver and will carry on his University work in Canada rather than accept a position in the United States colleges where he would have to take out citizenship papers.

There are no openings in the department of English at the U. B. C. where he was a brilliant student and Mr. Riddehough has accepted a place on the staff of the University of Alberta in the English department there.

He is well-known as Nancy Lee, poet and author.

STUDENTS TO ASK SESSION CHANGES

University Meeting Will Make Recommendations to Board

Recommendations for changes in the summer session work at the University of British Columbia will be made by the summer school students following a mass meeting to be held Thursday morning at 11 o'clock in the auditorium where plans for the summer work at the new buildings for next year will present their recommendation for changes of the Board of Governors and Senate.

Plans for the annual banquet and re-union to be held Friday evening at the Ambassador Cafe were completed by the committee in charge Monday. Dr. L. S. Klinck, president of the University and Dr. H. T. J. Coleman, dean of the Faculty of Arts and Science and director of the summer session, will be speakers.

Examinations for the 400 summer school students will commence Thursday, August 13, and will continue Friday and Saturday. These will be the last students to take classes at the old buildings at Fairview.

Vancouver Boy Wins Scholarship

Alan James McDonald, former student of the Lord Byng High School, Point Grey, has been awarded the I.O.D.E. war memorial scholarship and bursary of \$1200 for 1925, according to word received Tuesday from Victoria.

Mr. McDonald is the son of the late Lieut. James McDonald, M.C., who was killed in 1918 at Drocourt Queant Switch while serving with his regiment of Seaforth Highlanders.

The bursary will be paid in four yearly instalments of \$300 and is tenable for the University of British Columbia work.

Other students who have won this bursary have been carrying on successful post graduate work having won fellowships from United States colleges since their graduation.

John Leslie Huggett, M.A.Sc., winner of the Lieut. Governor W. C. Nichol Scholarship for post graduate studies in France, will leave shortly to take up his residence in Europe. He was recently entertained by the Lieutenant Governor at the Hotel Vancouver where he was also presented with a gold medal. In thanking the Lieutenant Governor Mr. Huggett praised his parents for making provisions that had allowed him to carry on his university work here.

Preparation for increased courses
at the summer session of the University of B. C. for next year were made at a meeting of the students of the summer session Thursday, when they adopted the recommendations of the committee appointed at the beginning of the session to investigate the desired work of the summer school.

The students wish a further extension of the commercial departments so that the teachers who wish to enter that branch of high school work may have a thorough training.

ADVANCE WORK ASKED

They also expressed a wish for closer co-operation between the University and the Department of Education in an effort to bring the Summer School for teachers at Victoria under the same administration and in the same buildings as the University's summer session.

Teaching of sociology was stressed in the resolution that will be forwarded to the University officials. It was also asked that advanced courses be added to the summer school curriculum which now contains work of only the two first college years.

Physical education credits were also asked, while many of the needs of the teachers in British Columbia, as outlined in the educational survey report, were mentioned.

SESSION CLOSED

The summer school students are mostly teachers of the province who take this means of adding to their scholastic standing by taking University work during the summer vacations.

The last social affair of the session will be held tonight at 6.30 o'clock at the Ambassador Cafe, where the re-union and banquet will take place. Dr. L. S. Klinck, president of the University, and Dean H. T. J. Coleman, director of the summer session, will be speakers.

PT. GREY BOY IS AWARDED \$1200 BURSARY

Alan James McDonald, Lord Byng High School, Winner

VICTORIA, Aug. 18.—Alan Jas. McDonald of the Lord Byng high school, Point Grey, is the winner of the I.O.D.E. war memorial bursary for 1925. Announcement to this effect was made this morning by the committee of selection.

The bursary is of the total value of \$1200, paid in four yearly installments of \$300, and is tenable at the University of British Columbia. It is awarded annually under the scheme which was designed for the education of the sons and daughters of men who paid the supreme sacrifice or were totally disabled overseas.

Alan James McDonald is the son of the late Lieut. James McDonald, M.C., who went overseas with the 72nd Seaforth Highlanders, and was killed at Drocourt Queant Switch in 1918. The boy is one of three brothers, all of whom have applied for the bursary. One applied last year but failed in his application, and two made application this year, Alan being the successful appellant.

Young Brand, who won the first bursary awarded in this province in 1920, has made splendid progress in his studies, and is at present taking a post graduate course in the University of Washington on a scholarship which he won recently. Kathleen Dodds, another holder, recently won a scholarship in a California university, and had the distinction of being the first girl ever to win this particular honor.

Mr. Fee will leave for England tonight.

He graduated from the University of B. C. last spring and was runner-up for the Governor-General's gold medal.

Having taken a keen interest in all University affairs he was considered one of the finest leaders of students at the college last year.

During the student campaign he secured the largest number of signatures to the petition presented to the Provincial Government and held several offices besides being a consistent scholarship winner.

E.S. Sun. 16.9.25 Miss S. McGuire And Mr. Lewis Are Wed Quietly

A WEDDING of more than usual interest in University circles was solemnized at 9 o'clock this morning, when Stella, elder daughter of Dr. and Mrs. G. A. McGuire, Yukon Street, was united in marriage to Mr. Lewis Hunter Campbell Lewis, son of Reverend and Mrs. J. G. Lewis, Dunbar Street, at the home of the bride's parents. The ceremony was performed by the father of the groom, assisted by Reverend A. E. Mitchell.

Amid a setting of massed seasonal autumn blooms and tinted maple leaves the bride was given in marriage by her father, and was attired in a chic costume fashioned of beige crepe-back satin in the prevailing mode with chapeau to match. Dainty flowers in autumn tints constituted her bouquet. Neither bride nor groom was attended.

Following the wedding ceremony, immediate relatives were guests at the wedding breakfast. Later the young couple left on their honeymoon, spending several days in the Olympic Mountains.

They will reside in Seattle, where Mr. Lewis has an appointment in the English Department at the University of Washington. Both principals hold their Master of Arts degrees from the University of British Columbia.

STUDENTS TO FORM COURT

U.B.C. Offenders May Be Tried for Offenses

UNIVERSITY OF B. C., Sept. 24.—Among the innovations likely to enter the student life at the University, Point Grey, will be a student court, plans for which are being made by the Faculty Committee on Student Affairs and the Students' Council.

The plans suggested include a system of policing the grounds and punishing offenses of members of the student body who break the University or student regulations.

MAY FORM COURT

A court for trying accused students will likely be inaugurated, while minor offenses will come within the jurisdiction of the court executives. Counsel will be chosen from among the students.

The activities were commenced in student affairs today when a special issue of The Ubysey was published.

Two vacancies on the Students' Council will be filled October 2 when the students will choose a new treasurer and a president for the Men's Athletic Association. Nominations will be received until noon Friday.

OFFICERS RESIGN

Lloyd Johnson, elected treasurer this spring, has gone to England to study, while pressure of other work has caused Eric Heustis to tender his resignation as head of the men in athletics.

A membership drive will be started at once for the Musical Society, while reporters for the college paper will be chosen next week. Arrangements are being made for the publishing of a handbook.

Accommodation in the library has been limited by the non-arrival of part of the equipment and books will not be loaned in large numbers until October.

Invitations for the official dedication of the college buildings October 16 have been issued by the Board of Governors and Senate.

STUDENTS WILL RUN OWN COFFEE STAND

Funds for the Development Campaign are being raised by the seniors of the University. Arts '26 are taking the aggressive, and the latest addition to their business section is a coffee stand, rough but ready.

Today at noon the hustlers will open doors, and henceforth real home-brewed coffee, piping hot, will be served to swill down the spicy 'hot dogs.' Pop is all very well, but the new brew will go one better.

The students have shown ingenuity and industry, and are doing the University a real good turn, for, in addition to the convenience to the students, their efforts are bringing in much needed funds for the Development Campaign.

Johnnie Grace and Bert Wales, president and secretary of the class, are conducting the movement, and doing a rushing business.

UBYSSEY APPOINT FIFTEEN REPORTERS

UNIVERSITY OF BRITISH COLUMBIA, Sept. 29.—Fifteen reporters have been selected for the staff of the Ubysey, organ of the University of British Columbia, from participants in the reporters contest held recently.

Doris Crompton, George Vincent, Ross Tolmie, George Davidson, Mary George, Clifford Brown, Kathleen Baird, Jessie Mennie, G. L. Phillips, N. Gold, H. Grantham, Florence Cassidy, May Christtison, F. C. Pilkington and Paul Murphy are the reporters. The following have been appointed on probation: E. H. Ewart, Gerald Stevens, D. Palmer, J. B. McLean, A. Madley, A. B. Parr and M. Cameron.

STUDENTS NAME 2 COUNCIL MEMBERS

UNIVERSITY OF B. C., Sept. 24.—Fred Guernsey and Gordon Abernethy were appointed to the Students' Council of the University today by acclamation.

Mr. Guernsey, a student of Applied Science, was chosen as president of the Men's Athletic Association.

Gordon Abernethy, also of Applied Science, was chosen as treasurer.

U.B.C. Graduate Gets Appointment

WILLARD A. THOMPSON, B.A.

AFTER graduating from the University of B. C. in 1923, Willard A. Thompson has been carrying on actuarial studies and has brought credit to the University by his recent appointment to a position in this department of the New York Life Insurance Company at its New York office.

During his four years at college he specialized in mathematics and economics and was well known in student circles. He is the youngest member of the Actuarial Society of America and will now be serving under the dean of that society, Arthur Hunter, chief actuary of the New York Life. He lives at 54 Twelfth Avenue West.

U.B.C. BOXERS START TRAINING

Preliminary plans for U. B. C. boxers were arranged Friday at the first meeting of the club. Arrangements will be made for bouts with University of Washington, James Bay Athletic Club of Victoria and several local clubs. University of Alberta boxers will likely enter into competition with B. C. men. James Morgan of the Vancouver Police Force will act as coach.

U.B.C. Classmen Must Don Gowns

UNIVERSITY OF BRITISH COLUMBIA, Sept. 30.—Compulsory wearing of gowns by members of the Senior Arts year of the University of British Columbia has been decided upon by a meeting of the executive of Arts '26.

Class fees were set at \$10 and a valedictory gift of \$750 was voted.

VARSITY TENNIS PLAY UNDER WAY

Varsity tennis tournament reached the second round yesterday and the competition in both the men's and women's events is very keen. Unlike former years, the outstanding stars are absent from the college or unable to play.

Arts '27 have given a permanent challenge cup for the women's single event, and this has increased the entry list for this event.

U.B.C. ARTS '21 ELECTS 2 OFFICERS

UNIVERSITY OF BRITISH COLUMBIA, Sept. 30.—Jean Gilley and Katherine Reid are new members of the Executive of Arts '27, having been elected vice president and women's athletic representative respectively.

A hike, the first of these functions at the University this year, will be held October 17.

U.B.C. Ruggers Training to Meet Puget Sound Team From Tacoma

CANADIAN ruggers at the University are getting down to serious training for the coming battle with the fast College of Puget Sound team from Tacoma at Athletic Park October 10. The boys realize fully their responsibilities in this game, which will be played under strange rules. The American team could not find anyone familiar with the Canadian code, and could not accept the U. B. C. proposal that the game be played with U. S. rules in the first half and Canadian in the second. The latter arrangement has been successfully concluded with University of Washington for the contest here October 31.

The Tacoma team, although admittedly light, is said to be fast, and in a game Saturday with the heavy U.S.S. Oklahoma team, held the sallyors down to a lonely field goal. Against the Puget Sound speed and experience, Varsity will throw a team that will average around 180 pounds per man.

Several of these have had one or two years work at the grid game, while the rest are well known rugby and basket ball men. From last year's team there are Morris, Noble, McPhee, Hall, Brennon and White, linemen, while in the back field there are Anderson, Seed and Bates. Bates will probably alternate from centre-half to the line, while a Harold Mahon and "Bull" Newby, both husky and fast, are halfback prospects.

Practices are being held daily at 7 a.m. and 3:15 p.m., with "chalk talks" at noon. The club will hold its big rally Tuesday, when plans for the season will be discussed and material for the senior, intermediate, freshmen and junior teams lined up.

Varsity to Talk Rugby Prospects

Meeting Tuesday on Programme for Season; Women Plan Activities

M. Sun. 2/9/25
RUGBY players of the University of B.C. will decide whether or not they will enter two Miller cup teams in the City League this year at their initial meeting to be held Thursday in the new college buildings.

Although they have prospects for some fine material the leaders in this sport are anxious to maintain a high standard in the sport and will place their second-rate men in the intermediate divisions.

Jim Scott, old-time rugby player of the city, will again take the boys in hand, he announced some time ago, Johnny McLean has been looking after the interests of the men during the summer.

Arrangements for the entering of teams into provincial and city competition will be discussed along with the possibilities of outside games.

Delegates of the B.C. and Vancouver Rugby Unions will be chosen at the meeting along with a captain and vice-captain for the first team. The students will also select a trainer for the teams.

The playing field at the U.B.C. will not be ready this fall and the teams will discuss the problem of grounds and transportation of the men for practices.

WOMEN PLAN PLAY

Women of the University will commence their sports activities this week, it was announced by Flora Musgrave, president of the Women's Athletic Association. Teams will be organized in the various branches of sport and the co-eds have promised to enter track and field events in large numbers this year.

The Arts '25 relay race will again be a feature for the inter-class competition while basketball and hockey will form the chief organized athletics.

Tennis arrangements are being made along with badminton and it is expected that the co-eds will have strong competition in these two college activities.

Jean Gilley, president of the Basketball Club, has called a meeting of enthusiasts for Tuesday when the organization work will be commenced. The women have several of their former players with them this season and expect to carry off high honors.

COLLEGIANS TO START TENNIS TOURNAMENT SOON

M. Sun. 28/9/25
Entries for the University tennis tournament are being received by those in charge of the annual competition. Keenly contested sets are promised, although winners of former years will not be entered.

Freshmen stars from Arts '29 have already signified their intention of representing their class.

Marjorie Leeming, winner of the championship in the Canadian tennis tournament, has stated that she will not enter the University contests, as she is still suffering with a sore arm.

The tournament will be held at the West Point Grey Tennis Club courts at Fourth and Sasamat.

VARSITY GRASS HOCKEY PLAYERS ARE LINING UP

Grass hockey prospects at Varsity are very bright according to Harry Warren, president of the Men's Grass Hockey Club.

Although very few of the former team are back, a large number of promising new players have been turning out for the preliminary practices.

Charles Wainman has been chosen captain of this year's squad while Bill Masterson is manager. C. A. Collins, star of the Vancouver Rep team, will act as coach.

Although difficulty is being experienced in finding grounds, a practice has been announced for Wednesday.

CO-EDS TO HAVE STRONG TEAM IN HOOP LEAGUE

Co-ed basket ball players of the University will have all of last year's Senior A team when they enter the Senior City League this season, according to Ron Gordon.

A large turnout of players at the Normal gym Monday night also included a number of promising freshettes and many of last year's second-string teams.

First team players who represented Varsity last year and who have returned to the college this session are: Doris Shorney, Isabel Russell, Marjorie Bell, Katherine Reid, Jean Wilkinson, Flora Musgrave, Jean Gilley, Gay Swenciski, Winnona Straight. *E. Sun. 29.9.25*

VARSITY RUGGERS CHOSEN TODAY

M. Sun. 1/10/25
Varsity Canadian rugby team will be chosen today for the opening game against Native Sons of Canada Saturday, when the season will start at King Edward High School Grounds.

The men will be chosen following two practices on the temporary playing field at the college grounds. Tickets for the game with the College of Puget Sound and University of Washington will be on sale today at the University. These tickets may be used for either game.

Varsity Will Not Take Part in Meet

CLOVERDALE, Oct. 5.—K. Capel has been appointed by the Surrey School Board to teach division 5 at the Surrey High School. Mr. Capel is able to teach agriculture as well as other subjects, and was very highly recommended for the position by Dean Clements of the U. B. C. His salary will be \$1200 per annum.

U.B.C. SENIORS ELECT OFFICERS

m. Sun 9.10.25
**George Ledingham Named
Marshal; Class Gift
Will Be \$440**

UNIVERSITY OF B.C., Oct. 8.—Three classes of the University held general meetings today. Science '29 elected the following officers: Honorary president, Prof. W. E. Duckering; president, Al Jagger; vice president, Jack McKay; secretary, Harold Ireland; treasurer, Harold Blackett; athletic representative, Arnold Henderson; class reporter, Burt Carpenter. All are members of last year's class of Arts '28 or '27.

DELEGATES NAMED

Arts '29 named W. Weeks temporary manager. The class will be represented at the coming assembly by the presentation of a play, the committee in charge of this being K. Stewart, H. Ingram, Miss Madeley, B. Killan, Miss B. Mattheson, the Class Secretary, and G. Stevens, president.

The seniors held a stormy session, chief interest being centered in the discussion of the Valedictory gift. John Grace, the president, carried the day, and Arts '26 will give a gift of \$400, together with a book gift of \$40.00. The appropriation has been left for further discussion. Class fees will be \$10.

The graduation ceremonies will include a banquet, a field day, and a picnic, probably to Bowen Island. There will be two class parties, the first to be held early in November, probably Nov. 4.

HIKE ABANDONED

There will be no class hike. George Ledingham was elected class marshal, and Frank Potter athletic representative. Gowns will not be compulsory, but the executive urges that all members wear them.

Friday noon the first Pep meeting will be held in the Auditorium, with a student jazz orchestra in attendance. The class of Arts '28 meets Monday.

Ralph Ball heads the Chemistry Society this year.

Students Unable To Use Library

UNIVERSITY OF B. C., Oct. 5.—The University Library will be fully equipped to accommodate the demands of all students by the end of the month, according to John Ridington, librarian.

The Library was officially opened Sept. 22, with the rest of the University buildings, and, like most of them, is still lacking in essential equipment.

During the summer all the books were removed from the Fairview quarters, and every volume was placed and checked. The staff had done its work.

But at the beginning of the new session the furniture and equipment had not arrived. This is being supplied by the Provincial Government, and the requisition was submitted five months ago. There was not a peg on which to hang a hat or coat, not a chair or table available for study purposes.

The staff has done its best by rushing in all the discarded chairs and tables from the old quarters, but as yet there is no real accommodation for students.

The chairs are being made in Preston, Ontario. The first lot was shipped Thursday, and will arrive in about two weeks. Meanwhile 960 chairs have been hired and will be delivered today. A temporary system of reference shelves has been arranged, and on Monday there will be at least one room really ready for study.

Students to Stage French Drama

Sun UNIVERSITY OF BRITISH COLUMBIA, Oct. 5.—A series of French plays will be staged this year by members of the University club, "La Canadienne."

The committee appointed to supervise the presentation of these plays consists of Mr. De Lavault, Miss Islay McLarty, Mr. Leslie Hardie, and Mr. D'Arcy Marsh. Arrangements are under way for a "soiree" with the members of "La Causeurle," the other French club.

La Canadienne meets next Oct. 15th, at the home of Miss McLarty.

JIMMY SMITH CLASS PRESIDENT

m. Sun UNIVERSITY OF B. C., Oct. 9.—Jimmy Smith was elected president of the class of Education '28, at the meeting held today. Three other members of last year's graduating class were also chosen, viz: Miss Daris Shorney, vice president; Elsie Rikerce, secretary, and Mr. E. Chapman, treasurer. 3.10.25

MELLISH HEAD MATHEMATICS CLUB

m. Sun UNIVERSITY OF B.C., Oct. 2.—An unusually large attendance marked the meeting of the Mathematics Club. Officers were elected as follows: Honorary president, Dr. Buchannan; president, A. P. Mellish; secretary, Miss E. Tighe; vice president, H. Smith. 3.10.25

Meetings will be held every second Thursday. A series of papers will be read, including, Oct. 22, Astrology, Miss Tighe; Nov. 5, Intelligence Tests, E. Forster; Nov. 19, (to be selected,) H. Smith.

For the final meeting of the term, the committee is arranging to have a member of the faculty speak. In the spring term, Walter Gage, B.A., will speak.

U.B.C. ATHLETE SUCCUMBS FROM TYPHOID FEVER

m. Sun Sydney Arnold, only son of Mrs. W. I. Turnbull, died on Thursday night, a victim of typhoid fever contracted during a visit to the Interior. 3.10.25

Young Arnold, who was just 18, had been prominent in athletics on the North Shore and with the U. B. C. basketball team. He was regarded as a very promising player, making th Varsity second team his first semester. He played basket ball and rugby with the North Vancouver High School teams and was the only son of his mother, who was Mrs. S. C. Arnold until her marriage to W. I. (Long Bill), of lacrosse fame, several years ago.

The funeral will be from the family residence, Thirteenth and Moody, North Vancouver, this afternoon at 3 o'clock.

U.B.C. REGULATIONS TO BE ENFORCED

UNIVERSITY OF BRITISH COLUMBIA, Oct. 7.—That all regulations of the Students' Council will be stringently enforced was the keynote of the president of the Alma Mater Society's speech at the general meeting today.

T. G. Wilkinson spent some time in assuring the students that the officials of the University and of the society were solidly behind the new Students' Court.

Tommy Taylor, president of the Arts Men's Undergraduate Society, outlined the policy regarding social functions. *m. Sun* 8.10.25

STUDENTS TO GET REDUCED FARES

UNIVERSITY OF BRITISH COLUMBIA, Oct. 7.—Students from North Vancouver attending the University will have a special rate on B. C. Electric lines. The new system will provide for tickets at the same rate as for South Vancouver students, 10 for \$1, and will carry passengers from the North Shore to the terminus of the bus line.

The change is the result of communication of students with officials, and will be in operation this week.

VARSIITY WILL USE INELIGIBLE PLAYERS TODAY

m. Sun Varsity soccer players journey to Nanaimo today for their initial appearance in the Pacific Coast League at the Coal City. 3.10.25

The U. B. C. boys were not decided at first whether they would make the trip because both Bill Phillips and Lorimer Baker are ineligible to play due to the lateness of their registration with the football body. But as they are behind in their schedule now they intend to play. Nanaimo is in the position to protest the game if they wish.

Mosher will start in goal for the Blue and Gold squad with Crute and Baker as backs. G. Ledingham, Phillips and Buckley will play as halves with Manning, Newcombe, Butler, Cameron and Wilkinson on the forward line. 3.10.25

LEWIS ADDRESSES LETTERS CLUB

m. Sun UNIVERSITY OF B.C., Oct. 5.—Franklin Levirs read the first paper to the Letters Club of the University tonight, his subject being "Suderman." An interesting programme of papers has been arranged for the bi-weekly meetings. This year former members of the Club will be welcomed. 7.10.25

Speakers include: Mr Levirs, Miss M Smith, Miss A. Moffat, R. Norman, Miss I. Bailey, G. Vincent, Miss M. Jackson, E. Morrison, Miss M. Esler, Miss U. Hqway, Miss W. Leach, and K. Lambe.

Students Rounding To Form

Varsity Canadian Rugby Squad Training Steadily for Stiff Games

Encouraging pre-season form is being shown by several of the first string candidates on the U.B.C. Canadian Rugby squad in the stiff daily work-outs now being held at the point. Earl Brennan, substitute halfback on the 1924 team, appears as a contender for outside wing or backfield positions, his speed and accuracy having improved greatly.

"Tiny" Noble, husky middle wing, is also showing dash in line play, and is training hard while Morris, light but rugged outside wing, is setting the pace for the whole squad in getting into condition for the forthcoming tussle with College of Puget Sound.

Among the new men turning out, much is expected of Harold Mahon, brother of Bill, of Rugby fame. Harold has the speed, size, and handling ability needed in the game, and seems determined to catch a place on the team. Another hefty recruit is Cecil Newby, 190 pound basketer. He is being used in the backfield at present, in the hope that he will be able to duplicate the record of Bates at centre-half last year.

General satisfaction is being expressed on the appearance of McMillan, last year's snapperback, at Wednesday's practice. Mack proved a reliable performer throughout the season, and his return will help the coaches much in selecting the team.

U.B.C. CLUB MEN SELECT MEMBERS

UNIVERSITY OF B.C., Oct. 5.—Names of the successful applicants for membership in the International Club were announced today. This society is formed of University students, but is not associated with the University. The aim is to have each nationality attending the college represented, the membership being limited to 20.

The membership includes: Greta Mather, Esther Dicnman, M. K. Jean Tolmie, Milla Slihan, Rosa A. M. Marin, Olioia Cushates, Eric Dunn, Jeremeja Singh Sangha, Sylvia Thrupp, Marjoul Goldi, C. Islay Johnson, Chryo Nishewato, Mayn Icanoff, Fred H. Markava, Joe Kania, Moore Wharen, Sasumu Kobe and Ajab Singh Sangha.

The society will hold its first business meeting Friday.

STUDENTS FACE ROYALS MINUS STAR PLAYER

Varsity will tackle Westminster United at Queen's Park this afternoon without the aid of Phillips laid up with a sprained ankle. The students have not yet named the actual eleven to face the Royals but will select from the following: Mosher, Crute, Baker, Ledingham, Crees, Manning, Cameron, Butler, Newcombe, T. Wilkinson, J. Wilkinson and Buckley. The game begins at 8 o'clock.

U.B.C. CLASS HOLDS FIRST PEP MEET

Arts '28 Stages Rally to Stir Interest in College Affairs

UNIVERSITY OF BRITISH COLUMBIA, Oct. 9.—Arts '28 was sponsor of the first Pep meeting of the year, held today in the auditorium. The first intercollegiate football game, to be staged Saturday at Athletic Park, was the raison d'être.

Elon Bebb, president of the class, was in the chair, with a jazz orchestra from the class in attendance.

Brick McLeod led the audience in the college yells, and introduced Tommy Berto, the new yell king, who put the meeting through several more yells.

Fred Guernsey, president of the Men's Athletic Association, outlined the various sport activities, and asked the co-operation of the student body.

Lever Bates, head of the Canadian Rugby Club, told the meeting about the team, and Harry Sead, the captain, spoke. Bill Rose, the coach, said his men were as good as those of any other college, but were raw. He remarked upon the lack of training equipment, and the fact that lectures do not permit the squad to get a workout daily.

Tommy Wilkinson, president of the Alma Mater Society, lamented the lack of spirit of U.B.C. and spoke concerning discipline.

Next Thursday night, in connection with the inauguration ceremonies, the auditorium will be thrown open to the students for a night's enjoyment.

LITERARY SOCIETY PLANS BIG YEAR

Several Colleges Seek For- ensic Contests With U.B.C. Debaters

UNIVERSITY OF B. C., Oct. 13.—Varsity debaters are due for a record year, according to Eric Dunn, president of the Men's Literary Society.

Several colleges have made application for contests with the University, and when the selections have been made the executive will have an attractive programme.

The colleges looking forward to meeting the University include Oregon, Southern California, Idaho, Women of the College of Puget Sound, the Triangle Debating Club (an affiliation of the universities of Alberta, Saskatchewan and Manitoba) and others. The Imperial Debate, the

bi-gevent of the year, will take place on March 2.

This year the officials have revised their method of selecting debaters and instead of choosing the men individually for each debate, the debates will be held at one of the meetings. The entire membership will have an opportunity to vote for a membership of 51; a selection of 18 will be made, and these men will form the material for all the debates and will be assigned roles at once.

Clifford H. Brown of Arts '28 has been appointed assistant debates manager.

Election of officers of the Students' Christian movement will be held Wednesday afternoon.

Varsity Has Football Material

Three New Coaches to Teach Students the American Game

VARSITY has the material for a good Coast Conference American football team, according to Dr. Gordon Burke, former California football star, in an address to the players yesterday.

He said he was much impressed by the natural ability of the men in Saturday's game but that they had a lot to learn about the forward pass and running interference in order to meet American colleges in successful competition.

He volunteered his services every morning from 7:30 to 8:30 to aid the men acquire the fine points of the game. Louis Deither, former Washington star and protege of the famous Gil Doble has volunteered his services every afternoon and he will work in conjunction with Stuff McInroe, University of Washington backfield star of 1923.

With this array of coaches, the U.B.C. men should do better when they meet University of Washington Freshmen on October 31. The game will be played the first half American and the second half Canadian rules.

VARSITY GRADS PUT ON FIRST STUDENT SHOW

E.S. Sun. 16.10.25

Building Is Crowded to Overflowing for Their Concert

UNIVERSITY OF BRITISH COLUMBIA, Oct. 16.—Alumni and undergraduates of the University of British Columbia held their first meeting last night when they put on an entertainment in the new auditorium in connection with the inauguration ceremonies.

The building was crowded to overflowing during the concert, many of the former students of Fairview taking the opportunity of linking up their college years with the new home.

Part of the entertainment was supplied by the student body while the men and women of the Alumni association were also hosts during the evening.

Prominent among the old timers was Art Lord, who was in the chair. The whole affair was run off in splendid style, the large audience being in a fine spirit.

SHADOW PLAY FEATURES

Two shadow plays featured. The first was a tragi-comedy, "Mary Jane", the weird shadows gaining rounds of applause. Before the curtain rose, Brick McLeod led the crowd in some spirited yells.

Miss Metz charmed the assembly with an encored violin solo. Her technique was perfect. The Freshmen opened with a female sextette of chorus and jazz, the Ukulele Ladies; and Jack Ross wheeled in the corpse of the sophomores. Miss Greta Ripstein sang two solos.

Tommy Taylor, president of the Arts Men's Undergraduate Society, took the floor and spoke briefly of the history of the university in the last few years. He called on Art Lord, a member of the first Students' Council, and an attendant at every subsequent one, to speak. Ab. Richards, president of the Alma Mater Society in the campaign year, praised the spirit shown by the students while he was connected with the movement.

WE ARE SEVEN

The alumni then acted a well conceived skit, the modern version of "We Are Seven," which drew a great hand. Then a mixed quartette gave three selections, and Alec Maxwell led the crowd in college songs. Frank Potter was carried up to the stage, and forced to assist the songleader.

The last act was probably the best of the card. It was the presentation of "Pyramus and Thisbe," from the Midsummer Night's Dream.

Taking the evening as a whole, the standard was well above the average of such functions, and the audience was in an especially good humor during the entire affair.

Reception to Students

The Young People's Department of the Mount Pleasant United (Methodist) Church will hold a reception for University and Normal students on Monday evening, October 12. A musical and miscellaneous programme of songs, stunts and other features, with refreshments, has been prepared.

Varsity Defeats Saints

m-Sun

Students Down Scotsmen in Coast Soccer League Battle 3-1

Westminster United Accounts for North Shore at Royal City

VARSITY downed St. Andrews 3-1 in a Pacific Coast Soccer League game at Athletic Park on Saturday. Saints presented a strange lineup with Greig at inside right and Watson at centre forward. All the goals were got in the last half.

Manning scored Varsity's first goal from a rebound after Wilkinson had hit the cross bar. Rex Cameron obtained a second from a scrimmage. Then Turner scored for St. Andrews from a cross by Fred Wilson, but before the close Wilkinson obtained Varsity's third goal, following a corner kick, well placed by Cameron.

Easton from Moose Jaw was at outside left for St. Andrews and shaped fairly well. Both goalies played good and could not be blamed for the goals. Crute and Baker for Varsity were the better backs of the four, Linn not being up to form, while Edmonds' kicking was not as good as usual. Buckley was the pick of the Varsity halves. Varsity forwards all played well.

Westminster United beat North Shore United 3-1 at Queens Park. The Royals led at half time 1-0, Cowie scoring from a pass by Waytes. Early in the second half Waytes gave Kerr a nice pass to score a second goal. Then Rae got through for North Shore, but Taylor converted a penalty before the close and regained a two-goal advantage for Westminster.

Referee Marshall handled the game well. The Royals' left wing, Kerr and Waytes, was in good form; while Cowie and Anderson also did well. Rae and Kelton were the best for North Shore.

Mayor Annandale presented the D. F. A. souvenir of the tour to Australia to George Anderson of Westminster.

VARSITY RUGGERS TO SEE STRUGGLE AT SOUND CITY

Darwin Melsness, student manager of athletics at the University of Washington, demonstrated the cooperation that exists between that college and the University of British Columbia when the forwarded complimentary tickets on Saturday to the local Canadian Rugby men for the Washington-Stanford gridiron struggle.

The U.B.C. has accepted the generous offer and will motor down to Seattle for the game on Thanksgiving Day, November 7. More than 40,000 attended the Big Conference game last year and seats are already at a premium in the Sound City.

Sorority Bridge on Saturday to Aid Women's Fund

Theta Epsilon Sorority of the U.B.C. is entertaining at a bridge at the Ambassador on Saturday afternoon, the proceeds to be devoted to the Women's Union Building Fund of the University. Miss Muriel Munro is in charge of arrangements for the affair and homemade candy in attractive containers is being sold by Miss Mary Anderson and Miss Helen Matthews. Some of those who are making up tables are Mrs. Sidney Anderson, Mrs. Benny Crann, Mrs. Douglas Roe, Mrs. Stewart Connolly, Miss Izeyle Aconley, Miss Dorothy Brenchley, Miss Rowena Gross, Miss Dorothy Hopper, Miss Muriel Munro, Miss Rena McRae, Miss Janet McTavish, Miss Irene Stewart, Miss Helen Turpin, Miss Nellie Wilkinson, Miss Helen Matthews, Miss Marion Bullock-Webster, Miss Marjorie Wilkinson, Miss Freda Edgett, Miss Ruth and Miss Mildred Teeple, Miss Edna Pettapiece, Miss Jean Graham, Miss Margaret Keillor, Miss Isobel McTavish, Miss Ilva Avel, Miss Lenora Irwin, Miss Esther King, Miss Virginia Eaton, Miss Mary Anderson, Miss Florence and Miss Pauline Creelman and Miss Margaret Tisdall.

STUDENTS FACE ROYALS MINUS STAR PLAYER

Varsity will tackle Westminster United at Queen's Park this afternoon without the aid of Phillips laid up with a sprained ankle. The students have not yet named the actual eleven to face the Royals but will select from the following: Mosher, Crute, Baker, Ledingham, Crees, Manning, Cameron, Butler, Newcombe, T. Wilkinson, J. Wilkinson and Buckley. The game begins at 3 o'clock.

VARSITY TRACK MEET WILL BE HELD IN MARCH

Varsity's annual track meet will be held early in March in order that the athletes can train for the Arts '20 relay and the interfaculty event at the same time, it was announced at a meeting of track men Thursday. U.B.C. men were disappointed that they could not send a team to Winnipeg this fall, but it is felt that a strong team can be sent next year after the contests next spring, which should bring out much new material.

Arrangements are under way to hold an annual Freshman-Sophomore relay prior to the Arts '20 event, as it is felt that since keen competition exists between these two years, an annual event would be welcomed by both.

John Currie, former High School sprint star, was elected vice president, and Frank Elliot, Arts '27 middle distance ace, secretary.

VARSITY RUGGER TEAMS

Varsity English rugby squads selected for today's games are: U. B. C.—White, Pottinger, Kidd, Brock, Doidge, Bain, Sparks, McBeil, Lamont, Abernethy, Willis, Taylor, Loudon, Farrish, McInnis. Varsity.—Forester, Pradolini, Buck, Gordon, Gauthier, Turpin, McMillan, McLean, Guyther, Kelly, Casselman, Gustafson, Eaton, McKay and Logan.

Rowing Course for Varsity at Mouth Of Fraser Planned

E.Sun 15.10.25

Excellent Facilities; Dominion Government Will Be Asked to Assist

Offer of Two-Oared Shells From Washington University Accepted

DEVELOPMENT of one of the finest rowing courses in Canada or United States is being planned by the Rowing Club of the University of British Columbia, it was learned Thursday at the institution when the University rowers held their first meeting of the year.

The site of the proposed waterway is at Point Grey, near the mouth of the Fraser River. It is more than three miles long, and the shallow water will be a boon to the scullers.

It has an advantage of being on both sides of a government breakwater and the students will be able to use the inner course during rough weather.

Dominion Government officials are being asked to supply funds for a pier to the deeper water on the outside of the protecting barrier.

Students are making plans for the erection of a fine boathouse to harbor their shells, a landing pier and float. When they were at the University of Washington regatta this spring the Seattle boys offered the local students the use of two of their eight-oared shells. The students decided Thursday to accept the offer and expect the boats here before Christmas.

They plan to start their season immediately after the New Year in preparation for the Washington regatta in April.

Excellent material has been found by the scouts this year and the students expect to make a good showing. Frank Adams, Pacific Coast singles sculling champion, will be out with the collegians.

Historical Club Of University Holds Meeting

A very interesting meeting of the Historical Society of the University of B. C. was held last evening at the home of F. H. Soward, 1475 Tolmie St. This was the first regular meeting of the fifth anniversary of the club. Among the guests of the evening were Mr. Hugh Keenleyside, the society's first president, and Mrs. Keenleyside, who read the first paper ever given at the society, five years ago.

The topic of discussion last evening was the Interpretation of History. Mr. Murray Hunter gave a careful exposition of the importance of Economic History in man's life; Miss Marion Mitchell pointed out that geographical factors are of the utmost importance in historical development; while Mr. Turnbull outlined the Racial Interpretation of History.

After the papers had been read, a lively discussion, led by Miss Honor Kidd ensued until refreshments were served.

STRINGENT RULES EVOKE PROTEST

M.Sun 12.10.25

U.B.C. Students Object to Rules Laid Down by Council

UNIVERSITY OF BRITISH COLUMBIA, Oct. 11.—Arts '27 have gone on record as objecting to the stringent regulations of the Students' Council concerning social functions and the limiting of class fees. The recent meeting of the class centered its discussion on these points, and in all probability the Council will discuss the matter shortly, and the Sophomores will meet again when their views are known.

The Women's Literary Society will be another of the closed societies of the University, following the decision of the meeting this week to limit the membership. Accordingly applications are being received by the Secretary, Miss M. Smith, to Oct. 12.

At the last meeting Mrs. A. F. B. Clark talked of her visit to Southern France in the spring. She will again lead the Public Speaking class. Miss Evelyn Story, first president of the club, was present and related the early history of the society. The meeting drew up a programme for the year.

The Biological Discussion Club is also receiving applications for membership from third and fourth year students. Officers of the club are: Honorary President, Dr. C. McLean Fraser; President, Mildred Campbell; Vice-President, Fred Sparks; Secretary-Treasurer, Margaret Keilor.

Miss Morrison Is Hostess Saturday At 'College Tea'

M.Sun 14.10.25

ONE OF the most charming events in university circles given this fall was the tea on Saturday afternoon for which Miss Louise Morrison was hostess at her home on Matthews Avenue.

Mrs. Aulay Morrison and Mrs. J. N. Ellis presided at the tea urns and Miss Grieg cut the ices.

Miss Morrison's guests were: Mrs. J. N. Ellis, Dr. Isobel McInnes, Miss Grieg, Miss Woodworth, Miss Jefferd, Mrs. F. G. C. Wood, Mrs. Jack McDougall, Mrs. Harry Winch, Mrs. Keith Shaw, Mrs. Percy Southcott, Miss Isobel Harvey, Miss Hermine Bottger, Miss Gwen Robson, Miss Bernie Bain, Miss Bonnie Gill, Miss Madge Gill, Miss Isobel McKinnon, Miss Myrtle Kilpatrick, Miss Gwynn Lewis, Miss Kirsteen Leveson, Miss Alice Walter, Miss Eloise Angell, Miss Sallee Murphy, Miss Margaret Murphy, Miss Peggy Maccaulay, Miss Nellie Wilkinson, Miss Margery Wilkinson, Miss Mary Swanson, Miss Dorothy Dallas, Miss Dorothy Somerset, Miss Betty Somerset, Miss Helen Bennett, Miss Frances Bennett, Miss Isobel Russell, Miss Gertrude McInnes, Miss Jessie Adams, Miss Louise Adams, Miss Bice Clegg, Miss Mary McKee, Miss Honor Kidd, Miss Mary McKay, Miss Ruth Fraser, Miss Esther King, Miss Kathleen Allen, Miss Betty Killam, Miss Jean Couchard, Miss Margaret Craig, Miss Undine Howay, Miss Dorothy MacKay, Miss Oenone Baillie, Miss Wanetta Leach, Miss Kathleen Farris, Miss Marion Bullock-Webster, Miss Beth Tingley, Miss Madge Rankin, Miss Thompson, Miss Barbara Stirling, Miss Alfreda Berkeley, Miss Avis Pumphrey.

STUDENTS HEAR WINCHESTER HEAD

M.S. 14.10.25

Dr. M. J. Rendall Delivers Two Addresses to U.B.C. Classmen

UNIVERSITY OF B. C., Oct. 13.—Dr. M. J. Rendall, headmaster of Winchester College, addressed two meetings of students at the University today.

Speaking in the morning, Dr. Rendall emphasized the importance of the social side of a teacher's life. The teacher's work, he said, lay rather outside of school hours than in them. Teaching was a vocation, not a profession.

He gave examples of the work he had done in his long teaching experience in forming societies with the pupils for outside studies. The effect of these, he said, was inestimable. Holding the old English ideals, he spoke of the love one acquires for one's studies.

To the students interested in classics, he spoke at noon of the value of Latin and Greek. The classics, he said, were static and fundamental, "a Roman Temple," about which our literature is built. Latin makes Milton interesting and Dante superb. He termed these languages "gymnastic approaches," and urged that educational systems give these studies more of their old importance.

Dr. Rendall has been at Winchester for 37 years.

Canadian Rugby On Saturday

E.Sun 16.10.25

Two Senior and Intermediate Games Fixed for Tomorrow Afternoon

THREE Canadian Rugby league fixtures will be staged Saturday, with Hyaoks meeting U. B. C. city seniors at King Edward High school, Seaforths and Native Sons at McBride Park west, and, in the intermediate series, Meraloma and Hyaoks at Kitsilano beach. The games will be called at 2:30 and the officials will be Charles De fleux, S. Jackson, and Earl Annes, in the order named.

Native Sons, with Norman Burley middle winger on the twice champion Queen's University team, in their line-up, and with several mysterious Queen's formations, may surprise the fighting men, while Hyaoks, undefeated will, it is believed, give the university entry a hard tussle.

Meraloma, on the strength of their great showing against the Varsity in a practice scrimmage, are being selected by the experts to take the younger Hyaoks into camp.

The Varsity intercollegiate squad is remaining out of the city series, but will challenge the winners for the provincial title. The second team, the U. B. C. seniors, will fill the city berth.

