*Alma Mater, by thy dwelling  
There is set the western sea,  
Mountains shed their benediction  
On the hopes that rest in thee.  
Alma Mater, to thy children  
In the springtime of their years,  
Grant the faith that grows from knowledge,  
Courage that makes light of fears.  
Alma Mater, thou hast kinship  
With the great of bygone days,  
And the voices of our fathers  
Join with ours to sing thy praise.*

## CHANCELLOR'S MESSAGE

It is my hope that, whenever you have the occasion to look through this book in the years to come, you will be reminded of many stimulating associations and experiences. These memories will, to some extent, be conditioned by the environment provided by the buildings and grounds of the University — an environment which has changed rapidly during the years you have been here.

It is a particular concern of the Board of Governors that the building program keep pace with the growing needs of the University. With your aid, that of the U. B. C. Development Fund, The Canada Council and the Federal and Provincial Governments, we have barely kept up with the most immediate and serious demands.

A great deal has yet to be done, therefore, if this University is to maintain its reputation as one of the best places of learning in North America. As the years advance and enrollment increases, as we expand our program of Graduate Studies and add to our course offerings, it is my earnest hope that we shall be able to provide an atmosphere in which learning may grow and flourish at a level worthy of this Province and this nation.

A. E. Grauer.

## PRESIDENT'S MESSAGE

As the years pass, I know that you will turn again and again to *Totem* as the pictorial record of the many events, both academic and social, which go to make up a year in the busy and exciting life of this University. For those who are graduating it will have a special meaning, recalling as it does the whole atmosphere of the Campus and the professors and students who live and work there. Each of you will have found many things to challenge your imagination, to test your minds, and to urge you on in this never ending process of education. I hope your years at the University of British Columbia have brought you wisdom and a spiritual contentment; I hope, too, that association with some of the ablest and wisest scholars in North America has given you new interests, rich experiences, and warm friendships. Wherever you go or whatever career you may choose, I would like you to remember that the impression this University and its scholars has made on you will follow you throughout your lives. If you leave us as better men and women, if you have a sense of accomplishment and satisfaction, and if you remember us with affection and respect, then we are content in the knowledge that we as teachers are carrying on those noble and dignified traditions which have always been associated with universities.

N. A. M. MacKenzie.

## ALUMNI ASSOCIATION

"Use me or lose me," has been the motto of the Alumni Association since its use by Dr. H. L. Purdy on his retirement in 1958.

Alumni are now being "used" effectively on the University Board and Senate, The Association Board of Management and its many committees, the State of the University Committee, the newly formed Commerce and Medical divisions and in branch organizations. Hundreds of others have been "found" and re-introduced to the campus through the many functions sponsored by the Association, most of which achieved record attendances in 1959-60.

Most important new development during the year was the inauguration of a joint Alumni-Extension program of service to communities throughout the province and the establishment of local university committees.

During the year the Association submitted recommendations to the Government and the University on important matters relating to the expansion of U. B. C. Following a tradition of many years, the Alumni Association enjoyed close and friendly relations with the Students' Council, its officers and committees, and was pleased to participate in several joint undertakings.

## **REGISTRAR'S OFFICE**

For the past year, administration reports a total enrollment of 28,000 students: over 10,000 were in the winter session and the others were in summer school and non-credit courses. All related information, statistics and records are to be found in the Registrar's Office. Loans and bursaries may be collected there, parking fines paid and countless extra services obtained.

Registrar, Mr. J. E. A. Parnall

President of the Faculty Association, Dr. J. G. Foulks.

## **FACULTY ASSOCIATION**

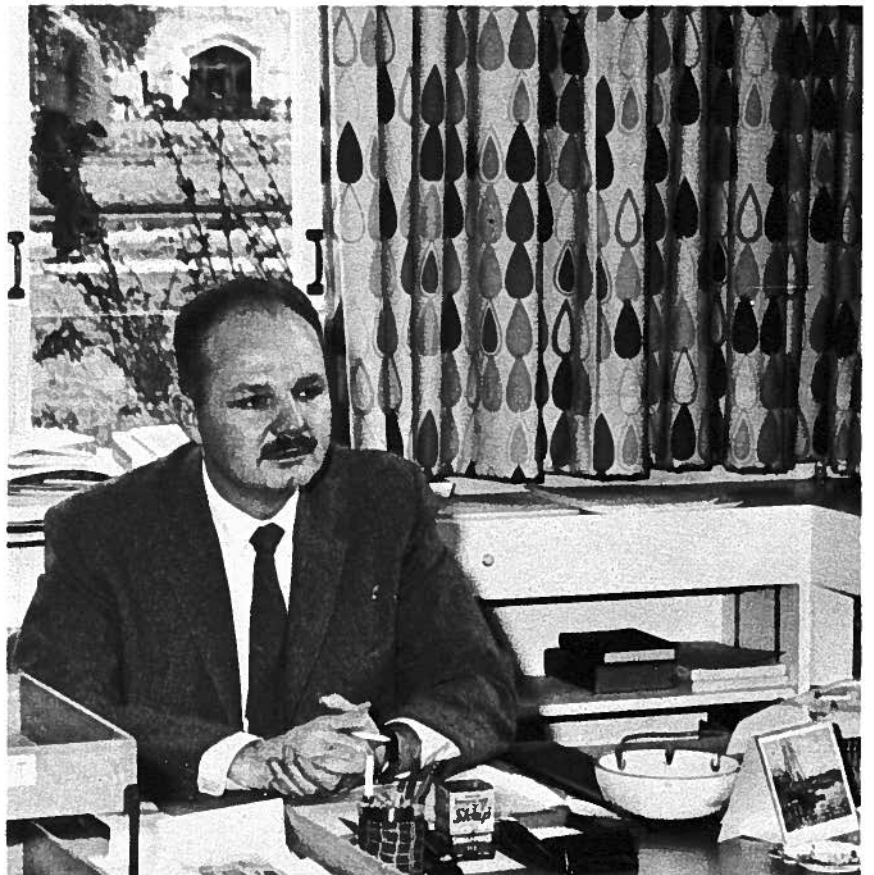

The Faculty Association prepares an annual brief to the Board of Governors and sets up committees on health, recreation, academic standards, membership, university government, and education of faculty children. Assistant professors, professors and higher faculty officials comprise the membership. Their aim is to improve conditions relating to the university in general, the faculty in particular.

## ***FACULTY***

G. C. Andrew, Dean and Deputy to the President

Professor R. R. Jeffels, Assistant to the President

## ***ADMINISTRATION***

Dean of Women, Mrs. H. McCrae

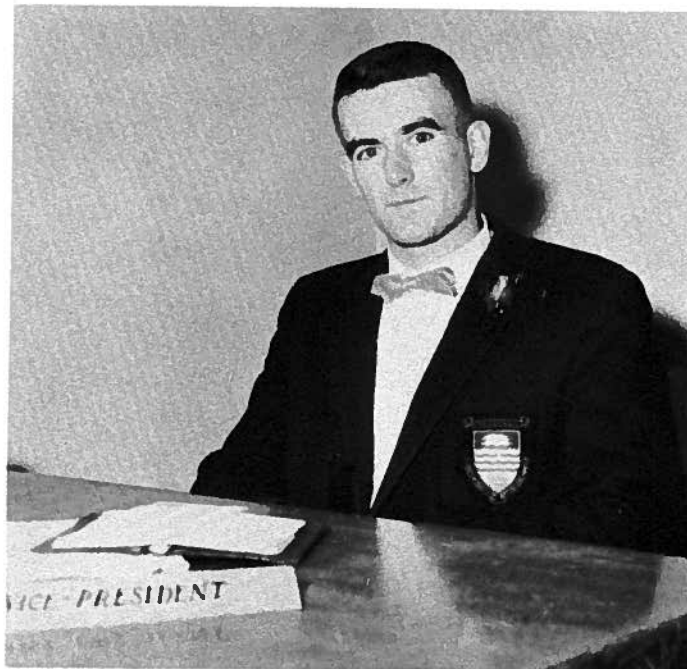

Dean of Administrative and Faculty Affairs,  
W. H. Gage.

PRESIDENT, PETE MEEKISON . . . a veteran in student government . . . led U. B. C. well . . . developed a closer relationship between students and the Board of Governors.

VICE-PRESIDENT, PETE HASKINS . . . council liaison between WUSC and NFCUS . . . chaired the commission investigating student government.

## *STUDENT COUNCIL*

TREASURER, DAVE EDGAR . . . chairman of Accident Benefit Committee . . . head of committee investigating financial requests.

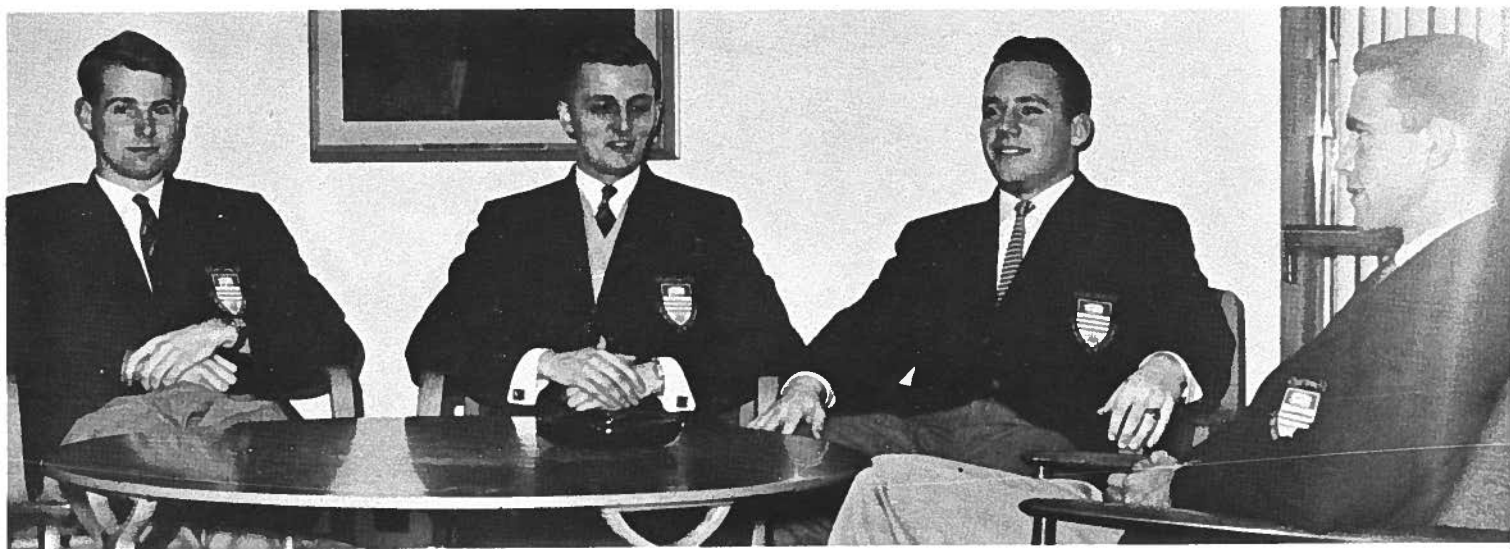

SECRETARY, LYNNE ROGERS . . . recorded and corresponded for all council affairs . . . was secretary of the Accident Benefit and Finance Committees as well.

Standing: J. Meekison, J. Madden, M. Bernard, J. Horsman, J. Goodwin, D. Anderson, P. Darling, R. Hudson, M. McLachlan, I. Stewart, K. White. Seated: D. Edgar, P. Haskins, P. Meekison, L. Rogers, R. Brink.

Executive member John Madden, Coordinator Russ Brink, First member John Goodwin, Second member Jim Meekison.

A.W.S. Executive (L. to R.): Nonie Coldicutt, Val Capstick, President, Patti Darling, Cheryl White, Fran Charkow.

## **ASSOCIATED WOMEN STUDENTS**

During the first week of the fall term A.W.S. held its annual Big and Little Sister Banquet to initiate all new women students to campus life. In conjunction with the canned food drive in November, Thunder was held as hostage until all students responded to the need for donations. A revitalized Coed Day took place in February followed at the end of the month by the Spring Fashion Show. The year's activities ended with the traditional A.W.S.-W.A.D. banquet. Patti Darling was 1959-1960 President of A.W.S. which automatically includes all women students at U.B.C.

## **UNDERGRADUATE SOCIETIES COMMITTEE**

Under the direction of president Ross Husdon the U.S.C. handled any business that arose in council which directly concerned the various undergraduate societies. Ideas suggested at the individual undergraduate meetings were brought to council for recommendation and discussion. Requested organized drives on campus were referred to U.S.C. which in turn directed them to particular faculties.

U.S.C. Executive (L. to R.): President Ross Husdon, Tom Nesbitt, Russ Robinson.

Frosh Council President, Peter Shepard and Secretary, Jean Dunbar at a meeting.

## ***FROSH COUNCIL***

For the first time in U.B.C.'s recent history the Frosh elections were characterized by a large number of candidates running for each council position. This enthusiasm can largely be credited to the Frosh Orientation Retreat which encouraged first year students to participate in campus activities from the very beginning of the year.

The new executive produced an improved constitution, published a Frosh news-letter, planned debates, a picnic, a skating party and active intramurals entries.

## ***HIGH SCHOOL CONFERENCE COMMITTEE***

On February 26th and 27th the Annual High School Conference, which is the only one of its kind in Canada, was held at U.B.C. for student delegates throughout B.C. and the Yukon. The object of the Conference was to familiarize high school students with all aspects of university life. The two-day programme included tours of the campus, sample lectures and panels, climaxed by a banquet and dance. This year's Committee Chairman was Ann Martin.

High School Conference executive (L. to R.): Bertie Lando, John Auld, Ann Martin, Nick Blom and Judi Thompson.

## NATIONAL FEDERATION OF CANADIAN UNIVERSITY STUDENTS

Standing (L. to R.): Peter Haskins, Bob Dickie. Seated: John Auld, Ruth Kidd, Chairman Theo Carroll, Paul Hazell, Bill Woodman.

This year N. F. C. U. S.'s main project was to prepare a brief on student housing, income tax, scholarships and unemployment insurance. The brief will be submitted to the Federal Government on completion. In addition to their regular job of relegating inter-regional scholarships, N. F. C. U. S. supported the World Refugee Programme and sponsored a variety show for the Canadian Institute for the Blind.

## WORLD UNIVERSITY SERVICE COMMITTEE

U.B.C.'s World University Service is again maintaining its exchange scholarship programme which is the largest in Canada. This year with the aid of W.U.S.C. bursaries five U.B.C. students are studying in Germany, Malaya and Japan while five foreign students are at our university. W.U.S.C. supports various other activities such as World Refugee Year, a seminar in Israel and the International W.U.S.C. clothing drive in aid of Japanese university students. Another project is a scheduled noon-hour lecture series to inform students of university conditions in other countries.

Standing (L. to R.): R. Dobell, M. McKillop, German Exchange Student Klaus Grell, M. May, R. Kidd, V. Capstick, S. Bernard, S. Scott. Seated: P. Haskins, B. Scott, President N. Gish, Dr. Conway, J. Munro.

## A.M.S.OFFICE

The indispensable Alma Mater Society Office is operated under the direction of Mr. Ron Pearson. Printing, distributing, checking and recording — all these tasks are undertaken by the staff who give service to clubs, Student Council, undergraduate societies and individuals. The office is responsible for university organization finance accounts, room booking and other essential coordination business.

Staff (L. to R.): Mrs. E. Holliday, Miss J. Harris, Mr. R. E. Pearson, Miss A. Foxwell, Miss J. Fawcett.

