Fonds Description

E.L. Watson fonds. – 1912-1979.

96 cm of textual records and published materials.

Biographical Sketch

Born in Saskatoon, Saskatchewan, E.L. Watson grew up in Vancouver and attended UBC where he received a B.A.Sc. in 1940. After working in the private sector for some time, he returned to UBC in 1952 as a part-time lecturer in the Department of Agricultural Engineering (which, in 1975, became the Department of Bio-Resource Engineering). Watson specialized in food processing engineering and continued to work in the department until his retirement in 1980.

Scope and Content

Fonds consists of minutes of meetings, correspondence, reports, printed material, and publications pertaining to Watson's professional activities and affiliations. It includes materials pertaining to the Engineering Science Leads Committee of the B.C. Agricultural Sciences Co-ordinating Committee (BCSCC) on which Watson sat for the period 1967-1978. Composed of representatives of the Provincial Ministry of Agriculture, Agriculture Canada, and the UBC Faculty of Agricultural Sciences, the Committee advised the Minister of Agriculture and allotted research funds for research projects within the province.