U.B.C. CLASSMEN FORM SOCIETIES

m. Sun. 16. 10. 26

Organizations Take in New Members and Prepare Winter Programmes

UNIVERSITY OF BRITISH COLUMBIA, Oct. 15.—Organization of the many societies and clubs that add spice and variety to the leisure hours of undergraduate life is under way.

The Pianists' Club of the University meets tomorrow at the home of Miss Ida Kerr, 1947 Union Street. Applications for membership are being received and tryouts will be held shortly.

The Historical Society will meet Friday night at the home of Professor Soward.

DR. FRASER TO SPEAK

The Biology Discussion Club will hold its meeting on Monday at the home of Dr. C. McLean Fraser, 4585 Sixth Avenue West, at 8 o'clock. Dr. Fraser will speak on "The Effect of Hagan Agencies on the Marine Life of the Pacific."

There are two vacancies in the membership of the Letters Club. The secretary is receiving applications up to October 20.

The first tryouts of the Musical Society were held today in the Players Club rehearsal room of the Auditorium Building. This included soprano and contralto voices. Others will try out later. All members, new and old, are required to try out this year. This includes members of the orchestra. J. Fowler is secretary.

Miss Lillian Williams has been elected honorary member of La Canadienne, University French Club, while Miss Clara Gould, Arts '26, and Miss Grace Hope, Arts '27, have been made regular members.

RECEPTION DATE SET

Thursday, October 20, is the date set for the annual reception of the new members of the Players Club. This was decided at a special meeting of the society held today. The event will take place at the home of Mrs. Leslie Wright, 3837 Alexandria Avenue, Shaughnessy. All former members of the club will be invited.

The dates for the Christmas plays have been set for November 19 and 20, with November 21 as a probable special performance. This will be the formal opening of the new auditorium.

TRYOUTS ON MONDAY

Tryouts for roles of the Christmas plays will be held Monday, trial parts having been assigned today.

The annual dance of the French Literary and Dramatic Society will be held on Friday, October 21, at the Laurel Clubhouse.

STUDENTS BEGIN CHRISTIAN WORK

m. Sun 19. 10. 25

Organization for Study of Bible Grows to Large Proportions

UNIVERSITY OF B. C., Oct. 18.—Charlie Gibbard, Arts '26, will lead the Students' Christian Movement at the university this year, with other officers as follows: Honorary president, Dr. Boggs; first vice president, Miss Clare McQuarrie; second vice president, Rev. Ralph Stedman, '27; secretary, Miss Alda Moffatt, '26; treasurer, W. E. Fullerton, '26; publicity agent, E. W. Horton, '29, and business convener, Miss Mildred Campbell, '26.

Miss Gordon, secretary, talked on the aims of the society at Wednesday's meeting, and outlined plans for the season. The membership will be divided into groups as last year, but with the difference that this time the groups will be mixed.

GROWING ORGANIZATION

The Students' Christian Movement aims to realize and live up to the principles that Jesus Christ stood for, and to provide a means for enlightened study of the Bible. The branch at U.B.C. has grown from an almost unknown society to the present flourishing organization that staged the interprovincial conference here two years ago.

Dr. Archibald delivered a very interesting lecture at the meeting of the Chemistry Society Wednesday night. Treating the life and work of the renowned chemist, Michael Faraday, Dr. Archibald spoke of his contributions to research, especially in the photographic and coal-tar industries.

Twenty-nine sophomore men are now eligible to receive the letters they won last year with university teams. The ruling is that no Freshman may take his letter, and in consequence these men were not honored at the annual Letter Day last spring. The list includes three small blocks and four big blocks, the highest athletic award of the university.

DEBATES ARRANGED

U.B.C. will stage a debate with Victoria during the second week of November, according to plans announced today by Mr. Eric Dunn, president of the Men's Literary Society.

The university team will be composed of Freshmen and second-year men who have not previously debated for the college, but those who have done so are eligible to try for places on the Victoria team. All candidates must be members of the Literary Society and the event will serve as a trial. It is hoped that some good material will be found for the coming debates. The society will pay the expenses of the men selected to make the trip to the Capital. The selection committee consists of J. Bridge, E. Dunn, E. Morrison, S. Kobe and C. Brown.

STUDENTS WILL HOLD BASKET BALL PRACTICE TONIGHT

Basket ball players of the University will hold practices tonight at the Normal Gym, where likely players for the Senior A squad will be given a special workout. *E. Sun.*

Men of last year's team who have returned to the University this season include Dad Hartley, Arnold Henderson, Tommy Wilkinson, Fred Newcombe. Other likely material will be available from the second string men of last year, while several stars of high school are included in the players turning out. *20. 10. 25*

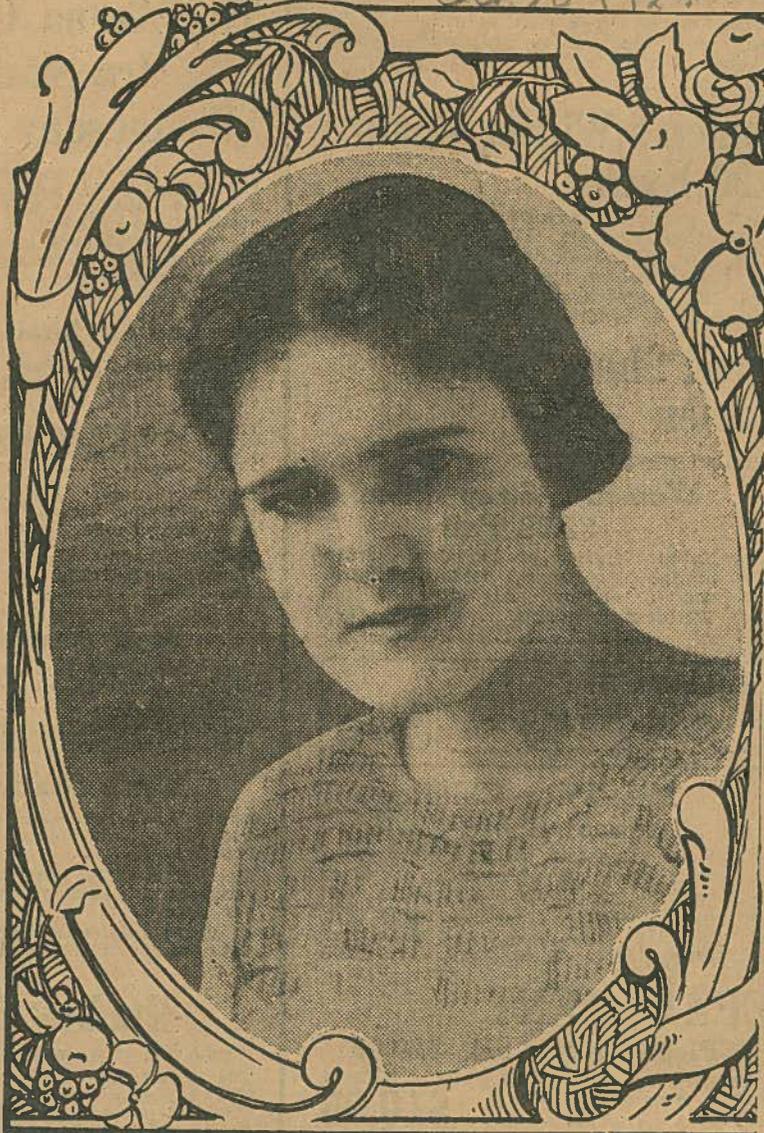

U.B.C. INTER-CLASS DEBATES TO OPEN

UNIVERSITY OF BRITISH COLUMBIA, Oct. 20.—Tomorrow afternoon will see the opening of the winter class debating contests, when the co-eds of Arts '26 will meet Arts '27. *m. Sun 21. 10. 25*

Miss Esther King and Miss Helen Dobie will represent the seniors, while Miss Edith Dwinelle and Miss Cora Hardy will argue for the juniors. The question will concern the preponderance of women school teachers in Canada, and decide whether this be advantageous. The judges will include Dr. Clarke, Mr. Henderson, and probably Miss Sallee Murphy, all members of the faculty.

MISS UNDINE HOWAY

MISS HOWAY, the popular daughter of Judge and Mrs. F. W. Howay has been chosen vice president of the Women's Union Building Committee at the University of B.C. to take the place of Miss Sadie Boyles. Miss Doris Ford replaces Miss Isobel Harvey as president of the Building Committee.

Letters Club Hears Interesting Paper

An interesting meeting of the Letters Club of the University of B. C. was held last evening at the home of Mr. Justice Murphy, 1236 Davie Street. Miss Marion Smith gave a clever paper on W. H. Davies, giving a splendid summary of the works of the writer and quoting a number of his better known poems.

After the reading of the paper those present carried on a keen discussion on the subject. M. S. 21.10.27

The invited guests were Mr. and Mrs. Hawes, Mr. Justice Murphy, Mrs. Marsh, Miss Renee Hawes, Miss Sylvia Thrupp, Miss Salee Murphy, Miss Alfreda Berkeley, Miss Barbara Stirling, Mr. F. H. Soward, Dr. F. H. Wilcox, Dr. F. C. Walker, Miss Jean Storey, Miss Betty Fuller, Mr. William Murphy, Mr. Clifford Dowling and Mr. Bob Harwood.

C. Sun. 10.10.27 Girls of Arts '25 To Hold Reunion Wednesday Eve

WOMEN of the class of Arts '25 of the University of B. C. are holding a reunion Wednesday evening at a social gathering to be held at the home of Miss Doris Ford, 6126 East Boulevard. Miss Grace Smith, permanent vice president of the class, is in charge of the affair, and those assisting with the invitation are Miss Molly Jackson, Miss Isabel Russell, Miss Mary Dobbin, Miss Marjorie Bell, Miss Helen Whiteside and Miss Elsie Rilance.

Members of the class who are now taking the educational course at college will stage a skit, while each of the women students present will read a short paper on her present occupation, and any interesting details connected with it. The evening will conclude with games and dancing.

The invited guests are Miss Eloise Angell, Miss Etta Graham, Miss Kathleen Clarke, Miss Cecilia Williamson, Miss Sylvia Thrupp, Miss Doris Shorney, Miss Elsie Rilance, Miss Grace Smith, Miss Winnifred Hall, Miss Marjorie Bell, Miss Mary Dobbin, Miss Doris Ford, Miss Frances Gignac, Miss Florence McLeod, Miss Mary Harvey, Miss Doris Fee, Miss Nancy Burns, Miss Gladys Anderson, Miss Jessie Fisher, Miss Mary Swanson, Miss Marion Sutherland, Miss Bessie Hankinson, Miss Eileen Farrington, Miss Muriel Elliott, Miss Doris Pattullo, Miss Gwendolyn Newcombe, Miss Vera Sharpe, Miss Isabel Russel, Miss Laura Wilcox, Miss Helen Whiteside, Miss Dorothy Groves, Miss Zoe Farrand, Miss Lucy Edwards, Miss Greta Winter, Miss Louise Morrison, Miss Jean Thompson, Miss Dorothy Murray, Miss Nelly Wilkinson, Miss Norah Whittaker, Miss Evelyn Crich, Miss Ella Bell, Miss Vera Barnes, Miss Gertrude Hallamore, Miss Lucy Edwards, Miss Adalene Arkley, Miss Kathleen Inglis, Miss Jeanette Weinburg, Miss Islay McLarty, Miss Marjorie McIntyre, Miss Laura Mowatt, Miss Doris Lyness, Miss Molly Jackson, Miss Janet MacDonald, Miss Edith Krawling, Miss Marguerite McDonald, Miss Jean McMeans and Miss Muriel McGugan.

STUDENTS TO VISIT PRESIDENT'S GRAVE

M. Sun

U.B.C. Seniors Will Honor First Head of Institution

20.10.27

UNIVERSITY OF BRITISH COLUMBIA, Oct. 19.—Following the precedent set by Arts '25 last year the Seniors of the University will visit the grave of Dr. Westbrook, first president of the University, tomorrow. Arts '26 will go as a class, cars leaving the Administration building for the Ocean View cemetery at 3 o'clock.

Dr. G. G. Sedgewick, honorary president of the class, will speak at the grave, and a wreath will be placed thereon. It is the hope of the Seniors that this may henceforth be an annual custom for Senior classes.

Arts '27 will stage their annual hike to the Second Pavilion at Capilano on Saturday.

The debates manager of the University of Idaho wired the University debates officials this morning accepting the proposal to meet the local Varsity before Christmas. It was decided at the meeting of the Literary and Scientific department at noon that this event will take place in November.

University of Southern California also wrote asking for a contest, but, owing to the already heavy schedule, this cannot take place until after Christmas, and it is doubtful whether it will be possible to arrange a date at all.

Varsity As Strong As Ever

Coach Jim Scott Having
Tough Time Picking Mc-
Kecknie Cup Squad

Twelve Men of Former
Teams Again Trying to
Make Place

VARSIITY'S McKecknie Cup team this season will be as strong as any in the history of the club, according to Bert Tupper, manager. The men will get their first test against the Edmonton ruggers on November 7 at Brockton Point and work is proceeding so that the best fifteen possible will face the Albertans. Twelve former McKecknie Cup men are practising with the object of again making the team.

Altogether there are 25 players in line for positions and Coach Jim Scott is having a hard time selecting the best 15. It looks very much like Logan will be first choice for full back. Casselman, Willis, Gustafson and Taylor are candidates for the inside threequarter positions. Willis and Taylor have had previous senior experience with Victoria. Warren, Eaton, Loudon and McKay will fight it out for the wing threequarter places. McKay excelled in last season's high school series.

Kelly or Abernethy will occupy the five-eighths position and for half-backs there is Hal Gwyther, Shaw and McNeil.

There is a wealth of talent forward with 10 men competing for the seven positions. Brock, White, Price, Sparks and Lyuatt of last year's squad figure among the 10, while Bain, Gauthier, Kidd and Doidge are included among the newcomers. McLean has been definitely chosen wing forward.

IMPORTANT RUGBY CONTESTS CARDED AT BROCKTON PT.

Two important games in the Miller Cup rugby series are billed for Brockton Point Saturday afternoon. Ex-King George, with a clean sheet, and U. B. C., with but one defeat, should provide a most interesting tussle in the second fixture of the double bill at the oval. On the cricket grounds, King Edward Old Boys and B. C. Athletics, who have each suffered one reverse, are figured to show a big improvement in their play.

Rowing Club and Varsity, playing the opening game on the oval, will have a chance to decide the holders of the cellar position as neither team has put away a victory yet.

The usual intermediate games are carded with two at Strathcona Park and one at Brockton Point

WEEK-END LOCAL RUGBY SCHEDULE

Saturday, November 7

UNIVERSITY OF BRITISH COLUMBIA will oppose the Alberta English rugby team at Brockton Point on November 7. This was announced at the meeting of the Vancouver Union on Monday night. L. R. Thomas, A. Lord, T. E. L. Taylor, E. H. Grubbe and R. Bell-Irving will select the Vancouver team to oppose the Albertans on November 9. The captain of the Vancouver team will also assist in selecting the rest of the team.

Saturday's schedule follows:

SENIORS

Rowing Club vs. Varsity—The Oval, 2:15 p.m. o'clock; Referee J. Underhill.

Ex-King George vs. U.B.C.—The Oval, 3:30 o'clock; Referee A. Lord.
King Edward Old Boys vs. B. C. Athletics—Cricket grounds, 3:30 p.m.; Referee D. E. Treharne.

INTERMEDIATES

Frosh vs. Rowing Club—Strathcona Park, 2:15; Referee Moore.
Ex-King George vs. Varsity III—Strathcona Park, 3:30; Referee W. Poupore.

Tenex vs. Seventy-second Highlanders—Cricket grounds, 2:15; R. Bell-Irving.

On Tuesday, October 27 at 6 o'clock, King Edward and Tenex will use the Horse Show Building for practice, while at 7 o'clock, B. C. Athletics and ex-King George intermediates will work out. On Thursday, October 29, at 6 o'clock, Rowing Club seniors and intermediates will practice and will be followed at 7 o'clock by Wanderers and Seventy-second Highlanders.

STUDENTS HONOR FIRST PRESIDENT

U.B.C. Classmen Visit Grave
of Official on His Anniversary

UNIVERSITY OF BRITISH COLUMBIA, Oct. 20.—"It was a happy inspiration that it be made a custom for the senior class to perpetuate the memory of Dr. Wesbrook in this way," said Dr. Seigwick today speaking at the grave of the first president of the University.

About forty-five members of Arts '26 formed a procession from the University to the Mountain View cemetery to commemorate the anniversary of the death of Frank Fairchild Wesbrook, M.A., M.D., C.M., LL.D., who died Oct. 20, 1918.

Dr. Seigwick outlined the character and work of Dr. Wesbrook, in order that future classes might keep fresh in their memory the facts concerning one to whom the University owes so much.

"It is right that we should preserve with fidelity our traditions," said Dr. Seigwick, "and he is of our traditions the most cherished." After four years education made possible, by his efforts, it is fitting that the graduating class should pay tribute to his memory. "Son you are called; the journey is done."

On the consideration of Dr. Seigwick's oration, the graduating class placed on the grave a wreath.

University Ruggers In Training

Players Preparing for Clash
With University of Wash-
ington Here Oct. 31

Fortified with the experience gained in their initial American football clash with College of Puget Sound and determined to hold down the score during the visitors half of their next game, the Varsity inter-collegiate rugby squad is working hard every day to get ready for the hybrid contest with a University of Washington team here October 31. This game will be according to the Canadian code in the first half, and under American rules in the second—an event unique in the naanal of western sport.

Fifty men are turning out to the daily practices at the Point, fighting for positions on the Varsity, senior, intermediate and "Wednesday" league teams. New candidates are appearing every day, prospects in the gridiron sport being brighter than ever.

Signal practice has been transferred to the noon hour in place of usual "chalk talks", as this is the only hour that all players can be assembled at once, on account of the lecture schedules. This arrangement leaves the morning or afternoon practices free for scrimmaging, tackling, passing, kicking, and the various strenuous drills necessary to build an efficient grid machine.

The city senior team is getting ready for the Seaforths, whom they meet at Hastings Park Saturday. The intermediates will start the following week, as there are only three teams in this league, the Hyacks II and Meraloma A. C. clashing in the first fixture Saturday.

STUDENTS TO JOIN IN CLASS GIFT

Three Senior U.B.C. Organizations to Unite in Valedictory Presentation

UNIVERSITY OF BRITISH COLUMBIA, Oct. 21.—Fifty-nine co-eds were admitted to membership in the Women's Literary Society from among applications recently tendered. This included 13 seniors, 12 juniors, 16 sophomores and 18 first-year students. The society plans an active year in public speaking and debating.

The Men's Undergraduate will present a joint budget of all three faculties to cover graduation expenses, this estimate to be submitted by March 1. The presidents of the three senior years will also convene to decide upon a joint valedictory gift.

Budgets have been accepted from the classes of Arts '26, Science '27 and the four years in Agriculture. The Agriculture Society was given permission to hold its annual banquet on Friday, Oct. 23.

The Student Council endorsed the plans of the Men's Athletic Association to establish dressing rooms for athletic purposes.

Harry D. Dee was elected secretary of the Men's Undergraduate Society at the meeting held today.

Dave Sturdy, president of the Juniors, and Brick McLeod were the chief speakers. Advance mention was given of the Annual Arts Smoker and a Pep Meeting will be staged by the society in connection with the rugby game, Nov. 6, in the auditorium.

Miss E. Tighe, of Arts '26, will speak to the members of the Mathematics Club tomorrow at 2 p.m. on "Astrology".

Miss M. Bollert addressed the women of the university at the meeting of the Women's Undergraduate Society held today.

ARTS '26 WINS DEBATE AT U.B.C.

m. Sun 23.10.25

Senior Women Defeat Sophomore Co-Eds in Forensic Contest

UNIVERSITY OF BRITISH COLUMBIA, Oct. 21.—The freshman class will elect officers next week, nominations being open for all positions.

Arts '27 will leave on the North Vancouver ferry for its annual hike to Capilano on Saturday at 2:20.

Tomorrow has been set as the day for the try-outs for debaters against Victoria College. The candidates will have the choice of supporting either side of the question, "Resolved, that the Government of Hon. William Lyon Mackenzie King has been beneficial to Canada."

Arts '26 captured first inter-class honors this year when the co-ed debaters defeated the sophomore women on the question, "Resolved, that the preponderance of women teachers is disadvantageous." The seniors, represented by Esther King and Helen Dobie, upheld the affirmative, while Edith Dwinelle and Cora Hardy spoke for the juniors. Miss King was the best speaker of the debate.

The judges, Dr. A. F. B. Clark, Dr. J. Henderson and Miss S. Murphy, unanimously decided in favor of the affirmative.

Miss Marion Smith, president of the Women's Undergraduate Association, was in the chair.

Players' Club of U.B.C. Hold Dance at Leslie Wright Home

m. Sun. 23.10.25

MR. AND MRS. LESLIE WRIGHT graciously opened their attractive home at 3837 Alexandra Street, Shaughnessy Heights, last evening, for the annual reception and dance of the Players Club of the University of B. C. Those who have been admitted to the ranks of the Club this year and alumnae life-members were the guests of honor. The hostess, wearing an attractive gown of misty grey beaded chiffon, received with the president, Mr. F. G. C. Wood and Mrs. Wood, the latter attired in an imported frock of all-over amber thread lace with hand-made French flowers forming a colorful corsage. Others who greeted the guests were Mrs. Wood, Sr., Mr. Thorleif Larsen and Mrs. Larsen, who wore a striking gown of flame velvet with touches of silver lace over gold; Dr. A. F. B. Clark and Mrs. Clark, the latter in a becoming frock of hydrangea blue and silver shot moire silk.

The two daughters of the hostess, the Misses Theo and Leslie Wright, assisted. The former had donned a semi-bouffant frock of conch shell pink moire with tracteries of gold and blue, while Miss Leslie wore a chic French model of cloud blue-grey, sequin trimmed.

The closed-in verandahs of the house prettily lighted, made a delightful sitting-out rendezvous, and a buffet supper was served during the evening.

Among the invited guests were President and Mrs. Kilnck, Dean and Mrs. H. T. J. Coleman, Dean and Mrs. R. W. Brock, Mr. and Mrs. A. F. Soward, Dr. Ashton, Mr. and Mrs. Jack McDougall, Mr. and Mrs. R. American Coaching For Team

m. Sun. 22.10.25

Former Washington University Players Helping Varsity Squad

U.B.C. Team Will Be Known as "Lions" in the Future

WITH three specialists to handle the various departments of the complicated U. S. football game, the Varsity intercollegiate rugby squad is on a sound basis for the ten remaining practice days before they meet Washington here October 31. Louis Deither Washington full-back '09, handling the back-field men; Dr. Gordon Burke, Washington end, '06, looking after the important end positions, and Bill Rose coaching the linemen, the team staged a long, hard scrimmage Wednesday afternoon at Athletic Park, in which the players showed real improvement in the wake of the gridiron lesson received from College of Puget Sound on the tenth of the month.

RECRUIT MAKES GOOD

Over two teams, comprising first and second string candidates, were out in uniforms, and every man was given an opportunity to get in the tussle.

"Red" McDonald, a hefty recruit was tried out at tackle. He surprised the coaches with his defensive ability and will probably be a contender for first team honors before many days. Mallory, a rangy and hard-hitting Islander with rugby experience, was worked at end, and appears to be of value to the team. Both these men will be given a chance in the city series in the next game. Several other new men of promise have also reported.

In search of a suitable distinctive name for the intercollegiate team the Canadian Rugby club executive unanimously approved the title of "Lions," submitted by student-manager Frank Adams, Pacific Coast Ingles sculling champion, at a meeting Wednesday evening. This was suggested by the well-known mountain peaks across Burrard Inlet, and by the British Lion, U.B.C. being the only British university seeking Pacific Coast gridiron fame.

TO CHALLENGE WINNERS

The meeting also was unanimous in pressing the eligibility of the intercollegiate team in challenging the city series winners for the Provincial Canadian Rugby championship, as only second string men would be used in this series. The meeting held that as the university was a provincial institution it had a right to an opportunity at the provincial title with the team that it considers its best Canadian rugby talent.

Students Move to Make

DECISION EXPECTED NEXT WEEK

Hoop Game Major Sport

TO MAKE basket ball a major sport is the aim of followers of the game at Varsity. The collegians feel that their good showing against Ottawa Rideaus in the Canadian championships this spring, and the fact that they won the B. C. title, entitles the sport to major standing.

If the motion is favorably accepted at the general meeting next week, the hoop game will rank with soccer, track, English rugby, and all those making a place on the Senior A team will receive big block awards.

Last season all members of the championship team received the major award as it was felt that their showing earned the recognition.

The students believe that a favorable decision of the assembly next week would stimulate the interest in the hoop game in B. C.

Varsity To Be Stronger For Game

Capable Substitutes for Next Saturday's Game With Washington University

TWO new men will work out with the Varsity intercollegiate rugby team for the five remaining practice days before the half and half gridiron battle with a University of Washington football team Saturday at Athletic Park. They are McDonald and Mallory, middle and outside wingers respectively, who have made good in their initial performances.

These men are just what the team needs, for the right tackle and left end positions have been causing the coaches considerable concern. In the Puget Sound game, the positions were filled with substitutes of modest ability—now the entire forward line will present a

stiff front for the invading Huskies as the other positions are well taken care of. Morris, Hall, Bates, Watson, McIntyre and Noble will be depended upon to stop all line rushes, while in the secondary defense, Anderson, Seed, Mahon and Newby should be able to handle anything that gets by the forwards.

The players are confident that the Americans will be unable to score or even make first downs consistently with the forward pass and running interference removed from the first period of the contest. In the second half, when U. S. rules will hold sway, they are determined to make the visitors earn every yard of ground.

The advance seat sale begins today at Goulding's McGill and Spaulding, Hudson's Bay, Lisle Fraser's, and Spaulding's, the last named firm handling the reserved seats.

U.B.C. TO DEBATE VICTORIA COLLEGE

UNIVERSITY OF BRITISH COLUMBIA, Oct. 23.—Victoria College and the University will meet in a debate during November. It was announced today by the Literary and Debating Society, when W. Weeks, Arts '29; Denis Murphy, Arts '29; W. H. Taylor, Arts '28, and J. McLean, Arts '19, were chosen to represent the University in the contests. Mr. Taylor and Mr. McLean will speak in Victoria, it was stated.

Results of Tryouts Made Known; Debating Tests Today

UNIVERSITY OF BRITISH COLUMBIA, Oct. 25.—Following tryouts last week the following have been chosen for parts in the Christmas plays:

"The Second Shepherd's Play." Misses Walter and Jackson; Messrs. Wright, Leirsh, Bailey, Telford, Elliot, Wainman, D. Murphy and Marsh.

"The Dumb Wife." Misses Aliham and Clarke, Hensoworth. Rankin, Marin and Crompton; Messrs. Jacob, Knox Gough, P. Murphy.

"The Luck Piece." Misses Barton and Kidd; Messrs. Brown, Vincent and Howlett.

"The Fatal Rubber." Misses Christinon, Meredith, Musgrave and Ralph; Messrs. Matthews and Nash.

The annual reception will be held Thursday.

BIOLOGICAL LECTURE

The weekly meeting of the Biological Club will be held tonight, when G. J. Spencer will address the members. Last week Dr. Fraser gave a very interesting lecture on "Modifications Due to Human Agencies in the Marine Life of the Pacific."

In addressing the members of the Engineers' Discussion Club on the subject "Coal Deposits in Alberta," Harry Warren, Science '28, gave an interesting account of activities in coal mining operations in the prairie province. He said conditions were good, but there was no place for the small operator.

FREE-FOR-ALL DEBATE

Tryouts for the Debates Section of the Men's Literary Society will be held Monday. The subject will be "Resolved That Protective Tariff Is in the Best Interests of Canada." Candidates may support either side of the resolution. An unusually large number have signed to contest. From these the year's debaters will be selected. Speeches will be limited to three minutes.

Class of Arts '27 University Enjoys Hike to Capilano

On Saturday afternoon the class of Arts '27 of the University of British Columbia held a very enjoyable hike to Capilano. Part of the afternoon was spent in dancing at Capilano Pavilion, excellent music being supplied by a first-class orchestra. Those who acted as patrons and patronesses for the occasion were, Mr. and Mrs. F. H. Soward, Mr. and Mrs. Hugh Keenleyside, and Dr. T. H. Boggs. The committee in charge of the affair was composed of, Miss Katharine Reid, Miss Orlo Hood, Miss Margaret Keilor, Miss Jean Gilley, Miss Phyllis Hemsworth, Mr. Ted Morrison, Mr. Dave Sturdy, Mr. Hector Munro, Mr. Dave Warden and Mr. William Ingledew.

TOM WILKINSON NAMED VARSITY HOOP CAPTAIN

Tommy Wilkinson, president of the university student body, and husky veteran of the Senior A basket ball team, was chosen captain of this year's squad by his teammates yesterday. Tommy has played the game for a number of years and since coming to college has been one of the big factors in the team's rapid climb to the position of Western Canada champions and Dominion finalists. He is also a member of the first soccer team. Fred Newcombe was chosen vice captain and Eric Huestis manager. Elgin Cummings will act as trainer.

FRENCH STUDENTS TO PRESENT PLAYS

UNIVERSITY OF B.C., Oct. 26.—Plans are being made by the students of French at the University for the presentation of short plays in the original, it was announced today. The students will take part in tryouts in the near future when the parts will be assigned. The French Literary and Dramatic Society will be in charge of the arrangements.

La Causerie, a club at the University also composed of students taking French, will meet Tuesday night at the home of Margaret McKay, Third Avenue and First Street, New Westminster.

Students of geology will meet Tuesday night at the home of Dr. M. Y. Williams, 1376 Fifth Avenue West, when Dean R. W. Brock will speak at the G. M. Dawson Club.

Local Team Will Be Well Fortified for Game With Washington "U"

TWENTY-FIVE gridiron warriors from the University of B. C. will be out in uniform Saturday at Athletic Park when the University of Washington husky Freshman squad of the same number come here from Seattle to play the provincial institution representatives in a novel rugby game under American and Canadian rules. The U. B. C. second team has no league game on that day, making available a plentiful supply of substitutes should they be needed.

Today at Point Grey the Varsity squad is holding a thorough signal drill; tomorrow afternoon they will put in a couple of hours hard scrimmage as final preparation. Friday they will rest up for the big game.

The team now has a complete new set of signals and plays in its repertoire and is able to discard the "huddle" system resorted to in the early part of the season. Signals will be barked by the quarter back in conventional manner.

For a snappy preliminary, the Meralomas and Hyacks will clash in a senior Canadian rugby fixture. This will be the first appearance of the M. A. C., and the wise ones are whispering that the formidable Hyacks may receive a surprise.

TOMMY BERTO TO LEAD STUDENTS IN INTERMEDIATE B

Tommy Berto, Varsity star athlete, will captain the intermediate basketball team, it was decided after yesterday's practice at the Normal Gym. *E. Sun. 27.10.25*

The tiny Varsity yell king also plays first division soccer, is a boxer of no mean ability and quarter back on the intermediate Canadian rugby team.

The first string men on the squad will be Rae, Williams, Swanson, Nicholson, Stevenson, Alpen, McConnachie and Berto.

Conditions at University Improve; Library Equipment Not to Hand

UNIVERSITY OF BRITISH COLUMBIA, Oct. 24.—After a month of comparative discomfort the students and staff of the University are beginning to settle down to a more tolerable routine.

Every day sees some improvement in conditions and things are beginning to shape properly at last. There are still many workmen employed on construction, however, and much equipment has yet to be installed.

The library has been unfortunate, inasmuch as it provides the sole accommodation for study during University hours and that its volumes are indispensable for study. Senior and graduate students have suffered most in this respect, since they have considerable reading to do in connection with thesis, essays and advanced courses.

The library staff has been most accommodating in its efforts to assist the students, but has suffered from lack of equipment and the late arrival of furniture.

NORMAN COX TO COACH VARSITY SWIM ATHLETES

Norman Cox will coach U.B.C. swimmers and divers this year, it was made known at the University yesterday.

Mr. Cox believes that the Varsity material can be developed and is endeavoring to bring swimming to the standing of other major sports in the college.

Practically all of the last year's team have returned to the college and there are good prospects in the Freshman class. Members of last year's team turning out include Bruce McDonald and Bob McKechnie in the shorter distances and backstroke.

Bob Gillespie will specialize in the backstroke and Otto Gill in the breaststroke.

Alan Stewardson is out again to retain his laurels in the plunge and Kenny Stewart will perform again in the diving events.

Mike Abernethy is a Freshman of promise. He is a former St. Mark's star.

Big Crowd Expected At Game

Keen Interest Being Shown Over Saturday Novel Rugby Clash

ALL roads will lead to Athletic park Saturday. The event to be staged there, a rugby football game under American and Canadian rules, half-and-half, marks the opening of gridiron relations between University of British Columbia and University of Washington, biggest and most intimate schools, geographically, in the extreme western boundary country. Varsity's Canadian rugby squad will represent British Columbia; a husky freshman squad will represent Washington.

Both teams have practiced assiduously at the other's native game wherever the two do not coincide. The game is the first of a series of two, the second to be played in Seattle next fall.

Students and the general public are taking unusual interest in the event, the Athletic park management is preparing to handle what promises to be a record crowd for the season.

The Washington team is being coached in the Canadian game by D. F. Spankie, a Vancouver technical school graduate, now at U. of W., while Dr. Gordon Burke and Louis Deither, Washington players of other days, are handling the B. C. squad.

A big "pep" meeting Friday and parade Saturday noon will be staged by the Varsity supporters as a tribute to their team. Both teams will probably take part, the Varsity wearing their new uniforms for the first time.

The game will be the first "mixed" contest, similar to the annual McGill-Syracuse fixture in the east, ever staged west of Winnipeg.

"LA CAUSERIE" MEETS

"La Causerie", French club of the University of B. C., met last evening at the home of Miss Margaret MacKenzie in New Westminster. The feature of the evening was a very interesting paper on "La Sorbonne," University of Paris, given by Miss Lorna Barton. Miss Barton traced the development of the university from its foundation as a college for theological students by Robert de Sorbonne. At the present time there are no theological courses, the speaker maintained, but the college concerns itself chiefly with the arts. The Sorbonne is now one of the greatest universities in the world. *E. Sun. 27.10.25*

Varsity Fit For Contest

E. Sun. 30.10.25.
U.B.C. Squad Expects to Give Washington Freshmen Real Argument

Local Students Will Be Out in Force to Give Support to Team

FINAL scrimmage was held by the Varsity intercollegiate rugby squad Thursday at McBride Park in preparation for the Washington Freshmen Saturday at Athletic Park. The game will be played under Canadian rules in the first half and under the smashing U. S. style in the second spasm.

Coaches and observers were much impressed with the performance of the squad in yesterday's tussle, remarking on the improved dash of the team in the American code, and predicting that the Huskies will find a different team from the one that faced Puget Sound.

PERFECT SYSTEM

The interference is now so good. It is reported, that little worry is being caused from the American half of the game; rather, that the boys have been concentrating so much on the strange code that their Canadian style has perhaps suffered slightly. However, the collegians are confident that the invaders will be helpless in trying to score without interference, while they are equally assured that they will be able to handle anything that the Frosh can offer in their own game.

Over 1000 students from U. B. C. are planning to view the hostilities, and a large contingent is also expected from the Sound city. Tommy Berto, Varsity yell leader, is offering an excellent noise accompaniment as a special attraction, aiming to steal most of the glory from the imported rosters.

BATTLE EXPECTED

Both teams have apparently neglected their native codes, endeavoring to best the other fellow at his, and it is anticipated that a battle royal will ensue. Never in the history of the gridiron game at U. B. C. have the players evinced so much enthusiasm as they are showing for the Washington game.

Coach Eckman of the Washington university has announced the following lineup for the game under the Canadian rules:

Flying wing, Atkinson; right half, Duffy; left half, Brannon; centre half, Astroup; quarter back, Bonamy; right inside, Pike; left inside, Fitzgerald; right middle, Colby; left middle, Parks, right end, Wilson; left end, McMeans; centre, Gettleman.

The lineup that he has announced for the American style game is as follows: Right end, Wilson; right tackle, Colby; right guard, Pike; centre, Gettleman; left guard, Fitzgerald; left tackle, Parks; left end, McMeans; quarter, Bonamy; right half, Duffy; left half, Brannon; full-back, Astroup.

Coach Eckman is carrying the following men on the trip as substitutes: St. Ainouv, Forman, Lund, Scott, Kennedy, Smythe, Martin, Young, Walbert.

Arts Class Invites Guests to Party Next Wednesday

M. Sun. 31.10.25.
The class of Arts '26 of the University will hold their class party on Wednesday at Willow Hall. The orange and black of Halloween will form the color scheme to be used for decorating by the committee, composed of Miss Jean Graham and Mr. Susumu Kobe. Mr. Bert Wales and Mr. John Grace, who are in charge of the novelties, have planned black and orange miniature mortar boards as unique favors. The committee in charge of refreshments is Miss Doris McKay, and Miss Isobel Barton, Miss Clara Bridgman and Mr. Frank Potter are looking after the programme and invitations.

Patrons and patronesses for the occasion are Dr. G. G. Sedgewick, Mrs. Sedgewick, Miss M. L. Bollert and Mr. and Mrs. H. T. Logan. Besides the members of the class, the invited guests are Miss Dorothy Brown, Mr. Tommie Wilkinson, Mr. Fergus Mutrie, Mr. Gordon Abernethy, Mr. William Jones, Mr. Leslie Brown, Miss Kathleen Baird, Mr. David Sturdy, Miss Jean Gilley, Mr. David Warden, Mr. Gerald Stevens, Miss Betty Matheson and Mr. Don Calvert.

U.B.C. Social Club Includes Students From Many Parts

M. Sun. 1-11-25.
Students at the University of B. C. are actively interested in the many clubs which form the nucleus of social life at the college.

The Cosmopolitan Club, which has just been formed, has as its objective the gathering of students from different parts of the world for the purpose of fostering international understanding and goodwill among the students.

The club held its first meeting on Wednesday evening at the home of Dr. A. F. B. Clark, 5087 Maple Street. M. Delavault gave a very interesting talk on "Some Aspects of French National Psychology," describing the French people in the main as being a conservative race.

Those who attended the meeting were Mr. and Mrs. G. Jamieson, Miss Greta Mathers, Miss Milla Alahan, Miss Chiyo Nishimoto, Mr. Susumu Kobe, Mr. Teja Singh Hundal, Miss Mary Ivanoff, Miss Jean Tolmie, Miss Margaret Gordon, Miss Sylvia Thrupp, Miss Dorothy Dallas, Miss Esther Dickman, Miss Islay Johnson, Miss Mary Evandrova, Mr. U. Whan, Mr. Y. Maikawa, Miss G. Wood and Mr. H. Wood.

U. B. C. FOLK ALWAYS BUSY

m. s. sun. 2-11-25

Leisure Hours Are Filled
With Strenuous Social
and Other Activities

UNIVERSITY OF B. C., Nov. 1.—
University clubs had a busy week
and are scheduled for big activities
this week also.

The French Club "La Causerie" was entertained on Wednesday evening at the home of Miss Margaret MacKenzie, New Westminster. Miss Lorna Bailey read a very interesting paper on "la Sarbonne," the University of Paris. A number of French games were played during the evening. The next meeting will take the form of a mock trial.

STERNER STUFF

The meeting of the Biological Discussion Club scheduled for tomorrow has been postponed until Nov. 9. Mr. G. J. Spenser will speak on "Insect Pests." On Nov. 16 Fred Sparks will speak on "Bacteriological Parasites," and Miss Mildred Campbell on "Protozoan Parasites." On November 30, R. Pillsbury will have as his subject, "Multicellular Plant Parasites," while Miss Alfreda Berkeley will speak on "Unicellular Plant Parasites."

The French Literary and Dramatic Society enjoyed its annual reception, held last week at Willow Hall. A novel feature was the "Better Babies" contest. This consisted in each member bringing his or her picture, taken as a baby, the party attempting to guess who was who. The remainder of the evening was spent in dancing. Dr. and Mrs. Clark, Miss J. Gregg and Mr. Delavaut were patrons.

The Musical Society is practicing diligently in preparation for the Christmas concert, both the orchestra and Glee Club showing promise of achievement. The Players' Club is rehearsing for the Christmas plays daily.

The Women's Literary Society is conducting the inter-class debates, and in selecting subjects of present interest hope to have more encouraging attendance than in previous years.

PAPER ON POETRY

Donald Calvert and Leslie Howatt, both of Arts '27, were elected to membership in the Letters Club at the recent meeting held at the home of Mr. Justice Murphy, 1236 Davie Street. Miss Marion Smith of Arts '28 read a skilfully arranged paper on the poetry of W. E. Davis. The next meeting will be held on Tuesday. Miss Alda Moffat will speak on the novels of Anne Sedgwick, Ralph Norman on those of Rebecca West, and Miss Isobel Barton on those of Dorothy Richardson.

Miss Bollert was speaker at the recent meeting of the Women's Undergraduate Society. She outlined instructions with regard to Common Rooms. Miss Boyles and Miss Clegg spoke on the developments under way in connection with the establishment of the Women's Union Building. Miss Len Irwin was in the chair.

VISITORS ENTERTAINED

The members of the victorious Washington Freshmen rugby team were entertained at a dance by the Rooters' Club Saturday evening. The affair was held in the Normal Gym. and was well attended. The Washington boys inspected the University Buildings on Saturday and are well pleased with their visit.

The annual Prefects' Tea took place Wednesday afternoon in the Cafeteria, resulting in the usual crush. Miss Len Irwin, Miss Bollert and Mrs. Klinck gave addresses of welcome to the Freshettes. Mesdames Brook, Clement, Coleman, Miss McInnis and Miss Hansford were hostesses.

A large gathering heard the interesting address of Dr. Sadler on "The Value of Debating and Public Speaking." Under the leadership of Jack Berry, the Agriculture Discussion Club has prepared an interesting programme and is prepared for a big year.

E. A. Wheatley, registrar of the Association of Professional Engineers, delivered a useful talk to the members of the Engineers' Discussion Club at last Wednesday's meeting. He outlined the constitution and work of the association, which enrolls all students of second year standing or over, but requires no fees until they graduate. The club is endeavoring to get men of the city with practical experience to speak.