**GRADUATES AND FACULTIES**

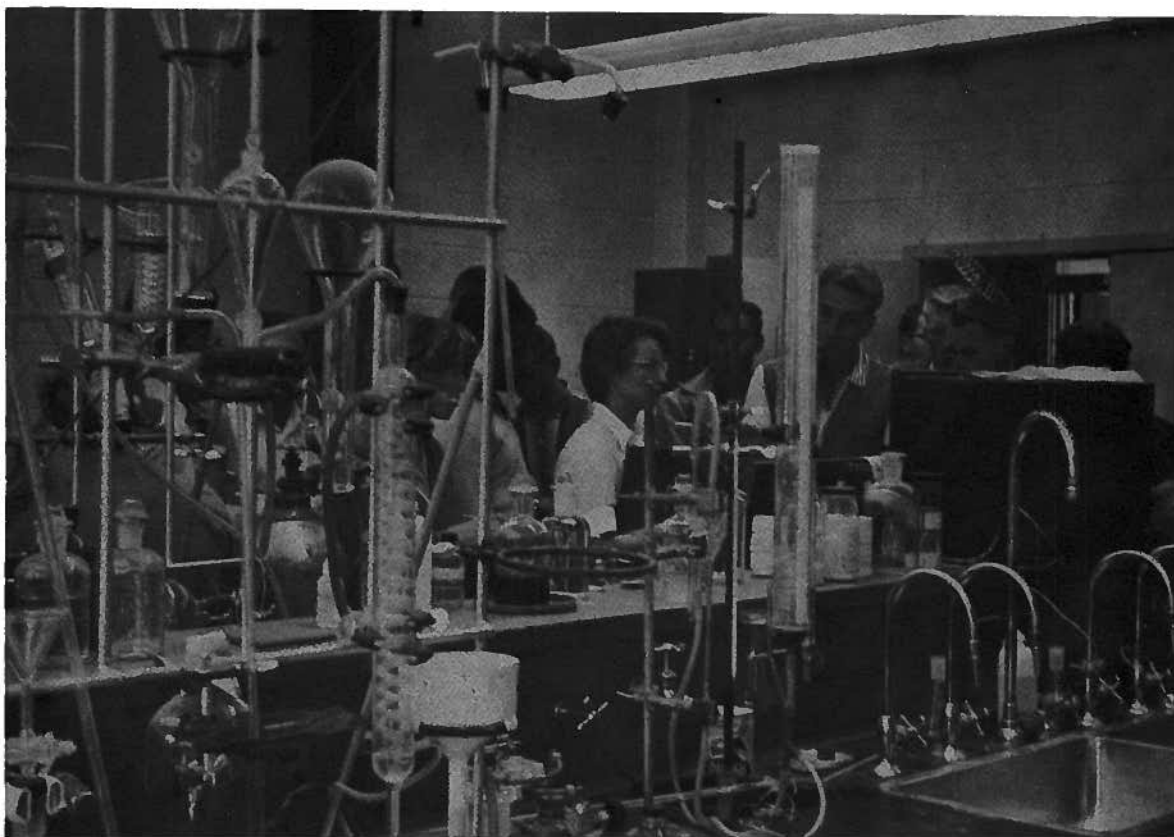

Dean Blythe Eagles of Agriculture

## *faculty of agriculture*

The Faculty of Agriculture began the year's activities with a spirited orientation of newcomers to the Aggie ranks. Two social events livened the Fall Term. At the Barn Dance, a special presentation of a bag of dog biscuits was made to Dr. MacLean, the "worst-dressed Aggie." And later, The Fall Banquet, one of the most popular functions of the year, had a record attendance.

In January, Aggie Week consisted of the annual publication of the Moobyssey, The Farmer's Frolic, and Apple Day. All proceeds were donated to the fund for crippled children by the Faculty of Agriculture.

Thoughtful expressions in a History Seminar

As always, the Faculty of Arts and Sciences encompasses many fields and interests. The A. S. U. S. Executive, under President Bruce McColl, has tried to encourage faculty spirit with an especial emphasis on Arts Week. With the addition to Buchanan nearing completion, Artsmen can look forward to having excellent educational facilities.

Dean E. D. MacPhee of Commerce

## *faculty of commerce*

The Commerce Undergraduate Society activities were ably conducted by President Dick Richards in the 1959-60 campus year. The events included the Business Bounce, the Commerce Banquet and the Spring Formal as well as the more serious jobs of sponsoring the Red Feather Blitz and producing the "Ledger."

## *college of education*

One of the fastest growing faculties on campus, Education, has enjoyed a very successful social year thanks to its executive under President Ron Graves. Among the functions were the Education-Engineering Mixer, a skating party and the Formal. Seminar group meetings for each section kept all students in touch with new professional ideas and provided an opportunity for discussion.

## *engineering*

The engineers continued to live up to their reputation for clannishness and notoriety as they participated in orientation and later a "Leg Auction." Otherwise, under the guidance of President Bill Rodenchuk, they sponsored the March of Dimes, the Engineers' Ball, and the Spring Blood Drive.

## home economics

The School of Home Economics had an enthusiastic student body, this year under the direction of Barbara Clarke. During the fall term the biggest event was the rigorous Tea Cup game against the Nursing 'Panhandlers' to raise funds for the March of Dimes. Inter-Faculty Exchanges such as the 'January Jump' enlivened the social calendar and the Spring Formal brought the year to a successful conclusion.

Careful measurement

During the last two years the course offered by the School of Nursing has been slightly altered. As a result, the students now take their training at St. Paul's Hospital rather than at the General Hospital and they are able to spend more time on campus than previously.

In activities, nurses were linked with the engineering faculty which chose Homecoming Queen Naida Chernenkov for their candidate. Another successful venture was the Tea Cup game, where nurses emerged triumphant over the Home Economics team.

The smallest faculty on campus with 142 members, Pharmacy, had the advantage of close-knit associations and active student government. This year's undergraduate president was Gail Bellward, vice-president was Leo Richards. In addition to campus affiliations, U. B. C.'s Faculty of Pharmacy became a new member of the International Pharmaceutical Students' Federation. Both faculty and graduates carried on extensive research in the form of surveys and syntheses. Soon more working space will be available as construction began in October on the permanent Pharmacy building located just south of Westbrook.

When not shooting baskets or hoisting hockey sticks, the 150 Physical Education students were studying or participating in P. E. social events. Activities were coordinated by the Undergraduate President Roy Bianco. During the Spring term the successful skiing trip to Mount Baker and a Valentine Dance provided pleasant memories for this year's graduating class.

Recently, the campus has seen the addition of the modern St. Marks College and St. Andrews Hall, residences for Catholic and Presbyterian students. Only Anglican and Union Colleges, however, graduate ministers in affiliation with the University. Anglican and United Church theologues, when not studying in their respective libraries, can be seen indulging in such friendly rivalries as the annual soccer game.

Before the match, Anglicans "bless" the field.

## graduate studies

The faculty of Graduate Studies offers masters' degree in almost all subjects, Ph.D. degrees in many, degree courses in Community and Regional Planning, and a diploma course in Criminology. This year, for the first time in the faculty's eleven-year history, a graduate students' association was formed and Joe O'Donnell was elected president. Early in the year, students welcomed the news of a graduate students' centre soon to be built as a gift from Leon J. Koerner.

## SAILING CLUB

One of the newest clubs on campus, this being its first year of operation, the Sailing Club is also one of the largest with 120 members. Under the direction of the Commodore Tim Irwin, members have competed in several regattas against clubs from universities and colleges in Washington. Extensive programs of sailing instruction and boat building have also been undertaken this year.

## DANCE CLUB

Dance Club, one of U.B.C.'s largest social organizations, tries to promote and improve dancing at U.B.C. by encouraging students interested in it to get together. All types of dancing are included in the Club's activities and instruction periods. Sponsor, Mr. Grant Vincent wrote and directed this year's Dance Club production, "Wot a Life." Other activities included the Dance Marathon and Club parties.

# **AMATEUR RADIO SOCIETY**

With the promotion of amateur radio communication as its objective, Hamsoc has this year, under chairman John Oades, made person-to-person contacts with other Canadian universities, as well as with friends and families of foreign students. Many campus organizations have benefitted from the Club's services. Highlight of the year's activities was the erection of a fifty foot beam antenna on the Brock roof to make possible a better and wider radio reception.

## ***CAMERA CLUB***

Under the leadership of Keith Slessor, the 125 members of Camera Club have successfully aided amateur photography among students by providing equipment for taking and processing pictures. The club sponsored such events as the Ben Hill-Tout Competition, the Portrait Session, and the Club Competition. Speakers at the Club's weekly meetings have given advice and hints which have helped greatly. Two of the Club Competition prize shots shown in Totem illustrate the high calibre of photography produced by the Camera Club.

# SPORTS CAR CLUB

## **OBNOVA SOCIETY**

Several socials and a banquet were among the year's special activities of the Obnova Society, a club for Ukrainian Catholic students. The president, Adam Kozak, led the twenty member group through a successful year.

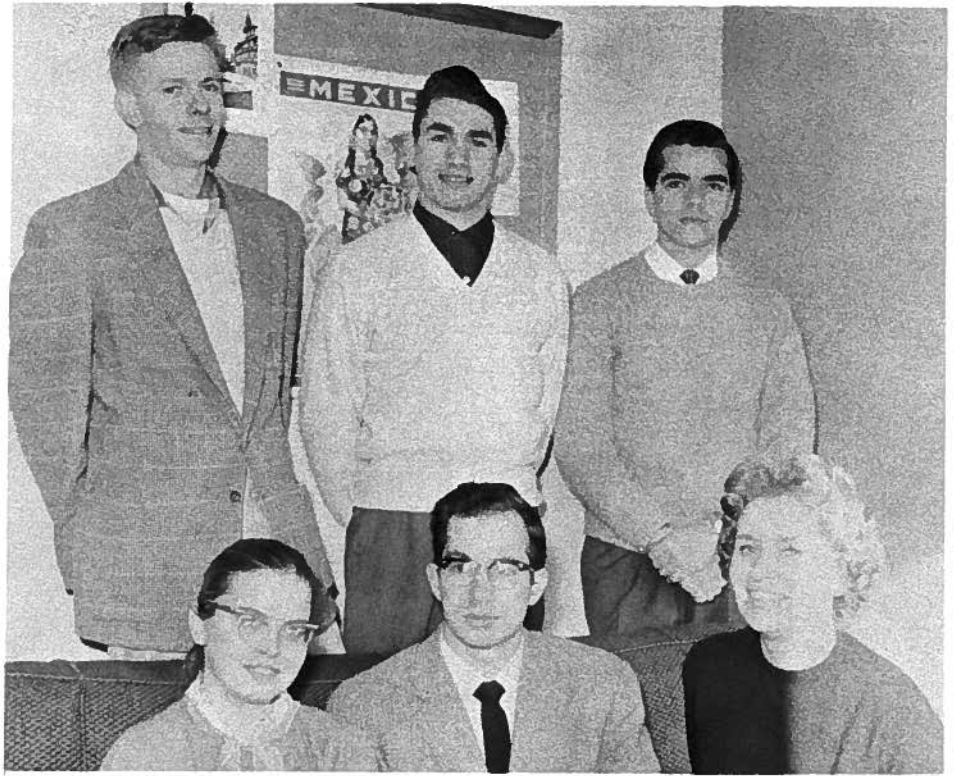

## **NISEI VARSITY CLUB**

To provide a social centre for members, to provide cultural and educational opportunities and so co-operate with other clubs and organizations are the purposes of the club. With Tak Tabata as president, the club held, among other events, a skating party and a bowling party.

## ***EL CIRCULO***

With its membership of forty-five students interested in the life and culture of Spanish-speaking countries, El Circulo has completed another active year. Besides co-sponsoring "Susana y Jose," Spanish dancers, the society, under the direction of President Roy Williams, has sponsored several lectures and films.

## ***VARSIITY CHRISTIAN FELLOWSHIP***

The motto of V.C.F. being "to know Christ and to make Him known," the 170 members stressed personal Christian outreach to others. Each week there were speakers, Bible study groups, prayer meetings and sports activities. A Camp Conference, skating party, ski weekend, Dagwood suppers, and coffee parties were some of the events for U.B.C. members and their friends. Aided by a capable and busy executive, Karl Bartsch directed the club's activities for this past year.

L. S. A. debate. (L. to R.): President Jim Papsdorf, Grace Plato, Ken Kuhn, Garnet Leach, Lawrence Haave.

## ***LUTHERAN STUDENTS ASSOCIATION***

Under the leadership of Jim Papsdorf, the L. S. A. aimed to provide a dynamic organization for students who are committed to the Christian faith. Regular weekly meetings were held at which local pastors and laymen were invited to speak. The association held a fireside social in January and there were Bible studies held several times a week during the year.

## ***STUDENT CHRISTIAN MOVEMENT***

The Student Christian Movement encouraged students to test and discuss the basis of Christianity in order to find satisfaction in their beliefs. In the U.B.C. chapter there were several study groups and club projects under the leadership of the president, Bruce Cameron. A special interest was the already large library facilities which are constantly increasing. There were about 75 students participating in this year's S. C. M. activities.

Some S. C. M. members in the clubroom. (L. to R.): Reverend Doug Carlin, Bob Dahl, Peter Burnyeat, Bill Leandle.

## **HILLEL**

### **FOUNDATION**

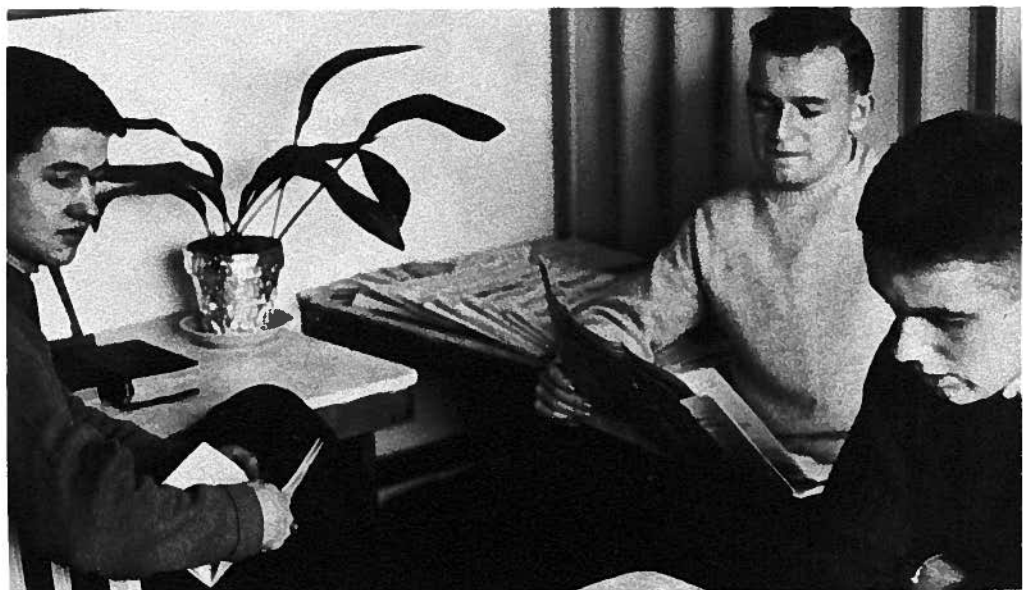

Another religious group on campus is the B'nai B'rith Hillel Foundation, an association which promotes and carries out a religious, cultural, educational, social, and counselling programme for Jewish students. This year, under president Mark Nagler, several events have been held to fulfill the club's broad purpose.

Hillel Executive: Back (L. to R.): Jack Huberman, Louis Zucker, Brian Wine. Centre: Barry Slutsky, Jerry Sklar, Rabbi Goldenberg, Herb Adirim. Front: Gloria Chertkow, Mark Nagler, Cecile Grobman.

## **CHRISTIAN SCIENCE ORGANIZATION**

Regular testimonial meetings, which included the healing testimonies of Organization members, and the maintenance of a Christian Science Study Room, were the main activities of the Christian Science Organization this year. The purpose of the Organization is to afford non-members at the University an opportunity to learn about Christian Science as well as to provide fellowship for members.

(L. to R.): Lorne Payne, Arnold Bate and Ron Boulding in the Christian Science Reading Room.

Shirley Brown, Denis Conner, Father Lee, and Ron Lee in the Newman Club Lounge.

## **NEWMAN CLUB**

The purpose of the Newman Club is to foster religious, intellectual, social, and athletic activities among Catholic students on campus. For the 175 members of the club, the president, Fred Facca and his executive planned a Campus Mission, Communion Breakfasts, Retreats, and study discussion groups with such speakers as Sir Hugh Taylor and Ray Perrault.

# **THUNDERBIRD BOOSTER CLUB**

Cheerleaders (L. to R.): Jeri Wilson, Fran Charkow, Ann Zaitzeff, Bonnie Galloway, Pat Kirstiuk, Doramy Hodson, Ellamae Sharpe, Sharon Durham.

Undertaking one of the most difficult tasks on a campus this size, the Thunderbird Booster Club tries to promote spirit and loyalty. It publicizes beforehand, and entertains at, all Thunderbird games. Included in the club are the majorettes, the cheerleaders and the Pep Band.

