## Biographical Sketch

Joseph Lawrence was born in Winnipeg and graduated with a B.A. from the University of British Columbia in 1951. He completed his M.A. at UBC in 1957. After serving as a teaching assistant at UCLA, he returned to UBC and joined the Department of History as an instructor, continuing to teach until 1984. He also owned and operated a second-hand book store in Vancouver.

## Scope and Content

The fonds consists of both research notes relating to Lawrence's 1957 M.A. thesis *Markets and capital: a history of the lumber industry of British Columbia (1778-1952)*; and later notes, clippings, and publications dealing with politics and the B.C. forest industry which were inter-filed with the thesis material.