DEBATES PLANNED

Varsity debaters have settled on their season's programme. They have been invited to membership in the Prairie Debating League. The dates set are as follows: Southern California, Nov. 20; Victoria College, Nov. 20; Victoria College (women), not decided; Prairie Debating League, Feb. 20; College of Puget Sound, Jan. 30, and Imperial Debate, March 5 to 10.

The debates with Southern California, Redlands and Oregon have not been arranged.

The first debate takes place on Nov. 30, when the Freshmen and Sophomores engage the Victoria College debaters on the resolution, "That the Morals of the Victorian Age were better than those of the present age."

The new system of Student Court does away with the class sub-masters as disciplinary officers, but Arts '26 and Arts '28 have appointed them as assistant treasurers to collect class fees. The seniors have six and the sophomores fifteen.

University Athletic clubs are in need of trainers. The trainers met recently to decide upon the design of the special trainers' sweaters.

Today's meeting of the Men's Athletic Association will decide whether or not basket ball be given the status of major sport. In order to alter the constitution a two-thirds vote of the entire body must favor the change.

AFTER IT HAD been outplayed and humiliated at its own game—Canadian rugby—in the first half of the game at Athletic Park Saturday afternoon, the British Columbia "Lion" came roaring back and swept a bewildered and surprised "Husky" Pup up and down the gridiron during the final two quarters.

Over one thousand cheering fans and fanettes saw a game University of British Columbia team play sixty minutes of splendid football and then come out of the contest losers on the scoreboard but winners in the eyes of their opponents and their supporters for their game display.

The score at the end of the first half when Canadian rugby was played was Washington 7, British Columbia, 0.

At the end of the second half, when American football was the game, totalled British Columbia 0, Washington 14.

Final score: Washington 21, British Columbia 0.

VALIANT STRIVING

The feature of the game was not Washington's scoring but the valiant attempt of the local men to push the oval over the visitors' goal line in the last period.

The crowd came cheering to its feet when shortly after the opening of the last quarter Anderson intercepted an attempted forward pass on the part of Washington on the Purple and Gold's 31-yard line. B. C. lost 6 yards on a delayed pass. B. C. punted 27 yards and Washington returned the ball 2 yards.

Then Washington, from her 12-yard line, kicked 28-yard line and Harry Seed, a back who might star any place, ran the ball back 13 yards. It was B. C.'s ball on Washington's 28-yard line and for the first time the locals were in a position to score. The crowd was yelling for a touchdown.

A FATAL ERROR

Things quieted down when a B. C. forward pass was blocked on the next play and only a yard was gained on the second, but pandemonium broke loose again when Harry Seed got away a second time and was only downed on Washington's 13-yard line after he had dashed for a gain of 15 yards around the flank of the growling Huskies.

Scenting a score, the Lions made three yards more on two more bucks. At this point they made a fatal error. It is probable that a long end run would have put the oval over the line.

But B. C. elected to hit the strong Washington line and Curry made two yards and fumbled. Seed recovered. On her 8-yard line Washington held, and B. C. lost the ball.

On the next play the Huskies punted and the big chance was gone.

Anderson, Seed and Curry stood out in the playing for B. C., but the whole team played well. Coach Ray Eckmann of Washington was visibly surprised at the showing.

One of Washington's scores came when Atkinson blocked a punt and ran 50 yards for a touchdown. At Canadian rugby the visitors made two deadline kicks and a touchdown through linebacks.

English Ruggers In Form

King Edward Old Boys and
B. C. Athletics Give
Splendid Display

Oarsmen Fall to U. B. C.;
Goodall Has Wrist

Broken

m. Sun. Nov. 12
KING EDWARD Old Boys
and B. C. Athletics
jumped right into the race for
the Miller Cup when they
earned convincing victories in
the Vancouver Rugby Union
series at Brockton Point, Sat-
urday. The Old Boys, for the
first time this season, played
up to the form that was
expected from them at the start
of the schedule, when they turned
back the tricky Wanderers 13-0.

Athletics showed to advantage
in shutting out Varsity 24-0 and
are right on the heels of the unde-
feated Ex-King George pack. Nor-
man Goodall, baseball star, who
has made good at the rugby game,
had his right wrist broken when he
was tackled by an opponent while
carrying the ball under his right
arm. U. B. C. had the best of the
exchanges with Rowing Club and
deserved their 12-3 victory.

HARD FOUGHT GAME

King Edward and Wanderers
gave one of the most brilliant dis-
plays of the season. Both packs
traveled fast under the ideal condi-
tions. The threes kept the ball
moving and in this respect the win-
ners excelled, in which Grimmett,
Crone, Mahon, James and Barbarie
scintillated. Leroy was the life of
the Wanderers' attack, but they
couldn't break through, while Le-
roy failed to score from a kick
from placement.

There was little to pick between
the teams in the first half when
the Old Boys took the lead as the
result of pretty try by Grimmett.
In the second period Cyril James
got an opening and went over.
Crone converted. Jack Barbarie
finished a flashy play started by
Hamer to score again and Crone
added two more points with the
convert.

U. B. C. showed strength in the
scrum and in the backfield against
Rowing Club and broke away for
many brilliant runs. Wells was,
particularly prominent with long
runs and went over for two useful
tries. The first half was hard
fought though there was a lot of
loose play on the part of both
teams. Britt Brock took a pass
from Price to give the Collegians
the only marker of the session.

McKAY SCORES TRY

Rowing Club opened fast in the
second period but Ron McKay found
an opening around the Rowing Club
right end and ran forty yards for
a try. The Oarsmen fought back
and Bill Adams was pushed over
from five yards out. Wells made
victory sure when he found open-
ings on two occasions, not one of
the tries being converted. Price,
White, Brock and Klidd were prom-
inent on the forward line for the
winners. Williams, Prenter and
Sherwood were best for the Oars-
men.

B. C. Athletics, having advantage
of weight and experience, kept a
steady march toward the Varsity
line in the opening game of the af-
ternoon. Goodall got the first
counter on a pass from Lawson.
Urquhart made it 6-0 and Lange
went over for another. Farmer
and then Lange concluded the scor-
ing for the first period.

In the second half Urquhart added
three more points, and a fast run
gave him another try a few min-
utes later. Lange got the final
count and made it 24-0 as the re-
sult of eight tries, not one being
converted. The accident to Nor-
man Goodall happened well on the
second period after the baseball
star had made a brilliant run. He
was brought down heavily and fell
on his wrist.

Personnel of Visiting Ruggers Is Announced

M. S. Sun. 3-11-25

EDMONTON Ruggers will be here in full force to test their skill and brawn against the pick of University of B. C. next Saturday afternoon and Vancouver "Rep" fifteen Monday afternoon in the first of the season's intercity competitions at Brockton Point.

Complete personnel of the lineup of the visitors was announced by Secretary R. C. Cooper at the regular weekly meeting of the Vancouver Rugby Union held at headquarters last evening when final arrangements were made.

Several players who took a prominent part in the work of the Eskimos of Canadian rugby fame are among the list representing the Edmonton Rugby Club. Most of the players are between 20 and 25 years of age and are reported to be at the height of their game.

BANQUET SATURDAY

The visitors will be entertained to a banquet at the Ambassador Cafe Saturday evening, and later entertained at the Pantages Theatre as guests of Geo. Pantages. Sunday they will be given a drive around the city by members of the union.

Tenax and Seaforths will play a postponed intermediate fixture as a curtain-raiser to the big game, with Art Lord officiating. About 500 Varsity students will occupy a reserved section on the north end of the stands.

Owing to a late start Victoria Rugby Union has requested that the Vancouver Union take their place against Varsity in the opening McKechnie Cup game at Brockton Point November 21. The Vancouver Union is quite willing to make the change if the B. C. Union is agreeable.

The California team, which has been invited to play here during the Christmas holidays, will require \$3000 for expenses. An effort will be made to reduce this.

HORSE SHOW WORKOUTS

Vancouver "Rep" team will prepare for Monday's game against Edmonton with practices at the Horse Show Building tonight and Thursday from 6 to 7 o'clock. King Edward Old Boys will be on hand at 7 o'clock tonight, while Thursday, at the same time, King George has possession.

Next week Wanderers take Tuesday between 6 and 7, and King George between 7 and 8. Thursday, King Edward take 6 to 7, and B. C. Athletics 7 to 8.

Owing to Monday being a holiday, next week's meeting will be held Tuesday evening at 5:30.

EDMONTON PERSONNEL

Here is the dope on the Edmonton team as forwarded from the prairie city:

Fullback—J. Robson, 22. Eskimos; also member of Canadian

rugby team. On lineup of C.N.R. soccer squad. winners of this year's city league. Has played football at New Westminster.

Threequarter — H. Sachse, 28. Plays either wing equally well, fast runner and deadly tackler. Learned his rugby in English public school. Has played with Rowing Club squad.

W. Anderson, Welsh, 19. First year in senior company. Fast and hard man to tackle.

E. Winnichuk, 18. Eskimos. Second year player but has had experience in both Canadian and British codes. Rangy youth and speedy wing.

D. David, 23. Husky Welsh centre. Heady player with tackling his strong suit.

Mickey Maguire, 19. Calgary. New to British game but a ready pupil, having had lots of experience in Canadian code.

Five-eighth—J. W. Parsons (Welsh Capt.) Only backfield member of team who has visited coast. Heady player with safe feet. Played with several O.C. teams. Admits to 34.

W. Coghill, Edmonton. A tenacious north of Irelander. Player member of various Irish regimental teams overseas.

Halves—H. Bendle, 20. Welsh. Stand-off half. First year in Edmonton rugby. Keenest man on side. Walks nine miles from school, where he teaches, to take part in games and practices.

J. Shirley, 18. Edmonton. Another product of junior rugby, who is fast shaping into classy senior worker. On the light side, but with nerve to burn.

Forwards — W. Dalton, Welsh. (Captain), sturdy scrumragger from Gloucester. Great pack leader and on the ball all the time. Uses head to save heels.

J. Adams 30. Welsh. Moulded on lines of Tom Brown. Line plunger of Eskimos. Member of 7th Battalion and well known to members of that battalion in Vancouver.

P. Rees, 24. Welshman, with knowledge of game acquired in that country which he uses to good advantage. Bad actor near the line.

Bill Pugh, 23. Eskimos. Only other member of former visiting team and has played in all four games against coast. Great player in open.

Guy Jardine, 25. Eskimos. Has been with team for four years. Plays heady game and hard man to outguess.

Doug Emery, 22. Eskimos. Convert from Canadian game and fast making name. Great tackler.

Tiny Ferring, 19. Husky Eskimo youth; also star member of 49th Battalion basket ball team. Handy man in the pack.

Pat Hanna, 20. Another Eskimo. Local running champion, half and miler. First year in game, but plays heady.

Volley Ball and Basket Ball at The University

E. Sun. 3-11-25

Community athletics will be fostered at the University of B. C. it was decided at the men's athletic meeting yesterday.

Dr. Davidson outlined a scheme whereby athletic exercise will be brought within the reach of all those who are not participating in organized athletics. Basket ball and volley ball standards will be erected in different places on the campus and equipment will be on hand so that students may play these games between classes.

Soft ball baseball will be added if space can be found on the semi-permanent campus.

It is hoped that the co-eds will take advantage of the equipment as it will not be for the men students alone. An inter-class or faculty league may be arranged in baseball and volley ball.

Evening Sun. 3-11-25

DEBATING LEAGUE TO OPEN SEASON

Organization of the Vancouver Debating League for the winter was started Tuesday night, when the delegates from the various debating clubs in Vancouver elected D. J. McAlpin, president; Leonard Miller, secretary treasurer, and George Peirson, ex-officio member of the executive to arrange for the carrying-on of the work.

Admission to the league will be made available until next Tuesday, when the schedule, which will start November 23, will be drawn up. Clubs whose delegates were present Tuesday night are: The Gyros, King Edward Old Boys, Knights of Columbus, Y's Men Club, Y.M.C.A. Public Speaking Department, Young Liberals and the University of British Columbia.

Canadian Rugby Champions of Prairie Province Want \$1000 Guarantee

Local College Might Prove Stiffer Opposition Than Would Be Expected

ALBERTA UNIVERSITY Ruggers may provide the next big attraction at Athletic Park for followers of Canadian rugby in Vancouver. Secretary George Goulding, of the Canadian Rugby Union, received a message this morning from the Albertans offering to meet the University of B. C. squad if a guarantee of \$1000 was forthcoming. Mr. Goulding thinks that the amount asked is reasonable and it is just possible the union will decide to go ahead with the venture.

ALBERTA CHAMPIONS

Alberta is the surprise of Western rugby this season. After a miserable start they stepped out and beat the strong Calgary Tigers to win the provincial championship. They will now take part in the playoff for the Western Canada championship against the winners of Saskatchewan and Manitoba.

Followers of the sport here believe that a game with the strong Alberta aggregation would do a lot to popularize the Canadian pastime in the city. It would give the fans a chance to appreciate finer points of the game that are lacking in the play of the locals.

Varsity made such a wonderful improvement at the American style of play against Washington Freshmen here last Saturday, over their first try at the game, that it is just possible they would prove stiffer opposition for Alberta than many expect.

SHOULD GO BETTER

They paid so much attention to the foreign play that they slowed up at their own game and were outscored. With proper coaching and hard training the Varsity crew would no doubt appear to much better advantage against Alberta. They have two or three athletes who look good enough to hold their own in any team in Western Canada. But they need tutoring badly. They played straight football against Washington on Saturday and not once made yards while playing the Canadian game.

Two senior games are billed for next Saturday afternoon. Meralmos, who made a good showing in their first appearance in senior company last week against Hyacks, will tackle Seaforths at King Edward School Grounds at 2:30. Native Sons and U. B. C. clash at McBride Street Grounds.

MAJOR AWARDS FOR HOOP PLAYERS

m. Sun. 3-11-25
Students Making Senior A Team at Varsity to Get Big Block Letters

Basket ball players will receive the major awards from the University of British Columbia student body following the decision of the collegians to make the game a major sport at the college.

Senior A team members will receive the big block letter, the supreme honor to be conferred upon any athlete, while the status of the second string men will be raised from a sub-minor position to the small block letter standard.

This will place the basket ballers on the same athletic level in the university as the English rugbyists, soccer men and inter-collegiate track men.

Success of the University of British Columbia last season in entering the finals for the Canadian championships was heralded throughout the United States, according to Ron Gordon, president of the club.

Offers have been received for inter-collegiate games from recognized colleges on the other side of the line as well as from the University of Alberta. This, according to Mr. Gordon, will give the University of British Columbia a chance to enter the Pacific-Northwest Inter-Collegiate Conference next season or the following year. The students will thus have an opportunity of playing the neighboring universities and, if winners, to meet the leading team of the Pacific Conference and the Big Ten Eastern Conference winners.

Montana University has requested the University to meet the Collegians at Vancouver this winter, while Washington has asked for two games, one to be played here. The College of Puget Sound, Seattle College, Washington State Normal, Bellingham Normal, and the University of Alberta have also sent urgent requests for games. These offers are being considered, but the City Senior A League is taxing the players to capacity and some of the inter-collegiate games may be turned down.

**Mrs. S. D. Scott
Hostess to Club**

The Letters Club of the University of British Columbia met last evening at the home of Mrs. S. D. Scott, Fourteenth Avenue West. "The Contemporary Novel" was the topic of discussion for the evening. Miss Alda Moffat dealt with the novels of Anne Sedgwick, giving a short review of her better known works and quotations from "The Little French Girl." Miss Moffat also made a short summary of the title of the writer.

Mr. Max Wright, in discussing Rebecca West as a novelist, gave a brief criticism of her writings. Miss Isobel Barton, in dealing with Dorothy Richardson's contributions to the modern novel, stated that the author, who was essentially a feminist, had broken away from the old traditions of the novel and had opened a new field for herself.

In addition to the members of the club, the invited guests were: Mr. and Mrs. Lionel Haweis, Professor Thorleif Larsen, Dr. F. C. Walker, Mr. H. C. Shaw, Mr. R. L. Reid, Dr. Frank Wilson, Dr. W. L. MacDonaid, Mr. F. H. Seward, Professor G. G. Sedgwick, Miss Sallie Murphy, Professor F. G. C. Wood, Miss Islay McLarty, Miss Mary Chapman, Miss E. Piggott, Mr. Edward Chapman, Miss Barbara Stirling, Miss Alfreda Berkeley, Miss Betty Fuller, Mr. Francis Stevens, Miss Betty Fuller and Mr. Charles Swannell.

**"U" Ganisha Club
Fosters Writing**

To encourage original compositions of poetry and prose among the students of the University of B.C. the "Ganisha" Club has been formed under the direction of Mr. Lionel Haweis, of the staff of the University library. A gathering was held recently at the home of Dr. and Mrs. A. F. B. Clark. Those present were: Dr. and Mrs. A. F. B. Clark, Mr. and Mrs. Haweis, Miss Marion Smith, Miss Sadie Boyles, Miss Wanetta Leach, Miss Barbara Stirling, Miss Alfreda Berkeley, Miss Sylvia Thrupp, Miss Mary Chapman, Miss Helen Dobie, Mr. D'Arcy Marsh, Mr. George Vincent, Mr. Ralph Ball, Mr. Franklin Levers, Mr. Ted Nash, Mr. Leslie Howlett, Mr. Earle Birney, Mr. Ted Morrison, Mr. Eric Dunn, Mr. Jack Shakespeare, Mr. Clifford Dowling, and Mr. Edward Chapman.

**Gordon Logan
Will Not Play
In Rugby Tilt**

GORDON LOGAN, star Varsity rugby full-back, will not be in the lineup when the students take the field against the Alberta rep team on Saturday. Logan has been troubled all week with a pain in his side and an examination yesterday revealed three broken ribs, received in last Saturday's game.

This will be a big loss to the Collegians, as Logan has been doing splendid work so far this season, being a deadly tackler and star kicker.

**U.B.C. ALMA MATER
TO JOIN LEAGUE**

Prof. F. Soward Will Represent Students' Society in Council of Nations

UNIVERSITY OF B.C., Nov. 4.—The Alma Mater Society of the University will affiliate with the League of Nations, and Prof. F. Soward of the history department will continue in the office as representative of U.B.C. This was the decision of the Students' Council at the weekly meeting.

The grant made to the Swimming Club will be raised from \$90 to \$125.

Permission was granted the Biology Discussion Club, Musical Society, and Players Club for the use of rooms, but that of the Students' Christian Movement was refused, since the Literary and Scientific Department require the use of the room requested.

The Women's Grass Hockey Club was granted permission to hold a sale of candy in aid of the Women's Union Building.

The Alpha Gamma Phi Fraternity was granted the use of the University name and crest.

The committee appointed to consider the design of a University blazer will be asked to report before the next meeting. G. Abernathy and F. Guernsey were appointed to look into the matter of the Injured Players Fund.

The Council adopted the following resolutions: "On behalf of the students of the University of British Columbia, we, the Students' Council, wish to express appreciation to the Government of B. C. for the work so far accomplished in the establishment of the University in its permanent home."

Local Ruggers Practice Faithfully for Invasion of Alberta Squad

Murray Rowan Only Doubtful One Among Possibles for Vancouver Team

UNIVERSITY OF BRITISH COLUMBIA and Vancouver "Rep" rugby squads will be fit to give their best when they oppose Alberta's representatives at Brockton Point Saturday and Monday in the first of the season's inter-city series, if hard practices will do it.

Yesterday afternoon the Students went through a strenuous workout in the final practice before Saturday's battle. Tuesday evening the "Rep" aggregation were out in full force at the Horse Show and under Lou Thomas' coaching put in some stiff work for an hour. The selection committee was greatly pleased with the work of the athletes and feel that one of the best teams that has represented the union in recent years will take the field on Monday afternoon against the Edmonton ruggers.

MURRAY ROWAN DOUBTFUL

Murray Rowan is about the only doubtful one of the squad which was chosen to practice together before the final selection is made. Murray is nursing a sore knee sustained in the last game he played and though pretty nearly sure to catch a place it is hardly likely he will be asked to play under the circumstances.

Among the players who were on the job Tuesday evening were: Thornton, J. Martin, N. Martin, S. Boyd, Bill Decker, P. Choate, G. McLean, Fleet, Wilkinson, James, Patterson, Curle, LeRoy, Gyles, Grimmett, Crone, Mahon, Murray Rowan and Prenter. Pete Marshall and Curle were prevented from attending owing to business but will be on deck at 6 o'clock tonight when the final practice takes place.

Coach Jimmy Scott of the Varsity crew is satisfied he will trot out a team which will uphold all the traditions of Varsity rugby by winning Saturday's game. Pete Price and White have been showing to advantage as hooks. Desmond Kidd, Brit Brock, Bill Bain, Dick Davidson, Carl Barton and Wilbur Sparks are in line for positions on the forward line. Ron McKay, Johnny McLean, captain; Harold Kelly, Ralph Casselman, Willis, Tommy Loudon, Harry Warren, Howard Eaton, are all candidates for the backfield positions.

LAWSON'S TEAM

Chris. Lawson, pioneer rugby player of Vancouver, who is still staging spectacular stuff on the field after 19 years service in local rugby, does not agree with the Selection Committee of the Vancouver Rugby Union in the naming of a "rep" squad to oppose Edmonton here next Monday afternoon at Brockton Point.

Lawson thinks that a team should be chosen from the form shown in this season's play and submits the following line-up as worthy of consideration:

Full back—"Jet" Lewis, B. C. Athletics.

Three-quarters—Hec. Urquhart, B. C. Athletics; Bill Crone, Old Boys; Bill Mahon, Old Boys; Cedric Gyles, King George.

Five-eighths—LeRoy, Wanderers.

Halves—Alex Farmer, B. C. Athletics; Pete Marshall, Rowing Club. Forwards—Percy Choate, Ex-King George; Bob Gourley, B. C. Athletics; Somme Boyd, B. C. Athletics; Bill Decker, B. C. Athletics; Thornton, Wanderers; Gordon McLean, Ex-King George; Murdy McDonald, B. C. Athletics.

figure they will benefit to the extent of four or five hundred dollars over last year as the result of the agreement for the use of ice at the Arena. This was made known at the special meeting of the league last evening, when the terms offered the committee were accepted.

The league will share in 25 per cent of the gross receipts at the gate the teams will get all their practices free and the league will have four extra dates to play owing to an earlier start.

Friday, Nov. 27, was set for the opening, when an intermediate and two senior games will be staged. Nationals got the bye in the draw for the opening night's senior play. The champion Monarchs and Native Sons will have the honor of prying off the lid at 8 o'clock. Towers and Ex-King George will provide the competition in the other tussle. Seaforths and U.B.C. will fill the intermediate bill.

Native Sons were not represented at the meeting and there was a feeling that the club will not have a team in the league. Should they resign, Nationals will take their place on the opening night. Secretary Bordewick will complete the schedule. Stan Smith was appointed official scorer and timekeeper for all matches. A brass band will enliven proceedings at the opening games. R. Pennock was instructed as to the views of the league in connection with matters to be discussed at the annual meeting of the B.C.A.H.A. Saturday night.

Practices at the Arena were arranged as follows:

Tuesday—Towers, 5:45 to 6:30; Ex-King George, 6:45 to 7:30.

Wednesday—Varsity, 5:45 to 6:30; Nationals, 6:45 to 7:30.

FIVE of the 1924 University of British Columbia basket ball team will again be out with the students in the campaign about to start. Varsity opens the Vancouver and District League season next Saturday night against New Westminster Y.M.C.A. at the Royal City. The five men who will again assist Varsity are shown in this layout.

Trio of New Men On Squad

Turpin, Nesbit and Gordon Latest Recruits to Varsity Basket Ball Team

Tanny Butler Will Be Out Again; Men in Fine Condition

FIVE basket ball stars who carried the blue and gold of the University of British Columbia in the finals of the Canadian championship last season, will again represent the Collegians this winter.

Coach Ross Bryson announced Friday that three new men will appear on the floor against New Westminster Y.M.C.A. next Friday night at the Royal City.

Former Senior A men who went into the Dominion finals and who will appear again are Fred Newcombe, Harold Henderson, Arnold Henderson, Tommy Wilkinson and Dad Hartley. Tanny Butler, who was a first string man, but who was injured late in the season and prevented from reaching the Dominion finals, will also be out.

New men are W. Turpin, Dick Nesbit and Ron Gordon.

OUT OF SOCCER

Fred Newcombe, who was also well-known last year as a Varsity soccer player, went through the whole season and will again appear on the forward line. He has withdrawn from the soccer field and will specialize in the hoop game.

Tommy Wilkinson, president of the student body, and captain of the basket ball players, was a star in former years in soccer. He won considerable fame last year in the finals with his fine checking as guard.

Harold Henderson and Arnold Henderson, the tall men of the league, playing forward last year, will again take their positions. They are excellent shots at the basket.

Dad Hartley, one of the most reliable men on the squad last season, will again be among the backs. He is the veteran of the Varsity squad.

Tanny Butler, whose injuries of last year have not prevented him turning out this season, is also well known on the soccer field. He has played for leading teams in the New Westminster divisions while at High School.

HARD TO BEAT

Bill Turpin, another tall man, who ave every indication of becoming a fine guard, played in the Intermediate B last season. His rise to the first team has been almost sensational. Ross Bryson says that he is one of the hardest men to beat that he has coached.

Ron Gordon, president of the basket ball club, and former Duke of Connaught High School star, played in the Senior B division for Varsity last year. He is among the forwards.

Dick Nesbit, a freshman, played two years ago on the Burnaby High School junior championship squad and has the making of a star.

Coach Bryson said last night that his men are in fine condition and should be in mid-season form when they meet the New Westminster team in the opening game Friday.

U. B. C. Clubs Hold Meetings

The relative importance of the French Revolution and the Industrial Revolution were the subjects of papers given by Miss Muriel Wagenhauser and Mr. Charles Gibbard at a recent meeting of the Historical Society of the University of B. C., which met at the home of Mrs. R. L. Reid.

Miss Dorothy Buckworth, Miss Vivian Hudson, Mr. Carl Barton, Mr. Gordon Patten and Mr. Joseph Kania contributed to the programme of the meeting of the Studio Club at the home of Mrs. Frank Patterson, 2300 Second Avenue west.

VISITING RUGGERS ARE ENTERTAINED

Hope to Do Better Against Vancouver Rep Squad This Afternoon

Members of the Edmonton Rugby Club were guests of the Vancouver Rugby Union at a most enjoyable banquet at the Ambassador Cafe Saturday evening.

Bill Stoess occupied the chair and welcomed the visitors. Messrs. Strachan, McLennan and Brown spoke for Edmonton. They said English rugby was making rapid strides in the Alberta Capital, a four club league this year providing some keen competition.

Stirring Struggle Expected

Albertan Ruggers and Varsity Clash at Brockton Point 3:15 o'Clock

Students' Team Compares Favorably With Previous Strong Combination

EDMONTON rugby squad will show their wares at Brockton Point at 3:15 this afternoon, when they line up against Varsity's All-Star aggregation in the first game of the two-game series with local teams.

Though the Albertans have not shown here for some time they are expected to present a strong line-up and hustle the local representatives in both tilts. Varsity students will be out in full force this afternoon to give their players the benefit of their support.

Jimmy Underhill will referee today's match with J. H. Scott and R. C. Cooper handling the flags on the touch lines. Tenex and Seaforths will stage a postponed Intermediate game as a curtain-raiser, but the big event will start right on the time, say officials of the union.

EDMONTON MEN

Edmonton has 18 players as follows: J. Robson, fullback; H. Sachse, W. Anderson, E. Winnychuk, D. David, Mickey Maguire, three-quarters; J. W. Parsons and W. Coghill, five-eighths; H. Bendle and J. Shirley, halves; W. Dalton, J. Adams, P. Rees, B. Pugh, G. Jardine, D. Emery, T. Perring and P. Hanna, forwards.

Varsity will present a team which compares most favorably with the strong combinations of recent years. Johnny McLean, captain, is a former Kitsilano High star. He plays wing forward and has two years McKechnie Cup experience. Weight 165, age 21, height 5ft. 9 1-2in.

Casey Casselman, centre three-quarter, two years McKechnie Cup, weight 153, age 20, height 5ft. 11in. Harold Kelly, five-eighths McKechnie Cup, 1924, weight 175, age 19, height 5ft. 11in.

Howard Eaton, speedy captain of last year's Freshman team, will play wing three-quarter, weight 155, age 18, height 5ft. 9in.

Gordon Willis, three-quarter, Victoria Rep., 1924, weight 162, age 18, height 5ft. 10 1-2in.

Tommy Loudon, three-quarter, three years Miller Cup experience, weight 150, age 21, height 5ft. 10in.

Ronnie McKay, stand off half, All-Star High School rep. team, 1924, weight 160, aged 18.

McINNIS FULL BACK

Squinty McInnes, full back, Freshman and Miller Cup, 1923 and 1924, weight 160, age 19.

Pete Price, scrum hook, three years scrum, weight 180, age 26, height 6ft. 1in.

Cecil Whyte, scrum hook, McKechnie Cup, 1924, weight 175, age 20, height 5ft. 10in.

Brit Brock, scrum, three years McKechnie Cup, weight 170, age 21, height 6ft.

Pill Bain, scrum, three years Miller Cup, weight 168, age 23, height 6ft. 2 1-2in.

Carl Barton, scrum, first senior company, weight 165, age 23, height 5ft. 8in.

Dick Davidson, scrum, Freshman, 1924, weight 170, age 19, height 5ft. 11in.

Desmond Kidd, intermediate, 1924, weight 185, age 20, height 5ft. 10in.

Rep Team Has Easy Victory

Vancouver Squad Fails to Play to Form, But Wins Handily 19 to 0

Albertans Fight Hard But Fail to Penetrate Locals' Defense

VANCOUVER "Rep" ruggers shut out Edmonton's best 19-0 in the final of the Inter-City series at Brockton Point Monday afternoon and the Albertans went home with three points as their total scoring ability against local aggregations.

Monday's performance was somewhat of a disappointment to the 1500 enthusiasts. They were disappointed because the local tribe failed to show the form expected of them, though they won quite handily. The "Rep" 15 seldom revealed any of the power that was looked for. The forwards failed to give the threes many chances to shine as it was seldom they got the ball out of the scrum, while the threes, when they did swing into action, fumbled miserably and failed to show very much team work.

LOCALS THE BEST

But despite their shortcomings, the Vancouver side was much the superior. The Albertans worked as hard as ever, held their own in the scrum and at times threatened danger. But their back division lacked system and they could not get going against the stiff checking of the locals.

Vancouver did most of their scoring in the first period, when they piled up 13 points. They added two more tries in the second session but had they played up to their individual reputation in league fixtures the score would have been much larger.

"Rep" rushed from the whistle and Farmer was stopped just outside the line. Choate was given a free kick from 15 yards out and failed at an attempted drop. Gyles finally went over after a pretty passing bout which finally went to Gyles on a cross kick from Mahon. The play looked offside from the side lines. Crone converted neatly.

Vancouver forwards followed up an exchange of kicks to take advantage of an opening, when Robson, who performed in brilliant style again at full back for the visitors, miskicked near his own line and Choate fell on the ball. Crone converted on a beautiful kick.

The heavy punting Robson tried a drop goal from a free kick and missed another on the run. Choate, who was playing an aggressive game for the locals, followed up a dribble and hurdled David to plunge over the line for another try which was unconverted. Half time found the locals leading 13-0.

SECOND HALF

Robson dashed around the right end for a spectacular 35-yard run and Edmonton forced the play for some time on the resumption in the second period. Parsons tried a cross field kick and it pretty nearly worked but the locals touched down to save. Sach took a pass and was stopped five yards out. Gyles and Leroy, who were not getting many opportunities to shine, finally broke away for a long run. Hannah made a flying tackle to save just outside the line.

Evening Sun. 10-11-25

McLean intercepted a pass from Shirley, who was injured, and ran 30 yards to pass to the alert Choate, who scored his third try of the game. No extra points were added. Robson tried a place kick from 40 yards out, but the ball swerved to the right and missed the bar. Boyd opened up the way for another score when he took the ball at centre, passed to McLean who gave to the fleet footed Gyles to go over for the last counter of the afternoon.

Robson, Sachs, David, Dalton and Pugh were the pick of the Edmonton team. Adams played with an injured knee, while Shirley hurt his shoulder badly in the first period and pluckily stayed in until pulled out near the finish.

E. L. Yao's refereeing pleased the Edmonton side. The teams:

Alberta—J. Robson, H. Sachs, W. Anderson, E. Winnychuk, D. David, M. Parsons, W. Coghill, H. Bindle, J. Shirley, W. Dalton (capt.), J. Adams, P. Rees, B. Pugh, G. Jardine, P. Hanna.

Vancouver—Choate, Farmer, Prenter, Marshall, MacKay, Decker, Le Roy, Gyles, J. Martin, Thornton (capt.), Crone, McLean, N. Martin, Boyd, Mahon.

Three Out of Allan Cup Play

Engineers, Nationals and Collingwood Win Cup Football on Holiday

U. B. C. Dispose of Malkins in Second Division of Mainland League

CEDAR COTTAGE Vulcans and Woodwards dropped out of Allan Soccer cup series as a result of Monday's games. Cedar Cottage fell 2-0 to the Engineers, Nationals beat Vulcans 4-3 and Collingwood accounted for Woodwards, 3-0.

Malkins and U.B.C. met in the only second division league game and the latter won 4-1. Four third division fixtures were decided, Renfrew beating First B. C. Regiment, 3-1; Burnaby walloping Stevensons, 5-3, Junkins accounting for Knights of Pythias, 3-2 and Excelsiors downing Wallabies, 1-0.

Lang and Howie scored for Engineers against Cedar Cottage. The game was a quiet affair and not up to the standard of the first tussle between Vulcans and Nationals. The third division team pressed time and again but the Nationals' goals were in fine fettle and saved his side. Against Woodward's, Collingwood scored one goal in the first half and two in the second.

Wallabies and St. Andrews Excelsiors engaged in a fine struggle. Saints obtained the only goal of the game in the last half. Martin in goal for the winners, saved some dangerous situations in the first half.

Junior Alliance results: Ex-High, North Vancouver 5, Canco 0; Victoria Road, 4, Christ Church 0; Varsity 0, C. P. R. 0; St. Paul's 7, Alta Vista 0.

UNIVERSITY CLUBS MEET

UNIVERSITY OF BRITISH COLUMBIA, Nov. 10.—Clubs at the University held several meetings during last week and are scheduled for further business shortly.

The G. M. Dawson Society, a club for geology students, headed by Earl Gillanders, B.A., will meet at the home of Dr. S. J. Schofield on Tuesday at 8 p.m. Mr. J. Kanis, Sc. '26, and Mr. W. Pollock, Sc. '27, will be the speakers.

An important meeting of the Men's Athletic executive is called for November 10. It is likely that the question of interclass games will be discussed.

The annual Arts' dance is due for November 13. This event is one of the major social activities of the College year, and is always well patronized. Tickets were on sale during the week.

Contributions to the Women's Union Building are growing steadily, the latest gift being \$1000 from Lieutenant Governor Nichol. An early start is planned with the construction work. All the societies are doing their bit by way of rummage sales, candy sales, bridges, teas, but the latest novelty was the tag day at the rugby game on Saturday. Feathers dyed in University colors took the place of paper tags.

The Players' Club is working diligently in preparation for the Christmas plays. Every member has been assigned a part. Those who have not been given roles in the dramas have been enlisted in various committees to look after the arrangements of the staging of the plays. The executive met Friday noon, and the club assembled to a general meeting Tuesday.

Several bold men of the University have organized an Outdoor Swimming Club, and make semi-weekly visits to the Bay. The first was held on Tuesday and the second on Saturday. Gus Madeley and K. Noble head the water men.

The Mathematics Club held its fortnightly meeting at the residence of the honorary president, Dr. D. Buchanan, head of the department of mathematics. Most of the members were present and others obtained invitations by application to A. P. Mellish, the president. Eric Forster, Education '26, read a paper on "The Measurement of Intelligence."

The first closed meeting of the Chemistry Society was held Wednesday at the home of Miss Gertrude Downsbay. The next meeting will be open to all students, and will be held November 11. Closed and open meetings are held alternately.

The Gymnasium Club held its first meeting in the Masonic Hall, Tenth Avenue, under the instruction of Miss Dobbin of the Y.W.C.A. The next session is billed for November 12. There is room for 25 more members. L. Coade, Arts '27, is president, and N. Scrouse, Arts '27, is secretary.

The Men's and Women's Swimming Clubs are actively carrying on at Chalmers and Canadian Memorial tanks.

The Pianists' Club has changed its name to the Studio Club, and is preparing for a new lease on life. It held its first meeting at the home of Miss D. Patterson on Wednesday.

Students regretted to learn that another student, the third since the session opened, had died. Miss Jessie Fisher was a well known member of the class of Arts '25, and took her B.A. last spring. Several of her classmates attended the funeral, and the pallbearers were selected from among them.

The Musical Society is practicing daily in preparation for the Christmas concert at the end of the month. A full rehearsal was held in the auditorium on Friday.

Members of the staff of the Ubysey and other student officials were the guests of the editor in chief and Women's Faculty committee at a tea given in the Cafeteria on Friday afternoon.

Evening Sun. 10-11-25

Tour Not Financial Success

Vancouver and Varsity Will Meet in McKechnie Cup Tilt November 21

Ex-King George and B. C. Athletics Tangle in Saturday's Rugby Feature

FINANCIALLY the tour of the Edmonton ruggers was not a success. This was announced following a meeting of the Vancouver Rugby Union on Tuesday night. The crowd did not turn out as well as officials expected. In all other respects it was a success and the visitors were given a good sendoff when they left for home on Monday night.

Word has been received that the French rugby team is not touring Australia until 1927, but that a Maori team will tour France next year and it is expected that the New Zealanders will play in Vancouver either on the journey to France or on the way home.

The first McKechnie Cup game will be played at Brockton Point on Saturday, Nov. 21, between Vancouver and Varsity. Victoria should have played here against Varsity, but the Islanders asked that they be allowed more time to prepare, as they started their season later than the locals.

Next Saturday's feature tilt will bring together Ex-King George and B. C. Athletics at the Oval at 3:15 o'clock. Two other senior games are on the card and three intermediate. Frosh and Varsity III will meet in an intermediate contest today at 4 o'clock at the cricket grounds.

Saturday's schedule follows:

SENIORS

Wanders vs. Varsity, 3:15, cricket grounds. Referee A. Hood.

King George O. B.'s vs. U. B. C., 2 o'clock, Oval. Referee R. Bell-Irving.

Ex-King George vs. B. C. Athletics, 3:15, Oval. Referee Jim Underhill.

INTERMEDIATES

Rowing Club vs. Tenex, 2 o'clock, Cricket Grounds. Referee F. C. Underhill.

Ex-King George vs. 72nd Highlanders, 2:30, Strathcona. Referee, Bill Peupere.

HORSE SHOW PRACTICES

Tuesday and Thursday, Nov. 17 and 19—Vancouver rep. team, 6 to 7 o'clock.

Tuesday, 7 to 8—Wanderers.

Thursday, 7 to 8—B. C. Athletics.

Morning Sun. 11-11-25

UBYSEY EDITOR TO ATTEND MEET

UNIVERSITY OF BRITISH COLUMBIA, Nov. 10.—A. Earle Birney, editor-in-chief of the Ubysey, will leave for Eugene, Oregon, where he will represent the Publications Board of the local university at the Intercollegiate Press convention, to be held Friday and Saturday of this week.

It is probable that he will be the only Canadian representative at the conference. Mr. Birney is a scholarship student, and a well-known member of the senior Arts year.

Morning Sun. 11-11-25

SHELL EXPECTED IN A FEW DAYS

Varsity Oarsmen to Have Barge for Learning How to Row

Varsity rowers will have an eight oared shell when they start intensive training in the near future. This shell, gift of the University of Washington, is awaiting orders of the U.B.C. men to be forwarded from Seattle and should arrive in a few days. Arrangements are being made to house the shell at the Vancouver Rowing Club until the collegians have a boathouse, which will not be until next year as the Government has not come forward with the necessary funds.

Sixty collegians are expected out for rowing and every effort will be made to develop men for next year's competition. A rowing barge to hold 16 men is being arranged for and a platform down the middle will enable the coach to watch the candidates at close range.

Morning Sun. 13-11-25

Varsity To Get Test On Friday

Basket Ball Champions Meet Rejuvenated Team at New Westminster

TWO senior basket ball games are scheduled for the New Westminster Y. M. C. A. Friday at 7:30 p.m. A preliminary will also be played in which the "Y" Intermediates will meet a Vancouver team in the same league. The second game is a Senior "A" Girl league fixture between the "Y" girls and the Ex-North Vancouver High School girls. The North Vancouver team is a new one and the "Y" girls are anxious to take their measure.

The final game is a featured event on which there is considerable speculation. Fans are wondering whether Varsity, the present champions of western Canada, will show as fine form as last season, and whether the "Y" team, who have two new men, will be able to hold the students. In all events this game should be hard fought from the first whistle to the last.

"Y" Girls' line up—Capt. Mary Bryan, Toddy Dockrill, Wanna Strutt, Pat Renny, Vera Bowell and Ethel Ettinger.

"Y" Boys' line up—Bert McDonald, Scotty McDonald, Max Shiles, Doug. Grimstone, Hugh Grant and Fred Lynch.

Evening Sun. 12-11-25

CYRIL MANNING TO LEAD VARSITY SOCCER ELEVEN

Cyril Manning, star centre half of the Varsity soccer team, will captain the squad for the remainder of the season it was decided by his teammates yesterday. Manning formerly played for St. Saviours and made the first team in his Freshman year. Art Mercer was appointed official manager for the team.

Morning Sun. 13-11-25

**U.B.C. DEBATERS
TO OPEN SESSION**

UNIVERSITY OF B. C., Nov. 12.—Inter-class debates at the University will start Friday when the increase of the Labor members of Parliament will be discussed by Arts '26 and Education '26 debaters.

Agriculture Discussion Club members will meet the Freshman debaters next Tuesday while Arts '28 and the Engineering Discussion Club will meet November 20. Arts '27 drew a bye and will meet the winners of the first contest for the right to enter the finals for the Men's Literary Society Debating championship.

Morning Sun. 13-11-25

**COLLEGIANS WILL
SEE LLOYD COMEDY**

UNIVERSITY OF BRITISH COLUMBIA, Nov. 13.—Five hundred Varsity students will turn out en masse next Tuesday night at the Capitol Theatre, when the Freshman, a Harold Lloyd football comedy, will show. The collegians plan to make College Theatre Night a big social event each term and the idea has met with instant approval from the student body.