## ***PHRATERES***

"Famous for Friendliness" is the motto of Phrateres which pervades all their activities. U.B.C.'s chapter is divided into ten Greek letter sub-chapters each having an approximate membership of twenty girls. These smaller groups enjoy many informal and special activities and combine under the direction of the president Ida Motz to sponsor such events as the Fall and Spring Formals, the Initiation, Barn Dance, and many charity projects.

## UBYSSEY STAFF

Published three times weekly, the Ubysey covers events of interest to the university whether on or off campus. As the official news organ of the A.M.S. the paper gives advance notice of club, social, and athletic events. This year the editorial staff encouraged better journalism by providing city news staff members for student instruction periods. Faculty "special" pages were another constructive innovation which gave the 1959-60 Ubysey its more mature appearance. Some of the regular staff not pictured are: Reporters and desk: Allen Graves, Dianne Greenall, George Railton, Art Powell, Bill Rainer; Sports, Mike Hunter, Fred Fletcher, Alan Dafoe; Features: Leslie Kopas.

## TOTEM STAFF

Throughout the school year the Totem office in Brock basement is a hive of activity with staff members planning page layouts and choosing pictures, section editors chasing up photo assignments, and photographers chasing up subjects. Finally, out of the apparent confusion, emerges the finished yearbook which this year's editorial staff hopes will provide an enjoyable record of the students at U.B.C. and the life they led during 1959-60.

## UBYSSEY PHOTOGRAPHERS

Working under the high pressure of ever present deadlines the Ubysey photograph staff provided up to the minute coverage of all major campus events. This year, as the paper moved into its newly re-decorated offices, organization was one of the main concerns of photo editor Roger McAfee and head photographer Colin Landie. Among their projects is a complete file of all pictures taken that will be available to staffers in the coming years.

## ***THEATRE WORKSHOP***

Under the direction of Miss Dorothy Somerset students enrolled in Theatre 200 are taught the fundamentals of speech and acting. Breath support and control, articulation, and individual freedom of expression are practiced in the former, while mime and interpretation of different roles are performed in acting.

## DRAMA

Theatre goes this year, were treated to several top productions and outstanding performances by local actors. The academic year began in grand style with the appearance of the former Broadway play "Harvey." The rollicking comedy was produced by the Haney Correctional Institute Players and was directed by Anthony Holland. Other productions this season included Henry Ibsen's "Little Eyolf, Ugo Betti's "The Queen and the Rebels," Peter Ustinov's "Romanoff and Juliet," and Shaw's "Arms and the Man."

## ***FINE ARTS ROOM***

The Fine Arts Room which is located on the main floor of the Library provides facilities for students who wish to study or obtain information pertaining to Fine Arts. Librarian in charge, Miss Dwyer, who is pictured above, along with her assistant Mrs. Magnusen, efficiently keeps approximately 9,000 books and numerous periodicals available for student and faculty use. After being re-modelled this year, the studying room will accommodate approximately 60 to 80 students.

## ***MUSEUM OF ANTHROPOLOGY***

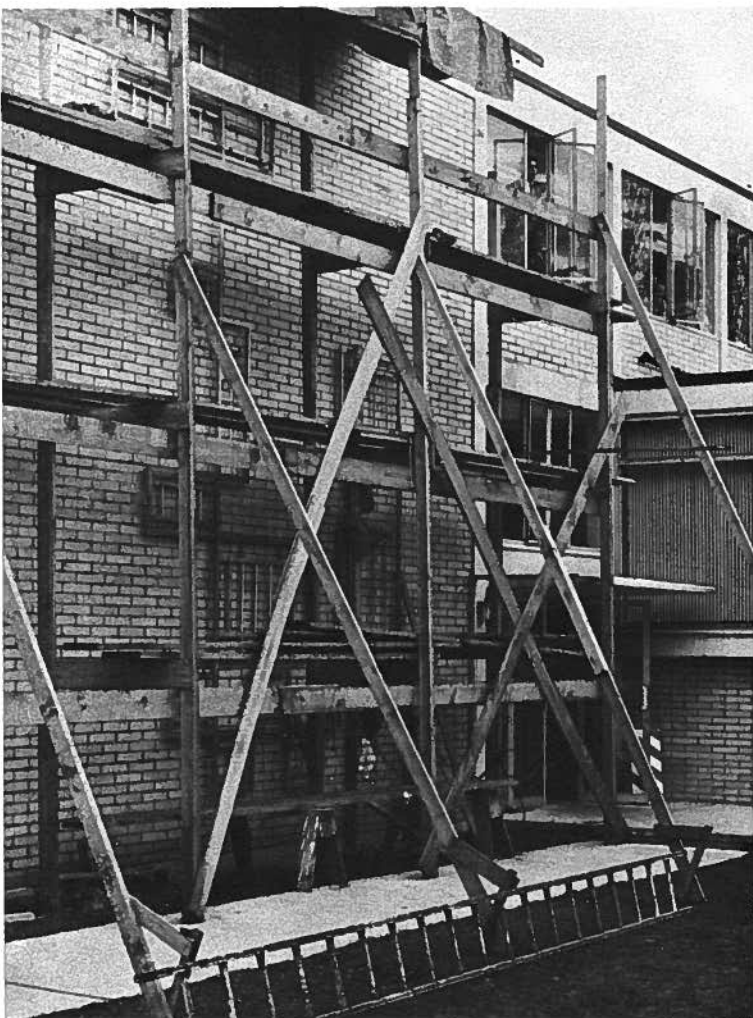

Student Gerald Sager finds it quiet in the Fine Arts' stacks.

The Anthropology Museum contains about 15,000 catalogued items and is under the supervision of Curator James Garner.

Home of the new mural is to be on the wall of the Brock Extension.

## ***BROCK MURAL***

U.B.C.'s first student-commissioned mural has been created by Architecture professor Lionel Thomas and his wife, Patricia. The unusual mural, the second of its kind made in Canada, consists of 88 square feet and has 500 pieces of mosaic per square foot.

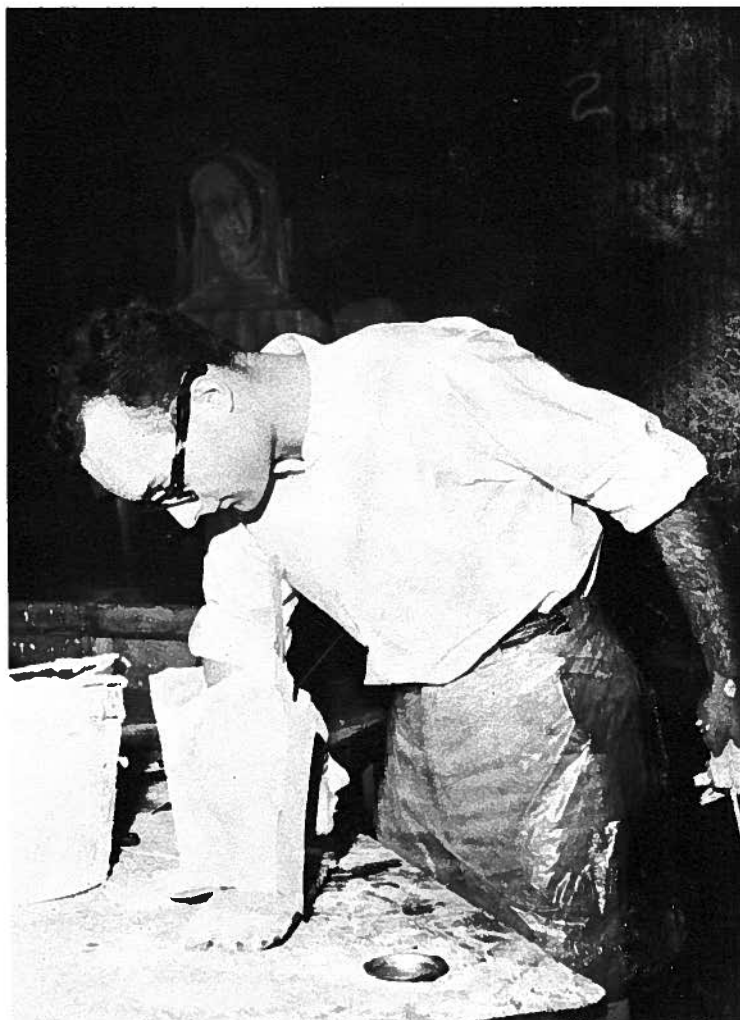

Italian glass tile and bronze mosaic pieces are arranged to form colourful and interesting designs.

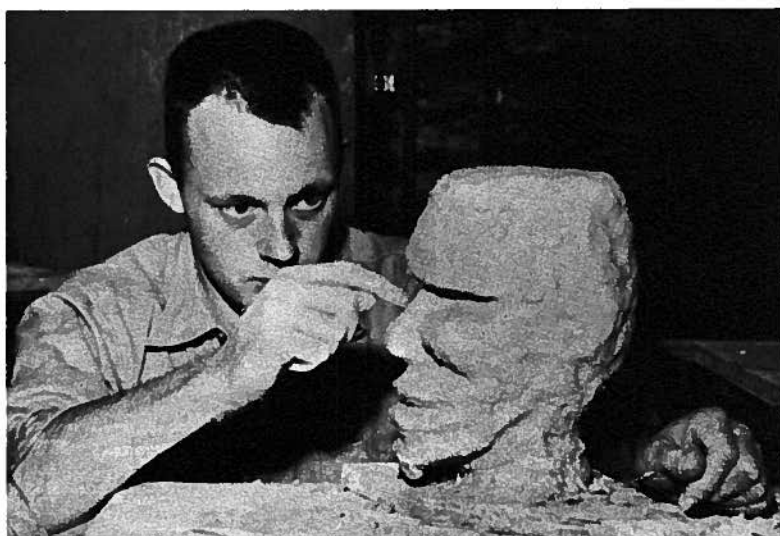

Each one of the 55 panels is arranged to suggest the inter-relationship of the various fields of higher education.

## SCULPTURE

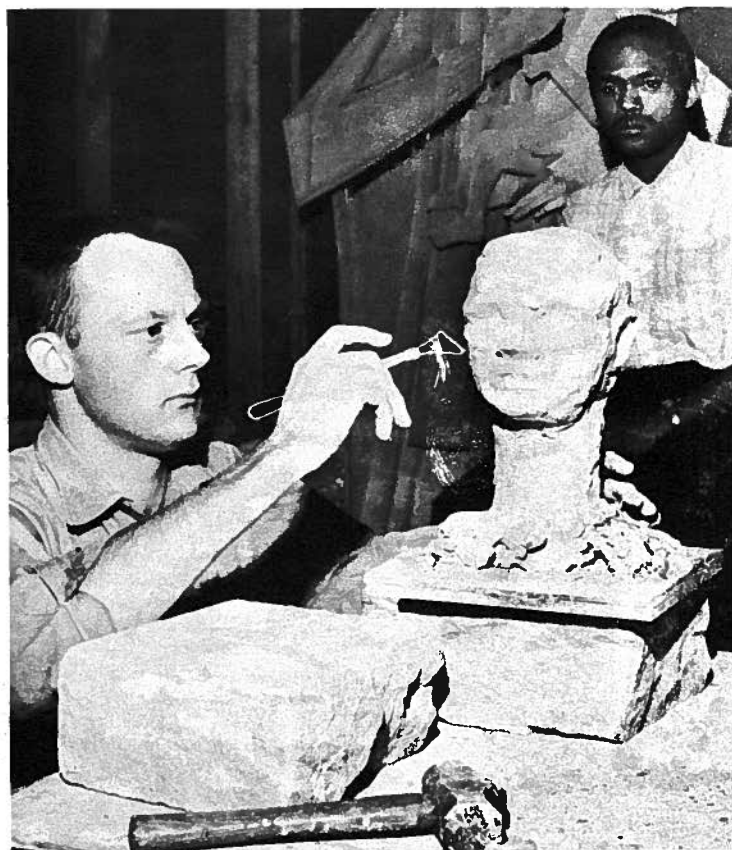

The programme of studies for students in the School of Architecture includes work in the scientific, humanistic and aesthetic fields. On this page are shown students developing the aesthetic aspect through modeling, carving, and construction by using the variety of materials provided in Architecture 471.

## ***HOMECOMING***

At the Pep Rally, Majorettes concentrate on entertaining.

Excited cheerleaders and a crowded jalopy.

As the campus increases in size and depth, Homecoming grows to a great size . . . The pep rally, with the parade of queen candidates, started the 1959 weekend off fabulously. Class reunions, the football game and two dances were the main events. Both old and young alums joined with students, a wonderful time was had. John Goodwin was chairman for the festivities.

Engineers continued the questionable college tradition by capturing candidates for the Lily Pond. Kerry White, Ubysey Editor, was so honoured once each term and Agriculture's Bernie Papke was another choice. This year a new gimmick, the "tripod," lowered the unfortunate ones.

## ACADEMIC SYMPOSIUM

The theme of the Fourth Annual Academic Symposium held from February 5 to 7 at Parksville was "The Purpose of Education." Forty faculty members, ninety-five students and ten alumni participated in a series of panels, group discussions, and evening song-fests. Topics discussed included, "The Expert versus the Well Rounded Individual" and "Science and the Language Requirement." Recommendations against compulsory lecture attendance and for a week's break before exams were brought forward.

## MARDI GRAS

Mardi Gras was successful with a "Deep South" theme: over \$2,000 was raised for the Children's Foundation as the 1960 all-Greek donation. The two night masquerade was planned by a large committee under the co-chairmanship of Dave McGarth and Jeanne Davidson. The music was written and directed by Brian Gibson while Marcia Rowland handled the choreography. Reigning over the festivities were Queen Mary Hudson from Alpha Gamma Delta and King Phil Tingley from Phi Gamma Delta.

## ***RUSHING***

At the beginning of the Fall term the period known as "rushing" is set aside by the campus fraternities and sororities to enable all interested students to learn more about these organizations and ultimately to join one.

After tours, coke parties, teas and theme parties, the girls are all given sorority bids and thus become pledges. Following the receipt of bids in Brock Hall, the girls head to the caf for "Screech Day" and begin participating in the activities of their respective groups.

The fraternity rushees, after registering at the A.M.S. office, go through a period of dinners, stag parties and handshaking. At last the rushees sign their final bids in the auditorium and they become fraternity pledges.

## PANHELLENIC ASSOCIATION AND INTER-FRATERNITY COUNCIL

The Panhellenic Association is the governing body of the nine sororities on campus. It is composed of an executive and two representatives from each of the sororities.

Panhell sponsored the annual bridge and bowling tournaments, intramural sports, the Fall Rush Workshop, the Spring Workshop, and Punch Parties to acquaint first year girls with the sororities. Mardi Gras at the Commodore and Song Fest at the Queen Elizabeth Theatre were sponsored jointly by Panhellenic and I. F. C. Late in the year the Panhellenic House was completed next to International House on Marine Drive. There each group is provided with a chapter room for meetings and in the future a common lounge will be added.

Executive. Standing (L. to R.): Jim Hamilton, Bob Brewer, Bill Yuill, Ron Foster. Seated: President Larry Campbell.

The I. F. C. acts as a link between the fraternities and the faculty and coordinates the policies, ideas and problems which involve the fraternities at U. B. C. It also regulates the rushing and bidding of an increasing number of new men joining the groups.

This year Greek Week was initiated, its purpose being to give university men an opportunity to learn more about the diversified activities included in fraternity life. Another project sponsored by I. F. C. was Help Week when over 300 fraternity and sorority pledges worked for organizations like the Jewish Community Centre and the John Howard Society. In addition, there were over ninety pledges helping to complete the Red Feather Drive.

## ALPHA GAMMA DELTA

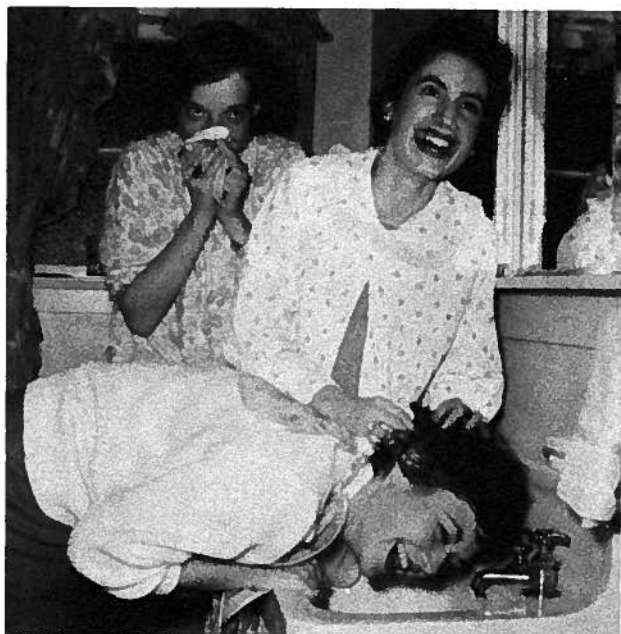

Alpha Gamma Delta has had another successful and rewarding year. In 1959 they again won the Marjorie Leeming trophy for the all-round sorority. Alpha Gams were represented on High School Conference, Mardi Gras, A.W.S., Leadership, W.U.S., Frosh Orientation and Homecoming Committees as well as the Undergraduate Societies. Each member devoted time and energy to the sorority's altruistic project, the Cerebral Palsy Association. The girls also enjoyed many social activities ranging from the annual "Hard Times" pledge party to the Spring Formal.