Arrangements have been made to accommodate the large party together on the lower floor and as an added attraction the Capitol Orchestra will play several college airs.

The party will meet at 6:45 o'clock and march to the show.

Morning Sun. 13-11-25

**MERALOMAS LOSE
TO VARSITY 16-14**

Varsity defeated Meralomas 16-14 in an intermediate men's Vancouver and district basketball league fixture at the Normal gym on Saturday night. Varsity senior A girls should have met King Edward Old Girls but the contest was called off.

**Students
Trim the
Saviours**

**Varsity's Dash and Go Too
Much for Constable,
Butchart and Co.**

**Tommy Wilkinson Scintillates
With Lusty Crosses
From Left Wing**

VARSETY, upsetters extraordinary in soccer, defeated St. Saviours 4-1 in a Pacific Coast League fixture at Athletic Park Saturday afternoon. The students won in their usual headlong fashion, a fashion that makes the wise old soccer critic shake his head and declare "Varsity doesn't play football."

By this he means, of course, that the Students' style is not the orthodox close passing game so dear to the heart of a Scotsman. But they have proved in the past their ability to win games and they did just that again on Saturday.

Saturday's game was interesting to watch all the way. One or two of Varsity's scores were luckily taken but they did have an edge on the Saints all the route and they seized on every chance to break fast for goal.

Saviours scored in the first half, when Hammond and Moffat engineered a two-man dash. Hammond slipped the ball ahead to Moffat who hit just under the crossbar with a fast rising drive.

Constable conceded a corner shortly afterwards and when Rex Cameron slung in a neat cross, Roots pushed it out to Crute's foot and the old boy crashed it into the net.

Shortly after Roots and Tanny Butler collided and Roots was out for a moment. Then Varsity's right wing came down again but when the inside man was set to shoot Constable miskicked and Roots was beaten.

Tommy Wilkinson later went down the left wing—he played outside left—and he crossed to Roots' hands. Again the goalie fumbled and Newcombe rushed in to register No. 3 for the collegians.

The fourth score was similar. Wilkinson, whose crosses were timely and thrustful all afternoon, again went down and crossed to Butler. The centre ran around Constable and shot into an open goal when he drew Roots away into the corner. Moffat starred for the losers.

**VARSITY BEATEN
AT BELLINGHAM**

**Canadians Make Strong
Finish After Bad Start
But Lose 46-6**

BELLINGHAM, Nov. 15.—Bellingham Normal students walked through an inexperienced squad of Canadian ruggers from the University of B. C. here today when they defeated the visitors 46-6 at the American style of game.

The Canadians were completely lost in the first period, when they made many mistakes, which cost them points. But in the second half, when they gained confidence, they completely outplayed their opponents, but did not get any of the breaks and had to be satisfied with one touchdown.

Harry Seed, backfield player of the B. C. University, was the star of the game. Twice he made long runs, once for 40 yards, and he went over for the only try of his team.

Varsity completed two forward passes in approved manner, Currie making the throw to Anderson. The field was heavy, which handicapped the Canadians. Harold McIntyre twisted his knee in the first period. The line showed a big improvement over their work in previous games. Morris at end spilling several of the interference plays by making spectacular dives beneath an opponent.

**Collegians
Beaten at
Royal City**

**Westminster Y. M. C. A.
Lands Senior A Basket
Ball Fixture, 17-12**

NEW WESTMINSTER Y. M. C. A. started the Vancouver and District Senior A Basket Ball League season auspiciously on Friday night by defeating the champion Varsity squad at the Royal City 17-12. The Westminster Y. W. C. A. senior girls also won, accounting for Ex-High School girls of North Vancouver 57-8.

In the men's game the homesters opened the score early when Max Shiles notched a basket with an overhead shot, but Harold Henderson equalized the scores shortly afterward with a long shot from centre. The teams battled furiously until half time, when the scoreboard read 7-7.

Varsity got in front after five minutes of the second half, when Wilkinson converted one of two free throws awarded against McDonald. Doug Grimstone scored on a free throw for the Royals and then Brick McDonald got a basket and the homesters led 10-8.

Newcombe made it even seven again and then Arnold Henderson gave Varsity the lead with another basket. Max Shiles evened the count at 12-all with two free throws and then gave his side the lead with a basket, shot from a good distance out. Fred Lynch next scored with a free shot and Doug Grimstone obtained the last basket from close in.

TEAMS

Westminster — McDonald, Grant, Shiles (8), Scotty McDonald (5), Lynch (1), Grimstone (3).

Varsity—Newcombe (4), H. Henderson (2), Hartley, Butler, A. Henderson (2), Gordon, Turpin, Nesbitt (1), Wilkinson (3).

Westminster Y. W. C. A.—Mary Bryer (14), Pat Rennie (4), Ethel Effinger (10), Vera Bowell (16), Toddy Dockrill (4), Margaret Ryan (6), Wanna Strutt, Sis Gifford (3).

North Vancouver—Bellia Bullock, B. Maveety, Mary Thomas, C. Rae (2), M. Rae, B. Hay (4), V. Robson.

Lange Is Sent Off The Oval

Burly Ruggers Engage In Slugging Match by Way of Variety

Ex-Kings Too Strong for B. C. Athletics in Feature Contest

SPEED and youth triumphed over brawn and experience when the young Ex-King George aggregation defeated B. C. Athletics 8-3 and retained their unbeaten record in the Vancouver Rugby Union series at Brockton Point Saturday afternoon.

King George Old Boys went into a tie with the Athletics for second place when they smothered U.B.C. 26-0. Varsity staged a spectacular finish to beat Wanderers 12-10 in the last second of play.

Ex-King George and Athletics provided the most interesting and hardest fought contest of the season's play in which there was a lot of bitter feeling shown by the players. For the first time in many years a player was ruled off the field when Malcolm Lange, burly forward of B. C. Athletics, was sent to the dressing room for slugging Murray Rowan after a spirited scrimmage near the Athletic line.

SPEED COUNTED

Kings won because they showed more speed, tackled like fiends and showed fight all the way. They scored a try in the first period as the result of a brilliant backfield run nearly half of the length of the field in which Murray Rowan finished off a pretty play. Bob Rowan converted from a difficult angle.

B. C. Athletics carried the fight for the remainder of the period but the fast young opposition smothered nearly all their plays and though on the defensive for most of the period managed to stave off their heavier rivals.

The second period was more open with a rapid exchange of kicks and dazzling passes furnishing many thrills. Athletics finally found an opening when the speedy Hec. Urquhart took a long pass and outfooted three green shirts. Farmer missed an easy chance for a goal. Just before time Kings got their speedy threes moving and Jack Mackay made three more points.

The winners showed the better team work in which the backfield excelled. The two Rowans showed to advantage with their weight and speed. Gyles, Hec. McLean and Barclay were prominent with their speed and hard tackling. The Kings put up a hard fight in the scrum against their heavier and more experienced opponents and held their own.

LACK TEAM WORK

Athletics lost two or three nice chances in the first period when they pressed for several minutes. Their back division never got working properly, though the team never quit fighting. Lewis and Cann were the only one who could break away, though Urquhart got two or three chances to show his speed. Gregor and Gourlay made a strong front line. Ramsell did not show up.

Jim Underhill handled a hard game well. The teams:

Ex-King George—Rob Rowan, S. Angus, McKay, Barclay, Gyles, Murray Rowan, Darts, Hec McLean, Alwyn, Choate, Downie, Gordon McLean, McIlwaine, Oakley, Tiffin and B. Henderson.

B. C. Athletics—Macdonald, Lewis, Horie, Laidlaw, Urquhart, Cann, Lawson, Farmer, Gregor, Gourlay, Baylis, Boyd, Lange, Falconer, Smithers, Decker.

OLD BOYS HAVE CLASS

King Edward Old Boys were at their best against a weakened U.B.C. team and won as they pleased. They were leading 13-0 at the half-way mark. Val. Gwyther did some nice converting when he kicked four goals after tries. Ken Carlisle, former Varsity star, turned out with the Old Boys and added a lot of strength to the team. He scored the first try and Jack Barbarie, who was at his best throughout, got the second. Eccles got the third in the first period. In the second session Stan Allan, Carlyle, again and Gwyther got over the winners.

Clare Underhill handled the game. The teams:

King Edward Old Boys—Cameron, Lithgoe, Hamer, Barbarie, Mahon, Grimmett, Edgett, Rosborough, Gwyther, Mowatt, Allan, Meekison, Eccles, Gross.

U. B. C.—Henderson, Taylor, Murphy, Willis, Tupper, Abernethy, McNeil, Bull, White, Luyatt, Kidd, Davidson, Gordon, Bain and Sparks.

STUDENTS FINISH STRONG

Varsity notched their first victory of the season at the expense of Wanderers, who were leading nearly all the way. The half-time count was 5-3, each getting a try. Pinkham got the first for Wanderers, which Curle converted and the speedy Willis went over for Varsity. Kelly got over for the Students early in the second half and Parker made a try for the white-shirted crew and Curle converted neatly again. Loudon got the winner on a pass from McLean on the last play of the game. Referee Lord called the game immediately afterward.

The teams:

Wanderers—Paterson, Henderson, Roughton, Parker, Leroy, Pinkham, Stoble, J. Martin, M. Martin, Short, Thornton, Robinson, Wilkinson, Fleet and Curle.

Varsity—McInnes, Loudon, Eaton, Willis, Gustafson, Kelly, McLean, McKay, Pottinger, Foerster, McQuarrie, Gordon, Chapprell, Alpen and Dudge.

**Star Half Back of American
Football Team Likely
to Play English**

Harry Seed, star half back of the U. B. C. American football team, may be seen in action with Varsity McKechnie Cup rugby squad on Saturday.

The intercollegiate season in American football is over until next fall, and the big half back has signified his intention of turning out at the next practice.

Seed would be a decided acquisition to the Varsity squad, either in the forward line or back field. He weighs 185 lbs., is a good ball handler, a fine broken field runner and tackler.

In all the intercollegiate games this year Seed has shown outstanding ability. He showed up best against Bellingham Saturday when he scored a try after making a run of 40 yards through the Viking's team.

**Varsity Canadian Ruggers
Will Have to Show Class
in Challenge Tilt**

UNIVERSITY OF B. C. will have to show better form than they have displayed in games with American colleges in order to retain the championship of the Vancouver Canadian Rugby Union when they meet the winners of the regular series in a special challenge match at the end of the season, according to the views of Secretary George Goulding.

Mr. Goulding says that the four teams comprising the Canadian Union are showing such rapid strides at the gridiron game every week that he looks for the winners to clean up when they battle the students for the championship in the grand wind up to the season's activities.

It is just possible that the Canadian Union will receive a challenge from the Ex-King George team leaders at the English code. The Kings were leaders in the Canadian style of game for the past two seasons and some of them feel they would like to take a crack at the winners of the Union this season.

Hyacks and Native Sons, tied at the top of the heap, must win their games next Saturday to keep in the race. Hyacks, who are going at their best stride just now under the coaching of Danaher, meet Maralomas who may be strengthened by the inclusion of Malcolm Lange of English rugby fame. The game is carded for King Edward School grounds. Native Sons will have their work cut out to dispose of Seaforths at McBride Park.

**BILL GRAY TO
LEAD SENIOR B**

M.S. Sun. 18-11-25

**Varsity Senior A Hoop Girls
Will Have Veteran Line-
up Tonight**

Bill Grey, star player of the Varsity Senior B basket ball team, was chosen captain of the squad by his teammates last night. Gray played for the Burnaby High School five when they annexed the junior title in 1923.

The U.B.C. team should do well in the city series this season, as Ornluf Aune, Russ Robinson, Bill Thomson and Norman McDonald are all from last years squad. Hubert King and Otto Gill are also signed up, but they may make places on the Senior A team. Allan Gibson is another high school recruit and starred with King Edward Seniors last year. Jack Swanson is a graduate from the Intermediate B team and captained his squad to the city championship.

Kenny Stewart will captain the Intermediate A team when they take the floor against Hyacks on Thursday evening at Holy Trinity Gym.

Kenny is a former Columbia College senior team captain and has four years' experience at the game. The line-up of this year's team will include Kenny Stewart, Bill Ingledew, Lloyd Rees, Al Crawford, Ed McLean, Gordon Gillespie, Hec Munro and Jack Legg.

The Senior A Girls will present a veteran line-up against the championship Y team tonight at 8 o'clock at the Y.W.C.A. The line-up will include Doris Shorney, Gay Swencicki, Jennie Wikinson, Winona Straight, Flora Musgrave, Marjorie Bell, Jean Carlaw, Katherine Reid and Isabel Russell.

Jean Carlaw is a freshette who is showing real class and should do well in senior company. She is a former King Edward star.

**U.B.C. VIGILANTES
TO ENFORCE RULES**

UNIVERSITY OF BRITISH COLUMBIA, Nov. 17.—The last meeting of the Students' Council of the University appointed G. Abernethy convener of the committee on trust funds, and F. Guernsey, J. Oliver and T. Taylor to assist him. The Rowing Club budget of \$700 was passed.

It was decided to appoint a vigilance committee to assist in the enforcement of student discipline.

The Theta Epsilon Sorority was granted the use of the University name and crest. Tommy Taylo and Flora Musgrave were named a court to try students brought up for breaches of rules on Friday noon. *M.S. Sun. 18-11-25*

**U.B.C. DELEGATE
RETURNS FROM MEET**

UNIVERSITY OF B.C., Nov. 18.—A. Earle Birney returned from the intercollegiate press conference in Oregon Monday. *M.S. Sun.*

Representatives were present from British Columbia, Nevada, Corvallis, Californian Grizzly, Stanford, Southern California, Evergreen, Whitman, Daily California, Willamette, Oregon, Washington, and Montana.

The size of the colleges represented varied from Southern California with 12,000 to Willamette with 550. The last named college distinguished itself by having the only woman editor present. Mr. Birney took a prominent part in the discussions.

**STUDES TO GIVE
CHRISTMAS PLAYS**

M.S. Sun. 18-11-25

**U.B.C. Dramatists to Open
Season With Series of
Productions**

UNIVERSITY OF B. C., Nov. 17.—Tomorrow night will take place the first performance of the 10th annual presentation of the Christmas plays. These plays are always an important event to the student body and to the dramatic public, serving as they do as an indication of the ability of the new material of the Play-ers Club.

The members have been working diligently in preparation for the plays under the supervision of Mr. Wood, Prof. T. Larson, Prof. A. F. E. Clark and Prof. E. Soward.

STARS SELECTED

Miss Meredith will be the attraction in the "Second Shepherd's Play," following her success last year. This is a 15th century miracle play, a pageant full of color and of interest to students as a perfect example of its literary type.

Milla Alahan will feature in the farcical comedy, "The Man Who Married a Dumb Wife."

As it is the aim of the directors to provide a variation in the four one-act plays, the note of seriousness will be supplied in the third effort, Wyld's "Luck Piece," with its sordid atmosphere of misery and sium life. Les Brown and Isobel Barton have the leading roles.

COMEDY FOLLOWS

To counteract the effects of this tragedy, the final piece is a short and happy comedy of the Court of Henry VIII.

The Thursday and Saturday performances are exclusive to students, while the Friday show is for the invited friends of the members.

The university orchestra will be in attendance as usual.

Morning Sun. 19-11-25

**STUDENTS TO HEAR
VOCATIONAL TALKS**

UNIVERSITY OF BRITISH COLUMBIA, Nov. 18.—To provide students with an opportunity to select a vocation by which they will profit from their University work, and to assist them in choosing courses with the end of a definite vocation in view, the Administration is conducting a series of weekly vocational lectures by members of the faculty.

Today Dean R. W. Brock of the Faculty of Applied Science spoke on "The Vocations Open to the Graduate in Applied Science." The lectures are given weekly, at Wednesday noon.

Prof. E. W. Duckering, head of the department of Civil Engineering, addressed the members of the Engineering Discussion Club at noon today. His subject was "The Engineer and His Problems."

Morning Sun. 19-11-25

**STUDENTS WILL
BE MINUS M'LEAN
IN RUGGER BATTLE**

Varsity will face Vancouver rep ruggers in the McKechnie Cup game on Saturday at Brockton Point without its captain and wing forward, Johnny McLean. This player has an infected hand, hence his inability to turn out for the Students. He is a rather unlucky player, for he played under a handicap a good part of last season. His absence practically paves the way for the inclusion of Seed. *19-11-25*

Arts '27 defeated Science '26 and '27 in two straight pulls in the tug of war series at U.B.C. on Wednesday.

Joyous Students Hold Up Traffic

Big Theatre Night Draws Crowd to Streets

Having skipped a year of their annual "night out," students of University of British Columbia put just that much more pep into their big theatre night and street demonstration Tuesday evening.

In spite of the heavy Scotch mist, amounting almost to a downpour at times, they got away with a riotously good time.

More than 1000 men and women of the University and their friends took part in the celebration.

Following the doings at the Capitol Theatre, where, according to the official report, "a good time was had by one and all," the students took to the streets in a parade three whole blocks long and disrupted street car and automobile traffic while they sang their songs and yelled their yells.

Street traffic of all kinds was halted for a time, but the collegians were on good terms with the police and when asked "in the proper manner," allowed street cars to proceed, although they exercised their own sweet will in the case of irate motorists and on occasion went so far as to pick cars up bodily and carry them out of the way.

Co-eds were active in the ceremonies in the theatre and on the

street and took part in the snake dance and yelling. They also joined the men in the visit to Chinatown, where hundreds of Orientals flocked to the streets to see what the excitement was all about.

Starting the march on Seymour Street near the Capitol Theatre, the students paraded through the Hotel Vancouver, where they gave frequent demonstrations with their songs and yells.

Not satisfied with visiting one show, they stormed the doors of the Strand Theatre and snake-danced through the aisles. They were loudly applauded by the patrons of the theatre.

As they marched through Hastings Street they determined to visit the Pantages Theatre and once again halted the performance, while the audience welcomed them cordially.

Three Artists at Varsity Musicale

The Musical Society of the University of B. C. have arranged a delightful programme for their annual Christmas performance. Three well-known artists, Miss Rose Marla, pianist; Miss Mary McCoy Jameson, soprano; and Mr. Harold Taylor, cellist, will take part in the performance in the auditorium of the University at Point Grey, on Monday, November 23.

VARSITY MEETS SAINTS IN CUP TILT SATURDAY

There will only be one game in the Pacific Coast Soccer League next Saturday. This will bring together Varsity and St. Andrew's in the McDonald knock-out competition at Athletic Park, at 2:30 o'clock. Referee Armstrong will handle this tussle and Saints expect to have Sheldon out.

VARSITY SCORES IN NEW PLAYS

Opening of Christmas Series Attended by Faculties

UNIVERSITY OF B. C., Nov. 20.— Before a critical and appreciative audience the University Players last night staged their Christmas plays in the new auditorium. Members of the several faculties and students filled the seats, the general public being excluded this, the "first night."

The "Second Shepherd's Play" and the "Luck Piece" were the features of the evening. The latter was an ambitious undertaking, for the line between the sublime and the ridiculous is uncommonly finely drawn in melodrama.

STUDENTS SCORE

H. L. Brown and L. E. Howlett managed, however, to depict the sodden toughs of a small American seaport with a sincerity that carried them through their difficult parts, while Isobel Barton impersonated a scheming old woman with remarkable fidelity.

Of a very different type was the "Second Shepherds Play," a fifteenth century miracle play of the general type of "Everyman," filled with the atmosphere of mediaevalism, again a difficult medium for such very modern young people as G. D. Telford and Honor M. Kidd. Enough to say that they succeeded in preserving it.

The lighting effects were well conceived and carried out.

PLAYS WELL STAGED

From ancient Jerusalem to the rollicking farce, "The Man Who Married a Dumb Wife," was the enormous transition now demanded of the audience, which cheerfully adjusted itself to the lighter mood engendered by Anatole France's two-act comedy. Here Paul Murphy and George Vincent were found equal to the occasion with Milla Alihan delightful in the title role.

Back to the Middle Ages again in "The Fatal Rubbers," a short play of Baring Gould's placed in the period and court of Henry VIII. May

Christison carried off well the part of Catherine Parr who, as most of us may have forgotten, was the sixth wife of bluff King Hal, adequately performed by Willoughby Matthews.

PROF. WOOD SPEAKS

The scene shifting was effected in quicker time than at any previous similar performance. The new stage gave ample opportunity which was taken full advantage of, to produce elaborate setting and lighting effects. W. Kelly supervised the scene shifting, Grace Hope the properties, Elsie Rilance the costumes and Ed. Chamberlain the lighting.

Prof. F. G. C. Wood, honorary president and director of the club since its inception, officially opened the theatre to regular student functions.

Evening Sun. 20-11-25

Musical Society Of University Concert Tonight

The University of British Columbia Musical Society is presenting Mary McCoy Jameson, soprano, in a concert at the University Auditorium, Point Grey, this evening, at 8 o'clock.

Assisting artists will be Miss Rosie Marin, pianist, and Mr. Harold Taylor, cellist. The accompanist will be Mr. Ira Gilworth. Proceeds will go toward the University library.

All-Star Teams in Cup Game

Varsity and 'Rep' Ruggers
Play First McKechnie
Contest Saturday

Teams Look Well Matched
and Fastest Game of
Season Expected

WHEN Varsity ruggers clash with Vancouver "Rep" squad in the first of the McKechnie Cup series at Brockton Point Oval at 2:30 tomorrow afternoon they will have the advantage of team and college spirit, which has pulled the Varsity side out of many a tough battle.

Last season the students won the first game against the Vancouver Union representatives through superior fighting qualities.

"REP" TEAM STRONG

Saturday afternoon Vancouver "Rep" team will have a team which, on paper, looks good enough to clean up. Man for man the Union squad looks superior. It is composed of players who have experience, have shown class in the Miller Cup games and are anxious for victory.

But the "Rep" crew will meet a team which is able to fight all the way, and the game looks like the class of the early season rugby. Varsity appeared to good advantage against Edmonton; in fact, looked better against the Albertans than the "Rep" team. The students showed a fast moving three-quarter line, one which was well drilled and got plenty of protection from the scrum. Pitted against the Vancouver Union side the Collegians will have a much stiffer argument. There should be plenty of open play if the stars perform up to their reputation.

VARSAITY CONFIDENT

Varsity line-up was named after a strenuous workout at Brockton Point yesterday. With the exception of Johnny McLean, who is out of the game with an infected hand, and the addition of Seed of the Canadian football team, who is playing second line scrum, the team is the same as the Alberta game line-up. The Blue and Gold team are confident that they can turn in a win on Saturday as every man is in good condition and eager to start.

The scrum will be hooks, White and Davidson supported by Brock, Kidd and Seed in the second line. The last line will be Bain and Price. The halves are McNeil and Tupper. Kelly will hold down five-eighths, and Loudon, Willis Casselman and Eaton will be on the three-quarter line.

McInnes will play fullback. The spares will be: Forwards, Sparks, and Gustaffson, backs.

Vancouver Union will present a much different line-up from that which faced Edmonton Thanksgiving Day. Prenter will again be at fullback. Gyles, Barry Mahon and Leroy will form the three-quarter line. Grimmer will be at five-eighths. Lawson and Marshall are named as halfbacks. On the forward line will be Val Gwyther, Choate, McLean, Boyd, Gregor, Thornton and Mackison. Spares are: Farmer, Barbaraie, Donaldson and Patterson.

The "Rep" team will meet at the Rowing Club at 1:45.

Former Alberta Star to STUDENTS HAVE A STRONG SQUAD Play for U.B.C. Puckists

VARSAITY'S intermediate ice hockey team should be one of the best the local institution has had in recent years.

The Collegians have lined up a number of new prospects who have experience galore in the puck game. The students meet Seaforths in their first game.

The real find this year is Hugh McDonald, a former Hillcrest, Alberta hockey star. He weighs 195 pounds and should prove the backbone of the Varsity defense. He is a fast skater, a good stickhandler and a hard man to pass. Gerry Newmarch will team with McDonald on the defense. Newmarch was a member of the team last year.

George Eales has been showing enough form between the posts to warrant his choice over the other aspirants.

On the forward line there will be two of last year's team. Don Calvert on the left wing is from last year and is showing lots of class.

Don Farris, another of the last year's team, is on the right wing and has been showing lots of speed in practise.

Harry Davis, a former Revelstoke player, has been chosen for the pivot position as his passes are accurate and he has plenty speed.

STUDENT ACTORS WIN APPROVAL

Big Audience Attends Second Presentation of Christmas Plays

By J. CHELTENHAM

POINT GREY, Nov. 20.—Friday evening the new and beautiful auditorium of the University of British Columbia was filled to overflowing with a brilliant and enthusiastic audience, who had made the pilgrimage from all over Greater Vancouver to witness the second evening's performances of this year's offerings by the University Players' Club.

Much and varied and excellent was the fare provided. Four plays formed the programme; and their presentation, in the matters of staging, costuming, lighting and, of course, acting, reflected great credit on Director F. G. C. Wood, his assistants, Thorleif Larsen and H. N. Cross, and the performers.

PERFORMERS EXCELLENT

These performers — and there were more than two dozen of them — maintained, collectively and individually, a remarkably high level of dramatic excellence. That these were, after all, amateur theatricals seldom occurred to the spectator, and frequently there were achieved moments of real artistry and power that will long remain a memory.

The first offering, "The Second Shepherd's Play," was a beautifully staged enactment of the quaint old miracle spectacle. D'Arcy Marsh, as "Mak" (the sheep stealer), was particularly effective, and Honor M. Kidd, as "Mak's" shrewish wife, J. E. Liersch, G. D. Telford and Phil. L. Elliott, as the three shepherds, Alice Walter, as the angel, and Annie Taylor, as "Marla," provided characterizations that were always in the picture. The lighting was charming, and so was the incidental singing of a choir invisible.

PLAY WELL DEVELOPED

Then came a finely colorful and animated performance of Curtiss Hidden Page's translation of Anatole France's "The Man Who Married a Dumb Wife." This rollicking satire, which presents the picturesque atmosphere and characters of old Paris, was splendidly developed by the evening's largest cast. J. M. Jacobs was a great favorite as the judge, Milla Alihan was tremendously effective as his articulate-dumb spouse. W. F. Gough was the lawyer with distinction, as were George Vincent as the doctor, Bert Bailey as the surgeon and P. Murphy as the apothecary; while Denis White Murphy, R. H. Wright, Doris Clarke, Rosa Marin, Jack Bridges, Gerald Stevens and Phyllis Helmsworth capably rounded out the cast.

Percival Wilde's gripping one-act melodrama, "The Luck Piece," produced the evening's finest acting — acting, in fact, far more fluent and convincing than that revealed by the rank and file of the professionals. H. L. Brown, Isobel Barton and L. E. Howlett are to be warmly congratulated for the major part of the success of the performance. The "Albert" of the first-named was a vivid portrayal, strong, restrained and balanced; Mr. Howlett's bewildered, drunken "Tom" was to the life; while "Annie" of Miss Barton was so powerful and yet so immaculately drawn as to make for one of the most brilliant characterizations the writer has ever seen.

MUSIC APPROPRIATE

Aiding and abetting these three in the splendid development of the play's murky plot were W. Kelly, as the sailor, and G. Knox and W. J. Masterson as the two police officials.

An adaptation of Maurice Baring's delightful diminutive drama, "The Fatal Rubber," was then performed, in a richly regal setting, by a clever quartette of players, costumed equally royally: Willoughby Matthews ("Henry VIII"), May Christison ("Catharine Parr"), Joan Meredith ("Elizabeth") and Jack Nash ("Edward"). By acting true — Oh, how true! — to life this able cast gave (bizarrely, in Tudor surroundings) a

spirited and potent indictment of the Animus of Bridge.

During the evening pleasing music was furnished by the Musical Society's orchestra, under J. C. Kania's direction.

Students Too Good for

ARKLEY SCORES TEN FOR LOSERS

Rowing Club Basketeers

VARSIETY'S fast stepping Senior "A" basket ball team had no difficulty in disposing of the Rowing Club squad Saturday night at Y.M.C.A.

The Collegians hit their winning stride from the very beginning, leading 15-9 at half time. When the final whistle blew the score stood 36-12. Heily Arkley was in great form for the Rowers and it was his superb shooting that gave the slubmen 10 of their points. Bill Turpin playing his first game in senior company made an impressive showing, scoring eight points for Varsity. Tanny Butler also annexed eight points. The lineup: Varsity—Wilkinson (7), Butler (8), H. Henderson (6), A. Henderson (4), Newcombe (3), Turpin (8), Hartley(1), Nesbitt (1). Rowing Club—Arkley (10), Olson, McAdam, Drost, Lane, Boyd, McKay.

Varsity's Intermediate "B" team went down to defeat before the heavier Westminster Adanacs 16-9. The game was strenuous and rough in spots.

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, Nov. 20.—Eight hundred students attended the Pep Meeting held in the Auditorium at noon today in connection with the McKechnie Cup rugby game tomorrow. Gerry Stephens, Class President of Arts '28, opened the meeting, introducing Jim Scott, University Rugby Coach. Mr. Scott talked briefly on the merits of the game, and called all the team men up to the platform, introducing them in turn. The Farmer Skit, by two male songsters, and the girlish affair by the Murphy Twins, provided the comedy features of the event, while Art Stephenson gave a piano solo, a Mr. Stephens announced "a performance of a new art by unknown artists," whereupon six Freshettes gave a novel imitation of the Charleston. The class will lead a big parade from Recreation Park to the Brockton Point grounds tomorrow, and will later hike to the park Pavilion.

J. Mulege of the B. C. Producers' Bureau, addressed thirty members of the Mens' Literary Society this afternoon. Mr. Mulege outlined the work of the Bureau, and gave some reasons why students should "buy B. C. goods." He described at length the natural resources of the Province. Eric Dunn, president of the society, was in the chair.

LOCAL ARTISTS PLEASE HEARERS

Auditorium Is Scene of Enjoyable Musical Recital

UNIVERSITY OF B.C., Nov. 24.—Mary McCoy Jamieson, soprano, Rosa Marin, pianist, and Howard Taylor, cellist, local artists, delighted an appreciative audience at the University Auditorium tonight at the annual Christmas concert of the University Musical Society.

Miss Jamieson gave a delightful performance. Her first effort included Lungi dal Caro Lune (Fleggh), O, Sleep, Why Dost Thou Leave Me (Handel), Shepherd, Thy Demeanor Vary (H. L. Wilson).

Miss Marin, a student, and popular artist, was well applauded and often encored. Her initial rendering was Rhapsodie Hongroise (Liszt).

With Mr. Taylor as accompanist, Miss Jamieson next gave another number, followed by two exquisite cello solos by Mr. Taylor, one from Ira Dilworth and the other the Sonata Op. 36, Allegro Agitato (Gritdt).

Miss McCoy now gave Villanelle's Del Aqua, Massenet's II est doux, il est bon, Saen's Air du Rossignol, The Fisherman, and as a novelty, hummed A Nighingale Wooling a Rose, and finally, O Thou Roving Field of Golden Stars (Rachmaninof). She was forced to return to give Bantock's Yung Yang and H. T. Burtleigh's The Sallor's Wife.

Students Will Field Their Strongest Fifteen in Tisdall Rugby Series

High Schools Final Saturday; McKechnie Cup Contest at Point Dec. 5

VARSIETY will have one team only in the Tisdall rugby cup series. This was announced at Monday's executive meeting of the Vancouver Rugby Union. The competition will begin on December 12, and the draw will be made next week. Varsity will entertain Victoria at Brockton Point on December 5 in a McKechnie Cup clash.

Prince of Wales and King George High Schools will meet in the High Schools' rugby finals at Brockton Point on Saturday at 1:45 o'clock. The winners get the New Zealand Shield and qualify to meet the victors in the Victoria series for the Thompson Cup, emblematic of the Provincial championship.

There will only be one other contest on the Oval on Saturday and this will bring together two senior teams, Varsity and King Edward, at 3 o'clock, with Art Lord as referee. There will be two senior games on the cricket grounds. Wanderers and Rowing Club will clash at 2 o'clock, with Referee J. T. Underhill officiating, while B. C. Athletics and U.B.C. tangle at 3 o'clock, with R. Bell-Irving in charge.

There will be an intermediate doubleheader at Strathcona Park. Frosh and Rowing Club will meet at 2 o'clock and Tenex and Ex-King George at 3 o'clock. Referees W. Poupore and W. Moore will handle these games respectively.

Wanderers and 72nd Highlanders will practice from 6 to 7 at the Horse Show Building on December 1, while King Edward Old Boys will practice from 7 to 8. Rowing Club, Seniors and Intermediates will practice from 6 to 7 on December 3, while Ex-King George, Seniors and Intermediates will work out from 7 to 8. King Edward Old Boys practice tonight from 7 to 8.

GOSSIP OF THE CAMPUS

University of British Columbia, Nov. 23.—Rumors have leaked out around the campus that the Arts-Science feud will be renewed Wednesday. Both sides are still feeling hot over Friday's contest, ended before a satisfactory conclusion was reached, and it is thought that the battle ground will be shifted to the front of the Applied Science Building.

Art Students gave their rivals a setback today when the Junior Arts team, present holders of the Governor's cup, emblematic of the athletic championship of the University, defeated the combined Science '26-'27 team in straight pulls in the tug-of-war finals.

Koon rivalry is being shown over tomorrow's debate when the Sophomores meet the Engineering Discussion Club in a first round contest. Both sides are keeping their plans secret, but Bill Brown and Harry Warren will likely appear

for Arts and Science respectively. Indications point to a large and partisan audience attending.

HARRY WARREN WINNER

Vancouver Student Realizes His Boyhood Ambition

An ambition formed when Harry Warren was a little boy reached fruition today, when it was announced that he had won the Rhodes scholarship for this year. When Harry first learned there was a Rhodes scholarship he decided to get it and ever since then he has directed his attention toward the goal now achieved.

Harry Warren is just 21 years of age. He will graduate from the University of British Columbia in applied science this year.

He was born at Anacortes, Washington, his parents being there in connection with his father's cannery interests. They had previously resided in Vancouver and came back here three weeks after Harry was born.

Victor M. Warren is Harry's father. The family resides at 925 Nicola street, where they have had their home for the past 23 years. Mr. Warren is retired.

CHOSEN FROM NINE

Mr. Warren was chosen from a field of nine applicants. He is at present a senior student in the faculty of applied science at the University of B. C. He is pursuing a course of geological engineering and will continue his geological studies at Oxford.

Mr. Warren has had a distinguished career in the University here. He was last year awarded the prize

given by the Association of Professional Engineers for the best essay on a geological subject. He also tied for the Swan prize.

He has taken a prominent part in a variety of student activities. He is one of the best all-round athletes at Varsity. In rugby, he has played on the University senior team for the

past two seasons. At the University track meet, 1924, he was track champion. He holds the University record for the 100 and 220 yards. He is this year president of the men's grass hockey club. He is also well known as a cricketer outside the University, having played for British Columbia in the Western Canada cricket tournament in 1923.

He has been a member of the University Players club during the whole of his course and filled important roles in the plays presented each year.

The bulk of the fortune of the late Cecil Rhodes, who died 23 years ago, was left for the purpose of founding these scholarships which are for the purpose of promoting a better relationship and a more complete understanding between Great Britain, the overseas dominions and the United States.

STUDENT TELLS OF BAYCHIMO TRIP

Donald Gillingham Describes Adventures in North to Kinsmen Club

Donald Gillingham, student of the University of British Columbia, and a member of the crew of the Baychimo which was lost for a time this fall in the Arctic Ocean, outlined the habits and customs of the natives in the Arctic Circle, Tuesday night, at the regular meeting of the Kinsmen Club at the Ambassador Cafe.

Telling of the trip of the Baychimo, Mr. Gillingham stated that there are only about 100 whites in the Arctic Circle.

SAW MANY FLOWERS

Point Barrow has the largest "city" in the North, there being 25 whites. Here, according to the speaker, there is a modern school, hospital and church, in spite of the fact that it is the most northerly point of the continent.

The speaker stated that the Arctic territory is not a sheet of ice and told of the great fields of flowers he saw while on the trip. He said that daisies grew by the acre.

Civilization is reaching the most northerly Esquimaux, he said, and they now live in tents and large numbers use rifles. Furs may be obtained from them for practically nothing, he said.

NATIVES CURIOUS

The Baychimo was the first steel ship that most of the natives had ever seen and was the second boat to enter the waters of Northwest Bay and Cambridge Bay.

Mr. Gillingham said that it was an act of Providence that the crew of the Baychimo had escaped from the ice field. He said that the escape was due to a heavy wind which, in less than 48 hours, cleared the water of ice.

U.B.C. TEACHERS 1447 STUDENTS

Nearly 1000 Are From Greater Vancouver

VICTORIA, Nov. 25. — There are 1447 students enrolled at the University of British Columbia this year, according to information filed with the legislature yesterday by Hon. Dr. J. D. MacLean, minister of education.

Of these 962 are residents of Greater Vancouver and only 47 come from outside the province. The others come from 104 different places in British Columbia.

The annual cost per student, exclusive of capital expenditure, is \$447 and each student pays \$100 a year tuition fees, except in Applied Science, where the fee is \$150.

Of the 749 graduates up to 1924 no fewer than 520 are still residents of the province, 81 of other Canadian provinces, 112 in the United States, of whom 28 are taking post graduate courses, 26 are in foreign countries and 10 have died.

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, Nov. 25.—The Students Council of the University has declined the proposition of the Native Sons of Canada to send a lecturer to the college to promote an affiliation with the student body.

C. M. Woodworth wrote recently making this request, emphasizing the importance of the study of Canadian civics, literature, history and economic geography in Canadian institutions of learning.

DEFINITION OF FITNESS

Definition of fitness of a Rhodes scholar is as follows: Ability in scholastic attainments; force of character and capacity for leadership as shown by "manhood, truth, courage, devotion to duty, sympathy for and protection of the weak"; manliness, unselfishness and fellowship; physical vigor as shown by "fondness and success in manly outdoor sports".

The scholarship is held for three years and is of the annual value of \$2000. Mr. Warren will take up residence in Oxford in October, 1926.

The committee of selection is composed of Hon. Mr. Justice Gregory, chairman, and Messrs. H. R. Bray, D. N. Hossie, H. T. Logan and E. A. Munro.

F. J. BRAND WINS I.O.D.E. SCHOLARSHIP

Frederick J. Brand, a graduate of the University of British Columbia, where he was a member of the Undergraduate Society, has received the nomination for the first scholarship presented by the I.O.D.E. War Memorial Committee in this province. He is a Victoria boy, although at the present time he is studying at the University of Washington, where he won a fellowship and is completing work for his master degree in Applied Science.

The scholarship award announced Wednesday will enable him to study for one year at Cambridge and has a value of \$1400.

Milligan to Play Against The Varsity

Saints Will Field Their Strongest Lineup of the Season

Varsity and St. Andrews, those old rivals in soccer, the clubs, perhaps, from which the fans extra more thrills than any two clubs' teams in the city, meet once again at Athletic Park Saturday afternoon.

This is easily the tit-bit of the day. Varsity have said little above a whisper regarding the personnel for the game, but it is a cinch that Reggie Mosher and that celebrated pair of ecclesiastical fullbacks, Crute and Baker, will require a lot of punishment ere they concede anything.

Varsity will go into the fray with added confidence, for they trimmed the Saintly crew once this season already and have always been a thorn in the side of the Scots.

To offset this, Bob Cavers, peripatetic press agent for St. Andrews Limited, presents the information that the club will be stronger than ever before this season. George Linn will be on the job again at fullback. Norman Sheldon, that fiery Crusader, will be at one of the wing half positions, and little Billy Milligan, fleet of foot and very tricky, will endeavor to keep Fred Wilson occupied from his inside right position.

In fact the Saints will present the eleven which the directors expect will carry the colors of Vancouver Scotsmen right to the finals of the Connaught Cup.

It should be the most intriguing engagement of the soccer season and the kick-off is at 2:30.

Varsity Working For First Tests

Christmas Examinations to Be Held Next Week

UNIVERSITY OF BRITISH COLUMBIA, Nov. 30.—A week from today some 1500 students of the university will settle down to the Christmas examinations, marking the end of the first term in the new quarters.

MANY COMPETITIONS

Predominant in student activities at the Capital are the athletic competitions with Victoria teams. The annual McKechnie Cup rugby game is always played on the Saturday, and other sporting events include intermediate rugby, senior soccer, six different classes in basketball, a swimming meet, ice hockey, badminton and rowing, with a possible chance of boxing this year. Outside the Provincial rugby game, these are all specially arranged friendly contests.

Each night of the week there is a dance, including the Friday night event at Victoria High School Gym and the final ball at the Empress Hotel. There will be as usual special travel and hotel rates, from January 3 to 9.

Fred Guernsey, Eric Huestis, and Bill Thompson are supervising arrangements this year, the former as president of the Men's Athletic Association, and the latter two as officers of the Rooters' Club; while Mr. Guernsey and Miss Flora Musgrave, President of the Women's Athletic Association, have been to Victoria to complete arrangements.

VARSITY TEAMS WIN THREE TILTS

Senior Girls Squads Break Even in Saturday's Basketball

Varsity basket ball players won three of four starts in the Vancouver and District League on Saturday night. The Intermediate "A" Boys defeated Rowing Club, 20-13, the Senior "B" Girls' squad lost to Canucks, King Edward Old Girls, 25-3; the Senior "B" Boys won from Meralomas, 30-19, while Senior "A" Girls accounted for Ex-High of North Vancouver, 28-12.

Teams:

Varsity—Williams (6), Berto (4), Rae (4), Swanson, Little (6).

Rowing Club—Seymour (2), Pheris (9), Burd (2), Taylor, Tennant, Shaw.

Varsity Girls—M. Lanning (2), B. Grant, B. Carter, V. Welch, G. Whitaker, D. Allen, D. Patterson (1).

Canucks—M. Brown (15), B. Butler (2), Babe Stevenson (6), A. Hall (2), G. Lewis, O. Walker, T. Raper, E. Baynes, A. Berto.

Varsity—Robinson (6), Swanson, Gray (9), Thompson, Gibson (3), King (2), McDonald (4), Aune (6). Meralomas—Buttan, Maxwell, Edwards, Code (10), W. Edwards (9).

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, Nov. 26.—Varsity jazz hounds will again be conspicuous this year. The "Helix Band," which first came to life two years ago, and since then has made itself famous by its attendance at games and student functions, was reorganized yesterday.

Gus Madely was the unanimous choice for president and Henry Rich was delegated to look after the correspondence and to handle the receipts.

The Saskatoon convention of the Students' Christian Movement of Canada is the next big event on the programme of the local division, and members wishing information have been requested to get in touch with the officers at once. The

business meeting this week wound up the official work until after the New Year, although study groups will be held to the end of the term.

Miss M. Gordon spoke on the coming convention. Miss E. McQuarrie told the members about the Canadian Student, official magazine of the movement in Canada, informing them that contributions to its columns would be welcomed. Charlie Gibbard, president, briefly outlined the financial situation.

R. W. Brock, head of the Department of Geology and dean of the Faculty of Applied Science, spoke at the weekly noon hour lecture today, under co-sponsorship of the administration, on "Choosing a Vocation." He emphasized the importance of university training, showing the high percentage of university graduates who held important positions. Almost every field, he said, needs university men at its head.

Students Prepare For Examinations

First Tests in New Quarters Commence Next Monday

UNIVERSITY OF BRITISH COLUMBIA, Nov. 29.—A week from today some 1500 students of the University will settle down to the Christmas examinations, marking the end of the first term in the new quarters.

After many alterations a definite and satisfactory time-table has been drafted, and the exams will be written more conveniently than on any previous occasion.

The large, airy, well lighted rooms of the Arts, Science, and Agriculture buildings will present a strange contrast to the old Auditorium, into which the majority of the candidates were crowded. The latter was notable for its benches, its planks for desks, its poor heating apparatus, and its totally inadequate ventilation, a combination which made the best work impossible.

THEN TO VICTORIA

Seats and numbers were assigned Friday, and lectures will cease next Friday; the first examinations will commence Monday morning, and will continue from 9 to 12 and 1 to 4 daily except Sundays, to Dec. 17.

After the strenuous fortnight, and the Christmas festivities, the annual Victoria invasion is always eagerly looked forward to, and this

year will be more welcome than ever, following the usual difficulties connected with the occupation of new quarters, and the consequent hampering of social activities.

Annually a large number of students make the trip, and make a real student week of it; and judging by the number who are signing up, this year the representation will be as large as ever.

MANY COMPETITIONS

Predominant in student activities at the Capital are the athletic competitions with Victoria teams. The annual McKechnie Cup rugby game is always played on the Saturday, and other sporting events include intermediate rugby, senior soccer, six different classes in basketball, a swimming meet, ice hockey, badminton and rowing, with a possible chance of boxing this year. CAMPUS GOSSIP

UNIVERSITY OF B. C., Nov. 29.—Student activity took a quieter course this week at the Varsity, the expected renewal of the inter-faculty strife, into which the Agriculture men were to be dragged, failing to materialize. Instead, the hefty Science men betook themselves to the equally vigorous but somewhat less devastating pastime of duck-on-the-rock, while the men of the rival faculty turned their attention to preparing for exams.

The newly appointed vigilance committee got away to a good start when Charlie Rive, prominent member of Agriculture, served on a McKechnie Cup rugby star a summons to appear before the new court next Friday on the charge of smoking in University Buildings outside the common rooms. The court intends to see that all student bylaws are strictly enforced.

Stackroom equipment is now complete, following the arrival of study tables during the week. The tables are of splendid design, with a drawer and bookshelf in keeping with the standard of library equipment in general. The stacks are roomy and the carrels are also larger than at the old quarters, and are equipped with special lockers for use of students. Stack permits have been restricted to graduate and fourth-year honor students this year, the former being entitled to three four-hour periods a week and the latter to two, since 25 of the carrels have been reserved for the faculty, leaving only 15 available for student use. Reference cabinets and other equipment have been installed in the reading room, and notice boards have been set up in the corridors, so that the beautiful library building is beginning to assume something like its final appearance.

The Men's Literary Society were addressed last week by Dr. A. A. Milledge of the B. C. Products Bureau on the subject of British Columbia Industry. Dr. Milledge discussed progress in different industries, and showed that it was economically expedient to buy British Columbia made goods. "The greatest tariff," he said, "is not taxation of goods, but the psychological barrier."

The Student Parliament started last year by the Men's Literary Society will be revived after the exams. It will be run on the lines of regular parliamentary procedure and the general elections are scheduled for early in January. Party feeling is always very strong at the mock sessions, and it is predicted that this year the Science men will turn out en bloc. Messrs. E. Dunn, H. Dee, F. Levers, P. Murphy, F. C. Pilkington and W. Taylor have been instrumental in reviving the body.

The Ubysey comes out with an editorial on the American rugby discussion, which has been interesting city editors. The article points out that if the game is to be adopted, the college must be behind it in force, since, especially in a small college, if the team is to make any headway, solid support is essential. The schedule must not conflict with other branches of sport, and proper equipment must be provided. The writer shows no bias, but suggests that the matter be given the consideration it deserves, and the question be put to the students as soon as possible.

Club activities are largely concluded for the year, the only important event of the week being the resuscitation of the famous "Heinz Band" under the leadership of Gus Madely and Johnny Rich.

Science lost the debate to the Arts Sophomores in the first round of the inter-class competition, the latter proving to the satisfaction of the judges that "an Arts course is more beneficial than a Science course to British Columbia." T. Masterson and F. Pilkington were too much for Harry Warren, recent winner of the Rhodes scholarship, and George Miller.

S.C.M. CONVENTION DURING HOLIDAYS

Annual Meeting of Christian Movement at Saskatoon, December 26

UNIVERSITY OF BRITISH COLUMBIA, Nov. 29.—The local branch of the Students' Christian Movement are preparing for Western Canada Convention, to be held at Saskatoon from December 26 to January 2. Since the first meeting at Lumden Beach, Sask., in 1914, the affair has been held during the summer, but this year the leaders feel that a session during the Christmas term would be an advantage, and the general committee has made arrangements to meet at the University of Saskatchewan this month.

STUDY GROUPS

The programme is varied. Two hours daily will be given to Study Groups, the principal topics under consideration being "National and World Outlook," "The Chinese Crisis and Its International Relations," "The West and Our National Outlook" and "Christianity in Relation to Life."

There will be addresses on "The Work in the Colleges" and "The Meaning of the Students' Christian Movement." For the discussion of local difficulties and special questions of individual delegates, a large part of each afternoon has been set aside.

NOTED SPEAKERS

Several speakers of international repute are expected, including Dr. W. C. Murray, Prof. W. P. Thompson and Prof. J. A. Sharrard of the University of Saskatchewan; Prof. E. W. Sheldon, E. A. Corbett and Miss E. Deadman of the University of Alberta; Prof. R. C. Wallace and R. F. Argue of the University of Manitoba; Dr. H. B. Sharnon of Toronto; Rev. F. A. Cochlin, study secretary of the British Student Movement; Dr. Jessie Allyn of India, Dr. Ernest Thompson of Toronto and the national secretaries.

Delegates will be present from China, India, America, Australia and other countries. Delegates will be guests of the Saskatchewan branch, the men to be quartered at Qu'Appelle House, and the women at Saskatchewan Hall. Special transportation rates will be given under the Western Passenger Association.

Tisdall Cup May Be Played for on The League System

Grounds Question Nigger in the Woodpile; Victoria and Varsity Saturday

THE Vancouver Rugby Union may change the system of play for the Tisdall Cup. This matter was dealt with on Monday night, but a decision will not be made until next week.

It is proposed to have the clubs meet each other once, as in the Miller series, and thus convert the tourney into a league competition instead of knockout. The winners of the Tisdall Cup meet Ex-King George, victors in the Miller event, for the right to tangle with the Victoria champions for the Rounsefell Cup, emblematic of the provincial club championship.

Evening Sun. 1-12-25

There will only be six clubs in the Tisdall series, as Varsity decided to enter only one team. This means the students will be McKechnie Cup strength in this competition.

Whether the change will be made depends on the grounds question. The ruggers relinquish playing rights on the cricket grounds and Strathcona Park at the end of the year. If another ground can be secured or an extension for the use of the cricket grounds obtained it is practically certain the Tisdall series will be played on the league system.

On Saturday Varsity and Victoria clash at Brockton Point in the McKechnie Cup series at 2:30. Either Jim Underhill or E. L. Yeo will handle the tussle.

There will be one Miller Cup game between Ex-King George and Rowing Club at the cricket grounds at 2 o'clock, with F. G. Underhill as referee.

Changes are announced in this week's practice hours at the Horse Show Building. There will be no practice from 7 to 8 o'clock, either tonight or Thursday. Tonight, from 6 to 7, Ex-King George, seniors and intermediates, will work out, while on Thursday, from 6 to 7, Rowing Club, seniors and intermediates, will practice.

Adanacs Receive Varsity

Champion Students Will Endeavor to Stop Winning Streak of Royals

Senior A Doubleheader at the Y.M.C.A. on Saturday Night

NEW WESTMINSTER Adanacs, leading in the Senior A Division of the Vancouver and District Basket Ball League by a clear game, should have their work cut out to maintain their standing in the league tonight when they take on the champion Varsity five at the New Westminster Arena, where the athletes get an opportunity to show all their speed on the big floor.

Varsity is still smarting under the reverse received at the hands of Westminister Y. M. C. A. and will travel to the Royal City on victory bent. The students figure they must stop the fast-stepping young Adanacs if they are to repeat their performance of last season, so will have out their strongest aggregation. Victory for the students will open up the race for all the teams who have hopes of being in at the finish.

Adanacs' second team and Vancouver Y. M. C. A. will meet in the preliminary at 8 o'clock. At the King Edward High School the Y. W. C. A. girls meet King Edward Old Girls in a senior girls' fixture, which promises plenty of action.

Thursday night only one league fixture is billed. Merajmas are at home to B. C. E. R. Friday, the Senior Girls swing into action again when the strong Westminister "Y" quintette visits the Vancouver Swimming Club.

Saturday night two Senior A games and one Senior B will be the attraction at the Vancouver Y. M. C. A. floor. At 7 o'clock Y. M. C. A. tackles Ex-Normal in a Senior B contest. At 8 o'clock Native Sons and Rowing Club battle in a Senior A game, which promises some interesting competition. The final conflict will bring together King Edward Old Boys and Westminister "Y," and the local boys will be out in full strength to give the crack Royal City five a real argument.

President Fred Taylor of the Vancouver and District League has returned from a month's visit to Winnipeg on business and is prepared to take an active part in the doings of the league.

Evening Sun. 2-12-25

BILL PHILLIPS MAY BE OUT WITH VARSITY SATURDAY

Bill Phillips may be able to play for Varsity against Cumberland in the Pacific Coast soccer league fixture at Athletic Park on Saturday. The centre half back has been out with a bad ankle all season. His return would considerably strengthen the students. If he does not play the following will turn out: Mosher, Crute, Baker, Wilkinson, Butler, Manning, Buckley, Newcombe, Cameron, Ledinghaiz. Gibbard.

STUDENT ATHLETES GOING TO CAPITAL

Eleven Contests Will Constitute Varsity's Invasion of Victoria

Eleven athletic contests will constitute Varsity's annual invasion of Victoria. This was definitely decided last night. The party will leave December 30 and return New Year's Day.

The McKechnie Cup team will battle the Victoria Rep squad in a league fixture. A picked Freshman-Intermediate team will meet Victoria College fifteen. Five basket ball teams, three men and two co-eds, will meet Victoria teams. The men's teams are Senior A, Senior B and Intermediate A, and the co-eds are the Senior A and Senior B.

The First Division soccer eleven meets Victoria Veterans in a Coast League game. The intermediate ice hockey sextette will meet a Victoria squad Saturday morning. The grass hockey eleven has also arranged a match. Tentative arrangements have been made to hold a swimming gala with the Victoria Amateur Swimming Club. Rowing has been dropped from the programme.

University Women Club Members Have Christmas Party

UNIVERSITY Women Club members held their pre-Christmas meeting last evening in the auditorium of the Fairview Baptist Church, which was seasonably decorated with the spicy-perfumed chrysanthemums and carnations of Yuletide flavor, with fragrant cedar boughs and a jolly lighted Christmas tree.

The appropriate dignity and intellectual atmosphere which surrounds the University Women's meetings throughout the year was discarded for the evening and merriment greeted the many jovial surprises in store for the guests of the evening. Applause was given to Miss Jessie J. McKenzie in the role of a merry Santy Claus, who bore in her pack a Yule gift for each member.

The graduates of the University of B. C. had the arrangements in charge, when Mrs. W. L. Uglow and Mrs. F. J. Schofield presided at the prettily-appointed table. Mrs. J. W. deB. Farris received the members, with Mrs. R. P. Steeves.

Mrs. F. G. C. Wood arranged a jolly programme of entertainment, which included a popular "Shadow Play" given under the direction of Miss Hazel McLeod, by Miss Doris Fulton, Miss Grace Smith, Miss Margaret Harvey and Miss Laura Mowatt. Mrs. F. G. C. Wood contributed recitations, and Mrs. R. P. Steeves and Miss Bee Timmins songs. A programme of Christmas carols was enjoyed, with Miss Marjorie Agnew at the piano.

A remembrance for the less fortunate of the city was contained in the generous collections of toys, games and books given by the members under the direction of Mrs. F. W. Smeltz, and to be given to the children at the City Crèche at Christmas time.

The club will continue its regular evening meetings the first Tuesday in January.

Evening Sun. 2-12-25

Collegians Entertain Cumberland

Two Coast Soccer League Teams on Island; St. Andrews at Westminster

SATURDAY next, local soccer fans will see the famous Cumberland eleven in action at Athletic Park against Varsity in a Pacific Coast League fixture. Cumberland has yet to taste defeat this season but many local supporters of the soccer code are of opinion they will have to step their best to take the points from the students.

Varsity added several hundred supporters to their large following with their wonderful exhibition of pluck and grit last Saturday in the McDonald Cup tie against St. Andrews when they ran the Scotsmen ragged the last stage of the game. This is the second visit of Cumberland to the Mainland this season and it is expected that Athletic Park will be crowded to the limit when Referee Barron toots his whistle at 2:30.

While local fans are enjoying the tussle at Athletic Park, St. Saviour's will be battling at Ladysmith in an effort to take the points from the home team and North Shore will be the guests of Nanaimo United in a regular league fixture at the Coal City.

Many friends and supporters of both North Shore and St. Saviour's have expressed a desire to visit the Island and see the teams in action on their home grounds and to accommodate those supporters who wish to make the trip, the two teams have arranged with the C.P.R. for the S.S. Charming to make a special trip and will leave Pier D at 10:15 a.m., returning to Vancouver about 9 o'clock in the evening.

A special fare of \$2 has been arranged and tickets may be secured from Spalding's, Lisle Fraser's and Sparling's, or from the committee on the wharf up to 10 a.m. Saturday.

At Westminster, the United are entertaining St. Andrew's in the first game of the second part of the schedule and plenty of action is promised when these two rivals meet, as the result of this game has considerable bearing on the standing of both clubs in the league table. Referee Bowles will be in charge and will get the team in action at 2:30.

Morning Sun. 3-12-25

FRASER STAR IN ADANAC VICTORY

New Westminster Adanacs downed Varsity at New Westminster in a Senior A basket ball game last night 12-8. The half-time score was 7-6. Doug Fraser was in great form for the Adanacs, scoring 8 points. D'Easum and Wilkie also played brilliantly. For Varsity, Newcombe, Wilkinson, Gordon and Butler starred.

New Westminster Adanacs Intermediate A's beat Y. M. C. A., 19-4. W. Myers scored 14 points for Adanacs and H. Myers 1, Stone 4. Pervis and Johnston each scored 2 points for Y. M. C. A.

Teams: Varsity—A. Henderson (2), H. Henderson, Wilkinson (2), Gordon (2), Butler (1), Newcombe (1), Nesbitt, Turpin, Hartley.

Adanacs—Fraser (8), D'Easum (2), Wilkie (1), Gifford (1), Hood, Booth.

Evening Sun. 3-12-25

Varsity To Be At Full Strength

Students Will Have All Regulars Available For Saturday's Rugby Match

WITH several of their cripples back in the game again Varsity ruggers are expected to offer a much stiffer front against Victoria All-Stars in the first appearance of the season of the Islanders in a McKechnie Cup game at Brockton Point Saturday afternoon, than they did against the "Rep".

The student line up was weakened by injuries to players before the game with the Vancouver "Rep" side, but on Saturday a strong team will be placed in the field which is expected good enough to take the measure of the Victoria clan.

Not much is known here as to the strength of the Islanders, but they are reported to be sending a strong side. Judging from the performance of the local teams in the opening cup struggle the visitors will have to have a clever fifteen to gain the verdict. The game starts at 2:30.

Varsity will go into the game with plenty of confidence on Saturday with Ralph Shaw, Casey Casselman and Captain Johnny McLean back in the line up. Shaw played McKechnie Cup last year but has not been out this year due to injuries. He is a fine half back weighing 170 lbs., and a fast, forceful aggressive player both on the defense and offense. Casey Casselman, the big cog in the Students' three-quarter line, is fit and eager to start Saturday. Casey is elusive, fast and above all he makes openings. Johnny McLean, the best all round player on the squad, will be out in his old position at five-eighths. McLean makes a big difference in the line up as he inspires the team with confidence and it might have been a different story against the Vancouver squad had he been directing the play.

Evening Sun. 3-12-25

RUGGERS CALL OFF MILLER CUP TILT

Boss Johnson Will Be Missing When Islanders Tackle Varsity

Victoria All Stars and Varsity will provide the only game at Brookton Point Saturday afternoon when they meet for the first time this season in a McKechnie Cup contest. The Miller Cup match billed between Ex-King George and Rowing Club has been called off owing to the Oarsmen having trouble getting out a representative side, and also on account of the players desiring to see the big affair.

Varsity has completed training and all the stars are in good shape for a gruelling struggle. Victoria is bringing a strong side and one of the most interesting tilts of the season is expected. Boss Johnson, prominent with the Islanders for years, will be missing. The veteran has finally retired and his splendid kicking and tricky running will be missed.

Varsity line up is as follows: White, Davidson, Kidd, Brock Seed, Bain, Gordon, McLean, McKay, Casselman, Kelly, Loudon, Eaton, Shaw, Abernethy.

Evening Sun. 4-12-25

STUDENTS SPEAK BEFORE SOCIETY

Alma Mater Members Hear of Plans for Trip to Victoria

UNIVERSITY OF BRITISH COLUMBIA, Dec. 4.—Tommy Wilkinson, Fred Guernsey and Tommy Taylor were speakers at the general meeting of the Alma Mater Society held in the auditorium at noon today and attended by a large number of students who are interested in the coming Victoria trip.

Mr. Wilkinson, president of the Alma Mater Society, was in the chair, and introduced Mr. Guernsey, president of the Mens' Athletic Association, who has recently been to Victoria to complete arrangements for the event.

Mr. Guernsey outlined the plans of the trip. There will be a big sports card, including two rugby games, a soccer game, a swimming meet, probably at the new Crystal Pool, or at the Y. W. C. A., a men's grass hockey game with a picked team, a ladies' grass hockey game with Victoria College, an ice hockey game against a representative Victoria sextette, and six basketball games.

The social events will include two big dances, one at Victoria High School Gymnasium, and the other at the Empress Hotel. Efforts are being made to have the latter take place on the evening of New Year's day.

Students will leave Friday, January 1, at 10:30 a.m. and return on Sunday.

Morning Sun. 5-12-25

STUDENTS VISIT ROYAL CITY SEED EXTRACTION PLANT

NEW WESTMINSTER.—A number of students, taking the forestry course at the University of British Columbia, came over to the Royal City, Friday afternoon and, under the guidance of Edward Walmsley, Crown timber agent, inspected the Dominion Government seed extraction plant in operation. The students were accompanied by Professor Christie and Professor Knapp, of the University staff, and T. McIlhenny of the Forestry Products Bureau. Mr. Walmsley states the students evinced keen interest in the plant.

WESTMINSTER 'Y' GIRLS DEFEAT SWIMMER SQUAD

NEW WESTMINSTER, Dec. 7.—The Royal City "Y" girls' basketball team recorded its fourth straight win of the season when the Vancouver Swimming Club girls were the victims by 33-8. There was only one team in the picture from the first face off. Sis Gifford was top scorer with 11 points, the other members of the team scoring as follows: Mary Bryer 6, Pat Rennie 6, Toddy Dockrill 6, Grace Mosdell 2 and Wanna Strutt 2.

Jean White scored six points for the visitors, while Maisie Lyons helped herself to a basket.

Next Friday the "Y" girls will tackle Varsity in the semi-wind up to the Y.M.C.A.—Varsity senior boys' contest.

Evening Sun. 7-12-25

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, Dec. 7.—In anticipation of examinations, starting today, very little was done on the social side at Varsity last week, but a number of the clubs are prepared for an early start next term.

The Studio Club will meet on Jan. 6 at the home of Prof. T. Larsen, 1235 Twenty-seventh Avenue West. Invitations have been sent to all the members.

Monitors are still busy lining up their charges. The classes are divided into groups of 10, and one student is held responsible for the group in collecting fees and enforcing discipline. Both the Freshman and Sophomores have been experiencing difficulty in getting in touch with the students.

Preparations for the Victoria trip are complete, and it is expected that a large number of students will take advantage of the annual excursion. Plans were outlined at a general meeting of the Alma Mater Society in the Auditorium on Thursday.

The Swimming Club intends to be heard from, according to the efforts the executive have been making to encourage interest. Strict dieting and training regulations have been imposed all year. Norman Cox is coaching the Varsity water babies and expects them to do well in 10 events at the Capitol. They will have two entries in each event. For the first time the team will be clad in the newly-designed Varsity bathing suits. Chalmer's tank is not available until after Christmas, but the team is training at Canadian Memorial pool.

Miss McLennan sent a special invitation to University students to attend the address she gave on Friday at the Y. M. C. A. She has had 30 years' experience in mission work and gave an interesting account of China.

University students were invited to the International Club's banquet last Saturday at the Ambassador Cafe. Jahinda C. Goho spoke on "India Today."

Dean M. L. Bollert is very active among the women students again this year. Her latest work is a request that all cases of illness among the women be reported to her, especially those of out-of-town students.

Varsity rooters will be making more noise than ever next year. Besides changing the designs in sweaters, the Rooters' Club has ordered official blazers and rooters' hats. The latter are soft felt, half blue and half gold. Yell King Berto is further increasing his staff. A few weeks ago Kenny Stewart was named as an extra hand, but Berto wants another yet. The Pep Band will also be organized by the New Year.

Co-ed debaters have selected their team for the first international contest, to be staged shortly after the opening of the new term. Misses Helen Doble, Helen Littleton, Jean Tolmie and Marjorie Dimmock were selected. Another team will be chosen early in the new year, when the women have an extensive programme.

Prof. F. G. C. Woods requests all members of the Players' Club to hand in at once the names of the parts they prefer to act in the spring play, "Pymgallon," by G. Bernard Shaw. Copies of this play have been put on the reference shelf at the University Library and try-outs will take place soon after the new term begins.

Morning Sun. 7-12-25

Island Eleven Clever

Cumberland Kickers Register Seven Goals Against Varsity Squad

Island Skipper Breaks Nose in Collision But Pluckily Carries on

CUMBERLAND'S soccer eleven, easily the cream of the province from the standpoint of class, defeated Varsity 7-2 at Athletic Park Saturday afternoon before close on two thousand enthusiastic fans. From goal to centre forward, the Islanders looked superior to anything seen at this park for years.

The team play is admirable. The forwards, Fowler, McDonald, Graham, Plump and Hitchins, fit into the play like parts of a perfectly-kept machine. The halves, Brake, Conti and Monaghan, form the best middle line trio in football. Mortimer and Stewart, with Walker in goal, are a stiff last line. Their display of soccer against the fast students was a revelation to the old-timers and easily the best seen hereabouts.

TOO MUCH CLASS

Varsity's rush and kick tactics were useless against the close co-operation and understanding, the anticipation, of Cumberland. Tommy Wilkinson and Rex Cameron were the students' only useful attacking pair. Wilkinson is going better at outside left every week and Cameron was as tricky as usual, although Newcombe was badly off-color inside to him.

Crute and Baker had too much to do, missed doing it often and played too close on Mosher to give the long star a chance. At that, Mosher saved a dozen times and Cumberland's seven goals were, with two exceptions, the kind that no goalie can get.

George Graham gave his best display of the year at centre and scored four goals in addition to feeding his aides persistently and well. Hitchins got one on a corner kick, McDonald one and Capt. Conti, coming back after breaking his nose on Tannie Butler's head, scored from the left wing. Dr. Truesdale spent 15 minutes repairing the broken proboscis and the courageous skipper came back to the field and played like the first class athlete he unquestionably is.

GOSSIP OF THE CAMPUS

University of British Columbia, Dec. 14.—University students but in a quiet week, the major attraction being the annual Christmas exams, which began on Monday and will be concluded on Thursday, although many students have already completed their time table and have earned the right to a few weeks' rest. Many of the out of town members will be returning to their homes for the holidays, but a few will be working up their next term theses for graduation. Most will reassemble for the annual Victoria invasion from January 1 to 3, and on the 4th the college will settle down to the spring grind. The Swimming Club will hold the final try-outs for places on the Victoria team next Wednesday afternoon at the Canadian Memorial pool. Two candidates will be chosen for each event. The women are practicing for their annual grass hockey game with Victoria College women. University sports teams will not generally be engaged in league games during the holidays, but the three soccer teams have not applied for a postponement of their fixtures. The short season of Varsity classes generally makes it impossible for the soccer men to finish their schedules in April, and this year the managers find they will be at sufficient strength to carry on during the holidays.

Victoria Loses To Students

Collegians Open Up Aerial Attack to Beat Island Ruggers 14-6

Visitors Outclassed in Second Period After Having Best of Play

VARSITY'S blue and gold shone resplendent at Brockton Point on Saturday when the Collegians jumped into the fight for McKechnie Cup rugby honors by turning back the invasion of the Victoria Red Shirts 14-6 in the first appearance of the Islanders at the Point this season.

Varsity came from behind to score a well merited victory. They were badly outplayed at first through the better work of the visitors' forward line and the locals were fortunate to go to the dressing room with the half time score three-all.

TEAMS LACK POLISH

But an aerial attack in the second period brought victory to the students after they had been outplayed in the scrum. Some daring passing and tricky running by the threes kept Victoria on the defensive and Varsity got over twice, while Casselman, who was the dynamo of the attack, also added three points as the result of a goal from a placed kick.

Though the teams battled strenuously all the way, there was little to enthuse over, and for a McKechnie Cup contest it was a disappointing exhibition. Victoria was lamentably weak in the back division. They had enough opportunities in the first period to win the game if the threes had given the forwards the assistance they deserved. But Walter Brynjolfson resorted to punting when near the Varsity line instead of passing to his wings and at least four good chances went begging.

INTERMEDIATES OF VARSITY LOSE TO NORMAL FIVE

Normal Intermediate A basketball team handed Varsity intermediates a 40-7 trimming Saturday night at Normal Gym. The half time score was 25-4. After the first few minutes Varsity was never in the picture. Ernie Lee annexed 11 points for Normal, while Henry got eight and McLuckie nine. Stewart of Varsity was high man with three points.

The lineup—Normal; Henry 8; King 6; Lee 11; Grimmet 4; O'Neill 3; McLuckie 9, Varsity; Legg, Rees 2; Gillespie 2; Ingledew, McLean, Stewart 2; Munro, Crawford.

Cougars Are Willing to Appear Here

Washington State College May Meet U.B.C. on January 7

WITH Washington State College's management expressing willingness to meet U.B.C. or any other local team in an exhibition game on their return from Hawaii as they passed through the city Wednesday, those in close touch with gridiron matters at the University are now endeavoring to re-organize the Varsity team to meet the redoubtable Cougars when they land here January 7.

At an emergency conference of the coaching staff held yesterday, the opinion was expressed the Varsity team could be whipped into better shape than they have been all season, provided enough men would be in the city during the Christmas holidays to hold intensive training. With two weeks hard drill and no studies, confidence is expressed that the team could make a good showing against the Cougars, despite their high Pacific Coast conference rating.

The chief difficulty lies in the fact that several of the stars live out of town and contemplate going home for the festive season. Some of these men are the mainstay of the team, but it may be possible to replace them from other lines of sport, who reside in Vancouver. George Anderson, star end and backfield man, goes to Eugene, Ore., Cecil Newby, husky fullback, is scheduled to appear in Chilliwack.

As eligibility does not come into the question, it is expected that a few friendly outsiders can be worked up for the team, if talent cannot be secured at the Varsity. Approval from the Men's Athletic Council must also be obtained if the proposed team be designated U.B.C.

GOSSIP OF THE CAMPUS

University of British Columbia, Dec. 16.—"Bill Tansley", long service janitor of the University, was the recipient yesterday of a fine gold watch, presented on behalf of the students by Gus Madley, who will be ever famous in University history as hero of the well-known "bag pants" incident. U. B. C. co-eds engaged the women of the College of Puget Sound on January 6, in the first women's inter-collegiate debate of the

1925-6 season. The subject is, "Resolved that inter-collegiate debates should be reduced." Misses Doble, Baird, Tolmie and Dimmock will represent the local students. Many Varsity students will renew old acquaintances at the semi-annual Normal dance, to be held in the Alexander Academy on Friday, with Lee's orchestra in attendance. Prof. F. G. C. Wood, director of the Players' Club, announced today the draw for try-outs for roles in the Spring play. Candidates have been divided into groups and are being coached by instructors. Final try-outs will take place in the Auditorium on the afternoon of January 5 and 6. Basketball fans are preparing to give the Kamloops boys a warm reception when they visit the city to meet the blue and gold squad on December 28. The games will start at 7 o'clock, and from 9 to 12 the visitors will be entertained to a dance. Flora Murgrove is anxious that the women of the local college be well represented at Victoria during the annual invasion, January 1 and 3. The grinning team is showing up well in practices, and a large number of candidates will meet at the University on Friday morning for their first practice.

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, Dec. 18.—Examinations at the University of British Columbia have been completed and the students are now on their way to their homes in the various parts of the province. The students will return for their spring classes Jan. 14. During the holidays they will make the annual trip to Victoria, Jan. 1, 2 and 3.

Dr. G. S. Sedgwick, head of the department of English, has been granted special leave of absence to go to Toronto for a series of lectures on Matthew Arnold. He will leave for the East in January.

Dean H. T. J. Coleman, head of the Faculty of Arts and Science and a leader in education in British Columbia, has been asked by the University of Southern California to take classes in education next summer.

Professor M. Sage has been requested by the University of Washington to deliver special lectures on the "History of the Pacific Coast" at the summer session next year.

VARSITY RUGGERS WILL NOT MEET STATE COLLEGE

Barry Gault, captain of the University of British Columbia Canadian rugby team, says there will not be any game with the Washington State ruggers on their way back from Honolulu. He says it would be impossible to get a team together, owing to so many being away on vacation and that it is against the rules of the student council to use outsiders in any kind of sport, league or exhibition.

Further, he thinks it would not do the game any good here to play against such a formidable aggregation as the Washington State presents. The team will be reorganized to play for the B.C. championship immediately after the holidays when the strongest squad possible will be lined up.

U. B. C. Students
Anticipate Jolly
Trip to Victoria

ON NEW YEAR'S DAY a merry party of University of B. C. students, accompanied by Dean M. Bollert and Mr. and Mrs. Paul Boving, will make their annual holiday trip to Victoria. A most interesting programme of sports and social affairs has been planned by the Island hosts and the three days visit will be crowded to the utmost with a variety of entertainment.

Those who have planned to take the trip are:

Miss Kathleen Baird, Miss Betty Killam, Miss Hazel McKenzie, Miss Orlo Hood, Miss Grace Meredith, Miss Alfreda Berkeley, Miss Florence Cassidy, Miss Jean Holland, Miss Lenora Irwin, Miss Undine Howay, Miss Dorothy McKay, Miss Jeanette MacLeod, Miss Elizabeth Vrooman, Miss Doris Allan, Miss Elsie Reid, Miss Ruth James, Miss Doris Bailey, Miss Lorraine Matheson, Miss Lilooet Green, Miss Esther Eddy, Miss Lucretia McClelland, Miss Helen Burton, Miss Jessie McPhail, Miss Veronica McIntosh, Miss Virginia Welsh, Miss Alice Weaver, Miss Mary Carter, Miss Jeanne Carlaw, Miss Gerry Whitaker, Miss Margaret Grant, Miss Mamie Maloney, Miss Ruth Wilson, Miss Trixie Ross, Miss Gerry Ross, Miss Doris Bailey, Miss Isabel Young, Miss Zelda MacLaughlin, Miss Winona Straight, Miss Milla Alhan, Miss Dorothy Russel, Miss Isobel Henderson, Miss Marjorie Menton, Miss Enid Gibbs, Miss Hazel Gilley, Miss Laura-Linda Wood, Miss Wilberta McBain, Miss Ruth Hornsley, Miss Jean Snell, Miss Blanche Almond, Miss Dorothy Henderson, Miss Norma Robarts, Miss Margaret Swaisland, Miss Margaret Keillor, Miss Sadie Boyles, Miss Jean Tottle, Mr. Kenneth Stewart, Mr. Gordon Abernethy, Mr. Earle Birney, Mr. Johnnie Oliver, Mr. William Thompson, Mr. William Murphy, Mr. James Smith, Mr. Dalton Allan, Mr. Eric Huestis, Mr. Johnnie Swanson, Mr. Eddie Mulhern, Mr. Rose Tottle, Mr. Effie Chapman, Mr. William Weeks, Mr. Robert Wright, Mr. Arnold Rilance, Mr. Cameron Dorerer, Mr. Johnnie McLean, Mr. Donald Farris, Mr. Joe Bishop, Mr. William Masterson, Mr. Gerald Stevens, Mr. Leslie Brown, Mr. Richard Davidson, Mr. Howard DeCew, Mr. Philip Elliott, Mr. Frank Fournier, Mr. Arthur Madeley, Mr. Borden McIntyre, Mr. William Ingledew, Mr. Charles Mottley, Mr. Hector Munro, Mr. Allison Maxwell, Mr. Gaundrey, Phillips, Mr. Jack Shakespeare, Mr. Max Wright, Mr. Ralph Ball, Mr. Douglas Telford, Mr. William Turpin, Mr. William Sparks, Mr. Jack Wilkinson, Mr. Casey Castleman, Mr. Harold McWilliams, Mr. William Bell, Mr. Russell Robinson, Mr. Robert Gillespie, Mr. Kenneth Eckert, Mr. Thomas Taylor, Mr. Fred Guernsie, Mr. Thomas Wilkinson, Mr. D'Arcy Marsh, Mr. Charles Swannell, Mr. Howard Eaton, Mr. Bert Tupper and Mr. Thomas Berto.

CAMPUS GOSSIP

UNIVERSITY OF BRITISH COLUMBIA, Dec. 20.—With the last examinations concluded, students will relax for a fortnight before returning to the spring grind. Thursday was the last day for examinations, although in some cases the tests have been held over to January. About forty per cent. of the students are from outside points, and have returned to their homes for the vacation.

Final preparations have been made for the Victoria trip, and it is expected that Varsity will have a bigger representation than ever at the capital this year.

During the holidays, students will keep in touch with each other through athletic contests with outside teams, while a few of the societies are carrying on their programmes as usual.

Among the latter is the Outdoors Club. These Mountaineers carry on a big programme of hikes during the year, chiefly to their cabin on Grouse Mountain. Two years ago the cabin was demolished by fire, but the hikers soon replaced it by a larger and better structure. The club has on its schedule a hike to the cabin for December 21. Members are especially reminded not to forget "grub and blankets," lack of which would obviously be somewhat annoying. Doug. Stevens, Gab. D'Aust and Miss Claire McQuarrie are in charge of arrangements.

Arts '27 are assuming their dignity by urging all their members to wear gowns. These garments have not been as popular at the Point as they were at Fairview in previous years.

The Spring Performance will be the big concern of the University Players Club from now on. Groups have been arranged for try-outs, and the selections will be made early in the new term. The executive will meet in the Green Room immediately after the reopening, January 6.

F. G. C. Wood announces the annual competition for the fifty dollar prize offered by the Players Club for the best one act play submitted by a registered student before September 30, 1926. If the quality of the pieces merit it, the winning entry is performed at the Christmas Plays. This year no award was made. Any student is entitled to submit one or more plays.

The Biological Discussion Club will meet on the evening of January 4, to discuss the topics of "Multicellular Plant Parasites" and "Multicellular Animal Parasites."

A vote will be taken through the columns of the "Ubysey" early next term on the question of whether or not the undergraduate body desires the exclusion of advertising matter from this year's Annual. Miss Wannetta Leach, Arts '26, last year's assistant, is editor.

"Bill" Tansley, popular janitor and caretaker at U. B. C., was presented last Tuesday with a beautifully engraved gold watch from the students of the University. Bill has for the last ten years been a faithful and cheery servant at the college.

Coaches Rounding Out Fifteen to Oppose Olympics on Friday

UNIVERSITY OF BRITISH COLUMBIA will present the strongest rugby lineup this season against the Olympic Club of San Francisco on Saturday unless accidents in workouts upset the plans of Coaches Bill Scott and Farquharson. Dick Davidson and Cecil Whyte are the probable hooks in the scrum, as both have been filling these positions well in practice.

Sparks has recovered from the injuries received in the McKecknie Cup game against Vancouver, and his prestige will give the scrum the necessary strength at lock. Brit Brock, Pete Price, Bill Bain and Harry Seed are out for the other scrum positions, and are showing up well in practice. Ralph Shaw is first choice for scrum half, while Captain Johnny McLean will be wing forward.

Harold Kelly is practicing at five-eighths and in all probability will be at that position for the big game. Bert Tupper and Pat Taylor are both turning out for the wing three-quarter place left vacant by Tommy Loudens' injury. Both boys have speed and are good tacklers and ball handlers. Ralph Casselman, Ralph Willis and Howard Eaton will constitute the rest of the threes. Tike Abernethy will be out at full.

LOUDEN WILL BE
ONLY ABSENTEE

Varsity Ruggers Prepare Carefully for Visit of U.S. Olympics

Varsity ruggers are leaving no stone unturned in their endeavor to be in the best possible form to meet the fast-stepping Olympic Club team on December 26.

The Collegians are out every day at King Edward High grounds and with the exception of Tommy Loudens, who strained his shoulder in the game against Victoria, they will present their usual McKecknie Cup lineup.

Louden's absence will be a distinct loss to the team, as he has been a consistent performer all season.

The Blue and Gold lads feel they were somewhat stale when they went down to a 9-0 defeat last year and every effort is being made by both coaches and trainer to see that the team does not suffer from overwork again.

Ralph Shaw has fully recovered from a strained tendon and is out in his old position at scrum half. He is an asset to the team as he is always in the play and, moreover, is speedy, courageous, and a good ball handler.

Tike Abernethy has everything a full back needs. Coach Jim Scott is confident that he will play up to expectations, as he has shown that he can tackle, kick and carry the ball well.

Hand Top Scorer for Winners in Basket Ball Encounter

KING EDWARD OLD BOYS tossed a bombshell into Senior A basket ball circles when they handed Varsity a 29-20 trimming last night at the King Edward gym. The former High boys checked so closely that the Blue and Gold squad never really got going.

The score at half time stood 12-10 for the Old Boys. The Old Boys ran in five points at the start before Varsity scored a basket. Early in the second half the Old Boys widened the gap, due to the fine shooting of Hand, McLean and Lewis. A few minutes later Varsity brought the score up to 23-20, but the Old Boys got three baskets in quick order and the collegians were unable to come back before the final whistle.

Grant, Hand, Lewis, McLean and Hall all played stellar basket ball for the Old Boys. H. Henderson, Turpin and Newcombe starred for Varsity.

The lineups: King Edward Old Boys, Grant (4), Hand (3), Lewis (6), McLean (6), Hall (4), Duff (1); Varsity, Turpin (2), Nesbitt (3), Newcombe (2), H. Henderson (7), A. Henderson (2), Hartley (3), Gordon (1), Butler, King.

Doo Dads downed King Edward Old Boys, Senior B, in a preliminary, 17-6. Warne was high man for Doo Dads with seven points, while Thompson and Stevenson each got five. Grant got four points for K.E.O.B.

The line-ups: K.E.O.B., Grant (4), Scott (2), Mahon (2), Cross, Duff; Doo Dads, Warne (7), Thompson (5), Stevenson (5), Miller, Eldridge, May.

Normals almost tripped the score on Rowing Club in an Intermediate A game, winning 34-13. Lee was the outstanding player on the floor with 16 points, followed by Henry with 12. The line-ups: Normal, Lee (16), Henry (12), McLuckie (6), King, O'Neill; Rowers, Purviss (8), Carter (2), Seymour (2), Taylor (1), Aird, Shaw.

Westminster Y girls defaulted to Canucks and Pollyannas of Turner's Institute provided the opposition in an exhibition game. Alice Berto played for Pollyannas as they could only field four players. The final score was 25-12 for Canucks. Mae Brown was high scorer for Canucks with 13 points.

The line-ups: Canucks, Mae Brown (13), Gert Lewis (5), Bernice Butler (4), Babe Stevenson (3), Olive Walters; Pollyannas, Alice Berto (2), Jo Berutti (4), B. Stewart (2), M. Thompson (4), Nora Berutti.

OLYMPICS TOO WEIGHTY FOR VARSITY BOYS

m. Sun. 27-12-25
Californians Run Up Score of 18-8 in Second of Christmas Week Rugby Encounters.

Blue and Gold Handicapped by Early Injuries to One Player and Hurts Later to Louden.

DISPLAYING a crushing offensive, scoring six tries, California ruggers rushed the fighting University of British Columbia off its feet to score a well merited victory 18-8 at Brockton Point Saturday afternoon in a game which was much harder fought than the score would indicate.

For fifty of the seventy minutes of play the students, though handicapped by playing a man short for the greater part of the fray, fought off the steady rushing of their heavier opponents and were leading 8-6 when the Americans opened an offensive which could not be stopped, and they rattled up twelve points in less than twenty minutes.

STRONG IN SCRUM

California were much too strong in the scrum for the light but hard-tackling young Varsity players. In the backfield the locals were superior but got few chances to shine owing to the forwards failing to give them the ball. Two of the most brilliant backfield plays seen on the local field this year, when the spectacular Casselman and the speedy Eaton carried the ball from near centre field on each occasion, kept the Varsity boys in the battle.