Active in Intramural Sports such as swimming, basketball, tennis, and badminton, the A. D. Pi's also were hostesses at a number of social events throughout the year. The Mother and Daughter Tea was held during first term followed by the annual Spring Formal called the "Dixieland Ball," the Father and Daughter Coffee Party, and the Graduation Tea. Philanthropic work was furthered by weekly visits to the Crippled Children's Hospital.

Delta Gamma was named the most co-operative sorority in rushing this year by Panhellenic. As part of their philanthropy D. G.'s read daily to four blind students on the campus.

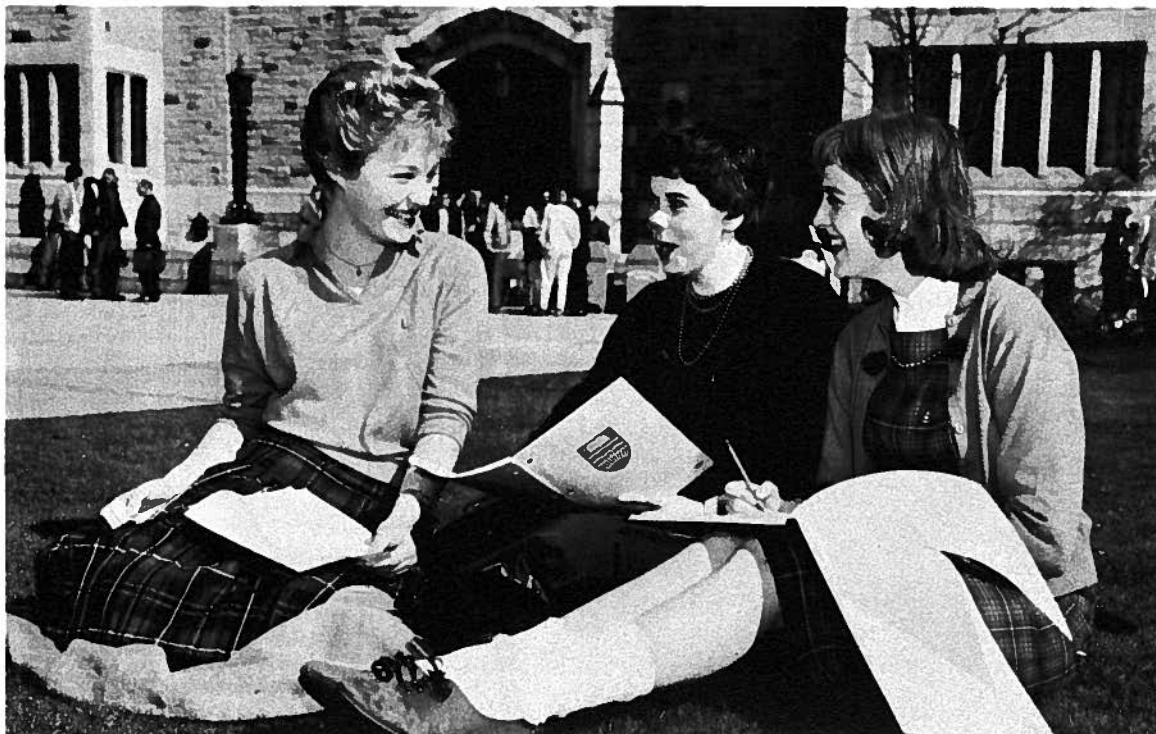

Socially, D. G.'s were busy with the annual dinner at Ming's, the Formal at the Vancouver Tennis Club, teas, and Founders' Day Banquet. The chapter hosted Seattle D. G.'s in an international weekend. Following exams, D. G.'s sojourned to Yellow-point for a week of leisure.

## DELTA PHI EPSILON

At the beginning of the year, Delta Phi Epsilon sponsored the annual "Pledges on Parade" dance at which all sorority pledges were formally introduced into Greek society.

The D. Phi E.'s international philanthropic charge is Cystic Fibrosis and U.B.C.'s chapter once again upheld its commitment by giving support. It also gave financial aid, in the form of a bursary, to a deserving undergraduate.

During December, 1959, many Vancouver D. Phi E.'s attended the International Convention in Atlanta, Georgia.

Socially the D. Phi E.'s were occupied with many successful parties, exchanges and their annual Founder's Day Formal.

## GAMMA PHI BETA

Gamma Phi Beta has two summer camps for underprivileged children which it maintains as its philanthropic work. It also holds an annual Valentine's Day Party for these small campers. Gamma Phi Beta participated enthusiastically in such campus affairs as intramural sports, and the annual Song Fest. Among other memorable events during the year, the Hard Times Party and the Carnation Ball were foremost. With the completion of Spring Exams, Gamma Phi members sojourn for a week at their Sechelt camp.

## KAPPA ALPHA THETA

A noon hour meeting

Kappa Alpha Theta has enjoyed one of its most busy and successful years. The season began with a banquet to honour the new pledges in October and a Mother and Daughter Tea early in November. The second term began with a ski weekend on Hollyburn for old and new actives: the annual formal was the highlight of the Spring functions.

The Thetas and Fijis combined to give a Christmas party for children at the Loyal Protestant Home. Continued support was given to the international Theta philanthropy, the Institute of Logopedics in Wichita.

As school ends, Thetas will leave for a short holiday to recuperate from exams.

At P.O.P.

## KAPPA KAPPA GAMMA

The past year has been a busy one for Gamma Upsilon chapter of Kappa Kappa Gamma under the presidency of Jane Hodgins. Its main concern for 1960 was the acquisition of a new philanthropy, the Foundation for Emotionally Disturbed Children. Next Fall the girls hope to work with the children personally.

Several Kappas have been outstanding in campus activities, taking part in Mardi Gras, Student Council, Song Fest, and political clubs. Exchanges, teas and parties livened the academic year and kept the girls closely united.

**International.**

Alpha Delta Phi, one of the oldest fraternities at U.B.C., was founded at Hamilton College, New York, in 1832. The fraternity believes in a full schedule of university activities with emphasis placed on the intramural sports, campus leadership, and the Literary meetings. Highlights of the social year included a rousing pledge party, the traditional International with the Washington Chapter, and the Spring Formal.

# ALPHA TAU OMEGA

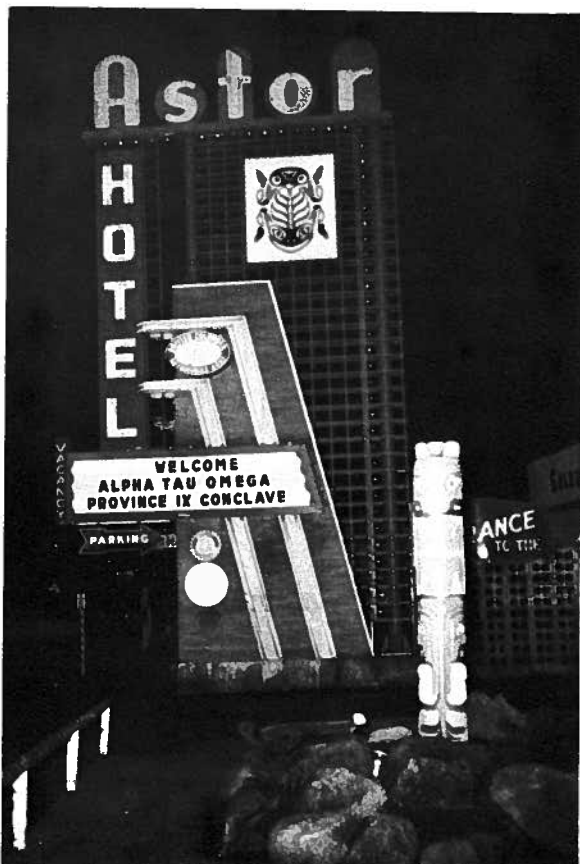

The Epsilon Pi chapter of Alpha Tau Omega has been in existence on the U.B.C. campus since 1947. In 1959-60 they contributed to the organization of Help Week, competed in intramural sports and participated in various social events. Included in their calendar were Mardi Gras, Song Fest, and the Saturday night parties at the fraternity house on Point Grey Road.

Beta Theta Pi, founded in 1839, formed a chapter at U.B.C. in 1936. The fraternity takes pride in its reputation on campus as a versatile group. At present they are holders of the Song Fest Trophy and the Housser Cup, indications of their desire to take part in all phases of campus life as well as to maintain a high scholastic standing. Social activities during the year included the pledge party, the Spring Formal and their biggest event, the Beta Dairy.

## DELTA UPSILON

Boat race warm-up

This year marked the twenty-fifth anniversary of Delta Upsilon's British Columbia chapter. It is a non-secret fraternity stressing the promotion of friendship, the development of character, the diffusion of liberal culture and the advancement of justice. The D.U.'s, a spirited group, have always been active in campus affairs, particularly intramural sports.

## KAPPA SIGMA

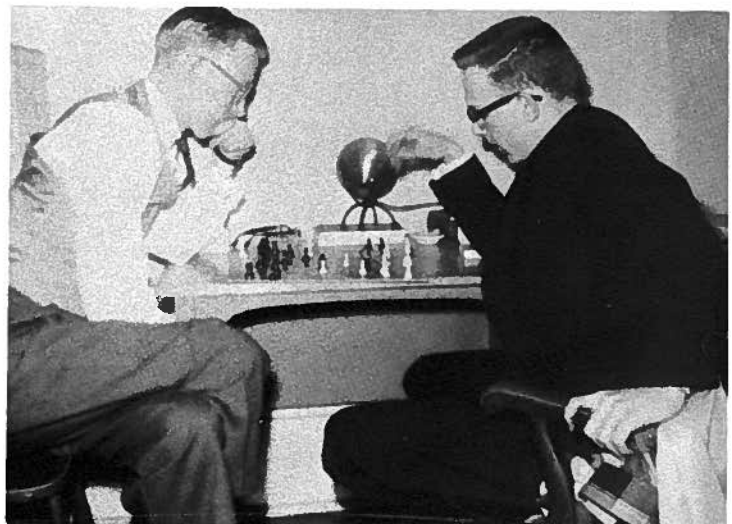

The youngest of Kappa Sigma's Canadian chapters, Epsilon Epsilon strives to maintain a well rounded philanthropic, academic and social programme. Besides such traditional events as the Sorority Pledge Breakfast, the pledge party, and their formal, the Sweetheart Ball, the fraternity also participated in intramurals, Homecoming, Mardi Gras, and Help Week. This year the chapter sent several members to take part in Conclaves in Denver and Banff where they exchanged ideas and views with Kappa Sigs from all over the United States and Canada.

Phil Delts keep busy in Help Week

This year the Phi Delts held their traditional "Boheme" party, the Bowery, and the Spring formal. Giving athletics, social life and scholarship their usual fraternity emphasis they participated in Mardi Gras, Song Fest, intramurals and the International Phi Delt Community Service Day. In addition to the active chapter there was a strong Vancouver alumni group and Mothers' Club.

Phi Kapp Annual Formal

Phi Kappa Pi, Canada's only national fraternity, was the first one established on this campus. For over forty years it has been emphasizing the brotherhood of Canadians at U.B.C. The three main events of this year were the Orphanage Party, the Active-Alumni Stag, and the Spring Formal. Enthusiastic participation in the Song Fest and Mardi Gras, as well as in intramurals, has given the brothers a well-rounded campus life.

## PHI KAPPA SIGMA

Impersonations by Ross Craigie

Was it a good one?

The Phi Kap philosophy that "study comes first" has not prevented the fraternity from taking part in a well-rounded social program this year. The Fall pledge class of nineteen, initiated in November, gave them a large active membership which has participated enthusiastically in campus and fraternity activities.

As Phi Kappa Sigma continues to grow it maintains brotherhood within itself and the feeling of genuine friendship with others that has been Phi Kaps' trademark.

Founded at Union College in Schenectady, N. Y., in 1833, Psi Upsilon is one of the oldest fraternities. Zeta Zeta chapter at U. B. C. was installed in 1935. The fraternity emphasizes scholastic achievement by encouraging each brother to do well in his studies. The highlight of the social calendar—the Spring Formal held at the Panorama Roof—was attended by both actives and alumni.

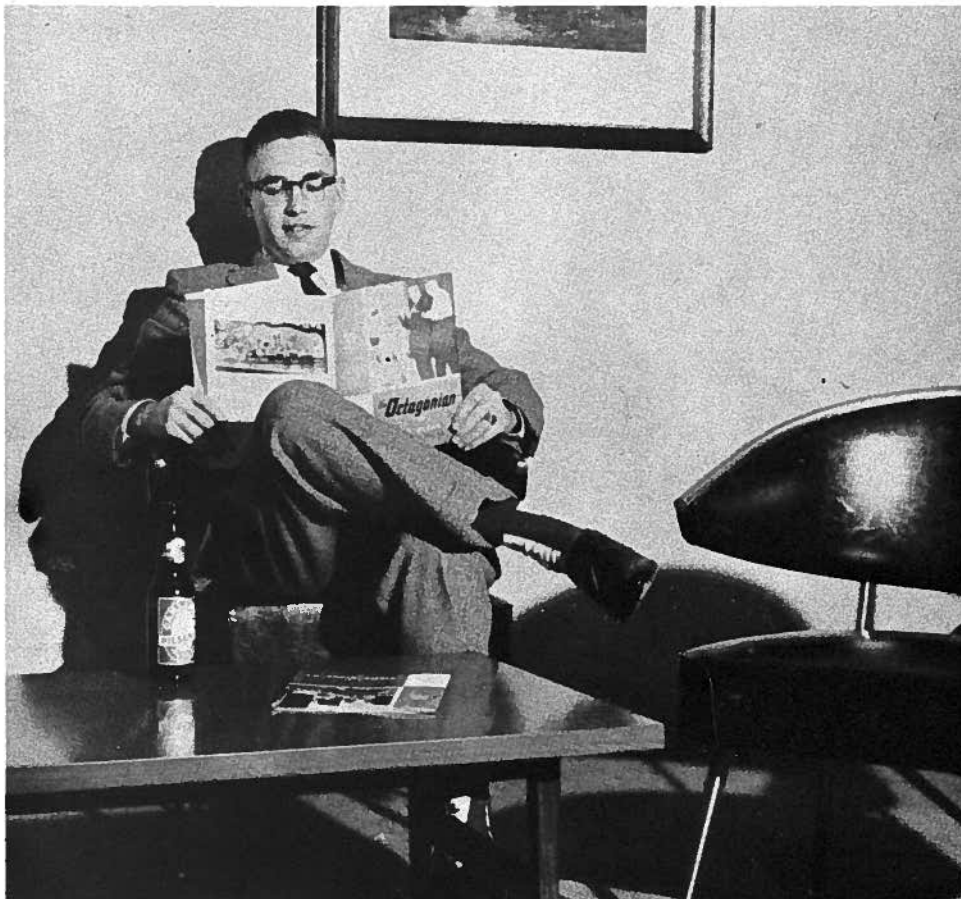

## SIGMA ALPHA MU

The lively end of the table.

U.B.C.'s Sigma Alpha Mu is one of more than fifty chapters in North America celebrating their Golden Jubilee this year. Important events of Mu Xi chapter, established at U.B.C. in 1948, are the annual Hawaiian party, the active-alumni stag, and the regional Christmas convention held in Seattle. The fraternity also ranks high in the scholarship competition.

## SIGMA CHI

Delta Omicron of Sigma Chi has been on campus for eleven years. Although it is relatively young at U.B.C. it belongs to one of the oldest and largest college Greek letter societies in the world. The program this year has included Song Fest and the Toga Party. At the annual formal, the Sweetheart Ball, candidates from the various sororities vie in a friendly competition for the right to represent Delta Omicron at the International Sweetheart of Sigma Chi contest.