Varsity were handicapped all the way. They looked like mites beside the big giants in the Olympic front line. They lost Willis, one of the speediest threes in the game, early in the fracas, when he received a nasty cut under the left eye when making a flying tackle. Louden was injured when he hurt his shoulder in a desperate attempt to capture a flying ball in the second

m. Sun. 27-12-25

half and had to be carried from the field.

The Olympics were superior but the locals battled them for every inch of ground that they gained and did not yield until the dying moments of the game when they were completely exhausted. Brilliant playing of Abernethy at full back, the tricky running of "Casey" Casselman, who played one of the most effective games of his career and the thrilling runs of Eaton, who scored both tries, and the gameness of the forwards saved the Collegians from a worse defeat. They led 5-3 at the first breather, though they had much the worst of the exchanges.

Olympics looked much better than in their opening appearance because they were getting the ball out of the scrum and gave their threes a chance to shine where Leistner, Doe, Hunter and Colley proved effective. Klein, a stockily built athlete, playing his first game of rugby, showed splendid form at full back. He catches well, kicks with either foot and shows all the style of an American rugger in rushing back the ball.

But it was on the forward line the visitors excelled. Slater, Cashel, Farrish and Hannon, who towered over their checks, were hard to stop. The flying Manelli, was a so very prominent, his dribble half the length of the field being chiefly responsible for a pretty try near the end of the game. There were many casualties and frequent stops for repairs owing to the hard tackling. The Olympics failed to convert one of their six tries. First Klein tried in vain and Doe was no better.

Jim Underhill handled the game well. The teams:

Olympics—Klein, Kelly, Leistner, Doe, Hunter, Colley, Slater, Cashel, Farrish, Hannon, Graff, Dodge, Manelli, Clark and Scholtz.

Varsity—Abernethy, Eaton, Willis, Casselman, Kelly, Louden, Shaw, McLean, Price, Bain, Brock, Seed, Sparks, White and Davidson.

SIX VARSITY MEN BEING CONSIDERED

THE fifteen to represent the Mainland against Olympics in the rugger game on Friday has not yet been chosen. Last night the Vancouver selection committee decided that Casselman, Price, Kelly, Eaton, McLean and Shaw of Varsity are worthy of consideration for places on the team. Coach Scott of the students will be asked to ascertain this morning if any or all of these players can play if selected. Until this is known the team can not be selected.

All members of the Vancouver "rep" squad are requested to assemble for final practice at 6 o'clock tonight at the Horse Show building.

U.B.C. STUDENTS TO VISIT CAPITAL

Big Programme of Sporting
and Social Events Is
Planned

Victoria will ring with the college yells of the students of the University of British Columbia Friday and Saturday, when the collegians make their annual Christmas invasion to support their athletes, who will meet the players of that city in a series of sporting events.

A large group of men and women are expected to make the trip, leaving Vancouver New Year's Day and returning Sunday evening. Those who go from here will be met by the students who live on the Island and who have been home during the Christmas holidays.

Plans for the visit already announced to the student body include two dances, one at the Empress Hotel on New Year's night, and one at the High School gymnasium Saturday following the games.

Pacific Coast soccer, rugby, basket ball, swimming, badminton, ice and grass hockey, have all been placed on the programme of sporting events.

In former years, the collegians have had a good share of the honors and have been able to defeat the combined efforts of the Island City in many of the competitions.

Varsity's basket ball squads will likely all be represented during the visit following the arrangements for several games.

Swimming at the Y.M.C.A. gymnasium has attracted many spectators in former years and will likely be a feature of the trip again this year.

The college group will board the boat at Pier D at 10:20 a.m. Friday, and will arrive back in Vancouver shortly after 7 p.m. Sunday.

College classes will start again Monday morning for the spring session.

Varsity Athletes Stage Annual
Capital Invasion
New Year's Day

Women's Grass Hockey and
Badminton Added to
Programme

FOURTEEN athletic contests have been definitely decided upon when the University of British Columbia undertake their annual invasion of Victoria on New Year's Day. The original programme was altered to include a women's grass hockey game, intermediate A basket ball for men and badminton matches. Trouble had arisen over staging a McKechnie Cup rugby tilt and a Pacific Coast soccer game at the same time. The soccer officials claimed there should be no conflict and at first the McKechnie Cup game was postponed until a later date. It has now been agreed that the soccer men will take the field at the Willows at 2 p.m. Saturday and the rugby men an hour later.

The following programme has been drawn up: Friday at 5:30 p.m. the university swimmers will stage a dual meet with Victoria natators at the Crystal Pool.

Saturday morning at Victoria High School the following basket ball games are on card: Varsity Intermediate B vs. Victoria Y.M.C.A.; Varsity co-eds Senior B vs. Victoria College; Varsity Intermediate A vs. Christ Church. At 11 a.m. Varsity Intermediate hockey team battles the Victoria All-Stars at the Arena.

At 2 o'clock university badminton players clash with the Garrison of Victoria in a series of matches at the Armories. Varsity soccer team meets Victoria Veterans at the same hour in a regular Coast League game at Willows Park, followed by McKechnie Cup rugby, Varsity vs. Victoria Rep. The intermediate ruggers meet Victoria College at 2:30 p.m. At the same hour Varsity grass hockey men play Victoria at Oak Bay Park and the Women Hockey players meet Victoria College.

At 7:30 o'clock at Victoria High School, three more basket ball games are scheduled: Varsity Senior B men vs. Victoria College; Varsity Senior A women vs. Fidelis; Varsity Senior A men vs. First United Church.

The invaders will return Sunday evening.

California Ruggers in Good Shape

Plan to Clean Up on All
Mainland Squad on
Friday

CALIFORNIA ruggers came through Saturday's strenuous contest with Varsity at Brockton Point in pretty fair shape. Outside of a few bruises, all the athletes reported to be in good shape when Coach Maloney lined up the entire crew of 20 players at the Point Monday morning. They worked for over an hour, the forwards going through the different formations while the backs did a lot of kicking and catching, and everybody felt much better for the practice.

This afternoon the entire party will be the guests of the American Women's Club at the home of Mrs. M. P. Morris, Cedar Crescent, when they will be honored at a tea and dance. Wednesday afternoon they will be entertained by the Vancouver Union to a drive to Capilano Canyon, followed by a tea and dance. Thursday evening a few of the members will be guests at a function of the Vancouver Rowing Club, but the regular players will be ordered to bed early as the team is planning on cleaning up in the final game against the All Mainland fifteen on Friday when they play their final game.

The Varsity players took a severe mauling on Saturday and several are still suffering from bruises received in the gruelling struggle. Ralph Willis and Tommy Loudon, who were carried off the field, were not seriously injured and will be in line for Saturday's McKechnie cup game at Victoria.

"Casey" Casselman, whose tackling and running was the feature of the game, was in pretty bad shape Saturday night but was feeling fit again on Monday. It is not likely any of the Varsity team will participate in Friday's struggle owing to the students being scheduled to play on the Island the next day.

Interior Hoop Team Drops First Game of Coast Tour to Varsity

KAMLOOPS' snappy little basket ball quintette met defeat in the first game of their coast tour Saturday night, losing to Varsity 45-28. The visitors never really got going until the second half, but could not even the score. Nevertheless they demonstrated that their wins against local teams at Kamloops were not flukes.

The Varsity squad never played better this year. Staging a brilliant scoring bee in the first half, which was led by Newcombe, Gordon and Butler, the Collegians amassed a lead of 12 points. The half-time score was 21-9. The first half was very fast. Kamloops had their share of the play, but they failed to locate the basket. Newcombe, Butler and Gordon were deadly under the basket and every pass was accurate. Craig and Milton of the visitors were off form. Both are reported consistent shots.

The second half found Kamloops fighting hard to draw level and with Kenward annexing seven points in a row, the invaders began to close the gap. Varsity adopted their fake stall and quick break game, and from then on the issue was never in danger.

Kenward was high man for Kamloops, with 13 points; Newcombe, with 10 points, led Varsity's scoring.

Referee E. L. Yeo handled the strenuous game well. The lineups: Kamloops—C. Robertson (2), G. Kenward (13), J. Craig (2), M. Chater (7), A. Milton (2), C. Shaw (2), R. Cail.

Varsity—H. Henderson (6), A. Henderson (5), T. Wilkinson (6), R. Gordon (7), F. Newcombe (10), D. Nesbitt (5), T. Butler (6), W. Turpin.

Varsity Senior B beat K. E. O. B in an exhibition, 38-24.

VARSITY'S HOCKEY TEAM IS BEATEN

VICTORIA, Jan. 2.—Varsity's hockey team went under before the squad of former local high school boys at the Arena this morning, 3 goals to 0. The Victoria boys had much the best of the play. Varsity lacked several of their regular stars but tried hard to trip up the Victoria team. The locals were particularly strong on the offensive and had by far the best of the play.

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, Jan. 3.—With the old year ushered out and the new welcomed by their antics at Victoria, university students will settle down tomorrow to work in earnest, the next break in the lectures being the Easter week-end, after which the final examinations will be right on hand, commencing Tuesday, April 13.

After a term at their new home, the students are beginning to become acclimatized, though the change has made it somewhat awkward. For example, increased distance of the establishment from the homes of the students has been to some extent a difficulty, especially with the absence of dormitories, and even with the extra service of the B.C. Electric, a certain amount of inconvenience is inevitable. Many students have pressed into service the family bus, and on the average day two hundred or so automobiles are parked on the grounds.

Parking facilities are none too good, and the state of the roads has been bad, although the new paving on Tenth Avenue will ameliorate this defect considerably.

The Rooters' Club was much in evidence at the Capital City, and is doing a useful work in undertaking to organize Varsity supporters. The occurrence at a recent rugby game, when a group of graduate students got together and gave the present classmen a sample of the old-time rooting, was quite a rebuke to the Club, and they will no doubt be out to return the challenge of the ex-members, so that a big programme of Pep Meetings can be expected before the game with Vancouver on January 23.

Players' Club officials and members will be busy from the beginning preparing for the Spring Plays. Try-outs will take place in the auditorium, January 5 and 6. As most of the old stars are still at the college, and considerable new talent came to the front in the Christmas Plays, there will be considerable competition for parts.

Many of the clubs will settle down to their regular schedule of meetings shortly, and the Studio Club and Biological Club have dated their first meetings for the opening week.

Freshmen will be ready to learn their fate on Monday morning. The first year students live in fear of the initial exams, intimidated by the fabulous tales of the upper classes, and generally give a better display of spirit during the second year. Last year the number of "Christmas Graduates" was not large, and it is not expected that many will fall by the way this time, although no doubt the diffi-

culty of the new conditions will be reflected in the marks.

Through the efforts of the executive of Arts '26, principally, senior classes will unite for social functions this term, and also in graduation functions and the purchase of a valedictory gift.

A straw ballot will be taken early in the term on the question of whether or not the student body favors the exclusion of advertising matter from the Annual. The editor is trying to make the annual a real souvenir, and the proposal to reject all advertisements is one among many suggestions for the improvement of the appearance of the book. Preparations for the Annual have already begun, and portraits of graduating students and officials will have to be taken during this month.

Varsity sports teams have not been experiencing a remarkably successful season, but the fact that the removal to the Point is a considerable handicap must be taken into consideration. University teams generally do well during the early months of the year.

In the chilly weather of October, some aquatic enthusiasts organized outdoor swims at noon, and for a while were active, but their enthusiasm has somewhat subsided as the winter progressed.

Students will be awaiting news on their return of the new Students' Court, and the proposed Students' Parliament, both of which, it was officially stated, would get into operation during the early days of the new term. The former is a course drafted by members of the Faculty and Student Executive, whereby the administration has agreed to transfer to the students the responsibility for their own discipline in general matters, while the latter is a plan under the auspices of the Men's Literary Society for a mock parliament, run along regular lines. The idea was put into operation last year and met with moderate success.

The Musical Society is turning its attention to its annual concert, which is dated for the latter part of this month. The event should have come in the Christmas term, but the society was granted special permission to postpone it until spring.

VICTORIA, Jan. 2.—In the first game of the basket ball series at the High School gymnasium this morning the Y. M. C. A. defeated the intermediate "B" Varsity team 32-23. The game was fairly even, with the Y. M. C. A. holding a four-point lead at half time. In the second half the "Y" sharpshooters were better at finding the basket. Jackson was the Victoria star, netting seven baskets. Gray scored 11 points for Varsity.

The Victoria College girls defeated the Varsity "B" team 14-8. M. Gibson with eight points was the leading scorer for Victoria, while four Varsity players each netted a basket.

Two Graduates of U.B.C. Are Wed In San Francisco

E. Sun. 6-1-26

An interesting marriage was performed in the Church of St. Mary the Virgin in San Francisco, Calif., on December 28, of Miss Lucy Ingram, daughter of Mr. and Mrs. William Ingram, formerly of this city, to Mr. Lorne Thompson Morgan. Both principals are graduates of Arts '24 of the University of British Columbia, and have many friends among the former students.

Mr. and Mrs. Morgan, after graduating from the U.B.C., both continued their studies at Berkeley University, Berkeley, Calif.

Majority of Events Won By Victoria

University Athletes Triumph in the Major Contests, However

VICTORIA, B.C., Jan. 4.—Victoria athletes won seven of the twelve events in the two-day sport meet held with the University of British Columbia here Friday and Saturday.

The Vancouverites, however, carried off the major contests, notably the rugby and soccer games. The Victoria Rep rugby team was beaten, 19-6, and the Veterans' soccer eleven, 3-1, by the collegians.

Varsity basket ball teams won two of the three games played here Saturday night. The collegians' senior squad gained a 34-16 victory over the First Presbyterians, while the Senior B team from Point Grey triumphed over the Victoria College crew, 55-31. The girls from the University were the only losers, tasting defeat at the hands of the Fidelis girls, 11-5.

Both men's teams from Varsity had an easy time with their opponents. The Victoria teams in the grass hockey and ice hockey contests were able to vanquish the invaders by a wide margin.

In swimming events, Victoria secured 52 points and Varsity 36.

The intermediate rugby and badminton contests were ties.

FEW STUDENTS TO LEAVE 'U'

E. Sun. 5-1-26
Large Majority Retain Standing in Classes

UNIVERSITY OF BRITISH COLUMBIA, Jan. 5.—"Christmas Graduates" will be few this year, from indications at the university today. Although the Registrar declined to give any official statement on the subject, it is rumored that none of the Freshmen will be asked to resign from the university for the year, and that a few members of the sophomore year compose the only failures among arts students, while it is said that seven members of the first year in Applied Science, and two in the second year are the only members of that faculty who failed to make the grade.

Fourth and third year students were given their marks yesterday; second year results will be announced today, and the first year on Wednesday, according to the Registrar.

Results are not surprising, although there seems to be a slightly lower general average, yet fewer cases of very poor marks.

There are the usual individual cases of very high marks, with a "possible" in mathematics 11. Freshmen on the whole seem to have done fairly well, especially in mathematics. There are nine first classes in the first year.

Stanley W. Matthews, registrar, also announced that a few new

students have enrolled for the spring term, including half a dozen in the Teachers Training course. These are students who have been excused fall term work, which deals with public school training, on account of previous Normal school training and teaching experience.

NO VARSITY MEN ON RUGBY TEAM

E. Sun. 31-12-25

VARSETY will not be represented on the Mainland fifteen to oppose Olympics in the rugby match at Brockton Point tomorrow afternoon. The students felt that it would be too much to ask any Varsity man to appear in view of the fact that they have a McKechnie game with Victoria on Saturday and that already there are two men on the injured list.

The team to oppose the Californians was chosen last night as follows:

Full back: Prenter, Rowing Club.

Three-quarters Mahon, King Edward; M. Rowan, ex-King George; Barry, Rowing Club.

Five-eighths: LeRoy, Wanderers; Grimmitt, King Edward.

Half backs: Farmer, B. C. Athletics; Marshall, Rowing Club.

Forwards: Val Gwyther, King Edward; Choate, ex-King George; Boyd, B. C. Athletics; Lange, B. C. Athletics; McLean, ex-King George; Thornton, Wanderers; Patterson, Rowing Club.

Spares: Gyles and Fleet.

Ramsell should have played but cannot get over from Victoria.

VARSETY OUT OF CANADIAN RUGBY

m. Sun. 7-1-26

VARSETY has finished with senior Canadian rugby for the season. This was announced following a meeting on Wednesday. The step in this direction has been taken because five of the players are on the injured list and are not likely to be able to play for some time. It means that Varsity will not take part in the provincial championship series against Native Sons, nor participate in the Seaforth Challenge Cup, knock-out competition. A Varsity team will compete in the junior series.

Bill Phillips will be back in harness with the Varsity soccer team against Ladysmith at Athletic Park on Saturday. The centre-half-back was injured early in the season and has been off ever since. His return will strengthen the intermediate line.

Varsity Senior A basket ball squad travels to Bellingham on Saturday night for an encounter with Bellingham Normal. Last season Bellingham beat the students here by two points. Varsity swimmers tangle with Meralomas in a Lower Mainland League fixture next Wednesday night.

MISS KATHLEEN BAIRD

MISS BAIRD, vice president of Arts '28 at the University of B.C., and vice president of the Musical Society, will lead the debate arranged by the Women's Literary Society of the U.B.C. against two students from Puget Sound College at Tacoma, who are coming here this week. The debate takes place on Wednesday evening, and Miss Jean Tolmie of the U.B.C. will also debate with Miss Baird. Miss Jean Graham and Miss Helen Dobie of the U.B.C., will leave this evening to take part in a debate at the Puget Sound College on Wednesday, in an interchange of varsity activities. The Women's Undergraduate Society of the U.B.C. has arranged a programme to entertain the two visiting girl debaters from Tacoma, to include a luncheon and tea on Wednesday, and a supper party following the debate in the evening.

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, Jan. 6.—The annual agriculture dance will take place on January 19. The "Aggie Hop" is the final faculty function of the year and is always a record event. Tickets will be on sale Thursday and Friday.

Poor results in French I in the Christmas examinations have decided the department to give an extra instruction hour where possible. The first period will be given tomorrow.

President Jerry Stevens of the Freshmen announces a general class meeting for Thursday noon in the Auditorium. Plans for the spring term will be announced.

The Musical Society met yesterday to discuss the business of the coming spring concert.

The Swimming Club has a meeting scheduled for Friday noon.

Kay Baird, vice president of Arts '28, has requested all sub-marshals to complete their lists and hand them to her before the end of the week. The women of '28 have been working hard in co-operation with coeds of other years in campaign for the proposed Women's Union Building at the University.

Another former member of the University passed recently, when Harry Crosby met with an accident which proved fatal. He was with the class of '27 but took only his Freshman year, attending Normal last year.

Of interest to University students will be the performance of the comedy "Daddy," offered at the Lord Tennyson School by the Trolliano Club of the First Baptist Church. Several students of the University are members of the organization, and special attention will be paid to the event owing to the fact that H. N. Cross, a prominent member of the University Players' Club, will appear in the title role. Don Farris, W. Black and Phil Eckhart are in charge of the affair at the University. The play will be staged Thursday, Jan. 14, at 8:30.

Judges Unanimous in Giving Verdict to University Women

UNIVERSITY OF BRITISH COLUMBIA, Jan. 6.—University of British Columbia women won the first debate of the collegiate year at the Point Grey Auditorium tonight, when the home debaters gained a unanimous verdict over the representatives from the college of Puget Sound.

Miss Jean Tolmie was the speaker of the evening. Upholding the affirmative of the resolution "That international debts should be reduced," Miss Tolmie declared that there could be no revenue without trade, hence it was logical that debts should be reduced to permit the growth of trade.

Miss Mauvel Vandel, leader of the visiting side, relied largely on statistics to prove her point. Disarmament, she said, was the first essential, and took for example the excessive army of France as compared with those of the United States and Japan.

Miss Kay Baird, for Vancouver, centred her arguments on the political and international phases of the question, and Miss Mildred Hacks-worthy, for the visitors, introduced an unusual argument when she stressed the moral value of debts "Credit," she said, "is the most sacred tie in the world."

Miss Tolmie replied for the local team, and Miss Vandel for the Americans. All four speakers had a confident and pleasing delivery, and created a favorable impression. The decision of the judges in awarding the victory to the affirmative was unanimous. The attendance was disappointing.

VARSITY RELAY EVENT ON CARD FOR FEBRUARY 24

m. Sun. 9-1-26

Varsity relay teams will clash in the annual inter-class event on February 24, it was decided yesterday. Arts '27 were the winners last year, setting a new record for the eight-mile course. They have lost many of their stars since and only Charlie Mottley, Frank Elliott, Eddie Mulhern and Dave Sturdy remain. Arts '25, winners in 1924, have a few of the old squad in Education '26, including Les Buckley and Eric Forster.

Arts '29 look to be the dark horses this year and the dope favors them to cop the event. They have five of last year's team back in the Freshman year, besides Pat Taylor of Victoria Colonist Road Race fame, and Syd Hopkinson, a half and miler of prominence from south of the line.

Varsity Has Good Material

Plenty of Bright Talent to
Oppose Puget Sound If
Dual Meet Comes Off

Invitation to Travel to Ta-
coma in March Will Like-
ly be Accepted

COLLEGE of Puget Sound
versus University of Brit-
ish Columbia is the likely in-
tercollegiate track programme
for the early part of March,
according to Charlie Mottley,
president of the track club.
Tacoma college has asked for
a dual meet to be held in Ta-
coma this year and a return
engagement in Vancouver in 1927.
The Blue and Gold athletes will provide the stiffest opposition they have been able to get together for many seasons and might turn in a win.

In the sprints, Harry Warren, Howard Eaton and Quene Yip should give a good account of themselves.

Warren was runner-up to Cohen, the Canadian sprint champion, in the Western Canada Intercollegiate in 1924. The little Rhodes scholar was just nosed out in the century at 10 1-10 and the 220 yards at 22 seconds flat. He should shade 10 seconds in the 100 yards and do 22 seconds in the furlong.

Howard Eaton, the flashy wing man on the McKechnie cup rugby team, is another potential candidate. Eaton has not donned the spiked shoes for two years but with training he should run around 10 seconds in the hundred. He has plenty of natural speed and possesses a strong physique.

YIP HAS PROMISE

Quene Yip, High School senior champion in 1925, did 10 2-5 in the sprints last summer and should run close to the flat mark this year. This brilliant Chinese athlete is more prominent in the broad jump where he has come close to 22 feet. He is a natural jumper as he is able to do the double kick in his performance. Coaches have spent years trying to teach candidates this art but Yip does it naturally. He did 20 feet the first time he ever jumped.

The collegians have a wealth of material in the middle distances lined up by Coach Jack Buchanan. Les Buckley, Charlie Mottley, Harold McWilliams, Pat Taylor, Tom Burgess, Frank Elliott and Syd Hopkinson are all candidates.

Les Buckley is the British Columbia record holder at 880 yards. If he decides to run he will make his competitors step to pass him as he did fast time last year and was not beaten at that distance during the season. He has a mile mark of 4 minutes, 48 seconds.

Charlie Mottley, present mile record holder at 4 minutes, 49 seconds, should be at his best after a year's rest. He grabbed the spotlight first in the Western Canada Intercollegiate in 1924 when he pressed Jack Murray to do 2.03 in the half and Cormick to make the mile in 4.41. He intends specializing in the 440 as he has shown great promise at that distance.

BELLINGHAM WINS U.B.C. BASKET BALL

BELLINGHAM, Jan. 9.—Bellingham Normal, playing its first basket ball game of the season, defeated the University of British Columbia quintet here tonight 40 to 17. At half time the locals led 22 to 6. Toward the close of the game Ross Brison, the visitors' coach, went into the contest in an effort to tighten the count but was held scoreless.

m. Sun. 10-1-26.

MCWILLIAMS & MILLER

Harold McWilliams is one of the outstanding mllers at the college as he is capable of doing well under 4.48 in this event. He can also run consistently over the longer routes.

Pat Taylor, a recent comer to the university, has an enviable record in all round competition. He won the Colonist road race in Victoria last year, covering the four and a half mile course in 23 minutes and 33 seconds. He has done almost 22 feet in the broad jump and 5 ft. 7 in. in the high jump.

Frank Elliott, Tom Burgess and Syd Hopkinson all have credible performances to their credit.

In the longer distances Ian Balmer is outstanding and he should hold his own in the two mile event as he has never suffered defeat locally.

In the weights Harold Mahon and Chuck Whitworth, former High School stars, will be candidates along with Tiny Noble and Cecil Newby.

GOSSIP OF THE CAMPUS

UNIVERSITY OF B. C., Jan. 8.—Eric Huestis, of the Rooters Club, and Ron Gordon, of the Basketball Club, are leading the local Senior "A" basket ball to Bellingham for a contest with the State Normal School today. The local students will leave by auto at 1:15 p.m.

During the absence of Dr. G. G. Sedgwick, who left Tuesday for Toronto, where he will lecture, Prof. Thorleif Larson, who has recently rejoined the staff of the English Department after a year's leave of absence at Oxford, is taking the English and Honor Seminar Classes of Dr. Sedgwick.

Following keenly contested try-outs in the auditorium, the committee of seven judges made provisional selections of the cast of the spring play Pyramion, a comedy by G. Bernard Shaw. The leading male role will be filled by either Peter Price, who has been the leading man in the last two spring performances of the Players Club, Harry Warren, recently nominated Rhodes scholar, or J. Houlan.

The role of Dickney will be filled by one of the two men who fell to make the leading role. D'Arcy Marsh, well known senior student, is the final selection for the part of Alfred Doolittle, while either Mr. Nash or Mr. Matthews will appear as Freddy E. Hill.

Miss Isobel Barton, who scored a success in the Christmas play, and Miss Avis Pumphy, a member of the cast of "You and I" are in the running for the star female part, Lisa, while that of Mrs. Higgins will be undertaken by Flora Muirgrave or Miss Hope. The part of E. Hill will be filled later. The clown will be represented by either Joan Meredith, Isobel Barton or Avis Pumphy, while the final position, the Bystander, will be filled later. The final try-outs will be made in ten days' time.

SEATTLE, Jan. 12.—The University of Washington has presented the Washington 11, an eight-oared shell, to the University of B. C., it was learned Monday. The craft was built for Washington by George Pocock in 1914.

Students Defeated By Saints

Ragged Exhibition of Soccer
Won by St. Saviours in
the Second Half

St. Saviours ran out winners, 2-1, against Varsity in a slow Pacific Coast League fixture at Athletic Park on Saturday. Saints substituted for Ladysmith and quite a number of expectant patrons went away when they learned the Islanders were absent.

As it developed, they didn't miss much. Both sides played ragged soccer of the kick and run variety. Rex Cameron concluded a lively first five minutes when he beat Roots and Hazeldine equalized shortly afterward.

In the second half Hammond and Moffat engineered a rush and the former drove to Mosher who cleared partially only to have Hammond send it back. Phillips tried desperately to kick out in time, but the ball beat him.

Roots, younger brother of the Saints' goalie, played outside left for that club and did it very well. He is a boy with a nice turn of speed, who plays his position well and can cross a ball with despatch. He was the best of the Saviours' forward line.

Dan Ross played centre half with his usual dash and Jim Butchart held up the defense with his heady playing. Roots is a very smart goalie, but the students didn't test him very often.

Phillips partnered Crute at full back with Les Buckley outside left. The students were weak and it is probably lucky for them that they didn't have to engage the fleet Ladysmith crew.

Rex Cameron tried hard for goals but he was given little support. The wing men were both weak and Tanny Butler seldom got himself turned for goal in time to be effective.

Intercollegiate football enthusiasts at the university will meet Tuesday in Room 100 Applied Science building, for the purpose of forming a club to play American football, and to seek recognition by the Men's Athletic association together with the blessings of the university at large.

Harry Seed, captain and star half-back on the 1925 squad that met three college teams from south of the border, will preside. Official recognition will give the game a sub-minor status. From then on, any elevation received must be gained strictly on the progress of the game itself.

was one of the largest on record, and the affair was livelier than the general run.

The first shock of the year came with the announcement of examination results early in the week. The new policy adopted by the Governors in ejecting only students who had already failed in a previous attempt in the same year's work will be given a thorough trial. The consequence is that "Christmas Graduates" are fewer than ever.

News of the marriage of Lorne T. Morgan to Miss Lucy Ingram at the Church of St. Mary the Virgin, San Francisco, was received with interest. Both were well known members of the class of Arts '24. Mr. Morgan being an honor student in Economics and History, and a member of the international debating team for three consecutive years, while Miss Ingram was runner-up for the Governor General's gold medal and a prominent member of the publications board. Their many friends in graduate and undergraduate circles will wish them every happiness.

Messrs. Craig, Kobe and Dunn, well known debaters of the University maintained their reputation when they defeated the Y.M.C.A. team in a city debating league fixture by a unanimous verdict. The subject was, "Resolved that the invasion by women of men's sphere of activities during the last quarter of a century is detrimental to the well-being of the State." The win placed the students in a tie for first place. They meet the Young Liberals in a scheduled fixture at the University Monday night.

A prospectus containing information regarding a number of post graduate courses available in the universities of Great Britain and Ireland has been prepared by the Registrar, and will be of interest to many students contemplating advanced work.

Dr. L. S. Klinck, President of the University, was in the pulpit at the Crosby United Church, Second and Larch, at the annual monthly stu-

dent service, conducted by Rev. Hamilton. His subject was, "The Religion of the Campus."

The women athletes at U.B.C. are going in for muscle development this year, according to Flora Musgrave, the president of the Women's Athletic Association. Gymnasium classes are held every Thursday afternoon at the Masonic Hall, end of the bus line, with Miss McKay of the Y.W.C.A. as instructress.

Notable among the remarkable marks obtained by students in the recent examinations was the record of William Chalmers, a Chemistry honor student of the senior year. Unfortunately a wretched 85 per cent in German pulled down his average to 97 per cent. This included a couple of perfect marks. Chalmers looks like a good possible for the Governor General's medal. Preston Mellish, a Mathematics honor student, also in his senior year, made an average of 87.5 per cent. When the high standard demanded at the local university is considered these marks are almost phenomenal.

The Studio Club met at the home of the honorary president, Prof. T. Larsen, on Tuesday evening, when about 25 members enjoyed a pleasant evening.

Three contraltos and four sopranos are required by the Musical Society which is practising diligently for the annual concert. A business meeting was held on Tuesday and rehearsals were conducted during the week, for ensemble Wednesday, Orchestra Thursday and Glee Club Friday.

Dr. Sedgwick has gone to Toronto to lecture. The head of the English Department expects to be back with his classes in a fortnight. Dean Coleman of the Philosophy Department and Dr. N. Sage, acting head of the History Department, will be out of the city a few days during the week in connection with official business.

Rowing is coming into its own at U.B.C., judging by the number of

students who have signified their intention to join the club. Tryouts will be held at the Vancouver Rowing Club on Wednesday, January 13, and many novices will be on hand. A meeting of the club will be held on Tuesday noon in the Applied Science Building.

Boxing turnouts are being held daily in the construction shacks, and a movement is on foot to organize a Canadian rugby club.

Interclass debating will be resumed on Monday, when Arts '26 meets the men of Education in a first round fixture. Intercollegiate debaters are working diligently in connection with the Saskatchewan debate which will take place on Friday, January 15. Les. Brown, Arts '28, and Ross Tolmie, Arts '29, will constitute the home team, while Harry Purdy and Russell Palmer will represent U.B.C. at the University of Saskatchewan. The topic is, "Resolved that the two-party system is in the best interests of Canada."

Varsity Nurses will meet at the home of Miss Jessie Aske, president of the Nursing Undergraduate Society, 1520 Fifth Avenue West, on January 12.

H. N. Cross will be an attraction in the comedy "Daddy," staged by the Fairview Baptist Church young people in the Lord Tennyson School Wednesday. Mr. Cross was a successful performer of the Players' Club in his undergraduate days. Wilf. Kelly is looking after the affairs of the play at the University.

Arts '28 have decided to hold their annual class party on February 12, and will celebrate with a pep meeting on the same day.

Varsity Swimming Club held their annual meeting on Friday. They have entered a team in the Vancouver Swimming League, and will meet the Meraloma Club in the first fixture at Chalmers' Tank on Wednesday. Norman Cox, Varsity Coach, will address the members of the club on Wednesday noon.

U.B.C. AFTER DEBATE HONOR

Orators Seek to Capture Western Title

Debaters of the University of British Columbia will make their first attempt to wrest the Western Canadian Intercollegiate Debating honors from the Colleges of Alberta, Saskatchewan and Manitoba, when they enter their new career Friday night as members of the inter-collegiate triangle.

Harry Purdy, well known locally in athletic circles, and Russ Palmer, popular member of the undergraduate society at the university, will leave tonight for Edmonton, where they will defend the local institution against the University of Alberta Friday night.

Gordon Telford, who was chosen for the major debates last year, but who was seriously ill at the time they took place, will enter the contest along with H. L. Brown in the new university auditorium. This will be the first major debate to be held in the new building.

The debate, which deals with a return to the two party system in Canadian politics, will start at 8:15 sharp. Five judges are being selected to pick the winning team.

On the home floor the Varsity men will meet Solomon Saper and Victor Graham from the University of Saskatchewan. These men will arrive in Vancouver from Saskatoon Friday morning and will be entertained at social functions being arranged by the Women's Undergraduate Society.

UNIVERSITY OF BRITISH COLUMBIA, Jan. 14.—R. Stedman and S. Kobe will represent the local University in a City Debating League fixture tomorrow night on the subject, "Resolved that the control and ownership by the state of the machinery of production, distribution and exchange is beneficial to the growth of infant industries." The team includes R. Stedman, J. Craig, D. Murphy, P. Murphy, S. Kobe, M. Hunter, H. Purdy, R. Palmer, H. L. Brown, G. Telford, J. C. Oliver, E. Dunn and W. Murphy. Co-eds held a gymnasium session at the Masonic Hall, Sasamat Street, Thursday, with Miss Dibbins as instructress. Miss Gwen Musgrave, president of the Women's Athletic Association, announced that letters would be awarded to those successful in making places on the team.

The Heinz Band will hold a business meeting and practice on Monday, Jan. 17, according to Gus. Madeler, president.

Shutout Contest In Rugby

Wanderers Defeat Rowing
Club and Varsity Out-
score Tenex

Everett Robison Prominent
for Oarsmen in Tisdall
Cup Game

ROWING CLUB and Ten-
ex rugby squads dropped
from the Tisdall Cup competi-
tion Saturday afternoon when
they went down to defeat in
the opening round of the
knockout event after two
hard fought games.

AT BROCKETON POINT

Wanderers advanced at ex-
pense of the Oarsmen when
they scored the only try of a spirited
contest to win 3-0. Varsity fif-
teen, minus several of the McKechnie
cup stars, shut out the young
Tenex 22-0, but the score was no in-
dication of the play as the interme-
diates had their share of the ball.
They could not produce in the
pinches against their more experi-
enced opponents.

Everett Robison of basket ball
fame, recently returned to the city,
was the bright light of the Rowing
Club-Wanderers clash. Playing his
first game for the Oarsmen he
proved powerful in defense and twice
in the second half broke away for
long runs which just failed to bring
tries. His best effort was a follow-
up of a kick when he dribbled the
ball half the length of the field
right over the Wanderer's line, but
Leroy came from nowhere to kick it
out of his hand before he had time
to fall on the leather for the tying
points.

TEAMS WELL MATCHED

The teams fought strenuously all
the way. Wanderers had the advan-
tage in the opening period and Crule
gave them the lead when he inter-
cepted a pass five yards out to trot
over for a try which was not con-
verted. Leroy Pinkham and Curle
did some useful work on the back di-
vision.

In the second period the oarsmen
uncorked their best form. Five times
they forced the Wanderers to save
behind the line and they were held on
two or three occasions at the five-
yard line. Charlie Winch made his
first appearance of the season and
played well. Prenter and Barry were
brilliant with their running and kick-
ing. Max Donaldson and Sherwood
were good on the forward line, while
Marshall was very much in the
fight.

Jim Underhill refereed and the
teams lined up as follows:

Wanderers—Patterson, Henderson,
Pinkham Jr., Tait, Leroy, E. V. Pink-
ham, Curle, Martin, Fleet, Dobinson,
Short, Wilkinson, Thornton and
Newell.

Rowing Club—Prenter, Barry, Wil-
liams, Winch, Robison, Oliver, Mar-
shall, Underhill, Sherwood, Donald-
son, Rogers, Dupensier, Rober, Boyd
and Patterson.

TENEX FIGHT HARD

The young Tenex promise to be
heard from in the next year or so.
They gave the speedy Varsity lads a
most interesting argument but lacked
the polish to get points. The back
line was outweighed but started some
fast plays. Jack Wolfendon and
Flanigan did some useful tackling.

Varsity had the count 11-0 at half
time and added the same number of
points in the second session. Taylor
got the first try and Willis the next
which Price converted. Sparks made
it three more at the breather. Price
got over after a dribble in the second
period. The speedy Gustafson worked
over for another and Price added the
two extra points. Taylor got the
last try of the game.

Art Lord handled the game. The
teams:

Tenex—Wolfendon, Wotten, Mc-
Bain, Hills, Martin, Barclay, Flani-
gan, F. Morris, Parks, MacNairnie,
Morn, Brock, Hopkinson, W. Morris
and Cowan.

Varsity—Abernethy, Taylor, Wil-
lis, McLean, Gustafson, Kelly, Shaw,
Sparks, Price, Chappel, White, For-
rester, Gordon, Mahon and McQuar-
rie.

INTERCOLLEGIATE SWIM PLANNED

Alberta and B. C. Varsities
May Clash at Banff
National Park

University of Alberta and British
Columbia may clash in an inter-col-
legiate swimming competition at
Banff National Park if negotiations
between the two colleges are com-
pleted, informs Dalton Allen pres-
ident of the Varsity Club.

Banff Winter Sport Association
have been in communication with
the B. C. University and are using
their influence to stage the meet.
The dual clash would be held in con-
junction with the big swimming
meet that the noted resort will stage
February 3. Godard, the Canadian
indoor and outdoor fancy diving
champion, is expected to be among
the stars.

Alberta and British Columbia are
both willing and the meet only
awaits the sanction of the college
athletic bodies. The British Colum-
bia University should make the
Alberta institution put up a real
battle with such stars as Tike Aber-
nethy, Bob McKechnie, Bruce Mc-
Donald, Bert Tupper, Alan Steward-
son, Otto Gill, Reg Wilson and
Lilloett Green, Mary Carter, Mary
Robertson, Sylvia Thrupp and Jean
Gilley.

Les McKillop Donates
Bronze Statue for Varsity
Athletic Event

Faculty Track Meet March 6
and Puget Sound Series
March 13

LEX MCKILLOP, former re-
lay star for Arts '25 and
member of the team for four
years, has donated a challenge
statue to be put up along
with the Arts '20 cup for the
annual class relay event.

The bronze statue is that of
a runner, standing on a marble
base. The object of the dona-
tion is to create more interest in the
relay.

The University track men decided
yesterday to change the course of
the relay this year. It was felt that
increased traffic and inconvenience
made this necessary.

Charlie Mottley president of the
club, submitted the plan of a new
course which was accepted by the
track men.

The new course will begin on
Marine Drive, where the aerial
tramway crosses the road directly
behind the Varsity buildings. It
follows Marine Drive toward Mar-
pole for a little over two miles
until it reaches Imperial and Twen-
ty-ninth Street. It then proceeds
along Imperial for approximately
two and a half miles until it reaches
Twelfth Avenue, where it turns and
proceeds along Twelfth to Talmie.
Down Talmie to the bus line, then
along the paved road until the Ad-
ministration building is reached.

This course will enable the spec-
tators to see both start and finish
of the race. The total distance is
approximately seven and a half
miles and is run by teams of eight
in relay order.

The Varsity faculty track meet
was set for March 6 and the meet
with College of Puget Sound March
13. The faculty meet will serve as
elimination for the intercollegiate
contest and the 12 outstanding per-
formers will constitute the team.

U.B.C. Has Strong Fifteen to Contest Tisdall Rugby Honors

King Edward Old Boys and B.C. Athletics Feature Saturday's Play

UNIVERSITY of British Columbia's entry in the Vancouver Rugby Union is favored by followers of the handling game to run out winners of the Tisdall Cup competition and the right to play Ex-King George pack for the championship of the Union.

Varsity is fancied owing to the fact that the regular McKechnie Cup team will be available for the series, which is considered stronger than the ordinary team in the league. But the students may not look so good the next time out as they have lost "Casey" Casseiman, brilliant three quarter, whose play has featured nearly every game he has participated in. He is out of rugby for some time owing to a broken hand, sustained at Victoria. Casselman has been prominent in defense and offence, has been responsible for the majority of points rolled up by the McKechnie Cup team and also starred with the Varsity fifteen in the league fixtures.

CRUCIAL GAME SATURDAY

Next Saturday's play will determine the semi-finalists of the cup event. Wanderers and Varsity have already advanced to the second round. The speedy Ex-King George crew, winners of the regular league series, are expected to dispose of their intermediates on Saturday so as to be one of the remaining four teams. But the real battle should occur when King Edward Old Boys and B. C. Athletics meet at the oval. These teams have numbered among their line up some of the most prominent players in the city and they are sure to put up a strenuous battle owing to the fact that the losing team is out of rugby for the remainder of the season.

The teams are putting in some strenuous practice at the Horse Show building this week and should be in good shape for their meeting. King Edward Old Boys will present a speedy and tricky back division. Cameron will likely look after full back, Hamer, Barrie, Crone, Mahon and Lythgoe, all speedy and good ball handlers, are available for three quarters. Marc Grimmitt will be hard to beat at five eighths. Bill Scott will be out for the first time since his injury to help at half back.

Rosebrugh and Edgett are also fighting for a place on the half line. The forwards are all hard workers including Val Gwyther, Mowatt, James, Meekison, McCall, Stan Allan and Britton.

Jack Tyrwhitt expects to present the strongest front of the season for his B. C. Athletics. Murdie McDonald will likely be at full back again. Flanigan, young Tenex star, will get a chance to shine on the three quarter line along with Falconer, Horle and Norman Goodall, who has recovered from the broken wrist he received early in the season. Jet Lewis at five eighths and the slippery Alex. Farmer and Mickey Ralston at half back will round out the back division.