## (PROFESSIONAL PHARMACY SORORITY)

So this is a work party!

Dreamers: M. Palmey, A. Gladstone, L. Sing, A. Fetzko, J. Chong.

"Esse quam Videre" — to be rather than to seem. This motto embodies the basic principles of Lambda Kappa Sigma: To provide guidance and to establish a high professional, educational, and cultural standard among women in Pharmacy are the sorority's major aims.

L. K. S. is the oldest and largest professional pharmacy sorority in the world. Founded in 1913 at the Massachusetts College of Pharmacy, the sorority attained an international status in 1956 with the establishment of Alpha Lambda chapter at U. B. C. The sorority is affiliated with Professional Panhellenic.

Lambda Kappa Sigma plays an important part in Pharmacy students' activities at U. B. C. by catering at Ph. U.S. mixers and selling refreshments at general meetings. The sorority's social functions are climaxed in the Initiation Formal which is held during the second term.

It's coffee — honest!

**BUILDINGS**

One of the oldest buildings on the campus is the Forestry and Geology Building. Its ivy-covered walls contain the Forestry Faculty as well as the Geology and Geography Departments.

PHOTO BY N. E. SMYTHE

The War Memorial Gymnasium, built in 1951, cost nearly \$800,000 and was financed largely through student effort. Open-air Empire Pool was built in 1954 for the British Empire Games and was afterwards donated to the university.

The bright, modern Law Building, completed in 1952, is located on the northern slope of the university grounds looking onto the beautiful North Shore mountains across the water.

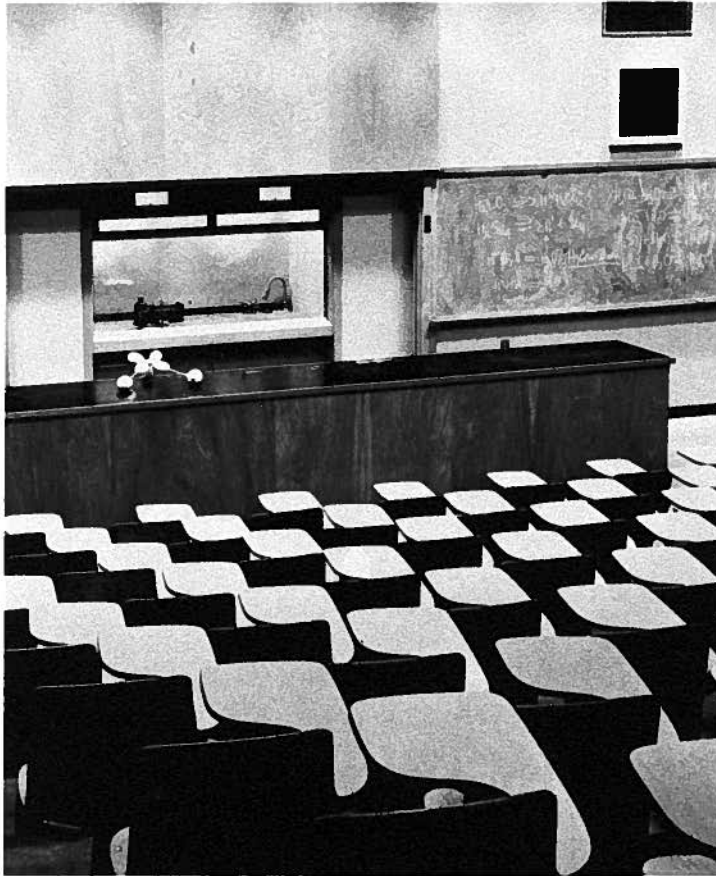

Standing outside the Home Economics Building are Kathryn Raisbeck, Josephine Wong, Penny Stockman, Carol Naughton, and Barbara Dobson.

Future teachers emerge from the halls of the one-story Education Building.

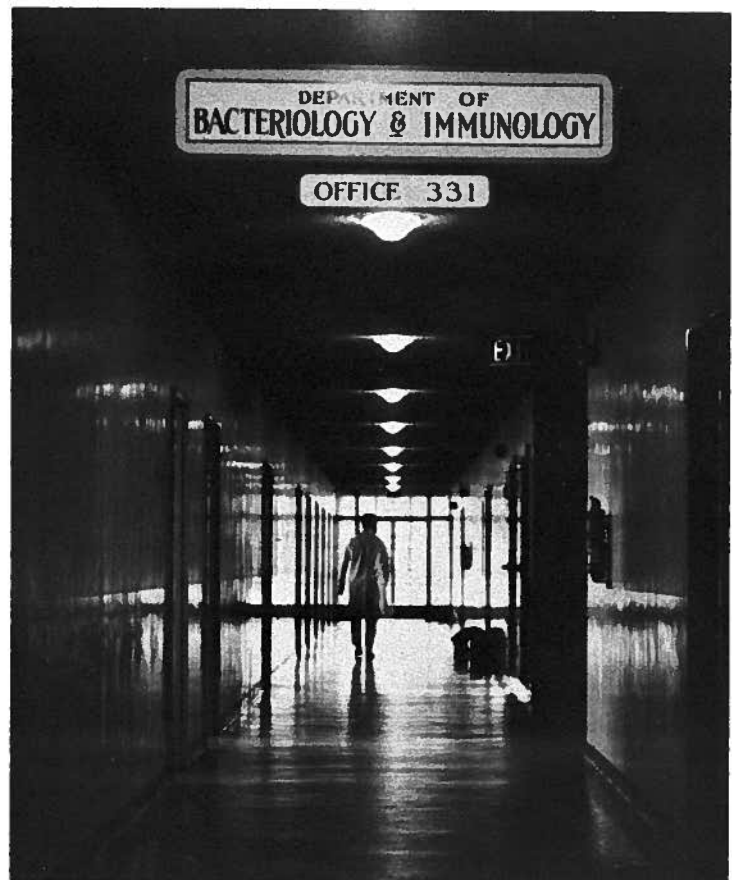

A striking pattern of desks was found in the new wing of the Chemistry Building. The original part of this building, one of the oldest on campus, was constructed in 1925. The ultra-modern wing was completed during the Fall term.

A pleasing pattern of windows is set into the south wall of the Chemistry extension. At night the tinted glass of the windows gives a colorful brilliance to the building.

The Wesbrook Building contains not only the departments of Bacteriology and preventative Medicine but also the university hospital. Completed in 1951, it bears the name of Dr. Wesbrook, U.B.C.'s first president. Its hallways are quieter than those of most other university buildings and, as seen by the photo less frequented.

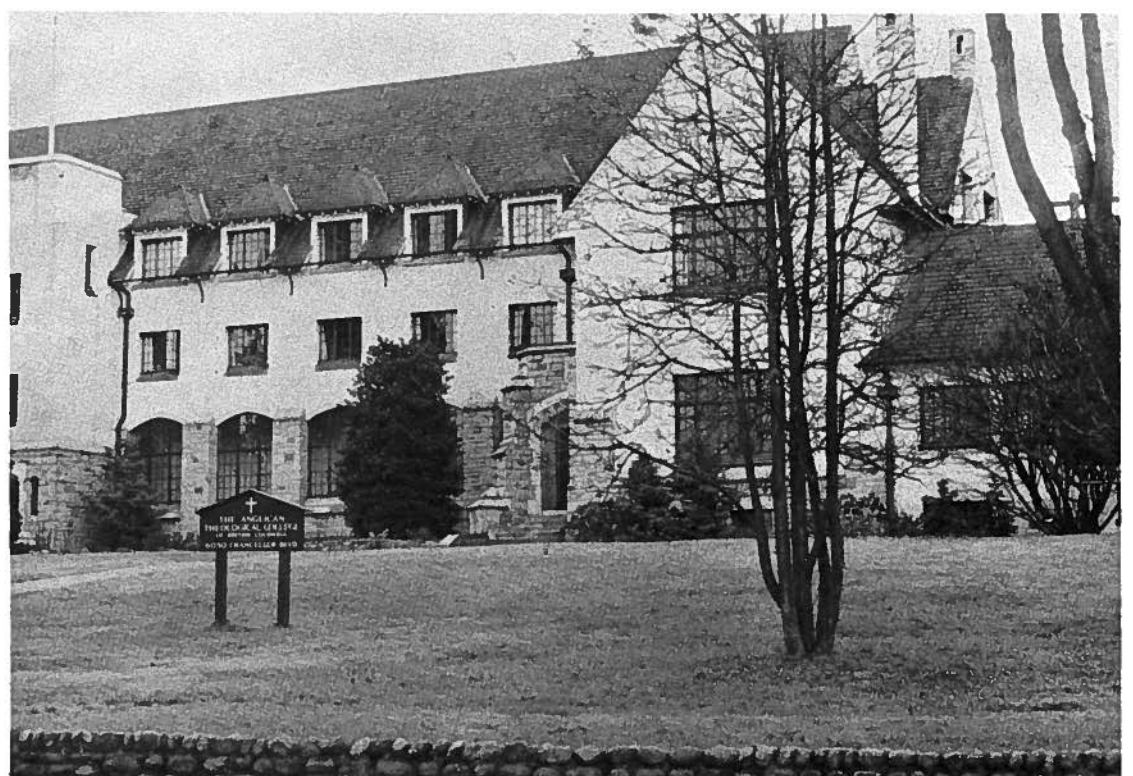

The beautiful, modern Faculty Club was completed in 1959. It serves as a dining and recreational area for faculty members as well as a centre for entertaining visiting dignitaries.

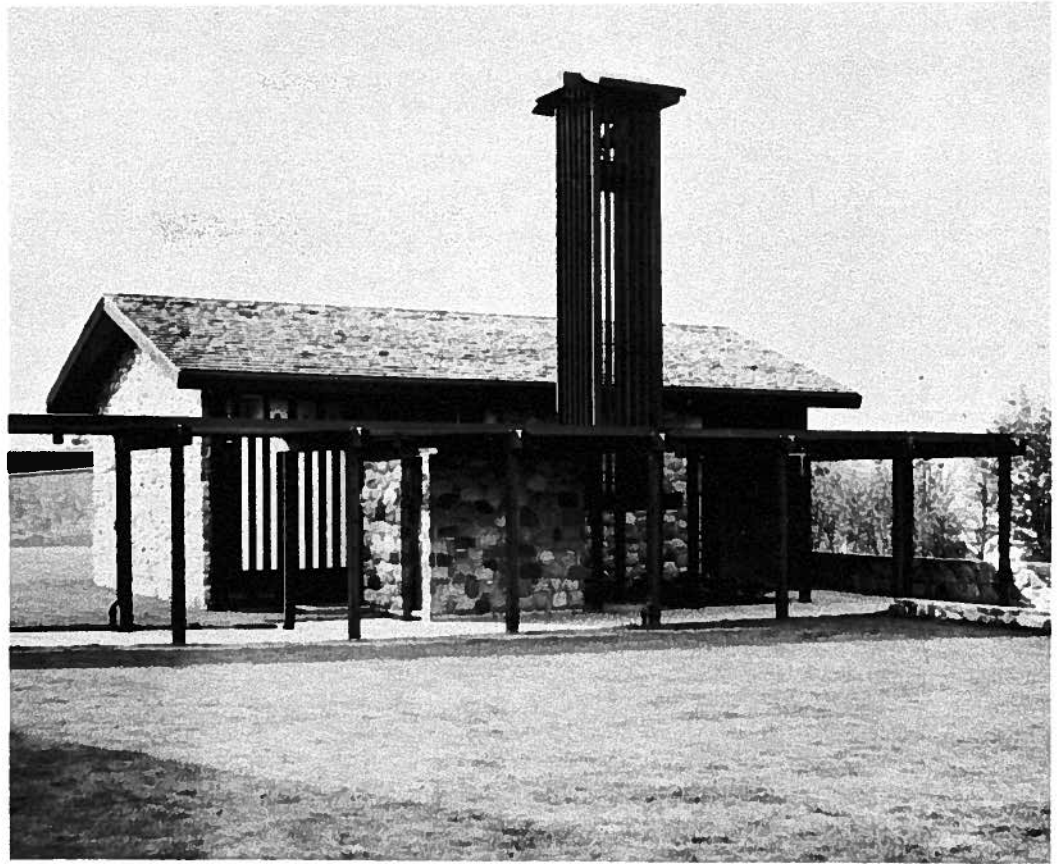

Union College, situated in the northeast corner of the campus, serves as a student residence as well as a Theological School.

Since 1929, Chancellor Boulevard has been the site of the Anglican Theological College. This building is also a student residence and training school.

The small chapel of St. Andrew's Hall is the worship centre for Presbyterians on the campus. St. Andrew's Hall serves as a residence for Presbyterian students but does not offer degrees in Theology.

St. Mark's College is the attractive new residence for Roman Catholic students on the campus.

Isabel MacInnis Hall is one of three comfortable modern residences for women students.

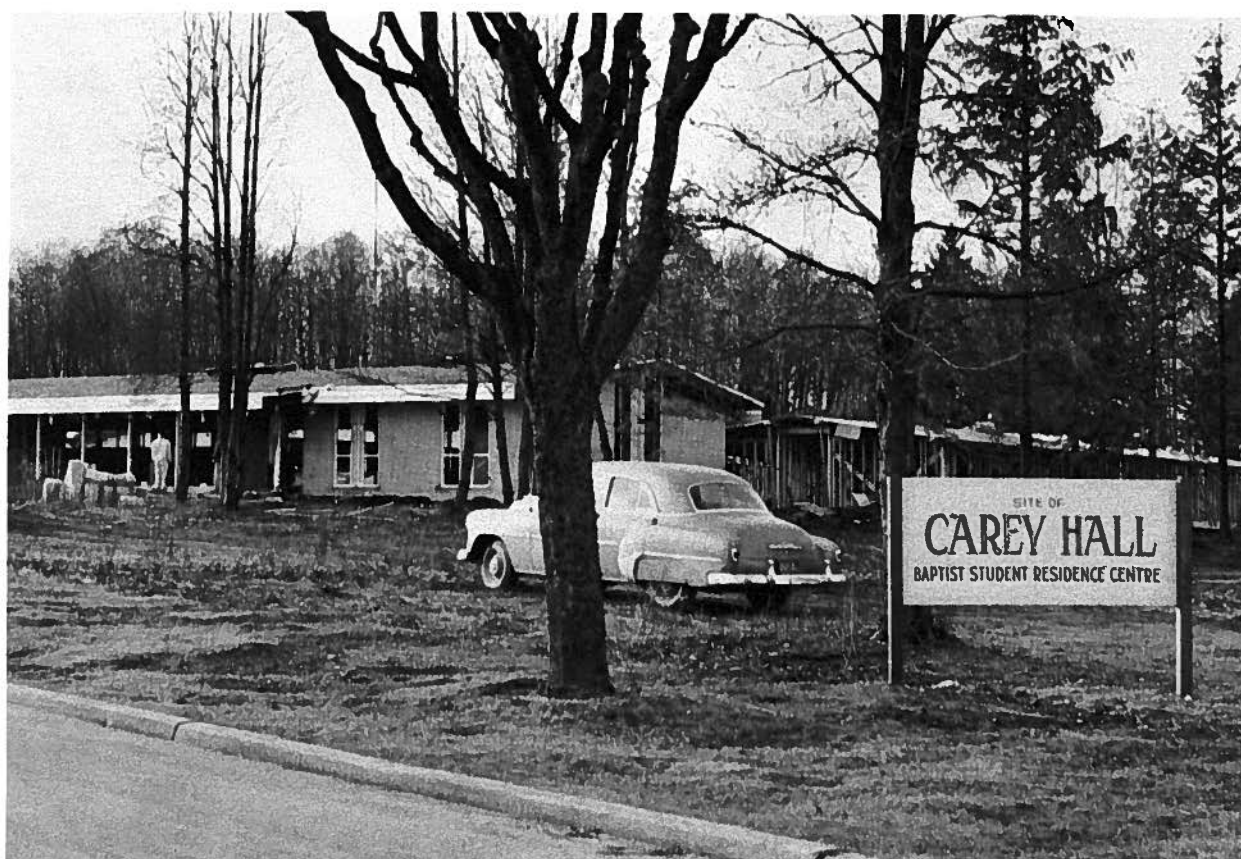

Fort Camp, which overlooks Howe Sound, is a collection of converted army huts which provide accommodation on the campus for men students.

Mary Bollert Hall is one of the modern residences for women at the university. These dorms are for first and second year girls, providing pleasant campus-home surroundings.

Construction of Carey Hall, a Baptist students' residence named in honour of the missionary William Carey, was begun in 1959. The site is located on the east side of the campus with the theological residences.

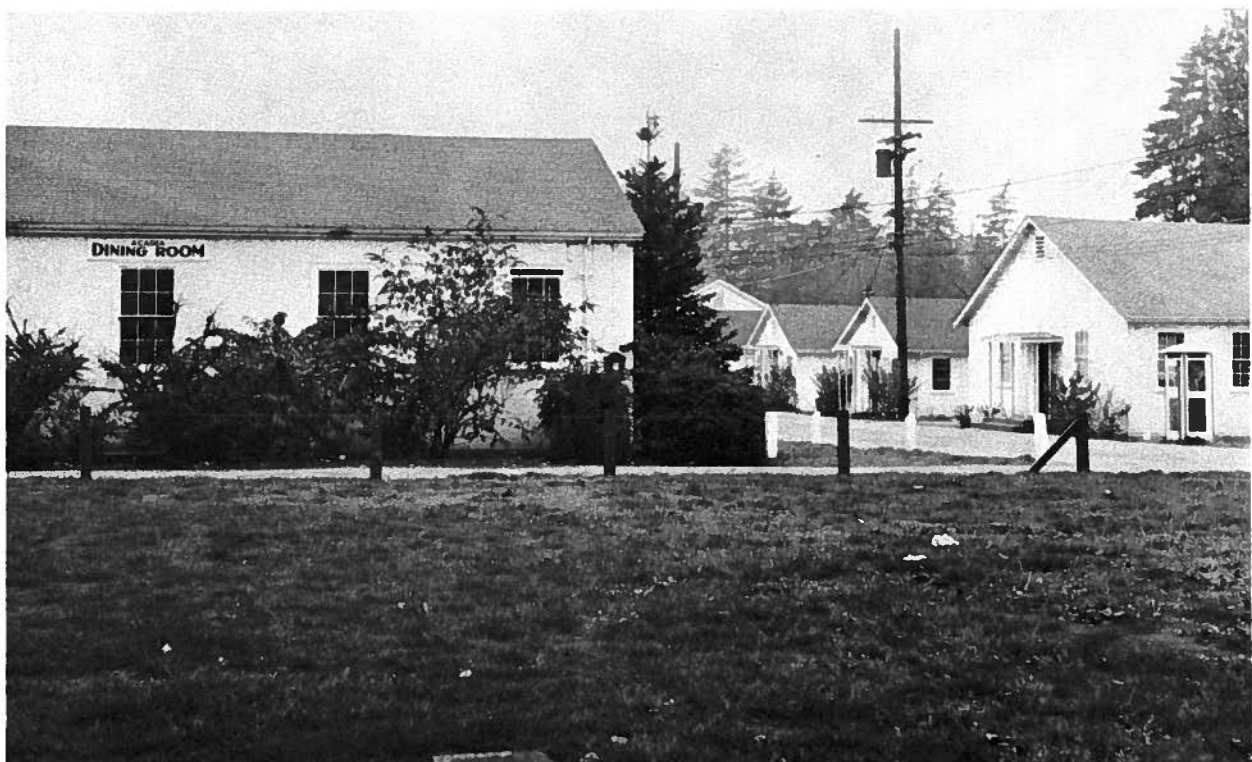

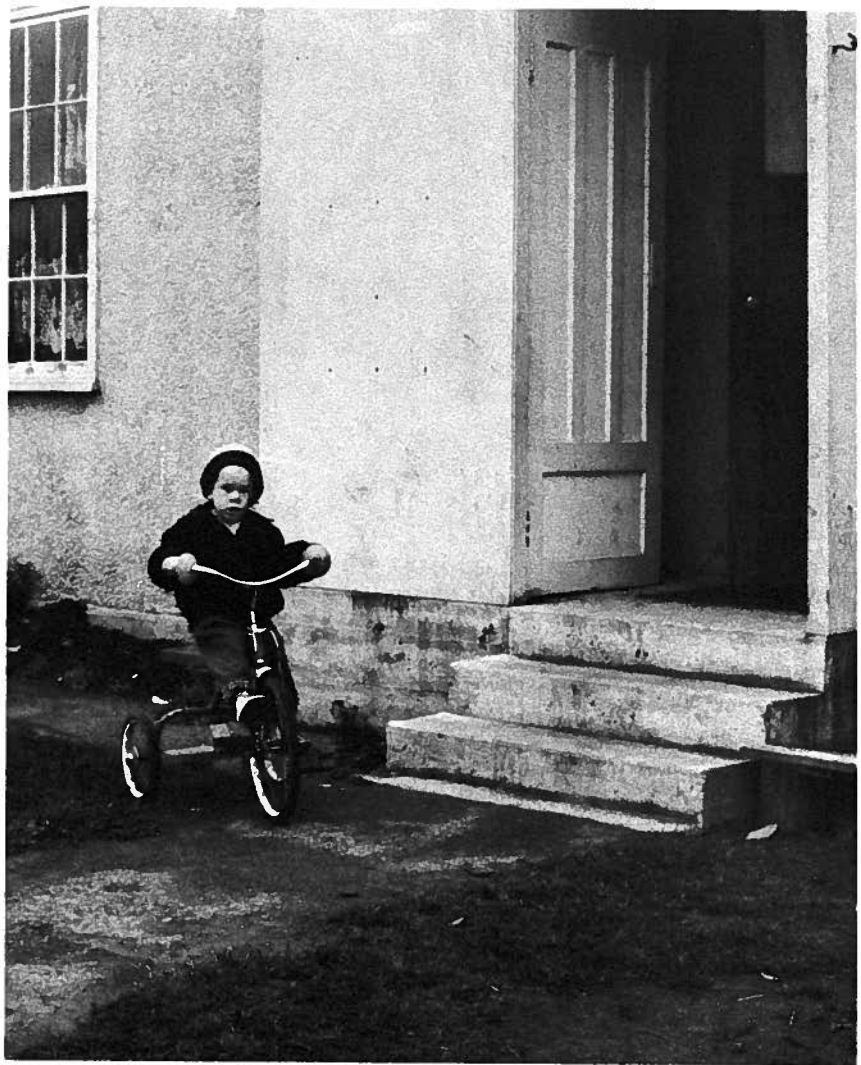

Pranks are a traditional part of life at student residences. At Acadia Camp, Room 20 of Hut 72, inhabited by Jack McKay and Harry White, was completely filled with newspapers.

Besides memories of pranks, laughter, friends, and study, students who have stayed at Acadia Camp will long remember the familiar line-ups in the dining hall.

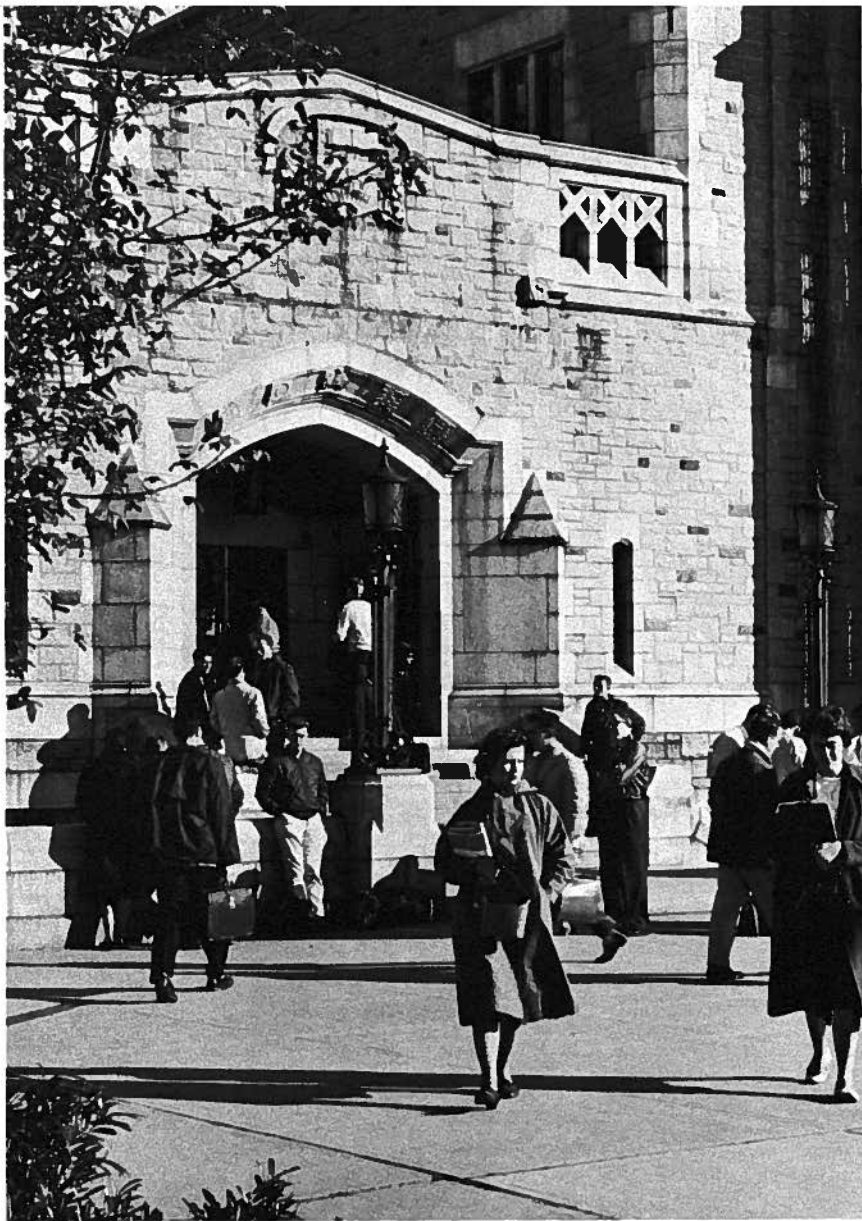

Many married couples begin their wedded life in small houses near the gymnasium. Of necessity, their time is divided between family activities and university obligations.

The new faculty residences near Acadia Camp are comfortable and modern. They provide accommodation close to the university for professors and their families.

## CAMPUS CORNERS

The University Library is the most familiar building on the campus, as well as one of the oldest. It grows with the university. The main part was completed in 1925, the north wing in 1948 and the south wing will be finished this year.

The Campus Cupboard is operated by the Canadian National Institute for the Blind. This small, unpretentious hut has become a haven for students and is crowded past capacity every noon-hour.

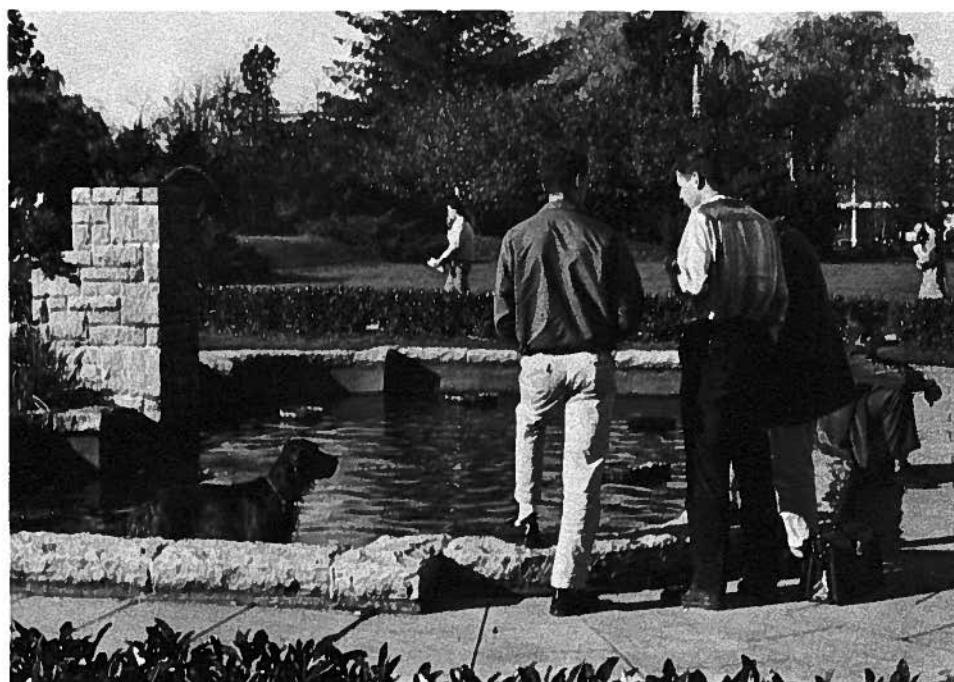

Relaxing on the lawn, near the Library, is a favorite pastime during warm weather. In the background "Mother and Child" are shaded by drooping willow trees.

The porch of Brock Memorial Hall is a common meeting place for students, the building being the centre of student activity. It is here that most of the student organizations as well as the Alma Mater Society have their offices.

The lily pond in front of the Library has become a traditional part of campus life as it is often used as a place to dunk Engineers and Ubysey Editors. This year it also became a swimming pool for the Red Setter Thunder, U.B.C.'s mascot.

The M.A.A. includes all sports under the Men's Athletic Committee. The Booster Club and Big Block Club are also represented, actual meeting attendance being limited to the two club presidents, senior team managers, the M.A.A. executive and a Ubysey staff member.

There are weekly meetings to carry on the normal business of building and maintaining the athletic plant on the campus. Problems of expansion, need for facilities, and publicity are dealt with and recommendations are subsequently made to the Students' Council or the M.A.C.

Executive members for 1959-1960 were: President Ian Stewart, Secretary Doug Mitchell, Public Relations Officers Len Cox, Stuart Robson and Ubysey sports editor Ernie Harder. Don Robertson and Jack Henwood represented Boosters and Big Block. The Faculty Athletic Director was Mr. R. J. "Bus" Phillips.

The Big Block Club is composed of all campus athletes who, by participation in their own sports, have made outstanding team contributions. The President for this past year has been Jack Henwood.

The club is chiefly a service organization which seeks to provide leadership in athletics as well as in student government. The members are called upon to offer service in performing miscellaneous tasks on campus. The climax of their year is the Athletic Awards Banquet which is an elaborate occasion honouring new award winners.

## ROWING

Before Frank Read started coaching in 1950, U.B.C. crews had little success. Since that time they have won three gold and four silver medals in international competition (including the gold medal won by the Four without Cox at the Olympic Games in Melbourne in 1956); and have also paid one visit to the Henley Royal Regatta, where they narrowly missed winning the Grand Challenge Cup after defeating the Russian team in the eliminations.

This last summer, with former U.B.C. Olympic oarsman David Helliwell as coach, the eight won a silver medal at the Pan American Games in Chicago, losing to the United States. A Four with Cox was also entered from U.B.C. and came fourth.

This year, with Frank Read coaching, the crew is once again stirring the waters of Coal Harbour. Under the leadership of their captain Bill McKerlich, they have their sights set on the Olympic Games in Rome this August.

The 1959-60 Track Season has been the best ever for U.B.C. Although there was no track in the W.C.I.A.U., U.B.C. competed very favorably in the Vancouver Relays and the Evergreen Conference. Gordy Johnson in the 440 hurdle, Keith Wilson in the 440 dash, and Ron Samal in the pole-vault, will all attend Olympic trials in July. Carlos Charles, one of the fastest sprinters U.B.C. has produced, recorded a time of 9.8 seconds for the 100-yard dash. The Cross-Country team competed for the W.C.I.A.U. Championship, but it was hindered by the injury of three top runners and the lack of experience. This new group is expected to become the nucleus of a winning team in the near future.

## SOCCKER

The soccer teams competed in the Mainland League, second and third divisions. This year the Varsity squad topped their league and stand an excellent chance of promotion to the first division—the ultimate of soccer in Vancouver. The team had eight wins and two losses which included a 7-1 defeat of Portland State College in Portland last Fall. Their top scorers are Bill Wedly, Frank Sanop and Pat O'Brien while leading the defense is Frank Sealy who won the Bobby Gaul Memorial Trophy for 1959.

## WRESTLING

U.B.C. wrestlers met the University of Alberta winners at Edmonton which was their main event and was held March 5th. This is U.B.C.'s eighteenth year of team wrestling, and the members are proud to uphold the university standard at its high level. Active participants were as follows: Bill Maslechko, Joe Komlossy, Camille Apt, Keith Casperson, Roy Casperson, Thorn Walder.