POWERFUL FORWARD LINE

But it is on the forward line where the Athletics have the strength. Every man is a tried star of his respective position including such well-known players as Greggor, Tom Brown, Bob Gourley, Bayliss, Boyd, Lange, Smythers and Ramsell.

When the four semi-finalists are declared another draw will be made and the teams will combat the right to the final, probably on January 30 owing to the "Rep" squad being busy in a McKechnie Cup fixture at Victoria, January 23.

HOME DEBATERS WIN CONTESTS

U.B.C. Defeats Saskatchewan, but Loses to Alberta in Edmonton

UNIVERSITY OF BRITISH COLUMBIA, Jan. 15.—University of British Columbia debaters opened their career as members of the Prairie Debating League with a victory over their old rivals, Saskatchewan, in a closely contested struggle at the Point Grey Auditorium tonight.

The speakers showed remarkable knowledge of their subject: "Resolved, that the continuance of the two-party system would be to the best interests of Canada," the rebuttal of H. L. Brown, leader of the home team, being a triumph of improvised argument. The decision of the judges was three to two in favor of the affirmative.

Mr. Brown opened the argument for the local side, pointing out that the old parties had rendered yeoman service and that the existence of a third party was in opposition to the best interests of the nation.

Victor Graham replied for the visitors that the old parties existed

only in name and that the rise of a new party with a real platform was essential.

Gordon Telford stressed the wastefulness of a three-party system, where there was no definite majority.

Solomon Sapper concluded the debate for the visitors. "Loyalty to old parties means political stagnation," he argued.

ALBERTA WINS

EDMONTON, Alta., Jan. 15.—The return of the McGoun Cup, emblematic of the intervarsity debating championship of Western Canada, was virtually assured when University of Alberta debaters defeated representatives of the University of British Columbia here tonight by six points to nothing. The subject of debate was: "Resolved that a return to the traditional two-party system of government would be beneficial to Canada."

The affirmative was upheld by Kenneth Mackenzie and Ted Brundsen of Alberta, while R. A. Palmer and H. Purdy made up the British Columbia team. Alberta debaters also won at Winnipeg by four points to two.

Visiting Basket Ball Quintette Victors in Fast Game by Eight Points

Kelowna basket ball squad concluded its coast tour on Saturday night with a victory over University of British Columbia Senior B quintette. The game, very fast and interesting at all times, ended in favor of the visitors, 27-19. Kelowna led at half-time, 13-7. University of British Columbia outscored the tourists in the second half but could not make up the leeway.

There was a period in the last half when Varsity looked like drawing level but Lewis came along with three baskets in rapid succession and put the game on ice for Kelowna.

Varsity—King (2), Swanson, Gray (15), Thompson, Gibson (2), Aune, McDonald.

Kelowna—Showley (6), Parkinson, Lewis (13), McLeod (8), Rowcliffe, Williams, Barton.

Declare Silent Attitude of Council Violates Honor System

UNIVERSITY OF BRITISH COLUMBIA, Jan. 15.—The feature of an unusually busy session of the Students' Council this week was the discussion of the vexed question of the vigilance committee.

Student opinion resented the attitude of the council in keeping the composition and the business of this body a secret, and a petition was laid on the table protesting against this as a violation of the Honor System of student government.

Heated discussion followed. Charles Rive, a member of the committee, handing in his resignation which was accepted. The recommendation of the committee that a special meeting be held in order to ascertain the consensus of student opinion on the question was adopted, and the verdict of the student body was in favor of the attitude of the committee. Accordingly, the Vigilance Committee will continue to function as previously.

SONS AND VARSITY TRIUMPH Senior A Basket Ball Loop Resumes

m. Sun. 18-1-26

THE second half of the Vancouver and District Basket Ball League, senior A division was ushered in on Saturday night at the Y.M.C.A. and Native Sons and Varsity emerged successful. Native Sons accounted for King Edward Old Boys 22-19, while Varsity defeated Westminster Y.M.C.A. 26-23. Y.M.C.A. senior B five won from B. C. Electric in the night's opener 21-15. All the tilts were closely contested, particularly the senior A affairs and a big crowd was on hand.

King Edward Old Boys and Native Sons furnished a ding dong struggle. Sons were behind several times during the game but came back with a rush to win in the final minutes. Referee Yeo was in his best calling mood and he did not give the players one sixteenth of an inch leeway, not a thing escaping his eye. Sons were off in their shooting in the first half and missed several chances to forge ahead. The score was 12-11 at half time.

The Old Boys switched their lineup early in the first half to advantage, Stan Grant going on for James and scoring four points quickly, when his team were behind. Half-way through this period Jimmy Ralston wrenched an already weak

ankle and went off, being replaced by Wally Hunter.

The Natives were considerably strengthened by the appearance of Everett Robison, who resumed his place at right forward.

The second half found the Sons checking hard, several fouls being called on them for stiff checks, while their forwards found the baskets oftener. Roy Phipps was a deciding factor in the Sons' victory in the second half, the big fellow coming right up under the basket and scoring four points.

Native Sons: J. Ralston, E. Robison, 5; H. Phillips, 2; O. Falconer, 6; R. Phipps, 6; Dode Tuck, 1; W. Hunter, 2; McCreery, 0.

K.E.O.B.: H. McLean, 3; C. James, 3; E. Grant, 5; C. Call, 2; D. Hand, 2; J. Barberie, 4.

STUDENTS AND ROYALS

Varsity and Westminster Y.M.C.A. provided a hectic struggle. The was the best Senior "A" battle of the season, both teams keeping the ball traveling all the time. The passing was good and for most of the way the boys had their eyes right on the basket. Several points came in from long shots, particularly a screamer by Scotty McDonald in the second half.

Varsity returned to a long passing game, while the Westminster boys favored short passing and dribbling.

Doug. Grimstone dribbled from his own end right down and round his check for the first basket two minutes from the start but Varsity equalized right after on a close in shot by H. Henderson.

The Collegians had quite an advantage in this period on account of height and weight but were a little off on their shooting while the Westminster boys were always dangerous. They led right through the first half which ended 12-8 in their favor.

STIRRING FINISH

The second half was crowded with action, Westminster having the advantage of a seven point lead which they held most of the way. With three minutes left the Students were still five points behind when Freddy Newcombe, who starred right through, went right in for two baskets, followed by Nesbit's field basket and successful free throw, also a free throw converted by T. Butler which put them in the lead by three points and less than 30 seconds left to play.

Varsity: F. Newcombe, 9; D. Hartley, 2; A. Henderson, 2; H. Henderson, 2; Turpin, 2; R. Gordon, 3; T. Butler, 3; Nesbit, 2.

Westminster Y.M.C.A.: Brick McDonald, 6; S. McDonald, 2; Ed. Paulson, 6; Lynch, 2; M. Shiles, 5; Doug. Grimstone, 2.

m. Sun. 18-1-26

VARSITY SOCCER STARS LEAVING FOR BASKET BALL

Several new faces will be seen in the Varsity soccer lineup Saturday when they meet Westminster United. The students are now minus the services of Fred Newcombe, Tanny Butler and Tommy Wilkinson. Butler and Newcombe have dropped the round ball pastime in favor of basket ball. This left a decided gap in the forward line, and to fill in Bill Gray, the basket ball ace, will most likely be seen at outside right, with Art Stevenson his inside playing mate. Both of these boys starred on the Second Division team.

If Quene Yip decides to play for the Collegians he will make his appearance at centre. Thus the students would present a light, fast forward line composed of Gray, Stevenson, Yip, Crees and Cameron.

This change will leave the Second Division team weak and they will be forced to call on the Junior Alliance squad.

U.B.C. Eight Will Oppose Huskies at Seattle in March

Coach Rusty Callow Will Get Line on His Men Before California Race

Local College Oarsmen Prepare for Big Campaign; M. J. K. Allen Will Coach

SEATTLE, Jan. 18.—The University of Washington's eight-oared rowing crew racing schedule has been increased for the coming campaign. Coach Rusty Callow announced on Saturday that he has agreed to a race between the Huskies and University of British Columbia on Lake Washington, Saturday, March 13.

This race will be the first of its kind ever held between the two Pacific Northwest colleges. Heretofore the University of British Columbia's largest shell was a four, without coxswain, and competition was limited to that type of rowing.

University of Washington recently presented the Washington 11, an eight-oared shell, to the Canadian institution, and this is being used to prepare the British Columbia oarsmen for the contest here in March.

ONE MILE SHORTER

Despite the fact that the distance will be one mile shorter than the course that will be rowed in the Washington-California race, it is believed here the British Columbia contest will furnish a real test with regulation equipment for the Purple and Gold before the battle with the Bears, and will give Coach Callow a definite line on his crew. This is something he has been unable to get in the past because of inability to get any eight-oared competition.

Arrangements have been made for the University of Washington to loan the British Columbia crew a shell for the race here to save the expense of bringing the racing craft of the Canadians to Seattle.

As the Washington racing shells are of the same model as the one owned by University of British Columbia, this will prove to the advantage of the invaders, as the Washington shell that will be loaned will be a newer and faster craft than the one being used in training work at Vancouver.

LOCALS PREPARE

The Washington 11, eight-oared shell, gift of University of Washington to University of British Columbia, was received a few days ago and has been launched in the waters of Coal Harbor. University of British Columbia oarsmen held their second workout on Saturday and there are about 50 students anxious to make their mark in the game.

Regarding the formation of the eight to appear at Seattle in March nothing has been decided, but will be in the near future. The U. B. C. oarsmen will practice twice a week for the next two weeks and will then get down to business in earnest with workouts every day.

Rowing is a comparatively new sport at the Varsity, for it was only about two years ago that it was started. The co-operation of the Vancouver Rowing Club has made progress possible, and with the continued support from the city organization it is hoped that the Varsity will make big strides in the game.

University of British Columbia competed against University of Washington last year, but only with four-oared shells. Three of the crew that opposed the Americans then are back and likely to compete in the eight. These include Oliver, Mounie and Bain. Dick Davidson and Ken Eckert are also shaping up well, while Pinky Stewart will likely be the choice for coxswain.

FUTURE PLANS

It is the plan of officials to have, besides the senior eight, one Freshmen's heavy crew, one Freshmen's 150-pound crew and one Arts '28 crew. What oarsmen are left over will be divided among the crews as spares.

M. J. K. Allen, for several years prominent in the affairs of the Vancouver Rowing Club, will act as coach, and he is already very much satisfied with the material at his command.

Some time in the near future there will be a gala day, when all the crews will be seen in action in public. It is planned to row a novice four with Brentwood College of Vancouver Island in April.

KELOWNA LOSES TO ROWING CLUB

Oarsmen Win by One Point; Canucks Victors Over Varsity B Girls

Kelowna basket ball squad concluded its tour of the Coast last night with a game against Rowing Club C and the latter won a hard battle 21-20. Kelowna was in front at half time 15-8, but Rowing Club C came along in great style in the last 10 minutes.

Rowing Club: McKenzie (7), 1 Buckley (6), Abercrombie (3), M. Buckley (2), Dixon (3), A. Roberts. Kelowna: Showley (3), McLeod (2), J. Parkinson (4), Rowcliffe (7), D. Parkinson, Lewis (4).

King Edward Canucks Senior A girls downed Varsity B in a Vancouver and District League tussle, 49-7. King Edward Old Boys Senior B five won from Rowing Club, 33-25. Rowing Club Intermediate A squad accounted for Varsity, 22-18, and Native Sons beat King Edward Old Boys in a Senior A exhibition, 24-19.

AGGIES BRING HOME BACON

U. B. C. Students Score Well In Portland Stock-Judging Competition

UNIVERSITY OF BRITISH COLUMBIA, Jan. 18.—Detailed results of the International Stock Judging competitions held at Portland towards the end of November have been received by Prof. H. M. King of the Department of Agriculture here from J. E. Doran, superintendent of the committee.

Sid Bowman and J. C. Berry, both of the local University, gained the honors in the Holstein and All-grades events respectively.

TOP OF THE LIST

Five universities competed, and in the feature events, the All-Breeds division, the scores were as follows: University of British Columbia, 3395 points, Coach H. M. King; Oregon Agricultural College, 3307 1-4, Coach J. P. Jones; Idaho, 3270, Coach F. W. Atkinson; Washington State College, 3213 3-4, Coach J. C. Knott; University of California, 2893 1-4, Coach G. M. Drummond.

In the Ayrshire event British Columbia took the three medals awarded by the Holstein Friesen Association. The three highest individual scores were registered by J. C. Berry and Sid Bowman of British Columbia, and G. N. Gray of the Oregon Agricultural College. The major trophy, the traveling cup presented by the Oregon-Idaho Dairy Farmers' Association, returned with the British Columbia representatives.

In the Holstein competition the locals carried off first place with 1017 1-4 points, individual scores being: Bowman, 377 1-4, closely followed in second place by Berry, 358, while Luyat took twelfth place with 281 3-4.

LEADS IN JERSEYS

Berry ranked top man in the Jersey judging contest, making 309 3-4 points, while Bowman got 278, making sixth place, and Luyat was eighth with 265 1-2. The team was second, with a total of 853 1-4.

This is one of the best showings the British Columbia entries have ever made, and Prof. King and his cohorts are justly proud of their record.

GOSSIP OF THE CAMPUS

m. Sun. 18-1-26

UNIVERSITY OF BRITISH COLUMBIA, Jan. 17.—Miss Jean Tolmie has been appointed Assistant Editor of the Annual, thereby necessitating her resignation from the staff of the Ubysey, of which she was Associate Editor. Miss Kathleen Baird, Arts '28, one of the reporters, has been promoted to the vacancy.

The first meeting of La Canadienne, a society for students interested in French, was held on Thursday evening, when a programme was prepared for the year.

Art Gallagher addressed the Chemistry Society on the subject of Anaesthetics at their first meeting of the term, held on Wednesday at the home of Miss May Black, 3537 Third Avenue West.

Women athletes are preparing for the annual track meet, which will be staged early in March, and the Track Club, through Doris Woods of Arts '28, the president, is urging the women to take more interest in this form of activity than has been previously shown.

The Track Club held an important meeting on Monday in connection with the coming inter-class meet and Tacoma meet. The chief item was the adoption of the plan submitted by Charlie Mottley, president of the club, for a change in the course of the annual Arts '20 relay, which takes place next month.

The Rowing Club, which is staging a campaign to gain a place at the fore, held a meeting on Tuesday, and the first turn-out at Coal Harbor on Wednesday.

Miss Wanetta Leach, Editor of the Annual, is getting down to work in earnest on this year's publication. The exact design of the book has not yet been decided upon, but many samples have been considered. It is understood that important changes will be adopted. A student ballot is being conducted by the Ubysey on whether or not the student body favors the exclusion of advertising matter from the Annual.

Kaye Lambe, secretary of the Historical Society, announces the intention of that club to change its constitution at this week's meeting so as to admit to membership graduate students taking history courses at the college.

Education '26 won a well-contested debate from Arts '26 in a fixture of the Inter-Class Debating Competition on Monday. F. Buck and Wilf Kelly, two former international debaters, acquitting themselves in a manner that left no doubt of their superiority over the seniors W. Turnbull and Jack Bridge. The subject was: "Resolved, that a period of labor control would be of benefit to Canada."

QUENE YIP WILL PLAY SATURDAY

m. Sun. 21-1-26

QUENE YIP, versatile Chinese athlete, will wear a Blue and Gold jersey when the Collegians trot on the field to meet Westminster United on Saturday. The former star centre of the Chinese Students will occupy the same position on the Varsity squad and will have Art Stevenson at inside right and Bill Gray at outside right. Rex Cameron will be at outside left and Crees at inside left. Yip is a sure bet in the sprints for the intercollegiate track team to meet Tacoma in March.

GOSSIP OF THE CAMPUS UNIVERSITY OF BRITISH COLUMBIA, Jan. 26.—Alice Weaver is the new president of the Women's Literary Society, having been elected on the resignation of Marion Smith. Miss Weaver is a well-known member of the Sophomore year. Women athletes of the University will maintain their skill against the representatives of the Kitlano High School in a grass hockey match tomorrow afternoon. The Chinese Study Group of the Students' Christian Movement met this afternoon for a further discussion of the Chinese problem. The students are attempting to get a comprehensive view of the real conditions existing in China and the missionary work being done in that field. Prof. J. M. Turnbull of the Department of Civil Engineering will speak tomorrow in one of a series on choosing a profession. His subject will be "The Life and Work of a Mining Engineer."

m. Sun. 27-1-26

GOSSIP OF THE CAMPUS UNIVERSITY OF BRITISH COLUMBIA, Jan. 26.—The Nurses' Undergraduate Association will meet on Thursday night at the home of Miss Isabel Henderson, 1555 Thirteenth Avenue West, to discuss plans for co-operation with the Science men in the coming Science dance. Dean Bollert entertained the members of the Studio Club at her home, 185 Tenth Avenue West, tonight. The Grass Hockey Club will hold an important meeting Friday, when plans for the forthcoming Duncan and Victoria trip will be discussed. Election of a president and consideration of a constitution also form part of the agenda. Prof. F. G. C. Wood, director of the Players' Club, announced another postponement of the final tryouts for the minor roles in the club's annual presentation, this year's play being G. B. Shaw's "Pygmalion." The selection will positively be made on Thursday afternoon. Miss Alice Weaver, newly-elected president of the Women's Literary Society, announced today that the preliminary tryouts for the annual women's oratorical contest would be held on Friday afternoon at 3:30. Prof. J. M. Turnbull, head of the department of Mining and Metallurgy, delivered a talk on "The Life and Work of an Engineer" today, in one of a series of lectures given by the administration on "Choosing a Profession."

Americans Play Exceptionally Clean Basket Ball Against Locals

COLLEGE of Puget Sound demonstrated to University of British Columbia how to work the quick break game Saturday night, at Normal Gym, and succeeded in piling up 41 points while the B. C. boys were collecting 16. The teams battled to 17-12 at half time but from then on the Loggers got on to the long passing game of the Blue and Gold, and swept up the floor time and again to score.

Frank Wilson of the visitors gathered in 22 points and played one of the best games ever witnessed on local floors. Onie Hannus was everywhere at guard and collected 11 points. The Americans played exceptionally clean throughout with only one personal charged against them and made only one substitution during the game.

On floor play the teams were practically even but Varsity was outclassed under the basket. Newcombe of Varsity was forced to leave the game shortly after the start with a dislocated collarbone.

C. P. S.—Wilson (22), Aldrich (3), Guest (2), Blevens (4), Hannus (1), Ginn.

Varsity—Newcombe (2), Butler (2), A. Hendersor (4), H. Henderson (2), Gordon (2), Hartley (2), Wilkinson (2).

Varsity Senior B beat Y.M.C.A. 49-15 in a one-sided game.

Varsity—Robinson (11), Thomson (2), Gray (12), King (6), Gibson (14), McDonald (2), Mahon (2), Aune.

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, Jan. 21.—A motion to restrict the use of the Varsity name and crest by the Varsity Orchestra was defeated at the weekly meeting of the Council Monday night.

A committee will be appointed immediately to make a thorough investigation of the question of the introduction of the American football game to the University. The committee will be convened by the president of the Men's Undergraduate Society, Tommy Taylor, and two members of the Faculty Committee will be asked to sit with two representatives of the Students Council. A meeting of the American football club was held at noon today.

Following opposition taken by students against the secrecy that surrounds the workings of the Students Vigilance Committee, the Council decided that the names of all offenders should be published on the notice boards and through the columns of the Ubysey and that the proceedings of the Committee should be made public.

Permission was given the basket ball club to meet the College of Puget Sound in home-and-home games, the local fixture to be played on Jan. 23, and a dance to be held after the contest.

Dean R. W. Brock, head of the department of geology, resumed his series of weekly noon hour talks on Engineering Professions yesterday. His subject was "How to Choose Your Profession." The meetings are held in the small geology lecture room in the applied science building.

The meeting of the French club, La Causerie, was held last night at the home of Miss Bernice Barton, 2014 Marine Drive.

"La Grammaire" has been selected as this year's play to be presented by the French Dramatic Society, Miss Mollie Cottingham, secretary of La Canadienne, announced yesterday. The tryout for the only female part will be held on Tuesday, Jan. 26, at 2 p.m.

Sons Victors in Postponed Senior A Game at Normal Gym, 25-15

Native Sons kept in the running for the senior A basket ball championship of the Vancouver and District League when they accounted for Varsity, 25-15 at the Normal gymnasium last night. E. L. Yeo refereed. Native Sons led at half time, 13-9.

It was a good, hard contest but the Sons' players appeared somewhat tired in the latter stages of the struggle. They won because they bored in better. None of their points accrued from long shots.

Dode Tuck turned out for the Sons for the first time this season and did quite well, while Jimmy Ralston, despite that he had a bad ankle, was also useful. Tanny Butler was the leading scorer for the students.

Native Sons: Ralston 2, Tuck 6, Robinson 5, Priest, Phillips 8 Falconer 2, Phipps 2, McCreery, Hunter.

Varsity: Hartley 2, H. Henderson 1, Butler 3, Gordon 2, Nesbitt, Turpin 2, King, Grey, A. Henderson.

Debate Features League Meeting

An interesting debate on "Does the Present Russian Government Make for War or Peace?" given by U.B.C. students, was the feature of last night's meeting of the Women's International League for Peace and Freedom at the Women's Building. Miss Alda Moffatt and Mr. Moore Whaun led the affirmative, and the negative was taken by Miss Islay Johnston and Mr. Teja Hundal. The debate was spirited and characterized the first meeting of the league for 1926 as worldwide in its interest. Mrs. John Burton presided.

The league decided to purchase and take for reading discussion Ponsonby's "New Is the Time," and Willock's "Christianity and War." Discussion also took place as to the league co-operating with other Canadian leagues in helping to send Miss Agnes McPhail, M.D., to the Dublin Congress this summer. Wanderers and B. C. Athletics Defeated in Tisdall Rugby Semi-Finals

Farmer, Murray Rowan, Leroy, Gustafson and Abernethy Show Good Form

EX-KING GEORGE and Varsity will battle for possession of the Tisdall Rugby Cup. These teams triumphed in the semi-finals at Brockton Point on Saturday, Ex-King George beating B. C. Athletics 6-0 and Varsity accounting for Wanderers 19-3.

Two unconverted tries served to spell defeat for B.C. Athletics in a game that was one of the best seen at the Point this season. There was no scoring in the first half. B. C. Athletics dominated the play before the interval because their heavier pack was more effective.

Two minutes after the second half started Murray Rowan instituted a passing movement, the ball going to four players before the movement culminated in Lisle Barr getting over for the first try. Rowan failed with the kick at goal.

B. C. Athletics assumed the aggressive and looked as if they might get over until about seven minutes from the close when Gordon McLean picked up the ball and went over for the second Ex-King George try. The angle was so acute that the kick at goal was not taken.

Farmer was the outstanding man behind for the losers and Gourlay the best of the forwards. Murray Rowan and McLean excelled for Ex-King George.

WANDERERS RAGGED

The final score in the game between Varsity and Wanderers was not a fair reflection of the play. Wanderers kept the students in their own half of the field a great deal but were ragged and the three-quarter line seldom got away to a decent passing movement.

Varsity scored just after the start through Loudon, but the try was not converted. Gustafson then started an attack, passed to Kelly, who transferred to Lewis and the last-named gave the ball to Eaton, who went over. Kelly failed to convert. Wanderers kept play in the Varsity territory for a while after this but could not force a passage through. Then Varsity obtained another try through Loudon, who scored after receiving from Lewis. Kelly added two points with the kick at goal. Before the interval Eaton and Gustafson combined for another Varsity try, the latter getting over, while Kelly added the goal points. Varsity led 16-0 at the interval.

CURLIE GETS OVER

Leroy performed well individually for Wanderers in the early stages of the second half but did not get very far. Subsequently he gave Curle an opening and the latter scored a nice try. Thornton took the kick at goal but failed to add the extra points.

Before this Gustafson had brought the Varsity score to 19 points with an unconverted try.

Leroy was best for the Wanderers. Gustafson and Abernethy did well for Varsity. Considering the wet ball and heavy ground Abernethy was remarkably safe at full back.

A five-man team coach and manager will make the trip. The events on the programme are somewhat limited and there are as yet only events for free style men and fancy divers.

The events are 50 yards free style, 100 yards free style, 220 yards free style and 440 yards relay of two men.

Calgary Swimming Club will have a strong representation and also many prominent Eastern clubs.

This affair will probably develop into a Western Canada and United States Middle and Northwestern intercollegiate meet if plans being laid by Banff committee materialize for next year.

Opposition For Local Mermen

Two Prairie Universities to Oppose Varsity Swimmers at Banff

That there will be intercollegiate competition for the Varsity swimming team which has entered the winter carnival at Banff to be held February 13, was assured by a telegram received today by Dalton Allan, president of the U. B. C. Club.

University of Saskatchewan swimmers have accepted the terms offered, and warn the local mermen that there will be real competition. The University of Alberta Aquatic Club wires that they are trying hard and are almost certain of making the trip.

The blue and gold swimmers are taxing Coach Norman Cox to the utmost, and there will be some very close judging before the actual team is finally chosen.

The club has uncovered a wizard in the distance plunge in the person of Sandy Moore, a freshman. He easily outdistanced any plunger at the Varsity, but it is thought he will hardly have the chance to demonstrate his prowess at the carnival, as the plunge is not on the program.

The only men who are practically certain of making the trip are Abernethy and Reg. Wilson, both of the first year class. Their previous records this season should assure them places, though competition for every event is very close.

Oarsmen Senior B Too Fast

Varsity Knocked Out of Division Championship in Thriller

Varsity's fighting Senior B basket ball team failed by one point to stay in the championship race with Rowing Club Saturday night at Normal. The final score was 20-19. It was a hectic struggle from start to finish. The Blue and Gold squad came off the floor at half time with the score 10-4 in their favor, and it looked as though the Rowing Club crew were about to take their first defeat of the season. The Clubbers could not locate the basket and only the splendid work of their guards prevented the collegians from taking a bigger half time lead.

The second half saw the Rowers start one of the most brilliant rallies ever staged on the Normal floor. Three baskets in quick order and a free shot put them one point in the lead. From that on the score never varied more than two points and the final whistle found the teams battling desperately for the league championship.

QUICK BREAKING RUSHES

Rowers won during the second half because they broke quick under the basket to score, but they were off form on the long shots. Merv Buckley led the Clubmen with 6 points. Dixon and Lawrence each got 4. The outstanding player of the evening was Billy Gray for the losers. He made the opening for many shots and gathered 7 points besides. Gibson also starred and added 6 points to his team's total. Every man played at top form and the Rowers earned the victory by their brilliant rally.

A large crowd of rooters for both teams was out.

THE LINE-UPS

Rowing Club: L. Buckley (4), McKenzie (2), Vollens (2), M. Buckley (6), Dixon (4), Abercrombie (2), Roberts.

Varsity: Gray (7), Gibson (6), McDonald (3), Aune (3), Swanson, King, Thompson.

Varsity Senior girls bowed down to New Westminster Y. W. C. A. in a close game 8-7. The game was inclined to be rough and personals were frequent.

The lineups were Varsity: Swencsky (1), W. Straight, J. Gilly, F. Musgrave (1), J. Carlaw (2), D. Shorney (3).

Y. W. C. A.: M. Briar (2), T. Dockrill (4), W. Strutt, E. Ettinger, P. Rennie (2), M. Ryan, G. Mostell, V. Bowell.

STUDENTS AIDED BY TWO STARS

Hatch and Palmer to Play in Tisdall Cup Final at Point Saturday

Two former McKechnie cup stars will be seen in action on Saturday when Varsity takes the field against Ex-King George in the final rugby game of the Tisdall cup at Brockton Point. Dave Hatch and Pete Palmer are the two Blue and Gold stalwarts that will make their initial rugby debut this year.

Hatch was a star forward last year but has not found the time so far to play, but will be out with the team for the rest of the season. Palmer is a versatile backfield player with speed and force.

Casey Casselman will be back for the McKechnie cup rugby tilt of February 20 if his wrist injury progresses favorably. Without Casey the Varsity backfield would lack the guiding influence that has carried the Collegians to many triumphs on local fields. With such a lineup in readiness for the McKechnie cup battle the Students are a team to be watched.

DOUBLE INVASION AIM OF VARSITY

Squad of Oarsmen and Glove Slingers Expect to Engage Washington U.

Efforts are being made to arrange a double invasion of the University of Washington on March 13 by Varsity boxing and rowing squads.

If the arrangements are completed it will mean that the Blue and Gold invaders will face the Huskies on Saturday afternoon on the water and sling mitts in the evening with the Purple and Gold in the Washington gym. Such an invasion would more forefully bring the prestige of the University of British Columbia before Washington, it is felt.

Last year the University of British Columbia four was beaten by one length by the Husky crew, but this year the Blue and Gold will send an eight for the meet.

The boxing team won two decisions out of six from the Washington scrappers and lost an unpopular decision in the lightweight class. This year Eddie Mulhern and Pinkey Stewart, winners of intercollegiate titles, are back at British Columbia and ready to repeat. Jack Gillson, the hard-hitting lightweight, is out to get the scalp of Jerry Curry, who decided him in an extra round last year.

TEAMS TO CLASH FOR TISDALL CUP

Varsity and Ex-King George meet at Brockton Point Saturday at 3:30 p.m. in their scheduled rugby fixture for the Tisdall cup. A win for the latter will qualify them to meet Victoria's city champions for the Rounsefell trophy in view of the fact that the former high school representatives have already won the Miller cup and the right to tussle with the Islanders should they come out victorious on Saturday.

If Varsity comes out on the big end Saturday, a two-game series will be played between Varsity and Ex-King George to decide the winner of the Rounsefell cup.

Varsity XV Will Be Strong

U.B.C. Rounding Out Crack Squad for McKechnie Cup Final

When the University rugby team meets the Vancouver "Rep" at Brockton Point on Feb. 20 to decide the destination of the McKechnie Cup it will be stronger than on any previous occasion this season. Casey Casselman, who broke his wrist at Victoria last Christmas, will be back at inside three-quarter.

To date the scrum has been the only weak link in the Varsity armour, but this is being strengthened for the big game. The addition of Dave Hatch to the scrum will give the college forwards more weight. He will be heeling the ball along with White.

Coach Scott is certain that Dave will make this place, although he has not played for two years.

The University's already strong three-quarter line will be made stronger by the addition of Pete Palmer on the wing. Palmer is turning out after a year's absence from the game and will be a decided asset to the team.

Varsity plays Ex-King George at Brockton Point on Saturday. Both Palmer and Hutch will be seen against the former high school students.

DEBATERS HERE MARCH 5 TO 10

Local University All Ready for Big Meet

UNIVERSITY OF BRITISH COLUMBIA, Feb. 2.—Arrangements for the visit of the Imperial debaters to Vancouver are beginning to take concrete form. The British team will be in the city from March 5 to 10, engaging the university representatives on Monday, March 8.

The visiting team will be on a par with the Oxford team which made so favorable an impression here a year ago, but, whereas the Oxford team was chosen from that university only, the four members of the Imperial team were selected from Oxford, Cambridge, Edinburgh and Manchester universities. The visitors are spending an entire year touring the Empire and debating with the representatives of various universities under the auspices of the National Union of Students. They are at present meeting teams of Eastern universities. Their itinerary will carry them through the prairies and to the coast, thence to Australia and New Zealand.

The subject selected for the engagement here with U.B.C. is "Resolved that western civilization is becoming a demoralizing influence on mankind." The local team has not yet been selected, but the university has an unusually formidable array of talent this season. Manager Jack Shakespeare is busy with preparations for the event, and is enthusiastic over the prospects of its success.

Determined that Varsity's rugby fifteen shall not get the jump on them in condition, so far as the McKechnie Cup final is concerned, officials of the Vancouver Rugby Union last night selected a group of players who are asked to turn out at the Horse Show Building tomorrow night at 6 o'clock for the initial workout.

The clash for the McKechnie cup the blue ribbon of rudy hereabouts, will probably take place at Brockton Point one week from Saturday. Just now Varsity players are concentrating on wrestling the Tisdall cup in the final clash on Saturday from Ex-King George.

Varsity are at work this afternoon on Strathcona Park preparing for this tilt and, incidentally, conditioning themselves for the final silverware hunt the week following.

Here is a list of the players selected to try out for places on the Union McKechnie Cup fifteen as announced by the selection committee last night:

Prenter, Barry, Lewis, Leroy, Mahon Murray Rowan, Lisle Barr, Hamar, Marc Grimmitt, Farmer Marshall, Gwyther, Choate, Boyd, Donaldson, Lange, Fleet, Thornton, McLean, Decker, Patterson.

SEATTLE, Feb. 7. — Coach Berry's Seattle College Panthers completely outclassed the University of British Columbia Saturday night by a score of 51-24. The Canadians had a smooth passing attack, but their inability to ring the hoop gave the game to their more experienced opponents.

Gray and Gibson puzzled the Seattle defense for a while, but O'Connor and Tom Duffy soon solved the attack and from then on they had things all their own way.

GOSSIP OF THE CAMPUS

University of British Columbia—A special committee to supervise expenditures and make recommendations on student building plans was mooted at the weekly meeting of the Students' Council Monday night. It will be under the presidency of the Alma Mater Society, and will consist of two members of the Alumni, and be appointed by the University Alumni Association, and three members of the student body, to be named by the Students' Council.

"Banff or Bust" was the legend borne by the tags sold by fair supporters of the Men's Swimming Club at the college yesterday. The tag day was sanctioned by a special meeting of the Students' Council, which approved of the Swimming Club's decision to accept the invitation of the Banff Carnival committee to compete in an aquatic meet with the colleges of Saskatchewan and Alberta at the Winter carnival.

In preparation for the annual grass hockey game with Victoria College women, who will be the guests of the local institution this week end, Varsity co-ed athletes engaged Klisilano High School girls in a practice match at the High School grounds yesterday.

Preliminary try-outs for the Arts '28 relay team for the annual Arts '20 inter-class race this month will take place on Friday afternoon.

Miss Greig of the French department gave a delightful talk on "Paris" at the meeting of La Causerie at the home of Dr. Clark, 5037 Maple street, last night.

The first of four technical talks of general interest will be given at the University tomorrow afternoon, when Mr. F. G. T. Lucas, of the firm of Lucas & Lucas, speaks on "The Water Carriage of Goods." The address will be given in Room 100 of the Arts building at 4 o'clock, and will be of especial interest to students of economics. These lectures are being given by the Vancouver Board of Trade. Dr. T. H. Boggs, head of the department of economics, will be in the chair.

"Back to Fairview" will be the motto of Varsity co-eds concerning their annual frolic, familiarly known as the "High Jinks." Moreover, the women have deliberately defied all the ghosts of the old college, in planning their event for the night of February 13.

VARSITY WINS TISDALL CUP

Ex-King George rugby squad has been halted at last. The former high school students were defeated 15-8 in the Tisdall Cup final at Brockton Point on Saturday by the pick of Varsity. The same teams must meet again in a 2-game series to decide who will oppose Victoria for the Rounsefell Cup.

Varsity led 10-5 at half time. Dick Davidson scored two tries for Varsity in the opening half and Price added the goal points on each occasion. Bill Henderson offset this advantage by getting a try for Ex-King George in the first half, Bob Rowan converting.

Gyles obtained another try for Ex-King George in the second half, but Bob Brown failed with the kick at goal. Before the end Tupper got over again for Varsity and Price kicked his third goal. Len Barclay of Ex-King George was kicked in the eye, retired, and his team played short all the second half.

Lester Court Ball

The third of the large annual dances in University circles of this season was the Science Men's Undergraduate Society dance, held at Lester Court on Friday evening. A decidedly novel background was formed by twinkling stars against decorations of blue, and a program of novelties prevailed throughout the evening as the 'varsity undergraduates and several hundred of their friends made merry.

Arrangements for the ball were in the hands of Mr. William Phillips, president of Science Undergraduates, Miss Nora Armstrong, Mr. William Jones, Mr. Stewart Temune, Mr. Dadwell Hartley, Mr. Albert Jagger, Mr. Frank Barnsley and Mr. John Mathews.

Patrons for the affair were President and Mrs. L. S. Klinck, Dean and Mrs. R. W. Brock, Dean M. L. Bollert, Miss G. Gray, Professor and Mrs. W. E. Duckering, Dr. and Mrs. S. J. Schofield, Professor and Mrs. J. M. Turnbull and Dr. and Mrs. T. C. Hebb.

Student Body Inaugurates Movement to Build Structure Itself

Now that the students are established at Point Grey, the various teams and athletic clubs at the university realize the double handicap of first having no gymnasium of their own, and second, being at such a distance from any gym which they can use at odd hours.

This was foreseen before the move to the Point was made, and every effort was made to have the government include such a building on their plans. However, due to the lack of funds in the provincial treasury this could not be done.

Then a further plan was brought forward. In the universities where an officers' training corps is established the Dominion Government pays the expenses and builds a gymnasium. For this reason the question was put before the student body and passed by a large majority. Thus it was thought an O. T. C. and physical training would be included in the university calendar this year.

Upon further investigation by the student council and governors the plan was found to be impracticable, though appearing to be feasible unless exhaustive investigation was made.

Building Crying Need

Things have now come to a place where a gymnasium is essential or athletics at the Varsity will suffer greatly. For this reason, Johnny Oliver, well known athlete and a member of the council, has interviewed the board of governors and received their sanction to conduct a campaign to build the gymnasium.

A committee consisting of two graduates, three members of the student body and the president of the students, has been appointed. A paid campaign manager, probably one of the alumni, will be secured, and by all appearances the ultimate end will be gained within two years.

On the plans of the University buildings as they will be when finished, there is a section just east of the library reserved for the gym. This will be close to the proposed stadium, so that the athletic units will occupy a section to themselves.

Title Looks Safe for Adanacs—Old Boys Trim Rowing Club

Varsity senior A basketball squad dealt the championship hopes of Native Sons a serious blow on Saturday night at the Y. M. C. A. Varsity won a hard game 33-16. The affair between King Edward Old Boys and Rowing Club was ragged, the former finishing on the long end of a 36-23 score.

Varsity played splendidly against the Sons and never allowed the latter to get going. The students displayed wonderful shooting form, both at long and short range. Tanny Butler was the hero of the Varsity triumph.

There was an unpleasant incident in the second half, which resulted in Ralston of Native Sons being sent off the floor for ungentlemanly conduct.

This defeat practically eliminates Native Sons from the championship for Adanacs must lose to both the Native Sons and Varsity before it can be headed off.

University Stages Big Show Wednesday

University of British Columbia, Feb. 9.

Annual university oratorical contest finals will be staged in the auditorium Wednesday night. It is the first such contest held at the new quarters, the first final in which the men's and women's societies will compete together, the first evening function at the new university at which refreshments will be served, and the first contest at which a woman will occupy the chair.

There are three speakers in the women's event, and six in the men's, these having been selected from the try-outs held last week. Speakers include several well known debaters, both of inter-class and inter-collegiate rating.

In the women's event, Kathleev Clark, and Jean Graham, both of arts '26, and Betty Matheson, of arts '29, will compete for book prizes valued at twelve and eight dollars. The men's division includes Walter Turnbull and Gordon Telford of arts '26, Ralph Stedman of arts '27, Les Brown of arts '28, and Denis and Paul Murphy of arts '29. The prizes in this event are gold and silver medals equal in value to the awards in the women's division.

Alice Weaver, arts '28, president of the Women's Library Society, will be in the chair. The judges will include Dr. H. L. Keenleyside, Dr. F. L. Angus, Prof. F. G. C. Wood, Mrs. A. F. B. Clark, and Miss Greta Mather, all save Mrs. Clark being members of the faculty. Two years ago Naha Singh, a student from India took the award, while last year the gold medal went to Eric Dunn of Cumberland, B. C., and the silver to Jimmy Craig, of this city.

Refreshments will be served by the women, music will be provided by the university orchestra, and special bus service will be run to the university. Admission is free.

Ex-King George Determined to Turn Tables on Students

Ex-King George ruggers will be at full strength against Varsity at Brockton Point on Saturday, and officials and players of the club are confident they will be able to turn the tables on the students' McKechnie cup squad and thus qualify to oppose the champions of Victoria for the Rounsefell cup.

Last Saturday Ex-King George battled most of the way in the Tisdall Cup final with only thirteen men. Len Barclay was injured and had to retire, while Gordon McLean was playing, under the handicap of a broken nose. This injury prevented McLean from giving all he had, for he could only work on the outside of the scrum. Both men are reported in shape for Saturday's tussle.

Last Saturday Varsity crossed the Ex-King George line three times and on each occasion Price added the goal points. Ex-King George crossed the Varsity line twice, but one of the kicks at goal failed. There is certain to be a bumper crowd for this crucial clash.

Mikado, Il Trovatore and Other Favorites on Programme

An event of much interest in both University and musical circles will take place when the University Musical Society presents its tenth annual spring concert on Friday, February 26, in the University auditorium, Point Grey.

As in the past the aim of the society is the promotion of an interest in music in the University and the development of student talent, both these ends being realized under the leadership of C. Haydn Williams, who is also assistant conductor of the Capitol theatre orchestra.

OLD FAVORITES

This year the event of the concert is arousing particular attention and curiosity as an entirely new form of entertainment has been adopted. The programme will consist of selections from both light and grand opera, including "The Mikado," "Pirates of Penzance," "Il Trovatore," and "I Pagliacci," all rendered in costume, and with full scenery and lighting effects.

In addition to these operatic selections, the society will render several full choral numbers, accompanied by the orchestra, among them being "The Bridal Chorus" from Cowen's "Rose Maiden." A most effective item will be Ketelby's descriptive "In a Persian Market," rendered by the orchestra.

MANY SOLO PARTS

In the operatic numbers the solo parts will be sung by Miss Kathleen Baird, Miss Jean Woodrow, Miss E. S. Rillance, Miss Margaret Kerr, Carl Barton, Thomas Loudon, Bill Phillips and Joe Kania, while instrumental solos will be rendered by Miss Alice Wilma Metz and Christy Madsen.

The University auditorium, with its splendid acoustic properties and up-to-date stage equipment, is said to lend itself admirably to such a performance, and in view of these facilities and the excellence of the programme, the society anticipates a capacity audience.