## RUGBY

U.B.C. fielded six rugby teams for the 1959-60 season. Participation was excellent — ninety active players competing each Saturday with many reserves fighting for spots during weekday practices.

The 'Birds (1st team) and the Braves (2nd team) competed in the city 1st division league; the Physical Education team, the Tomahawks (Frosh "A"), and the Totems (Varsity football team) competed in the city 2nd division "A" league; the Frosh "B" team competed in the 2nd division "B" league.

Up to the end of January, U. B. C. teams had played 44 games, won 31, lost 9 (2 against their own teams), tied 4, and scored 513 points for and allowed only 193 against.

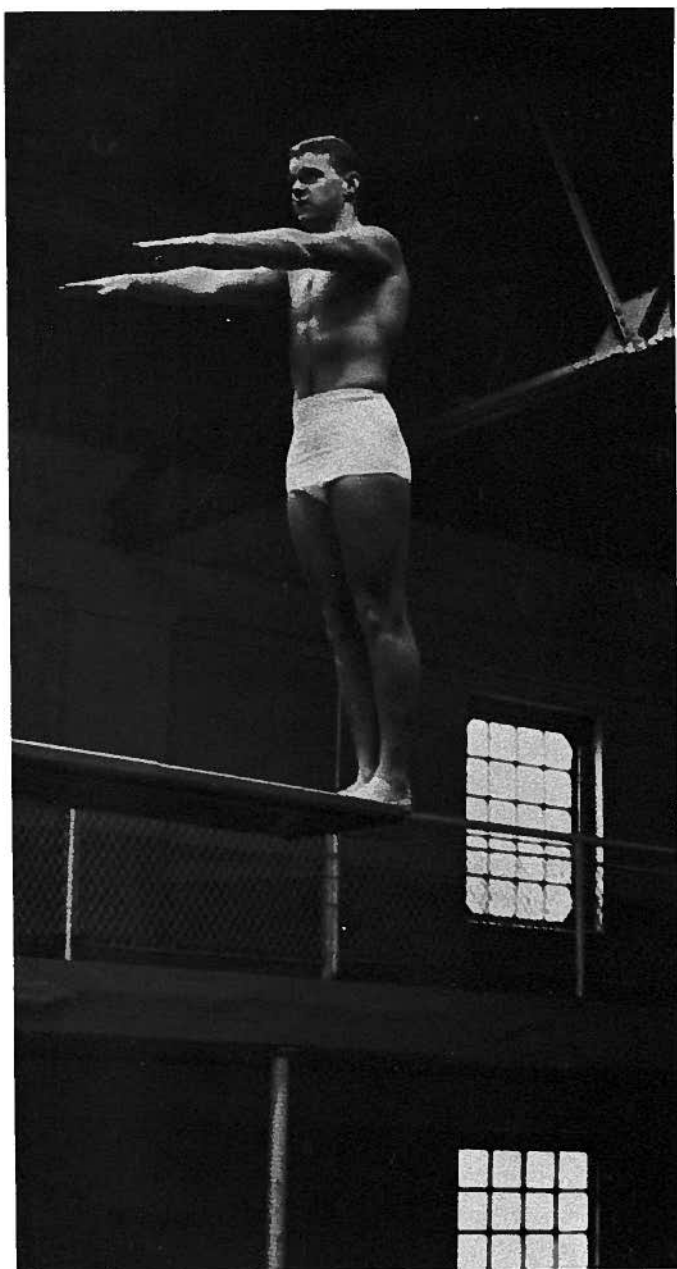

The Coach, Dr. Max Howell, worked hard to improve techniques and stressed team spirit with extremely successful results. U.B.C. rugby 'Birds will enter World Cup Competition against California with high hopes.

This year Swimming moved to the W.C.I.A.U. level with the rest of U.B.C. sports. Their schedule included eleven meets: five home, six away. The prospects were good, with the addition this year of D. Page and B. Petersen who have held Canadian records. A strong core of seasoned veterans gave the team great depth and versatility. Although results were not known at the time of printing, Coach Peter Lusztig hopes to have a record breaking year.

## ***FENCING***

Having attracted more than 43 members this year, the U. B. C. F. C. enjoyed an outstandingly successful year under team direction of J. H. Clark and A. M. Coode. The club did well at the Provincial tournament in February. Next year the U. B. C. F. C. expects to be one of the largest athletic organizations on the campus.

# BADMINTON

The U. B. C. Badminton team continued its high standard of play in several local tournaments, giving stiff competition to many of the top B. C. players. The U. B. C. team has high hopes of winning the Vancouver City Badminton League and the W.C.I.A.U. competition at Winnipeg in February.

## GYMNASTICS

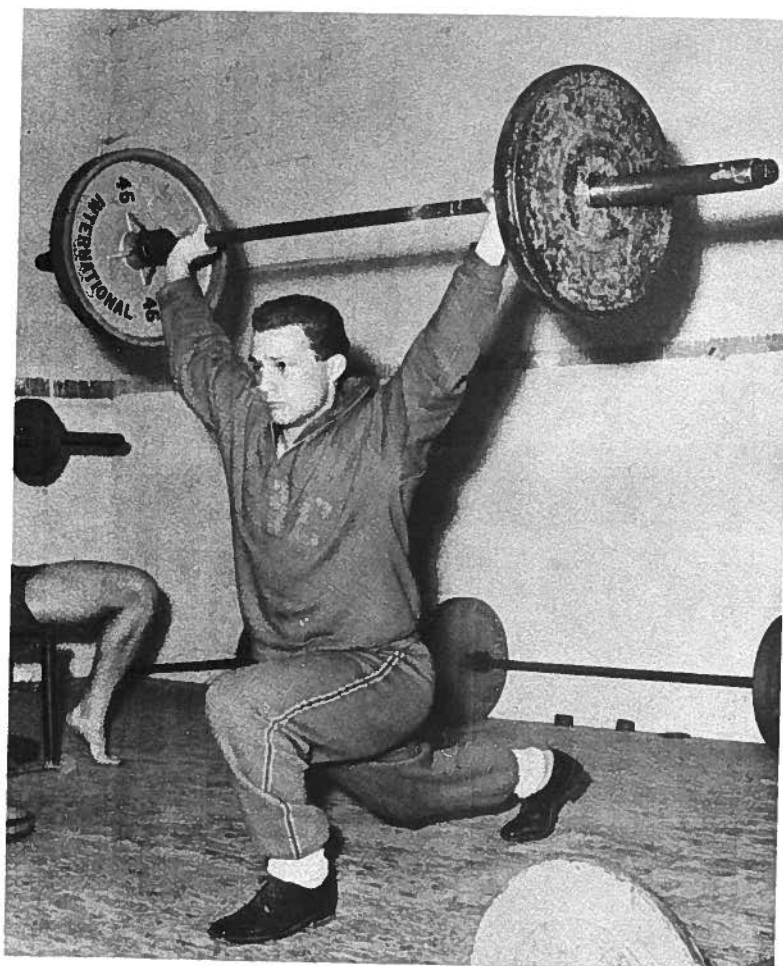

Especially strong this year and with a steadily growing membership, the Gymnastics Team has an excellent chance of topping its Pacific Northwest competition in the 1959-60 season. The team is comprised of Deiter Weichert, a member of the second placing Canadian Team in the Pan American Games, and G. Gannon, R. Finnigan, W. McIntyre, D. Avender, B. Kay, E. Kikegawa, B. Whitelaw, T. Williams, M. Engelson, A. Hankey, D. McCuaig, P. Pellat, A. Limber and G. Farstad. Dr. Douglas Whittle is once again coaching the team with Alex Ross as Captain, Paul Rothe as Manager and John Hicks as Assistant Manager.

## WEIGHTLIFTING

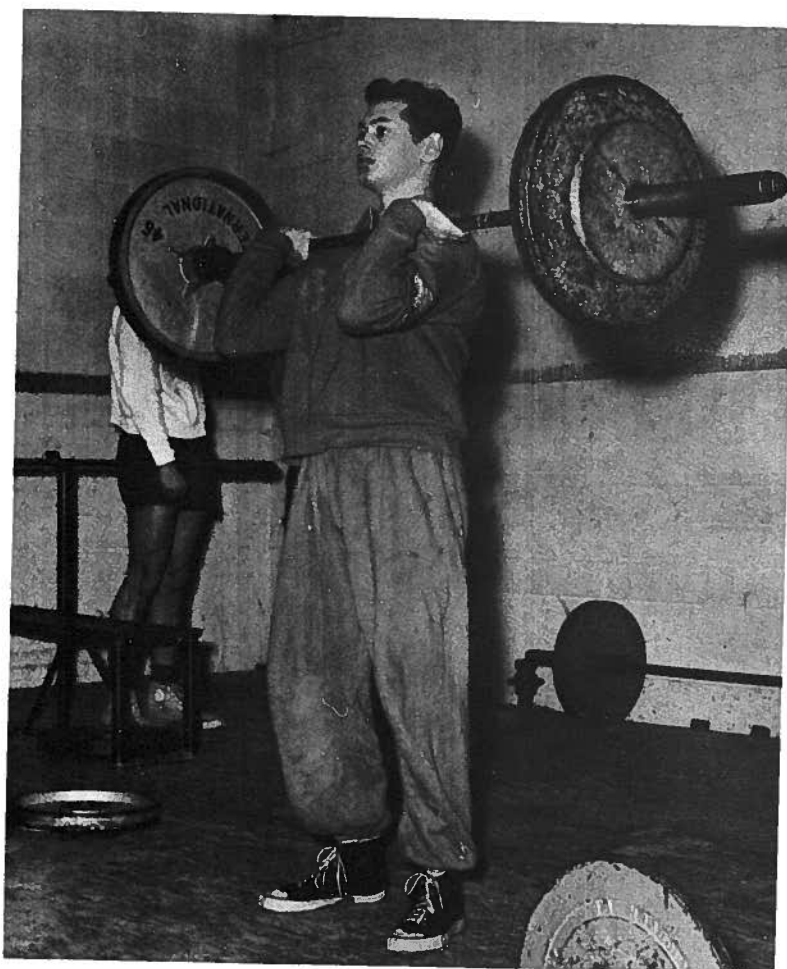

For the first year U.B.C. had a complete weight-lifting team in addition to a number of outstanding performers. Wayne Cannon set new Canadian Juvenile Records in the Olympic lifts for the 165-lb. class while Wes Woo set a new B.C. Bench Press record. Richard Murakami broke all the B.C. Junior records in winning the B.C. Junior 132-lb. title.

## GRASSHOCKEY

Four strong teams represent U.B.C. in Men's Grasshockey this year. They are the Varsity, Golds, and Blues squads in the Lower Mainland First Division and the Pedagogues in the Second Division. Driving spirit has kept Varsity in and out of first place all year. The race is for the O. B. Allen Cup, symbolic of grasshockey supremacy in B. C.

In League competition, rinks skipped by Al Paul and Mike Frazer tied in the "B" event, while those skipped by Jack Arnet and Cyril Pomeroy tied in the "A" event. In addition, Jack Arnet's U.B.C. rink placed third in the Aggregate of the Totem Bonspiel — the largest contest in B. C. Later in February, the rink represented U.B.C. in the W.C.I.A.U. Championships at Winnipeg.

## ***BASKETBALL***

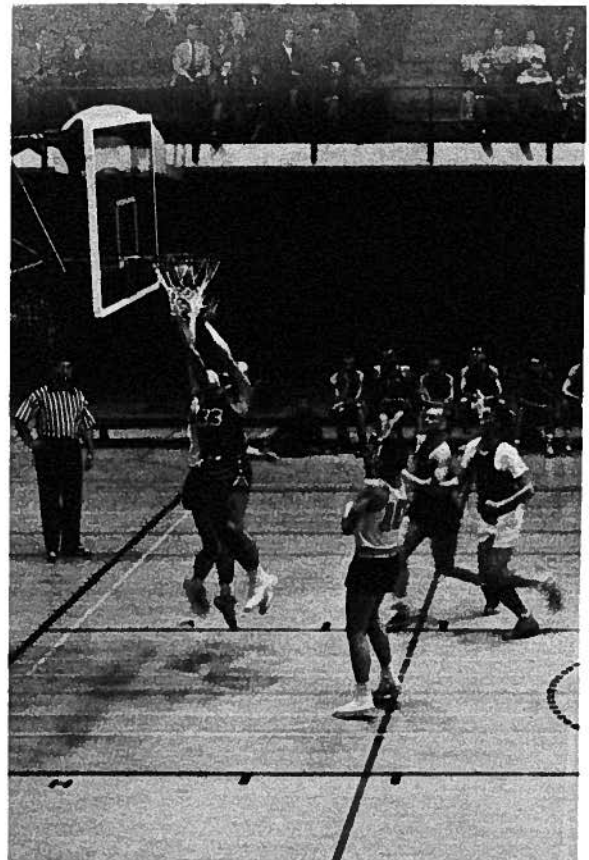

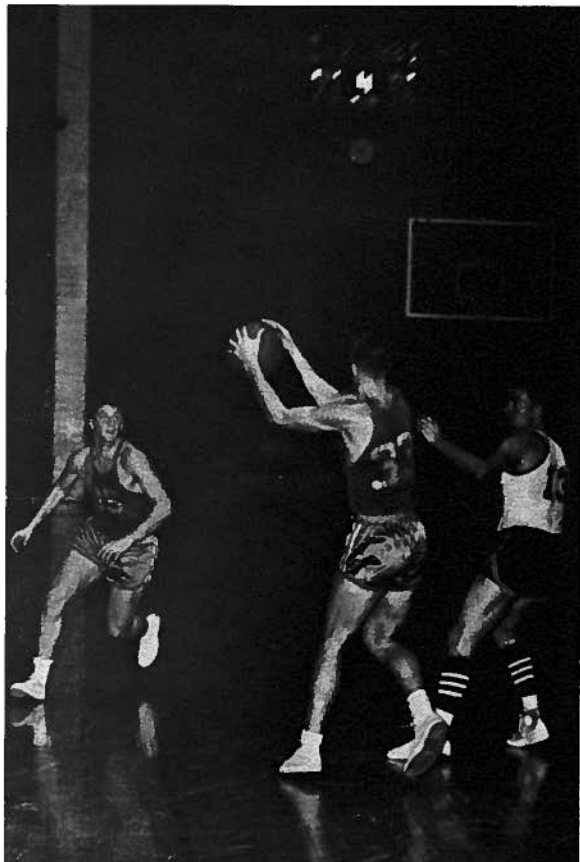

U.B.C. had three basketball teams this year: the Birds, the Jayvees, and the Braves. Not only were the Birds entered in both the W.C.I.A.U. and the two Inter-City Basketball Leagues but they also played exhibition games against American Colleges. Exhibition games occupied the Jayvees while the Braves played in the Junior Men's League.

# TENNIS

In 1960, U. B. C. performed excellently in Western Collegiate Tennis. At the W.C.I.A.U. Tournament held in Vancouver during the Fall term, Edmund Valanty defeated his U. B. C. teammate in the Men's Singles. Bob Johnstone and George Bentley placed second in the Men's Doubles while John Sutherland and Sharon Whitaker took the Mixed Doubles Title. The overall standings showed U. B. C. easily winning the Men's Team Title as they lost only one match in the twenty-five played.

## SQUASH

The Squash team, little known before this year, has done surprisingly well in competition. The team has played matches as far away as Portland and San Francisco, as well as participating in eleven local matches. This year's team captain, Chris Scott, has won the Washington Athletic Club Squash Championship in Seattle.