College of Puget Sound Will Meet Varsity Basket Ball Squad

Efforts Being Made to Bring University of Wash- ington Five

COLLEGE of Puget Sound Hoopsters will lock horns with the University of British Columbia in an inter-collegiate game at Normal Gym Saturday night. The Loggers wired for a game yesterday and were given a favorable reply by Ron Gordon, Varsity hoop manager. The Blue and Gold net sappers will return the visit on January 29.

Coach Mac McNeill of the Loggers hoop machine will probably bring 10 men for the engagement. The Americans have brilliant record in Southern Washington and are leading the Northwest Pacific Conference composed of Willamette, Pacific, Oregon State Normal, Mt. Angel, Whitworth and Linfield. They have beaten the Camp Lewis hoopsters to the tune of 56-20 and are reported to have beaten the Multnomah squad in a pre-seasonal game.

FIVE COMING BACK

The lineup will include five of the rangy American football team that played in Vancouver last fall: Aldrich, Wilson, Shaw, Blevens, Hannus, Cinn, Guest, Kepka, Roen and P. at. Willson is a brilliant forward and will need a lot of watching as he snared 19 points against the Camp Lewis team. Aldrich is another player who is deadly under the basket. Hannus is a husky football lineman who stars at guard and usually gets in the scoring sheet.

University of Washington Varsity squad will demonstrate just why they are the peer of Coast conference performers if arrangements can be made to bring the Purple and Gold here to play University of British Columbia either January 30 or February 6.

Coach Hec Edmondson is anxious to come North if the dates prove suitable. This will give local fans a chance to see stars of the calibre of Capt. Gratton Hale, Johnny Dahlquist, Hall Johnson, Ed. Nowell, Al Schuss, Jack Torney, Harold St. John and Earl Jewell. Gratton Hale is considered the peer of Coast forwards and Schuss is a real find this year as he gathered 15 points against Gonzaga last Saturday.

INVADES SEATTLE

Varsity Senior B outfit, led by their star captain, Bill Gray, will invade Seattle on February 6 to do battle with Seattle College. Outside of Rowing Club C they are the outstanding team in the district and should force the Catholic school to put up a real battle to win.

This smooth-working squad of hoopsters may make a name for the Blue and Gold in the seasons to come as the majority of the boys are Freshmen and will likely play through their college careers or all move up to senior company.

Local Oarsmen Not Strong Enough to Compete Against Husky Eight

It was unofficially announced at the University today that the annual rowing race with the University of Washington at Seattle would be cancelled owing to the few experienced men who can turn out. It would be foolhardy to compete against the Huskies, one of the strongest college teams on the continent, it is felt.

Word has been received from the American university that their rowers have been under gruelling training and are in top form. Last year the Huskies were in the inter-collegiate final at Poughkeepsie, Coach Russel Callow is training Art Wuthenow, last year's coxswain, so as to ensure his being in good condition.

There are eight other "lettermen" turning out, and several others who stand a good chance to make the first crew. Callow asserts that the competition is so close that even Captain Al Ubrickson, who has stroked the Huskies' crew for the past two years, is not sure of a place.

Last year the local Varsity "eight" was just nosed out by the Huskies, but the Washington crew is much stronger than before.

New Westminster basketball enthusiasts will probably have the pleasure of sitting in on the provincial senior A finals next month, for the Adanacs cinched the championship of the Senior A Division of the Vancouver and District League by defeating Varsity at the Y. M. C. A. on Saturday night, 22-12.

Adanacs have still to play Native Sons, but though the latter should win the Royals will still be 2 points to the good. Varsity played well enough on Saturday night, but the youthful Westminster aggregation always seemed to have a slight edge. The score was 7-6 for Adanacs at half time. Doug Fraser was in great form for the winners and netted 13 points, more than half the number obtained by his team.

Native Sons had little difficulty accounting for Rowing Club in the evening's opener, 38-21. Hazen Phillips was top scorer for the winners. Sons were battling hard in the hope that Varsity would afterward overcome Adanacs, but this did not come off.

U.B.C. Boys Capture Trophy

Varsity Swimmers Defeat Prairie Teams in Sensational Finish at Banff

BANFF, Feb. 14.—In the swimming meet, on Saturday with University of B. C., University of Saskatchewan and the Calgary Swimming Club, every race was surprisingly close, considering the three teams knew nothing of each other and coming from three widely separated and diverse localities.

The U. B. C. men won the cup representing the championship of the meet, getting a total of 17 points.

The first race was the 50 yards, which Abernethy of U. B. C. won in the remarkable time of 28 seconds. The second race, 100 yards, was won by M. Fidler of Calgary, who also won the cup permanently, having obtained it three consecutive years. The time was 67 seconds flat. Bruce McDonald of U. B. C. was second, two-fifths of a second behind him, and Anderson of Saskatchewan University third.

Relay Decides Meet

The third race was won by Saskatchewan with Reg. Wilson of U. B. C. beating out the Calgary man for second place.

The fourth race, two-man 160 yards relay race, was the closest of the meet, and most exciting, for upon it depended the championship. This was won by Abernethy and Bruce MacDonald of U. B. C. by a touch from Leach and Anderson, University of Saskatchewan.

The diving was won by Ernie Dun of Calgary, with Baker of U. B. C. second, and Leacock of Banff third.

Arranging Big Meet

The carnival committee is arranging for a big intercollegiate swimming meet. Those competing will include University of Idaho, University of Washington, University of Saskatchewan, University of B. C., University of Montana, University of Manitoba and University of Alberta.

This meet will be more comprehensive and interesting and will include co-eds. As Vancouver has many fast girl swimmers, this will make the Calgary girls champion, Miss Helen Woodside, look to her laurels.

Vancouver To Play Varsity

McKechnie Cup Game Feature of Saturday's Local Rugby Program

Varsity and Vancouver clash in a McKechnie rugby cup match at Brookton Point on Saturday at 3:15 o'clock. Jim Underhill will referee and the tussle will be preceded by an intermediate game between Ex-King George and Tenex at 2:15 o'clock, with Art Lord as referee.

A victory for Vancouver on Saturday will mean possession of the trophy, but should Varsity succeed then a playoff between the same two teams will be necessary to decide the destination of the cup.

If a playoff is necessary it will be staged on Saturday, February 27, but if the series is decided on Saturday then Ex-King George will meet a selected Vancouver team on February 27. Ex-King George Intermediates will meet a team selected from the rest of the intermediate clubs on February 27, and this will constitute a curtain raiser to the senior tussle.

On Saturday the Vancouver fifteen will play in the Rowing Club colors and the players will practice at the Horse Show Building tonight from 6 to 7 o'clock, and on Thursday at the same hour. Tenex and Ex-King George intermediates will practice from 7 o'clock to 8 tonight and at the same hour on Thursday.

The following Vancouver ruggers are asked to turn out for practice tonight and Thursday:

Choate, Greggor, G. McLean, Boyd, Patterson, Thornton, Lange, Fleet, Gourlay, Decker, Prenter, Mahon, McKay, Barry, Gyles, Barclay, LeRoy, Farmer, Lewis, Marshall, H. McLean, M. Doman and Grimmitt.

GOSSIP OF THE CAMPUS

University of British Columbia, Feb. 14. Dr. D. L. Davidson, a member of the faculty who takes an interest in all branches of sport at the university, will address the members of the Student Christian Movement at a meeting on Monday. He will speak on "Athletics and the Church."

The Studio club will meet on Wednesday evening at the home of Miss D. Buckworth, according to the secretary, Miss Helen Burton.

A feature of this year's Annual will be a scrap page for student photographs. Students are asked to hand in snap-shots of "women and comics" to A. Arman, Arts '26, J. Trent, Arts '28, or G. W. Ashworth, Arts '26.

Managers of athletic teams are requested to have photographs of their players taken at once for the Annual.

Bliss Carmen, noted poet, will deliver four lectures at the university during his visit to the city. On Monday he will address the students on the subject of "Poetry in Art." Mr. Carmen visited some of the classes during the last week, and invited questions from the students. The education people launched their old favorite, "What is Art?"

The sum of \$297 was advanced to the Players' club at the latest meeting on the students' council for the purchase of permanent properties. The Players' club trust fund was abolished, and a fixed sum set aside for this purpose.

The council frowned on the use of class sweaters for the Arts '20 relay. Individual designs will not be permitted, and the regular basket ball vest with a class crest may be used.

Permission to use the spotlight in the auditorium was denied to Arts '29, the council ruling that this may be used for major functions only.

The request of the auxiliary to the Vancouver General hospital to be permitted to advertise a ball and bridge was refused.

Financial reports of the publications board and the Victoria basket ball trip were accepted, and the minutes of the Arts Men's Undergraduate Society, Literary and Scientific department, Men's Athletic association, and International Sorority meetings were approved.

'Reps' to Battle Varsity

Collegians Need Victory Next Saturday to Tie McKechnie Cup Series

VICTORY for Vancouver "Rep" side in next Saturday's McKechnie cup final will give the provincial rugby championship to the Vancouver Union representatives. Should the Collegians gain the verdict, they will be on even terms with the locals for the honors and another game will be necessary the following Saturday.

Arrangements for the closing fixtures of the season's play were completed at last night's meeting of the Vancouver Rugby Union. Two games are listed for Brookton Point next Saturday afternoon. At 2:15 Ex-King George and Tenex will clash in an intermediate fixture and at 3:15 "Rep" and Varsity will battle for the provincial championship.

The following Saturday Ex-King George, winner of the Miller cup and finalists against Victoria for the Rounsefell cup, will meet the best that can be selected from the Vancouver "Rep" side in a special attraction. This game will not be played if a playoff is necessary for the McKechnie cup. Ex-King George intermediates will also take part in an exhibition game against an All Star aggregation from the rest of the league.

The two Ex-King George teams senior and intermediate, play at Victoria March 6 for the inter-city championship in which the Rounsefell and Province cups will be at stake.

The "Rep" team will wear Rowing Club sweaters in Saturday's game against Varsity. They will practice tonight at the Horse Show Building between 6 and 7 and at the same time Thursday evening.

The following players are expected out: Choate, Greggor, G. McLean, Boyd, Patterson, Thornton, Lange, Fleet, Gourlay, Decker, Prenter, Mahon, McKay, Barry, Gyles, Barclay, LeRoy, Farmer, Lewis, Marshall, H. McLean, M. Doman and Grimmitt.

U.B.C. Fail to Repeat Performance of Previous Week in Rugby Final

Ex-King George Show Reversal of Form in Beating Varsity 16-3

SHOWING a complete reversal in form over their performance of the previous week Ex-King George English ruggers took the measure of the strong Varsity fifteen, 16-3 in a Rounsefell cup game at Brockton Point Saturday afternoon. The victory entitles the Kings to represent the Vancouver Rugby Union at Victoria for the inter-city championship.

An effective attack, coupled with a hard tackling defense gave the Midler Cup champions the edge in the second period after they had taken the lead at 5-3 in the first half. They had a decided edge in the exchanges in which the speedy runs of Jack McKay, Bob Rowan and Ced Gyles featured their dashes. Percy Choate and Murray Rowan were also effective on the forward line.

Varsity was somewhat weakened by the absence of Johnny McLean, sturdy wing forward who has been a big factor in the play of the team all season. The Collegians' back division did not get under way in the same polished manner of the week before when their dazzling running and passing was chiefly responsible in defeating the Kings 18-5.

SLIPPERY GROUND

The ground was a rather difficult one by reason of the morning's frost and was responsible for many errors in handling the ball. Ex-Kings thoroughly deserved their win on the play. There was closer co-operation between forwards and backs and their opponents' "threes" found themselves well blanketed whenever they started an offensive movement.

The game was only 5 minutes old when Varsity's threes made their only effective thrust—a pretty passing movement in which all handled the ball, Gustafson putting the ball into Loudon's hands in a perfect pass and that player going over the line with Murray Rowan's arms embracing his legs for the try. Price took the kick and failed to convert.

Varsity pressed hard and confined the play to Ex-King territory till McKay made a brilliant run, passing to Bryson who put the ball down by the goal post. Bob Rowan took the kick and had no difficulty in converting. From thence on Varsity made determined efforts to score, but the Ex-Kings defense was impregnable and the whistle at half time found the battle raging fiercely in Ex-King territory.

SECOND HALF

Resuming play Ex-Kings altered their tactics and played the 3-2-3 scrum. They were steadier in defense than Varsity and were relentless in pushing their attacks home. Murray Rowan by sure hard tackling foiled several passing rushes in the first few minutes of play and then the war was carried into the Varsity territory. Barclay broke away from the ruck and went over the line for a try, but it was not allowed and a scrum was given. From five yards Henderson went over, but the referee, who was on the blind side, did not see it and gave another 5-yard scrum. Ex-Kings made no bones about the third time of asking and wheeled the scrum so that Henderson went down on the ball with no doubt either as to position or possession.

STUDENTS WILL VISIT INTERIOR

Varsity Senior "B" basketball team leaves tomorrow night on an invasion of the interior. Two games will be played, one with the crack Kelowna squad, and one with Penitcton seniors. Kelowna has the best team in the interior, having defeated both Kamloops and Penitcton. About two months ago Kamlops came to the coast and defeated the Varsity Senior "B" team, but lost to Rowing Club "C". The game with the Varsity was one of the best seen at the Normal gym this season.

As the spring plays at the University come on the same night as the Seattle College-Varsity game, it is believed the game will be postponed until a later date. This has not been definitely decided.

Varsity Coach Is Content

E. Sun. 18-2-26

Jim Scott Expects Students to Take Measure of "Rep" Ruggers Saturday

Team Much Stronger Than at Any Time During the Season's Play

JIM SCOTT, clever coach of Varsity English ruggers, is going to be one of the most disappointed fellows in Vancouver if his team does not take the measure of Vancouver "rep" squad and tie up the series for the McKechnie cup when the teams clash at Brockton Point Saturday.

Mr. Scott feels that his team has developed so rapidly in the last few weeks that only the breaks of the game can stop them from going right through to the championship of the province.

"Vancouver 'Rep' will face a much different team than the one they defeated early in the season," remarked the Varsity coach.

"We were short five of our regulars in the last game and also lacked the experience we have gained since then. The boys have shown steady improvement until now they are working like a well-oiled machine. With a dry field I have not the least doubt our boys will prove superior and send the series into an extra game to decide the title."

CASSELMAN BACK

Varsity will have out "Casey" Casselman, demon three-quarter, for the first time in over a month and he is expected to provide much of the punch which will carry the team to the top. The Collegians field one of the sweetest oack divisions in several years with Abernethy, Eaton, Willis, Casselman and Kelly, and if the forwards can hold their heavier and more experienced opponents, it is figured the three-quarters will have too much speed for the "Rep" side to stop.

Johnny McLean and Bain, who were kept out of last Saturday's tilt with Ex-King George so they would be in the best of shape for Saturday's game, were going well in yesterday's workout at Brockton Point. In fact the entire squad showed a lot of pep with every player keyed up to the idea of getting into the very best of condition. It is in condition that the students hope to have an advantage over their opponents and expect to do most of the damage in the last half.

TWO PLAYERS INJURED

Pete Price, suffering from an injured knee and Dick Davidson, who had a couple of ribs cracked last Saturday, are the only members of the Varsity crew not sure of starting. The team will most likely line up as follows:

Full back, Abernethy; three-quarters, Eaton, Willis, Casselman, Londen or Tupper; five-eighths, Kelly; halves, McLean and Shaw; forwards, White, Sparks, Mahon, McQuarrie, Bain, Price or Davidson.

The "Rep" squad will wind up their training tonight at the Horse Show building when the team to oppose Varsity will be named.

E. Sun. 18-2-26

Varsity fought back hard and though there was no rough play there were several casualties—mostly on Ex-Kings side. Lisle Barr gathered the ball in on a high jump and went into the enemy's domain again, running straight and hard. He gave the ball to McLean who snapped it to the threes and they were away, Gyles going over. Bob Rowan converted.

Murray Rowan got possession, and on a great run, though forced to the wing, created an opportunity for Gordon McLean, who took full advantage of it, and made the last score of the game.

University Students Facing Busy Week

Athletic and Social Events Are Main Features

UNIVERSITY OF BRITISH COLUMBIA, Feb. 22. — Varsity's sport and social functions will be the features of this week.

The first trophy to grace the halls of the new university is the splendid Banff Winter Carnival Cup, a massive silver bowl which the U.B.C. swimmers brought back with them from the winter resort, after having distinguished themselves in a thrilling fight with Alberta and Saskatchewan varsities. Bob Gillespie, Reg. Wilson, Tike Abernethy, Bruce McDonald and Gordon Baker won the honors for their Alma Mater.

Wednesday, March 24, is the date set for the annual Arts '20 relay race, so called because the trophy competed for was donated by that class. Varsity has experienced a woefully bad year as far as athletic competition goes, and it is hoped that the annual relay will be a redeeming event. The classes have all staged their eliminations, and the times have been fairly good. The competition for places among the freshmen was unusually strong.

Preparations are almost completed for the Musical Society concert to be given in the University Auditorium Friday, February 26. A new feature will be added by Varsity artists, in the scenery which will be used as a background for the numbers. The Men's Glee Club will play a big part in the proceedings, and several talented singers will offer selections. Tickets are on sale at the University. The complete programme will be announced shortly.

Agriculture classes of '28 and '29 united to hold their annual class party in Heather Hall on Wednesday night. Mrs. F. M. Clement and Mrs. E. A. Lord acted as patronesses. About seventy-five guests attended.

Arts '27 staged their annual "hop" at Willow Hall Thursday night. The Seniors are all agog over the big event that will take place tonight, when the three graduating classes unite for their final social function, the Senior Ball. With John Grace, president of Arts '26, as chairman, and the Arts, Science and Agriculture executive, headed by Bill Jones and Charlie Rive, all working with him for the past month, the Senior Ball should be the most attractive ever staged by any graduating students, if not by any university class. The patronage of President and Mrs. Klinck, and the three deans of the college has been secured. The affair will be held at the Ambassador.

The Engineers Discussion Club have changed the day of their weekly meeting to Tuesday, instead of Wednesday, as heretofore. Frank Barnsley, Science '26, addressed the club on Tuesday on the subject of "General Electric Tests."

The Agriculture Discussion Club celebrated in style last Friday when they held their annual banquet in the grill. Ten toasts were run off, everything being remembered from "the King" to "the frosting."

The Players Club held an executive meeting Thursday and a general meeting Friday to discuss what will be done with the proceeds from the Spring plays to be performed in the first week of March. Miss Alfreda A. Berkeley, president of the club, has issued a call for members who are not participating in the play to act as ushers at the performance, and a large number of the women have signified their intention to serve. The tickets are disappearing rapidly, new scenery has arrived from New York, and it is expected that the club will make a real success of their presentation of Shaw's farce, "Pygmalion," when they appear before the public.

Arts '29, having abandoned their ribbons, have sought another means of identification, and have satisfied their craving for ornament by the issue of class pins, which are now on sale at the University. Jerrv Stevens and E. Ireland are superintending their distribution.

Golf With Colleges To South Planned

M. Stan. 23-2-26

Golf enthusiasts at the University of British Columbia are elated by the latest news from the University of Washington, which calls for golf competition with other colleges to the south. As American football is drawing the local seat of learning and the American colleges closer together, it is thought that golf will soon be included in the U.B.C. sports program. The tourney will be held the latter part of May.

The Huskies have six lettermen back this year, so should turn out a good team. Jack Westland, Barney Savery, Ken Kelso, Ben Boardman, Buds Ford and Joe Hughes, all of whom played for the University of Washington in the competitions with the clubs of Seattle last year, have returned to the Varsity and are taking special instructions in driving and putting in preparation for the games with other colleges.

Tom Green, champion at Princeton University, is now a student at Washington. Among the Frosh possibilities are Steve Moser, George Hatch and George Schultz.

Student Manager, Ken Kelso, has sent invitations to Oregon and Montana to compete for the inter-collegiate coast title some time next month in Seattle. These two Varsities will probably accept the challenge.

SEATTLE, Feb. 22.—The freshman golf team at the University of Washington is blessed with the registration of three stellar Northwest golfers. Vancouver Ruggers Retain McKechnie Cup by Beating Varsity 18-5

Winners Give Performance of the Season and Deserve the Verdict

VANCOUVER Rugby Union's representatives retained the McKechnie Cup, emblematic of the championship of the province, Saturday afternoon at Brockton Point when they gave one of their best displays of the season in beating the plucky and speedy Varsity fifteen 18-5.

Better team work gave the "Reps" the verdict, as they showed strength in all departments and combined for many big gains during an afternoon of spectacular play. The selectors are to be congratulated for their work in picking a well-balanced team. Prenter showed better than ever at fullback; the threes worked like a well-oiled machine, while the tricky Grimmitt played a masterful game. Choate, Lange and Boyd were formidable on the forward line.

Varsity fielded their strongest team, and went down fighting every inch of the way. They played championship rugby, but were up against a heavier and more experienced team. Brock and Price were outstanding forwards. Eaton was the best of the threes. His try was a brilliant piece of work. Abernethy was moved up from back to the three-quarter line, in the second half, and did some effective work on the attack.

LEROY OPENS SCORING

In the first half the "rep" forwards dominated the game. Out of fourteen scrums they secured possession ten times. The first try was scored by Leroy, who received from Grimmitt. A tricky piece of work on the part of both players, in which the "dummy" was used with success, was responsible for the score. Gwyther took the kick, and though it was a difficult angle he converted.

Fighting in Varsity territory the second try was scored from a five-yard by Farmer near the corner. Gwyther again converted with a beautiful kick. Varsity then carried the fight into their opponent's territory and here Prenter more than justified his inclusion on the team, hard tackling, sure handling and heady kicking relieving the pressure time after time. Both teams were fighting hard at the whistle.

At the resumption "Reps" started an offensive which resulted in a try. A long run by Prenter, a pass to Choate who gave to Gordon McLean, let the latter over. Gwyther failed to convert. Varsity had the edge in the scrum at this stage of the play, gaining possession ten times out of eighteen. The threes began moving better and some brilliant passing exchanges were made. Price and Brook were conspicuous in getting their backs going.

VARSITY SCORES

Varsity's try came from the loose near the "Reps" 25-yard line. The ball was handled by four, Eaton snapped it, was tackled twice near the corner, escaped, and raced behind the post for an easy kick, which Casselman made. The game developed into a battle of styles, "Rep" using their feet and Varsity relying on the passing game. First one side changed their tactics and then the other, dribbling rushes, passing rushes and short punting. Everything that was in the rugby game was turned on and the game worked down into the "Reps" territory.

Varsity pressed hard when Prenter obtained possession, kicked, followed up, got possession again, passed to Lange, who beat his man and passed back to Boyd who went over. Gwyther had no difficulty in

Burgess' Spectacular Running Decides Big Inter-Class Track Tilt

Arts '29 romped home with the bacon in the annual Arts '20 inter-class relay race at the University of B. C. grounds yesterday afternoon, with Arts '26 second and Arts '27 third. The other classes finished in the following order: Arts '28, Agriculture, Science '28 and Science '29.

The brilliant running of Burgess, of the winning aggregation, was probably responsible for the win. In the third lap he stepped out and gained practically a minute for his class.

Elliott, of Arts '27, finished on top for the first lap and this advantage was held by Bailey of the same class. It was then that Burgess came on and ran like a deer, doing the lap in 4.08, as against five minutes flat by the Arts '27 representative.

Every runner with the exception of McWilliams Arts' '28, caved in after the race was concluded. Pat Taylor, last man for the winning class, finished about 50 yards ahead of the Arts '26 man.

The course is over approximately 7 1-2 miles and the time recorded was 34 minutes and 39 seconds.

Dunn, Hyndman, Burgess, Hockridge, Winter, McDonald, Chappel and Taylor comprised the winning team.

AMERICAN CODE OPINIONS VARY

Opposition to American football at the University in some quarters on the grounds that the game will take star players away from rugby and soccer for the first two months of the winter sports program is being given much publicity among the students, it was learned today.

Bill Thompson, vice-president of the combined Canadian Rugby and American football interests at Point Grey, points out in a statement to the press that there is less to fear in this direction than from Canadian rugby, which is making great strides and which is an all-winter sport in this climate, while the American football season lasts only until the end of November.

Thompson adds that there is practically no danger of soccer players switching their game as soccerites, as a rule, do not become enthusiastic over rugby of any kind.

Resolved "That Western Civilization Is Becoming a Degenerating Influence on Mankind," was the question debated by the U. B. C. debaters on Thursday afternoon at Ryerson United Church, Ferrisdale, before the members of the Woman's Educational Club.

The judges, Mrs. Riggs, Mr Munroe (principal of Prince of Wales School), Mr. Armstrong (principal of King George High School) and Professor Angus awarded the judgment to the negative debaters, although a strong opposition was put up by the affirmatives.

The affirmatives, Miss Greta Mather, Gordon Telford and Eric Dunn, voiced many splendid points on the subject, arguing that "the routine of Western civilization spoils all originality, causes hatred and unhappiness, does not promote a capacity for creating intelligent curiosity which leads to the advancement of knowledge, and that the civilization was aimless for other than that of amassing wealth."

James Craig, Mr. Koby and Ralph Steadman of the negative side argued to the contrary.

Mr. Craig accused them of pessimism and an improper appreciation of the finer things of life. Mr. Koby pointed out the bad conditions in Japan till the advent of Western civilization and the difference in the treatment of the Orientals by the Europeans. Mr. Steadman voiced the opinion that at no time had education, science or religion played such a high part in our civilization and that "aware of our bad faults, far from degrading the civilization, we are going out to make them better."

Prior to the debate a meeting was held by the Women's Educational Club, with the president, Mrs. Jas. Muirhead, in the chair. The secretary's and treasurer's reports were read and final plans were made for the play which the members are putting on at the United Memorial Church on Monday, March 1.

Rev. J. Braydon extended a welcome to the club and spoke of its great influence among the women of the church.

Vocal solos, "Russian Cradle Song," "Pussywillows," and a Scotch song were given by Mrs. Ida Grant, Mrs. Lawrence Brown accompanying. Mrs. McTavish contributed with a pianoforte solo.

After the debate refreshments were served.

The cast of "Pygmalion," Bernard Shaw's play, to be presented next Thursday, Friday and Saturday, in the University Theatre, Point Grey, by the University Players' Club, is an interesting one. Miss Isobel Barton, the leading lady, is a native daughter of B. C. Peter Price (Higgins), saw service overseas and is a member of the Faculty of Science, and a prominent rugby player. Harry Warren, (Colonel Pickering), is this year's Rhodes' Scholar for British Columbia. The entertaining role of Mr. Doollittle, is admirably filled by D'arcy Marsh, a Londoner by birth.

Miss Honor Kidd, who plays the difficult part of an elderly housekeeper, also is a Londoner. This will also be her first appearance in a spring play.

The role of Mrs. Eynnesford-Hills will be filled by Miss Grace Hope. Pumphrey will portray Clara, the fittle daughter. The role of Freddy, the "silly ass" son, will be filled by Willoughby Matthews, another Londoner.

BEATEN BY VARSITY**

The debating team from the University of British Columbia which will meet the Imperial debating team from Oxford University, March 9, defeated the debaters from the Theological Colleges Monday night at Grandview United Church.

The subject was: "Resolved that Western Civilization is becoming a Degenerating Influence to Mankind." The University team spoke for the negative, while the Theological students upheld the affirmative.

J. Craig, S. Kobe and R. Steadman, the University team, contended that present day relations between men are better than they ever were before. W. E. Carter, U. S. Robinson and R. A. Redman, the Theological exponents contended that the present is an age of waste, extravagance, and nervous exhaustion, and that force is the principle of modern civilization.

Principal H. R. Trumppour of the Anglican Theological College, Rev. R. R. Morrison and W. Tipping were the judges, and the Rev. J. Pye was chairman.

STRONG ASIATIC BLOCK FORMING, STUDENT WARNS

Decidedly Anti-Anglo-Saxon, Declares Japanese Speaker

QUICK ACTION NEEDED

m. Sta. 3-3-26
Good Will and Understanding Essential to Prevent Strife

"You have today in process of formation a strong Asiatic bloc of Eastern peoples, decidedly anti-Anglo-Saxon and anti-European. I do not say that as a threat, but I tell it as a fact. And if you do not deal with the problem in the right way, with goodwill and understanding, the Pacific drama may develop in a way which will eventually destroy civilization."

In the course of a singularly lucid and forceful address on "The Drama of the Pacific", delivered at a largely attended luncheon of the Vancouver International Club at the Ambassador Cafe Saturday, Sumura Kobe, well known Japanese debater of the British Columbia University made the above statement.

Historical Survey

In a brief historical survey he showed how the attitude of the Japanese peoples and press had changed from an attitude strongly pro-British in the time of the Anglo-Japanese Alliance, to one decidedly pro-Russian and pro-Chinese today. But he expressed the belief that, if the attitude of the west was more diplomatic and sympathetic towards eastern peoples, the threatened conflict might be avoided.

A striking feature of the address was Mr. Kobe's outline of Japan's attitude on the immigration question. This was elicited in the discussion which followed the address when he was asked for a definite expression of opinion upon that question.

"The Japanese now realize that they are humiliating themselves by sending Japanese emigrants to the United States or to any of the Dominions", he asserted. "Having realized this, the Japanese people have become more pro-Oriental in their point of view and this has influenced their attitude towards China, which nation fifteen years ago they treated as an inferior instead of as an equal as they are treating her today."

The speaker showed how Japan was endeavoring, by settlement of her less densely populated northern area, and by sending some of her emigrants to South America, to deal with the very real problem of her surplus population.

The president of the International Club, Professor Hill-Tout, presided.

Panthers to Meet Collegians in Return Hoop Game Saturday

Seattle College Panthers and a combined Varsity senior A and senior B squad will clash in a return hoop contest on Saturday night at Norman Gym. at 8 o'clock. On February 6 the Varsity senior B squad took the short end of a 51-24 battle in Seattle and they are out to revenge this defeat.

Coach Ross Bryson is taking advantage of this game to watch the prospective senior A team of next year in action.

The following senior A men will be back next year. A. Henderson, B. Turpin, T. Butler, D. Nesbitt, R. Gordon and D. Hartley. Among the senior B men who will return are O. Aune, E. Gibson, J. Swanson, H. King, B. Thomson, R. Robinson and N. McDonald.

Bill Gray, captain of the senior B team and one of the niftiest forwards in the division, is leaving this summer to study medicine in Edinburgh University.

Panthers are rated as one of the snappiest hoop teams in Seattle and have been together for four years. Few teams have taken their measure. Among their stars are Butler, a forward who made the Washington States All-Star team, and Logan, considered one the finest guards in the northwest.

Tentative Programme for American Football is Mapped Out

U.B.C. Season to Open October 16 and Close Late in November

WITH the ink hardly dry on the ballots cast last week by students of the University in favor of American collegiate football, more offers for games with neighboring colleges have been received than can be accepted. The new club has decided to follow a rigorous policy regarding the duration of the season and the number and length of road trips.

For the fall season only five games will be played—three home and two away—with the season ending not later than November 20. This, it is believed, will give the players full opportunity to maintain their scholastic standings, which the club considers more important than winning games. They expect to be able to do both.

The season will open on October 16, with Washington State Normal from Bellingham playing in Vancouver. The team will drop down to Tacoma a week later to compensate for the football lesson received from the College of Puget Sound last year.

Other games are also offered by Seattle College, St. Martin's College, Washington Freshmen and Washington Supervarsity. These teams all have about the same rating, and will have to be disposed of before bigger game is sought.

Offers were also received from Gonzaga University, Spokane, and Willamette University, Salem, Oregon, but these schools, for the present at least, are considered too distant with the amount of competition offering from Puget Sound points.

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, March 8.—The Womens Union Building campaign will merge with the gymnasium campaign in a united effort to promote the building of these two essentials to university life. This was the decision arrived at by the co-eds at a well-attended meeting held last week.

The question of the formation of a National Student union, whereby all Canadian universities would be affiliated in a common society to promote better understanding among Canadian students, promises to be the next vital issue at U. B. C.

McGill university is opposed to the scheme and points out that such an organization would be of little use, inasmuch as its meetings would necessarily be infrequent, and it could do little to alleviate the present race and religious questions now dominant in Canada.

The western universities are in favor of the plan.

PLAYERS SCORE GREAT SUCCESS IN 'PYGMALION'

ESun 5-3-26

Sparkling Comedy Splendidly Presented by Students at U.B.C.

By J. CHELTENHAM

The Players' Club of the University of British Columbia have again covered themselves with distinction George Bernard Shaw's "Pygmalion" is the vehicle for their eleventh annual spring offering; and the opening on Thursday evening, before a large and demonstrative audience in the agreeable University theatre saw a highly creditable performance of that sparkling comedy.

ALWAYS COMPELLING

To F. G. C. Wood goes much praise. His direction of this effort has resulted in an action and an at-

mosphere that are always compelling: the play swings fluently to its climax by adroit stagecraft, clear diction and intelligent characterization.

The lines come easily and naturally, sometimes glibly—to the point of deflecting the underlying thrust of Shavian satire; all moves with assurance and power. But why, in the midst of so finely achieved a suggestion of London life—beginning with the realistic rain-bound group of Act 1, does Mr. Wood countenance the introduction of such jarring notes as "Old Dutch" (cleanser) and "garbage-man"?

SPLENDIDLY REALIZED

The "Eliza Doolittle" of Isobel Barton is an exacting role splendidly realized. Its many changes of tone and tempo were brilliantly encompassed by this young actress, her strength of delineation being equally pronounced in the contrasting demands of her exit in Act 2 and her scene with "Higgins" in Act 5. And, whether as the bedraggled, whiningly defensive flower-girl, or as the synthetic lady of poise and refinement, she was, fittingly, always easy to look at.

Peter Price provided a virile and thoroughly workmanlike "Higgins," although at times a little too prone to unnecessary vehemence in action.

There were moments, too, when he did not make the most of Shaw's wit; but these detracted but little from the consistency of his performance.

MASTERLY AFFAIR

The "Alfred Doolittle" portrayed by D'Arcy Gilbert Marsh was a masterly affair. Physically, he was not quite of the full habit of the "undeserving" dustman; but his every line was delivered with telling gusto and his action, in this role, suffered not at all from his tendency to over-gesticulate.

Harry Verney Warren was nicely restrained and always clean-cut as "Colonel Pickering;" "Mrs. Pearce" was done to the life by Honor M. Kidd; Gwen Musgrave was "Mrs. Higgins" with distinction, although she should have been more of a "personality." Willoughby W. Matthews was a delightful "Freddy;" Grace E. Hope and Avis Pumphrey were effective as the "Eynsford-Hills," mother and daughter respectively; while Doris Crompton, Leslie E. Howlett and W. F. Gough fitted into the picture admirably.

The staging and lighting were excellent; as was the music supplied by an orchestra under the direction of Joe Karia.

But Rebuilt Club Shows Promise of Better Things in Near Future

Quene Yip, fleet Chinese, was again a prime factor in the victory of Varsity over St. Andrews, 3-2, at Athletic Park Saturday, in a Pacific Coast League fixture. Yip scored the first goal for his side and was always tearing in when the Saints' goal was in danger. Rex Cameron or Crees notched the second for the blue and gold and the clubs crossed over with the students 2 goals up and likely winners on form.

In the second half, Nichol, sturdy centre for the re-built Saints, beat Mosher with two crashing shots, and the Scots, with the sun behind them, assumed the aggressive. Suddenly Wilkinson broke away on the wing and four Varsity forwards handled the ball ere Wilkinson crashed it past Currie for the winning point.

Just about 1700 fans turned out for the game. In the St. Andrews eleven they hardly recognized old friends for all of the real veterans of the club have gone but Fred Wilson and George Linn. Currie was in goal and he is a good custodian; Linn and Dick Williams et full back; Houston, Johnston and Baxter halves, and Len Addinall, Lindsay, Nichol and Hamilton on the attack. Fred Wilson played inside right.

The team showed snap and dash and in a few weeks of continuous play should be as good as the rest of the league. In Addinall the Saints have a winger of promise. He has speed and dash and crosses well, although inclined to get almost to the line ere he parts with the ball. He has a fine left foot.

Five American Code Matches Are Planned by U.B.C.

ESun 4-3-26

Although American football has had the sanction of the students for only one week, invitations for games are already pouring in. The committee has decided that five games for the first season will be sufficient, three at home and two away.

The season will be opened at Athletic Park on October 16, when the Bellingham State Normal ruggers will oppose the U.B.C. Lions. This will give the locals three full weeks in which to practice, and with efficient coaching they should put up an excellent game.

The dates for the other games have not been definitely fixed, although it is thought that the College of Puget Sound, of Tacoma, will be hosts to the blue and gold squad on October 20. Seattle College and the University of Washington Freshmen will be played sometime during the six weeks.

Huskies on Schedule

The season will close November 20, probably with the University of Washington men here. Thus there will be very little interference with the English rugby schedules, and studies will not be neglected.

St. Martins' College at Lacey, Washington, have asked for a game on the American Thanksgiving, but,

as this is not a holiday in Canada, the players cannot neglect their scholastic work for the trip.

Expenses Guaranteed

Willamet, Oregon, has guaranteed all expenses for the B. C. team to come south, but it is very unlikely that the invitation will be accepted, due to the time it would take on the road.

Next year, the locals hope to break into the Pacific Coast conference. If they do, some real big games, rowing meets and basketball will be seen in this city. The athletes are entering these contests certain that they can engender spirit into the University, and yet maintain first class scholastic work.

GOSSIP OF THE CAMPUS

UNIVERSITY OF BRITISH COLUMBIA, March 9.—Tonight, at Wesley gymnasium university debaters will match their abilities with the best the empire can produce on the subject, "Resolved, That Western Civilization is Becoming a Degenerating Influence to Mankind." The Imperial debaters arrived in the city on Tuesday, and are enjoying their stay immensely. ESun-9-3-26

The university men have been centering all interest on this event and will put forward one of the strongest teams that has ever represented the institution.

Messrs. James Craig, Ralph Stedman and Susumu Kobe will uphold the negative against three men to be chosen from A. Nunn-May of Bellingham university, Paul Bell of University of London, A. H. R. Molson of Oxford university and T. P. McDonald, University of Edinburgh.

Following the defeat of the Ulysses, organ of the university, on the question of checking the operation of a vivance committee to control student discipline, the paper has been in touch with other coast universities and has rendered a report of its findings.

With the exception of Washington State college, every university of premier importance on the coast has adopted the honor system, a working plan of self-responsibility in conduct unique within the college world.

Field Marshal Viscount Allenby and Lady Allenby honored university students this afternoon by consenting to address a few remarks to them in the auditorium.

Lord Allenby reminded the students of the traditional policy of the British and lauded the empire "the greatest that ever was or will be," and that it was the duty of his audience to see that these traditions were maintained.

Lady Allenby complimented her audience on their first session at the new university, and wished them prosperity.

U.B.C. Athletes Start Preparation for Meet With Puget Sound

Varsity's intercollegiate track squad will take their first workout together as a team this afternoon under Coach Jack Buchanan, at Brockton Point. The men chosen to represent the Blue and Gold in the dual clash with college of Puget Sound, on March 20 are sprints, Warren and Yip. Middle distances: McWilliams, Mottley, Burgess. Two-mile run: Selby, Taylor and Balmer and Barton. High jump: King and Newcombe. Broad jump, Yip and Taylor. Weights, Pottinger and Whitworth. Hurdles, Newcombe and King.

With such a lineup of stars Varsity is expecting to gather in the grand aggregate. Warren and Yip can be counted on to run close to :10 in the sprints and around :22 in the furlong dash.

In the middle distances there is a wealth of material. Mottley and Burgess are hoping to do :52 seconds or better in the 440 yards as they are not capable of :53 this early in the season. In the half and mile McWilliams proved himself to be a real star last Saturday when he ran the 880 yards in 2:03 and a fraction and then came out to win the mile with ease in 4:40 4-5.

He should run 4:35 or better if he is pressed. Selby is a newcomer in track circles but he has shown marked ability. King will be the Varsity hope in the two-mile run since he knocked 25 seconds off the three-mile record on Saturday, doing 16:12. Balmer has not hit his form this season but will be at his best in two weeks. King and Newcombe will bear the burden of the attack in the high jumps and hurdles, while Pottinger and Whitworth will have the weights. In the broad jump Yip is hoping to do 22 feet.

Debaters Are Guests Here For Week-end

E. Sun. 8-3-26

A BUSY social programme has been planned for the four Imperial debaters who arrived in the city Thursday evening and are remaining here and in Victoria until next Wednesday. The English debaters are Mr. T. P. McDonald, Ed Nunn-May, Birmingham University; Mr. Paul Reed, London University, and Mr. A. H. Molson of Oxford. Mr Nunn-May is president of the National Union of Students of Great Britain, and Mr. Molson is ex-president of the Oxford Union.

A board of trade luncheon entertained the visitors today. This afternoon the English visitors addressed members of the various college executives at the University of British Columbia and tonight they will attend the performance of "Pygmalion," the Players' Club annual spring play in the University auditorium.

WEEK-END IN VICTORIA

Saturday the debaters go to Victoria to spend the week-end, returning here Monday when they will be taken to visit a B. C. logging camp, and Monday night will attend a students' council meeting at the U. B. C. On Tuesday they will address the assembled student body at the university, followed by a small luncheon party at Jericho Country club.

Dr. T. H. Bogg will entertain the visitors and other friends at his home on Point Grey road at a tea dance on Tuesday afternoon. Tuesday afternoon also Mr. Nunn-May will be the speaker at the meeting of the Women's Canadian club at the Hotel Vancouver. Tuesday evening the big debate with the U. B. Elimination on Saturday to Decide on Team to Take on American College

Track men of the University will hold their first meet on Saturday at Brockton Point, when the inter-class competitions will be held. The events are the same as previous years, including sprints, middle and distance running, hurdles, shot put, pole vault, broad and high jumps and a relay.

The hurdles will be over 120 yards for the high and 220 yards for the low. The strong men will indulge in the 16 lb. shot put, throwing the hammer and the javelin. Then comes the jumping, in which it is thought a record should be broken.

The relay will consist of a team from each class. The course is 880 yards, four men to each team.

The class of Arts '27, which won the meet last spring, are considered to be the favorites, although some are bidding on the Freshmen, chiefly because of the showing they made in the recent Arts '26 relay.

This meet will be an elimination for the meet with the College of Puget Sound, at Tacoma, on March 20, when a team of twelve men will represent the U. B. C. against the American College. Quene Yip and Pat Taylor of the first year are considered sure of a place, but good competition is assured.