## VOLLEYBALL

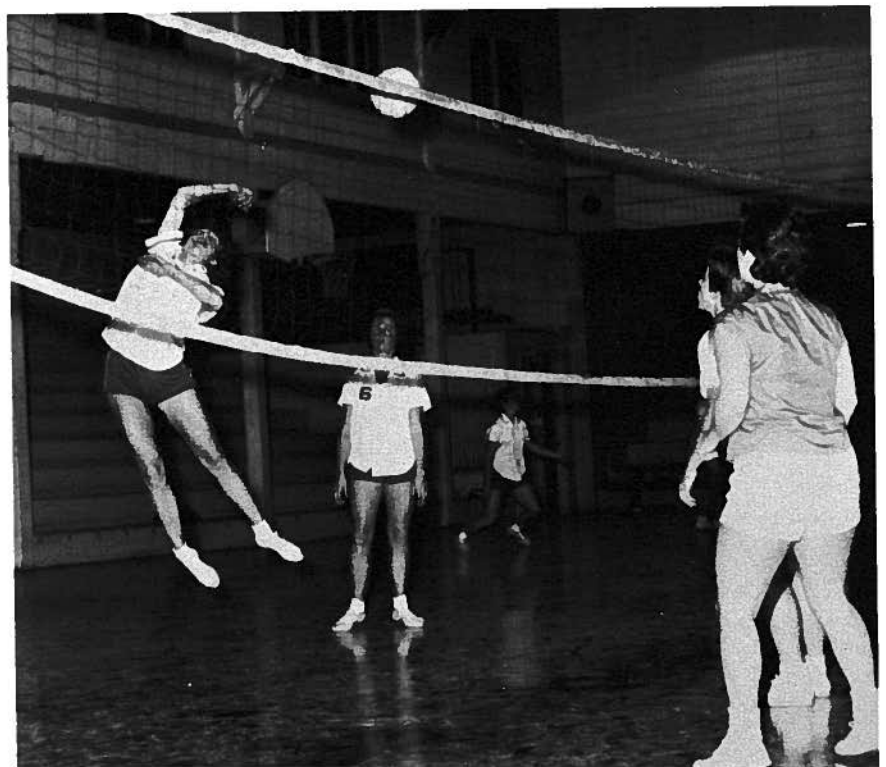

The girls' volleyball teams had a busy 1959-60 season. City competition with the Y.W.C.A. and the Vancouver Teachers' League prepared the girls for the Pacific North West Tournament held at Longview, Washington, and the Bellingham Tournament at Western Washington College. U.B.C. also sponsored an Invitational Tournament, and a team was entered in the W.C.I.A.U. February competition in Edmonton.

## ***BOYS' RULES***

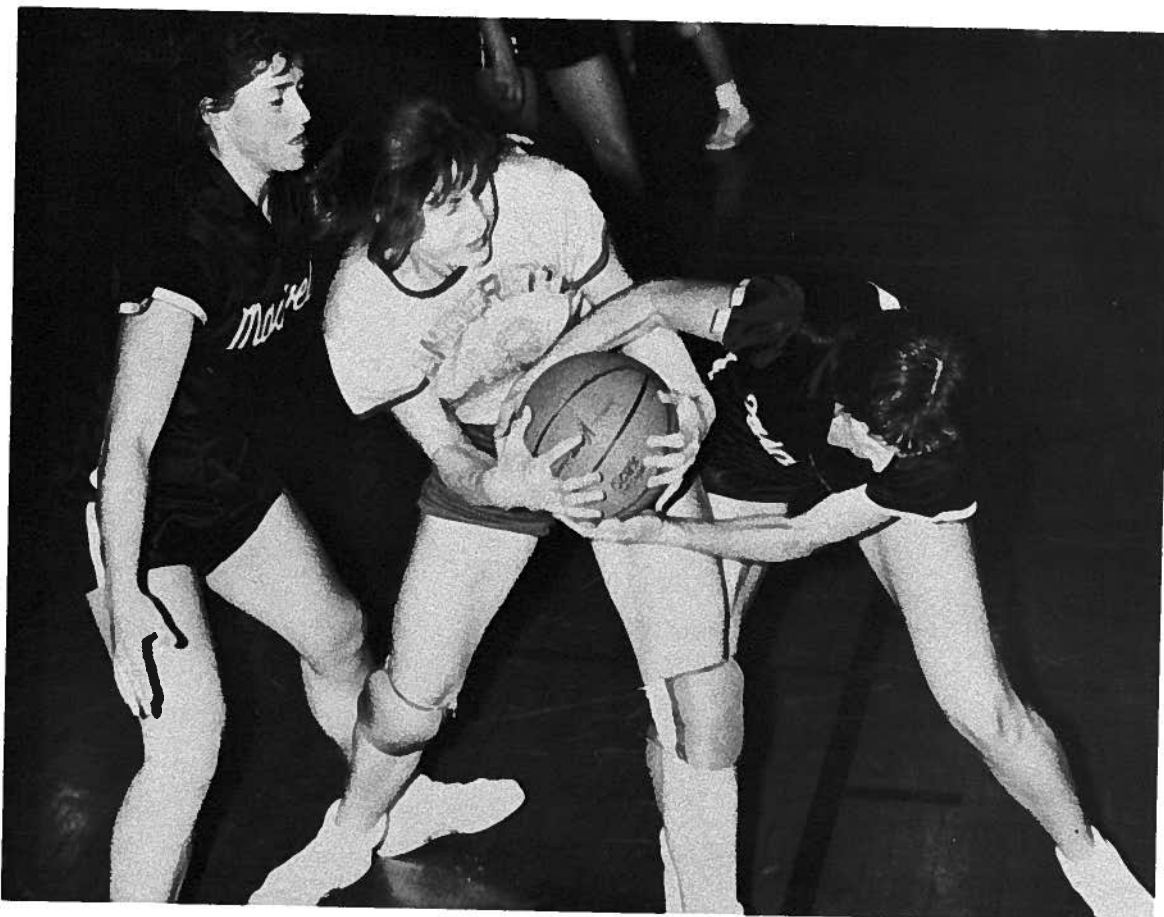

### ***BASKETBALL***

The three Thunderette basketball teams had an exceptionally successful season. Both the Senior "B" and the Junior team placed second in their Vancouver leagues. In the intercollegiate sphere, the Senior "A" team proved their worth as hoopsters by capturing the W. C.I.A.U. trophy at the championships held in Saskatoon. They were entering the semi-finals of their Vancouver league at the time of printing.

## BADMINTON

One of the most successful women's sports on campus, Badminton entered players in the W.C.I.A.U. tournament in Winnipeg this year. Three teams, each consisting of six girls, represented U.B.C. in local league matches, in the B. C. Interior Championships and in the B. C. Open Championships.

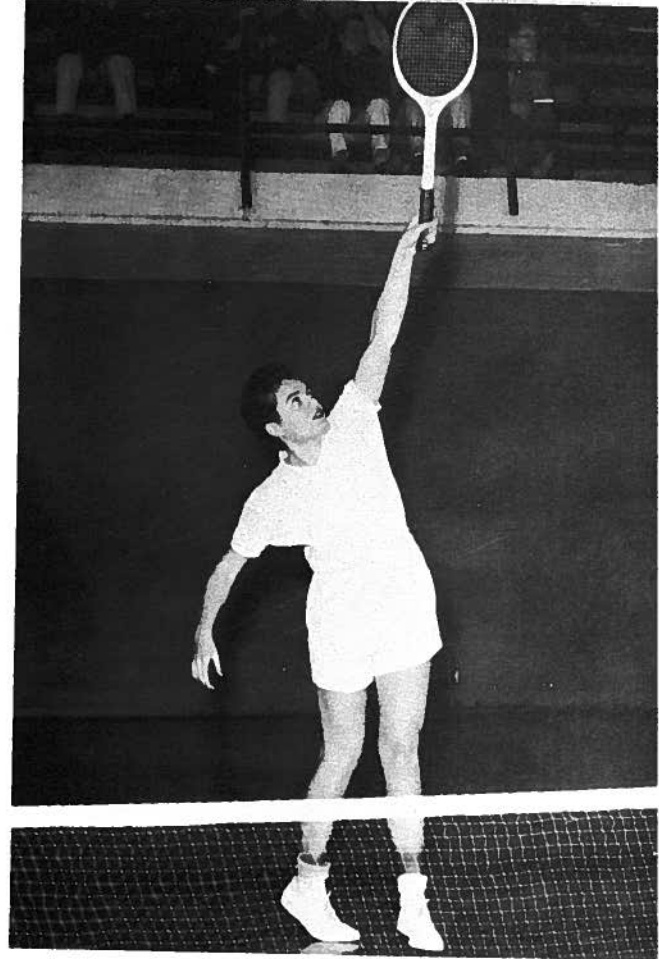

Shirley McKelvey and Carol Ashby play against Sharon Whittaker and Sid Shakespeare.

## GOLF

The eight members of the Women's Golf Team practiced once a week in the Field House and played on the university course during good weather. The club, which is in its fourth year on campus, placed third in the October W. C. I. A. U. Conference.

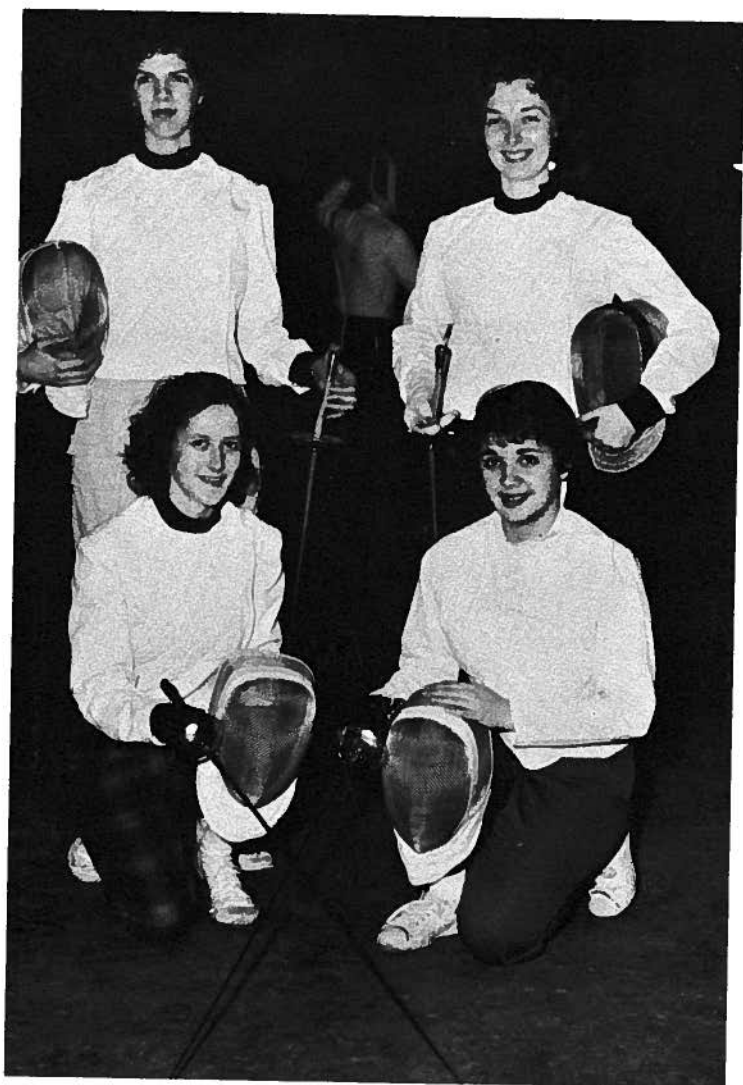

## ARCHERY

The seven members of the Women's Archery Team were active this year under the direction of their coach Miss Tilley. The team entered the annual Intercollegiate Telegraphic Competition in February, and was host to a City Competition entered by the Greenwood Archers, the Brockton Bowmen and the North Shore Archery Club.

## FENCING

The Fencing Team, consisting of seven girls, is a growing concern on campus. Under the direction of Julian Clarke they entered in Juniors and Novice Women's Foil in the B.C. Championships this February. Competition was with the "Blades" and the "Cavaliers" of Vancouver, and also entries from U. B. C. Physical Education classes.

Carol Jordan performs a one-hand stand on the bars.

## GYMNASTICS

The Gymnastics Team meets three times a week to practice under the direction of Dr. Whittle. The girls sent an entry to the Pacific North West Championships in January and the B. C. Championships held in February.

Rink members are (L. to R.): P. Bliss, P. Chataway, D. MacNaughton, R. Senz (Manager), C. Kerr (Coach), G. Walsh, D. Geddes, L. Walsh, A. Zaitzeff.

## CURLING

Quickly developing into one of Canada's most popular participant sports, curling is relatively new on campus. Two U.B.C. rinks, coached by Mr. Charles Kerr who is a well-known Canadian curler, competed in the Burnaby Totemette, playdowns for the B.C. Women's Totem Bonspiel, and W.C.I.A.U. Bonspiel in Saskatoon where they placed second.

Here are the answers:

- The Alumni Association represents the graduates of U.B.C. You will become a member—active or inactive but it's up to you.
- Our sole purpose in life is to serve graduates, the University and the cause of higher education. How do we do this? It's a long story, but ask and we'll tell you.
- No, looking for money is a minor function of the Association. We look first, last and always for friends of higher education.

# "**W**hen I was your age, a dollar would buy..."

Born twenty years too late? You might get that impression, listening to your elders reminisce about prices in "the good old days". Clothes, cars or candy bars: according to the legend, everything was better and cheaper in the golden age before you were born. So it may console you to know that at least one important commodity has gone up in value and down in price during your lifetime. That's right – electricity.

**Up in value**, because right now, electricity is performing tasks that were undreamed of two decades ago. Washing dishes and drying clothes. Bringing you hi-fi music and TV shows. And doing them all automatically.

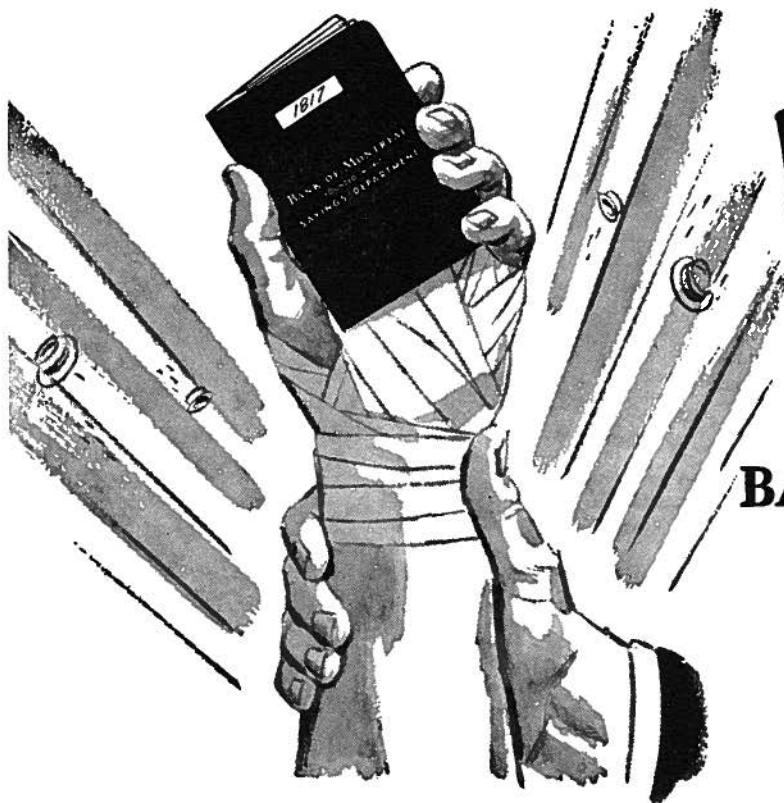

**Down in price**, because while the average family served by B.C. Electric now uses more than four times as much electricity as they did in 1940 – they actually pay less per kilowatt hour.

*Electricity is probably the biggest bargain you can buy today; will undoubtedly be even more so when you're an old-timer with reminiscences of your own.*

designed for quality

Publishers of your "1960 TOTEM" yearbook.

As another year at university ends, the pages of this book present its story. Approximately sixty students worked to produce Totem for U. B. C. and many hours of fun and extra effort are between its covers. I would like to thank very specially the staff members and photographers who contributed so much to make this annual a reality.

They have captured and recorded the tangible part of college life — events which include eleven thousand individuals who are interested in all sorts of activities. There are some intellectual, cynical, enthusiastic, and some very practical people among us. Some are older, some younger, and no one fits into any one narrow category.

The intangible part of college life is what Totem could not record. The most important discoveries and decisions that we make are very hard to express in a concrete way. Perhaps if we read "behind" our yearbook we will remember our own discoveries and decisions. There will be moments we would rather forget and those we would wish to keep forever.

Among these moments will be those which mean a great deal to us. The times when we evaluated ourselves and chose our goals will be of lasting importance. Of our eleven thousand population, some are struggling to find a satisfying relationship with others and with God. Some have found this relationship. Many students are in between, earnestly hoping to find the key to life, almost afraid to try for it.

As we pass through university we have tremendous opportunities for finding ourselves. This yearbook has shown the outward expressions of our search. It is my hope that Totem will help us to relive our intangible moments and will give us a reflective view of 1959-1960 at U. B. C.

—NANCY PAUL.
